Allend The Church Of Your Choice

REV. RUSSEL G. WEST SR., PASTOR CHURCH OF THE BRETHREN LIFE'S THREE BASIC ATTITUDES

LUKE 10:25 - 37

In the story of the Good Samaritan Jesus brings into the open life's three basic attitudes - Malicious ill will, Self-centered indifference, and Postive, aggressive good will. Word for word, this is the story:

And behold, a lawyer stood up to put him to the test, saying, "Teacher, what shall I do to inherit eternal life?" He said to him, "What is written in the law? How do you read?" And he answered, "You shall love the Lord your God with all your heart, and with all your soul, and with all your strength, and with all your mind; and your neighbor as yourself." And he said to him, "You have answered right; do this and you will live."

But he, desiring to justify himself, said to Jesus, "And who is my neighbor?" Jesus replied, "A man was going down from Jerusalem to Jericho, and fell among robbers, who stripped him and beat him, and departed, leaving him half-dead. Now by chance a priest was going down that road; and when he saw him he passed by on the other side. So likewise a Levite, when he came to the place and saw him passed by on the other side. But a Samaritan, as he journeyed, came to where he was; and when he saw him, he had compassion, and went to him and bound up his wounds, pouring in oil and wine; then he set him on his own beast and brought him to an inn, and took care of him. And the next day he took out two denarii and gave them to the innkeeper, saying, 'Take care of him; and whatever more you spend, I will repay when I come back.' Which of these three, do you think, proved neighbor to the man who fell among robbers?" He said, "The one who showed mercy on him." And Jesus said to him, "Go and do likewise."

Here then, as I see it, are life's three basic attitudes:

I. MALICIOUS ILL WILL. This attitude is clearly seen in the action of the robbers. They way-laid this helpless man, robbed him, took his clothing, beat him up, and left him there to die. This is the attitude of all criminally-minded people of our community and of the entire world. Their motto might well be, "Live." These anti-social men and women are out to "live" with no regard whatever for the welfare of others. By their actions they say, "What's yours belongs to me." To them, nothing on this earth is sacred, not even

II. SELF-CENTERED INDIFFERENCE. What was wrong with the priest and the Levite? They were good people. But they had no love, no pity, no heart, no mercy, no concern, no compassion! Their motto seems to be, "Live and let live." They say, "What's mine is my own." Some good business men seem to pride themselves in holding this attitude. But this attitude is un-Christian. Practically all the great condemnations of Jesus were upon good people who were good-for-nothing!

III. POSITIVE, AGGRESSIVE GOOD WILL. Down the road comes this foreigner, half-breed, this despised and "segregated" Samaritan dog, with whom the so-called "faithful" would have no dealings. But this man had a heart! He was moved with compassion! (Now, compassion is the strongest form of divine love. It is love in action. Even Jesus our Lord and Savior, was moved by compassion!) So this man asked no questions! Kneeling down by the dying man he bound up his wounds. Then on his own beast took him to an inn and all through the night he took care of him. The next morning, before leaving, he not only paid all the expenses, but left extra money for the care of this wounded stranger. His motto seems to be "Live and help live." By his actions he would say, "What I have belongs to the Lord, and I will share it with those in need." This attitude is Christian! It puts a man on that road which leads to life eternal.
