## Police, Sheriff's Officers Break Up Burglary Ring

### Two Safe Robberies And 15 Burglaries Cleared Up

Pampa police and the Gray sheriff's office today announced the breaking of one of the largest burglary rings in country. Sheriff Jordan said that men are in custody and two are being sought, all five from Pampa, in connection with two safe robberies and 12 burglaries in Pampa, three others in Perryton, Deer and Wheeler. Sheriff said approximately in cash and \$1,000 in merchandise was stolen in the 17 burglaries. Added to that, he stated, some \$2,500 damage in vandalism caused by the burglars on all of the jobs.

Sheriff said statements had been obtained from two of the burglars in custody, Mack Stanley, 713 Naida, and Joe Williams, 17, of 1125 Neel, confessing to the Sept. 22 robbery of the Pampa Safes and J. C. McWilliams Motor 17 S. Cuyler; the safe burglary at the Radcliff Supply Co., Brown, last June 24. The burglars got \$1,000 in the Safety job after hauling the safe from south of Pampa and opening it. The Radcliff job netted the burglars \$125. Statements from Williams also admitted burglary of a number of other homes in Pampa. Three other burglars have been implicated in the burglaries. They are J. C. Davis, serving in the U. S. Navy; Curley, whereabouts unknown; and Bobbie Hefner, now

### Deadline On Odd-Sized Letters Hits

WASHINGTON (UPI)—Postal inspectors caught up today tiny birth announcements odd-shaped letters or post in the U. S. mail. Starting at midnight, the post won't accept any letters or cards that aren't rectangular in shape and at least three inches long and four and one-quarter wide. "Extremely small odd-shaped letters and cards cause trouble in our canceling machines and our mechanized equipment is being used increasingly in 600 post offices." Mechanized equipment has been installed to speed mail service. When one piece of mail is behind it until the mechanism, other mail can be cleared.

### Castro Boosts Price For Releasing More Relatives Of Freed Prisoners

PANA (UPI)—The chances of relatives of the released Pigs invaders going to the United States in the immediate future were dimmed today by a price set by Premier Fidel Castro. He issued a statement demanding that Pan American Airlines resume scheduled service to Cuba, before he would permit further releases from Cuba. Miami, a spokesman for Pan Am said the airline has no plans to resume flights to Havana. Pan Am is unwilling to operate there in the world where uncertainty leading to hazards exists.

### Taxpayers In Lowest And Highest Tax Brackets To Get Top Benefits Of Cut

WASHINGTON (UPI)—A White House adviser has indicated that taxpayers in the lowest and highest brackets will be the chief beneficiaries of the tax cuts President Kennedy will propose next month. Walter Heller, chairman of the President's Council of Economic Advisers, said Sunday that the tax cut would be "substantial" and would involve considerable relief for lower income brackets and persons paying more than 65 per cent tax rates.

## UN Troops Complete Conquest In Congo's Province Of Katanga

### Khrushchev Says Compromises Are 'Only Alternative'

MOSCOW (UPI)—Soviet Premier Nikita S. Khrushchev appealed today for compromises as the only alternative to nuclear war to settle East-West problems. Citing the agreements reached in the Cuban crisis, the Communist leader said the same "concession for concession" principle should be implemented in 1963 in efforts to solve such knotty issues as Berlin and disarmament.

"The other alternative—which is thermonuclear war—must be ruled out," the premier said. Khrushchev made his statements in an interview with the London Daily Express released by the official Tass news agency. The interview, in question and answer form, comprised a message for the new year. The premier renewed his offer to stop Soviet nuclear testing, beginning Tuesday, if the West will do the same. But he made no new offer on the control issue. He also repeated his proposal to have United Nations troops replace Western garrisons in West Berlin as a compromise solution to the Berlin crisis.

Calling for an improvement of relations between the Soviet Union and the United States, Khrushchev said the time of one state "dominating" other states has gone for good. Khrushchev said he is convinced the Cuban crisis will leave a deep imprint in international relations. "This was a moment when the sinister shadow of nuclear war raced over the world," he said. "People started looking at questions of war and peace in a new way."

### Thick Fog Rolls In From Gulf

By United Press International Thick, patchy fog rolled in from the Gulf of Mexico early Monday, cutting visibility to near zero as far north as the Waco area. Some low clouds covered parts of South Texas, but skies were generally fair elsewhere in the state. The U. S. Weather Bureau said the state will be generally partly cloudy and mild Tuesday, New Year's Day. Temperatures early Monday ranged from 15 degrees at Daltart to 50 at Corpus Christi.

The weather bureau said temperatures will begin rising during the day. In an extended five-day outlook, the weather bureau called for temperatures to average as much as 7 degrees above normal during the week, with moderate to heavy precipitation in the south and little or none elsewhere.

### Book Honors Pampa Woman

An outstanding woman of Pampa, Mrs. Hubert H. Bratcher, 1201 Williston, has been recognized for her contributions to the progress and history of Texas by being listed in "Texas Women of Distinction," a publication edited by Ina May McAdams, 1425 Preston Ave., Austin, which is just off the press. The book lists a biographical sketch for each biographee and includes organizations in which each holds membership, as well as genealogical and immediate family information. Biographees include women who represent leadership in the professions, finance, business, agriculture, politics, religion. (See PAMPAN, Page 3)

### Texas Highways Are Jammed With Traffic

By United Press International New Year's traffic jammed Texas' already-swollen highways today and threatened to boost the year-end holiday death toll to tragic heights. The Department of Public Safety has predicted at least 150 persons will die violently in Texas before the holiday period closes at midnight New Year's Day, including 92 in traffic. A United Press International count shows that so far, at least 156 persons have died violently since the holiday started at 6 p.m. Dec. 21. The toll included 83 deaths in traffic accidents. At least 34 of the deaths came after the official start of the New Year's holiday weekend at 6 p.m. Dec. 28. There appeared to be little hope the traffic toll would fall below expectations. Richard Richards, 26, Houston, was killed early today when a (See HIGHWAYS, Page 3)

### Tshombe Undaunted By Military Setback

By IAIN MILLER United Press International

ELISABETHVILLE, Katanga, The Congo (UPI)—United Nations troops fanned out through Katanga Province today meeting little or no resistance in their drive to complete reunification of the Congo. The swift U.N. military victory did not daunt Katanga President Moise Tshombe, who vowed from nearby Southern Rhodesia to return and "lead resistance until the very end."

Despite the warlike words, U.N. Secretary General Thant sent word from New York that no action was to be taken against Tshombe himself if he returned to Elisabethville. Thant sent warm congratulations for the fast action that gave U.N. troops control over key positions of the breakaway province after 43 hours of sharp fighting.

**Seeks Total Victory** Robert Gardiner, the U.N. civilian chief in the Congo, made it plain that the action would stop at nothing short of total pacification of the copper-rich province and its integration into the rest of the Congo. Tshombe's forces, reduced to a rabble by the U.N. onslaught, appeared to have lost the will to fight. They were reported dropping their weapons and fleeing into the bush.

But Tshombe, who fled to Salisbury, Southern Rhodesia, where he has a sympathetic friend in Central African Federation Premier Sir Roy Welensky, said he would return to "a point in Katanga" today to lead counter-action. "In Algeria the war lasted seven years," Tshombe told newsmen in Salisbury. "Ours might last longer."

**Occupy Capital** U.N. troops occupied Elisabethville over the weekend, took control of territory around the city and then swept southward to seize the strategic border town of Kipushi and the village of Kamina. U.N. spokesmen said there was little or no resistance.

U.N. jet fighters destroyed at least 5 Katangese planes in 17 air strikes since the battle began Christmas Eve. Thant's statement reported 4 U.N. soldiers killed and 24 wounded. He did not mention opposition casualties.

Under the Comstock Act of 1937—a federal statute which has never been repealed—it is a felony to send birth control information through the mails. Court rulings have rendered the Comstock Act virtually a dead letter, however. A spokesman for the (See MAGAZINE, Page 3)

### Petitions Due Study

Consideration of petitions submitted Friday by a group of local residents will top the agenda at tonight's meeting of the Pampa City Commission, according to Mayor E. C. Sidwell. The petitions ask for two matters to be included on any Charter Amendment Election the City might hold. They are (1) change method of electing commissioners to where all voters in the city vote on the commissioner from each ward in the city, and (2) providing for mayor pro tempore and method of filling the post. The third and final reading on Ordinance 588, calling a Charter Amendment Election for January 31st, is due to be read and if the two matters asked by the petitions, signed by 814 Pampans, are to be included in the January 31st voting, they must be included in the ordinance tonight, if legally required or permissible. In a new development today, possibly connected with the current City-Chamber of Commerce squabble, an invitation-only meeting has been called for 7:30 p.m. Wednesday in the Black Gold Hotel Restaurant, Miami Highway, for the purpose of discussing a survey being conducted today in Pampa. The survey was being made among local businessmen, asking them if they would be interested in forming an organization to promote the industrial development of Pampa and having no political purpose.

## Surprise Blizzard Hits Northeast

BANGOR, Maine (UPI)—A surprise blizzard, the worst of the century in this section, trapped thousands of persons today in northern Maine and New Hampshire. Snow was piled to the rooftops. The snow, whipped to a face-cutting fury by winds up to 75 miles an hour, buried cars and buses and sealed off scores of communities. Power was knocked out in many areas. Hundreds of families were without heat for hours in 20-below-zero temperatures. Snow drifts were 20 feet high. At least two deaths were attributed to the storm, which caught householders, motorists and skiers unprepared. The Weather Bureau had predicted one foot of snow — and flurries in some areas — before the blizzard hit. There were at least 13 weather-related deaths in the East, including two in the New England blizzard, six in Virginia and five in Pennsylvania. Freezing And Windy Most of the Northeast was gripped by temperatures near zero and raked by high winds. Up

to eight inches of new snow blanketed northern Virginia. Scattered snow fell Sunday from Minnesota into the Great Lakes, with locally heavy snow falling in the "snow belt" on the lee sides of Lakes Erie and Ontario. The Midwest looked forward to a warming trend today. A few showers were on tap for the Pacific Northwest and occasional light snow was predicted for the northern Rockies and from Minnesota through the lower Great Lakes. But the East was in for more numbing cold. Maine Gov. John H. Reed described the blizzard as "an emergency situation." Reed asked civil defense aid for stricken families. Myer Minsky, who has lived 40 of his 76 years in Bangor, said "I don't remember anything this bad." Strands-Thousands Roads disappeared in snow. Thousands of cars were left abandoned. Wires and trees were blown down. Scores of highway accidents were reported. Maine state police at Orono said at least 2,000 persons were stranded in a 50-mile area around Bangor. About 100 persons left their cars and took refuge in Pilot's Grille, a restaurant, in Bangor. Once at the restaurant, police ordered them to stay there for their own safety. A section of Bangor, a city of 40,000, was without electricity. In Bangor and elsewhere, the snow was gutter-high around low-pitched-roof houses. Many families left their homes and moved in with relatives or neighbors who had heat. The Bangor Daily News did not publish today for the first time in its 125-year history. Managing editor John W. Moran said, "We could have put out a newspaper but we couldn't have dispatched it." France led with 175 deaths, followed by Britain with 148, Germany with 66, Italy with 57 and Holland with 41. ## Wesleyan Service Guild Enjoys Holiday Party

One of the outstanding meetings of the year was the consensus of those attending the Wesleyan Service Guild's meeting recently when they met in the lovely home of Mrs. R. D. Wilkerson, 2324 Christine St. with Mrs. Lalar and Margaret Wilkerson as hostesses.

The home was beautifully decorated with the Christmas season motifs, which added to the enjoyment of the occasion.

Business was dispensed with by the president, Mrs. Laura Panick, and Miss Ila Pool completed the study "The Dimensions of Prayer" by Douglas V. Steele. Miss Pool used as a setting a small model of a seven room house. Each room represented some phase of prayer, although she stated "Do not search through the entire house for God as every room can be a prayer room."

Room one can be furnished with Great Words, says Mrs. Ethel Stilwell; Room two, The Parlor, can be a room of Thanksgiving where we can Praise, Thank and Adore God, stated Mrs. Lillie Mae Fowler; Room three, the bath, a mental room for confessions, forgiveness and cleansing declared Mrs. Gladys Turner; Room four, the reception room, can be filled with admissions and affirmations as discussed by Mrs. Frankie White; Desire, Purification and Tolerance, says Mrs. Ivo Denson, can furnish Room number five; Room six, The Kitchen, Laura Penick stated, is a room in which "I shall not pray for you, I shall pray for you and God together." Margaret Wilkerson completes the house, the den, with imagination and contemplation. Love can make a house of prayer for as Jesus said "When thou prayest enter a secret room, then pray

and thou shall be rewarded."

Following the completion of the study Mrs. Grace Boston, introduced Mrs. Betty Wright who brought a Christmas Message from the book of Luke, ending with a most inspirational Christmas story.

An exchange of gifts closed the meeting. Miss Jo Clair Wilkerson at the console of the Baldwin organ played seasonal music during the evening.

Attending were: Mesdames Diama Wood, Frankie White, Emma Ogden, Gladys Turner, Mattie Fountain, Rachael Jones, Ivo Denson, Ethel Stilwell, Laura Penick, Maggie Smith, Grace Boston, Betty Wright, Lalar Wilkerson, Laura Kilgore and Virginia Wilkerson. Misses Ila Pool, Lillian Mullinax, Inez Clubb, Alma Wilson and Margaret Wilkerson.

DEAR POLLY — And driftwood lovers, here's a hint for you. If you want your driftwood to have that professional look, bleach it in the bath tub. I cover the wood with water overnight. Pour bleach in the water and pour some on the dry wood and let stand before putting in the water. Next morning, take it out and set in the sun to dry. The amount of bleach to use is up to you. I use a small bottle for two medium-sized pieces.

DEAR POLLY — Have you ever tried to root a small flower cutting only to find that it kept falling into the glass? Take a small juice glass, or, better still, a paper cup. Cut a cardboard disc slightly larger than the top of the glass. Punch a hole in the disc big enough to insert the stem of the cutting. The tip of the plant will be in water and the rest will

### Ruth Millett He'll Never Understand

A young man from France who is not in this country claims that American girls are at a loss to discuss anything important. He obviously assumes that because they don't show off their brains American girls don't have any.

The young man has a lot to learn about American girls. Of course, they go in for the beautiful-but-dumb act on their dates. American boys are scared of "intellectual" girls, and at any cost want to feel mentally superior to the girls they date.

So even the most intelligent of girls are wise enough to pretend to be dumb.

But if the young man from France will stick around long enough to see these same girls in a few years, when they are married and no longer have to pretend, he'll notice a big change.

These same girls as young matrons will have opinions on everything. They will be as interested in politics and world affairs as are their husbands. They will be taking study courses and doing community work. Chances are, they will read more books than their husbands, go to more concerts and art galleries, and hear more lectures.

And then what will the foreign visitor say? Why, he'll probably say that the trouble with American wives is that they are too opinionated, too bossy, too talkative, and spend too much time on outside activities, instead of being meek and mild and realizing that a woman's place is in the home.

Take time to read Ruth Millett's booklet, "Happier Wives (hints for husbands)." Just send 25 cents to Ruth Millett Reader Service, in care of this newspaper, P.O. Box 489, Dept. A, Radio City Station, New York 19, N.Y.

## Dear Abby... Just.... Bad Connections !!!

By ABIGAIL VAN BUREN

DEAR ABBY: The wife who wrote that her 55-year-old husband wanted to paw all the young girls struck a familiar chord with me. I agree that some men who act like this are "sick." But I think there is another side. Don't you think if mothers taught their daughters not to encourage older men by flirting with them and sitting on their laps (all in fun, of course), we wouldn't have so much trouble of this kind?

FORT WORTH FAN  
DEAR FAN: Not always. Sometimes you aren't even aware of the connection until you get the shock!

DEAR ABBY: Last night, while I was fixing supper, my husband came into the kitchen, put his arms around me and hugged and kissed me. I said, "What brought that on?" He replied, "I love you." Later, when the children were out, he said, "Honey, haven't I been treating you right?" I said, "You always treat me right — what is the matter?" His reply: "Well, when I came home this evening I wanted to type up my speech for the Chamber of Commerce and found the typewriter out and a letter in it. It started, 'DEAR ABBY.' I explained that I only wanted to write and tell you that I was one of those women who got up in the morning to make her husband's breakfast. Thanks, Abby. It gave me a thrill to know he loved me as much as I love him."

DEAR ABBY: What do you think of a mother, who sleeps with her 13-year-old daughter when she could just as easily sleep with her own husband? The reason she sleeps with me is because my father snores. Well, Abby, SHE

stores and keeps me awake. If I don't get my sleep at night, I can't keep my head up in school. What should I do?

ALWAYS TIRED  
DEAR TIRED: If there is a couch in the living room, sleep on it. Or fix up a "bed" anywhere in the house, far away from both snoring parents. Good luck, and pleasant dreams.

DEAR ABBY: I work in a large office and every year have allowed the boys in our office to kiss me "movie style" on New Year's. There is a snob who came to work with us, who lets the boys kiss her on the cheek only. She contends that it is unethical and unsanitary otherwise. Who is right?

GEORGINA  
DEAR GEORGINA: I'm with the "snob." A kiss on the cheek is adequate for a co-worker. If he comes back for "seconds"—turn the other cheek.

CONFIDENTIAL TO YOU: May you and yours have a happy, healthy and prosperous New Year.

# Red Cross Awards Third Local Boy 50 Mile Swim Pin

Phil Davis, 16, son of Rev. and Mrs. T. Arnold Davis, minister of the Lamar Christian Church completed his 50 mile swim Thursday, Dec. 27th at the Pampa Youth and Community Center.

The American Red Cross sponsors this activity. Phil, who is attending Midwestern University in Wichita Falls, completed 47 miles of his 50 mile swim during the summer when he worked as life guard at the center.

Phil was monitored by Bill Sargeant and Bobby Bybee, life guards for the youth center, during the swim.

The Red Cross presented him the 50 mile card and the attractive patch and pin for his accomplishment.

Two other local youths, Scott and Don Rader recently completed their 50 mile swim and received their card, patch and pin.

Terry Culley, Red Cross water safety chairman urges other boys and girls to enter this new program in water safety. Any age person may enter the "Swim and Stay Fit" program, the main stipulation being you swim a minimum of 1/4 mile each time and have a record card from the Red Cross office to keep your swim record on.

As each 10 miles are completed a report is given the Red Cross office and another card is issued for the 20, the 30, 40 and then the 50 mile report.

With three boys completing the swim, who will be the first girl in Pampa to swim the 50 miles in this program?

# Rose, Cotton, Orange, Sugar Bowls Tomorrow

By MARTIN LADER  
UPI Sports Writer

Eight of the nation's finest, including three schools with unbeaten records, will provide football fans with a natural climax to the college season and a thrilling start to the new year when they tangle in four bowl games Tuesday.

All four contests will be televised nationally assuring viewers a special holiday treat since the eight competing teams occupied the top eight spots in the final United Press International college football ratings. Crowds

totaling about 335,000 persons including President Kennedy, are expected to attend the games.

Highlighting the festivities is an intercollegiate duel billed as the "game of the year," in which national champion Southern California will host second-ranked Wisconsin in the 49th annual Rose Bowl before 100,000-plus fans at Pasadena Calif.

## Badgers Favored

Although the Trojans swept through 10 games to record their first perfect season in 30 years, Wisconsin (8-1) has been installed a four-point favorite in the

oldest and most respected bowl game of them all. The contest will be televised by the National Broadcasting Company beginning at 5 p.m. EST.

National reputations also will be put on view in the following pairings:

—Fifth-ranked Alabama (9-1) vs. seventh-ranked Oklahoma (8-2) in the Orange Bowl at Miami, Fla. (to be televised by the American Broadcasting Company starting at 2 p.m., EST.)

—Third-ranked Mississippi (9-0) vs. sixth-ranked Arkansas (9-1) in the Sugar Bowl at New Orleans,

La. (NBC at 2 p.m. EST.)

—Fourth-ranked Texas (9-0-1) vs. eighth-ranked Louisiana State (8-1-1) in the Cotton Bowl at Dallas Tex. (Columbia Broadcasting System at 3 p.m., EST.)

Alabama and Louisiana State are favored to win their games by three points and Mississippi is a six-point choice.

## Keep Winning

The Southern Cal story in 1962 reads like a fairy tale. The Trojans came off two straight losing campaigns and were not considered much of a threat for any kind of prominence this season.

However, they kept on winning week after week and were an overwhelming choice for the national title.

Wisconsin also failed to get high pre-season ratings, but the Badgers overcame great odds to capture the Big Ten championship.

Both squads boast an All-American end, the Trojans in Hal Bedsole and Wisconsin in flanker Pat Richter. Sharing the quarterback duties for Southern Cal are Pete Bearhard and Bill Nelson, while the Badgers rely heavily on passer Ron VanderKelen, who completed 91 of 169 tosses for 1,181

yards and 12 touchdowns.

## Strong on Defense

The Sugar Bowl matches a pair of defensive giants in the game which President Kennedy expects to view in person. Alabama allowed its opposition only 39 points all year while Oklahoma yielded 41. The Sooners, who won their last seven games, have the country's top collegiate punter in Joe Dan Looney. Leading the Alabama attack is quarterback Joe Namath.

Mississippi, which is making its 10th bowl appearance in 16 years and its sixth in a row, takes its first perfect record ever

into the Sugar Bowl. Quarterback Glynn Griffing is the offensive standout for the Rebels while quarterback Billy Moore holds the key to the Arkansas attack.

All-America halfback Jerry Stovall has been almost a one-man gang for Louisiana State leading the team in rushing, scoring, pass receiving, punting and in carrying back kickoff returns. Texas employs a varied running attack with Tommy Wade and Johnny Gunguon sharing the signal-calling duties and Ray Poage, Tommy Ford and Jerry Cook the main ball-carriers.

## West Texas, Ohio U. Clash In Sun Bowl

EL PASO, Tex. (UPI) — The elusive West Texas State Buffaloes match their speed and trickery today in the Sun Bowl against a defensively strong Ohio University outfit that knows how to shock an opponent with a long touchdown pass.

A capacity crowd of 15,000 will watch the 28th annual Sun Bowl contest, third oldest of the nation's bowl classics.

Ohio University quarterback Bob Babbitt is the man who knows when to launch those touchdown bombs. He has pitched nine touchdown passes while gaining 1,910 yards through the air this season as the Bobcats posted an 8-2 record.

The Buffaloes rely on halfback Jerry Logan, the nation's leading scorer, and shift Pistol Pete Pedro for the big plays. Logan scored 110 points as West Texas won eight and lost two. Pedro ranked fifth nationally in yards gained, rushing with 836 on 134 carries.

A mid-season leg injury may

have kept Pedro from winning the national rushing title. Pedro, who will be in top form for the Sun Bowl, had gained 626 yards before he was hurt in the fourth game of the season.

## McGuire Leads Steer Wrestling In CB Rodeo

DALLAS (UPI) — A relatively unknown cowboy, Bill McGuire of Fort Worth, Tex., turned in the fastest time in the steer wrestling event Sunday night on the eve of the final performance of the First Annual Cotton Bowl Rodeo in Dallas.

McGuire, who was scarcely more than another name on the program to rodeo fans, bulldogged a steer in 5.4 seconds.

Mc Nesmith of Bethel, Okla., brother of 1962 world all-round champion cowboy Tom Nesmith, gave McGuire his closest run for the money with a clocking of 6.9 seconds.

Leon McCoy of Paden, Okla., Sunday came up with a time of 6.3 seconds.

Another near-capacity crowd at the State Fair Livestock Coliseum also saw Eddy Conway of Globe, Ariz. rack up 177 points in the bull riding event, highest in four days of riding some of the nation's toughest brahmas.

Wanda Bush of Mason, Tex., rode the girls' cloverleaf barrel racing course in 17.8 seconds, still short of the 17.8 mark set Saturday by Sissy Thurman of Bryan, Tex. Sissy was timed Sunday night at 17.9 seconds. The event will determine the 1962 national finals champion.

## Boat Races At McClellan

Boat races will be held tomorrow at Lake McClellan with an estimated 30-40 boats to be on hand for the 2 p.m. New Year's races.

Boating enthusiasts from Amarillo, Pampa, Clovis, Oklahoma City, and Dallas are expected to enter the two races. The first race will be 25 miles and the second race 30 miles. Trophies will be awarded at the meet.

The Pampa Boat and Ski Club won the team trophy at the eskimo water ski competition with 173 points Sunday afternoon at Lake McClellan.

The Panhandle Boat and Ski Club of Amarillo racked up 186 points; Borger Boat and Ski Club, 81 points and the Lubbock Boat and Ski Club, 26.

Divisional first place trophy winners were Lynet Runyon of 4111 SE 31st, Amarillo, women's single race over a 3 1/2 mile course; Lewis Meers of Pampa, men's single race over a 5 1/2 mile course.

Also Yoby Southard of Pampa, women's unlimited race, and Bill Hughes of Lubbock, men's unlimited race.

Ski enthusiasts braved 36 degree water to compete for honors in the annual event.

## LA Lakers Cool Pistons

By United Press International  
Los Angeles Laker star Jerry West is the sort of player who rises to the occasion—even when a lesser man would be home in bed.

And, as far as the Detroit Pistons are concerned, Jerry "shoulda stood in bed" Sunday.

West played only briefly in the first half of the Laker-Piston game because he was suffering with the flu and a 102-degree temperature. But he came off the bench to score 17 points in the fourth period and lead the Lakers to a 125-130 victory.

The win enabled the Lakers to retain their two-game National Basketball Association Western Division lead over the St. Louis Hawks, who beat the Chicago Zephyrs, 107-106, in Sunday's only other NBA action. Bob Pettit led the Hawks with 31 points while Walt Bellamy had 31 for the Zephyrs.

## In Defensive Struggle

# Packers Topple Giants For NFL Championship

NEW YORK (UPI)—The Green Bay Packers are champs again and a good bet to achieve the greatest dynasty in professional football history by winning a record third consecutive National League crown in 1963.

They are young; they are deep in manpower; they have an indomitable college-type spirit, and they are driven by a brilliant and dedicated perfectionist in coach Vince Lombardi.

The consensus of best NFL brains following the Packers' 16-7 victory over the New York Giants in the brutally cold and windy weather that attended Sunday's championship game was "Who's going to stop them from becoming the Yankees of pro football?"

No team ever has won a division title in the NFL four years in a row nor won the league championship three straight seasons since the initiation of the playoff game in 1933.

Someone asked Lombardi if he thought it would be tough for the Packers to attain those goals next season.

"It can't be any tougher than it was this season, I'll tell you," he smiled. "This was a long season."

**Good or Better**  
All the key players who earned record \$5,888 winning share by beating the Giants for the second year in a row should be as good, if not better, next season.

And if Paul Hornung can stay around and play a whole season like he did Sunday, this could be the greatest team of all time.

The victory gave Green Bay a record eighth NFL championship. The Packers' predecessors won three titles during the gaslight era of the league and captured playoff championships in 1936, 1939, 1944 and last season.

Jerry Kramer, the Green Bay offensive guard who took over the placement kicking after Hornung injured his knee Oct. 14, booted a playoff record-tying three field goals and fullback Jim Taylor bolted 7 yards to a touchdown before a sellout crowd of 64,892 at Yankee Stadium. Kramer's kicks measured 28, 29 and 30 yards.

Essentially, the difference in the teams was that the Packers did everything they had to do on the frozen-hard windswept turf.

**Fail on Offense**  
The Giants' defense was excellent, but their attack was sadly deficient under the adverse weather conditions, especially the passing of Y. A. Tittle.

Grumbled linebacker Sam Huff of the Giants after the game: "They can be beaten, but not when you score only one touchdown in a championship game."

It was small consolation to the Giant players that Sunday's score was far closer than the 37-0 count by which they were routed in Green Bay a year ago. Their \$4,166 shares, an all-time high for losers, should offer some solace, however.

"The wind ruined the passing and the kicking game," Lombardi agreed. "But both teams had to play in the same wind and on the same field."

A cold front dropped the temperature to 17 degrees during the game, although this was warm compared with the weather in which the Packers practiced during the past two weeks. Even

more disruptive was the gusty wind which reached 30 miles an hour and blew long passes, especially Tittle's, off target.

## Wins Auto

For all the heroics of Taylor, Jerry Kramer and Hornung, Packers linebacker Ray Nitschke won the 1963 Corvette sports car presented by Sport magazine to

the outstanding player in the game.

Nitschke deflected a pass that ruined an excellent New York scoring opportunity in the first period and he recovered two fumbles, the first of which set up Taylor's touchdown and the second preceding Kramer's second field goal.

## SWC League Action Starts This Thursday

By United Press International  
The sparring is over and Southwestern Conference basketball teams get down to the serious business this week of determining a champion with two full nights of title play on the schedule.

Texas A&M and Southern Methodist, which emerged from the early skirmishing against outsiders with the best records, seem likely to get off on a winning foot.

The Aggies, who fashioned the best win-loss record (7-2) despite the loss of injured Jerry Windham the past three games, take on two of the weaker teams—playing host to Baylor (3-5) at College Station Thursday night and playing Texas Tech (6-7) at Lubbock Saturday night.

## Home, Sweet Home

SMU, which won its last five starts after losing three of its first four, has a bit tougher assignment in opening against Arkansas (5-4), but the Mustangs will be at home where they have been practically unbeatable for years. Saturday night, they invade Waco to face Baylor.

Texas, the pre-season favorite who wound up with a 4-5 record, hosts Rice (2-6) at Austin Thursday and then goes to Fayetteville Saturday for an afternoon date with Arkansas.

Texas Christian (3-6) opens at home against Tech and then plays Rice at Houston Saturday.

The Aggies went the Jonesboro, Ark. Classic title last week with 67-53 and 60-59 victories over Tulane and Virginia; Arkansas won the All-College Tournament consolation, crown with 58-55 and 73-61 victories over Toledo and Creighton after losing to Loyola 81-62; and TCU won the Gulf South consolation title by defeating North-western Louisiana 86-70 and George Washington 77-62 after losing to Eastern Kentucky 69-63.

Rice turned in a surprise 69-67 victory over Virginia Tech in the

third-place game in the Gator Bowl tourney after losing to Florida 66-57; Texas dropped the championship game of the Sun Carnival tourney to Texas Western 45-40 after beating Denver 63-52; Baylor lost all three starts in the all-College—76-60 to Oklahoma City, 90-89 to Creighton and 70-59 to Toledo.

SMU shattered Tulsa's undefeated record with a 73-71 verdict and Texas Tech bowed to Phillips Oilers 81-57 in non-tourney games last week.

With Windham sidelined, the Aggies' Bennie Lenox has taken on the extra scoring load and done so well at it his 22.5-point average is setting a strong pace among the individual scorers. Lenox got 54 points in the two games at Jonesboro.

Rice's Kendall Rhine and Baylor's Winston Moore have 162 points each, but Rhine has been in one less game and boasts a 26.3-point average to 18 for Moore. SMU, which is capitalizing on depth of material, has three players in the Top 10 scorers—James Thompson with 136 and Dave Siegrund and Jim Smith with 123 each.

## Taylor Takes Rugged Abuse

NEW YORK (UPI)—Jim Taylor took a lot of abuse from the New York Giants in Sunday's game but just rammed it back down their throats.

The hard-driving Green Bay packer fullback said he "never took a worse beating on a football field."

The physical abuse was bad enough, said the 215-pound Taylor, but the vocal abuse topped even it.

"They kept yelling 'You're over-rated' at me all day," said the national Football League's leading ground gainer.

"They couldn't rattle me, though. I just rammed it back down their throats by letting my mind do my talking."

## Second-Ranked Loyola Meets Dayton Tonight

By MILTON RICHMAN  
UPI Sports Writer

Tournament champions Loyola of Chicago, Arizona State and Illinois will be back at the same old basketball grind tonight, proving there's no rest for the weary—even on New Year's Eve.

That means second-ranked Loyola of Chicago has to keep a date with Dayton only 48 hours after winning the All-College Tournament at Oklahoma City.

It also means Queen City Tournament winner Arizona State must meet Denver with equally little rest, and fifth-ranked Illinois has to face Notre Dame with hardly any breathing spell after its Holiday Festival triumph at Madison Square Garden.

The dribble-pass-shoot routine isn't exactly the most exciting way of ushering in the new year, but if it's any consolation to Loyola, sixth-ranked Arizona State and Illinois, at least they'll have company among the nation's top 10.

**Buckeyes Try Again**  
Third-ranked Ohio State, upset by Wichita, 71-54, Saturday night, meets Brigham Young tonight while eighth-ranked Kentucky, which beat Notre Dame, 75-70, faces St. Louis.

Loyola, led by Les Hunter's 38 points, had to overcome an early deficit before beating Wyoming, 83-52, for the All-College crown

and its 18th straight victory without a defeat. The Ramblers trailed, 11-2, in the opening minutes but forged a 48-39 margin by halftime. Sophomore guard Flynn Robinson scored 24 points for Wyoming and was named the tourney's most valuable player.

Illinois' 92-74 victory over West Virginia for the Holiday Festival championship wasn't as one-sided as the score indicates. The Mountaineers led, 69-47, with eight minutes remaining when Bill Small sparked an Illini rally that put them ahead to stay, 75-69. Small was high scorer with 25 points, although the tourney's MVP award went to Barry Kramer of New York University, which took third place with a 90-81 triumph over St. Bonaventure.

Arizona State's Sun Devils won the Queen City Tournament by handing Canisius its first loss in seven games, 67-63. Center Art Becker netted 23 points for the winners and Joe Caldwell, named MVP, collected 20 points.
