Is it just coincidence that the fat man's finest achievements of late have been in two roles in which he restrained his massive ego? I refer to his brilliance in the movies "The Hustler" and "Requiem for a Heavyweight," neither of which pictures he

Talents Need Direction

But in the film "Gigot," which he did control, his lack of this same restraint allowed pathos to degenerate into artless corn; and on his television show, where he also reigns supreme, his gigantic talents and personality have flooded aimlessly and pointlessly in all directions.

Perhaps his coy preoccupation with his well-known characteristics would be less noticeable if he had not lost Art Carney and Audrey Meadows as regular video companions. Carney's guest roles on the show have only emphasized what a loss he is when he's not there.

The heavy solid lines on the map show the highways inside Pampa to be improved under the proposed program. The dashed lines indicate a proposed bypass set forth in the long range plans of the State Highway Department.

### THE CHOICE IS YOURS

WHICH DO YOU PREFER?

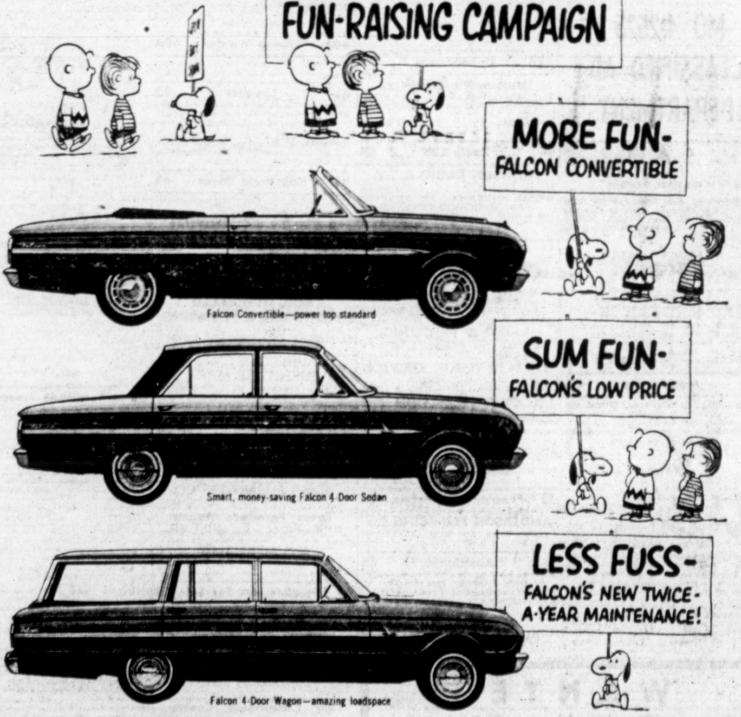

1. IMPROVED HIGHWAYS THROUGH PAMPA . . .

Then vote for the bonds thrus enhancing the potential value of all Pampa property by improving U.S. Highway 60, State Highway 152 and State Highway 273 into Pampa. This will result in a slight increase in taxes for all property owners, but will assure state maintenance of the above mentioned entrances to our city.

2. A BY-PASS FOR U.S. 60 AND S.H. 152

If Highways through Pampa are not improved to handle a normal flow of traffic, a By-Pass around the city is inevitable. This would definitely affect the economic structure of Pampa and everyone living here. YOUR vote will decide this issue . . . VOTE FOR THE BONDS!
