Khrushchev Wants Africa Made Non-Nuclear Zone

'K' Also Plugging for Non-Aggression Pact Between Reds, NATO

By HENRY SHAPIRO

MOSCOW (UPI) — Premier Nikita Khrushchev today offered guarantees to make the African continent a non-nuclear zone if the United States and other nuclear powers agree.

Khrushchev made his offer as American, British and Soviet negotiators met for what diplomats said could be the final round of talks aimed at a limited nuclear test ban treaty that would be the first major cold war settlement in eight years.

His remarks came in a message to African nations which took part in the recent conference at Addis Ababa, Ethiopia.

In his message, Khrushchev pledged further Soviet efforts to ease world tension.

"We shall go on doing everything to ease international tension, to consolidate peace by implementing the principles of the peaceful coexistence of states," he said.

The official Tass News Agency, in reporting the message, said Khrushchev believes East-West agreement to cease nuclear testing in space, in the atmosphere and under water could effect "a radical turn" toward bettering the international climate.

Tass said Khrushchev also wants a non-aggression treaty between the NATO powers and the Communist Warsaw treaty powers.

Khrushchev additionally called for an end to racial segregation in Africa, and an end to colonialism.

Tass distributed Khrushchev's message as the top-level negotiators reportedly worked out final details before initialing the test ban agreement, which had been expected some time today.

But, informed sources said, it now appeared unclear whether a drafting committee had settled on wording satisfactory to both sides.

A tripartite drafting committee met twice before the main session opened at the Spiridonovka Palace at 4 p.m. (9 a.m. EDT) after being delayed an hour.

It was reliably understood the formal negotiations now were completed, and that the negotia-

Religious Leaders Back Kennedy on Civil Rights

WASHINGTON (UPI) — Prominent representatives of the nation's three major religious faiths joined today in backing President Kennedy's full civil rights program as a moral and practical necessity.

They urged Congress to pass it immediately with a prayer that the racial struggle "will remain a social revolution and not degenerate into civil chaos."

The testimony was read before the House Judiciary subcommittee by Dr. Eugene Carson Blake, chief executive officer of the Presbyterian Church, U. S. A., who recently was arrested while taking part in an anti-segregation demonstration. He read a joint statement on behalf of himself, the Rev. John F. Cronin of the National Catholic Welfare Council, and Rabbi Irwin M. Blank of Englewood, N. J., chairman of the Social Action Commission, Synagogue Council of America.

"Blasphemy Against God" Blake said the "religious conscience of America condemns racism as blasphemy against God. It recognizes that the racial segregation and discrimination that flow from it are a denial of the worth which God has given to all persons."

He said denial of the basic rights of the individual is immoral.

A number of national religious organizations joined with the clergymen in supporting the program and Blake said these groups and the Negro people also are aware of "the disabilities upon Spanish-speaking Americans, Indian Americans as well as upon people of Asian background" in the United States.

Growing Discontent "There is growing dissatisfaction with gradualism and promises of future progress," Blake testified.

"There can be no further delay in keeping faith with the responsibility to put the principles we profess and the obligations that we acknowledge into action," he said.

The Presbyterian official said the President's civil rights message "clearly sets forth the need for legislation."

The statement defended each of the White House requests individually. It said the controversial request for a public accommodations law "is not a drastic step... nor is it an invasion of property rights as some have claimed."

Castro Gobbles Up U.S. Embassy And Ousts Swiss

HAVANA (UPI) — The Castro government today expropriated the United States Embassy Building and grounds in a move believed unprecedented in diplomatic history.

The action was taken in reprisal for the freezing of Cuban government accounts in U. S. banks, according to the expropriation decree.

The Swiss mission protested verbally both the expropriation decree and a Cuban government request that they evacuate the premises as soon as possible. The protest was made by Swiss Charge d'Affaires Charles Masset to Foreign Minister Raul Roa.

Further consultations between Roa and Masset were expected today.

The decree was signed by Prime Minister Fidel Castro, President Osvaldo Dorticos and Treasury Minister Luis Alvarez.

The embassy has housed the Swiss mission for American affairs, beneath the Swiss flag, since the United States broke relations with Cuba on Jan. 4, 1961.

The nationalization decree even specified that all the embassy's "equipment and furniture have been assumed by the state."

The decree said "it is the duty of the revolutionary government of Cuba, in the maintenance of national dignity and sovereign rights of our people, to respond to the aggressions" of the United States.

The latest aggression was the bank freeze, the decree said.

New City Manager Named in Amarillo

AMARILLO (UPI) — John S. Stiff, 42, will assume his duties as Amarillo's new city manager on Sept. 1, city officials announced today.

Stiff was hired at a salary of \$19,500 a year.

Stiff is presently city manager of Garland.

The new city manager will replace N. V. Moss who retired from the post June 19.

Railroads Are Being Pressured To Postpone Work Rule Changes

BULLETIN
WASHINGTON (UPI)—House Commerce Committee Chairman Oren Harris formally asked the railroads today to delay putting their proposed work rules into effect for 30 days.

Harris appealed to the railroads to give Congress more time to consider the complicated dispute presented to it by President Kennedy's proposal to shunt the dispute to the Interstate Commerce Commission.

The Senate Commerce Committee, which heard Wirtz Tuesday on the bill, scheduled testimony today from Wolfe and Daniel Loomis, president of the Association of American Railroads.

The railroads endorsed the President's plan Tuesday by a unanimous vote, but Wolfe said that only enactment of the proposed legislation could head off work rule changes Tuesday.

Chairman Oren Harris, D-Ark., of the House Commerce Committee said Congress could not complete action on the measure by the management deadline. And it shouldn't have to, he added.

Harris told a reporter that Congress should be given enough time to act carefully on a matter that he described as "so sensitive, so delicate and so important."

He said that he hoped all parties involved in the dispute would "act reasonably to keep the status quo."

Similar appeals were voiced Tuesday by House Speaker John W. McCormack, D-Mass., Senate Democratic Leader Mike Mansfield, Mont., and House Republican Leader Charles A. Halleck, Ind.

Meany, in a letter to the congressional leaders of both parties, suggested that the House and Senate adopt a resolution urging the railroads and rail unions to maintain present working conditions for 30 days.

The AFL-CIO president said Congress could not complete action on the railroad measure by Tuesday and its consideration "of this vital subject should take place free from the pressures and strains that would be engendered by a shutdown."

The House Commerce Committee called Labor Secretary W. Willard Wirtz to testify at the opening of hearings on President Kennedy's proposal to shunt the dispute to the Interstate Commerce Commission.

Ward, who introduced red-haired Christine Keeler to War Minister John Profumo and to Soviet naval attaché Eugene Ivanov, starting the scandal that almost brought down Prime Minister Harold Macmillan's government, has pleaded innocent to the charges.

Justice Sir Archie Marshall, in red robes and grey wig, told the court he would have to instruct the jury to disregard completely Miss Ricardo's evidence.

Miss Barrett turned out to be just as pretty as all the girls with whom Ward was said to have been involved. She testified that she was walking along a street one night when a white Jaguar car slid up alongside her and the 30-year-old society osteopath and artist made his pitch.

"He told me," she said, "that if I came to his flat two or three times a week I could live in the flat and get nice clothes and he would save my money for me. Once I had clothes and a flat then he could introduce me to better clients."

Ward, she said, then drove her back to his apartment in Bryanston Mews.

"I asked him where the man was," she said, "and he said he was waiting for me in the bedroom."

She said that when she came out of the bedroom, Ward was in the living room having coffee. She did not know how much money Ward received from the man but, as she understood the deal, he was saving it for her.

From then on, she visited the flat about two or three times a week for about two and a half months. She would have either sex relations with the middle-aged or elderly men she found there, or on occasion whip them with a cane or horsewhip, she said.

The recanting by Miss Ricardo took place in her testimony both Tuesday and today.

Miss Ricardo took the stand Tuesday following the explosive testimony of Marilyn (Mandy) Rice-Davies, who told the court she had been intimate with Douglas Fairbanks Jr., the former actor who now is a London businessman.

Girl Says Ward Helped Her Meet Better 'Clients'

LONDON (UPI)—An attractive young blonde testified today at the morals trial of Dr. Stephen Ward that he picked her up one night in his white sports car and told her he could help her meet a much better class of people in her profession — prostitution.

Vicki Barrett, 20, was introduced by the prosecution after another of its star witnesses, Ronna Ricardo, 23, had insisted she committed perjury under police pressure in the lower court hearing at which Ward was held for trial.

The recanting by auburn-haired Miss Ricardo, a night club dancer and occasional prostitute, of her testimony that Ward arranged assignments for her at his Mayfair apartment represented a setback to the prosecution's case that he lived on immoral earnings and seduced girls into vice.

The Scandal Starts Ward, who introduced red-haired Christine Keeler to War Minister John Profumo and to Soviet naval attaché Eugene Ivanov, starting the scandal that almost brought down Prime Minister Harold Macmillan's government, has pleaded innocent to the charges.

Justice Sir Archie Marshall, in red robes and grey wig, told the court he would have to instruct the jury to disregard completely Miss Ricardo's evidence.

Rodeo Crowds to See Sky Divers in Action

The Top O' Texas Rodeo Association has arranged for a sky diving exhibition to begin at 7:30 p.m. each evening during the rodeo.

Three divers will go into free falls at 8,000 feet and will land near the arena. Each diver will carry a smoke chute to define maneuvers for the crowds.

The Pioneers, a southwest division championship barbershop quartet, will entertain during the annual Rodeo Association banquet at the Starlight Room of the Colorado Inn Aug. 8.

A buffet dinner at 7:30 p.m. will start the ladies night banquet. The public is invited to attend by reservation.

Rodeo Association directors will leave Aug. 9 for a one day advertising tour in all sections of the surrounding area and extend special invitations to attend the rodeo which begins Aug. 21.

This is Pampa's second year to have a professional rodeo approved by the Rodeo Cowboys of America. Buettler Brothers of Elk City, Okla., will furnish stock and Cy Tailion of Denver, will again announce the rodeo.

The Zoppee - Zavatta specialty act of Rochester, Ind., has been contracted and will perform a comedy, rosin-back riding routine.

Top cowboys of the nation are expected for the rodeo which will feature all regular rodeo events, calf-roping, saddle bronc riding, bareback riding, bull riding, bull dogging and the cowgirls barrel race.

Cowboys will compete for a purse of \$3,850 plus all entry fees which will provide a purse from \$8,000 to \$10,000.

Fred Stockdale will direct the Pampa High School Band as they cue each rodeo event.

The rodeo parade will begin at 3 p.m. on opening day, Aug. 21 and will be led by the Amarillo Air Force Band. Rodeo officials (See RODEO, Page 7)

Reservist Kicks up Heels On Any Invasion of Cuba

SAN FRANCISCO (UPI)—A 25-year-old Army reservist will be permitted to complete his military obligation, although he threatened to defy his commander-in-chief, President Kennedy.

The reservist, Thomas L. Clark, had faced possible discharge as an Army administrative board hearing scheduled for Friday.

Clark, who works on a ranch in Napa County, Calif., wrote to his commanding general last October advising him that he would refuse to participate in any possible invasion of Cuba. His letter said in part:

"I want to advise you before any possible reserve call takes place, that I have no intention of obeying such a recall. I take this action in protest of our naval blockade of Cuba, a policy I regard to be dangerous, foolish and immoral.

"I regard President Kennedy's decision to be ill-conceived and irresponsible, prompted more by domestic political considerations (See RESERVIST, Page 7)

Police Toss Smoke Bomb Into Crowds

By United Press International
Police fired a smoke bomb and firemen sprayed high-pressure water hoses Tuesday to break up crowds of Negroes and whites during a racial demonstration at Somerville, Tenn.

Authorities took action after a group of white teen-agers blocked the path of Negro "freedom marchers," grabbed some of the Negroes' banners and threw them in a garbage can.

The smoke bomb exploded about 10 feet from the crowds which dispersed before the powerful hoses could drench them.

It was the third day of demonstrations for the west Tennessee city, located in rolling cotton country about 40 miles northwest of Memphis.

At Baton Rouge, La., six policemen scuffled with about 50 Negroes who forced their way into a public swimming pool and

a police captain received minor injuries. Five Negroes were arrested.

New York police arrested 138 men, women and children during anti-discrimination demonstrations at two construction sites Tuesday. Negro leader Martin Luther King Jr. promised increased integration pressure in the nation's largest city.

A desegregation agreement supervised by Atty. Gen. Robert F. Kennedy was signed by white and Negro leaders from Cambridge, Md., Tuesday to climax

19 months of racial strife in the Chesapeake Bay fishing community.

Other developments included: New York — A "summit" meeting of top Negro leaders from throughout the nation urged President Kennedy Tuesday to meet with them during a march to Washington on Aug. 28 in support of civil rights legislation.

Charleston S.C. — Around 60 businessmen accepted a six-point program of downtown desegregation Tuesday. Negro leaders indicated they would decide at a

meeting tonight whether to continue racial demonstrations.

Birmingham, Ala.—City council unanimously repealed all segregation ordinances which city attorney J. M. Breckenridge said had been ruled unconstitutional by the U.S. Supreme Court.

Oxford, Miss.—The Army said Tuesday that the last of around 30,000 troops sent here last fall to force the admission of Negro student James H. Meredith into the University of Mississippi would be removed by Thursday. The Army said the move was warranted by "present conditions" at the university.

Los Angeles—Aaron Henry, president of the Mississippi chapter of the NAACP, said at a news conference Tuesday he would favor boycotting sponsors of television shows which depict Negroes in menial roles. He said, however, there had been some improvement in the casting of Negroes during the past year.

Chicago—The Chicago chapter of the Congress of Racial Equality (CORE) today took under advisement the resignation of its president who quit because he felt youthful members were too eager to picket and too reluctant to negotiate.

Cincinnati, Ohio—A drive to register 70,000 new Negro voters before the November local elections was begun Tuesday by the NAACP.

Railroads and Unions Reported To Have Made Secret Tax Deals

WASHINGTON (UPI)—Railroad and union representatives have secretly agreed to ask Congress to levy millions of dollars in higher payroll taxes on railroads and their workers, informants reported today.

The extra revenue is needed to help save the railroad retirement fund from bankruptcy. Future benefits that the fund is required to pay out far exceed anticipated tax revenue.

Ironically, railroad labor and management quietly reached the reported agreement on the payroll tax legislation at the very time that they were deadlocked over the work rules issue that threatens a nation-wide rail strike.

The main feature of the payroll proposal would boost to \$450 a month the earnings base to which the railroad retirement tax and unemployment compensation tax is applied.

President Sets Up Plan To Aid Automation Age

WASHINGTON (UPI) — President Kennedy is appointing a commission on automation to search for means of easing the unemployment backwash caused when machines replace men.

The President announced appointment of the commission yesterday as part of his message to Congress asking that the Interstate Commerce Commission step into a prime example of the impact automation can have — the railroad work rules dispute.

Act Is "Too Limited"

Kennedy said that last year's Manpower Development and Training Act is "too limited" in scope to "provide the full answer" to a problem of the magnitude of that posed by unemployment in an age of rapidly advancing technology.

A Labor Department report this month blamed automation as the chief cause of wiping out 775,000 production jobs since 1957.

Here are some of the problems of automation age unemployment that the presidential commission must face.

— The Labor Department's manpower report which Kennedy submitted to Congress in March said that U.S. manufacturers had an output in 1962 that was 20 per cent above that of a half-dozen years earlier but employed 1 million less production workers, about 7.5 per cent of their work force.

— Railroad unions say that 670,000 railroad workers have lost jobs since 1947. The disputed new work rules would eventually cost about 55,000 more jobs.

— Many Lose Jobs

— Labor Department statistics show that as many as 35,000 jobs a week are lost to machines. Some of these persons get new jobs created by machines but by no means all of them do.

— The United Auto Workers Union has lost 168,000 members although more people are buying more cars.

— The steelworkers union has lost 200,000 members since 1956.

— The mine workers union partly blames machines for the loss of 500,000 mine jobs. The Labor Department says mining employment has dropped by a fifth, just since 1957.

— One of the problems of automation-caused unemployment is that the workers replaced by machines usually are unskilled or only semi-skilled. Jobs they can fill with no further training are scarce so a retraining program is a vital necessity.

— The Labor Department has reported that in 1956, for the first time in labor history, white collar workers outnumbered blue collar workers.

— Railroad unions say that 670,000 railroad workers have lost jobs since 1947. The disputed new work rules would eventually cost about 55,000 more jobs.

Farmers to Pick ASCS Committee In Gray County

Community agricultural stabilization and conservation committee members will be elected in September to take office Oct. 1, according to Evelyn Mason, Gray County ASCS manager.

After the community committee is elected, delegates will elect the county committee for the next term.

Ballots with nominees for the next term of community committee members will be mailed to farmers and ranchers in August. Ballots should be returned to the county ASCS office in the Court House annex.

Reporters are now measuring cotton and grain sorghum acreage over the county. Farmers who plant more feed grain after their farm is measured, should report immediately to the county office, since price support payments are made on the planted acres of feed grain. Full payments will be made if the county office has record of acreage planted, it was stated.

Farmers should give the reporter the names of those who will share in the proceeds of the grain sorghum crop. Miss Mason said, because the price support payment will be divided as the crop is divided. Only those shown on the measurement report who have an interest in the grain sorghum will be eligible for loan on grain sorghum.

The ASCS office requests producers to promptly report the completion of any agricultural conservation practice. Farmers who have approval for controlling bindweed should report as soon as they have applied the chemical to the bindweed, so the record will be complete for payment.

Pampa, Borger Toastmasters' Join in Meet

Gene Boyette of Pampa was toastmaster at a joint session of Pampa and Borger Toastmasters Clubs, at 6:30 p.m. Monday in the Coronado Inn.

Winning speaker was Dr. Harris Kimbrough, who spoke on "Showcase." Other speakers and their topics were Denzell Skidmore, "My Favorite Subject;" Cliff Lewis, "The Fifth" and John Wortman, "Shadows in the Sky."

During the business meeting, Lloyd Kuntz moved to include Dumas in a joint meeting in Borger Aug. 8.

Dr. Bob Spert presided during Monday's meeting. Dave Osborne was table topic chairman; Kuntz was general evaluator and introduced George Herd, W. A. Morgan, Charles Norton and John Anderson, best evaluator.

Anyone interested in improving speaking qualities and listening is asked to attend Toastmasters meetings on Monday evenings at the Coronado Inn.

Ex-Nazis Sentenced On Treason Counts

KARLSRUHE, Germany (UPI) — The West German Supreme Court has convicted and sentenced three ex-Nazis who gave the Communists Western secrets while serving in the West German secret service at a time when it was a branch of the U.S. Central Intelligence Agency.

For what the prosecution called the "greatest treason in West German history," spy leader Heinz Felte, 45, was sentenced to 14 years at hard labor. His fellow double-agent, Hans Clemens, 61, was given 10 years, and their accomplice, Erwin Tiesel, 60, three years.

All three admitted during a two-week trial that for 10 years they passed to Communist agents secrets about West Germany's Federal Intelligence Agency (FIA), this country's equivalent of the U.S. Central Intelligence Agency (CIA). During many years of their espionage activity, the FIA was a branch of the CIA.

GETS PROMOTION

LONDON (UPI) — Detective Chief Superintendent John Du Rose, who smashed a London vice ring, will become chief of Scotland Yard's murder squad, it was announced Tuesday.

Adenauer Aide Gets Life Term

BERLIN (UPI) — The East German Supreme Court yesterday "sentenced" Dr. Hans Maria Globke, West German Chancellor Konrad Adenauer's right hand man, to life imprisonment on charges he was an accomplice in the Nazi extermination of Jews.

The sentence was meaningless because the Communist trial was held in Globke's absence and the East Germans have no jurisdiction over him.

The show trial was considered a Communist propaganda attempt to discredit the West German government.

Globke runs Adenauer's chancellery in Bonn and is his top aide. He is a civil servant who also held posts under the Nazis.

4 Texans Charged In Oil and Gas Securities Fraud

NEW YORK (UPI)—Atty. Gen. Louis J. Lefkowitz has charged that four persons engaged in a fraudulent scheme to sell securities in firms holding oil and gas rights in non-producing properties near Brownwood, Texas.

Lefkowitz made the allegation in obtaining a state Supreme Court order requiring the four persons, as well as three companies, to show cause on Aug. 21 why they should not be barred from the securities business in New York.

Named as defendants in the order were the Union Petroleum Co. Inc., Brownwood and New York City; Central Securities Co., New York City; Edward Rosenberg, Brownwood; Joseph Shernov, New York City; Stephen Leslie Shernov, his son and Michael Robert Paer, New York City.

In an affidavit, Lefkowitz' office said Rosenberg, with the help of Shernov and Central Securities, sold between \$75,000 and \$100,000 in Union Petroleum stock recently for the expressed use of "water-flooding" properties for which the latter firm had oil leases. Water-flooding is a method of prospecting for oil by which properties are inundated to bring oil to the surface.

"No more than \$25,000 of the money obtained from investors was used to develop the properties," the affidavit stated. "The balance of approximately \$75,000 is unaccounted for."

Dear Abby.... Backyard..... Public Playground?

By ABIGAIL VAN BUREN

DEAR ABBY: Why do people think that because you have a large family, your yard is a public playground? Right now twelve kids are playing ball in my backyard, and only seven of them are mine. The children aren't allowed to play in other yards because they ruin the grass. I really don't mind, but it wouldn't hurt some of the other parents to share the noise with me. At night they ask me to turn on my yard lights so they can play after supper. When, oh, when will I have peace and quiet again?

DEAR ABBY: Someone suggested to "Ma" (who was upset at seeing "Pa's" choppers grinning at her from the dresser top while Pa was outside mowing the lawn) that she "steal" Pa's choppers and leave in their place \$20 from the "Good Fairy". Well, a set of dentures contains only 28 teeth. So at the rate of 10 cents per tooth, Pa should be left only \$2.80.

Sincerely,
DENTAL ASSISTANT

CONFIDENTIAL TO PAUL: Never drink on an empty wallet, baby.

Tell your troubles to Abby. For a personal, unpublished reply, please send a stamped, self-addressed envelope.

Farewell Coffee Held In Lefors

DEAR JUST: Too soon. And you can take my word for it. Count your blessings. Your children are occupied in healthy, wholesome play, and you don't have to worry about where they are—or with whom. Anybody can raise grass. It takes special qualities to raise children.

DEAR ABBY: I am 14 and my mother and I have been fussing over something very silly. We were all at the ball game and I was with a very nice boy. He took my hand. My mother then leaned over and told me to quit holding hands with him. Abby, couldn't she have waited until I got home? She had to make a big scene in front of everybody. I don't see anything wrong with a boy and girl holding hands at a ball game, do you?

DEAR WONDERING: Your mother could have told you quite nicely to quit holding hands, but I think she was right to tell you. A display (even a minor one) of affection is out of place in public.

LEFORS (Spl) — A farewell coffee honoring Mrs. Ralph Caruth was held recently in the home of Mrs. T. A. Jinks of Lefors. The Carruth family has moved to Dumas.

Cohostess for the event was Mrs. Jeff Davis of Lefors. Punch and cookies were served.

Those present or sending gifts were Mmes. Alton Flinchum, Lorene Wagner, Dovie Douglass, Ludie Carruth, John Roberts, Bill Wall, Zeb Sailors, O. O. Bishop, Walter Hughes, C. G. Fenno, Boyd Griffith, H. D. Cox, Daniel Rose, Delmas Kindle, Everett Brobst, Carl Wall, Lonnie Ables, James Gatlin, Earl Lane, Orville Henry, Maude Trusty and Misses Carolyn and Karen Wagner.

The Calico Capers Square Dance Club elected Lawrence E. Ben Kamp president and Bill Eads vice president in its July 1 meeting in the Pampa Youth and Community Center.

Other officers are Mr. and Mrs. Glen Day, secretary-treasurer; Mr. and Mrs. Dwayne Barbee, hospitality chairman and Mrs. Kent Philpott, reporter.

The club meets each Saturday at 8 p.m. in the Youth Center. Square dance callers for July are Gene Mack of Wheeler, first Saturday; George Reed, second; J. D. Wilbanks, third. Each fourth Saturday is left open for a guest caller. The July 27 caller will be Richard Mann of Amarillo.

Coffee Honors Mrs. Atkinson

LEFORS (Spl) — A coffee was held recently in the home of Mrs. Bud Cumberledge for Mrs. Earl Atkinson who is moving to Bartlesville, Okla. where her husband has been transferred by Cities Service Co.

Hostesses were Mmes. Carl Hill, R. H. Barron, L. R. Spence and Bud Cumberledge. Coffee was served by Mrs. L. R. Spence and apple cup cakes were served by Mrs. Carl Hill.

A gift of orange glass candy bowl, small orange glass basket, and a blouse was presented to the honoree from the Art and Civic Club. She has served as president for the past two years.

Those present other than mentioned were Mmes. Jack Thacker, Floyd Hines, Edythe Watson, Joe Watson, Bob Fish, Ted Gustin, James Jinks, Harry Garrison, Lee Airington, Dunny Goode, Alex Sween, those attending from Pampa were: Mmes. D. D. Lewis, Venus Collum, Nina Houchin and Ray Carruth from Borger.

Recital Announced

Betty Stimson

Miss Betty Stimson, daughter of Mr. and Mrs. Elmer Stimson, 909 N. Somerville, will be presented in a home organ recital by Mrs. Lois Fagan July 26 at 10 a.m.

The program will consist of two solos, "Waltz from the Serenade for Strings," and "None But the Lonely Heart," both by Tchaikovsky. Appearing with Betty in the duets, "Jesu, Joy of Man's Desiring," by Bach, and "To a Wild Rose," by MacDowell, will be Mrs. Lois Fagan at the piano. Miss Carolyn Stimson will give two vocal numbers; "They Found Him In The Temple," by Hart; and "Sitting By My Window" by Hart. Interested friends will attend the recital.

Betty, a piano student of Mrs. Lois Fagan for two years, is presently studying the organ under her direction. She was an outstanding pupil in Pampa Jr. High Band where she played the piccolo and flute. She received an excellent rating on the flute solo and trio and participated in the Pampa Jr. High Talent Show.

Discussion Heard By C.W.F. Group

"We Air and We Share Family Problems" was the theme of a group discussion in a recent meeting of C.W.F. of First Christian Church. Mrs. W. L. Parker acted as moderator for the meeting. Mrs. Danny King was in charge of the devotional entitled "Our Day."

Mrs. W. M. Cooper was lead in a group discussing "Concern for the Teenager." The group concluded and pointed out their opinion that today's youth is being pushed into adulthood too quickly; the drinking teen problem begins at home, and there is a general parental laxness in control of teenagers.

Mrs. Jim Goff led a group discussion, "Three Generations Under One Roof." The group concluded that the mother and father should have authority in the home with older members of the family making concessions to give each generation more privacy.

A group under the leadership of Mrs. Lester Mason discussed the problem of "Stewardship of Time and Talent." Their conclusion stated that each day should be started with a period of quiet devotion which would automatically help divide time between home, church and community.

The Ross Group served as hostess for the day.

Panhandle B&PW Attend Convention

PANHANDLE (Spl) — Seven members of the Panhandle Business and Professional Women's Club attended the National B&PW Convention held this week in Dallas. They were Mmes.: Audie Morgan, president; O. Z. Light, Anna P. Glover, A. W. Dills, Fannie Williams, Julia Thompson, and Miss Thelma Holman.

The group took for display at the convention, the drawing by Ricky Tyson of the first tree in the Panhandle, which is five miles west of Panhandle. They also took a brochure telling the history of the planting of the tree. This drawing will be engraved on the entrance of the outdoor theatre being built by the Panhandle Heritage Foundation in Palo Duro Canyon as a symbol of Carson County.

Foreign Exchange Student Will Enter Canadian High School For 9 Months

CANADIAN (Spl) — Margaret Rose Van der Goes, 17-year-old Dutch girl from Bussum, a suburb of Amsterdam, in the Netherlands, is going to be Canadian's first foreign exchange student and will spend the next nine to 10 months in the home of Mr. and Mrs. Hugh Wilson.

Margaret Rose will enroll as a senior this fall in Canadian High School and will go through the school year, including graduation next spring, as a member of the CHS Class of 1964.

She is coming to the United States, to Texas, and to Canadian under the exchange student program of the American Field Service and will be sponsored here by the Canadian AFS chapter, recently organized under the general direction of the Canadian High School Student Council.

The Hugh Wilsons, whose daughter, Jan, is a Canadian High School junior, were selected by a committee of the AFS chapter this summer to be the American "parents" of the first exchange student to be brought here.

Margaret Rose will arrive in New York about Aug. 15 and is expected in Canadian a few days later.

She is the daughter of Frederik Adrian Van der Goes, superintendent engineer for a Holland shipping firm. Margaret Rose was born in England in 1946 but is a citizen of Holland and has lived in Holland most of her life.

She graduated in May from her own Dutch high school, where she lists her favorite subjects as "geography, art, and history" and her favorite sports are judo, skating and swimming. She holds the orange belt in judo, fourth grade in the sport.

Margaret Rose speaks German and French fluently and has a fair knowledge of English.

Couple Will Marry With August Vows

PANHANDLE (Spl) — Mr. and Mrs. Frank Metcalf announce the engagement and approaching marriage of their daughter, Frances, to Rannie Heare, son of Mr. and Mrs. Leroy Heare of Lancaster, Calif.

Nuptial vows will be solemnized Aug. 10 in the First Methodist Church of Panhandle.

Both are graduates of Panhandle High School and Miss Metcalf attended McMurry College in Abilene.

Recreation Group Plans Fellowship

LEFORS (Spl) — The Sinclair Recreation Group met for a luncheon and party. Plans were made by the ladies to be hostesses for the Golden Age Fellowship on Aug. 1 at 2 p.m.

Plans were discussed for a retirement party honoring C. N. Barber, and Bert Jones.

Those present were Mmes. and Mmes. Earl Tennant, C. N. Barber, Bill Timms, Abbie Crumrine, Bert Jones, C. O. Gilbert, Wilbur Mollett, W. B. Cox, Jack Prather, Bruce Head, O. O. Bishop, and Miss Sue Crumrine and Mike Jones.

Local TOPS Has New Name

The TOPS of Pampa met recently in the Hospitality Room of Citizen's Bank for a program stressing calorie counting and low calorie foods. No artificial diet aids may be used by the group which reported that members had lost a total of eight pounds during the last week.

During the business meeting the club voted on the suggested new name, the "Pampa Pound Pirates."

The next meeting of the Pampa Pound Pirates will be held at 1 p.m. in the Hospitality Room. Members are asked to bring sewing for the planned social hour.

Dick Groat Goes For 2nd MVP

By FRED DOWN
UPI Sports Writer

Maybe some team will steal the National League pennant from the Los Angeles Dodgers but who's gonna rob the MVP award from Dick Groat?

The answer should be nobody because what value do you put on a slick-fielding shortstop who is a fiery field leader in addition to hitting .343?

That's the 32-year old Groat's average today and it puts him squarely on the path toward his second NL batting championship and second MVP award. Groat won 'em both in 1960 when he batted .325 and led the Pittsburgh Pirates to their first NL pennant since 1927.

Today, Groat is doing his Herculean best to lead the St. Louis

Cardinals to their first NL pennant since 1946.

It's a tough task, all right, because the Dodgers are rolling out front with a six-game lead but you can't blame a man for trying.

Groat Sparked Victory
Groat "tried" Tuesday night with four hits in five tries that sparked a 14-hit attack in the Cardinals' 5-1 win over the

Braves. Ray Sadecki went 5-1-3 in his sixth game of the season while Bob Hendley suffered his seventh defeat.

The Dodgers continued to get great pitching as they downed the Pittsburgh Pirates, 6-0, Jim Maloney pitched a one-hitter to give the Cincinnati Reds a 1-0 victory over the Chicago Cubs, the San Francisco Giants downed the New York Mets, 9-1, and the Houston Colts scored a 6-5 win over the Philadelphia Phillies in 13 innings.

Johnny Podres, the new "hot" man on the Dodger pitching staff, pitched a seven-hitter and struck out six in winning his sixth straight game and raising his record to 10-6. Ken McMullen homered and Podres, Wally Moon and Tommy Davis had two hits each to lead Los Angeles' 10-hit offensive.

Second-Stringers Win for Yankees

By DICK JOYCE
UPI Sports Writer

Mickey Mantle and Roger Maris—\$172,000 worth of muscle—may owe their World Series checks this fall to second-stringers Johnny Blanchard and Steve Hamilton.

With sluggers Mantle and Maris still on the sidelines because of injuries, the New York Yankees have boosted their American League lead to nine games. In the stretch utilityman Blanchard has regained his 1961 form and Hamilton has nailed down a "dependable" tag in the bullpen.

The 30-year-old Blanchard whose batting average dipped to .235 last season after a brilliant .305 and 21 home runs in 1961, drove in four runs with two homers to lead the Yankees to a 7-0 victory over the Los Angeles Angels Tuesday night.

Hamilton, a southpaw, bailed out starter Stan Williams in a bases loaded, none-out situation in the eighth inning by striking out Leon Wagner, Lee Thomas and Billy Moran. The crowd of 17,203 at Yankee Stadium gave Hamilton a standing ovation.

Tigers Sweep Two
The Detroit Tigers swept a doubleheader from Chicago, 5-1 and 6-4, to drop the White Sox into third place; Steve Barber pitched a 4-0, four-hit victory for the Baltimore Orioles over the Washington Senators; the Kansas City Athletics stopped the Boston Red Sox 1-0, and the Cleveland Indians edged the Minnesota Twins, 3-2, in 13 innings.

Blanchard, playing right field in place of Maris, connected for his fifth and sixth homers of the season. His second round-tripper of the game was a three-run blast off southpaw reliever Jack Spring, capping a six-run fifth inning. Clete Boyer chipped in with his 11th homer and Hector Lopez, another substitute outfielder, collected two hits.

The victory was the Yankees' fifth in a row, with Hamilton preserving Stan Williams' fourth triumph. So far this year, Mantle and Maris have played only 21 games together.

Spearman Stuns Colts In NBC

BORGER (Sp) — The aroused Spearman Giants stunned the Pampa Colts in the NBC Regional Tournament last night with an 18-2 upset win.

The lowly Giants assaulted three Colts pitchers for 14 hits in the four-inning game, cut short by time and the 10-run rule. Pampa's bats couldn't seem to get unbound as former soft touch Ray Brown allowed only four hits, striking out four and walking two.

The loss will pit Pampa against Umbarger tonight at 6:30, Umbarger having dropped a 6-2 decision to the Borger Braves last night, while Fritch and Silverton play at 8:30. The Colts, in the sudden-death losers bracket, will go with hurling ace Jerry Glover tonight.

With scheduled starter Roy Perrin unable to make the game, the Colts went with Royce Harnsberger on the mound, and "Ol Hamburger" was reached in a hurry, the Giants picking up four runs in the first frame on a walk, three errors and Melvin Begley's double.

The Colts came right back in their half with two tallies as Keith Gregory walked and Roy Don Stephens tripled to left field and came in himself on an error. Spearman collected three more runs in the second on Calvin Bodey's triple and three straight singles by Woody Williams, Dean Weese and John Norwood.

Spearman then wrapped it up with nine runs in the third inning as they assaulted Harnsberger, Ned Patterson and Gary Hill. Big blows in the inning included home runs by Bodey and Brown, a double by Brown and three singles, as well as an assorted dish of hors d'oeuvres including walks, hit batters and errors.

Spearman finished the Colts off with two more tallies in the fourth and final inning as Weese and Begley doubled for the key hits. Borger had to come from behind to win the nightcap from surprisingly tough Umbarger of the Irrigation League. Ancient

Jack Coffey went all the way for the win, scattering four hits, walking four and striking out five, keeping Umbarger batters hitting the ball chiefly on the ground. Reed Darryl pitched good ball in defeat, being hurt by four costly errors behind him as he gave up eight hits and five walks, but struck out 11 in seven innings.

Umbarger got both their runs in the second frame. The Braves took a 3-2 lead in the fifth, and capped it with a final run in the seventh.

Plainview Tops AL Rebels, 3-2

By JEFF COHANE
Pampa News Sports Editor

LEVELLAND — Tom Sawyer doubled home Tommy Juracek in the bottom of the ninth inning last night to give the Plainview Thunderbirds a 3-2 win over the Pampa Rebels in the Levelland American Legion Baseball Tournament.

The upset sends Pampa back to action again tonight when they clash with Olton at 8:30 p.m., Olton having been dropped by Amarillo last night, 6-2. The opening game this evening pits Hereford against Levelland. Jerry Garrison will take the mound for Pampa.

In a pair of magnificent pitching duels, Fidgety Phil Stephenson and Billy Carthel teamed up to hold the heavy-hitting Rebels to six hits, four in the seventh and eighth innings, while Blazin' Bobby Price allowed only three hits in four and one-third innings, with Jim Arthur, hurling his finest game of the summer season, pitching four innings of hitless ball until Sawyer's game-winning blow off the left-center-field wall.

Price's blazing speed held the Rebels to only a second-inning single by Eddie Piercy, a fourth-inning bingle by Ray Barron and Stephenson's fifth-frame single, as seven Birds went down swinging, but Price's control was off, and six Plainview batters got free passes to first base. Outstanding fielding backed up all the hurlers, with all-district shortstop Manuel Nagar's magic glove literally robbing base hits from the Rebel bats, while third sacker Claude Middleton came up with the key play time and again to pull the Rebels out of danger.

Pampa got their first tally in the second inning when Larry Gregory was safe on an error. Ronnie Oler lifted a high fly into right field and everyone did an Alphonse and Gaston act, allowing the ball to fall for a double to send the Shotgun home.

Middleton led off the fifth inning with a single and Price sacrificed him to second. The third baseman bobbled Rickey Stewart's hot grounder and Claude sped home to make it 2-0.

The aroused Birds broke the shutout string in the same frame; Stephenson singled and Price issued free passes to the next two batters. Nagar skied deep to center field to score Stephenson and Price walked Tommy Thomas to lead the bases again. Arthur came in and threw a wild pitch, allowing Tommy Juracek to score, and then got the next two batters.

Big Jim continued to throw bullets, with seven batters striking out on his low-breaking curve and change-up, while two walks were the best offensive weapons the Birds could mount.

Pampa batters, who had been striking out and popping up on Stephenson's big change-up, finally got to Fidgety Phil in the last inning of regulation time. Pinch-hitter Doug Scaggis singled into center field and, with two out, Kyle Vann drove one over the second baseman's head. Stephenson picked Scaggis off third to kill the threat. Plainview failed to score and the game went into extra innings.

Once more Pampa opened the attack in the eighth, with Stewart singling up the middle. Stewart stole his third base and then Kenny Hebert blasted a hit back through second base. The flying Nagar made a tremendous stop-and-throw, but was unable to catch the Flying Frenchman, who promptly proceeded to steal second. With first base open, Stephenson walked Ricky Maynard, and Carthel came to the mound. Gregory sliced one down to short and Nagar fired a strike to home plate to force Stewart. Steve Molberg lifted a high fly to the edge of the grass and the pestiferous Nagar made a running catch and then fired another strike home to chase Hebert back to third. Arthur went down swinging and Carthel was out of it.

Plainview went down in order in the eighth and Carthel struck out the side in the ninth. Stephenson was safe to open the bottom of the inning as Middleton made a low throw on his grounder. Juracek laid down a perfect bunt, and Sawyer then smashed the ball off the left-center-field wall to win the game.

The Optettes crushed the Optibelles, 28-16 in Girls Softball play yesterday. Cathy Beal was the winning pitcher and Ellen Clinton the loser. Kathleen Martin went 3-for-3, including a home run, and Glenda Woodruff also had a homer.

The Opti-Misses ran over the Optones, 25-11, in the second game. G. Powell was the winner and M. Martin the loser. Carolyn Russell had 5-for-5 and Susan Maynard had a triple.

Our Trackmen To Win, Gals To Be Beaten
WARSAW (UPI) — The forecast here was much the same as it turned out in Moscow last weekend: Victory for the United States men's track and field team and defeat for the girls.

The American girls flew in from Moscow Tuesday and will join the men in training today. However, their chances of victory in this Saturday's dual track meet with Poland are not considered good.

"I think our girls will have an easy victory," wrote a local sports columnist, and not one American cared to challenge the statement. The Yank girls lost all 11 events to their Russian counterparts last weekend.

The American men's team is expected to beat the Polish men, but not by a runaway. Even U.S. men's coach Payton Jordan gives the Poles a chance.

Texas Hot Spell Continues; South Hit by Twisters

By United Press International
Two twisters hit the Port Arthur area Tuesday, injuring a girl and inflicting damage estimated at \$6,000-\$7,000. Searing heat covered the rest of the state and doctors said it may have caused three deaths in Dallas.

Judy Brewer, 16, was sitting by a window in Bridge City, across the Neches River from Port Arthur, when a twister broke the glass. Her arm was cut and it required 16 stitches to close the cut. The other twister hit in the Port Arthur yacht basin.

The possible heat victims in Dallas were Wilbur Strader, 59; Andrew Ratcliff, three months old, and Brenda Joy Walker, six months old. Strader collapsed on the street Tuesday and was dead when he arrived at a hospital. His temperature was 110 degrees when he died.

High temperature in Pampa yesterday afternoon was 104 degrees at mid-afternoon. The overnight low was 73 early today. More hot weather is slated through tomorrow.

The Ratcliff baby died in a hospital with a temperature of 108 degrees. The Walker baby died Monday with a temperature of 110 degrees.

There was little prospect for a break in the heat for the next 48 hours and probably for the remainder of the week.

The twisters in the Port Arthur area came with a squall line that crossed the city in mid-afternoon.

The twisters hurled barrels through the air, broke windows, shook buildings, sank a small boat, tore down television antennae, tore an awning from a trailer house and damaged radio equipment belonging to Ray Geophysical Co. of Houston.

Temperatures hit the 100-degree or above mark at 20 of the state's weather reporting stations Tuesday. The highest reported was Wink's 105. Galveston had the lowest high Tuesday — 90.

Dallas reported the highest minimum overnight temperature. It was 83 degrees, equalling a record set in 1925.

Accidents Here Decline in June

The number of accidents in Pampa during June is slightly under the previous month. Police Chief Jim Conner said today.

Chief Conner reported that there were 37 accidents last month with 15 injuries. In June 1962, there were 38 accidents and 11 injuries.

The figure brings the total for the first six months of 1963 to 235 accidents and 86 injuries, as compared to 231 and 72 respectively last year at this time.

The new Miss White Deer will be sponsored by the Jaycees in the Miss Wheatheart of the Nation contest to be held at Perryton in August.

Admission will be 50 cents for adults and 25 cents for students.

Clark, who was on active duty as an enlisted man in Germany from 1958 to 1960, never was recalled to active duty. However, the administrative board hearing was scheduled to decide whether he should be discharged prior to the completion of his reserve obligation next March.

Friday's hearing was called off by Lt. Gen. John L. Ryan Jr., commanding general of the Sixth Army.

"It is preferable that Clark be held to the completion of his military obligation, rather than face an administrative board which could recommend his discharge," Ryan said.

Clark said he was "delighted" by the general's decision.

Woman Charged In Money Theft

Charges have been filed against Mrs. Vernice Parsons, 706 E. Frederic, for theft under \$50. According to police reports, Mrs. E. L. Wilson of 1136 Wilcox reported leaving her purse in a laundry at 708 E. Frederic yesterday. The purse contained an insurance check for \$61.52 and \$20 in cash.

Mrs. Parsons admitted, according to police, that she had taken the money and thrown the purse in a trash can. Mrs. Wilson filed charges yesterday.

Police said charges of driving while intoxicated will be filed against Glen C. Howerton, 41, of 182 W. Fields. Howerton was found early this morning in the 800-block of S. Hobart by Patrolman James P. Davis, who reported 11 bottles of beer in Howerton's car.

R. H. Tipton, 1032 Charles, told police that a case containing a 12-gauge shotgun had been taken from his home within the past two weeks. Tipton reported that he left the door locked except when he was home, and there appeared to be no sign of a break-in.

Howard Anderson, 1909 N. Wiliston, reported the theft of a new tire and wheel from his pickup truck.

Pampa Jamboree Scouts Enjoying Tour of London

Six Pampa Boy Scouts and their adult leader are in London on the first leg of a tour that will be climaxed by the World Scout Jamboree in Marathon, Greece.

The scouts attending the Jamboree from Pampa, Billy Ragsdale, San Williams, Jim Shelhamer, John Elder Jr. and John Curry.

While in New York the group toured the Empire State Building, Rockefeller Center, Times Square, Broadway, Radio City and Grand Central Station.

In a letter to The News, written by Jim Shelhamer and San Williams, the boys remarked that people in New York do not answer when you say "howdy."

Shelhamer said: "After arriving at our training camp, we settled down for a few days of preparation, training and pillow fights. Fort Slocum was erected as an army hospital in 1861. It is now an army information base. The staff at the base was fine and army chow was good, too.

Shelhamer wrote that they were looking forward to the day when they were to leave Idlewild by jet for Geneva, Switzerland, where the first leg of the European tour will begin.

"We are also anxious," he wrote, "to go to the Jamboree site itself at Marathon, Greece, where we will have a chance to meet some 12,000 boy scouts from 76 free nations around the world," Shelhamer said.

While in London, the Pampa scouts will be entertained by L. H. K. Brown, a brother of M. K. Brown of Pampa. Tuesday consisted of a tour of London and today the scouts are participating in a Shakespeare country tour. Tomorrow the group will go through Gilwell Park in London.

The boys will arrive at the Jamboree site August 1, following a tour of several countries. The Jamboree will last 11 days.

The scouts will return to Pampa August 23.

Country editor speaking: "The wise guy who said that work well done never needs doing again never weeded a garden."

While saying he is in no position to judge the cause of the Thresher's sinking, Rickover stressed his repeated warning to Navy authorities that Thresher-class submarines were being equipped with nuclear engines capable of producing much greater power and speed than their hulls could tolerate under extreme stress.

Within 24 hours, the President cabled instructions to Harriman to make a counter-proposal that the question of "observers" be postponed for later consideration.

Admiral Rickover's characteristically blunt views clash sharply with the official findings of the Navy's Court of Inquiry which state, "The basic design of the Thresher-class submarine is good and its implementation has resulted in the development of a high-performance submarine."

Was Thresher Hull Inadequate? — Rickover to Testify at JAC's Public Investigation

WASHINGTON — Admiral Hyman Rickover, father of the nuclear-powered submarine, will be the lead-off witness in the Joint Atomic Committee's public investigation of the Thresher disaster.

The Doctor Says:

All Insects Can Irritate But Ticks Win Top Honors By DR. WAYNE BRANDSTADT

Bees, wasps and hornets are not the only insects that may cause trouble this summer, although they are the commonest causes of severe discomfort.

Do not use your fingers to pull them out or crush them because in this way you may get infectious matter on you. Once removed, the tick should be dropped into a fire or into kerosene, alcohol, or turpentine.

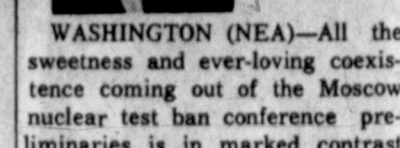

When you go into a tick-infested area wear protective clothing with elastic at the openings. High boots provide a further protection. The clothing should be sprayed with a tick repellent such as diethyltoluamide (Deet).

When the tick has been removed, whether whole or piecemeal, the wound should be painted with tincture of iodine and the hands should be thoroughly washed with soap and water.

500 to 600 Red Spies Now Combing U.S. for Secrets

By PETER EDSON

WASHINGTON (NEA)—All the sweetness and ever-loving coexistence coming out of the Moscow nuclear test ban conference preliminaries is in marked contrast to the growing record of Russian espionage now being disclosed in major western capitals.

There's a belief that the Soviet spy network has been vastly expanded since the end of World War II. This is verified by the number of Russian diplomatic personnel assigned to the United States, nearly doubled in the last 10 years.

In May 1954 there were 212 Russian officials assigned to the United States. Five years later, FBI Director J. Edgar Hoover put the number at 313 — an increase of almost 50 per cent.

As of May 1, 1963, however, there were 415 Russians in the United States, assigned to Washington and the United Nations headquarters in New York. Moreover, there were 317 diplomats from the seven Communist satellites in the U.S.

The 19 Cuban officials assigned to the United Nations in New York brings the total to 751. They had 1,118 dependents in this country. This aggregate, furthermore, does not include an unknown number of American Communists who may be reporting to Red master spies.

Since it has been estimated that 70 to 80 per cent of the Communist-country officials assigned to this country are in intelligence work, the spy potential is about 500 to 600 operatives.

Three years ago the U.S. State Department estimated that Russian and Chinese bloc countries had some 300,000 trained spies serving throughout the world, the number is greater now.

This year's spy mania opened with the Soviet's public trial and execution of its own Col. Oleg Penkovsky. He had been charged with betraying Russian secrets to the western powers.

ed intelligence service, his name was foolishly made public. Moscow claims he is still in Russia. But other reports have Russian counterparts on his trail to kill him if they can catch him.

The one new spy plot is the case of the Russian couple—real names unknown — caught by the FBI in Washington. They had assumed the identities of two innocent and unsuspecting American citizens, the Rev. Robert K. Balch, an Amsterdam, N.Y., priest and a Norwalk, Conn., housewife whose maiden name was Joy Ann Garber.

The phony "Mr. and Mrs. Robert Balch" were caught red-handed passing U.S. military information to Ivan Egorov, a Russian United Nations official in New York, and his wife. All four have now been arraigned for trial.

But this case of stolen identities is one that not even the mystery fiction writers had dreamed up.
