EXCUSE: I believe everyone will be saved.

If you read your Bible carefully, you will find there are some who will not be saved. Many of the parables teach this.

"Then said the king to the servants, Bind him hand and foot, and take him away, and cast him into outer darkness; there shall be weeping and gnashing of teeth." Matt. 22:13.

"Enter ye in at the strait gate; for wide is the gate, and broad is the way, which leadeth to destruction, and many there be which go in thereat: Because strait is the gate, and narrow is the way, which leadeth unto life, and few there be that find it." Matt. 7:13, 14.

Here is a list of some who will not be saved. Are you included in this list? "Know ye not that the unrighteous shall not inherit the kingdom of God? Be not deceived: neither fornicators, nor idolaters, nor adulterers, nor effeminate, nor abusers of themselves with mankind, nor thieves, nor covetous, nor drunkards, nor revilers, nor extortioners, shall inherit the kingdom of God." I Cor. 6:9, 10.

"For without are dogs, and sorcerers, and whoremongers, and murderers, and idolaters, and whosoever loveth and maketh a lie." Rev. 22:15.

Then you see my friend, there is danger in the future for our souls, if we fail to become Christians.

"The wicked shall be turned into hell, and all nations that forget God." Psalms 9:17.

We can approach God only in Christ. "Neither is there salvation in any other for there is none other name under heaven given among men, whereby we must be saved." Acts 4:12 ". Except a man be born again, he cannot see the kingdom of God." John 3:3b.

Although the Dogs have shown little this year, Harvester coach Terry Culley warns that Borger will have three goals going for them tonight that should make them very tough indeed. One is the mere fact that they are playing Pampa, another is the homecourt advantage, and the third is that anyone likes to knock off a winner. Add to that a desire for revenge for their 67-44 defeat at the hands of the Harvesters in the first round and it sums up to strong goals for a possible upset.

EVER STRIVING FOR THE TOP O' TEXAS TO BE AN EVEN BETTER PLACE TO LIVE

The Pampa News is dedicated to furnishing information to our readers so that they can better promote and preserve their own freedom and encourage others to see its blessing. Only when man is free to control himself and all he produces, can he develop to his utmost capabilities.

We believe that freedom is a gift from God and not a political grant from government. Freedom is neither license nor anarchy. It is control and sovereignty of oneself no more, no less. It is thus consistent with the Human Relations Commandments, the Golden Rule and the Declaration of Independence.
