# The Pampa Daily News

Serving The Top O' Texas 56 Years

THE PAMPA DAILY NEWS, FRIDAY, MARCH 20, 1964

**WEATHER**  
PAMPA AND VICINITY — Decreasing cloudiness today with fair skies tonight and Saturday. Strong northerly winds through Saturday at 30 to 40 mph, decreasing to 10-15 mph Saturday night. Colder today and tonight. Warmer Saturday with high today near 40.  
(16 PAGES TODAY) Week Days 60 Sundays 120

## Springtime ushered in With Snow

Spring roared into Pampa and other Top O' Texas areas this morning on the wings of strong northwesterly winds and some light blowing snow. Aside from the discomfort of the 30 to 40-mile per hour wind, the weatherman said shortly before noon there wasn't too much to worry about. He said the winds should diminish tonight and it should be warmer Saturday under partly cloudy skies. There still was some blowing dust mixed with this morning's snow in an aftermath of the Thursday afternoon duster that really kicked up its heels locally.

Spring made its official bow in Pampa at 8:10 a.m. today, ushered in by a rough and tumble March wind. The Panhandle was not faring so badly weatherwise in comparison with other spots in the nation. Blizzard warnings were posted in the Midlands.

Heavy snow was pasting an area from Wyoming to Michigan. Winds up to 50 m.p.h. halted traffic and closed schools across Nebraska and into Iowa. The blizzard warnings were in effect for most of Kansas, Nebraska, Iowa and northwest Missouri. East of this area there was rain or drizzle. Rush hour traffic inched into Chicago and other Midwest cities this morning.

Back in Texas, light rain sprinkled central West Texas as the cold front pushed southward. The leading edge of the cooler weather was located at noon near the LaGrain-San Angelo-Del Rio line.

In a five-day forecast, the weather bureau said temperatures will average 7 to 10 degrees below normal throughout the state. Precipitation will be light to moderate. Pampa was coldest in the state this morning with a 24-degree reading at 8:30 a.m. It was 63 in Galveston. Pampa's high yesterday was 54. Today's high was expected to be near 40 with a low of 20 by morning. Tomorrow's high is due to reach near 50.

## Teachers Due No Changes In Pay Rates

Teacher contracts without changes in salaries were approved Thursday night in a special school board meeting with administrative leaders.

Superintendent Jack Edmondson said at least two teachers presented letters of resignation, but asked no action until the latter part of the school term since they were remaining at their positions.

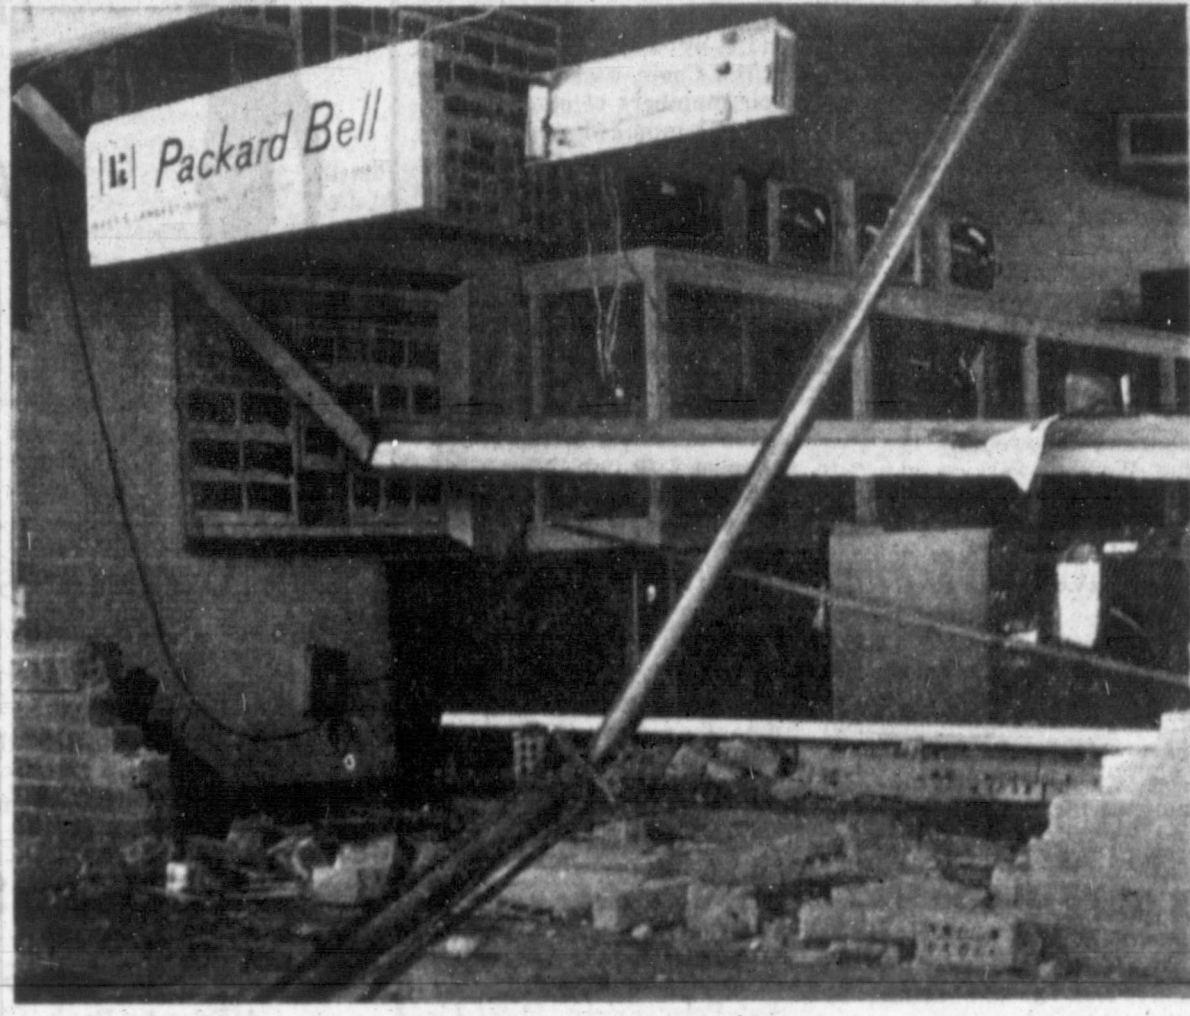

Edmondson said no discussion on salaries was held by the board members, who approved continuing with the present base pay schedule. Teaching contracts for all persons who are currently coaching in the system were approved for the coming year, but board action was not taken on the coaching duties as such.

Board members said salaries for the coaching duties of each person were not discussed and no contracts renewing the coaching assignments were presented for consideration.

An additional meeting to settle salaries and re-assign coaching duties will be held later, three board members indicated. Only one coach has been given a new contract this year—that being football mentor Otis Holaday, whose contract comes up for renewal each December.

The meeting began at 7 p.m. and adjourned at 12:30 a.m. after members of the board completed talking with principals about the 265 contracts brought before them.

School nurses and one clerk were also given contracts for the coming year. The board held a long discussion pertaining to problems surrounding enrollment at various schools. Board members are considering making boundaries (See PAY RATES, Page 3)

**DAMAGE AREA** — This is a general view of the damage area at the B&R Appliance store at 1423 N. Hobart after an automobile driven by Elton Layne of 1610 Coffee jumped an 18-inch curb and crashed into the store. Police Chief Jim Conner said about five television sets, a display window and the front of the store were damaged in the crash about 9 a.m. today. No one was injured. Damage to the automobile was light. Patrolman Bailey worked the mishap. Conner said Layne was turning into a parking place when the car jumped the curbing and went into the building.

## New LBJ Press Aide Takes Over Post in White House

WASHINGTON (UPI)—George E. Reedy, a close associate of President Johnson since the Chief Executive's Senate days, took over as presidential press secretary today in a surprise change of the White House guard.

Appointment of the 46-year-old Reedy followed the resignation Thursday of Pierre Salinger, who quit to run for the Democratic nomination to the Senate in California. Salinger was named press secretary in 1961 by President Kennedy.

Leaving with Salinger was Associate Press Secretary Andrew T. Hatcher, another Kennedy appointee and the first Negro ever to serve in the White House press office.

Hatcher accompanied Salinger to California. He is a former California state official who was recruited by Kennedy

to aid his 1960 campaign for the presidency.

**Fifth Aide to Leave**  
Salinger, who said he decided to resign only hours before his announcement, was the fifth Kennedy aide to leave the White House. The first was former Rep. Brooks Hays, D-Ark., a special assistant to the President.

Shortly after Hays resigned to lecture on politics at Rutgers University, White House special counsel Theodore C. Sorensen and former Harvard historian Arthur M. Schlesinger Jr., another presidential assistant, also resigned to write books about the Kennedy administration. The fourth to leave was Timothy J. Reardon Jr., a longtime Kennedy aide who served as secretary to the cabinet.

Salinger's departure was not expected to trigger an exodus of Kennedy administration officials or to presage any sweeping changes in Johnson's press relations.

## Desperate Turks Ask U.N. Aid in Cyprus

GHAZIVERAN, Cyprus (UPI)—Desperate Turkish Cypriots, refusing to surrender their arms to Greek Cypriots in this northern Cyprus village, today called for help from the vanguard of a United Nations peace-keeping force.

At least eight persons were killed and seven others wounded in heavy fighting Thursday and there were fears that a shaky cease-fire negotiated by U.N. and British officials would fall apart. Five hundred Greek Cypriots ringed this village today, raising fears of new fighting.

"How can we surrender our arms?" asked Turkish Cypriot leader Salih Dayioglu in the Turkish Cypriot stronghold of Leika. "When we do, our young men disappear and our women are raped. Oh God, I don't know what can happen next." He is a former judge of the Cyprus Supreme Court and the spokesman for Leika's self-defense committee.

**Fears Massacre**  
Dayioglu said if the U.N. force is not granted greater power than British peacekeepers now have, "then it won't be long before we see a massacre."

Greek Cypriots ringed the village and demanded that the Turkish Cypriots surrender all their arms as a condition for evacuating women and children. About 250 Turkish Cypriot women and children took shelter in a school, their means of fear audible across the village.

If it comes from a hardware store we have it. Lewis Hardware (Adv.)

## King Set To Act in Alabama

By United Press International  
Integration leaders in Birmingham said Thursday night that Dr. Martin Luther King stands ready to move into Birmingham "at the flick of a switch" to lead a new wave of demonstrations in the Southern steel city.

A six-month racial truce ended in Birmingham Thursday when 12 Negroes picketed in the downtown area on a claim that city officials and merchants had reneged on integration promises. Leaders said more demonstrations would be staged today.

All 12 pickets were arrested, including one who appeared to be about 10 years old.

In other civil rights demonstration activities, a group of seven New Englanders at Boston prepared to leave for St. Augustine, Fla., to participate in demonstrations in the 400-year-old city.

The all-white group is the first of about 60 New Englanders, including the mother of Massachusetts Gov. Endicott Peabody, who plan to make the journey in waves.

The plan was announced by the Southern Christian Leadership Conference (SCLC) which is headed by King. The SCLC called St. Augustine "one of the most segregated cities in the country."

The first group plans to leave Boston by bus Saturday afternoon.

At Birmingham, Negro leader Fred Shuttlesworth said Thursday's demonstration has the full support of the SCLC.

King led demonstrations in Birmingham last spring and summer which erupted in battles between Negroes and police in which bricks, rocks and bottles were thrown and hundreds arrested.

**JACKSONVILLE, Fla.** Five Ku Klux Klan members pleaded innocent today to conspiring to bomb the home of a 6-year-old Negro boy. Federal Judge William A. McRae Jr. said an early trial date would be set for the five.

**Frankfort, Ky.** The Kentucky House of Representatives Thursday rejected a final effort to bring a public accommodations law before the current session.

## Cut Sought in Foreign Aid

WASHINGTON (UPI)—Foreign aid's arch-foe, Rep. Otto E. Passman, D-La., was reported today to have set his sights on at least a \$900 million cut in President Johnson's \$3.4 billion aid bill.

Administration forces claim that such a slash would cut the heart out of the program. But Passman disagrees and he has a lot to say about it in his post as chairman of the House foreign aid appropriations subcommittee.

As a result, another long battle is shaping up. On one side are those lawmakers who regard foreign aid as an indispensable tool of U. S. foreign policy. On the other side are those who feel it is a waste of money, or a costly burden which could and should be shifted more to prosperous Western Europe and Japan.

## Cassius Clay Fails Army Draft Tests

WASHINGTON (UPI)—The Army announced officially today that heavyweight boxing champion Cassius Clay "is not qualified for induction into the Army" under the draft.

In announcing his rejection, the Army said it is satisfied that "Clay put forth his best efforts" when he was given physical and mental tests on two occasions.

It was reported that Clay failed the mathematics tests given inductees.

The tests included measurements of aptitudes for various skills needed in military service, the Army said. The second set of tests was given Clay when the first results were found "inconclusive."

## Grounds Sought For New Trial

DALLAS (UPI) Phil Burleson, one of Jack Ruby's attorneys, said he will file a motion today for a new trial on the ground there were 182 legal errors at his murder trial.

Among the points in the motion for a new trial will be that the court erred in failing to disqualify prospective jurors who had seen the slaying of Lee Harvey Oswald on television.

Ruby, who was sentenced to death for the slaying, hired high-powered attorney Percy Foreman of Houston to replace Melvin Belli, of San Francisco, who was dismissed. Burleson and Joe H. Tonahill, Belli's assistants, stayed on the case.

The motion will be filed in the court of Dist. Judge Joe B. Brown, who presided over the Ruby trial. Brown himself was not in town. Dist. Judge Sam Johnson of Hillsboro, Tex., was substituting this week while

## Fund Drive Passes 50 Per Cent Mark

Efforts to raise \$200,000 to invest in the Pampa Industrial Foundation got another shot in the arm today as the campaign shot past the 50 per cent pledge mark.

Investments totaling \$22,400 were reported at the second joint coffee meeting of the some 100 workers who are conducting the drive. The figure brought the total amount pledged to \$111,081, not counting a \$20,000 pledge by Cabot Corporation.

The General Investments campaign effort brought in \$7,350 new pledges for a total of \$13,506 pledged since the group began work Monday.

The Advance Investments workers reported they had received \$15,050 in additional pledges since the last report coffee on Wednesday.

The Advance group has brought in a total of \$67,575 in pledges, not counting \$30,000 pledged through executive committee workers.

The entire campaign organization will hold its third joint coffee meeting at 10 a.m. Monday at the Coronado Inn.

The \$111,081 figure is 55 per cent of the total \$200,000 figure which will be used to attract new industries to Pampa after it is raised.

The nonprofit organization has been working on the campaign for two weeks.

Fred Neslage, general chairman for the drive, said the progress was "gratifying to all of us."

He urged for continued hard work by all persons involved, pointing out that the fund was not comprised of donations, but could be considered a business investment.

Quentin Williams, Pampa realtor, added fuel to the fire by telling the team captains and workers that Pampa home owners may not realize the importance of the drive to the value of their property.

Williams said that values of residential property in Pampa had been falling at a steady pace of \$500 yearly for a number of years.

"This foundation could easily halt this trend and reverse it, if we succeed," Williams said.

The real estate man urged property owners, both residential and business, to consider the importance of having a stable property value in this area.

Williams made his remarks while campaign workers were tallying up the amount they had obtained since the last coffee meeting.

The drive will continue next week, but Neslage said workers would take the Easter week-end off for a rest period, then proceed with plans for the campaign into April.

## Women Fliers Take Off on World Hops

MIAMI (UPI) — Two women fliers scheduled take-offs about 1,200 miles apart today, apparently vying for a place in aviation history as the first female pilot to make a solo flight around the world.

There was no indication who would be in the air first — Mrs. Joan Merriam Smith at Miami or Mrs. Jerrie Mock at Hamilton, Bermuda.

Neither Mrs. Smith, a blonde Navy wife from Oakland, Calif., nor Mrs. Mock, a Columbus, Ohio, housewife, would concede there is a race. Both said they planned to circle the globe — but for different reasons.

Mrs. Smith said she was attempting to retrace the route of aviatrix Amelia Earhart, who disappeared on a round-the-world flight with navigator Fred Noonan in 1937.

Mrs. Mock contended she was seeking speed records—the round-the-world record for women and for planes in the 2,204-3,858 pound class.

## GOP ADDRESSES WOMEN IN AMARILLO

# Candidate Blasts Wheat Sale

Bob Price of Pampa, GOP candidate for 18th District congressman, charged in Amarillo yesterday that the Democratic administration virtually gave communism a credit card in the recent sale of wheat to Russia.

"Price, addressing the Republican Women's Club at Wyatt's Cafeteria in Sunset Village, said American taxpayers subsidized \$90 million worth of wheat for \$25 million.

"The reason for the subsidy," he said, "was two-fold—partially to enable the grain company to offer higher priced American wheat at lower world prices and partially to pay for the shipping cost that the Russians wouldn't pay."

Price stated that nearly 13 million bushels of wheat was subsidized at 72 cents a bushel for the first half and 73 cents for the second half.

HE POINTED out that the total subsidy amounts to about \$14 for every man, woman and child in Texas.

Price went on to say that the administration claimed the subsidy was necessary to sell surplus wheat on the world market.

"But last Dec. 20," said Price, "the administration refused to grant a 50-cent a bushel subsidy on durum wheat. Why? The administration said only that its action 'was in the best interest of the government.' The only difference was that the lower subsidy wheat was for Free World countries. I would like to know why we refuse the Free World countries who are willing to buy U. S. wheat at a 50-cent a bushel subsidy, and on the other hand have to coax Russia to accept a 73-cent subsidy?"

Price related that one of the main points of the Russian wheat deal was that American ships were to be used to transport the wheat to Russia. He stated that Russia first refused because American shipping costs were about \$5 or \$6 a ton above the world shipping cost.

"IT IS EVIDENT now," Price said, "why Russia suddenly agreed to use the U.S. Vessels. She was told American tax dollars would be used to subsidize not only the wheat purchase price but the actual shipping costs. The Reds have an option of 18 months to pay. The loan is insured through the U. S. Export - Import Bank, a government agency. If the Reds refuse to pay, the Export - Import Bank is responsible. Since your tax dollars support the Export - Import Bank, you taxpayers will have to pay the bill.

"This," Price added, "is nothing short of a credit card for communism."

Price then pointed out that the taxpayers spend \$30 billion a year for national defense.

"Defense against what?" he asked. "Against communism? Does it make sense to spend billions to defend ourselves against an enemy we are helping to feed?"

AFTER POINTING out that wheat is a big product in the Panhandle and 15 of the 20 leading wheat growing counties in Texas are in the 18th District, Price said:

"It is inconceivable that wheat grown here in the Texas Panhandle will someday enable a communist guerilla, because of a full stomach, to march a little farther, fight a little harder, and kill a few more American boys — perhaps your son or mine."

### Palm Sunday Sermon Set

"A Day, a City, an Everlasting Truth" will be the Palm Sunday sermon at the First Presbyterian Church. The Pastor, Donald S. Hauck, will use the 11th chapter of Mark and the 1st chapter of Paul's letter to Timothy as the text for the sermon and will be assisted in the worship by Ruling Elder, Michael Wilson.

At the 8:45 a.m. Worship Hour the Children's Choir, under the direction of Mrs. William Mackey and accompanied by Mrs. Cy Reeder, will sing the morning anthem. Special music will be brought to the 11 a.m. Worship Hour by the Sanctuary Choir who will sing "The Holy City" with Mr. Robert Doley as soloist.

Members will bring their special "One Great Hour of Sharing" offering to the services.

The last session of the current Inquirers Class will meet with the Pastor at 9:45 a.m. as will the Youth Confirmation Class. At 2 p.m. the Session will meet to receive this confirmation class into the Church, and again at 3 p.m. to receive other members.

The Evening Program will begin with the Youth Supper at 5:30 p.m., a joint meeting of the Junior High and Senior High Fellowships at 6 p.m. for the film "Hunger", and then at 7 p.m. for Church-wide participation in the "Service of Tenabracoe."

Holy Communion will be observed at 7:45 p.m., Maundy Thursday evening, March 26.

### You, Your Child and School

By DAVID NYDICK  
UPI Education Specialist

Many ordinary incidents cause concern to parents and they are not sure how to react. Should the situation be ignored? Should sympathy be shown? Here are a few incidents described by readers of this column.

**Question:**  
My son, Billy, who is 12 years old, rushed out of the house to go to the movies with his friends. A few minutes later he came back crying. His friends didn't wait for him. He went up to his room and closed the door. I knew what was wrong and wanted to help. I knocked on his door but was told to go away and leave him alone. I was very upset but didn't know what to do. What do you advise in these situations?

**Answer:**  
Billy wants to be by himself. He'll soon get over his upset feeling. He's trying to act grown up. Let him. Eventually he'll come down and will want to tell you the whole story. That's the time to show understanding. He may not want to discuss the problem at all. Don't push him.

**Question:**  
My daughter, Rose, who is nine years old, became very angry with her best friend. They had a terrible argument. Rose told me not to invite her friend to her birthday party. Her friend's mother called me with a similar story and we were both very upset. We wanted to straighten out the argument. Our husbands told us to keep out of it and let the girls resolve their own problems. What do you think?

**Answer:**  
Your husbands have given

good advice. Your daughters will probably be friends within the next 24 hours. Children do not usually maintain angry feelings very long. It is best that they work out the problem alone. If parents interfere, they may make the situation worse.

**Question:**  
Our son takes advantage of us. He gets what he wants by exhibiting a bad temper. He cries and screams until we give in to his demands. He never acts this way with others. He is a model of good conduct outside our home. What can we do to correct this situation?

**Answer:**  
Your son takes advantage of you because you let him. He has learned that a show of temper will get him his way. His lack of respect for you is simply because you are too lenient. Develop a firm and reasonable set of standards. Make sure your son understands them. Then make sure he follows the rules. Do not submit to his tantrums. A calm strong atmosphere will work wonders with this problem.

**Question:**  
My son feels that the whole world is against him. His mother is always finding fault and never seems satisfied. My son seems to be losing confidence in his ability. He tends to give up on things without really trying. What do you suggest?

**Answer:**  
Your wife must stop this discouraging approach. A child must feel that he is successful in some things. She should start praising some of his activities. Instead of criticizing him, she should make some encouraging suggestions. Her change of attitude is important if your son is to grow into a confident successful adult.

### Worship to Begin At Morning Call For Highland

With the Easter Season upon us for the past few Sundays during the Sunday School Hour at 9:45 a.m., the Adult have been studying lessons that lead up to the death, burial, and resurrection of Jesus.

Morning Worship begins with the singing of the Call to Worship at 11 a.m. The pastor has chosen for his scripture reading, II Kings 2:19-25 with his text taken from chapter 2, verse 19. Mrs. Beigle, the church organist will render the special music and will accompany herself at the organ. The Rev. Mr. Allison will preach on the subject, "CURE OF THE JERICHO WATER."

Training Union will be held at 6:30 p.m. and the class that the pastor is teaching on Baptist Doctrine, followed by the Evening Worship Service at 7:30 p.m. The scripture for this service is taken from Ephesians 4:7-16 and the sermon topic is, "GOD GIVEN GIFTS UNTO MEN."

Services on Wednesday evening begin with the 6:45 period of study on the book, "The Ministry of Visitation," followed by Prayer Meeting at 7:30 p.m. We would invite you to one or all of the meetings held at Highland Baptist Church this week.

### HAIR-RAISING RIDE

IGOVILLE, France (UPI)—Gas station attendant Robert Huart took a hair-raising, 60-mile-an-hour ride on the roof of an automobile Thursday when he jumped aboard in a futile attempt to stop the motorist who had not paid his bill.

Huart, 37, could not maintain his grip and fell off a short distance from his filling station, spraining his ankle.

### Beatitude Series Reach Conclusion

"Peace-Making-Not Peace Keeping" is the sermon to be presented by Rev. Glyn B. Adsit, at the morning worship service of the First Christian Church. It is the final sermon in the series on the Beatitudes.

A special Easter Cantata, "My Heart is Glad" by David Wms. Thornton, will be presented at 4 p.m. Sunday, March 22nd, by the First Christian Church Choir, assisted by guest choir members of other churches in Pampa. Miss Rosemary Lawlor will direct the Cantata, accompanied by Mrs. Wanda Gill at the organ.

The School of World Outreach will present its final session beginning at 5:30 p.m. A film on Southeast Asia will be shown in the Youth building. A service of Communion on Maundy Thursday will be held by the members of the congregation at 7:30 p.m. March 26th. The First Christian Church will participate in the special Holy Week activities sponsored by the Pampa Ministerial Alliance.

### UPSTAGES CLASSMATES

NEW YORK (UPI)—A British student upstaged classmates from other countries Thursday at the annual International Festival of New York University where they all displayed exhibits of culture and art native to their homelands.

The more conventional displays ranged from folk painting and photography to sculpture and fabrics. But Peter Fricke, 23, of Lincolnshire, England, recreated a British pub featuring 40 gallons of donated beer as his cultural exhibit. Fricke is a social-psychology major.

CHICKEN BROIL PALERMO, Sicily (UPI)—Ten thousand chickens were broiled Tuesday in a fire on the farm of Salvatore Sciorriello. Read The News Classified Ads

## Commissioners Take Problems for Study

City commissioners conducted a general study session of city problems in an executive session late yesterday afternoon in City Hall.

A dozen items were on the agenda including problems connected with the Canadian River Municipal Water Authority, water and sewer, sanitation plant, swimming pool repairs, annexation, repairing water storage tanks, seal coating of streets, and other miscellaneous business. No official action was taken.

**FAMILY PROTECTOR**

State Farm's Family Protector insurance provides a lump sum payment as well as a monthly income while your children are growing up—both at a low package rate. (Same good deal as State Farm car insurance.) See your friend for life.

**Harry V. Gordon**  
Your Top O' Texas Agent For 18 Years  
1185 1/2 Alcock MO 4-3861

Commissioners and other city officials merely cleared the way for final disposal at a regularly scheduled meeting.

News media representatives sat in on the session to obtain background material for public dissemination when official action finally is taken on the various problems.

The commission did agree to approve legislation at next Tuesday's meeting for annexation of the east one-half block in Overton Heights Addition No. 2 from 23rd Ave. to 25th Ave.

They also agreed to invite R. A. Underwood and Co. of Dallas, the city's fiscal agent, and Forrest & Cotton of Dallas, consulting engineers to Pampa for a planning conference in connection with a proposed sewage treatment plant.

City Engineer Harold Foreman told commissioners he felt that the present sanitation plant is outdated and in such a run-down condition that construction of a new plant appears to be the most economical solution.

Commissioners were in agreement on using conventional seal-coating for resurfacing streets. They recommended that the city advertise for bids to recondition two of the city's three water storage tanks and to ask bids for the purchase of a 600-gallon asphalt kettle and a 6-ton tandem roller for street repair work.

**Judgment Given Canadian Grocer**

CANADIAN — A judgment in the amount of \$39.18 was awarded Wednesday to a Canadian grocery concern in a suit against a Hemphill County Deputy Sheriff in county court.

Bill Jobe, doing business as the Best Way Grocery, was presented with the judgment in a suit asking payment of an overdue grocery bill.

Defendant in the suit was Deputy Sheriff Billie Starr S. Jobe.

## Absentee Ballots Issued on Vote For School Board

A total of six absentee ballots had been issued by the Pampa Independent School District for the April 4 election of two trustees.

Homer Craig, school business manager, said two of the ballots had been mailed out with one returned to the school office.

Four persons have voted in person in the tax office at Pampa Junior High.

Persons desiring to vote by absentee ballot have until March 31 to do so and are asked to come to the school tax office to cast their ballots or contact Craig to have ballots mailed.

A total of five candidates are seeking two seats on the board. The election will be held at Pampa Junior High school's gym building.

The election will come five days before the next regular meeting of the board on April 9. The board will reorganize on that date, with a new president to be elected.

Other officers to be named at the board meeting will include a secretary and vice-president.

## PHS Takes Honors In Choral Contest

Pampa High School took five first place ratings in the Class AAAA division of the University Interscholastic League choral contest at Canyon Thursday.

The Harvester boys choir received two ratings of one in that division while the Pampa mixed choir was awarded two one ratings.

The Pampa girls choir walked away with one and two ratings by judges in their division.

The choral groups were judged on concert performance and sightreading.

Seeking honors at the meet were choral groups from Borger, Palo Duro, Tascosa, Caprock, Amarillo and Pampa.

was represented by attorney Jim Crow. The suit also sought \$150 in attorney fees and was filed on Feb. 18.

## Obituaries

**Mrs. J. F. Schwind**  
Funeral mass for Mrs. J. F. Schwind will be sung in St. Vincent de Paul Catholic Church tomorrow at 10 a.m. Father Edward Cashman will officiate.

Mrs. Schwind died in Worley Hospital yesterday at 3:25 p.m. She was born Dec. 30, 1880 in Rock City, N.Y., and moved to Pampa in 1935.

Rosary will be recited in the family home, 505 E. Kingsmill, at 7 this evening.

Survivors include three sons, Joseph, Breckenridge; Francis, Perryton; and John, Dallas; five daughters, Mrs. Margaret Dial and Miss Betty Schwind, both of Pampa; Sister Joseph Michael, Amarillo; Mrs. Frank Collins, Falfurrias, Tex.; Mrs. Mary Lesker, Moab, Utah; one brother, Mike Roche, Pampa; two sisters, Mrs. Fred George and Mrs. Mary Roche of Kansas City; 21 grandchildren and 8 great-grandchildren.

Burial will be in Fairview Cemetery beside her husband who died Nov. 21, 1955. Duengel-Carmichael Funeral Home is in charge of arrangements. Grandsons will be pallbearers.

**Mrs. Jess Carpenter**  
Funeral services for Mrs. Jess Carpenter, sister of Ross Byars, 641 N. Faulkner, will be conducted in the First Baptist Church of Mangum, Okla., Saturday at 4 p.m. Mrs. Carpenter died at 11:30 a.m. yesterday.

**Philo D. Boddy**  
Funeral arrangements for Philo D. Boddy, 63, are pending with Duengel-Carmichael Funeral Home. Mr. Boddy died at 6:45 a.m. today in a local hospital.

He was a bookkeeper for Panhandle Heating and Plumbing and a deacon and charter member of Hobart Baptist Church.

Surviving are his wife, Maggie of the home, 1017 E. Murphy; two sons, Don W. Pampa; P. D. Jr., Albuquerque; and Bob, Santa Fe, N.M., and one sister, Mrs. Della Boone, Comado, N.M.

## Burglar Raids City Residence

A house burglary Wednesday and the theft of four stapladders topped the list of complaints at Pampa police headquarters today.

P. M. Enloe of 300 Henry St. reported that someone entered his residence during the night Wednesday and stole three rings valued at \$500.

Enloe missed the rings Thursday and reported the incident to police that afternoon. Taken were two wedding bands and one engagement ring.

Police Chief Jim Conner said someone broke the lock off a chain on a trailer parked at Gibson's Discount Center and took four stepladders from the trailer early Wednesday.

Kenneth Taylor told officers he parked his truck at the firm overnight and was missing two 24-inch step ladders and two four-foot metal ladders.

Taylor valued the missing items at \$17.88.

## Pampa Patrolman Resigning Post

Patrolman Vance Munday, who has been with the Pampa police department for better than a year, tendered his resignation today, effective April 15.

Police Chief Jim Conner said Munday had accepted a post with Christenson Diamond Company of Oklahoma City and would move to that city in April.

The resignation was presented to Conner this morning.

Munday came to work on the department on March 1 of last year and has compiled an outstanding record during his tenure with the department, Conner said.

"We certainly hate to lose Vance," the chief said. "He has done an excellent job for us and the city."

Conner said he would check department personnel lists to determine a replacement for Munday. He said he would attempt to make the replacement known by mid-April.

# Girls' Softball League Planned by Opti Mrs.

Mrs. Lindy Houck was chairman of the girls' softball program to be sponsored this spring and summer by Opti Mrs. Clubs of Pampa. Plans were made for a pageant sale to be conducted in this month.

A fund raising project, a "Sting Bee" is scheduled for April 24, and will be conducted in the Hospitality Room of Citizens Bank from 5-7:30 p.m. The public is invited to attend. Tickets may be obtained from any Opti-Mrs. member. The proceeds will aid the softball program.

A nominating committee, composed of Mmes. Lloyd Summers, Bill Jenkins, Bill MacDonald, W. A. Gipson and Newt Secrest, was selected. Mrs. Jerry Glover was honored with a miscellaneous shower and her mother, Mrs. J. D. White, recognized as a special guest, following the meeting.

## Dear Abby... A Month at Home Will Impress More Than A Look

By ABIGAIL VAN BUREN

DEAR ABBY: I am a 15-year-old girl who is being severely punished for something I did that I don't think was so terrible. I got permission to go to a party at a girl friend's house. My boy friend picked me up at 7:30 and I told my mother I would be home at 11:30. When I got in the car, this other couple suggested driving downtown first. We noticed that a movie we all wanted to see was playing, so we went to the movie instead. We had a snack afterwards and I got home at exactly 11:30 like I said I would. Well, my mother was standing in the doorway waiting for me. She looked at me like I had killed somebody. It seemed she wanted to tell me something, so she telephoned the girl's house where the party was, and I wasn't there. She said she'd been pacing the floor for three hours. I got home when I said I would, and I didn't do anything wrong. Mother grounded me for a month. Was this fair? Just the look on her face when I got home was punishment enough for me.

men in the professions is because a woman's learning capacity is inferior to a man's. He knocks women every chance he gets. I am tired of listening to him blame every misfortune from the Chicago fire to the San Francisco earthquake on women. I'd like to give him a real snappy answer that would shut him up once and for all. Any ideas?

MERE WOMAN  
DEAR MERE: Ask him how come he didn't remain a bachelor. Like his father!

DEAR ABBY: For several years our brother has asked us (his sisters) to select gifts for him to give his wife on special occasions. He tells us what to buy and we do the best we can for the price he wants to pay. For her birthday this year we selected a lovely tapestry purse. A month later she decided it was "homely" and asked us to exchange it for another one, or to keep it ourselves. She has never thanked us for the time and effort of shopping for these gifts. She only raps everything we select. We shop in the best stores and buy only what we would want for ourselves. What should we do the next time our brother asks us to pick out a gift for his wife?

TIME WASTED  
DEAR TIME: Decline the assignment, and tell him why.

Get it off your chest. For a personal unpublished reply, write to ABBY, Box 3365 Beverly Hills, Calif. Enclose a stamped, self-addressed envelope.

For Abby's booklet, "How To Have A Lovely Wedding," send 50 cents to Abby, Box 3365, Beverly Hills, Calif.

PUNISHED ENOUGH  
DEAR PUNISHED: A month of staying home is bound to make a more lasting impression than the "look" on your mother's face. You should have called home when you decided to change your plans.

DEAR ABBY: My husband is a great one for attacking the female intelligence. Whenever he sees a driver do something stupid, he will say, "Must be a woman driver." He claims that the reason there are fewer women than

## Beta Chi Elects Chapter Officers

New officers were elected members of the Xi Beta Chapter of Beta Sigma Chi which met recently in the home of Mrs. Wayne St. Clair, 906 N. Somerville.

Named officers for the year are Mrs. Barney McMullen, president; Mrs. Chick Chittenden, vice-president; Mrs. Jim Meredith, treasurer; Mrs. Dot Francis, City Council representative; and Mrs. Jerry Rayson, secretary.

Those attending were Mmes. McMullen, Howard Buckingham, Leonard Hall, James Scholl, John Plaster, Dot Francis, Jack Vaughn, Chittenden, Grayson, Ralph Esmon, Byron Hilban, Wayne St. Clair and Vernon Hawthorn. St. Patrick's Day decorations were used on the serving table.

An acceptance Tea is scheduled for March 22 and will be conducted from 3-5 p.m. at 840 Evergreen.

## Mrs. Hall Hosts Bridge Club Meet

LEFORS (Spl) - Mrs. Babe Hall was hostess to the Thursday afternoon Bridge Club at her home Thursday.

Present for the afternoon of bridge were: Mmes. Cliff Vincent of Panhandle, Harry Garrison, Carl Barber, Arlie Carpenter, Ed Bryant, Lelia Briening, Ray Chastain, W. R. Combs, Viola Ogden, Clemmie Ross of Pampa and Dunny Goode.

Mrs. Cliff Vincent won high and Mrs. Harry Garrison won second high.

## Pythian Sisters Tell Temple Plans

The Pythian Sisters, Pampa Temple No. 41, held a bi-monthly meeting recently with Marie Parsley, most excellent chief, presiding. Cynthia Erwin was initiated and presented with a membership pin. During the business session, plans were made for the District Convention, which is to be conducted here April 25.

The local Temple was extended an invitation by Martha Hazelwood to attend Grand Temple in Amarillo June 7-10.

It was announced that Pearl Barnard, district deputy, would make her official visit to Temple 55 in Lubbock. Lucille Weathered acted as hostess.

Those attending from the Amariyllis Temple No. 56 were: Alma Ruth Cunningham, Martha Hazelwood, Wilma Pirschel, Coyle Prosser and Lela Payne. Visiting from Borger were: Catherine Webb, Evonne Davis, Hazel Reid and Dorothy Steele. Pampa Temple associates were Bernice Goodlett, Maud Dunwoody, Lela Mae Fugate, Patty Hopkins, Nadean Meers, Ruby Gage, Maggie Smith, Lucille Weathered, Marie Parsley, Cynthia Erwin and Pearl Barnard.

The next meeting will be conducted Monday at 7:45 p.m. at Castle Hall, 317 N. Nelson.

Shawls to Hug You - One of the newest evening fashions to come from the Paris spring showings is the beaded, hug-me-tight shawl that matches or contrasts with a long gown.

## Gray County 4-H Favorite Food Show Scheduled for Tomorrow

The Gray County 4-H Favorite Food show will be held tomorrow in the Court House Annex east of Pampa. Mrs. Jaunita Channell, assistant Home Demonstration Agent, announced.

This is the first food contest this year. The contestants must be actively participating in foods projects during the current year to qualify.

The contestants will prepare a recipe of their favorite food, plan a day's menu including the favorite food, and set a one place setting for serving the food. The contestants will be present to show their food and answer questions during the judging.

The foods will be grouped in one of the four food groups.

They are: (1) milk, (2) vegetables - fruit, (3) meat, (4) bread-cereal. The two top scoring individuals in senior division, in different food groups, and two top scoring individuals in junior division, will represent Gray County in the district elimination April 25, at Canyon.

Judges for this year's favorite food show will be Mrs. Sybil Stringer, County Home Demonstration Agent of Carson County, and Mrs. Kathryn Barjenbruck, County Home Demonstration Agent of Collingsworth County. Mrs. Robert Sailors, Mrs. Billie Cox and Mrs. Ted Atwood, local 4-H food leaders, will assist the judges and be in charge of show, according to Mrs. Channell.

# Visitor to U.S. Notes Many Miss Happiness

A few years ago a visitor to the United States remarked, "I find the American people to be very short on true happiness." Over 1900 years ago the Lord Jesus Christ said, "I am come that you may have life and have it more abundantly." We have an abundance of the things of life, but do we have life abundantly?

Man was created for fellowship with God. When man sinned that fellowship was broken. The only way for man to have true happiness is to come back into that relationship with God through Jesus Christ. Central Baptist Church exists for the purpose of leading men back into that relationship.

The worship services of the church are at 10:55 a.m. and 7 p.m. each Sunday. The pastor, T. O. Uphaw, is bringing a series of messages on the fundamental doctrines of the Bible. At the morning worship hour Sunday he will speak on the subject "The Way Back." This subject "The Way Back" will be saved. At the evening worship hour he will speak on the subject, "Why Revival?"

At the Bible Study hour, 9:45 a.m. provisions are made to teach the Word of God to all ages. Using the Bible as the textbook of the school, the Sunday School performs this ministry of teaching. The Training Union meets at 6 p.m. and gives further instruction and development in the pattern of New Testament living.

Beginning April 3, Central Baptist Church will engage in a series of evangelistic services. Preaching in these services will be Harlan Harris of Colorado. Hugh Sanders will direct the music.

Is your relationship with God what you would like it to be? If not, find the need for your soul in Christ. Central Baptist invites you to worship with them Sunday.

## Services Start to Mark Holy Week

Holy Week Services will begin at the Harrah Methodist Church Sunday March 22, and continue through March 29. Rev. D. C. Read, Pastor of the Harrah Methodist Church, will be with us beginning Sunday night and continuing through Friday night. There will be no weekday morning services. Evening services will begin at 7:30. Miss Edna Sackett and Miss Jerry Hodges will direct the singing and music. A cordial invitation is extended to everyone to attend all services.

The Home Builders Sunday School Class is sponsoring Family night, Friday of this week, beginning at 6:30 p.m. An enjoyable evening of Christian Fellowship is planned for all.

## Congressional Group May Disprove Axiom

By LOUIS CASSELS  
United Press International

A congressional committee is about to disprove the political axiom that lawmakers shy away from religious controversy in an election year.

Plunging headlong into one of the most divisive disputes in American religious life, the House Judiciary Committee has announced plans to begin public hearings sometime next month on proposed constitutional amendments to permit prayer and Bible reading in public schools.

Before the committee are no less than 96 different measures which House members have introduced to overturn the 1963 Supreme Court ruling forbidding religious exercises in public schools.

The proposal with the strongest backing is sponsored by Rep. Frank J. Becker, R-N. Y.

It would amend the Constitution by adding these words:

"Nothing in this Constitution shall be deemed to prohibit the offering, reading from, or listening to prayers or biblical scriptures, if participation therein is on a voluntary basis, in any government or public school, institution or public place."

Celler Opposes Hearing  
Committee Chairman Emanuel Celler, D-N. Y., supports the Supreme Court ruling and would like to give Becker's amendment a quiet burial. But Celler is forced to go ahead with hearings because Becker has obtained the signatures of 161 House members on a discharge petition. If Becker could get 218 signatures — a majority of the House — the amendment would be taken out of the committee's hands and brought directly to the floor for a vote.

Congressional mail is reported to be running heavily in favor of the Becker amendment. Citizens groups have been formed in New York, California, Massachusetts and other states to campaign for restoration of prayer and Bible reading to public schools. The campaign has received the public blessing of Baptist evangelist Billy Graham, Catholic Cardinal Francis Spellman and Episcopal Bishop James A. Pike — three men who have rarely if ever been found on the same side of a public issue.

## Caverns to Draw Thousands Easter

The sublime grandeur of Carlsbad Caverns National Park in southeastern New Mexico will draw thousands of people during the Easter holidays.

"The religious significance is tremendous when one considers the majesty of God and the smallness of man," one visiting minister said.

"I know of no more awe-inspiring sight than that of looking back at the sky from inside the big natural entrance as one first begins to glimpse the wonders of Carlsbad Caverns on the walk-in tour," he continued.

Some people are impressed most by the vast distances in the beautiful setting of the world's largest cavern. Each tour party pauses at the Rock of Ages hill to give visitors time to absorb the magnificent 1,500 foot view back into the arm of the cross shaped 1 1/2 acre Big Room. Here nature seems to have outdone herself in decorating with mighty formations millions of years in the making.

"Never before have I felt so close to God as standing here at the base of the Rock of Ages formation," Sir Harry Lauder said. Long time Carlsbad Caverns superintendent Col. Thomas Boles, who has made more than 5,000 trips through Carlsbad Caverns, declares that each time he sees the timeless Rock of Ages that he too feels that he is in the presence of God.

## Rev. Williams To End Study Series

The Rev. Mr. Loren Williams of the Lamar Christian Church will conclude the study on Moral Man and Moral Society with two sessions beginning Sunday night at 6 p.m. His theme will be "Making Moral Decisions in World Affairs."

Sunday morning the Carol and Chapel Choirs will sing for the worship service. These children's choirs are under the direction of Mrs. Bob Eubanks and Mrs. Lois Fagan. The pastors message will be entitled "They Mocked Jesus" based on the scripture from the gospel of Matthew 26:37-48.

All Sunday evening services will be held at 6 p.m. instead of the usual hour of 6:30 p.m.

Father Anthony Bolman of Manzano, N.M. puts it this way: "If God can permit his creative elements to make such beauty as this, how much greater God himself must be." Many visitors express humility as they think of mankind in relation to the tremendous wonder of Carlsbad Caverns.

"I have seen the holiness of beauty," the Rev. Benjamin Lauser of Nichols, N.Y. said. Another minister observed, "We experience God in his glory, beauty, and majesty in this the oldest and most gorgeous of all the temples made by God."

"What an Easter stroll!" one visitor wrote in the Carlsbad Caverns National Park guest book. No doubt others will make the same discovery as they take the tour more than 750 feet underground at one of the world's most stupendous natural wonders, which is open to visitors every day of the year.

## Congregation to Visit Church for Series of Talks

The Sunday evening services at Lamar Christian Church will be dismissed on March 22 and 29th, so that the congregation may visit St. Paul Methodist Church. The Rev. Loren Williams, minister of Lamar, will be conducting the last two sessions in a series of studies at St. Paul these two evenings.

The theme of the study is "Decision Making in World Affairs." The study begins at 6 p.m. on March 22 and at 6:30 p.m. on March 29th.

Sunday School at Lamar will begin at 9:45 followed by the morning worship at 10:45. The minister will speak on the subject "Know Ye the Time of Your Visitation" taken from Luke 19: 28-44.

A special Maundy Thursday Communion service will be observed at Lamar at 7:30 p.m. March 26. The theme of this service is "Calvary and Main Street." Those participating in this service are Joe Wilson, Mr. and Mrs. John King, Juanita Barber, Hazel Milnes, Brooks Hubbard, R. M. Sieman and G. B. Hogan. Jack Prather and B. F. Smith will be the presiding elders at the Lord's Table. Mrs. G. B. Hogan is president of the Christian Women's Fellowship, the sponsoring group of this service. All members and friends of Lamar Christian Church are urged to attend this service.

There will not be a meeting of Chi Rho Fellowship Sunday evening.

When we say "best" we mean business

THE BEST OF THE BIG CAR MEN... YOUR NEIGHBORHOOD CHRYSLER DEALERS:

JOHN PARKER MOTORS, INC.

301 S. Cuyler

Best big cars you can buy. Our 1964 Chryslers. They're engineered better... backed better than any car in their class. Backed by 40 years of engineering leadership. We're proud as peacocks of all of 'em: luxurious New Yorker. Sports-bred 300. Easy-to-own Newport.

Best deals in town. Big, fair trade-ins. Nice, wide price range, too. We can put you in a big beautiful Chrysler for as little as you'd pay for some models of the low price field. Stop in and talk price with us. Today.

Best warranty in the business—bar none! Chrysler's 5-year/50,000-mile warranty gives you over twice the protection on the vital moving parts that you'd get on other cars. Solid protection for a solid investment. Read what the warranty covers below.

CHRYSLER'S 5-YEAR/50,000-MILE WARRANTY WITH THIS COVERAGE: Chrysler Corporation warrants, for 5 years or 50,000 miles, whichever comes first, against defects in materials and workmanship and will replace or repair at a Chrysler Motors Corporation Authorized Dealer's place of business, the engine block, head and internal parts, intake manifold, water pump, transmission shaft and internal parts (excluding manual clutches, torque converter, drive shaft, universal joints, rear axle shaft differential, and rear wheel bearings of its 1964 automobiles, provided the owner has the engine oil changed every 3 months or 4,000 miles, whichever comes first, the oil filter replaced every second oil change and the carburetor air filter cleaned every 6 months and replaced every 2 years, and every 6 months lubricates to such a dealer evidence of performance of the required service, and requests the dealer to certify (1) receipt of such evidence and (2) the car's then current mileage.

## Rev. Carver Sets Topic for Sunday

Dr. Douglas Carver, pastor of the Pampa First Baptist Church will be in the pulpit for both worship services Sunday. He will preach from the topic, "The Man Nobody Loves" with the text taken from Psalm 142:4 at the 11 a.m. worship. Mr. Joe Whitten, Minister of Music, will direct the Church Choir in singing "March to Calvary" by Maunder. Following the anthem Mr. Whitten will sing "The Fourth Word" from "The Seven Last Words of Christ" by DuBois. Miss Eloise Lane, organist, will play "Lamb of God" by Bizet for the offertory.

The Pastor will speak from the subject, "Working Without Losing Heart" with the text taken from Galatians 6:9. The Chapel Choir will sing "Lord, I'm Coming Home" by Clark. The organ offertory will be "Lament," a spiritual.

On Easter Sunday, March 29, there will be two morning worship services, one at 8:30 and one at 11.

# The Weekly Message Of Inspiration

Attend The Church Of Your Choice

LOREN E. WILLIAMS, MINISTER  
LAMAR CHRISTIAN CHURCH

## THE KING WITH MANY CROWNS

"On His head were many crowns." Rev. 19:12

What will this Palm Sunday reveal to our generation? It was a paradox to those of old and it remains the same to us. Seen from this side of the Cross, Palm Sunday with all its mysteries reveals The King with many Crowns. We are somewhere within the processional which has all the earmarks of defeat yet reveals the ultimate victory and glory of the spiritual nature of His Kingdom and the power of eternal life.

His disciples were slow to understand even as we are now. Sixty years following this great day John, on Patmos, caught the vision of Christ and His many crowns. John remembered seeing the crown of thorns; the beastly cruelty of it all. But as did Paul, John must have also remembered that the crown of thorns became the Crown of triumph over death and the grave.

This, His second crown, became His Lordship over the realms of all evil, even the greatest of all fiendish evils, the desire in Man's heart to kill God. And with this victory our hearts cry out "O death, where is thy sting? O grave where is thy victory" — He arose victor o'er the dark domain.

This third crown, the crown of glory, is worn only in the realm of Glory. We with John envision the throng, such as no man can number, enrobed in white garments. And from this great throng rises psalms, songs of victory and praise: "Holy, holy, holy! all the saints adore Thee . . . Which wert, and art, and evermore shall be." Such glory that even the blind could not fail to see this one as the crown of Universal dominion.

Yes, John saw Christ's ultimate Crown denoting Him King of Kings and Lord of lords moving from a crown of shameful thorns to the crown of universal dominion by the power of Godly love.

A proud and zealous man of the world was noted for his boasting. On one occasion he boasted that he had found a universal solvent. A wise and Godly man called his hand with but one question: "And what will you contain it in?"

We fret and fume about our discoveries claiming them to be universal solvents. Christ, has revealed the solution — Godly love toward all mankind. He has also depicted the container — the human heart.

Let us remember that the Palm Sunday Pageant didn't end that day, but just began. We are in the processional. Some day we shall see the King in all His glory — the King with many crowns.

**Policemen Lose Weight by Ton**

ATLANTA (UPI) — More than two tons of fat have been shed, but Georgia highway patrolmen still have about one and one half tons to go.

The state's 418 patrolmen were ordered to shape up by their boss, Col. Lowell Conner, last June. He ordered diets for those overweight. Conner said Tuesday that "weight loss now stands at 4,391 pounds and there are 2,716 pounds to go."

He said he hopes the troopers will be at normal weight by September, and if they all make it, they will weigh three and one half tons less.

He said not all men were fat to start with, but one trooper has already lost 54 pounds.

**GARLAND IN HOSPITAL**

HOLLYWOOD (UPI) — Judy Garland was under doctors' orders today to rest for a week before resuming any acting or singing chores.

She checked out of Cedars of Lebanon Hospital Thursday where she spent 30 hours undergoing tests that showed she had nothing more serious than an acute case of influenza. The star had been admitted to the hospital as a possible appendicitis case, but doctors decided the flu bug was the cause of her abdominal pains.

### Snead Takes One Stroke Doral Lead

MIAMI (UPI) — Golf's new year swung to an old refrain as they chased Slamin' Sammy Snead into the second round of the \$50,000 Doral Invitational golf tournament today.

The Slammer, at 51, playing shots out of his youth, whipped around the sun-blistered Doral course on the edge of the Everglades with a rousing four under par 33-35-68 which put him one shot on top of the pack in the opening round.

Old Sam, recent winner of the PGA Senior's championship for his 114th tournament triumph, wasn't satisfied. He hasn't won a tour tournament since May of 1961 and he finished second in this one last year.

He sank four birdies, while missing only one green to post 14 pars the rest of the way, and jump one shot in front of a hot sixsome. This group included big Mike Souchak, Ohio Bob Shave, Dave Hill of Evergreen, Colo.; Bert Yancey of Philadelphia, 50-year-old Joe Lopez Sr. of Key West and Ken Venturi of San Francisco.

Jack Nicklaus three-putted three greens but still whipped out a two under par 35-35-70 which put him in that bracket with nine other hopeful challengers. And Arnold Palmer, off to his worst start in eight years, scrambled mightily. He went for an even par 72.

The 70 group with Nicklaus included Billy Casper and Jay and Lionel Hebert. Another shot off the pace at 71 was a host which included Big John Barnum, Art Wall, Ed Furgal and Chi-Chi Rodriguez.

Stacked up at par 72 with Palmer came Dow Finsterwald, Pete Cooper and Chick Harbert while at 73 were Gary Player, Tony Lema, Cary Middlecott and Dutch Harrison.

MOBEETIE CINDER-KICKERS — Coach Cecil Reynolds gives the word to the Hornet track team. From left, stand-

ing, are Cary Jack Johnson, Bradley Trout, Eddie Whitten, Ray Corcoran, Eddie Vowell, Eddie Hodges, Gerald Gudge. Kneeling are coach Reynolds and Ray Kelley.

### Mobeetie Coach Hopes to Take Second Spot in District Clash

MOBEETIE — The Mobeetie Hornets, with a veteran baseball crew, will be gunning for revenge on Quail and first place in the district baseball race this year.

One of the few Class B baseball teams in the area, the Hornets finished second in the loop last year, behind Quail, headed by ace pitcher Deadly Dale Morris.

Mobeetie graduated only three starters last year, although one of them, Charlie Risner, was the number one pitcher and alternate catcher. Also gone are second baseman Robert Kelley and catcher Rayburn Corcoran. Replacing Risner will be the

main problem, although number two pitcher Gerald Gudge is expected to take over the regular chores along with Billy Whitten. Coach Cecil Reynolds also has high hopes for a transfer student from Pampa, J. C. Gudge.

Cary Jack Johnson is back at first base, Bradley Trout at shortstop and Eddie Vowell at third base. The veteran outfield has Big Ray Corcoran in left field, Eddie Hodges in center and Whitten in right.

Several candidates are battling for second base, with Little Joe Kelley leading the challenge. Newcomers out-for-4 are Jerry Barton, Lonnie Trout, Cecil Beal and Jimmy King. Reynolds reports all indications are that the Hornets will be a hard-hitting crew. If they can get their potent bats going against Morris, Mobeetie may find this the year to break the title drought.

District play starts April 7 when the Hornets host Samnorwood, going to Quail April 14, and hosting Hedley April 21. The second go-round puts Mobeetie at Samnorwood April 28, Quail at Mobeetie May 5 and Mobeetie at Hedley May 12. Reynolds hopes to get in as many pre-district games as he can, with the possibility of playing Pampa B a home-and-home.

### Baseball Off

Today's scheduled baseball opener with Hereford has been called off, announced Pampa High School athletic director Weldon Trice this morning. The game, which was scheduled for Optimist Park at 4 p.m., has been postponed due to the bad weather of the last three days and this morning's snow.

The game will be rescheduled for a later date, said Trice, possibly Monday, Mar. 30.

Tomorrow's scheduled doubleheader at Dumas is expected to be played as planned, said Trice, as weather reports indicate sunnier skies for Saturday. If the weather continues bad, those games will also be rescheduled for a later date.

### Harvester Cindermen Eye Lubbock Effort

Weather permitting, the Pampa Harvester track team will leave early tomorrow morning for the one-day Lubbock Invitational Track Meet. Fellow competitors will be favored Midland High, threats Odessa, Lubbock and Monterey, Negro powerhouses Lubbock Dunbar and Amarillo Carver and Plainview and Borger.

Midland, fifth at the West Texas Relays in Odessa last week, is figured to be the top team in the meet by PHS coach Norm Phillips, principally due to the one-man gang efforts of 217-pound junior Ross Montgomery. Montgomery has clocked the third fastest 100-yard dash time in the state, a 9.8, and the second fastest 200 mark, 22.0. He is also a strong field events competitor. "They have plenty of depth at Midland, too," warned the Pampa pipe-puffer, "and several more top sprint boys."

Odessa, which finished fourth at Odessa and Monterey, sixth at Odessa and Monterey, sixth are strong threats, while Lubbock High has two of the best hurdlers in the state. Dunbar and Carver completely dominated the small schools division at Odessa.

Montgomery will meet strong competition in the 100, as Nelson Huff of Carver has a 9.9 time and Art Carroll of Lubbock a 10.0. His only 220 threats will be Don Jones of Amarillo and Jerry Bryant of Plainview, each with 22.7. Herbie Lomax of Amarillo (5.19) will be the 440 favorite.

Another standout race will develop in the 880, Jimmy Hopson of Lubbock has been clocked in 2:00.3. Mark Westbrook, the versatile record-holder out of Pampa, will switch back to the half-mile this week. Westbrook has a 2:02.5 clocking.

The 440-yard relay is expected to be a battle between Carver (43.4) and Lubbock (43.6). Tim Garrison of Lubbock, with a 14.9 in the highs and 19.7 in the lows and teammate Art Carroll with a 19.0 in the lows are expected to dominate the hurdles.

Little Butch Crossland is figured to be Pampa's chief threat, in addition to West-

vesters improve on their heretofore disappointing showing.

For the first time this year, Pampa will enter a sprint relay team in a meet, composed of David McDaniel, Crossland, Lewis Meers and Red Griffith. Griffith, McDaniels and Charlie Walker will enter the 100, McDaniel, Walker and Meers the 220, Jimmy Jamieson and Rock Heil the 440.

Waylon Bullard and Randy Johnston will be in both high and low hurdles, Jesse Washington and Carl McLoughlin in the mile. Phil Hall, whom Phillips figures to improve considerably, will join Westbrook in the 880.

Jamieson, Griffith, Heil and Williams will make up the mile relay squad. In the field events, it will be Williams in the high jump, Crossland and Griffith in the broad jump, Hank Henry in the pole vault, Robert Melton and Big Billy Quarles will put the shot and Carl Johnson and Myron Scribner will throw the discus.

Phillips also has high hopes for San Williams in the high jump and is hoping the Har-

### Jackson's Big Worry: Which Sport to Play?

EDINBURG, Tex. (UPI) — in college, concentrating his energies on a spectacular basketball career, but was an all-around football player at Moore-milair basketball court — and doesn't know which way to La.

The 6-foot-9 Pan-American Press International small college all-star ratings the past Thursday he had received an offer of a contract from the Dallas Cowboys of the National Football League. He would try out as an end.

Jackson is also expected to be the first round choice in the National Basketball Association draft.

"I am undecided as to which I can do best," Jackson said. Jackson didn't play football

### Plainview Baseballers Tagged As Dark Horse in Diamond Race

(EDITOR'S NOTE: Another in a series on District 3-AAAA baseball teams).

By BOB HILBURN  
Plainview Herald Sports Editor  
There are indications that Plainview High School's 1964 baseball team, which opened its season Tuesday in Hereford with a win, could be one of the best produced here in several years.

Four years ago the team tied for third in 3-AAAA. They haven't finished that high since. If a few unknown quantities like pitching depth and defense shape up, the Bulldogs could be a surprise threat in 3-AAAA.

On the plus side are:  
EXPERIENCE: A number of starters return, and several 1963 squadmen are on hand. At five positions starters return. Two more are manned by 1963 squadmen, and the eighth is taken over by boys who have pushed out squadmen from last season.  
PITCHING DEPTH: Three hurlers return from the 1963 team, including senior Phil Stephenson who was a front line starter last year, while both Lloyd and Leach saw mostly relief work. But all three got experience during the school or American Legion season.

OFFENSE: Back are some outstanding hitters, like Tom Sawyer and Manual Nagar. Yet among the missing are power hitters Tommy Thomas and Billy Carthel. Young players look good at bat but are unproven under game conditions.

COACHING STRENGTH: In only one prior season have the Bulldogs had two coaches. Two years ago Andy Gardenhire and Bill Phillips did the job. In 1960 Miler McGahey coached the team with assistance from Buzz Warren. McGahey (1961) and

Ben White (1963) had it solo. But charged to the deficit side of the ledger must be these problems:  
LACK OF COACHING CONTINUITY: In the past four years eight different coaches will have worked with the Plainview high school and Legion baseball team. It takes any coach time to teach athletes his type of play.

UNPROVEN PITCHING: While hurling depth is better than usual, pitching effectiveness is unproved. Only Stephenson was a regular district hurler last season. Pitching is a major factor in high school baseball, and at least several district teams are known to have proven pitching.

DEFENSE: This could be a plus — or a minus — factor depending on how well the team members acquire baseball thinking. An old pro once said "If you don't know what you're going to do with the ball before

you get it then you never will." With seasoned glove men like Tommy Jurcak, Nagar, Lonnie Wittfield and Eddie Piercy back, the infield could be sharp. Outfield should be no big problem.

The potential is there. How much of it will develop will be shown in the next several weeks. The Bulldogs, for the first time since 1961, return to Jaycee Park on a full-time basis this season. Last year home games were played there but workout was at the park west of Estacado.

This year, courtesy of the City, the team returns to Jaycee Park — best high school baseball park in 3-AAAA.

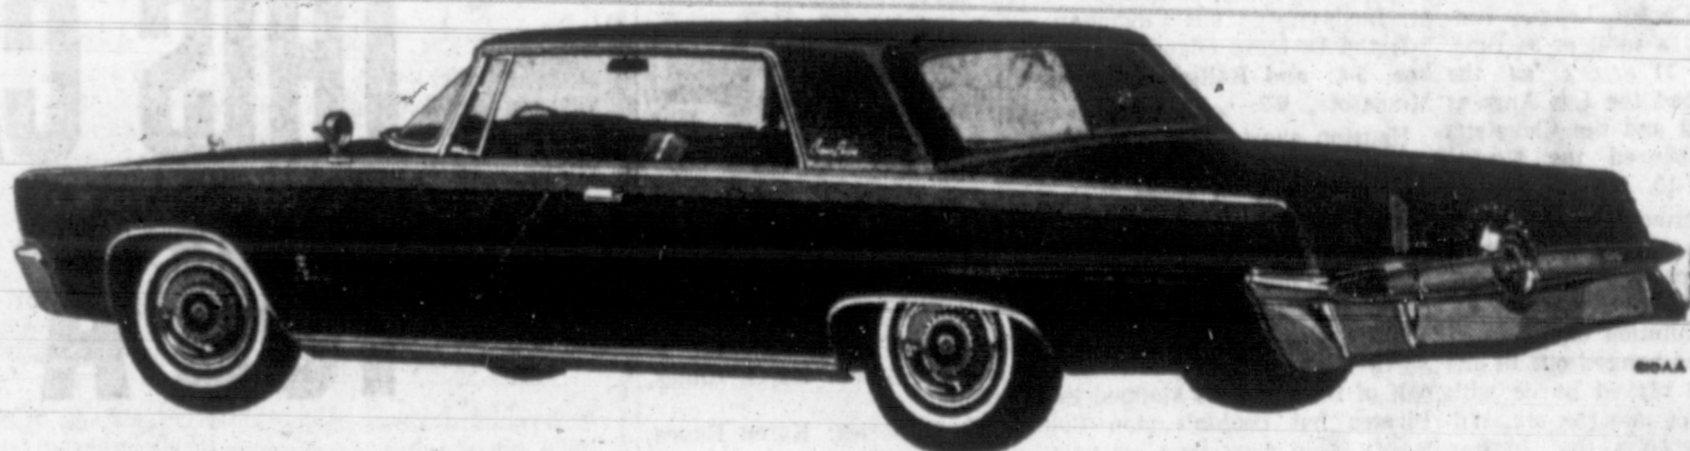

Coaches Harold Green and Gene Mayfield have been drilling their charges full force the past two weeks, aided by a brand new pitching machine — first in the school's history.

Team members, by position, are:  
PITCHERS — Phil Stephenson, right-handed senior; Tommy Lloyd, right-handed senior; Randy Leach, left-handed junior; Baxter McAlister, right-handed sophomore; Tom O'Donald, right-handed junior; and Dub Goodwin, right-handed sophomore.

FIRST BASE: Ronnie Peret and Ronald Fagan.  
SECOND BASE: Tommy Jurcak, Roger Grant and Timmy Timmons.

SHORTSTOP: Manual Nagar, LaDrue Jordan.  
THIRD BASE: Lonnie Wittfield, Baxter McAlister.

CATCHER: Eddie Piercy.  
OUTFIELD: Tom Sawyer, Gaylon Gaddard, Richard Clark, Harold Scroggins, Larry Vrisler, Mike Thomas and Eddie O'Donald.

In Texas, as of January 1, more 1964 Imperials had been sold than were delivered during the first 6 months of Imperial's 1963 model year. Eloquent testimony that fine-car buyers are turning to Imperial in unprecedented numbers this year.

### Sporting Sidelines

by JEFF COHANE

Editor's note: According to a recent article in the Fort Worth Star-Telegram, several coaches have been unhappy about Randy Matson's exhibition throws at several track meets. Following is the article, by Dick Moore. It seems obvious, from our viewpoint, that some coaches are out of the fact that a freshman, in an exhibition, is making their vaunted eight men look like high schoolers. However, we feel that the opportunity of seeing "one of their own" qualify for Olympic honors should overshadow any feelings of jealousy. We wonder how these same coaches, most of whom tried desperately to recruit Randy, would be feeling if he had been landed for their school.

okay as long as Randy did not compete with others.

By DICK MOORE  
Oliver Jackson once delayed for one full year the departure of his Abilene Christian College track team from the college ranks to the university division—for a sound reason.

"IF HE DID, that would be counted as a freshman meet. As you know, freshmen are allowed to participate in only five meets," added Thomas.

Jackson did it with one purpose in mind: "Bobby Morrow was a freshman. I wanted him to run in a meet every weekend to get the needed seasoning for the next Olympic year."

Thomas, who missed making the 1952 Olympic team in the 200 meters by one step and one place, believes Matson would still be a strong candidate for the Japan trip with or without the exhibitions.

Everyone knows the rest. Morrow became the toast of Melbourne, Australia, with victories in the 100 and 200 meters in the 1956 Olympic Games and anchored the American 400-meter relay team to a first place.

Randy doesn't travel with the Texas A&M team to the meets. The West Texas Relays officials flew him to Odessa.

Now a freshman at Texas A&M is striving for an Olympic berth in the shot put with a series of "exhibitions."

"HE DIDN'T stay in the same hotel with us," said Thomas. "This helps him and I believe Randy helps track. There are a few people interested in seeing him throw. And he hasn't missed a single class."

BUT GRUMBLINGS have come from the Southwest Conference ranks about Randy Matson's exhibitions.

Thomas is highly pleased with the consistency Matson is developing in his shot putting. "He hit 62-2 1/2 at Odessa. I don't think you'll see him dropping under that now," he predicted.

His coach, Charlie Thomas, heard the criticism at the West Texas Relays in Odessa last week-end.

Thomas also says Matson is getting out over the toe board and "using the advantage of his height (6-foot-7) to increase his distance. He's getting more height, too. Randy seldom fouls."

"One coach told me: 'If you can let Matson compete in an exhibition, I ought to be able to let my freshman mile relay team run in an exhibition,'" related Thomas.

Thomas immediately proposed to scratch Matson from the meet if the other coaches objected.

THE SUGGESTION by Thomas was rejected.

MATSON WILL take part in his first freshman meet at College Station this week against Rice and Texas. A week later at San Angelo, he'll be in an open AAU sanctioned event with freshman Toby Belt of Texas and Dwight Hood of Baylor.

Thomas already had planned it that way.

Randy received an invitation this week from the Drake Relays where he'll probably face the biggest names in the shot put circles — Parry O'Brien, Dallas Long and Gary Gubner.

"I checked with the conference office before these exhibitions were set up. I definitely did not want to do anything that would harm Randy's eligibility. I was told the exhibitions were

rejected because of the fact that a freshman, in an exhibition, is making their vaunted eight men look like high schoolers. However, we feel that the opportunity of seeing "one of their own" qualify for Olympic honors should overshadow any feelings of jealousy. We wonder how these same coaches, most of whom tried desperately to recruit Randy, would be feeling if he had been landed for their school.

### Randy To Put In Frosh Shot

COLLEGE STATION, Tex. (UPI) — Randy Matson, the Texas A&M shotputting wonder, will try to uncork one of his massive throws during a double feature track meet here Saturday.

Matson will be competing for the A&M freshmen for the first time when they face the frosh from Rice and Texas. The varsity track team meanwhile, will take on the varsities from Rice and Louisiana State.

### Joe Strawder Key To NIT Champion

By JOE GERGEN  
UPI Sports Writer  
NEW YORK (UPI) — Joe Strawder, Bradley's 6-foot-9 senior center, will be the tallest man on the court Saturday afternoon when the Braves oppose New Mexico for the National Invitation Tournament championship — which is one reason why he will be the center of attention.

The other reason is that in all probability Strawder holds the key to the final game, in which Bradley seeks its third NIT title. The Braves, and in particular Strawder, humbled Army Thursday night, 67-52, to advance to the finals after deliberate New Mexico defeated New York University, 72-65.

Strawder was an inconsistent performer most of the season but still finished as Bradley's second-highest scorer and leading rebounder. After a listless showing against St. Joseph's in the NIT quarter-finals last Saturday night, Strawder was benched in favor of 6-foot-3 sophomore Ernie Thompson.

But Strawder didn't sit down for long. Thompson drew his second foul with 13:42 remaining in the first half and the score tied, 10-10. Strawder's entry sounded the death knell for Army's Cinderella hopes as he led the Braves on a 17-2 spurt with 10 quick and easy points.

Happy Hairston was the high scorer in the game with 26 points, and Kramer added 14 for NYU. In addition, Hairston scored six of the Violets' last eight points when NYU made one final try for victory.

First Half Surge  
Strawder finished with 19 points for the half, by which time Army trailed 40-24. The biggest Brave was removed from the game early in the second half when he suffered a slightly sprained ankle. He did not score another point for the night, but the damage already had been done.

New Mexico, playing in its first NIT and seeking to become the sixth team to win the title in its first appearance, will make things very difficult for Strawder, especially with

6-foot-8 Ira (The Large) Harge at center.

Harge, one of the finest defensive centers in the nation, scored 14 points and blocked seven shots despite being in foul trouble throughout much of the game.

He and Mike Lucero, who outscored NYU's Barry Kramer were the outstanding exponents of New Mexico's favorite weapon—defense. Harge continually bottled up the Violets underneath the basket, and Lucero held Kramer with a field goal for the entire first half.

Close Rattle  
NYU, trailing 27-31 at the half battled back to tie at 37-37 with 17:04 remaining in the game on Kramer's first basket of the game. The two teams deadlocked nine times until Lucero, for New Mexico with 18, shook loose for a layup with 3:28 left.

The Lobos, re-employing the same tactics that carried them past Drake in the quarter-finals then controlled the ball for almost two full minutes before Dick (Boo) Ellis got free underneath for two insurance points.

Young Adsit downed Red Ak in by scores of 6-3 and 6-2 in his first A-singles effort of the year. Then the youngster turned around and blasted Jim Lofland in B-singles by 6-1 and 6-0.

The double victory by Adsit set the stage for Vic Keyes and Roy Milliron to score victories over Rusty Scott and Dickie Moore in the B-team doubles action by 6-0 and 6-4 scores.

The lone defeat came in the varsity doubles when Ronny Butler and Akim downed Tim Eiler and Joe Fischer by counts of 7-5, 6-6 and 6-3.

Kival, who summed up the victory at Perryton as "a continued improvement of the squad," said the Harvester netters will see battle Monday in a match play effort at Dumas with the Demon netters.

### Eads Paces Net Victory At Perryton

PERRYTON—Rolling up four victories in five matches, the Pampa Harvesters downed Perryton High School handily here Thursday in their second match play effort of the year.

Coach Roy Kieval's squad picked up victories in two A-team singles matches, the B-team singles and doubles matches and dropped only the varsity doubles.

The victories continued the team's two-year winning streak in head-on-head matches. The Harvesters have not lost a head-on-head match in two seasons.

Gene Eads overpowered Darrell Boone in the A-singles with a comeback victory in three sets, losing the first one 5-7, then smashing Boone 6-2 and 6-0 with a fine display of backhanded strokes.

But Coach Kieval's biggest surprise of the day came in the A-singles match that gave sophomore Tim Adsit a chance to show his steadily improving form.

Young Adsit downed Red Ak in by scores of 6-3 and 6-2 in his first A-singles effort of the year. Then the youngster turned around and blasted Jim Lofland in B-singles by 6-1 and 6-0.

The double victory by Adsit set the stage for Vic Keyes and Roy Milliron to score victories over Rusty Scott and Dickie Moore in the B-team doubles action by 6-0 and 6-4 scores.

The lone defeat came in the varsity doubles when Ronny Butler and Akim downed Tim Eiler and Joe Fischer by counts of 7-5, 6-6 and 6-3.

Kival, who summed up the victory at Perryton as "a continued improvement of the squad," said the Harvester netters will see battle Monday in a match play effort at Dumas with the Demon netters.

### JUDO AT FIELDHOUSE

A women's judo class will be held every Saturday at 4 p.m. at Harvester Fieldhouse, beginning tomorrow, for girls 13 and older, announced A. C. Higgins, local judo instructor.

There will be no charge for lessons. Anyone interested should be at the Fieldhouse tomorrow with clothing suitable for tumbling.

### IRISH CO-CAPTAINS

Walt Sahn of Indianapolis and Jay Miller of Goshen, Ind., have been elected co-captains of the 1964-65 Notre Dame basketball team.

Kival, who summed up the victory at Perryton as "a continued improvement of the squad," said the Harvester netters will see battle Monday in a match play effort at Dumas with the Demon netters.

### FIGHT RESULTS

By United Press International  
WORCESTER, Mass. (UPI)—Lloyd Marshall, 130, Newark, N.J. knocked out Hector Rodriguez, 130, Providence, R.I. (3).

LOS ANGELES (UPI)—Hiroyuki Ebihara, 113, Tokyo, Japan, outpointed Fabian Esquivel, 113 1/2, Juarez, Mexico (10).

### COACHES TO ASSIST

KANSAS CITY, Mo. (UPI)—Coach Joe Brehmer of champion Rockhurst College and E. D. (Gus) Fish of Emporia, Kan., State, will assist head Coach John McLendon of Kentucky State in directing the NAIA team at the Olympic basketball trials in New York April 24.

### Major League Roundup

By CURT BLOCK  
UPI Sports Writer

Baseball's lines were clearly drawn Thursday with pitchers dominating the action in the South and the batters ruling the roost in the Southwest.

Houston Colts nipped the Chicago White Sox, 1-0, in 12 innings. The New York Yankees shut out the Pittsburgh Pirates, 2-0; the New York Mets zipped the Detroit Tigers, 5-0; Philadelphia beat Washington, 3-1.

The two Cactus League contests yielded a total of 54 runs, 77 hits and 11 errors as the Giants clubbed the Los Angeles Angels, 15-12 and the Cleveland Indians clobbered the Boston Red Sox, 17-10.

St. Louis nosed out Cincinnati, 3-2; the Dodgers edged Milwaukee, 5-4; and Baltimore belted Minnesota, 6-2.

Houston shortstop Eddie Kaso doubled off Bruce Howard of the White Sox to score rookie Mike White with the game's only run. Gordon Jones, a veteran on the Oklahoma City roster, earned the victory.

Bill Stafford, Roland Sheldon, Steve Hamilton and Tom McCall of the Yankees stopped the Pirates but couldn't stop Bob Bailey, who went four for four. Bailey, playing left field, was hit safely 11 times in 14 at bats this spring.

San Francisco's victory made it six in a row and 10 out of 11 for the spring season, equaling their win total for the entire 1963 exhibition campaign.

Carl Willey, Craig Anderson and Ron Locke pitched three-hit ball and first baseman Bill Haas homered in the Mets' second spring win.

Both teams banged out 19 hits as the wind played havoc with every ball hit into the air. Willie McCovey was the batting star for the Giants with three singles, upping his average to .520 and his consecutive hit string to 10. Willie Mays appeared as a pinch hitter and doubled. He is hitting an even .500.

Art Mahaffey, who won only seven games last year when bothered by a sore shoulder, went five shutout innings for Philadelphia and hard-hitting Richie Allen and glove man Bobby Wine had homers against the Nats.

Cleveland jumped on Gene Conley for eight runs in the first inning as Boston absorbed its 10th defeat in 12 games. The Indians belted 23 hits while the Red Sox had 16, including homers by Dick Stuart, Carl Yastrzemski and Lu Clinton.

In the Grapefruit circuit, the

# Fourth Annual Pampa Ski Club Boat Show Opens Tomorrow

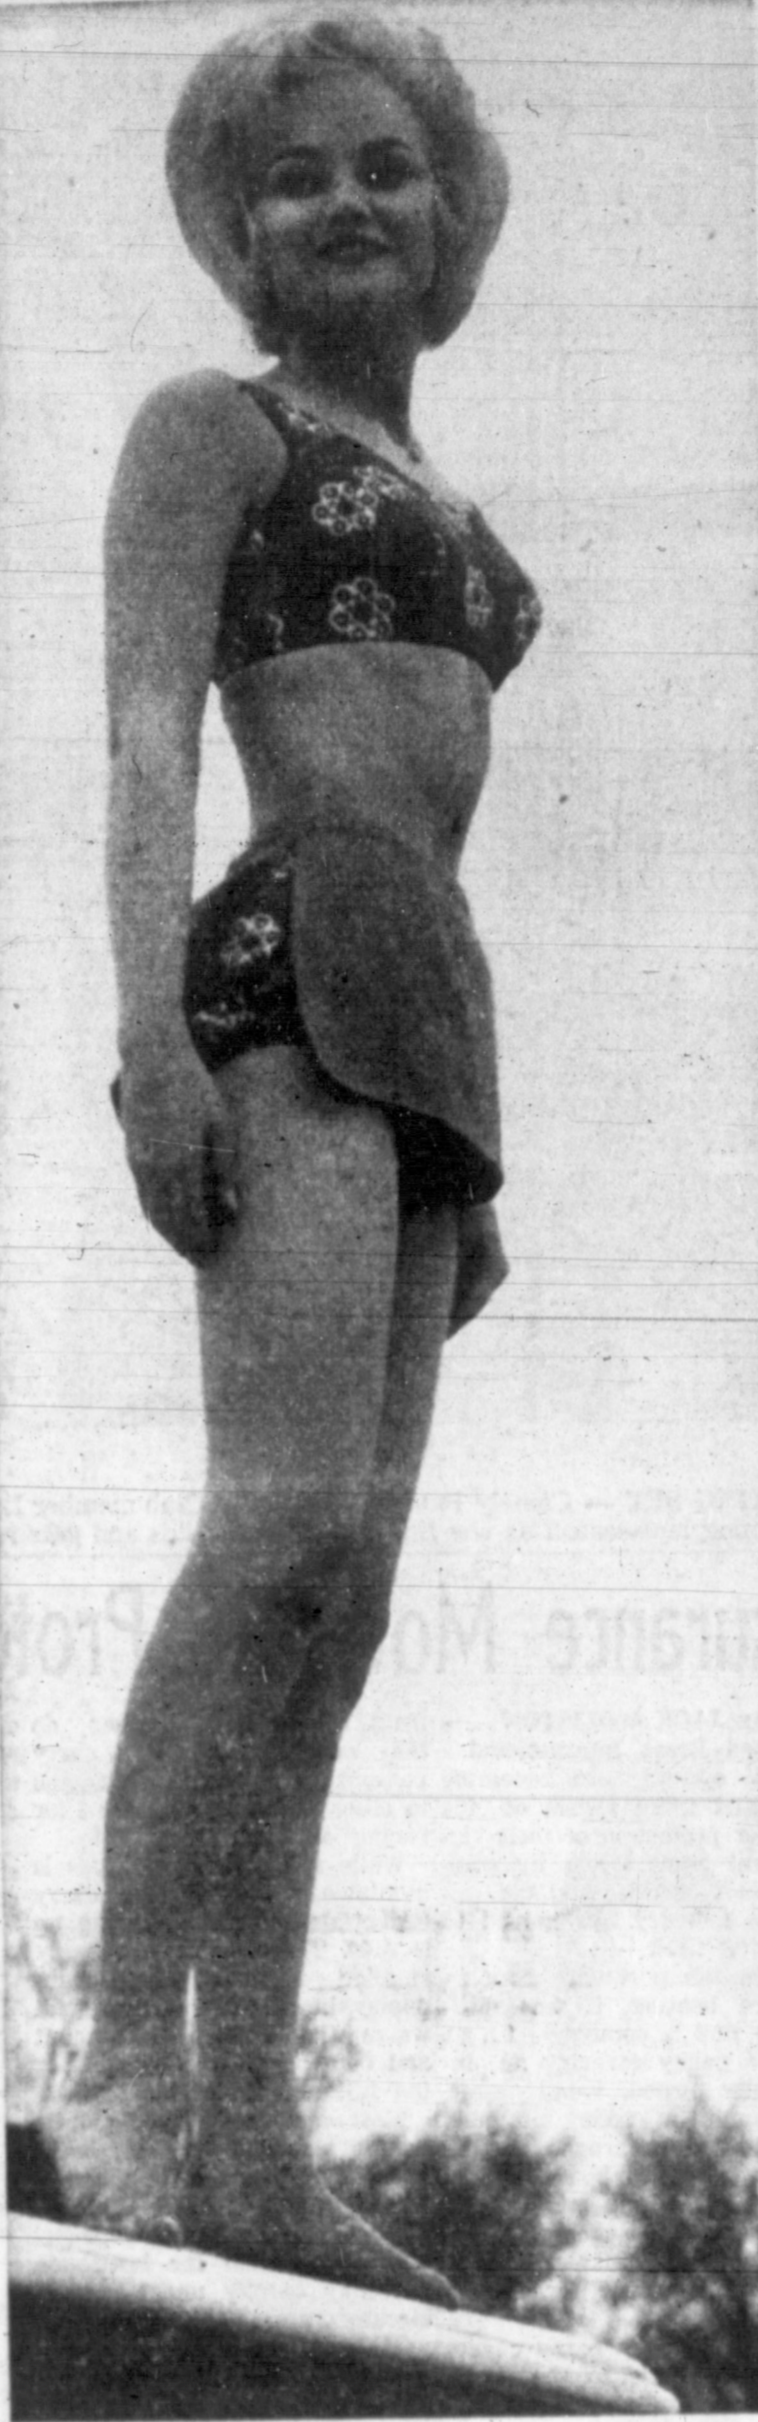

## Construction on McClellan

By B. Davis, Chairman of Steering Committee for the McClellan Creek Watershed Dam, and Arneal Scott of Gray County Soil Conservation District, have announced the program for construction of approximately 12 new dams on the McClellan Creek. It has been proven feasible to construct a dam on the McClellan Creek in order that our judges would be better qualified for the summer tournaments and to encourage new people to become judges. The Panhandle Boat-Ski Federation was formed January 18th with the purpose of coordinating the activities of the Panhandle boat and ski clubs and to aid in preparation of rules and regulations equitable for use on lakes in the Texas Panhandle and in particular on the Canadian River Dam.

## Boat 'n Ski Club Enjoys Activities

By YOBY SOUTHARD  
The Pampa Boat and Ski Club enjoyed a variety of activities during the year 1963. The year was started with a boat race held at Lake McClellan January 1st, which was followed with a Judging School starting January 11th. This school was held in order that our judges would be better qualified for the summer tournaments and to encourage new people to become judges. The Panhandle Boat-Ski Federation was formed January 18th with the purpose of coordinating the activities of the Panhandle boat and ski clubs and to aid in preparation of rules and regulations equitable for use on lakes in the Texas Panhandle and in particular on the Canadian River Dam.

February unveiled the best ping-pong players of the Pampa and Lubbock clubs with a tournament held in Pampa. There was also a basketball game between these two clubs, in which Pampa was victorious. Guest Night was held February 16th at Pam-Cel Hall with all members bringing prospective members.

## Affiliate of AWSA Ski Group

By PAT ENLOE  
Most modern day clubs are now affiliated with a national organization and the Pampa Boat and Ski Club is an affiliate of the American Water Ski Association whose headquarters are in Winter Haven, Fla. AWSA has probably done more for promoting safety and sportsmanship in the field of water sports than any other organization.

Perhaps more recognition is given to AWSA in the competitive skiing field. Rules, regulations and qualified judges have made for better tournaments, an increased interest in water skiing nationwide and above all - safety on water. A skier no longer just straps on a pair of skis, learns the sport, and then becomes disinterested. The skier is now offered a larger challenge in the slalom (one ski), trick skis (turnarounds), and jumpers. In most cases a skier can excel in two out of three.

A tournament sanctioned by AWSA brings in the top talented skiers, is run strictly by the rules and affords all viewers, skiers, and non-skiers alike, quite a thrill.

Due to the greatly increased interest in competitive skiing, water skiing techniques have reached a level that would have seemed impossible half a dozen years ago and a few years from now the present standards may seem commonplace. Jumping distances went from the 130's to the 150 foot range in five years, trick points shot from the 1500's to the 3400's in the same period and slalom skiers do not even cringe at the short ropes and greater speeds today.

The Nationals which were held at Long Beach, Calif., last August were perhaps the most exciting in the history of water skiing, as Larry Penacho, a young man who had sustained a triple fracture in the early spring came back after a summer of no skiing and placed first overall because of his spectacular jumping ability. Through contributions donated by AWSA and its members we were able to send a ski team to Vichy, France, in September. (See AWSA, Page 13)

## Boats, Bathing Beauties Keynote Water Exhibition

Boats and bathing beauties will be the keynotes of the Pampa Boat & Ski Club's annual Boat Show, which will kick off at 9:30 a.m. tomorrow with a parade. Starting at Pampa Junior High School, the parade will move down North Cuyler, and out the Miami Highway to the National Guard Armory, where the show will run from 10 a.m. to 10 p.m. Saturday and from noon until 6:30 p.m. Sunday.

Boats of all sizes, boat motors ranging from three to 100 horsepower, fishing equip-

ment, water ski togs, skin diving gear and sporting goods and accessories will be on display for the show.

Style shows will be held twice daily, with over a dozen lovelies displaying the latest in waterski and swim wear for the ladies. One of the models will be chosen as Queen of the Boat Show by audience vote, and will be announced Sunday at 5 p.m.

Throughout the show, color films of the 1963 national American Water Ski Association championships will be shown.

September	—Closed Club Tournament, Pampa

July, August, and September were very busy months taking in out of town tournaments in the Panhandle area and the Regional Tournament at Beaumont, Tex. Ice cream, watermelon, and salad supper socials were held during July, August, and September, also, with ping pong and bridge.

The first of three main annual socials was the Halloween Party held October 26th at Pam-Cel Hall; Tommy Sells received the award for best male costume and Nancy Brown received the best female costume prize. The Membership Committee held a Guest Night covered dish supper in November, also at Pam-Cel Hall. The second main social event of the year was the Christmas Banquet, held December 7th in the Starlight Room of the Coronado Inn. Awards were presented to the most improved male and female skiers, Junior Caswell and Nancy Brown, and to the person who contributed most to the club during the year, Ray Duncan. 1964 officers were installed - Bill Stephens, president; Tommy Sells, vice president; and Iris Day, secretary. Directors chosen were Jimmy Keel, H. L. Meers, Yoby Southard, Roy Pool, and Ray Duncan.

The club entered a float in the Christmas parade and held (See ACTIVITIES, Page 12)

## Texas' Lake Boom Spreads Skin Diving

By VERN SANFORD  
Texas' boom in man-made lakes has opened many new frontiers for the outdoorsman. But perhaps the least-known pastime of all is skin diving. This is a fascinating sport and one that is learned easily. It opens many new and exciting hobbies, such as spearfishing, underwater photography or just exploring along the floor of a lake.

Although interest in skin diving has grown tremendously in the last few years, it is not a learn-it-yourself sport. No would-be diver should attempt it without first becoming thoroughly familiar with basic diving fundamentals, the equipment used and his physical capabilities.

Skin diving includes both snorkel and SCUBA diving. The first requires only a face mask, swim fins and a snorkel tube. It is the way most divers get started. SCUBA diving, which gets its name from Self Contained Underwater Breathing Apparatus, requires quite a bit of equipment, including an air tank and the necessary attachments. The tank or lung is strapped to the diver's back. Air is passed from the tank to the diver through a regulator, tubes and mouthpiece. The regulator on the tank reduces the air pressure to a comfortable breathing level. Exhaled air passes through a flutter valve and produces the familiar bubbles seen on the surface.

Advantage of SCUBA diving is that it allows the diver to remain under surface for long periods of time and permits him to dive to greater depths. Any attempt to learn SCUBA diving merely by reading a newspaper article, magazine story or for that matter an instruction book, would be foolhardy. Learn the sport under the guidance of an expert skin diver.

In areas where organized instruction courses are not available, it is often possible to contact an individual who is qualified and willing to act as an instructor. Several skin diving clubs have been formed in Texas and most of the major cities have one.

Before you even think about taking up skin diving, consider your physical condition. Age is seldom a factor but people with heart or chronic respiratory ailments should not become skin divers. It is a rather rigorous sport and should be attempted only by people in reasonably good health. Skin diving is governed by several easily learned common sense rules. Perhaps the most important piece of advice a beginner should remember is never dive alone. Skin diving is safer and a lot more fun when the buddy system is used. Once you have mastered the basic diving techniques, a whole new world will be opened to you. (See SKIN DIVING, Page 12)

# 'Old Salts' Lost Among New Nautical Language

Newspaper Enterprise Assn. Salty phrases are slipping out of the language of pleasure boating. Scientific terms are easing in. Rare is the runabout skipper that shouts "Ahoy!" any more. If he were told to "belay the jigger downhaul" there's no telling what he'd try. He probably has never seen oakum, once used to keep seams from leaking. If he started to apply it with caulking iron and mallet, he'd probably split his hull. Say epoxy resin, though, or gel coat pigment, Dynel fabric or glass fiber-reinforced laminates and you're talking his language. The old salt might guess polyester was a two-named Southern belle, but most modern boatmen recognize it and the other terms as ingredients of a plastic hull.

An outstanding new boating bonus from the test tube boys is called Thiokol polysulfide polymer. Fortunately, it shows up under a variety of shorter trade names, but the cans usually mention it on the label. As a sealant that won't harden or dry out, it may make leaky seams a plague of the past. Some forms come in two cans which are mixed just before use. In four to seven hours it's no longer sticky. In a day it turns into rubber and is cured forever. Then it's so tough that wood it has joined will usually splinter before the adhesive lets go. Yet if the planking works and bends a little as hulls like to do, the polysulfide stretches or contracts without letting a drop of water through. The compound is made in one-part pre-mixed form as well.

It was developed for curtain-wall buildings — skyscrapers enclosed mostly with glass. Hot or cold weather could make the metal window frames expand or contract, and let driving rain convert offices into shower baths. Today this sealant takes a death grip on both panes and frames to make the building watertight. Highway and bridge surfacing is another long wearing use for the multi-purpose mixture. Now that Thiokol is applied to boats, it has made lapstrake sea skiffs popular again. These hulls with rugged overlapping planks were well proven as rum runners during prohibition

when they had to outrace the U.S. Coast Guard through rough-and-tumble waters off the New Jersey coast. But it was a hard hull to keep watertight until polysulfide came along. Almost any clean surfaces can be joined with the stuff. Once cured, it resists water, oils, fuels and most chemicals. Compounds in this family have gone far beyond what the inventors might have guessed. Mixed with other chemicals and hardened into a giant booster, they become the solid rocket fuel that can fire astronauts and bring them back safely.

## TEXAS BOATING

By KENNETH CARR United Press International March came in "like a lamb" in most part of the state with mild clear weather. If the old saying holds true, this means the month "should go out like a lion." In other words spring has paid an early visit. Whether or not you're a believer in such things, if you're a boater and you've put off that necessary paint job all winter, now is the time to do it. Spring has a way of sneaking up on boaters in Texas and the first thing they realize — the balmy weekends are here and their boat is sitting high and dry with its paint cracking. Don't Rush Painting Just because you've waited this long is no reason to slap a coat of paint or so on the boat with all possible haste so you

can take advantage of the warm weather. Unless you're careful, the boat will probably need another paint job in a few weeks when the weather really gets nice. A good thing to remember is that the first coat of finish applied to any boat determines the life of the job. If the first coat cracks and peels off, so will the finish coats. Painting should be done only on dry surfaces during dry weather and only on surfaces that are clean and free from oil and grease. Watch Temperature Painting should be done only when temperatures are between 45 and 90 degrees. The colder the day, the slower will be the drying time. Overly hot temperature can cause blistering or wrinkling. (A good reason why it's foolish to wait until summer for the paint job.) Even fiberglass boat owners may have to do this bothersome task once in awhile. They must remember to use a neutral primer and sand with in four to six hours after application. Two prime coats are usually recommended after which any good marine enamel may be used.

### Activities

(Continued From Page 11) a Christmas Party for the children Dec. 14th at Pam Cel Hall with Santa Claus present to give out presents and stockings of candy. The annual Eskimo Ski Tournament was held at Lake McClellan December 29th. The lake had been frozen over with 6 inches of ice, but enough had melted for the tournament to be held. The water was a cold 39 degrees, and the snow started falling as the tournament got under way. Pampa was again fortunate enough to win the team trophy. This brings us down to the last, but not least, main social of the year, the New Year's Eve Dance held at the National Guard Armory. As you can see, the Pampa Boat and Ski Club has a large variety of activities throughout the entire year — skiing, boating, fishing, ping pong, bridge, suppers, dancing, tournaments, and all around family fun together with meeting wonderful people from all over the Texas and Oklahoma Panhandle. If you are interested in family fun and meeting new people, this is the organization to join. Anyone interested should contact Melva Downs, Membership Chairman, MO 9-9412, or Bill Stephens, President, MO 4-6242.

• Skin Diving (Continued, From Page 11) Perhaps your cup of tea is spearfishing. This is a fascinating sport which requires stealth and a good shooting eye. In a way, it is hunting underwater. Texas permits only the taking of rough fish like gar and carp by skin diving. The diver is equipped with a spring-type gun which drives a spear with tremendous force. Flipping quietly through the water, the diver approaches as close as possible to his quarry, aims and lets fire. After your elementary education in nearby lakes, maybe you would like to try something bigger and more demanding. Many inland divers head to the coast occasionally to try their skill at spearing the salt-water species. A favorite spot for hunting is around one of the many oiled wells lying off the Texas coast. Often the diver will find a huge jewfish lurking there.

GETTING SET — Comely Pampa Boat & Ski Club member Lajuana Pool gets set for the coming aquaseason as she fits on her water skis and gets ready for a ride.

## 'Haddy' Is Rated Head Driver Among Top Pro Water Skiers

WINTER HAVEN, Fla. (NEA) — Haddy's friends claim he is the world's greatest boat driver. Haddy's fan club is made up of several thousand of the country's top professional water skiers he has towed. Haddy's real name is Edward Rehling. Haddy is a nickname. For 14 years, Rehling has been head driver four shows a day, six days a week for the water ski performances at nearby Cypress Gardens. A quiet muscular man of 40, Haddy says he originally wanted nothing to do with boats. "First time on the water, a friend took me around the lake in a high-powered speedboat. Tried to scare the life out of me." When he was assigned to drive and supervise ski boat handling, Haddy put safe operation first. Most important rule for the ski boat driver? "Always look ahead," replied Haddy. The observer aboard every tow boat is the one to watch skiers behind. Too often a driver keeps glancing backward and loses track of where he is going. Feel for a boat's speed and performance comes with time

At least four boats are kept in action during a water show at Cypress Gardens. One boat tows the performing act while another circles the far side of the quarter-mile oval to bring the next turn into position. The fourth boat picks up the skier ready to aid them if they fall continually toward the skier. The fourth boat picks up floating skis and any debris. On windy days, Haddy sometimes runs an additional lead boat a few yards ahead of the two craft to help flatten the waves. A driver must know how fast each performer likes to run. Most skiers prefer from 16 to 20 miles an hour for tricks on one ski. Speed of 18 miles is used for toe holds with one foot hooked through the tow handle. One skier may prefer to whip into a jump with the boat traveling at 33. Another may want 35. Trick champion Buster McCulla requires 40 miles per hour for barefoot skiing, though he can perform the stunt backward at 38. Haddy can drive a complete show without looking at the speedometer once he knows who much each skier weighs and how each boat will perform.

## Insurance Moves to Protect Boaters

By JACK WOLSTON United Press International Boat owners are becoming more and more aware of the need for protection of their investment against loss by collision, theft or fire. And the insurance industry has moved to meet that need. Before the post-war boom in pleasure boating, it was difficult to find a company that wrote a policy covering an individually owned, small craft. And such a policy provided only limited coverage. But the rise in boating popularity has made it as simple to buy adequate insurance coverage for small craft as it is to purchase insurance for an automobile. A typical policy today covers physical damage to the boat, motor and trailer — either separately or together. It may also provide liability protection and medical payment coverages. In some instances, liability and medical coverage is available with home owners' policies for a slight additional premium. Most boating policies do not cover wear and tear — such as marring, scratching or damage

from rot or rust. Neither do they cover boats which carry passengers for hire, are rented to other parties or are used for racing or speed tests. While full coverage of loss is available, many policies carry deductible clauses ranging up to \$100. These, of course, carry smaller premiums. Some companies, in case of total loss, will waive the deductible amount and compensate the owner for the full amount of his loss. Most companies place limits on the size and type of boats and the horsepower of the motor they will insure. Home-made boats or kits are generally not eligible for insurance but may qualify under certain circumstances. One of the finest cooking stoves for small boats appeared on the market recently. Tested and approved by the Yacht Safety Bureau, it is the first completely engineered solid fuel stove to appear on the marine market. Known as the "Sportsman's Galley Stove," and manufactured by the Merriam Manufacturing Co., Durham, Conn., it

eliminates all the hazards of ship-board fires encountered in using gasoline and alcohol stoves. Other advantages include no spillage, no flare-ups and no combustible fumes. A two-ounce can of the solid fuel will burn for as long as four hours, depending on the desired degree of heat, which is fully controllable. The stove is available in aluminum or stainless steel and single or two-burner units. Accessories include a windshield, gimbal, utensil holder and heater-adaptor. You think it's easy to plan and set-up a motor boat show? The National Association of Engine and Boat Manufacturers, which stages the National Motor Boat Show in New York City's Coliseum each year, says it takes six months to plan and coordinate the nautical display. # Beatles and Schoolbooks Occupy Water Ski Star

FORT LAUDERDALE, Fla. (EA) — The muscular little girl sailed 85 feet through the water and landed with a controlled splash.

DICKSIE ANN HOYT  
"Controlled splash"

Dicksie Ann Hoyt circled behind the boat, aimed herself at the shore at 30 miles an hour, tossed away the tow rope and kicked up a fountain of water as she splashed into the water.

"This part of skiing is fun," said Dicksie Ann, shaking herself dry like a water spaniel at has just retrieved a duck, but I pay for it at school."

Dicksie Ann, 18, goes to Pine Crest, a coeducational preparatory school in Fort Lauderdale. "The boys give me a hard time," said the National Girls' State Skiing champion. "They make smart cracks."

"Jealousy, I guess," grinned the girl from Fair Haven, N.J., who made a world record jump of 95 feet in the National Water Skiing Championships in Long Beach, Calif., last August. "I beat everybody in school at arm wrestling except the coach."

Jealous or not, the boys flock around Dicksie Ann. In off-school hours which she spends through her repertoire of tricks on glorified barrel staves for a photographer and writing a water skiing series for Newspaper Enterprise Assn., she was accompanied by a variety of young Americans, all worshipfully respectful.

Dicksie Ann, the daughter of Dr. Charles Douglas Hoyt, an orthodontist, started water skiing when she was 9 at Red Bank, N.J. By the time she was 11 she had won the New Jersey State championship.

She went to school for several years on the west coast of Florida, where she improved her competitive skiing under Joe Cash of Sarasota, who in his day won just about everything.

Now Dicksie Ann works out under Jim Rusing, who broke the men's world record for

for polishing water activities. Throughout the weekend, she is permitted out until 11 p.m. which just barely gives her time to keep up with the latest movies and to catch up on the doings of the Beatles, with whom she has become intrigued — along with millions of others in her age group.

By exerting her charm on the cops and perhaps a bit of muscle on others who stood in her way, Dicksie Ann was able to get right up to the boys with the wild haircuts when they landed at the Miami International Airport and even shake hands with one of her idols.

"A few years ago I would have been too shy to be cheerleader at school as I am now, let alone get to important people like the Beatles," she said just before she picked up the tow rope and went back on the water.

"If water skiing has done nothing else for me, it has given me confidence and poise."

If you don't believe Dicksie Ann Hoyt, ask those Miami cops, or the boys that flock around her. Or even the Beatles, if you can get through the mob.

## Area Federation Water Sports

Boating and skiing in the Texas Panhandle and South Plains is being coordinated by the fledgling Area Federation of Boat and Ski Clubs. The federation, formed in January of 1963, has a double function.

First, it serves as a legislative body for the benefit of member clubs; second, it acts as a "clearing house" for placing area boating and ski events on the calendar. Members of the federation represent the Panhandle Boat & Ski Club of Amarillo, Lubbock Water Ski Club, Pampa Boat & Ski Club, and Borger Boat and Ski Club. The federation is open to any other organized boat and ski club in the area.

Ewell Parker of Amarillo is president of the federation, other officers are LeRoi Ogden of Pampa, vice president, and Gail Stapp of Amarillo, secretary. Club representatives to the federation are Ewell Parker and Jim Calcote of Amarillo, Wendell Cromer and Jerry Bridges of Lubbock, LeRoi Ogden & Jimmy Kell of Pampa, and Darville Orr and Dub Goin of Borger.

"Primary purpose of the federation," Parker said, "is to coordinate boating and skiing activities in the area and prevent any major interference by the activities of one club with the activities of other clubs and to make for better relations in every respect." The federation also acts as a legislative body. "We felt that in banding together, we could be better prepared to go before the governing board of area lakes — which more than one club often utilize — to assist in setting up rules and regulations."

"We also plan and make recommendations concerning legislation affecting boating and skiing clubs in this area," Parker said. The federation coordinates rules and regulations governing competitive events, so that the rules of one club are similar to those of another club in competition.

"Interested boating and skiing clubs in the area are welcome to join the federation," Parker said. The federation holds two meetings each year, in September and January. The federation was responsible for coordination of this year's program which includes 18 major events.

### Oil Allowable Holds Steady

AUSTIN (UPI) —The Texas railroad Commission today held the April crude oil allowable for the state steady at 29 percent of potential production despite estimates of decreased demand.

The commission set the allowable at 2,931,741 barrels daily and estimated this would result in daily production of 2,556,482 barrels after allowing for normal under-production.

Nine of the 13 companies making purchase nominations asked for an allowable factor of 28 percent or less. Both the total purchase nominations and the bureau of mines estimate of demand for April were down from March levels.

Representatives of 25 major

purchasing companies today answered commission queries on excess stocks. Most reported their stocks of refined products were too high, but predicted a generally good outlook for 1964 in the oil industry.

#### BOOK WORK

ST. PAUL, Minn. (UPI) —Dishwasher Harold J. Peterson, 23, is a book worm cum laude. He was sentenced to 75 days in the workhouse Tuesday for failing to return 52 books to the public library.

Authorities said one of the addresses Peterson used to check out books was the North St. Paul police station.

## Kennedy Book Tops Best Seller Lists

NEW YORK (UPI) — "Four Days", the UPI-American Heritage memorial book on the late President Kennedy, Tuesday leads local best-seller lists in Chicago, Dallas, Minneapolis, New Haven, Lincoln, Grand Rapids, Evansville, Ind., and other cities.

The retail distribution by Simon & Schuster is in addition to the sale of more than 2 million copies of the book through UPI newspapers and broadcasters which began in January. Many UPI newspapers are still making the book available to their readers.

The book is being distributed in Europe as well as in Canada, Mexico, Virgin Islands, New Zealand, Puerto Rico, Venezuela and Korea. The Spaarstadt Publishing Company in Holland published 40,000 copies of a Dutch edition.

### Reds Resume Sale of Gold

LONDON (UPI) — Russia has resumed large scale gold sales in Europe to meet the heavy bill for wheat purchases in the West, authoritative British sources reported today.

The Soviet Union was understood to have offered on European markets 40 tons of gold in the past few days, valued at about \$4.5 million.

The price of gold on the free market slumped today under the weight of further Russian sales.

The sterling price fell to its lowest for two months, while the dollar price declined 1 1/2 cents to \$35.06 1/2.

The move was seen by experts here as the first in a new series of large scale sales of Russian gold, following the unprecedented Moscow gold offer last year.

#### THREE BARANS

INDIANAPOLIS, Ind. (UPI) —Walter Louis Baran of Gary filed Tuesday as a candidate for the state legislature. Sen. Walter Andrew Baran of Hammond and Sen. Walter A. Baran of East Chicago said they were no relation to the Gary Democrat or to each other.

CAROLINA FLOWER—Television actress Abby Dalton has been named 1964 Azalea Queen and will preside over events at the North Carolina Azalea Festival at Wilmington, scheduled for April 2-5.

### Tito Leaves for Island to Rest

BELGRADE (UPI) —Yugoslav President Josip Broz Tito has departed for his Adriatic island retreat of Brioni for rest and medical care on the advice of his physician, a government spokesman said today.

The spokesman gave no further details. Tito is 71 years old. He presided at a plenary session of the Yugoslav Communist Central Committee on Monday.

#### ACQUIRES COMMON STOCK

NEW YORK (UPI) —Murray Corp. of America, a plumbing fixture maker, said it has acquired 160,000 of its own common shares since last Dec. 1, at a cost of over \$4.1 million. It said its average cost was \$26.14 a share.

#### KNOCKS MUSICAL HOR

ROME (UPI) —The port Ministry has ordered traffic police to crack down on motorists whose car horns blare instead of just idling honking.

The ministry said in a letter that musical horns are a subject of complaint other motorists and pedestrians do not conform with specifications.

#### DUAL HONORS

OAK CREEK, Wis. (UPI) —Mrs. Lester Scherbarth, urban Homemaker of the Year here, said she "it was too much" when Chamber of Commerce named her "Man of the Year." "We just felt she had the most for Oak Creek late a chamber spokesman said.
