

Gray County's Mass Polio Inoculation Is Today

Doctors Ask Everyone Take Sabin Vaccine

The Pampa Daily News

Serving The Top O' Texas 55 Years

THE PAMPA DAILY NEWS, SUNDAY, OCTOBER 7, 1962

(40 PAGES TODAY)

Week Days 16 Sundays 18c

Today's the day! Physicians of the Top O' Texas Medical Society and members of the Pampa Junior Chamber of Commerce, along with hundreds of other volunteers, are hoping to wipe out polio in Gray County through the mass Sabin oral polio vaccine project which starts at noon today.

Every person in the county over the age of three months is urged to take the Sabin oral polio vaccine by the doctors, who are sponsoring the campaign, along with the Jaycees.

A list of "vaccine stations" and a registration form which should be filled out before visiting the stations will be found on page three of today's Pampa News.

There will be six locations in Pampa, one in Lefors and one in McLean, which will be open from 12 noon until 6 p.m.

Each "vaccine station" will be staffed by a medical doctor, a registered nurse, a professional pharmacist, and other volunteer workers including Jaycees, Red Cross Gray Ladies, representatives of the high school student nurses' unit, and Boy Scouts (who will direct traffic).

Scouts who can attend early church services were requested by Scout officials to report to the First National Bank Drive-In lot at 11:30 a.m., in uniform, ready to be assigned. Other Scouts and Explorers may report to the "vaccine station" nearest their home, also in uniform, by 1:30 p.m. to be of-service in the directing of traffic and parking.

Residents have been urged to walk to the station nearest their home, turn in their registration form, receive their three drops of vaccine, on a cube of sugar, and contribute, if they can and want to, as they leave.

At least 25 cents per dose contribution is being asked; however, no one will be refused the vaccine if they can not or do not wish to contribute.

Infants will be given the vaccine by simply dropping it into their mouths. Diabetics or persons who should not consume sugar, may take the vaccine with a small cup of distilled water.

Doctors have emphasized that every person in the county should receive the vaccine if polio is to be wiped out. This includes those having already taken Salk vaccine, as the Sabin oral type protects more fully and also prevents a person from being a "carrier" of the disease. Sabin Type I vaccine will be used today, with Types II and III to be given at later dates.

Lack of money should not deter anyone from receiving the vaccine, the physicians said. At the exit of each station a donation box will be placed, and those wishing to do so may donate 25 cents or more per person, to help cover the costs of the project.

United Fund Has Second Report; Total: \$22,118

The second report meeting of the Pampa-Lefors United Fund was held in the Starlight Room of the Coronado Inn on Friday. Approximately 50 workers reported results to date on the United Fund Drive.

The total raised in the fund to date has now moved to \$22,118. This represents about a \$7,000 increase over the total reported at the last meeting. Many of the larger firms and individual contributors have not yet reported. All divisions have a number of workers who have not yet reported. General Chairman George Scott expressed confidence that the total goal of \$73,600 would be met. He stressed the importance of every worker completing their contacts and reporting next Tuesday afternoon at 5 p.m. at the Coronado Inn.

Money raised to date by the various divisions is as follows: Advance Gifts, Goal, \$42,300. Raised to Date, \$16,975.35. E. E. Shelhamer, chairman. Retail Goal \$3,300. Raised to Date, \$1,300. (See UNITED FUND, Page 3)

PROTECTED FROM POLIO — David McLennan, 11-year-old son of Mr. and Mrs. E. A. McLennan, 621 Deane Dr., here shows how easy it is to take the Sabin oral polio vaccine. Young McLennan is one of approximately 40,000 residents of Gray County urged by area doctors to protect themselves against polio today at one of the eight "vaccine stations" located in the county. The project gets underway at 12 noon and will end at 6 p.m. (News Photo)

West Berlin Youth Is Shot By Communists

BERLIN (UPI) — Communist East Berlin border police shot a West Berlin youth at the entrance to an escape tunnel Saturday and then turned back British and West Berlin ambulances trying to give him medical aid.

Five West Berliners who had helped dig the tunnel under the wall were able to flee to West Berlin and safety with a 52-year-old East Berlin tailor and his wife. But the 21-year-old leader of the group was shot through an apparent act of treachery.

The episode appeared certain to explode into a major international incident since East Germans under the four-power agreements have no right to halt Allied vehicles. In addition, the East Germans turned back American and British military police.

American Parade Ironically, the U. S. Army held a full-fledged military parade in downtown Berlin hours after the shooting to bolster the morale of West Berliners. Word of the Communist action had not spread yet.

Reds Say US Naval Attache 'Whispered Espionage'

MOSCOW (UPI)—The Communist party newspaper Pravda charged Saturday that an assistant U.S. naval attache ordered expelled from Russia "roamed our land like a wolf and dictated espionage information in a whisper into a tape recorder hidden under his clothes."

Pravda gave its version of the case as Lt. Cmdr. Raymond Smith made plans to fly out of Moscow with his wife and three children Monday morning on a flight to Copenhagen.

Smith, 41, formerly of Brooklyn, N.Y., was accused Friday by the Soviet government of engaging in espionage in Leningrad "incompatible" with his diplomatic sta-

GOP Candidates Visit Pampa

Senator Tower Blasts Administration In Talk

(See Picture, Page Three) Sen. John Tower lashed out in Pampa yesterday afternoon against the Kennedy administration and warned that to avoid the pitfalls of socialism the people must send men to Congress.

Seven Officials Of City Attend Municipal Meet

Seven city officials will be representing Pampa at the three-day 50th annual conference of the Texas Municipal League opening today in Fort Worth.

Mayor E. C. Sidwell, City Manager Harold Schmitzer, City Atty. Rob Gordon, City Secretary Edwin Vicars and Commissioners Leon Holmes, Will Graham and L. P. Fort are in the Pampa delegation at the Fort Worth meeting.

City Commissioner Lloyd Simpson was unable to attend the conference because of business commitments.

Registration was scheduled to begin at 10 o'clock this morning. The conference runs through Tuesday.

A half century of history and the effect of massive urbanization in Texas will be intermixed in the three-day program. More than 2,500 delegates representing city governments throughout the entire state are attending the sessions.

George E. Murphy, Beaumont city attorney, is president of the League.

Business sessions during the meeting will spotlight immediate municipal problems — at times highlighting the past 50 years and probing the next 50.

Growth and the new demands imposed on city services, such as the upcoming \$1.5-million bond issue in Pampa, will be examined by more than 60 authorities speaking to the conference — at large and to separate sessions of 13 League-affiliated organizations composed of mayors, councilmen, city managers, and (See OFFICIALS, Page 8)

"who will not vote away the powers of Congress and give them to the President."

Senator Tower spoke to a crowd of approximately 150 persons assembled in E. Kingsmill between the City Hall and Gray County Courthouse as wind gusts up to 20 and 40 miles an hour whipped the sound truck in which he stood and an air compressor on the street corner gave added competition.

But the senator blasted through it all. He hit hard at the administration's handling of the Cuban situation.

"I disagree with the administration that Cuban buildup by the Russians is something that can be taken care of in the future," Senator Tower said. "I declare that it is a present danger."

"Khrushchev is building a Russian base in Cuba and our foreign policy must be such that we can show the rest of the world that we will fight if necessary to preserve our liberties and the liberties of the free world."

Senator Tower urged the voters of the 18th Congressional District to send Jack Seale to Congress.

"Jack Seale is a man you can

Air Tour Is Due Here Tomorrow

The All-Texas Air Tour will be in Pampa for a lunch stop tomorrow at 1:30 p.m. at Perry Lefors Field.

The Aviation Committee of the Pampa Chamber of Commerce, under the leadership of Ralph Prock, will be in charge of a reception of the visitors.

A barbecue will be served promptly at 1:30 p.m. and the public is invited to the airport for lunch with the Pampa Shrine Club at \$1.25 per plate.

The All-Texas Air Tour is an annual project sponsored by the Texas Aeronautics Commission in promoting private flying in the state. Asa Burroughs, executive secretary of the Texas Aeronautics Commission, is director of the tour.

Approximately 50 planes carrying 85 people are expected to stop in Pampa. The Tour started yesterday in Temple and will end next Saturday in Mineral Wells.

Former General OK's Doctor's Examination

OXFORD, Miss. (UPI) — Former Maj. Gen. Edwin A. Walker was ordered released Saturday from a federal hospital at Springfield, Mo.

In Springfield, acting hospital Warden J. A. Mayden said he had not been notified of the action but was prepared to handle the case. He said Walker spent most of the day with his visiting mother.

U. S. District Judge Claude F. Clayton, who sent Walker to the federal institution under a \$10,000 bond after his arrest in connection with violence at the University of Mississippi, agreed to a compromise worked out by lawyers for Walker and the U. S. district attorney.

Under agreement, Walker was allowed his freedom on a reduced bond of \$50,000. But he must present himself to the Southwest Medical Center at Dallas for further psychiatric examination to determine whether he is sane.

Walker was walked off the streets of Oxford Monday at bayonet point by U. S. soldiers after he appeared during wild disorders on the town square and was arrested on federal charges of rebellion.

Walker also was involved in the integration rioting on the Mississippi campus Sunday night which resulted in two deaths and more than 20 injuries during pitched battles between a mob and federal marshals.

Walker was rushed out of town last Monday following his arrest and was in the federal hospital at Springfield, Mo., before the day was out.

WEATHER

(Direct From Amarillo Weather Bureau)

PAMPA AND VICINITY — Continued clear today and tomorrow with no important temperature changes. High today 78-82. Low tonight, 56-60.

DR. MENDOZA ... Cuban refugee

Timely Topic Is Scheduled For Knife, Fork Club

Members of the Top O' Texas Knife & Fork Club will hear a timely address Tuesday night when Dr. Nicholas Gonzalez de Mendoza speaks to them on the topic, "Cuba — Uncle Sam's Headache."

Tickets for the dinner will be available at Malone Pharmacy until 1 p.m. Monday.

Dr. Mendoza, native-born Cuban attorney, fled from Cuba in November of 1960 with \$5 and the clothes he was wearing.

He left behind his \$120,000 ocean front home, valuable farms and real estate holdings and all personal effects. (See CUBA, Page 3)

PRACTICE RUN—Pampa firemen are shown here during a training session designed to familiarize the men with fighting different kinds of fires. The training is only part of the duties the firemen perform. The fire department will be demonstrating the use of Pampa's fire equipment throughout this week as part of the observance of Fire Prevention Week which began today. Today Is The Day To Get Your Type 1 Sabin Oral Polio Vaccine

Three State Measures Discussed

First In Series On The Proposed Amendments To Constitution

By KYLE THOMPSON
United Press International
AUSTIN (UPI)—Texas voters will be faced with a record 14 constitutional amendments Nov. 6 on a variety of subjects ranging from local hospital districts to the controversial "trial de novo" proposal that would realign powers in the state government.

Quotes In The News

By United Press International
PARIS—Former Premier Raul Reynaud, supporting the censure motion which toppled President Charles de Gaulle's cabinet: "He (De Gaulle) has wanted to be George VI and Churchill. He has not accepted the republican concept according to which France exists in its parliament. He has slid toward personal power."

OXFORD, Miss.—A Justice Department official, commenting on lessening tension at the University of Mississippi: "If we can get by without any trouble here until after Sunday, I think we can say we are over the hump."

ABOARD USS KEARSARGE—Astronaut Walter Schirra, as his space capsule was loaded into a cargo plane to be carried back to Cape Canaveral: "Just hose it down, I'm ready to go again."

Arkansas' 3,300 school buses transport 188,000 children to school daily.

ing authority, or with increase of the state's financial assistance program to the needy.

Proposal No. 1, for instance, would give the legislature additional power to enact laws enabling political subdivisions such as irrigation districts, navigation districts and the like to provide workmen's compensation insurance.

Ceiling Increase Due

Welfare proposals include one to increase by \$5 million the ceiling on payments to needy aged, blind and dependent children, and to increase the ceiling by \$1 million for payments to the totally and permanently disabled.

Other amendments would create hospital districts in Ochiltree, Castro, Hansford, Hopkins and Brazoria counties, and authorize the construction, equipping, maintenance and financing of a home for the aged in Titus County.

Amendment No. 12 deals with public conduct on gulf coast beaches to which the public has access. It would allow counties bordering the gulf to "regulate and restrict the speed, parking and travel of motor vehicles on beaches available to the public by virtue of public right and the littering of such beaches."

Local Hospital Districts

Proposal No. 5, in order to eliminate a continuing flood of special constitutional amendments to create local hospital districts as must be done under present procedures, would confer general authority upon the legislature to create such districts.

Under amendment No. 6, retirement, disability and death benefits would be authorized for elected and appointive officers and employees of counties and political subdivisions who have served for 12 years or more.

State employees would be allowed to serve as consultants or on advisory committees, or as members of a public school board providing they are not teaching.

tended much farther than is necessary to accomplish its purpose.

The next-to-last proposal deals solely with independent school districts with a majority of their territory located in Dallas county. It provides that taxes or bonds previously voted in these districts shall not be cancelled by any changes in boundaries and authorizing continuance of the levy of taxes after such change without further election.

if amendment No. 10 is approved. Bans Dual Office-Holding Under existing statutes, it is practically impossible for dual office-holding of any kind. Proposals contend the prohibition on dual office-holding has been ex-

(Next — Proposals dealing with operation of state government in times of emergency, and extension of water and land programs).

TRAFFIC STOPPER—Enoch (Nickie) Johnson, 72, Red Wing, Minn., sits in dream car he started to invent in 1913. The eight-wheeled "Nickie Special" is painted yellow with mahogany wood trim. It's powered by 250-hp engine.

G.O.P. SENATOR VISITS PAMPA — Clayton Husted of Pampa, Gray County Republican executive chairman, is shown here with U.S. Sen. John Tower (dark glasses) just before the senator spoke during the one-hour stop-over of a GOP campaign caravan that toured the Panhandle Saturday. Warren Fatheree, candidate for state representative, is on the right in the photo. Senator Tower accompanied the caravan urging listeners to support Jack Seale of Amarillo, in his race for Congress from the 18th District. (Daily News Photo)

Area Youths Working On Scout Exposition

Area youths will be stepping up their activities this week in preparation for the 1962 Scout Exposition to be held at the National Guard Armory in Pampa on Sunday, Oct. 20.

The Scout Exposition will be a series of both demonstrations by Cubs, Scouts and Explorers, showing the advancement and activity programs of Scouting. It is the handbook laid open for all to see the exciting contents.

The exposition provides each scout unit's opportunity to show the public what Cubs, Scouts and

Explorers can do. Approximately 36 booths are planned. Participating units are members of the Adobe Walls Council, Santa Fe District, of the Boy Scouts of America.

The Exposition will run continuously from 2 p.m. to 9 p.m. Ticket prices are adults, 50 cents and children, 25 cents. Tickets may be obtained from any area Scout.

Proceeds from the affair will go toward the furthering of the local Scouting program.

Vandals Hit Automobiles

Three automobiles were showered by eggs and sprayed with shaving cream in the 2300-block of Chestnut St. some time between 2:30 a.m. and 5 a.m. Saturday, according to a complaint registered with police by Robert Bybee, 2306 Chestnut.

Bybee said cars subjected to the vandalism attack were owned by him and by his brother-in-law, John Chambers, of the Amarillo Air Force Base.

The automobile of a neighbor, John P. Spinks, 2300 Chestnut, also was splattered with eggs and shaving cream. Bybee told police.

Police investigating the report said they were unable to find any motive for the act.

An attack on her house with beer bottles early Friday was reported to police by Mrs. Joann Hale, 321 Sunset Dr.

Mrs. Hale said she was awakened by the crash of one of the bottles on the front porch and another which barely missed a window at the front of the house.

According to Mrs. Hale the bottles apparently were thrown from a car which had sped away by the time she got outside.

J. L. Wheatley, 1207 Charles St., reported that someone threw a rock or bottle and broke out the glass in a gas lamp on his front lawn.

Police also were looking for the driver of a small white compact car with red letters on the side and a two-way radio aerial.

Police said a 5 by ten-foot plate glass window was broken out of the southwest corner of the Hughes Bldg. shortly before midnight Friday just as the car passed the building on W. Kingsmill. Police say the car may have run over a small socket in the street and deflected it into the window. The socket was found on the floor beneath the window.

Police said they would like to get the driver's version of what happened.

● Cuba

(Continued From Page 1)

sonal property which was seized by Fidel Castro who moved into his home.

Mendoza joined his St. Louis-born wife and their three children who had left Cuba one month earlier.

In his Pampa address, Mendoza will present his views on the current Cuban government and the problems it poses to the United States. Having lived in Cuba most of his 60 years, Dr. Mendoza is in a position to present the truth about Castro and the deceitful communication of Cuba.

The Knife & Fork Club dinner is scheduled for 7:30 p.m. Tuesday in the cafeteria of Robert E. Lee Junior High School.

Mr. Thacker Dies; Rites Set Monday

Robert M. Thacker of Lefors died in a Big Spring hospital Saturday morning.

Mr. Thacker, born Oct. 24, 1900, in Rising Star, was a member of the Lefors First Baptist Church. He was preceded in death by his wife.

Survivors include two sons, Jack of Lefors and Robert Jr. of Skellytown; three brothers, Nathan of Idalou, Riley of Vernon and Herman of California; five sisters, Mrs. Bessie Hobson of San Angelo, Mrs. Eva Pierce of Dickens, Mrs. Thelma Gun of Washington, Mrs. N. H. Seward of Big Spring and Mrs. Effie Fulbright of California; and six grandchildren.

Funeral services will be held at 2 p.m. Monday in the First Baptist Church in Lefors with the Rev. Ed L. Spivey, pastor, officiating. Interment will be in Lefors Cemetery.

Lake Titicaca, in South America, belongs partly to Peru and partly to Bolivia.

● Youth

(Continued From Page 1)

the 21-year-old leader opened it, expecting to greet some refugees. Instead four Communist plainclothesmen stood in the doorway. One shouted: "Good morning. This is the criminal police. Hands up!" All fired their guns.

The other West Berliners fled to safety. The youth tried to slam the door but fell wounded, apparently shot in the head. Hours later he had not been removed and there was no indication whether he was dead or dying.

Key Club, Ministers To Hold Joint Meeting To Plan For Pilgrimage

Making early plans for the Fourth Annual Pampa Pilgrimage, Pampa Key Club's Pilgrimage Committee meets with the ministers of Pampa at lunch Monday at 12:10 p.m. The luncheon, courtesy of Key Club, will be served in Fellowship Hall, First Baptist Church, to many of the 38 ministers who live in the city.

Key Club President Raymond Nance will preside at the luncheon, with John Holloway, general chairman for the Pilgrimage, conducting the educational part of the program. Appearing with Holloway will be other members of the Executive Committee. Purpose of the luncheon is to coordinate plans for the Family Walk To Church which originated with Pampa Key Club in 1959. Chairman Holloway explained: "Recalling past experience, we discovered our greatest need was to make certain that all ministers understood how the plan works; what can be done to assure maximum attendance; and, be sure that all of Pampa has an opportunity to participate."

Dr. Hubert Bratcher, president, Pampa Ministerial Alliance, will preside over a brief business session of that group, which normally meets on the first Monday of each month. The Key Club-spon-

sored luncheon will take the place of the October meeting.

In past years, between 5,000 and 9,000 people have joined in this unusual religious ceremony. It is designed primarily to increase church attendance on one special Sunday night; to encourage strong Christian observance of the Christmas season; and, to be a reminder of the heritage under God that supports all American institutions. The Pilgrimage will be conducted on Sunday, December 16, this year.

All ministers of all Pampa Churches are urged to be the guests of Key Club for the Luncheon. Reservations should be made by calling Harry Peterson, chairman of the Church Relations Committee, MO4-2975.

Mainly About People

Lay-A-Way now for Christmas with Pampa Progress Stamps at B&B Toyland and B&B Pharmacy.

Mary Ellen Williams, daughter of Dr. and Mrs. E. S. Williams, 1204 Charles, was pledged into Kappa Kappa Gamma Sorority of Southern Methodist University, Dallas, recently. Twenty-eight girls were pledged during formal rush.

The O.E.S. Gavel Club will meet

Thursday at 6:30 p.m., with a covered dish dinner, in the home of Mrs. O. A. Davis, 333 N. Faulkner. Co-hostesses are Mrs. Clem Davis and Mrs. O. A. Wagner.

Fire damage cleaned, Hi-Way Cafe now open for business, 105 N. Hobart, Web Johnson.

The William B. Travis PTA executive committee meeting will be held Thursday at 1:30 p.m. in the office of Dan Johnson, principal, followed by the regular unit meeting at 7:15 in the school auditorium. Mrs. V. L. Hobbs will present colored slides of her travels, according to Mrs. Bill Martin, president of Travis PTA.

The Pampa Altrusa Club will meet at 12 noon Monday in the Coronado Inn for a program by the International Relations Committee, according to Lorene Locke, president.

GENERAL CONFERENCE SPEAKER — David O. McKay, prophet-president of the Church of Jesus Christ of Latter Day Saints (Mormon) of Salt Lake City, Utah, will deliver an address Sunday from 9 to 11 a.m. over television station KGNC, Amarillo, on the general conference of the Latter-Day Saints. McKay is the ninth prophet of the church since 1830 when the church was founded by Joseph Smith.

Key Club In Attendance At Meeting

Some 25 members of the Pampa Key Club attended the Annual Fall Training Conference of Division 6 Key Clubs held in Borger, Sunday, September 30.

Principal personalities in the conference were Don Sears, Pampa, who is Lieutenant Governor, Division VI Key Clubs, and the Officer in Charge; Bob Tanner, Gainesville, who is Governor, Texas-Oklahoma District of Key Clubs; and Jack Farlow of Fort Worth, Kiwanis District chairman.

Sears presided over the entire conference, Farlow was the luncheon speaker in Borger High School's cafeteria at noon, and Tanner closed the conference with his official address at 3:30 p.m.

Purpose of the Conference was to give training to new Key Club officers — who have already begun their year's work.

Joining in with Division VI was Division VII, including Hereford, Tula and Plainview Key Clubs, and Division XVII, Elk City, Okla. Both of these are new divisions and the clubs united in Borger to observe and participate. Next year they will hold individual conferences in their own divisions.

Congressman To Address Local Groups Tuesday

Rep. Walter Rogers, Democratic candidate for Congress from the 18th district, will speak twice in Pampa Tuesday.

The congressman will address the Pampa Jaycees at their noon luncheon in First Methodist Church Recreation Hall and is scheduled for a speech at a meeting of the Business and Professional Women's Ass'n at 7 p.m. Tuesday.

Rogers' campaign also calls for a Pampa appearance at the banquet of the Top O' Texas Credit Union on Thursday, Oct. 18.

Members of the Rural Letter Carriers heard Rogers in a campaign speech at a dinner meeting last night in Poole's Steak House.

Welfare Index To Meet Tuesday

Pampa Welfare Index will hold its first fall meeting Tuesday afternoon in the City Commission Room, City Hall. The meeting called for 4 p.m. to 5 p.m. by the president, Tom Beard.

All clubs, societies and PTA groups are invited to send representatives to the meeting. A year's financial report will be made and plans for the coming year will be discussed.

Red Cross Sets Board Meeting

The Pampa Chapter of the American Red Cross will hold its regular monthly board meeting at 7 a.m. Tuesday at the Coronado Inn.

E. B. Pemberton, chapter chairman, urged all of the members to be present. Melvin Jayroe will speak on funds for the Red Cross.

Local March Of Dimes Officials Attend Pre-Campaign Meeting

The tragedy of thalidomide, the drug which has caused deformities in thousands of newborn infants, has emphasized the need for public support of the March of Dimes, fight against birth defects, according to Clyde Carruth, Gray County chairman for the 1963 March of Dimes drive.

A pre-campaign meeting of volunteer leaders in Dallas was held recently for planning January's 25th Anniversary March of Dimes. Mrs. R. A. Mack and daughters, Jimmie and Mary Ann, of Pampa and Mrs. Earl Atkinson of Lefors also attended the Dallas meeting.

Dr. Herbert T. Wagner, medical consultant for the National Foundation March of Dimes, was principal speaker at the meeting. He reported that headquarters and local chapters are now supporting more than 50 centers for birth defects, arthritis and polio in various sections of the country. The program involves about half the nation's medical schools as affiliates.

This means, Carruth said, that more and more children with these crippling diseases can now receive complete medical care in their home communities. "I'm sure the American people will help us expand this vital program by supporting the March of Dimes in January," he said.

In each center, teams of medical and other specialists provide comprehensive medical care and treatment to correct or limit crippling and disability caused by

By LYLE C. WILSON
United Press International
 WASHINGTON (UPI) — The predicament of former Maj. Gen. Edwin A. Walker invites speculation whether the good fairies of the right fringe were as generous as the good fairies of the left.

The good general is in the pokeny, where it was determined that the public safety required that he remain unless his good fairies could come up with \$100,000 bail bond. This is a good round sum. When family and friends got the bail money together, the federal court laid another lock on Walker, ordering him to be held for psychiatric examination at the U.S. prisoners hospital where he is confined.

The bail bond laid upon Walker is identical with the sum assessed against the freedom of the late Robert Soblen when he was in the pokeny and lacked the scratch to get out. The good fairies of the left could not bear the thought of the late Soblen being so confined. They put up \$100,000 to bail the spy and off he flew to Israel.

That was a bad investment. Soblen will not be back, having been brought down by his own hand in London. He was helped by British good fairies who just could not suffer the poor fellow to serve his time. This fluttering of the heart muscles among the good fairies here and abroad in behalf of a convicted agent of the Communist conspiracy is enough to baffle the average man.

Robert Soblen's motives may have been of the purest, but that would depend on the angle from which they were observed. Soblen sought little more than to help Nikita Khrushchev bury us. A pure, enough motive if viewed from the angle, say, of the Kremlin front door.

The Justice Department seemed to equate the menace of Walker

with the menace of Soblen, \$100,000 each.

This even though Walker's invasion of Mississippi with his flag, his tent and his skillet made even Lon Quixote look good. After that of James H. Meredith himself, the saddest personal tragedy in the horrid events at Oxford, Miss., was the personal tragedy of Edwin A. Walker, former major general, U.S.A.

No Bond Chance
 No chance now for Walker to be sprung, unless by writ of habeas corpus. There could be great public outcry if Walker were freed pending trial because many persons consider him a dangerous man.

Yet there was no public reproach when Comrade Soblen's good fairies sprang him from jail. Whether Walker is or was dangerous to our way of life is not subject to instant proof. As of now he is charged but not yet proven guilty of any crime.

Soblen was a Communist and a felon by official record when his bail was set and met, convicted of spying in the United States in behalf of the Reds. The price tags on Walker and Soblen were the same far out of proportion to their respective threats to the welfare of the United States.

More Insurables
 NEW YORK (UPI) — About 5 million persons who would have been uninsurable a generation ago because of health impairment or highly dangerous jobs now have life insurance. The Institute of Life Insurance reports.

The institute said this has been made possible by the continuous liberalization of acceptance limitations by life insurance companies in recent years.

The Lighter Side On New Political Game

By DICK WEST
United Press International
 WASHINGTON (UPI) — If I were running for office this year, I'd fire all of my political advisers and hire a gag writer.

Humor is the thing nowadays. Every candidate a comedian. An office-seeker, Democratic or Republican, who isn't up on the latest Kennedy jokes can't count on his mother for support.

Two new examples of the knee-slapping type of campaign material now in vogue came to my attention this week. One is Rep. Otis Pike's "Blast Pike" press kit. The other is a game called "New Frontier."

Pike, a New York Democrat, sent around to the "opposition press" in his district a set of instructions on how to attack him during his race for re-election.

For one thing, he said, they should drop the slogan that was used against him in the last campaign — "Let's knock Pike off his peak." Pike said this was punk.

Offers Slogan
 Demonstrating that he is no Pike's pip when it came across the "New Frontier" game displayed at a Republican "I Miss-Ike" affair. It sent me into spasms of mirth. Or it may have been my rheumatism acting up.

At any rate, "New Frontier" is described as "the newest item to join the fad of spoofing the Kennedy administration." It seems to be a variation of "Monopoly" with a different slant.

In "Monopoly," the object is to create a financial empire and ruthlessly crush your competition. But in "New Frontier," everybody goes broke. Therefore, it is called "The game nobody can win."

Unless I miss my guess, it also is a game nobody but Republicans will play.

Starts At Point
 Each player starts at a point labeled "seat of government" and identified with a rocking chair. He then goes around the board

RILES MOTORISTS
 ST. LOUIS, Mo. (UPI) — Controversial safety signs, which some motorists called distractions, have been removed from a highway construction site.

They said: "If you are reading this sign, you are driving recklessly. Keep your eyes on the road."

us are in for during the next few weeks.

We may not like any of the candidates, but we should be able to laugh all the way to the polls.

The state flag of Arkansas has 29 stars: four in a diamond and 25 around the border.

UNIQUE MEETING—The Rev. Alcuin Hemmen and his sister, the Rev. Mother M. Celeste Hemmen, are the presidents of the Benedictine colleges in Atchinson, Kan., St. Benedict's and Mount St. Scholastica, named for the twin founders of their order. Here they discuss curricular offerings of their colleges, prior to opening of school.

with the menace of Soblen, \$100,000 each.

Expectant Mothers, Blood Donors Warned About 'Asian Flu' Vaccine

PHILADELPHIA (UPI)—An investigator for the American Heart Association has warned expectant mothers and prospective donors with Type "O" blood against using commercial "anti-flu" vaccines.

Dr. George F. Springer, newly-appointed professor of microbiology at Northwestern University, said most vaccines being manufactured against an expected wave of Asian flu produce antibodies which clash with blood Type "A."

He said an expectant mother whose unborn child may have Type "A" runs the risk of bearing an infant with hemolytic disease. Dangerous results also may follow the individual donation of blood to anybody by Type "O" blood persons who have had flu shots, he added.

Dr. Springer, former professor of immunology at the University of Pennsylvania, said he discovered the danger during the course of basic heart association research related to plant and bacteria substances that have the same chemical composition as antibodies in the human blood.

IMPERIAL 1963

AMERICA'S MOST CAREFULLY BUILT CAR

IMPERIAL CROWN FOUR-DOOR

To everyone who plans to buy an Imperial, Cadillac or Lincoln this year

If you'd like the best perspective on what your next luxury car can offer, begin with a drive in the new Imperial—first luxury car having its power-train warranted* for five years or 50,000 miles.

Your Imperial dealer is ready to furnish one of his new models for your comparison. You'll find Imperial is designed for spaciousness and luxury on the grand scale. Imperial's town-car look is deliberately restrained—and timeless. But its famous roadability is evidence of very timely advances in high-performance power and the largest automatic-adjusting brake system in any American luxury car.

After you've tested and inspected and compared, we'd like your personal judgment of our major premise: that Imperial's differences afford important motoring qualities not found in either Cadillac or Lincoln.

So accept our friendly challenge, please. We're confident that driving an Imperial will influence your ideas about what a luxury car should be and should do.

*Your authorized Imperial Dealer's Warranty against defects in material and workmanship on 1963 cars has been expanded to include parts replacement or repair for 5 years or 50,000 miles, whichever comes first, on the engine block, head and internal parts; transmission case and internal parts; torque converter; drive shaft; universal joints (excluding dust covers); rear axle and differential; and rear wheel bearings, provided the vehicle has been serviced at reasonable intervals according to the Chrysler Certified Car Care schedule. Factory approved remanufactured parts may be used for replacement.

Star Jeanne Moreau Has Skill With Skillet

By ERSKINE JOHNSON
Hollywood Correspondent
Newspaper Enterprise Assn.
LONDON (NEA) — The new "first lady" of the French movie world — Jeanne Moreau — is 35 and typical of today's new film stars. Instead of classic beauty, she has talent. Jeanne can act, and she can cook, too.

She didn't bake a cake worth \$25,000 but her luncheons-to-keep-a-film-company's-budget-worth-a-lot-more-to-her.

She won her acting reputation, and a big role in a new U.S. movie, in two French films currently playing the Bijous and Ritzes — "Jules and Jim" and "Les Liaisons Dangereuses."

She proved she can cook during the filming of "Jules and Jim." A movie company travels on its stomach, too.

"We had so little money and so few actors and camera crew that I had to cook lunch," Jeanne laughed at a cocktail party introducing her to the English press.

"Shooting was time-tabled every morning so that I had time to make the lunch." We couldn't imagine a Hollywood film queen interrupting her emoting to stand at a hot stove. Jeanne couldn't imagine it either.

The U.S. movie for which Jeanne had come to London was Carl Foreman's "The Victors," his first film since "The Guns of Navarone." She had just completed two additional films, "Eva," and Orson Welles' film version of Kafka's "The Trial," costarring opposite Tony Perain.

Foreman announced Miss Moreau would not be needed at the stove during filming of "The Victors," and Miss Moreau announced her engagement to Pierre Cardin, the Paris fashion designer. Cardin made headlines this summer by dropping milady's hemline below her knees on his theory that women shouldn't show off their legs.

The English press asked Jeanne about her love for Pierre and I asked her if she knew why Pierre was opposed to women displaying their legs. It was, we told her, a dirty trick on us males.

Jeanne, who handles her English very well, begged to differ, with the argument: "Do you like other men to see the legs of the woman you love?"

I frankly admitted it didn't bother me, and later I noticed it didn't bother Jeanne, either. At least, when Pierre isn't around. She was wearing one of his below-the-knee gowns but she hiked it way above her knees when she sat down to pose for news photographers.

"Everybody needs love. It is more important than success."

Jeanne has both, now. The daughter of a French father and an English mother (an ex-Folies Bergere dancer), Miss Moreau has a background of early drama

'Monster Mash' Is Top Tune In Nation's Listings

CHICAGO (UPI) — Bobby Pickett's recording of "Monster Mash" moved from third to first place in this week's United Press International ratings of top tunes. "Sherry" by The Four Seasons slipped to second after holding down the top position the four previous weeks.

"Green Onions" by Booker-T and the MG's, dropped up from fourth to third this week, and Bent Fabric's "Alley Cat" moved from seventh to fourth as the top tunes underwent a general shuffling.

The Countours' rendition of "Do You Love Me" jumped from ninth to fifth; Dickie Lee's "Patches" dropped one position to sixth; and Nat King Cole's "Ramblin' Rose" willed from second to seventh.

Chris Montez' "Let's Dance" continued to hold eighth position; Jimmy Clanton's "Venus in Blue Jeans" went from 11th to ninth; and "Sheila" by Tommy Roe slipped from sixth to 10th place.

This week's top 20 tunes, with position last week and number of weeks in top 20:

- 1-3-4 Monster Mash. Bobby (Boris) Pickett and the Crypt Kickers. Garpax.
- 2-4 Sherry. The Four Seasons. Vee Jay.
- 3-4-6 Green Onions. Booker-T and the MG's. Stax.
- 4-7-4 Alley Cat. Bent Fabric. A.T.C.O.
- 5-9-4 Do You Love Me. Countours. Gordy.
- 6-5-4 Patches. Dickie Lee. Smash.
- 7-2-6 Ramblin' Rose. Nat "King" Cole. Capitol.
- 8-8-6 Let's Dance. Chris Montez. Monogram.
- 9-11-4 Venus in Blue Jeans. Jimmy Clanton. Ace.
- 10-6-9 Sheila. Tommy Roe. AVC Paramount.
- 11-0-0 Only Love Can Break a Heart. Gene Pitney. Musicor.
- 12-0-0 He's a Rebel. Crystals. Phillips.
- 13-0-0 I Remember You. Frank Ifield. Vee Jay.
- 14-1-1 Rain, Rain, Go Away. Bobby Vinton. Epic.
- 16-10-4 If I Had a Hammer. Zeter, Paul and Mary. Warner Brothers.
- 17-0-0 I Left My Heart in San Francisco. Tony Bennett. Columbia.
- 18-0-0 Gina. Johnny Mathis. Columbia.

BIRD MAN OF ALCATRAZ — Burt Lancaster and Neville Brand co-star as cop and convict in "Bird Man of Alcatraz," which is scheduled for a four-day run at the Capri Theatre starting next Sunday. The story is based on the life of Robert Stroud, a federal penitentiary inmate since 1909, a man who has been imprisoned longer than any man alive and a man who has become the world's foremost authority on bird pathology during this time. Karl Malden, Thelma Ritter and Edmond O'Brien are also included in the cast.

Many Norwegians are dependent upon fishing for their livelihood. The importance of the industry was recognized by law, when last year in April the Norwegian fishing limits were extended from 4 to 6 miles and from 6 to 12 miles in September. Because the British also need to fish an agreement was signed between the two countries allowing British trawlers to fish within Norway's outer 6-mile belt until October 1970.

Wall Street In Review

NEW YORK (UPI) — From the traders' standpoint the stock market as a whole continues to be a frustrating affair and its tendency to reverse direction in a narrow range is not helping to invite public participation, notes R. E. Buchsbaum.

The W. E. Hutton & Co. analyst says the problem is still one of presenting convincing arguments

to either buy or sell a broad list of stocks. "We are again in need of something surprising to move stocks from dead center. The lack of aggressive bidding for good stocks on weakness is especially disturbing."

The Shields Survey says that the next three months may well provide the best opportunity in years for the purchase of common stocks and as usual "most investors will neither recognize nor take advantage of the opportunity."

COOKS, TOO—Provocative Jeanne Moreau, French movie darling, has won the top role in a new U.S. film, "The Victors," a World War II tale of Nazis and their vanquished.

When not acting, Jeanne finds an outlet for her other talents in the art of cooking.

studies and stage appearances in Paris. After only 15 stage appearances, she became the youngest member of the renowned Comedie Francaise.

In "The Victors," a story of World War II, she plays a French widow caught in the horrors of the Nazi invasion. Also featured in the film are Eli Wallach, Melina Mercouri, Vincent Edwards, George Hamilton, Christine Kaufmann, Romy Schneider, George Peppard, Rosanna Schiaffino and Michael Callan.

The film's theme is that war brings degradation even to the victors. The script follows a group of young soldiers through the invasion of Hitler's Europe. For each there is more than just the drama of war. Only two of the soldiers reach Berlin where one is killed — in a knife fight with a Russian soldier over a girl.

Meanwhile, back at her press cocktail party, Jeanne Moreau was handling her English very well. Since her mother was English, she said she was brought up on tea — "I never drink coffee."

It was almost like "The Front Page." A couple of English newsmen dashed off to flash their city desks about a French actress who drank tea.

Abraham Lincoln is credited with originating the phrase "Don't swap horses in mid-stream" in 1864.

RECEIVES EAGLE SCOUT AWARD — Don Nichols, center, 15-year-old son of Mr. and Mrs. Jack Nichols, 1133 Huff Rd., was recently awarded the Eagle Scout Award during a Court of Honor for Troop 14 in the First Presbyterian Church. He is pictured here with his parents following the presentation. (Daily News Photo)

Boy Scout Troop 14 Holds Court Of Honor Recently

Boy Scout Troop 14, sponsored by the First Presbyterian Church, held a Court of Honor recently in the church with several of the Scouts receiving achievement awards.

Jack Nichols, Scoutmaster, presented his son, Don, with the Eagle Scout Award.

Master of ceremonies for the evening was Warren Fatheree, assistant Scoutmaster.

Awards presented were: Tenderfoot, Hobart Hukill, Filmore Merrill and Bill Wiley.

Second class, Mark Warner.

First class, Greg Gunter, John Carr, Bill Nichols and Donald Snell.

David Taylor received a special award for his service in the Scout Life Guard.

Merit badges presented went to Charles Brauchle, Hal Cree, Ricky Cree, John Curry, John Elder.

Larry Franklin, Randy Harris, Billy Hawkins, Robert Karr, Johnny Kuhn, Don Nichols, Mike Osborne, Arthur Smalley, Tommy Smalley and David Taylor.

Charles Brauchle was awarded a star merit and Robert Karr received a life merit award.

The Court of Honor was closed with the retirement of the flags and benediction by Scoutmaster Nichols.

COPS COLD CACHE

MARION, Ill. (UPI) — Bobby L. Carpenter, 21, was sentenced to prison Wednesday for taking \$11,000 from the freezing compartment of a refrigerator.

James A. Gentry said he used the cold cache for his cash because pest control workmen were scheduled to inspect his old hiding place — beneath his mother-in-law's house.

Never Tired Out

GOP Candidate Gets A Standing Ovation After Kiwanis Address

Des Barry, Republican candidate for congress-at-large from Texas, received a standing ovation from the Downtown Pampa Kiwanis Club after his Friday noon address to members of the civic club in Methodist Church Recreation Hall.

Barry, introduced by Herman Whatley, spoke to the members of his fight with Jimmy Hoffa and the Teamsters Union who tried to destroy his Galveston Trucking Co., Inc., in Houston. It was a three-year fight from 1955 through 1957 which Barry finally won. He established individual rights for his employees to decide whether or not they wanted to join Hoffa's Teamsters' Union. He also won from the Interstate Commerce Commission a decision ordering the truckers' union to shun boycotts under penalty of losing their ICC licenses. The commission ruled that "it is elementary that a common carrier may not bargain away its obligations and duties to the public."

Barry, whose book, "Too Hot To Handle," just came out Friday told the Kiwanians his fight with Hoffa now was a secondary matter when considered with the fight still going on today to protect the rights of individuals.

"The important thing," he said, "is that we let fellows like Hoffa get in a position where they can get the opportunity to flout the Constitution and destroy the free enterprise system."

"I have found in my recent travels that people everywhere and especially in the visits I have made through Texas — are seriously perturbed by what has been happening to constitutional government."

"We must, all of us, fight for individual rights."

"We must maintain Americanism — constitutional government on the basis upon which our forefathers founded it."

"We must be alert to the hard economics of life. You cannot get

anything free, especially from government.

"All of us should make it a purpose to get into politics on the local level. Whether you think so or not, everyone of us is involved in politics right up to the eyebrows. Get into politics in the party of your choice and take an active interest. See to it from the local level on up that your party platforms contain the things that will protect individual rights and preserve constitutional guarantees."

Barry went on to say that in order to keep America free there must be freedom of opportunity; man's initiative must be preserved so that he can go forward, and the people must fight for their individual rights and beliefs, and fight hard.

"Stand up for state and individual rights on every level," Barry said. "It is the only way we can preserve constitutional government and get out from under bureaucratic control."

Series' Split

Seventy per cent of the player pool of World Series baseball money goes to the two Series teams (60 per cent to the winner, 40 to the loser) with the other 30 per cent distributed among the second, third and fourth place teams in each league.

Here's Box Score For Congress

60th YEAR **THE PAMPA DAILY NEWS**
SUNDAY, OCTOBER 7, 1962

the House Interior Committee after winning Senate approval.
POSTAGE AND PAY
 For the second time since 1932, Congress agreed to increase the postage rate on first class mail. The bill will raise first class postage to 5 cents, airmail to 8 cents and postcards to 4 cents.
 Also approved in revised form as part of the same bill was Kennedy's plan for raising pay more than a million postal and other government employees.

Adjournment Fever
(EDITOR'S NOTE — Barring any last-minute hitches, Senate and House leaders plan to adjourn the 87th Congress this weekend. What were its achievements? Here is a box score on its actions on major issues.)

By United Press International
 Congressional Boxscore:

FOREIGN POLICY
 Congress approved without substantial change President Kennedy's bold new tariff-cutting foreign trade program. It was his biggest legislative victory. He said he wanted the authority so he can negotiate bigger markets for American products in Europe's revolutionary Common Market.

Congress also gave Kennedy authority to lend up to \$100 million to the United Nations to help save the world peace organization from bankruptcy. But U.S. lending cannot exceed the total loaned by other countries.

Three Kennedy innovations in foreign policy were approved. The government was authorized to plan a large part of its foreign aid program on a long-range (five year) basis. The Peace Corps was endorsed and expanded by Congress. A new agency to work on disarmament was created.

DEFENSE
 Last year and again this year Congress backed up the President in international crises by passing resolutions specifically authorizing him to augment military forces by calling up ready reserves. And Congress overwhelmingly affirmed the announced intention of the United States to resist Communist aggression from Cuba.

The first Kennedy congress set a peacetime record in appropriating defense money. The total over the two-year span was about the same as Kennedy requested. But it included money he didn't want, and may not spend, for faster development of the 2,000-mile per hour RS-70 bomber.

TAXES
 Although no general relief was granted, every pocketbook was affected by new laws.

Business got more than a billion dollars a year of the kind of tax relief Kennedy said was necessary to modernize industry,

spur the economy, and create jobs. Instead of repealing tax deductions for business entertainment, as the President proposed, Congress tightened the rules slightly.

The lawmakers turned down Kennedy's plea for tax withholding on dividends and interest, but approved a plan under which corporations, savings institutions and other payers of interest and dividends will have to send to both the Treasury and the individual investor a report on all investments earning \$10 or more in 1963 and in future years.

To finance new Social Security benefits, modest increases in payroll taxes (ranging up to \$6 a year) were levied on every employer covered by the program. Employers were required to match the tax increase. The increases took effect last Jan. 1.

The 10 per cent federal tax on railroad, bus and water travel will be removed Nov. 15. Congress also scheduled for the same date a reduction to five per cent in the 10 per cent tax on airline tickets.

WELFARE AND HEALTH
 Kennedy got nowhere on his controversial proposal to finance hospitalization and nursing home care for persons 65 or older through higher Social Security taxes.

Congress accepted most of the administration's proposals for reforming the multi-billion dollar public assistance program to put more stress on rehabilitation measures aimed at helping get needy persons off the relief rolls.

Administration-backed bills to tighten government controls over the marketing of drugs were shelved, then revived and passed.

Social Security cash benefits were raised last fall for 3.7 million widows and other persons.

Veterans drawing compensation for injuries or ailments resulting from military service, got cost-of-living benefit increases this year averaging 9.4 per cent. The Labor Department was empowered to police welfare-pension funds managed by companies and unions.

WAGES AND UNEMPLOYMENT
 Congress intervened on behalf of low-paid workers and set up three new programs to aid the unemployed.

Wage minimums of \$1.00 an hour were extended to more than 2 million workers in retail and service trades. They will be guaranteed \$1.15 in September, 1964, and \$1.25 in 1965.

A new federal program of grants and loans was launched last year to help communities where there is chronic unemployment. This year Congress also approved Kennedy's plea for a new program of retraining the unemployed for new jobs.

But Congress cold-shouldered Kennedy's plea for federal standards to force states to jack up benefits of their unemployment compensation programs. The President's special program to help youths find jobs also fell by the wayside.

Congress didn't seriously consider the President's request for standby power to cut taxes and launch public works programs in time of recession. But it approved a \$900 million immediate expansion of public works instead of the \$900 million program Kennedy proposed.

Tax relief Kennedy said was necessary to modernize industry, spur the economy, and create jobs. Instead of repealing tax deductions for business entertainment, as the President proposed, Congress tightened the rules slightly.

EDUCATION
 Kennedy was clobbered on this. Conservative foes of his ambitious programs of federal aid to education were helped by a church-state issue which divided its supporters in and out of Congress.

Some opposed programs that would grant aid for religious-affiliated institutions. Others opposed any program which did not include such aid.

Moreover, the House this year rejected on a final showdown vote a compromise version of Kennedy's \$2.3 billion aid program to help colleges build classrooms and to provide scholarships to talented but needy students.

FEDERAL AID FOR CITIES
 Kennedy triumphed on housing.

The lawmakers last year gave him just about all of the vast, new subsidies and other tools he requested for battling slums and improving city living conditions.

But they balked at his proposal this year to begin tapping the treasury to provide better and faster rail and bus and subway travel for suburban commuters.

CIVIL RIGHTS
 Kennedy used a soft approach. He relied largely on executive actions for advances in this area on the theory that a head-on clash with southerners would alienate support needed for other legislative battles.

In the first session Kennedy sought, and got, nothing except a two-year extension in the life of the Civil Rights Commission which was created in 1957.

In the second session the White House finally endorsed a bill which supporters said would increase Negro voting in the South. Efforts to pass the measure were abandoned after the Senate twice refused to stop a southern talkathon. It would have outlawed discriminatory state literacy tests for voters and made sixth grade education proof of literacy.

Then, with some southern support, a less controversial constitutional amendment was pushed through. It would, if ratified in seven years by 38 states, ban the poll tax as a requirement for voting in federal elections.

COMMUNICATIONS
 Three new frontiers proposed by Kennedy for television were opened. Congress approved creation of a privately-owned, government-regulated corporation to build and operate a worldwide communications satellite system.

The Federal Communications Commission was authorized to require manufacturers to make only 52-channel sets and thereby facilitate establishment of more stations.

Congress authorized federal

matching grants totaling \$32 million over a five-year period to help non-profit educational and civic groups build educational TV stations.

CRIME & TRUST-BUSTING
 The lawmakers gave the President's brother, Atty. Gen. Robert F. Kennedy, much of the expanded power he wanted to crack down on racketeering. And they also gave the Justice Department authority to subpoena company records in civil antitrust cases.

Previously subpoenas were limited to criminal cases. The administration failed to get authority to use wire-tapping evidence in national security cases.

FARM
 Kennedy was decisively defeated last year in efforts to arm his secretary of agriculture with broad authority to work with farm groups in devising programs to bolster farm income and curb surpluses. But he won enactment of stop-gap measures which reduced farm surpluses.

For the first time Congress permanently re-shaped a part of the farm program to Kennedy's liking by putting into effect, starting with the 1964 crop, his controversial two-price plan for controlling wheat surpluses.

The new farm law also extends for one more year stop-gap programs for inducing feed grain

SAN FRANCISCO—Dr. Edward Teller, the famed physicist, addressing the National Conference of United Press International Editors and Publishers:

"It is my guess, and it's only a guess, that the Russians are ahead of us in nuclear weapons today."

growers to voluntarily cut surplus plantings.

NATURAL RESOURCES
 Congress authorized the government to buy up private lands to establish big seashore parks extending for miles along the Atlantic and Pacific Oceans and the Gulf of Mexico. The sites: Cape Cod, Mass.; Padre Island, south of Corpus Christi, Tex.; and Point Reyes Peninsula near San Francisco.

However, in the face of opposition from mining, lumbering and other local interests Kennedy's plan to establish a national system of wildernesses founded in

Don't Just Watch Us Grow, Grow With Us!
 "Growing With and For The Top O' Texas"

New Books Are Available From Lovett Library

The following new books are now on the shelves at the Lovett Memorial Library:

Five novels: "Believe My Love," by Laurene Chinn; the Berger novelist writes a story of a Nebraska girl attracted to a Chinese boy.

"What a Way to Go," by Wright Norris: a wry and surprising love story adds new faces and places to the author's gallery of contemporaries.

"Power," by Howard Fast: the story of a man's lust for greatness by the author of "Spartacus."

"I Am in Urgent Need of Advice," by Josephine Lawrence: a novel about a group of city-dwellers who repeatedly seek the help of professional "experts."

"Vincent," by Joost Poldermans: a novel based on the life of Vincent Van Gogh.

Non-fiction: "Final Verdict," by Adela Rogers St. Johns: the daughter of Earl Rogers, the great trial lawyer, tells the poignant story of his controversial life.

"Greatest Fighter Missions," by Edward H. Sims: stories of top Navy and Marine air aces of World War II.

"Uneasy Lies the Head," by King Hussein: the autobiography of His Majesty, King Hussein I of the Hashemite Kingdom of Jordan.

"Look Both Ways," by Hilda Cole Espy: the author of "Quiet, Yelled Mrs. Rabbit" writes of her children growing up in her usual humorous style.

"The Tiger in the Senate," by A. Robert Smith: the biography of Senator Wayne Morse of Oregon.

"Inside a Soviet Embassy," by Aleksandr Kaznacheev: the experiences of a Russian diplomat in Burma climaxed by his defection to the West.

"She Loved a Wicked City," by Lawrence Earl: the story of Mary Ball, missionary and nurse, who coped for 25 years with the hardships in China to save the people and the city on the Mongolian border.

"The Sea for Breakfast," by Lillian Beckwith: the experiences of an English schoolteacher on a remote but far from lonely farm in the Hebrides.

CARGO TO THE CITIES—The role of trucks in hauling freight between cities is shown on map above, based on data from Interstate Commerce Commission, U.S. Chamber of Commerce and Automobile Manufacturers Assn. In 1961, trucks racked up 299 billion ton-miles. This included 62 per cent of the nation's fruit and vegetables to market and 90 per cent of all livestock.

Fire Prevention Week To Start Here Today; Activities Scheduled

Fire Prevention Week begins today in Pampa and other cities throughout the United States. The observance is being sponsored in Pampa by the Fire Prevention Committee of the Chamber of Commerce with several programs scheduled during the week ending Oct. 14.

Lindy Houck is general chairman for this year's observance. Fire Chief Ernest Winborne announced that sirens will be sounded at noon throughout the week to remind the public of the observance.

Mayor E. C. Sidwell signed a proclamation which stated in part: "I call upon all departments and agencies of the city government to participate actively in a campaign for improved fire safety. The fire department and

the schools of our city can provide effective leadership in the activities of Fire Prevention Week, and I urge them to work with the Chamber of Commerce and other organizations for a successful program."

Students in the elementary grades of the schools have been preparing fire prevention posters which will be judged early in the week and the winners from each school will have their poster displayed in Lovett Memorial Library.

L. V. Bruce, chairman of this year's poster committee, announced that the school posters will be on display in some downtown locations Saturday, Oct. 13.

Arrangements have been made with various service clubs in the city to present announcements of Fire Prevention Week during their weekly meetings.

Chief Winborne announced that a demonstration of the ladder truck will be given at each elementary, junior high and senior high school at various times throughout the week.

Fire Prevention Week has been observed since 1871 following the Chicago fire on Oct. 9 and 10 of that year.

Chief Winborne emphasized the following points to help prevent fires in our city:

- 1 - Remove the rubbish from cellars, attics and closets.
- 2 - Buildings classified as conflagration hazards should be protected by automatic sprinklers.
- 3 - Basement fires are the hardest to fight. Since a large percentage of all business fires originate in basements, they should be also protected by automatic sprinklers.

Everyone is urged to stress the importance of a good Fire Prevention Week and every effort should be made to educate the public as to the prime importance of a good fire record in Pampa, Winborne said.

Pampa To Join In Observance Of Special Week

Beginning today, Pampa will join the rest of the nation in observance of National Employ the Handicapped Week.

The week, which is sponsored by the Governor's NEH Committee in cooperation with the Texas Employment Commission, the Disabled American Veterans and other organizations, was officially proclaimed by Mayor E. C. Sidwell on October 2, 1962. The theme of the week will be "Ability Counts."

Nationwide, 41 per cent of the men, women and children have some chronic illness or impairment. This adds up to nearly 72 million people, not counting an estimated 1.3 million in institutions.

Not all, of course, are seriously handicapped to the point of being limited in what they can do. But many are.

About 18 million of these persons - one of every 16 Americans - have some degree of limitation of activity due to chronic illness or impairment. An estimated 12.6 million are limited in the amount or kind of major activity they are able to perform. Of these, some 12 million are of employable age. Many are working, but not all. Many are using their full remaining abilities on the job, but many are lucky to find marginal employment beneath their full capabilities.

Twenty five physically handicapped workers in Pampa now have applications on file with the TEC for work, and a special attempt is being made to place these persons in suitable jobs before the end of next week. Bill Ragsdale, TEC manager said today. Sixteen persons with some degree of handicap were placed in jobs during September by the Pampa TEC office.

City budgets have traced the rising cost of serving more and more citizens. The total budgets of Texas cities amounted as late as 1940 to only \$67 million, rising sharply during the next two decades to \$184 million in 1950 and \$474 million in 1959.

Increased demands being made upon the cities and towns in Texas' unparalleled urban growth and development are reflected annually in Municipal League conference programs.

Subjects for discussion at the 1962 conference opening today will include the proposed "trial de novo" amendment to the State Constitution, state and local responsibilities in such fields as urban highways and traffic water development, public health, planning for natural disaster emergencies, capital budgeting, new tools and methods in municipal finance, state and local taxes, current trouble spots in law enforcement, public works purchasing, status of metropolitan planning in Texas, the complexion of the 1963 Texas Legislature, and other topics of priority interest.

The 13 separate sessions for departmental organizations affiliated with the League will explore the technical areas of municipal government operations.

Tower

(Continued From Page 1)
book filled with half-truths and lies.

"This book was published by the Un-American Activities Committee of the House of Representatives," Seale said. "If Mr. Rogers knew it contained half-truths and lies, why hasn't he done something about it - he is a member of the House."

Seale also attacked Rogers' voting record on the Farm Bill, raising the national debt ceiling, Farm Control Agency, the Washington, D. C. Aquarium, and several other issues endorsed by the Kennedy administration.

"I invited Mr. Rogers to debate publicly on these issues," Seale said, "but so far I have received no reply to my letter sent to him several weeks ago, and I don't expect to receive a reply."

On the platform with Senator Tower, Seale, and Fatheree were Mrs. Seale, Joe Cree of Pampa, Seale's Gray County campaign manager, and Mrs. Charles McKay of Amarillo, GOP candidate for the State Board of Education, who spoke briefly. She said she was greatly concerned with what is being taught in our public schools.

"America cannot be great unless patriotism and love of country is stressed in the textbooks in our schools," she said.

Mrs. McKay pointed out that if voters will check the list of Republican candidates in Texas they will find that not one of them is a politician.

"The Republican candidates are men who are running for the offices at a sacrifice to themselves simply because they believe in a principle," Mrs. McKay said.

Clayton Husted, Gray County Republican executive chairman, acted as master of ceremonies for the 45-minute program.

Senator Tower, Seale, and the others had come from Borger. A 50-car automobile caravan had stopped earlier in Dumas after leaving Amarillo Saturday morning.

From Pampa the caravan moved on to Panhandle for a 15-minute stop and then back to Amarillo where a \$50-a-plate fund raising dinner was held at

Phone Company Open House Set Here This Week

The Southwestern Bell Telephone Company will hold a special Direct Distance Dialing Open House at the Pampa telephone building, 301 N. Ballard, October 10 and 11.

Announcement of the affair was made by George Newberry, telephone manager.

Newberry said the idea behind the open house was to give the public a chance to tour the company's remodeled quarters and to get a behind-the-scenes look at the new customer long distance dialing equipment which went into service here on July 23.

Special exhibits, including one which shows how telephone calls are billed under the Direct Distance Dialing system, will be on display at the open house. Local telephone people will be present from 2 to 5 p.m. and 7 to 9 p.m. each day to guide visitors through the building with narrators at specified places to explain the functions of the equipment and the part that it plays in providing Pampa and surrounding areas with telephone service.

Newberry said that special invitations have been mailed to all Pampa telephone customers inviting them to attend the affair. Refreshments will be served at the close of the tour which will last about 20 minutes. Newberry also said that special tours will be arranged for clubs, Scout troops or other organizations who may not be able to attend during the regular hours of the open house.

The Amarillo Country Club last night and the candidates later made a television appearance.

Des Barry, candidate for Congress-at-large on the GOP ticket, was unable to come to Pampa because of an appointment in Childress.

Barry returned from Childress in time to attend the Amarillo rally last night. He had been in Pampa Thursday night and Friday.

WHEELER PERSONALS

By Rena Sivage

Mr. and Mrs. K. D. Ford and family, Mr. and Mrs. Sonny Pride and family and Mr. and Mrs. Marvin Cox were Sunday dinner guests in the home of their parents, Mr. and Mrs. Claude C. Cox.

Mr. and Mrs. Loyd Wayne Weatherly and Tammy of Shamrock spent Thursday here with Mr. and Mrs. Clarence Holdeman and Mr. and Mrs. Harold Sivage.

Mrs. Lorene Tucker of Shamrock, Mrs. Johnnie Douglas and Mrs. Jimmie Casper and Mrs. R. O. Johnson were Thursday dinner guests of Mr. and Mrs. C. A. Whitener.

Mr. and Mrs. J. R. Clemens and Randy of Lubbock visited over the week end with friends in the Kellon community and with his sister and family. Mr. and Mrs. George Richardson and Connie, Mr. and Mrs. Travis Keelin of Briscoe visited recently with her sister and husband, Mr. and Mrs. Guy Brown.

Mr. and Mrs. Dale Bright are new residents of Wheeler. Mr. Bright is an employee at Clay Food Store. They have a son, Mike, age three and a daughter, Brenda, age one. They are members of the Baptist Church.

Mr. and Mrs. Harold Sivage and Miss Carolyn Farris were business visitors in Pampa Wednesday evening. While there they visited in the home of Mr. and Mrs. Aris Gammage, Wayne and Aris.

Mr. and Mrs. W. O. Jones of Amarillo were here recently transacting business at their farm, the former Hub Cole farm. They also visited with her brother and family, Mr. and Mrs. Buddy Errington and Brenda.

It is estimated that someone flees from a Communist country every minute of every day.

Interior Department To Dedicate Program Of Helium-Conservation

Assistant Secretary of the Interior John M. Kelly will formally dedicate the Government's long-range helium conservation program in public ceremonies at the Amarillo helium plant of the Bureau of Mines at 10 a.m. Wednesday, Oct. 10, the Department of the Interior has announced.

In designating Kelly to launch the large-scale conservation program, Secretary of the Interior Stewart L. Udall said he considers it one of the most important and forward-looking steps ever taken by the Government toward preservation of an irreplaceable natural resource.

Millions of cubic feet of essential helium were being lost daily when natural gases containing this element were burned for fuel, Secretary Udall said. With the cooperation of private industry, this needless waste will be reduced substantially and helium extracted from natural gases at industrial plants in the Southwest will be conserved by the Government for use in the future, he noted.

Deliveries of helium by the Helix Company - a Northern Natural Gas subsidiary - are expected to begin in October, according to the Department. The Helix plant, first to be constructed under four long-term, helium-purchase agreements between Government and private industry, is one of five installations that will recover helium from natural gas that formerly went direct to fuel markets. Helium extracted by these plants will be shipped through a just-completed Government pipeline to the Cliffside gas field operated by the Department's Bureau of Mines near Amarillo, where it will be stored underground until needed in the future.

The conservation program marks a new phase in helium activities of the Bureau of Mines, which since 1921 has been the only source of virtually all the

helium produced in the free world. Used almost entirely as a lifting gas for lighter-than-air craft when the Bureau first began supplying it, helium began to find new uses during World War II. This was the beginning of an upward trend in demand that has not yet begun to level off.

Today, this lightweight, inert "wonder gas" has many important applications in industry and defense. It is used to shield certain metals from contamination during arc welding, in quality-control testing of such diverse products as air conditioners, refrigerators, candy mints, soft drinks, wines and wonder drugs, in electronics, atomic energy, missile development, and space exploration. As a liquid, helium is absolutely essential in the fast-growing field of low-temperature research called cryogenics. Liquid helium is the only substance that enables scientists to achieve temperatures only a fraction of a degree above absolute zero.

Rapid development of new uses for helium and steadily rising demand for the element are the reasons underlying the Government's conservation program, the Department said. Although the Nation's resources of helium are limited, it has been wasted at the rate of more than four billion cubic feet a year when natural gases containing it were burned as fuel. The conservation program will not stop this waste entirely, but it will curb it sharply. The purchases already contracted for by the Government will save an estimated 62 billion cubic feet of the lightweight element during the next 22 years.

In addition to the Helix installation at Bushton and that of National Helium at Liberal, three other helium extraction plants are under construction in the area traversed by the helium pipeline. Two of these are being built by Phillips Petroleum Company at

Sherman and Dumas. The other, rising near Ulysses, Kans., will be operated by Cities Service Helix, Inc. The purchase agreements leading to construction of these plants obligated all of the \$47.5 million-a-year purchasing authority granted by the Congress to the Department's Bureau of Mines.

Arizona leads all states of the Union in copper production.

GO JET-SMOOTH '63 CHEVROLET - IT'S EXCITING!

If all roads were superhighways, Chevrolet's remarkably smooth and silent ride might be just another luxury. But as most town and country roads will demonstrate, this is one Chevrolet advantage that's mighty easy to get excited about. (The way those four deep-coil springs put the kibosh on bumps, you'd almost think Chevrolet was working for the highway commission.) And what with over 700 noise and vibration filters between you and the pavement, you

could hardly ask for more traveling luxury at even twice the price. The new '63 Bel Air, Biscayne and Impala are built to be equally easy going on upkeep. Brakes are self-adjusting. New Delcotron generator s-t-r-e-t-c-h-e-s battery life. Even the rocker panels on the Body by Fisher are self-washing and ventilating to cut down on rust. Your dealer's waiting to tell you more—and the more you hear about these new Chevrolets, the better you'll like them.

Liston Picked Up By Police, But Released

PHILADELPHIA (UPI)—Charles (Sonny) Liston, who went on to win the heavyweight championship Sept. 25 after a prison background, was picked up by police in Fairmont Park Friday night and later released.

A report filed by park guard Aaron Smith showed the 28-year-old champion was halted while driving his 1962 Cadillac at the unusually slow rate of 15 miles an hour.

Smith said he detected an odor of alcohol on Liston's breath and the boxer could not produce the owner's card for the automobile. No charges were placed against Liston.

Smith said he radioed for a patrol wagon to take Liston to the Sedgely Park guard house. The policeman said the champion became abusive and claimed the officer was prejudiced because of Liston's race.

According to Smith's report, Liston "swayed" when he got out of the automobile. The officer said he did not realize the driver was the boxing champion until he asked him his occupation.

When the patrol wagon arrived, Liston refused to get in because a "white man was the driver," Smith said. Liston finally agreed to go to the guardhouse in a car driven by Sgt. Francis Wyatt, Smith explained.

At the guardhouse, Lt. Edward Kelly said he observed Liston's condition and decided it did not warrant calling a police surgeon to examine him. Meanwhile, the owner's card was found in a search of the Liston auto, police said.

Kelly said he then instructed Liston to telephone for someone to drive him home. A neighbor showed up and drove Liston home in the Cadillac, police said.

Mississippi Staggers Houston Cougars

JACKSON, Miss. (UPI)—Quarterback Glynn Griffing rifled four touchdown passes, three of them to halfback Louis Guy, to lead seventh-ranked Mississippi Saturday in an easy 40-7 victory over Houston.

Griffing's three scoring passes to Guy, all in the second period, were good for 41, 34 and 17 yards.

Boston Patriots Beat New York

NEW YORK (UPI)—Gino Cappelletti scored 19 points and Babe Parilli tossed three touchdown passes Saturday night to lead the Boston Patriots to a 43-14 victory over the New York Titans in an American Football League game.

The victory was the third straight for the Patriots, who gained sole possession of first place in the Eastern Division with a 3-1 record a half-game ahead of the Houston Oilers. The Titans suffered their third loss against two wins.

Cappelletti was on the scoring end of one of Parilli's touchdown passes, booted three field goals and four extra points before a crowd of 14,412 at the Polo Grounds.

All of Parilli's TD passes came in the second period as the Patriots built a 24-7 lead. The 32-year-old Parilli connected for touchdowns with Jim Colclough, a 63-yard scoring play; Don Burton, who ran 13 yards after catching a screen pass, and Cappelletti for a 36-yard touchdown play.

A 12-yard interception run by Tom Addison in the third period and a 3-yard run by Jim Crawford early in the fourth period accounted for the Patriots' other scoring.

Michigan Tops Army's Cadets

ANN ARBOR, Mich. (UPI)—An alert band of Michigan opportunists took advantage of an inept, fumbling Army team Saturday to sting the previously unbeaten Cadets, 17-7, for the Wolverines' first win of the season.

Michigan, smarting from its opening loss to Nebraska, supplemented its attack with breaks and penalties to take an easy victory before a home throng of 70,749.

And when it was over the Michigan defense had won a clear decision over the vaunted "Chinese Bandits" of coach Paul Dietzel.

Halfbacks Jack Strobel and Dave Raimey scored the Michigan touchdowns on short runs and quarterback Bob Timberlake booted a 25-yard field goal and two extra points.

The Wolverines struck in the first, second and third periods before Army got its lone touchdown early in the final period on Carl Stichewy's 73-yard punt return.

Army's offense never got beyond its own 42 in the opening half as the Wolverine defense smothered Cadet backs who managed only 48 yards in the half.

Michigan 7 3 7 0-17
Army 0 0 0 7-7

Missouri Belts Arizona, 17-7

COLUMBIA, Mo. (UPI)—Missouri struck early and then played it close to the belt the rest of the way Saturday to defeat Arizona, 17-7, before a record home opening crowd of 42,000.

Missouri took advantage of an Arizona fumble to score midway through the first period, added another touchdown in the same period and then let Vince Tobin kick a 35-yard field goal in the second quarter to give the kicking specialist five points for the day.

Arizona failed to crack the touted Missouri defense until the final period when Bill Brechler fired a 15-yard touchdown pass to Ken Cook and Gary Kenley kicked the extra point.

End Jack Palmer recovered a fumble on the Arizona 18-yard line to set up Missouri's first touchdown. Six plays later, fullback Paul Underhill cracked into the end zone from the two-yard line.

Missouri's second touchdown came on a 34-yard drive, highlighted by a 27-yard dash by John Roland and Underhill's 13-yard buck. Underhill passed six yards to end George Seals for the touchdown.

Missouri, in winning its second game to go with one tie, dominated the game and allowed Arizona to get past the 50-yard line only once—when the losers scored their lone touchdown. Arizona managed only 98 yards on the ground and 46 passing, while Missouri rushed for 179 yards and added 13 through the air.

Roland, a sophomore halfback, accounted for 92 yards rushing in 18 carries.

Missouri 14 3 0 0-17
Arizona 0 0 0 7-7

Pittsburg Stymies California Rally

BERKELEY, Calif. (UPI)—Quarterback Jim Traficant completed only four passes but three of these were touchdown strikes of 37, 46, and 77 yards that enabled Pittsburg to withstand California's late rally Saturday and win their intersectional football battle, 26-24.

In addition to his three touchdown passes, the 190-pound Traficant also scored on a cleverly executed lateral pass to Paul Martha on a play that covered 22 yards in the second period.

California, which lost its star quarterback Randy Gold because of a knee injury just before the half, rallied gamely in the final period under substitute Larry Balliett and pushed across a touchdown with 4:15 left to play.

But the Panthers ran out the clock with their ground game to win. A small crowd of about 27,000 watched this surprisingly high-scoring game between these two primarily conservative football teams.

Martha caught two of Traficant's touchdown passes, including the 77-yard play in the third period which eventually proved to be Pitt's margin of victory.

The Bears drove back 38 yards to score in the final period following a weak punt by Traficant. Balliett's passes brought them to the four, from where Rudy Carvajal carried over.

California 6 3 8 7-24
Pittsburg 13 7 6 0-26

Texas Smashes Tulane Greenies

AUSTIN (UPI)—The University of Texas used the long run to smash Tulane University 35-8 Saturday night for the third straight win by the No. 3 ranked Longhorns.

Texas, favored by at least three touchdowns over the winless Green Wave, scored twice in quick succession in the first period, including a 66-yard punt return by wingback Ernie Kov.

When Darryl Bloodworth, Larry Tollman and Nick Arshinkoff weren't tearing through gaping holes in the SMU line, quarterbacks Terry Isaacson and Dave

Backus were working the option for big yardage at the ends or throwing perfect strikes through the SMU secondary defense.

Sub fullback John Gavin kicked the Air Force into a 3-0 lead in the opening minutes with a 22-yard field goal and the Falcons led all the way on a 23-yard pass from Isaacson to Dick Brown for one touchdown, a one-yard plunge by Bloodworth for another and a one-yard lunge by halfback Dick

Caernota for a third.

But SMU kept the pressure on, pulling up to 9-7, 16-14 and driving in a desperate race against the clock down to the Air Force two-yard line on the next to last play of the game in an effort to pull off one of the day's major upsets. They lost it there on fourth down.

Quarterback Don Campbell threw for all three Methodist touchdowns, a nine-yarder to little Tommy Brennan, a 56-yard pass-run play to Billy Gannon and a 26 Tom Hillary. He also ripped off big gains on bootleg runs at the Air Force ends, but costly untimely penalties, fumbles and interceptions kept the game just out of SMU's reach.

The Air Force safety came in the third quarter when SMU punter Danny Thomas, plagued by high-low snaphaps all afternoon, let one get through his legs deep in his own territory and he had to fail on it in the end zone.

SMU 7 7 0 6-20
Air Force 9 7 2 7-25

West Texas Wins Again

CANYON, Tex. (UPI)—West Texas State scored its fourth straight football victory Saturday night with a 49-0 trashing of Arlington State before 30,000.

Halfback Gary Logan, the nation's leading scorer, scored two touchdowns and kicked seven extra points to lead the way. He now has scored 72 points for the season.

West Texas jumped into a 14-0 first quarter lead, was in front 35-0 at the half and scored its last two touchdowns in the last quarter.

Pete Pedro, the nation's leading ball carrier, gained 121 yards and scored one touchdown on a 65-yard run.

Other West Texas touchdowns were scored by Russel Mundy, Oliver Ross, and two by Jerry Richardson.

HERE COMES MATSON — Pampa High's Randy Matson (37) gives Tascosa's Mark Yarborough (39) a mean stiff arm seconds after Matson intercepted a Tascosa pass. The interception set up the Harvester's touchdown. Tascosa of Amarillo won the game, 26-6, in Harvester Stadium Friday night.

Air Force Falcons Defeat Southern Methodist

DALLAS (UPI)—The Air Force Falcons' fleet backs raked Southern Methodist's ends and tackles for big yardage Saturday, but it took them a hard-won 25-20 win over the victory-starved Mustangs.

When Darryl Bloodworth, Larry Tollman and Nick Arshinkoff weren't tearing through gaping holes in the SMU line, quarterbacks Terry Isaacson and Dave

Backus were working the option for big yardage at the ends or throwing perfect strikes through the SMU secondary defense.

Sub fullback John Gavin kicked the Air Force into a 3-0 lead in the opening minutes with a 22-yard field goal and the Falcons led all the way on a 23-yard pass from Isaacson to Dick Brown for one touchdown, a one-yard plunge by Bloodworth for another and a one-yard lunge by halfback Dick

Caernota for a third.

But SMU kept the pressure on, pulling up to 9-7, 16-14 and driving in a desperate race against the clock down to the Air Force two-yard line on the next to last play of the game in an effort to pull off one of the day's major upsets. They lost it there on fourth down.

Quarterback Don Campbell threw for all three Methodist touchdowns, a nine-yarder to little Tommy Brennan, a 56-yard pass-run play to Billy Gannon and a 26 Tom Hillary. He also ripped off big gains on bootleg runs at the Air Force ends, but costly untimely penalties, fumbles and interceptions kept the game just out of SMU's reach.

The Air Force safety came in the third quarter when SMU punter Danny Thomas, plagued by high-low snaphaps all afternoon, let one get through his legs deep in his own territory and he had to fail on it in the end zone.

SMU 7 7 0 6-20
Air Force 9 7 2 7-25

McIlhenny Paces Texas A & M Past Texas Tech Red Raiders

COLLEGE STATION, Tex. (UPI)—Don McIlhenny, a sizzling sophomore from South Houston, dazzled 20,000 limp fans with a 100-yard kickoff return with two seconds remaining in the game Saturday night to give Texas A&M a 7-3 victory over Texas Tech.

McIlhenny's brilliant stop-and-go return followed a Tech field goal by H. L. Daniels from 23 yards out with only 19 seconds to go in a bruising contest.

It was a record-breaking kick-off return for an Aggie, the old mark being held by Joel Hunt for a 97 yard runback against Arkansas in 1927.

McIlhenny actually took the ball two yards deep in the end zone, but officials said the record would go into the books as 100 yards.

Daniels had apparently salvaged a 3-0 victory for the underdog Red Raiders with his field goal following a 68-yard Tech drive.

McIlhenny appeared to be stopped as he zig-zagged up to the Aggie 25. But he regained his balance, hesitated for a split second for a wave of interference to form, and streaked down the west sideline to the touchdown.

Mike Clark kicked the extra point from 18 yards out after the Aggies drew a 15-yard penalty, presumably for students swarming on the field to maul their victors prior to the clock running out.

The Aggies and Tech had a frustrating night until the final 25 seconds.

A & M twice penetrated inside

the Tech 20 in the second half only to bog down and the Raiders appeared going for a touchdown until Roger Gill was thrown for a loss from the Aggie two to the five. Daniels then kicked his field goal.

The total offense statistics showed A&M ahead by two yards, 218 to 216.

SEATTLE (UPI)—Washington mauled a helpless, hapless Kansas State football team, 41-0, Saturday as third-string quarterback Bill Douglas came off the bench when Bill Siler was injured and took over guidance of the Husky offense.

Approximately 51,000 watched Washington toy with the Wildcats for one quarter and then turn on the steam.

Douglas took over the sign-calling duties when Siler suffered an ankle sprain after making a spectacular, 27-yard run. Coach Jim Owens' number two quarterback, Pete Ohler, had a severe head cold and did not suit up.

Washington scored 34 seconds into the second period when Junior (Instant) Coffey boomed into the end zone from one yard out.

The Huskies tallied again the next time they got the ball, after forcing Kansas State to kick.

Right halfback Jim Stiger broke over left tackle and raced 34

yards to climax a 68-yard drive. Douglas, who picked up 122 yards rushing and passing, scored the third touchdown himself from Kansas State's one-yard line.

USC Upsets Hawkeyes, 7-0

IOWA CITY, Iowa (UPI)—Southern California scored in the first quarter and then capitalized on five Iowa fumbles and assorted other mistakes to upset the favored Hawkeyes 7-0 Saturday.

The Trojans made only slightly more than 100 yards in total offense, less than half that of Iowa, but the tough Southern Cal defense choked off the Hawkeyes' usual razzle-dazzle attack and would allow the host team no sustained drives.

The single touchdown came on a 19-yard run by Trojan halfback Ron Heller with about four minutes left in the opening quarter.

The score was set up by a fumble by Iowa's Willie Ray Smith on the Hawk 24.

Trojan halfback Loran Hunt pounced on it and two plays later Heller shot over right tackle and went into the end zone.

In handling the Hawkeyes their first home shutout in about a decade, Southern Cal was assisted by two fumbles by Smith and a pair by fullback Bill Perkins. Iowa also had two passes intercepted and was the victim of a short, 11-yard punt.

Southern Cal tried three field goals and Iowa one. All four were unsuccessful. One by the Trojans' Tom Lupo was blocked by Iowa guard Wally Hilgenberg.

Iowa 0 0 0 0-0
Southern Cal 7 0 0 0-7

Last Half Surge Is Winner For Visitors

The Pampa Harvesters fell victims to a band of Rebels from Amarillo's Tascosa High before 4,500 fans.

The visitors' one-two combination of quarterback Johnny Weidling and fullback Mark Yarborough supplied the needed punch to overpower Otis Holladay's fighting Harvesters in the 3-AAAA District fracas. Pampa fought the Rebels to a 6-6 standoff in the first half of action.

The loss evened the Harvesters' season record at 2-2 and Tascosa now sports a 3-1 season mark.

Rambling Randy Matson, track and basketball star, donned a football uniform to give aid in the losing cause. The newcomer to the Harvesters bulled his way for 42 yards and Pampa's lone touchdown.

The Rebels drew first blood in the contest as Weidling bootlegged the ball around end for a 29-yard gain to the one, setting up the first touchdown of the game for the visitors. Halfback Yarborough crashed off tackle for the touchdown. The Rebels' Bill Defee attempted to kick the point after but Pampa's Ricky Stewart blocked the attempt.

The score stood 6-0 until the

middle of the second quarter when Pampa tied the score on Matson's touchdown from three yards out. Kenny Hebert's attempted conversion failed, leaving the score 6-6.

Lady Luck Smiles

Lady Luck smiled on the Harvesters late in the second quarter when the ball squirted from Yarborough's arms as Pampa tacklers hit the Rebel ball carrier hard. Curtis Fletcher, playing a good game for the Harvesters, pounced on the loose ball on Pampa's own one-yard line. The Harvesters ran the clock out, holding the Rebels to a 6-6 tie in the first half.

The visitors rode the fine throwing arm of quarterback Weidling in the second half for two touchdowns. Second teamer Pat Harkins scored the other TD for Amarillo.

The Harvesters' Jerry Glover saved the day on one would-be Rebel TD. Glover, last man between a Rebel ball carrier and the goal, nailed the runner with a vicious tackle on Pampa's 45-yard line.

Harvesters Halted

The Harvesters' main scoring threat in the second half ended on Tascosa's one-yard line.

The tie-breaking TD came early in the third quarter as Weidling connected on a 33-yard pass play to Defee. Weidling broke into the scoring column as he scored the extra points on a quarterback keeper, making the score 14-6.

The Weidling-Yarborough one-two combination accounted for the third Rebel TD as Weidling hit Yarborough in the end zone for the counter. Richard Ross failed on the extra point attempt.

The final TD of the night came with one second left on the clock. Reserve Pat Harkins scored on a quarterback keeper from seven yards out. Lewis Thomas was stopped short on an end sweep for the extra points. The final score stood at 26-6.

Tascosa gained 21 first downs to Pampa's eight and led the Harvesters in yards gained, 267 to 158.

Matson led Pampa in rushing with 42 yards on 12 carries. Charles Snuggs, moved up from the Shockers, was second with 22 yards and Hebert third with 21.

Hebert, junior quarterback, turned tailback, averaged 47 yards a punt on 8 kicks.

Fullback Lewis Thomas stole the game's ground gaining honors from teammate Yarborough with 87 yards to 84.

Weidling displayed fine talent in connecting on nine of 12 passes for 139 yards.

Defensive standouts for Pampa were Fletcher, Matson, Howard Reed, Ricky Goodwin, and Donny Ayers.

The Harvesters take on Lubbock Monterey next Friday night in Lubbock in the team's second District 3-AAAA outing.

Pre-All-Star Tie

CHICAGO (UPI)—The Chicago Bears and the College All-Stars played to a scoreless tie in their first meeting, Aug. 31, 1934.

Arkansas Blasts Texas Christian

FORT WORTH (UPI)—Bustling Billy Moore baffled massive Texas Christian by land and air Saturday night to lead Arkansas to a stunning 42-14 victory in the Razorbacks' opening bid for a fourth consecutive Southwest Conference championship.

The alert Razorbacks turned a close 14-7 halftime ball game into a runaway in the final two periods for their third victory in a row before a near-capacity crowd of 42,336, of which some 5,000 were delirious Arkansas fans making the stadium ring to their cry "Soey."

Moore, 176-pound bundle of energy scored two touchdowns from one yard out, recovered two of jittery TCU's many fumbles and fed the ball off for a 36-yard touchdown run by Jesse Branch, a 43-yard sortie by converted lineman-fullback Danny Brabham and a one-yard lunge also by the 218-pound Brabham.

The other, and last Arkansas touchdown, came on a brilliant 71-yard punt return by sophomore safetyman Ken Hatfield.

An aggressive Arkansas defensive line, led by Jerry Mazzanti and Dave Adams, made Texas Christian's running attack ineffective and giant Sonny Gibbs had to go to the air to make any sort of dent in the rugged Razorback armor.

TCU got onto the scoreboard with a nine-yard run by sophomore Jim Fauver in the second quarter, but that was the only gem in an otherwise dull rushing collection by TCU.

Fauver also scored the other TCU touchdown with a seemingly impossible catch of a deflected 20-yard pass from Gibbs in the third quarter.

TCU 0 7 7 0-14
Arkansas 7 7 14 14-42

Penn State Halts Rice

HOUSTON (UPI)—Penn State's senior fullback Dave Hayes scored three times and the fourth-ranked Nittany Lions showed off their classy defense Saturday night in an 18-7 victory over Rice.

The eastern champs came from behind in the third quarter, taking the second half kickoff and driving 68 yards in 10 plays to score.

Hayes blasted over from the three and a two-point conversion attempt failed.

Hayes skirted left end for 15 yards and a touchdown with less than two minutes left in the game to ice the Penn State win.

He had scored twice earlier on short power plays.

Rice took a 7-5 second quarter lead on a 24-yard pass from sophomore quarterback Walter McReynolds to end Gen Fleming and Randy Kerbow's extra point kick.

The Nittany Lions marched 41 yards in the first quarter to score after a short Rice punt. Hayes plunged the final yard on the tenth play of the series. A bad snap from center broke up the extra point attempt.

Penn State held Rice to only three rushing first downs, all of them coming in the second half. Bad snaps from center hurt Penn State in the first half. One ruined an extra point attempt and another set up the Owl's only touchdown.

Penn State's Charles Raisig, the nation's leading punter before Saturday night's game, kicked only eight yards on a second quarter punt after a poor snap and Rice took over on the Lion's 24 and scored on two plays.

Later however, Raisig kicked 58 yards dead on the Rice one with only five minutes remaining in the game. Don Caum intercepted a McReynolds pass to set up Penn State's final touchdown.

Rice 0 7 0 0-7
Penn State 0 0 0 18-18

TIGERS SIGN 11

DETROIT (UPI)—The Detroit Tigers have signed 11 players, including six pitchers to minor league contracts for the 1963 season.

Runs in Family

MINNEAPOLIS, Minn. (UPI)—Sam Mele, manager of the Minnesota Twins, is a nephew of Chicago White Sox coach Tony Cuccinello.

White Deer's Bucks Are Upset By Strafford In 7-6 Defensive Game

White Deer's Bucks fell victims to Strafford's Elks in a 7-6 upset game battled Friday night in Strafford.

The Elks of District 1-A upset Coach Calie Huffman's District 1-A club by scoring on their initial offensive series and converting the extra point attempt.

The Bucks bounced back and scored their lone touchdown also in the first half. The two teams battled to no avail in the second half as neither team scored.

Fullback Doug McBryde and halfback Scotty Whorton were the big guns in Strafford's touchdown drive. Whorton scored the tally on a three yard plunge. Jerry Dyess converted for a 7-0 Strafford lead.

Quarterback Jim Thurmond tossed to end Dan Simmons for an 11-yard scoring pass. Thurmond, shooting for a 2 - point

WINS FIFTH STRAIGHT

NEWMARKET, England (UPI) — Crocket, a two - year - old thoroughbred owned by American Danny Van Ciel, won his fifth race in as many starts in the Middle Park States Thursday to become a leading contender for the 2,000 Guineas Classic in 1963.

See?

NEW YORK (UPI) — Still waiting for that 300 game? Maybe the trouble's your eye-sight and not too much "hook," suggests Dr. John W. Ferree, executive director of the National Society for the Prevention of Blindness. He said exact distance vision and accurate depth perception often make the difference between a strike or a miss when you roll that ball.

Lee Seventh Tops Borger In 8-6 Score

Robert E. Lee's seventh graders battled the rain and Sam Houston Jr. High's seventh grade of Borger on a rain-soaked field Friday afternoon, winning by an 8-6 score, in Borger.

The rain, falling throughout most of the fracas, hampered both teams' offensive and defensive efforts.

The Rebels of Robert E. Lee drew first blood in the game on a 78-yard scamper by Buddy Miers. Miers took a pitch-out from quarterback Johnny Marsh after Marsh faked to the fullback. David Schaub got into the scoring picture as he skirted end for the two extra points giving the Rebels an 8-0 lead in the first quarter.

The Borger team scored their touchdown late in the fourth quarter. A backfield in motion call nullified Sam Houston's first try for the extra points. On the second attempt, the Rebel defense stopped the opponents short for an 8-6 victory.

Defensive aces for the Rebels were Rodney Hall, Jimmy Cornutt, and Keith Burns.

Next game for the Rebel seventh-graders is against rival Pampa Jr. High.

Boston College Thumps V.M.I.

NEWTON, Mass. (UPI) — Halfback Pete Shaughnessy set up and scored a second-quarter touchdown and Boston College passed for two more in the fourth period Saturday for its third consecutive victory, 18-0, over Virginia Military Institute.

Shaughnessy, a Rochester, N.Y., junior, intercepted a VMI pass at his own 31 in the first period and scored four plays later. He dashed 62 yards behind a four-man blocking force on a reverse play for what proved to be the winning touchdown.

Eagle quarterback Jack Concannon of Boston passed for his third and fourth touchdowns in three games to highlight the fourth-quarter rush. The junior passer hit end Art Graham for 16 yards and Jim Whalen for 8 yards and the scores.

Like Shaughnessy's score, Whalen's TD came after he recovered a key fumble. The third Boston touchdown, coming with four minutes left in the rain-soaked game, started with his recovery at the VMI 47.

Concannon hit Graham on a 12-yard pass and picked up another dozen himself on an option pass to set the stage for his end-zone pitch to Whalen.

A 50-yard off-tackle run by fullback Harry Crump set up the Concannon - Graham scoring play just one minute into the fourth quarter.

Crump, a rugged senior from Westboro, was caught from behind at the VMI 31 and it took the Eagles seven plays to set up the Concannon-Graham TD pass. The scoring play came on fourth and 11 after Boston had been penalized for offside.

Shaughnessy's second quarter interception choked off VMI's deepest penetration, a first down at the Boston 34. The visitors, who had lost and tied in two previous games with the Eagles, reached the Boston 36 before a penalty and incomplete passes forced them to punt in the third quarter.

Shaughnessy's scoring play, the game's longest run, caught the Keydets completely by surprise. Nearly all of the VMI defenders were still chasing Concannon when Shaughnessy and his four-man escort took off down the sidelines undetected and unmolested.

Score by Periods
Boston College 0 6 0 12-18
VMI 0 0 0 0-0

Scoring:
BC—Shaughnessy 62 run (kick failed)
BC—Graham 16 pass from Concannon (rush failed)
BC—Whalen 8 pass from Concannon (pass failed)
Attendance 14,500

Perryton Hits Dalhart's Wolves In 20-6 Victory

The two R's, Ronnie Good and Roger Wright, scored touchdowns on runs of 93, 92, and 72 yards as Perryton out-raced the Dalhart Wolves to a 20-6 win at Ranger Field in Perryton Friday night, knocking Dalhart from the unbeaten ranks.

The overflow crowd of 3,500 fans was treated to a rare exhibition of razzle-dazzle football by the long, break-away gallops of the Rangers.

Wright, quarterback, scored twice while teammate Good, right halfback, scored once. Good ran for the two extra points.

Wright, scored on a 72 - yard scamper from scrimmage and again on a tremendous punt return of 92 yards behind several key blocks by the Rangers. Good raced 93 yards for his lone counter showing, the Dalhart Wolves his heels.

Big Jim McCleskey, 188 - pound Dalhart fullback, scored the TD for Dalhart. The Wolves' counter was on a one-yard plunge in the third quarter. McCleskey set up his touchdown on a 33-yard carry, moving the ball to the Rangers' nine yard line.

Despite the thrilling offensive runs, the game was a tight defensive battle as the Rangers gained only five first downs and the Wolves 10. Each club fumbled once, and four passes went incomplete, with neither quarterback able to connect with his attended receiver.

James Fountain, Perryton tackle, and halfback Bryon Simpson, teamed to bottle up Dalhart's offensive threat. McCleskey, most of the battle, Simpson suffered a mild concussion as he stopped McCleskey on a power play.

The victory left Perryton among the state's unbeaten teams.

APARICIO MAY QUIT

MARACAIBO, Venezuela (UPI) — Shortstop Luis Aparicio of the Chicago White Sox threatened today to quit the Sox if they persisted in their demands to cut his salary for next season.

Aparicio, who said he would prefer to remain in Maracaibo than take a cut, added bitterly: "The White Sox will need 40 years to win the American League pennant again."

APS IN THE LINE—Four bruising linemen of Western Michigan University start the football season with no concern about teeth. Paul Rakow, Jim DePoy, Denny Rutkowski and Al Lupinski, left to right, say they'll worry about dental repairs at the end of season.

Purdue Topples Notre Dame, 24-6

SOUTH BEND, Ind. (UPI) — Purdue's sandpaper defense ground Notre Dame into submission Saturday and the Boilermakers cashed in almost every break for a 24-6 win before the largest Irish crowd in history.

A throng of 61,296 saw Notre Dame make only seven first downs and cross midfield under its own power only three times while Purdue powered twice for long touchdown drives and made the most of every chance.

Some spectacular punting by Rush Pfahler, who kicked out of bounds on the Irish three once and booted a ball that bounced back from the end zone to die on the Irish seven, preceded Purdue's first score, a 27-yard field goal by Skip Ohl.

Then the Boilermakers wrapped up the decision with a 57 yard scoring march ending on a Ron Di Gravio-Forest Farmer pass of 25 yards and with a 93 yard march ending with Di Gravio's one yard scoring plunge.

Gene Donaldson got the third tally on a 21-yard run on the first play after the Irish third string quarterback Dennis Sot fumbled on his first play of the game.

Sot nevertheless injected the only spark of life into the Notre Dame attack. He got into action with six minutes left in the game and took Notre Dame all the way with his 17-yard toss to Jim Kelly.

The Pirates shone on defense, allowing the Rattlers eight yards rushing and 37 yards via the air route. Both teams gained eight first downs in the scoreless contest.

Lefors romped for 163 yards rushing despite the wet field. McCool connected on one aerial to end Terry Bromlow for 20 yards in one of the Pirates' attempts to go the air route. Stinnett's Bobby Bain completed three of 10 attempts for 37 yards. The Pirates intercepted one of his aerials.

Outstanding defensive ace for the Pirates was junior Don McCool, who made seven unassisted tackles and took part on nine other tackles. Other defensive leaders were Wayne Coleman, Tommy Smith, and Rodney Airston for Lefors.

The scoreless game gave Dundy Goode's charges a season mark of 2-1-1 and Stinnett a 1-2-1 season record.

The rifle-like passes of Shiner, plus line smashes by halfback Len Chiaverini, were too much for the Wolfpack. Trailing 0 - 14 State managed its only score early in the final period with a 75-yard touchdown drive.

Shiner looked like the All-American candidate he is said to be as he repeatedly hit halfback Tom Brown with passes that clicked in the clutch.

brought back anything to make the Boone and Crockett club rewrite its record books about antelope trophies, but they have found the hunt in the Trans - Pecos a good one this year.

The Game and Fish Commission did not send out as many antelope permits as last year, but the ones it provided were used. Commission enforcement coordinator J. B. Phillips said there were no leftover permits except possible cancellations.

The hunt ends at midnight Sunday. Rains came at the right time to make the grass knee-deep for good grazing and habitat. Although the fawn crop had been reduced by a heavy freeze early this year, adult antelope were about the same number as last year.

Hunters found the weather near-perfect for the first few days of the hunt. As commission magazine editor Curtis Carpenter expressed it, "you couldn't ask for any better weather."

Carpenter said some good trophy heads were bagged, with horns up to more than 18 inches. He said he heard of some over 15 and a few around 14 inches. Carpenter said one buck in particular had a nearly perfect set of horns.

"This man bagged one on the Hayes Mitchell ranch, between Al-

good for the only Irish points.

McGaha Signed By Kansas City

CHICAGO (UPI) — The Kansas City Athletics have signed former Cleveland Manager Mel McGaha, who was fired by the Indians during the final week of the regular season.

Kansas City owner Charles Finley said McGaha would be in the front office assisting General Manager Pat Friday and Finley.

"We haven't got a title for him yet," Finley said. "I've not been able to think up one. But it will be a 12-month job."

He said the hiring of McGaha completed the front office force. "I don't contemplate any additional hirings," he said.

Finley indicated that McGaha would continue in the front office until spring when he would switch to a coaching job under new Manager Ed Lopat. Lopat succeeded Hank Bauer as the A's field boss.

Illinois Falls, 45-0, To Northwestern

EVANSTON, Ill. (UPI) — Northwestern made a mockery of one of the Big 10's bitterest football rivalries Saturday, swamping Illinois, 45-0.

A crowd of 41,854 at Dycie Stadium saw the Wildcats score with ridiculous ease against an inept Illinois squad which could penetrate Northwestern territory only twice, once on a 57-yard pass interference call. Northwestern used 60 players in the rout.

Tom Myers, Northwestern's sophomore quarterback who set two NCAA passing records in his collegiate debut two weeks ago, led his team to two first period touchdowns, passed for another in the second period and threw a pair of two-point conversion passes.

pine and Marfa, that had a real nice set of horns," Carpenter said. "They were nothing too long, but had good curve, size, angle from the head and were in good condition. Both horns were about identical, which makes for a good trophy head."

TMA Warns Of 'Helmet Blocking'

AUSTIN (UPI) — The Texas Medical Association today warned that "head or helmet blocking" in football could result in serious injuries and recommended it be discontinued in junior and senior high schools.

The association said it had completed an "intensive investigation" of helmet or head blocking and had concluded that it may result "in serious orthopedic and neurological injuries."

"Chronic damage to the brain, neck or spinal cord are the residual consequences of this practice," said Dr. Robert G. McCorkle of Austin, chairman of a special TMA committee, "and death can result if the injury is severe enough."

Where Are the Hitters?
CHICAGO (UPI) — The Chicago White Sox had four 20-game winners in 1920, but still failed to win the pennant.

Antelope hunters may not have

FIGHTER IMPROVES
LOS ANGELES (UPI) — Fighter Alejandro Lavarante today showed "encouraging" signs of improvement—but still had not emerged from a 10-day coma.

The Argentine boxer was knocked unconscious Sept. 21 in the sixth round of a fight with Johnny Riggins at Olympic Auditorium.

BIG SPLASH—All this water churning is created by swimming contestants starting off in the annual meet of the Robben Swimming Club, Hilversum, in Loopsrecht, Holland.

Yanks Host Giants In 3rd Game

By OSCAR FRALEY
UPI Sport Writer
NEW YORK (UPI)—The New York Yankees came home to Ruthville Saturday hoping to bust loose with their famed power when they send fireballing Bill Stafford against wily Billy Pierce Sunday in the third game of the World Series.

Manager Ralph Houk was cheered by the news that two of his siege guns, Elston Howard and Bill (Moose) Skowron, were back off the injury list and ready to return to action. Because, he hinted, the Yanks were convinced that they had to roll up their sleeves against the N. L. champions after being shut out, 2-0, in the second game at San Francisco.

"The stiffness is gone and I'll be okay," said Howard who jammed his right wrist in the first game.

Skowron said that a wrenched back muscle "is much better and I'm ready."

A Big Edge
The Yankees knew they'd better be, even though they were back in Yankee Stadium, where they always have a big edge against the opposition because of the park's awsome proportions, and were 7-5 picks in Sunday's third game as well as 9 1/4 to 5 to take it all.

Stafford, who has a 14.9 mark this season, faces a stiff chore, however, against Pierce, a fugitive from the American League who knows the Yankees well. Lit-

tle Billy left the A.L. this season and won 16 games for the Giants against only six losses and, more important, has a long record against the Bronx Bombers. Over the years he is 25-37 against them. Rain which mired the infield kept the Yankees from working out Saturday and the Sunday forecast was for continued cloudiness with temperatures in the high 60's.

The Biggest Problem
"My biggest problem is that

my pitchers haven't been getting enough work, especially in the bullpen," he lamented. "Some of the fellows haven't worked in seven or eight days."

He labeled the Giants a "solid" club and said that the Yankees were particularly impressed by shortstop Jose Pagan, and second baseman Chuck Hillier.

There was no question in his mind but that the Yankees were in for a dog fight all the way. Because, when he was asked if he expected to have to return to San Francisco for the sixth and seventh games, if necessary—meaning could the Yankees win all three—here Sunday, Monday and Tuesday—he replied: "That's a hard question to answer. But if we haven't won four games by Tuesday night, I hope we do go back."

Outmanned Colorado Is Topped By Kansas

By WILLIAM COOK
United Press International
LAWRENCE, Kan. (UPI)—Kansas got its offense rolling Saturday after a slow start and pounded outmanned Colorado, 35-8, in a Big Eight Conference football game.

A six-yard punt by Colorado's Bill Symons gave Kansas the ball on the Colorado 39 later in the same period. Sayers ran once for 14 and two plays later ran in for 14 and the score.

In the fourth period, end Jay Roberts scored in a 53-yard pass from McFarland.

Colorado punched across a touchdown in the final stanza on a one-yard run by fullback Bill Harris. Quarterback Larry Etheridge hit halfback Leon Mavity for a two-point conversion.

Kansas scored its final touchdown of the game when sophomore David Crandall ran 52 yards on a sweep.

The Buffaloes muffed four scoring opportunities, two in the first half and two in the second, when penalties, interceptions and fumbles spoiled drives inside Kansas' 20.

Kansas was unable to score again in the first half but exploded for two touchdowns in the third quarter against the tired Buffaloes.

The first time the Jayhawks got the ball after halftime, they

Michigan State Routs Tarheels

EAST LANSING, Mich. (UPI)—Halfback Ron Rubick raced for three touchdowns Saturday and set a new school rushing record to lead Michigan State to a 38-0 victory over outweighted North Carolina.

Michigan State, picked as one of the nation's top teams before the season opened, went all out trying to stave off its 18-13 upset loss to Stanford last week.

For North Carolina, it was the third straight defeat and second rout by a Big Ten team. The Tarheels fell to Ohio State, 41-7 last week.

MSU coach Duffy Daugherty benched half of his first string to fire up the Spartans and second string quarterback Charlie Migyanka ran the ground attack behind a line that outweighed the Tarheels 22 pounds per man.

Bengals Upset Georgia Tech II

ATLANTA (UPI)—Jerry Stovall, a wild-running halfback from the Louisiana Bayou, streaked 98 yards with the second half kickoff here Saturday to start the Louisiana State Bengals on their way to a 10-7 upset over fifth ranked Georgia Tech.

Stovall took the kickoff on his own two yard line and headed

Miami Warriors Top Lakeview By Score Of 46-0

The Miami Warriors, scoring in every quarter, thoroughly trounced the Lakeview Eagles Friday night in Lakeview by a 46-0 score.

The Warriors scored six touchdowns against the hapless hosts and had two touchdowns called back by infraction of the rules.

Coach Bill Hines' charges were in complete charge most of the struggle.

The Warriors broke into the scoring column on a 30-yard scamper by fullback Mickey Kivelehen. Kivelehen attempted to gain the extra points but was stopped short of the goal line.

Quarterback Wayne Daugherty scored the second Miami touchdown on a 10-yard quarterback keeper. Kivelehen was successful this time and gained the two extra points, making the score 14-0.

Jim Flowers raced 20-yards for the first TD of the second quarter. Kivelehen passed complete to Mark Arrington for the extra points. Halfback Flowers scored again in the third quarter from six yards out. Kivelehen added two more points to Miami's score on a fullback plunge, making the score 30-0.

Kivelehen hit Arrington for a 30-yard pass play, and the fifth TD. Kivelehen once again picked up the extra points.

Flowers scored the final TD of the night on a 40-yard run and Kivelehen made the score 46-0 as he picked up two more points on the extra point try.

Defensive standouts for the Warriors were Joe Holland and Jerry Lister. Miami meets Darrouzett in its next contest.

Panthers Edge By Canadian

The Panhandle Panthers sneaked past the Canadian Wildcats, 6-0, in Panhandle to remain in the unbeaten ranks of Texas high school football Friday night.

Canadian controlled the football most of the game but was contained by a last-ditch defensive effort by the Panthers. The Wildcats fumbled at critical moments and key Panhandle pass interceptions proved the difference.

The game's only score came midway in the first period. Bill Addington, normally the quarterback, was shifted to halfback. Reserve signal caller Dave Slagle took the snap, and handed off to Addington for a reverse pass. The handoff was bobbled and rolled free for a few seconds. Addington picked up the ball and passed

up the middle of the field. He broke past a host of Tech defenders around the 30 and then outraced them all en route to the second longest kickoff return in Grant Field history.

But it took a 24-yard field goal by quarterback Lynn Amedee late in the fourth period to give the 15th ranked Bengals their victory, as Tech had tied the score midway through the fourth period.

The Jackets made it 7-7 with a 73-yard march capped by a ten-yard pass from quarterback Billy Lothridge to end Billy Martin.

Lothridge and Amedee kicked the extra points.

Georgia Tech almost pulled the game out of the fire in the final five seconds when Lothridge found halfback Joe Auer all alone at the LSU ten yard line. But Auer dropped the pass and thus ended Tech's desperate hopes for a comeback.

A stunned crowd of 49,744 watched the LSU defense hobble the highly-regarded Tech offense except for that one fourth period drive.

The scoreless first half gave no clue of the fireworks which were to come after intermission. Except for one LSU drive which carried over from the first to second period and died with a Stovall fumble at the Tech seven-yard line, the first half was chiefly a punting duel between Lothridge and Stovall.

But the fans got their money's worth from there on in. Following Stovall's touchdown, Auer returned the kickoff 41 yards and the Yellow Jackets swept down to the LSU 17 before bogging down. Lothridge tried a 40-yard field goal but was wide to the right.

During Georgia Tech's touchdown drive Lothridge connected

Clarendon Wins Over Groom, 15-6

Clarendon's Bronchos ran past the Groom Tigers Friday night, 15-6.

The game was forced into a defensive struggle as the teams slugged it out on a muddy field. A rain had left the field in treacherous condition.

All scoring came in the first two quarters. Clarendon ended the first period with an 8-6 lead, then slipped a second TD through in the second period. Quarterback Dan Craig scored the first TD on a 45-yard romp and halfback Bill Ruthardt ran the conversion. Ruthardt scored Clarendon's next TD and end Jerry Quirk kicked the extra point.

Groom's only score was the first in the game, and came on a one-yard plunge by quarterback Dwight McAnear.

complete to end Alton Daniels on the 25. Daniels caught the ball and scored.

Canadian threatened in the fourth quarter, getting to the Panhandle on a sustained drive. Panther Mike Smith recovered a fumble to save the day for Panhandle.

Canadian led in first downs, 13 to seven, and total yards gained, 202 yards to 172.

with Martin on passes of 15 and 12 yards prior to their touchdown play, and second string fullback Ray Mendheim added 25 yards to the drive, 19 on one burst up the middle made on his own steam.

In the final 30 seconds Lothridge hit Auer on a 30-yard pass play and then tried to repeat the play with the pass that Auer dropped. Auer was all alone and could have easily scored the winning points.

Minnesota In 21-0 Route Of Midshipmen

MINNEAPOLIS (UPI)—Minnesota's bone-jarring backs and demon defense battered Navy, 21-0, Saturday before a sellout crowd of 64,464 in the first football meeting of the two schools.

It was the second shutout for the Gophers, who were pointing ahead to next week's Big Ten opener with Northwestern.

Fullback Jerry Jones nailed the Gopher's first score with the game only six minutes old, but the 1962 Rose Bowl champions had to wait until early in the second half before they could notch another touchdown. That one came on a 29-yard pass play from quarterback Duane Blaska to halfback Jim Cairns.

Minnesota's last score came with little more than a minute to play on a four-yard sprint by Jerry Pelletier.

The Gophers rolled up an impressive advantage in ground gaining statistics, but their attack consistently sputtered when the goal line was in sight.

Aside from that threat, Campbell and tackles Bobby Bell and Carl Eller kept Navy's offense under wraps all afternoon. The Middies were unable to record a first down by rushing until the fourth period.

Wheeler Smashes Estelline By 38-0

Wheeler's Mustangs stomped Estelline's Bearcats by the tune of 38-0, handing the host team its fourth straight loss of the year, Friday night at Estelline.

It was turn-around for Wheeler, as the powerful Sunray team crushed the Mustangs last week, 60-0.

Wheeler ran a steady and rugged ground drive to pile up the high score. Estelline is in 9-B, and Wheeler plays in 11-B.

Six hundred persons witnessed the contest in Bearcat Stadium. Wheeler led 22-0 at the end of the first half, and picked up a touchdown in each of the final two periods.

Booker Stops Mobeetie, 22-8

Booker overpowered Mobeetie, 22-8, in a District 3-B game Friday night. All the scoring took place in the first quarter of action. The game was played in Booker's Kiowa Field.

The highlight of the contest was Tom Mounsey's 70-yard run for a touchdown on a kick-off return.

Donnie Eccles scored first for Booker on a 17-yard run. The Kiowas gained two more points on a safety.

1963 IMPERIAL FEATURES RICH STYLING CONTINUITY — Continuity is emphasized in the styling of the 1963 Imperial. The car features a number of design improvements which enhance Imperial's appeal to luxury car buyers. It has a new roof structure, new styling

treatment in the rear, more interior room for passengers, more luxurious interiors and additional convenience features as standard equipment. Shown here is the Custom four-door hardtop. The new Imperial is now on display at Parker Motor Co., 301 S. Cuyler.

Pan Am Names District Engineer For Liberal Area

LIBERAL, Kans. —S. R. Denton has been appointed district engineer for Pan American Petroleum Corporation's Liberal district. He replaces W. R. Francy who has been transferred to the company's general office in Tulsa.

The Liberal district encompasses the company's producing and exploration operations in Kansas and the panhandle area of Texas and Oklahoma.

Denton is a native of Tulsa, Okla., and was graduated from Central High School there. He received a degree in petroleum engineering from the University of Oklahoma in 1941. Shortly thereafter he joined the company as an apprentice engineer. Denton has served in a number of engineering capacities at the company's locations in Texas, Oklahoma, and Kansas including that of Ulysses area engineer. In addition, he was on the engineering staff in the general office in Tulsa.

For the past five and one-half years he has been division unitization superintendent in Oklahoma City.

During his academic years, Denton was a member of several honorary professional organizations, including Tau Beta Pi, Sigma Tau, and Sigma Gamma Epsilon. His social fraternity was Delta Upsilon.

Baggage Car Hauls Equipment For Zogi Revue

A full baggage car of equipment is required to stage the Prince Zogi Revue which is to appear here Oct. 11 at the Junior High Auditorium.

Prince Zogi and his "Stars of Today" are playing a series of one night stands for the first time since 1955. In recent weeks over 325,000 has been invested in the Zogi Revue bringing the total investment to a tremendous sum, C. A. Frank, business manager, declined to name the total figure because, as he says, "It would be unbelievable." However, he did say that Prince Zogi could retire for life on the amount that is invested in the Revue and provide his cast a substantial retirement, too.

The Prince Zogi Revue will be presented against a background of numerous colorful changes of scenery and will utilize an abundance of dazzling, exotic costumes, some of which were created in the Orient, while others were designed in Hollywood, New York, London, and Paris. This is the show that entertained Broadway, dumfounded Hol-

lywood and Chicago, and enthralled thousands upon thousands from coast to coast.

Back Stage, a theatrical trade journal, declares that the Zogi Revue is one of the most charming shows on the road today. The audience will enjoy every minute of the dazzling two hour production and go away declaring it to be one of the finest shows of the decade.

Headliner acts include the Oriental "Rod - Through - The-Body" illusion, The London Ghost Cabinet, The Guillotine illusion, Music Humor and Prince Zogi in person. The Evening Optimist Club is making arrangements for the appearance of Zogi's Revue in Pampa.

ONLY MATING CALL

LONDON (UPI)—The Forestry Commission assured campers in England's New Forest today that the lion-like roars they have been hearing at night were the mating calls of the fallow deer.

PUSH-UP PAY OFF

SAN FRANCISCO (UPI)—Alcatraz Prison officials reported that wagering was brisk among their 250 convicts on the first World Series game in San Francisco's history.

But since money is not permitted to circulate on "The Rock," the inmates paid off their bets with push-ups.

FITTING CEREMONY

CHICAGO (UPI)—There will be a fitting ribbon cutting ceremony when the 18th national electronics conference opens Monday. Mayor Richard Daley will disintegrate the traditional ribbon with a "high-energy light ray."

Peg O'Pampa

OCTOBER'S BRIGHT BLUE weather has been a little cloudy around the edges this week but it has been wonderful for getting out of the house to work on a United Fund campaign pledge. It's interesting to walk around a new neighborhood meeting new people who may live only a block away sometimes, methinks, we get too set in our ways too complacent in our own circle of familiar faces now and then it's fun to add spice to life with a new face or two and doing something "for the other fella" while we're at it just call us "Pollyanna Peg" if you want, too, we don't mind although we have heard a lot of newcomers say that they think Pampa is the friendliest place they have ever lived they just walk down the street and people they've never seen before say "Hi!"

BELIEVE IT WAS at the International Tea the other afternoon when the Altrusa Club entertained the foreign-born women of the community at a tea in the beautiful Citizens' Hospitality Room. One German lass walked up to another German lass and greeted her in German which we did not understand, of course and in the very next breath in English said, "Oh, who fixed your hair?" which is an all too familiar, strictly American question. Mabel Hukill, Dell Ford, Van Vanderberg, Dorothy Tooley, Evelyn Mason and Mary Martin were hostesses for the Tea and the tea table was lovely with red, white and blue streamers extending the length of the table and alternating along the streamer of ribbon were tiny dolls dressed in costumes of other lands courtesy of Emily Coston among the familiar faces of guests were those of June Alexander and Ellen Campaigne.

ONE OF THE MOST inspirational afternoons we've had in a long time was viewing all of the handwork and handcraft items which Senior Citizens brought to their anniversary party the other afternoon in the library we agree with Bill Craig we hope this art of patiently and lovingly making things with hands will never be lost in the Instant Age there was a beautiful pillow all satin and colorful, which Mrs. C. P. Roop had made from discarded neckties and given to Uncle Billy Frost there was a pretty dresser doll, which Bessie Nicholson, a little Irish lady, who is almost 93 had made with sponge-rubber skirt the table was literally laden with fancy work and it extended the length of the room almost it's always wonderful just to watch Katie Vincent greet her friends she always gives such a warm glow with that merry sparkle in her eyes we were reminded of the first Senior Citizens party we went to at Christmas time the guests were seated in a sparse circle around the room at the anniversary party chairs were placed two rows deep on one side and four rows deep on the other side around the entire room and there were people sitting around in groups at either end of the room Senior Center is a pretty popular place on Thursday afternoon!

IMAGINE FAYE EATON is a mighty proud person this morning she was named BUSINESS WOMAN OF THE WEEK at a breakfast given this morning in the Coronado Inn by the Business and Professional Women's Club as a kick-off to a whole week of interesting doings in observance of National Business Women's Week across the land Faye has been such an active and energetic worker for the important work of the B&PW in our city and we imagine B&PW was proud to honor such a lovely person!

SPEAKING OF October's Bright Blue Weather in the opening paragraph a peculiar fever is always prevalent around this time of year and there's a lot of people succumbing to it as far as we know it has no medical name but could be called NCF - New Car Fever and the only known cure for it is sitting behind the wheel of a 1963 model as the new owner succumbing victims, which we have seen immediately recovering, are Stella Wagner, who has a pretty green Rambler, to drive to Senior Center, to Eastern Star meetings, to Home Demonstration Club meetings, to Study Club meetings, and around to call on friends drove just behind Mark and Floy Heath late one evening down North Duncan they were driving their beautiful new white Oldsmobile Connie McDaniels' new Mercedes arrived from Europe just in time to keep her in the pink of health Lena Pearl and Vernon Hobbs are pretty proud of their new Cadillac which reminds us of a Modern Day Scene we saw the other morning it used to be backyard fences and maybe it still is in some parts of the country but in Pampa, Texas it was Cadillac doors we saw Katy Key chatting over with a friend near high school here's how to tell if someone in your family is coming down with this Fall Malady rubbing their hands over the crinkles in the fenders peeking under the hood and mumbling almost incoherently that "it will take an awful lot to keep the old bugger running" the best remedy for NCF is a pen and check-book it's about the only one of course, a bank balance is another determining factor!

WHAT WE'VE HEARD that Helene Huff McCormick of Albuquerque has been in town this week visiting with her parents the Dr. Oscar Huffs and her sister, Ruth and while here attended the Autograph Party for a friend of hers, Laurene Chinn of Berger Evelyn and Otis Nace had a group of Pampa writers out to their home for refreshments and chit-chat after the autographing was done the last we heard Georgia Crutchfield was trying to get away from a Las Vegas vacation we also heard that Marion George represented Pampa at the not-too-recent Fair in Amarillo she exhibited two wood carvings in the Fine Art Exhibit at the Lefors Homecoming last week end a trio of "exes" got together again and sang "That Lucky Old Sun" at the high school reunion making up the trio were LaJuana Jo Quarles, Carole Non Watson and Bobby Combs who after six years and six children sang just as prettily together as they did during their high school days heard that Mary Lynn Miller celebrated her birthday with her family at the Country Club last week end, and what was the menu a fore? why an eight-year-old's favorite, of course hamburgers her dad, Jack O. Miller, rounded out the birthday evening by taking all the Millers to a movie, "The Music Man" but did he or did he not also take along a transistor radio and ear-plugs so he could listen to the Harvester-Dumas Game?

IF YOU WANT to see nearly everyone in town go to the Post Office around four or five any afternoon and just in the process of walking in and out of the doors, you'll see more people you know recently a Big Business Deal between us and the United States Government the purchase of a four cent stamp took our steps to the Post Office where we spied Alleith Curry and Chris Schneider purchasing stamps the Rev. John Dyer chatting with a friend Jack Leshner picking up mail for the Lovette Memorial Library and there was a bundle of it! Georgia Mack waiting outside for daughter, Jimmie Kay to return Evelyn Nace posting a letter and Bob Sidwell checking his company's post office box for incoming mail yes, it's a mighty busy place all day long and not too many more days before the Christmas Rush will begin think I'm kidding? just check the calendar if we get one letter that says someone has already finished their Christmas shopping we'll faint!

THINGS HAVE BEEN up in the air this week all those baseballs flying through the air in the World Series, between the Yanks and Giants Schirra orbiting six times around the world and with all that space available, we've just run out of the amount allotted us for this week. Love, Peg

Linda Lee Ullom Installed Advisor

CANADIAN (Sp) - Linda Jane Ullom was installed as Worthy Advisor of the Canadian Order of Rainbow Girls in an open installation held recently. Linda's sister, Jimmie Kay Ullom, was installing officer. Assisting with the installation were Karol King, installing marshal; Joyce Hoobler, installing chaplain; Mrs. Celia Roe, recorder and Mrs. Jack King, musician. Cynthia Morey registered the guests.

Other Rainbow girls taking office were Mary Howard, worthy associate advisor; Mary Rivers, hope; Violet Howard, faith; Judy Jones, drill leader; Peggy McDaniels, love; Thorah Guthrie, religion; Sue Horton, nature; Trudy Jones, fidelity; Sue Wood, patriotism and Nancy Garrison, service.

Karen Miller presented a piano selection, "Three Waltzes". Annette Arnold gave a twirling routine. Following the entertainment a reception was held honoring the new officers.

LUAU PARTY - E.S.A. Rushees of the Alpha Omicron Chapter were honored with a Hawaiian Party recently in the home of Mrs. Jack Hunter. Attending were, left to right, bottom row, Mmes. Lynn Bybee, John Bird, Ted Everhart, and Bill Brady; top row, left to right, Mmes. Jim Malcom, Ralph Ledwig, Carl Caldwell, J. M. Messenger, and Jake Webb. Not pictured is Mrs. Buster Higdon.

Hawaiian Scene Is Setting For E.S.A. Rushees Party Held With Mrs. Hunter

Guests and members of Alpha Omicron Chapter of E.S.A. made an imaginary visit to Hawaii, recently, in the home of Mrs. Jack Hunter with Mmes. R. S. Marlur Jr., Buck Worley and Murry Castleberry as co-hostesses.

The theme was a Luau Party and tropical costumes of the Hawaiian Islands were worn. Each guest was presented a colorful lei as they arrived and were served banana punch by Mrs. R. S. Marlur Jr. from an attractive table carrying out the theme with a centerpiece of tropical fruit and candles arranged around a hula dancing doll. Fishing nets, drift wood, fern, Bird of Paradise trees and paper leis decorated the room.

Mrs. Jerry Boston welcomed the guests to the first Rush Party of the year and Mrs. Murry Castleberry, in a very gay grass skirt danced and explained the modern Hawaiian dances. Several Hawaiian games were played by the group with Mrs. Buster Higdon, Mrs. Ted Everhart and Mrs. Lynn Bybee winning prizes.

Dinner, consisting of Hawaiian Kababs, frosted fruits, gumdrop trees, island cookies and fruit punch were served to the following guests: Mmes. Carl Caldwell, Jake Webb, J. M. Messenger, Jim Malcom, Buster Higdon, Lynn Bybee, Ted Everhart, Bell Brady, John Bird and Ralph Ledwig. Members attending were Mmes. Eugene Bentley, John Hatcher, E. W. Hogan, James Lewis, Jerry Boston, Don Graff, Charles Rosenthal, Boyd Maule, W. R. Pairah, Bruce Parker, Kenneth Roysse, Bill Spidell, Bob Windle and the hostesses.

The Department of the Interior has charge of the U.S. territorial and island possessions.

CHARITY BALL COUPLES — The Pampa Country Club was the scene of the Junior Service League Charity Ball Thursday night. Here are four of the many couples who were present for the affair, sponsored by the League of Pampa, for funds to help supply materials for classroom work for The Exceptional Children's Fund. Shown here are, left to right, Mr. and Mrs. W. D. Price Jr., Mr. and Mrs. William L. Arrington, Mr. and Mrs. Jack H. Osborne and Mr. and Mrs. Bonnie W. Rose. (Daily News Photo)

Business Women Plan Week-Long Observance

Mrs. Earl (Faye) Eaton was named "Business Woman of the Week" by the Pampa Business and Professional Women's Club at a breakfast held this morning in the Coronado Inn.

The breakfast was the first event on the schedule of activities which the club will hold in observance of National Business Women's Week, Oct. 7-13.

Mrs. Eaton is a past-president of the Pampa Business and Professional Women's Club and is now serving as Finance Chairman for the club. She is a Polio Board member and is employed by Pampa Parts and Supply Co.

Mrs. Eaton is a member of the First Baptist Church.

The Federation is composed of over 175,000 business and professional women in approximately 3,300 clubs in all 50 states. Its members represent a cross section of business and professional life.

The local B&W Club was organized in 1929, 33 years ago.

Mrs. Grace Pool served as the first president of the local club.

Schedule of activities is for observance of the special week here is as follows:

Sunday, Style Show, presented by Bentley's, Mrs. Ruth Hutchen, manager, and Smith's Shoe Store.

Hostesses for the event will be Mattie Crawford, Lucille Turner, Alma Ash and Marguerite Nash.

Monday, a radio program, 9:30 a.m., KPND, with Mrs. Georgia Mack in charge.

Tuesday, club meeting, Congressman Walter Rogers, speaker, 7:30 p.m., City Club Room.

Everyone is urged to come and bring a guest. Hostesses will be Merlie Kenemer and Mrs. "Van" Vanderburg.

Wednesday, coffee at 9:30 a.m., Citizens Hospitality Room, Citizens State Bank. Hostesses will be Nellie Tennin, Hattie Harmon and Ola McAfee.

Thursday, hostesses for the Senior Citizens, who meet at the Library at 2:30 p.m., will be Bea York, Hattie Harmon, Helen Knox, Nellie Tennin and Marguerite Nash.

Friday, 7 p.m., dinner at Black Gold Restaurant. Hostesses are Ruby Crocker, Bea York and Virginia Carruth.

Saturday, radio program at KBMF-FM at 10 a.m., with Mrs. Georgia Mack in charge of the program.

Mrs. Earl Eaton

Upsilon Chapter Gets Awards At Convention

The Upsilon Chapter of Beta Sigma Phi won the award for the chapter having the most members present at the B&P area convention held in Amarillo last Sunday.

Miss Norma Briden reported on the convention during the business session of the chapter's meeting Monday evening in the Citizens Hospitality Room.

The program was provided by J. C. Hopkins of Roberta's Flowers, who demonstrated flower arranging. Hopkins noted, "Our mode of living has influenced the flower colors and arrangements that are popular."

Hostesses Mrs. James White and Mrs. Gary Frasier carried out their yellow and green color scheme with a beautiful centerpiece and decorated cake.

Mrs. George Massie, social chairman, announced that a salad supper is planned for Monday at 7 p.m. in PamCel Hall, Celanese.

Others present were Meses. O. V. Bailey, Leo Casey, W. M. Castleberry, DeWay Cudney, Bill Ellis, Ernest Fletcher, Bill Garrett, Bill Jenkins, Jay Leahy, Mayo McKnight, Bill Nichols, Joe Pafford, Bill Parrish, H. L. Thomas, Russell West, Carl Williams and Bill Martin.

Dear Abby.... Advice From Readers; Get Out Of The House!

By ABIGAIL VAN BUREN

DEAR ABBY: My advice to people who want to meet someone, object matrimony, is to GET OUT OF THE HOUSE. Go where folks gather. Join hobby groups, go to the "Y" or take dancing lessons, or get active in church activities. Don't just sit around the house. The only person who will ever ring your doorbell is someone who wants to sell you something.

sweet, she complained that her plumbing was giving her trouble, so "Handy Andy" offered to turn off her valve. She reciprocated by turning on her charm and, believe me, she had it. One thing led to another and we have been happily married for several beautiful years.

IN THE SEVENTIES

DEAR ABBY: I met my husband on the beach. If a girl wants to meet a nice man all she has to do is fix her hair, real nice, get a goodlooking bathing suit and go to the beach. It is best to go alone. Why bring your own competition with you?

plumbing, she complained that her plumbing was giving her trouble, so "Handy Andy" offered to turn off her valve. She reciprocated by turning on her charm and, believe me, she had it. One thing led to another and we have been happily married for several beautiful years.

GOT MINE

DEAR GOT: True! No point in bringing your own competition; it's usually already at the beach when you get there.

DEAR ABBY: Tell the girls who want to know how to trap a man to take up nursing. How fast can a guy run with his leg in a cast?

DEAR ABBY: In reply to your request for first-hand information on how to meet your "one and only," I want to give you my experience. If you want to meet someone who is good and clean and God-fearing, go to church. You will find that person there. Folks who prow around in bars will only run into people who are looking for trouble. And they usually find it.

TRIED BOTH

DEAR ABBY: Back in 1897 I was a young man who wanted to see the world. So I left home and traveled far and wide. I looked them all over, but never found the one for me —UNTIL I returned home. And there she was, right next door. The hunting is not always best in distant fields. Tell your readers not to run all over the world for something that could be just around the corner.

GRANDPA H.

LITTLE LIZ

Personality is what makes it possible for a student to get along well at college in everything but his classes.

Mrs. Helen Hardin Club Guest Speaker

CANADIAN (Spl) —The Canadian Business and Professional Women's Club met recently at the PCA office to hear a speaker from Shamrock give a talk on recruiting new members. Mrs. Helen Hardin was the guest speaker.

Frosted Cokes were served to the speaker and another guest, Mrs. Bud Hoebler and members Mrs. Orrin Gross, Mrs. W. A. Kessie Jr., Mrs. Celia Roe, Mrs. Erbin Crowell, Mrs. R. N. Matthews, Mrs. O. G. Riley, Mrs. Charles Ellis and Mrs. Walter Killebrew.

Bentley's CHATTER

The week of October 7th to 13th is National Business and Professional Women's Club Week. Clubs all over the world are celebrating group activities. Our Federation objectives are simple but important... we strive to...

1. To elevate the standards of women in business and professions.
2. To promote the interests of business and professional women.
3. To bring about a spirit of cooperation among the business and professional women everywhere.
4. To extend opportunities to business and professional women through education along lines of industrial, scientific and vocational activities.

Now, in order to accomplish good for people in general, we realize we must always be at our best ourselves. We are passing along a few personalized tips that would be beneficial to women everywhere.

From an English actress whose walk is famous for its beauty... "Always walk tall, taller than you are..."

From an older woman... "The women most admired are the women who look their age and also look WONDERFUL..."

From a make-up expert... "Learn to distinguish between the handicap and the minor flaw... you can look beautiful without really being beautiful."

From a fashion editor... "Never buy a hat or a pair of shoes, a skirt or even an important piece of jewelry without looking at yourself in a full-length mirror..."

From a psychologist... "Fashion in all its phases is living, is current, and its use is the key to sociability."

All these things are important, just as your coat, suit, dress and accessories, even the smallest items of wearing apparel should be chosen with care. We, at BENTLEY'S, would like to serve you, and we invite you to shop with us... in the center of PAMPA.

Mr. and Mrs. David G. Bradford

Candlelight Ceremony Unites Keim-Bradford

Miss Barbara Keim, daughter of Mr. and Mrs. John Keim of DuQuoin, Ill., and David G. Bradford, son of Mr. and Mrs. R. E. Bradford, 1111 S. Hobart, exchanged wedding vows at 7:30 o'clock in the evening on Thursday, Sept. 6, before the candlelighted altar of the First Christian Church of DuQuoin.

Greenery and white gladioli provided the setting in which Rev. M. J. Timbs, pastor, solemnized the double-ring ceremony.

The bride chose a gown of white luster satin with a fitted bodice of imported Chantilly lace over satin, a Sabrina neckline edged with pleated tulle and aglow with tiny pearls, and long fitted sleeves pointed at the wrists. The voluminous skirt extended into a cathedral-length train, emphasized by a puff at the back, adorned with handmade roses of the same satin. The butterfly veil of bridal illusion was secured to a crown of matching lace, re-embroidered with pearls.

The bride carried a bouquet of white glamelias and stephanotis and wore a necklace of matched pearls, a gift from the bridegroom. She was given in marriage by her father.

Mrs. Bruce Anderson of Champaign, Ill., was matron of honor and the bride's only attendant. She wore a gown of aqua satin and a pillbox type hat with matching veil. Her bouquet was of shrimp glamelias.

Mrs. Keim chose a dress of beige lace with matching accessories for her daughter's wedding and wore a corsage of talisman roses. The bridegroom's mother wore a powder blue, brocaded silk dress with white accessories and a white gardenia corsage.

Candlelighters were Miss Patricia Keim, sister of the bride and Miss Nancy Krug, a cousin. They wore shrimp-colored taffeta.

The bridegroom had Jack Hood of Pampa as best man. John Dale Keim, brother of the bride, and Bob Henderson seated the guests. The men wore white dinner jackets.

The wedding march, "Wagner's bridal Chorus", and the recessional, "A Mighty Fortress is Our God", were played by Mrs. Harley Markham. Mrs. Stanley Land of Asson, Mo., sang, "Love Never Fails", and "The Lord Is My Shepherd" by Tschaiowsky.

A reception was held in the Fellowship Hall of the church immediately following the wedding. The bridal couple stood under an archway of ivy and shrimp gladioli blooms to greet their guests, while Mrs. Gaila Edel and Mrs. Lowenn Land played appropriate music on the piano and marimbo.

Following a wedding trip to Colorado, Mr. and Mrs. Bradford are making their home in Roswell, New Mexico, where she is assigned to Walker Air Force Base as Second Lieutenant in the U.S. Air Force Nurses Corps, and he is employed as an engineer for the Southwestern Public Service Co.

Mrs. Bradford is a graduate of DuQuoin Township High School and 1961 graduate of Presbyterian St. Luke's School of Nursing in Chicago. She was commissioned in the USAF Nurses Corps in February, 1961.

Her husband is a 1961 graduate of the University of Texas with a degree in Electrical Engineering.

COFFEE FOR BRIDE

A "get-acquainted" coffee was

given for the bride, Sunday, Sept. 30 at 2:30 p.m. in the home of Mrs. A. D. Hills, 1911 N. Russell. Those attending were Mmes. Ernest Luedecke, Gene McClendon, Ed Flynt, Louie Allen, E. B. Davis, Bill Hood, Russell Talley, Delbert Johnson, Harold Gregory, Carl Hills, Forrest Hills, R. E. Bradford and Miss Sue Bradford. Out of town guests were Mrs. Ed Thompson and Mrs. Carl Chamberless of Borger.

Scenic Tour For Pampa Garden Club

Twenty members of the Pampa Garden-Club went to Canadian and Lake Marvin for a foliage tour on Monday Oct. 1. They met at the Black Gold Restaurant at 9:30 a.m. and left on tour at 9:45 a.m.

Sack lunches were taken and cold drinks were served, at a picnic area near Lake Marvin. Beautiful trees and shrubs were noted and identified; many wild

turkeys were seen. Guest on the outing was, Mrs. John Sweeney, National Flower Show Judge, who recently moved to Pampa from Odessa. Members enjoyed the fellowship, and change to get better acquainted. Mrs. Joe Weaver was in charge of the tour.

Party Honors

Mrs. C. Davis

WHEELER (Spl) — The members of the Berean Sunday School Class sponsored a going away party for Mrs. Coene Davis recently. The guest came to the home of Mrs. Laura Guthrie, teacher, and the evening was spent visiting with each other.

The serving table was covered with a yellow linen cloth centered with a crystal bowl of yellow lilies. Yellow mints in crystal bowls added to the table setting. Coffee and cookies were served.

Gifts and good wishes were brought to the honoree by Mmes. Adrain Risner, Roy Ford, Doris Louton, Floyd Lewis, Harold Lee, F. J. Smith, Yreva Sue Richerson, Albert Marshall, Earl Barnes, Harry Wofford, Joe Weatherly, Miss Ann McMurray and the hostess.

Just For Fun Club

Mrs. Hutton Hosts

CANADIAN (Spl) — The Just For Fun Club met Thursday evening in the home of Mrs. Preston Hutton. Those present for the evening were two guests, Mmes. William Karr and C. H. Hext and club members, L. S. Hardage, Carl Studer, Tom Hext, Joe Reid, Willia Ayers, Pat Murphy, C. R. Tipps, Orrin Gross, and Miss Lola Studer.

Mrs. Ayers tallied high score in the bridge games, Mrs. Studer second high and Mrs. Reid low. During the games the hostess

Gifts were sent by Mrs. Edna Wright and Mrs. Sybil Carter. Mrs. Davis will be leaving soon for Fallbrook, Calif. to make her home. Her husband, Ed Davis, will arrive early next week to take the family to the new home. He has recently finished his service with the U.S. Army.

served homemade candies and punch and later a refreshment plate of chiffon pie with tea and coffee.

**Salad Luncheon For
Presbyterian Women**

Mrs. H. H. Bratcher was guest speaker when the Presbyterian Women's Association held a Salad Luncheon in Fellowship Hall of First Presbyterian Church on Wednesday, Oct. 3rd.

Mrs. Bratcher related some interesting facts about her trip last summer to Southern Rhodesia and to Kenton, England, where Dr. Hubert Bratcher was an exchange minister. She illustrated part of her talk with slides of Cambridge, England and of the new Coventry Cathedral which has been rebuilt since the bombings during the war. Mrs. Bratcher noted that house groups meet in homes in districts and these are interdenominational, also that International House in London was started by Miss Porter, a retired missionary from China, who conceived the idea that students from all over the world could stay there at a nominal sum. An old mansion serves this purpose and students of all faiths are accepted.

Four volumes of the "Interpreters Dictionary of the Bible" was presented to the Church Library in memory of the late Mrs. Charles Hughes. The Fellowship of the Least Coin offering was also dedicated at this meeting.

Mrs. Homer Johnson conducted the business meeting and asked all members to contribute to the rummage sale which will be held on Nov. 2nd and 3rd. Mrs. L. W. Jolly led in the Worship Service. Mmes. H. S. Alexander, B. G. Blomkvist and R. F. Dirksen were hostesses for Circle III.

BETTER NOT BITE

Never use your teeth for biting off thread or to open bobby pins. You can chip the enamel, which will cause decay, and make unsightly notches in the edges of your teeth.

Miss Katherine Ann Stroebel

ENGAGEMENT TOLD — The engagement of Miss Katherine Ann Stroebel to Billy Don Hammer is being announced, with the wedding ceremony set for 5:30 p.m., Nov. 10 in the Zion Lutheran Church, with Rev. A. Bruns officiating. Miss Stroebel is the daughter of Mr. and Mrs. Alvin M. Stroebel, 2217 Chestnut Drive and formerly of Cisco. Her fiance is the son of Mrs. J. W. Hammer, 200 Ave. I, Cisco.

KKK OFFICERS — The Kit Kat Klub has elected new officers for the next six months. Miss Faon Freeland

AUTUMN WEDDING — Mr. and Mrs. A. E. Freeland, Blair, Okla., are announcing the engagement and approaching marriage of their daughter, Faon Freeland, to Roy T. Cone, son of Mrs. Elsie B. Cone, now residing in Bartlesville, Okla., and formerly of Pampa. The wedding is planned for Saturday afternoon, Oct. 20 at the First Baptist Church, Bartlesville, Okla. Miss Freeland was graduated from Blair High School and is now employed in the Traffic Department of Southwestern Bell Telephone Co. Mr. Cone is a Registered Professional Engineer employed by Phillips Petroleum Co., Refining Department, Bartlesville, Okla. He was graduated from Pampa High School; the Eddy Electronic Training Course, U.S. Navy; and Texas Technological College, Lubbock, with a Bachelor of Science Degree in Mechanical Engineering. Mr. Cone has served tours in the U. S. Navy Air Forces in the second World War and the U. S. Navy Seabees during the Korean Conflict. Both Miss Freeland and her fiance are active in Junior Work at the First Baptist Church in Bartlesville.

SCRATCHES

Scratches in furniture can sometimes be masked by rubbing them with a mixture containing equal portions of boiled linseed oil, turpentine and white vinegar. However, there are many good scratch

removers and fillers on the market. These are made to void further destruction or damage to surfaces. Many contain coloring to match woods. If you buy the right product and use it according to specific directions, scratches will not show.

SHOES FOR ALL THE FAMILY

RUTH MILLETT

Is there so much pressure on housewives today to spend their lives going to meetings and serving on committees that many of them get jobs just to have an excuse not to be "joiners"?

In a recent column I suggested the possibility that a good many working wives would prefer to be homebodies — if it were possible today for a wife and mother to be a homebody. And the letters that came from readers all over the country in response to the column indicate that a lot of wives do work for that very reason.

The following letter is typical: "You said you would like to know just how many women have been forced to take a job away from home because they would rather do that than spend all their time in boring 'busy work' which for the most part boiled down to nothing that a donation of cash

wouldn't have done better.

"That is the story of my life. I've gone back to work not once but several times because it is easier than trying to stay out of things you don't want into. It really isn't pleasant to be made to feel like a slacker just because you would rather stay home and tend to your main job and have a little time for yourself.

"Each time I have quit a job, I told myself that I would have time to relax and to do some of the things I really want to do, such as reading and painting. But I found out that the only acceptable excuse for not joining any group that asks you is to say, 'I'm sorry — but you see I have a job.'

Maybe here's one answer to the often asked question: Why don't married women stay home where they belong? Maybe they can't.

Miss Paula McKenzie Bride Of Peter Galier

MRS. PETER W. GALIER
nee Paula Jo McKenzie

Miss Paula Jo McKenzie and Peter W. Galier were united in marriage at 10 a.m. Sept. 29, 1962, in a ceremony performed at the St. Patrick's Co-Cathedral in Ft. Worth. Officiating was Father Patrick Hazel of St. Patrick's Catholic Church in Ft. Worth.

The bride is the daughter of Mr. and Mrs. Lester R. McKenzie of Panhandle and the bridegroom is the son of Mr. and Mrs. Victor Galier of Fort Worth.

Maid of honor was Miss Cherry Ann Steel, Ft. Worth, a friend of the bride. Bridesmaids were Eleanor Galier, sister of the groom, Juanita Beck and Mary Lynn Brush, roommates of the bride and all of Ft. Worth.

Vincent Galier, brother of the groom, served as best man. Groomsmen were Cletus Doogs, friend of groom, Victor Galier, brother of groom, both of Ft. Worth and Nicklaus Gill, friend of the groom, Beaumont. Ushers were Jim Clatterbuck, Marc Smith, John M. Crimmon and Loy Sturch all of Ft. Worth.

Tanya Maria Hollman, daughter of Mr. and Mrs. H. D. Hallman of Ft. Worth was flower girl and Lance Jeffery Hollman, son of Mr. and Mrs. Hallman, served as ring-bearer.

The St. Patrick's all male choir provided traditional wedding music and Miss Helen Keith, presided at the organ.

Given in marriage by her father, the bride wore a formal length gown of silk organza fashioned with a Sabrina neck outlined in Chantilly lace, bridal beads and sequins. The appliqued lace extended into short sleeves and made a deep yoke. The bouffant skirt with side fullness and

United Nations Program Presented To WSCS Group

Mrs. E. N. Franklin presented the program "The United Nations," Wednesday, Oct. 3 at 11 a.m. in Fellowship Hall, for the Women's Society of Christian Service of St. Paul Methodist Church. Assisting her were Mmes. Jack Riley, S. T. Holding, Homer West, Billy Kennedy and Joe Autry. Special guest, Mrs. Frank Mulanax spoke on her visit to the United Nations Building.

Everyone was urged to remember the annual Christmas Bazaar to be held at the church, Saturday, Nov. 3, starting at 10 a.m. A luncheon of spoonburgers, potato salad, potato chips, pickles, milk or coffee, and pie will be available.

Other members and guests present were Mmes. Charles Norton, W. I. Gilbert, Roland Darce, Dan Cotten, Bill Tucker, Bobby Turnbo, Bill Matejowsky, Ray Rose, James Allen, Phillip Eastabrooks, George Eyles, Cecil Rankin, Jim Moring, Don Stephens, W. C. Newlin, Lonnie Lollar, R. A. Newton, N. C. Cotten, Bill Sargent, J. N. Dulaney, Gordon Tryon and Bob Hale.

A luncheon followed the business meeting.

Meeting Of Houston PTA Is Announced

The first meeting of year for the Sam Houston P-TA will be at 2 p.m. Thursday, Oct. 11 in the school cafeteria.

The meeting will be in observance of Texas Congress Birthday of PTA. The meeting will be a tea honoring the faculty members of the school.

Paul Bowers will bring the devotional and Mr. Davis, school principal, will introduce all teachers to parents present.

Following the presentation of yearbooks, all parents are invited to visit in their child's room.

Mrs. Price Presents Book Review In Twentieth Century Club's Meeting

The Twentieth Century Cotillion Club met Tuesday afternoon in the home of Mrs. J. G. Morrison, 2101 Christine.

Mrs. Don Morrison served as hostess.

Mrs. W. D. Price Jr. reviewed the book, "The American Cause," by Russell Kirk.

Mrs. Price began by saying, "Man has been made in God's own image; but man, an imperfect image of God, torments himself by his tendency to sin. Human nature and society never will become perfect in the course of history. Yet God's love rules the world; and happiness, if we are to find it at all in this life, comes from doing God's Will. Men who expect to create a heaven upon earth, in defiance of the laws of man's nature and the revelation of God, can create only a hell upon earth."

In continuing remarks, Mrs. Price stated, "Our American society is far from perfect. Yet it is a society that works, and which ensures a tolerable measure of order and justice and freedom to men and women; as human societies go, it is a very high achievement. Our American order and justice and freedom would not be possible at all without the framework of religious and moral principles."

"The Communists repudiate Christian teaching. They are thoroughgoing atheists, for one thing, substituting an abstract 'The People' for God. It is not God's Will that must be done, in

"We, as Americans, must work together that we may keep the world from being crushed into the iron mold of Soviet collectivism," she concluded.

Members present were Mmes. W. B. Adair, Sam Anderson, Gene R. Barber, Thelma Bray, James Brown, Jim Campbell, Frank Carter Jr., Harbord Cox, Lee Fraser, Ralph McKinney, Don Morrison, W. D. Price Jr., Bob Williams and Jack White.

a flat front panel of lace was sprinkled with bridal beads and sequins. A large flat bow centered by a cabbage rose accented the long chapel train. The bridal headpiece was a pearl tiara with drop pearls and an elbow length veil of bridal illusion.

All of the attendants wore blue chiffon dresses styled with a figure bodice and full gathered skirt. A wide capelet collar fell gracefully around the shoulders. Their bouquets were of colonial type with frenched white carnations. The headpieces were of blue flower petals with a short veil. The flower girl wore a white organza dress of eyelet embroidery with a headpiece matching those of the attendants.

A reception was held following the ceremony in the future home of the bride and groom. Members in the house party were Mrs. Jack Bales, Arlington, Mrs. James McSpadden and Miss Virginia Sue Braswell, both of Ft. Worth.

Following a wedding trip to Mexico City and Acapulco the couple will be at home after Oct. 14 at 5201 Curzon, in Ft. Worth. The bride's traveling outfit was a blue wool suit with a matching pillbox hat. Her accessories were alligator shoes and bag.

The bride attended North Texas State University and is presently employed as a secretary at Ambassador Oil Corp., in Ft. Worth. The bridegroom attended TCU and the University of Texas and is employed by the Federal Aviation Agency as, Chief, Space Management Section.

NUPTIALS ANNOUNCED

Miss Sally Jane King

NUPTIALS ANNOUNCED — Mr. and Mrs. Burton Frank King of 232 E. Ninth, Dallas, Tex., announce the engagement and approaching marriage of their daughter, Sally Jane, to Mr. Donald Earl Allen, son of Mr. and Mrs. Louie L. Allen of Pampa. Nuptial vows will be exchanged on Nov. 16, 1962, at the Trinity Heights Church of Christ in Dallas with Helen Jackson officiating. A luncheon honoring Miss King and her attendants was given by her sister, Mrs. Wayne V. Roberts at the S & S Tea Room in Dallas on Oct. 6.

Ruth Millett

Alibis, Alibis, Alibis

Which One Is Yours?

All of us have at least one pet excuse we work overtime to justify not doing things we should do, or would enjoy doing, if we weren't afraid to try. Which one is your favorite alibi?

"After all, I'm not as young as I once was." (Nope. And you're not as old as you're going to be, either.)

"If I had my life to live over I would..." (No one can go back, but you can go forward at any age.)

"I'll have to wait until the children are older and I have more time for myself." (Any mother can assure you that a household with teen-agers is just as hectic as a household with toddlers.)

"You have to have pull to get anywhere." (That's true only if you don't have any push or drive.)

"If I weren't so tied down..." (The knot that ties anyone can usually be loosened a bit if the person really tries to gain a little freedom.)

"If I could just find someone to take over a little of my responsibility." (You never will as long

as you can convince yourself that no one else is as capable, conscientious, and dependable as you are.)

"If I just had some special talent..." (What you lack in talent or special ability can be made up for by study, determination, and plan, old, hard work.)

"If I just had a better education..." (No one has to stop the process of getting an education just because he has to leave school. Not as long as there are such things as public libraries, evening classes, correspondence courses, and so on.)

"If I had known then what I know now..." (The important thing is you do know it now — so what are you going to do with the knowledge?)

Know teeners: Read Ruth Millett's booklet, "Tips on Teen-Agers." Mail 25 cents to Ruth Millett Reader Service, in care of the newspaper, P.O. Box 489, Dept. A, Radio City, Station, New York 19, N.Y.

"Minerals In The Body" Is Program Topic For HD Club's Meeting Here

Mrs. Bob Brandon's home in the Cities Service Camp, southeast of the city, was the location for the Merten - Home Demonstration Club's first meeting of October at 1:30 p.m. Tuesday.

Mrs. Brandon, presiding, welcomed Mrs. B. J. Malson as a new member of the club.

Mrs. V. Smith, giving the council report, told members of the change to Tuesdays for the All-Club Monthly Luncheon. She also reported dates for an exhibit day and a Thanksgiving luncheon.

The program subject was on "Foods and Nutrition," and the roll call was answered with, "Broken bones we have had in our family this year."

Miss Lou Ella Patterson, Gray County Home Demonstration Agent, talked on, "Minerals In The Body."

Miss Patterson explained the

many minerals and the foods persons should eat daily to get the minerals.

Calcium, a most important mineral, is needed daily, and it aids in building strong nerves for stress and strain of the day and preventing fatigue, she said. Also it aids in the healing of broken bones and the clotting of blood.

Calcium is best obtained in milk, oranges, apples, citrus fruit juices, cabbage and other vegetables but much of the mineral value is lost in the cooking of vegetables, she added.

Better teeth, bones and general health are the results of daily intakes of foods high in Calcium value, it was pointed out.

Cookies and ice cream were served during the social hour to Mmes. B. J. Malson, Jack Howard, Loyd Laramore, A. M. Nash, V. Smith, T. G. Groves, W. M. Groves and Bob Brandon, and Miss Lou Ella Patterson.

The next meeting will be with Mrs. T. G. Groves, 500 Powell Street, at 1:30 p.m. Oct. 16.

Delegates Report State Convention

The Gray County HD Clubs met in the Court House Annex, East of the City, Friday morning at 9:30 a.m., Sept. 28.

The THDA delegates made their report of the State Convention held recently in Dallas. New plans for the year, made at the convention, were given by the delegates.

Delegates thanked the Council for sending them to the state convention.

Refreshments of coffee and rolls were served to Mmes. Lester Reynolds, a delegate reporting V. Smith, A. P. Coombs, both delegates, Lloyd Laramore, Jack Prather, Francis Cox, A. M. Nash, Roy Brandon, Robert Saylor, Roland Dauer, Boyd Brown, A. P. Robinson, a guest, N. B. Cude of Tennessee, Glenn Newman, Bonner Hicks, and Marvin Rowan. Six children attended with their mothers.

Hostesses were the delegates. The next meeting will be a salad luncheon with "Christmas Ideas" featured, Tuesday, Oct. 23 at 11 a.m.

WASH 'N' WEAR HINT

Wash 'n' wear fabrics need less touching up with an iron if they are washed and rinsed in cold water. Alternate cold and hot water washings prevent setting wrinkles in synthetic fibers.

INTERNATIONAL SCENE —The Citizens Hospitality Room was the scene for an International Tea given recently by the International Relations Committee of the Altrusa Club of Pampa. Foreign-born women of the community were guests of the club for the afternoon. Refreshments were served from a table appointed with red, white and blue satin streamers extending the length of the table. A centerpiece of dahlias accented with tiny flags of foreign countries centered the table. Placed alternately down the length of the streamers were miniature dolls dressed in the costumes of countries they were representing. Altrusa hostesses were Mmes. F. A. Hukill, chairman, Coyle Ford, Altrusa Vanderberg, Joe Tooley, Evelyn Mason,

Mary Martin. Approximately 31 guests attended. Pictured above are a few of the guests; seated, left to right, Maria Prieto of Madrid, Spain, American Field Service Student, Angelika Christiane Stier of Soest, Germany, who is making her home for the winter as a AFS student in White Deer, Mrs. Paul Tracy of Cambridge, England; Mrs. Roy Dyke of Duisburg, Germany; Miss Karin Ostermeyer of Munich, Germany; back row, left to right, Mrs. David L. Freeman of Germany, Mrs. Ted Alexander, Mrs. W. E. Campaigne, both formerly of England, Mrs. Harvey L. Bailey of Japan and Mrs. Robert W. Mauldin of Augsburg, Germany.

Quilting Club Meets With Mrs. Phillips

The Metanet Quilting Club met quilt. A covered dish luncheon Tuesday in the home of Mrs. Nelse Robinson, 411 Hill St., at 7:30 p.m. The door prize was drawn by Mrs. Earl O'Neal.

Work for the day was a flower. The business meeting was conducted by Mrs. Earl O'Neal, president.

ANNOUNCING ENGAGEMENT

Miss Becky McCoy

Mr. Ray Harrell announces the engagement and approaching marriage of his daughter, Becky McCoy, to Mr. Jimmy Finley, son of Mr. and Mrs. Calvin Finley of Claude. The wedding will take place Nov. 3 at the Church of Christ in Groom. Friends of the couple are invited.

Plans were made for a "Tacky Halloween Party" to be held Oct. 29 in the home of Mrs. Nelse Robinson, 411 Hill St., at 7:30 p.m.

The door prize was drawn by Mrs. Earl O'Neal.

Guests present were Mmes. Vincent Simon, J. B. Jones, George Phillips, and George Hamlin, all of Pampa, Don Scott of Wichita Falls and W. E. Ham-

lin of Sanford. Members present were Mmes. Wayne Phillips, George Hamlin, Nelse Robinson, Forrest Cloyd, Earl O'Neal, J. C. Longan, J. T. Lamberson, and Margie Hausman and Beng Harkrader.

The next club meeting will be held Oct. 25 at the home of Mrs. George Hamlin, 212 N. Houston,

CITY COUNCIL PTA — Members of the Pampa City Council of PTA met Oct. 2 at the Stephen F. Austin School. Mr. Tracy Carey presented each school represented, with an Original copy of, "Texas, Our Texas." Seated left to right, Mrs. Bob Sybert, Austin; Cameron Marsh, Pampa High School; Mrs. Wrvvel Furgason, Baker; Mrs. E. C. Puke, Lamar; and Jack Nichols, Lee Junior High. Standing left to right, Mrs. Hubert Johnston, St. Vincent; Mrs. Calvin Hogan, Wilson; Tracy Carey; Mrs. H. V. Wilks, Houston; Mrs. Bill Martin, Travis; McHenry Lane, Pampa Junior High; and Mrs. James Reeves, Horace Mann.

Original Copy Of State Song Presented To PTA

The Pampa City Council of Parent-Teacher Association met Oct. 2 in the auditorium of the Stephen F. Austin School, with the president, Mrs. Brantly Hudson Jr., presiding. The invocation was given by Mr. D. V. Biggers, principal of the Austin School. Secretary, Mrs. A. N. Green, read the minutes. Mrs. John Hoyt Jr., treasurer, reported a balance of \$340.57.

Mrs. Hudson introduced Tracy Carey who stated that it made him feel very proud to see our National flag flying over our schools. He felt that by neglecting to fly the flag over our public buildings we are letting our heritage slip from us. He then gave a brief biography of Mr. William J. Marsh who wrote "Texas, Our Texas." This song was adopted as the state song of Texas in 1930. He also played a record from the Texas State Song Association in Fort Worth that contained a narrative of the history of the song by Mr. E. Clyde Whitlock, music critic for the Fort Worth Star Telegram, with a chorus singing "Texas, Our Texas."

An original copy of the first printing of "Texas, Our Texas" autographed by the 82 year old Mr. Marsh was presented to a representative from each of the Pampa schools. He suggested the song be framed and hung in each school.

Mrs. Hudson read a letter from Mrs. W. C. Harter, corresponding secretary for the District 19 PTA stating acceptance of Pampa's invitation to have the PTA Spring Conference in Pampa.

It was announced that the Kiwanis Clubs will hold their Parade of Quartets on November 3.

Each PTA unit may send in one mail ballot to their State PTA which in turn will cast its vote on the National Congress of Parents and Teachers legislative program according to the way the majority of individual units have voted.

The following recommended legislative program from the Texas

Congress of Parents and Teachers was read and accepted by the City Council PTA.

1. Continue support of the Minimum Foundation Program for quality education in the public schools.
2. Support legislation to facilitate study and aid for the mentally and emotionally disturbed children who are in our public schools.
3. Support legislation to provide a minimum sick leave for teachers.
4. Support adequate local and state appropriations for the strengthening and expansion of public school programs of home and family life education for children, youth and adults.
5. Support legislation for the protection of the Permanent School Fund.
6. Support legislation for creating regional film libraries.
7. Support legislation for the improvement of an actuarially sound teacher's retirement program.
8. Support the establishment and maintenance of an adequate State Juvenile Parole System.
9. Support legislation to strengthen and improve laws for the protection of children and youth from sex offenders.
10. Support more forceful legislation prohibiting the sale or distribution of obscene materials including the showing of obscene commercial motion pictures or obscene foreign films.
11. Support legislation for the continued improvement of laws that strengthen the traffic safety program of Texas.

Mr. Joe Page, principal of Lamar school, stated that the plans for the Pampa delegates to the State PTA Convention to be held in Fort Worth had been completed. The names of all delegates should be turned in to Mrs. Hoyt this week.

The material concerning the Savings Stamp program was turned over to each unit for their con-

sideration.

Mrs. Hudson urged that each unit instigate a program to encourage all parents to visit their children's class rooms and to attend PTA meetings.

The District 19 PTA Citizenship Workshop will be held in Canadian on Oct. 24 from 9:30 until 2:30. Luncheon reservations should be turned in to the local unit president. This workshop is open to the public.

Mrs. Hudson reminded the Council that Oct. 19 is the birthday of the Texas Congress of Parents and Teachers.

Refreshments of coffee and rolls were served from a table covered in yellow, with brown napkins and a fall centerpiece of yellow and bronze flowers and brown and orange leaves. Hostesses were the Austin PTA hospitality co-chairmen Mrs. W. T. Fain and Mrs. W. T. Wilborn assisted by Mrs. W. M. Lemmons and Mrs. Glenn Nichols.

The following schools were represented: Austin, Pampa Jr. High, Lee Jr. High, Pampa High School, Baker, Lamar, Travis, Mann, Houston, Wilson, and St. Vincent de Paul.

Mrs. Hudson closed the meeting with this thought: "Application, concentration and inspiration will help you reach your destination."

Ladies Auxiliary Sponsors Monday Rummage Sale

The Ladies Auxiliary to the Veterans of Foreign Wars Pampa Post No. 1657, met Tuesday, Oct. 2 at 7:30 p.m. in the VFW Legion Hall. Conducting the business meeting was Mrs. Jess Beard, president. One new member, Mrs. Ronald Beard, was balloted favorably and given the obligation of membership with Mrs. Carl Foust. A motion was approved to furnish tray favors and center pieces for Veterans Hospital in Amarillo on Thanksgiving Day. A contribution was made to the Pampa-Lefors United Fund Drive. The October honor roll requirements were met as follows. Contributed to the Christmas Fund for the National Home at Eaton Rapids, Mich., and collected 10 per cent of 1963 dues with eleven members paying dues.

The club will sponsor a rummage sale to be held Monday, Oct. 8 on S. Cuyler St.

The next meeting will be a Halloween party at the VFW Hall, with Mrs. Vernon Stuckey, Mack Taylor and Josephine Blalock serving as hostesses. Members present were, Meses. Jess Beard, Charles Beard, George Benham, Josephine Blalock, Carl Foust, O. F. Kreimeyer, C. D. Malone, Joe Slater, Vernon Stuckey, Mack Taylor, Carl Wright, Chester Williams, and Ronald Beard.

Groom Homecoming Activities Are Set

GROOM (Spl) — The Groom Ex - Students Association has chosen Friday, Oct. 26 as the date for the annual homecoming for ex-students of Groom Public Schools. Program for the day's activities include a barbecue dinner and the football game between Groom and Claude.

Registration is scheduled for 5 p.m. at 3:30 the fish or barbecue dinner will be served in the school cafeteria. At 7:30 p.m. the Groom - Claude football game will be played. Following the

VENTILATION

Even though modern interior paints are virtually odorless, you should provide adequate ventilation when painting.

game the ex - students association will hold its business session.

Early reservations for the barbecue, or fish dinner are needed, in order to know the number that meals must be prepared for. Ex-students are asked to write or call Billy Burtin and make reservations.

Miss Hudson Is Birthday Honoree

Miss Mavis Hudson was honored on her 85th Birthday at the Hudson Reunion, Sept. 30 in the Ashtola Community Center.

A 4 tiered birthday cake with 85 candles arranged on top were served to the guests along with a covered dish luncheon.

A 6 ft. gift and card tree decorated the dining room.

Out of town guests were: Francis Tepe, Irene Vedzey, Messrs. and Meses. Neely Hudson, B. F. Alvenson, Gaston R. Collins, Dwayne Hudson, John and Sid, Floyd Clifton and Bob and Verneal Dawson, Mickey Lynn Dawson, Mavis Hudson and Jessie Wells of Amarillo; Mr. and Mrs. Oden Hudson, Mr. and Mrs. L. J. Hudson, Mrs. Sharon Galtin and Joe of Briscoe; Mrs. T. L. D-m-ent and Karan of Childress; M. S. Albersson and David Alvenson of Seagraves; Mr. and Mrs. Major Hudson and Mr. and Mrs. Tommie Tucker. Mr. and Mrs. C. R. Cross, Mrs. Bertha Benson, Mr. and Mrs. Clyde Hudson, C. L. Benson, H. Loyd Benson of Clarendon; Mr. and Mrs. Clenton F. Snaggle of Memphis; Mr. and Mrs. M. W. Maxey, Bobby, Johnny, Pamela, Mac, Gary, Warren and Ruby; Mr. and Mrs. Bill Sutton, Anita and Dianna of Pampa; Mr. and Mrs. N. C. Hudson of Skellytown and Mr. and Mrs. Coy Stevens and Jimmy of Perryton.

Delta Kappa Gamma Schedules Regional Meeting For Amarillo

"New Times Demand New Measures" will be the theme for a regional meeting of members of the Delta Kappa Gamma Society, international organization of women teachers, at Tascosa High School, Amarillo, on Saturday, Oct. 13.

Zeta Epsilon Chapter of Amarillo, with Miss Stacia Irene Crawford as president, will be hostess chapter to this regional meeting which is one of eighteen conducted throughout Texas in October and November.

Participating chapters with their presidents are: Pi, Mrs. Robbie Dewald, Amarillo; Beta Delta, Miss Mary Reeve, Pampa; Gamma Theta, Mrs. Gladys Phillips, Darrrouzett; Gamma Kappa, Mrs. L. C. Sweatt, Wellington; Gamma Ki, Mrs. Frances Holden, Dumas; Delta Ki, Miss Della Stagner, Hereford; Zeta Delta, Mrs. Evelyn Laney, Amarillo; and Zeta Zeta, Mrs. Sue Stephens, Amarillo.

Directors of the meeting, representing Alpha State, will be Mrs. Ruby Lee Lafferty of El Paso, first vice president and program chairman, and Mrs. Velma Raney Weaver of Clarendon, state chairman of the committee on music and member of the state program committee. Mrs. Lafferty and Mrs. Weaver will meet with chapter presidents at 8 a.m. for a workshop. At 9 a.m. other members will meet in the Commons, Tascosa High School, for registration and coffee.

At 9:30 a.m. the general session will begin in the auditorium. Mrs. Weaver has worked with chapter presidents in planning the meeting, and Mrs. Lafferty will be the speaker at the luncheon which concludes the program. Mrs. Lafferty who attended the International Convention of the Delta Kappa Gamma Society in Philadelphia in August, will speak on "New Times Demand New Measures," presenting the long range plan for the Society.

Mrs. Lafferty has been a member of Delta Kappa Gamma since 1937. She is a past president of Kappa Chapter, El Paso, and served as treasurer for the Southwest Regional Conference in El Paso in 1955. She has appeared on

programs at conferences and conventions of the Society in Honolulu, Tulsa, Minneapolis, and Phoenix.

In 1961 she was a recipient of an Alpha State Achievement Award. Mrs. Lafferty teaches English in burges High School, El Paso, sponsors the Future Teachers Club in her school, and is past president of the Airport Opti-Mrs. Club and the El Paso Council of Opti-Mrs. Her husband is lieutenant governor of District 19 of the Optimist Clubs. She also is active in De Molay Mother's Circle, church and Sunday School, and A.A.U.W.

Mrs. Weaver has been a member of Delta Kappa Gamma since 1945. She is past president of Gamma Kappa Chapter, has held all offices on the chapter level, has appeared on programs at Alpha State conventions and southwest regional conferences of the society. Mrs. Weaver is head of the Music Department of Clarendon Junior College. She is active in church work and the 125 Book Club of Clarendon.

Special Interest Groups will meet following the general session.

"New Measures for our Committee on Chapter Programs" will be conducted by Miss Mary Reeve of Beta Delta, and Mrs. Robbie Deward of Pi.

"New Measures for Professional

Growth and Development of Delta Kappa Gamma Members" will be led by Miss Della Stagner of Delta Ki, and Mrs. Sue Stephens of Zeta Zeta.

"New Measures for the Personal Growth of Delta Kappa Gamma Members" will be conducted by Mrs. Gladys Phillips of Gamma Theta, and Mrs. Frances Holden of Gamma Ki.

"The New Role of the Committee on Membership" will be led by Mrs. Evelyn Laney of Zeta Delta, and Mrs. L. C. Sweatt of Gamma Kappa.

Recorders from each group will report to all members in a second general session.

Special committees appointed for the regional meeting are Recorder, Miss Lucille Park, Delta Ki; Accompanist, Mrs. Mildred Bosler, Gamma Ki; Time Keeper, Mrs. Mildred Sullivan, Beta Delta; Publicity, Miss Zady Belle Walker, Gamma Kappa; and Program, Mrs. Gladys Cox, Zeta Epsilon.

October 8 has been set as reservation date deadline. Members of all participating chapters are asked to mail checks for \$2.75 to Mrs. Hester Still, 3306 Lewis Lane, Amarillo, by that date. Lillian Mullinax, Beta Delta Chapter of Pampa, will assume the responsibility of reservations for the local chapter.

Other Beta Delta members in addition to the ones mentioned that are participating in the regional meeting are: Stella Kiser, Committee on Registration; Geraldine Rampp, Committee on Mileage Award.

Music Teachers Meeting In Hotel

The theme for the October meeting of the Pampa Music Teachers Association held on Tuesday in the Pampa Hotel, was "The More Significant Use of our Church Hymnals."

Much historical information was brought out in the form of a quiz conducted by Tracy Cary, president of the organization. He also explained the uses which can be made of the various indexes and especially the Metrical Index.

A recording of some original performances of the Texas State Song, "Texas, our Texas" written by William J. Marsh and performed by various choirs, was played for the group.

During the business session, arrangements for the November meeting which will be in the form of a reception for pupils and parents and which will be held in the library, were discussed. Dr. Houston Bright of Canyon has been invited to speak to the group on the subject, "The Role of the Parent in the Child's Music Education."

Table decorations for the dinner which was served to the group made use of the Halloween motif. Mrs. W. M. Cooper was hostess for the dinner. Attending were Mesdames Dick Land, W. H. Fuller, Sheila Parr, Ramon Wilson, Calvin Whately, Lois Fagin, Felicia Yoder, Mrs. Cooper and Mr. Cary.

STAINS

Remove unsightly tea and coffee stains from plastic cups with toothpaste. They'll be like new again.

Informal Entertaining With Lustrous Buenilum

Chafing Dish for a Hostess who delights in serving up Sunday night suppers with an air. In silvery Buenilum. Graceful traditional design with mahogany handle and knob.

PHARMACY WEEK

WHY A NATIONAL PHARMACY WEEK? From October 7th to 13th pharmacists will make their yearly re-dedication to the ancient and honorable profession of pharmacy.

A CODE OF ETHICS GOVERNS US. While attending our college of pharmacy we were taught that:

1. The practice of pharmacy is concerned with medicines and health-aids—
2. Everything we supply directly affects the health and comfort of our patrons —
3. Any prescription we dispense is a sacred trust for the patient places his life in our care.

WE GLADLY FOLLOW OUR CODE We will never let profit alone influence our service to you. We will always supply only products we consider to be of the best quality and price them to get the reasonable profit needed to operate a good pharmacy. No more — No less!

INSPECT OUR PRESCRIPTION ROOM. During Pharmacy Week we invite you to step into our prescription laboratory and see how more than 4,000 different medicines are indexed for quick availability, carefully stored to protect potency and dispensed with every precaution to insure accuracy.

The Pampa Daily News

AN INDEPENDENT FREEDOM NEWSPAPER

We believe that all men are equally endowed by their Creator, and that it is every man's duty to God to preserve his own liberty and respect the liberty of others. Freedom is self-control, no more, no less.

To discharge this responsibility, free men, to the best of their ability, must understand and apply to daily living the great moral guides expressed in the Ten Commandments, the Golden Rule and the Declaration of Independence.

This newspaper is dedicated to furnishing information to our readers so that they can better promote and preserve their own freedom and encourage others to see its blessings. For only when man understands freedom and is free to control himself and all he produces, can he develop to his utmost capabilities in harmony with the above moral principles.

SUBSCRIPTION RATES

By carrier in Pampa, 15c per week, \$4.50 per 3 months, \$13.50 per 6 months, \$27.00 per year. By mail paid in advance at office, \$10.00 per year in retail trading zone, \$15.00 per year outside retail trading zone. \$1.25 per month. Price per single copy 10c daily, 15c Sunday. No small orders accepted in quantities served by carrier. Published daily except Saturday by the Pampa Daily News, Atchison at Somerville, Pampa, Texas. Phone MO 4-2525 all departments. Entered as second class matter under the act of March 3, 1879.

The Bible Builds

Every day we read of the importance of commerce and industry in our lives. Our system of free enterprise produces more than enough to take care of our needs in all respects, and to help supply deficiencies in other countries. By way of contrast, the "planning" in the communist sphere is not good enough to even furnish its people with sufficient food.

of worship, guaranteed in our Constitution. The 22nd annual observance of National Bible Week takes place Oct. 15-21, sponsored by the Laymen's National Committee, Inc., an all-faiths organization. This year's theme for the Week is as timely as it is significant: "The Bible Builds Bridges—Not Walls." The eternal goal of the people of this nation must be to keep building the bridges, and to see that the walls that destroy freedom—religious, economic, political—can never be erected.

Don't Forget Sabin!

What are you going to be doing today? Well, yes, church, but what else? Lake McClellan, fine. Visit the folks? Great. What else? Why, you're going to take the whole family and visit the nearest Sabin polio immunization center, aren't you? If you've ever been in a hospital polio and post-polio ward, you're going to get immunized and never think twice about it. You'll be given an opportunity to contribute 25 cents, but if you can't pay, you won't be asked. It's strictly voluntary.

of sugar or directly on an infant's tongue. No shots, no needles, no scratches. And no pain. What could be better? We hope all the local pastors, remind their congregations this morning that they have another obligation right afterwards. A person immunized with the Sabin serum can't carry the disease to another, so it becomes a community project to get the potential carriers immunized, for everyone's sake.

The Goal

The man who wishes to achieve will find a way. The man who doesn't will find an alibi.

Hearty Thanks To JFK

President Kennedy signed an executive order which makes easier the unionization of federal employees, and soon thereafter George Meany, President of the AFL-CIO, expressed his gratitude. Before the American Federation of Government Employees, Mr. Meany urged in the same speech an all-out drive to organize federal workers and an all-out drive to elect congressmen who would vote them liberal benefits, such

as pay and pension increases. The unions, he suggested, will provide information programs to prepare the members to vote for such men, and the members should get out and work before elections, carefully skirting the Hatch Act. Labor, Mr. Meany said, considers this a "friendly" Administration. It may be assumed that the candidates who get the support of Civil Service employees will be "friendly" to the administration.

Want Red China In UN?

Thirty-six senators and 223 representatives (111 Democrats and 148 Republicans) have joined forces in issuing a Declaration calling for US defense of Quemoy and Matsu and rejection of any "two-China" policy which would seat Red China in the UN. The Declaration is in support of the petition of 1,125,000 Americans to the same effect, and in

anticipation of a rumored "deal" with Khrushchev to let Red China sneak in the back door if he will remove the heat in Berlin and slow down in Cuba. The Committee of One Million challenges all candidates for public office to declare their position. Advice to voters: Ask 'em yourself!

Pull Up A Chair

By Neal O'Hara

Offering items "that nobody needs," one merchandiser does a \$10 million dollar annual mail order business with such stuff as home-grown sponges, golf balls with eyes, an automatic toothpaste tube squeezer, a swift trading-stamp licker and a meat ball press. "I sell things people don't need, but can't live without," he explains. Psychological research on the influence of colors in one's surroundings indicates that green slows down muscular responses, has a calming effect on the nerves, and is conducive to reflective thinking.

Headline in the Chattanooga (Tenn.) Times: "Fire Department Promotes Burns." Virtually unknown until 1946, family bankruptcies have grown markedly in the past several years, with most bankrupt employees. Chief of the bankruptcy division of the U.S. courts attributes the increase to the fact "too many families are too willing to use credit to buy too many things they can't afford."

Today's favorite gag: TEACHER—"What does cannibal mean?" LITTLE BOBBY—"Able to be canned." Cause and effect: When, within a short span, six elderly women living alone in their apartments in a middle-class section of Boston were all found strangled by some mysterious slayer, sales by door-to-door vendors in that city fell off by 10 percent for the two succeeding months.

Over a 16 weeks' period, a medical specialist gave a group of patients harmless sugar pills instead of genuine medication which was administered in other fortnights. Both types of pills looked the same, and the experiment was made without the patients' knowledge. More than half of them said they felt no change, and nearly 20 percent reported they felt worse from taking the harmless pills. Modesty item: Oxford University in England calls itself "the world's greatest institution of learning." (Heart! Heart!)

Thoughts while shaving: 1. In July, 1932, when F.D.R. was nominated for President for the first time, Gov. Roosevelt gallantly ordered an airplane at Albany, N.Y., flew to Chicago and in a matter of hours addressed the convention that had honored him. The action of the crippled governor making such a flight and address captivated the nation. It was something new and courageous in politics. 2. Now, in March, 1932, when Adolf Hitler was running for President of the German Republic against General von Hindenburg, who was striving for re-election, chartered a Junkers airplane and flew from one end of the Reich to the other spouting speeches. That was something new in European politics. (Hitler lost the election, 19,359,953 to 12,418,547, but took over the reins the following year anyway.) 3. The term "featherbedding" is familiar to all and covers the subject of those weird labor rules for those who work on terra firm, but they've refined it in aeronautical circles. Up in the air they appropriately refer to it as "featherbirding." 4. This'll probably fall on deaf ears, but when the Congress gets around to revising income taxes, why doesn't it allow a taxpayer to deduct, at so much an hour, the value of the time he puts in for filling out his income tax statement? Even a minimum of \$1.25 an hour would help.

Country editor speaking: "There are an awful lot of business women if you include those who are always sticking their noses into everybody's."

Storage batteries using cummum as one element have much longer lives than those using lead elements, and they have other advantages with respect to weight and ability to be stored in a discharged condition. They are particularly attractive for use in aircraft and special applications where cost is not a dominant factor.

Great Work, Doctor!

Allen-Scott Report

Backstage Struggles Already Underway for Control Of 88th Congress Strategic Committees, Staffs

ROBERT ALLEN

PAUL SCOTT

WASHINGTON—President Kennedy is stentoriously appealing to voters to elect more Democrats to Congress to strengthen his hand in enacting legislation, but that isn't the way the backstage situation is shaping up there, particularly in the House. While this interminable session is finally churning to a close, the stage already is being set for an equally turbulent resumption when the new (88th) Congress convenes in January, only three months hence. Influential Democratic and Republican leaders are serving "notice on Administration chiefs that vigorous fights will be made for far-reaching procedural changes, foremost among them the following: —In both the Senate and House, GOP leaders plan to press determinedly for the appointment of their own staffs, including counsel, on all important committees, particularly investigative. —House Republican Leader Charles Halleck, Ind., has notified Speaker John McCormack, Mass., and Democratic Floor Leader Carl Albert, Okla., that if the GOP gain six seats, they will demand a sharp readjustment of the present top-heavy Democratic control of the strategic Rules Committee, which the latter now dominate 10 to 5. —Representatives Chet Holifield and James Roosevelt, Calif., liberal Democratic leaders, already are organizing a militant battle to curb the power of the Rules Committee. They favor a restriction under which legislation could be brought directly from committees to the floor of the House within a month after the Rules Committee refused to give such clearance. The liberal bloc advocated such a change at the opening of this Congress in January 1961. They lined up considerable support for it, including some Republicans. But the late Speaker Sam Rayburn out-manuevered the group by proposing that two Democrats be added to the Rules Committee. The Texan contended this would give the Administration a stronger hold on the Committee, and thus ensure favorable consideration of its legislation. But it didn't work out that way on major controversial measures, notably federal aid to education and the establishment of an Urban Affairs Department. Both were passed by the Senate, but wound up in pigeonholes in the Rules Committee. STRAWS IN THE WIND —Regardless of what the party lineup in the next House will be, both the Rules Committee and equally-potent Ways and Means Committee will undergo important changes. The latter originates all tax and social security legislation. Significantly indicative of that is Speaker McCormack's privately-voiced determination to put through the Urban Affairs Department and medicare bills. A strong advocate of both, the veteran House leader is telling close colleagues he intends to leave nothing undone to ensure favorable committee consideration

of these two embattled measures. As Speaker, McCormack is in a key position to do a lot about that. He will have an important voice in filling Democratic vacancies on all committees. On the Ways and Means Committee, that could be crucial for the medicare bill. Two opponents of this legislation are leaving the House —Representatives Burr Harrison, D-Va., retiring voluntarily, and James Frazier, Jr., D-Tenn., defeated in last month's primary by a medicare advocate. McCormack will do his utmost to fill both these vacancies with medicare supporters. If he has his way, that will give the Administration enough votes to put the measure through this Committee — which it wasn't able to do in this Congress. Similarly, McCormack favors some Rules Committee changes. He is still undecided what they should be, but is more sympathetic to that than his late predecessor.

WORDS AND PICTURES—Vice President Lyndon Johnson, whose constitutional function is to preside over the Senate, gets very weary at times with the interminable talking. As a relief, he likes to relate the following story: "The most popular preacher who ever came to the Texas hill country had a prayer which he said to himself every Sunday morning. It went this way: 'Lord, fill my mouth with worthwhile stuff, and nudge me when I've said enough.'" Secretary of State Dean Rusk got a lesson in how to handle news photographers that he probably won't forget for some time. After one of his infrequent press conferences, during which a group of the cameramen snapped him from all angles he asked one of them, "Why do you people take pictures every time you see me? You must have countless numbers in your files." Retorted the photographers, "Because one of these days, you may get shot, and we want to have the last picture of you."

FOUNTAIN OF YOUTH — New Supreme Court Justice Arthur Goldberg is deriving special pleasure in shifting from the Kennedy cabinet to the bench. "That has made him feel a lot younger. Reason for this particular gratification is that at 54, Goldberg was the second oldest member of the New Frontier Cabinet. Commerce Secretary Luther Hodges, 64, is the dean. But on the Supreme Court, Goldberg is the third youngest of the nine jurists. The other two are Justices Byron White, 42, and Potter Stewart, 47. The oldest member of the tribunal is Justice Hugo Black, 76, followed by Chief Justice Warren, 71, Justice William Douglas, 64, Justice Tom Clark, 63, Justice John Harlan, 63, and Justice William Brennan, 56. Former Judge Thurman Arnold, an old friend of Goldberg, gave him the following advice before he took the oath of office:

Question Box

(We invite questions on economic and the proper functions of government which will not injure anyone.)

Question: "Do the U.S. loans of millions of dollars to many foreign (neutral and party communistic) nations shift an extra hardship on the millions of Americans whose taxes furnish the money, or is this necessary to gain the confidence of these nations, and prevent them from becoming like Khrushchev's Red Russia, and becoming helpless Communists like they?" It is billions not millions going to so called foreign aid. Certainly all of these loans or gifts to foreign nations, whether they be neutral or communistic, add to the taxes and keep the standard of living of all the American people down. We do not think we are gaining the confidence of these nations, to prevent them from becoming like Red Russia. In fact, they regard us as dupes. They have less respect for us today than they did before we started to rob our citizens to give them help. If private citizens want to give donations to help foreigners, that's a different problem than having the government force people to pay to support foreigners when they feel they can help themselves and their neighbors to much greater advantage. We'd better set a good example of respecting private property rather than a bad example of not respecting private property, which we are doing when we tax anyone against his will to send money all over the world.

THE QUESTION

TRUTH FORUM

Commies Don't Use Tact With Each Other

By ED DELANEY

The inordinate timidity of our political potentates in Washington when dealing with the Soviet and our obvious policy of never causing embarrassment to the communists, is in marked contrast to the treatment handed Khrushchev's minions of little Albania. Details of the break between Moscow and Albania, were never spelled out too clearly for the western world. We learned that the Albanian premier, Enver Hodja, had been lured by Red China into severing the bonds with Moscow and aligning Albania with Peking. Of course Khrushchev denounced Hodja as a "Stalinist" and an apostate to the true communist faith and its god-head in Moscow. Authoritative sources in that part of Europe which I have known for years and found to be reliable, have supplied some interesting background of that break-away from Moscow. Some time ago Albania shipped a large quantity of tobacco to the Soviet and received payment in Russian rubles. Not long afterward Albania was threatened with a famine due to poor crops. Enver Hodja asked Russia for grain and flour. The Soviet agreed to deliver the food supplies but demanded payment in advance. Albania came forward promptly with the same rubles they had received for the tobacco. The Soviet rejected their own currency and demanded U.S. dollars. They could print bales of rubles. But not since Harry Morgenthau Jr. was our secretary of treasury have they been able to get the plates and dies for printing U.S. dollars — at least so far as we know.

Albania then sent an urgent plea to Red China for the needed grain. The communist government in Peking got the grain from Canada, paid dollars for it and delivered the grain to Albania—free. That gift from Red China resulted in a secret pact between Tirana, the capital of Albania and Peking. Premier Enver Hodja maintained an outward appearance of loyalty to the Soviet but only an appearance. Soon thereafter he received what was tantamount to an order to appear before the Soviet ambassador in Tirana. Apparently

the premier remembered the fate of the prime minister of Hungary who, prior to the revolution in Budapest in 1956, was called to the Soviet embassy there, was kidnapped and later liquidated. Hodja went to the Soviet embassy, after ordering the soldiers of his personal guard to surround the embassy. In case he did not come out in two hours at the latest, the guards were to force an entrance and either liberate him or take revenge for what might have happened to him. At the time limit, the soldiers forced an entrance. They found the premier bound and gagged. He was rescued by his guards. Immediately he ordered all members of the Soviet embassy personnel including the ambassador, to leave Albania — at once. There was no daily-diffing. They were escorted by armed guards to a Soviet ship that was in the harbor. It is also reported that irate Albanians got in some kicks and slaps to speed the Russians on their way. The ship left within an hour of the time the ambassador and entourage got aboard.

Enver Hodja started an investigation to find out who "betrayed" them to the Soviet by revealing the existence of the secret pact with Red China. Two members of the Albanian Central Party Committee were charged with the treachery, convicted and it is reported were hanged publicly in Tirana. Of course at the time, Albania was, supposedly, an ally, in fact a satellite of the Soviet. So how could they be guilty of treason? But apparently premier Hodja does not quibble over such technicalities. My informant, for years attached to the legations of a certain European country—several of them being communist countries, calls Albania "the bottom of the barrel." Be that as it may, a little country defied the Russian Bear and switched alliance from Moscow to Peking. The modus operandi of that "switch" might be called to the attention of our timorous ones in Washington. It also indicates that when communists deal with other communists they omit some diplomatic niceties. Dean Rusk, please note.

THE QUESTION

What Are Necessary Government Functions?

By GEORGE BOARDMAN, Ph.D.

We operate a very small motel in a ghost town. There are certain necessary functions involved whether we have guests or not. The rooms must be aired every day and dusted every other day. The water system must be checked and we must be certain we have ample butane gas and candles on hand in case of a power failure. We must be sure we have enough clean linen and towels on hand. We turn the office light on at night and turn it off in the morning. Occasionally my two granddaughters help with the dusting and other chores. My grandson attends to the waste paper. We could handle this differently. I could inspect the motel each morning and dictate orders to a secretary if I had a secretary. My wife could then issue directives to the employees (grandkids) after I made a final check. As each task was completed my grandkids could file, individually and dictate a report to the secretary who would then file the reports and type a report to my wife who would dictate a report to me. In the meantime, the secretary would also be busy with the coffee and doughnut machine to take care of our coffee breaks. We would also set up a perpetual inventory system which would tell us how many sheets and pillow cases were on hand and the amount of gas in the butane tank. We would also read the meters each day and make a careful study to see if proper economies were being attended to. Lights turned off at the correct time and so on. We could go on and on with this kind of foolishness for several thousand words but will stop here before acute nausea sets in. What ARE the necessary functions of government?

Now, consider the fact that the employees of the taxpayers decide which functions of government are necessary — they don't leave such important decisions up to the employers. Government says, "The people demand this service or that activity." Ask your friends and your acquaintances which government activities were motivated by their insistence and you will find a few who have told government what they do not want. Personally, I find it unnecessary to ask government to do anything for me, but don't start to argue with me until you itemize the services you want government to perform for you. If you live in a large city take a look through the telephone book and pick out the government agencies which you feel perform necessary functions. Remember that government means government at all levels and between the federal government and state, county and municipal governments, I am sure you will find several overlapping bureaus. The population of the country has increased by less than 50 percent in thirty years. The cost of the federal government, alone, has been increased by more than thirty times during the same period of time. What NECESSARY functions of government do YOU want? Good health and good luck to you, in freedom.

The morning star is Mars. The evening stars are Venus, Jupiter and Saturn. On this day in history: In 1777, American Revolutionary forces under General Horatio Gates defeated the British in the second battle of Saratoga, N.Y. In 1940, troops of Nazi Germany occupied Rumania in World War II. In 1960, typhoon Kit howled into the Philippines; at least 51 persons were listed as dead or missing. In 1961, a British Derby Avation DCA crashed in the French Pyrenees, killing all 37 aboard. A thought for the day—James Whitcomb Riley said: "The ripest peach is highest on the tree."

"When I was on the bench, I found it unflinching sound to follow this formula when in doubt — 'Always do the right thing.' It's a formula that never fails." Laughingly Goldberg promised to "keep it in mind."

The Almanac

By United Press International

Today is Sunday, Oct. 7, the 280th day of 1962 with 85 to follow.

The moon is approaching its full phase.

The morning star is Mars. The evening stars are Venus, Jupiter and Saturn.

On this day in history: In 1777, American Revolutionary forces under General Horatio Gates defeated the British in the second battle of Saratoga, N.Y. In 1940, troops of Nazi Germany occupied Rumania in World War II. In 1960, typhoon Kit howled into the Philippines; at least 51 persons were listed as dead or missing. In 1961, a British Derby Avation DCA crashed in the French Pyrenees, killing all 37 aboard. A thought for the day—James Whitcomb Riley said: "The ripest peach is highest on the tree."

"When I was on the bench, I found it unflinching sound to follow this formula when in doubt — 'Always do the right thing.' It's a formula that never fails." Laughingly Goldberg promised to "keep it in mind."

Petroleum Engineers Set Dinner Tuesday

The Pampa Chapter of the Society of Petroleum Engineers AIME, will have its annual wives night dinner and program at 7 p.m. Tuesday in the Starlight Room of the Coronado Inn. It has been announced by Nate Turbio, president.

Dr. James P. Cornette, president of West Texas State College, Canyon, will be the evening's guest speaker.

Born in Charleston, Miss., Dr. Cornette began his career as an educator following graduation from Kentucky Wesleyan College in Winchester, Ky., and receiving a Master's Degree from the University of Virginia in 1936. He received a Ph.D. degree from the George Peabody College for Teachers, Nashville, Tenn., in 1938.

His first position was as an athletic coach and teacher in the Clark County, Ky., high school 1938-39, and in the Mattoon, Ky., high school in 1939-40.

In 1936, he became an associate professor of English at Western Kentucky State College in Bowling Green, Ky., where he was associated for 15 years. In 1945, he became a dean at Baylor University in Waco. Following three years there, he assumed the presidency of WTSC in 1948.

Dr. Cornette is a member of the National Education Association; Phi Delta Kappa; Pi Kappa Delta. He is also a member of the Rotary Club, a Mason and listed in "Who's Who in America" (Vol. 25).

The president is the author of the article, "Let Them Build Their Own Tents," which first appeared in the "Ladies' Home Journal" in 1959. Later, this article appeared in a condensed version in "The Readers' Digest." On several occasions, Dr. Cornette has stated that this article contains his philosophy of life.

During recent years, Dr. Cornette was featured on two different series of half-hour television shows, "Among My Books" and "Poets Are People, Too." Although he is busy with his duties as president of WTSC, he still finds time to produce a magazine article occasionally and retains an

active interest in the field of literature.

Petroleum engineers, qualifying for membership in the SPE of AIME, are invited to join the organization and attend the Tuesday night dinner meeting with their wives, who are invited to join the "Petroleum Engineers' Wives Society."

In Pampa, reservations for the dinner may be made with Ray E. Wilson, Schlumberger Well Survey Corp., MO 5-5751.

9 A.M.

is the Daily Deadline for Classified Ads Saturday for Sun. day edition 12 noon. This is also the deadline for ad cancellation. Mainly About People Ads will be taken up to 11 a.m. daily and 2 p.m. Saturday for Sunday's edition. To Rev. E. J. Foster for the comforting message. To Dr. Kelly and the hospital staff. To Mrs. Sinclair Carmichael for their kindness at such a time, to appreciate you, we express our deep appreciation.

Oh I see the holes angels. Waving palms of victory. As they see this group coming in Christ's power and purity. For she sought through many battles served the Lord with many tears. Now she's entered heaven's portals. Where they count not time nor years. Hear the songs of holier angels. See the smile on her dear face. As they give to her a welcome. Into all that holy place. Where Christ's presence is like sunshine. Where the streets are paved gold. There she'll laugh and shout forever. For his soldier can't be told. Throughout now she enters heaven. More than conqueror thru his grace. Here, was faithful to her duty. As another saint comes home. Realize that glad re-union. And she Father saying, "Come." See the gleam of happy faces. Hear their beautiful voices ring. Friends now would be so encouraged. 'Could you hear all heaven sing'.

Local Railroad Commission Office To Push 'Unlined Pit Prohibition Order'

The Austin Office of the Railroad Commission, in formal compliance with the provisions of the Railroad Commission Act, Sept. 26, 1947, as amended, is hereby notified that the effective date of Special Order No. 10-46-658, the so-called "unlined pit prohibition order," was still October 1st, with no blanket extension of time being granted.

This means that pipe line severances will be issued for all wells and leases found to be in violation on or after October 1st. The Commission has provided, however, for temporary extensions of time in those cases where applications have already been filed with the Commission, but on which the Commission has as yet not had time to act. Extensions of this nature are granted not to exceed ten days from the date of notice of final approval by the Commission.

Other extension requests directed to the Commission for useful purpose will be considered on an individual problem basis and granted only if the check of each such request warrants. The Commission is also continuing its established pattern of granting exceptions to the order where an applicant reports that salt water production does not exceed one barrel of salt water per well per day, unless and until further ordered by the Commission. It should be noted that this type of exemption will be granted only after application for same is made in writing to the Commission in which application it is attested that certain wells are in the eligible group. The Commission further re-emphasizes its desire to expedite the initiation of injection operations as much as possible.

The local Commission Office is now tabulating its available information as regards leases and wells shown to be in violation. This phase is expected to be completed by Monday. Questionnaires concerning compliance with the order should be mailed to the operators of the remaining wells and leases for which the Commission has as yet not received information concerning compliance with the order. These questionnaires should be completed and returned to the local Commission Office within two weeks following receipt. No later than the week of October 22nd, the Commission will have administratively canvassed all wells and leases in the nine-county area involved and be in position to enforce the order through the issuance of pipe line severances for those leases and wells not indicated to have complied.

In the meantime, verbal and written complaints of individual violations of the Order are being investigated as quickly as possible and pipe line severances issued immediately for those found to be in violation. It should be noted, however, that the order encompasses the nine-county area, Hansford, Hartley, Hutchinson, Moore, Ochiltree, Sherman, Gray, Carson and Wheeler which includes some 19,000 oil and gas wells, therefore, the three field agents of the local Commission Office will not be in position to check out the reported violations as quickly as desired for several weeks to come, as a matter of fact, the order is now only four days old and the local Commission Office is already more than two weeks behind in investigating reported violations.

All parties and persons who are interested in preventing the pollution of fresh water in the Panhandle are urged to contact the Commission Office, preferably in writing, at Box 941, Pampa, concerning any possible violation of this order. Railroad Commission representatives said.

37th Annual Meet Gets Underway For Engineers

Some 2,500 engineers and their wives are expected to attend the 37th Annual Fall Meeting of the Society of Petroleum Engineers which begins today in Los Angeles, Calif.

A full schedule, including technical sessions and social functions, is planned for the four-day meeting at the Biltmore Hotel.

Sixty-three technical papers will be presented on subjects covering new developments in drilling and recovery of petroleum. Topics include gas technology, thermal recovery, miscible displacement, formation evaluation with acoustical tools and reservoir engineering and economics.

Awards will be given to honor outstanding members of the Society of Petroleum Engineers at luncheons planned for October 8 and 9. Thirty-one members will receive the various awards, which Society President R. A. Morse, Gulf Research & Development Co., Pittsburgh, Pa., will present.

Oil industry manufacturing, service and supply companies have reserved the largest number of exhibit booths in the history of the meeting. New equipment ranging from beam pumps to chemical additives will be on display.

The local sections of the Society of Petroleum Engineers in Los Angeles, Bakersfield, Ventura and San Francisco will act as hosts for the meeting.

The Society of Petroleum Engineers is the international professional organization for engineers engaged in the drilling and production of petroleum. It serves as a forum through which petroleum engineers exchange information.

Disposing Of Salt Water Is A Real Problem For Independent Operators

TULSA, Okla. (UPI) — "Salt water leaking past valve on wash-out tank into an earthen pit west of the tank battery. Pit is overflowing and salt water line leading to the disposal well is leaking at the wash-out tank. Salt water is running out across a field. Lease in deplorable condition."

So ran a recent report filed with the Oklahoma Corporation Commission. It was typical of dozens of reports on oil operators throughout the southwest every week.

The reports indicate that many small operators cannot afford the expensive operations of disposing of harmful salt water taken from wells. And a United Press International survey of oilmen showed that no real solution to the problem is in sight.

Several companies have done research on possible economical disposal methods, but they have not come up with much.

In the meantime, the number of reports on salt water violations mounts, as the states tighten their

enforcement of pollution laws.

Heavy Damage Possible

The so-called salt water produced from oil wells is a dense brine which can do considerable damage, especially in polluting streams, if it is not disposed of properly.

A common disposal method is to pump it back under ground in a separate well, but in a marginal operation, the expense of drilling another well is prohibitive. Thus, the oilman is tempted to break the pollution laws.

"It's just one of the burdens you have to bear in oil production," an official of one large company said.

"There isn't a lot one can do," said another.

The Bartlesville, Okla., Petroleum Research Center, run by the U.S. Bureau of Mines, has been studying the problem.

One disposal method commonly practiced is use of the brine in secondary recovery operations. The water is pumped back into a well to flood it and force more oil up to the surface.

Often Pumped Back

Calvin Riggs, a researcher at the Bartlesville center, said sometimes water can be disposed of simply by pumping it back down the oil well into a different underground formation than that from which the oil was taken.

INTRODUCING OUR NEW DECO HOUSE Gallery

A stimulating collection of contemporary furniture... superbly constructed. Enjoy the warmth and beauty of SOLID WALNUT, with handrubbed oil finish. Large choice of dramatic fabrics, all zippered. Every sofa converts to a foam rubber bed in seconds.

Classic Cane Group, combining 105" sofa with solid walnut attached table and 76" companion sofa.

Either lounge slides under 36" corner table. Group seats six, sleeps two.

76" Shoji Sofa for the contemporary look.

Solid walnut dramatically carved 105" sofa with enclosed table, 76" single arm sofa completes exquisite arrangement.

Contemporary sofa sleeper. Conceals two foam rubber mattresses. Available with Shoji arms as shown, with cane arms, or armless.

Converts to twin beds or full size double bed.

Smart contemporary chairs in solid walnut for every room and purpose.

EXTRA COVERS! When you buy your new Deco House sofa, we will give you a different set of zippered covers. You may choose from a selection of choice fabrics. A refreshing change, like having a new sofa. Buy soon. This offer is limited.
