Principal Denies Children Cheered

DALLAS (UPI) — An elementary school principal today denied nationally televised (CBS) charges by a local minister who said fourth-graders "cheered" when they heard President Kennedy was assassinated.

H. G. Williams said there was no announcement about the shooting or death of the President to the youngsters.

He said an announcement was read over a public address system instructing the students to go home immediately, but not telling them why.

Classes Dismissed

Williams said the children may have cheered at the announcement to go home, like normal youngsters would.

Classes were dismissed because of the assassination.

Police today guarded the home of the Rev. William A. Holmes, the pastor who made the accusation. He and his wife went to an undisclosed place after threatening telephone calls were received.

One report said they were in police protective custody.

Cheering Denied

A fourth grade teacher who said she understood University Park elementary school was the one Rev. Holmes had in mind, denied children there cheered at the President's death.

"I am chairman of fourth grades at the school," Mrs. Genivieve Cleveland said. "And we had no such thing in any of the classes."

"I was shocked and grieved to hear such a statement," she said.

"It is a grave injustice."

The minister was not immediately available for comment. Mrs. Cleveland said the children were not told of the President's death but some heard about it in the corridors and asked her if it was true.

Even More Serious

"I told them it was but the reason we had not told them was that we wanted the news to come from their parents," Mrs. Cleveland said.

"They were sober then and, I felt, even more serious when they came back after the weekend."

Rev. Holmes said the demonstration by the children was one of three reasons why Dallas should accept the blame for President Kennedy's assassination. He said the other two were the attack and abuse of United Nations Ambassador Adlai E. Stevenson last month by pickets

and the jeering and shoving of Lyndon B. Johnson and his wife, Lady Bird, in a downtown Dallas hotel several years ago, when Johnson was a senator.

Stock Exchanges Set for Another Heavy Work Day

NEW YORK (UPI) — Officials of the New York and American Stock Exchanges, cheered by an abrupt rise in stock prices, told trading floor employees to show up early today in anticipation of another heavy trading session to follow one which set records.

Volume on the New York Stock Exchange, representing in part the accumulated orders gathered during a three-day recess in market sessions, soared Tuesday to 9,290,000 shares, largest since the 10,706,970 traded May 31, 1962, when the stock market "broke" and then recovered.

Price performance was even more spectacular. Tuesday's session, the first since the assassination of President Kennedy, saw the Dow Jones average of 30 industrial stocks score a gain of 32.03 to 743.52, the highest gain for a single session since Oct. 30, 1929, when it rose 28.40. The recovery more than wiped out the loss of 21.16 points last Friday, when the market slumped at news of the shooting of the President by an assassin.

Prices on the American exchange showed gains. Paper value gains in the market were estimated at about \$14.6 billion and Standard & Poor's broadly inclusive index of 500 stocks, out of the 1,334 issues traded, rose 2.77 to 72.38.

Contributing to the rise were a variety of factors. Confidence in the new administration of President Lyndon B. Johnson; the staunchness with which European markets held during the Monday recess in markets here; action by the stock exchange to protect customers of a suspended member firm; a huge weekend accumulation of buy orders, played varying roles in the market performance Tuesday.

Johnson Signs First Two Bills

WASHINGTON (UPI) — President Johnson has signed his first two bills, the White House announced today—one of them legislation increasing the temporary debt limit from \$309 billion to \$315 billion.

The first bill to be signed by the new Chief Executive was an amendment to the Arms Control and Disarmament Act. It increased the authorization for appropriations and changed some personnel security procedures.

Initially, the White House announced that Johnson had signed the debt limitation bill first but this was later corrected. Both bills were signed Tuesday.

The bill raising the debt ceiling from \$309 billion, effective Friday, was vitally needed because the legal debt limit would otherwise drop to the \$285 billion "permanent" level on Sunday, Nov. 30.

The debt balance is currently running approximately \$308 billion and it would be impossible for the Treasury to reduce the debt to the \$285 billion level when the legislation extending the authorized limit to \$309 billion expires Saturday.

This is the third "temporary" increase in the last three months.

The new \$315 billion limit—in effect for the remainder of this fiscal year—was endorsed reluctantly by Treasury Secretary Douglas Dillon and Budget Director Kermit Gordon.

Dillon said he would have preferred a slightly higher ceiling—approximately \$317 billion—to give the Treasury a little more flexibility in its borrowing policies.

FEW TOYS FOR TOTS — Leo Tyrell, a Pampa fireman, is shown repairing a small car which was donated to the VFW Toys for Tots campaign. The firemen said today that there was a drastic shortage of toys. The toys will be given away at the annual VFW Christmas party Dec. 15 in Legion Hall. More toys are needed to supply toys for needy children in Pampa.

Pampa Sets Traditional Holiday Observance

Pampa prepared today for a traditional Thanksgiving.

According to the Chamber of Commerce, business houses in Pampa will be closed Thursday. Aubrey L. Steele, president, announced that no special civic function in observance of the holiday was planned, but various

special assemblies according to the usual custom. The school menu will be the traditional turkey in all cafeterias.

Mrs. Reggie Patrick, who serves meals to both the county and city prisoners said that a complete turkey dinner in the traditional Thanksgiving manner would be served to prisoners in both city and county jails.

Officers of both Gray County and the City of Pampa will be closed.

Jacqueline to Attend Gathering at Hyannis

By HELEN THOMAS WASHINGTON (UPI) — Mrs. Jacqueline Kennedy made plans today for a Thanksgiving gathering at Hyannis Port, Mass., and a future life away from the White House.

The 34-year-old widow of the late President Kennedy has maintained a busy pace to keep her mind occupied in these days of sorrow following her husband's assassination.

But she has visited the grave of the martyred President twice since the aching final rites Monday afternoon. Tuesday night she returned to the grassy knoll in Arlington National Cemetery, and took along daughter Caroline for the child's first visit to the site.

Mother and daughter were driven to the cemetery about 7 p.m. EST—two hours after the cemetery gates were closed to the public. They stood together looking down at the head of the floral-covered grave. Mrs. Kennedy had made a return visit to the grave late Monday night.

Going to Cape Cod She will take Caroline and

John Jr., to Cape Cod Thursday morning. They will arrive in time for the traditional Thanksgiving dinner of the Kennedy family.

Mrs. Kennedy planned to stay at her own home in the Kennedy compound. She is expected to return to the White House Sunday or Monday.

Caroline Kennedy, who is six years old today, and John Jr., who was three Monday, both will have a birthday cake with their small cousins at the compound Friday.

After her return to Washington, Mrs. Kennedy will stay at the White House for several days packing and winding up her personal affairs. That is the way President and Mrs. Johnson want it.

Mrs. Johnson said Thursday that she did not even contemplate moving into the White House until Mrs. Kennedy had carried out her last chores.

Talked Over Problems Mrs. Kennedy and Mrs. Johnson met Tuesday to talk about the problems of running the official household. Mrs. Johnson (See JACQUELINE, Page 3)

they would pay 25 per cent down in cash, but wanted short-term credit terms of 18 months to pay off the balance.

Commercial U.S. banks insist that the Export-Import bank insure or guarantee the 75 per cent balance, similar to the credit underwriting function performed by the government bank for other commercial export transactions.

Senate to Give LBJ Free Hand on Wheat

WASHINGTON (UPI) — The Senate, moved by a letter from the dead President, voted Tuesday night to give the new Chief Executive a free hand in negotiating the proposed wheat sales to Russia.

By a 57 to 35 vote, the Senate defeated a bill sponsored by Sen. Karl E. Mundt, R - S.D., that would have prohibited the Export-Import Bank from guaranteeing commercial U.S. bank loans to finance the sales.

Senate Democratic Leader Mike Mansfield, Mont., in a dramatic prologue to the showdown vote, read to a hushed chamber a letter from the late President Kennedy, written a week before his assassination, vigorously opposing the restriction.

The letter dated Nov. 15 and addressed to Mansfield said, in part, "I write to urge in the strongest terms that the Senate should not approve" any legislation to bar government underwriting of the sales.

"It would work against the interest of the American exporter in fair competition with other free countries for non-strategic trade with the Communist world," the letter said.

Calling such a proposal "against the national interest," the letter was never actually signed by the President, but bore typewritten the ending: "Sincerely, John F. Kennedy."

The bill had led to suspension of U.S.-Soviet negotiations for the sale of \$250 million worth of surplus wheat. Because the Russians also are balking over shipping rates, defeat of the measure does not mean the sale will go through, but the vote did remove a major roadblock to further negotiations.

The issue of Export-Import Bank credit guarantees arose after the Russians indicated

DA Hints Ruby May Have Had Other Motive

Ruling Could Bring End to Fireman Job

WASHINGTON (UPI) — The ruling of the presidential arbitration board in the four-year-old railroad dispute was viewed today as a small but decisive step toward elimination of firemen from freight trains and yard engines.

The board's major finding was that 90 per cent of the firemen's jobs on these diesels could be abolished because other crew members could do their work.

But a detailed study of the arbitration panel's 58-page opinion indicates that even though the jobs are unnecessary it will be many years before the men who hold them can be removed from the payroll.

The board's decision is legally binding on both unions and carriers. Two unions—representing the firemen and engineers—said they would try to delay the effectiveness of the award as a prelude to a court fight to get the ruling set aside.

The ruling did not remove the threat of a new rail strike next Feb. 25 over proposals for revision of the pay system, seniority rules and other related issues. These matters were left for bargaining that is scheduled to be resumed Dec. 4 by negotiators for the unions and the railroads.

Since the ruling was a sharp setback for the firemen and engineers' unions, however, they may stiffen their stand on the other aspects of the dispute that has raged in and out of the courts and presidential commissions since 1959.

The railroads scored a decisive victory—in principle—since the neutrals agreed with management spokesmen that all but 10 per cent of the 33,000 firemen's jobs on freight and yard trains could be abolished without any added risk.

Those 10 per cent would be retained, presumably on those rare runs or yard locations where an extra man is needed to pass signals or maintain a lookout, under the ruling.

It is scheduled to take effect Jan. 25.

Ruby Could Get Suspended Term Under State Law

DALLAS (UPI) — The county district attorney's office said today Jack Ruby could get off with a suspended sentence even if he were convicted of murdering accused assassin Lee Harvey Oswald.

Under the indictment handed up Tuesday, there are five possible verdicts:

- Guilty of murder with malice.
- Guilty of murder without malice.
- Innocent of murder with malice.
- Innocent of murder without malice.
- Innocent by reason of insanity.

A conviction of murder with malice carries a penalty of from two years to death in the electric chair. Murder without malice is punishable by two to five years in prison.

In Texas, the jury sets the sentence.

If a jury decides upon a sentence of from two to five years on a conviction of murder, whether with or without malice, the defendant is eligible for a suspended sentence provided he has never before been convicted of a felony.

Ruby has no felony convictions on his record in Texas although he has been arrested on numerous occasions for such charges as liquor law violations and carrying a concealed weapon.

Criticism Piles On Dallas Events

LONDON (UPI) — Newspapers in Western and Communist Europe today kept up their criticism of the Dallas police for their handling of the slayings of President Kennedy and his accused assassin, Lee H. Oswald.

There was renewed speculation on both sides of the Iron Curtain that the President's death, and possibly Oswald's, was the result of a plot.

Moscow Radio blamed Kennedy's assassination directly on ultra-conservatives in the United States. The Soviet government newspaper Izvestia said the "American system" shared the blame.

Refuses To Heed Story

By BRYCE MILLER DALLAS (UPI) — The district attorney hinted today that striptease nightclub owner Jack Ruby may have had a more sinister motive for killing accused presidential assassin Lee Harvey Oswald than vengeance for the Kennedy family.

Henry Wade refused to accept Ruby's story that he felt sorry for the widow and children and was emotionally overwrought.

"It may have been a desire for publicity, or it may have involved something far deeper," Wade said.

"Our law enforcement agencies are still checking to determine if links exist between Oswald and Ruby. As far as I know, they haven't found any. But I don't know everything they've found."

Wade and defense counsel Tom Howard squared off over whether Ruby was insane when he shot Oswald as millions of Americans watched on television.

To Plead Insanity Howard said he will have Ruby plead temporary insanity. He said a psychiatrist for the defense will examine him in a few days to help prove that the baldish, 52-year-old self-appointed executioner suffered an emotional shock from the Kennedy assassination and did not know what he was doing when he pulled the trigger.

Ruby was indicted on charges of murder with malice Tuesday by a Dallas County grand jury. Wade said he would demand the death penalty. He already has had a psychiatrist examine the former Chicago street brawler and gambler.

He said he regarded Ruby's trial as one of the most important in Dallas history.

"Our whole judicial system will be on trial," he said. "This trial will determine whether Dallas has a government based on the orderly processes of law or a government in which an individual can take the law into his own hands."

Confidence In Jury He said he had "full confidence" that a Dallas jury would return the "correct" verdict in the case.

Wade said that he refused to accept Ruby's "simple" explanation that he shot Oswald on the "spur of the moment" because he felt sorry for Jacqueline Kennedy and the two Kennedy children and because he believed the assassination was a "Communist plot."

Tuesday Dallas police at the request of Wade turned over to the FBI all of the evidence they had collected against Oswald. And at the same time, at Wade's request, they opened their files on the Ruby case so (See RUBY, Page 3)

Johnsons Planning Family Holiday

WASHINGTON (UPI) — Although President Johnson's life has undergone some drastic changes in recent days, he plans to retain one semblance of his past family routine.

The White House announced Tuesday that the Johnsons would have a family style Thanksgiving holiday at their home in the Spring Valley section of Washington.

The President and First Lady will be joined by their two daughters, Lucy Baines, 16, and Lynda Bird, 19. Also present will be Lynda Bird's fiancé, Ensign Bernard Rosenback.

Connally Plans News Conference

DALLAS (UPI) — Texas Gov. John Connally today planned his first meeting with newsmen since he was shot down Friday with President Kennedy.

The 46-year-old governor decided Tuesday night he would meet with two reporters and a photographer at 12:30 a.m. today. He reportedly told Julian Read, administrative assistant, he felt he should meet with newsmen.

Connally was reported in "excellent" condition today from the sniper's bullet which ripped through his body, arm and into his leg.

The governor has handled some executive chores since Monday. Temporary offices for the governor's staff were set up at Parkland Memorial Hospital where Kennedy died and Connally was treated.

Church Bazaars Need Aprons

By MARY BROOKS PICKEN
Newspaper Enterprise Assn.
The one thing that sells best at a church bazaar the country across is a nice, big, practical, good-looking apron.

Why not buy some lengths of percales and drip dries right now and make two or three aprons for your church bazaar, and at the same time make a couple of flattering ones for yourself?

You can almost get a "production line" going when making several at one time.

Be sure to buy matching binding or rickrack, also thread to match, and then of course be sure you have a good-fitting pattern.

The one shown here laps over in the back, so no strings to tie before going to the washer, also no strings to iron or catch when you are in a hurry.

If you are not expert in stitching bias binding open the binding, baste the turned-in edge, using 1-3-inch stitches. Turn binding over onto the right side of the apron, stitch and you will have a neat job—and one that will keep the binding in place. Never allow the binding to tighten as you baste or stitch it on. Ease it on, especially on curves.

Pockets — Pockets in aprons are as important, almost, as the apron itself.

They should be made exactly the same size.

Placed precisely so they are even at the top and the same

distance from center front. Pockets should be stayed at the top by stitching back one inch each side so they will not pull off.

Bias Bound Pocket — This can have a shaped facing at the top as at the left—or the edges can be bound around, leaving the top for binding after the other edges are finished. This way you can turn ends of the top binding piece in and stay to place—by catching from the under side, using hand stitches.

A curved bound pocket is attractive, takes a little more time than does a work pocket.

Work Pocket — This is the simplest of all pockets to make. First, make a hem at the top, turn sides and bottom to wrong side, clip corners, Pin to position and stitch.

Flap Pocket — Add a trimming piece at the top, stitch to place right side of flap and pocket together. Turn all raw edges in. Stitch flap down, pivoting neatly at the point. Place on the apron, stitch to position, stitching back depth of the flap each side.

Seam Pocket — When an apron has a side seam, make a seam pocket, insert front edge under the panel, and stitch as shown. Pattern No. 2854-H has tissue—size 38-40-42 inclusive; color transfer; full directions.

Dear Abby... When To Say What Is A Major Decision

By ABIGAIL VAN BUREN

DEAR ABBY: You said it wasn't proper to say "Congratulations" to a bride. One should say "Best wishes" to the bride, and "Congratulations" to the groom. Then you said the person who said "Congratulations" to a bride might as well follow it up with, "I didn't think you could land him." I think you're all wrong, Abby. A bride DESERVES to be congratulated. In this day and age it is really an accomplishment to get a man to marry her. How about when a person graduates from high school or college? If I say "Congratulations" to someone, might I just as well follow it up with, "I didn't think you could make it?"

DEAR ABBY: My daughter is getting married pretty soon. Her father has been locked up in the state insane asylum for the past three years. When we make the announcement and send out the wedding invitations, should we use, "MR. AND MRS. SO AND SO"? According to the law, he is not responsible. He can't sign contracts or anything like that. If we didn't use his name, he wouldn't know the difference. Thank you.

DEAR ABBY: I come from a large family. I have several old-

New officers elected are Mrs. Sam Goodin, president; Mrs. Joe E. Hood, vice-president; Mrs. Ernie Mesneak, secretary-treasurer; and Mrs. Charles Tate, reporter.

Mildred Prince gave a demonstration on making and packaging holiday food including cookies and candies which were served to those attending by Mmes. Homer Scherer, Ray Sutton and Joe Hood.

Mrs. Dave Kerns won the door prize.

Attending other than those mentioned were Mmes. Jerry Blanton, Ralph Wilson, James Bowen, Glenn Giblin, Bob Brandon, C. L. Satterwhite, Orval Smith, Dick Brown, Ed Weins, Leo Casey, H. H. Kessinger and Cynthia Carnes, a guest.

The next meeting, a Christmas Party and gift exchange, will be held in the home of Mrs. C. D. Anderson, Cities Service Camp, Dec. 17, at 7 p.m.

Dear Kathy

By KATHY PETERSON

Dear Kathy — I am desperately trying to figure out what I can do about a boy I dated who is spreading nasty rumors about me. None of them is true but there's no way I can prove it. We went out just once and I haven't seen him since.

As far as he is concerned, it's just a case of boasting a little with the gang but it can mean a lost reputation for me: What can I do?—N. D. S.

Dear N. D. S.—Gossiping boys are labeled quickly by the gang. They probably know him to be a maverick who is trying to boost an ego by telling tall stories.

Right now the other fellows have made an awfully good guess as to whether you are a maligned innocent or one of the fellow's conquests. If this is the first time your reputation has been questioned, you'll get the benefit of the doubt.

The reputation you live with will be the one you earn from now on. Be quiet; be sensible and you'll be the hero.

The Mature Parent Sympathize With Her Reasons for Sulking

By MRS. MURIEL LAWRENCE

Dear Mrs. Lawrence: My husband's firm is transferring him from this city where we have lived for six years. Our twin boys, 10, are looking forward to the move as we have leased a house with lots of grounds around it. But we have had only sulks and tantrums from our daughter, 14, since she heard the news. She wants us to board her with a friend's parents here. She can't seem to understand that we have to go where her father's company sends him.

ANSWER: I once went through just such sulks with my child. And did very badly with them at the time. Now I know where I went off the track. I expected her to sympathize with our reasons for moving without first sympathizing with her reasons for staying.

Like mine, I expect that your youngster is happy with boys, girls, teachers, neighbors, tradespeople with whom she's been creating friendships for the

past six years — and resents losing them.

My suggestion is that you and her father try to sympathize with this resentment instead of resisting it. Express your sympathy by encouraging your daughter to arrange holiday and weekend visits by her friends to your new home. After you have demonstrated your understanding of her situation, you can count on a little more for your own.

The prime cause of friction between us and children is the ease with which we forget that we have to initiate the acts and the attitudes we want from them.

If Dad wants Johnny to take the old newspapers down to the cellar, he is wise to begin the chore himself. If we want Janet to treat our guests more politely, we must take care to deliver special courtesy to hers. If we want sympathy for the causes which compel us to move to a new home, we must first give it to the child who wants to remain in the old one.

If we want to get fancy about this rule for parental leadership, I suppose we can call it "doing to others what we would have others do to us."

Psychiatrists now tell us that children's attitudes toward frustrations depend pretty much on the attitude of their frustrators. This is true of us, too. If the husband who forgets our birthday sympathizes with our hurt, we get over it. It is when others start justifying their right to ignore our feelings that we begin to get mad. As this child of yours is.

A prayer for Thanksgiving: Father we have many things to be thankful for again this year; for the many clubs, church groups, Sunday School Classes and sororities who weekly act as hostesses at the Center; the Altru Club who sponsors it; and acts as hostess once a month.

We have had disappointments and heartaches; but for most the blessing out-number the disappointments, for which we are thankful. Some have gone to their reward, for these we mourn — but not as those who have no hope. For the ill, we pray for their recovery; for the discouraged, we pray new hope and encouragement. For the tribulations of the captive in various parts of the earth, we pray for their release and freedom—whatever race or creed. We humbly thank Thee, oh Lord, for all the blessings we have received this past year; and pray for strength to overcome our weaknesses. May we always remember to follow the teachings and practice the Golden Rule. "Do unto others as thou wouldst have them do unto you."

May we all have a real Thanksgiving this year, both spiritually and physically by sharing with others our material blessings, that they may be comforted. We pray for peace and understanding among all nations. Amen.

City Plans Memorial At Assassination Site

DALLAS (UPI)—Mounds of red, white, purple and yellow flowers banked the grassy slopes around the site of President Kennedy's assassination today and filled the air with scent.

Fresh bouquets replaced the wilted ones, but the funeral instructions on colored plastic ribbons and cards bore the same thoughts. Said a card on one-willing wreath: "God forgive us all."

The flowers started coming Saturday. Individually and in groups, people began to go to the spot to pause, look at the road and the Texas Schoolbook Depository building that rises over it. They try to spy the window from which the assassin fired.

City fathers considered raising a permanent marker at the site. City Councilman George Underwood proposed naming the area bounded by Houston, E. and Commerce streets and the underpass toward which the President was riding as "John Fitzgerald Kennedy Plaza."

LBJ Sends Word U.S. Ready to Work for Peace

WASHINGTON (UPI)—President Johnson has sent word to Soviet Premier Nikita S. Khrushchev that the United States stands ready now, as in the past, to make every honorable effort to solve East-West problems which could spark nuclear war.

At the same time, the new President has made strenuous efforts during the past two days to convince Allied representatives that there will be no faltering in American leadership of the non-Communist world.

Administration officials said these two key elements could be expected to emerge clearly in the President's address today to a joint session of Congress.

White House sources said Johnson told Soviet Deputy Premier Anastas I. Mikoyan during an hour-long conference Tuesday that the United States was ready to "go its part of the way" in the search for measures to ease tension.

These sources emphasized, however, that the new President was not willing to make any new offers or concessions which might imperil the Western position.

Any hint of this on Johnson's part, it was pointed out, would be political suicide at home in addition to being disastrously damaging to Allied morale in Europe and elsewhere.

Mikoyan, who remained here after the funeral of President Kennedy especially to sound out the new Chief Executive, was leaving today for Moscow to carry Johnson's views to Khrushchev.

Johnson also conferred Tuesday with a number of major Allied representatives and staked out for himself within the next few months a full schedule of personal diplomacy. He obviously hopes this will strengthen Western unity and thwart any Soviet efforts to take advantage of any uncertainty in the Western camp which may follow Kennedy's death.

Among those Johnson talked with Tuesday were British Prime Minister Sir Alec Douglas-Home, West German Chancellor Ludwig Erhard and President Diosdado Macapagal of the Philippines.

In a swiftly scheduled radio-television appearance, Johnson also pledged his administration to continue the Alliance for Progress program of aid for Latin America as a living memorial to Kennedy.

He told a group of diplomats from troubled South America, in the capital of the Kennedy funeral, that the U. S. government would "carry on the job."

He spoke from the same White House room in which his predecessor announced creation of the alliance program nearly three years ago.

Johnson promised early consultations with the British and West German leaders. Officials said these would come shortly after the first of the year.

Search Initiated For Lost Plane

GRANTS, N.M. (UPI)—A ground and air search for a private plane which has been missing since Monday continued today after hope faded that a fire sighted late Tuesday may have been set by survivors to attract rescuers.

The pink, white and blue Mooney Mark-20 was on a flight from Amarillo, Tex., to Gila Bend, Ariz., when it disappeared. Gail McCoy, 41, of Gila Bend, was the pilot and his wife, Rotah, 38, a daughter, Ardea, 11, and a son, Rodney, 13, were passengers.

State Police said authorities at the Zuni Indian Pueblo received a report late Tuesday that a fire had been sighted about 30 or 35 miles south of Grants near the Acoma Indian Pueblo.

A Valencia County Sheriff's deputy was sent into the area to investigate but turned up nothing. Civil Air Patrol ground units from Albuquerque and Grants also were sent in to search. The area is extremely rough country and there are few roads. No word had been heard from the searchers late Tuesday night.

Mexico Planning Plastic Church

MEXICO CITY (UPI)—A plastic church, expected to be the world's first, is being planned for suburban Ciudad Satelite, it was reported today.

The church will be dedicated to San Felipe de Jesus, Mexico's only saint.

The building is being planned by a group of architects at the National University of Mexico, and approval of Roman Catholic Church authorities is expected shortly.

'HARD MONEY'
HUNTSVILLE (UPI)—Texas State Prison authorities here encourage the inmates to lift some money every year, but it's not a deal to tempt anyone into renewing a life of crime.

A sack containing \$50 in cash is placed on the horns of a wild Brahma bull at the prison rodeo, and the inmates can keep it if they can get it. The event is called—fittingly enough—"hard money."

Kiwanis Announces Banquet Tuesday

Top of Texas Kiwanis Club will have its installation banquet at 7 p.m. next Tuesday in the Starlight Room of Coronado Inn when newly elected Kiwanis Lt. Gov. Leroy Hartman will install the new officers.

Top of Texas met Monday night at Coronado Inn and heard a talk by Hank Brown of Amarillo. Downtown Pampa Club guests included Ralph Reed, Dr. George Snell, Jack Skelly, Dick Stowers, Bob Carmichael, Jay Leath and Harold Barrett. One Key Club member, Randy Holmes, attended.

Two Thefts Listed On Police Report

Theft of an acetylene cutting torch and equipment valued at more than \$100 was stolen during the last several days from the backyard at the home of Bill Jack, 723 Locust St.

Jack reported to police that in addition to the torch the thieves also took two oxygen bottles, a hose and gauges.

E. R. Howard of Glazier said two recapped tires he had just bought were stolen from his pickup truck in the 600 block of S. Cuyler St. Tuesday afternoon.

The health care bill in 1962 represented an estimated 6.4 per cent of the total outlay by Americans for all their personal needs, the Health Insurance Institute reports.

Canadian Rotary Club Makes Awards at Annual Banquet

CANADIAN (Sp) — "The spirit and the secret of American strength lies not in its armed might, but in having the greatest and most productive agricultural empire in the world today," O. R. Stark Jr., banker and conservation leader, told more than 100 farmers, ranchers and businessmen at the Canadian Rotary Club's annual Conservation Awards banquet Monday night.

Stark, who is executive vice-president of the First National Bank at Quitaque and widely

recognized as one of the outstanding young leaders in conservation promotion in the area, was the principal speaker at the event in the WCTU dining room.

One hundred and seven farmers, ranchers and businessmen were present for the dinner as guests of the Canadian Rotary Club.

Jack Tompkins, farm and ranch newsman from KFDA-TV (Channel 10) of Amarillo was master of ceremonies.

Three major conservation awards, made annually by the Rotary Club in co-operation with the Hemphill County Soil Conservation District, were made to Gober Mitchell, Lafayette Vise and Joe McFatter.

McFatter, unable to be present at the dinner to receive his award in person, got it Tuesday morning at his farm at Blue Ridge from County Agent Warren Pickens and SCS conservationist Don Powell.

McFatter's award was "for sustained effort in Soil Conservation."

Gober Mitchell of the Mitchell ranch was awarded the plaque for outstanding range conservation; and Vise, whose farm is in the south part of the county, was cited for outstanding cropland conservation.

Monday night's program was opened with invocation by Erbin Crowell.

Tom Abraham introduced guests and Bill Jackson, Rotary president, extended a welcome.

The speaker was introduced by Ben Ezzell.

Presentation of awards, which climaxed the program, was made by Don Powell. Gilbert Dickens gave the benediction.

Groom Gobbles Tall Panhandle

By JEFF COHANE
Pampa News Sports Editor

GROOM — Jerry Roberts and Dan Craig led the Groom Tigers to their second straight basketball victory, a 57-44 downing of the skyscraping Panhandle Panthers last night.

Craig and Tommy Talley led the scoring for the Tigers as Craig stole passes time and again. If the passes got through, the 6-4 Roberts, despite being hemmed in by 6-6 Larry Duckett, 6-4 Leon Choate and 6-3 Rickey Potts, would either block the shot or snatch the rebound away, getting it down to Craig for another fast break.

Craig's playmaking set up Tommy Talley for a pair of baskets in the corner to open the game. Panhandle tied it up, whereupon the versatile blonde proceeded to score 10 straight points on stolen balls, fast breaks and jump shots from all over the floor, while Roberts and Big Jerry Quirk held Panhandle to only one more basket to give Groom a 15-6 quarter lead.

Craig's trick knee started bothering him in mid-second quarter and Groom slowed down the game, but Talley kept connecting with deadly accuracy from the corner for a 28-14 halftime margin.

Choate and Larry Cole started slicing down the margin in the third quarter, but Craig kept connecting while Talley and

Roberts fought the boards, and held it to 40-28 going into the last period.

The pressing Panthers cut the edge to 10, but Quirk came through with a basket and a pair of charity shots to kill the threat, and Craig dribbled out the clock until the final minutes, which saw the Panthers frantically fouling in an effort to get the ball.

Craig ended up with 22 points, Talley with 17, and Roberts, in addition to his tremendous defensive job, finished with 10. Choate and Cole each had 13 for Panhandle.

The equally tall Pantherettes were never headed as they took a 39-29 win over the Groom girls. 5-10 Wanda Ware led Panhandle to a 9-0 lead, with Evelyn Burgin chopping it to 9-4 at the quarter.

Evelyn and Mary Kay Johnson cut the edge to 15-14 early in the second period, but it was the closest the Tigerettes ever came, as 5-8 Lupe Canales led Panhandle back to a 22-16 halftime margin.

Barbara Hager joined the Panhandle shooting in the second half for a 32-18 three-quarter bulge. Barbara took scoring honors with 16 points and Evelyn had 14 for Groom.

In a girls B game, Panhandle took a 66-14 win. Dorothy Vaughn had 10 points for Groom.

SCORE TWO — Groom center Jerry Roberts lets go of a jump shot over the outstretched hand of 6-6 Panhandle center Larry Duckett. Watching the action are Leon Choate (23) of Panhandle and Big Jerry Quirk (33) of Groom. (Daily News Photo)

SCRAMBLE — Jerry Roberts (11) of Groom and Larry Duckett of Panhandle engaged in a rebuilding battle. Coming in to aid are Tommy Talley (27) of Groom and Leon Choate (23) of Panhandle. (Daily News Photo)

Eight Pirates All-District

McLEAN (Spl) — Eight Wellington and eight Lefors players made the all-district 2-A coaches team chosen here last week. The district champion Skyrockets placed four men on each the offensive and defensive teams, the defending champion Pirates had five defensive and three offensive players. McLean placed four, Memphis three Canadian two and Memphis one.

There were two ties, one on each team. On defensive line-backers, Don McCool and Neill Cates of Lefors and Eddis Windom of McLean took the first three places, with the other berth being split between Bob Patton of McLean, Billy Clubb of Wellington and Donnie Bridges of Memphis. Offensively, Jack Stargel of Memphis, the loop's leading scorer, and Bobby Hudson of Wellington, the loop's leading ground-gainer, tied for a halfback post.

Spring Branch Ends As Number One Club

DALLAS (UPI)—Once-tied Spring Branch High emerged as Texas schoolboy football's No. 1 Class AAAA team and Dumas was top-ranked in AAA in the final United Press International weekly ratings which were marked by a wholesale change in the AAAA ranks.

The final rankings, which saw

the southern bracket dominate the both divisions by a 6-4 margin, would project Spring Branch against San Angelo and Dumas against La Marque in the state finals.

While the first six ranked teams—Dumas, Corsicana, La Marque, South San Antonio, Gonzales and Palestine—held to their previous week's rankings, nine out of the 10 spots in AAAA had a new name by it.

Spring Branch Bears moved to the top when top-rated San Angelo was upset 20-6 by Big Spring in its final district game and dropped to the No. 4 spot as a result.

Corpus Christi Miller climbed from fifth to second on the strength of its 35-9 walloping of Kingsville in its zone finals and San Antonio Leo moved up one notch to fourth as it prepared to face defending state champion San Antonio Drackneridge (ranked 10th) in the playoffs.

Twice-tied Pasadena eased down from third to fifth and once-tied Garland moved up one notch to sixth in the shuffle. Dallas South Oak Cliff's undefeated-untied Bears, who played Dallas Wilson in a zone playoff for the 6-AAAA berth Tuesday night, also moved up one spot to seventh. Port Arthur slid from sixth to eighth and Amarillo Tascosa climbed back in at ninth as Tyler Lee fell out.

Pampa Rated Seventh In District

"It's a great place to start from," was Pampa basketball coach Terry Culley's comment when notified that the Harvesters had been picked eighth in a nine-team district in a poll of loop coaches.

It is the first time in memory that a Pampa team, especially one which set a precedent by becoming the first team to win every district game on the way to the conference championship last year, should be ranked so low. As Culley points out, however, it is the first time in his 11 years at Pampa in which they do not have at least one starter returning.

Picked as the favorite to replace Pampa as the district champ is Plainview, which finished fourth last year. The Dogs, however, return four starters, including the 6'8" Ronnie "Duck" Peret.

Culley said that "while I do not exactly agree with the majority estimate of our final place in the standings, I have to admit that as an inexperienced club, we can't be rated much higher."

"It's a good place to start from. We can't go anywhere but up. We hope to do much better than that rating, but until we get experience, we couldn't expect to be rated much higher."

Rated as the chief threat to Plainview is Monterey, which returns six lettermen from a team that finished in a second-place tie with Lubbock last season. Following close behind are Borger and Amarillo, with Tascosa, Lubbock, Palo Duro, Tascosa and Caprock rated in that order as the also-rans.

Culley said "I have to agree with the first three picks, but I rated Tascosa ahead of the Sandies, with Lubbock, Palo Duro and Caprock following."

"I believe Plainview should have a tremendous team this year. Not only are they returning four starters, three of whom hit in double figures last year, and six lettermen, but Peret should be a really great player this year. As a 6-8 sophomore, he did a tremendous job. Randy Matson was the only one who could stop him on the boards and Wayne Kries was the only one who could outscore him. This year he should be both the rebounding and scoring leader."

"Other outstanding boys in the district should be Jerry Haggard, the backcourt boy who led Monterey last year; Bill

Bogan, the 6-3 junior from Tascosa; Sammy Gast from Amarillo, who had over 30 points one game; 6-4 Bob Schmid from Monterey; and Raymond Burns and Joe Robinson of Borger."

In addition to Peret, Plainview will return 6-1 forward Donnie Hollis and guards Paul Aday and Manuel Nagar.

As well as Schmid and Haggard, Monterey will have more height in 6-4 Gary Hughes and 6-3 Davis Champan. In addition to the 6-2 pair of Burns and Robinson, Borger will return six lettermen, including 6-4 Joe Shelton and 6-3 Lindsey Yell.

Gast will lead five Amarillo lettermen, with height in 6-4½ Gene Carver and 6-4 Stan Dodge. Tascosa will have four lettermen, headed by Bogan. Lubbock will have only two returnees, 6-4½ Joe Dobbs and six-foot Buddy Fulgham.

Palo Duro will return five lettermen, but the tallest will be 6-3 Henry Hawley, with no relief in sight. Caprock in its first year in age competition, will have no experienced personnel, and the newcomers lack height, with their tallest man at 6-2.

White Deer Splits At Canyon Eagles

By RICHARD ULRICH
News Sports Correspondent

CANYON — The Canyon Eagles came from behind for a 36-30 victory over the White Deer Bucks here last night, while the WD Does romped to a 47-33 win and the Little Does took an equally easy 31-16 win over the Canyon girls B.

With Don Breitling leading the way, Canyon moved to a 10-4 lead at the end of the first quarter, but Cal Johnson and Monty Hawpe sparked a second-quarter comeback which cut the edge to 16-14 at halftime.

Jack Dunivan connected for a basket, Dan Simmons at the free throw line and Roy Armstrong for a basket and White Deer had a 20-17 margin.

Johnson fouled out moments after and, led by Jim Winery, Canyon "bucketed" 10 straight points and were out of danger, holding a 28-20 lead going into the last period.

Johnson ended with nine points to lead the scoring, de-

spite his early departure. Breitling and Bobby Evans each had eight for the Eagles.

With Linda Davis and Cindy Hubbard leading the way, the Does took a 13-6 quarter lead. Canyon cut it to 19-15 at the half, but Pat Freeman's hitting pulled the Does back out to a 33-22 edge going into the last period.

Cindy finished with 17 points, Pat with 16 and Betty Peters with 11.

The B team opened a 10-0 quarter lead and were never headed, with Linda Stump scoring 11 points.

Both boys and girls take the holiday weekend off.

Hornets Upset Canadian, Kittens Take Opener

CANADIAN (Spl) — Big Ray Corcoran led Mobettie to a 56-52 upset of the Canadian Wildcats, while Dixie Petree was a one-gal gang as she headed the Wildkittens in a 59-40 downing of the Hornets last night.

The game was tied four times early in the game, with Mobettie holding an 11-9 quarter lead and a 24-23 halftime edge. Kenneth Willis led the Cats on the boards and the basket, hitting on jump shots consistently and fighting the board, with Corcoran and Billy Whitten.

Mobettie took the biggest bulge of the ball game at 40-35 going into the final frame, but Benny Eckles helped on the boards as Joe Schaefer fouled out, and Tony Steine connected from the floor to tie the game up and the lead changed hands four times in the last four minutes.

With 25 seconds left in the game, Corcoran made good on the winning basket, and the Hornets added a pair of free throws to cinch the win.

Corcoran finished with 21 points and Whitten 17 for the Hornets' first win of the season. Willis had 21, Steine 13 and Eckles 12 points for Canadian.

Two-time all-district Dixie Petree hit the high point of her cage career last night as she was all over the court, shooting, rebounding, driving and ball-hawking for Canadian. The Hornets got off to a fast start, with dead-eye Mary Helen Gudecann the shots as Judy Rowell cleaned the boards, and Mobettie led a 15-8 lead.

Dixie led the Kittens into a 20-19 edge at the half, but stretched it to 41-27 going into the last quarter.

The Hornets rallied and closed the gap to seven points midway in the frame, but Dixie and company suddenly exploded, hitting from anywhere on the floor for the win.

Dixie finished with 42 points, Mary Helen had 29.

Canadian plays a twin bill at Miami Friday, Mobettie takes off for the holiday.

SF Eagles Top McLean

By JEFF MONEY

CANADIAN — The tall and talented Sanford-Fritch Eagles rolled over the McLean Tigers last night, 73-50, while the Eaglettes made it a double win with a 54-27 triumph in the opener.

Derrith Welch, McLean's 6-6 center, found himself surrounded by players his own size and bigger, but still came through with 31 points, although the Eagles kept the rest of the Tigers away from the backboards and the basket.

Sanford-Fritch, led by the shooting of Jimmy Spencer, rolled to a 19-8 quarter lead, built a 35-13 bulge at halftime and made it 52-34 at the three-quarter mark. Spencer finished with 26 points.

The Eaglettes, with speed and precision shooting their first demerit, opened a 13-8 quarter lead and a 26-13 halftime edge, breaking the game open as they outscored McLean in the third quarter, 18-7.

Dianna Bonner had 16 points for S-F, an Bailey and Sharon Goldston 12 each for the Tigerettes.

McLean will take the Thanksgiving holiday off.

REBELS WIN

Sparked by Monk McDonald's eight straight free throws, the Lee Rebels raced to a 70-24 victory over Lefors B last night. Sixteen Rebs got into the scoring column, with Myron Porter's nine markers heading the attack.

MAY START GAME

BOSTON (UPI) — Second-string quarterback Tommy Yewick of the Boston Patriots may replace Babe Parilli in Sunday's American Football League game against the Buffalo Bills.

SWC Round-up

By United Press International

The University of Texas matches its top rank and undefeated seasons against Texas A&M Thursday at College Station on national television. The Longhorns were favored, but the Cadets are hopeful.

Texas, with fullbacks Harold Philipp and Tom Stockton limping on sprained ankles, worked out in sweatsuits Tuesday during a drizzle.

Cadet players staged a light non-contact session and were reported ready after two weeks of rest.

The two other remaining conference games — Southern Methodist vs. Texas Christian and Baylor vs. Rice — are scheduled for Saturday. They were postponed because of President Kennedy's assassination.

Baylor hopes to snag second place in the loop by downing Rice. The Bears stressed offense, but looked at some Rice plays.

Flanker Lawrence Elkins, who was out with injuries and sickness, was back in full action for Baylor.

SMU polished passing and running Tuesday. Coach Hayden Fry said Max Derden would replace quarterback Tommy Caughren, who suffered a broken hand and ankle two weeks ago.

Roger Staubach Heisman Winner

ANNAPOLIS, Md. (UPI) — Roger Staubach, Navy's runaway winner of the Heisman award as the top college football player of 1963, asked for only one thing more today — a victory over Army.

"The award is something I'll treasure all my life," said the 21-year-old Middle quarterback from Cincinnati, Ohio. "Naturally, I'm extremely excited and pleased. This is really great, but we've still got the Army game."

Staubach, only the fourth junior to gain the award during the 29 years it has been given, by the Downtown Athletic Club, made his comments even as the traditional Army-Navy game officially was being postponed from Nov. 30 to Dec. 7 because of the late President Kennedy's death.

Staubach's coach, Wayne Hardin, said, "I never personally had any doubt that he would win it. I think that he deserved the award and am very proud of him. I know that he realizes that without the fine play of his teammates he would not have been able to win the award."

The 6-foot, 2-inch, 190-pound Ohioan, who drew a new landslide total of 1,860 points in the balloting by sports writers, broadcasters and telecasters throughout the nation compared with only 504 points for runner-up Billy Lothridge of Georgia Tech, readily conceded he could not have won the award alone.

Lothridge, Georgia Tech's brilliant quarterback, received 65 first place votes while halfback Sherman Lewis of Michigan State, who wound up third with 369 points, polled 53 first place votes.

Gifts to Family Of Slain Officer Continue to Rise

By United Press International News of donations from a 11 over the nation was coming in early this week for the family of slain Dallas Police Officer J. D. Tippitt.

In Dallas, Capt. Glen King said \$1,500 has been received there and another \$15,000 promised by various organizations and individuals.

A J. D. Tippitt memorial fund has been set up in Newark, N.J., Newark Patrolman Leonard Kowalewski reported.

Texas Stills Hit By Liquor Board

AUSTIN (UPI) — Texas Liquor Control Board (LCB) inspectors seized five illegal stills in October, the LCB reported this week. Two were taken in Harrison County, one in Red River, one in Smith and one in Titus. Also confiscated were 600 gallons of mash and two gallons of moonshine liquor. The LCB reported liquor tax payments of \$3,735,600 for the month. Criminal liquor complaints totaled 910 with 771 convictions resulting in 34 jail sentences and \$42,304 in fines.

JFK's Words Cited In '63 Proclamation

Let us all give thanks on this Thanksgiving Day for the blessings of peace and of abundance. As it was in the earliest Colonial days of our country, this is a holiday for families and friends to be together, and to express their thanks to God for the good things that have come into their lives and to their nation. We do indeed have much to be thankful for.

"Today we give our thanks, most of all, for the ideals of honor and faith we inherit from our forefathers — for the decency of purpose, steadfastness of resolve and strength of will, for the courage and the humility, which they possessed and which we must seek every day to emulate. As we express our gratitude, we must never forget that the highest appreciation is not to utter words but to live by them." These sentences are from the late President Kennedy's proclamation designating Thursday, Nov. 28, a day of national thanksgiving.

This year's holiday marks the 100th anniversary of the first of the "modern" Thanksgiving Days as set by presidential proclamation. In 1863, in the darkness of the Civil War, President Abraham Lincoln called upon his fellow citizens "to set apart and observe the last Thursday of November next as a day of thanksgiving and praise to our beneficent Father who dwelleth in the heavens." President George Washington's first Thanksgiving proclamation set the date as Nov. 26, 1789, and six years elapsed before his second proclamation, which called for a Thanksgiving Day in March, 1795. From then until the Civil War there were very few Thanksgiving proclamations by the presidents. But in the meantime, one by one, state governors took it on themselves to issue Thanksgiving proclamations. President Roosevelt's action in 1939 broke that long-established precedent. He set Thanksgiving Day on Nov. 23, which was the next to last Thursday in November. It was within Roosevelt's power to do this; but the purpose, which was to afford merchants a longer pre-Christmas shopping season,

aroused controversy. Twenty-three of the states refused to observe what critics called "Roosevelt's New Deal Thanksgiving" — and Texas and Colorado decided to have two Thanksgiving Days that year. Despite the uproar, President Roosevelt stuck to the next to last (or, in these instances, the third) Thursday of November in 1940 and 1941. Then, on Dec. 26, 1941, Congress enacted a statute making Thanksgiving a federal holiday on the fourth Thursday in November. Although the states can and have observed Thanksgiving on other dates in the years since, the fourth Thursday remains the official date for Thanksgiving Day as proclaimed by Presidents Roosevelt, Truman, Eisenhower and Kennedy since 1941.

No Thanksgiving proclamation was issued in more perilous times than was that first proclamation of Abraham Lincoln. David Homer Bates, the telegraph office chief, commented: "This proclamation is remarkable not only as exhibiting the president's implicit reliance on an 'ever-watchful God' but for beauty of phrase and logical beauty in an overruling providence. No ruler of millions, since King David the Psalmist, has clothed great thoughts in sublimer language." It was appropriate in this anniversary year that John F. Kennedy, in his 1963 proclamation of Thanksgiving Day, called attention to Lincoln's famous words of 100 years ago.

One paragraph in that Lincoln proclamation is as meaningful in this year of trial for the United States as it was in 1863. I quote it to you: "Needful diversions of wealth and of strength from the fields of peaceful industry to the national defense have not arrested the plow, the shuttle, or the ship; the ax has enlarged the borders of our settlements, and the mines, as well of iron and coal as of the precious metals, have yielded more abundantly than heretofore. Population has steadily increased notwithstanding the waste that has been made in the camp, the siege, and the battlefield, and the country, rejoicing in the consciousness of augmented strength and vigor, is permitted to expect continuance of years with large increase of freedom." Said Kennedy at the close of his proclamation: "Let us therefore proclaim our gratitude to providence for manifold blessings — let us be humbly thankful for inherited ideals — and let us resolve to share those blessings and those ideals with our fellow human beings throughout the world." May your own Thanksgiving Day be a day of happiness and renewal.

Fight Looms on 'Birdman's' Book

SPRINGFIELD, Mo. (UPI) — A legal fight brewed Tuesday over the U.S. Bureau of Prisons' refusal to relinquish a manuscript written by the late Robert Stroud, the famed "Birdman of Alcatraz."

Bureau attorney Eugene Barkin notified Stroud's attorneys Monday that Stroud's many personal effects, including a manuscript entitled "A History of the U.S. Prison System," would not be released.

Several months before Stroud died here last Thursday at the U.S. Medical Center for federal prisoners, he instituted legal proceedings to force the bureau to permit publication of the manuscript.

Colors Highlight This Year's British Look

NEW YORK (UPI) — British men, apparently, are far more fashion conscious than Americans and London newspapers are always filled with such controversies as whether Prince Philip is well-dressed because he wears double-breasted suits all the time.

Though a clothing magazine described Philip as "the worst dressed man of the year" and editorials criticized Macmillan for harming the British fashion image, sales of double-breasted suits continue and Savile Row tailors report a boom in plus fours.

Because of this preoccupation with fashion—much of Britain's industry is centered on its woolen mills — fashion shows are much more common in London with the entire clothing industry contributing to provide an annual "British look."

The latest "look" was presented by the British Menswear Guild which is an association of Britain's most important manufacturers of ready-to-wear suits. This time they call it the "hot line" for presenting the look to the world capitals.

Most important of this look is the suit, which has more shape in the waist and slightly longer jackets. Style points include bolder — and wider — collars and lapel detail to highlight the 2-button jacket which has deeper vents on the side. Trousers have neater front darts for a trimmer look.

Both suits and overcoats are shaped slightly more than before and the 2-button jacket has the waist button slightly above the natural waist line. Sports jackets are bigger, bolder and informal and the hacking jacket is heavily emphasized with its slanting pockets and longer side vents.

Some other highlights: Raincoats are knee length with bolder collars; in cloth, colors are turning from soft mixtures to sharper, clean-cut shades of grey, black to white contrasts, and blue is again in favor. Weaves are cleaner and checks and stripes are clearer.

An earlier showing was by the Men's Fashion Council, a group of Savile Row custom tailors, who presented what they called a "peacock look," with the emphasis on clothes of brighter colors and bolder patterns, with jackets and vest of different colors than the pants.

The council called it "the most exciting style change... since the fashion-conscious days of the Prince Regent." An example included a gray jacket with a diamond pattern teamed with plain gray trousers. Another was a rich maroon jacket with overcheck and tousers in a hair-line stripe. The jackets had squarer shoulders with sharp sleeve heads and bold lapels much wider than the average American lapel.

The fanciest show of course, was by Hardy Amies, who designs clothes for the queen but once or twice a year comes out with a line of men's wear for Hepworths, the Leeds firm which sells his clothes exclusively.

Security Tight Around Capital

WASHINGTON (UPI) — One of the tightest security nets in history was drawn around the capital Monday to protect President Johnson and the hordes of visiting dignitaries at John F. Kennedy's funeral.

Twelve Secret Service agents formed a human shield around Johnson, changing their formation as the funeral moved along the route that took it to Arlington National Cemetery.

Ten of the agents were in view at all times. Two others remained ahead of the President's car, but faded back with the others each time the procession slowed.
