ALL FOLLOWERS OF JESUS ARE HIS AMBASSADORS

"So we are ambassadors for Chirst, God making his appeal through us." Corinthians 5:20.

Much of the tragedy of our times is linked with the fact that we are not willing to listen, but even more are they linked with the fact that man is not willing to witness. Many are trying desperately to hoard the saving grace of God given through Jesus Christ. Few there are who will be true ambassadors oy witnessing to the One who calls mankind to salvation.

It a man were being tried for murder and I happened to possess evidence that the one accused is worthy of acquittal in a higher court, I am not free to withold such evidence. Should I do this I am myself a murderer, destroying a life with my silence. To say the least, failure to witness in such a case is a highly immoral act.

An ambassador does not hesitate to represent and speak for the one or ones who appointed him to such a "high calling." Have you ever thought to yourself as a repersentative of Christ? Paul did not say "I am" but said "we are ambassadors for Christ!" Christ has called His followers to be ambassadors of His Kingdom to others that they may not die for their sins but that they might be reconciled to God and have eternal life. We should not be surprised that "ambassadors of state" are often referred to as "ministers." How is it that we do not often hear the minister of the Gospel referred to as ambassadors for Christ?

Ministers of the Church are not the only amabssadors for Christ. All followers of Jesus are His ambassadors. Having heard the call, confessed, and having sealed this in baptism each of us must think of ourselves as representing Christ by presenting His claim to those upon whom we are bid-

With the approaching season of Lent and Easter let each of us who bear the name Christian be found making God's appeal to mankind and for the sake of mankind that none should die because of our silence. God, through the Christ in Paul, is saying to us, 'I am making My appeal through you! "God (is) making his appeal through us."

What kind of an appeal will you make on behalf of Christ for a dying world? Do you realize that He has commissioned you to represent Him in your contacts with people? Can we be bless than good ambassadors for Christ and His Church?

Let our prayers and fidelity ever reveal the spirit of this poem by an unknown author:

I sought my soul,

But my soul I could not see. I sought my God,

But my God eluded me.

I sought my brother,

Wilt Chamberlain, a shrewd businessman as well as basketball's living legend, disclosed today that he advised the Philadelphia 76'ers against the historic deal which sent him to the NBA Eastern Division club.

EVER STRIVING FOR THE TOP O' TEXAS TO BE AN EVEN BETTER PLACE TO LIVE

The Pampa News is dedicated to furnishing information to our readers so that they can better promote and preserve their own freedom and encourage others to see its blessing. Only when man is free to control himself and all he produces, can he develop to his utmost capabilities.

We believe that freedom is a gift from God and not a political grant from government. Freedom is neither license nor anarchy. It is control and sovereignty of oneself no more, no less. It is thus consistent with the Human Relations Commandments, the Golden Rule and the Declaration of Independence.
