Railroads Struggle to Restore Usual Service

Rusk on Way to Far East

WASHINGTON (UPI)—Secretary of State Dean Rusk left today for a round of conferences in the Far East and an on-the-spot inspection of the war in South Viet Nam.

Also included in the 10-day trip will be a stopover on Formosa for a meeting with Nationalist President Chiang Kai-shek.

En route, Rusk scheduled a two-hour stop at Anchorage to inspect Alaska's earthquake damage.

Rusk said Thursday night after a meeting with President Johnson that the chief executive had asked him to go on to Viet Nam after attending the ministerial meeting of the eight-nation Southeast Asia Treaty Organization (SEATO) in Manila.

The SEATO conference begins Monday and continues through Wednesday. Rusk originally had planned to return to the United States Thursday after stopping briefly at Formosa.

Rusk said the extension of his trip to include Viet Nam indicated "no special emergency or crisis" there.

At the SEATO meeting, Rusk hoped to get more information on what French President Charles de Gaulle is up to with his "neutralization" proposal for Southeast Asia, which apparently conflicts with American policy.

The meeting of the foreign ministers of the eight SEATO nations—the United States, Britain, France, New Zealand, Australia, the Philippines, Thailand and Pakistan—is designed principally to consider the question of Southeast Asian security.

The SEATO pact was formed in 1954 as an anti-Communist front but has been weakened by France's aloof attitude and Pakistan's growing ties with Red China.

US Troops to Quit Germany

WASHINGTON (UPI)—The United States announced today that it will pull 7,500 troops from Germany beginning in May.

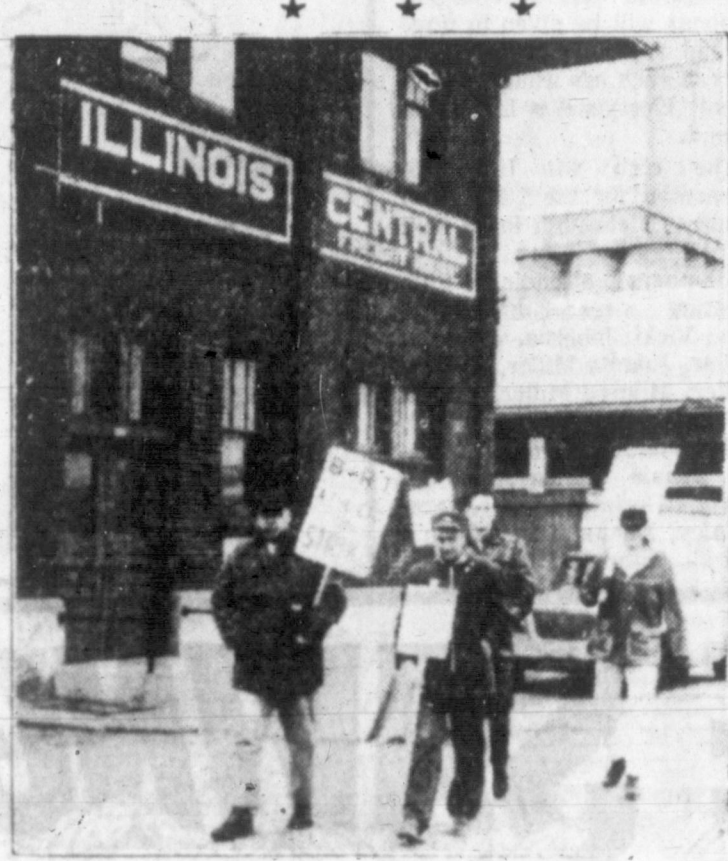

A Defense Department announcement said the withdrawal will represent the last of the reinforcements that were sent to Germany during the 1961 Berlin Crisis. It said they were "in excess of the U.S. commitment to NATO."

The units being returned include three artillery battalions, one armored battalion and one armored cavalry regiment totaling 5,100 men.

The units will begin returning to the United States in May.

The remaining 2,400 men involved in the withdrawal were airlifted to Germany in January.

They were participants in exercise "long thrust IX"—the ninth such exercise moving troops in Europe on a rotational basis.

STRIKERS—In St. Louis, trainmen of the Illinois Central Railroad walked off their jobs in the pre-dawn hours yesterday as the nation approached the brink of a nationwide strike. President Johnson received last night a pledge from the unions and railroad officials to postpone the strike for 15 days.

Thousands View General's Body

By H. D. QUIGG
NORFOLK, Va. (UPI)—Men, women and children by the thousands streamed past the open casket of General of the Army Douglas MacArthur today to view the body of the old soldier lying in state in the MacArthur Memorial Building.

Petition Filed On Boy After Traffic Death

LIPSCOMB—A petition to declare a 16-year-old Perryton youth a delinquent has been filed in County Court and a hearing scheduled in the matter for 10 a.m. Monday.

County Attorney—B. P. Fitzhugh said the youth was involved in the theft of a pickup truck from a ranch near Canadian Tuesday and the death of a truck driver in an accident near Booker the same night.

Fitzhugh said the petition was filed after conferring with highway patrolmen and District Attorney Bill Waters in Pampa to determine what procedure would be followed. Under the law, a 16-year-old youth can not be charged with an offense as such.

The youth is being held in Ochiltree County jail awaiting the outcome of the hearing. Highway Patrolman Paul Fisher said the youth was attempting to start a stalled pickup on State Highway 23 when the accident occurred.

Fisher said Cecil Kennedy, 47, of Snyder was dead at the scene when he attempted to avoid hitting the truck and his swerving tractor trailer jack-knifed, throwing him from the cab.

Services for Kennedy were to be held at 3 p.m. today in Snyder with burial in Snyder cemetery.

Sheriff Walter Adams in Canadian said the truck was taken from the home of B. L. Hance who lives on a rural route near Canadian. Adams said the youth was a runaway from his Perryton home at the time the truck was taken.

Auto theft charges have not been brought against the youth and consideration of filing misdemeanor negligent homicide charges are being held up until the hearing on the delinquency petition is completed.

Strike Plans Delay Trains Over Nation

By ROBERT T. LOUGHRAN
CHICAGO (UPI)—Railroads tried to highball train service back to normal under a labor truce today but foot-dragging unions triggered massive snarls in New York and Chicago.

Local unions set up picket lines at midnight in rail centers in Pennsylvania, northern Illinois, upstate New York, and Missouri.

Leaders of the four operating unions that set a strike for 12:01 a.m., said many locals had not been officially notified to return to work after agreement to postpone the walkout was reached Thursday night in Washington.

The last picket line came down nearly 12 hours after the 15-day truce was announced. In its wake were commuter confusion in the nation's two largest cities, disrupted train schedules across the Midwest and East and jangled nerves all around.

Commuter Service Snarled
Commuter service for 32,000 riders of the New York Central's Harlem and Hudson divisions in New York was shut down until 7 a.m. EST. Thousands of earlybird commuters were forced to find other means of getting to work.

The Illinois Central canceled all of its commuter runs to Chicago when railroad firemen stayed off the job until 3 a.m. CST (4 a.m. EST). More than 45,000 persons scurried for bus schedules, taxi cabs and car pools for the third consecutive day.

Pickets remained at Missouri Pacific facilities in Kansas City until 6 a.m. CST (7 a.m. EST). Other pickets stilled Pennsylvania Railroad freight and passenger service until daybreak.

Most railroads were not affected by the walkouts—which unions said were caused by poor communication. Most lines lifted work rules changes and freight embargoes and sailed through the strike deadline without a hitch. But the other lines had to struggle to catch up.

Form Picket Lines
Union picket lines were formed at Albany, North White Plains, Poughkeepsie, Croton and Brewster, N.Y.

Arizonan Held On Charge of Child Stealing

A 25-year-old Table Top, Ariz., man, who was arrested in Pampa Wednesday with a 15-year-old girl from Coolidge, Ariz., has been ordered held for Arizona officers in connection with a felony complaint lodged against him.

Justice of the Peace Nat Lunsford signed a warrant for Charles Thomas Henson and ordered that he be held in Gray County jail until Coolidge officers could arrive for the man. Henson is charged in that city with child-stealing, a felony offense in Arizona.

Henson was arrested by Pampa police after officers received a radio message that a 15-year-old runaway girl and two men were believed traveling near Pampa en route to Arkansas. The 25-year-old told Chief Jim Conner he and the girl planned to be married in Arkansas.

The second man was cleared by Pampa police of any knowledge of the alleged child stealing complaint and was released, Conner said.

The report came to Pampa police Tuesday. Conner said Henson indicated willingness to return to Arizona to face the charges in that state. Conner filed the fugitive warrant to comply with legal procedure to secure Henson's return to Arizona.

SPRING CLEANING—Mrs. George Cree of 1912 Charles St. brushes up a pile of leaves as she does her annual spring yard cleaning to beat the city to the punch in their planned "Clean-up, Fix-Up and Paint-Up" campaign which will begin May 4 in Ward 1 and continues through May 25. Aiding Mrs. Cree is yardman Sercy Crawford in background. City and Chamber of Commerce officials will announce complete plans for the city-wide drive later this month.

Inquiry Set by Schools On Withholding Grades

An investigation to determine if a change in policy is needed regarding withholding of report cards to students with unpaid cafeteria bills will be opened Tuesday by school administration personnel.

Supt. Jack Edmondson said today he would confer with all elementary, junior high and high school administrators to determine if the present "general policy" involved in non-payment of charged food bills "is too harsh and if it needs changing."

Edmondson made the statement following a board of trustee meeting Thursday that saw a board member charge that the withholding of grade cards and examinations was "harsh and uncalled for."

John Gikas, recently re-elected to the board, made the complaint, citing a case which had been brought to his attention concerning a girl whose parents were unable to pay for meals at the Pampa Junior High Cafeteria.

Edmondson told board members at the time that this was a generally accepted policy that principals used to bring parents into the school office for meetings over unpaid bills—not only cafeteria bills but missing library books, textbooks or other fines and fees.

"We aren't going to change our policy just for one man," Edmondson declared. "We are going, however, to investigate and see if this is too harsh and too strong a method. If it is, we will seek another way to have these meetings and get this matter arranged."

Edmondson said if the board directs him to change the policy of the system, then it would be changed.

"I feel this is one case in 6,000 that has been brought to light," the superintendent said. "We try our best to determine which children are needy and which ones are not and follow accordingly. However, there are parents who are either too proud, or don't care about their child's food bill and won't come in to explain their cases. This is when we have to have a lever to get them into the school."

Edmondson said he knew that Pampa Junior High had 23 students who received free meals or paid for them by charging and paying at the end of a certain period of time. There are 20 such cases at Pampa High, but most of the students involved work in the cafeteria program to earn their meals. This is also the case at the junior highs.

The figures were unavailable in the elementary school level but Edmondson said he would obtain them upon the return of (See GRADES, Page 3)

Russians Accused of 'Kangaroo Court' Act

MOSCOW (UPI)—The United States Embassy said tonight that a hastily convened Russian kangaroo court tried to force two American air attaches into signing a false confession of espionage on Soviet military property.

The incident happened in Tulsa on March 17, embassy sources said.

An earlier incident occurred Feb. 14 involving two U.S. Navy attaches in Leningrad.

In both cases, mobs of Soviet citizens harassed the Americans and threatened them. In the wake of the incidents, an embassy spokesman said the attaches were given the "highly unusual" punishment of 90 days restriction to Moscow by Soviet authorities.

Citizens Pass Judgment
In the March 17 incident, the embassy sources said irate Soviet citizens apprehended Lt. Col. Edgar Smith and Capt. Edmund J. Zvetina, both of Dayton, Ohio, in a park adjoining a military airfield in Tulsa, a city of about 300,000 population 105 miles south of Moscow.

First-waving citizens brought out a table on the streets, passed judgment on the men, and quickly began drawing up an "akt"—or confession document—which the attaches angrily refused to sign.

Steadfastly maintaining their innocence, both Air Force officers eventually were freed by the mob after being detained about 20 minutes and were allowed to proceed to Moscow, the embassy said.

Both attaches, on a routine automobile trip through non-restricted areas of the Soviet Union, got out of their car when the incident took place.

Car Blocks Street
The embassy said the action of the citizens appeared to be "inspired."

The Leningrad incident occurred when a Soviet car deliberately headed an embassy car off the street, blocking its way.

Naval attaches Cmdr. Stuart Savage of Alma, Kan., and Lt. Leonard Bracken of Philadelphia, Pa., who were riding in the car, appealed to a Soviet militiaman (policeman) for help when about 120 angry citizens gathered around the car.

The militiaman ignored their plea, the American sources said, and the Soviet car even backed off and rammed the U.S. vehicle in the side.

Witness Tells Of Brutality In Auschwitz

FRANKFURT, Germany (UPI)—A Polish former inmate of the Nazi death camp at Auschwitz testified today that a Gestapo guard wore rubber boots to keep from getting stained with the blood of his victims.

The witness, Mieczyslaw Lawrynovicz, aimed his testimony at Oswald Kaduk, a hulking former Gestapo guard and one of the 21 men on trial for complicity in the deaths of 2.5 to 4 million persons at the camp.

"Kaduk was a dangerous man," he said. "I often saw him with a carbine in hand when he entered the prison barracks. It was a bad sign when he wore his special rubber boots."

"He wore them so he would not get blood smeared on him during executions. I often saw him beat prisoners unconscious and leave them in the dirt."

Absentee Voting Starts Monday

Absentee voting for the May 2 primary election in Gray County will start Monday and run through April 28, according to County Clerk Charlie Thut.

Ballots may be obtained at the county clerk's office in the Courthouse and may be voted there or by mail.

If it comes from a hardware store we have it. Lewis Hdw. (Adv.)

Go-Ahead Given On Space Plans

CAPE KENNEDY (UPI)—The space agency, buoyed by improving weather over the South Atlantic, today gave a go-ahead to plans to send a "flying thermometer" on a meteoric dive back to earth.

Early reports today said the area near Ascension Island where the cone-shaped payload was to be rammed back through the atmosphere was blanketed by clouds, but later reports said the skies were clearing.

WEATHER

PAMPA AND VICINITY—Fair and warmer this afternoon and tonight. Partly cloudy and cooler Saturday. High today near 80. Low tonight in the upper 40's. High Saturday near 70. Winds southwesterly 20-30 mph throughout the rest of the day, shifting to the north Saturday.

Dear Abby....

Be A Sport Lady...
You Started It!

By ABIGAIL VAN BUREN

DEAR ABBY: In our community there is a couple whom my husband and I have known for over half a century. He and my husband have been fast friends since their boyhood. The man had a heart attack and when he came home from the hospital we called on him. He was as gray as a ghost, and I honestly didn't think he was going to make it so I called him by his first name. That is all. Well, he is recovering now and has started calling me by MY first name, and I don't like it. I prize his wife's friendship highly, but don't appreciate her husband's undue familiarity. What do you suggest?

NEARING EIGHTY
DEAR NEARING: I don't know what you consider "undue familiarity" but it would appear that you are unduly aloof. And don't forget, you initiated the familiarity!

DEAR ABBY: What is a girl supposed to think when a boy falls asleep on a date? Could it be that I bore him? He is wide awake when we start out, but no matter where we are, if there's a chance for him to close his eyes, he falls asleep. I have told him to stay home if he likes to sleep that much, but he says he would rather be with me. Should I break up with him?

WIDE AWAKE
DEAR WIDE: Don't assume that you are a bore, or that the boy just "likes to sleep." It is entirely possible that the young man needs to see a doctor. Suggest it.

DEAR ABBY: Now that spring is here, the old problem we had last summer comes to mind. On our street the houses are rather close together. The man next door is a sun worshiper, so at the first hint of warm weather he puts on his swim trunks and stands around in his front yard sprinkling, weeding and showing off in general. His trunks are elastic, flesh-color-

ed, and about as abbreviated as they can be without landing him in jail. He is far from a pleasure to look at, being skinny, bald-headed and a grandfather many times. I am ashamed to let my children play outside when he is out there. We don't want to call the police, but the whole neighborhood thinks he is a disgrace. What should we do? SUN WORSHIPER'S NEIGHBORS

DEAR NEIGHBORS: Ask the chief of detectives or vice squad in your local police department to observe the sun worshiper and decide whether he is actually violating any ordinances about exposure or decency. If he is, the police will act.

CONFIDENTIAL TO SID:
Anybody can write a love letter, but it takes a very clever person to get it back.

Get it off your chest. For a personal, unpublished reply, write to ABBY, Box 3365, Beverly Hills, Calif. Enclose a stamped, self-addressed envelope.

Hate to write letters? Send one dollar to ABBY, Box 3365, Beverly Hills, Calif., for Abby's new booklet, "How To Write Letters For All Occasions."

Guest Speaker to Address PEWS

Mrs. H. S. Prince, home service representative for Southwestern Public Service, will be guest speaker for the Tuesday meeting of the Petroleum Engineers' Wives Society.

PEWS will meet at the Cibola Room, Coronado Inn at 10:30 a.m. for coffee with the program scheduled for 11 a.m. Following the noon luncheon, a business meeting will be conducted for election of officers. Bridge will be played for entertainment.

Mrs. John Smith, social chairman will report on plans made for the May 16 family picnic which will be held in Borger.

Members will be contacted for reservations or may call Mrs. James Morine before April 13.

Guests are welcome.

Food Demonstration Given to 4-H Group

Top O' Texas 4-H Club Subject Matter Group, Foods, Unit I, met recently in the home of Mrs. H. B. Taylor Jr. for a bar cookie demonstration given by Mrs. Robert Sailor. Records for the April 18 Bake Show were discussed.

A group swimming party was scheduled for April 11. Refreshments were served to those attending, including: Honey Jo Bond, Cara Tid-

May Installation Date Set for New Officers of Ladies Auxiliary Here

Ladies Auxiliary to Pampa Post 1657, Veterans of Foreign Wars, elected new officers during a meeting conducted Tuesday at the V.F.W. Hall.

Mrs. Billie Whitfield, District Nine president, Amarillo, was introduced by Mrs. O. F. Kreimeyer, president. Three applications for membership were read and accepted by ballot vote. Mrs. Lloyd Laramore was given the obligation of membership. A request from the national president was honored and a \$25 contribution to the V.F.W. disaster fund for relief to Alaska was made.

Individual contributions were made by members to be added to the Permanent Gift Fund of Amarillo Veterans Hospital. The district president reported that a therapy room for the hospital was under consideration and this gift fund would supply equipment for the project. A donation was made to the Love Gift for the Department of Texas president. A report from Council of Clubs was read and announcement that Honor Roll requirements were approved.

The Auxiliary voted to help find clothing for five children

well, Jan Crossman, Jen Snell, Kathy Taylor, Marilyn Sailor and the leaders.

The group will meet again May 9.

of a veteran and to buy groceries for a needy veteran.

Newly named officers were: president, Mrs. Tony Smith; senior vice president, Mrs. Ronald Beard; junior vice president, Mrs. C. R. Dirickson; treasurer, Mrs. Jess Beard; conductress, Mrs. Vernon Stuckey; chaplain, Mrs. Leslie Henderson; Mrs. Jess Hatcher, guard; trustee; one year: Mrs. A. L. Walling; two year: Mrs. Joe Slater and three year: Mrs. O. F. Kreimeyer.

Appointive officers will be named by the president-elect following the May installation.

Mrs. Frank Yates was hostess, assisted by Mrs. Lloyd Laramore.

Members attending the meeting: Mmes. Jess Beard, Ronald Beard, George Benham, Josephine Blalock, Jack Boyd, Jerry Coley, C. R. Dirickson, Emmett Gee, Jess Hatcher, O. F. Kreimeyer, J. T. Rodgers, Tony Smith, E. Savage, A. L. Smiley, Vernon Stuckey, U. J. Ulrich, Ben Ward, A. L. Walling, Chester Williams, Carl M. Wright, L. Laramore and Frank Yates.

Cushion the top points of ladders with rags to prevent them from leaving ugly marks on the walls.

L & L Club Names Clinic Date

A regular meeting of the Leather and Lace Riding Club was conducted recently and final plans were made for a Horsemanship Clinic to be sponsored by the club and directed by Mrs. Betty Osborne Bailey.

The clinic will be conducted tomorrow at 1:30 p.m. and will be followed by barrel racing, pole bending and ribbon roping. The open events will carry a \$2.50 entry fee.

Final plans were made for the first Play Day of the season which will be held April 26 at Recreation Park. Games will include pole bending, barrel race, rescue race, Pony Express Race, wagon race and baton relay race. The Express race will be limited to PeeWees. Registration will begin at 12 noon and close at 1:30 p.m. A fee of 25 cents per game will be charged. Ribbons will be given to first, second and third place winners in each age group in each event. Everyone is invited to attend.

The club will travel to Spearman for the Hansford County Celebration to be held April 18.

Members attending the meeting were: Emma Wheelless, Vicki Johnson, Sharon Miller, Juanita Miller, Geneva Miller, Mildred Miller, Ann Lathrop, Yvonne Danford, Helen Danford, Donna Whately, Jeanie Atchley, Judy Gerik, Gloria Hughes, Hazel Stanley, Donna Hinds, Connie Parrsh, Gwen Bowers, Janice

Former PHS Student Addresses Graduates

A former Pampa High School student, now president of Phillips University at Enid, Okla., told senior class members Thursday night to "stand tall in spirit as well as stature" during a banquet honoring graduates at First Christian Church.

Dr. Hallie G. Gantz, who attended the local schools and since has risen to the top office of the Oklahoma school, urged the seniors to "prepare now for tomorrow."

"Education is the key to success. Continue with it until you have completed what is needed to carry through your career," Dr. Gantz declared.

He told the seniors that they must remember that while education is important "faith is the most important factor in our lives today."

"With faith, no matter how short a person is in stature, you can stand tall above others," he declared.

FFA Youth Selected For Highest Honors

A Pampa FFA youngster was approved for the highest degree offered in the Future Farmers of America program, during the Top O' Texas District FFA convention at Pampa High this week.

Richard Bowers was named eligible for the American Farmer Degree on the basis of his work in the FFA Chapter. The selection came during nominations for major awards and selection of the district officer in the forthcoming Area One election.

Fred Vanderburg was named as the district's Area I officer nominee during the day-long convention that drew 15 area FFA chapters to Pampa High.

Sherrie Jackson of Miami was named District Sweetheart and Raymond Hassell of Pampa was selected as district talent winner.

Winners of the public speaking contest were Gerry Gump of Gruver, Ronald Sisco of White Deer and Larry Richardson of Pampa.

Bobby Finley of McLean was named the best first year boy while Vanderburg was the best second year boy and James Baggerman of Pampa was named best third year boy. Finley won the district Star Green Hand award, Vanderburg was district Star Chapter Farmer, and Baggerman was District Star Lone Star Farmer.

Clubs attending the meeting included Shamrock, Wheeler, McLean, Mobeetie, Booker, Darrrouzett, Perryton, Allison, Briscoe, Miami, Canadian, White Deer, Gruver, Spearman.

Former State Officer to Join City Police

A former Highway patrolman and Amarillo policeman was named today by Police Jim Conner, who announced the resignation of another Pampa officer at the time.

Employed as Albert J. Dickens, 38, who has moved to Pampa from Borger with his wife and three children. Dickens will assume duty on April 21, replacing Vance Munday, who has resigned to move to Oklahoma City.

Dickens was an Amarillo policeman for three years and a Texas highway patrolman in Borger for three years prior to joining the Pampa department. He will reside at 1820 N. Arlisy.

Conner also announced that patrolman James E. Britton resigned from the department, effective April 15, to accept a position with the Cabot Corporation.

Britton has been a Pampa policeman for the past two years, having reported for duty on April 4, 1962. Conner said Britton served well as a city employee and regretted seeing him leave the department.

Woman Injured in Automobile Wreck

A 21-year-old Pampa woman was injured slightly in a traffic accident in the 1600 block of N. Hobart about 7:30 p.m. Thursday.

Mrs. Catherine Korbitz, 21, of 804 B. Gwendolen St., was taken to Pampa Clinic where she was treated for minor injuries.

Mrs. Korbitz was riding in an automobile driven by Norman D. Korbitz, 35, of 804 B. Gwendolen. Driver of the second car was Mack E. Hardin, 62, of 2216 Mary Ellen. He was not injured.

Police said the accident, a rear-end collision, caused a total of \$400 damage to the automobiles.

Before plastics came into use, one American piano maker used the tusks of over 100,000 elephants in the manufacture of piano keys.

four principals from a state convention of elementary school administrators next week.

"We want to have the complete report before we discuss the matter," he said.

Gikas said today that his interest in the matter was not directed at "the administrators, but the policy involved."

"I don't feel that any principal would deliberately refuse to feed a youngster and I'm sure they would rather see that he get his grade cards on time," Gikas said. "I do feel, however, that perhaps there is a better method of handling this situation and it should be sought out, tried and either approved or disapproved."

Gikas said he felt sure that Edmondson would do everything "he can do to determine just what should be done and report back to the board."

"I have the utmost confidence in Mr. Edmondson and his interest in the welfare of our youngsters," Gikas said.

Pampa Bands Take Honors at Canyon

Pampa High Schools Harvester Band claimed a rating of "one" in concert competition at the University Interscholastic League meet at West Texas State University Thursday at Canyon.

But the musicians of Fred Stockdale could only bring home a rating of "two" in sight-reading competition among AAAA schools. The event closed out competition for the band other than a planned trip to the Tri-State Music festival in Enid, Okla., next month.

Robert E. Lee's Junior High musicians scored a "one" in both the concert and sight-reading department of the junior high band division of the contest.

Pampa Junior High scored a "two" in concert and a "one" in sight-reading.

The three bands attended the day-long affair, awaiting results of their ratings before returning to Pampa.

Physicists have produced a temperature many thousand degrees hotter than the surface of the sun.

Resident Charged in DWI Offense

William Lee Arnold of Pampa was charged in Justice of the Peace Court today with driving while intoxicated second offense in a complaint signed by Highway Patrolman Vernon Cawthon.

Peace Justice Nat Lunsford set bond at \$1,500 after accepting the complaint. Arnold was arrested Wednesday night. Records show he was convicted in Gray County Court of DWI on Oct. 21, 1958.

Purse Reported Stolen Recovered

A purse belonging to Mrs. Gary Cady of 529 Zimmers St. was found in front of the Home and Gee Grocery at 400 E. Frederick today after it was stolen from a parked car about 10 p.m. in the 800 block of Scott St.

Police Chief Jim Conner said Mrs. Cady reported that some \$40 was taken from the purse but all her papers were inside the bag when it was located. Mrs. Cady told officers she saw a 9 or 10-year-old boy run from her car and the purse was gone when she reached the automobile.

For the 3rd time in three years, Fred Lorenzen takes the grueling Atlanta "500" at the wheel of his Ford.

FORD TOTAL PERFORMANCE WINS ATLANTA "500" FOR 3RD YEAR IN A ROW!

Latest win gives Ford 11 out of last 12 NASCAR 500 milers!

ATLANTA, April 5: In a blazing exhibition of total performance, ace driver Fred Lorenzen piloted his specially modified '64 Ford to a stunning victory in the Atlanta "500" before a cheering crowd of 75,000 spectators.

This victory marks the 11th time that Ford has captured a NASCAR stock car event of 500 miles or more starting in May, 1962.

In the past two years, tough, dependable Ford-built cars have carved out an incredible history of victories in virtually every kind of automotive event possible—from stock car races to economy runs, from rallies to endurance tests.

This is the dramatic way to show that Fords have changed... and the sure way to be certain they keep on changing.

Ford enters special cars in open competition, in addition to its extensive laboratory and test track programs, because competition provides an intensity of testing that no proving ground alone can provide.

The lessons Ford has learned in racing have already led directly to such refinements as a stronger rear axle, streamlined "fastback" styling, better brakes and an improved ignition system.

Because Ford enters open competition, the cars at your Ford Dealer's are stronger, better handling, safer and thrifter in the long run. They're built for total performance.

TRY TOTAL PERFORMANCE FOR A CHANGE!

By LYLE C. WILSON
United Press International

Government spending, tax
reductions and the public debt
of the current 1964 fiscal year
is running well ahead of a
year ago.

When the Treasury closed its
books on the first nine months
of fiscal '64, it reported with-
drawals of \$94 billion, deposits
of \$87.1 billion and a public
debt of \$310 billion. That was
as of March 31.

The corresponding figures for
the first nine months of fiscal
'63 were: withdrawals \$89.6 bil-
lion; deposits \$81.7 billion; pub-
lic debt \$303 billion. Withdraw-
als approximate government
spending. Deposits approximate
collections. The public debt
shows precisely how much be-
hind its income the government
has been living. Interest on the
public debt is estimated to be
\$7.7 billion this year.

Trends Are Upward
Spending and debt trends de-
finitely are upward. This is a
Kennedy-Johnson fiscal year
in which neither President is
politically responsible. President
Johnson holds that he has
made big reductions in expen-

**Dr. Bratcher
Selects Topic
For Broadcast**
"Reality Beyond Our Grasp"
was the sermon topic Dr. Hubert
Bratcher, pastor of the First
Methodist Church, will preach
at the two morning services
this Sunday. The 8:45 a.m. ser-
vice is broadcast over radio sta-
tion KPDN.

The special music for the 8:45
a.m. service will be sung by a
quartet. For the 11 a.m. service
the Sanctuary Singers will sing
the anthem, "The Great Com-
mandments" by Mueller.

The Youth Choir meets at 5
p.m. Sunday afternoon, followed
by the Evening Fellowship at
7:45 p.m. with a light supper
for the entire family in Fellow-
ship Hall. At 6:15 p.m. chil-
dren, youth, and adults will
separate for 45 minutes of fel-
lowship group activities accord-
ing to interest and needs. The
adult Fellowship group will
meet in the church parlor.

The Sunday night service at
7:15 p.m. will be conducted by
the pastor who will preach on
the subject "The Song in the
Heart".

The Methodist men will meet
Wednesday, April 15, in Fellow-
ship Hall at 7:30 p.m. and it
will be "Ladies Night."

Sunday, April 12, at 2:30-3:00
p.m. all Adult Class Secretaries
will meet in Fellowship Hall
with class roll books to check
roster of their class to prepare
for the TEWARDSHIP CAM-
PAIGN.

ditures originally planned for
fiscal 1965. Republican critics
contend that this has been
achieved more by artistic book-
keeping and by shifting expendi-
tures into the current fiscal
year than by true economy.

The outcome of this argu-
ment will be determined large-
ly on the final figures for fiscal
1965, which will not be
available until after June 30 of
that year. Meantime, there is a
red-ink flood tide. John F. Ken-
nedy took office as President
on Jan. 20, 1962. On Jan. 19
that year—the last day of the
second Eisenhower adminis-
tration—the public debt was ap-
proximately \$290 billion. The
1961 interest was approximate-
ly \$8.9 billion.

Makes Comparison
From the day JFK took of-
fice to the day he was shot, the
public debt increased to \$307.7
billion. From that latter day
until March 31 of this year, the
public debt increased to \$310
billion. The Johnson budget es-
timates that interest on the
public debt in the current fiscal
year will be \$10.7 billion and
that it will rise to \$11.1 bil-
lion next year. This is likely
to prove to be an underesti-
mate.

To comprehend the enormity
of the cost of the interest bur-
den imposed by the public
debt, consider: The average an-
nual expenditure in each of the
four years of Franklin D.
Roosevelt's first New Deal ad-
ministration was only \$6.5 bil-
lion. In fiscal years 1933-34-35-
36, FDR spent \$26.1 billion and
he was beginning to be de-
nounced as a spendthrift presi-
dent.

Fire Destroys Bowling Alley

WASHINGTON (UPI) — The
Federal Aviation Agency (FAA)
will hold a conference May 7 on
the possibility of installing ar-
rester gear systems at major air-
ports to prevent landing and
takeoff crashes.

The action, announced
Wednesday, followed three ac-
cidents within a 74-hour period
in the New York area involving
planes trying to land in bad
weather and running off slip-
pery runways. There were no
fatalities in the crashes. The
FAA said, however, that it was
"sheer coincidence" that the
meeting announcement came
when it did.

About a year ago the FAA
successfully tested a system in
which a hook attached to a
plane's belly engaged a cable
at the end of a runway. The
device brought even a heavy jet
to a safe stop in about 2,000
feet with no discomfort to pas-
sengers or damage to the air-
craft.

White Deer Play Wins Top Award

WHITE DEER (Spl) — "The
Ugly Duckling", presented by
White Deer High School, was
chosen as the top play in Dis-
trict 1-AA One-Act Play Contest
conducted in the high school
auditorium Monday. The alter-
nate play was "Mooncalf Mug-
ford," presented by Stinnett
High School. Other plays in the
contest were "Patterns" pre-
sented by Spearman, "The High
School", presented by Dalhart,
and "Sparkin", presented by
Shamrock.

STAB PUPPET IMAGE

JAKARTA (UPI)—The Indo-
nesian news agency Antara
Sunday reported that a puppet
image of Malaysia Prime Min-
ister Tengku Abdul Rahman
was stabbed by thousands of
demonstrators at a rally held
in Bali March 31. It said the
puppet was subsequently
burned.

Reagan Brown, sociologist for
the Texas Agricultural Exten-
sion Service, has announced that
the "Texas Rural Minister of
the Year Award" will again be
made in 1964. Its objective is to
honor those ministers who are
making outstanding contribu-
tions to rural life. The program
is sponsored by the Progress-
ive Farmer magazine and the
Texas Town and Country Church
Conference. County Extension
Service agents have detailed in-
formation on the award, Brown
said.

Aborigines of southern Mexi-
co used blowpipes as weapons
while the Indians of northern
Mexico used bow and arrows.
The Alabama-Coushatta In-
dian Reservation occupies a 4,
351-acre tract near Livingston,
Texas.

ALL-CAR AVERAGE: 21.77 Miles per Gallon.

New results prove mileage potential of Mobil gasoline in cars like yours!

First transcontinental Economy Run in history...3,243 grueling miles from Los Angeles to the World's Fair in New York City!

The Mobil Economy Run uses cars like yours! Not "factory specials." This year dozens of different American cars were picked at random by United States Auto Club officials from dealer showrooms and factory assembly lines throughout the country. USAC sealed every vital part then kept the cars under guard throughout the Run.

On roads like you drive

Not on a "test track," but on steep mountain roads, on long open spaces, in desert heat, driving rains, through the traffic of city after city—this is the rugged route of the Mobil Economy Run—world's greatest road test of gasoline performance.

All results are certified by the United States Auto Club. No special equipment is permitted...normal highway speeds are maintained...and every car must carry an official USAC observer at all times.

But the outstanding results of this year's Economy Run demonstrate more than just the mileage potential for your car. Here's why:

Mileage is the measure of power!

The miles per gallon a gasoline gives, shows the power available for other uses—power for quick starts, fast pick-up and for climbing hills. Mobil gasoline proves it has the power available for the all-round performance you want...proves it in public year after year.

Make the most of your car's mileage potential. Get started soon with Mobil—the Economy Run Gasoline. At your friendly Mobil dealer.

Denomination Leaders Resume Merger Talks

By LOUIS CASSELS
 United Press International
 Leaders of six major denominations will meet at Princeton, N. J., next week to resume consideration of the most far-reaching church merger ever envisioned in America.
 This will be the third full-dress meeting of the Consultation on Church Union.
 The consultation was established in 1961 to explore the possibility of uniting 20 million Americans in a church which would bring together the catho-

lic, reformed and evangelical traditions of Christianity.
 It grew out of a proposal of the Rev. Dr. Eugene Carson Blake, stated clerk of the United Presbyterian Church.
 The denominations participating in the merger talks are the United Presbyterian Church, the Episcopal Church, the Methodist Church, the United Church of Christ, the Disciples of Christ and the Evangelical United Brethren.
 Two Previous Meetings
 Previous meetings of the con-

sultation were held at the College of Preachers in Washington, D. C., in 1962 and at Oberlin College, Oberlin, Ohio, in 1963.
 Far more progress was achieved at these sessions than is commonly realized. At Oberlin last year, the delegates astounded skeptical observers (and even surprised themselves) by reaching a broad consensus on the authority of the Bible and the importance of Tradition.
 Next week's meeting at Princeton Theological Seminary will begin Monday and run through Thursday. Some church leaders are saying that it will be the crucial test which determines whether the merger plan will eventually bear fruit.
 Its make-or-break significance stems from the fact that this time the delegates will be talking about the ministry and the sacraments.

56TH
 YEAR

Activities To Center Around Revival Work

Revival is the theme around all activities at the Highland Baptist Church for the next two weeks. Dates for the Revival are April 15-26. Services will begin with the evening worship on Wednesday at 7:30 p.m. Rev. Dudley Bragg from the Bunavista Baptist Church will do the preaching and our own Minister of Music, Roy Harper will lead the singing. A cordial invitation is extended for you to attend and bring someone with you.
 Sunday the Sunday School hour has its beginning at 9:45 with a class for every age, followed by the preaching hour at 11. For the special music, Mr.

Harper and Mrs. Belote will sing a duet. For his scripture, Rev. Allison will read from Genesis 4:1-16 and he will take his text from Genesis 4:6. His sermon topic is, "The Need of a Revival Revealed."
 Choir rehearsals will meet at 5:30 and choir members are urged to be in their place of responsibility to work on music to be used during the Revival. At 6:30 the Pastor's Class and Training Union meet for an hour of learning. The pastor is continuing his teaching of Baptist Doctrine while the Training Union lessons are about our Baptist Heritage.
 7:30 is the time for our Evening Worship Service, which begins with the singing of several old songs that everyone likes to sing. Bro. Allison has taken his scripture from Ephesians 5:1-15 and has entitled his sermon, "A Positive and Negative Position."

Sermon Topic Set For Local Church

"After Easter What?" will be preached by Rev. Glyn B. Adsit at the First Christian Church Sunday morning. There will be no evening worship service as the Christian Churches will be meeting in Convention at the First Christian Church in Borger, Texas. The Chi Rho and CYF youth groups will also attend the meetings of this Convention.

Lions Members Hear Ed Myatt

Members of the Pampa Noon Lions Club heard Ed Myatt, head of the Pampa Industrial Foundation's speakers bureau, explain the current fund drive of the organization.
 Visitors at the meeting included Al Carr, James M. Bowers, Joe Martin, Gary Frahier, Betty Brown and Kitty Gates.

Marks Quartet Sings Concert at Skellytown

The Marks Quartet will perform at 7:30 p.m. today in the Skellytown Assembly of God Church.
 Rev. Dwayne Harper, pastor, said, "To hear the Marks Quartet sing is a thrilling experience that will not be soon forgotten and the public is welcome to attend the concert. The quartet has a unique, refreshing sound carried by a spirit of enthusiasm and dedication."
 The Marks travel throughout the United States and Canada, appearing on radio, television and in high school assemblies to bring their religious music to the public.
 Rev. Harper said the Marks are making thousands of new friends throughout their travels and they present a program that local residents, like thousands of others, will thoroughly enjoy.

Christian Church Members Attend Meeting at Borger

Loren E. Williams, pastor of Lamar Christian Church will speak Sunday morning on Understanding God's Delight and His Love. Texts for the message will come from Jer. 9:23-24 and from 1 Cor. 13:4-7.
 Chi Rho Fellowship and Evening Worship will be dismissed in order that all may attend the Convention of Christian Churches (Disciples of Christ). This Spring Convention of District One is to be held at the First Christian Church in Borger, Texas beginning at 3 p.m. The Reverend Mr. Joe Frederick is president of this convention. Mr. Frederick is minister at Perryton, Texas. First Christian Church, Dr. Dudley Strain, minister of First Christian Church Lubbock, Texas and Dr. Don Ver Duin of Texas Christian University will be guest speakers. The host church will serve an evening meal.
 The program is geared for both adults and youth. Dr. Strain will share some of his experiences and show pictures of the preaching mission in Japan. The Functional Committee Meetings of Lamar Christian Church, regularly scheduled for this Sunday will meet later in this month.

Revival Services End Sunday at Central Baptist

"Is the religion of Jesus something for us to live by? Is it worth being kept vitally alive?" So wrote Roger Babson in an article published recently in several papers. He also stated, "I have long predicted that we would never be able to realize fully the great blessings of civilization unless we all worked for spiritual renewal."
 Roger Babson has so pointedly struck at the heart and core of the gospel. It is the power of God unto salvation to all who believed. It is the realization of a full life in Christ. It is the epitome of man's life.
 Central Baptist Church is now engaged in Revival Services. Dr. Harlan Harris, of Boulder, Colorado, is the evangelist. Services will continue through Sunday. Services will be Friday and Saturday nights at 7:30 and Sunday at 10:55 a.m. and 7 p.m. Dr. Harris has faithfully proclaimed the gospel this past week. The Lord has blessed in the services. The public is cordially invited to the remainder of these services.
 Quoting Roger Babson's article again, "As I see it, we are caught today in the middle of a vast struggle between a temporal, materialistic world and a world of the Spirit. Since we cannot successfully fight Godlessness with Godlessness, we must first save ourselves by working toward a great 'spiritual revival.' I cannot agree with those who think that science and technology can ultimately solve all our problems. The freedom - both social and political - for which we strive is a thing of the Spirit, not a thing of the Mind. If there is to be any world of tomorrow, we must all work toward a world-wide spiritual reawakening."

Chairman Named For Stewardship Campaign Work

Chairmen of the various committees have been named in the April Stewardship campaign at St. Paul Methodist church. General Chairman is Marvin Dees. Those who will be working with him are: Associate Chairman of Education, Norma Hollar; Direct Mailing, Pat Norton; Chairman of Newspaper, Mary K. Cotten; Chairman of Posters, Gene Hollar; Associate Chairman of Solicitation, Frank Heare; Assistants, Gene Boyett, Marvin Dees, Boyd Maule; Associate Chairman of Mechanics, Bill Newlin; Chairman of Scoreboard, Kit Autry; Chairman of Food, Ira Carlton; Chairman of Programs, Ruth Holladay; Chairman of Office Help, Virgie Matejowsky; Chairman of Telephone Committee, Sara Farley; Chairman of Finance Committee, Gene Boyett.
 General Chairman of Fund Raising Dinner to provide funds for parking lot and special projects around the church is Betty Boyett. Tickets are now available for the dinner from any of the above chairmen and other workers on the dinner. The dinner will be Smorgasbord with a large selection of food planned.

Service Topics Set For Sunday At Pampa Church

"The kingdom of heaven is at hand. Heal the sick, cleanse the lepers, raise the dead, cast out devils: freely ye have received, freely give." These words from Matthew (ch. 10) will be used as the Golden Text at Christian Science churches next Sunday.
 The question, "Are Sin, Disease, and Death Real?" will be explored in passages from the Bible and the Christian Science textbook, including this statement: "God is not the author of mortal discords. Therefore we accept the conclusion that discords have only a fabulous existence, are mortal beliefs which divine Truth and Love destroy" (Science and Health with Key to the Scriptures by Mary Baker Eddy, p. 231).

Dr. Carver Holds Services Sunday

Dr. Douglas Carver, Pastor of the First Baptist Church, Pampa, will be in the pulpit for both services of worship Sunday. At the 11 a.m. worship he will preach from the subject "The Tragedy of Turning Back." The Church Choir will bring special music under the direction of Mr. Joe Whitten and he also will present Mr. Paul Barrett who will sing a bass solo. Miss Eloise Lane, organist, will play "Adagio" by Rheinberger for the organ offertory number.
 The Pastor has chosen "Paying the Price for Victory" for his 5 p.m. evening worship sermon topic. The Chapel Choir will sing a gospel hymn "Revive Us Again" in preparation for the revival. Miss Lane has chosen "Consolation" by Graham for the evening organ offertory.
 Mr. Jack Parker, Minister of Education, will be in charge of an area Vacation Bible School Clinic, Tuesday, April 14, which will meet at 9:30 a.m. in the Central Baptist Church. All the members of the Church who will work in Vacation Bible School this summer are urged to attend this important clinic.

Cleburne Attorney To Speak in Pampa

Robert A. Kilpatrick, Cleburne attorney, will address the Gray County Bar Association at its monthly meeting at 11:30 a.m. Saturday at Coronado Inn. Kilpatrick is past chairman of

The Weekly Message Of Inspiration

Attend The Church Of Your Choice

REV. VERNON WILLARD
PASTOR, HARRAH METHODIST CHURCH

Bartimaeus—A Man We Admire

We admire men who make good. There are those who are surrounded with favorable circumstances from the beginning that we naturally expect to make good. (There are those who have been reared in a good Christian home. They enjoy good health and the necessities and comforts of life.) We would be surprised if people like this did not make good.

But there are people who experience great adversities and handicaps and yet make good. These are the people for whom we hold the greatest admiration. Bartimaeus was such a man. He was blind. He was poor. He was a beggar. He had no friends save one, whose name was Jesus. To see him from far off as we often see people, we don't see much to admire. But when we look more closely we see a man for whom we hold the greatest admiration. He was down but he didn't stay down.

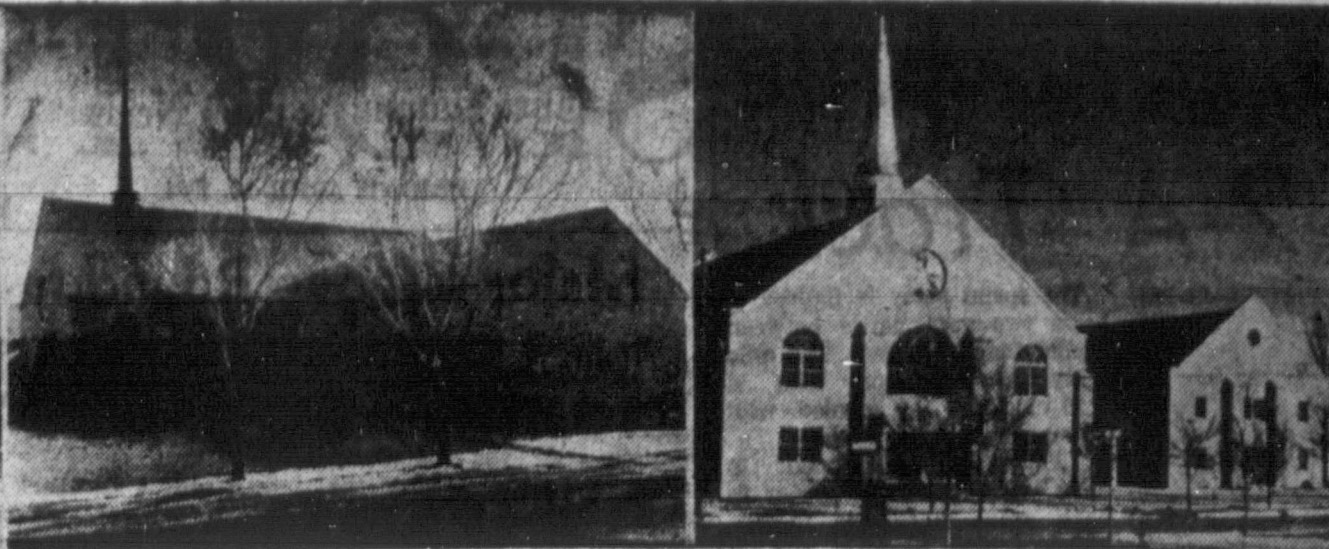

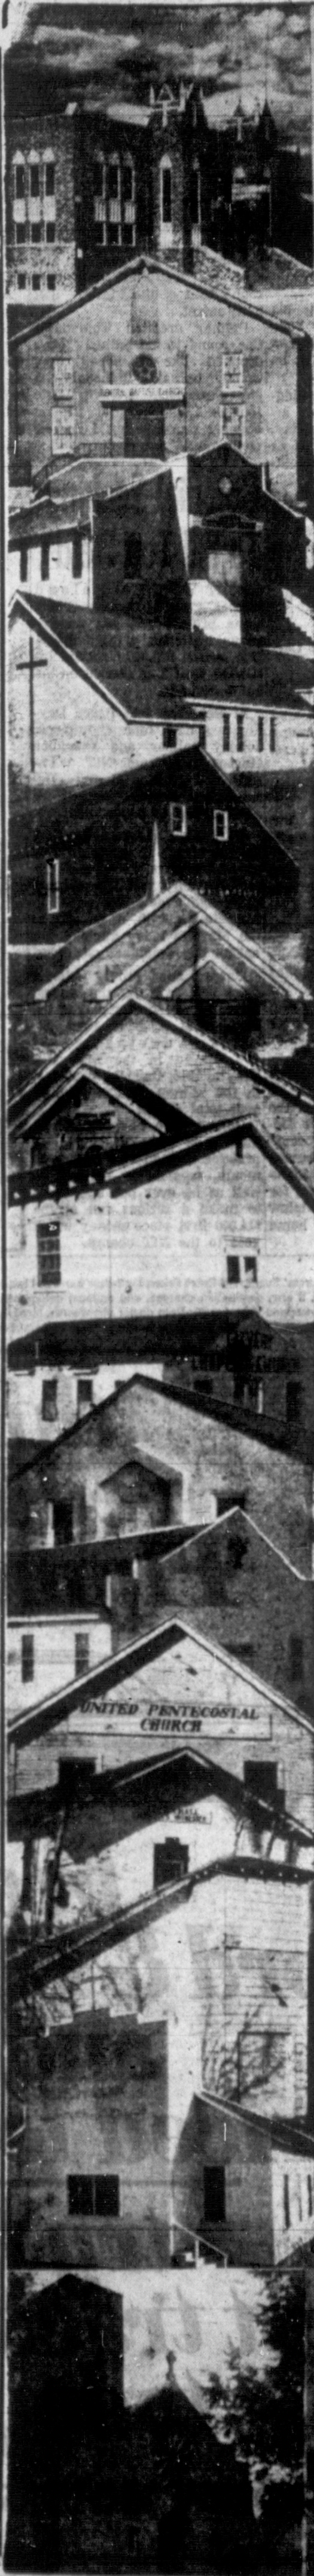

We admire Bartimaeus first of all, for his wisdom. He waited on the road where Jesus was to pass by. Wouldn't it be wonderful if we would do this today. If we were walking the roads and going to the places where we would find Jesus. We would worship at the altar of the Lord rather than of Baal. (How different conditions would be if we were walking in the paths of righteousness rather than the paths of sin.) The Prophet of God would say to us, "Seek ye the Lord where He may be found."

Secondly, we admire Bartimaeus for his courage. As he realized Jesus was near he cried unto Him with a loud voice, "Jesus thou son of David have mercy on me." He asked Jesus to bless him and help him to see, while the multitudes all the time were saying with one accord, "Hold thy peace." How often have we failed to turn to Jesus and ask Him to help us because of what others about us would think. Jesus made Bartimaeus to see and He will meet our every need today if we will turn to Him. (If we are not ashamed of Him.)

We admire Bartimaeus for his great faith. He believed Jesus could even make a blind man see. Christ did not disappoint him and He will never disappoint us when we believe in Him with a faith that is pure. Bartimaeus didn't turn to some fortune teller or magician, but he turned to Jesus. Jesus said to him, "Go thy way, thy faith hath made thee whole."

Again we admire Bartimaeus for putting aside that which would hinder him from coming to Jesus. As Jesus called him he immediately laid aside his heavy coat that he might go quickly. The Bible speaks to us concerning the sins we must lay aside if we are to be blessed of God. Have you laid every sin that God might have His way in your life?

Finally, we admire the man who makes the kind of dedication Bartimaeus made. Not only did he turn to Jesus to be blessed, but he FOLLOWED JEUS. Many turn to Him in time of trouble but they are not willing to FOLLOW HIM. If our life would be an inspiration to others we might walk with Him daily. Read again the Scripture found in Mark 10:46-52.

Wellington Big Favorite In District 2-A Track

McLEAN — "Wellington will win going away," predicted host coach Derral Davis of the district 2-A track meet here tomorrow.

"Wellington just has far too much depth, as shown by the way they tore up the McLean and Lefors Relays," said the tall Tiger. "They are entering 25 boys in the meet, while the rest of the district schools (Lefors, Canadian, Memphis, Clarendon and host McLean) are entering from eight to 12. Lefors and Memphis will grab a lot of first places and the rest of us will pick up a few, but the Skyrockets will place at least one boy in each event, they can't lose."

Wellington proved that its depth was too much for the rest of the district as they met all the loop foes in the first two meets of the year, taking first by over 100 points more than the nearest district rival, Memphis, at the McLean Relays, and first by 36 points over Lefors at the Pirate Relays. The Rockets have gone out of the area since, running in meets at Spring Lake, Idalou and Kress, and improving their times, heights and distances greatly, according to reports received by Davis.

The 100-yard dash should be a wide-open battle, with five runners who range from 10.2 to 10.4 in it, headed by Kenny Smith of McLean, Jack Stargel of Memphis, Squash McCool and Phil Wooding of Lefors. Keith Yarnold of Canadian and Bryan Hatch of Wellington.

The 220-yard dash would ordinarily be a head-and-head battle between Stargel and Wooding, but both are suffering from pulled leg muscles and will be question marks.

Toby Crook of Memphis, a 52.1 runner, is figured to win the 440 going away.

The 860 should be a battle royal between Harry Tate of McLean and Stone of Clarendon, both of whom run around the 2:05 mark.

The mile features last year's one-two finishers, Roger Wolf of Wellington and John Bible of McLean, who could push each other below the five-minute mark.

The high hurdles are conceded to Terry Bromlow of Lefors, a 15.5 runner. The low hurdles will be wide open, with Bill Grist of Canadian, Sturdivant of Memphis, Hatch and Martin of Wellington all given a chance.

HARRY TATE
... McLean hope

The sprint relay is figured to be a two-team battle between Wellington and Lefors. The mile relay has Wellington, with a 3:36 clocking, the choice with Memphis given a chance.

Field events all appear to have one outstanding leader in each event, according to this season's past records: McCool is an odds-on favorite to repeat as district shot put and discus champion, pushing the 45-foot mark in the shot and passing the 150-foot mark in the disc. Craig Bergvall of Wellington is the only 11-foot pole vaulter in the loop. Butcherboy Bennie Eckles of Canadian recorded a 5-10 high jump as he won at Perryton and is conceded the marbles. Wellington's Pat Patterson, a 20-foot-plus broad jumper, is figured to take first going away.

Running event preliminaries in high school, freshman and junior high classes begin at 9:30 a.m., with finals at 2 p.m. Field events will start at 9:30 and are figured to be finished by noon.

PH Foes Win Pair

LUBBOCK (Sp1) — Lubbock batsmen clubbed in five runs in the bottom of the fourth inning to erase a 5-2 deficit, then tallied four more before the contest was over to register a come-from-behind, 9-5 triumph at the expense of the Brownfield Cubs at Mackenzie Park.

It was the final non-conference tilt on the Westerner's slate, with the win giving them an even 8-8 mark for the practice encounters. The loss put the Cubs at a 5-3 standard.

The Westerners open District 3-AAAA play today against Pampa.

Gary Hughes and Tommy Toombs came within one out of pitching their second no-hitter of the season against Levelland, but Dennis Deel spoiled it with a single. However, Monterey posted its second win over Levelland, 9-0, at Lowrey Field.

Earlier, the pair had hooked up to not allow a hit at Levelland, although Monterey won handily, 14-1. Yesterday's win gave the Plainsmen an 8-8 season record.

Lubbock's Lott To All-Star Tilt

LUBBOCK (Sp1) — Greg Lott, Lubbock High's all-district quarterback for the past two seasons, has been invited to play in the all-star game at the Coaching School this summer in Fort Worth.

Lott, District 3-AAAA's total offense leader this past season with 1,600 yards in eight games and the loop's second leading scorer, has signed a letter of intent with the University of Texas.

The 6-0, 165-pound three-year letterman, led the Westerners in rushing with 829 yards on 129 carries, in passing by completing 52 aeriels for 762 yards and 10 touchdowns, and was the top scorer with 66 points.

In addition, he punted 10 times for a 32.5 average.

Lott saw some service as a halfback the past two seasons, and against Odessa, he ran a couple of plays at fullback. He has run the 100-yard dash around 10.2, although he isn't participating in track this season.

He's the first Westerner to play in the All-Star contest since 1961 when Max Gatlin was on

57TH YEAR

Major League Roundup

By SANDY PADWE
UPI Sports Writer

When a baseball player reaches 33 it's time to worry, especially if you stumbled through a whole season the way Bob Skinner did in 1963.

Skinner split his time between Pittsburgh and Cincinnati, batting only .259 with three home runs and just 25 RBIs. That didn't exactly make it easy for him to enjoy the winter months back home in San Diego, but he's eased his worries somewhat this spring.

Take Thursday, for example. The 6-foot-4 outfielder had three hits, including a home run, to lead Cincinnati to a 5-2 victory over the Chicago White Sox in Jacksonville, Fla.

Skinner is battling for the left

field job, the position he held during his better days before the Pirates traded him to the Reds last season for Jerry Lynch.

Needs a Comback
Should Skinner regain his 1962 form (.302, 20 home runs and 75 RBIs) his worries, as well as Cincinnati's, would be eased quite a bit.

Chuck Hinton of the Washington Senators also had a big afternoon offensively Thursday. He had four straight singles as the Washington Senators defeated the New York Yankees, 7-3.

The Senators had 13 hits off three Yankee pitchers with Ed Brinkman picking up three of them. Bill Stafford started and took the loss for New York.

Houston's Rusty Staub pinch-hit a bases-loaded double in the fifth inning that helped the Colts defeat St. Louis, 7-1. Five Houston pitchers held the Cardinals to three singles.

Charlie Lau and Dick Green came through with key singles and the Kansas City A's scored two runs in the eighth inning to defeat the Detroit Tigers, 6-4.

The Baltimore Orioles defeated the Milwaukee Braves, 5-2, for their sixth straight win against National League opposition. A three-run homer by Brooks Robinson off Warren Spahn proved to be the difference.

Pascual Looks Good
Camilo Pascual prepped for his opening day assignment by pitching five strong innings as the Minnesota Twins beat the New York Mets, 4-1.

Pascual, who will pitch the opener against Cleveland next Tuesday allowed just three singles.

The San Francisco Giants scored six runs in the fifth inning and went on to defeat the Cleveland Indians, 9-3, at Modesto, Calif. The Giants pounded out 16 hits off Pete Ramos, Jerry Walker and Don McMahon. Jim Ray Hart homered for San Francisco while Al Luplow and Leon Wagner had home runs for the Indians.

Colt .45s Getting Baseball Bargain

COCOA, Fla. — Mike White, the Houston Colt .45s' second base understudy to Nellie Fox, may be one of baseball's better bargains.

The 25-year-old son of Milwaukee coach Jo-Jo White cost the Houston organization just \$2,000 in 1961 when he was drafted from the Los Angeles Angels' San Jose Calif. League Club.

Right now he is one of the leading Colt spring hitters with a .400 plus batting average and, at the same time, has become somewhat of a problem, but the kind of problem managers like to have. The problem is that he is still on the 45s' Oklahoma City farm club roster and the .45s are trying to make room for him on the major league roster.

However, his play to date has left very little doubt that he will be placed on the major league roster before the 45s open their season in Cincinnati on April 13 and at least stay during the first 30 days of the season when the player limit is 28.

White, who can play second, third and centerfield with equal effectiveness, can be a very valuable cog in the Colts 1964 baseball machine. He also is a tough out at bat.

It is without a doubt that Nellie Fox, at 36, will not be able to play every game of the entire 162-game schedule. White, a righthand-hitter, could fill in very well on occasion for the lefthand hitting Fox against some of the tough National League southpaws.

"White is a bear down guy who gives that good everyday 100 per cent performance," said manager Harry Craft. "He is a valuable guy and is a good enough hitter to be used as a pinch hitter in addition to spelling Nellie Fox at second when needed."

the North squad and he is the 28th Westerner to ever play in the game.

Only Wichita Falls has furnished more players in the contest than the Westerners. Thirty-one Coyotes have seen action in past games.

In Texas...

at a picnic, beer is a natural

When you're relaxing at your favorite outdoor beauty spot with friends or family, and your thirst's whetted by fresh air and exercise—that's the ideal time for a cool, refreshing glass of beer. In fact, you can name your recreation—swimming, hiking, or just watching TV—and chances are nothing in the world fits it quite as well as beer.

Your familiar glass of beer is also a pleasurable reminder that we live in a land of personal freedom—and that our right to enjoy beer and ale, if we so desire, is just one, but an important one, of those personal freedoms.

In Texas... beer goes with fun, with relaxation

Tied With Three In Masters

Palmer 'Marching Through Georgia'

AUGUSTA, Ga. (UPI)—Arnie's Army was singing "Marching Through Georgia" today.

The "King," Arnold Palmer, was back on his throne — at least temporarily—after he regained the touch that has been missing for six months and shot his way into the first round lead of the Masters golf tournament.

Palmer credited Thursday's fine round to his putter. "They dropped" like I hoped they would," he said. "I thought the pin placements were a little tougher than normal for an opening round — but I had no complaints."

normal for an opening round—but I had no complaints."

The "army" never really believed his crown was slipping and a big chunk of a sprawling crowd of 35,000 trailed him from tee-off to final green while he shot a three under par 35-34-69 over the lush Augusta National course.

Actually, Palmer's 69 Thursday only tied him for the lead with four others. But his "army," which reacted emotionally to his every move, left no doubt that they thought he now should be favored to become the first four-time winner of the Masters as he goes into

the second round paired with Chi Chi Rodriguez.

The other four leaders included little Gary Player, the former Masters champ from South Africa who is carrying a tonsillitis handicap; Kel Nagle, the 43-year-old former British Open titlist; handsome Job Goaly and little-known Davis Love Jr., a club pro from Charlotte, N.C., who hasn't won a dime in three previous tournament appearances this year.

Going into today's second round, these five held a one-stroke lead over a packed field, with favored Jack Nicklaus two strokes back at 71.

Colonial Seeking To Fill Top Field

FORT WORTH — Roland Harper, Colonial Country Club's home professional, has accepted an invitation to play in the 19th annual \$75,000 National Invitation Golf Tournament on his home grounds.

Al Bessellink and Bruce Devlin, two new touring champions, Johnny Palmer and Chandler Harper, two former NIT winners, and popular Jimmy Demaret and Harold Kneese have also replied to invitations.

With these additions the field for the May 6-10 golf classic is only 12 short of its selective 70-man capacity and Tournament Chairman Frank Rogers is in Augusta, Georgia, at the site of the Masters today aligning talent for the remaining vacancies.

Harper, head pro at Colonial since 1961, will be the second "home" man to ever play in the tournament. Charles Akey, Colonial's pro during the early 40's, played in the first NIT back in 1946, finishing dead last in the 28-man field with a 44-over total of 324.

Roland, who has played almost daily with Ben Hogan in practice sessions the past month, says he is playing as well as he ever has and hopes to make a serious run at the \$14,000 first place money which goes to the NIT champ.

IT HELPED — Gary Player, always a favorite at the Masters Golf Tournament in Augusta, Ga., kicks and swings his fist at his lagging ball. Player's body English must have helped — the ball rolled into the cup.

57TH YEAR FRIDAY, APRIL 10, 1964

West Texas' Annual Exes Game Tonight

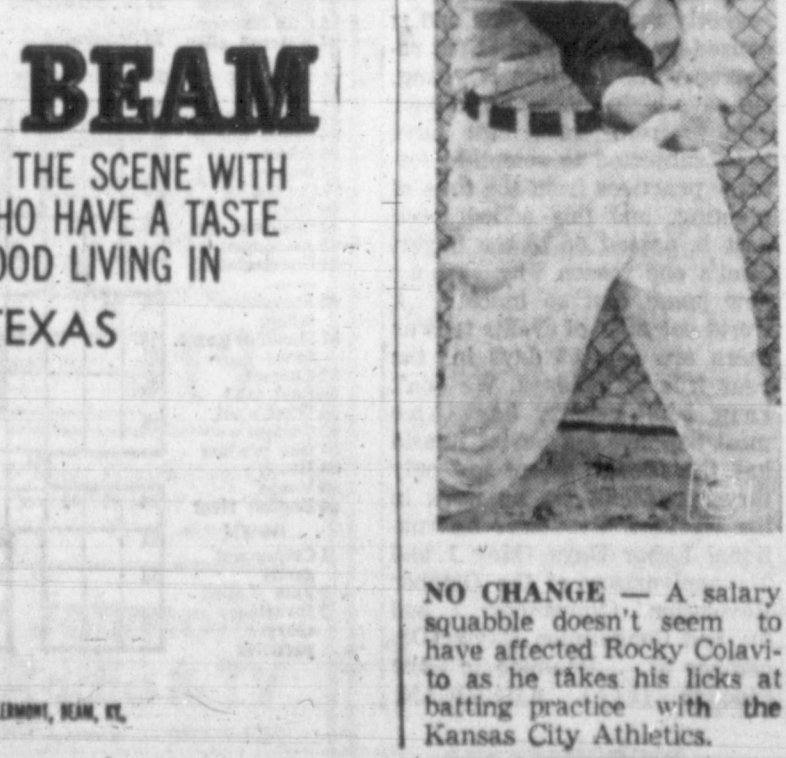

CANYON (SpI) —There will be blood on the moon tonight for the West Texas State University football team as it goes into Buffalo Bowl against former Buffalo grid stars in the Third Annual Alumni Game. Kickoff is slated for 8:00 p.m.

Head coach Joe Kerbel's varsity teams hold two wins over the Alumni teams since this annual game began in the Spring of 1962. The first year the varsity won 28-0. Last year, Hoot Gibson, Jerry Richardson and Pete Pedro led the varsity squad to a routing 45-15 win over the "old timers". But this year, Gibson, Richardson, Pedro, and seven more members of the 1963 edition of the West Texas State Varsity will be wearing the white jerseys of the alumni squad. So after enjoying the fine feeling of having these lads on his side for the past three or four years, coach Kerbel now has to deal with just how to stop the great offensive stars he taught to carry the mail for WT.

Heading up the alum squad will be Jim "Corky" Dawson, former quarterback for the Buffs. Jim has had members of the alum team working out at the Buff practice fields this past week and they are as eager and frisky as a group of freshman trying out for the first team. "We are going to have a good bunch of football players on the alumni team Friday night and we just might pull off a few surprises," said Dawson. "We have been working on some special plays to fit our lineup that could go all the way. We know we will have to score quick and often to stay ahead of the varsity, and we think we can. Our biggest task, aside from becoming organized, will be to stop the running of Russell Mundy and the other fine backs coach Kerbel will be throwing at us. With Jerry Don Logan, Richardson, Gibson, and Ned Jolly to play the defensive halfback slots for us we should be able to contain the varsity passing game with some degree of regularity. However, quarterbacks Bill Bundy, David Fleming and Greg Klein have been throwing well in the varsity scrimmage sessions and we will not be able to take them too lightly."

Dawson will have the 10 seniors from the 1963 squad to work with and has heard from a number of men from other seasons who will be returning. Due this week to play for the alumni, to mention a few, will be ends Dean Faulkenberry (61) and Joe Granato (61); tackles Jerry Behrens (61), Gary Ward (61), Dick Lowery (62), and Dory Funk Jr. (62); guards Jerry Epps (58), Bill Bradley (61), and Garold Gouge (57); centers Dennis Smith (61), and Clarence Whitlenberg (57); quarterback John David Bryant (61) and fullback Bob "Red Dog" Ratliff (58).

Last spring the alumni stayed close to the varsity squad until late in the contest when Gibson threw 58 yards to Richardson for a score to break the game wide open. Pedro gained 109 yards in 13 carries for an 8.4 average and scored one touchdown. The varsity will have its hands full in trying to haul down the Flying Fragment. They never were very successful stopping Pete in practice, and Dawson and his squad hopes the varsity will have the same trouble Friday night. "If we can break Pedro, Ross, Logan, Richardson, or any of our fine backs loose a time or two" Dawson added, "the varsity could be in for a long evening. We feel we have a good chance to beat the varsity as they have a lot of green material at this point and we have plenty of experience on our side. Now I'm not saying we are going to thrash the varsity squad, but they will know they have been in a ball game when the evening is over. Our men feel confident that we can pull off some surprises and throw the ball for the big scores."

NO CHANGE — A salary squabble doesn't seem to have affected Rocky Colavito as he takes his licks at batting practice with the Kansas City Athletics.

PH Netters Defeat Lynx

Coach Roy Kieval again played "switch" while his Pampa netters played winning tennis, knocking off Spearman, three matches to one, in play at the Harvester courts yesterday.

Pampa and Spearman both switched players around as they experimented in preparation for district play, and Spearman sent Burton Williamson out for two A singles matches. Williamson ran into Tim Adsit in his first round, and Adsit, took home again on a full court, back a 6-3, 6-2 victory. Williamson then played another Pampa sophomore, Rick Maxie, and split his matches, winning 6-0, 6-1.

The B singles match saw John Guidry, playing in his first regular match, take the singles margin for Pampa as he defeated Frank Wilmet in a three-of-five set, 6-2, 6-1, 6-2.

Pampa wrapped up the match in doubles play as Roy Milligan and Vic Keyes swept Larry Butt and Dave Clement, 6-3, 6-1.

The Harvesters take the weekend off and then host Borger Tuesday.

Harvesters Hit District 3-4A Trail to Lubbock

The Pampa Harvesters open district 3-AAAA action this weekend by traveling to Lubbock to meet a pair of in-and-out baseball teams, playing Lubbock Friday and Monterey Saturday.

Lubbock, picked fourth and Monterey, picked third, have been strictly hot-and-cold in pre-district games. The Westerners had a 7-3 record through the season, showing surprisingly little hitting power for a club with four returning regulars. The Westerners lost a twin bill last weekend to Midland Lee by the scores of 2-0 and 2-1.

Bright spots for the Westerners have been their veteran pitchers, especially Gary Washington and Dorian Clawson. Each of the pair lost a five-hitter to Lee, and Washington is expected to be the starting hurler against Pampa. Shortstop John Barnett has been pacing Lubbock at the plate, backed by Joe Mack Tilson and Washington, a good hitting pitcher.

Monterey, picked third on the strength of last year's championship, has found it rough going with only two returning regulars and a dearth of experienced pitchers. The Plainsmen have compiled a 7-8 record, chiefly on the pitching of Gary Hughes, who has marked up a 5-2 record. Hughes is expected to open Friday against Borger, with Tommy Toombs (2-2) or Don Barrett (0-2) against the Harvesters.

Leading the batting parade for Monterey have been first baseman Max Martin (.370) and catcher Rudy Foster (.356).

The Harvester hitters are again paced by Kenny Hebert. The three-sport all-district, switched from his honor position at centerfield last year to make a bid for the shortstop crown this season, paces the Harvesters in six of the eight offensive departments and is second in the other two, belting the ball at a .389 average, with

KENNY HEBERT ... leading hitter

two doubles, three triples, two homers and 12 runs-batted-in.

Steve Molberg and Eugene "El Bandido" Madrid follow in the batting averages with .333 each, Molberg leading the club in doubles with three. Rick Stewart is the chief thief with eight successful stolen bases, followed by Hebert and Larry "Shotgun" Gregory with six each.

BB TRYOUTS

Boys who are unable to make the current Babe Ruth League tryouts due to illness and wish to be considered for a team are advised to telephone MO 5-4186 or MO 4-6621, or MO 5-4049 after 6:30 p.m. If you do not call and have not made at least two of the three tryouts, you will not be considered for a team.

Read The News Classified Ads

Jerry "Chinky" Garrison has paced the Harvester hurling staff, with two of the Pampa's six wins and one of their losses. Hurling a one-hitter and a four-hitter in his two route-going performances, The Chink has allowed only six earned runs in 19 2-3 innings and struck out 23.

Big Jim Arthur has a cool 2.23 ERA, although losing two rough ones, including a 3-2 decision to Borger, while taking a two-hit victory. Blazin' Bobby Price, alternating between starting and relief roles, is 1-1 with 17 strikeouts in 10 2-3 frames. Ronnie Curlee is also 1-1 on the season and Carl Harnsberger is 1-0, wrapping up the pre-district campaign with an 8-4 decision over Borger Tuesday.

A Watchful Newspaper
EVER STRIVING FOR THE TOP O' TEXAS
TO BE AN EVEN BETTER PLACE TO LIVE

The Pampa News is dedicated to furnishing information to our readers so that they can better promote and preserve their own freedom and encourage others to see its blessing. Only when man is free to control himself and all he produces, can he develop to his utmost capabilities. We believe that freedom is a gift from God and not a political grant from government. Freedom is neither license nor anarchy. It is control and sovereignty of oneself, no more, no less. It is thus consistent with the Human Relations Commandments, the Golden Rule and the Declaration of Independence.

Civil Rights Despotism

In those sections of the United States where no racial problem exists, the general attitude toward the "civil rights" bill may be "so what?". But those who think "it can't affect us," forget that the announced purpose is not the protection of blacks against whites, but of minorities against majorities — racial, religious and ethnic. Under the provisions of this legislative disguise for a police state, the authority of the Federal civil rights inspector would be no less arbitrary in areas where there are no Negroes than where there are many. This Federal busybody could walk into any establishment and demand the employment records to check on whether the religions represented by the workers were "in balance" with the theological complexion of the community. Should he decide there were too many Presbyterians, or too many Jews, and not enough Catholics, or too many Roman Catholics and not enough Greek Orthodox Catholics; or if there were Buddhists, Seventh Day Adventists, Brahmmins, Jehovah's Witnesses, Holy Rollers, Mohammedans or Mennonites in the community and not on the payroll, changes would have to be made. If the inspector said so, the work force would have to be adjusted proportionally — no matter how competent or faithful the workers who must walk the plank, nor how undesirable the char-

acters who must be inducted! Similarly, if, besides native-born Americans, there were naturalized Lithuanians or Turks or Mexicans or Chinese or Rumanians or East Indians or a combination of foreign origins in the area, the Federal man could demand proportional representation among the employees; regardless of injury to established workers, abrogation of labor union contracts or violation of seniority rights. Nor is there any provision of the Civil Rights Act requiring that the worker who is inducted in order to strike a "national origins" balance need even understand the English language in order to pre-empt the civil rights of the employe who must make room for him! It is no answer to say that the inspector will not go to such extremes. What is important is that the bill gives him the power so to do — and gives the nation a government of men and not of laws! Examine this monstrous legislation from any angle and it is plain that the fate of the Constitution, of American freedoms, the progress of the US or its swift decline are the stakes in the tug-of-war now going on in the Senate. Americans who care what happens to their children and their children's children had better tell their Senators to throw their weight against the impending despotism.

Homework to Do

The number of those who lost their lives in the recent Alaskan earthquake and in the tidal waves that followed may never be known. The original estimate of 600 would have been low for the mightiest quake ever recorded, that toppled and crushed whole sections of Anchorage — a city of 100,000 that inundated Kodiak Island with waves as high as 40 feet, tidal waves that tore at the west coast of Canada and the shores of Washington and Oregon and northern California, and swept westward to lash the Hawaiian Islands. At last report, the Alaskan death toll stood at 72, with 12 dead and 15 missing at Crescent City, Calif.; four children drowned at Depoe Bay, Ore.; one man drowned at Klamath, Calif.; and one man at Bolinas Bay, Calif. This adds up to a total of 90 known deaths, but almost certainly there will be more, and more added to the list of missing. In Hawaii, 300,000 fled from their homes, but no deaths have been reported. Governor William A. Egan, in a preliminary estimate, placed Alaska's economic loss at \$250 million, but Senator Ernest Gruening, former Territorial Governor who had flown to Anchorage from Washington with Senator E. L. Bartlett, insists that twice that amount would be a conservative figure. Other estimates recovery at \$850 million. Whatever the figure may be, however, we can think of nothing more insignificant in this challenging situation. Within 48 hours of the first shock, and with still others threatened, Alaskans were hard at work restoring water supply, broken sewage lines, electric power and telephones. In Washington, White House Press Secretary George E. Reedy said: "The President's view is that everything necessary must be done." And certainly that is the view of all citizens of a nation that can spend \$100 billion in other countries! But restoration is only a patch on the infinitely greater task this unerring disaster has imposed on us. It has brought us face to face with the shocking fact that we are squandering our substance and our best technical brains in a Quixotic challenge of the moon when we know little about the structure of the earth — or even of our own continent! Space stations and moon landings — hard or soft, manned or unmanned — can wait, we think, while our top-flight scientists and engineers investigate the earth shudders that menace our Pacific Coast and tell us — if and when they can — what we can do about them. There are those who see in the Good Friday cataclysm in Alaska a warning of the error of our ways. Perhaps they are right.

Contributing to Our Downfall

A few years ago, it will be remembered, the Soviet leaders promised, without equivocation, that the Soviet Union would surpass this country in every major field of production by 1970. How is that tremendous program doing? An answer is provided by the authoritative Intelligence Digest, which is published in England and has responsible and proven sources of information almost everywhere. It states: "There was less milk in the Soviet Union in 1963 than in the year before and also fewer eggs. It may be added that three-quarters of all vegetables and four out of every five eggs consumed in the country were supplied by the collective farm peasants from the tiny backyard plots which they have been allowed to cultivate privately. . . . Within the last year, the number of pigs on the collective and state farms has been re-

duced by half, and meat production in general, which the state plan had stipulated would be 16 million tons in 1963, did not actually exceed 10 million tons." There is much other evidence of Soviet failure to meet announced goals. An outstanding one was a major cutback in the production facilities of a huge power dam which was supposed to assume the lead in overtaking the vast superiority of American electric capacity. So, to make up the lack, the Soviet Union is trying to get her needs from the West, through long term loans and credits. The Digest's concluding line: "All that we send will be a direct contribution to our own downfall." John — What size bank is the one you work in? Jerry — Well, it takes a good story two weeks to get from the president back to the president. When Fulbright suavely pro-

Allen-Scott Report

Fulbright Foreign Relations Bill Strategem: To Slip It Through, Unnoticed, in Segments

ROBERT ALLEN **PAUL SCOTT**

Pull Up A Chair

By Frank J. Markey

Higgins Armory at Worcester, Mass., is one of the nation's unusual museums, boasting the largest collection of Medieval and Renaissance armor in the Western Hemisphere. It contains a replica of the great hall of an Austrian castle where more than 100 types of armor are displayed. Exhibits range from Stone Age weapons to the Crusades. Related objects like furniture, tapestries, paintings, and stained glass heighten the effect. All the relics of history's colorful and romantic periods are there. Higgins' idea was to show the equipment of man's pastime, the art of war, and of the development of metal craftsmanship to the present. He succeeded in linking modern civilization with the past, which was its inspiration.

posed voting on two of the least controversial piecemeal measures, indicating he had enough proxies for a majority, Morse instantly called a halt by quietly announcing, "Mr. Chairman, there will be no vote on these bills this morning."

"This executive session was called for that purpose," replied Fulbright. "All members of the committee have been polled, and the clerk has properly and in order."

"I am quite sure of that," said Morse, "but that's not my point. My point is that as a member of this committee, I insist on further consideration of these bills. For one thing, I want to hear Secretary Rusk. I want him to come before this committee and discuss the whole question of foreign aid in full detail."

"Secretary Rusk has been here," contended Fulbright. "But not while I was present," retorted Morse. "He was not here when I was on hand, and there are many things I want to ask him about. I have many questions, Mr. Chairman, a great many questions that will take hours to consider and discuss. Before there is any voting on the foreign aid issue, I must insist that Secretary Rusk and other important witnesses be summoned for full consideration of what we are voting on."

And that ended that. With the Senate about to begin the daily debate on civil rights, Fulbright had no alternative but to bow to Morse. Fulbright had the rules in his favor and he won the round. It was a TKO, but it stopped Fulbright.

FOREIGN AID SPARKS — Outwardly, the White House has no direct connection with Fulbright's ingenious stratagem of splitting the President's \$3.4 billion foreign aid program into eight separate bills. But significantly, Foreign Aid Director David Bell is in close touch with Fulbright and confers frequently with him. Also, Bell is known to strongly favor Fulbright's plan. . . . Almost two-thirds of the \$2.5 billion in economic foreign aid Congress voted for the current fiscal year, ending July 1, is still unspent and unobligated. This startling fact has been uncovered by foes of large-scale foreign aid spending, and they are preparing to make a major issue of it in the consideration of the new multi-billion dollar program. They have ascertained that as of March 1, only \$820 million of the \$2.5 billion in economic aid had been spent or obligated, leaving around \$1.7 billion to be dispersed of this fiscal year. Last year, the foreign aid agency wound up with some \$400 million unspent which Congress reauthorized.

HIGH AWARDS—Ad Altar Dei (Altar of God) awards were presented Sunday to Richard Barrett, right, and Patrick Homer, left, scouts by Rev. Charles J. Welter C.M. at St. Vincent dePaul Church in Pampa. This is first time this award has been presented in the Pampa area to a Catholic boy. To earn the award a scout must know and practice and be able to explain The Apostles' Creed, Ten Commandments, the Seven Sacraments, Laws of the Church, Corporal Works of Mercy, and prayers. They must serve as an altar boy, know the names and uses of all the vestments the priest wears and be able to prepare the altar for mass. These boys took a hike in the winter time to White Deer to fulfill one of the acts. They had to instruct another in their faith. They had to know the religious heads of all the church on a diocesan, deanery, and parish level and also to be able to trace the boundary on a map.

Looney to Keep At Work to Get Redistricting

HOUSTON (UPI)—Houston lawyer Bob Looney said this week he will continue his efforts to force immediate redistricting of the Texas congressional districts despite the refusal of two U.S. Supreme Court justices to order a change now.

Looney and his associate, Tom Higgins of Austin, will try each member of the high court if necessary. They are asking for a hearing on a motion to set aside a lower court decision to delay redistricting until after the upcoming elections.

Justice John M. Harlan yesterday refused to interfere with the lower court decision. Justice Hugo Black declined the day before.

Redistricting was ordered by a special federal court of three judges in Houston and upheld by the Supreme Court. But after a hearing the special court allowed the state to delay until no later than Jan. 11, 1965.

Lawmaker Has 'Festival'

WASHINGTON (UPI)—Rep. Joe Kilgore, D-Tex., of McAllen presided Thursday over his own annual "onion festival" in the Capitol to publicize the lower Rio Grande Valley's prime crop.

Kilgore hosted the weekly Texas Congressional Delegation Wednesday in the dining room of House Speaker John McCormack.

The feature was a prize-winning menu based on onion dishes.

He also presented to his colleagues schoolgirls Carol Anne Myers of Harlingen, who compiled the menu, and Margaret Cantu of Lyford, whose "cebollas rellenas" (stuffed onions) was the main dish.

The girls were accompanied by their sponsors, Mrs. Russell Cherry of Raymondville and Mrs. Miller Jordan of San Benito.

Kilgore planned today to distribute 10-pound bags of South Texas onions, billed as "no cry and sweet," to every member of the House and Senate with the compliments of the Agriculture Growers Council of Mercedes, Tex.

Sixth Convicted In Hoffa Case

NASHVILLE, Tenn. (UPI)—Henry (Buster) Bell, vice president of the International Longshoremen's Association (ILA), Wednesday night became the sixth man to be convicted on charges of tampering with a jury that was to try Teamsters Union President James Hoffa.

A federal court jury convicted Bell of offering \$30,000 for two votes of acquittal in Hoffa's 1962 conspiracy trial in Nashville.

Bell, head of two ILA locals in New York City and a Hoffa associate, was acquitted on two other counts of a federal indictment. He was released on \$20,000 bond.

U.S. District Court Judge Frank Gray set sentencing for April 27. The conviction is punishable by a maximum sentence of five years in prison and \$5,000 fine.

NAMES ASSISTANT

WASHINGTON (UPI)—James D. O'Connell of Los Altos, Calif., a former executive of American Telephone & Telegraph Co., was appointed by President Johnson Wednesday as a special assistant in charge of telecommunications.

BETTER AIR SERVICE

AMARILLO (UPI)—Am will get jet airline service fall when Trans-World Air brings Convair-440 jets to Panhandle. William T. Minton of Los Angeles, direct TWA civic affairs, made announcement.

FFA Schedules May Conference

DALLAS (UPI)—Fire broke out at the Superior Bowling Lanes off Central Expressway early Thursday, sending a giant fireball "swirling and roaring like a tornado" 50 feet in the air.

No injuries were reported but damage was estimated at \$150,000 to the two-story building. All that was left was the shell of the structure.

The 180 foot by 120 foot brick building contained 16 bowling alleys, each valued at \$5,700. Matt Lentz, manager of the lanes, said the building was supposed to be fireproof.

Youth Center Calendar
