LBJ's Budget \$20 Billion Under Request of Agencies

Goldwater Tosses Hat into Presidential Race

BULLETIN
PHOENIX, Ariz. (UPI) — Sen. Barry Goldwater, under pressure from thousands of supporters of his conservative views, today announced he will seek the GOP nomination for the presidency in 1964.

PHOENIX, Ariz. (UPI) — Sen. Barry Goldwater, popular figure of the conservative element, is scheduled to announce his political plans for 1964 today and there are strong indications he will become a Republican candidate for president.

Goldwater, silent to date about any presidential aspirations, called a meeting of Arizona-Republican leaders here at

hope—a man against "me-too-ism" with the Democratic party and a rugged individualist with a strong flavor and authentic background of the Old West.

Former Sen. William F. Knowland, onetime Senate majority leader from California, was among the first to tab Goldwater as a presidential candidate and has been working all year in his behalf.

A volunteer group of Goldwater enthusiasts established a headquarters in Washington last April and drew financial support which ran over the \$100,000 mark.

Goldwater, who just turned 55 on New Year's Day, is a political newcomer relatively speaking and rose to national prominence after he upset veteran Democrat Ernest McFarland in an election for the U.S. Senate in 1952 by a mere 7,000 votes.

Rusk told a news conference Thursday that there could be no change in the United States' Cuba policy so long as the Soviet military presence remained and Castro continued to meddle in the affairs of his neighbors.

The secretary said he had found no evidence that Castro was willing to disavow the Russian penetration of the island nation or to promise to stop trying to subvert other Latin American governments.

Cuba was among the danger points listed by Rusk. Others included Cyprus, where the Greek and Turkish communities are again at militant odds; Yemen, where the United Arab Republic and Saudi Arabia support different sides in the overthrow of the royal government; Algeria and Morocco; India and Pakistan; Indonesia and Malaysia; and Somalia and its neighbors, Ethiopia and Kenya.

Rusk said the United States would use its "maximum influence" on the side of moderation in the Cyprus struggle. He said he had no knowledge that the U.S. 6th Fleet in the Mediterranean was engaged in any activity in connection with the dispute.

Goldwater was re-elected to the Senate in 1958 and meanwhile became known throughout the nation as a spokesman for an apparent resurgence of conservatism. His only previous political office was as a member of the Phoenix City Council.

Deplores Cuba Handling
In consistently conservative expressions, he has deplored the U.S. handling of the Castro-Cuba trouble; disapproved government "spendthrift" tactics; looked with some doubt on the United Nations; and has advocated breaking of diplomatic relations with Russia and other Communist countries.

But Goldwater has not, in his public utterances, espoused extremist views of the far right.

Goldwater, a native of Arizona, has a blunt outspoken approach to problems. He seems to like to make a decision and carry it out quickly.

If it comes from a hardware store we have it. Lewis Howe. (Adv.)

Ruby Fattens Up On Jailhouse Fare, Little Exercise

DALLAS (UPI) — Cell life and jail food have been fattening for Jack Ruby.

Ruby "out on a little weight," Sheriff Bill Decker said yesterday.

The 32-year-old strip tease club operator, jailed under maximum security since the Nov. 24 shooting of accused assassin Lee Harvey Oswald, used to exercise regularly and practice physical culture.

Since he was jailed, Ruby has eaten most of the food served him and gets very little exercise.

Spending Still Will Hit All-Time Record

By MERRIMAN SMITH

JOHNSON CITY, Tex. (UPI) — White House officials reported with obvious satisfaction today that President Johnson's budget for fiscal 1965 will total about \$100 billion — an all-time high but about \$20 billion under what departments and agencies had requested.

Since Johnson took office last Nov. 22, he has been preoccupied almost daily with convincing department and agency heads that they must wring every non-essential dollar out of their spending plans for fiscal 1965.

The new budget will be about \$1.2 billion higher than the Kennedy administration budget of \$98.8 for the current fiscal year. The Kennedy 1964 budget set a record. The previous high was \$98.3 for fiscal 1945, the peak of World War II spending.

Units of the government, particularly the armed services, traditionally ask the White House and Bureau of the Budget for more than they expect to receive either in the President's final budget or from Congress.

\$120 Billion Sought
Last fall when the first round of requests came into the Budget Bureau, departments asked for about \$120 billion. Even before the assassination of President Kennedy, the White House and the Budget Bureau were involved in cutting.

When Johnson took office, he quickly ordered department and agency heads to review their fiscal needs again. About \$9 billion was cut out of requests from the armed services. Johnson almost overnight got the cabinet departments to trim another \$731 million.

Then Defense Secretary Robert S. McNamara reported, he had been able to pull his total budget down about \$1 billion under the current fiscal year. Defense now asks about \$51 billion.

To an extent yet to be determined publicly, the Johnson 1965 budget will represent a cut under the spending total for this fiscal year which ends next June 30.

Built-In Costs
If Johnson had held next year's spending to the current \$98.8 billion, the so-called built-in costs — interest and carrying charges on the public debt, escalating pay scales and benefits to veterans — amount to between \$2.5 and \$3 billion. Following this arithmetic, Johnson would have ended up with a 1965 budget of about \$103 billion.

And from his insistence on cutting already reduced estimates for the new fiscal year, he will be able to submit to Congress later this month a spending budget of about \$100 billion, give or take relatively small amounts which may be added or subtracted between now and next Wednesday when

IT'S THAT TIME AGAIN, ALMOST — Donna McFall, a secretary at the Arkansas state Capitol in Little Rock, tries out the 1964 Arkansas license plates for size. The plates have red numerals on a white background, the Arkansas Razorbacks football colors. Plates went on sale in Arkansas Thursday. (NEA Telephoto)

SOS Signals Bring Hope of Survivors

HONOLULU (UPI) — Three strong SOS signals spurred hopes today that there might be survivors from the C124 which went down in the Pacific west of the Hawaiian Islands with nine men aboard.

Air Force officials reported a confusing pattern of possible SOS signals Thursday afternoon, but three signals were clearly heard Thursday night by the pilot of a military airplane flying the same 2100-mile Wake Island-to-Hawaii route as taken by the ill-fated cargo plane.

The unidentified pilot was about 1,000 miles west of Hickman Air Force Base here when he reported the signals over the frequency of the so-called "Gibson Girl" radios, which are standard equipment in survival packages on all Air Force 20-man life rafts.

More than a dozen planes spent the night looking for a sign of either the plane or its crew despite light rains and low clouds. The weather was expected to clear up during the day and the Air Force planned to put a search force of 26 planes in the air to search an area 300 miles in diameter roughly 850 miles west of Oahu and 500 miles north of Johnston Island.

Navy ships and the Coast Guard also helped out in the search.

The missing four-engine plane normally carried eight men of the 28th Air Transport Squadron at Hill Air Force Base, Ogden, Utah. It made a refueling stop at Wake Island Wednesday and then took off with its crew, 11 tons of cargo taken on at

Tachikawa Air Force Base near Japan, and a passenger identified as Machinist Mate 1st Class Francis E. Elbert of Chula Vista, Calif.

It was due at Hickam Field Thursday at 5:39 a.m. (EST) and made its last radio contact at 1:39 a.m. (EST). At 10 a.m. (EST), it was presumed out of fuel and down in the Pacific.

Those aboard the missing plane were identified as follows:

1. Capt. Thomas A. Cunningham, 34, aircraft commander, lives with wife and two children at Sunset, Utah.
2. 1st Lt. John H. Eyles, 25, pilot, lives at Sunset, Utah, with wife and two children.
3. 1st Lt. David Holt, 24, pilot, lives with wife and one child at Hill Air Force Base.
4. 1st Lt. Gordon C. Crandall, 27, navigator, wife lives at Bountiful, Utah.
5. Capt. John T. Kastigar Jr., 31, navigator, lives at Hill AFB with wife and three children.
6. M.Sgt. Michael O'Malley, 38, lives with wife and 14 children at Clearfield, Utah.
7. T.Sgt. Marvin E. Luce, 27, flight engineer, lives with wife and two children at Hill AFB.
8. T.Sgt. Francis X. Hiltz, 38, flight engineer, lives with wife (See SURVIVORS, Page 3)

SENATOR GOLDWATER
a.m. MST (1 p.m. EST), said he would disclose his decision regarding 1964.

He chose as the setting for announcement his \$100,000 home in the exclusive Camelback area on a hilltop overlooking the city of Phoenix.

Even before the Arizona Republican announced his decision, most conservatives looked on him as their main presidential

Rusk Claims Fidel Wrong On JFK Plans

WASHINGTON (UPI) — Secretary of State Dean Rusk says that Cuban Premier Fidel Castro was "emphatically wrong" when he declared that the late President Kennedy had been contemplating a change in U.S. policy toward Cuba.

Rusk told a news conference Thursday that there could be no change in the United States' Cuba policy so long as the Soviet military presence remained and Castro continued to meddle in the affairs of his neighbors.

The secretary said he had found no evidence that Castro was willing to disavow the Russian penetration of the island nation or to promise to stop trying to subvert other Latin American governments.

Cuba was among the danger points listed by Rusk. Others included Cyprus, where the Greek and Turkish communities are again at militant odds; Yemen, where the United Arab Republic and Saudi Arabia support different sides in the overthrow of the royal government; Algeria and Morocco; India and Pakistan; Indonesia and Malaysia; and Somalia and its neighbors, Ethiopia and Kenya.

Rusk said the United States would use its "maximum influence" on the side of moderation in the Cyprus struggle. He said he had no knowledge that the U.S. 6th Fleet in the Mediterranean was engaged in any activity in connection with the dispute.

Three Inquiries Set On Athlete's Shooting

CHICAGO (UPI) — Three inquiries into the New Year's Eve shooting of football star Tony Parrilli appeared certain today to center on why Police Chief Robert Winthers pulled his gun from his holster.

Parrilli, 24, was shot fatally in a suburban Willowbrook bowling alley partially owned by Chicago Bears end Mike Ditka in a tragic windup to a gay \$25 per couple holiday celebration.

The gun was discharged, police said, when Winthers struck Bears fullback Joe Marconi on the head with the weapon. The bullet hit Parrilli near the left eye and he died almost immediately.

A key participant in the

men's room scuffle, Raymond Messmaker, turned himself in to Du Page County state's attorney William J. Bauer Thursday and was released without charge after interrogation.

He told Bauer and sheriff's police that Parrilli had begun hitting him without warning while they were in the men's room, but admitted that he "had too much to drink." Bauer said his story was relatively "vague."

Messmaker said he was "sick" when Parrilli complained about the condition of the men's room, "slammed me up against the wall and started belting me. I turned my back trying to avoid the blows and didn't throw a punch at all."

"Then I heard somebody come into the washroom and I heard a noise which I now know was a shot, but it didn't sound like a shot. I saw Parrilli on the floor with somebody bending over him, and I got scared and left. I walked into the hall and found my wife and we left."

Marconi said that he was "only in there about 30 seconds" before he was hit on the head and knocked unconscious. Winthers charged that Marconi came into the room with "his arms flailing," but Marconi said he didn't have time to attack anybody.

Report Given In Wheat Sale To Russians

WASHINGTON (UPI) — The Agriculture Department said today it has sold \$32 million worth of government wheat to a private trader.

The announcement did not say so but it was understood the wheat was bound for the Soviet bloc.

A department spokesman said the wheat, classified as No. 2 hard amber durum, was sold for \$2.50 per bushel (FOB East Coast). The sale involved \$12.9 million bushels.

The department would not identify at this time the private trader involved.

Sources in Kansas City, Mo., said Thursday night, however, that the Continental Grain Corp. had made a wheat sale to the Soviet Union for about \$30 million.

An export subsidy bid of 72 cents per bushel for half the wheat to be shipped during January and February and 73 cents for half to be shipped in March and April was submitted, the Agriculture Department said.

Pope Prepares for 'Journey Of Search, Hope' to Holy Land

VATICAN CITY (UPI) — Pope Paul VI today devoted himself to prayer and preparations for a "journey of search and hope" to the Holy Land Saturday.

The 66-year-old pontiff, who began his reign little more than a month ago, will be making his first day pilgrimage to the sites Christ lived in, what is now Jordan and Israel. He will be the first Pope to visit the Holy Land and the first to fly. He will be the first to leave Italy since 1812.

But since the Pope announced plans for the visit last month, world attention has focused on another first—the first meeting between a Pope and an Eastern Orthodox patriarch in 526 years.

Alm is Unity
Pope Paul will confer twice with Patriarch Athenagoras I of Constantinople. Their aim is Christian unity, but no one looks for a quick or easy end to the differences that have divided the 500 million Roman Catholics and 157 million Orthodox for centuries.

Pope Paul's predecessor Pope John XXIII, began this drive for Christian unity with the Ecumenical Council. In carrying it a step further, Pope Paul has had to seek neutral ground for his meeting with the Orthodox leader, who declined an invitation to send delegates or attend the council.

In so doing, the pontiff has abruptly changed the tradition of the Pope as "prisoner of the Vatican." Until 45 years ago, no Pope even ventured out on an auto trip into Rome. The exception was Pius XII, forced to go to France by Napoleon in 1804.

Many Security Risks
The change brings with it unprecedented security risks. Jordan and Israel are technically still at war and there is a long history of religious strife in the Holy Land among the Moslems, Jews and Christian sects.

Jet fighters of the nation he is flying over will provide an escort for the Pope's Alitalia jet, and papal gendarmes, a bullet-proof car, and reinforced Jordanian and Israeli police will protect the Pope on the ground.

Rome has planned a great sendoff and an even warmer welcome for the pontiff on his return Monday.

Pope Paul VI
RELIGIOUS "SUMMIT" — "Unprecedented" is the word for the planned Holy Land meeting of Pope Paul VI and Greek Orthodox Patriarch Athenagoras I. The meeting of the Roman Catholic pontiff, leader of Catholicism's half-billion communicants, and the leader of the 140 million Greek Orthodox faithful would take place in Jerusalem.

Patriarch Athenagoras I

Report Given In Wheat Sale To Russians

WASHINGTON (UPI) — The Agriculture Department said today it has sold \$32 million worth of government wheat to a private trader.

The announcement did not say so but it was understood the wheat was bound for the Soviet bloc.

The department would not identify at this time the private trader involved.

Sources in Kansas City, Mo., said Thursday night, however, that the Continental Grain Corp. had made a wheat sale to the Soviet Union for about \$30 million.

An export subsidy bid of 72 cents per bushel for half the wheat to be shipped during January and February and 73 cents for half to be shipped in March and April was submitted, the Agriculture Department said.

CANINE 'PATROLMAN' MAKES ROUTINE CHECK

Police Dog 'Sniffs' Out Reporter

By GLENN McCASLAND

I was checked out by a police dog last night.

And it was an experience I won't forget soon.

Seeking out a story on the performance of Pampa police dog, Tyl, with his officer-master C. L. Wallace, I asked to interview Wallace briefly last night.

Following the talk, it was coffee-time, so Wallace invited me to ride along and watch Tyl's reactions to a stranger.

Heading for the police car, Wallace told me to wait until he had given the dog a warning, or rather, an introduction.

Suddenly I heard something in my ear going "sniff, sniff." I looked and found Tyl was checking me out.

The dog sniffed around, then put his nose on the front seat like he wanted to be patted on the head. I didn't wish to be unfriendly, but having been warned about quick movements with police dogs, I just sat. No patting.

WALLACE GOT in, Tyl retired to the back seat, and we drove away. The arrival at the coffee shop brought further instructions to Tyl about watching the car and warning should any trouble arise. Then Wallace checked out and we drank a cup.

Tyl remembered me when I walked out the door with Wallace. He wagged his tail a little at me, but more so at Wallace, jumping around with the usual friskiness of a pet dog.

After Wallace started the car, Tyl smelled around on my jacket and wagged his tail, sitting back down.

THE RIDE TO home was quick with Wallace telling me about Tyl as we drove. The dog and officer can check a three-story building in the space of 12 minutes.

In the five months since Tyl's arrival the registered German police dog has tracked down several prowlers, checked out a number of buildings and generally been another officer on a tour of duty.

"I feel he's every bit as valuable as another man," Wallace said. "He gets along well with the other officers, knowing the night crew well now, and the family loves him as one of our own."

What happens if Wallace quits or something serious happened to him? Would the dog have to be destroyed?

"NO, TYL can be 'detrained' or re-trained with another officer, but he would lose some of his attack ability. There have been cases where a dog can't adjust to a new master and because of his high-degree of training, it was better to do away with the animal. Tyl isn't that sensitive."

Wallace said the only thing Tyl had not been used for was crowd control at an accident or major fire. He expressed the feeling that the dog would do well in that line of work.

By that time, we had reached my home. Wallace stopped the squad car and we shook hands.

"Say goodby to the reporter, Tyl," Wallace said to the animal.

Tyl rose and sniffed at my hand on the car seat.

Then he wagged his tail and licked the hand in a show of friendship.

I left Wallace and Tyl with the knowledge that the dog would remember me if I ever again rode with his master and would quickly dispose of anyone making an effort to bring harm to the policeman. I walked away from the car — but slowly.

Dear Abby... Abby Reverses Opinion On Clergy Subject

By ABIGAIL VAN BUREN

DEAR ABBY: I read a letter in your column from a married couple who had been counseled during some marital difficulties by their clergyman. They said there was no mention of a fee, so they didn't know whether to wait for a bill or to send him a check to show their appreciation for his help. You replied, "Since no fee was mentioned there probably was none. Send a check to the church for their building fund or missionary work. Churches can always use money."

Well, what about clergymen? They can use money, too, and most of them need it desperately. It was like telling people if they want to show their appreciation for the fine service they had at a hotel to send a "tip" to Conrad Hilton. Please reverse yourself.

A CLERGYMAN'S WIFE:
DEAR WIFE: Now that you put it that way, I think you're right. I am hereby reversing myself.

DEAR ABBY: I am a girl who is almost 14, and I like a boy who is 15. He acts like he likes me when there is nobody around, but as soon as he gets with his friends, or when anyone else is there, he acts like he doesn't care anything about me. But when I look at him it is as though his eyes are saying, "I love you." What does this mean?

THRILLED
DEAR THRILLED: It doesn't mean a thing, honey. In this case, the "eyes" don't have it. What does his MOUTH say?

DEAR ABBY: When I was 17 I married a man 37. We had a son, and stayed married for six years. After we were divorced I met a man my age and we were married. My ex-husband and I remained friendly because of our son. My ex-husband got sick and asked if he could come to live with us until he got better. My husband said yes. I took care of him. Well, it has been eight years and he's still here. He is now 77 and drinks seven nights a week. He gets a pension and also some income from property. My husband drinks with him and won't work any more. Now I have two drinking men in the house, nobody works, and we all live off my ex-husband. Can this problem be

WEST VIRGINIAN
DEAR WEST VIRGINIAN: Yes. And it's your move. Move your ex-husband out, and give your husband a chance to be a man. And if they're both too blind to find ALCOHOLICS ANONYMOUS in the telephone book, it's the first listing under "AA."

DEAR ABBY: Your advice to "Borrowed Time," the gallant lady who was dying of cancer and wanted to know if she should marry the man who was begging her to, could have included an additional suggestion. That she and her friend should write their congressmen and senators that they would rather have a cure for cancer than a man on the moon. If you print this, sign me,

S. G., M. D.

Flamed Omelette Impressive Dish

NEW YORK (UPI) — Omelette flamed with orange liqueur makes a delicious, impressive brunch dish. Separate 2 eggs; beat yolks lightly with 2 teaspoons of water. Beat whites until they stand in stiff peaks. Fold whites into yolks. Fold in 1 teaspoon of sugar. Heat 2 tablespoons of butter in an omelette pan. Pour in eggs and cook until set and slightly brown. Turn and cook other side. Place in preheated dish. Sprinkle lightly with powdered sugar. Warm slightly 2 ounces of orange liqueur and 1 ounce of cognac. Ignite. Baste omelette with flaming liqueur. Serves 2.

The construction of a kitchen knife indicates quality. The better knives will have the blade extended half or the full length of the handle and will be fastened with two or three good sized rivets.

Here is A New Table-Topper

By KAY SHERWOOD
Newspaper Enterprise Assn.
Holiday parties reacquaint a homemaker with her table linen supplies. In this paper napkin era of informal everyday dining, the fabric cloths, mats and napkins are apt to lie unused.

In our house, the "good" damask tablecloth and napkins are pulled out for company dinners and the not-so-good linens are ignored. The urge to dress up during festive times carries over to table settings, too. This might be the time to doll up the drab linens.

One expedient to rejuvenating grayed white or harsh ecru for a gay life is to take a look at modern table linens. Color is king. I have been told, by stores

that color—bold, bright, gaudy, subdued or shaded—sells best, that napkins are better liked if they don't match the cloth color but contrast it.

Nor is it unusual to have napkins in two or four different colors appear on the same table.

Home dyeing of a cloth and napkins to a brighter color is no longer a tedious job. A package of dye dissolved in hot tap water in the kitchen sink will color an average tablecloth or several napkins. It takes about 20 minutes in the dye bath and occasional stir to color the cloth evenly.

From the Tintex Color Council comes a few ideas for trimming newly dyed cloths. After a cloth is dyed—a scarlet red, for example, or autumn

gold—trim it with press-on tape such as you find at notion counters. Broad stripes of green radiating across a red cloth, for example set the holiday theme. Ends of the tape might be further decorated with sprigs of holly or plastic snowflakes, for buffet or help-yourself service.

An old (and not too precious) lace cloth can be dyed a pale tone to team with a linen cloth dyed a darker shade.

Especially appealing for a party for teen-age youngsters is a "sign-in" cloth. Dye an old cloth a light, bright color (yellow, hyacinth, tomato) and have on hand several marking pens in brilliant colors. Encourage the guests to "sign-in."

Because these dazzling inks are penetrating, too, protect the

Spring millinery has a light-headed look. Fabrics include chiffons and organzas. Watch for a new type of turban combining lavishly embroidered African skull caps with chiffon, handkerchief linen, or organza.

International jewelers, reports "Harper's Bazaar," are searching for gold mesh handbags, status symbol of the kid-gloved "elegantes" of the twenties. They've come back. Also revived: the fabric bag on which you pin one conversation gem.

Commission Approves Trip to A&M for Statewide Meeting

Gray County commissioners Saturday handled a number of routine business items and approved a trip to College Station for a statewide meeting of county judges and commissioners at Texas A&M University. The commissioners approved a bond for public weigher Lee Path. This is a routine matter that requires action every two years. The group voted to pay the county's monthly bills and approved a request to aid in the upkeep of a welfare case until a person involved can be located in a rest home. Following the regular business meeting, Judge Bill Craig reminded the commissioners at the annual conference for county judges and commissioners at Texas A&M was set for Feb. 16-18.

The commissioners decided they would attend and instructed the judge to make arrangements for the trip. The conference will include panel discussions on machinery maintenance, probate, juvenile courts, tax policies and many other items, the judge explained. The commissioners adjourned to meet again Jan. 13.

Jesse Miller, E. Locust, disturbing peace, guilty, fined \$25.

The following entered pleas of guilty to intoxication and were fined: Clarence Scarberry, 317 S. Barnes, \$30; Eva D. Hess, 706 E. Frederic, \$25; Jimmie D. Stone, 912 E. Scott, \$25; Judson A. Wells Jr., 2510 Mary Ellen, \$25; Edwina Garrett, 1301 Duncan, \$25; and Florence Theisman, Amarillo, \$25.

COUNTY COURT
Donald J. Powell, Spearman, driving while intoxicated, pleaded guilty, fined \$100 and costs, sentenced to 30 days in county jail.

Grand Jury, DA In Closed Parley

District Attorney Bill Waters and the Gray County grand jury went into session today behind closed doors. The jurors are studying 15 felony cases and preparing a report on their findings during the current term of court work. The jurors will hear information in three burglaries, three forgeries, one theft and seven driving while intoxicated cases.

Pampa policeman C. L. Wallace was the first witness called by the jury, which is expected to wind up its activities about 5 p.m. today with the report to the District Court.

STRUCK BY AUTO
BROWNSVILLE (UPI)—Mrs. Francisca Salazar, 75, was struck by a car and killed Thursday as she stepped off a bus. She was the second traffic fatality in Brownsville in 1964.

PEDESTRIAN KILLED
SAN ANTONIO (UPI)—Edward Moran, 41, was knocked down and killed by an automobile Thursday night while he walked down an east San Antonio street.

Obituaries

Morris Glenn Mullanax
McLEAN (Sp1) — Final rites for Morris Glenn Mullanax, 52, are pending with Lamb Funeral Home in McLean. Mr. Mullanax died at 12:30 a.m. today at his home two and one-half miles south of McLean. He was a rancher and owner-operator of Mullanax Men's Store in McLean.

He was a member of the Baptist Church and Masonic Lodge. Born in Coleman County, Mr. Mullanax moved to McLean from Denver in 1935. He married the former Miss Irene Perry in Fort Worth in 1937. Survivors include his wife, Irene of the home; one son, Gayle, Galveston; two grandchildren, Susan and Gregg, Galveston; four sisters, Mrs. Ethel Matthews, Richardson, Tex.; Mrs. Opal Major, Dumas; Mrs. Adele Morrison, Pampa; and Mrs. Eva Lou Penderburg, Corpus Christi; and one brother, Doyle Mullanax, Graham.

Fred B. Chisum
Funeral rites for Fred B. Chisum, 75, are scheduled for 2:30 p.m. tomorrow at Central Baptist Church. Rev. T. O. Ushaw, pastor, will officiate and burial will be in Miami Cemetery.

Mr. Chisum, a longtime Pampa resident and Roberts County pioneer, moved to Miami in 1881 from Whitesboro. He was employed with the State Highway Department for many years before his retirement and had lived in Pampa since 1942. He was a member of the First Methodist Church. He is survived by his wife of the home at 432 N. Wynne; six sons, Ralph, Archie and Marion Chisum of Pampa, Claude and Edward Chisum of Yerington, Nev.; two sisters, Mrs. Cord Gill and Mrs. Carrie Wright, Pampa; one brother, Arch Chisum of White Deer; 13 grandchildren and 17 great-grandchildren.

Glass probably was originated in ancient Egypt, for the oldest examples of glass-work known came from Egyptian tombs of the 4th millennium B. C., according to the Encyclopedia Britannica.

3-Year-Old Girl First Victim of Accident for '64

A three-year-old girl became Pampa's first accident victim of 1964 at 5:20 p.m. Thursday. Virginia Ruth Higgins, 912 Love, was taken to a Pampa hospital with an injury to her right ear after the car in which she was riding was struck near the Huff and Brown Sts. intersection. Police said the girl was riding in the front seat with her mother, Mrs. Emma Louise Higgins, 81, at the time. The car was struck from the rear by another vehicle driven by James T. Wagner, Rt. 3, Pampa, who was injured. The accident was the second mishap reported to city police since New Year's.

The first accident involved a pickup truck and a vacant house at 513 Sloan. Patrolman Preston Bailey said a pickup driven by Ronnie Lynn Smith, 21, 2217 N. Dwight, apparently struck the east front wall of the house, owned by J. T. Dawes, 322 N. Frost, about 3:30 a.m. Wednesday. Bailey discovered the accident at 7:45 a.m. as he was en route home from his regular tour of duty. The front wall of the house was caved in, but the truck had been driven away.

Police Chief Jim Conner said Smith was issued a ticket for failure to exchange information at the scene of an accident.

Missing Goods Back to Owner

Police Chief Jim Conner is convinced there's an honest person in Pampa. The chief reported Thursday that a tire and wheel had been stolen from the back of a truck owned by Frank Chastain, 1376 Alcock, in the past 48 hours. Alcock notified Conner this morning that the tire and wheel had been returned by an unidentified youth who told the surprised Chastain he had "found them."

The boy had read about the theft and returned the tire and wheel at once to Chastain, Conner said.

First major earthquake in the U.S. occurred on Aug. 31, 1868, at Charleston, S.C., causing 41 deaths.

The Weekly Message Of Inspiration

Attend The Church Of Your Choice

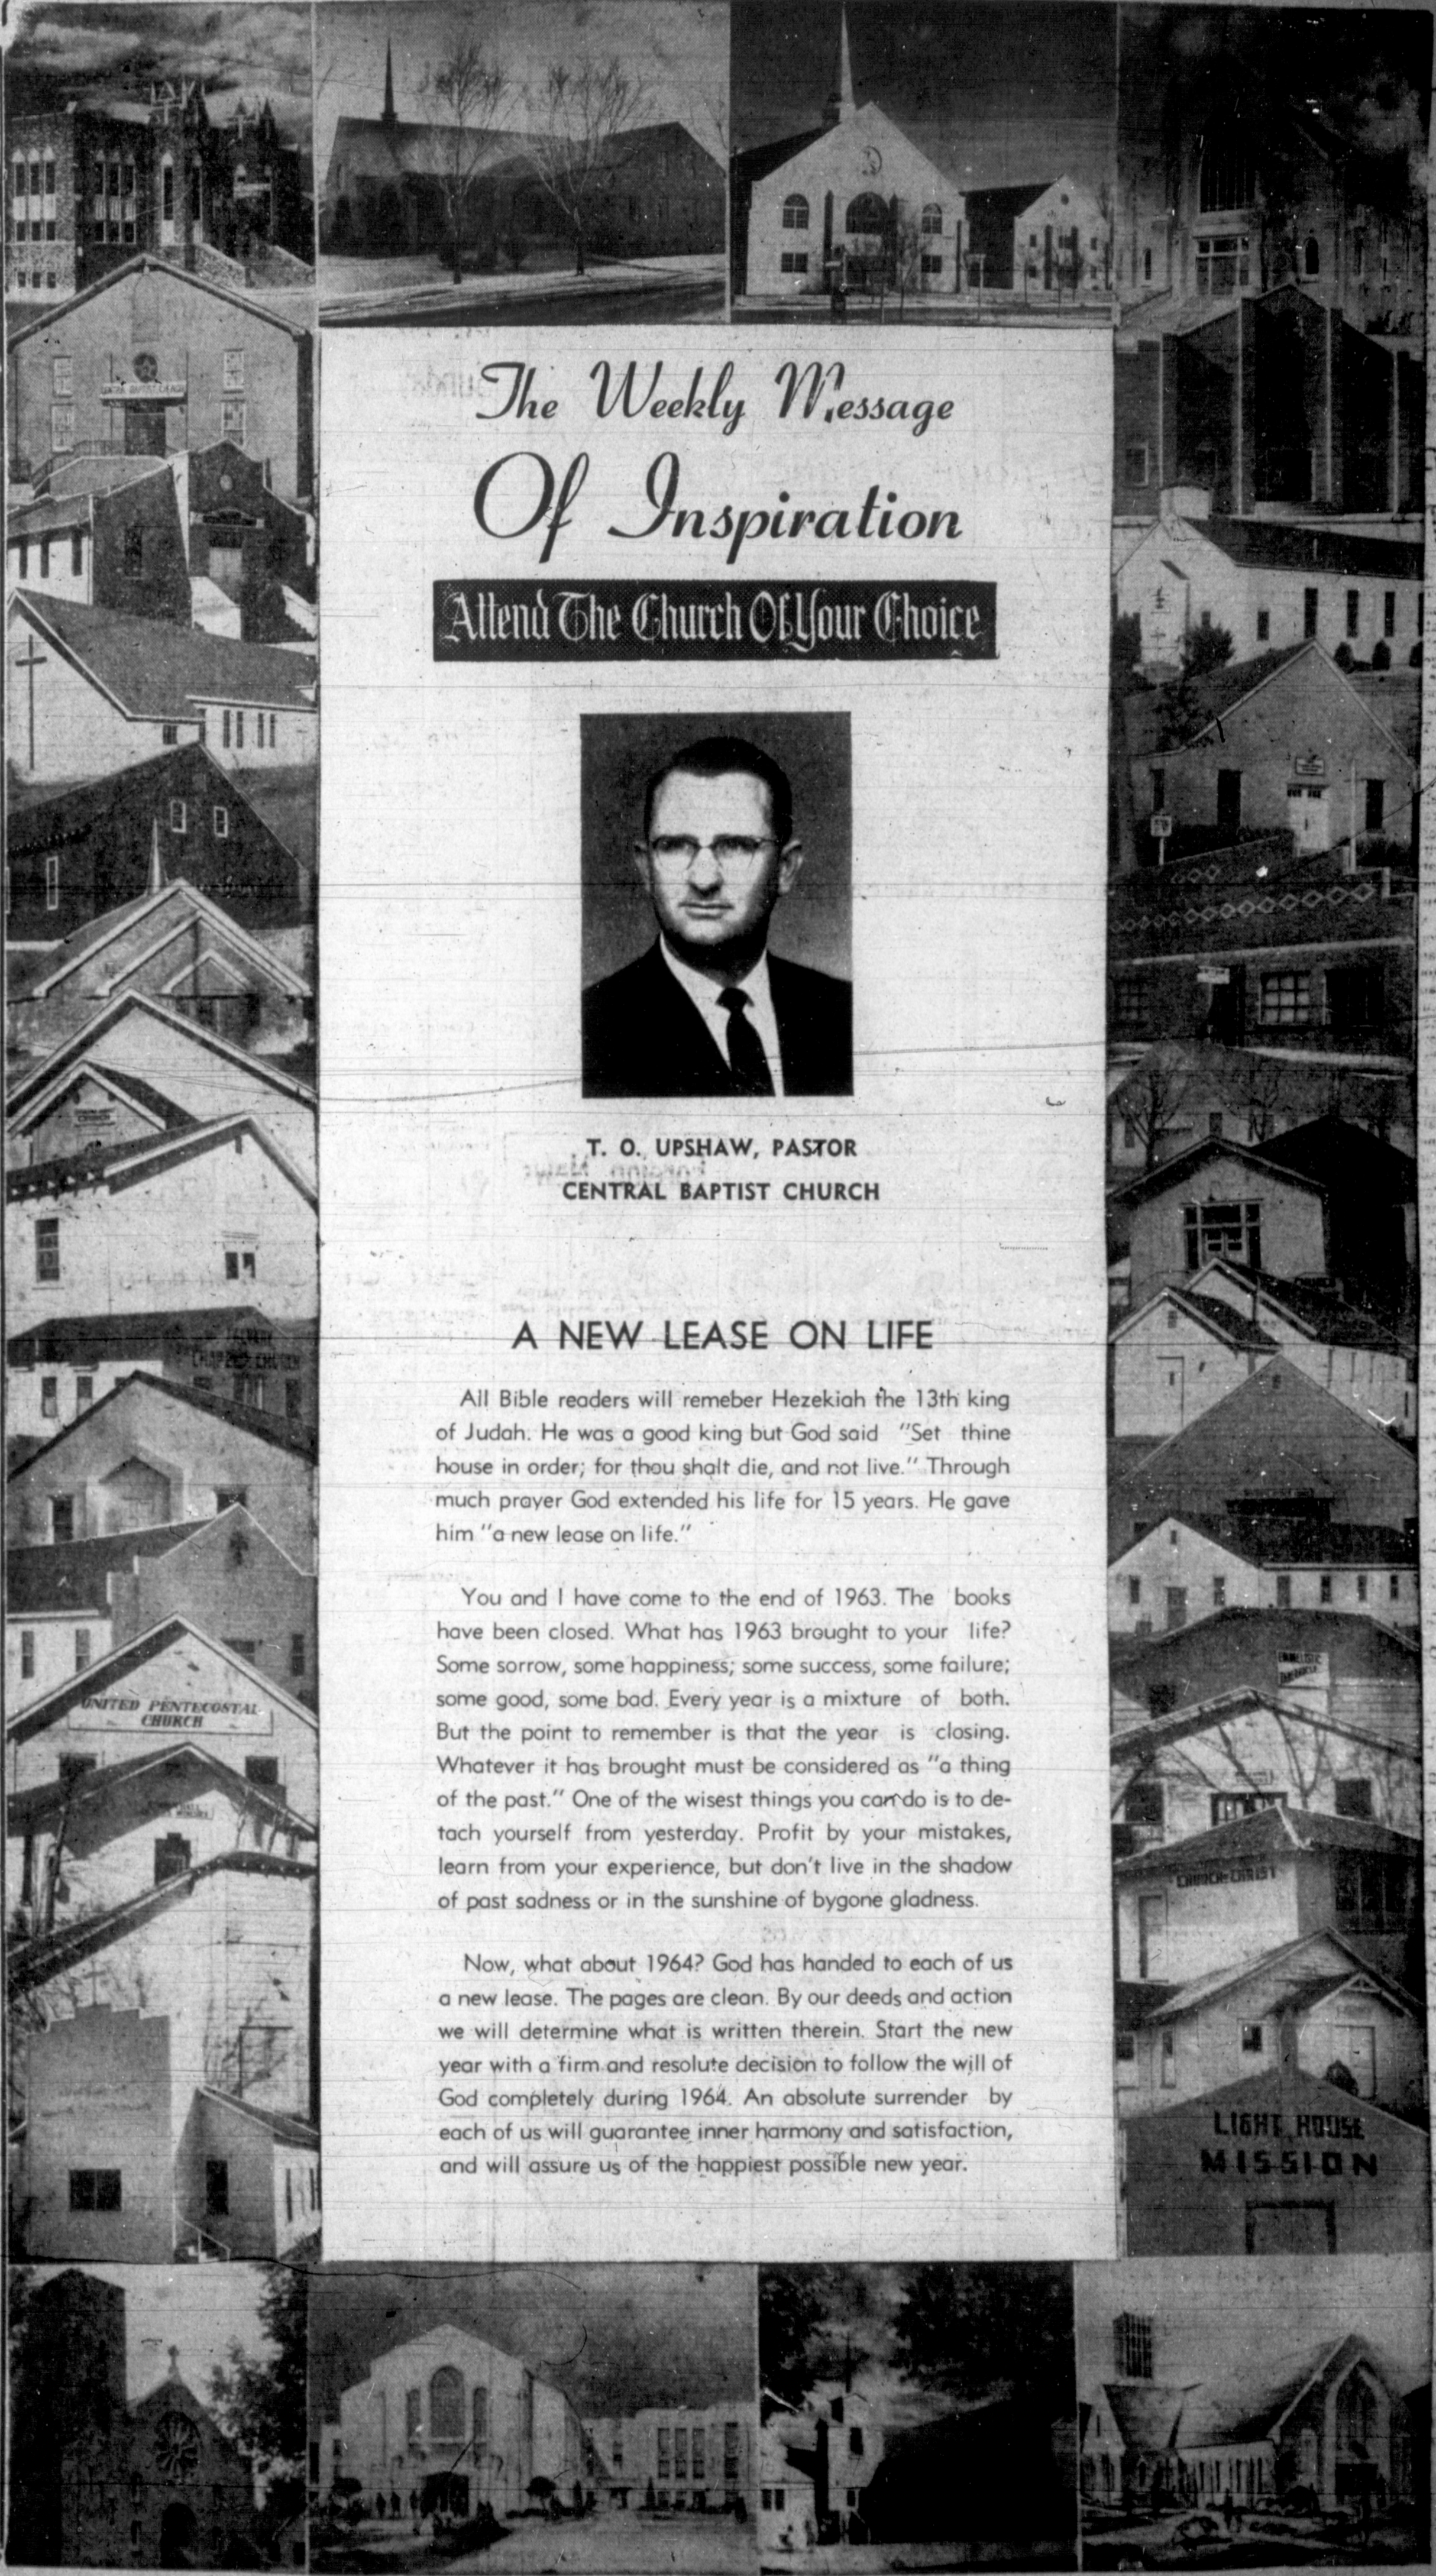

T. O. UPSHAW, PASTOR
CENTRAL BAPTIST CHURCH

A NEW LEASE ON LIFE

All Bible readers will remember Hezekiah the 13th king of Judah. He was a good king but God said "Set thine house in order; for thou shalt die, and not live." Through much prayer God extended his life for 15 years. He gave him "a new lease on life."

You and I have come to the end of 1963. The books have been closed. What has 1963 brought to your life? Some sorrow, some happiness; some success, some failure; some good, some bad. Every year is a mixture of both. But the point to remember is that the year is closing. Whatever it has brought must be considered as "a thing of the past." One of the wisest things you can do is to detach yourself from yesterday. Profit by your mistakes, learn from your experience, but don't live in the shadow of past sadness or in the sunshine of bygone gladness.

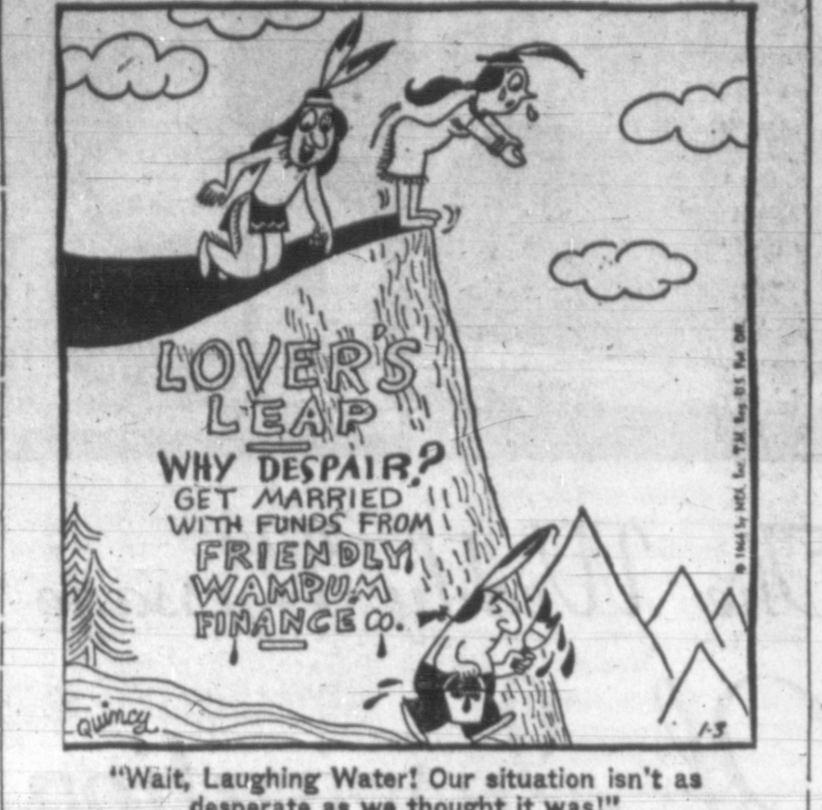

Now, what about 1964? God has handed to each of us a new lease. The pages are clean. By our deeds and action we will determine what is written therein. Start the new year with a firm and resolute decision to follow the will of God completely during 1964. An absolute surrender by each of us will guarantee inner harmony and satisfaction, and will assure us of the happiest possible new year.

Individual Stars Highlight Meet

By ROCKY RANDALL
News Sports Writer

CANADIAN — The 35th annual Canadian Invitational Basketball Tournament exploded Thursday with plenty of fireworks, sparked individually by mighty Mendell Hunter of Wheeler and the versatile Lonnie Richardson of Allison, as Wheeler, Darrouzett and Briscoe all advanced both boys and girls teams into the second round. Marvelous Mickie Fulkes of Briscoe, Mary Helen Gudel of Mobeetie and Squeaky Petree of Canadian posted stand-out individual performances in girls action.

First round boys results saw Briscoe top Mobeetie, 86-51; Wheeler outscore Booker, 77-73; Darrouzett crush Kelton, 66-33; and Allison stamped Canadian, 60-34. In girls play, Briscoe beat Mobeetie, 67-47; Wheeler topped Booker, 59-47; Darrouzett blasted Kelton, 69-35 and Canadian ripped Allison, 44-31.

In the final game of the evening, Lonnie Richardson, the one-man gang of Allison, completely tore open the host Canadian quintet as he slammed in 23 points, 22 of them in the first 12 minutes of play, and took down over 40 rebounds.

Playing less than three quarters of the game, the 6-2 blond battered the boards and ripped the nets, completely dominating the defensive rebounds and scoring again and again on drives, rebounds and tip-ins.

The Antelopes took only a 12-9 quarter lead, with Richardson canning 10 points, but he proceeded to rack up 12 straight points to make it 24-13 before he rested a cut foot midway in the second quarter. Ken Willis brought the Cats back to 30-23 at the half, but Richardson's rebounding led to a 49-33 margin at the three-quarter mark and the fourth frame degenerated into a battle of "run-and-shoot," with both coaches substituting liberally. Willis led the Cats with 11 points.

Led by the sharpshooting of Dixie "Squeaky" Petree, the Canadian Kittens broke open a 10-10 first-quarter tie to take the girls bracket win as Petree canned 28 points.

A Susie Owens free throw and a rebound by Dora Mae Hext early in the second frame put Canadian into a 15-12 lead and they never lost the margin again, holding a 25-18 halftime edge.

Dixie broke the game open for good as she hit seven straight points to open the third quarter and put the Kits into a 12-point lead, and they immediately went into a semi-stall, holding a 36-28 third-quarter margin.

Briscoe had started tournament action briskly with a pair of victories as the Bronettes defeated Mobeetie's Hornettes 67-47, and the Broncos waxed the Hornets 86-51.

Mickie Fulks put on another fantastic scoring exhibition for the Bronettes with 42 points. Mary Helen Gudel almost matched Mickie's performance with a 34 point spurge. Fulks hit on 18 field goals and six free tosses to account for the 42 point outburst, tops for the day.

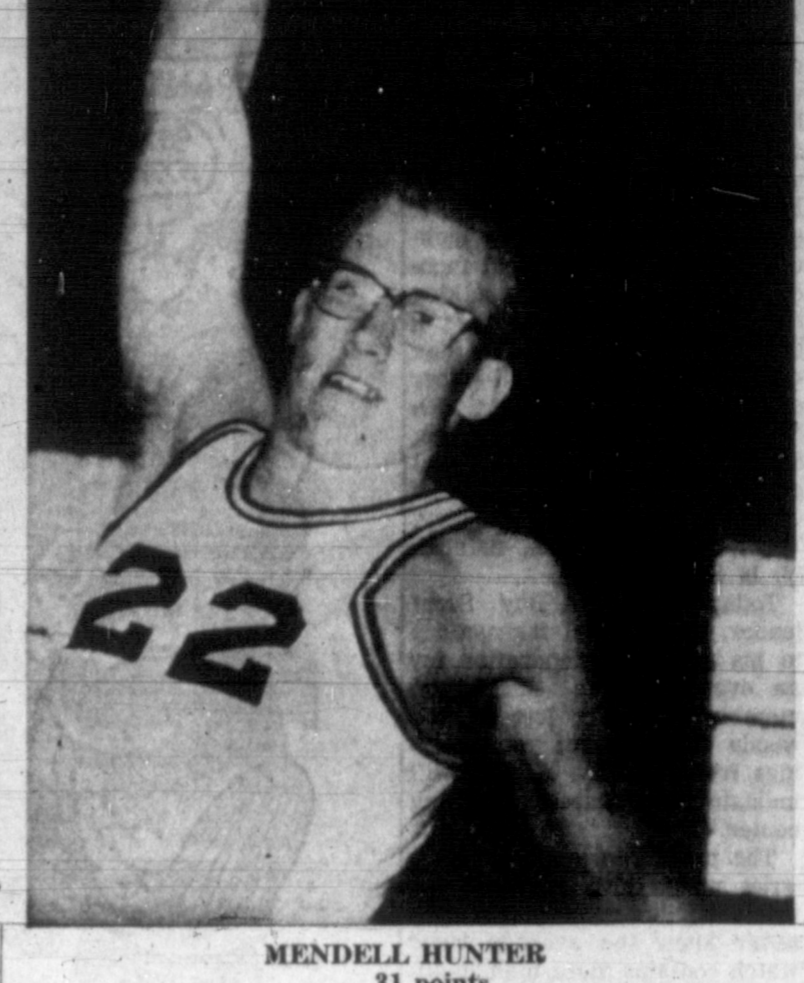

The highscoring "run and shoot" (and hit) Broncs took a commanding 22-11 first quarter lead over the Hornets, then went into a full court press to move into a 43-22 half-time lead. Mobeetie's fine sharpshooter, Ray Corcoran, canned 21 to pace the cold-shooting Hornets, despite retiring mid-way in the second period with four fouls and not returning to action until early in the final quarter. Corcoran's departure left Briscoe's 6-2 1/2 soph Arville Atherton in complete control of the boards. This, coupled with a tremendous third quarter press and fast break, put the game on ice early for Briscoe.

Tommy Hays broke for three straight lay-ups and Mobeetie never recovered. Corcoran's return to the line-up in the last five minutes sparked a Hornet rally that narrowed the gap.

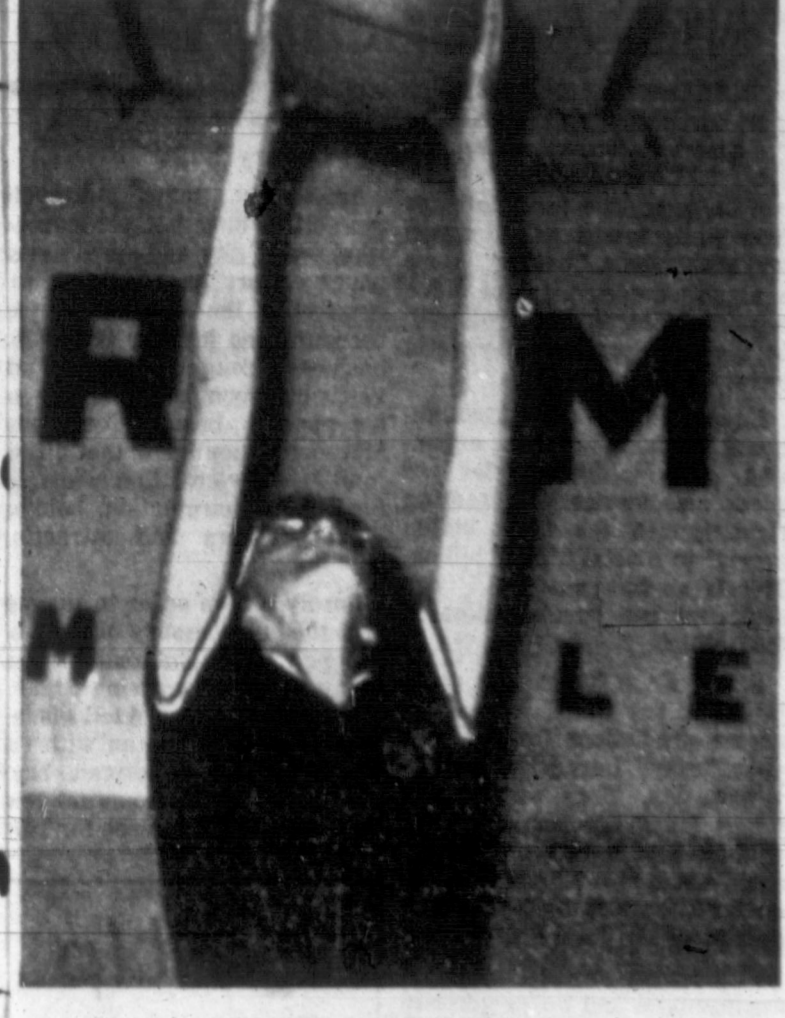

Atherton and Tommy Hays had 25 and 24 points respectively to lead the Briscoe team.

A Fillingim at each end of the court, Estelle on offense and Mozele on defense helped the Wheeler Fillies to a surprising come-from-behind 59-47 win over the Booker girls to advance to the second round against Briscoe.

Estelle and Mozele had more than enough help, with outstanding performances from Donna Ford with two clutch free throws in the fourth period, Lynda Beaty who pumped in 19 points, and Beverly Clark, the leading scorer on the court with

Lefors Stops Gruver in Stinnett Tourney

By KEITH GEISLER
News Sports Correspondent

STINETT — Utilizing ball control and a rugged defense, the Lefors Pirates edged powerful Gruver, 47-40 in the opening round of the Stinnett-Basball Tournament yesterday, while the Pirates dropped the opener to Morse, 32-28. Lefors bests Phillips in the winners bracket today while the girls lashed with Stinnett in consolation play earlier today.

Sharpshooting Sam Tipton and Wayne Leatherman shot Gruver into a 6-0 lead to open the game, but the Bucks came back and Terry Bromlow led the game at 8-0 on a pair of free throws just before the end of the quarter.

Phil Woodring proceeded to break the game open as he hit Bromlow followed with two more. Lefors took a 20-15 halftime lead, moved it to 35-27 at the three-quarter mark and held the margin.

Bromlow finished with 15 points and Woodring 13. Tipton, averaging well over 20 points a game, was held to 14 by Woodring.

The Lefors girls played one of their best games of the season, trailing by only two points at the half, but again height was their nemesis. Nita McCool and Kathy Gatlin each had 11 points for the Pirates.

In other first-round girls results, Gruver dropped Perryton, 47-38; and Sanford - Fritch squeaked by Stinnett, 36-34. S-F boys battered Phillips B, 73-56 and powerful Phillips topped Panhandle, 71-58.

White Deer Downed in Wellington Play

By RICHARD ULRICH
News Sports Correspondent

WELLINGTON — Second half comebacks by the Quail boys and the rifle girls spilled the White Deer Bucks and Does into today's consolation bracket in the Wellington Basketball Tournament.

Quail broke open a third-quarter tie for a 58-51 win. Heddy came from a four-point deficit in the final frame for a 32 win.

Other first-round results had hamrock smashing Dodson, 25, Memphis crushing Lakeview, 63-60, Wellington nipping Adnach, 52-45, and Hedley edging Shamrock, 39-38 in boys play; and Shamrock girls nashing Quail, 51-33. Paducah knocking Dodson, 45-20 and Wellington girls crushing Lakeview, 64-34.

Both Bucks and Does were slated to clash with Dodson in the consolation round.

The outside shooting of Jack Dunivan and the rebounding and bucketing of Monty Hawpe accounted for nine and 12 points respectively in the first half as the Bucks took a 16-10 quarter lead and held it at 29-23 at the half. Quail put on the press and the outside shooting of dead little Dale Morris pulled Quail into a 38-all tie. Robert Russell joined Morris in ripping the cords in the final frame and the Quails pulled into a four-point lead and went into a stall.

White Deer fouled attempting to get the ball and Quail tipped the edge at the charity line. Morris finished with 21 points and Russell 20. Hawpe had 20 and Dunivan 11.

In a red-hot scoring duel between little Cindy Hubbard and Katrina Snelson, the lead switched back and forth, the Does leading 8-7 at the quarter and coming back from a 17-all halftime tie to a 29-25 three-quarter edge. Cindy fouled out early in the fourth frame and Katrina poured nine points through the hoop to lead her team to victory. She finished with 23 points, Cindy with 16.

Bud to Quit?

LINCOLN, Neb. (UPI) — Oklahoma football coach Bud Wilkinson will resign his post within the next few days, the Lincoln Neb. Star said today.

The newspaper said Gomer Jones, Oklahoma assistant grid coach, will move up to the head spot.

The report was carried in an article written by Star sports editor Hal Brown.

The story said Wilkinson reportedly was weighing a decision on whether to remain at Oklahoma as athletic director or go into politics. His name has been mentioned in connection with an Oklahoma U.S. Senate seat.

McLean, Quitaque Win Claude Openers

By JEFF MONEY
News Sports Correspondent

CLAUDE — Favored Quitaque and strong contender McLean battled to opening round wins in the Claude Basketball Tournament yesterday, with girls favorite Spearman winning easily, but hostess Claude being upset by Clarendon. Miami boys and girls, other strong threats in the tourney, both drew opening-round byes and played their first games today in the 20-team tourney.

McLean stood off a fourth-period rally by Spearman for a 50-46 win, Quitaque finally overcame a stubborn Groom team led by Jerry Roberts and Dan Craig for a 60-49 edge. Silverton smacked Turkey, 60-45 and Claude crushed Clarendon, 53-26, in boys play; while Quitaque clobbered Groom, 53-31, Spearman speared Silverton, 55-30.

McLean's Tigerettes advanced into the second round as they had themselves a Turkey dinner, 48-37, and Clarendon's 5-10 pair edged Claude's six-foot forward and her mates by a single point, 49-39.

Big Derrith Welch and his mates had no trouble in the first three quarters as they rolled to 13-5, 26-17, and 20-39 stops as Welch dunked in 32 points and grabbed 13 rebounds. Spearman's Pat Pattison, who had been sniping steadily throughout the game, got red-hot in the fourth quarter, racking up 11 of his 24 points while his mates swarmed over Welch, allowing him only four points in the period and keeping him completely away from the backboards. McLean's margin was too great however, and the Tigers pulled out a four-point win.

Los Angeles Open Tees Off Pro Golf

LOS ANGELES (UPI) — The golfing nomads, led by king Arnold Palmer and National Open champion Julius Boros, open the 1964 big money campaign today when they tee off in the \$50,000 Los Angeles Open tournament.

But if Palmer's game doesn't improve, he won't be among the men at the pay window when the winners are announced.

The defending champion played like a 10-handicapper Thursday in the Pro-Am and came in with a sad 79.

"I was doing everything wrong," he said. "Off the tee, on the fairways, and on the greens. I had a four-putter on the fourth. And do you know I had that 79 with three birdies."

It was Arnie's first competitive swing at a golf ball in more than six weeks — and he admitted he was a bit rusty before play started.

Bob Rosburg and Doug Sanders fired five-under-par 66s Thursday to win the pro division of the pro-amateur prelude.

Even if he plays well this year, Palmer may have trouble ever again hitting the \$100,000 mark, as he did in 1963, for one year of official earnings.

Under a new PGA formula on the purse split, which goes into effect this week, top money will be less in all tournaments. This tourney was supposed to pay \$9,000 to the winner (as it did last year). But this year the champion will receive a check for only \$7,500.

WRESTLING TONIGHT

Tonight's wrestling program at the Top O' Texas Arena will feature a six-man tag match, two out of three falls. On one team will be Dale Lewis, Bill Graham and Luis Martiniz, the other Sir Rodney Shane, Sir Nelson Royal and the Great Dane.

Martinez will meet Shane and Graham the Great Dane in 20 minute, one-fall preliminary matches.

6-9 Duck Peret Plays At Pampa

Ronnie "Duck" Peret comes to town tonight.

The Pampa Harvesters, riding the crest of a four-game winning streak, play host tonight to the district 3-4A pre-season favorite, Plainview, in what will be a key game for each team's district hopes.

Plainview, sporting the 6-9 junior Peret, literally head and shoulders above the rest of the conference cagers, was tabbed as the team to beat this year. Peret, as a 6-8 sophomore, was outbounded only by Pampa's all-stater, Randy Matson, and was second in scoring only to Pampa's Wayne Kries. With Matson gone and no one in the district within four inches of his size, Peret was figured to lead the Bulldogs to the loop crown.

Plainview started the season with six straight wins, but ran in to somebody their own size in Abilene Cooper, who defeated them in the finals of the Plainview Tournament as Peret fouled out against their big boys, and then repeated the win later this season.

The Dogs are only riding the 500 mark in loop play, with two wins and two losses, as the counterattack by opposing teams is to try to get Peret to foul out. The Duck, emulating his teacher Matson, has been rough on the boards, and consequently fouled out as Monterey took a 53-49 win. In Plainview's last game, a nip-and-tuck affair with Tascosa, Peret heard the whistle in the final minutes with the score 59-57. Plainview never dented the basket again and Tascosa took a 64-57 victory.

"Obviously," said Pampa coach Terry Culley, "we have to play Peret tight and try to get him picking up fouls. The only question is whether our 6-3 kids can go up with him without picking up the fouls themselves."

Culley said that he plans to go with his starting unit, but will play 6-8 sophomore David "Sugar" Cain if the starters get into foul trouble.

"Our kids are doing pretty well though," pointed out Culley. "They've won four straight and they're finally on the plus side of the column with seven wins and six losses. The Caprock win put us 2-2 in district, and if we can beat Plainview tonight, we can move up and be the threat I hoped we would be when we got some experience under our belts."

Culley warned however, that Plainview was not a one-man team by any means. "They've got three good little outside shooters, and everyone of them was in double figures last game. If you stop Peret, they can make it real tough. Of course," added Culley thoughtfully, "it can be kinda hard for them to score if we can keep Peret from getting the ball to them."

Odom in 3-4A

LUBBOCK, Tex. (UPI) — Next season's Lubbock Monterey high school football team will be coached by James Odom, who directed Pottersburg to the Texas school-boy Class A state football championship last month.

The announcement was made Thursday by the Lubbock school.

Odom succeeds Bill DuBose, who had led Monterey football teams since the school was founded in 1958. School Supt. Nat Williams said DuBose will continue either in a junior high school coaching position.

RED TAPE
 RINGWOLD, England (UPI) — Ben Ford, who retired from the army 15 years ago after serving for 40 years, said today he has just received a belated clasp to his long service and good conduct medal.

FIRE PRACTICE
 CHICAGO (UPI) — The New York Central Railroad has sold its station at Matteson, Ill., for \$1 so volunteer firemen can set it ablaze and practice fighting fires.

Population Up 2.6 Million As Nation Begins New Year

WASHINGTON (UPI) — The United States is starting the new year with a population of 190,695,000, an increase of 2,633,000 during 1963.

The estimate by the Census Bureau shows that two major population developments in the past year were the increasing number of women and higher percentage of nonwhites.

There now are 100 women for every 96.6 men in the United States, compared to 100 for every 97.1 males in April 1960, date of the late census.

The percentage of nonwhites in the U.S. population is highest since the turn of the century. In 1963 the nonwhite population increased 8 per cent compared to 5 per cent for the white.

The nonwhite population of 22,078,000 comprised 11.7 per cent of the mid-year estimate. Year-end census estimates by color and sex were unavailable but officials said there was no indication of reversal of a trend of increasing percentage of nonwhites since 1920.

At the turn of the century, the non-white population increased 11.5 per cent compared to an increase of 22.3 per cent for whites. Non-whites had a smaller rate of increase than whites until the 1930-40 period with both increased about 7.5 per cent. Nonwhites overtook whites in rate of increase during the 1940-50 period, 17 per cent to 14 per cent. In the 1950-60 period, nonwhites increased 27 per cent and whites 17.4 per cent.

EMPLOYMENT NO. 1

WASHINGTON (UPI)—AFL-CIO President George Meany predicts that achieving full employment will be the nation's No. 1 domestic problem in 1964.

The labor leader said in a New Year's statement that "full employment, full economic opportunity, remains the one indispensable element if America is to maintain its leadership on the world scene and correct its social shortcomings at home."

AVERAGE BEER DRINKER

CHICAGO (UPI) — The average American man will drink a half barrel of beer in 1964, according to David Stotter, president of Drewerys Ltd., a Midwest brewery.

32 KILLED

CAIRO, U.A.R. (UPI)—Thirty-two persons were killed and a train rammed a packed passenger bus traveling toward Cairo, police said today.
