115 Buyers At Auction In Pampa

By PHIL DUNCAN

More than 115 active buyers from seven states, including Texas, were on hand Monday and today at an auction of oil field equipment in which recorded sales were over \$300,000, according to L. P. Wolfe, a representative for Nelson Auction Service of Amarillo.

Wolfe said the auction, the largest ever held in Pampa, was attended by oil company representatives, servicing companies and independent buyers.

"Almost every piece of oil field equipment is scattered over the 10-acre lot—everything from oil well pumps to three complete rigs," Wolfe said.

"This sale of equipment does not mean that oil business is slowing down, but that oilmen are getting rid of their obsolete and extra equipment and replacing it with newer, more compact equipment. Sales like this are very common due to the over-purchasing of equipment during the 'oil boom' days," he said.

"While most of the equipment for sale is from the Pampa area, some was brought from as far as Wichita, Kan.," according to Wolfe.

The largest supplier of equipment was Lynn Drilling Co. of Tulsa.

Auctioneer Jim Short and a staff of 10 conducted the auction.

Nelson Auction Service is reported to have the largest auction staff in the nation.

Sales recorded at the auction totaled more than \$300,000 during the two days. In the right photo some of the equipment, ranging from oil well pumps to three complete rigs, is shown spread over the 10-acre lot. Dallas D.A. Denies He Knew Ruby

DALLAS (UPI)—Dist. Atty. Henry Wade has denied reports he knew Jack Ruby before Ruby shot and killed accused presidential assassin Lee Harvey Oswald.

Tom Howard, Ruby's cigar-chewing attorney, said last week he may ask for a change of venue for Ruby's upcoming murder trial because of "inflammatory" statements by Wade. Howard said Ruby and Wade at one time knew each other on a "first-name basis."

Wade said his investigation into the shooting of Oswald will probably not be finished in time for the Dec. 9 trial date, which would delay the trial until January of February.

He also confirmed discovery of a map in Oswald's rented Oak Cliff room. The map reportedly had intersections along the President's motorcade route marked in pencil.

"It also had a line that followed the general path of the bullets that killed the President. Wade said he had not seen the map but he "understood" it was the type map obtained in service stations.

Santa Modernizes With Zip Code

Santa Claus has a zip code number on the end of his North Pole address.

Postmaster O. K. Gaylor said today, all mail to Santa Claus will get faster treatment if the code number is included in the address.

Santa's ZIP Code number is 99701.

"The magic number will speed up mail delivery to Santa Claus," the postmaster said.

(The Daily News starts publishing Santa letters today. See Page 12.)

ICC Approves Trucking Deal

LUBBOCK, Tex. (UPI)—T.I.M.E. Freight Inc. has announced Interstate Commerce Commission (ICC) approval of its control of Super Service Motor Freight Co.

The ICC must still approve T.I.M.E.'s plan to buy Super Service for \$3,650,000 and thus become one of the nation's largest motor trucking companies.

Pre-Trial Sanity Hearing to Be Sought by Counsel for Ruby

DALLAS (UPI)—A pre-trial sanity hearing for Jack Ruby was planned today by lawyers seeking a double avenue of defense for the killer of Lee Harvey Oswald.

Ruby, 32, was scheduled to go on trial Monday on murder charges but this was expected to be delayed. Neither the defense nor state cases were ready.

Tom Howard, defense lawyer, said it would be February before he would be prepared to present a case concerning Ruby's sanity at the time of the nationally-televised shooting of the accused assassin.

"If a jury ruled Ruby was insane when the shots were fired, he could be freed. If the panel said he still was insane, he would be committed to a state hospital."

Ruled sane, the dapper night club owner would then go on trial for murder with malice.

New Trial Date Set

DALLAS (UPI)—A judge today postponed next week's scheduled murder trial of Jack Ruby and set a new trial date of Feb. 3 for the slayer of Lee Harvey Oswald.

Howard said Monday he may drop efforts to have bond set for Ruby. The attorney said he

JFK Guard Cited for Act

WASHINGTON (UPI)—Treasury Secretary Douglas Dillon presents a citation for exceptional bravery today to Clinton J. Hill, Mrs. John F. Kennedy's No. 1 Secret Service agent.

Mrs. Kennedy planned to be present at the 11 a.m. ceremony in Dillon's office when Hill is to be decorated for his actions on the day the President fell victim to an assassin's bullets at Dallas. Hill's wife Gwen and his two young sons were also to be on hand.

The citation to Hill was the second issued to a Secret Service agent in the past few days. President Johnson officially commended agent Rufus Youngblood last week for his action in protecting the then vice president with his own body when the shots rang out in Dallas.

Hill, a husky, 31-year-old (See GUARD, Page 3)

wanted Ruby committed to a hospital for psychiatric observation. and when his case is reviewed, he then may stand trial before another jury on the charges.

Under Texas law, persons charged with crimes may have a pre-trial sanity hearing. If a jury rules the person sane both when the crime was committed

Defense lawyers may raise the insanity question at the regular trial and the second jury may rule on that aspect of the case.

Blue Ribbon Group Picked For Texas Court of Inquiry

DALLAS (UPI)—Texas assembled a blue ribbon panel of legal minds today for a court of inquiry into the assassination of President Kennedy and surrounding events.

Texas Atty. Gen. Waggoner Carr conferred with wounded Gov. John Connally about the investigation Monday and announced the names of two lawyers who would help interrogate witnesses.

Leon Jaworski, a Houston attorney who was trial judge advocate in the Nuremberg trials following World War II, and Dist. Atty. Henry Wade of Dallas were named to the panel which Carr will head.

Carr said the state investigation would open shortly after the Federal Bureau of Investigation (FBI) files a report with President Johnson, presumably late this month.

The state investigation, Carr said, would openly interrogate

witnesses in the assassination, the slaying of policeman J. D. Tippit and the shooting of Lee Harvey Oswald. The findings will be turned over to a federal commission appointed by President Johnson.

Carr said the state investigation would contrast both the FBI's undercover work and the federal commission's consideration because witnesses would be subpoenaed and questioned under oath either in Dallas or at Austin, Tex., the state capital.

The three-pronged approach to the crimes was called an "unprecedented example of cooperation between local, state and federal government to determine the facts and make them public."

FBI information will be given the Texas court of inquiry, which will forward its findings to the federal commission headed by Earl Warren, chief justice of the United States Supreme Court.

Statements of Judges Recalled

TV for Ruby Trial Undecided

By CHARLOTTE MOULTON
WASHINGTON (UPI)—The proposal to televise the Dallas trial of accused slayer Jack Ruby today recalled statements by top federal jurists condemning such coverage.

Ruby has been indicted on a murder charge in connection with the fatal shooting of Lee Harvey Oswald, alleged assassin of President Kennedy. He will, of course, be tried in a Texas court, not a federal court.

City Panel Hires Engineer, Delays Action on Street

Former Mayor Warns of Battle If Closing Issue Is Approved

Pampa's city commission approved the hiring today of a new city engineer, decided to buy a new fire truck and two police cars and received warning of a legal battle to stop the closing of Thut St.

Harold Foreman, 31, of Garland, a former city engineer at Terrell and presently employed by the Fire Prevention and Engineering Bureau of Texas, will start to work Jan. 1 as city engineer. His salary will be \$700 a month.

Foreman will replace Weyland Merriman who has been acting city engineer since the resignation of Monroe Moore, Sept. 21, 1962. The new city official is married and has two children.

Former Mayor Appears
Former Mayor E. C. Sidwell appeared briefly before the commission and contended the proposed closing of Thut St. from Somerville to Russell Sts. would result in damage to business firms who use the street daily.

Sidwell said he was speaking for the Beacon Supply Co., the Sidwell Companies and for himself as an individual. He filed a written protest with the commission.

Due to the absence from the city of Mayor H. R. Thompson, the commission passed up action on second reading of an ordinance to close the street as requested by H. O. Darby of the Pampa Foundry. Darby told commissioners three weeks ago that the foundry would have to move from Pampa if the street is not closed to permit expansion of its present building.

"Maximum Resistance"
"If the city goes through with this plan," Sidwell said, "we plan to take such action as the law permits to stop it. The attempted closing will be met with maximum resistance."

Over the objection of Commissioner Leon Holmes, the commission voted 3 to 1 to accept the \$10,145 bid of E. W. Hogan for remodeling and air-conditioning the Texas Railroad Commission offices in City Hall.

Holmes said he objected to the fact that \$7,500 was set up in the budget and the commission now is spending more than \$10,000.

Commissioner L. P. Fort said the time was approaching when the city will have to spend around \$75,000 on general remodeling at City Hall and he thought the \$10,000 expenditure

which liberty-loving people had toward secret trials... that is the reason our courts are open to the public, not because the framers wanted to provide the public with recreation or with instruction in the ways of government."

Referring to television, Douglas said:

"The already great tensions on the witnesses are increased when they know that millions of people watch their every expression, follow each word. The presence and participation of a vast unseen audience creates a strained and tense atmosphere that will not be conducive to a quiet search for truth."

McCormack Pledges His 'Full Effort'

By ARNOLD B. SAWISLAK
United Press International

WASHINGTON (UPI)—Speaker John W. McCormack announced today that an effort will be launched Monday to pry the civil rights bill out of the House Rules Committee and bring it to a vote on the floor.

McCormack said following a meeting of Democratic congressional leaders with President Johnson that "as far as the leadership of the House is concerned every effort will be made" to force the measure out of the committee. Rules Chairman Howard W. Smith, D-Va., has made it clear he will try to keep it bottled up.

Talking with newsmen at the White House, the speaker said a petition to discharge the bill

from the rules unit would be filed Monday by Chairman Emanuel Celler, D-N.Y., of the House Judiciary Committee. Celler's group has approved the legislation but Smith's committee, which filters legislation to the floor, has taken no action on it.

Top Priority
The bill is designed to fight racial discrimination in voting, education, employment, public accommodations and the use of federal funds. President Johnson last week placed the measure at the top of his congressional priority list.

However, Smith Monday night threw cold water on efforts by both Democratic and Republican congressional leaders to press for action on the legislation as a testimonial to the late President Kennedy who also had made it a key priority item.

BULLETIN
WASHINGTON (UPI)—Dr. Martin Luther King said today after conferring with President Johnson that he told Johnson anti-discrimination demonstrations would resume by the middle of this month in various areas.

Smith said he did not believe action should be dictated by "the present state of hysteria." McCormack and other House leaders wasted no time preparing to force the bill out of the Smith "traffic cop" group. But they were not certain of success.

McCormack said he could not predict what the prospects would be for obtaining the required 218 signatures on the discharge petition.

Move Already Under Way
A move by administration forces in the House, led by Rep. Richard Bolling, D-Mo., already has been under way to try to extract the bill from the Rules Committee through discharge petition.

Because of opposition by Southern Democrats to the civil rights bill, considerable Republican support is required to obtain the necessary 218 signatures—half the House membership. But GOP leaders indicated Monday they would not help. Republican leader Charles A. Hallack, Ind., said he opposed discharge petitions as a matter of principle.

Monday would be the first day on which a discharge petition could be circulated. The way was opened for use of this rare parliamentary device last Wednesday when Bolling introduced a resolution which would be used as the vehicle for bringing the bill to the floor.

SAIGON, South Viet Nam (UPI)—Three hundred U.S. servicemen prepared today for the long flight home as the first troops to be withdrawn from South Viet Nam since the U.S. buildup here in 1962.

They are part of the 1,000 officers and men who will be returned to the United States without replacement by the first of the year, reducing U.S. strength here to 15,500.

The reduction was the result of the visit here in October of Defense Secretary Robert S. McNamara and Gen. Maxwell D. Taylor, chairman of the Joint Chiefs of Staff.

They decided "the major part of the United States military task can be completed by the end of 1965" in South Viet Nam, a White House statement issued at the time said. They said that by the end of this year, the U.S. program for training the Vietnamese army in its war against the Communist guerrillas would have progressed to the point where the 1,000 men could be withdrawn.

The bad political news for Sen. Barry Goldwater is that there seems now to be a solid chance that the moderate or Eisenhower Republicans will retain control of the party and of its 1964 nominating convention.

The bullets that struck President Kennedy also hit the Goldwater-for-president movement. Goldwater-for-president strategy had been to concede the big eastern industrial states to JFK in 1964. These concessions were to be offset by Republican gains in the South. Some Republicans argued that party gains in the South reflected fiscal conservatism; a desire for reduced federal spending, a balanced budget and, thereafter, tax reduction.

Other Republicans conceded that Republican developments in southern states reflected Democratic dislike of the Kennedy administration more precisely, southerners were voting Republican in protest against the Kennedy brothers' all out efforts in behalf of civil rights.

Resist Southern Play
Republican office holders elected in the big industrial states resisted any party play for southern votes. The realistic political reason for their resistance was that Republican identification in the South with segregationist Democrats would invite racial minorities to penalize Republicans in the North. These northern Republican officeholders probably could expect to fare better on election day with a Republican presidential candidate who went all out for civil rights and lost than with a candidate who had played for white southern votes and was elected.

The weakness of the northern Republican officeholders has been that they could not offer any assurance that JFK could be licked next year in the big industrial states. How President Johnson will stand with the Negroes and other racial minorities next autumn cannot be known now. But at this moment he does not command the political support of such states as New York, New Jersey and Pennsylvania as John F. Kennedy was presumed to command it.

Adopt 1964 Strategy
Therefore, the Republican moderates are invited by circumstances to adopt in 1964 the strategy that won party control for them at every Republican national convention after 1928. That strategy is to take a middle or left of center path down the political roadway. Habit is a force of consequence collectively as well as individually.

The Republican habit of surrendering to the stern voice of the moderates at nominating time is well established. What the stern voice said of the late Robert A. Taft was that he could not be elected because he could not carry big industrial states, notably New York. That frightened the fat conservative cats of the Republican party who apparently would rather win than be right.

Among the forces giving the Goldwater handwagon astonishing momentum this year was the fact of rebellion in the South against the Democratic party. Goldwater strategists listened unimpressed to warnings that their man could not carry New York or, for example Pennsylvania.

Old Pro Still Very Much in Tennis Racket

By WILLIAM COLEMAN
LOS ANGELES (UPI) — Alice Marble, the girl who set the tennis world on its heels between 1936 and 1940 after doctors said she never would play again, still is very much in the game.

She is the tennis "pro" at the Lake Encino Racket Club, near Los Angeles, which has just opened. Working her way up in the tennis world was not easy for Miss Marble.

In 1934 she appeared to be finished when she collapsed on the courts in Paris. Doctors said that she had tuberculosis, so she came home from France and spent the next eight months in a sanitarium. In 1935, Miss Marble started a comeback. She began working out on southern California courts under the watchful eye of Eleanor Tennant, her former coach.

She went East in July, 1935 and started on the circuit once again. By 1936, Miss Marble was in the number one spot in the United States Lawn Tennis Association rankings. She held that rank for the next four years.

The year, 1939 was her biggest one. That year, she set down all comers in the United States singles championships, and then went onto Wimbledon to win the singles championship of the world. In that same year, she teamed up with Sarah Paley Fabyan to dominate the doubles titles.

Alice Marble retired from tennis just prior to World War II to become a night club singer. During the war years, she sang for servicemen and arranged sports events for them all over the world.

After the war she wrote her autobiography, "The Road to Wimbledon." Miss Marble then started teaching at country and tennis clubs. She has no trouble seeing the results of her teaching.

One of her students, Billy Jean Moffitt, just completed a successful season in the Forest Hills National championships. Miss Moffitt, teamed with Karen Hantze Susman, also one of Alice's students, won the women's doubles title at Wimbledon the past two years. Also among those who have learned the finer points of tennis from Miss Marble are such champions as Carole Caldwell and Darlene Hard.

Alice never did play the conventional woman's tennis game. Many well-known tennis names have said she played tennis more like a man than a woman. She had a crashing serve and net attack.

"I learned how to rush the net because I started out with such weak ground strokes," she said. She gives credit for her slamming shots and booming serve to the fact that she was a tomboy in her early youth. In fact, she started in the sport world as a baseball player.

She was the mascot of the old San Francisco Seals of the Pacific Coast League. She can recall shagging flies in the outfield during the Seals' batting practice.

"I developed a good arm for serving as the result of throwing the balls back into the infield," she said. "One day one of my brothers decided that I should take up a game more suited for girls," she said. "He put a tennis racket in my hands and led me to the courts."

"I think I started hitting the ball... with all my might mainly because I was mad at being taken away from baseball." The tennis star still has not given up baseball. Children in her neighborhood come to her almost every day asking her to "hit a few flies to us."

Sometimes Alice tries to persuade them to let one of their fathers hit to them, but she always gets the same reply: "They can't hit them as far as you can." Unlike many champions turned teacher, Miss Marble seldom gets mad or discouraged with one of her pupils. "I don't get impatient with anyone," she said. "I was such a hacker when I started out myself, that I know what it is like."

Harry Mitchell, toastmaster for the evening, introduced Forrest Hills, who spoke on "Public Speaking." Bill Dixon spoke on "Centennial of a Masterpiece" and Jim Moring, winner of the best speaker's award, spoke on "Oil Depletion Allowance."

Lloyd Kuntz was general evaluator. Kuntz introduced evaluator Lloyd Laramore, and best evaluator Gene Boyett.

Anyone interested in improving himself is invited to attend Toastmasters any Monday night as a guest; other clubs interested in speakers are asked to contact Lloyd Kuntz.

crease to Pioneer Natural Gas Co. Commissioner Fort said petitions asking the commission to call a vote of the people on the rate increase should be ready for presentation next week.

At the request of Fire Chief Ernest Winborne and Police Chief Jim Conner, the commission voted to ask for bids on a new booster truck and two city police cars.

Bids on the police cars will be opened Dec. 31 and bids on the fire truck will be opened Jan. 7. The commission next week will consider taking water consumers off the summer rate until April 1 of next year. Commissioner Fort pointed out that the city is losing around \$2,000 a month in water revenue under continuance of the lower rate beyond the summer months.

Commissioner Jim Nation was in the mayor pro tem seat today during the absence of Mayor Thompson.

Water Authority Plans Meeting At Sanford Site

Directors of the Canadian River Municipal Water Authority will hold their December meeting at Sanford dam site at 11 a.m. Dec. 9, it was announced today by George W. Finger, CRMWA president.

Included on the agenda will be submission of an audit report, discussion of a recreation progress report by A. F. Madison, chairman, and discussion of a permanent office for the manager and employees.

Directors also will tour the dam project which now is more than 50 per cent completed. There also will be a general progress report by C. O. Crane, of the U. S. Bureau of Reclamation.

Pampa directors on the CRMWA are Clinton Evans and Fred Thompson, both of whom plan to attend the session.

North Dakota native, was in the Secret Service car traveling immediately behind the presidential limousine when Kennedy was shot Nov. 22.

He leaped from his car, which was traveling at a speed of about 25 to 30 miles per hour at the time, and ran ahead of the vehicle to crawl up on the trunk of the presidential limousine.

Photographs of the event show Mrs. Kennedy leaning over the back of her car, arms outstretched, attempting to help Hill into the moving automobile while at the same time attempting to hold up the head of her slain husband.

Hill managed to climb into the car. He then pushed Mrs. Kennedy to the floor and sprawled across the President to protect him in case of any further gunfire as the car sped to Dallas' Parkland Hospital.

Vehicles involved were driven by Anne Barnes and Susan Marie Dorley.

Clubs to Aid Indian Tribe

Pampa Kiwanis and Key Club are joining again this year to provide Christmas cheer for the Papago Indians of Arizona.

Randall Scott of the Key Club sent letters to Kiwanis members Nov. 30 listing items needed to make this year's Christmas better than ever for the Papagos. These items are to be picked up by the Key Club Saturday, from the donating Kiwanis members.

Last year's Christmas program for the Papagos brought praise to both clubs from Mrs. Naomi Sauter, missionary to the Indian reservation.

Former Resident Makes Bass Kill

Former Pampa resident J. P. Arrington, retired driller who now lives in Huntsville, wowed Walker County people when he brought in a 10 1/2-pound largemouth bass, according to a clipping from the Huntsville paper received here by Chester Shellhouse, former fishing partner of Arrington.

A Huntsville fishing authority called Arrington "the best fisherman in Walker County."

TRADING STAMPS TOO

SAN JOSE, Calif. (UPI) — A gunman robbed a service station of \$78.50 in cash Monday, and then asked the attendant for trading stamps.

Create A Place to Play

A utility room converts to a winter play area. Steel stacking units against the wall offer desk and book space; a wooden chest holds craft supplies. Magnets convert laundry equipment front to bulletin boards.

By KAY SHERWOOD

What every home with young children needs is a playroom. With colder, wetter weather ahead, indoor play will take the

I know from experience that most children's bedrooms are too small for prolonged active play. If a bedroom is shared with a baby or young brother, who naps, play space for the older child must be found somewhere else. In the houses I've lived in, we've made playrooms in a basement which was clean and warm, on a porch which was glassed in and heated and on a porch which was glassed in but unheated — just bundle them into jackets and sweaters.

A likely area in many moderately new homes is the laundry utility room, even if this is adjacent to the garage or doubles as a back entry. Modern laundry equipment is neat and takes up little space.

Not much equipment is needed for a playroom other than the favorite toys and a place for a few books and coloring or art supplies. If a play table isn't practical, and in the utility room I'm working on it wouldn't be, investigate the stacking units that line a wall. One that I've seen is made of steel heavily enameled in a walnut wood grain. Free-standing open shelves, a desk unit, and sliding door cupboards are all available at a moderate cost.

Children, particularly the young ones, who play on the floor most of the time, may need the protection and warmth a rug provides. I wouldn't as a rule put a rug in a utility room except that the wonderful washable ones serve a double purpose.

Some new ones in wide stripes range in size from 24-inch x 36-inch to 4-foot by 6-foot making it possible to use a small one at the doorway to catch the dirty boots and a larger matching one in the play area.

Paint wicker furniture with a fly sprayer. Make paint very thin. It's easier and covers more evenly than a brush.

50TH YEAR

Dear Abby
By Abigail Van Buren

DEAR ABBY: What do you think of a girl who buys her own engagement ring? Her boy friend told her he couldn't afford to buy her a ring because he is paying off his car, so she went out and bought herself one and paid for it. She says lots of girls do it. Her boy friend said if it makes her happy, he doesn't see anything wrong with it. Am I old-fashioned or isn't this fellow a poor excuse for a man?

BYSTANDER
DEAR BYSTANDER: Apparently the girl is calling the signals. She should have bought TWO rings — one for his nose.

DEAR ABBY: A friend I grew up with but haven't seen in years, called me long distance and said she was coming to this city to visit for a few days. I told her I'd be glad to see her, but I didn't have room enough in my apartment to have her stay with us. She said, "Oh, the floor will be good enough for me." I told her I wouldn't think of it, but she argued and argued and I couldn't talk her out of it. Now my husband is having a fit, and says he can't have a woman sleeping on the floor while he is sleeping on a bed. He says he'll go stay with friends and give HER his bed. Abby, I can't let him do that. I am so mad at myself for letting her win the argument. What should I do when she comes?

KICKING MYSELF
DEAR KICKING: Beg, borrow, or rent a mattress or sleeping bag and let her sleep on the floor. She's 90 per cent brass and won't feel a thing!

DEAR ABBY: I am 13 years old and I guess I should know when I am sick and when I am not sick. My mother calls me a "little hypochondriac." Whenever I complain about a headache or a pain in the leg or the arm she says it's only growing pains and if I didn't pay so much attention to myself I wouldn't notice them. I want to see a doctor but every time I mention it, my mother says, "Oh, it's nothing, you don't need a doctor." How can I convince my mother that I do?

NO HYPOCHONDRIAC
DEAR NO: If you really think you need to see a doctor, ask your teacher or school nurse to persuade your mother. Perhaps you have complained too much in the past about minor ailments to be taken seriously now. But don't ignore your pains.

What's on your mind? For a personal reply, send a self-addressed, stamped envelope to Abby, Box 3365, Beverly Hills, Calif.

White Deer Pioneer Club Has Luncheon
Members of White Deer Pioneer Club met in the Fellowship Hall of White Deer Methodist Church Thursday for a luncheon.

Mrs. J. C. Freeman conducted the business meeting in absence of the president, Mrs. R. A. Thompson who is confined to a hospital.

Eleven members of the club attended including Mmes. Byron Hodges, Bob McCoy, Mays Skaggs, W. F. Stubblefield, E. F. Tubb, May Coffee, E. H. Grimes, Fannie Skaggs and Julia Powers. Guests attending were Mmes. C. S. Boston, Tennie Reynolds, Russell MacConnell and Manual Barzile of Berger.

The next meeting will be held the third Thursday in February. Turn your rugs around periodically so they will wear evenly.

Pink and Blue Shower Held For Mrs. Sailors

LEFORS (Spl) — A pink and blue shower honoring Mrs. Zeb Sailors was held recently in the home of Mrs. Bob Fish.

Co-hostesses were Mmes. John Roberts, Walter Hughes and Franci M. Cox. Refreshments of cake, coffee and punch were served.

Those attending were Mmes. R. C. Ogden, Carl Wall, Bill Wall, C. E. Fenno, Frank Wall, Tom Gee, Harley Lewis, Harold Hugg, H. D. Cox, Jeff Davis,

J. C. Trusty, Danny Wilemon, Bob Klein, Earl Lane, Alton Flinchum, Ted Kinzie, O. O. Bishop, Gene Shelton, Boyd Griffith, Everett Brobst, Jim Pennington, Burl Davis, and A. E. Sechrist.

Also Misses Mary Taylor, Glenna Gee, Carolyn Todd, Naomi Collins, Debbie Sailors, Wyatt Fenno, Paula Wall, Beverly and Randy Klein.

Most striking of the new fall hats are those for evening wear. Sample: a high fez of ostrich feathers teased to appear velvety. The hat's accent: a floating tassel down the back. Others along the new evening hats look like radar sets plunked on craniums.

Christmas Concert Set For Tonight

The Annual Christmas Concert presented by Treble Clef Club will traditionally open the Pampa Christmas season tonight in St. Matthew's Episcopal Church at 7:45.

Following the concert a reception, which will be open to the public, is to be held in the Parish Hall.

Members of the Madrigal singers, well known Pampa organists and Mrs. Homer Krueger, flautist will be on the program of Christmas music.

Treble Clef each year presents this type of program a round music inspired by the coming of the Messiah.

Foreign News Commentary

By PHIL NEWSOM
UPI Foreign News Analyst
Notes from the foreign news cables:

Berlin Crisis:
If the Soviets are to test the new U. S. administration's determination over Berlin, the guessing in West Berlin is that it will not come before January. The German winter usually restricts large scale troop movements. However, some time in January a battalion of about 1,000 men stationed in Berlin is expected to exchange duties with another battalion now in West Germany. This will mean a week-long series of convoys in both directions over the Autobahn, with possibilities of a Russian challenge on control procedures.

Changes:
London gossip columnists are claiming that U. S. Ambassador to London David Bruce may retire and be replaced by McGeorge Bundy.

There is no official confirmation in either American or British quarters of this suggestion. The reports claim Bruce who has been ambassador to Britain since 1961 feels he wants to return to private life. Bundy is well known in London and, while officialdom keeps diplomatic silence, little doubt is left that he would be welcome.

Labour Problems:
A major earthquake may be building up for Italian labor unions. This could come about as result of a walk-out of the strong pro-Communist wing from Socialist party ranks as result of the party decision to join the center-left government of Premier-Designate Aldo Moro. Communists now hold about 70 per cent of all key positions in the CGIL, which in turn controls about half of Italian labor. A Socialist split would reduce the Socialist moderates of party leader Pietro Nenni to a small minority in CGIL ranks and might force them into quitting. It would pose dramatic problems of allegiance for many members.

New Look At Peking:
President Charles de Gaulle is reported to have decided to send a full-time French economic mission to Peking—possibly as an opening wedge toward full recognition of Red China later. French officials say he believes France could guarantee herself long-term economic prosperity by establishing outlets for French industrial exports in China. A main stumbling block, De Gaulle is not ready to sever relations with Chiang Kai-shek's Nationalist China on Formosa, regarded as an inevitability in event of French diplomatic recognition of the Reds.

Japanese Overhaul:
Japanese Premier Hayato Ikeda's 1960 program to double the Japanese people's real income in 10 years already has seen a 38 per cent jump in such income in less than three years. But it has shown weak spots in small farming, coal mining and in "infrastructure" such as roads, railroads, bridges and harbors. As result, the program probably will be over-hauled.

HIGH COST
WASHINGTON (UPI) — It cost the nation's radio and television networks an estimated \$32 million to broadcast the events surrounding the assassination of President Kennedy. Broadcasting Magazine said that during the four days of broadcasting more than 2,100 network employees in this country and abroad were involved at one time or another in working on the story.

Fact

The book copyists of medieval monasteries worked only during the daylight hours for fear of fire from artificial light sources. After the scribe had finished a page, his work was proof-read against the original by a second person and the sheets were sent on to another who inserted titles, headlines, initials and notes. Still another artist on this assembly line did any necessary illuminations (ornamenting).

4-H Club Awards to Be Made at Banquet

Dr. Harris M. Kimbrough Jr., D.D.S. will be the guest speaker for the Gray County 4-H Club annual Achievement Awards Banquet at 7 p.m. Friday in Pancell Hall west of Pampa.

The highest award to be given will be the gold star. This is given by the Extension Service and may be received only one time by the boy and girl honored each year.

Kathy Davis of the Grandview community and Bill Skaggs of Pampa will be given the honors Friday night. Mrs. Jaunita Channell, assistant county home demonstration agent, will present the girl's gold star award and Jerry Harland, assistant agricultural agent, will present the boy's gold star award.

Other awards pins have been made available to the Extension Service by various companies and firms. Harold Barrett will represent Ford Motors and present the achievement award to Cynthia Hogsett and Dana Hogsett. Dennis Taylor will give the automotive award to Stanford Friend for the Firestone Tire and Rubber Company. Jerry Harland will present the best awards to John Spearman and Bill Skaggs in behalf of the E.I. Du Pont de Nemours and Co.

The Coates and Clark Company clothing awards will be presented by Mrs. Bernard McClellan of Marshall's Fabrics in McLean. Phyllis Atwood, Jennifer Cunningham, Willa Pearl Friend and Jan Osborne will receive the clothing awards. Simplicity Pattern Co. is the donor for the dress revue awards. Mrs. Erval James of Fashion Fabrics, in Pampa, will present the dress revue awards to Connie Burger and Kathy Davis.

David Webster will be presented the field crops pins by Jerry Harland. Arcadian Products Department of Allied Corp. is the donor.

Mrs. Tom Florence of Lefors will represent General Foods Corp. and present the food-nutrition award to Lodema Cole. Montgomery Ward home economics award will be presented to Cathy Wilkie by C. E. Herkens, assistant manager for Montgomery Ward.

Jim Craig will receive the recreation award from Cobe Crossman, representative for John Deere. The swine awards will be given to James Reeves, Ted Reeves and Andy Cole. Jerry Harland will make the presentations for Moorman Manufacturing Co.

The banquet has been planned by committees of 4-H Club members from the five 4-H Clubs in Gray County.

Longhorns Win National College Football Crown

NEW YORK (UPI) — Two years of frustration during which the University of Texas missed the national football title by a total of seven points ended for the Longhorns today when they were crowned the 1963 major college football champions by the United Press International Board of Coaches.

For 13 seniors, the national championship was particularly gratifying, remembering how narrowly they missed the honor the last two seasons.

"We had a little pact between us (seniors) this year that we wouldn't settle for less than 10-0," senior tailback Tommy Ford, the Southwest Confer-

ence's leading rusher revealed. The Longhorn produced the perfect record, the only one in major football this season and Texas' first in 43 years, to attain the apex which slipped through their grasp in 1961, when their only blemish was a 6-0 defeat to Texas Christian, and again last season when Rice hurt them with a 14-14 tie.

Navy finished a distant second, but nonetheless reached the highest ranking held by a service academy in the 14-year history of the UPI ratings. They held the runner-up spot for the last month of the ratings and collected the other four first-place ballots.

The Middies play Army Saturday in their traditional rivalry for a possible bowl invitation but their opportunity to unseat Texas was spoiled by a 32-28 upset by Southern Methodist, a team coach Darrell Royal's eleven downed, 17-12.

No newcomers could crack the top 10 the final five weeks of the season but the third through 10th positions were reshuffled in the final tally.

Pittsburgh, a loser only to Navy, replaced Michigan State in third; Illinois, the Big Ten champ, climbed four places to finish fourth and Big Eight champion Nebraska advanced one position to fifth.

The O' Swami Predicts

By JEFF COHANE

INTO THE quarterfinal round of Texas schoolboy football and back to the ol' crystal ball. This time the crystal will really have to come through for the Swami, too many teams we know little about. So...with an undeniable prejudice for teams from the Panhandle and South Texas, away we go:

SAN ANGELO 14, TASCOSA 7. . . Mighty Bobcats bust the Rebel bubble.

GARLAND 21, FORT WORTH PASCHAL 7. . . Should be a romp for the Owls, according to reports.

PASADENA 22, SPRING BRANCH 19. . . This should be the old Eagles' toughest struggle. If my boys from the space center win this one, they should go all the way.

CORPUS CHRISTI MILLER 28, SAN ANTONIO LEE 14. . . Definitely home-town prejudice.

DUMAS 14, GRAHAM 6. . . Demons keep rolling.

CORSICANA 33, MCKINNEY 20. . . Going on the record.

LAMARQUE 36, CONROE 18. . . again prejudiced, but the Tigers have a far better record.

PHARR-SAN JUAN-ALAMO 18, GONZALES 12. . . A galp sticking with one of my old teams, this time despite the record.

DALHART 36, CRANE 25. . . Nothing will stop Colquitt, Inc.

PAUL PEWITT 14, ROCKWALL 12. . . Just a guess.

LIBERTY 30, TAYLOR 18. . . Liberty always has a good team.

SINTON 21, MISSOURI CITY DULLES 18. . . Hate to pick against my old backfield coach, but the Pirates are tabbed as pretty tough back home.

PETERSBURG 30, MERKEL 20. . . After what Stratford did to Wellington and Petersburg did to Stratford, gotta go with 'em.

ALBANY 28, VAN ALSTYNE 20. . . Strictly a tossup.

GEORGE WEST 21, WOODSBORO 18. . . A pick 'em on the record, but George West has always had tough teams.

Two Southwest Conference games and a traditional postponed until this weekend. The Ol' Swami sees:

NAVY 28, ARMY 7. . . Jolly Roger leads his crew as they scuttle the soldiers.

RICE 21, TCU 14. . . Loyal to the last.

BAYLOR 21, TCU 12. . . Strict-

ly on the opinion of City Editor Hal Gamble. Hal says "There ain't no way Baylor can lose it!"

Leo the Lip Dromgoole, the poison pen of Berger, has come up with a new low in below-the-belt sniping. A comment in his latest garbage-cannaliner says "Pampa blames the Harvesters' football loss to Berger last week on the officials. The officiating was not the best this I'll admit. (Editor's note: This is the first time Leo has ever admitted anything, kinda akin to Casey Stengel admitting he isn't perfect. . . of course, none of us in the press box that day will ever forget the sight of the Lip practically crawling through the window to get the twelfth man off the field). But I don't think an official would throw a ball player out of a game unless he deserved it."

Pampa quarterback Kenny Hebert, the state's most highly overrated football player, (editor's note: what about Neil Bearden?) was booted along with a Berger player on the second half opening kickoff. The official indicated fist swinging.

No further comments, Johnny Weismuller? For such an athlete type as yourself (the only man in the Panhandle who wears a complete skin diving suit in a six-foot swimming pool and who gets caught in two consecutive double plays in a game with schoolboys), you really speak with authority when you rate athletes. I sincerely hope that Kenny uses you for a basket at the first Pampa-Berger basketball game and drops a few buckets into your large and vituperous oral cavity (big fat mouth to you, Lippy!)

Auburn Climbs Up

Auburn, once-beaten, jumped from ninth to sixth; twice-tied Mississippi dropped from fourth to seventh and Oklahoma advanced from 10th to eighth. Alabama fell to ninth and Michigan State completed the top 10 in 10th place.

Texas, Oklahoma, Mississippi and Alabama were the only members of the 1962 top 10 to repeat.

Mississippi State, Syracuse and Arizona State led the second 10 in 11th, 12th and 13th, respectively. Memphis State, unbeaten but tied, claimed 14th and Big Six winner Washington was 15th. Sixteenth was a three-way deadlock among Southern California, the defending national champion, Penn State and Missouri. North Carolina finished 19th and Baylor filled No. 20.

Four SWC Stars On Look All-A

NEW YORK (UPI) — National champion Texas and its Southwest Conference rivals, Baylor, each placed two players on the 22-man Look magazine All-America team selected by members of the Football Writers Association.

The Texas representatives were halfback Tommy Ford and tackle Scott Appleton, who also was named winner of the Outland Trophy as the year's outstanding interior lineman.

Quarterback Don Trull and his favorite passing target, end-flanker Larry Elkins, were the Baylor nominees.

Trull was one of four quarterbacks named to Look's eight-man backfield. The others were Navy's Roger Staubach, Auburn's Jimmy Sidle and Georgia Tech's Billy Lothridge.

The complete squad: Ends-flankers — Vern Burke, Oregon State; Bob Lacey, North Carolina; Larry Elkins, Baylor; Jay Wilkinson, Duke.

Tacklers — Scott Appleton, Texas; Ernie Borghetti, Pittsburgh; Carl Eller, Minnesota; Ken Kortas, Louisville.

Guards — Bob Brown, Nebraska; Steve Delong, Tennessee; Rick Redman, Washington; Mike Reilly, Iowa.

Centers — Dick Butkus, Illinois; Kenny Dill, Mississippi.

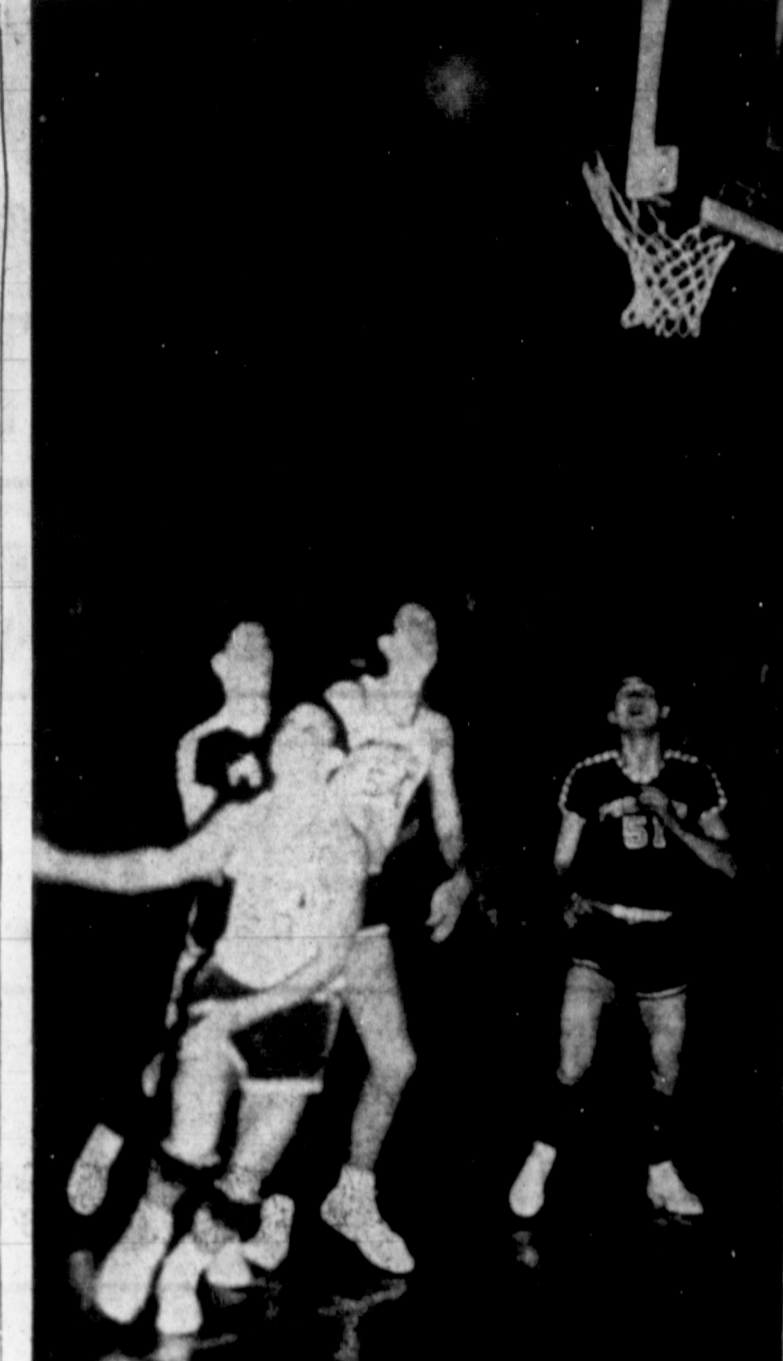

Backs — Tommy Ford, Texas; Sherman Lewis, Michigan State; Billy Lothridge, Georgia Tech; Jimmy Sidle, Auburn; Roger Staubach, Navy; Don Trull, Baylor; Jimmie Grisham, Oklahoma; Tom Vaughn, Iowa State.

Even so there was considerable wonderment as to why the Angels would give up a slugging outfielder like Wagner, who drove in 90 runs, his 26 homers and batted 291 even though he slumped practically half the year.

"We weren't the least bit anxious to give up Wagner," said Haney. "We need pitching. We also have some fine young hitters coming up, kids like Ed Kirkpatrick and Dick Simpson among others. That's why we felt we could spare Wagner."

The prevailing feeling in other quarters, however, was that the Angels wearied of Wagner when his average nose-dived 60 points from .350 in July and when he hit only two of his homers and drove in only 19 of his runs at home all last season.

There was also some conjecture Wagner's general attitude may have influenced the Angels to get rid of him. But that was emphatically denied by Haney and Manager Bill Rigney.

RICK HOOKS — Rick Stewart (20) swivels a hook shot up and in for the Pampa Harvesters, with David Cain (54) backing him up. Looking on are Blackhawks Hank Boykin (51) and Charles Robbins. (Daily News Photo)

Southwest Conference Opens Basketball Season

By United Press International

Southern Methodist and Baylor make their debuts into the new Southwest Conference basketball season tonight in the wake of a dismal Monday which saw league teams lose four out of five to outsiders.

SMU, one of the top challengers to defending champion Texas, hosts Vanderbilt at Dallas with hopes of doing better than Rice, which fell to the visiting Commodores 82-68 Monday night at Houston.

Baylor entertains Arlington State at Waco in the other game.

In other action Monday night, the champion Longhorns had no trouble in beating Howard Payne 89-58, but Texas Christian, Texas Tech and Arkansas were no match for Oklahoma City University, Kentucky and Missouri. TCU bowed to Oklahoma City 96-70, Kentucky smashed Texas Tech 107-91 and Missouri edged Arkansas 76-74.

Four Vanderbilt players scored 15 points or more in spoiling George Carlisle's debut as head coach at Rice. The Owls led briefly at the start of the second half, but the Commodores' balance tipped the scales. Larry Phillips got 23 points and Kendall Rhin 19 for the Owls.

Five Texas Longhorns — Joe Fischer, Larry Franks, John Paul Fultz, Mike Humphrey and Tommy Nelms — got 14 points each as Texas jumped in to an 11-1 lead and stretched it to 42-21 by halftime against Howard Payne.

Bud Koper's 37-point output was too much for TCU even though the OCU star fouled out with five minutes left. Gary Turner led the Frogs with 25 points.

It was the same story at Lexington, Ky., where Kentucky's sparkplug, Cotton Nash, rang up 33 points to pace the Wildcats past Tech. Soph Norman Reuther got 20 and Harold Denney 18 for Tech.

Arkansas blew a 41-30 half-time lead in bowing to Missouri when Ray Bob Carey got 23 of his 25 points in the last half. Jim Jay with 19 points led the Arkansas scoring.

LEE 7th WINS

Lee 7th grade squeaked to a 16-14 overtime win against Lefors Junior High yesterday as Jay Johnson dumped in the winning basket. Johnny Epperson led the Little Rebs with five points, Allen Stone did all the scoring for Lefors.

'Hard-Luck' Harvesters Lose In Home Opener

By JEFF COHANE

Pampa News Sports Editor

The Pampa Harvesters rallied from a 15-point third-quarter deficit to come within two points of the Phillips Blackhawks last night, only to see time run out as they scrambled to get off a tying shot, giving Phillips a 57-55 win.

The hard-luck Harvesters took their third straight loss, the three defeats by a total of eight points, while Phillips won their third in a row in Pampa's home-court debut. The Harvesters, led by Charlie Price, surged to a 10-point lead, but a cold second quarter, coupled with the deadly outside shooting of the Phillips halfpints, Larry Lewis and Danny Dawson, put Phillips back in the ball game to stay.

Price, playing the finest game of his career as he dominated the backboards and hit on rebounds, hooks and free throws, scored eight of the first 10 points as Pampa went into a 10-1 lead. The Harvesters missed several more scoring chances while

Lewis started connecting to slice the lead to 12-8.

The Pampa "go" unit of Bob Howard, Harny Harnsberger, Lanny Lewis, Kerry Roper and Danny Heil came in to replace the starting quintet, Price, Kenny Hebert, Rick Stewart, Charley Snuggs and David Cain, and Heil and Howard hit in a hurry to move Pampa back up. Dawson connected just before the buzzer and it was 18-12 Pampa, at the quarter.

The first unit came back and Price again opened with a pair of jump shots from the corner and it was 22-12. Lewis then went on an unstoppable scoring spree as he and his mates hit 50 per cent of their shots in the

frame while the Green 'n Gold was missing badly and Phillips cut it to 22-19 before Hebert's free throw broke the scoreless string.

Pressing Phillips then hit on six straight baskets to move into a 31-23 lead as Hank Boykin was blocking shots and fighting the boards, and the frantic Harvesters started throwing the ball around wildly with Phillips moving into a 36-25 halftime bulge.

Phillips upped to a 15-point lead as Pampa was missing their chances at the free throw line, but Roper came in to combine with Price and Hebert and dominate the boards, blocking shots and snaring passes. With Stewart and Snuggs hawking the ball, Pampa moved slowly back, and Stewart's layup sliced it to 47-37 going into the final frame.

Roper and Hebert cut the margin to six points as the fourth frame opened, but Stewart fouled out and the Harvesters missed several chances at the free throw line. Lewis and Dawson put on a surge again and boosted the lead to 55-44, apparently clinching the game.

Pampa went into a press, with Price and Roper literally jumping like kangaroos to snare passes and feed them to Hebert on fast breaks, and with less than a minute left, Snuggs hit to make it 57-53 Phillips. Again Pampa snatched the ball, and with 15 seconds left, Lewis swished one through.

The pressing Harvesters again knocked the ball loose, but the buzzer rang while they were scrambling for the Phillips win.

Hebert led the rebounding with 12 and Price was right behind him with 10 off the boards. Pampa hit 42 per cent from the floor on 20 of 48 field goals, to Phillips' 37 per cent on 23 of 62, but the Harvesters could connect on only 15 of 27 attempts at the free throw line.

In an equally thrilling 3rd game, the Pampa Shockers took their third straight win, a hair-raising 46-44 win in triple overtime when Doug Altom capped the winning points at the charity line. Jimmie Brown had 13 points, Mike Wise nine and David Frasher eight to head the Shocker scoring.

Pampa plays at Perryton tonight, with the B team game beginning at 6:30.

Sanford-Fritch Edges Lefors Pirates, 55-51

By KEITH GEISLER

News Sports Correspondent

LEFORS — Powerful Sanford-Fritch strolled out the clock in the final minutes to squeeze out a 55-51 victory over the Lefors Pirates.

The Pirates, vying with neighbor Pampa as the "hard-luck" team of the Top O' Texas, lost their second straight game, by a combined total of five points, despite the return of three injured standouts, Phil Woodring, Don McCool and Lightning Coleman.

The injured ex-gridders came back with a vengeance as the 6-2 Woodring completely outbounded 6-7½ Wade Crooks, holding the big boy to only eight points, while McCool hit 12 points in his opening game.

It was a battle of guards as All-State Curtis Whaley did not play for the Eagles, but 5-10 Dwayne Halley took up the

slack as he canned 24 points, 18 of them in the crucial second half, and led the rebounding as well. Halley was aided in the shooting by Jimmy Spencer with 18 points, while Terry Bromlow rattled the nets for 20 tallies for the Buccaneers.

Bromlow belted in the first five points of the game, but Halley and Spencer came slicing back and S-F took a 12-10 margin at the quarter, holding a one-point 20-19 edge at the half as Woodring got hot with six points for the Pirates, but the Eagles matched the total on free throws.

Halley went wild for 14 points in the third quarter, but Bromlow matched him almost all the way. With four minutes to go, Bromlow tied the score at 28-28, but missed a free throw that would have given Lefors the lead. Halley then bounced in three buckets in a row.

Bromlow kept the Pirates coming back, and tied it again at 38-38 with two minutes to go in the quarter. Again Halley and Spencer hit from outside and the Eagles held a 43-39 lead going into the last quarter.

The Pirates put on a full-court press, but S-F picked up points on free throws and with five minutes left, went into a stall for the win.

The equally tall Eaglettes soared to a 40-17 swarming of the Pirates. Big Diane Bonner hit nine points and completely dominated the offensive rebounds against the shorter Pirates. Charly Gustin had eight for the losers.

Lefors plays at Stinnett tonight.

Cincinnati Edges Closer to First

NEW YORK (UPI) — Cincinnati edged closer to the first-ranked Loyola Ramblers today and high-scoring Duke tied NYU for third place in the United Press International Board of Coaches major college basketball ratings.

A sparse weekend schedule saw only five of the top 10 teams in action but all won handsily.

Defending champion Loyola picked up five additional first-place ballots without sinking a basket, being ranked first by 27 coaches. Cincinnati lost two of its No. 1 ballots from the previous week but had five more second-place votes to cut Loyola's leading margin from 40 to 26 points. The Bearcats clobbered George Washington 101-65.

Jeff Mullins, stepping in to replace Duke's graduated All-America Art Heyman, registered 25 points in the Blue Devils' season-opening romp over Penn State, 92-62, moving Duke into a third-place tie with idle NYU.

The only other changes in the top 10 involved Michigan and Oregon State, each moving up one place eighth and ninth, respectively, forcing Texas (No. 8 last week) back to 10th.

Dave Stallworth accounted for 36 points as Wichita retained the No. 5 position with an 82-67 opening win over Wyoming; sixth Arizona State retained; Idaho and Ohio State All-America Gary Bradds sank 20 points in the Buckeyes' 68-42 warmup over the University of California's Davis Branch.

Kentucky advanced a notch to 11th; Providence moved from 14th to 12th and San Francisco moved up to tie UCLA for 13th.

Villanova climbed four places to 15th, Stanford and Kansas State shared 16th and Minnesota, Oklahoma State and Bradley completed the top 20 in 18-19-20 order.

Darrouzett Pick To Win Miami Cage Tournament

MIAMI (Sp) — Miami basketball coach Lawrence Overcast rates Darrouzett as the team to beat in the boys bracket of the three-day Miami Invitational Basketball Tournament, which opens Thursday, although admitting that the Warriorettes will be the favorite in the girls bracket.

Despite the Miami Warriors being the defending champions of the tourney, which includes Miami, Clarendon, Groom, Booker, Allison, Darrouzett, Ca-

runners-up to Higgins in district, and have already won four or five games," explained the tall Miami coach. "On the basis of experience, I'd have to pick Darrouzett, which won consolation here last year."

"Groom has to be considered a definite threat on this year's performance. They're undefeated so far, have fine height headed by 6-4 Jerry Roberts, and a fine floor man in Dan Craig.

"Allison is returning three or four starters from a fine team, including 6-2 all-district Lonnie Richardson, one of the outstanding players in the area. They were second here last year. I would have to consider these teams the top threats."

Despite Overcast's protestations, the Warriors return three starters from last year's tourney winners and regional champs,

the tourney, and second-place Miami assumes the favorite's role. The tall Warriorettes return all their starters from last year's district champ, and feature plenty of shooting ability in Connie Dodson and Cheryl Gill.

Clarendon will be a threat, warned Overcast, with good size and Barbara Ritchie, one of the best shooters in the Panhandle. Groom will be handicapped by a lack of height, with nobody over 5-5, and the Canadian Wildkittens, who lost both their post forward and guard to the hospital, will have the same problem. The Kittens will feature several all-district veterans however, including the high-scoring Dixie Petree.

Booker has good size, said Overcast. Not too much is known about this year's record, but they have most of their

are undefeated in two outings this year and must be considered a potent powerhouse in their own right.

Clarendon, Groom and Booker are newcomers to the tourney. Overcast reported little information available on Clarendon, but said that Booker has good size and speed, and several returning lettermen.

The Canadian Wildcats are 1-2 on the season, one of their losses being to Miami, 40-22, but feature good outside shooting in Keith Yarnold, Ken Willis and Tony Steink, and board battlers in Joe Schaefer and Bennie Eckles. If Canadian can recover their shooting eye, they could be a darkhorse, warns Overcast.

Powerhouse Higgins lost most of last year's champs, and are young. Off to a slow start, they may toughen with experience. They have good height in a pair of 6-3 boys and feature a run-and-shoot attack.

Sammorwood, last year's girl's champion, does not return to

starters back from last year's good outfit. Allison, although they have four starters back, haven't looked impressive in a 4-2 season to date, said the host skipper, although they return four starters from last year's consolation champs.

Higgins is young and has no size. Darrouzett will be an unknown quantity, although they have three or four returnees and good size.

Boys action kicks off Thursday afternoon as Higgins plays Groom at 12:45, then Darrouzett vs. Clarendon at 3:15, Miami vs. Booker at 7 and Allison vs. Canadian at 9:30. Girls play starts at 11:30 a.m. Thursday with Higgins vs. Groom, Darrouzett plays Clarendon at 2 p.m., Miami vs. Booker at 5:45 and Allison vs. Canadian at 8:15.

National League Grid Draft at Slow Pace

CHICAGO (UPI) — The National Football League struggled into the dawn today to attempt to wind up its annual draft of college talent and get on about the business of signing raw material against the bids of the rival American League.

The NFL plum-picking session progressed at the slowest pace in history as every team cautiously sounded out prospects before it made its official selection.

Thus the first round required 8 hours and 8 minutes compared to the previous record of 4 hours 55 minutes. The second round was completed in 4 hours and 8 minutes and the third, with a 15-minute time limit imposed for each choice, in 2 hours 25 minutes.

But the result was that after almost 15 hours, the 14 teams in the league had named only 42 college players of a total of 280 supposed to be chosen, and each team had obtained rights to only three players.

The pattern paid off for some clubs. Four signed their No. 1 selections before midnight, Minnesota tackle Carl Eller with Minnesota, Tennessee tackle Dick Evey with Chicago, Utah State quarterback Bill Munson with

Los Angeles, and Indiana halfback Marv Woodson with Baltimore.

Two No. 2 picks were wrapped up too, Southern California end Hal Bedsole by Minnesota and Kentucky tackle Herschel Turner by St. Louis.

The club owners, plagued with the problem of completing the draft so that they can continue trying to sign prospects under the threat from the AFL, settled down for an all night stand in an attempt to complete the 20 rounds scheduled.

San Francisco made Texas Tech end Dave Parks the No. 1 pick of the NFL meeting, followed by guard Bob Brown of Nebraska by the Philadelphia Eagles, halfback Charles Taylor of Arizona State by Washington and Texas tackle Scott Appleton by Dallas, picked after a two hours and 39 minute wait, longest ever in a draft meeting.

Other first round picks were Southern California quarterback Pete Beathard by Detroit, Louisville tackle Ken Kortas by St. Louis, Pittsburgh halfback Paul Martha by Pittsburgh, Ohio State halfback Paul Warfield by Cleveland, Oklahoma halfback Joe Don Looney by New York, and Nebraska tackle

ANOTHER PERSONAL SERVICE FOR TELEPHONE CUSTOMERS

she can help you update your personal list of out-of-town telephone numbers

She's your Long Distance operator. She can help you save time, speed up future calls to out-of-town friends, relatives, and business people. She has "connections" all over the country who will check the Area Codes and phone numbers for each name you'd like to have on your personal Long Distance phone list.

If your list is short, you can probably get this information when you call. If not, the operator will call you back as soon as possible with the correct numbers and Area Codes, which you may jot down for future calls.

Then you'll be ready to make your Long Distance calls with more speed, more convenience . . . every time. And there's no charge for this valuable service.

- HOW TO BUILD YOUR PERSONAL LIST OF LONG DISTANCE TELEPHONE NUMBERS**
1. Dial your Long Distance operator.
 2. Ask her for the "Information" operator in the city you'll be calling.
 3. Give the "Information" operator the names and addresses of people on your Long Distance list.
 4. She will, as quickly as possible, give you the telephone numbers and Area Codes.

P.S. A list of many Area Codes can be found in the front of your telephone book.

THE DEPENDABLES: SUCCESS CARS OF '64

We've got a sporty proposition for you

If you're after a little more action than you've been accustomed to getting in the low-price field, look what we've got for you. The '64 Dodge Polara 2-door hardtop, a quick moving automobile that doesn't look, ride, or feel like any low-priced car you've ever tried before. Luxury is standard equipment on this one. The interior, for instance, is all-vinyl. The front seat has extra deep foam padding and features a comfort-providing flip-down center armrest at no extra cost. The

floor is completely carpeted. And under the hood? A standard V8 (318 cu. in.) with more muscle than is common in other low-price cars. Price? Right with cars like Ford and Chevy. Here's our proposition—why buy just any low-priced car, when you can step up to Dodge and a lot more automobile. Are people taking us up on it? Dodge's sales increase is more than four times that of the industry. People know a good thing when they see it. See it at your Dodge Dealers.

Fear of Reprisal

Recently a periodical enjoying a wide readership in the ranks of the conservatives of the nation, indicated in an appeal for funds that the advertising support it had envisaged for its weekly simply hadn't materialized...

Quite a few newspapers and periodicals are in similar plight; the situation is not new. But the reason for a failure of advertisers to support with advertising dollars the publication which, as subscribers they do support, is a reason that comes up constantly.

Nearly everyone in this nation supports freedom and private property ideas as a matter of automatic choice. But, when a government handout is offered, the very businessmen who are making the most noise in favor of freedom and private management...

This general reason for non-support by advertisers was broken into five segments and we wish to repeat them here: FIRM A: "We sell millions of dollars worth to the government...

FIRM B: "Our number one customer is a big urban renewal contractor who buys our trademarked products for his urban renewal projects..."

FIRM C: "We have been tipped off that Bobby's anti-trust boys have their eyes on us. We're playing safe. You can't count on us for a thing."

FIRM D: "... hits too hard and directly. You name names. You place the blame right where it belongs. That policy — which I like — kills all chance

Rare Relief

Lots of folks still judge a legislative session by the number of bills passed; few bills; a "do nothing" legislature. Few consider the advantages of a legislative session where no bills are passed at all. But what a relief it would be.

Never Mind the Truth

Many newspapers of different economic persuasions and political philosophies, favor state right-to-work laws — laws which hold that an individual has the right to join or not to join a labor organization, as he so chooses, and that neither employer nor union can force him to take a course which is against his convictions...

This position — which simply says that each individual has the right to earn a living free of coercion — has produced violent umbrage in some quarters. For instance, in a letter to the Portland Oregonian one writer said: "It is your desire and intent to reduce labor to a cowed, whimpering, fearful mass at the utter mercy of management with no voice or power to express itself at any level of our society..."

which, statistically, amounts to a very small part of the American population and has comparatively little to say about who is elected to office, and what kind of laws are passed. This little group, it seems, thinks nothing so desirable as a slave labor force manning sweat shops on an 80-hour a week basis.

Never mind that economic progress has been as great, and in many instances greater, in the right-to-work states as in the others. Never mind that the power of the unions rivals if it does not exceed that of management. Never mind that right-to-work makes for better, more honest more effective unions — because they must get their membership on the basis of service, not legalized dictatorship. Just talk arrant nonsense, and let it go at that.

A footnote. There is one of this Machiavellian right-to-work agitation under communism. Everyone belongs to a labor union or its equivalent — and does what he is told if he has no liking for Siberian winters.

The Doctor Says

Drugs Check Hypertension Which Justifies Their Use

By DR. WAYNE BRANDSTADT Q — My doctor has prescribed Sandril and Donnatal tablets for my high blood pressure. I have been taking them for some time. Are they habit forming and would they cause a fast pulse or fainting spells?

A — If you have a chronically high blood pressure, as I assume you have, the drugs you are taking should help you. Although reserpine (Sandril) has some tranquilizing action, it is very valuable in controlling hypertension. Donnatal is a combination of antispasmodics that is also highly recommended for high blood pressure. It also contains a very small amount of phenobarbital which is habit-forming, but the small dose contained is justifiable on the grounds that chronically high blood pressure must be controlled. These drugs should not cause a rapid pulse. They would be more likely to slow the pulse. Neither would they cause fainting in the recommended doses.

Q — I am a 30-year-old housewife. My doctor says I have dermatographism and that I was born with it but I never had it before. What causes it and what should I do for it?

A — You have a rather unusual type of hives which is an allergy that chiefly involves the skin. What your doctor probably meant was that you inherited a tendency to allergy. Since allergy may also be acquired, yours may or may not be inherited. Persons with dermatographism have such sensitive skin that, if letters are spelled out on the skin with a toothpick or tine of a fork, a large white wheal will form where the pressure was applied. In other words, you can read what was written on your skin for 30 minutes or more.

The cause varies with different persons and includes allergy to drugs, infections, food, light, heat, cold and, to some extent, emotional stimuli. The treatment, as with any form of allergy, is elimination of the drugs and the application of a protective lotion such as calamine lotion.

Q — My breasts have never completely dried up since the birth of my last child nine years ago. I now have a sticky yellow discharge from both breasts. Is it cancer and is there any way to clear this up?

A — First let me set your mind at rest by saying that you couldn't have had it for nine years if it were cancer. Furthermore the discharge from a cancer is usually tinged with blood and it would be most unusual for it to occur in both breasts. Discharges such as yours are not uncommon in women who have had children, especially if they are nearing the menopause.

Your doctor should look into your thyroid and pituitary function as sometimes disorders of these glands are at fault. In some persons with this complaint a potent compound of an estrogen and progesterone either brings about a cure or causes a great improvement.

Please send your questions and comments to Dr. Wayne G. Brandstadt, M.D., in care of this paper. While Dr. Brandstadt cannot answer individual letters, he will answer letters of general interest in future columns.

Allen-Scott Report New Security System for Protecting Dignitaries Enacted for Funeral Processions of Late President

WASHINGTON — State Department security officers were on the alert for the use of new weapons, such as radioactive material, poison gas and bacteria, by potential assassins during the funeral procession and burial of the late President John F. Kennedy.

This warning was contained in secret instructions given security officers protecting foreign dignitaries visiting this country, and applies to the safety of President Johnson and other high-level U.S. officials traveling overseas or attending international conferences.

Under the tight direction of Keith O. Lynch, head of the State Department's Division of Protective Security, more than 700 special security police were brought to Washington from other cities and foreign countries to form the protective wall.

Pachyderm Trucking on To Amarillo

AMARILLO (UPI) — A 500-pound Thailand elephant was on its way by truck to Amarillo today, paid for by the nickels, dimes and quarters of Texas Panhandle school children.

Amarillo television station KFDD campaigned a year ago to get an elephant for the city zoo and the city said it would house the elephant only if it cost nothing.
Business firms and individuals combined forces and talents and built a \$15,000 elephant-house at the zoo. All was ready.
The first elephant acquired was stolen before it could be loaded on a plane in Thailand. The second elephant became ill when the flight bringing it to the U.S. stopped for fuel in Germany.
The third elephant, 10-months old, whizzed into Dallas Love Field today on a Pan American Airlines jet and was put on a truck bound for the Panhandle.

Groom Girl New Hall President
GROOM (Spl) — Brenda Brown, daughter of Mr. and Mrs. J. C. Brown of Groom, has been elected president of Fleming Hall, women's residence at Wayland Baptist College in Plainview.
Brenda, a sophomore majoring in history and minoring in political science and psychology, is a 1962 graduate of Groom High School.
She is a member of the International Relations Club, which she serves as publicity chairman, and is also an AGATE leader.

Pampa Student Heads Fraternity
ABILENE (Spl) — Jeryl Richard (Rickey) Schmidt of Pampa is president of the 19-member Nu Zeta chapter of Alpha Phi Omega at Abilene Christian College this year.
Alpha Phi Omega is an international service fraternity.
Schmidt, a senior, is majoring in accounting at ACC. The 1960 graduate of Pampa High School is the son of Mr. and Mrs. John Jerome Schmidt, 801 N. Frost.

Joint Meeting Held By Baptist Groups
CANADIAN (Spl) — The Emma Baker and Ann Lassiter Circles of First Baptist Church at Canadian held a joint meeting last week at the church.
The lesson was taught by Mrs. J. T. Selfridge and the prayer was given by Mrs. Ben Jordan.
Mrs. Jordan served coffee to these attending: Mrs. Ed Little, Mrs. C. D. Massey, Mrs. E. W. Crowder, Mrs. Charlie Robins, Mrs. R. M. Hobby, Mrs. Grace Guthrie, Mrs. E. W. Crowder, Mrs. Randy Summer, Mrs. Morris Bennett and Mrs. H. H. Marks.

OPEN AIRLINE TALKS
ALGIERS (UPI) — Negotiations opened here today on the establishment of a commercial airline agreement between Algeria and the Soviet Union.

Supreme Court Forces Re-Trial in '61 Case

WASHINGTON (UPI)—The U.S. Supreme Court refused Monday to review a lower court's order that Houston prostitute Carolyn Lima and homosexual Leslie Douglas Ashley be freed from the death sentences they got for murder.
The court's decision forces the state to bring the two to trial again for the 1961 slaying of Houston real estate man Fred Tones.

In Houston, Dist. Atty. Frank Briscoe, who had appealed the sentence reversal to the U.S. Supreme Court, said, "this is as far as we can go on this one. A new trial is now in order, but it cannot be until after the first of the year."
Miss Lima and Ashley will be moved from their cells on death row at the Texas State Prison at Huntsville to cells in the Harris County Jail in Houston to await trial.

Quotes From The News
By United Press International
NEW YORK — John Carro, former city probation officer, discussing his one-time truancy case, Lee Harvey Oswald:
"If facilities were available—and presuming Oswald was the assassin of President John F. Kennedy)—the horror of a president murdered might have been averted. Almost everyone tried to help this boy, but the proper kind of help was not forthcoming."
FORT WORTH — Mrs. Marguerite Oswald, mother of accused presidential assassin Lee Harvey Oswald, maintaining he had no opportunity to defend himself:
"When the facts are known, my son will not have died in vain."
