JFK ASSASSINATED IN DALLAS

FOOTBALL DAY — The annual grid clash between the Pampa Harvesters and the Borger Bulldogs will hold the spotlight in Pampa tomorrow. Pampa Coach Otis Holladay, third from left, is shown presenting Mayor H. R. Thompson a football as the mayor proclaimed Saturday "Football Day." Looking on are Harvester tri-captains Ricky Stewart, left, Kenny Hebert and Ricky Goodwin. See story on Page 3.

Kennedy, Connally Gunned in Street

BULLETIN
DALLAS, Tex. (UPI) — President Kennedy has been assassinated.
He was killed today by a bullet in the head while riding in an open car through the streets of Dallas.

DALLAS (UPI)—President Kennedy and Gov. John B. Connally of Texas were cut down by an assassin's bullets as they toured downtown Dallas in an open automobile today. The President is dead, condition of Governor Connally was undetermined.

The President, his limp body cradled in the arms of his wife, was rushed to Parkland Hospital. The governor also was taken to Parkland.

Clint Hill, a Secret Service agent assigned to Mrs. Kennedy, said "he's dead," as the President was lifted from the rear of a White House touring car, the famous "Bubbletop" from Washington. He was rushed to an emergency room in the hospital.

Other White House officials were in doubt as the corridors of the hospital erupted in pandemonium.

PRESIDENT JOHN F. KENNEDY

The incident occurred just east of the triple underpass facing a park in downtown Dallas. Reporters about five car lengths behind the chief executive heard what sounded like three bursts of gunfire.

Secret Service agents in a follow-up car quickly unlimbered their automatic rifles.

The bubble top of the President's car was down. They drew their pistols, but the damage was done.

The President was slumped over in the back of the car face down. Connally lay on the floor of the rear seat.

Holes in Chest
It was impossible to tell at the moment where Kennedy was hit, but bullet holes in Connally's chest were plainly visible, indicating the gunfire might possibly have come from an automatic weapon.

BULLETIN
NEW YORK (UPI) — The New York Stock Exchange closed operations today after word of the assassination attempt against President Kennedy.

The cotton and the wool exchanges also closed.

nally's chest were plainly visible, indicating the gunfire might possibly have come from an automatic weapon.

There were three loud bursts. Dallas motorcycle officers escorting the President quickly raced up a grassy hill.

At the top of the hill, a man and woman appeared huddled on the ground.

In the turmoil, it was impossible to determine at once whether the Secret Service and Dallas police returned the gunfire that struck down Kennedy and Connally.

It was also difficult to determine immediately whether the First Lady and Mrs. Connally

GOVERNOR JOHN CONNALLY

purposes was to buck up Democratic presidential strength. Both wives waited outside the emergency room of the hospital.

Anxious members of the White House staff assembled.

Heading for Speech
The President had landed only a short time before at Dallas' Love Field and was driving to the trade mart to deliver a luncheon speech.

The largest turnout of the current Texas tour was on the streets to greet Kennedy.

An estimated 250,000 people lined the streets.

At 12:50 p. m., acting White House Secretary Malcolm Kilduff was asked whether the President was dead.

"I have no word now," Kilduff replied.

Both men were taken to the Parkland Hospital.

A father Huber administered the last sacrament of the Roman Catholic Church to the President shortly before 1 p.m.

Rear Adm. George Burley, USN, the White House physician, went to the emergency room where the President and Connally had been taken.

The President was in Texas on a two-day visit, one of whose

cheon speech. The streets were lined by crowds, the biggest turnout of the Texas tour.

The motorcade was so strung out as the result of the speedy movement of the cavalcade that members of the Kennedy staff were 15 minutes to a half hour behind in reaching the Parkland Hospital.

planning agency and a comprehensive master plan be adopted.

4. The most urgent need for Pampa is an increase in the number of police personnel. That police and courts work toward a substantially higher conviction rate.

5. Determine the cause for and reduce the excessive rate of turnover of police personnel.

6. Institute court trial of all persons charged with hazardous traffic law violations.

7. Quality one school person with the responsibility for coordinating and supervising safety education activities in the school system.

8. Systematic use of all media of public information to promote fulfillment of the goals formerly arrived at and adopted for accident prevention.

9. That a citizens' safety organization be established to assist officials in determining probable public acceptance of official traffic proposals.

Confessed Murderer of Girl Says He Panicked

HOUSTON (UPI) — David E. Williams, 18, who said he strangled a schoolmate in panic, then disarranged her clothing to make it look like an assault, was in a Houston jail today. The clean-cut, bespectacled high school senior was brought back to Houston last night from Thibodaux, La. where he had been jailed after trying to break into a home at nearby Raceland, La.

Williams, who was discharged from the Marines because he could not adjust to the service, was charged with murder in the death of Donna Jean Tweedt, 17, a neighbor and classmate of his. The killing occurred Tuesday in the girl's home while her parents were on a shopping trip.

Beaten and Strangled
They returned home to find Donna beaten and strangled on a bedroom floor of the home. Her hands were tied behind her back and a man's necktie was wound around her neck.

Her clothing was torn and disarranged but an autopsy showed she had not been raped.

When Williams was arrested in Louisiana he was driving the girl's car, which he had attempted to disguise by changing license plates and painting it two-tone.

He admitted the killing, saying he strangled the girl because she would not tell him why his girlfriend, whom he identified as "Anne," was giving him the brush off.

Panicked and Struck
He said that in the discussion he panicked and hit her with a pistol, then tied her hands. He said that as he started to leave, he heard her struggling so he went back and hit her with the back edge of a meat cleaver.

DAVID WILLIAMS ... admits killing

He said he then tied a necktie tightly around her neck and disarranged her clothes to throw police off his trail.

Williams, called a "loner" by his few friends, was polite and quiet and got low grades in school. He had a juvenile record as a runaway, was arrested once for car theft.

He had known Donna Jean for about two months and double dated with her and another youth last week. It was Donna Jean's first date.

Schoolmates of the dead girl held a devotional in their home-room yesterday, with one girl reading a scripture passage and leading the class in prayer.

One girl said nearly every one in the class was crying.

Arkansas Man Kills Four, Then Himself

TRUMANN, Ark. (UPI)—Sammy Painter, 34, killed his wife, her daughter, mother and sister Thursday night then shot himself.

He left a crayon-scribbled, five-page note that officers said was incoherent.

Officers said he killed his wife and step daughter, then called his mother-in-law and sister-in-law to the scene and shot them.

He waved a rifle menacingly at two officers who went to the scene to investigate.

The policemen ran for help, but Painter was dead when they returned.

Murders and Suicide
Poinsett County coroner Herman Beta said he would call it four murders and a suicide.

A birthday cake for seven-year-old Belinda Gairhan was on a table. Her body lay in a bedroom, shot once in the forehead and twice in the chest.

Mrs. Juanita Painter, 35, was shot twice with a 22-caliber pistol. Her body was lying in the living room.

The others killed were Mrs. Vivian Bird, in her early 60s, and Patsy Moon, about 30. Mrs. Bird's body was beside that of her daughter and Mrs. Moon's body was in a doorway between the living room and bedroom.

Summons Police
Authorities said after the shootings, Painter's father-in-law called and asked about his wife. Painter said she had gone

TOP DRIVER
WESTBURY, N. Y. (UPI) — John Chapman was the leading driver at Roosevelt Raceway last year with 71 victories. It was his first full season at the Long Island harness racing track.

If it comes from a hardware store we have it. Lewis Hdwe. (Adv.)

Cactus Jack Gets Kisses, Cake on 95th

UVALDE, Tex. (UPI)—John Nance (Cactus Jack) Garner, celebrated his 95th birthday today with a birthday cake, kisses from two pretty girls.

Garner, vice president of the United States under President Franklin D. Roosevelt, was also to be honored by "home folks" who will dedicate the second annual Uvalde City Farm and Ranch show to him at the Garner Memorial Museum.

The museum is in a two-story brick home given to this southwest Texas town by Garner. Garner moved out of the home into a small frame house in its back yard when his wife, Eattie, died in 1948.

The pretty girls, Sandra Dietz, Miss Mohair of Texas, and Inger Almaes, an exchange student from Norway, plan to present a birthday cake to Garner, who served as No. 2 man to Roosevelt for eight years.

Pretty girls have always been favorite targets of a Garner kiss.

Residents of this quiet ranching town, located some 75 miles west of San Antonio, decided to dedicate this year's show to Garner because of his many years of service to the area.

A Washington Vow
Garner vowed never to return when he left Washington in 1940. He served 43 years in public.

FDR Jr. Opposes Mundt's Measure
WASHINGTON (UPI)—The administration sent another high-ranking official to the Senate Banking Committee's hearings today to testify in opposition to a bill it claims would kill any wheat deal with Russia.

Undersecretary of Commerce Franklin D. Roosevelt Jr. was expected to join Treasury Secretary Douglas Dillon and Acting Secretary of State George W. Ball in opposing the measure, introduced by Sen. Karl E. Mundt, R-S.D.

The Mundt bill would prohibit the Export-Import Bank or any other government agency from guaranteeing payment to commercial banks of any loans made to the Soviets or to the satellite nations to pay for the purchase and shipment of goods from this country.

Under an agreement reached during the lengthy Senate battle over the foreign aid authorization measure, the committee must report on the Mundt bill by Monday. It was expected to wind up three days of hearings today to rush the measure to the Senate floor.

Amarillo Boy, 8, Killed by Shotgun

AMARILLO (UPI)—Rusty Hamilton Reed, 8, was shot to death Thursday night by a single blast from a 12-gauge shotgun, just a few feet from a table on which he had just laid his Christmas list to Santa Claus.

His brother, Howard, 17, told police "I was just playing with the shotgun and I shot him." Howard said he had been pointing the gun away from the boy and then turned it toward him.

"After the gun fired everything happened," he said.

He said he picked his brother up and started to take him to a hospital, "but I knew I couldn't get him there."

The boy's mother, Mary Reed, was not home at the time of the shooting.

Rusty's now meaningless Christmas list showed he had wanted a racer, train, and BB gun.

INCREASED TOLL EXPECTED

City Warned on Traffic Trend

Pampa is "sitting on a powder keg" of traffic pressures and in view of present trends an increased annual traffic death toll can be expected in the future.

This is the warning sounded to Pampa city, school and civic officials by the National Safety Council.

It came out in Pampa's annual inventory of traffic safety activities for 1962 just released by the council and reported to local officials by Sgt. Fred D. Marshall of the Texas Department of Public Safety.

The report is highly critical of Pampa's traffic safety program in several categories.

THE NATIONAL Safety Council report states that "Pampa has a traffic safety problem far from solved, and a program not yet strong enough to solve it."

Traffic safety activities for the city were rated in the report at 39 per cent of fulfillment of what the Safety Council

calls a desirable minimum performance.

In reading his report, Sergeant Marshall pointed out that "the 1962 School Traffic Safety Education program reported by the public school system was evaluated at a deplorable 26 per cent of recommended performance, as compared to a low of 29 per cent for 1961.

DISTRIBUTION of safety information and news on safety activities in the community through newspapers, radio, motion pictures, meetings, literature and special materialism was rated a weak 25 per cent.

"Evidently, traffic safety was not a major subject of conversation in Pampa," the report says. "Pampa has been taking its traffic toll in stride and not making any particular newsworthy effort to improve the situation."

THE REPORT goes on to say that "a prime need in

planning agency and a comprehensive master plan be adopted.

Dear Abby....

Biology Teacher's Seeing Too Much TV!

By ABIGAIL VAN BUREN

DEAR ABBY: I have a 15-year-old son who sneaks out to smoke. He has admitted it. But he says he doesn't smoke cigarettes; he smokes a pipe because it isn't the TOBACCO that causes lung cancer, it's the PAPER. He said his biology teacher proved to the class that this was true by burning the tobacco through a filter and then burning the paper through a filter. The tobacco filter came out clear, while the paper stained the filter. Is this true? Thank you.

SMOKER'S MOM: No! I think your son's biology teacher has been watching too many commercials. Or your son is having "pipe" dreams.

DEAR ABBY: Has a marriage ever worked out when the

Missionary Union Holds Dinner Meet

The Woman's Missionary Union of the First Baptist Church met recently for the monthly Royal Service program at the church.

The meeting was opened by the group saying in unison the watchword of the W. M. U., followed by prayer by Mrs. W. C. Irwin.

Mrs. Lowell McBroom led the group in singing "Footsteps of Jesus," accompanied at the piano by Mrs. E. D. Carver.

The prayer calendar was presented by Mrs. Carroll Ray followed by prayer for the missionaries by Mrs. E. D. Carver. The program was presented by George Parker of Amarillo, who told of his trip to Japan with the Japanese Crusade earlier this year. Parker also showed slides that he had made while on his trip. Mrs. Carroll Ray led in the closing prayer.

Following the program, a short business session was conducted by the president, Mrs. E. E. Shelhamer. Luncheon was then served in the dining room to 65 members and guests.

man was once married to his second wife's sister? That's my problem now. My sister and "L" were married for five years. She was 22 and "L" was 23. They had two darling children. "L" caught my sister running around on him and, after giving her several chances, he got fed up and divorced her. His mother is raising the children. "L" and I have been seeing each other for three months and, Abby, we are terribly in love and want to get married. When I told my parents, they hit the ceiling and said it would never work. My sister keeps running him down. Abby, he is a fine man and I love him. I am 21 and he is 29. Can this marriage work?

IN LOVE: Certainly. But prepare to choose between "L" and your family.

DEAR ABBY: My wife and I were in a downtown office building yesterday. We got into a very crowded elevator. I couldn't get my arm up to reach my hat, so I just left it on. When it came time to get off I was near the elevator door, so I just stepped out ahead of the others, not noticing if I got out ahead of any ladies or not. My wife chewed me out all the way on both counts, saying it was time I learned some manners. Well, Abby? If you're going to stick up for the women again, please toss this in the waste basket.

STAN: DEAR STAN: Your letter is going into the newspaper—not into the waste basket! You were RIGHT on both counts! Common sense always precedes rule-of-thumb etiquette.

CONFIDENTIAL TO "BIG-HEARTED AL": Quit worrying. Worry is the interest you pay on a loan you'll probably never have to make.

What's on your mind? For a personal reply, send a self-addressed, stamped envelope to Abby, Box 3365, Beverly Hills, Calif.

Rebekahs Schedule Thanksgiving Meal

Mrs. Mamie Jordan, Canadian, District Deputy of Rebekahs, paid a regular visit to the Pampa Rebekah Lodge, No. 355 in a recent meeting.

Officers presiding were Mrs. Velta Williams, Noble Grand; Juanita Matheny, Vice - Grand; Babe Mastin, recording secretary.

Mrs. Jordan was escorted to the center of the room by Alice Chitwood and introduced by Noble Grand Williams. Preceding the business meeting Mrs. Jordan was presented with a gift of appreciation by the Lodge members.

Following the business meeting, a memorial service for Mrs. Laura Brown Silvey was held. Mrs. Silvey was the last surviving charter member of the Lodge before her recent death. Taking part in the memorial rite were Mmes. Babe Mastin, Dorothy Voiles, Juanita Matheny, Velta Williams, Ola McAfee, Bernice Ladd, Hazelle Lockhart, Gladys Kretzmeier, Eula Thornhill, Etta Crisler, Nelda Monday, Eura Davis and Alta Mae McElrath.

Dorcas Class Holds Dinner

Members of the Dorcas Sunday School Class of the First Baptist Church met in the dining hall of the church recently for a Thanksgiving dinner and business meeting.

Hostesses were Mrs. Bob Andrews and Mrs. Johnny Morrison. The devotional was given by Mrs. Rufe Jordan and the class president, Mrs. Harrison Dismuke, presided over the business meeting. Minutes were read by Mrs. G. H. Johnson and the closing prayer was given by Mrs. H. H. Tucker.

Those attending were Mmes. Harrison Dismuke, Bob Miller, R. R. Ragsdale, Gerdes Schmidt, Johnny Morrison, Bob Andrews, G. H. Johnson, T. H. Lockhart, Al Stiggins, Everett Hutto, J. A. McLain, Eric Edwards, Rufe Jordan, Odus Wells, E. E. Shelhamer, W. B. Franklin, and two guests, Mrs. R. L. McDonald and Mrs. H. McCarley.

Parents Honor Son on Birthday

The parents of James Keahy, honored him on his 17th birthday recently at their home in White Deer.

The day was spent visiting with friends and relatives and a traditional turkey dinner was served.

Those attending were Mrs. F. E. Hillman of Sayre; Larry Keahy of Sayre; Miss Linda Burgin, Mr. and Mrs. Glen Hillman, Glenda, Frances, D'Wayne and Ricky Townsend, Joe Chapin, and LaQueta Keahy.

Garden Club Makes Plans for the Year

The Mr. and Mrs. Garden Club met recently in the home of Mr. and Mrs. Aubrey Ruff, 1825 N. Duncan. During the meeting, plans were made for a Christmas party, and a nominating committee was appointed to select officers for the coming year.

Plans were made to continue the landscaping project at Highland General Hospital.

An interesting and informative program on the subject of yard lighting was presented by Mrs. Horace Prince.

Twenty members were present for the meeting, during which the suggestion to attend a bazaar in White Deer Nov. 22, or Nov. 23, were approved. The bazaar is sponsored by the Hoe and Hope Garden Club.

The next meeting is scheduled for Dec. 3, and will be held at 7:30 p.m. in the home of Mr. and Mrs. W. A. Spoonmore, 1200 Hamilton.

Worker Security in A Changing Economy Studied at DKG Meet

"Worker Security in Our Changing Economy" was the program theme for the regular meeting of Delta Kappa Gamma held in the City Club Room Saturday following a coffee hour. Mrs. William M. Karr of Canadian was chairman of the panel.

Panel members were Mmes. Gracie Harris and Alfred S. Jackson of Canadian. Job security in our changing world is actually the problem of automation—a new word that means radical innovation. The panel depicted ways in which automation contributes to human welfare and a higher standard of living. Its influence has made jobs either dead-end, status quo or bright future jobs. Educators have a definite role in meeting the problems of automations.

Mrs. Louis Hill of Shamrock led a discussion of the Delta Kappa Gamma Constitution in

stressing seven purposes of the society.

A business meeting was conducted with Miss Mary Reeve, president, presiding. Mrs. Paul Bowers, chairman of the Personal Growth and Services Committee, reminded members to donate gifts to the Hospital for Retarded Children in Abilene. The gifts are to be taken to Mrs. Robert Sanford, 1016 Charles to be packed for shipment.

Hostesses were Mmes. J. R. Hogue, Claud Zevely, and Gene Murray and Miss Marjorie Ewing of Panhandle; Mmes. J. B. White, L. C. Bledsoe and Clarence Wood of Pampa; and Mrs. Jerome Adkins of Shamrock.

The next meeting, a Christmas luncheon, will be held in the Coronado Inn, Dec. 14, at 11:45 a.m.

DeLana O'Brien Circle Has Meet

The DeLana O'Brien W. M. S. Circle of Hobart Baptist Church met recently in the home of Mrs. Charles Glascock, west of Pampa, for a business meeting and planning session concerning the November-Community Mission Project, which is filling a basket of food to be given to a needy family at Thanksgiving.

Mrs. Glascock, mission chairman, brought the second chapter of the mission book.

A visitor, Mrs. Tommie Clark, was introduced to the eight members attending the meeting. Mrs. Paul Crossman led in the opening prayer and Mrs. W. R. Brown gave the closing prayer. During the social hour the hostess served refreshments.

Library Board Of Roberts County Holds Meeting

MIAMI (Sp) — The Roberts County Library Board met recently.

Librarian, Mrs. Lyons reported 228 readers had checked out 458 books during October.

Mrs. Clark presented a list of

Pampan Injured In Altercation At Apartments

Eulin D. Andrews of Pampa was recovering in Highland General Hospital today from a neck wound suffered in an altercation late Thursday afternoon at the Alamo Courts, 421 S. Russell.

According to police, Jesse L. Marts, manager of the court apartments, said the trouble started when he ordered Andrews to leave a room he was occupying and which was registered in another tenant's name.

Marts said he was holding the door open for Andrews to leave when suddenly Andrews hit him with a bottle. Marts said he retaliated by striking Andrews in the face. He said Andrews fell back into the glass door. Police said Andrews' jugular vein was cut. He was taken to the hospital in a Duenkel-Carmichael ambulance suffering from loss of blood. Andrews was given several blood transfusions and was reported in good condition this forenoon.

Police Chief Jim Conner and Patrolman Charles Lefever investigated the incident. Chief Conner said today no charges had been filed in the case which still was under investigation today.

RIOT VICTIM — Blood streams down the face of a youth in Caracas, Venezuela, injured during rioting by pro-Communist Armed Forces of National Liberation. The Communists are trying to topple President Romulo Betancourt's government and disrupt the presidential election scheduled Dec. 1. More than 20 persons have been reported killed and scores wounded in the rioting. (NEA Telephoto)

Condition Good For Injured Girls

Two 16-year-old high school girls were reported in good condition in Highland General Hospital today after suffering injuries when the car in which they were riding struck a tree in the 1200 block of Charles St. Thursday afternoon.

Police said the accident happened shortly after 1 p.m. when the driver lost control and the car jumped the curb and rammed a tree in the front yard of the Floyd Yeager home, 1225 Charles St.

The injured girls, Jan Cook, 16, of 1326 E. Kingsmill, and Beverly Emier, 16, of 426 N. Cuyler, were taken to the hospital in a Duenkel-Carmichael ambulance. Russell Yeager, 16, of 1136 Sierra Dr., a passenger in the back seat, suffered a cut on the head. The Cook girl was cut about the face when thrown into the windshield by the impact. Miss Emier suffered a nose injury and body bruises.

Police said the car was being driven by Miss Emier at the time of the accident.

JFK Tells of New Rocket To Put U.S. Ahead in Space

FORT WORTH (UPI)—President Kennedy said today the United States early next year will test a rocket booster so powerful it will put the nation far ahead of Russia in the space race. The President, campaigning as though it were election time in Texas, told a rain-soaked, cheering crowd outside his hotel the rocket booster will be the most powerful in history.

The crowd, estimated by police at 5,000, roared approval. It was the first of four speeches the President scheduled today on a swing through Fort Worth, Dallas and Austin, the state capital. Thursday, he visited San Antonio and Houston on his whirlwind two-day tour of the Lone Star state.

The integrated audience in a parking lot outside the Hotel Texas where Kennedy and his wife spent the night cheered his call for "concerted effort" to win success in space. He told the crowd the Saturn rocket booster will put the United States far ahead of the Soviets in thrust and in the payload it can carry.

Leading the parade will be the Leather 'n' Lace Riding Club, followed by open cars bearing school administrators and officials, coaches and cheerleaders, followed by floats carrying players from the Harvesters, the B team Shockers and the C team Thrashers.

PHS Plans Pep Rally

(See Picture on Page 1.) Pampa High School and citizens of Pampa will join tomorrow morning to celebrate "Football Day" and to stage a pep rally before the afternoon's Pampa-Borger football finale. The parade will start at 10 a.m. at the S. Cuyler underpass, circle around the Pampa Hotel, move to Pampa Junior High, and then back down N. Cuyler to First National Bank, where the pep rally will be staged.

Expert Says U.S. Not in Back Seat

A man who very likely will be the first civilian to orbit the earth told Knife and Fork Club members Thursday night that the United States is not behind the Russians in the space field, but is, in fact, ahead in some areas.

He was Peter Reich, aviation editor of the Chicago American, who has covered every orbital launching from Cape Canaveral and most other major developments in the space age.

Reich has been told by the National Aeronautics and Space Administration that when newsmen are allowed to make orbital flights, he will be the first.

He gave a detailed description of the U.S. moonshot program and assured his audience that Americans would be first on the moon. Jimmie Thompson, Knife and Fork president, was in charge of the program and D. F. (Tex) DeWeese introduced the speaker.

Jaycees Again to Aid With Boys Ranch Feed

For the third straight year, Area One Jaycees are teaming up with farmers, ranchers, and businessmen of the Texas Panhandle to help the more than 300 boys at Cal Farley's Boys Ranch.

Pampa Jaycees are among the more than 30 Junior Chapters of Commerce who are collecting grain and roughage from area producers, and helping with the delivery to Boys Ranch for the livestock there. The "Jaycee's Grain - Sorghum for Boys Ranch" program is now an annual project that began in 1961 to help the boys care for their livestock. The ranch does not have the pasturage needed to grow the large amount of feed necessary for the animals each year.

about 20 at a time in the pens. The livestock program also includes 45 horses and more than 400 hogs. The FFA swine production program alone averages more than 2000 pounds of feed daily. Many of the boys raise pigs for projects, and more than 40 sows and gilts are kept for breeding. Around 275 hogs are processed each year by older boys who take butchering and meat cutting for their vocational training.

Gary Frasher is president of the Pampa Jaycees, and Don Parsons of Dimmitt is Area Project chairman. Currently, nine boys from the Pampa area are being cared for at Boys Ranch.

At the present time, 312 boys are being cared for, trained and educated at the ranch. The 52 dairy cows milked by the ranchers provide over 100 gallons of milk daily for them. The boys also fatten the heaves that are donated to the ranch, averaging

Income to Be \$2,400 Month For Pierson

AUSTIN (UPI) — Howard Pierson, 49, who last week was acquitted by reason of insanity of the 1935 murder of his parents, State Supreme Court Justice and Mrs. William Pierson, will have a monthly income of more than \$2,400, court records showed Thursday.

A final accounting of Pierson's estate, filed in probate court, showed average monthly rental payments of \$1,154 on property at 1616 Hemphill Street in Fort Worth and monthly royalty payments of more than \$1,300 from Shell Oil Co.

The estate is Howard Pierson's share of his parents' fortune.

Smoke Damage Heavy In Residential Fire

Herb Lotz of 532 Powell reported extensive smoke damage Friday to his home from a smoldering blaze which burned for several hours in the tightly closed house while the family was away.

Lotz said the fire was discovered about 10 p.m. Tuesday and apparently had started from the heating device in a reclining chair which inadvertently had been left on.

The Weekly Message Of Inspiration

Attend The Church Of Your Choice

REV. J. B. CALDWELL
HILAND PENTECOSTAL HOLINESS CHURCH

A CRY OF VICTORY OR DISPAIR

"The harvest is past, the summer is ended and we are not saved". Jer. 8:20

We have in this language a wail of despair from the weeping prophet.

God has dealt bountifully with Israel. Great and precious opportunities had been theirs. Opportunities had been lost and privileges abused. Instead of being enriched with all spiritual good, they were "wretched and miserable and poor and blind and naked." In deepest agony he breaks out in bitter lamentation.

"The harvest is past, the summer is ended, and we are not saved".

Had Israel been true to her obligations; she would have been rich in all that makes a hope great.

Had she made good use of her privileges, this same language might have sounded out a shout of Victory.

I know of no despair so utterly hopeless as that which come from a sense of opportunities squandered.

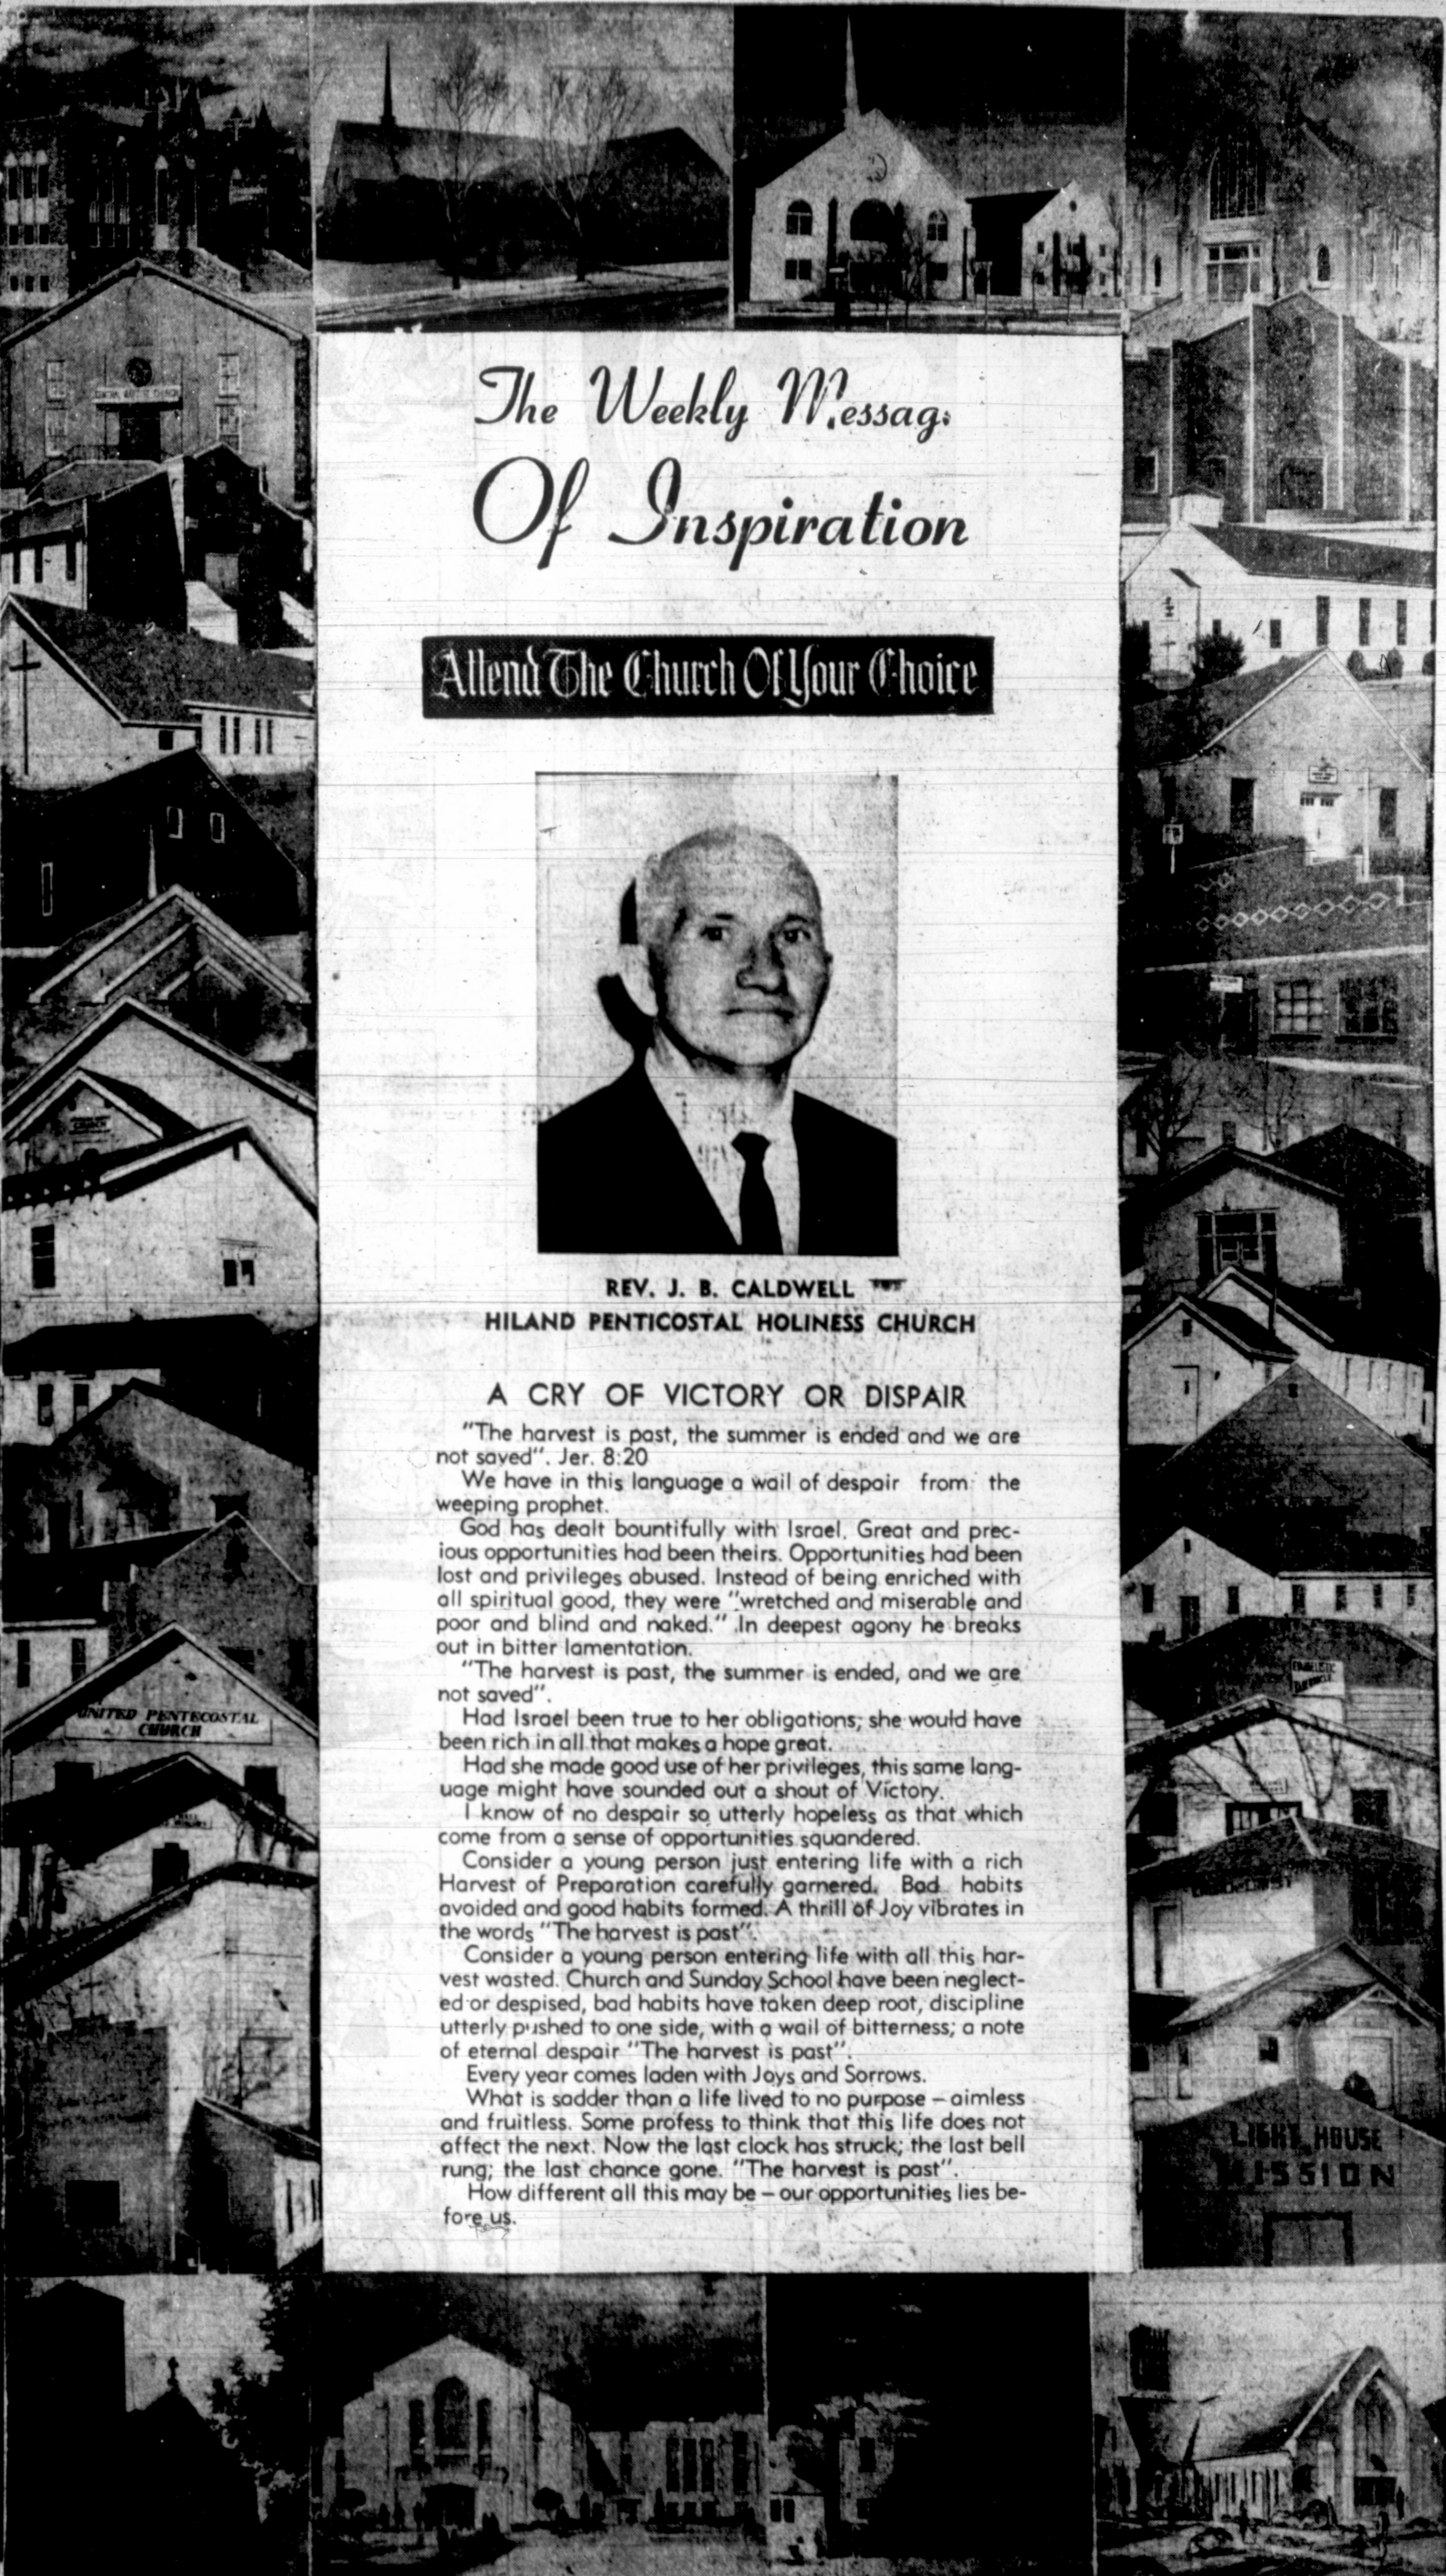

Consider a young person just entering life with a rich Harvest of Preparation carefully garnered. Bad habits avoided and good habits formed. A thrill of Joy vibrates in the words "The harvest is past".

Consider a young person entering life with all this harvest wasted. Church and Sunday School have been neglected or despised, bad habits have taken deep root, discipline utterly pushed to one side, with a wail of bitterness; a note of eternal despair "The harvest is past".

Every year comes laden with Joys and Sorrows.

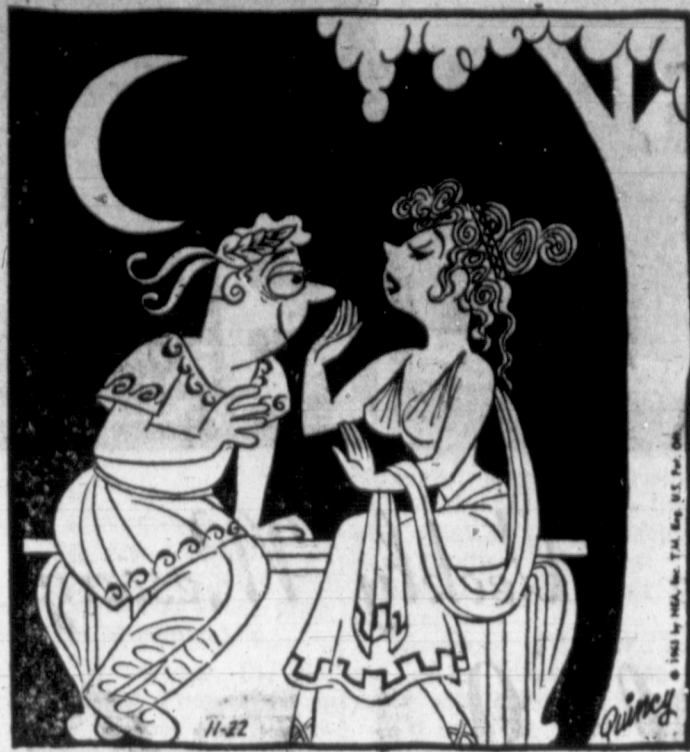

What is sadder than a life lived to no purpose — aimless and fruitless. Some profess to think that this life does not affect the next. Now the last clock has struck; the last bell rung; the last chance gone. "The harvest is past".

How different all this may be — our opportunities lies before us.

15 Harvesters Play Final Game

Fifteen Pampa Harvesters, including four two-way starters, another two offensive starters and four more players who have started several games will play their last high school football game tomorrow at 2 p.m. against the Borger Bulldogs.

Included will be the three team captains, one of them probably the finest all-around player ever to come out of Pampa and another the hardest-hitting linemen for his size the Green 'n Gold has ever featured.

For three years, Kenny Hebert, the Flying Frenchman, has led the Harvesters offensively, becoming an outstanding defensive player along the route. Ricky Goodwin, despite his relative lack of size at 185 pounds, has been the leading blocker and tackler in almost every game Pampa has played this season, practically being a one-man line on at least two occasions.

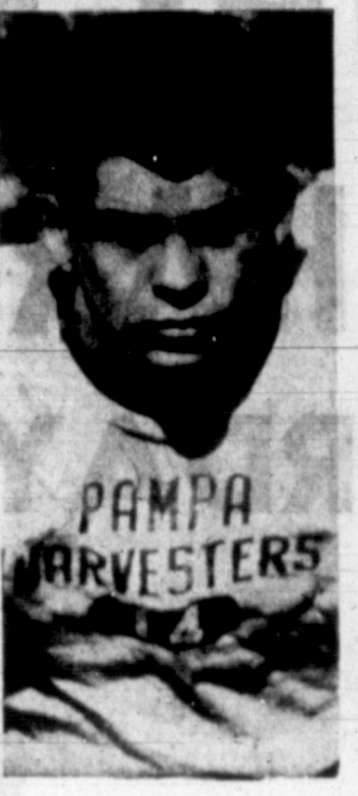

The third captain, Ricky Stewart, has been the Harvesters' top defensive back, a smashing blocker, and a fine runner as well. Eugene "Bandit" Madrid has been both starting tailback and lineman. Finishing their careers with them are 205-pound Jocko Neslage, who fought his way to a starting berth midway in the season and has held it ever since, and Clay Lively, an offensive end who has played almost every minute of offense the entire season.

Other starters who close out include tailback Ronnie Oler, who has played in all but one game and had his finest performance against Amarillo last week, Hank Henry, the hard-charging, hard-hitting "halfpint" Donnie Rexroad, a standout two-way guard until handicapped by injuries during the season, and Gary Thurman, who has seen plenty of defensive line action.

Also finishing up are Hebert's alternate, quarterback Larry Johnson, ends Mike Bridges, Bryan Martin and Drew Harvey and tackle Allen Richter. Borger coach Gene Mayfield reported only one change in the starting lineup that battled Tascosa to a 14-14 tie last week. Right guard Philip Kensley suffered a knee injury and will see only limited action. Starting in his place on offense will be Mike Rodriguez, 184, and on defense, Preston Wilson, 170.

Mayfield, acknowledged as one of the finest coaches in the state, denied the belief that the Borger-Pampa game was extraordinary to either team. "People tend to overestimate the rivalry between us," said Mayfield. "We like to win, but we like to win every game. We don't prefer to beat Pampa rather than any other district team, and it doesn't make the winner's season successful regardless of what the rest of the year has been. We want to win every game, not just one."

"The games we are up for are games like last week, which give us a chance to win district. Frankly, if a miracle happens and Plainville beats Tascosa Friday night, then we'll be up for the game. But if Tascosa has clinched the district, it will be hard to get these boys to the peak they were at last week. "We played real well against Tascosa. It was a tremendous effort, and frankly, I think we outplayed them. They had so much size and strength though. . . . we're too small to stop big people like that from moving up the middle. "That's been our trouble all year, we only average 171 pounds a man, regardless of what people think. We just don't have the big boys to stick in there and stop penetrations. Despite it, we have a fine defense. Somehow or other, when they get down near our goal line, we get up and stop them, but I wish we could stop them in their drives, take that ball away and control it more. Everybody has been moving the ball on us, and Pampa, with those 200-pounders opposite our guards, will do it too. "Pampa has been playing great ball recently. It's a shame they didn't start playing that way earlier in the year, they would have given Tascosa a struggle. "Pampa is playing real well now. It would have had a different effect on the district if they had started earlier. "And that kid, Hebert. . . I think he's the biggest threat to score on you in the district. Anyone from here who told you he was over-rated must have been kidding. "What more can you ask a player to do than Hebert does? He's a terrific back, a terrific college prospect. He's a great runner, he's got terrific balance and speed. He can pass, punt, block defense and catch passes. . . . if there were anything else that could be done with a football, he'd probably do that too. "You know, coaches always think the other fellow's kid better. All season long Otis and Brown (Pampa head coach Otis Holladay and assistant Brown Smith) have been telling me that Hebert can't do anything, that Neil Bearden and David Dillingham are better runners. "Well, figure where Hebert is running from. . . a quarterback isn't supposed to be a break-away back like a halfback is. Figure where he's running from and you'll agree he's the best bet to score on a long gainer of them all. He's got much more speed and fine brokenfield ability. If Pampa had had the material to use Hebert as a halfback instead of a quarterback, he'd have gained far more. Overrated. . . Anything but!" The question of exactly where Hebert will play tomorrow is a good one. The Flying Frenchman has spent most of his time at quarterback this season, although he has also been a successful runner and pass receiver from a right halfback, tail-

HANK HENRY

MIKE BRIDGES

BRYAN MARTIN

back, split right end and split left end this year. In an effort to befuddle the strong Borger defense and to take advantage of the numerous new plays the Harvester coaches have concocted from their magic kettle, it is entirely possible that Hebert may play any and all of these positions tomorrow. The only probable change in the starting lineup will be at fullback. Red Griffith turned his ankle in practice Monday. Although it is coming around well and the big redhead will probably see action, either James Williamson or San Williams will probably take the starting assignment, with Williamson the best bet.

Defensively the Harvesters will go with the same unit that held Amarillo to only one touch. (See HARVESTERS, Page 9)

Battle for Bowl Bids Begins This Weekend

By GARY KALE, UPI Sports Writer. The nation's top college football teams go bowl bidding Saturday, with berths open in the four major post-season classics and tenancy available at a number of other prestige locations. Showdown battles occur in the Big Ten and Big Eight conferences, where the Rose and Orange bowl invitations abound. Fifth-ranked Michigan State and Illinois (No. 8) bring identical 6-1-1 records into their Big Ten championship brawl. The Spartans rate six-point choices to beat visiting Illinois at East Lansing, Mich., and earn the Rose Bowl representation. A tie also would provide a Rose clincher for Michigan State.

Sixth-ranked Oklahoma meets ninth-rated Nebraska at Lincoln, Neb., for the trip to the Miami, Fla., Orange classic. The Sooners are favored by 3½ points as both teams place unblemished conference records on the line. The loser probably will be invited to another bowl game. Pittsburgh, a powerful independent and ranked fourth in the country, is a front-runner for the other Orange Bowl slot. The Panthers host Penn State, which can earn a Gator Bowl bid with a good performance. Pittsburgh is a 6½ point choice. On the West Coast, Washington can sew up the host spot in the Rose Bowl by defeating Washington State for the Big Six championship. The Huskies rate a 14-point pick. Should Washington falter, the winner of the UCLA-Southern California game at Los Angeles could come up smelling roses. Southern Cal won this one, 14-3, last year and is a 13½ point choice to repeat.

Auburn, ranked 10th and the only other team in the elite field to see action Saturday, also has an eye toward Gator Bowl activity. A Tiger mauling of Florida State would add momentum for the push toward a Jacksonville, Fla., post-season date. The Bluebonnet Bowl at Houston, Tex., and the Tangerine at Orlando, Fla., will be casting for high runners-up in conference standings and major independents that are overlooked elsewhere. The 67th meeting of Oregon and Oregon State could provide a bowl entry. Oregon is rated a five point favorite for the game at Eugene. Other leading games on this last big Saturday of the college season: WEAR YOUR LETTER

All high school and college award winners attending the Pampa-Borger football game tomorrow are urged to wear their letter jackets by athletic director Weldon "Bird-dog" Trice. "Since tomorrow has been proclaimed football day in Pampa by Mayor H. Raeburn Thompson, we urge all former athletes and letter winners, no matter what school they attended, to wear their letter jackets to the game and support football day and the Harvesters."

Pro Basketball
By United Press International. The Boston Celtics (12-1) may win the National Basketball Association's Eastern Division title in a walk, but there's some fast-stepping going on in the Wild West. The Los Angeles Lakers, boosted by Jerry West's 25 points, snatched the Western Division lead back from St. Louis by clubbing the Hawks 111-99 in the only NBA game played Thursday night. But tonight and Saturday night the Lakers play the third-place San Francisco Warriors, who could seize the division leadership themselves with two straight wins. Laker Coach Fred Schaus points out that the Warriors, who allowed opponents an average of 123 points last season, have improved their defenses to the point where they are now yielding an average of 99.5 points a game. In other games scheduled for tonight, Boston is at Philadelphia, New York at Baltimore and Detroit at Cincinnati. West didn't get much scoring assistance from teammate Elgin Baylor Thursday night in Los Angeles' Sports Arena. Baylor, the second highest scorer in the NBA last season, came up with a Charley horse and switched to the role of passer. Baylor had a personal season high of 12 assists, but only scored eight points. Cliff Hagan, coming off the bench in the first quarter, led the Hawks with 26 points. Bob Pettit got only six points in the first half and wound up with 20.

SWC Round-up

By United Press International. There was a double tapering off in the Southwest Conference Friday. One was in workouts that prepared for three conference matches. The other virtual surrender was in the race for the conference crown. It was generally conceded to Texas, the top ranked nationally football team that would have to lose its next two games to drop the loop title. Texas meets Texas A&M Thanksgiving day. Saturday games have Rice at Fort Worth for Texas (Christian's homecoming); Texas Tech invades Fayetteville for the Arkansas homecoming, and Baylor meets Southern Methodist at Waco.

Bridgers Unhappy
Baylor ended its heavy preliminaries Thursday night, hitting hard on defense Coach John Bridgers said he was displeased with gains the reserves were able to make against the defenders. In an even more somber note, Bridgers said that ace pass catcher Lawrence Elkins still was on the questionable list for Saturday's clash. He has suffered with flu and a back injury. SMU brushed up its kicking game Friday and had three men absent from drills because of injuries. Guards Jim Sitton and David Wilson and center Hardy McAllister were expected back for Baylor. "We'll just wait and see what happens," Arkansas coach Frank Broyles said.

Marshall Starting
The Porkers worked out in sweat togs Thursday and polished timing and assignments. Quarterback Fred Marshall was assigned starting chores, despite a shoulder injury suffered last week. Texas Tech flies to Fort Smith, Ark., Friday, then on to Fayetteville Saturday without fullback Leo Lowery, the team's No. 2 rusher, who suffered a knee injury. The Red Raiders staged a light workout Thursday. Rice worked lightly Thursday and practiced the kicking game. Linebacker Malcolm Walker was on the doubtful list, but the rest of the Owls were ready for action.

NEED MUD and SNOW TIRES?
Before you buy, check with us. We made a special factory warehouse close-out buy of 7.50 x 14; 8.00 x 14; 8.75 x 15 and 9.00 x 15 Tires — both black and white side walls.
Also there are a few 6.00 x 15 white wall tubeless in regular tread and a sprinkling (2-4 tires) in most other sizes both in snow and regular tread.
You Can Expect to SAVE up to 50% of regular price.

Bears, Giants Risking NFL Division Leads

By United Press International
The Chicago Bears and the New York Giants risk their precarious division leads Sunday against a pair of tough clubs that could force both National Football League races into ties.

The Bears, coming off a big win over the Green Bay Packers, travel to Pittsburgh to play the Steelers (6-3-1). The Giants (8-3) are at home against the St. Louis Cardinals (7-3) in a game that could throw the Eastern Division race into a three-team deadlock.

A victory by the Cards at Yankee Stadium, coupled with a win by the Cleveland Browns at home over the Dallas Cowboys, would produce a tie among New York, St. Louis and Cleveland.

Coach George Halas of the Bears expressed his respect for the Steelers last Sunday when he remarked immediately after the Green Bay victory that "I'd rather play any team in the league next week than Pittsburgh."

The Bears, with a 9-1 record, lead Green Bay by one game. The Packers face a patsy in their game at Milwaukee against the San Francisco Forty Niners.

After Sunday, the Bears play home games against the Minnesota Vikings, Forty Niners and Detroit Lions — all clubs with

losing records. The Packers play their last three games on the road, at Detroit, Los Angeles and San Francisco.

In Sunday's three games involving non-contenders, the Los Angeles Rams (3-7) are at home against the Baltimore Colts (3-5); the Philadelphia Eagles (2-7-1) entertain the Washington Redskins (2-8); and the Vikings (3-7) are home against the Lions (4-6).

Odds makers favor Chicago by 4 points over Pittsburgh; New York by 9 over St. Louis; Cleveland by 7½ over Dallas; Green Bay by 21 over San Francisco; Baltimore by 4 over Los Angeles; Philadelphia by 4 over Washington, while Minnesota and Detroit are rated even.

As a side attraction to the two closely-contested division and Y. A. Tittle of the Giants. Jimmy Brown of Cleveland face an opportunity to set significant NFL records Sunday.

Brown, with 1,447 rushing yards, needs to gain only 21 more against the Cowboys to break his own single-season record of 1,527 set in 1958.

And Tittle can surpass Bobby Layne's lifetime touchdown-passing record of 196 by completing four scoring tosses against the Cardinals. Tittle has thrown 27 this season, leaving him six short of the record of 33 he set in 1952.

San Diego, Houston Clash for AFL Lead

By United Press International
The San Diego Chargers and the Houston Oilers, respective division leaders, clash Sunday in an American Football League power struggle while the Boston Patriots and Buffalo Bills battle for survival.

Both Boston and Buffalo have compiled 5-5-1 records, second to Houston's 6-4 mark in the Eastern Division. The loser of the Beantown brawl will tumble from title consideration if the Oilers win at San Diego. The Chargers' 8-2 record places

them two games up on Oakland in the Western Division.

The Patriots, who dropped a 23-21 thriller to the Bills a month ago in Buffalo, are rated 5-point favorites largely on the strength of their fine 4-1-1 home mark. The Chargers are favored by 7½ over Houston.

In other AFL contests, the Oakland Raiders are 3-point choices over the Broncos in Denver, and the Kansas City Chiefs are a slim 1-point pick over the host New York Jets.

Harvesters

(Continued From Page 8)
down in a 13-9 victory two weeks ago. Madrid and Carl Johnson will be at the ends and Jerry Goodwin and Big Billy Quarles at the guards. Stewart and Phil Smith will be at the corners. Jerry Garrison, Myron Scribner and Ricky Goodwin will be the linebackers and Hebert and Terry Criss the halfbacks.

Perryton Pounds Thrashers, 30-8

PERRYTON (Spl) — Gary Winters and Gary Thomas did it again last night as they led the Perryton Deputies to a 30-8 victory over the Pampa Thrashers.

The two 10.4 Perryton transfer students, who had opened their B team season with a 22-14 win over the Pampa Shockers, closed out the year by nullifying a Pampa try for revenge as the speedy Winters ran for three touchdowns and two conversions and Thomas for a touchdown and a conversion.

Perryton drove for a score midway in the first quarter, with quarterback Chris Eyerly getting the key yardage on options, and Winters going the last 21 yards with a pitchout, carrying over the two-pointer as well.

Just as the quarter ended, Winters did it again, going 55 yards as he exploded up the middle on a trap play. Thomas ran the conversion for a 16-0 halftime lead.

Pampa came back to score in the third quarter, with Jimmy Williams cutting clear off tackle from his 45. Trapped on the Perryton 15, he lateralled to Chuck Cauthorn, who took the ball to the five. On the next play, Tommy Henley was hit on

Optimists Feature 28 Boxing Bouts

An all-out battle between 145-pounders George Sanchez of Berger and Mike Slattery of Amarillo featured a 28-bout boxing card at the Pampa Optimist Boys Club last night.

Sanchez, staggering his foe with uppercuts in the second and third round, took the decision. In other high school class bouts, Waldo Green, 145, Berger, lost to Ronnie Shannon of Amarillo; Butch Lassiter of Berger, 135, downed Harold Austin of Dees of Amarillo; Junior Clements of Berger, 130, took the nod over Ronnie Fitzgerald of Dees.

Edgar Lester, Berger, 130, lost to Johnny Profanick of Dees; Ronnie Campbell of Pampa, 120, beat teammate Gary Woodruff; and Gary Atchley, 110 of Lefors, took the win over Jerry Potter of Skellytown.

Feeewe results:

Kevin Romines, Lefors dec. John Garza, P a m p a; Jerry Dunn, Lefors dec. Nick Martin, Pampa; Lonny Lane, Skellytown dec. Mike Housman, P a m p a; Howard Wayne Clements, Dees dec. Dennis Sanchez, Berger; Rickey Austin, Dees dec. Jerry West, Berger; Raymond Moore, Berger dec. Billy Taylor, Perryton; Mike Robbins, Lefors dec. Larry Mercer, Skellytown; Mike Atchley, Lefors dec. Andy Grim, Pampa; Joe Monzonarez, Pampa, dec. Billy Ledford, Skellytown; Terry Dunn, Lefors dec. Mike Garza, Pampa; David White, Lefors dec. Bruce Thomas, Dees; Bubba Davis, Lefors dec. Ronnie Moler, Pampa; Freddie Romines, Lefors dec. Danny Ledford, Skellytown; Jesse Vick, Pampa, dec. Mike Tietz, Skellytown; Glen Davis, Berger dec. David Seeley, Book- er.

the option and fumbled into the end zone, where Larry Cotten fell on it for the C team's tally. Kyle Vann ran the conversion. Pampa then tried an inside kick which backfired as the Deputies recovered on the Thrasher 42. On the first play from scrimmage, Thomas broke loose, again on a trap play and scored, with Winters converting.

The final score came late in the game, once again on the trap play, as Winters went 35 yards.

And Now Gambling

We now take up the subject of gambling, specifically the sort done around a table.

Our authority is Oswald Jacoby who writes a bridge column and whose efforts are cherished by that large band of enthusiasts who can tell you six days later what everyone held the time Mabel went down 300 vulnerable.

Mr. Jacoby is something of a gambler — that is, he is a student of odds. Odds are a branch of the fascinating mathematics of probabilities, the laws of chance. It is the law of probability, for example, that a coin will come up heads 50 per cent of the time.

The roulette operates on the law of chance, too. There are 38 slots for the ball to fall into, including 0 and 00.

Mr. Jacoby (getting back to Oswald) has calculated the odds on certain bridge and poker hands. You may not know it but the odds against getting a royal flush is 649,739 to 1.

flush is 649,739 to 1. The probability of a straight flush is one in 72,192; a full house one in 502; a straight one in 254; and a pair one in 1.37.

The bridge player hears about the perfect hand, but he's probably not aware that the odds on getting 13 cards in the same suit is 358,753,389,899 to 1.

Your chance of a 12-card suit dropped to only 367,484,698 to 1.

Nine honors come once every 104 times according to probabilities.

Your chance of four aces is 378 to 1 against.

And a Yarborough — that's a hand with no face cards, and, honest, we didn't make up that name for it! — carries odds of 1,827 to 1.

Mr. Jacoby further avers that the total of different sequences possible in a 52-card deck is a figure 68 numbers long; and if all the people on earth counted a million arrangements a second 24 hours a day, for 80 years they could not count a billionth of a billionth of 1 per cent of the possibilities.

The boys in the green eyeshades might not know it, but Mr. Jacoby calculates that 2,598,960 different hands of five-card poker can be dealt.

Mr. Jacoby (getting back to Oswald) has calculated the odds on certain bridge and poker hands.

Mr. Jacoby (getting back to Oswald) has calculated the odds on certain bridge and poker hands.

Thees Way Mucho Simpler

Allen-Scott Report
Second Round of Attacks on Foreign Aid Planned When Bill Comes Again Before House, Senate

WASHINGTON — The administration is due for an extremely painful surprise if it thinks it has seen the last of the determined congressional battle to drastically slash the multi-billion dollar foreign aid budget.

Both the House and Senate, militant opponents are ready and waiting to vigorously resume the struggle when the foreign aid appropriation bill comes up.

That won't be for weeks. The issue will not be finally disposed of until next year.

In the House — Representative Otto Passman, D-La., chairman of the Appropriations Subcommittee in charge of the foreign aid budget, is bent on holding it to a total of around \$2.7 billion — approximately \$2 billion less than what the President insists is essential.

Whether Passman, long-time foe of large-scale foreign aid spending, can get his way remains to be seen.

In the Senate — the resolute bipartisan "team," dynamically led by Senator Wayne Morse, D-Ore., that axed \$500 million from the authorization bill — is ready to pick up where it triumphantly concluded last week.

FBI Holds Pair In Bank Robbery

EL PASO, Tex. (UPI) — Two sailors who posed as shore patrolmen to rob a San Diego bank of \$125,000 were held today in absence of \$100,000 bond each.

FBI agents arrested them Thursday night after Mexican authorities turned them loose at the International Bridge.

Lawrence Taylor, 20, and Jeremiah H. Terrence, 22, were arrested in a Juarez Motel. Authorities recovered more than \$100,000 from the robbery last Friday.

They entered a Bank of America branch at the Naval Station in San Diego.

They fired two shots into the ceiling of the bank and held 45 customers at bay while one of the bandits scooped money from cash drawers. They fled through the main gate in a stolen car.

Foreign Commentary

By PHIL NEWSOM
UPI Foreign News Analyst

Although not one of Black Africa's 25 newly independent nations has gone Communist, Soviet Russia never stops trying. These efforts are both open and subversive and recent days have provided two more examples. In Leopoldville, the Congo, Congolese police roughed up and held two Soviet diplomats accused of carrying compromising documents. The Russians have been suspected of backing a Congolese government-in-exile.

Moving openly in Somalia, the Russians closed a deal to help equip a Somali army of 20,000 which, according to Western experts, is far larger than the country needs and which, it is feared, is intended for use against Somalia's neighbors, either Ethiopia or Kenya.

Washington estimates of Soviet arms exports since the first deal with Egypt in 1953 place the total at around \$3 billion.

Indonesia Best Customer

Probably the best customer has been Indonesia which has received about a third of the total. Also high on the list is Cuba.

Since these weapons were intended either for use against governments friendly to the West or at least to stir up trouble for the West, a summary put together by analysts of Radio Free Europe is interesting.

Some idea of the scale of Soviet arms shipments to Egypt may be had from the fact that in the Sinai clash with Israel, the Israelis captured more than 300 Soviet-built T-34 tanks, about 600 guns and about 4,000 Soviet-made jeeps or trucks.

Moscow also has delivered to the U.A.R. submarines, destroyers and torpedo boats.

The Lighter Side

Should 'Hot Line' Become Party Line?

By DICK WEST
United Press International

WASHINGTON (UPI) — The task force on NATO unity of the subcommittee on special projects of the House Republican Policy Committee has just issued its first report.

Opinions may differ as to the most significant portion, but I was captivated by the task force's proposal concerning the "hot line" between Washington and Moscow.

The "hot line," as you know, was set up recently to provide instantaneous communication between the two capitals and thus lessen the danger of war starting accidentally.

If, for instance, the United States lost control of a missile, which then headed toward Russia, President Kennedy could get Premier Khrushchev on the line and say "oops, sorry" before it landed. And vice versa.

Well, sir, the task force fears that this arrangement may arouse suspicions among our NATO Allies. It has recommended that the entire membership of NATO be "cut-in" on the line so that they can monitor any conversations.

In other words, the task force wants to change the "hot line" to a "party line." It may have a point there, but I have some doubts that the plan would work.

If my memory of the way party lines operate is trustworthy, such a set-up could lead to a situation something like this: "Hello, is this area code 202 628-1414?"
"Speaking."
"Jack, this is Nicky. Something terrible just happened. One of our missiles accidentally flew off the launching pad and..."
"Hello, General De Gaulle here. Who's calling please?"
"Charlie, get off the line. I'm talking to Jack. I've got an urgent..."
"Oh, good. I've been wanting to talk to Jack myself. Jack, your position on the chicken war is..."
"Charlie, for the love of Lenin get off the line. There has

been a missile malfunction and...
"What has that got to do with the price of poultry?"
"It could destroy every home in..."
"Home? yes, this is Prime Minister Home only we pronounce it 'Hume' here in Britain."
"You won't be able to pronounce anything if you don't hang up and let me..."
"If you didn't want to speak to me why did you ring?"
"Nobody is ringing you. I was just trying to talk to Jack about chickens and..."
"This is Jack, fellows. Hold the line a minute while I go to the window. I just heard a loud noise outside."

Wall Street In Review

NEW YORK (UPI) — The Dow Theory Trader says that "with an excellent outlook for the rails, and with a high short interest position for the market as a whole, it seems that we will get a much higher stock market before November is out."

"Then," he adds, "after a little more tax selling perhaps in early December, you can begin to look for a dramatic December and early January rise—regardless of tax selling or anything else."

Standard & Poor's notes that "the encouraging business outlook for some time ahead continues to support a generally constructive investment policy. However, care must be used in any new buying."

Spear & Staff believe that there will be some further correction and advise clients to have a very conservative approach over the near term.

Labor Department to Check Prices on Living Cost Index

WASHINGTON (UPI) — The Labor Department will check prices from the cradle to the grave for its streamlined cost-of-living index that will appear next February.

The costs of funerals—a controversial national topic—will be calculated for the first time in computing average expenses of the city-dwelling wage earner.

Labor Department officials said investigators would check the price of a complete funeral with undertakers in 50 cities. Their findings on funerals will not be listed separately by the government but will be blended with other price data in determining the Consumer Price Index (CPI).

Bank service charges, legal fees, room rent, and hotel and motel charges also will be checked for the first time next January for inclusion in the revised index.

The index already includes the cost of a baby delivery, pulling a tooth, beer and whiskey, movie admissions and newspapers in addition to food, housing and transportation.

PLANE PASSES TEST

FT. BENNING, Ga. (UPI) — A new airplane designed to take off straight up passed its test flight "beautifully" at this infantry center Wednesday.

Called the Hummingbird, the twin-jet, fixed-wing craft left the ground vertically, hovered for a moment and then zoomed forward in normal flight.

The plane, built for the Army by Lockheed Aircraft Co., is designed to take off or land without benefit of a runway as required by conventional aircraft.

JFK SIGNS BILL

WASHINGTON (UPI) — President Kennedy signed a bill Wednesday authorizing the striking of medals in commemoration of the 150th anniversary of Indiana's entry into the Union.
