Are you "pixilated"? Nearly everybody is. The intricate "pixilation" which first drew popular attention in a movie last spring has been further "aired" recently by a radio program's survey among listeners.

These findings which indicate that nearly everyone is in the grip of one more "pixilation" are startlingly borne out by a local canvass.

To get the thing straight—the word, "pixilation" comes from "pixilated" meaning to be in the grip of either a hobbit, or fairies, a "pixilation" therefore being a more or less ludicrous idiosyncrasy. In other words, a "screw" habit.

For instance, Garnet Reeves, the R. C. D. manager, is a pencil chews and tapers, and a paper-marker-upper. He chews while on his pencil, taps it on the desk and marks funny things on paper while you talk with him.

Bill Jarratt, the Kiwanis president, is a chair wiper. Bill likes nothing better than to get up in a hurry when called on for a remark, and whirl his chair in snappo fashion in order to get behind it and begin his oratory.

The conductor of this space is a circle-drawer and napkin-crimper when it comes to "pixilations." . . . George Inman, the deputy sheriff, is a "foot-rester." . . . Between duties Inman likes to do nothing better than get his feet up somewhere.

Dave Ballou, the radio man, is a paper-clip wrecker. He likes to twist paper clips apart and throw them aside. . . . The town is full of "O fillers," that great army of persons who take their pens and pencils and fill in every letter O they can find.

Other "pixilations" reveal that some persons have a fondness for standing or driving in the rain, placing pencil points to the mouth, straightening pictures, scratching the head. . . . So, what's your favorite "pixilation"?

Some interesting comment is supplied by Roger D. Greene, the Associated Press man assigned to dig up other romances of the past, now that the King Edward-Wally Simpson affair commands so much attention.

Greene finds that romance-minded kings, down the ages, have set Edward VIII his mad examples in the clash between his passions and the stern dictates of sovereignty. Few have been starved by happy endings.

None has developed such world-stirring repercussions or involved so many fantastic heroes. . . . Edward's battle with his parliament for the love of dark-eyed Wallis. Whatever his ultimate decision—whether to fight or fly—Edward will find little to cheer him in the past great romances of "prince and commoner" in history.

Henry VIII tried it four times. Four of his six wives were commoners—Anne Boleyn, Jane Seymour, Catherine Howard and Catherine Parr. Two of them went to the block. Henry had a hard time with all his wives. . . . The famously Anne of Cleves, Henry described as looking "no better than a Flanders mare." It was a marriage of state.

Crown Prince Carol, now King of Rumania, tried it twice. The god caused a storm that drove him from the country. In 1920 he renounced his rights to the throne after a morganatic marriage with a commoner, Zizi Labinro.

Carol divorced Zizi, married Princess Helen of Greece and was restored to grace. Then he became enamored of the titan-haired Magda Lupescu, another commoner, again renounced his rights to the throne and fled with her on Dec. 31, 1925. In 1931, when Carol started his last fight to regain the throne, Magda received \$80,000 and a French chateau to renounce any claims against Carol.

Edward's own ancestor, George IV, whose son declared he would become "either a great statesman or the most accomplished blackguard in Europe" — possibly both — defied parliament and the constitutional act of settlement by marrying a Catholic commoner, Mary Anne Fitzherbert, in 1785 — but George did it secretly, and it was not until 1905 that final proof of the marriage was brought to light.

In recent years two royal princes have renounced their rights to sovereignty, and married commoners. The Count of Cordova, eldest son of King Alfonso of Spain, married the Cuban beauty, Senorita Edelmira Ignacio Adriana Sampedro, in June, 1933—and they separated in November, 1934.

In 1932, Prince Lennart of Sweden, grandson of King Gustav, married the pretty straw-blond Karin Nissvandt, daughter of a wealthy

### \$149,712 IN TAXES BANKED IN NOVEMBER

### GRAY COUNTY'S SHARE IS \$98,327 OF AMOUNT

Gray county taxpayers turned in a record-breaking payment of \$149,712.35 for November, it was reported today by Ewing Leech, county tax collector.

Deadline for split-payments fell on Nov. 30. The total collection for the month, however, included amounts collected for delinquent, split and full taxes, Mr. Leech stated.

Of this total amount the county's share is \$98,327.67.

November collections for 1935 totaled \$137,918, making this year's figure approximately \$12,000 more than last year.

Taxpayers who plan on full yearly payments have until Feb. 1 to make payments. The next split payment will be due June 1.

In connection with the tax payments, Mr. Leech reported that only 255 poll tax payments have been made in Gray county to date.

Poll taxes must be paid on or before Jan. 31, 1937, he stated, except in cases of exemption. Persons exempt from payment of the poll tax must obtain their exemption certificates before that date.

Certain classes of voters, it was explained, do not have to obtain exemption certificates.

## LEFORS ACTORS WILL PRESENT TOM SAWYER

A 1936 adaption of Mark Twain's Adventures of Tom Sawyer will be produced by the LeFors high school junior class Thursday night, Dec. 10, at 8 o'clock, in the high school auditorium in LeFors, Jack Foster, director, announced today.

The play which is an actual adaption from the famous book will be presented in three acts and five scenes. Mr. Foster and his class made the costumes for the play.

The play follows the book in more detail and authenticity of plot and character than the play of the same name produced here by the high school under the direction of Ben Guill.

Admission will be 25 cents for adults and 15 cents for students. Rehearsal has been underway for several weeks. The cast follows:

Aunt Polly, Louise Williams; Tom Sawyer, Ed Pierce; Huck Finn, Billy Ellington; Mary, Ora Smith; Sidney, David McNabb; Joe Harper, Maynard Johnson; Jim, Ben Check; Mrs. Harper, Alene Baxter; Widow Douglass, Helen McGinnis; Judge Thatcher, Ormond Green; Becky, Ruth Russell; Amy Lawrence, Jacqueline Gaddy; Alfred Temple, Brad Hays; Injun Joe, Reece Williamson.

## BURN TO DEATH

McGREGOR, Dec. 8 (AP)—Jay Anderson, 48, WPA worker, his wife, 37, and three of their six children burned to death early today in a fire which destroyed their two-room home. A fourth child was so seriously burned, physicians said she had little chance to survive. The others were less seriously injured. The authorities believed the fire was started by explosion of a gasoline lamp or of kerosene which might have been used to start a fire in the stove.

## Fugitive Jealous of Rivals' Attention, State Claims

MULESHOE, Dec. 8 (AP)—Events attendant to the slaying of a 22-year-old woman school teacher in southern Bailey county more than 18 years ago were related this morning in the 64th district court trial of John Teal for murder.

After the 12th juror, E. E. Hughes, a West Camp farmer, was accepted, the state opened its case against the 50-year-old Teal who for nearly 17 years was a fugitive.

Two witnesses had testified at 11 o'clock this morning before Judge C. D. Russell recessed court for five minutes, said Miss Elizabeth Harden, district deputy clerk.

The first testimony for the prosecution was presented by Joe Mumford, Wichita Falls.

It was at the Mumford home on Sunday, April 7, 1918, that a group of early-day Bailey county ranch families met for dinner. In the group were Miss Evelyn Monts, the community school teacher, and Teal, Joe Mumford at that time was 18 years old. Today he related details of that Sunday gathering, following which Miss Monts was shot to death at the home of M. McCarty, a neighbor.

M. A. Tolson, Hale county farmer, a brother-in-law of the slain woman, was the second witness offered by the state.

The state is attempting to prove through testimony of persons present at that meeting at the Mumford home that Teal evidenced jealousy when other young men of the community attended Miss Monts.

The Mumford home was two and one-half miles north of the old Bar-N-Bar ranch house and about 31 miles southeast of Muleshoe.

## CARMICHAEL TO TAKE HAND IN RANCH HUNT

AUSTIN, Dec. 8 (AP)—M. T. "Lone Wolf" Gonzaulas, head of the intelligence division of the public safety department, said he would complete tests about noon today of bloodstains found in the area where two San Perita farmers disappeared 20 days ago.

Meanwhile Col. H. H. Carmichael, director of the public safety department, prepared to take a personal hand in the search for John and Luther Blanton, he will leave during the day to confer with Capt. James McMurtry, who has been in charge of the search for the missing men who disappeared while hunting of the former King ranch.

The stains were on a man's coat and a piece of canvas about eight feet square. Gonzaulas said it had been determined definitely they were blood stains but they might be animal blood. Rangers would not reveal exactly where the articles were found.

Col. Carmichael planned to stop at San Antonio for a National Guard conference with WPA officials before leaving McMurry.

"I believe Capt. McMurry might need additional men to thoroughly search of the ranch," he said. "My purpose in meeting him is to review the case and give him additional men, probably brush rangers to ride the entire range, if he needs them."

In Illinois the mercury rose gradually from yesterday's lows, ranging down to 12 below at Freeport. Three cold-induced deaths were counted in the Chicago area.

A break in the sub-zero temperatures reached Nebraska and readings ranged up to 48 in Sidney. Roads were slick with snow and ice. The weather bureau predicted temperatures down to 25 at Philadelphia, 20 at Washington, 8 in Ohio, and 15 in New Jersey, explaining the cold wave had spread westward but in moderate degree.

## NEW PROMISE FOR HIGHWAY IS RECEIVED

WOOD'S LETTER READS ENCOURAGING TO PAMPANS

A letter received yesterday at Board of City Development headquarters from John Wood, member of the Texas Highway commission, was taken as assurance that immediate action would be taken to speed up work of paving the Pampa-Borger road, known as Oldfield Highway 41 or Highway 203, it was revealed at a meeting of BCD directors last night.

Mr. Wood's letter read, in part: "I am convinced that Pampa and Borger are justified in pressing their claim for construction of that road and feel sure we will be able to work out something in the near future that will be adequate and to your satisfaction."

Recently representatives from points along the highway, through the Texas Panhandle, made an appeal to the commission for immediate action on having the road designated for construction and given one number. An encouraging letter was received from Harry Hines, chairman of the commission, also.

President John Roby last night named a nominating committee which will name 10 men from which five will be selected by the city commission to replace the following retiring BCD directors: J. S. Wynne, Jim Lyons, R. G. Allen, John Roby and B. W. Rose.

The BCD civic committee, Charlie Burton, chairman, L. L. McCollm, vice-chairman, will organize a campaign city-wide tree planting campaign. Planting of trees at Fair Park and on other city property and beautifying private property will be advocated in conjunction with local civic and women's clubs.

The proposed Panhandle-wide police radio station was discussed at length.

Arch Booth, assistant manager of the Wichita, Kan., chamber of commerce, who spoke at the local membership meeting today noon, was a guest at the meeting.

## 9 DEATHS ATTRIBUTED TO COLD IN MID-WEST

(By The Associated Press.)

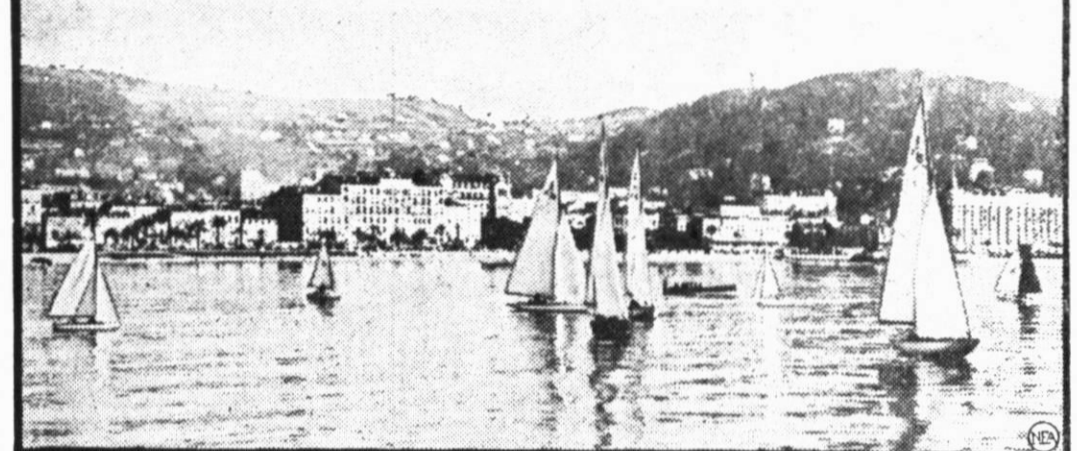

Moderating weather today marked the apparent end of winter's first sub-zero thrust into the Middle West. At least nine deaths were attributed to the cold.

Temperatures 10 to 20 above zero were the outlook in the Dakotas and Minnesota, where the frigid wave was held accountable for six deaths. A light snow covered most of the northwest. Low for that area last night was 11 below at Dickinson, N. D.

In Illinois the mercury rose gradually from yesterday's lows, ranging down to 12 below at Freeport. Three cold-induced deaths were counted in the Chicago area.

A break in the sub-zero temperatures reached Nebraska and readings ranged up to 48 in Sidney. Roads were slick with snow and ice. The weather bureau predicted temperatures down to 25 at Philadelphia, 20 at Washington, 8 in Ohio, and 15 in New Jersey, explaining the cold wave had spread westward but in moderate degree.

## Is Mrs. Simpson Waiting for King Here?

In the famed resort of Cannes, France, shown above, on the French Riviera, Mrs. Wallis Simpson is waiting for King Edward's final decision as to whether he will give up his throne or her.

Events today indicated the king would abdicate before morning and would join Mrs. Simpson at the villa located in the hills rising back of the harbor. The waterfront of the city, one of the lead-

ing play and rest places of Europe, is shown above, with yachts dotting the harbor and splendid buildings facing the Mediterranean inlet.

## COTTON YIELD ESTIMATE UP

7,000 BALES ABOVE FIGURE OF MONTH AGO

WASHINGTON, Dec. 8 (AP)—A 7,000-bale increase in the estimated cotton crop for the past month was noted today by the crop reporting board as it placed the total yield at 12,407,000 bales, based on December 1 conditions, compared with 12,400,000 bales a month earlier.

It said indicated yield per acre this season was 106 2/3 pounds, well above the average last season of 186.3 and the ten year average of 169.9 for 1923-32.

Harvested acreage estimated at 30,054,000 acres was said to be ten per cent larger than in 1935.

The board said two separate droughts affected the 1936 crop. The first in May and June retarded the crop in Georgia and the Carolinas but "favorable summer and fall" weather was said to have increased out-turn in the eastern end of the cotton belt by 600,000 bales between August 1 and December 1.

WASHINGTON, Dec. 8 (AP)—Cotton production this year was estimated today at 12,407,000 equivalent 500-pound bales by the Department of Agriculture in its December report.

A month ago 12,400,000 bales were forecast. Last year's production was 10,638,000 bales and the average for the five years, 1928-32, was 14,667,000 bales.

The 1975 yield this year is placed at 197.6 pounds, compared with 199.7 forecast a month ago. 186.3 produced last year, and 169.9, the 1928-32 average.

The acreage for harvest this year was 30,054,000, and the abandonment of 500-pound bales, 23 per cent of the 30,932,000 acres in cultivation July 1. The acreage picked last year was 27,335,000 and that in cultivation July 1 was 27,888,000, while two years ago it was 26,866,000 and 27,860,000.

Cotton of this year's crop ginned prior to December 1 was reported by the Census Bureau to have totaled 11,484,170 running bales, compared with 9,356,921 for 1935 and 9,019,834 for 1934.

The indicated production this year by states is:

Virginia, 34,000 bales; North Carolina, 612,000; South Carolina, 820,000; Georgia, 1,090,000; Florida, 32,000; Missouri, 310,000; Tennessee, 431,000; Alabama, 1,140,000; Mississippi, 1,910,000; Louisiana, 763,000; Texas, 2,945,000; Oklahoma, 290,000; Arkansas, 1,295,000; New Mexico, 110,000; Arizona, 170,000; California, 440,000; all other states, 15,000, and Lower California (Old Mexico), 58,000 (not included in California figures nor in United States total).

## MEXICAN LABOR SPLITS ON BID FOR TROTZKY

MEXICO CITY, Dec. 8 (AP)—Mexican labor factions were embroiled today over the government's invitation to Leon Trotsky, exiled revolutionary leader, to take asylum in this country.

Spokesmen for the Confederation of Workers of Mexico stood firm on its opposition to admitting Trotsky, once a leading power in Soviet Russia.

It was apparent, on the other hand, both the Regional Confederation of Workers and the General Confederation of Workers would support the government.

## FARM TENANCY STUDY URGED

MARVIN JONES SEES LEGISLATION AT NEXT CONGRESS

WASHINGTON, Dec. 8 (AP)—Predicting farm tenancy would be "one of the vital problems of the new Congress," Chairman Marvin Jones (D. Tex.) of the House Agriculture committee urged committee members today to study the subject carefully before Congress convenes in January.

A bill by Jones and Senator Bankhead (D. Ala.) to finance farm purchases by tenants failed of passage last session.

President Roosevelt asked them to work on legislation for next session, and just before leaving for South America last month set up a special committee headed by Secretary Wallace to devise a long term program to meet the problem of farm tenancy, which he termed "a challenge to national action."

In a letter made public today, Jones told all members of his committee "as you will recall, the committee did considerable work during the last session on such a measure."

"The President has urged that the committee continue its work along these lines," he wrote.

"I have been moved by the convening of Congress. I hope you may have time to give further study to this matter, and I shall be glad to have you advise me as to any further provisions or safeguards you feel should be included."

Committee aides said Jones would return to Washington the latter part of this month.

## M'LEAN MAN FINED IN COMMON NUISANCE CASE

Clifford Hair, of McLean, was fined \$25 and costs in Judge C. E. Cary's court yesterday on a charge of maintaining a common nuisance.

Hair was arrested last Oct. 24 and charged with keeping at his residence a place where intoxicating liquor was sold in violation of the law.

Roy Barker was fined \$50 and costs by Judge Cary on a theft charge. Barker was arrested for the theft last July 20 of 2,500 worth of welding equipment from Herbert Friddle.

Civil cases were called on the docket and set for trial. Upwards of a score of civil actions and a dozen criminal cases are on the December docket.

The third week beginning Dec. 21, has been set aside as jury week.

## SOUTHERN CROSS IS MISSING AT SENEGAL

DAKAR, Senegal, Dec. 8 (AP)—Scouting planes and ships combed an ever widening area of the south Atlantic today in search of the mysteriously missing giant flying boat, "Southern Cross."

No word has been heard from the four-motored mailplane en route to Natal, Brazil, with a crew of five since 10:43 a. m. yesterday, four hours after taking off.

Then, the noted aviator, Jean Mermoz, piloting the ship for his twenty-fifth Atlantic crossing, radioed that one of the plane's motors had failed. He added, however, that weather conditions were excellent.

## People You Know

By ARCHER FULLINGIM

To Santa Claus today came this letter:

Dear Santa: Please bring me something this year that I can cherish throughout the bleak months ahead—a clean fresh memory of a crystal-clear lake on a mountain top, and clouds and sheets of rain climbing that mountain. Create in my mind's eye, the sight of white-haired water washing beaches of oceans and place the sound of the surf in my ears when the noise of the street is like the scraping of steel upon steel to the ear.

Take from the soul the pain that comes from loving Man more than Nature. Give to the children (that they may know that "beauty is truth, truth beauty") an ecstatic heart when they hear beautiful notes pouring from a throat or from fingers. . . .

And give to the lowly Nazarene comfort and assurance that the world He died to save was worth saving.

## ABDICATION IS INDICATED BY BALDWIN VISIT

PRIME MINISTER IS IN CONFERENCE WITH EDWARD

LONDON, Dec. 8 (AP)—Prime Minister Stanley Baldwin reached Fort Belvedere this evening—summoned by his king—presumably to receive the final decision of Edward VIII on renunciation of either his throne or Wallis Warfield Simpson.

The premier hastened over the icy roads from London in an hour and 15 minutes to enter the gates of the royal lodge in the gathering darkness, while suspense hung heavy over London, England and the empire.

It generally was believed the decision, even if given tonight at Fort Belvedere, would be withheld from the public until Baldwin has an opportunity to communicate it to commons.

If the answer is abdication, the king might give the tip-off by quick flight from the country.

Edward's youngest brother, the Duke of Kent, was believed to have participated in tonight's crucial meeting. He drove alone to Fort Belvedere this morning. There also were reports that the motor car of the Duke of York, Edward's heir-presumptive, had been seen entering a side entrance of the castle.

Generally, in view of Mrs. Simpson's statement of her willingness to sacrifice the king rather than hurt the sovereign or the throne, the British public was hopeful its monarch had decided the crown comes first.

But there was no certainty; only breathless waiting.

Those who expected the king to give the first minister his final word tonight pointed out that every day's delay was costing the empire's industry thousands of pounds.

The vast amount of business pointed toward a coronation next May was at a standstill.

Edward, these persons said, would be as anxious as any of his subjects to return Great Britain to normal. Unless he has made up his mind, they asserted, there could be but little reason for another conference with Baldwin.

LONDON, Dec. 8 (AP)—Prime Minister Stanley Baldwin hurried over the icy roads to Fort Belvedere late today on a mission which many believed might mean King Edward's early decision between throne and marriage to Wallis Warfield Simpson. With him were advisors to both the king and the heir-presumptive, the Duke of Kent, who summoned him hastily from No. 10 Downing street, his official residence, at 4 o'clock.

The first minister, instead of going to parliament, had awaited Walter T. Monckton, the king's legal adviser, and Sir Eric Mileyville, the Duke of York's secretary.

They reached the official residence at 4 p. m. Monckton coming from Fort Belvedere. A few minutes later they departed, Monckton and Baldwin traveling in one car and Sir Eric following in another.

While they were inside No. 10 Downing street, several minor officials hurried out carrying brief cases and loaded them in the cars. Both machines headed toward Whitehall, which is on the route to Fort Belvedere, the king's country residence.

LONDON, Dec. 8 (AP)—A chartered airliner carried two home office officials and a physician on a mysterious mission to France today while King Edward, still facing his great decision, left Fort Belvedere, met brothers and advisers.

The airliner, which informed persons said had an undoubtedly significant role in King Edward's self and intense struggle with wife and government, heart and throne, took off from Croydon airbase en route to Cannes, where Mrs. Wallis

## I Saw . . .

Members of the American Legion steamed up over the mysterious disappearance of Elizabeth, the burrower with the plaintive melodramatic voice. When last seen, Elizabeth was tied in front of Mark Long's place of business. Certain female admirers of W. W. (Cutie) Bennett of the Waikiki novelty boys of Station KPND, had tied a placard on Elizabeth which stated: "Introducing W. W. Bennett." This corner obtained that information this morning from one of the girls, and that was next to the only clue the Legion had. The other clue was a whiskey bottle, empty, tied to the rope which held Elizabeth. The Legionnaires are terribly set up about the affair, and wish somebody would bring her back before Mark has to pay \$10.

Officers-Elect Are Greeted By Methodist WMS At Lunch

Christmas Program Is Presented by Young Guests

Expressing appreciation to retiring officers and a welcome to their successors, First Methodist Missionary society had its last business meeting of this year at the church yesterday afternoon.

A covered dish luncheon opened the program. Mrs. John Hessey, completing two years as president, was presented with a gift with a word of thanks for her work.

A gift was also presented Mrs. M. DeTar, who is to leave the last of this month for a home in Muskogee, Okla. Mrs. DeTar was in charge of the devotional exercise yesterday on the subject, Love. The hymn, More Love to Thee, and a prayer by Mrs. John Hodges completed the devotional.

A Christmas program was given by young guests, Miss Sue Dodson read Van Dyke's story, The Other Wise Man; a sextet from Sam Houston school sang carols; Betty Ann Culbertson played accordion solos, and a trombone ensemble from the high school band played. Mrs. T. Henry spoke of the recently organized young women's branch of the society. The invocation at lunch was by Mrs. W. Purviance.

In the business session, Mrs. A. C. Green resigned as publicity chairman for next year, and Mrs. George Swindle was elected to take the place. Officers made their final reports for 1936. All new officers were introduced.

Guests for the meeting included Mrs. A. C. Cryer of McLean, district chairman of the society, Mrs. Perry Van Huss, Mrs. Chandler of St. Louis, and Mrs. Henry.

Birthday Dinner Given Mr. Lewis

C. H. Lewis was given a surprise birthday dinner yesterday by the residents at Bluebonnet court, of which he is owner. The dinner was served in Mrs. J. J. Simmon's apartment.

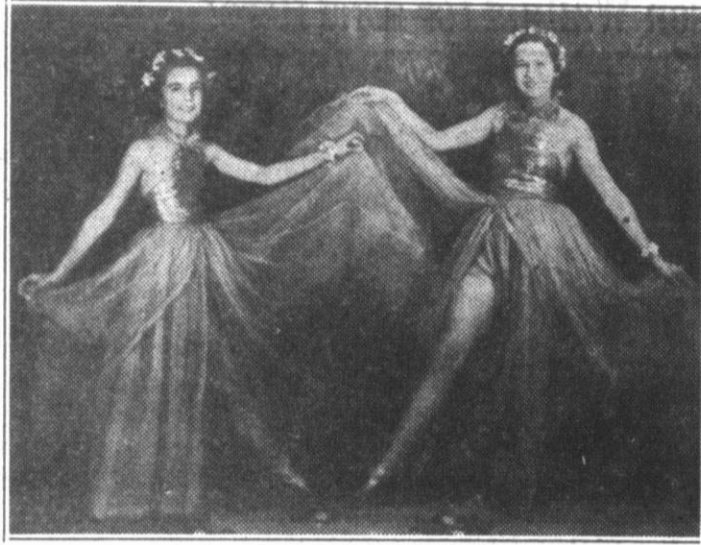

A menu featuring turkey was served at a table centered with a cake which bore 65 lighted candles. It was made by T. R. Rogers and presented as one of the birthday gifts.

Guests were Messrs. and Mrs. Lewis, H. B. Combs, Rogers, C. R. Martin, W. A. Herndon, B. W. Anderson, Austin Tucker, A. H. Fleming, and Simmons; Mr. and Mrs. C. W. Dowdle and son, Doug, of Jayton; Miss Johnnie Trammell of Temple, Okla.; Mrs. Lawrence Martin, Miss Dorothy Lyles, Miss Evelyn Combs, Dale Rogers, Bert and Doris Simmons, Leon Martin, Alva Lee Tucker, Jimmie and May Beth Rogers.

CANTOR'S AIDE DIES NEW YORK, Dec. 8 (AP)—David Freedman, whose \$250,000 breach of contract suit against Eddie Cantor, stage, screen and radio comedian, opened yesterday in supreme court, died during the night in his sleep at his home on the upper west side.

Freedman, gag and script writer for Cantor and collaborator with the comedian on several magazine articles and books, charged the comedian with abrogation of an oral contract for 10 per cent of Cantor's earnings.

Dancers on Winter Programs

Dorothy Jo Moore and Frankie Lou Keeln, dancers pictured above, are taking part in a number of programs this month. They appeared in a show at the high school carnival last week-end. Frankie Lou is assisting this evening on a violin recital program of Helen Pools at Amarillo. Both are pupils of Kathryn Vincent Steele, who is to present students of the Vincent Studio of Dancing in a holiday recital on Wednesday of next week.

Santa Claus Letters

Dear Old Saint Nick: I hope that you were not hurt very much in the airplane crash. If you can, please bring me a red Chevrolet toy car and I would like to have a rubber dolly too if that wouldn't be too much.

Dear Santa: What do you want for Christmas this year? I'd like to give you something. Please bring me a rubber doll, a little sewing machine, and anything else that you want to bring. Don't forget any children this year. I live at the same place as I did last year.

Dear Santa Claus: You do have the quintuplet dolls, don't you? I've never heard, you say a word about having them and I want them so badly. Please, Santa, if you don't have any will you have your workmen to make me a set with black curly hair. And I would like for each one to have an extra wardrobe. If you will bring me all five of these dolls I'll be a good girl all next year.

Dear Santa: I am a little girl 3 years old. I have been sick but I have been a good little girl. Please bring me a doll and doll bed and some dishes and some nuts, candy, and fruit.

Dear Santa, I will drop you a few lines as you are coming to town. It is raining now but I hope it won't stop you. Will you please bring me a doll and a set of dishes and candy and nuts. I hope I get to see you while you are in town.

Dear Santa, I am so glad you are coming to town. I hope I get to see you and your reindeer while you are here. Will you please bring

THRIFT ROOM PROVIDES OVER 1,000 GARMENTS

More Clothes, Funds Are Needed for Students

More than 1,000 used garments, 75 pairs of used shoes, 230 new garments and 28 pairs of new shoes have been given to underprivileged students from the thrift room since it opened in October. The room is sponsored by Parent-Teacher associations here.

This recent report was made by Mrs. Claude Latta, general chairman of the room. She is in charge of buying, and is assisted by welfare chairmen from the various units: Mrs. Frank McAfee of High School Parent-Teacher association, Mrs. Earl Roof of Junior High, Mrs. E. G. Myers of Sam Houston, Mrs. R. F. Pauley of Horace Mann, Mrs. J. M. Miller of B. M. Baker, and Mrs. E. C. Hart of Woodrow Wilson.

Mrs. McAfee is also chairman for the city Parent-Teacher Council, and acts as thrift room treasurer. Workers from all associations have assisted in collecting and distributing garments.

Generous donations of wearable school clothing have been received from Pampa residents, Mrs. Lard reports, but garments of all kinds are needed now.

Gifts of cash have included \$100 from the Lions club, \$167 from the American Legion and Veterans of Foreign Wars, and \$25 from an individual who wishes to remain anonymous. Use of the building on North Probst-st. has been given by C. H. Walker.

The Junior High welfare committee will be in charge of the room when it is open tomorrow from 2 to 5 p. m.

Problems To Be Given a Hearing On P-TA Program

High school students will discuss their own problems for information of parents at a meeting of high school Parent-Teacher association tomorrow afternoon at 3:15 in city hall auditorium. The subject is Character Problems of High School Youth.

Mrs. F. M. Culbertson will be leader, and students from Ernest Cab's social science classes will be the speakers. Music for the program is in charge of Miss Helen Martin. A report from the recent state convention at Fort Worth will be made by the association's delegate, Mrs. Frank McAfee.

Helps END A COLD Quicker

Massage VapoRub briskly on the throat, chest and back (between and below the shoulder blades). Then spread it thick over the chest and cover with warm cloth.

Almost before you finish rubbing, VapoRub starts to bring relief two ways at once—two direct ways:

1. Through the Skin. VapoRub acts direct through the skin like a poultice or plaster.

2. Medicated Vapors. At the same time, its medicated vapors, released by body heat, are breathed in for hours—about 18 times a minute—direct to the irritated air-passages of the nose, throat and chest.

This combined poultice-and-vapor action loosens phlegm—relieves irritation—helps break congestion.

PROGRAM ON WORLD PEACE IS GIVEN AFTER WEEK OF PRAYER OBSERVANCE IN BAPTIST WMU

Other Unions Over Section Close Busy Week

The meeting of First Baptist Missionary union yesterday for business and a program followed observance last week of the annual Lottie Moon week of prayer, when a Christmas offering for foreign missions was taken.

A series of programs was given, including an evening program for the entire church Wednesday, presented by the Young Women's Auxiliary.

Observance of the prayer week was general in the Palo Duro Association's Missionary union. Most of the 17 societies conducted daily meetings through the week, Mrs. F. E. Leech, associational president, reported.

On Tuesday the association as a whole met at Goodnight for an all-day program. Those who attended from First Baptist church here were Mrs. H. L. Watt, Mrs. R. W. Tucker and little daughter, Mrs. Garnet Reeves and son, and Mrs. Leech.

Friday was observed as a "round-the-world" day of prayer. Mrs. Leech went to the Phillips church at Whittensburg that day, and led a program on missions in Africa. With Mrs. Baker Henry and Mrs. J. A. Arwood, she was a program guest of Skellytown W. M. U. yesterday.

The program here yesterday was on the subject, King of Peace. Mrs. Tom Duvall was leader. Mrs. G. C. Durham spoke on War, and Mrs. R. M. Mitchell on Peace, after a devotional talk by Mrs. Watt. The benediction was led by Mrs. C. E. Lancaster.

Others present were Meses. Reeves, Henry Cox, D. H. Coffey, Dee Campbell, N. B. Ellis, T. F. Morton, Wagnon, T. D. Alford, O. A. Davis, E. F. Brake, J. G. Abbott, Thomas, Raymond Kirby, Joe Foster, E. W. Tucker, Charles Zernial, Bob Seeds, S. L. Young, and Charles Boyd.

Shamrock News

By Mrs. Peyton Wofford SHAMROCK, Dec. 8—Mrs. Tom Brown was elected president of the A. R. T. club when it met Thursday at her home. Mrs. G. H. Burkhalter was named vice-president.

Mrs. M. Middleton secretary and treasurer with Mrs. J. B. Zeigler as her assistant, and Mrs. C. G. Cantrell reporter.

A birthday shower was given for Mrs. J. B. Harney. After the business meeting, a salad course was served.

Band Parents Party

The first social of the year for the Band Parents association was enjoyed by members Friday evening in a round-table discussion on Balanced School Activities.

Mrs. George Hutton is receiving medical treatment at a hospital here.

Mr. and Mrs. A. G. Hallmark attended the funeral at Clarendon Saturday of their cousins, Mr. and Mrs. Carl Parsons and son, victims of a highway accident. Mr. Parsons was known here as a member of the Clarendon Country club golf team which met the local team many times.

H. N. Cadenhead was a week-end visitor at Wichita Falls.

To Give Address

Mrs. W. Purviance will be the guest speaker for Woodrow Wilson Parent-Teacher association this afternoon, discussing the month's study topic, Intelligence. The meeting is being conducted at the school building, with a White Christmas program featured.

Miss Tinsley Is Week-End Bride Of Leo Smith

The marriage of Miss Marie Tinsley, daughter of Mr. and Mrs. Roy Tinsley, and Leo S. Smith, son of Mr. and Mrs. F. E. Smith of Atlanta, Texas, was solemnized Saturday evening at First Methodist parsonage. The Rev. Will C. House, minister, officiated.

Miss Bertha Estes accompanied the couple and witnessed the ceremony. Mr. and Mrs. Smith will make their home here.

The bride has lived near Pampa all her life. She attended school here, graduating in 1935, then spent a year studying in California. Mr. Smith is employed with the Skelly oil company.

Miami News

MIAMI, Dec. 8 — Mr. and Mrs. A. L. Muncey have returned from points in Kansas where they spent the last week.

Mrs. Zell Stewart and Willis Stamper returned today from Jacksboro where they visited several days with relatives.

Miss Tavia Dunsworth spent the week-end with her parents in Pampa.

Mrs. Joe Branch and sons, Phil and Coe, and Hugh Branch of East Texas are visiting in the C. C. Branch home.

John Harnley returned the last of the week from McPherson, Kan., where he spent a few days.

Mr. and Mrs. Drew Cantwell and his parents are spending a few months at Corpus Christi.

Mother-Teacher Discussion Will Feature Program

Views of a mother and a teacher will be given in the discussion of Friendliness for Sam Houston Parent-Teacher association Thursday afternoon. Mrs. R. B. Fisher will be leader, Mrs. W. D. Dickson and Miss Mildred Bishop the speakers.

A report from Mrs. F. M. Culbertson, delegate to the state convention at Fort Worth last month, will complete the program, scheduled to begin at 3 o'clock at the school building.

Employes Speak On Safety Topics

By Helen Partridge HOPKINS, Dec. 8 — The safety first chapter of the gasoline department of the Phillips Petroleum Co. met in the first of a series of meetings to be held during the coming months.

Approximately 65 employes were present to hear Chairman Homer Gibson make the introductory address. He later called upon several employes to give their version of hazards, experiences in line of safety and other topics dwelling on this phase of operation.

These impromptu speakers included Messrs. Rallsback, Boatwright, Helronimus, Rickard, Rippe, Kone, Watson, and Traywick.

The meeting adjourned to be in session again on January 4th.

Jack Bird was honored Sunday with a birthday dinner, given by his wife in their home in the Phillips Pampa plant. A turkey dinner with all the trimmings including a big birthday cake was enjoyed by Mr. and Mrs. Bird and children, Kenneth, Coyote and Toyley; Mr. and Mrs. R. E. Partridge, Mr. and Mrs. Curtis Sloan and son, Clingman, and Mr. and Mrs. D. Partridge and children, Rex, Wileta, and J. D.

Mr. and Mrs. O. J. Wade of Pampa spent Sunday afternoon visiting the Partridges. Mr. Wade, an old friend, has recently moved to Pampa.

Mr. and Mrs. Deacon Jones and son, Daris, spent Sunday at Berger.

The educational picture shown the school children Monday was "The Romance of Paper."

**LETTERS TO SANTA CLAUS**  
Dear Santa:  
I am just a youngster 19 years old. I remember that you were not so good to me last Christmas, but I'll forgive you this time if you will bring me something good this year. I would like to have a football, a basketball, a ping-pong set, a bicycle with a rumber seat, and all the candy you can make. Get the best candy you can so I can give some to my girl, because she is mad at me.  
Your little friend,  
Albert Ayer.

**Annual?**  
Dear Santa Claus:  
I am a cute little girl, aged 4, and have been very good this year. I want to go home for Christmas to see my boy friend, and I want some "high-up" clothes just like Mama wears, that is, she did before the depression.  
I want goods and gobs of candy, nuts, and good eats also. I wouldn't mind a fur coat!  
Your small friend,  
Dorothy Roberts.

**Annual?**  
Dear Santa:  
We are two young school boys. We don't have any girl friends. We have only one father and mother. We want an overcoat with a beautiful girl inside it, or Roy does anyway. I don't need one so badly.  
I kneel beside by little bed every night and say a prayer for Roy. I don't want anything myself, but pretty please bring Roy that overcoat.  
Yours truly,  
Ivan and Roy.

**Annual?**  
Dear Santa Claus:  
I've been a good little girl and I've tried most awful hard to make good grades, but Santa Claus can't seem to get all my work in. Would you please bring me a personal secretary who would be willing to write two or three term themes, get in a book report or two on time, and help me study every night. I don't care for her being beautiful, because I don't want to lose her, but this is all I want right now.  
Thank you for helping me out of this tight.  
Sibyl Taylor.

**Annual?**  
Dear Sandy Glos:  
I have been a good little boy, and haven't been kicked out of school yet. I am very dissatisfied with the little blonde doll you sent me last Christmas. If you have a cute red headed one, I would like very much to have her. My teacher, Mr. McFadden, says she would like to have a doll that looks like the man she went to Amarillo with Thanksgiving. She has also been good.  
Remember all the other boys and girls, too, cause they have been good like me.  
Your little friend,  
Allan Wise.

**Annual?**  
Dear Santa Claus:  
I've been a very good girl this year. I haven't broken over four windows, pinched more than five babies, or swined over a dozen doughnuts. Anyway, Santa Claus, since I've been such a good girl, will you please give these things. They are my heart's desire.  
Roy Showers' eyelashes, Pauline Gregory's complexion, Jean Gillespie's lips, Martha Ann Martin's hair, Betty Jo Townsend's ability to write themes, Maxine Wheatly's clothes, and last but not least a fur coat. (Yeah, a fur coat too!)  
Waiting hopefully,  
Jackie Bragg.

**Annual?**  
P. S. As a special favor, you can give me Ed Scott's undivided attention. J. B.

**Annual?**  
Dear Santa:  
I am a little boy about three years old. I have been very good this year. I think I am justified in asking for something. First I would like a new tin cornet so I can play in the band. Then I would like to have a little car, a 1937 model. Please remember all the kids in the band.  
Yours truly,  
Winston Savage.

## NEWSPAPERMAN WILL SPEAK AT CREATIVE WRITERS' CLUB MEETING TOMORROW EVENING

### CWC TO CLOSE DRIVE FOR MEMBERSHIP THIS WEEK

Archer Fullingim, city editor of the Pampa Daily News and freelance writer, will be the speaker at a meeting of the Creative Writers' Club tomorrow evening at 7:30 at the home of the sponsor, Mrs. Hol Wagner, 221 N. Gillespie street.

The date has been changed from Thursday to Wednesday because of conflicting programs.

Membership in the club will be closed for the year after this meeting, except in the case of new students in P. H. S. Each club member has been asked to try to bring one new member.

The C. W. C. is open to boys and girls who are interested in writing for pleasure. To remain in good standing, members must contribute at least one of their own compositions each month—poems, plays, stories, familiar essays, whatever they choose. The best contributions will

be published. Five poems and an informal essay were submitted at the last meeting.

One meeting each month is devoted to the reading and discussion of members' contributions. The other meeting is intended to be instructive and inspirational. Regular meeting dates are the second and fourth Thursdays of each month.

Mr. Fullingim, who will speak to the club tomorrow evening, is interested in many types of writing. Besides his newspaper work, he is best known as a writer in Pampa for his collaboration with Ben Guill in the one-act play "Dust." He writes poetry and short stories and publishes magazine articles.

President Tommie Rogers will preside. A drawing for the club pin will be selected, and plans will be made for the publication of the best contributions of members.

Those planning to come are asked to see Mrs. Wagner or to sign the list on the bulletin board by 4 o'clock tomorrow afternoon.

## STUDENTS GET SPECIAL RATES FOR MATINEE

### SHAKESPEARE'S FAIRY COMEDY-ROMANCE SHOWING

A student matinee of Max Reinhardt's production of Shakespeare's immortal fairy comedy-romance will be presented at the La Nora theater tomorrow afternoon at 3:30. A special rate of 25 cents is being made to students for the matinee.

Prizes are being offered to the two students who write the best reviews of the show after having seen it. First prize will be a month's passes to the theater. Second prize will be two weeks' passes. Reviews may be turned in to any of the high school English teachers.

Students who buy tickets to the Shakespearean play will be excused from the sixth hour Wednesday. Tickets have been on sale since yesterday morning by Mary Douglas, Doris Simmons, and Freda Bellows, all of whom are employees of the local theaters.

The Reinhardt production is said to be spectacular and beautiful and something new in the theatrical world. The show was first released, seats were sold for \$2.20.

The cast includes a wide variety of stars, among them James Cagney, Joe E. Brown, Dick Powell, Anita Louise, Olivia de Havilland, Jean Muir, Frank McHugh, Hugh Herbert, Ross Alexander, Ian Hunter, Victor Jory, and Mickey Rooney.

## Dennard Explains Attendance Rules

(Editor's Note: The chief duty of E. N. Dennard, assistant principal of the high school, is to check attendance. We have asked him to explain the new system put into use this year.)

**Annual?**  
A new method of keeping attendance records is being used in Pampa high school this year.

For each period in the day that a student is absent, a slip is made out for him and filed at the class room door. Student helpers from the principal's office collect these slips each period and file them in large card boxes at the assistant principal's office. Each student has a home room, and for each period he is absent there will be an equal number of absentee slips filed back to his home room teacher's box.

During the last period in the day, all slips are assorted, and each student's slips are clipped together. Before a student can re-enter class, he must go through the assistant principal's office, fill out an absence excuse card and have it accepted. Then the student's absentee slips are stamped and given to him. His permit to re-enter class is the stamped absentee slip, and he must have the same number of slips as periods marked against him by the teacher.

If a pupil is tardy, he must go through the same office, fill out a tardy card, and have a permit from the assistant principal before he can enter his class.

All absentee and tardy excuse cards made out by the student are filed, thereby keeping complete attendance and tardy record of each student.

The home teachers go to their home room boxes at the end of each day and check all students reported. They keep a permanent attendance record for each student.

## Colorful Posters Brighten Dark Corridors

Posters, posters everywhere, every shape, color, and size. Such was the condition of the high school halls for several days before the carnival which was held last Friday night.

There were posters advertising every detail, large or small, of the carnival. "Go by the crazy house," "Eat popcorn with juniors," "You'll be sorry if you don't throw at the dolls," are just examples of the hundreds that hung in the halls.

**Annual?**  
**Lady Lits Society Meeting Postponed**

The Lady Lits Society will meet at the home of Annabelle Holloway, six miles north of Pampa, on Thursday evening. The date was changed from Monday because of the illness of several members.

Girls are asked to meet at the home of the club sponsor, Mrs. Hol Wagner, 221 N. Gillespie, at 7:15, where cars will be provided.

Membership will be closed for the year after this meeting.

The program will center around Christopher Morley, whimsical novelist and essayist. Reviews of two of his books will be given by Wilma Willis and Edith Melton. They will review "When the Blue Begins" and "The Haunted Bookshop."

President Dorothy Jane Day will preside at the business session. A design for the club pins will be selected.

## CARNIVAL NETS ABOUT \$165 FOR ANNUAL FUND; SALE OF BOOKS TO BE PUSHED NOW

### Egypt Is Subject Of Travel Talk

An illustrated travel talk on Egypt was given by Lieut. C. Vincent Hall in assembly yesterday morning in the city auditorium.

Lester Aldrich, local voice instructor, sang three numbers: "Home On The Range," "A Brown Bird Singing," and "On the Road to Mandalay," and humorous encore. He was accompanied by Howard House.

The Rev. John Mullen, pastor of the First Christian church, introduced Lieut. Hall, who is a world traveler, archaeologist, minister, author, retired and disabled officer of the World War, and lecturer to the British troops in Egypt and Palestine by command of Field Marshal Viscount Allenby.

Lieut. Hall showed slides in natural color of the pyramids and tombs of Egypt and the ruins of ancient Egyptian cities, which he personally has visited. He was with the expedition which opened the tomb of King Tut.

Lieut. Hall is giving a series of lectures at First Christian church. No assembly will be held tomorrow, the date of this week's program having been changed to enable students to hear Lieut. Hall.

**JAMBOREE IS BROADCAST**  
Winston Savage with part of the high school band broadcast another Harvester jamboree last Thursday afternoon over station KPDN. The time was spent in ballyhooing for the carnival and today's football game. Ernest Caba also assisted.

Approximately \$165 profit was made at the high school carnival. The proceeds are to go to the financing of the annual this year.

Mrs. Hol Wagner, faculty advisor for the annual, said yesterday that sales of the annual must be pushed. Students do not realize that the goal of 300 annuals sold at \$2 apiece must be reached before the book can be put out. She states that the money raised by the carnival and by other means should be used for the improvements on the book.

The book planned for this year is to cost about \$3 per copy and is to be sold to students for \$2. So far only 75 books have been sold. A part of the proceeds from today's game will also go to the annual fund.

### Students Assist in Santa Day Parade

Pauline Gregory, Roy Showers, and the high school band were prominent figures in Pampa's Santa Day parade last Saturday. Pauline and Roy were chosen by popular vote to ride on the float with Santa Claus.

Robert Kilgore, drum major of the band, exchanged his baton for an iron pipe and received much comment from the crowd for the way he handled it.

Other features of the parade were the McLean band, Woodrow Wilson band, the LeFors band and drum corps, and the grotesque papier-mache figures of Andy Gump, Happy Hooligan, Mut, Jeff, and other well known characters of the comic strips.

## WHAT IS YOUR FUTURE?

Are you giving any thought to the question of what you want to be? You seniors who are going to walk across the stage next spring to receive your diplomas. What comes next? Do you know? Are you going ahead in some line of work, or will you merely drift along and become a Mr. Nobody? No intelligent person wishes to have that name. It is not too early for sophomores to begin thinking of these things also.

Several of the women's clubs of the city are trying to help us. The American Association of University Women is sponsoring monthly vocational guidance teas for senior girls. The high school Parent-Teacher Association is cooperating in this. The Business & Profes-

sional Women's club works toward vocational assistance of high school girls. As yet very little has been done for both boys and girls in Mrs. Hol Wagner's senior English classes, where students are doing research work for term themes on vocations in which they are interested. In connection with this, room 205 has an exhibit of 100 pictures of people at work in various occupations, with notes on the various occupations attached. Many magazine and newspaper clippings along vocational lines are also posted on the boards. The school library has in the past few years built up a large collection of vocational guidance material.

But all of these things will be of little value unless the students themselves do some thinking and planning now about their future.

## TO OUR ELDERLS:

Many of you have heard the state that "the younger generation is going to the dogs." The older people of our community insist on saying this about our high school students, but still they make no effort to alter this situation in the least.

In reality, who is to blame for the high school boys and girls going to night clubs and gambling places? Do not older people own and operate these places? And still the insistent complaint about P. H. S. students often by parents. We resent it when we are not altogether to blame. If the good social workers and leading citizens of our town had provided us with some clean amusement, then

we should be at fault for not using it, but have they? They consent to sit back and do nothing but think of building race tracks and a city lake, which will be of very little value to the majority of Pampa citizens.

The sight of young school boys and girls being thrown out of night clubs drunk is nothing uncommon. We are willing to admit they don't go there, but when they can not find any other form of amusement, they resort to that.

P. H. S. students have no decent place to go to see the movies, and very little of anything to do at night. We appeal to you, the citizens of Pampa, to aid us in this very grave problem.—Roy Lee Jones.

## HEALTH PRECAUTIONS URGED FOR SCHOOLS

Because of the prevalence of scarlet fever, school authorities last week passed a ruling that students who have been absent from school as long as three days will be readmitted only on presentation of a health certificate signed by a doctor and the school nurse.

Scarlet fever warnings were issued to all high school students last week by Miss Llewellyn Shelby, school nurse. Precaution on the part of every student was urged to help check the spread of the disease.

Unless the spread of scarlet fever and other contagious diseases is soon checked, it will become necessary to close the schools.

Teachers have been asked to keep the rooms well ventilated at all times and to throw the windows wide open between classes. Students are not to close the windows without permission from the teacher in charge.

Some of the symptoms of scarlet fever are colds, headaches, and fever. Miss Shelby suggested the regular use of an antiseptic mouth wash to help guard against colds and sore throat. In case of a headache and fever, she advised staying out of school and consulting a doctor. Those who have been exposed to scarlet fever are required to stay out of school nine days, until it is certain that they have not contracted the disease.

**Jr. Class Attends  
Football Picture**

About 100 members of the junior class and their sponsors attended a theater party last Monday evening and played games afterward.

A humorous football picture, "The Big Game," was the feature attended at the Rex theater. Following the show, the juniors went to the gym to play games. Candy in cellophane bags was served.

Class sponsors Miss Anne Louise Jones, Winston Savage, Miss Alice Short, Ernest Caba, and Miss Gracie Fern Latimer were in charge of the affair, along with President Tippy Reynolds.

**Annual?**  
**MATTIE BROWN WITHDRAWS**  
Mattie Brown, a junior, withdrew from school Friday to go to Mineral Wells, Texas. She plans to return to Pampa about April 1.

Mattie was a popular student in P. H. S. She was president of the Girls' Athletic Association, secretary of the Home Economics club, and a member of the Lady Lits and the Creative Writers' club.

## Citizens Donate Food and Money For Cafeterias

Citizens of Pampa are generously donating food and money to aid in furnishing lunches for underprivileged children, according to Mrs. Lillian A. Blythe, who is in charge of receiving donations for all school cafeterias.

Checks have been given by the Auxiliary of the V. F. W. and the Business and Professional Women's club. Bob McCoy, G. C. Malone, and Mel Davis have each donated beef. Mrs. Ed Cassada has given canned fruit and vegetables. Numerous other contributions have been made, some to the various schools.

Large numbers of children who previously have been forced to do without lunch are now being taken care of in the various schools of the city.

**Annual?**  
**Harvesters Start  
Cage Work Outs**

Will the Harvester basketball team be as good as last year's? This question has been asked by a great many people who are concerned about the prospects who received their equipment yesterday.

Only two boys, Ivan Noblitt and Albert Ayer, are back from the team that lost only four out of 26 games played last season. The Harvester season ended when the boys lost the final game to Carey at the regional tournament.

Although yesterday was the first time the boys worked out, Bob Curry, assistant basketball coach, is going to try to whip the team into shape for the invitation tournament to be held at Perryton this Friday and Saturday. Boys failing in their class work will not be eligible to attend.

Those who have reported to the court for practice are Albert Ayer, Woodrow Clemens, Jiggs McDonald, Doyle Enloe, Junior McKay, Richard Kilgore, James Dewey, Jack Cunningham, Glen Dull, Norman Cox, Glen Maxey, Glen Jordan, Jim Brown, Woodrow Brown, Ivan Noblitt, and Claude Heiskell.

# PANHANDLE BACKFIELD TO HAVE WIDE WEIGHT MARGIN OVER FLOMOT'S

## LONGHORN LINE TO OUTWEIGH BIG PANTHERS

### FRIDAY FOES WILL BE EVENLY MATCHED AT McLEAN

Two evenly matched teams will take the field Friday afternoon at McLean when the Panhandle Panthers of Coach Pat Gerald meet the Flomot Longhorns coached by W. D. McWilliams. Game time will be 2:30 o'clock and the championship of Region I, Class B, will be at stake.

Both teams are undefeated in a 10 game schedule. Flomot, however, has been tied twice but won both games on the record books. Only one comparison of the strength of the two teams can be figured but it is an interesting one.

Early in the season the Flomot Longhorns under the Estelline Cubs 33 to 13. Later the Estelline eleven came back to romp over the White Deer Bucks. Panhandle in turn took the district championship from the White Deer team.

Flomot's victory over Estelline was before the Longhorns hit their stride. From that game on the team from Motley county continued to show improvement.

Many Panhandle fans may not know anything about Flomot. The town is located in the northwest corner of Motley county. The Motley high school has 90 pupils. From that number Coach McWilliams could get only 16 football prospects. He took that number of boys and whipped them into a district championship eleven and then to bi-district champions with a first-down victory over Wheeler last week.

The starting eleven players are probably the most uniform in the state. There is one small boy on the team, Brown, a fleet halfback who weighs 135 pounds. The largest boy is Gilbert, 170-pound guard. Other boys weigh between 150 and 165 pounds, giving the team an average of 156 pounds per man.

Panhandle's great Panthers are well known in this section. The backfield is big and works behind a small but hard charging line.

Connie Sparks, giant quarterback, leads the weight column with his 180 pounds, closely followed by his 170-pound cousin. The Panhandle line has a giant in Barrett, 210-pound tackle, but other members are small. The team average is 159 pounds.

Comparison shows Panhandle having a wide advantage in weight in the backfield with the Longhorns being slightly heavier in the line. Panhandle's weight in the backfield will be 640 pounds compared to Flomot's 590 pounds, or the same difference as between the Panhandle and Perryton backfields. Perryton, like Flomot, had the weight advantage in the line.

Flomot will present one of the fastest backfields to be seen in this section in some time, scouts report. In light, 155-pound halfback, Flomot has one of the trickiest ball carriers in the Panhandle. He has been compared with the great Mayes of Amarillo. Amoret, fullback, is another sensational ball toter with terrific driving power in his 165 pounds. Quarterback Bourland has been outstanding all season as has been the midget Brown. W. Bourland and Wedemen ends, excel on defense but can also be dangerous as pass receivers. Clay and Bynum hold down the tackle assignment with Landry and Gilbert crack guards. Thomas is the center. Five reserves round out the squad.

The Sparks of Panhandle are known the state over. Crawford, an equal to either when he gets started is the other ace ball carrier. Smith, fullback, excels at blocking and at picking up needed short yardage.

Paul and Eagle, ends, are dangerous pass receivers and good on defense as well. Barrett and Sterne, big and little of the line are the fact. How and Anderson two of the best guards in the country, especially on defense. Eagle is the center and a pass defense expert.

## Deal Disposing Of Dizzy Dean May Be Closed Today

### Giants, Pirates and Reds Seeking His Services

NEW YORK, Dec. 8 (AP)—Several important deals, including the much publicized transportation of the great Dizzy Dean to New York, Pittsburgh or Cincinnati, were expected to pop today as the major league moguls opened their winter meetings.

The nabobs of baseball were reported ready to fire on all fronts with trades and purchases involving a score or more of major league players. The Giants even went so far as to send out word there would be an announcement of a deal but wouldn't give a hint as to what it would be.

This was the setup of supply and demand:

**National League**  
St. Louis—Vice-president Branch Rickey is using all his salesmanship to peddle Dizzy Dean, but wants plenty of cash and a whole ball club in return.

New York—The Giants have made a deal, possibly with the Phillies for Lou Chiozza and Dolph Camilli for cash and Hank Leiber. They need a third sacker badly and another pitcher.

Chicago—Must have more punch. Want Leiber and would give up third baseman Stanley Hack and maybe a pitcher.

Cincinnati—Need a pitcher and an outfielder who can hit.

Pittsburgh—Need a catcher badly and hot after Dean. Willing to trade almost anyone on the club to get new faces.

Boston—Everyone is a bit afraid of dealing with shrewd Bob Quinn, who has Wally Berger on the block—if he can get what he wants. That is plenty.

**American League**  
New York—Manager Joe McCarthy would like a pitcher but would like to buy him with cash.

Detroit—The Tigers need a good pitcher and have been offered Wesley Ferrell by the Red Sox, Buck Newsome by the Senators and John Whitehead by the White Sox.

Washington—After a good pitcher like Auker and a catcher like Rolfe Henzley of the Browns or Frank Pfyak of Cleveland. Ready to trade Buck Newsome.

Boston—Hot after Pinky Higgins of Philadelphia for third base in exchange for Bill Werber and cash. Would trade pitcher Wesley Ferrell for what he wants.

Cleveland—The Indians are eager to do some house cleaning with Joe Vosmik leading the moving day procession. Trying to swing a deal with the Browns with Vosmik and Bill Knickerbocker as bait.

St. Louis—For some reason Rogers Hornsby is anxious to get rid of Henzley and Flea Clifton. Wants infielder in the line.

Philadelphia—For the first time in memory of man, Connie Mack isn't interested in money. He's ready to trade but says he must have players, not cash, but the club owners can't believe him.

## KID CHOCOLATE LOSES BOUT WITH PHIL BAKER

NEW YORK, Dec. 8 (AP)—To most of the boys in the fight racket, Kid Chocolate, whose comeback drive was nipped in the bud by Norwalk Phil Baker last night, was just another washed up guy named Joe today, but the sleek black boy with the well-groomed hair refuses to be counted out.

"I guess I didn't look so hot, at that," said the 25-year old veteran who once held the world featherweight and junior lightweight titles, "but I'm not through."

"Maybe that tough fight with Baker was just what I needed. I'll ask for another chance."

Once a skillful, hard-hitting performer, the kid started on the down trail a few years ago when Tony Canzoneri knocked him out in two rounds. It was the bon bon's first knockout in more than 200 fights.

## 33 MILLIONS TO BE SPENT ON COLORADO

### INVESTMENT WILL PAY LARGE DIVIDENDS, EXPERTS SAY

(Editor's Note: Following is the last of two articles on the Colorado River Flood Control program, one of a series of similar plans throughout the state by the Associated Press. Others will follow until a complete picture of Texas flood control is presented.)

BY WILLIAM A. KEYS.

AUSTIN, Dec. 8 (AP)—Advocates of flood control on the Colorado river which will cost eventually more than \$33,000,000 believe the program is an "investment" that will pay large dividends.

The cost is not great. It was pointed out, when the river's \$2,000,000 average annual property damage is considered. Add to this its toll of human life—63 since 1915, and the expenditure is justified readily, they say.

As by-products of flood control, reclamation of land and power production eventually will yield a "return" on the investment, it is estimated.

Several agencies are contributing to control of the river's frequently dangerous waters. In almost every instance the benefits are calculated to extend beyond flood protection.

In Coke county, part of the upper Colorado river authority engineers estimated 50,000 acres of grazing and crop land would be irrigated as a result of a \$26,000,000 dam and reservoir on the Colorado, 10 miles above Robert Lee.

Marvin C. Nichols, engineer for the authority, said it was estimated livestock and forage crop production would be doubled as a result of stable water supply.

The central Colorado river authority which embraces Coleman county plans a series of some 25 small and four larger reservoirs on tributary creeks to the Colorado which aside from holding back excess water from the Colorado would provide water supply to numerous towns and ranchmen.

The Brown County Water Control and Improvement District, which built at a cost of \$1,500,000 a dam on Pecan bayou, now contemplates construction of a canal at \$1,000,000 additional cost to extend irrigation to some 40,000 acres.

Major phase of Colorado flood control, the lower Colorado river authority, has as an incidental feature the reclamation of 100,000 acres of crop lands in the rice country of its lower reaches.

While hydro-electric power production is not a definite part of the plan, the four dams within the

## GULDAHL TAKES HIGH SHARE IN BILTMORE

CORAL GABLES, Fla., Dec. 8 (AP)—The sun kissed young men who follow the winter golfing trail for a living turned today a \$4,000 goal in the Bahama Islands today after pocketing \$10,000 from the Miami Biltmore's seventh annual open.

Ralph Gulda, husky St. Louis automobile salesman, rode high among the money seekers who put to sea for the 72-hole Nassau open play starting Saturday.

Gulda captured the \$2,500 top share of the Biltmore yesterday and this added to his \$1,000 first prize from the Augusta open of the week before.

He posted 73 for the 72 holes, two strokes better than Horton Smith of Chicago. Gene Sarazen of New York and Harold "Jug" McSpaden of Winchester, Mass., tied at 286, split third and fourth money of \$1,750.

## JACK TORRANCE KNOCKS OUT FOE IN ONE ROUND

NEW ORLEANS, Dec. 8 (AP)—Louisiana's athletic man-mountain, Jack Torrance, opened his boxing career with a one-round knockout over Owen Flynn, Augusta, Me., heavyweight.

Ripping left jabs split Flynn's face before last night's fight was two minutes old and then Torrance laid him out with the right hand he used to toss the shot 37 feet and one inch for a world's record.

Torrance weighed 266 60 pounds less than he did in the last Olympics. Flynn weighed 204.

## APPEAL FOR SOLDIERS MADE BY ARMY MAN

Uncle Sam still has room for eligible young men in his army, according to an appeal for enlisted men made today by Sgt. Robert E. Forsythe, army recruiting officer, stationed at Amarillo.

There are vacancies to be filled in the medical corps at Denver, and in the infantry at Cheyenne, Wyo. Descriptive pamphlets of these places may be obtained by writing to Sgt. Forsythe, 339 Postoffice Bldg., Amarillo.

Age limit is from 18 to 35 years and applicants must be physically and mentally fit.

## FREEZING AT EL PASO

DALLAS, Dec. 8 (AP)—El Paso was the only regular weather bureau reporting with freezing temperatures today as a cold wave which invaded Texas during the week-end abated.

This far west Texas city had a minimum of 32 degrees. Government forecasters predicted fair and warmer weather for East Texas tonight and partly cloudy conditions Wednesday; fair weather for West Texas with slightly higher temperatures in the southeast portion.

## NO HESITATION

CHICAGO—Her husband fell in love with another woman merely because she resembled his mother, Mrs. Lorraine Bruce Scordato, 23, told Judge George F. Birstow. The judge granted a divorce.

## MINNESOTA IS RANKED FIRST BY DICKINSON

CHAMPAIGN, Ill., Dec. 8 (AP)—Minnesota's mighty football machine, under the Dickinson rating system, ranks today as the nation's No. 1 eleven.

The Golden Gophers, even though defeated 8-0 by Northwestern, were given a rating of 23.77 points. The system was originated by Dr. Frank C. Dickinson of the University of Illinois. In second place, more than a point back, was Louisiana State university's undefeated and once-tied team.

The national ratings.

Team	W	L	T	Points
Minnesota	7	1	0	23.77
Louisiana State	9	0	1	22.50
Pittsburgh	7	1	1	22.28
Washington	7	1	1	21.34
Alabama	8	0	1	21.01
Northwestern	7	1	0	20.87
Notre Dame	6	2	1	20.18
Santa Clara	7	0	0	20.06
Duke	9	1	0	20.04
Pennsylvania	7	1	0	20.00
Nebraska	7	2	0	19.82

Prof. Dickinson said that Santa Clara, only undefeated and untied major eleven in the nation, would drop from the first 11 if it should lose to Texas Christian Saturday. Duquesne would take over 11th place and Nebraska, Pennsylvania and Duke would move up a notch apiece.

## Arkansas and SMU Won't Play in 1937

FAYETTEVILLE, Ark., Dec. 8 (AP)—The Arkansas Razorbacks, Southern conference champions, will meet five conference foes next season.

An incomplete schedule with open dates of Sept. 25, Oct. 23 and Nov. 13 was announced as follows:

Oct. 2, Texas Christian at Fayetteville; Oct. 9, Baylor at Waco; Oct. 16, Texas at Austin; Oct. 30, Texas A&G at Fort Smith, Ark.; Nov. 6, Rice at Houston; Nov. 20, George Washington at Little Rock, Ark.; Nov. 25, Tulsa University at Tulsa.

A game with Mississippi State at Memphis may fill one of the open dates.

## MISSISSIPPI STATE TO PLAY DUKES AT MIAMI

MIAMI, Fla., Dec. 8 (AP)—Football teams from Mississippi State and Duquesne university will meet New Year's Day in the annual Orange Bowl game.

Chairman W. Keith Phillips of the Orange Bowl committee announced today the Mississippi State Maroons had accepted a bid to represent the south in the intercollegiate battle.

Duquesne, which agreed last week to play in the Orange Bowl, gave Pittsburgh and Marquette their only defeats of the season. The Dukes were defeated only by Detroit and West Virginia Wesleyan.

Mississippi State lost to Alabama and Louisiana State university.

## COLLEGES DISCREET TOWARD SUBSIDIZING

NEW YORK, Dec. 8 (AP)—A discreet silence marks the current attitude of this country's colleges toward those old bugbears, subsidizing and recruiting.

In the Big Ten and the Southern Conference, both subjects either have, or will, come up for formal discussion but elsewhere there was small response to a nationwide Associated Press poll designed to discover just what developments could be expected along these lines.

The Southern conference has just completed its first football season under the "Graham plan"—aimed at elimination of subsidization and recruiting—and will decide its fate in annual sessions Friday and Saturday at Richmond.

Frank Graham, president of the University of North Carolina and author of the plan, plans to press for further tightening of the rules but Forest Fletcher, of Washington and Lee, president of the conference, has said that all members of the conference have been violating the plan in "spirit" and that he will seek its abolishment.

The Big Ten turned down the "Reynolds plan" for a legalized modified subsidization the other day 9 to 1.

## STIDHAM SELECTED TO SUCCEED BIFF JONES

NORMAN, Okla., Dec. 8 (AP)—Tom Stidham, line coach, a native of the state, was the University of Oklahoma's choice today to succeed Maj. Lawrence (Biff) Jones, as athletic director and football coach.

Stidham was given a two-year contract at \$5,000 yearly following his selection by the board of regents upon recommendation of Jones.

Stidham declined to name his new assistant, but said members of the present coaching staff will be retained. These include Robert (Doc) Erskine, backfield coach; Frank (Spec) Moore, end coach, and Lawrence (Biff) Jones, coach.

It was established on the Rio Grande about 1713, near the present city of Eagle Pass by Fathers Hidalgo and Salazar to serve both as a mission and as an entrapment into the Texas province after the East Texas Spanish missions had temporarily been abandoned.

THIS CURIOUS WORLD By William Ferguson

A WHIP-POOR-WILL'S EYES SHINE AT NIGHT LIKE THOSE OF A CAT

TOPEKA, CAPITAL CITY OF DRY KANSAS, HAS A GREATER ANNUAL RAINFALL THAN LONDON, ENGLAND. A CITY NOTED FOR ITS DRIZZLING RAINS AND FOGS.

THE average annual rainfall in Topeka, Kan., is 33 inches, while London has but 24. London has frequent rains, but only a small amount at any one time, while Topeka has heavier rains, with long spells of dry weather between.

NEXT: To what strange use are grasshoppers put in Sweden?

Carnival Sights

Making the rounds of the carnival last Friday night, we first visited the gym, where the delicious odor of hamburgers (Notice Mr. DeWessey tempted us into spending a dime with the juniors. To our left we heard Rex Rose and Mickey Ledrick using two good pairs of lungs to get customers for the senior bingo table.

While watching this fascinating game, we saw Claudine Sylvis win a can of car polish, Jack Hessey a bag of candy, and Mrs. J. B. Austin a can of car topping. E. N. Dennard calling the numbers for the bingo table was good enough for a professional.

On the north side of the gym Sherman Morgan and Albert Ayer kept a crowd around them throwing baseballs at the dolls. The dolls seemed to be champion. At a crowd was throwing balls into jars.

Fortune Tellers
Next was one of the three fortune tellers, none other than Archer Fulming, with green head gear and painted face, telling people their future and making them believe it.

Nearly by the popular penny pitching booth, where some spent small fortunes. Large numbers gathered around the roulette wheel. A couple of loud barkers kept the fish pond doing a heavy business. The popcorn machine wasn't idle a moment during the evening.

Two live ducks in a bathtub furnished the crowd's great amusement. Another very popular attraction was the crazy horse sponsored by the Girls Athletic Association. The Archæology club's cobweb booth, with a gift attached to every strand of the web, seemed to fascinate the crowds.

Just then a deep voice advised the crowd not miss the greatest show on earth, the Follies. We decided to visit the Follies after taking a peek at the baby boys. The Follies, with the pep squad. Almost deafened by the incessant cries of the barkers (who we hope are able to talk again by now), we went to the red building to take in the Follies. And when a show! Imagine our surprise when all the boys turned out to be husky football boys. The Follies put on a great performance. With Arvo Goddard as Bob Burns and Jack Hessey as a rival of Sally Rand doing a balloon dance, the Follies made a big hit. To the surprise of Director Winston Savage, nary a tomato was hurled stageward during the show.

From the Follies we went to the pep squad's night club. The room was gay with serpentine and confetti. With such performers as Ina Rae Hutton, Ruby Kessler, Kate Smith, Sally Barkley and others, the night-clubbers were well entertained. There were plenty of admirers to return Sally's oft-dropped fan. Jackie Bragg as master of ceremonies turned the spotlight on celebrities entering the night club. Among the well-known persons attending were Mrs. C. T. Hunkapiller, Mrs. Lee Ledrick, E. N. Dennard, Mr. and Mrs. Frank Monroe, Bob Curry, and Carl Smith.

Baby Show
By now the hour was growing late, and we were disappointed to learn that the Sports show had closed, though we did buy a copper

Christmas card and a bit of pottery from a Mexican curio seller. The baby show with baby pictures of all the Harvesters and many other P. H. C. celebrities was a scream. One of the best performances in the entire carnival was the marionette show put on by Jack Johnson for the juniors.

Peace Essays for Legion Auxiliary Due Next Tuesday
Next Tuesday is the deadline for entering essays in the contest sponsored by the Ladies' Auxiliary of the American Legion. A cash prize of \$25.00 will be presented to the winning student.

Security Through Adequate Defense is the subject. Essays are to not exceed 1,000 words and are to be either typed or written in ink on one side of the paper. Students are asked not to write their names on the contest entries but to attach them on a separate slip of paper. Full details of the contest are posted on the front bulletin board.

The contest is being sponsored by the English and social science departments. Mrs. Hol Wagner, head of the English department, urges participation in extra events, such as essay contests and other things not required as a part of class work, represents loyalty and service to the school and as such is given great consideration in selecting students for the National Honor Society and other honors.

# GARY EXPLAINS FEE SITUATION

## SAYS SYSTEM CANNOT BE INSTALLED TILL FIRST OF YEAR

Belief in some quarters that it has been definitely settled by Gray county commissioners court that precinct officers will be placed back on the fee system the first of the year prompted County Judge C. E. Gary to make a statement today to clarify the situation by stating the issue cannot be settled until the first meeting of the commissioners court in the new year.

"Because the impression has gone out that the present court has already settled the issue whether precinct officers should be on salary or a fee system," Judge Gary said, "I think it should be known that the state law provides that this matter cannot be settled except on one day of the year, and that is the first regular meeting in January of each calendar year."

When commissioners drew up the county's 1937 budget several weeks ago provisions were not made for precinct officers salaries.

"This does not mean, however," Judge Gary said today, "that the new commissioners court cannot amend the budget if it wishes to make arrangements for keeping the officers on the salary system."

"Present commissioners felt that they could not at this time appropriate enough money, and still keep the county out of the red, to keep the precinct officers on the salary plan," Judge Gary said.

It is not definitely known what action will be taken on the matter when it comes up for decision at the first 1937 meeting of the commissioners court on Monday, Jan. 11. "I just want to make it clear," Judge Gary said, "that there has been no definite decision made in the matter of the method that will be used to pay precinct officers next year."

**PARMER COUNTY ROAD WILL BE AUTHORIZED**

On the eve of a meeting of Highway 60 association in Amarillo came the announcement that construction of 40 miles of grade and drainage through Parmer county would be authorized at the December meeting of the Texas Highway commission.

The association meeting was scheduled for today in Amarillo. J. S. Wynne and T. F. Smalling, Pampa Board of City Development representatives, and probably two or three other good road enthusiasts were to attend the meeting.

Paving of that particular gap in U. S. Highway 60 was to have been one of the major points of discussion at today's meeting, it was learned here.

The two Pampa men were also scheduled to attend a meeting of Pampa citizens interested in flood control and water conservation. Mr. Smalling is a member of the lake committee named by the Pampa Board of City Development to start work on a lake for this section of the Panhandle.

Dams to create lakes, which would serve the dual purpose of checking water erosion and provide a supply for dry periods; development of wells and reservoirs and building of small irrigation systems are measures recognized by the government as necessary for this section.

**CHICAGO GRAIN**

CHICAGO, Dec. 8 (AP)—Late reactions because of heavy selling to realize profits carried today's prices down today at some stages to well below yesterday's finish.

July wheat, which represents the 1937 domestic crop, was inclined to drag on price bulges, and rather easily led reactions. Very little was heard regarding new export business in Canadian wheat today.

Wheat closed unsettled, at the same as yesterday's finish to 1/2 lower, Dec. 1.25 1/2; May 1.21 1/2; corn 1/2 down, Dec. 1.08 1/2; May new 1.03 1/2; oats 1/2 up, and provisions unchanged to 15 cents advance.
