Pampa Tax Office Burglar Suspects Held In Jasper

Captured Newlyweds Under \$10,000 Bond

Two suspects in the \$354.39 burglary of the Pampa City tax office on March 13 were in jail at Jasper in Jasper County last night.

They are Edward Jack Bezek, 37, of Fort Wayne, Ind., and his 29-year-old wife, whom he married in Tyler the day following the Pampa robbery. Both are charged jointly with burglary and are being held under \$5,000 bond each, according to Chief Deputy R. C. Powell of the Jasper County Sheriff's department.

Chief Deputy Powell said they found a map in Bezek's possession on which towns were marked where tax offices in Texas had been robbed. These included Pampa, Jasper, Canadian, Memphis, Bosque and Daingerfield, Powell stated.

According to Jasper County authorities Bezek and his woman companion had been traveling together for some time before their March 14 marriage in Tyler.

The Jasper County tax office in Jasper was robbed of \$384 on Feb. 25.

All of the tax offices were hit during the noon hour when they were closed while employees went to lunch.

Chief Deputy Powell said the sheriff's department had been furnished by three witnesses with a good description of the man who robbed the office there and was seen leaving the court house and getting into a 1962 Pontiac with Florida license plates.

This same automobile was seen in the vicinity of the tax offices robbed in several other towns.

The Jasper County chief deputy said the arrest of the pair came Friday noon when a witness in a store across the street from the court house spotted the car and the same man he had seen leave the court house at noon on Feb. 25, when the tax office there was burglarized.

According to the witness, Bezek was looking at the court house through a pair of binoculars a few minutes after 12 o'clock noon, Bezek left his car, the witness said, and headed for the court house. The woman remained in the car. The store owner called the sheriff's office.

It so happened that the tax office was so busy selling auto licenses yesterday that it was not closed at the noon hour as usual. (See SUSPECTS, Page 3)

Soviets Renew Offer Of U.N. Controlled Berlin

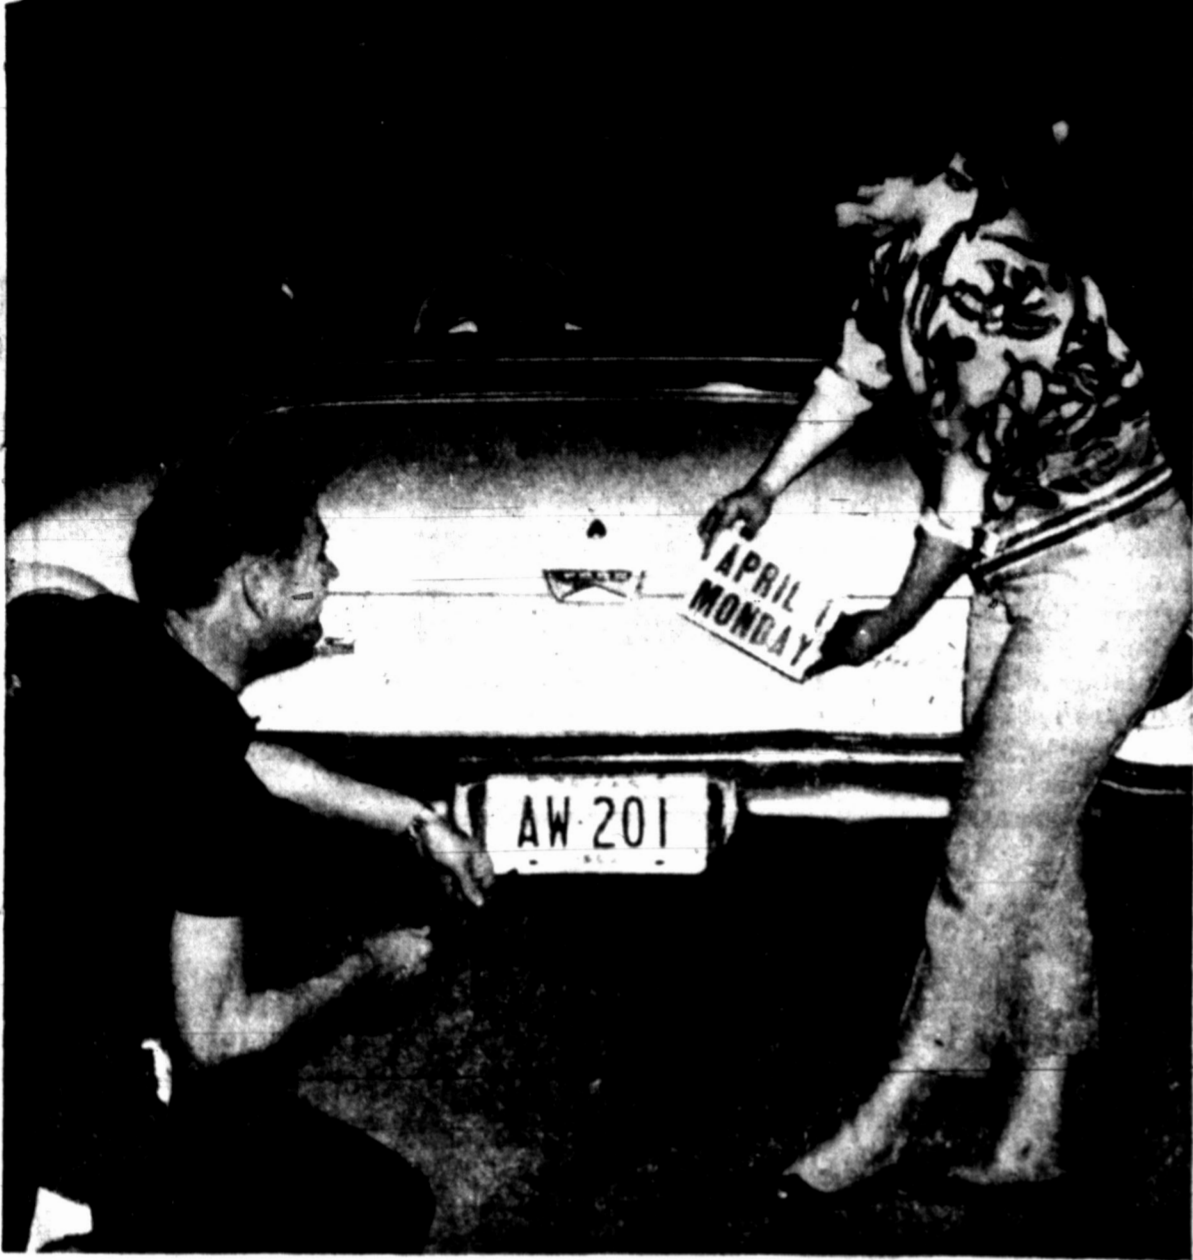

WASHINGTON (UPI) — The Soviet Union has renewed its proposal that the Berlin problem be "solved" by handing over the Allied western sector to the United Nations, diplomatic officials disclosed Saturday.

The United States, they said, continues to consider the idea totally unacceptable since it appears to be a device to pave the way for eventual Communist domination of the Red-encircled free world enclave. It also would apply only to the Allied Western part of the city, leaving East Berlin solidly under control of Russia and its East German satellites.

Officials said the suggestion advanced in various forms over the past two years, was presented again by Soviet Ambassador Anatoly F. Dobrynin during his Berlin talk with Secretary of State Dean Rusk March 26.

It was the first Soviet-American discussion on the simmering Berlin issue since talks on the subject were interrupted last October by the Cuban missile crisis.

American officials had more or less expected Dobrynin to repeat the proposal. Soviet Premier Nikita Khrushchev, in a message last January to West German Chancellor Konrad Adenauer, asserted that the best way to defuse the Berlin issue would be to "replace the NATO flag with the U. N. flag" in the Western sector now occupied by U.S., British and French military forces.

JUST ONE MORE DAY — He really didn't need the reminder himself, but J. L. Poff, 2107 Coffee, joined with his wife, Sandra, in pointing up this gentle hint that Monday is the last day on which you can use your 1962 license plates without risking a penalty. County Tax Collector Jack Back says motorists have all day tomorrow to buy the 1963 plates and get them on their cars. Beginning at midnight Monday your '62 plates are no longer valid. (Daily News Photo)

Type III Vaccine

Sabin Clinics Scheduled Today

Mass-immunization clinics for the Sabin Oral Polio vaccine, Type III, are scheduled to be held here today from 1 p.m. to 5 p.m.

The vaccine will be administered at the Stephen F. Austin, Horace Mann and Baker elementary schools, under the direction of the Top O' Texas Medical Society and the Pampa Jaycees.

Persons desiring to take the vaccine have been asked to bring with them registration cards, showing that they have received the Type I and Type II vaccine. The cards are not, however, obligatory according to Melvin Jayroe, chairman of the program.

It was emphasized that persons

who have taken either the Salk or the first two types of the Sabin vaccine should still take the Type III, to insure complete protection.

Two Die In Tucson Blast

TUCSON, Ariz. (UPI)—At least two persons were killed and a dozen others seriously injured when an explosion and fire ripped through a cleaning establishment here today.

The dead were not immediately identified.

The force of the explosion completely razed the main plant of the Supreme Cleaners, smashing windows and toppling power lines in the area.

Firemen said some 50 persons were inside the building when the unexplained explosion occurred. Most of them reached safety but many were injured and nearly all were in a state of shock.

The fierce blaze that swept through the 75-foot building kept firemen from making a thorough search. One man was rescued from the basement after being administered oxygen and plasma while firemen dug away the debris that trapped him.

Thundershowers, Hail Storms Rake Panhandle Area

By United Press International
Hail raked the immediate Lubbock area at mid-afternoon Saturday. Thundershowers and thundersqualls covered most of the South Plains.

The U. S. Weather Bureau placed a 120-mile wide strip of the area under severe thundersquall alert.

Hot, dry winds whipped across the rest of the state from the near 100 degrees in the Southwest and into the 80s and 90s elsewhere.

Acuff, Tex., just 12 miles east of Lubbock, reported heavy hail about 2:30 p.m., and the weather bureau said it nearly covered the ground.

Mrs. George Railsback, a farm wife, said the hail at her home was about the size of peas.

Earlier in the day, lightning was blamed for a fire at Snyder that destroyed a furniture store. Lightning also was reported to have struck a church and started a grass fire.

against all strains of the Polio virus.

Type III has been given complete approval by U.S. Surgeon General Luther Terry, according to county medical officials.

No make-up clinic has been scheduled, and everyone in the Pampa area was urged to participate in today's immunization program Jayroe said.

Similar clinics are being held in major cities all over Texas today, as the final step in a series to wipe out the crippling disease in this state.

It has been announced that nurses and doctors will be present at all clinics during the administering of the vaccine.

The Jaycees, Boy Scouts, American Red Cross and Candy Stripes will also assist with the clinics.

QUAKE ROCKS TOKYO

TOKYO (UPI)—A light earthquake shook buildings in downtown Tokyo Friday but caused no injuries or damage, the meteorological agency said.

Skelly Oil Appreciation Day Is Set For April 25

Plans are underway by the Chamber of Commerce for Skelly Oil Company Appreciation Day here Thursday, April 25, in recognition of Skelly's overall contribution to the economy of the Pampa-Skellytown-White Deer area.

The 300 Skelly employees will be honored with a full schedule of events on the 25th including a membership luncheon of the Chamber with one of Skelly's top executives as the speaker, a plant visitation, a Merchants Appreciation Day with stores remaining open until 9 p.m. and other events.

The Skelly Day program is one of a series of special days to be observed by Pampans to honor and recognize the various oil companies and industrial firms operating in the Pampa area.

A list of Skelly Employees has been prepared by the Chamber of Commerce office, in cooperation with local Skelly officials, and will be available to all local business firms that would like to have a copy.

Complete details of Skelly Appreciation Day will be made available as plans unfold, chamber officials said Saturday. Reservations

Janitor At Post Office Charged In Mail Thefts

Gerhardt A. Sandweg, 43, of 1008 Crane Rd., was arraigned before U. S. Commissioner J. L. Bagwell in Amarillo Friday on a charge of theft from the United States mails.

Sandweg has been employed as a janitor in the Pampa post office for the last three years.

Postal authorities from Fort Worth, who arranged the apprehension of Sandweg, stated that he was observed at the post office in the act of removing money from an envelope. When confronted by the inspectors, they said, he admitted the theft and resigned his job in the federal building maintenance department.

The investigation was completed here Friday by Postal Inspectors R. T. Daily of Fort Worth and V. L. Bigley of San Antonio.

Postmaster O. K. Gaylor said Saturday complaints had been received at the post office of money mailed that had never reached its destination. This had been going on for several months, Gaylor said. Sandweg, according to postal authorities, denied he had been involved in any thefts except the Friday incident when he was apprehended.

Postal inspectors permitted the janitor to go to Amarillo by himself for appearance in the U. S. Commissioner's court. Commissioner Bagwell said Sandweg was released on \$250 personal recognizance bond and returned to Pampa Friday afternoon.

The case, Bagwell said, will be investigated by the Federal Grand Jury at Amarillo.

Postmaster Gaylor said the thefts in the local post office for the most part dealt with individual letters which contained small amounts of cash sent through the mails. These included money sent

Campaign Quiet In Local Election For City Offices

Pampa voters will go to the polls Tuesday to elect a mayor and four ward commissioners.

The mails were filled during the week end with letters from various candidates asking voter support in the city-wide balloting.

The campaigning has been on the quiet side so far with a few meetings in the individual wards. There was a report Saturday that there might be some development by tomorrow that possibly could involve questioning of the eligibility of one of the election officials.

The candidates in Tuesday's election are:

For Mayor — H. R. Thompson and Gene Lewis.

For Commissioner in Ward 1 — Jack Skelly and Dr. MacField McDaniel.

For Commissioner in Ward 2 — Jim Nation Jr. and Hobart Fairhere.

For Commissioner in Ward 3 — Leon Holmes and R. K. Parsley.

For Commissioner in Ward 4 — A. C. Troop and L. P. Fort.

Holmes and Fort in Wards 3 and 4 are the only members of the city commission seeking re-election.

Mayor E. C. Sidwell and Commissioners Lloyd Simpson and Will Graham in Ward 2 are not running for re-election.

Voting places in the Tuesday election will be as follows:

Ward 1 — City Hall.

Ward 2 — Fire sub-station, 17th St. and Aspen Dr.

Ward 3 — Ward's Cabinet Shop, 323 S. Starkweather.

Ward 4 — Fire sub-station, 1010 S. Barnes.

The polls will be open from 8 a.m. until 7 p.m.

City Secretary Edwin Vicars said Saturday that 86 absentee ballots had been cast in the Tuesday election when the deadline fell at 5 p.m. Friday.

Water Rate Amendment On Agenda

Consideration of an ordinance to amend Pampa's present water rate ordinance to give residential consumers a cheaper summer rate for watering lawns and gardens will be among items on the agenda at Monday night's meeting of the city commission.

The commission also will be asked to consider a resolution urging Congress to include Pampa fire department employees in Social Security.

Third and final reading of an ordinance levying assessments and closing the public hearing on the paving of S. Barnes St. is scheduled.

Also pending before the commission is an ordinance to raise Pampa water and sewer rates to meet the city's financial obligations to the Canadian River Municipal Water Authority. The ordinance was passed unanimously on two readings, and hit a 4 to 1 roadblock in two subsequent attempts to place the legislation on third and final reading.

Diplomats Say Castro Trying To Avoid War

HAVANA (UPI)—Western diplomatic circles Saturday interpreted Cuba's quick apology over the MIG-jet attack on a U. S. freighter as an indication that the Castro regime wants to prevent the Caribbean cold war from getting hot.

The diplomats noted that even before Washington complained about the incident, Cuba had sent a message inquiring if the vessel was American and then followed up with the apology and explanation that the two Cuban MIGs had fired "in error" on the freighter Floridian.

They said these actions were in sharp contrast with Cuba's handling of a similar incident last month when Cuban jet fighters fired on a Miami-based fishing boat.

US Cracks Down On Anti-Castro Refugee Raiders

WASHINGTON (UPI) — The government took intensive steps Saturday to prevent anti-Castro refugees from conducting hit-and-run raids against Cuba from U.S. territory lest they provoke armed conflict.

The State and Justice Departments announced the tougher new moves that will involve the Coast Guard, the FBI, the Immigration and Naturalization Service, and the Customs Bureau.

Officials said this meant more men, ships and planes would be used to insure that attacks such as the recent ones that blasted or strafed Soviet ships in Cuban ports do not stem from U. S. territory, including Puerto Rico.

The joint State-Justice department statement said the United States sympathized with the desire of Cubans to see their country freed from Castro's Communist control.

But the agencies said this country could not allow violations of U. S. laws or tolerate activities which might provoke armed reprisals, the brunt of which would be borne by the armed services of the United States.

Lists Actions

Officials said the following actions would be taken immediately to make certain that none of the attacks was "launched, manned or equipped from U. S. territory":

The Coast Guard, which carries out both sea and air patrols, will step up operations checking all suspect vessels putting out from Florida or nearby U. S. territory for Cuban forays.

The FBI will increase its investigations among Cuban refugee groups in the Miami area, particularly the more militant elements, to see who may be supplying money or other assistance for the raiders.

The Immigration and Naturalization Service will add more manpower to check the movements of Cuban refugees who might be

(See RAIDERS, Page 3)

Students Protest JFK's Speech

VALENCIA, Spain (UPI) — Three hundred students chanting "Yankee go home" demonstrated in front of the U. S. consulate Saturday against what they called President Kennedy's "insulting references to Spain in a speech in Costa Rica."

They carried banners asking for removal of U. S. air and naval bases.

The students threw a stone that broke a window of the all but deserted building during their 15-minute demonstration. Only three employees were in the building at the time. The others had gone for the weekend.

Kennedy, in Costa Rica earlier this month for a meeting with six Central American presidents, made the reference to Spanish history on the last day of his visit when he spoke to Costa Rican students. In a reference to Moscow Communist influence in the western hemisphere he said:

"We will never be secure in our hemisphere until the Soviet Union goes the way of George III, the Spanish conquerors, Maximilian and William Walker. Indeed it must and will."

Western observers said the Spanish students apparently misinterpreted his remarks.

A note delivered by the students said they were angry over his "insulting references" to Spanish colonialism in Latin America and that "that was not the best way to get Spain's friendship."

For lower cost local move, why not rent a truck from Bruce & Sons, MO 4-8887. Adv.

A Matter Of Vision

RACALE, Italy (UPI) — Erzelindo Schito, 40, told police Saturday that Ezio Troisi fired six pistol shots at him, missed each time, then took a closer look and said: "Sorry, I mistook you for someone else."

Three Killed By Giant Ice Chunk

BARRE, Vt. (UPI) — Three men were killed and two injured Friday when a giant chunk of ice fell into a quarry pit and crushed a warming shack where the victims had gathered for their morning coffee break.

The ice broke away from the Wells Lamson quarry wall and fell on the shack.

Police identified the dead as Frederick Keyser of Barre, George Williams of Woodbury and Richard French of Groton.

House Swings At JFK's Budget With 9% Slash

WASHINGTON (UPI) — The House Appropriations Committee took its first swing today at President Kennedy's record budget, lopping off 9 per cent of his request for the Interior Department and Forest Service.

Nevertheless, the economy drive on its first test fell short of the target which some conservatives insist must be met before Congress would be justified in yielding to Kennedy's plea for a \$1.7 billion tax cut.

The first regular money bill, which the committee sent to the House floor for action next week, carried \$935,650,000 for Interior and the Forest Service for the fiscal year starting July 1. This is \$18,000 less than Kennedy asked.

But the total is \$37,508,200 more than Congress made available for the same agencies last year.

The committee voted to boost funds budgeted by Kennedy for some programs including construction of additional camping and picnicking facilities in national parks.

It also approved more funds than were requested for continuing construction of fish hatcheries in Alabama, Arkansas, California, Tennessee, Virginia,

Missionaries Tell Of Life In North Rhodesia

The average American's conception of what Africa is like often is far afield from actual conditions there, according to James C. Shewmaker, Church of Christ missionary back in this country from Northern Rhodesia for the first time in 14 years.

Shewmaker, brother of Ott Shewmaker of Pampa, and his wife and 17-year-old son are making a tour of the Top of Texas area Churches of Christ reporting on their missionary activities.

Shewmaker gave an illustrated lecture at Friday's luncheon of the Pampa Kiwanis Club.

"Many Americans think of Africa as a dense jungle and bush country," Shewmaker said, "but this is far from true. Africa is awakening and its influence is going to be felt throughout the world in the years to come."

During his lecture, Shewmaker showed slides of modern cities and towns, dam projects, school buildings and other progressive steps being made, especially where the training of the missionaries and the cooperation of the British government have combined to promote these undertakings.

Shewmaker said, however, it will be another 50 years before the small African nations are ready to rule themselves with effective independent governments.

The Shewmakers, graduates of Harding College at Searcy, Ark., have been in Northern Rhodesia since 1939, having made only one prior trip back to the United States in 1948. They have been here this time since Feb. 22, making their headquarters in Pampa and traveling from here on their speaking tours in the Panhandle area.

Shewmaker is the principal of a white school on the 5,000 acre tract where the mission to which he is assigned is located. It is 80 miles from the modern town of Livingstone on the Zambezi River. There are 56 white pupils in his school.

Wall Street Chatter

NEW YORK (UPI) — Thomson & McKinnon reports a general feeling that stock yields and price-earnings ratios spell out no great bargain at present, despite the fact that dividends and profits and capital spending projections are in a readily discernible uptrend.

In any case, the house concludes, investment buying is still sporadic and highly selective.

Walter K. Gutman of Stearns & Co. notes that the market is in position to make an attack on the 1963 high-point reached Feb. 15. In his opinion, for the attack to be a success, the market must broaden out—in other words, industries such as steel and rubber which are strongly attached to the booming auto industry should begin to attract strong speculative attention.

Analyst K. O. Hooper of W. E. Hutton & Co. says it is interesting to note that although the market is now trading higher than at any time in five weeks "this is not anything even resembling an enthusiastic market."

and an African school at the same mission has an enrollment of 350 African children. All are taught English. Mrs. Shewmaker is in charge of the boarding school for the white children, sons and daughters of white British and Americans employed in Northern Rhodesia. Capital of the country is Lusaka with a population of 76,000. Kitwe is the largest city. It is a modern mining and industrial area, supported principally by copper. Shewmaker pointed out in an interview that Northern Rhodesia is the second largest copper producing area in the world, second only to the United States.

There are seven white missionaries at the station where he is located and the mission operates for the benefit of native villagers in some 90 small villages within a 150 to 175-mile radius.

The total population of Northern Rhodesia, Shewmaker stated, is 2½-million people, of which 72,000 are whites.

The Shewmakers have spent their 24 years in the country at the Sinde and Namiawanga missions, located 2,000 miles north of Cape Town, Africa.

Shewmaker talked of the early days in the mission field when he would be a member of a mission party going out into certain areas where one had to be cautious of meeting up with lions, elephants and hippos.

"But, Africa is no longer really what you call a wild country," he said, "It is progressing."

The Shewmakers' 17-year-old son, Sherman, was born in Northern Rhodesia and is a graduate of Lusaka High School.

He has returned to the United States with his parents to enter Harding College in Searcy, Ark., in the Fall to study, just as his parents did, to become a missionary. When finished with his training, he hopes to go back to Northern Rhodesia and take up the missionary work with his parents.

The Shewmakers said this trip back to the United States will last until October when they will resume their work in the Sinde and Namiawangi mission fields of Northern Rhodesia.

MISSIONARY FAMILY — Shown here, left to right, are Mr. and Mrs. James C. Shewmaker and their 17-year-old son, Sherman, recently returned from their Churches of Christ missionary work in Northern Rhodesia. Young Shewmaker will enter college in the Fall to study as a missionary so that he may join his father and mother in their life's work. The Shewmakers are making Pampa their headquarters, pending their return to Africa next October. (Daily News Photo)

Aftermath
TRIPOLI, Libya (UPI) — An estimated 6 million unexploded bombs, shells and booby-traps remain in the Libyan desert where the armies of Montgomery and Rommel duelled during World War II; Oil companies, seeking to exploit newly discovered oil in the "sandbox" nation, have armored their trucks because of the undepleted munitions.

SHELTER DEDICATION — The shelter and foot-bridge in Aspen Park were dedicated yesterday at 10 a.m. in ceremonies held in the park with Coy Palmer as master of ceremonies and Rodney Williams, associate pastor of the First Methodist Church, offering the dedicatory prayer. The shelter and bridge were planned and erected by the Pampa Garden Club, the Junior Chamber of Commerce and employees of the City Park Department. Need for the shelter was evidenced during the ceremonies... a brisk rain shower was in progress. (Daily News Photo)

First Results Of Bridge Tourney Are Announced

At the half-way mark Saturday afternoon in the Spring Top O' Texas Bridge Sectional Tournament, now in session in the Coronado Inn, the following winners were announced:

MASTER PAIRS — Jack Self and C. B. Womack, both of Amarillo.

TOP O' TEXAS PAIRS — Mrs. Bobby Grisham and Mrs. Keely Payne, both of Pampa.

TEAM OF FOUR — Tying for first, Cliff Dowlen, Jack Self, Warner Wilson, C. B. Womack, all of Amarillo.

PANHANDLE PAIRS — Mrs. W. H. Dunaway, Mrs. Clarence Roberts, both of Amarillo.

CORONADO PAIRS — Mrs. Haskell Maguire and Mrs. H. M. Luna, both of Pampa.

The above are winners in the schedule of events through Saturday morning.

The tournament will conclude this evening with Open Pairs Final and Consolation.

Chemistry Teacher To Participate In Scientist Program

Dr. Samuel Lee, associate professor of chemistry at Texas Technological College in Lubbock, will visit Robert E. Lee Junior High School April 29 under the Texas Academy of Science Visiting Scientist program.

The program is sponsored by the National Science Foundation, and Dr. Lee's appearance here is made possible through an invitation extended by Mrs. Otto Mangold, Robert E. Lee science teacher.

Dr. Lee, educated in the University of Texas and Ohio State University, has been a chemist with Shell Oil Co., taught chemistry at the University of Texas and Oklahoma A & M, as well as Texas Tech.

He is a member of the Texas Academy of Science, American Chemical Society, American Association for the Advancement of Science, American Institute of Chemists and the American Association of University Professors.

Englishmen under the leadership of Captain John Smith were the first settlers of Virginia.

Unit 81, Texas Beauty Association, will have a business meeting at 8 p.m. Monday in the Coronado Inn.

Jerry Wilson of Pampa was appointed chairman of a parade committee at the recent meeting of the Student Council at Lamar Junior College, Lamar, Colo. He will organize and promote the parade, co-sponsored by the Saddle and Siroin Club and the Vaqueros Saddle Club of Lamar. Theme of the parade will be "Western Days". Wilson is a sophomore representative to the student council.

3 bedroom home, carpet, fenced yard, low equity, call MO 5-2729.

The Old Timers' Club will meet Friday in Lovett Memorial Library for a covered-dish luncheon at noon. A planned program will follow. All "old timers" who have been in the Panhandle area 50 years or more are invited to attend, bring a covered-dish and meet old friends of yesteryear, according to Mrs. Cliff Vincent, chairman.

Miss Betty Lou McWilliams, daughter of Mr. and Mrs. J. S. McWilliams, 1318 Mary Ellen, and a freshman piano major at Southern Methodist University in Dallas, was named to the Dean's Honor list for the fall semester. Miss McWilliams is being initiated into the Zeta Tau Alpha, social sorority.

Ladies-Learn-To-Swim Class will enroll Tuesday in the Pampa Youth and Community Center. Classes will meet each Tuesday and Thursday from 2:30 until 3:30 in the Center.

Buffet lunch now being served every day, Black Gold Restaurant, 1100 E. Frederic, MO 9-9118.

Police had their troubles early Saturday morning in two cases involving a half dozen juveniles.

The first came shortly after midnight when Patrolmen Charles LaFever and Vance Munday caught two youths attempting to pry open a window in an alley behind the Master Cleaners, 218 N. Cuyler. The boys came into view under the bright beam of a police car spotlight. One 11-year-old youth ran and was caught farther down the alley. The other 13-year-old youth gave himself up.

Both had been in trouble before in connection with burglaries, police said. They were turned over to juvenile authorities after questioning.

In the other case police answered a call from the 2100-block of Beech St. where a disturbance was reported in Aspen Park. When they arrived they found two 16-year-old and two 17-year-old youths and two automobiles. A search of the cars revealed 37 cartons of eggs, several cartons of milk, cream and orange juice.

The youths admitted the loot had been stolen from a Goldsmith Dairy truck parked in the rear of 2101 N. Hobart St.

The two 16-year-olds were turned over to juvenile authorities and no charges had yet been filed against the two 17-year-olds late Saturday night.

Obituaries

Mrs. Gertrude Angela Putnam A rosary for Mrs. Gertrude Angela Putnam, 81, will be recited at 7:30 p.m. today in Duenkel-Carmichael Funeral Chapel. Funeral mass is planned for 10 a.m. Monday in St. Vincent dePaul Catholic Church with Fr. Jerome Calcagno officiating.

Mrs. Putnam died at 3:50 a.m. Saturday in Worley Hospital where she had been a patient for six weeks.

She resided at 931 E. Francis. Mrs. Putnam moved to Pampa in 1938 from St. Joseph, Mo. She was a member of St. Vincent dePaul Catholic Church.

Survivors are three sons, William of Merryville, La., Hollis of Havana, Ill., Herbert of Sterling, Colo.; three sisters and four grandchildren.

Interment will be in Fairview Cemetery beside her husband, John Joseph Putnam, who died Jan. 9, 1963.

Thomas Lee Adams Services are pending at Duenkel-Carmichael Funeral Home for Thomas Lee Adams of Pampa, who died at the Martin nursing home in Claude, Saturday at 10:10 a.m.

Mr. Adams was born April 14, 1866 in Steward, Tenn. He moved to Pampa about 20 years ago from Electra, Tex. He has been at the nursing home for the past six years.

He was employed as a fruit and vegetable salesman in Pampa. Mr. Adams is survived by two daughters, Mrs. Kirk Chester of Pampa, and Mrs. Rhom I. Medlen of San Leandro, Calif.; one son, Glenn, also of San Leandro; two sisters, Mrs. Delia Brown of National City, Calif., and Mrs. Julia Young of Los Angeles, Calif.; 15 grandchildren and one great-grandchild.

PLANE AVERTS CRASH DUBLIN (UPI) — A British European Airways turbo-prop airliner with 50 persons aboard skidded along the Dublin Airport runway in a shower of sparks for several hundred yards Friday after its nose wheel buckled on landing. Airport officials said two of the 43 passengers suffered slight shock.

BUYS OIL FIRM NEW YORK (UPI) — Witco Chemical Co., Inc. has announced plans to acquire Golden Bear Oil Co. of California. Terms of the proposed plan were not disclosed. Golden Bear manufactures a number of markets a line of lube oils and specialty petroleum products.

County Demos Elect '63 Officers

John Warner was elected president of the Gray County Democratic Club at their meeting Thursday.

Other officers chosen include Willard Henderson, vice president; Margaret Guidry, secretary; and Kenneth Mumford, treasurer.

The next meeting time will be announced late this month according to outgoing vice president, Mrs. Jack Smith.

Former Opry Star 'Texas Ruby' Dies NASHVILLE, Tenn. (UPI) — "Texas Ruby" Fox — a former "Grand Ole Opry" star known as the "Sophie Tucker of feminine folk singers" — died Friday night in a fire — the sixth person associated with the "Opry" to meet violent death within a month.

A lighted cigaret was blamed for the blaze, which swept through the singer's trailer home.

The U.S. Patent Office was established in 1836.

Juveniles Taken In Custody For Thefts, Burglary

Police had their troubles early Saturday morning in two cases involving a half dozen juveniles.

The first came shortly after midnight when Patrolmen Charles LaFever and Vance Munday caught two youths attempting to pry open a window in an alley behind the Master Cleaners, 218 N. Cuyler. The boys came into view under the bright beam of a police car spotlight. One 11-year-old youth ran and was caught farther down the alley. The other 13-year-old youth gave himself up.

Both had been in trouble before in connection with burglaries, police said. They were turned over to juvenile authorities after questioning.

In the other case police answered a call from the 2100-block of Beech St. where a disturbance was reported in Aspen Park. When they arrived they found two 16-year-old and two 17-year-old youths and two automobiles. A search of the cars revealed 37 cartons of eggs, several cartons of milk, cream and orange juice.

The youths admitted the loot had been stolen from a Goldsmith Dairy truck parked in the rear of 2101 N. Hobart St.

The two 16-year-olds were turned over to juvenile authorities and no charges had yet been filed against the two 17-year-olds late Saturday night.

Former Opry Star 'Texas Ruby' Dies

NASHVILLE, Tenn. (UPI) — "Texas Ruby" Fox — a former "Grand Ole Opry" star known as the "Sophie Tucker of feminine folk singers" — died Friday night in a fire — the sixth person associated with the "Opry" to meet violent death within a month.

A lighted cigaret was blamed for the blaze, which swept through the singer's trailer home.

M. G. Rogers Is Chosen API Chairman

M. G. Rogers of 1936 Fir, was elected chairman of the American Petroleum Institute's Mid Continent District Friday.

Rogers, who is with Pan American Petroleum Corp. of Pampa, served as program chairman for the annual API convention held in Amarillo this week end.

He succeeds Jack Marshall of Oklahoma City as chairman of the district.

Others named at Friday's meeting were Leonard L. White, West Pampa Repressing Association, Pampa, vice chairman for the Texas Panhandle; A. B. Waters, Halliburton Co., Duncan, Okla., vice chairman for Southwestern Oklahoma; and Allan Damell, Halliburton Co., Great Bend, Kan., vice chairman for Kansas.

The U.S. Patent Office was established in 1836.

County Demos Elect '63 Officers

John Warner was elected president of the Gray County Democratic Club at their meeting Thursday.

Other officers chosen include Willard Henderson, vice president; Margaret Guidry, secretary; and Kenneth Mumford, treasurer.

The next meeting time will be announced late this month according to outgoing vice president, Mrs. Jack Smith.

Former Opry Star 'Texas Ruby' Dies

NASHVILLE, Tenn. (UPI) — "Texas Ruby" Fox — a former "Grand Ole Opry" star known as the "Sophie Tucker of feminine folk singers" — died Friday night in a fire — the sixth person associated with the "Opry" to meet violent death within a month.

A lighted cigaret was blamed for the blaze, which swept through the singer's trailer home.

ZALE'S 107 N. Cuyler Pampa

● Suspects

(Continued From Page 1)

When Bezek returned to his car, officers were waiting and placed him and his wife under arrest.

Chief Deputy Powell said Bezek has a police record of burglaries and also is wanted in three Florida cities for similar jobs.

Jasper authorities said so far neither Bezek nor his wife had admitted participation in any of the tax office burglaries.

"We are pretty well convinced," Chief Deputy Powell told The Pampa News last night, "that when we get through with Bezek we will have cleared up all the recent tax office burglaries in Texas cities, including Pampa."

The same method was used in all the burglaries. The burglar ways picked an office that closed during the noon hour when he would force a door or window to gain entrance and then break into the cash drawer.

In the Pampa burglary he forced a lock on the north door in the main City Hall lobby, opened the door and then apparently used a screwdriver to pry open the cash drawer under a counter. The burglary here was staged between 12:05 noon and 12:35 p.m.

Chief Deputy Powell in Jasper said the couple had about \$900 in cash in their possession when arrested.

"I believe the honey moon is over," Powell said.

● Raiders

(Continued From Page 1)

come involved in military assaults against their homeland.

Officials said they were acting under two laws:

The Neutrality Act which prohibits groups, organized as military or naval expeditions from departing the United States to take action as a military force against a nation with whom the United States is not formally at war.

The Motorboat Act of 1940 which empowers the Coast Guard to stop and search any craft to see that it has the proper safety equipment and meets other requirements for putting to sea.

Recent Raids

The State and Justice departments stressed that the recent raids which brought protests from both Russia and Cuba "have not in fact been launched from the territory of the United States."

But the crackdown obviously was aimed at preventing the recent Cuban shooting incidents from boiling up into a new crisis with Soviet Premier Nikita Khrushchev.

The U. S. policy was made public two days after Soviet-built Cuban MIGs fired on an American freighter the Floridian, in international waters off Cuba. The Castro regime, in an unusual move, claimed the shooting was "probably" an error.

But strong suspicion lingered that the episode was in retaliation for the refugee torpedo attack on a Soviet vessel in a Cuban port last Monday.

The State Department said it had not yet received a reply to its demand for a "full explanation" of the Thursday night attack. The Floridian was several miles off the north Cuba coast.

Pampa Girl Wins High Honor In Science Fair

Cynthia Ann Plaster, a Pampa High School sophomore, was chosen to represent this region in the 1963 National-International Science Fair, to be held in Albuquerque, N. M., May 5 - 11.

Cynthia's exhibit, "The Effect of Some Common Drugs on E. Coli," won first place in the senior girls medicine and health division at the Regional Science Fair. The event was held this week end in Amarillo.

Cynthia was also awarded the Certificate of Merit given by the Texas Branch of the American Society for Microbiology.

She is the daughter of Mr. and Mrs. John N. Plaster.

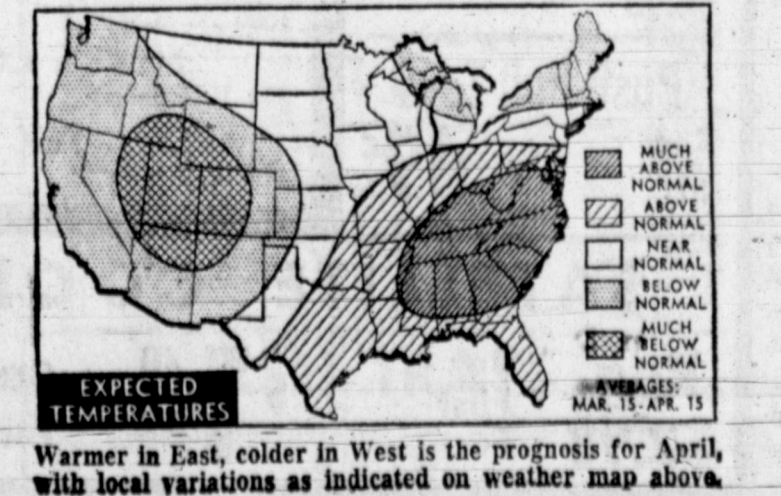

Cynthia was the first sophomore student from PHS to be chosen as a finalist for the national fair, and the first girl ever chosen from the Texas Panhandle Regional Fair.

Other Pampa High School students who won awards in the 99-school competition include Mike Maguire, Edwin Albers, Joe Fischer Jr., Robert Fugate, Arvil Doucette and Susan Watson.

A complete list of Junior High and Elementary winners was not immediately available.

SUB SMASHES WHARF

SYDNEY, Australia (UPI) — The 1,535-ton British submarine Tabard smashed into a Brisbane River wharf while berthing Friday, damaging the vessel's sonar equipment. No one was injured.

New On The Shelves Of Lovett Memorial Library

The Lovett Memorial Library has recently placed the following new books on the shelves. Novels: *Triumph* by Philip Wylie; a disturbing novel of World War III and the one small group of survivors. *Freedom Observed* by Gwyn Griffin; a novel set in a West African republic during the first few terrifying weeks of democracy. *The Sea Officer* by Showell Styles; a novel of high courage, adventure and war at sea based on the life of Pellew, Vice Admiral of England in the 18th century. *The Quality of Mercy* by Margaret Culkin Banning; an illuminating novel about problems of particular interest for today. Non-fiction: *Understanding the Great Philosophers* by Henry Thomas; the lives and ideas of the world's major philosophers from Confucius to Santayana. *Washington Wife* by Ellen Maury Slayden; a frank and witty account of capital life by a Congressman's lady from Texas.

With *A Southern Exposure* by Furman Bisher; 60 memorable sports columns by the sports editor of the Atlanta Journal; a book for every sports fan. *Escape from Red China* by Robert Loh; the first eyewitness account of life under the Communists told by a Chinese businessman who believed in the new society and was nearly destroyed by it. *The Big E* by Commander Edward P. Stafford; the story of the USS Enterprise, the greatest and best loved fighting ship in history.

The Blue of Capricorn by Eugene Burdick; the area bounded by Tasmania, Easter Island and Australia is the subject of this book by the co-author of "The Ugly American." *Kids Sure Rite Funny* by Art Linkletter; a child's garden of misinformation lovingly harvested by Mr. Linkletter. *Ten Keys to Latin America* by Frank Tannenbaum; an informed

and searching analysis of the basic elements in Latin American history and character. *The Devil's Backbone* by Jonathan Daniels; the story of the Natchez Trace, one of the books in The American Trails Series. *None So Blind* by Bernice Clifton; a remarkable candid autobiography of a young business woman who did not allow her blindness to ruin her life.

Spanish Moss
Gray Spanish moss, seen gracefully swaying from cypress trees in picturesque Caribbean gardens, is not Spanish, is not moss, is not a parasite and is not worthless. Once widely used in bridges, saddle blankets and horse collars, today it is used for furniture padding, air-conditioning filters and other items. It is vermin-proof.

Rev. Bob Huie To Speak At Revival

The Rev. Bob Huie will be the speaker for revival meetings beginning today at Skellytown Assembly of God, Skellytown. The Rev. Huie is a member of the Southern California District Council of the Assemblies of God. Since resigning his pastorate in that state over a year ago, Evangelist Huie has been engaged in revival meetings in Texas and Oklahoma.

Subjects to be presented include: "When God Sharpens His Glittering Sword", "Watchman, What Of The Night?", "The Bounds Of Man's Habitation", and "Will Man Ever Occupy Outer Space?" Special singing will also be a feature of the services. Meeting time will be at 7:30 p.m. There will be no services on Saturday. The revival is scheduled to run until April 14.

Casualties on Job
CHICAGO (UPI) — The death toll from on-the-job accidents in 1962 was 13,700, compared with 13,500 in 1961, the National Safety Council reports. Disabling injuries rose to 2 million from 1,940,000.

Pampans Pledge Fraternities

CANYON (SpI) — Four Pampa students were among 80 men who pledged the four national social fraternities and one local fraternity on the campus at West Texas State College. Bill Tucker, freshman, pledged Sigma Nu; Lynn Garner, sophomore, and Tommy Mullins, freshman, pledged Alpha Tau Omega. Bob Followell, sophomore, pledged Phi Kappa Delta, newly organized local fraternity. Bill Neslage, Gary Hackley, and Terry Niemeier, all sophomores, were among the five charter members of Phi Kappa Delta. Neslage is currently president.

Tucker, son of Mr. and Mrs. W. F. Tucker of 607 Gordon, is a pre-med major. Son of Mrs. A. H. Garner of 2217 Dwight, Garner is a business major. A business administration major, Mullins is the son of Mr. and Mrs. Joseph Mullins of 504 Lefors. Son of Mr. and Mrs. D. F. Followell of 516 Carr, Followell is an agriculture major. Neslage, a business major, is the son of Mr. and Mrs. F. J. Neslage of 2005 Charles. A history major, Hackley is the son of Mr. and Mrs. Lewis Hackley of 1805 Banks. He is co-editor of The Prairie, college newspaper, and reporter for the Interfraternity Council.

MENTAL HEALTH REPORT
WASHINGTON (UPI) — If you live with a spouse, chances are you are mentally healthier than the person who lives alone. The National Institute of Health reported today that separate persons sought more treatment in U.S. outpatient psychiatric clinics in 1961 than any other marital group. Then came divorced, single, widowed and married persons, in that order. Copra is the dried meat of coconuts from which oil has been extracted.

The human heart-beat is governed by a tiny mass of tissue within the right auricle which sends out impulses — normally about 70 per minute — to the heart muscles. This pacemaker was discovered in 1907 by two English physiologists.

RED BROADCASTS INCREASE
WASHINGTON (UPI) — Russia greatly increased its overseas radio broadcasts during 1962, according to the U.S. Information Agency (USIA). The agency told Congress Wednesday Soviet broadcasts to Africa were increased from 73½ hours to 112 hours a week, to the Far East from 117 to 180 hours, and to Latin America from 45½ to 101½ hours.

Libya Looks Up
TRIPOLI, Libya (UPI) — Libya, which for centuries has been one of the world's poorest lands, now is having to adjust to relative prosperity. Oil, discovered on Libya's torrid desert in 1959, is expected to yield \$500 million in royalties and taxes in the next five years. The North African kingdom is seeking to devise means of using the money wisely, according to the National Geographic Society.

New Driller
 MADISON, Wis. (UPI) — The laser has been used to drill holes experimentally in several varieties of wood at lightning speed in the Department of Agriculture's Forest Products Laboratory. Laser is a device that harnesses the latent energy in light.

Service Station Competition Hot

TULSA, Okla. (UPI)—The competition between service stations, where credit cards really got their start, is forcing dealers to come up with a potful of new tricks to snag customers.

The West Coast especially is a hotbed of marketing activity with dealers giving away a year's gasoline, sports cars and other prizes as lures to customers.

Price wars are no longer the "come-on" they once were. At best they are temporary gains for the victors. And expensive for the losers.

Besides give-aways, retailers are drawing drivers into their stations by offering nonoil items that ordinarily would require a separate stop.

Wash Business Up
 Car-washes, which once took the hose and chamois business away from service stations, now are moving back onto the lot with their automated equipment. In one short stop, the motorist can get a tankful and a wash job. One major company is considering installing hotdog stands at its West Coast outlets. The management says it believes a quick food service will fit its speed-type stations.

Texaco is studying the possible use of properties for restaurants or motels. Tidewater is looking into the feasibility of opening auto repair centers to help its dealers diversify.

Food Vending Tried
 Humble is building refreshment patios at test stations and is setting up a service station-restaurant in Erie, Pa. Mobil tries out its new food vending setup in April at Somerville, N.J.

Atlantic Refining makes it possible to shop at a gift and garden store while buying gas at its test station.

New industry-wide campaigns are underway designed to get the family into the car and out on the highway. Travel suggestions and tour guides are being made available in ever-growing quantities.

NEW CAMPUS STUNT—You auto see what they're doing for fun on campus at the University of Florida, in Gainesville. Jan Jordan has just been CARRIED in this pint-size car across the finish line in a new, zany, kind-of race.

Lambda Chi Alpha members toted the car the length of a football field in 6:42 minutes, to out-grunt a Sigma Phi Epsilon tug-and-struggle crew by nine seconds. Cramming phone booths' is much less strenuous, fellows.

Rock 'N' Roll Singer Arrested On National Narcotic Ring Charge

NEW YORK (UPI) — Rock 'n' roll singer Jimmy (Baby Face) Lewis was arrested Friday on charges that he ran a coast to coast sideline—peddling narcotics to other entertainers.

Detectives, one wearing a grass skirt, captured \$180,000 worth of narcotics and what they believed to be records of a nation-wide operation in a raid on Lewis' apartment.

They said the records, partially encoded with a system of musical notes, listed the names of more than 100 customers in the entertainment business, including many "prominent show people from Hollywood."

Police and federal narcotics agents believe information they received from the raid "will break the show business narcotics problem wide open."

Three city detectives carrying harmonicas went to Lewis' fashionable, Manhattan apartment Thursday night. They rang the doorbell and began to play the harmonicas. Lewis, they said, came to the door, opened it slightly and peered through the

crack, leaving the safety chain fastened.

The detectives, members of an undercover city narcotics squad called the "Seven Ups," asked for an audition. Lewis listened a moment, they said, liked what he heard and opened the door.

Once inside the cops flashed a search warrant. Before they could grab Lewis, the singer called five hunting dogs from another room and sent them charging at the intruders. Lewis dashed for a closet and grabbed a loaded shotgun, they reported.

For a wild moment, hunting dogs, detectives, Lewis, furniture, harmonicas, and a grass skirt were moving in every direction. When things quieted down, Lewis was in custody and no one injured.

Red Skelton is all set for his 13th season on video, starting next fall, with his long-time sponsor signing again on the dotted line. Red will continue the one-hour format he adopted last fall, but CBS will start the program at 8 p.m. Tuesdays, half an hour earlier.

SNEEZE HOSPITALIZES SEVEN SHEFFIELD, England (UPI) — Bus driver Dillwyn Williams sneezed three times Thursday and sent seven persons to the hospital. His sneezing bout ended when the bus hit a lamppost.

O'HARE BUSIEST AIRPORT WASHINGTON (UPI)—O'Hare Airport of Chicago has replaced Los Angeles International as the nation's busiest airport, according to a Federal Aviation Agency survey.

CAROLINE GETS SADDLE WASHINGTON (UPI) — Visiting Moroccan King Moulay Hassan II presented a gold and blue saddle to Caroline Kennedy for her pony, Macaroni.

Queen Victoria used the phrase "dead beat" when feeling overworked, according to the Encyclopedia Britannica.

Queen Victoria used the phrase "dead beat" when feeling overworked, according to the Encyclopedia Britannica.

What kind of a "nut" is he?

- He wants to run his own business.
- He wants to select his own doctor.
- He wants to make his own bargains.
- He wants to buy his own insurance.
- He wants to select his own reading matter.
- He wants to provide for his own old age.
- He wants to make his own contracts.
- He wants to select his own charities.
- He wants to educate his children as he wishes.
- He wants to make his own investments.
- He wants to select his own friends.
- He wants to provide his own recreation.
- He wants to compete freely in the market place.
- He wants to grow by his own efforts.
- He wants to profit from his own errors.
- He wants to take part in the competition of ideas.
- He wants to be a man of goodwill.

What kind of a nut is he?

He's an American who understands and believes in The Declaration of Independence, that's what kind!

Aren't you glad you are too? And don't you wonder why so many of our fellow-Americans are trying so hard to destroy this kind of life that has made us the pimple and the envy of every other people on earth? The question is: what kind of nuts are they?

KEEP CITY HALL OUT OF THE

GOOD GOVERNMENT IS NEVER SENSATIONAL

News coverage of City action is vital. The PRESS is your best assurance of keeping informed . . . BUT, efficient, representative government seldom makes Sensational Headlines!

Every Election is a new chance for the people to "take charge". Tuesday, April 2, 1963 is just such a day. Decide for YOURSELF the course you want Pampa to take - and then vote for those who will do YOUR will.

PAMPA is a thriving, progressive, and hospitable city. Almost every citizen is dedicated to self-government - with emphasis on principles, and not on personalities. Essential to sound growth is the confidence of citizens in their public servants - elective and appointive. NOW IS THE TIME TO RESCUE THAT CONFIDENCE!

In Pampa, "all systems are GO" . . . We have the resources, the knowledge, the people, and the desire to GROW - in size and in spirit. Put competent, considerate, able men in charge of City Government - and the SKY IS THE LIMIT! Indecision, distrust, and bitterness have no place in a city of friendly folk . . . AVOID IT!

These men are among the most respected citizens in Pampa. - Each is independent, and will act as his knowledge and convictions direct. Each is a candidate in his own right - of his own choosing. They have one vital thing in common - THEY BELIEVE PAMPA MUST HAVE EFFICIENCY AND HARMONY. They will strive to achieve both. Their ONLY "BOSS" is YOU!

PICTURE NEWS

AROUND THE WORLD

SOMETHING FISHY—Shenandoah has left guarding the barn against field mice to study some fish at Pitman, N. J. Once the feline got interested in the goldfish, his owner couldn't get him back to the barn and his mice-catching duties.

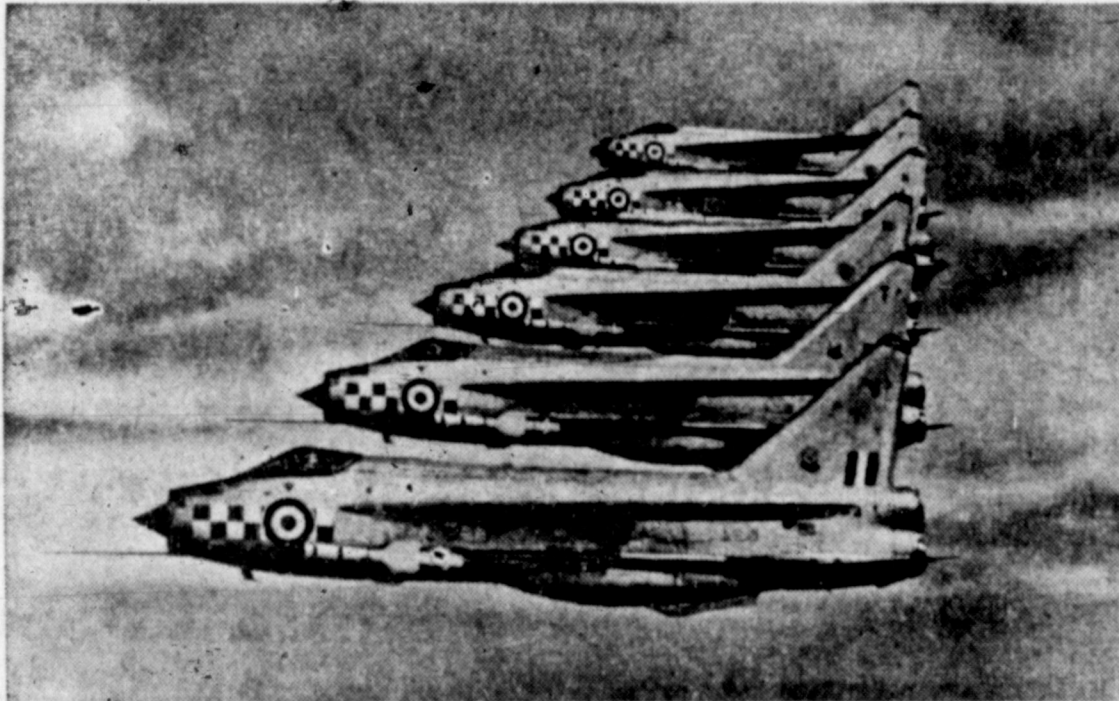

CAKE BREAK—Delighted by the surprise birthday party for her in New York, Zina Bethufe finds a seat on the floor and enjoys some cake. Zina is the 18-year-old star of the television series, *The Nurses*. Party was organized by members of production staff, stage hands, electricians, etc.

SMILING BEAUTY—Monica Ragby, who was named "Miss Sweden 1963," lets go with an engaging smile as she daintily walks out of a hotel in Paris. The pretty miss was visiting the city after she was crowned "Miss United Nations." She's beautiful in any language you can think of.

AT EASE—Poet Carl Sandburg smokes a cigar in his workroom at Flat Rock, N. C. Sandburg, who was 85 in January, has predicted: "I will be working on my deathbed. I will die with a yellow lead pencil in my hand."

PRECISION IN MOTION—Looking like one large plane, six Lightning jet fighters of the Royal Air Force prove their ability to fly with precision at jet speed. The fighters, based in Wattisham, England; were chosen as the R.A.F. Fighter Commands' leading aerobatic team for 1963.

SNOW JOB IN SPAIN

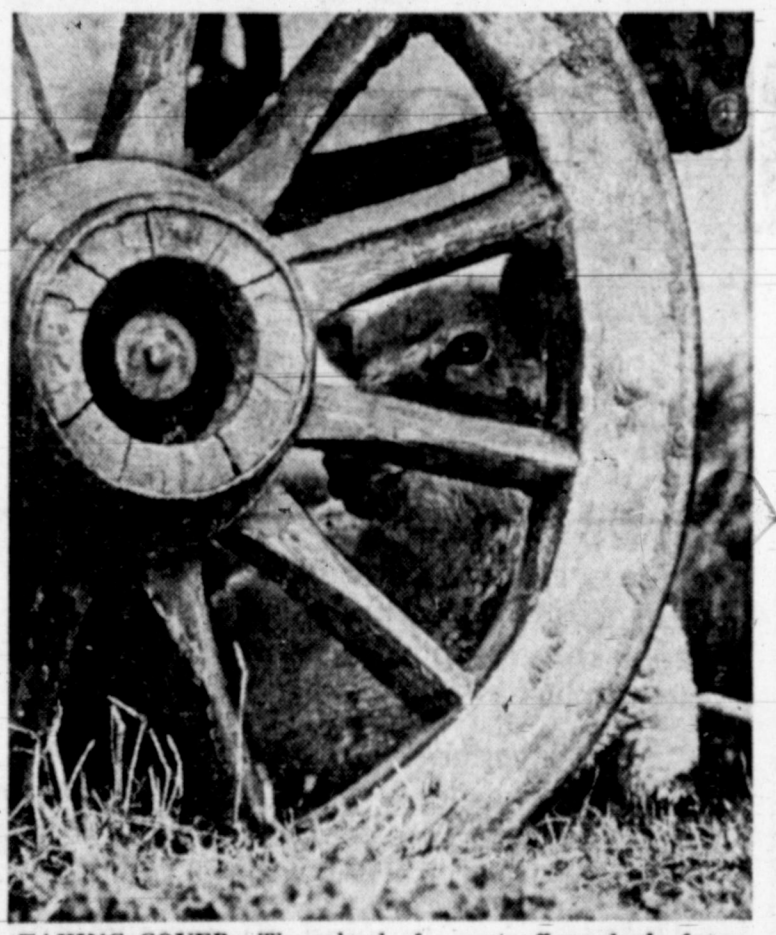

SNOW AND THE EMPIRE FELL—When a movie company locates in a warm area to do a film, they're surprised when snow falls. Spain's heaviest snow storm in years recently hit the company filming "The Fall of the Roman Empire," near Segovia. Stephen Boyd (top) found himself driving a chariot in the snow and cold instead of the green woods and sunshine. At bottom, Boyd (left) and Christopher Plummer (right) are shown with director Anthony Mann, who uses a walkie-talkie to keep in communication with other sections of the snowbound unit.

AND BABIES MAKE FIVE—Mr. and Mrs. Robert Faleska of Astoria, N. Y., beam as they show off their three two-month-old sons. The boys made the worldly scene weighing in at less than three pounds each and are the Faleska's first children.

MEN AGAINST THE SEA AND ICE—A freighter battles its way through ice outside the port of Arendal, Norway. Icebreakers worked at full speed in an effort to get shipping moving around the Scandinavian peninsula. It was cold sailing.

TAKING COVER—The wheel of a cart offers shade from the bright sun and a measure of privacy for this sheep on a Wisley, Surrey, England, farm. Maybe the animal is hiding from the shearers who are looking for some more wool.

HOLE IN ONE—A sign of the times is looked through by Charles Rinkle of Watsonville, Calif. The sole of his shoe had a large hole in it after Rinkle joined in the 50-mile hike fad that was sweeping the nation. Besides the worn-out shoe, he also acquired a blister for his trouble.

SLEEK—Designer Jean Patou of Paris combines navy blue and white silk to create this sleek evening gown for spring. The contrasting colors meet at the bodice to twist around the neckline of the ankle-length gown. Costume is matched with a long, long stole gracefully draped.

SHELTERING PALMS?—Palm trees seem definitely out of place in Nice, France, as a layer of snow covers the ground during one of the coldest winters in a century to hit Europe. The youngsters apparently like the unfamiliar white stuff.

THAT TIRED FEELING—Flora Fraser, 4, (second from left) evidently missed her afternoon nap and lets go with a big yawn while acting as a bridal attendant in London. Rebecca Fraser (left), 5, and Cosmo Johnson, 4, seem to be interested in what's going on behind them, while Daniel Johnson, 5, stares straight ahead.

Palo Duro Dons, Iowa Park Win Amarillo Relays

PD's Too Strong For Rebs

By TOMMY JACKSON
News Sports Correspondent

AMARILLO — The Palo Duro Dons upset favored Tascosa to win the Class AAAA-AAA division of the 14th annual Amarillo Relays yesterday. Odessa Permian, co-favorite with the Rebels, finished third, with the Pampa Harvesters fourth. Perryton finished 10th in the meet.

Palo Duro won the 100-yard dash, the 220, the high jump and the pole vault and placed at least one man in 11 of the 12 events to pile up 41 points. Tascosa won four events, but did not place in as many events as the Dons.

Pampa's fourth place was achieved by Randy Matson's record-breaking wins in the shot put and discus, (see page 15) a third place in the 100-yard dash by Kenny Hebert, a fourth in the broad jump by Travis Tucker, third in the 440-yard dash by Ralph Palmer, and a second by Bill Martin in the high jump, as he finished one inch under Henry Frizzell of Palo Duro and a fourth in the mile relay, in a time of 3:26.9, setting a new Pampa High School record. Palmer's time in the 440 was also a PHS record as he finished in 50.1.

Pampa coach Norman Phillips stated that he was "real proud of the boys. They did much better than I expected in that tough company, especially the mile relay team of Travis Tucker, Curtis Fletcher, Ralph Palmer and Kenny Hebert."

"We will still have to face these same teams in district meet, but I feel we will finish much stronger than I thought we would at the beginning of the season."

RESULTS

440-yard relay: 1. Tascosa (Richard Ross, Mike Bell, Wayne Bussey, Mark Yarbrough); 2. Palo Duro; 3. Dumas; 4. Amarillo; Time - 42.7.

88-yard dash: 1. David Webb, Tascosa; 2. Jim Price, Palo Duro; 3. John McCaskill, Perryton; 4. Harold Gattis, Tascosa; Time - 1:55.9.

120-yard high hurdles: 1. Glen Bigelow, Permian; 2. Phillip Key, Palo Duro; 3. Ronnie Welty, Hereford; 4. Tommy Crabtree, Palo Duro; Time - 14.6.

100-yard dash: 1. Floyd Burke, Palo Duro; 2. Harmon Smith, Per-

mian; 3. Kenny Hebert, Pampa; 4. Robert Houlette, Dumas; Time - 9.8.

Broad Jump: 1. Gary Schovajasa, Littlefield, 21-3/4; 2. Doug Hendrick, Palo Duro, 21-2 1/2; 3. Len Bussey, Tascosa, 21-2; 4. Travis-Tucker, Pampa, 20-10 1/2.

440-yard dash: 1. Mark Yarbrough, Tascosa; 2. Phil Irwin, Permian; 3. Ralph Palmer, Pampa; 4. Freddy Barnes, Phillips; Time - 48.5. (New record. Old record 49.0 by Yarbrough in preliminaries).

180-yard low hurdles: 1. Glen Bigelow, Permian; 2. Ronnie Welty, Hereford; 3. Phillip Key, Palo Duro; 4. Paul Cravens, Permian; Time - 19.6.

High jump: 1. Henry Frizzell, Palo Duro, 6-1; 2. Bill Martin, Pampa, 6-0; 3. Tim Haines, Permian, 5-11; 4. Royce Berry, Permian, 5-10.

220-yard dash: 1. Floyd Burke, Palo Duro; 2. Mike Bell, Tascosa; 3. John Vachon, Amarillo; 4. Keith McCaleb, Palo Duro; Time - 21.5.

Mile run: 1. Robert Conley, Littlefield; 2. Glen Beard, Tascosa; 3. Mike Bullit, Wichita Falls; 4. Neal McBride, Permian; Time - 4:38.1.

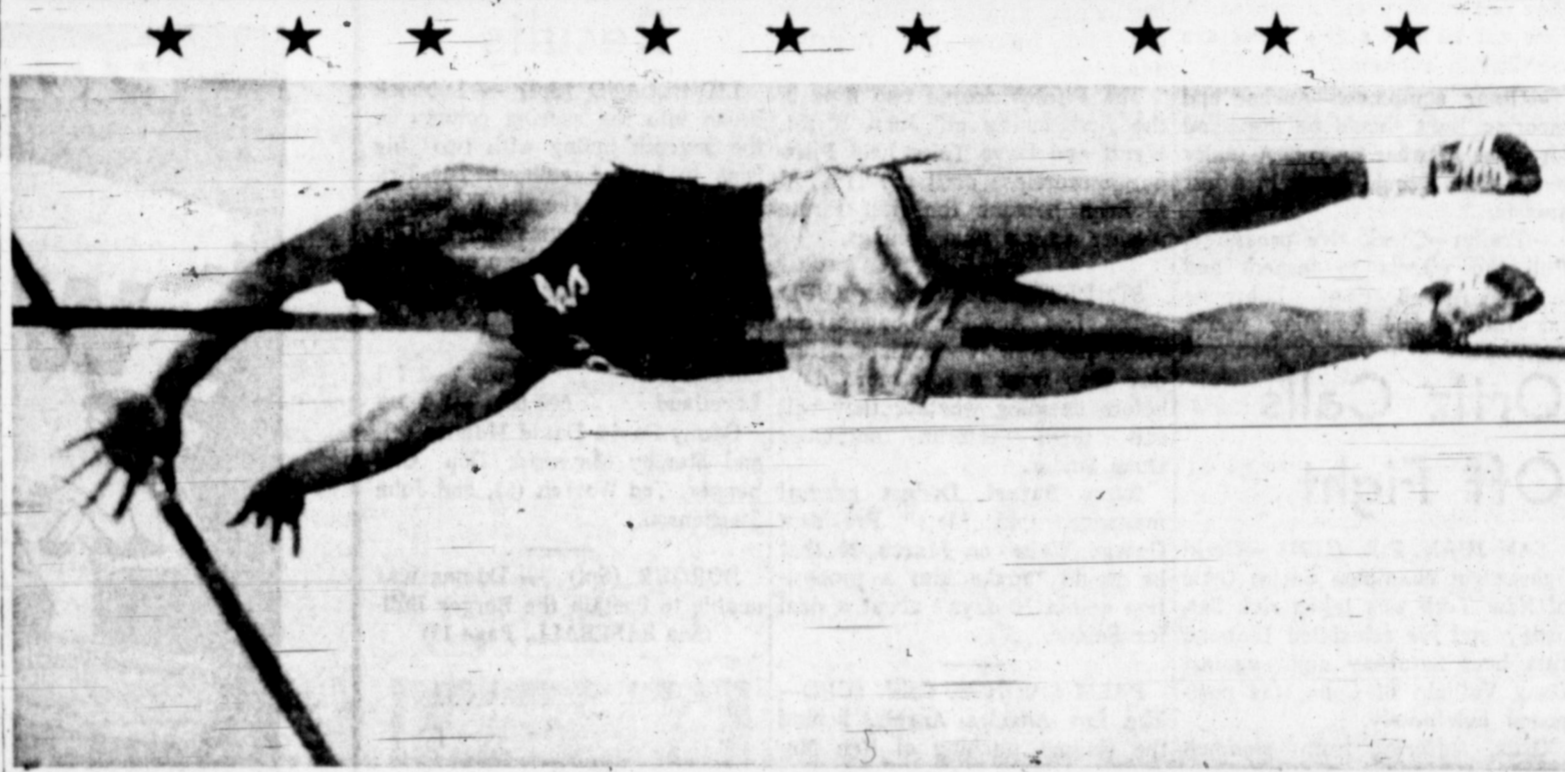

Pole vault: 1. Henry Frizzell, Palo Duro, 13-6 1/2; 2. Donnie Walton, Palo Duro, 12-4; 3. David Taylor, Tascosa, 12-4. (Walton second because of fewer misses); 4. Johnny Yacca, Permian, 11-0. (New record. Old record 13-1 by Terry Morton, Palo Duro, and George Osman, Borger, 1962).

Mile relay: 1. Tascosa (Richard Ross, David Webb, Mark Yarbrough, Mike Bell); 2. Permian; 3. Palo Duro; 4. Pampa; Time - 3:22.9.

Discus: 1. Randy Matson, Pampa; 2. Ronnie Shields, Wichita Falls; 3. Ronnie Barnes, Dumas; 4. Dennis Eubanks, Tascosa; distance: 178' 13". (New record. Old record set by Joe Irving, Amarillo, 173-0, 1954.)

Shot Put: 1. Randy Matson; 2. Kenny Jones, Permian; 3. Ronnie Shields, Wichita Falls; 4. Jim Huffman, Permian; Distance: 65' 1/2". (New record for meet and state. Old meet record set by Matson with 58-3/4 in 1962.)

Team totals: Palo Duro 41, Tascosa 32, Permian 29, Pampa 19, Littlefield 10, Wichita Falls 7, Dumas 3, Hereford 3, Amarillo 3, Perryton 2, Phillips 1.

AMARILLO RELAYS — The pictures above were taken at the Amarillo Relays Friday. Top, left, shows Jerry Smyrl of Phillips, Paul Cravens of Odessa Permian and Kenny Hebert of Pampa going over the last jump in the low hurdles. Although Cravens appears to be ahead, Hebert at left surged ahead to qualify in 20.7. Top right, Carroll Russell of White Deer broad jumps 19-3 3/4 to finish fourth in the broad jump. Russell also won the high and low hurdles. Four column picture is of Tommy Elliott of White Deer soaring over the pole vault bar sideways at 11 feet. Seven men qualified for the finals as they all made the height Friday. Next column down, left, is Curtis Fletcher of Pampa qualifying in the 440-yard dash in 51.9. Right is Phil Woodring of Lefors breaking the tape a step ahead of Amarillo dash man Sandy Carter. Bottom left is Carl Clark of Pampa, putting the shot, the middle picture is Wayne Coleman, also going over the pole vault bar at 11 feet, while Tommy Elliott of White Deer reaches for the pole below him, and the picture on the right is Roger Wright of Perryton, winning his qualifying heat in the dash.

Hawks Place More Than WD

By Tommy Jackson
News Sports Correspondent

AMARILLO — Favored Iowa Park won the AA-A-B division of the Amarillo Relays as expected yesterday, with 24 points, edging White Deer, who piled up 20 points.

The results were almost exactly as predicted, Iowa Park first, White Deer second and Childress third, edging Quannah and Muleshoe. Other Greater Pampa area teams in the meet were Miami, who finished ninth, Canadian, who finished 10th, and Lefors, Wheeler, McLean and Groom, who failed to place.

No new records were set by the smaller class schools. Iowa Park's winning margin was based on placing in most of the 12 events, although they won only one event as Mike Brockman took the broad jump.

White Deer won three events, with Carroll Russell sweeping both the low and high hurdles, setting a school record in the high, but Iowa Park had too much depth and picked up the win on seconds, thirds, fourths, and fifth places in most of the events.

RESULTS

440-yard relay — 1. Childress (Jimmy Wilson, Jerry Sachse, Robert Maxwell, Jerry Mitchell); 2. Iowa Park 3, Tascosa-B 4. Muleshoe Time: 44.3.

88-yard dash — 1. James Covell, Dumas; 2. Jerry Turner, Tucumcari 3. Larry Matthews, Iowa Park 4. Jake Schmidt, Iowa Park. Time: 2:00.5.

120-yard high hurdles — 1. Carroll Russell, White Deer — 2. Robert Lewis, Canadian 3. Larry Thompson, Iowa Park 4. Tom Hale, Gruver. Time: 14.9.

100-yard dash — 1. Charles Mitchell, Childress 2. Sloane Slovacek, Booker 3. Louie Alfred, Dal-

hart 4. Wesley Eddleman, Gruver Time: 9.8.

440-yard dash — 1. Larry Elliott, White Deer 2. Jerry Gilbreath, Muleshoe 3. Bobby Nelson, Quannah 4. John Colquitt, Dalhart Time: 51.0.

180-yard low hurdles — 1. Carroll Russell, White Deer 2. Mark Arrington, Miami 3. Wyman Prater, Canadian 4. Don Mitchell, Claude Time: 21.1.

Broad jump — 1. Mike Brockman, Iowa Park, 22-3/4 2. Ridley, Gibson, Quannah, 20-4 3. Charles Ledbetter, Morton, 20-1 4. Carroll Russell, White Deer, 19-3 1/2.

High jump — 1. Robert Seagraves, Muleshoe, 6-2 2. Jim Flowers, Miami, 6-0 3. Norman Cook, Palo Duro-B, 5-8 4. Robert Lewis, Canadian, 5-6. (Cook placed third because of fewer misses).

220-yard dash — 1. Charles Mitchell, Childress 2. Louis Alfred, Dalhart 3. Larry Hollis, Tascosa-B 4. Robert Maxwell, Childress Time: 22.0.

Pole Vault — 1. David Hutton, Turkey, 12-0 2. Steve Leigon, Tucumcari, 12-0. (Hutton first place because of fewer misses). 3. Tommy Elliott, White Deer, 11-6 4. David Roberts, Muleshoe, 11-6. (Elliott third place because of fewer misses).

Mile run — 1. Mike Woods, Quannah 2. Bill White, Morton 3. Raymond Bilbay, Dalhart 4. Curtis Overstreet, Iowa Park Time: 4:38.6.

Mile relay — 1. Muleshoe (Jimmy Cabrera, Jerry Harrison, Don Smith, Jimmy Gilbreath) 2. Quannah 3. White Deer 4. Dalhart Time: 3:22.9.

Team totals: Iowa Park 24, White Deer 20, Childress 16, Muleshoe, 15, Quannah 14, Dalhart 9, Tucumcari 8, Shamrock 8, Miami 6, Canadian 5, Tascosa-B 5, Turkey 5, Morton 5, Booker 3, Palo Duro-B 2, Gruver 2, Claude 2.

Pampa, Perryton In Tennis Losses

AMARILLO (Spl) — Monterey

edged Midland in the big school class in tennis at the Amarillo Relays yesterday, while Monterey, and Lubbock's B teams and Lakeview each sent five to the finals of the small school class, with Tascosa, Amarillo and Midland's B teams each sending four.

Pampa's top hope, singlist Jerry Thomas, was second-seeded in the meet and drew a first-round bye. In his second match, he met Harlan Grant of Palo Duro, who had outbattled Richard Crowe of Tascosa, 3-6, 6-3, 6-2.

Crowe was no match for the Pampa swiftness as he went down 6-1, 6-1.

Thomas then ran into third-seeded Alan Kay of Monterey, who had defeated Eddie Davis of Abernathy, 6-2, 6-1; and then Robert Heineman of Lubbock, 6-2, 6-1.

Thomas then ran into third-seeded Alan Kay of Monterey, who had defeated Eddie Davis of Abernathy, 6-2, 6-1; and then Robert Heineman of Lubbock, 6-2, 6-1.

Kay then pulled off the upset of the meet in Saturday's semi-finals as he out-volleyed Thomas, 6-3, 2-6, 6-1. It was Thomas' third defeat against 13 victories.

All other Pampa and Perryton entries in the meet went down to defeat in the first round of play Friday, with A matches at Memorial Park and B matches at Ellwood Park.

Pampa's A girls singlist, Mary Roberts, defeated Tommie Lou Payne of Lakeview in a tough struggle, 4-6, 6-4, 6-2; but then went down before top-seeded Jill Philbrick of Lubbock, 6-0, 6-0.

In B boys doubles, Eugene Eads and Charlie Ashby lost to Bunky Mullin and Jerry Lacy of Turkey, 6-2, 6-2.

In B boys singles, Ronald Thompson lost to second-seeded Buddy Wassell of Monterey B, 6-0, 6-0.

B girls singlist Jerry Edmondson lost to fourth-seeded Gwen Botik of Monterey B, 6-0, 6-1.

Perryton Losses — Don Collins of Perryton went down before Gary Schmoeller of Midland in A boys singles, 6-4, 6-2, after drawing a first-round bye, as had Schmoeller.

In A boys doubles, Hergent and Goetting of Perryton had a first-round bye, but then lost to Gutierrez and Gordon of Midland, 6-0, 6-1.

Sue Malaney of Perryton, second-seeded in A girls singles, also drew a first-round bye, but then lost to Liz Parker of Monterey, 6-2, 6-2. Liz then went down

before Jill Philbrick, in love sets. Donna Goodrow and Roya Wagner of Palo Duro defeated Collins and Holt of Perryton in A girls doubles, 6-0, 6-0.

Perryton had no entries in B competition.

District Meet Set — Following the meet, coach Roy Kieval of Pampa met with the other District 3-AAAA tennis coaches at Memorial Park to set up the district meet, which will be held in Amarillo next week end, with first-round and semi-final play Friday at 1 p.m. at Memorial and finals Saturday morning.

Monterey will be a heavy favorite with their overall depth, being top-seeded in A boys doubles, A girls doubles and B boys doubles. Lubbock will be top-seeded in A girls singles and second-seeded in A boys doubles.

Jerry Top Seed — Jerry Thomas of Pampa is the number one seed in A boys singles, with Alan Kay of Monterey, who upset him in Saturday's Amarillo Relay semifinals, second-seeded, Tommy Clark of Plainview third-seeded and Robert Heineman of Lubbock fourth-seeded.

Thomas will play Bob Abel of Borger in his opening-round match next week. Thomas has beaten Abel twice in match play this season.

In A boys doubles, Eugene Eads and Charlie Ashby will take on Jerry Simmons and Doug Pybus of Palo Duro in their opening match. In A girls singles, Mary Roberts will meet Bess Stephens of Borger, whom she has beaten in a previous match.

In A girls doubles, Ginger Hestand and Jerry Edmondson must meet top-seeded Laura Connally and Mitzi See of Monterey.

Pampa will not have an entry in B boys singles, with Joe Fischer and Ronald Thompson in B boys doubles against Max Chisholm and Jim Barnett of Amarillo.

Pampa will not have any B girls entries.

Three Matches Set — Coach Kieval has scheduled three matches to get the Harvesters ready. Monday Pampa travels to Dumas for a return match, having beaten the Demons here, 5-0. Tuesday the locals will go to Memphis for a return match, having tied 2-2 in their previous tilt at Pampa, and Thursday Pampa will host Spearman, after having squeaked to a 3-2 win in the Lynx' den.

SPORTS

The Pampa Daily News
55TH YEAR SUNDAY, MARCH 31, 1963 13

Tascosa Wins Both Ends Of Golf Match

AMARILLO (Spl) — Powerful Tascosa, although upset in the track division of the Amarillo Relays, won both ends of the Relays golf matches, in a showing of power before the final round of district play next week.

Tascosa's A team took a six-stroke lead over Amarillo in the first round Friday at the Amarillo Country Club and added to it as they finished easily in front. Only the first eight teams went into Saturday's second round, with Amarillo being followed by Albuquerque, Odessa, Borger, Lubbock, Odessa Permian and Rider of Wichita Falls.

Pampa, with a 337, tied with Manzano for fifteenth in the 18-team field, and was eliminated.

Pampa's B team went into Saturday's second round of play. Tascosa B finished the first round with a 309, followed by Childress 311, Memphis 317, Shamrock 328, Borger B 322, Amarillo B 330, Hale Center 336, and the Shockers with 342.

Tascosa B shot a 314 Saturday for a total of 623 to win the B class. Childress was second, Memphis third, Borger B fourth and the Shockers tied with Hale Center for fifth; each team carding a 330.

Medalist honors in the A flight were won by Bill Holstead of Wichita Falls Rider, as he opened with a blazing 68 and shot a 74 the second round for a 142 total, topping Tascosa ace Bobby Caldwell.

The B class medalist was Jay Dunbar of Memphis, who had 736 both days for a 146 total.

Pampa's scores in the A flight were Bryan Prigmore 81, Grover Haskell 85, Johnny Weatherly 85, Freddie Howard 86 and Bill McKinney 87. This was by far Pampa's best effort this year, but no match for the blazing Tascosa frons as Pampa lost the title they had won in 1962.

Pampa's B team rounds were Skip Warren - 80-82-162; Chuck

Worley-82-81-163; John Tripiethorn-86-85-171; Jim Thompson 94-82-176; Phil Hall 89-88-187.

The final round of district 3-AAAA play will take place at the Ross Rogers Country Club in Amarillo. Tascosa holds a seven-stroke lead over Borger after the first 36 holes of play. Pampa, 19 strokes behind the pace, is virtually out of the race, although the Shockers are still in competition for B team honors.

Other A division team scores: Palo Duro 310, Monterey 315, Plainview 323, Midland Lee 321, Wichita Falls 324, Big Spring 328, Manzano 337, Tucumcari 345, Phillips 382.

Other B division scores: Guymon 346, Tascosa "B" 346, Muleshoe 332, Morton 359, Memphis 357, Friona 374, Tulia 389, Tucumcari "B" 418, Canyon 426.

The individual results in the A division.

Tascosa (289) — Bobby Caldwell 89, James Herring 71, Robert Cleland 72, Buddy Hamilton 77. (John Wehr had 80.)

Amarillo (295) — Barry McFarland 71, John Gidel 74, J. W. Brown 74, Jimmy Mead 76. (Ricky McLemore had 88.)

Albuquerque (299) — Albert Lovato 73, Mike Yaca 73, James Baca 74, Dale Vaughn 79. (Rick Gutierrez had 80.)

Odessa (304) — Tommy Waggoner 72, Lin Lorette 74, McDonald 77, Clark Wise 81.

Borger (305) — Mark Leshler 73, John Kennedy 75, Chris Crouch 78, Pat Butler 79, Bill Cryer 79.

Lubbock (307) — David Cochran 76, Charles Ferguson 76, David Rattliff 77, Carl Pounds 85.

Odessa Permian (308) — B 111 Holstead 88; Mike Randall 78, Barry Young 80, Randy Read 82, Tom Walker 84.

Palo Duro (310) — Martin Reeves 76, Scott Boyd 78, Jackie Denham 78, Gary Madison 80, Roger Tychen 81.

Sporting Sidelines

By JEFF COHANE

WE SEE that Putt-Putt Powell is at it again. A recent column by the vitriolic pen of Amarillo contained the following item: "Tex Winter will speak at the Pampa High School Basketball Banquet tonight. Wonder if he could be talked into taking Randy Matson back to Kansas State with him?"

I'm sure the Puttering One would like that. . . then maybe some of his vaunted 40 and 50 foot shot putters might get to win a meet. We were kinda hoping that Tex could take Putt back with him. . . leave him in the wheatfields of Kansas perhaps.

The same column mentioned that Putt understood a baseball umpire wouldn't even read a rule book the other day (obviously referring to a Pampa-Hereford game). Putt says: "An umpire could be wrong, just like a coach." (or a sportswriter, Putt?) . . . anyway it seems nice to find out that Putt-Putt does read up on 'ol country boys down this way. Didn't know the city slickers in Amarillo knew about anything in this area except Randy Matson.

SPEAKING OF Randy, I would like to pay homage to a boy who, day after day, has to spend his valuable time listening to coach after coach offering him everything under the sun to come to their schools; who is stopped constantly by alumni of various schools singing their Alma Mater's praises, even well-meaning friends like ourselves; who is bothered day in and day out by people asking him if he can break 70 feet in the shot and 190 in the discs (even by fellow athletes at meets); who reads articles praising him as the greatest thing to come down the pike since Dallas Long (which he is) . . . and yet remains completely unaffected by it. Not swelled head, no cockiness, not even a flash of irritation and a wish that people would leave him alone. We have become so familiar to the Greater Pampa area athletes that almost all of them call us by our first name. . . all that is, except Randy, who still calls us "sir." What Tex Winter said the other night is true . . . if youngsters idolize and want to be like their heroes, then Randy Matson is truly a hero to follow.

INCIDENTALLY, the greatest track race of the century will be run off shortly after the area district meets! Seems that Bill Hines of Miami, Colie Huffman of White Deer and Yours Truly have been kidding each other about our "overabundance of avoirdupois" (fat, that is). Stung to the quick by Bill's snide remarks, we challenged him to a 100-yard dash for a steak dinner. Bill then agreed, providing Colie entered the race. Grady Burnett of Wheeler, who is not exactly a midget himself, got

into the act, so we included him in the challenge.

If plans work out, the race will be held at Lefors the week after district meet, with the proceeds to go to charity. (We believe that a race between this quartet should draw more people than the Amarillo Relays.) Colie is trying to hold out for a weight handicap. . . but we figured that would put us in the starting blocks. Grady on the 30-yard line, Bill about mid-field and Colie about 10 yards from the finish line, so we nixed that. Yours Truly argued for a handicap as we haven't been in a track meet since high school, more years ago than we care to remember, but Randy Roten promised to give us lessons getting out of the blocks (he's still trying to get back on our good side after ruining a picture one day). Norm Phillips will be the timer and Dunny Goode the field judge, with Dwain Currie firing the starting gun (not at us, we hope). Randy assured us that with two weeks practice, we could break ten flat (did he mean seconds or minutes?). . . we'll keep you posted on the latest developments. . . Colie is now at a Swedish masseur trying to slim down to under 300 pounds.)

IN THE MAILBAG: . . . Dear Jeff: The Ski Club will be sending you a group thank you, but I wanted to extend personal thanks for your cooperation and enthusiasm in promoting the Boat Show. I think we had a good show this year and made a big step in the right direction regarding public relations. A column such as yours can be a tremendous help in promoting water safety and making the public conscious of the varied activities in and around water and help them to realize the necessity for courtesy and good common sense in their participation in water sports.

I'm sure all the club members appreciated your running the stories and diagrams on the slalom course and the ski jump. There is a lot of money and time involved in setting out a regulation slalom course and ski jump and your articles will help to enlighten the general public on this equipment.

Once again, I would like to say how much we appreciate all your help and cooperation on the Boat Show edition and also the fishing exhibition.

Sincerely yours,
Martha Ann Green
Co-Chairman
Publicity Committee
Pampa Boat & Ski Club

There isn't much we can say after that, Martha, except thank you very much. We couldn't have done it without the help of you and your fellow club members, especially Yobby Southard, who wrote a number of the articles, and very well, too.

Texas Boating

By KENNETH CARR
United Press International
Spring sneaked in on Texas boaters this past week and for many it caught them with their rigs up—standing up, that is, on their blocks like they've been doing all winter.

There are several things to be done to a boat before it should be allowed on its initial spring cruise. These steps can be reduced to the following seven categories.

—Clean up—Tilt the bow up, remove the drain plug and hose down both the interior and exterior. Warm water and a mild detergent will remove most of the winter grime. Follow the manufacturer's instructions when applying wax or polish.

—Hardware—Clean all bright metal hardware and then protect it with a coat of good wax. Be sure all screws and bolts are tight.

—Steering system—Check cables and pulleys for wear. See that all cables are adjusted to the proper tension.

—Electrical system—Start the season with a fully-charged battery. Check any running lights to be sure the bulbs haven't burned out. Inspect all electrical wiring.

—Safety equipment—Carefully inspect life preservers and cushions for condition and to see that they are coast guard approved. A first aid kit and a few flares are worthwhile additions.

—Other equipment—Anchor and mooring lines should be inspected for signs of wear or rot. A faulty piece of line could result in a lost anchor.

—Trailer—Check tire pressures. Pull the wheels to inspect and repack the bearings. Lubricate the rollers and coupling mechanism.

Ortiz Calls Off Fight

SAN JUAN, P.R. (UPI)—World lightweight champion Carlos Ortiz of New York was taken sick Saturday and his scheduled 15-round title bout Saturday night against Doug Vaillant of Cuba was postponed indefinitely.

Ortiz, suffering from stomach pains and nausea, did not show up for the weigh-in and the postponement was announced without a new date being immediately determined.

The fight, which had been expected to draw about 20,000 fans to Hiram Bithorn Stadium, was to have been Ortiz' second defense of the lightweight crown that he won from Joe Brown in 1961; it was also to be his first appearance as champion in Puerto Rico, his original home.

And it was to be his second bout with Vaillant, whom he beat on a 10-round decision in a fight held before Ortiz won the title.

anism. Check the lights and wiring.

These seven categories apply to outdoor boats of all types. In some cases, it may be necessary to go quite a bit further.

Grapefruit League

MESA, Ariz. (UPI)—Infielders Ron Santo and Ernie Banks slugged home runs Saturday as the Chicago Cubs whipped the Boston Red Sox, 9-4, for their third successive Cactus League victory.

Santo, who is now hitting .330, connected for a three-run homer off Bill Monbouquette in the third inning when the Cubs batted around for five runs. Banks got his homer off Jack Lamabe with the bases empty in the seventh and also had a pair of doubles in his first two times at bat against Monbouquette.

FORT MYERS, Fla. (UPI)—Pinch-hitter Don Clendenon's single in the 11th inning gave the Pittsburgh Pirates a 3-2 victory over the Kansas City Athletics Saturday.

The Pirates scored two runs in the first inning off John Wyatt. Wyatt and Dave Thies held Pittsburgh scoreless until the 11th. Al McBean became the first Pirate pitcher to go nine innings.

ST. PETERSBURG, Fla. (UPI)—The Los Angeles Dodgers advised the New York Mets Saturday they want a few more days before deciding whether they will sell their veteran outfielder Duke Snider.

Buzzy Bavasi, Dodger general manager, told Mets President George Weiss on March 20 that he would "make him a proposition within 10 days" about a deal for Snider.

PALM SPRINGS, Calif. (UPI)—The Los Angeles Angels, behind the shutout pitching of Ken McBride and Dan Osinski, lashed 13 hits off three Houston pitchers and blanked the Colts 8-0 Saturday in a Cactus League game.

McBride pitched eight innings, giving up only five hits, and Osinski pitched the final frame, yielding only two hits.

POMPANO BEACH, Fla. (UPI)—The Milwaukee Braves pushed over three runs in the ninth on three hits, a walk and a hit batsman to beat the Washington Senators, 7-4, Saturday.

Washington fought back from a 4-0 deficit and tied the score in the seventh, but all to no avail.

Pampa and Borger Split Wild Double-Header

BORGER (Spl) — Pampa and Borger split a doubleheader here Saturday as the Bulldogs came from behind to take a 6-5 win in the opener and then the Harvesters outslugged the hosts in a wild-hitting nightcap, 15-5.

Pampa picked up two runs in the second inning of the opener on a walk and singles by Ricky Maynard and Eugene Madrid.

The Harvesters made it 4-0 in the fourth on singles by Shotgun Gregory and Maynard, a sacrifice by Madrid and singles by Collins and Cantrell.

Borger finally broke the ice in the fourth inning on three straight hits by Joe Coffer, Vincent Langen and Dale Connor.

Borger broke loose with four runs in the bottom of the sixth. Jerry Shelton singled, Jerry Glover came in to relieve Jim Arthur, and was greeted by a double by Preston Wilson, another by Coffer and a single by Dale Connor, with an error added to score four tallies.

With one out in the seventh, Ricky Stewart walked and Jerry Garrison singled. Big Joe Robinson came on in relief, gave up an RBI single to Steve Molberg, but then struck out the next two batters to save Mike Hyatt's win.

The second game saw 24 hits, 12

walks and six errors between the two teams as eight pitchers were used. Pampa ran wild on the basepaths, stealing eight bases in the game, as well as six in the first.

Pampa got a pair in the first on the walk, an RBI single by Glover and an error.

A walk and three singles tied it up in the bottom half of the first. Pampa picked up three in the third on an error, hit batter, Molberg's double and Glover's single.

Borger came right back with two on a double, two singles and a walk.

Glover led off the fifth with a homer over the center field fence and a walk, Stewart's single and Myron Aftergut's pinch double made it 9-4, Pampa.

The Harvesters wrapped it up with three runs in the sixth on three walks, an error and hits by Glover and Madrid, and then got three more in the final frame on

five straight hits by Glover, Gregory, Madrid, Stewart and Ken Collins.

Carl Harnsberger, who pitched only one inning in relief, got credit for the win.

Outstanding at the bat for Pampa were Glover who went five-for-five in the second game, including a homer, Maynard who was three-for-three in the opener, and Madrid, who picked up, three hits in the two games plus a sacrifice hit, scored three runs and stole three bases. Glover and Gregory each had three base-thiefs apiece as well.

(First Game)
Pampa 0 2 0 2 0 1 5 1 1 2
Borger 0 0 2 0 4 x 6 9 2
Arthur, Glover (6) and Gregory; Hyatt, Robinson (7) and Coffer. Win-Hyatt. Lose-Arthur.

NY Loses Again

FORT LAUDERDALE, Fla. (UPI)—The New York Yankees, grapefruit league cellar dwellers, continued their frustrations Saturday, losing to the Chicago White Sox, 5-1, for their 14th loss of the exhibition season.

The White Sox won with a two-run outburst in the second inning at the expense of losing pitcher Al Downing, then clinched the victory with three runs in the eighth off Skinny Brown.

Dodgers Win

VERO BEACH, Fla. (UPI)—The Los Angeles Dodgers defeated the Minnesota Twins, 4-2 Saturday in a game called after five innings by rain.

Doubles by John Roseboro and Dick Tracewski produced the winning runs in the final inning, which was completed in a downpour.

District 3-4A Results

LEVELLAND (Spl) — Lubbock broke into the scoring column in the seventh inning with two big runs to beat Levelland, 2-1, Friday. The win gave the Westeners a 11-5 non-conference mark. This game was the last before district for the Westeners. They will be in Plainview Tuesday for their first 3-AAA game.

Lubbock 000 000 2-2 7 1
Levelland 000 001 -1 1 3 3
Danny Davis, David Milburn (4), and Stanley Maynard; Don Culpepper, Ted Warren (6), and John Stephenson.

BORGER (Spl) — Dumas was unable to contain the Borger Bulls. (See BASEBALL, Page 15)

TOP-SEEDED — Jerry Thomas of Pampa has been seeded as the number one singles player in the District 3-4A tennis meet this weekend.

THE LOSS OF FREEDOM IS NO LAUGHING MATTER.

Does it shock you to know that in Russia and Cuba most all business and industry, including electric service is owned or rigidly controlled by the state?

No, it doesn't—because you really expect that of a dictatorship.

But, here's a fact that will shock you! In 1935, YOUR federal government produced less than 1% of America's electric power. TODAY THIS FIGURE HAS CLIMBED TO 15%—and advocates of government-in-business press constantly for more.

Is it wise to let your federal government continue on a course that promises not less but MORE government ownership and control?

The loss of freedom is no laughing matter.

Matson Breaks Record

By JEFF COHANE
 Pampa News Sports Editor

The vast amphitheatre that is Dick Bivins Stadium in Amarillo was all but deserted Friday at 12:30 p.m. Although some of the finest sprint relay teams in the state were flashing round the broad oval track, the high sloping walls were dotted with spectators and athletes who climbed the hill by the hundreds to a little spot built roughly in the shape of a baseball diamond. . . a diamond with a huge home plate and little wooden walls about 70 feet away. It was a shot put circle. . . and the spectators and athletes were toiling up the hill to see the boy that has become a living high school legend. . . the mighty Randy Matson of Pampa.

Runners hurried up the hill after their running was done as fast as they had run on the cinder track below. Others deserted their own events and had to be forcibly dragged back by coaches and officials. . . everyone had come to see the Mighty Matson put the shot.

And the show far exceeded their expectations. The Pampa Giant threw four practice throws, still in his warmups. . . and as they bounced off the 70-foot restraining wall, other shotputters shook their heads in awe, some in shame that they could not do as well. . . some with a fierce desire to see if they could cut this superman down to their own size.

Matson stepped to the line, while a vast hush fell over the crowd. Matson swayed once, twice. . . then spun in a circle and let fly with a mighty grunt. The 12-pound metal ball arched in a high circle and landed almost at the barricade.

THIS WAS IT! — With a mighty heave, Randy Matson of Pampa becomes the first high school boy in the state of Texas to ever put the shot over 60 feet, with this heave of 60 1/2" in the Amarillo Relays being the third highest throw of the 12-pound shot in the United States. Randy, after setting an Amarillo Relays record of over 178 feet in the discus, came back to prove this throw was no fluke as he again put the shot sixty feet in the shot put finals.

(Daily News Photo)

A new state record. . . the farthest any human, being in Texas had ever thrown the 12-pound shot. . . the third farthest throw in the history of American high school shotputting. . . the Mighty Matson had done it again! The awed spectators followed the young giant to the discus field. Timidly, one asked Randy how far he thought he could do in that event. Matson shook his head and said politely "with that wind (about 25-30 miles per hour blowing inward) I'll be lucky if I throw it 160 feet."

But wind or no wind, Randy gave it all he had. His first throw went 175 feet, almost decapitating the marker who stood out farther than anyone had ever thrown the discus in the Amarillo Relays, breaking the nine-year-old record of 173 feet. Again Matson hurled it, almost to the same spot, and then crowned things in the finals as he spun the platter 178 1/2" despite the wind, to set a new meet record for future weight men to aim at.

Carefully Matson picked up his shot and discus and went back to the shot put pit. Now the crowd was literally in the hundreds as the news of his mighty throw filtered back to the athletes sprawled over the huge field. . . to the coaches. . . to the audience.

His first throw. . . "mark" cried the judge, and the stake was put at 58 feet. His second throw. . . "mark" and the stake was put a few inches farther. His third throw. . . Matson gathered himself up, exploded in one huge ball with a mighty grunt of air and a loud cry of awe from the packed spectators. "Mark" . . . and the tape showed sixty - five feet on the nose. . . and the living legend that is Randy Matson moved on. . . headed for greater glory.

Texas Western's Golfers At WT

EL PASO — Texas Western's golf team will be a road outfit this week, facing four opponents before returning to home base next Monday.

The Miners will be at Lubbock Wednesday to meet the Texas Tech Red Raiders before dropping down to meet Odessa College Thursday.

Saturday the Miners will be at Canyon to tangle with West Texas State and will conclude the road swing Sunday by facing Eastern New Mexico University at Clovis.

ACC Takes SA Relays

SAN ANGELO (UPI)—Abilene Christian scored in all but two events Saturday to completely overshadow the opposition and win its third consecutive San Angelo Relays championship.

The Wildcats scored 60 points to 30 1/2 for runnerup Texas A&M, 26 for third-place SMU. Texas Tech was fifth with 19 1/2 points and North Texas sixth with 16.

But in the upset of the day, ACC's sprinter Dennis Richardson lost his first 100-yard dash of the season when Southern Methodist's Billy Foster beat him to the tape by two yards.

Richardson was clocked at 9.3 in the 100 only last Wednesday, but Saturday could do no better than 9.8. Foster's winning time was 9.5.

Fort Stockton and Denver City came out on top in the two high school divisions.

McLean Girl To Represent U.S. In Games

Laura Switzer of McLean and two other members of the famed Hutcherson Flying Queens basketball team of Wayland Baptist College, Plainview, have been selected to represent the United States in the Pan American Games next month.

The annual games are scheduled at Sao Paulo, Brazil, from April 20 through May 5.

All-American
 Miss Switzer, daughter of Mr. and Mrs. Forrest Switzer, is an All-American basketball player now completing her senior year at Wayland Baptist College.

Also entering the Pan American Games with Miss Switzer will be Flying Queens teammates Betty Scott of Tonkawa, Okla., and Glyna Masten of Sudan.

Olympic Committee
 They were selected by the United States Olympic Committee.

Next week Miss Switzer will fly to St. Joseph, Mo., with the team to play in the National Women's AAU Basketball Tournament.

Coached by Harley J. Redin, the Flying Queens' AAU champions—will be trying to regain the national crown after losing it last season to Nashville Business College.

The tournament is set for April 2-6.

Miss Switzer will graduate in May with a bachelor of science degree. Her major is physical education and her minor is mathematics.

She is a 1959 graduate of McLean High School.

The Lighter Side Whisky On The Rocks

By DICK WEST
WASHINGTON (UPI) — Relations between the United States and Canada, already strained by the nuclear weapons controversy, are now being threatened on another front.

In this case, the source of the friction is whisky. As far as liquor is concerned, U.S.-Canadian relations are on the rocks.

The dispute isn't likely to topple any governments, but it could easily put a few diplomats under the table. Tensions are so high that nobody can be certain, which side will pour the first shot.

Fortunately, however, there is plenty of fuel oil to spread on the troubled waters, and that may preserve the peace.

The whisky crisis came to my attention this week at a hearing before the U.S. Tariff Commission.

Leo Vernon, counsel for Publicker Industries Inc., a U.S. distiller, told the commission that Canadian whisky makers are rapidly taking over the liquor market in this country.

Wants Duties Raised
He urged that import duties on the hard stuff from north of the border be raised from the present \$1.25 to \$5 a gallon.

What seemed to have Vernon particularly upset was the fact that the Canadians have started exporting their own bourbon, long considered the traditional American drink.

The U.S. liquor industry regards Canadian bourbon as an act of aggression as deplorable to it as Canada's refusal to accept our H-bombs was to the State Department.

As might be expected, Congress is considering taking a stand in the matter. The House of Representatives now has pending a resolution that would designate bourbon as "a distinctive product of the United States."

Presumably, the resolution is compatible with the overall U.S. foreign policy based on deterrence and, if need be, retaliation.

In the interest of hemispheric harmony and solidarity, it is to be hoped that some compromise can be reached, possibly through a system of on-site inspections.

I would commend to the attention of the negotiators an out-of-court settlement that recently ended a legal battle between two U.S. distillers over the use of the word "gentleman."

It was agreed that both "Kentucky Gentleman" and "Virginia Gentleman" could use those trademarks for their bourbon provided:

(1) That Kentucky Gentleman did not picture a Virginia plantation or fox-hunting scene on its label and (2) that Virginia Gentleman did not picture a Kentucky colonel on its label.

Perhaps Canada will agree to stop calling its whisky "bourbon" if U.S. distillers will promise not to label any of their booze with a picture of a mounted policeman.

Matters Of The Military

Jimmy J. Brown, seaman, son of Mr. and Mrs. Dillon L. Brown of 1101 East Kingsmill, and Robert E. Ruff, seaman, son of Mr. and Mrs. Charles E. Ruff of 616 Doucette, both of Pampa, are serving aboard the Seventh Fleet aircraft carrier USS Ranger, which arrived in Yokosuka, Japan, Feb. 25, for a two-week stay in port.

Now on her fourth western Pacific cruise, the Ranger has visited ports in Japan and the Philippines since leaving Alameda, Calif., her home port, in November, 1952.

Marion L. Earles, Jr., seaman apprentice, son of Mr. and Mrs. M. L. Earles of 2130 North Nelson and Ronnie W. Hepler, seaman apprentice, son of Mr. and Mrs. Wayne L. Hepler of 2115 North Banks, both of Pampa, are undergoing nine weeks of basic recruit training at the Naval Training Center, San Diego, Calif., with graduation slated for March 22.

The indoctrination to Navy life consists of physical fitness drills, military drills, seamanship, basic military law, custom and etiquette of the naval service, swimming and survival, and first aid.

During the training, recruits receive tests and interviews which determine future training and assignments in the Navy.

FAIR PROGRESS — History and progress blend in St. Louis Mo., where building demolition goes forward for an expansion program and site for the city's 1964 sesquicentennial celebration. Old courthouse, background, where historic Dred Scott trials were held, will remain standing.
