

Complaint Filed On Treatment Of U.S. Reporters

HARTFORD, Conn. (UPI)—The American Society of Newspaper Editors (ASNE) has sent President Kennedy a complaint about the treatment of American newsmen in South Viet Nam.

ASNE President Herbert Brucker, editor of the Hartford Courant, urged Kennedy in a letter made public Sunday "to bear in mind the need of the American people to have the fullest possible factual information from South Viet Nam."

"In recent weeks...there have been charges that Vietnamese secret police pummeled, knocked down, and kicked American reporters, and smashed their cameras," Brucker wrote.

"And," he said, "these events follow complaints over a long period that American reporters are hampered by the South Viet Nam government in going about their duties, and that sometimes even American officials do not support their efforts to report events as they are."

Brucker said the ASNE was "gratified" that the administration was investigating the problems of newsmen in the Southeast Asian country.

"Nevertheless it is not yet certain that all possible efforts are being made to prevent further deliberate obstacles to free reporting," the letter said.

Floyd Patterson, at the age of 21, became the world's youngest heavyweight boxing champion.

Birmingham Schools Desegregate in Fall

NEW ORLEANS (UPI)—Birmingham schools will be desegregated in September, but those in Jackson, Miss., will not.

The U. S. 5th Circuit Court of Appeals yesterday denied a request by the city of Birmingham for a new hearing on a court order to desegregate public schools in the city this fall.

At the same time, the appeals court denied Negro requests for an injunction and for immediate desegregation of schools in Jackson, Leake County and Biloxi, Miss.

The city of Birmingham had sought a hearing before the court as a whole, but Chief Judge

Five Injured In High-Speed Chase

LUBBOCK (UPI)—Five persons were injured, four critically yesterday in a high speed chase within the Lubbock city limits.

Critically injured were 15-year-old Diane Edens of Lubbock, 21-year-old Jacob Paul Everhart of Lone Wolf, Okla., 18-year-old Sandra Ann Griffen of Lone Wolf and 16-year-old Sue Haines of Lubbock. The driver, 22-year-old Burl Ellis Bell of Lubbock, was in satisfactory condition.

Lubbock police chased the Bell automobile for five miles at speeds that reached 110 miles per hour. The race ended when the car hit a divider in a Lubbock street, bounced into a guard rail, overturned, sheared off a light pole and caught fire.

The three-judge panel ordered the Birmingham School Board to submit a plan by Aug. 19, applying the state pupil placement law with no regard to race.

Laredo Customs Receipts Hit All-Time High

LAREDO (UPI)—U.S. Customs receipts reached new all-time highs for the Port of Laredo and the 23rd Customs District in the fiscal year ended June 30.

District Collector Charles H. Kazen announced receipts of \$15,198,520.37 for the district for fiscal 1963, compared with \$12,815,372.63 for the previous fiscal year.

Kazen explained that the constant increase in customs revenue is due to a general increase in imports from Mexico, including more manufactured goods.

Brownsville, in second place, collected \$3,628,583.21 last year, compared with \$3,435,323.07 the previous fiscal year.

The 23rd Customs District, with headquarters in Laredo, extends along the Rio Grande from Del Rio through Brownsville and includes the inland port of San Antonio.

Texas Legislative Council Gets Set For Interim Work

AUSTIN (UPI)—The new Texas Legislative Council will meet Wednesday to organize for the interim period between the 58th and 59th legislatures.

Rep. Bob Johnson of Dallas is expected to be named director of the council. If he is, he will have to resign his House seat to serve full-time as council director.

The 17-member council is an investigative, drafting and research agency of the Texas Legislature. It is composed of 10 House members, five senators, the House speaker and lieutenant governor.

"Old at 40, 50, 60?" Man, Get Wise! Pep Up

Thousands are peppy at 70! So, if you feel weak, low in energy, "old" at 40, 50 or 60, quit blaming it on age. If you want to feel younger, try Oxyton. Tablets at once. Aids for debility due just to random body's lack of iron, the "low-par" feelings you may call being old. Puts pep in both sexes. Try Oxyton to feel peppy, more vigorous. Today's "old-fashioned" size costs little. At all drug stores.

MILESTONE ON THE MIAMI—It may not be a particularly handsome building, but this structure overlooking the Miami River is the proud new landmark of small (19,500) but progressive Piqua, Ohio. Just as it led larger cities by manufacturing electricity as early as 1884, Piqua will soon become the first city in the United States to operate its own nuclear power station. The atomic reactor enclosed in bulging, 70-foot-high white dome above will produce steam. This will be piped across the river to the municipal power plant where it will turn generators to produce 11,400 kilowatts of electricity, about half the city's normal needs. The reactor was built by Atomics International, a division of North American Aviation, for the Atomic Energy Commission.

Fire Burns Three Ranch Sections

Five area fire units fought late into the night last night and into the early hours this morning to control a grassland fire which razed three sections of land on the 6666 Ranch north of Panhandle and threatened to destroy the ranch headquarters.
The fire started shortly after 6 p.m. yesterday 5 miles southeast of the ranch home on Highway 15. It burned within two miles of the headquarters, according to Mrs. George Jeffers, wife of the ranch manager.
The fire was contained at 10 p.m. yesterday, but broke out again at 1 a.m. and firemen fought until 4 a.m. today.
Units were on hand from Skellytown, Panhandle, Amarillo, Panhandle and Amarillo Air Force Base. Additional units were standing by at White Deer and Claude.

Neighbors Lose Purses Same Day

Two next-door neighbors had their purses stolen in the space of one day. Mrs. Ruby Cummings, 401 N. Wells, reported to police yesterday that she had lost her purse, containing personal papers and approximately \$45 in cash, and believed she had left it on a counter at a downtown store.
Mrs. Bertha I. Johnson, 403 N. Wells, reported this morning that she had misplaced her purse the previous day and was not sure whether it was while shopping or at home. Her purse contained \$5 and personal papers.

FALSE TEETH That Loosen Need Not Embarrass

Many wavers of false teeth have suffered real embarrassment because their plate dropped, slipped or wobbled at just the wrong time. Do not live in fear of this happening to you. Just sprinkle a little FASTEETH, the alkaline (non-acid) powder on your plates. Hold false teeth more firmly, so they feel more comfortable. Does not sour. Checks "plate odor breath." Get FASTEETH at drug counters everywhere.

Three Arraigned In Burglary Cases

Eddie Lee Wells, 17, of 818 Murphy and Sammy Lee Green, 23, of 433 Graham, were arraigned yesterday in Justice of the Peace Nat Lunsford's court on charges of burglary of a motor vehicle. Bond of \$1,000 each was set.
Jerry F. Roberts, 17, of Plainview was arraigned on a charge of burglary with intent to commit theft, and was placed under \$1,500 bond.
Police said Wells and Green, accompanied by two juveniles, broke into a beer truck at the Schlitz Warehouse on the night of July 13 and stole 16 cases of beer. Roberts, accompanied by one of the same juveniles, was arrested inside the Ira Bettis Service Station at 1019 Alcott the night of July 18, police said.
Police also said that the juvenile in the two thefts is also involved in seven other thefts, as well as a number of other crimes including forgery. He is currently being held in jail for action of juvenile authorities. The other juvenile involved in the beer truck burglary has left town and is being sought by police.

Pair Held For Unlawful Flight

LEWISTON, Idaho (UPI)—Mrs. Millie Jones, 37, and William D. Splawn, 40, both of Eastland, Tex., were held in separate security cells today awaiting the arrival of Texas authorities.

They were held on charges of unlawful flight to avoid prosecution for robbery in Texas when they broke out of the county jail early Friday.

Mrs. Jones, wearing only pink panties, slugged jailer Lloyd Stewart on the head with two bars of soap wrapped in a shirt sleeve, and freed Splawn.

They were captured by a mounted posse in the hills north of Lapwai, Idaho, Saturday. Mrs. Jones and Splawn had stolen clothing and she was dressed in blue jeans, shirt and jacket.

Charges of escape were filed against them during the weekend.

Ex-Agent of U.S. Defects to Reds

MOSCOW (UPI)—The Soviet government newspaper Izvestia today reported that an Arab-born former employe of the U.S. National Security Agency in Washington has defected to Russia and asked for political asylum.

Izvestia said that the former agent for the Americans defected because he was "outraged" by U.S. intelligence activities endangering peace in the Middle East.

The alleged defector was identified as Viktor Norris Hamilton, born Hindali, who said in an open letter to Izvestia that he was 44, and a graduate of the American University in Beirut.

The man, in the letter, said he was a naturalized American citizen and had worked for the Near East section of the National Security Agency beginning in 1957 but had resigned for reasons of "principle."

Hamilton said in the open letter on Izvestia's back page that he had married the former Lilly Bell Drake, whom he had met in Benghazi, Libya.

Hamilton charged that he was recruited for espionage work by an American colonel, whom he named only as "Maxwell."

"Maxwell," he said, had arranged for his admission to an intelligence school, "Tempo X," where he was given lessons in cryptography and general intelligence techniques.

Since June 1957, the defector said, he was employed by the NSA in Washington at Adminton Hall and later at Ft. Meade, Meade, Md.

He was registered as an expert in the Near Eastern section, he said, of the department called "Allo" which covered intelligence for the United Arab Republic, Syria, Iraq, Lebanon, Jordan, Saudi Arabia, Yemen, Libya, Morocco, Tunis, Turkey, Iran, Greece and Ethiopia.

"OVER LAND, OVER SEA . . ."—When this new military vehicle runs aground, it keeps right on going. The craft rides on two rotary metal pontoons fitted with spiral blades that move it forward, backward and even sideways. The blades clean themselves as they dig into swampy bogs, snow or soft earth. Weighing about a ton, the craft, called the Marsh Screw Amphibian by designers at Chrysler Corp., reaches its top speed in deep snow, about 20 miles an hour. Speed in muck is about 10 miles an hour. It is shown during initial tests in the swamp and bayou country of Alabama and Louisiana.

Vatican Joins Test Ban Hopes

VATICAN CITY (UPI)—The Vatican City newspaper Osservatore Romano today joined Pope Paul VI in welcoming the prospects of a nuclear test ban agreement at Moscow.

Referring to the Pope's statement Sunday that progress in the talks give rise to "some greater hope and some greater serenity," the newspaper said Paul was following the example of Pope Pius XII and Pope John XXIII.

Pope Paul made his remarks after blessing the Sunday crowd in St. Peter's Square. Osservatore said it welcomed

the prospects of an accord "as a victory of good will that rises upward and solicits with its irresistible command the community to a meeting, today limited and partial, but tomorrow—God willing—more ample."

The newspaper said politicians might say the accord "is not much." It noted that the accord would not affect the "balance of forces in the world or alter the fact that there are still two irreconcilable systems with regard to human rights and dignity."

ISN'T ARBITRATION BETTER THAN A NATION-WIDE RAIL STRIKE?

When two people find it impossible to agree, they frequently leave the decision up to a third party. This is arbitration.

Arbitration, we believe, is the only way left to head off a crippling nation-wide rail strike. The railroads have repeatedly said they are willing to leave the decision in the work rules dispute to an impartial third party. The rail unions have consistently refused to trust their case to such impartial analysis and decision.

The only remaining solution appears to be action by Congress requiring both parties to submit to arbitration.

WHAT'S WRONG WITH THIS? WHAT COULD BE FAIRER?

The public overwhelmingly favors arbitration over a rail strike. A recent nation-wide survey by one of America's oldest and most respected opinion research organizations showed a three to one vote among the general public for arbitration in the transportation industry (60% for, 20% against, 20% no opinion).

Do union members share their leaders' opposition to arbitration?

THEY DO NOT!

The same survey showed 54% of union members in favor of arbitration over a strike, 30% in opposition, and 16% no opinion.

How do union families who stand the brunt of a work stoppage feel about arbitration? By a greater majority than the general public, they favor arbitration over a strike. Sixty-six per cent of the union families support arbitration, while only 19% oppose, and 15% express no opinion.

In view of the basic fairness of an impartial third party decision when two sides fail to agree; in view of the overwhelming public support for the principle of arbitration in transportation; and in view of the disastrous consequences of a nation-wide rail strike, Congress can serve the public interest best by promptly enacting legislation requiring a settlement of the issues in this dispute.

Carol Chase Speaks To Auxiliary Group

The Kerley Crossman Unit 334, Department of Texas, met for their monthly meeting in the home of Mrs. Luther Pierson recently with nineteen members and guests present for a covered dish supper.

Miss Carol Chase, delegate to the Blue Bonnet Girls State, spoke to the Auxiliary and the Varieties Club, guests of the group. The Varieties Club joined the Auxiliary in sponsoring a delegate to Girls State this year.

Miss Chase stated that the ten days in Austin were filled with learning and fun. Girls attended from every part of the state.

Outstanding speakers during the convention of the groups were Jack Cox, and Governor John Connally.

The workshops were centered around citizenship training and procedures in government. A day was spent at the capitol with visits being made to Congress and the House of Representatives.

Miss Chase extended her thanks to both organization for their sponsorship.

Mrs. Cordie McBride, president of the organization, appointed the following Auxiliary members to a nominating committee: Mmes. Frank Showell, Joe Shelton, and L. K. Stout. They will make a report next meeting.

Salad Supper Held By Rho Eta Chapter

Rho Eta Chapter of Beta Sigma Phi met for a salad supper recently at Wayside Community Center.

Bridge and other card games were played throughout the evening. Guests attending were Mrs. Raymond Williams and Miss Diana Brooks. Members attending were: Mmes. Cletus Mitchell, Joe Pafford, Sam Anderson, T. L. Garner, Ken Peoples, James Brooks, Leroy England, Ray Smith, Doyle Beckham, Bob Bruner, Richard Gardner and Ann LeBlanc.

Summer Shirts Make Comfort Fashionable

By HELEN HENNESSY

Women's Editor
Newspaper Enterprise Assn.

NEW YORK (NEA). — Don't give anyone the shirt off your back this summer unless you'd rather be generous than fashionable.

Shirts have always been on the top of the list of favorite summer fashions. For many years their role was largely limited to active sportswear, but little by little the picture has changed.

They can now provide an entire wardrobe, suitable for every hour of the day and every type of activity. A well-chosen group of shirts can be a wardrobe in itself.

For casual wear with shorts or slacks there are stripes, tone-on-tone checks, prints and the basics that no woman likes to be without.

Watermelon Feast Planned By Club

Worthwhile Home Demonstration Club met with Mrs. Odie Skinner, 530 N. Wells, recently.

Presiding over the business meeting was Mrs. Roy Tinsley, president. Plans were made by the group to hold a picnic and watermelon feast, Aug. 1, 7:30 p.m. at Hobart Street Park. Families and friends of the members are invited.

One meeting will be held by the club in Aug. with regular meeting dates to resume in Sept.

Members present were: Mmes. Roy Tinsley, Boyd Brown, W. G. Kinzer, N. B. Cude and the hostess. Coffee, sandwiches and cake were served during the social hour.

SUMMER ACCENTS

A group of gold-plated, enamel-finish bracelets in pretty pastel shades are a wonderful contrast for your summer tan.

Colors offer a tempting selection of such shades as pink coral, green, banana and cantaloupe.

When a less casual look is in order, a smart costume can be assembled by combining an interesting shirt with a well-tailored skirt in dark or neutral tones.

Handsome dark batik prints and the new batik stripes will be favorites for town wear. Bleeding madras in the new, light backgrounds will go to town, too.

The shirt with a sleeve will play an important role this season, in contrast to other summers when only the sleeveless styles were shown.

As the sun goes down, shirts no longer retire as they once did. The patio dress, a popular new fashion for evenings, can be inexpensively fashioned by combining a floor-length skirt with a sleeveless shirt. Floral prints are ideal for this.

Just keep your shirt on this summer, and you'll get through the day in style.

Dear Abby

By Abigail Van Buren

DEAR ABBY: Your letter "Tired of Hams" is typical. I have been an active ham for many years and a TV technician since 1949. Your complainer should be told that her interference is due to INADEQUATE SHIELDING in HER TV set! The TV manufacturers will provide a filter free if you write and tell them your make and model. I operate a TV set right next to my ham radio set (at the same time, too) and I get no interference.

RALPH, W8LYI

DEAR ABBY: Television interference is caused by TV sets picking up the ham's transmitter signal. The frequencies for hams are very strict, and the FCC constantly polices the bands for "off-frequency" sets. When a TV set picks up ham signals, it means that the selectivity is so wide that the TV set has become a ham receiver. The ham cannot be blamed for this. It can be eliminated with an inexpensive filter. But the filter goes on the TV set — not on the ham's radio set. So, if a filter is needed, the TV owner buys it.

A HAM WHAT AM

DEAR ABBY: If that lady who hates ham operators would write to the manufacturer of her TV set and request a TV-HI-PASS filter, they would send her one free. Amateur radio is not only a hobby, it is a public service, and has been very helpful in cases of emergency and disaster. I have a neighbor who watches TV morning, noon and night, and she absolutely refuses to do anything about her TV except to complain to me because of the "interference". I have the same privilege to talk on ham radio as she has to watch TV. My own TV reception stands ten feet from my ham radio equipment, and MY reception is perfect. She won't admit that the trouble could be in HER TV set.

WA 4CXZ

DEAR ABBY: I am a ham radio operator and have been for years. A neighbor reported me to the FCC because she claimed my hobby was interfering with her TV reception. I took my little portable TV receiver to my neighbor's house and went back home and talked on my ham set. She called me up and told me that she got NO interference on the portable TV set. Then she had a TV repair man check her set, and he found a burned-out tube. When your TV gets interference from a ham radio, 99 per cent of the time it's a faulty TV set — not the ham's equipment. A ham's rule is, "If you don't interfere with your own TV set, your ham equipment is okay". As we say in hamland, "73" — which means, best regards.

CURLEY

DEAR ABBY: If anyone gets interference on his TV because of a ham operator, all he has to do is report it to the FCC. The "call letters" will identify the ham. All ham operators are licensed by the Federal Government and most of them are high-grade, responsible people who enjoy the hobby and mean no harm.

THE HANDLE IS SAM

Tell your troubles to Abby. For a personal, unpublished reply, please send a stamped, self-addressed envelope.

Shirts can take you around the clock this summer. For town wear (left) a solid skirt is teamed with a vibrant batik print shirt with Bermuda collar. For an afternoon at home, pants are topped with a crisp textured strip cotton

shirt (center) with classic convertible collar. Sleeveless satin stripe shirt (right) in a rainbow of pastel shades offers unlimited color combinations for patio wear in the evening. All shirts are Lady Arrow designs.

Another Lopsided NY Yank Runaway in AL

By FRED DOWN
UPI Sports Writer

It looks like an old-fashioned New York Yankee runaway—perhaps the easiest since the Yankees themselves romped by 12 runs in 1947.

That's the picture in the American League today with the world champions 7½ games in front of the pack and just starting a long home stand which they almost always are at their best.

The Yankees made it four in a row on their current home stand when they whipped the Los Angeles Angels, 8-4, Monday night and opened a 7½-game lead on the idle second-place Chicago White Sox. No other major league games were scheduled in either league.

Ralph Terry, the World Series hero of 1962, staggered the full nine innings on the strength of an early Yankee assault that produced a 7-0 lead after three innings. Terry was tagged for 12 runs—including Lee Thomas' two-run homer in the fourth inning and Bob Sadowski's two-run single in the eighth—but evened his season record at 10-10.

Tom Tresh, back in the lineup after missing three games with a neck injury, sent the Yankees off to front against rookie Fred Newman with a two-run homer in the first inning.

Then the Yankees routed Newman with a five-run third-inning, captured by two-run singles by Tresh and Elston Howard, and

added another run in the fifth on a homer by Johnny Blanchard. Tresh's homer was his 16th of the season and Blanchard's his fourth.

Terry, a 23-game winner in 1962, struck out four and walked one.

The Yankees won the 1962 pennant by five games and the 1961 and 1960 flags by eight. Their 10-game margin over the field in 1958 is the biggest victory bulge since the 1947 team coasted in by 12 lengths.

The White Sox will have a chance to gain ground tonight when they play a two-night doubleheader in Detroit. Other AL games were Los Angeles at New York, Minnesota at Cleveland, Washington at Baltimore and Kansas City at Boston.

In tonight's National League games, Pittsburgh is at Los Angeles, New York at San Francisco, St. Louis at Milwaukee and Philadelphia at Houston. Cincinnati is at Chicago in an afternoon game.

The Twins defeated the Braves, 5-3, and the Cardinals beat the Kansas City Athletics, 4-3, in Monday night exhibition games at Milwaukee and Kansas City, respectively.

Rookie Jim Roland pitched three-hit ball for seven innings and Harmon Killebrew and Earl Battey hit homers for the Twins. George Altman's two-run seventh-inning single was the big blow for the Cardinals.

Stinnett, Graham Take NBC Wins

BORGER (Spl) — Stinnett rolled over Fritch, 12-1, while Amarillo Graham Plow had to go to the eighth inning to pull out a 7-6 win over Silverton in the opening games of the NBC Regional Tournament last night.

Pampa meets Spearman in the opening game at 8:30 tonight, with Borger meeting Umberger in the nightcap. Fritch will meet the loser of the Borger game and Silverton the loser of the Pampa game in tomorrow's losers bracket games, with the winners clashing Thursday night with Stinnett vs. Amarillo.

J. M. Morgan hurled a three-hitter in the opening game, cut to five innings by the 10-run rule. Stinnett grabbed five runs in the first inning off losing hurler Butch Rollins, who was relieved in the second by I. Z. Sanchez.

Benny Sherrord singled home Paul Hyatt in the eighth inning to give the tourney favorites a squeaker over the Irrigation League champions, Ronnie Sherrord took the win, going the last three innings in relief of Cecil Davis. James Hawkins went all the way in defeat.

Amarillo grabbed an early 6-1 lead, only to see Silverton battle back, with Nevada Breedlove's three-run triple tying the game in the seventh.

Pampa suffered a severe blow to their tourney hopes when catcher Mike Stewart announced that he would be unable to play in the series. The Colts will have to go with bullpen catchers Chuck Brookshire and Doug Scott, both of whom have seen only limited game action this season.

Liston Brushes Aside Floyd, Seeks Lip

By JACK CUDDY
UPI Sports Writer

LAS VEGAS, Nev. (UPI)—With Floyd Patterson now demolished as a challenger, heavyweight champion Sonny Liston turned his attention today to zipping the lip of young Cassius Clay in a \$7 million title fight at Philadelphia's Municipal Stadium, Sept. 30.

Big Sonny, whose ham-like fists floored ex-champion Patterson three times for a knockout at 2:16 of the first round Monday night, will formally sign at Philadelphia on Friday for his second

defense against cocky young Clay of Kentucky, it was learned authoritatively today.

Thus will Liston make good on a promise—or was it a threat—he made months ago when he told Clay, "You're next; loud mouth."

Brash Cassius and glowering Sonny will do their pen wielding at Philadelphia at 2 p.m. EDT Friday.

Sonny, who registered his 28th

straight victory and 23rd knockout before a sellout 7,816 at the Las Vegas Convention Center, will receive 40 per cent of net receipts from the Philadelphia fight. Clay has agreed to take 22½ per cent.

Patterson, who announced he will not retire despite two first round knockouts in his latest two ring appearances, admitted he's out of the title picture right now.

Surprisingly he added that he gives Clay a chance to beat Sonny in September because of Clay's youth, speed, weight (about 210 pounds), and punch.

Bob Nilon, president of Inter-

continental Promotions, Inc., admitted today that Liston and Clay already have come to terms and that they will be in Philadelphia Friday afternoon for a "news conference."

Liston, weighing 215½ pounds to Patterson's 194½, had to take only one good punch—a left hook to the face early in the round Monday night—during his mayhem performance against Floyd. The left hook knocked Sonny back onto his heels for a split second, then he was after the challenger and required only 2:10 to blast Patterson's ambitions of winning the heavyweight crown a third time.

Floyd, 28, already will go down in history as the only heavyweight to win the crown twice—he did it against Archie Moore and Ingemar Johansson.

But Floyd's reputation was tarnished considerably Monday night

because at times he seemed somewhat fearful of the massive, solid-punching champion.

Mets Particular, Drop Jim Piersall

NEW YORK (UPI)—Jimmy Piersall, one of the major league's biggest drawing cards because of his colorful and zany antics, may have clowned himself out of baseball.

The New York Mets announced Monday that they have asked waivers on the 33-year-old outfielder for the purpose of giving him his unconditional release. If Piersall isn't claimed within 72 hours, he is free to make a deal for himself as a 12-year major league veteran.

In addition to his clowning, which didn't go over too good with the Mets management, Piersall batted only .193, with 10 runs batted in for the last-place Mets since arriving May 23.

Piersall came to the Mets from Washington in the deal which permitted Gil Hodges to take over as Senators' manager. He is believed to have cut short his Met career during a clowning episode before the game with the San Francisco Giants last Wednesday at the Polo Grounds.

Sports Briefs

TEXAS GOLFER QUALIFIES
COLORADO SPRINGS, Colo. (UPI)—Bill Thomas of Wichita Falls, Tex., and Mike Moore of Colorado Springs each shot a one-over-par 73 Monday to lead qualifiers in the Broadmoor Men's Invitational Golf Tournament. Another qualifying round is scheduled today, with match play beginning Wednesday.

Youth Baseball

B&B crushed Crall, 13-4, in last night's Optimist Youth Baseball. Mickey Ebenkamp took the win, with David Driver and Jim Hollis in relief. Dickie Thompson was the loser, with Mike Daniels relieving.

Jerry Lindsey had 3-for-3 and Hollis 2-for-2 for the winners.

TOURNEY BEGINS

AUSTIN (UPI)—Play begins today in the annual 36-hole Texas Junior Chamber of Commerce golf tournament. One hundred golfers, who qualified in various regional tournaments across the state, will compete in novice and veterans divisions.

The United States men's team beat their Russian counterparts in Moscow last weekend, 119-114 points, but the Yank girls were shut out in all 11 events, bowing 75-28. On the heels of the poor showing of the girls came a report that disciplinary problems contributed to the shelling. However, women's coach Margaret Ellison of Abilene, Tex., a former sprint star, promised all has been "straightened out."

Both Fisher and distance runner Jim Beatty of Los Angeles, who did not compete at Moscow and will not take part in the Polish meet because of a leg injury, said they were keenly disappointed in the Moscow performances. Beatty blamed the American system while Fisher said he was optimistic over the future.

Golden Spread Women's Softball

The Golden Spread Softball League returned to regular action last night after winning the Amarillo Women's Tournament over the weekend, and the Stinnett Babes pulled off the stunner of the season by tying the Pampa Queens for first place.

Stinnett ace hurler Lucille Strickland and Pampa's Mary Lou Addington, pitching stars of the tourney, failed to display their usual form as Stinnett outslugged the Queens, 20-18, at Lions Park. Lucille went all the way for the win, with Mary Lou being relieved in the fourth by Peg Kastien. The Queens pitchers couldn't find the plate, walking 15.

Mary Dean had three hits and Diane Sursa two for the winners. Wanda Rogers four and Neva Hale two hits for the Queens.

The two teams are now tied for top spot in the loop with 7-3 records, each with three games left to play. The only other team within reaching distance of the pair is Skellytown (4-4), which meets Pampa Thursday night.

Potash
Originally, potash was obtained by leaching, or running water through the ashes of burned wood and boiling down the solution in large open kettles. The residue, a white solid, was called potash because it was made from ashes in pots.

AAA Warns That New Mexico Gets Little Too Rough With Motorists

ALBUQUERQUE (UPI)—New Mexico and the American Automobile Association are having troubles.
The AAA has placed New Mexico on its "very strict enforcement—arrests frequent" list. Only two other states are on the list.
The action came after Harry Mallory, AAA general manager for New Mexico, said complaints from motorists had reached a

peak. Mallory admitted many of the arrests were justified but charged the incidence of motorists' protests over unjustified arrests and discourteous treatment were entirely too high.

The AAA also does not like the use of unmarked patrol cars, fee systems, and speed traps. The first two exist in New Mexico.

State Police Deputy Chief Joe Roach said in Santa Fe, apparently in reply to the AAA's concern over law enforcement procedures on state highways, "we relaxed the arrest procedure in 1961 and in 1962 we paid the penalty in increased accidents and fatalities. So far in 1963 we're still under the terrible fatality toll of 1962."
State traffic deaths for this date in 1962 were 222 as compared with 167 this year.

Mounties Don't Always Get Their Man, Chief Says

WASHINGTON (UPI)—The head of the Royal Canadian Mounted Police admitted today that the Mounties don't always get their man.

In fact, said Commissioner C. W. Harrison, they don't even try. "With the tremendous variety of work we have today, it would be utterly ridiculous to continue chasing a man through hell and high water, no matter what offense he had committed," Harrison said in a copyright interview with U.S. News and World Report.

"It is true, however, that we never close a file on a serious offense," he said.

Harrison blamed Hollywood chiefly for building up the idea that the Mounties never let a suspect get away. The real motto of the Mounties, he said, is "Maintain the Right."

"We try to discourage young men who want to join the force thinking they will ride gorgeously across the prairies in their red coats to the tune of 'Rose Marie,'" Harrison said. "We point out that life in the force is not a 'Rose Marie' type of thing."

New York Gas

Enough gas is consumed annually by the 1.3 million users of a New York gas utility concern to keep one burner of a modern gas range lighted for more than 500,000 years. These consumers burn more than 100 million cubic feet of natural gas on an average day.

QUEEN CANCELED VISIT

LONDON (UPI)—Queen Elizabeth canceled her visit to the Royal school in Windsor Great Park Sunday because of an outbreak of chicken pox among the pupils.

The Queen, who was to have presented prizes, called off the visit on advice of her doctor, a palace announcement said.

The American way of dealing with civil rights and relations between Negro and white citizens would have been a resort to the ballot box in local and state elections.

In this crisis of race relations, the American way failed to meet the challenge. This failure to cope with a great national problem is the most frightening aspect of the whole gloomy scene.

American citizens should inform themselves as to the circumstances by which they permitted themselves to be entrapped in the existing race relations deadfall. When the American way marks up a big, fat failure it is, indeed, time for all good men to come to the aid of their country.

This essay is to propose that the major blame for the situation now confronting me and my fellow citizens shall be assessed against the shameless politicians of both major parties. These shameless ones made to Negroes presidential campaign promises they have not redeemed. Pure humbug! It is fair to suspect that some or all of them had no intention of redeeming the promises tossed out as bait during the presidential campaign to Negro voters. It is reasonable to believe that some of these promises were impossible of redemption and, further, that the politicians knew this when the promises were made.

Blame Negro Leaders
It is customary now to blame Negro leaders for taking their civil rights arguments into the streets, their fists clutching bats or brick or clubs and their minds set toward trouble. These Negroes own their share of blame, right enough. But what about the politicians, especially the Democratic politicians, who promised in 1960 about what the Negroes are demanding in 1963?

The 1960 Democratic platform covered the waterfront on civil rights. You name it and the platform promised it. The Democrats were able, even, to out-promise the Republicans in their bid for Negro votes. That is no small accomplishment because the Republicans also have been playing cruel politics at the expense of the Negroes for many years, and getting away with it, too. It was not until FDR put together his New Deal combination of the have-nots and under-privileged with the Democrats of the South that the Negroes bolted the Republicans.

FDR didn't offer Negroes much in the way of rights, either. There were kind words, but more important there were federal handouts, work relief, public housing, eatin' money. The 1932 Democratic platform on which FDR stood for his first election wasted few words on civil rights. It said this: "Equal rights to all; special privilege to none."

Not Even That
Of course the Democrats did not really mean even that. But those eight words are not to be compared for duplicity with the outrageously flamboyant promises that political parties now freely make to obtain Negro votes.
