

Candidates for School Board Present Views

(EDITOR'S NOTE: Due to the interest in certain issues of the current school board election campaign, the Pampa Daily News has sought out and questioned the five candidates to the board of trustees and asked them two basic questions. Following is the answers of each board hopeful.)

Two basic questions were placed before the five Pampa men seeking two seats on the board of trustees of the Pampa Independent School District today.

The questions dealt with their stand on federal aid to education and the executive

sessions question locally. Here are the answers to the questions by candidates.

JOHN GIKAS: "I'm opposed to federal aid to education because I feel we can handle our local welfare problems better on a home level without getting strings attached to any program."

"On the executive sessions issue, I have always been in favor of open meetings and have said so publicly. I feel that the five men elected to serve the public on the board have no business attempting to handle personnel problems of 450 employees. That is an administrative duty. If such

sessions arise that the superintendent feels a closed session is in order, it can be held with members of the press in attendance as the City Commission in Pampa does. I know this is policy in schools of similar size."

JACK HOOD: "I am mainly against federal aid to education. I feel it should be held to a minimum and we should be able to pay our own way. After all, it is taxpayers' money the U.S. government uses in these programs."

"I think that executive sessions are sometimes needed. However, I don't think the sessions are the issue as much

as what takes place in them. If you are spending taxpayers' money then the press should be present at all meetings. If there is something being planned, then perhaps privacy is needed while it is being kicked around. I don't think any member of the present board or future board would attempt to pull anything over on a soul."

BILL McDONALD: "I don't see any need for federal aid to education if the district is self-supporting. This district should be rich enough to support itself without additional help."

"On executive sessions, I

am in favor of all meetings being open to the press and public, except where personal problems might cause embarrassment to some individual."

JOE REID: "Education should be primarily a local matter and I am against the philosophy of federal aid to education. Nevertheless, these questions can not always be answered yes or no and there will always be a certain amount of compromise. The ideal situation is not to send our dollars to Washington for them to send back to us with strings attached. As a practical matter Texas, based on

tax revenues, receives a much larger percentage back for education than do more populous eastern states. I think it would be a mistake to refuse federal aid such as the school lunch program just because of the source. In some cases this noon meal may be the best meal the kids have daily."

"The question on executive sessions is primarily one of admitting the news media to all meetings. The press assures me that they intend to do a responsible job of reporting. Obviously I am not in a position to evaluate this reporting historically. I would favor admitting news media as long as they demonstrate

responsible reporting and accept the confidence placed in them. If this type of situations changes then the ground rules should be changed. Many things of a delicate nature, such as personnel problems, moral problems and potential new school sites are handled by the school board. Our school system could suffer serious damage if these matters are not handled and reported responsibly."

E. E. SHELHAMER: "I am against federal aid to schools. I feel we should keep the federal government out of the schools on all levels."

"On the executive sessions question, I am not familiar with executive sessions as such and would have to check the issues involved. But I feel that in some cases — mostly where something is being planned — a closed session might be needed. I feel that the details on all issues should be made available to the public as quickly as possible. I feel the school board should have a keen sense of co-operation with news media. We should keep the public informed as to every decision of the school system. I don't think these decisions should be done in secret."

Pampa Voters Go to Polls Tomorrow in Trustee Vote

By GLENN McCASLAND
Pampa school district residents will go to the polls Saturday to elect two of five candidates to seats on the board of trustees for the Pampa Independent School District.

The five candidates include one incumbent and four persons seeking a place on the board for the first time. The polling place will be at Pampa Junior High School gym at Ballard and Browning Sts.

The balloting will get underway at 8 a.m. and polls will close at 7 p.m. Any person who has a poll tax receipt or exemption and has lived six months in the district may vote. Voters do not have to be a property owner or have children in school.

Seeking re-election to a three-year term is John Gikas, Pampa cafe operator and present member of the board. Other candidates are Joe Reid, who is a Cabot official; Bill McDonald, who is an employe of Celanese; Jack Hood, Pampa drugist, and E. E. Shelhamer, Pampa insurance man.

The two men receiving the highest number of votes will be declared the winner of the election, according to Superintendent of Schools Jack Edmondson.

A total of 83 absentee ballots had been cast through the Tuesday absentee voting deadline, school officials reported, and observers said this was an indication of "high interest" in the election. The absentee voting jumped from 49 at noon to the 83 total by 4:30 p.m. at the school business office.

The Pampa election will highlight a number of school board elections throughout the Top O' Texas area.

Three of the area elections are contested with voters in Lefors, McLean and White Deer-Skellytown having choices in the naming of trustees.

The White Deer election is attracting some attention because for the first time in the school's history, the board members are being named by places, rather than at large.

All of the area schools have two places open for three-year terms.

The election schedule by school districts:

White Deer-Skellytown
Seeking seats on the board are Leon Nicholson, Ernie Bill Terry and Floyd Ulrich, place one, and Ed Harmon, incumbent, and Don St. Clair, place two. Polling places will be at White Deer High School and the Skellytown elementary school. Polls open at 8 a.m. and close at 7 p.m.

Lefors
Seeking places on the board are Ed Bryant and B. J. Thacker, both currently holding seats, Gene Robbins and Earl E. Hendricks. Voting will take place at Lefors schools with polls opening at 8 a.m. and closing at 7 p.m. with the two leading voters getting winning.

McLean
Three persons are seeking the two seats in this election with George Orrick trying for reelection. Jay Thompson and A. L. Fuller are the other candidates. The balloting will take place at city hall from 8 a.m. until 7 p.m.

Wheeler
No contested election in the Wheeler school district with incumbents Roy Ford and Harrison Hall on the ballot. Voting will be in the school gym from 8 a.m. to 7 p.m. (See VOTERS, Page 3)

ing at 8 a.m. and closing at 7 p.m. with the two leading voters getting winning.

U.S. and Panamanians Arrive at Agreement

WASHINGTON (UPI) — The United States and Panama have reached agreement on a formula for resuming diplomatic relations and discussing a settlement of their dispute over the Panama Canal, authoritative sources said today.

An announcement from the White House, Panama City and the Organization of American States is expected within a matter of hours, the sources said.

The reported formula was said to have been worked out in a series of talks over the past two weeks between the U.S. and Panamanian ambassadors to the OAS, Ellsworth Bunker and Miguel J. Moreno.

The OAS council's special committee on the Panama dispute was summoned hurriedly to a 2 p.m. EST meeting. It was understood the agreement would be explained at that time.

Previous OAS formulas blew up because of disagreement between the White House and Panama over coordinating interpretations.

Earlier Secretary of State Dean Rusk said Russia's top priority concern over the split with Red China is probably a factor in delaying progress on Soviet-American problems.

Rusk told a news conference that except for some progress toward working out a consular agreement between Washington and Moscow, there has been no "great movement" toward settling the multitude of perilous issues which divide the world's two major powers.

Russians Ask Meet For Reds

MOSCOW (UPI) — The Soviet Union, charging that Communist China had "passed all limits" in its attacks on Premier Nikita S. Khrushchev and Soviet policy, today called for a summit meeting of the world's Communist parties that could lead to a final break with Peking.

The Communist party newspaper Pravda broke five months of silence, hitting back at charges made by Peking this week that Khrushchev had abandoned communism in Russia, had capitulated to the capitalists abroad, and ought to be ousted.

Pravda published a secret speech by party ideologist Mikhail Suslov, made Feb. 14 but withheld until now, and coupled with it answers to Chinese attacks made since that time.

It called the Chinese demand for Khrushchev's ouster "a terrible insult to our party and the entire Soviet people."

There was speculation that the meeting might be held as early as April 17, Khrushchev's 70th birthday. Suslov's speech said only that it would discuss the problem of Peking, but the new exchange of attacks appeared to put the two Communist giants on collision course, and China's expulsion from the Moscow-led Communist camp was not ruled out.

Tired of Cars? Bearded Man Has Solution

DALLAS (UPI) — A bearded man strolled onto a busy Dallas freeway during the morning rush hour Thursday and began sniping at passing cars with a sawed-off .22 rifle.

He said he was "tired of cars trying to run me down."

Suburban Irving police arrested the 43-year-old man at his home a short time later. He did not resist, officers said.

No one was reported hit by the bullets and the suspect told police he only fired one shot. "But I'd just as soon shoot people as look at them," he added.

Authorities said they would probably file a lunacy complaint.

Official Decision Expected in Capital

By STEWART HENSLEY
WASHINGTON (UPI) — Secretary of State Dean Rusk today indicated U.S. readiness to give increased aid to the new Brazilian government to help it with economic and social development.

Rusk told a news conference that except for some progress toward working out a consular agreement between Washington and Moscow, there has been no "great movement" toward settling the multitude of perilous issues which divide the world's two major powers.

WASHINGTON (UPI) — Secretary of State Dean Rusk today indicated U.S. readiness to give increased aid to the new Brazilian government to help it with economic and social development.

Rusk told a news conference that except for some progress toward working out a consular agreement between Washington and Moscow, there has been no "great movement" toward settling the multitude of perilous issues which divide the world's two major powers.

—Daily News Staff Photo
"PRIZE" WINNERS — Dr. Joe Donaldson, left, peers into the "late" model washing machine his Industrial Foundation team won for attendance while Lou Troja, right, checks clothesline and other "accessories" that go with the "home laundry" equipment. Troja's team took top "prize" for having the greatest percentage of team members present at Friday's drive coffee report in the general section while Donaldson's team won their "honors" for the same thing in the advance drive group.

General Has 'Fair Night'

WASHINGTON (UPI) — Gen. Douglas MacArthur passed a "fair night" in his dogged battle against the effects of three recent operations, his doctors said today.

A medical bulletin by surgeon General Leonard B. Heaton said MacArthur's condition remains critical. However, he said one good sign was that there had been no bleeding from the esophagus for 20 hours.

A special device to control the bleeding—called a stent—stacked tube—is being removed from MacArthur's throat, Heaton said.

Adding to a number of serious complications, however, has been uremic poisoning.

The 84-year-old general is being gradually infected with wastes that his malfunctioning kidneys fail to flush from his body, his doctors said Thursday.

However, a process to overcome the deficiencies of the kidney functions—peritoneal dialysis—is functioning "quite satisfactorily," Heaton said today. This is a chemical procedure instituted by doctors to help MacArthur's kidney maintain proper functioning.

Victory Nears in Industrial Drive

V-Day for Pampa's Industrial Foundation campaign is 11 days away.

So proclaimed Fred Neslage, general chairman for the drive, as members of the Advance and General Investments committees announced an \$10,775 in additional pledges since Tuesday.

Neslage said the \$10,775 figure brought the total in investment pledges to \$166,431 and the general chairman announced that a victory dinner would be staged April 14 to close the campaign.

"That leaves us 11 days to raise \$13,569 to reach the \$180,000 mark and the challenge made by the Cabot Corporation for their \$20,000 investment," Neslage said.

He urged the workers and team captains to do everything possible to work all investment cards still out between now and April 14.

Neslage said the dinner would be held at 7 p.m. April 14 at the Coronado Inn and would be \$2 per plate with everyone paying for his own meal, as the rest of the drive has been conducted.

Broken down into sections the morning's investments show \$4,556 pledged by the general section of the drive, \$5,225 for the advance group and \$1,000 from the executive committee.

After the report and Neslage's remarks about the forthcoming V-Day campaign, prizes were awarded to team captains with the greatest percentage of members present at the report meeting.

Lou Troja's team won a refrigerator in the general drive and Dr. Joe Donaldson's group took a complete "home laundry" for its showing. The "prizes" were of the 1921 vintage and included clothesline for "dryers."

The "prizes" were donated by Crossman and Joe Hawkins Appliance Companies.

Ed Myatt, one of the Foundation campaign members, said the Form-O-uth building construction was running ahead of schedule with a cost of some 5 per cent less than original estimates. He said plans call for turning the building over to Calvin Fraser, head of the garment firm, by the latter part of April.

Gene Green, a Cabot Corporation official, reported that he attended a meeting in Amarillo in which a number of out-of-town and Amarillo residents praised the current Pampa industrial drive during discussions (See VICTORY, Page 3)

Mississippi Adds Police In Crisis

By United Press International
Mississippi, preparing for racial strife this summer as an expected center of civil rights demonstrations, has moved to add 200 men to its state highway patrol and to sharply curtail picketing.

The Mississippi House of Representatives Thursday passed a bill increasing the highway patrol from 275 to 475 men, and a bill that bans picketing that would impede the normal use of sidewalks, streets and entrances to state buildings and courthouses was sent to Gov. Paul B. Johnson for his signature.

The bill expanding the patrol also would give Johnson authority to send the patrol into any local community to help keep the peace.

Brazil Chiefs Start Purge of Communists

RIO DE JANEIRO (UPI) — Leaders of Brazil's triumphant three-day revolt which ousted President Joao Goulart started a purge of leftists in and out of government today. They also sought to determine the whereabouts of the former president.

Goulart was last reported to have fled Porto Alegre in Rio Grande do Sul state late Thursday afternoon. At that time he was believed headed for Uruguay and political asylum but more than 200 newsmen and diplomats waited for him in vain.

Russia Tones Down Disarmament Talks

GENEVA (UPI) — The Soviet Union has slightly toned down its proposal that all bombers in the world be destroyed as the next step in complete disarmament, Western observers said today.

Moscow's suggestion was made to counter American proposals that agreement be sought on the destruction of certain obsolescent bombers.

Specifically, the United States proposed the destruction of about 400 American B47 and 400 Russian TU16 "Badger" jet bombers.

This would not constitute real disarmament, the Russians claimed. Instead, they said, all bombers should be destroyed.

The West immediately rejected this proposal as being totally unrealistic. In particular, the West argued, the destruction of all bombers would leave many nations who do not possess nuclear missiles without a form of defense or retaliation.

Now Moscow has backed down somewhat.

Soviet disarmament negotiator Semyon K. Tsarapkin made the new suggestion Thursday that only the world's "major powers" destroy all their bombers.

Western officials have not yet reacted formally to this new proposal.

Privately, however, they said it is equally as unrealistic as the previous all-bomber destruction suggestion.

Modern jet bombers remain a powerful means of nuclear retaliation, they said, and no nation, for obvious reasons, would agree at this moment to give them up for good.

Rains Likely for Top O' Texas Area

Pampa had a promise of light rain late today and tonight as scattered thundershowers swept across the state setting up what could turn into a soggy week-end for Texas.

The Amarillo weatherman said it will be partly cloudy and cooler locally with a chance of the light rain late today and tonight.

A possible tornado struck early today at the Lake Texoma Lodge area along the Oklahoma-Texas border.

There were reports of damaging winds whipping along the Gulf Coast.

Damage was extensive at the Lake Texoma Lodge. The storm destroyed a marina and 10 cottages. Cabins, boats and boat houses were damaged. The lodge itself escaped damage.

U. S. Highway 70 was blocked early today as the high winds tore down poles and power lines near Durant, Okla.

Pampa had a 34 degree reading for an overnight low. Daltart registered 33. At the other end of the state, Brownsville reported 71.

This afternoon's high was expected to hit near 60 in Pampa with a low around 30 tonight and a Saturday afternoon high in the mid-60s.

Heavy snow and strong winds buffeted the Northern Rockies today and closed roads in Wyoming. Violent hail storms and near-tornado winds lashed the Midwest. Casper, Wyoming had nine inches of snow. Stockmen's warnings were out today in most of the Northern Rockies southeastward into Arizona, New Mexico, Nebraska and Kansas.

Know Your Candidate

Yarborough Seeks Governor's Chair

Ever since he was a youngster in the depression 30's, Don Yarborough has felt that a man should devote his life to doing things for others.

Yarborough ran for lieutenant governor in 1960, and for governor in 1962. Now he is a gubernatorial candidate again.

He grew up in Houston, where he was graduated from San Jacinto High School at the age of 17. He then enlisted in the Marine Corps and served in World War II. At the age of 20, he was one of the youngest company commanders in Marine Corps history.

When Don Yarborough came home from the war he enrolled in the University of Texas and worked part-time to help pay his way. He majored in history and government and went on to get his law degree in 1950. While on campus he won the National Inter-collegiate Debate Championship.

He re-entered the Marine Corps to serve during the Korean War. On his return to Houston he founded his own law firm and took an active part in numerous civic enterprises.

In 1955, he served as one of the youngest presidents in the history of the Houston Junior Chamber of Commerce. During

DON YARBOROUGH

running again Yarborough's year as president of the organization grew into the largest chapter in the nation.

A member of Trinity Episcopal Church, Yarborough was on the board of directors of Big Brothers and of Holly Hall (home for the aged). He served as chairman of the economics committee of the Houston Bar Association; and United Fund co-division chairman.

In 1959, Life magazine selected him as one of the 100 outstanding young persons in the

March Weather 'Near Normal'

FORT WORTH (UPI) —Tornadoes, destructively high winds and shafts of sub-freezing air marked the Texas weather picture in March.

The weather bureau called it "near normal for the month." Tornadoes at Midland, Baytown and Houston during March caused \$750,000 in damage but no deaths or injuries. A windstorm demolished five trailer homes at Nederland, near Beaumont, March 19, injuring 14 and causing about \$100,000 in damage.

In its monthly Texas weather summary, the weather bureau said Wednesday high winds also caused extensive property damage in Gatesville on March 8.

Freezing cold drove deep into Central Texas on March 10, with temperatures dropping to 32 or below as far south as Uvalde.

The weather men said it was a "near normal" March with "wide variations in both temperature and precipitation from section to section typical of the season."

PICK WRONG MAN

DALLAS (UPI) — A would-be attacker picked on the wrong man when he attacked Julius Ligon, a cripple, with a knife fight outside Ligon's house.

Ligon's wife heard the commotion and came out firing a pistol. The attacker fled and was arrested later by police.

Ex-McLean Man Killed by Gunshot

McLEAN (Sp) — Clyde Brown Cabel, former McLean resident who lived three miles southwest of Amarillo, died Thursday in Northwest Texas Hospital in Amarillo from an accidental gunshot wound suffered Tuesday while removing a shotgun from the trunk of his car.

He was born March 14, 1912, in Okmulgee, Okla., and moved to the McLean area with his parents during his youth. Mr. Cabel attended McLean High School, becoming a wheat farmer following graduation. He was a veteran of World War II.

Mr. Cabel married Mary Frances Seay in Perryton in 1949.

Funeral services will be at Trinity Baptist Church in Amarillo Saturday at 2 p.m. with Rev. J. E. Berkham officiating. Burial will be in Hillcrest Cemetery at McLean under direction of Lamb Funeral Home.

Palbearers will be Howard Rogers, Gene Bryan, Barney Fite, Jack Woodward, Foy Bunn and Bill Pettit.

Survivors include his wife, four daughters, Melba, Martha, Gladys and Hope Cabel; three sons, Clyde Jr., Roy and Howard Cabel, all of the home; two brothers, Buster Cabel of Lefors and Fred Cabel of Perryton; two sisters, Mrs. G. F. Morton of Owasso, Okla., and Mrs. O. R. Centers of Moore.

Hemphill Sheriff Quizzes Youth in Automobile Theft

CANADIAN — Sheriff Walter Adams today returned from Liberal, Kan., where he questioned a 17-year-old Muskogee, Okla., youth in the theft of an automobile taken from in front of the Canadian Baptist Church Wednesday.

The youth, James Gary Cook, was apprehended by Kansas Highway Patrolman Lt. Bill Swin, north of Liberal. Cook is wanted in Muskogee for jailbreak where he was serving a one-year jail term for burglary.

Adams said Cook stole a car in Muskogee and drove to Canadian with his bride, Sharon Joyce, a Muskogee High School senior, who had married Cook March 23 in the Muskogee city jail.

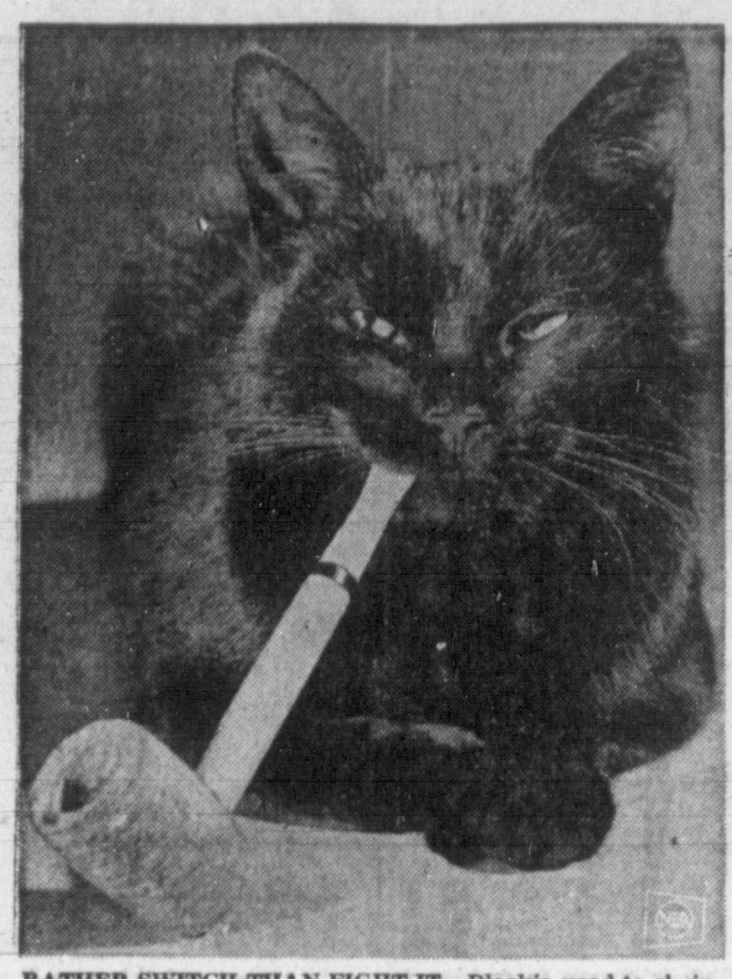

The stolen Oklahoma car was found abandoned in Canadian and Adams began searching for the youth just before the report on the stolen car came in from the church. Adams put out a radio pickup for the car which led to the arrest.

Adams said some \$1,100 in clothing stolen at Sallisaw, Okla., during a burglary Tuesday night, was found inside the stolen car when Kansas officers halted Cook and his bride.

Adams reported that Cook had been taken to a dentist's office in Muskogee to have a tooth pulled Tuesday morning when he made his break. The youth is said to have slammed a door into an Oklahoma officer's face and dashed away.

Adams said FBI agents were questioning Cook today to determine if they will file Dyer act charges against the boy.

The Hemphill County sheriff said he had turned the case in Canadian over to the FBI agents at their request.

RATHER SWITCH THAN FIGHT IT—Blackie used to chain-smoke cigarettes, fortified with catnip, of course, until she found out some humans decided they were bad for her health. Blackie, recently photographed for the Goodyear publication "Wingfoot Clan," still isn't convinced a pipe is right for her, but she categorically denies she'll return to cigarettes.

Panhandle Man in Poor Condition After Car Mishap

A 62-year-old Panhandle resident was in critical condition today at Worley Hospital after being injured in a one-car accident 5.4 miles northwest of Miami on Farm Road 282 Thursday night.

Merle Lewellen was listed as still critical after undergoing surgery late Thursday night for injuries suffered in the mishap.

E. W. Brewer, 69, of Amarillo, was treated for minor injuries and released by hospital authorities. He was a passenger in the pickup truck driven by Lewellen.

Patrolman Vernon Cawthon said the truck apparently went out of control on a curve, crashed into two guard rails and turned over twice.

Cawthon said the Roberts County sheriff's office was notified by a farm resident who saw the accident. The woman drove to Miami to notify the sheriff because she had no telephone at her farm.

The sheriff went to the scene and notified the Highway Patrol by radio in Pampa. Cawthon said emergency treatment at the scene by the sheriff could easily have saved the man's life.

Car Burglars Hit At High School

Thefts of three purses from parked cars at Pampa High School were reported to police Thursday night.

Police Chief Jim Conner said the purses were left in unlocked cars.

Victims of the auto burglaries were Jeanine Messinger, 1800 N. Dwight, Susie Saum, 1201 E. Kingsmill, and Jane Prock, 2319 Mary Ellen.

Total loot, police said, consisted of \$3 in cash, a pair of glasses, credit cards and personal papers.

Kingsmill Resident Dies in City Jail

A verdict of death from natural causes was ruled by Coroner Nat Lunsford today in the death of Winston Lewis, 46-year-old Kingsmill man who died early today in Pampa's city jail.

Kendrick's body was discovered when a routine check of the cell corridor was made at 5 a.m. today.

The man was serving out a \$35 fine on an intoxication charge and would have been released from the jail today. Police Chief Jim Conner said.

The death was investigated by Lunsford and Dr. Malcolm Brown.

Funeral arrangements in charge of Duenkel - Carmichael Funeral Home were pending this afternoon.

First Act of Congress was a bill regulating time and manner of administering oaths of office required by the Constitution.

PHS Drama Students Present Three Plays

Pampa residents were treated Thursday night when drama students under direction of Mrs. Don Myers presented a series of three plays at the high school.

Following the three plays, Mrs. Myers announced that her students would present a one-act play at 4 p.m. Saturday during the annual University Interscholastic League drama contest at West Texas State University in Canyon.

"We were very pleased with the results of the Thursday night effort by the students. The crowd that witnessed the plays were very gracious with their applause and interest," Mrs. Myers said.

The plays were entitled "The Pot Boiler," "The Blue Rose" and "Feathertop."

The first performance was a comedy and had as its cast Richard Johnson, Dave Harmon, Kenneth McWilliams, Pat-Lou Holloway, Dorothy Davy, Doug Altom, Don Hicks and Mike Wise. It was directed by Kathy Larson, Carol Chase, Joe Fischer and Kenneth Baxter.

The stage crew was Kenneth McWilliams and Sam Waters.

The second play, "The Blue Rose," was a drama and included in its cast Mary Faulkner, Nite Eads, Patsy Hart, Carol Gates, Beth Falkenstein, Doris Jones, Marc Gregory, Venita Turcott, Donna Reed and Andrea Buzzard. Directors were Rita Scholl, Carole Askt. Stage crew were Barry Peterson and Gary Steger. Make-up was handled by Jane Heaton, Martha Bearden, Jule Hafer, Linda Hubbard and Katy Ledrick.

The third play, "Feathertop," included in its cast Dana Taylor, Sam Bryan, Ann Qualls, Pat Spears, Billy Hayes, Carole Askt, Harold Thompson and Kenneth Hafer. Director was Mrs. Virginia Myers. Crew members were Jim Shelhamer, Marion Neslage and Kenneth Baxter.

Mrs. Myers said the third play, "Feathertop," would be the one which will enter the UIL contest at Canyon. She said results of the contest would be announced Saturday night.

Pampa will compete against all four Amarillo high schools, Lubbock High, Lubbock Monterey, Borger and Plainview.

Four Convicted In Jury Trials

Four jury trials resulted in four convictions in Pampa Corporation Court Thursday afternoon.

The following cases were tried:

Raymond D. Hassell, 638 N. Sumner, charged with failure to control speed to avoid an accident, found guilty, fined \$1.

Virgil S. Adams, 409 Hughes, charged with improper backing of a vehicle, found guilty, fined \$15.

Doreen Bruce, 1128 Seneca Dr., speeding, found guilty, fined \$10.

Mary Myatt, 601 N. Nelson, speeding, found guilty and fined \$15. Notice of appeal to County Court was filed.

Victory (Continued From Page 1)

"We are getting wonderful statewide publicity and it is helping Pampa become a hub for future industry," Green said.

Neslage said no further coffee report meetings would be held and reminded workers and team captains that to meet the \$180,000 mark by April 14 some \$1,233.6 would have to be pledged daily.

"Let's roll up our sleeves and really put this over in a big way," he declared.

Some 200 persons were present at the coffee meeting, held at Coronado Inn.

Dear Abby... Be Friends with Her and The Secrets Will Vanish

By ASIGAIL VAN BUREN

DEAR ABBY: I am the mother of a 16-year-old daughter. She is kind, thoughtful and helpful around the house. She wears the key to her diary on a chain around her neck. The other day she forgot it. I don't know what made me do it, Abby, because I have always trusted her but I did an unforgivable thing. I opened her diary and read it. What a shock I got! I was sick inside. You would never believe the things she does outside the house! My problem is, how do I let her know that I know these things about her without telling her that I read her diary? Should I tell her dad about her goings on? It would break his heart as she is our only child.

DEAR WORRIED: You already know that reading your daughter's diary was "unforgivable." I don't recommend that you tell your daughter. It's apparent that she needs the friendship of a mature, understanding person in whom she can confide. Perhaps it's not too late to build that kind of relationship with her. Try, and try hard; and, if you succeed, she will tell you all about her "goings on" herself. If she doesn't, keep an eye on her. There will be other clues.

DEAR ABBY: My mother-in-law is a very outspoken person. When she invites my husband and me to her home for dinner she asks us to leave the children home. She says too much "commotion" makes her nervous. Ours are 5, 7, 8 and 10, and they aren't any worse than anybody else's. She lets us bring them every Sunday for supper when she has all her other grandchildren there. There are eleven in all, and I wonder why the "commotion" doesn't make her nervous then. I am ready to tell my husband if my mother doesn't want my children during the week, she doesn't have to put up with them on Sundays, either. Am I wrong?

DEAR WIFE: Yes, you are wrong. Take the children to their grandmother's on Sundays and keep quiet.

DEAR ABBY: I live in a small town and would like to know how one goes about making a donation to the HEART FUND or the CANCER SOCIETY at the time of death when the family requests a donation instead of

flowers. How is the family made aware of the donation? I am sure there are others who would like to know, too. Thank you.

DEAR UNCERTAIN: Consult your telephone directory for the local headquarters. If there is none, write to national headquarters: American Cancer Society, Inc., 219 East 42nd Street, New York, New York 10017, and American Heart Association, 41 East 23rd Street, New York, New York 10010. They will let the bereaved family know of the donation and who sent it, but will not reveal the amount.

CONFIDENTIAL TO SANDRA: When a man tells you that he is poor marriage material — believe him. He knows himself better than you know him.

Get it off your chest. For a personal unpublished reply, write to Abby, Box 3365, Beverly Hills, Calif. Enclose a stamped, self-addressed envelope.

Worthwhile Selects Convention Alternate

The Worthwhile Home Demonstration Club met in the home of Mrs. J. L. Carlton, 426 Crest, Friday with Mrs. Lester Reynolds in charge of the business meeting. The T. H. D. A. report was given by Mrs. Roy Tinsley, Mrs. O. G. Smith was elected as alternate delegate to go to the District Convention in Perryton April 9.

The April food demonstration program was announced. Mrs. O. G. Smith along with Mrs. Roy Tinsley and Mrs. F. P. Hays discussed arthritis, infectious hepatitis and serum hepatitis. There are many kinds of arthritis; but joint effects are most prevalent. Hepatitis in both forms is an infection causing jaundice.

Coffee and cake was served during the social hour to Mmes. N. L. Welton, W. G. Kinzer, Boyd Brown, O. G. Smith, Lester Reynolds, Yvonne Reynolds, F. P. Hays, Roy Tinsley, and N. B. Cude.

Hat Show Highlights Christian Group Meet

Ann Lee Barton was hostess for a recent salad supper and hat show conducted by the Hi-Land Christian Ladies Group.

The program of hat fashions by Ward's was conducted by members including: Mmes. Ann Cups, June Manely, Claudine Odell, Odessa East, Blenna Holefield, Jo Ann Starbuck, C. C. Wells, W. R. Whitsell, R. C. Taylor, Floyd Pyeatt, Alice Malloy and a guest, Mrs. Ruth Robertson.

Reception Fetes Newlywed Couple

PANHANDLE — Mr. and Mrs. Grady Newton Sharp, Amarillo, recently married in the home of her parents, Mr. and Mrs. L. B. Weatherly, were honored Sunday afternoon with a reception in the home of Mrs. R. F. Surratt, Co. hostesses were Mrs. C. W. Atkins, Mrs. Don Price, Mrs. Lewis Williams, Amarillo; Mrs. Ralph Randel, Mrs. Forrest Ferrell, Mrs. M. C. Davis, Panhandle, and Mrs. J. P. Smith, Amarillo.

Other members of the house-party were the bride's parents, Mr. and Mrs. Weatherly; the bridegroom's parents and sister, Mr. and Mrs. H. G. Sharp and Mrs. Bill Tarpley of Pampa; Mrs. Gary Cummings, Mrs. Lewis Martin, Miss Jo Beth Warren and Miss Nancy Thomas, Amarillo.

The refreshment table was laid with lace and the white centerpiece was of stock, iris and chrysanthemums, flanked by triple candelabra holding blue candles.

More than 100 guests attended including Mrs. George Taylor, Mrs. Carl Maddox, Mrs. Mary L. Bullock, Mrs. Ronald Price and Mr. and Mrs. M. K. Griffith, all of Pampa. Amarillians attending were Mr. and Mrs. Neil Walton, Mrs. Lillian Deahl, Mrs. G. F. Orr and Miss Louise Orr, J. P. Smith, Lewis Williams and Gary Cummings.

Freezer Drying Proves Cheap

By GAYNOR MADDOX
Q—What are freeze-dried foods?

A—According to the Farm Index, published by the U.S. Department of Agriculture, freeze-drying is the process that removes up to 90 per cent of the moisture in frozen foods, leaving them almost weightless.

Because they're light and don't need refrigeration, freeze-dried foods are easier and cheaper to store and ship than fresh or frozen foods. Shelf life is as long as two years. Just add water or other liquid and they're ready to cook or eat as is.

But their greatest potential use is as partial ingredients for food to be further processed, that is, as meat cubes and mushrooms in dried soup mixes, as strawberries boxed with breakfast cereals, as shrimp in creole or chow mein.

Best bets for freeze-drying are higher quality meats — especially poultry and turkey, shrimp and other shell fish — almost all berries, the more expensive vegetables such as asparagus and mushrooms and such specialized items as spices, instant coffee and instant tea.

Q—What does "egg solids" mean? They are listed as ingredients in some of the cake mixes I use.

A—Egg solids are dried eggs. They come in three basic forms: whole egg solids, egg white solids and egg yolk solids.

Entre Nous Needle Club Holds Meeting

GROOM (Spl) — The Entre Nous Needle Club met Thursday in the home of Mrs. Truett Fields.

Guests were Mmes. W. A. Cornett, Allen Knorpp, Cecil Culver Jr., Minard Henderson, Crim Goodlett, Preston Harden, Charlie Fields, Max Summers, all of Groom, and Mrs. Bryon Hodges of White Deer.

Members attending were Mmes. Alberta Bones, Carrie Foster, Van Earl Steed, C. L. Ledwig, Phil Farley, Roy Ritter, E. R. Hess, and Rudolph Tucker.

Entertainment was supplied by Mrs. Fields who showed films of her recent cruise in the Caribbean.

Order of Eastern Star Observes Friendship Night

SKELLYTOWN — The Eastern Star Friendship night was held recently, Mrs. Emmet Saxon is the Worthy Matron and her father, Mr. Hardy Boyd, is Worthy Patron.

The group assembled in the school cafeteria at 6:30 p.m. where they were served dinner. The tables were spread with white cloths. The theme was "Indian Friendship Pow-Wow."

Shelia Beth Berry was dressed in an original Indian dress, she registered the guests and as each guest entered the room they were presented an Indian head band with a feather and name tags in the shape of a Teepee.

The table centerpiece was a tent with an Indian beating a tiny drum, flanked by an iron boiling pot and a stack of fire wood and Indians.

Mrs. Saxon introduced the guests. Star chapters attending from the Texas Panhandle were, Stinnett; Amarillo; A. E. Shirley of Amarillo; Panhandle; Bonita of Amarillo; Borger; Pampa; White Deer; Top O' Texas from Pampa; Adobe Wall's of Borger; Groom and Skellytown.

The program, under the direction of Emmet Saxon, was a group of "Kashina Indians" performing authentic Indian dances.

Mrs. Phyllis Jackson of Borger, with fifteen of her dancing students, entertained the group with a series of dances. Approximately 200 guests attended.

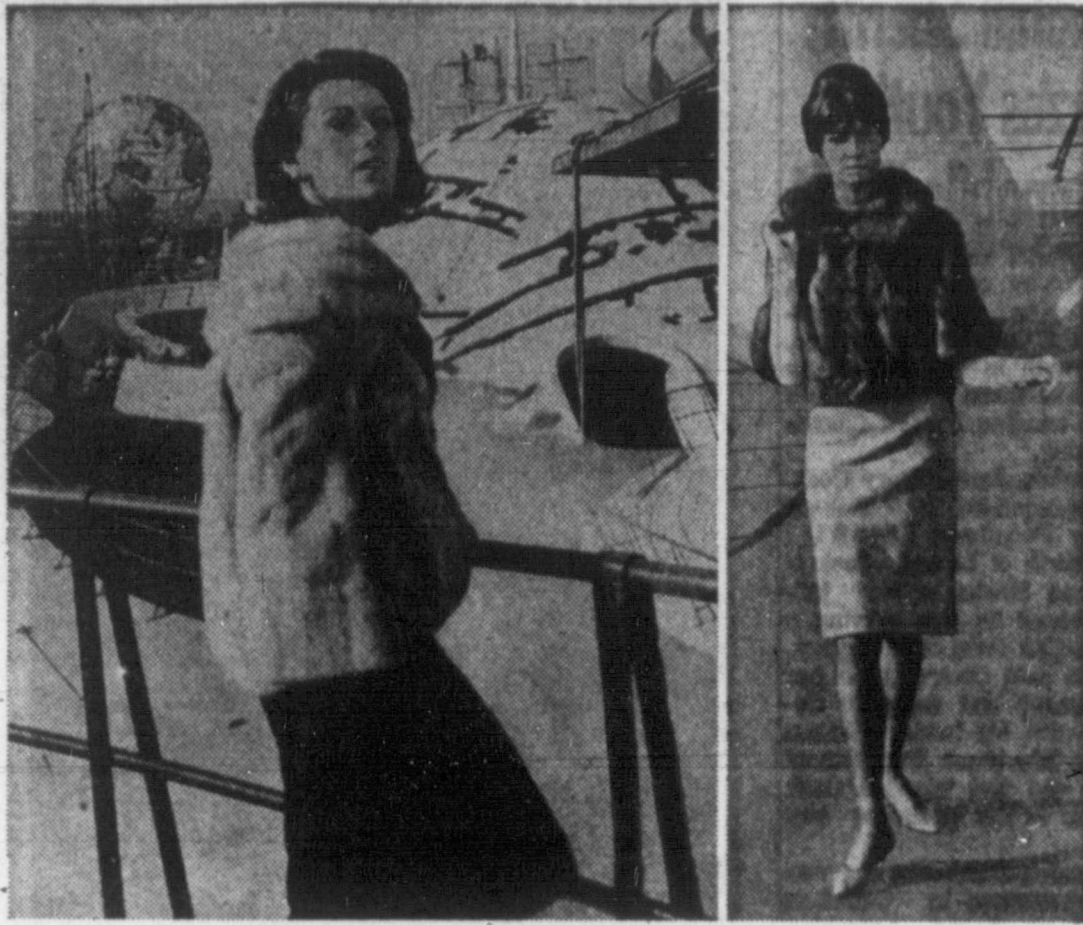

After the meal they presided to the auditorium, the program under the direction of Mr. Emmet Saxon, presented his group of "Kashina Indians" doing their authentic Indian dances.

Also under the direction of Mrs. Phyllis Jackson of Borger, with fifteen of her dancing students from the "Little Petite Studio" entertained the group with their dances. Approximately 200 guests attended.

Pinochle Games Played at Meet

GROOM (Spl) — The Night-in' Gals Club met in the home of Miss Beulah Shockley Tuesday evening with Mrs. Kenneth Black serving as co-hostess. Games of pinochle were played with Mrs. Bob Milton winning high score prize and Mrs. Mike Homer receiving low score prize.

Attending were Mmes. Ruby Lee Jones, Bob Milton, Ruby Denton, Carl Homer, Mike Homer, Ray Britten, John L. Witt, Eldred James, Jim Littlefield, Ted Friemel, Glynn D. Harrell, Lucille West, Lee Crowell, Ernest Lamberson, Charlie Fields, Jack West, John Krizan, Velma Evans, Joe Davis and the two hostesses.

Mink is always in fashion for early spring and this year it will be especially smart for windy days at the World's Fair. New longer length jacket (left) in sapphire blue mink has rolling collar and hidden slit pockets. Dark mink jacket (right) is a bubble "Eisenhower" design, with elbow-length sleeves. Both jackets were created by Domani of New York in Canada Majestic mink.

Preservation of History Discussed by Varietas Study Club Guest Speaker

"This I Cherish" was the program topic chosen by Tracy D. Cary for a recent meeting of the Varietas Study Club conducted in the home of Mrs. Sherman White, 610 N. Frost.

The Texas Day program centered on the history of Gray County. Cary, president of the Pampa Genealogical and Historical Society, stated that no area is richer in history than Gray County and deplored the fact that until recently no effort was made to preserve information that research historians are seeking.

He commended Mrs. J. R. Holloway of Pampa who was the first historian of Gray County and other area historians, J. E. Williams of Pampa; Mrs. Millie Jones Parter, Shamrock and Dr. Ima Berlow and Dr. L. F. Sheffey of Canyon for compiling information relative to the progress of this section of the state.

He briefly traced the history of Gray County since being surveyed in 1852 by Captain McClellan for whom McClellan Creek and Lake McClellan were named. His research has revealed that the outpost which later became Fort Elliott at Mobeetie was originally located on Cantonment Creek in the southeast part of Gray County.

The first history of Texas was written before the Civil War and its publication resulted in the forming of the Daughters of the Republic of Texas whose purpose has been to preserve historical sites and records. A member

of this organization, Mrs. Clara Driskoll, mortgaged her home to prevent the Alamo from being demolished.

Similar dedication is needed to preserve history in this area. The restoration of Pioneer Cottage at the intersection of Yeager and Starkweather streets, which is typical of the homes in the Panhandle at the turn of the century is a project of the local society and is an example of the type of work that should be done to appraise future generations of the homes of that era.

Cary displayed a piece of mortar from the Wall of China, a 349 year old Bible, a bolo knife from the Philippines and a 40 year old clipping from an Atlanta, Ga., newspaper concerning the Key family of which Francis Scott Key and Tracy Cary are members.

Members attending the meeting were Mmes. Cecil Dalton, H. Price Dosier, S. C. Evans, Lee Harrah, Dow King, R. W. Lane, Otis Nace, W. A. Waggoner and Sherman White.

In this broad earth of ours, Amid the measureless greatness and the slag, Enclosed and safe within its central heart, Nestles the seed of perfection.

—Walt Whitman

Outstanding Fetes of Women Told During 20th Century Forum Program

Continuing with the theme, "Outstanding Women", Mrs. Don Houck and Mrs. E. J. Dunigan presented the program for Twentieth Century Forum Study Club. Mrs. Harold Barrett, 1920 Evergreen, was hostess for the meeting. Mrs. Houck discussed the role of woman as seen from the point of view of Chekov, Shaw and Ibsen, in the three plays, "Three Sisters", "Pygmalion" and "A Doll's House." She stated that each of these writers used the medium of the stage to convey to the audiences universal and timeless truths. Each had his own particular beliefs about the home and although all may not agree with any of them, there is much to be gained from a critical reading of the plays. Matthew Arnold has written: "It is the business of the critical power, in all branches of knowledge, theology, philosophy, history, art, science, to see the object as in itself it really is."

Mrs. Houck gave summaries of the plays and in conclusion said, "What then, is the role of woman in the world? Each of these plays was written in a time which the role of woman had hitherto been fairly well outlined. The place of the woman was in the home, her duty was to her husband and to her children. Any joy or happiness she derived was incidental and derived purely from her husband and children.

However, the world was

Lydia Sunday School Class Conducts Meet

Lydia Sunday School Class members were guests in the home of Miss Grace McCas Tuesday night.

The business meeting was conducted by Mrs. Earl Griffin.

Mrs. B. B. Higginbotham led in the opening prayer and Mrs. Naida Sparkman presented the devotional from the Gospel of Luke. She read a story on the Life of Christ she had written as it could have been seen through the eyes of Mary, Mother of Jesus.

Mrs. Dewey Lunsford read a report of the last meeting. A quiz game, "Who Am I", revealing Biblical characters, was directed by Miss NeCase.

Members attending the meeting which closed with a social hour, were: Mmes. Griffin, Higginbotham, Sparkman, Lunsford, Sam Bateas, E. B. Davis, Helen Lunsford and Miss NeCase.

They that know God will be humble; they that know themselves cannot be proud.

—John Flavel

changing rapidly. Women were working outside the home, in Norway, Russia and England. In all three plays the rebirth of woman was seen as an individual who must find happiness within herself, who must find faith or find life empty. As Matthew Arnold said, "Self-dependence: Resolve to be thyself; and know that he who finds himself, loses his misery!"

Mrs. Dunigan, using as her source, "Notable Women in History" by Willie J. Abbot, discussed the life and times of Katherine of Aragon, 1485-1536. Mrs. Dunigan said, "without being in the slightest degree a great woman, Katherine of Aragon caused so great a revolution in Europe that its effects persist until the present day. Because of her, England was made Protestant, through she bred her daughter, Mary Tudor, to the task of making it Catholic again. That he might rid himself of her, Henry VIII quarrelled with Rome; a quarrel that was never composed. He broke with her father, Ferdinand of Spain, and began that long period of English hostility to that nation which finally wrecked the Spanish empire and reduced the state of Spain from the proudest to the meanest in western Europe."

Mrs. Barrett served refreshments to those attending: Mmes. Frank Kelley, Calvin Jones, J. R. Holloway, William Ellis, Joe Franklin, William Fraser, James Harris, M. McDaniel, Aubrey Steele, Holt Barber, Arthur Teed and John Sweeney.

Refreshments were served by Mmes. Frank Kelley, Calvin Jones, J. R. Holloway, William Ellis, Joe Franklin, William Fraser, James Harris, M. McDaniel, Aubrey Steele, Holt Barber, Arthur Teed and John Sweeney.

Foreign Commentary

By PHIL NEWSOM

UPI Foreign News Analyst

JERUSALEM, Jordan (UPI)

From the Mount of Olives the view extends across the walls of old Jerusalem and no-man's land to the rooftops of new Jerusalem which is a part of Israel.

The no-man's land is a grim reminder that Jerusalem, like Berlin, is a divided city and that this Biblical land still has found no peace after thousands of years of violence.

Spring has come to Jordan with heavy rains after seven years of drought. Flowers are blooming in rockstrewn shepherd fields where men tending their flocks followed a bright start to the birthplace of Christ, and in the Garden of Gethsemane where he was betrayed.

Machneguns Bristle
In this land of symbols holy to Moslem, Christian and Jew, machneguns bristle across a line which here may be no wider than the width of a city street and there, perhaps a quarter of a mile.

The only communication between the two is a United Nations force overseeing an armistice now 15 years old with no permanent solution yet in sight. Here, 1948 is referred to as the "year of the trouble." Each

side accuses the other of unprovoked attack and atrocities, and in the repetitious years of retelling, suspicions and hatreds have deepened.

At lunch in old Jerusalem, the wife of a Jordanian official shudders at the thought of the nearby Israeli machineguns and that at any moment they might explode into action.

Jordan River Dispute

And there is little doubt that somewhere in new Jerusalem, an Israeli housewife is expressing the same fear of the Jordanians whose armed forces probably are the best trained of any in the Arab world.

Sharpening the dispute now is Israel's determination soon to open the valves which will direct Jordan River waters into the waterless Negev.

The Arab states dispute Israel's right to the waters and use it as the spearhead in a new effort toward a united Arab front against what they charge is new proof of an Israeli goal of territorial expansion at the expense of the Arabs.

Coincidentally, it also leads to a new propaganda campaign against the United States which is regarded as Israel's strongest and most determined supporter.

HONORED—Former U.S. Secretary of Defense Robert A. Lovett has been named 1964 recipient of the Sylvanus Thayer Award by the U.S. Military Academy's Association of Graduates. Lovett, a public servant for 30 years and Defense secretary under President Truman, was presented the award because his accomplishments exemplify devotion to the ideals expressed in the West Point motto, "Duty, Honor, Country."

Dinah Shore Due Back on TV Show

HOLLYWOOD (UPI)—Singer Dinah Shore, who left her regular television show last May, will return to the air this fall for the American Broadcasting Co. (ABC) television network.

She will star in four hour-long evening special programs and in three daytime shows, the network said, and all the shows will be produced by long-time associate Henry Jaffe.

The evening shows will be of the variety entertainment format while the three daytime specials on which Miss Shore will serve as hostess will be either dramatic or documentary programs of interest to women.

BOOZE HOUND

EAST ST. LOUIS, Ill. (UPI)—Bennie Marks didn't mind sharing the bar with a dog but when the pooch started to drink his glass of beer, that made him mad.

Marks complained to police after Richard Cunningham brought a dog into a local saloon, took a glass of beer away from him and gave it to the thirsty animal.

When Marks beefed, police said Cunningham knocked him off the bar stool. Cunningham was charged with assault.

U.S. Plans Unmanned Flight for Gemini

CAPE KENNEDY (UPI)—The United States opens its second man-in-space program next week with an unmanned Gemini space shot that must meet seven objectives to forestall further delay in the project's schedule.

The primary goals of the orbital flight, set for Tuesday, were spelled out Wednesday by the National Aeronautics and Space Administration (NASA).

Gemini, designed to keep two men in orbit for up to two weeks to practice rendezvous and other techniques for moon missions, is the bridge between the successful Mercury manned spaceflight program and the Apollo men-to-the-moon venture.

No Recovery Attempt
The first Gemini spacecraft, a production model stripped of life support gear, is to be hurled into an orbit ranging from 99 to 183 miles above earth. No attempt will be made to recover the craft.

The upcoming shot was originally scheduled for last fall. Any troubles in the flight would push the first manned mission well into 1965.

NASA's main objectives for the first shot are:
—To prove that the Titan-2 rocket and its 7,000-pound spacecraft are able to work together properly on the six-minute climb into orbit;
—To measure the heat caused by air friction on both the booster and capsule during launch;
—To prove that the modified

Hot Rod "Nun"
PARIS (UPI)—Disbelieving crowds stopped and stared Wednesday when a woman dressed as a Carmelite nun climbed into a gleaming white sports car and drove off down the Champs Elysees.

The "nun" behind the wheel turned out to be French actress Denise DuVal who was in a hurry to get to the Opera Comique where she is currently playing a leading role in "Dialogues des Carmelites."

Titan-2 rocket performs as planned and does not produce excessive vibrations or other conditions unsuitable for manned flight.

Check Guidance Systems
—To show that the rocket and its ground guidance systems are able to achieve the proper orbit necessary for future manned missions;
—To check the rocket's flight control systems;
—To test a unique trouble de-

tecting device designed to give astronauts enough warning to abandon their craft in the event of an impending failure;
—To prove that the 19-foot spacecraft and its equipment section is capable of withstanding stresses during its trip into orbit.

In addition, the shot will be used to check out ground equipment, launch facilities and to provide training for later flights.

Declaration Establishes Catholic School System

By LOUIS CASSELS
United Press International

In 1884, the Roman Catholic bishops of the United States met at Baltimore, Md., and adopted an historic declaration: "Near each church where there is no parochial school, one shall be established. . . . All parents shall be bound to send their children to a parochial school."

In the 60 years since that policy was decreed, American Catholics have built the world's largest private school system. Today it includes more than 13,000 elementary and secondary schools, with a replacement cost estimated at \$7 billion. It is educating 5,565,000 students — one-eighth of all the nation's children. It costs Catholics about \$825 million a year to maintain, and by their calculations saves the taxpayers upwards of \$2.7 billion a

year.

In spite of this massive effort, Catholics never have come close to the goal set by the Baltimore council: "Every Catholic child in a Catholic school."

Percentage Shrinks

Nearly 60 per cent of the nation's Catholic children are now attending public schools. And the percentage enrolled in parochial schools is shrinking rather than growing. Last month the Archdiocese of Cincinnati announced that it would drop the first grades of its 149 parochial schools next fall. Ten other U. S. archdioceses and dioceses already have taken steps to curtail lower grades.

Even with this kind of retrenchment, Catholic school systems across the nation are running into serious difficulties. They cannot get enough nuns for their teaching staffs, so

they are compelled to compete with public schools in hiring salaried lay teachers. They have been building new classrooms as fast as the money is available, but not quite as fast as the Catholic youth population is growing.

The inevitable result is understaffing and overcrowding. Many Catholic schools today have 50 children per classroom, compared with 25 or 30 in public schools.

Possible Remedies

There is widespread agreement among Catholics that something has to be done about parochial schools. But what? Four possibilities are currently being debated in the Catholic community. They are:

1. Abandon the whole parochial school system, send all Catholic children to public schools, and concentrate the church's resources on the task of providing really first-rate religious education. This solution is proposed in a new book, "Are Parochial Schools the Answer?" (Holt, Rinehart & Winston) by Mary Perkins Ryan. Mrs. Ryan is a distinguished Catholic lay leader, a director of the National Liturgical Committee and an executive of the National Council of Catholic Women. Her book bears the imprimatur of Bishop Ernest J. Primeau of Manchester, N. H., who says in a foreword that Mrs. Ryan's "provocative" suggestion warrants intelligent discussion among Catholics, although "not a few will disagree" with her.
2. Eliminate the lower grades of parochial schools, and try to provide enough well-staffed Catholic high schools to accommodate ALL Catholic teenagers. This plan was advanced by Archbishop Lawrence J. Sheehan of St. Louis, who said it would be better to let parents oversee the religious training of younger children and focus the attention of church schools on adolescents.
3. Enroll Catholic children part-time in parochial schools, and part-time in public schools. This "shared time" plan has been warmly endorsed by major Protestant bodies, and many public school educators. Shared time experiments are now under way in about 150 American communities. Legislation is pending in Congress to provide \$15 million in federal aid funds to encourage such trials.
4. Obtain public funds for parochial schools. This solution is unquestionably the one that the Catholic hierarchy would prefer, if it ever should become politically feasible. Whether or when that day will arrive is a subject on which opinions differ sharply.

DR. HARLAN HARRIS

'Unexpected' to Be Sermon Topic At Christian Church

"Ready For The Unexpected," a sermon that explains how Christians may deal with unexpected disaster on a national or personal scale, is the sermon to be delivered by Rev. Glyn B. Adsit at the 10:50 a. m. worship service of the First Christian Church, the evening worship service begins at 6 p. m. The message for that hour will be, "Discovering the Lordship of Jesus." A service of Christian Baptism will be held at the end of the worship service.

Youth groups will meet at the regular times with a snack supper at 4:45 p. m. and lessons starting at 5 p. m. Training for youth includes Juniors, Chi Rho and CYF.

Church Page

6 THE PAMPA DAILY NEWS FRIDAY, APRIL 3, 1964 56TH YEAR

Colorado Minister To Conduct Revival

From the depth of his heart the Psalmist cried, "Create in me a clean heart, O God. . . . Restore unto me the joy of thy salvation, and uphold me by thy willing spirit. Then, will I teach transgressors thy ways, and sinners will return to thee."

Such is the prayer of Central Baptist Church as they begin revival services Sunday, April 12. There will be week day services, Monday through Friday at 10:00 a. m. Evening services each day, Monday through Saturday, will be at 7:30.

Music for the revival will be led by Mr. Hugh Sanders, Minister of Music at Central Baptist Church. Mr. Sanders is one of the finest music men in the country. He is planning a music program, par excellence, for the revival.

Regular services for Sunday will begin with Sunday School at 9:45. Central Baptist provides one of the finest Sunday Schools to teach every member of the family. The regular hour of worship begins at 10:55. For the convenience and spiritual uplift of those unable to attend services, this service is broadcast over KHHH. The evening services begin at 6:00 with Training Union followed by the worship service at 7:00.

If your soul is longing for an experience of worship and revival, you are invited to attend all these services of Central Baptist Church, E. Francis at Starkweather.

Revival Services Set For Lefors Church

"Let's talk about your happiness" is the leading idea for the Lefors Baptist revival which began Wednesday and will continue through April 12.

"We believe that Christ can help us live fuller, better lives," explained Pastor Ed Spivey, "so we believe that the cure for your restlessness is not merely job security; it is peace of mind and soul."

Jack Pearce of Dalhart's First Baptist Church will preach for the revival services. Randall Purvis of Dumas will lead singing for the revival.

Both Pearce and Purvis are graduates of Howard Payne College and Southwestern Seminary. Pearce served churches in Brownfield and Lorenzo before going to Dalhart five years ago.

Adult Classes at Highland Baptist To Start Series

Beginning with the Sunday School Hour at 9:45 the Adult Departments will start a new series of Sunday School Lessons centered around the theme, "The Christian Faces His World," with the first lesson entitled, "This Is God's Universe." There is a department for everyone from Bed Babies through the oldest adult.

Morning Worship begins promptly at 11 a. m. with the singing of the Call to Worship. For the Special Music, Mr. Harner, Minister of Music, will conduct the choir in singing "Lord, I've Tried," featuring Mrs. Joyce Scott, soloist, throughout the arrangement, accompanied by the instruments by Mrs. Beighle and Mrs. Winepearl. For his scripture, Rev. Allison will be reading Nehemiah 7:73-8:8 with his text found in chapter 8:7B. The title Rev. Allison has given his sermon is, "Soldier, or Gold Brick!"

Both choirs will convene for rehearsals at 5:30, followed by the Training Union Hour at 6:30. This is also the time for the Pastor's Class on Baptist Doctrine.

The Evening Worship Hour is its beginning at 7:30 p. m. which time Bro. Allison will preach on the subject, "Turn from One to Another." His scripture is found in Ephesians 1:17-32.

Wednesday evening at 6:45 Rev. Allison will continue his teaching of the book, "The Ministry of Visitation," followed by the regular monthly business meeting.

Our church doors are open to you for any or all of the meetings held here this week. Won't you come and worship with us?

REV. JACK PEARCE

Pearce's brother is a missionary to Kenya, East Africa. Purvis was here in Lefors last spring in a revival. A. G. Purvis, father of Randall is now the pastor for Hobart Street Baptist Church in Pampa.

Pearce and Purvis both have two children.

Local Baptists invite everyone in the Lefors area to attend the revival services which begin each evening at 7:30 p. m. A nursery will be provided at all services for small children.

Morning services will begin on April 5 at 10:00 a. m. and continue through April 10.

Revival services will close with the evening service on April 12.

Ed Spivey is pastor of the local church. Doyce Lee leads the singing.

TV To Broadcast Mormon Conference

"Mormons" to televise 134th annual conference. Channel 10 in Amarillo will carry the broadcast Sunday April 5th from 9 until 11 a. m.

The Prophet David O. McKay, President of the Church of Jesus Christ of Latter-Day Saints, will be the presiding and conducting officer of the 134th annual conference of the Mormon Church. The program will feature remarks by the Prophet McKay and others of the Quorum of the Twelve Apostles and special musical numbers by the world-famous "Tabernacle Choir."

Sessions of the three-day conference will be carried through the media of TV and radio throughout the North and South American continents, Europe, Australia, Samoa, South Africa, and parts of Asia. There are 16 TV stations in Texas, 170 co-operative TV stations throughout 46 states, as well as 25 radio stations carrying the Sunday morning broadcast, and it is expected that a potential of over 90 million Americans will "attend" the conference through this media. "Not only will the conference have a wide dissemination by radio and TV, but it will attract a great international congregation to the Tabernacle on historic Temple Square. There will be representatives . . . from all sections of the earth.

Anyone interested in furthering their knowledge of the

Evangelist Holland Set to Conduct Revival Program

Evangelist Robert V. (Bobby) Holland will be the guest speaker for the meeting. He is from Moultrie, Ga. This youthful minister has held revival meetings throughout the South. He is an alumnus of Southeastern Bible College at Lakeland, Fla.

You are cordially invited to attend these services by pastor Wm. F. Blakley. They will begin April 6 and continue through April 19. Services will be nightly except Monday night April 13, when the Evangelist will be the speaker for a North Plains Service C. A. rally at Borger, Texas at the 1st Assembly of God church. Night services will meet at 7:30 p. m. except Sunday's which will begin at 7 p. m. He will also speak at the 11 o'clock worship hour on the two Sundays of the revival.

Methodists Plan Stewardship Work

St. Paul Methodist church has designated the month of April as Stewardship Emphasis Month. Sunday will be Dedication Sunday with the minister, Jack Riley, bringing the morning message—On Sunday, April 12, Lay speakers will be in charge of the service. Commitment Sunday will be observed April 19, with Dr. Tilden B. Armstrong in the pulpit.

Every member of St. Paul will be contacted during the week of April 19-25 for pledge commitments.

A Smorgasbord Dinner, open to the public, will conclude the weeks activities on April 25.

Two Passages Set For Local Worship

"When the Lord turned again the captivity of Zion, we were like them that dream" (Ps. 126:1). "Suffering, sinning, dying beliefs are unreal" (Science and Health with Key to the Scriptures, by Mary Baker Eddy, p. 76). These two passages establish the theme of the Lesson-Sermon entitled "Unreality" at Christian Science churches this Sunday. Bible readings will include passages from Exodus and Deuteronomy—telling about God's deliverance of the children of Israel from the land of Egypt.

Disciples Plan 77th Meeting

FORT WORTH (Sp) — The 77th annual assembly of the Texas Association of Christian Churches (Disciples of Christ) which will convene in Houston's Music Hall on April 16 brings together a religious communion which began in America in the early 1800s and whose main plea is for the "unity of all Christians."

With an unusually small amount of critical business matters this year, the Disciples will come together for "preaching, fellowship and ecumenical witness."

A traditional ecumenical service at 3 p. m. Sunday will close the assembly. Featured as speaker is Dr. W. B. Blakemore, dean, Disciples Divinity House, Chicago, whose topic will be "The True and Allmost Church of Christ."

More than 3,200 ministers and lay people from 500 Texas Christian Churches will attend the four-day meeting. The Disciples have 143,729 members in Texas.

The Christian Church is made up of 8,108 congregations in the U. S. and Canada with a total membership of 1,842,236. The Disciples also have 1,025 congregations in 15 foreign countries with 216,000 members.

Presbyterians To Continue Two Services

The Presbyterian Church continues with two morning worship services Sunday. The Pastor will use the 21st Chapter of John's Gospel and the 5th Chapter of John's First Letter as the basis for the Morning Sermon, and will be assisted by Ruling Elder Will Graham at both the 8:30 and 11 a. m. worship hours.

The Choir, under the direction of Mrs. George Budd, will sing "Thine is the Glory" by Handel at 11 a. m. and this same anthem will be sung at the 8:30 a. m. service by a quartet consisting of: Mrs. George Budd, Mrs. Kenneth Reeves, Mr. Robert Doley and Mr. Charles Wade.

The Senior High Young People will attend a Presbytery Rally in Canyon at 2 p. m., with cars leaving the Church at 12:45 p. m.

Evening Worship will be held at 7 p. m., following the youth supper and the evening fellowships.

Sermon to Cover Church's Program

Sunday morning at eleven o'clock, the Rev. Russell G. West Sr., will preach another sermon in a series on Brethren Beliefs and Practices. Since the Church of the Brethren is listed as one of the three historic "Peace Churches" in America, the sermon this Sunday will deal with "The World-Wide Peace Program of the Church of the Brethren."

Sunday School opens at 9:45 a. m. with Rev. Bryce Hubbard, in charge. Classes for all age-groups Nursery for babies. On Sunday evening, beginning at 6 o'clock, a Family night service will be conducted. This will open with a pitch-in Fellowship Supper. An invitation is extended to all.

R. M. Marsteller — Pastor

Church of Christ Will Conduct Two Services

Dr. Douglas Carver, Pastor of the First Baptist Church, Pampa, will be in the pulpit for both services of worship Sunday. At the 11 a. m. worship he will preach from the subject "He Majored in Gratitude" with the text taken from 1 Thessalonians 5:18. Mr. Jim Johnson will sing a tenor solo and Miss Eloise, organist, will play "Interlude" by MacDonald for the offertory.

The Pastor has chosen "When Life Grows Difficult" with the text taken from Acts 4:29 for his 5 p. m. sermon subject. The Chapel Choir will sing a hymn anthem and the organ offertory will be "Theme from a Nocturne" by Chopin.

This Sunday night the Training Union will start a new unit of study for all adults entitled "Our Baptist Heritage." Mr. Wes Langham, Training Union Director, feels that many adults will be most interested in this study and he personally invites everyone to come.

REV. O. T. JOHNSON
WEST SIDE BAPTIST CHURCH

THE DEATH OF CHRIST

John 12:31-33 Now is the judgement of this world: now shall the prince of this world be cast out. And I, if I be lifted up from the earth, will draw all men unto me. This He said, signifying what death He should die.

The death of Christ is:

1. REAL AS TO ITS OCCURENCE — Rom. 8:34a Who is he that condemneth? It is Christ that DIED.
Rom. 14:15b Destroy not him with thy meat for whom Christ DIED.
Towering o'er the wrecks of time is one fact that shines out in unmistakable reality, and that is the death of Christ.
2. SUBSTITUTIONARY IN ITS CHARACTER — Rom. 5:6 For when we were yet without strength, in due time Christ died for the ungodly.
Rom. 5:8 But God commendeth His love toward us, in that, while we were yet sinners, Christ died for us.
Christ was acting on our behalf that He might protect us from the consequences of sin in dying in our stead.
3. DEFINITE IN ITS WORK — Rom. 6:10a For in that he died, he died unto sin once.
1 Cor. 15:3b How that Christ died for our sins according to the scriptures. His death had distinct relation to our sin. He died to bear away our sins, and to be judged for our sins.
4. FREEING IN ITS AIM — 11 Cor. 5:15 And that He died for all, that they which live should not henceforth live unto themselves, but unto Him which died for them, and rose again.
In the death of Christ we have the magnet which draws us from self to Himself.
5. PRACTICAL IN ITS PURPOSE — Rom. 14:9 For this end Christ both died, and rose, and revived, that He might be Lord both of the dead and living.
He died that He might gain us, and now we are His absolute property.
6. ASSURANCE OF FUTURE GLORY — 1 Thess. 5:10 Who died for us, that, whether we wake or sleep, we should live together with Him.
Our assurance that whether we live or die we shall live with Him in glory.
7. GUARANTEE THAT OUR LOVED ONES, WHO HAVE FALLEN ASLEEP SHALL BE WITH US IN CHRIST'S COMING FGLORY — 1 Thess. 4:14 For if we believe that Jesus died and rose again, even so them which also sleep in Jesus will God bring with Him.
There is one ray that shall make the golden glory of Christ's splendor bear a rosy tint and that is the red light from Calvary.

Randy Figured To Snap Mark

AUSTIN, Tex. (UPI)—Husky Randy Matson, a teen-aged Texas A&M University freshman with Olympic aspirations in the shot put, figured to get the 37th annual Texas Relays launched on a record-breaking note today.

Slammin' Sammy Toss Greensboro

GREENSBORO, N.C. (UPI)—Sam Snead, the durable slammer from White Sulphur Springs, W. Va., carried a satisfied smile and a three-stroke lead into the second round today of the \$35,000 Greater Greensboro Open (GGO).

Snead, 51, gave younger golfers a target to shoot for Thursday with a sizzling seven-under-par 64 which tied the tournament and course record set by Byron Nelson in the 1941 GGO—the rich warmup for the even richer Masters.

"You just don't play any better than that," grinned Snead, who has won here seven times previously. He won the first GGO in 1938 and last tied victory here in 1960.

Trailing Snead with 67s were Billy Dunk of Gosford, Australia, and George Bayer from Incline Village, Nev. National Open champion Julius Boros of Mid Pines, N.C., was third with 68 over the par 71, 7,029-yard Sedgefield Country Club course.

Six others tied for fifth with 69 each and seven had 70, including par busters Jack Nicklaus, defending Masters and PGA champion from Columbus, Ohio, and Arnold Palmer, the biggest money winner in modern golf.

Finishing with 69s were Billy Maxwell of Indianapolis, Ind.; Bob Charles of Sarasota, Fla.; Rod Funseth of Spokane, Wash.; Al Johnston of Markland Wood, Canada; Gene Littler of La Jolla, Calif.; and Sonny Ridenhour of Fayetteville, N.C.

Matching Palmer were Jerry Barber of Los Angeles, Calif.; young Tommy Aaron of Gainesville, Ga.; Wilf Homebuck of Winnipeg, Canada; Gordon Jones of Orlando, Fla.; and Dean Refram from Boca Raton, Fla.

Snead shot eight birdies Thursday and his game only faltered once, on the fifth hole when he three-putted from 20 feet out for his only bogey. He shot a 33 on the par 36 front nine and carded a 31 on the par 35 back nine.

BROWN SIGNS CONTRACT

NEW YORK (UPI)—Roosevelt Brown, 32, an 11-year veteran of the National Football League, signed his 1964 contract with the New York Giants Thursday.

ing leg of outdoor track's "triple crown"—the Texas, Kansas and Drake Relays—but the 19-year-old Pampa, Tex., youngster seems a cinch for a record.

The meet's shot put mark is an unimpressive 59 feet 9 inches, set eight years ago by Bill Nieder of Kansas. There are two other weight men besides Matson among the 1,000 plus contestants who already have surpassed that figure in outdoor meets this spring.

Mazza of Baylor, who has a 60-2 to his credit, and George Woods of Southern Illinois, who has hit 59-9 1/2, will get first crack at Nieder's old mark in university-college preliminaries during the pre-noon hours today. One—or both—might surpass the record.

But whatever they do seems certain to be outdone a few hours later when the 230-pound Matson takes over in the junior college-freshman division preliminaries. Matson has consistently been over 62 feet this year with his career best of 62-9 1/2 coming last week in the San Angelo, Tex., Relays.

Texas Relays records generally are so good that there is little likelihood of a wholesale revising job despite the presence of all eight Southwest Conference teams, plus such other strong teams as Abilene Christian, Cornell, Drake, Kansas, Kansas State, Louisiana State, Oklahoma, Oklahoma State, Missouri, Nebraska and Southern Illinois.

Others could fall Two other meet records, one of them the oldest on the books, have been equalled this spring and could be bettered in the Friday night or Saturday afternoon finals sessions.

LSU's Billy Hardin and Arkansas' Ed Renfrow have matched the 120-yard high hurdles mark of 13.9 which has stood since Fred Wolcott of Rice posted it in 1938; and Ross Tonnell of Missouri has cleared the 6 foot, 9-inch record level shared by Charles Holding of East Texas State and Walt Davis of Texas A&M since the early 1950s.

Abilene Christian's fleet runners have been nipping close to the sprint medley relay mark of 3:19.8 set by California in 1958, and foursomes from Missouri and host Texas loom as threats to the two-mile relay standard of 7:17.7 set by Kansas in 1960.

Sharing the spotlight with these "big schools" will be Grambling's challenge to Texas Southern's domination of the six college division relay records. Texas Southern has never lost a race here, but Grambling already has beaten Texas Southern in the 440-yard relay in a dual meet and its 40.3-second clocking is below the record of 40.5 here.

Finals are scheduled in 20 events tonight and the remainder will be run off tomorrow afternoon.

GETS THE NOD—Jim Arthur will be the probable starting pitcher this afternoon at 4 when the Pampa Harvesters tangle with the Berger Bulldogs at Huber Park in 'Dogtown.

Birdie Will Stay As Tribe Boss

TUCSON, Ariz. (UPI)—The Cleveland Indians will not replace Birdie Tebbetts as manager because of his heart attack, General Manager Gabe Paul assured the ailing manager today.

Paul said his appointment of Coach George Strickland to take charge of the club was strictly a temporary measure until Tebbetts regained his health and is able to return to his job.

The 49-year-old Tebbetts was confined to St. Mary's Hospital to which he was taken by ambulance Wednesday night after suffering the heart attack. Tebbetts was reported making satisfactory progress and no longer was in pain.

Strickland's tenure as acting manager will continue "until further notice," Paul said. But the general manager added that so far as he was concerned "Birdie is still the manager of this club."

"It definitely was a coronary attack," Paul reported after talking to Dr. Arthur Dudley who is caring for Tebbetts. "The doctors are satisfied with the progress Birdie is making. But they tell me he will be immobilized for some time, which is normal and he will be given normal treatment."

Paul said normally a person suffering a heart attack is hospitalized for six weeks but he said Tebbetts might possibly be moved to Bradenton, Fla., not far from his home at Anna Maria, in four weeks.

"I don't see how anyone can expect Birdie to be back in less than two months," Paul said. "I know one thing for sure, he is not going to return too soon and endanger his health."

56TH YEAR FRIDAY, APRIL 3, 1964

Major League Roundup

By TIM MORIARTY UPI Sports Writer

Maybe all members of the Milwaukee Braves should have spent the first month of spring training in Brooklyn.

That's where Joe Torre remained until March 20—and now rival pitchers can't get him out.

The bushy-browed catcher-first baseman from Flatbush unloaded a two-run homer in the 11th inning to earn the Braves a 7-5 victory over the Pittsburgh Pirates Thursday at Fort Myers, Fla. It was Torre's fourth hit of the game and raised his spring batting average to an even .500, based on nine hits in 18 at bats.

Shown Up Late Torre showed up at the Braves' camp three weeks late after a prolonged contract squabble with club President John McHale. Big Joe complained he "was not treated well" when he finally signed for an estimated \$25,000. But his bitterness apparently hasn't affected his hitting.

Jim Wynn of the Houston Colts matched Torre's heroics Thursday in an 8-4 victory over the New York Mets. He, too, collected four hits, including a two-run homer in the eighth inning that tied the score at 4-4 and a grand slammer in the 12th that dealt the Mets their 12th defeat in 20 tuneups.

Ed Bauta, who had allowed only two hits and no runs in eight innings of toil this spring, was the victim of Wynn's game winning blow. Dick Smith hit a two-run homer for the Mets.

Six of the seven other exhibitions Thursday were decided by one-run margins. Only the Reds won with ease, whipping the Tigers, 8-3, to break a five-game losing streak. The "squeakers" were the Indians over the Giants, 4-3; the Cardinals over the Dodgers, 2-1; the Twins over the Yankees, 2-1; the White Sox over the Orioles, 8-7; the Phillies over the A's, 2-1 and the Angels over the Cubs, 6-5.

Frank Robinson collected a single and a double and Vada Pinson added a homer to pace the Reds' 10-hit attack. Rookie Sammy Ellis, who pitched the first seven innings, and lefty Bill Henry limited the Tigers to seven hits.

A home run by Willie Mays ignited a three-run spurge by the Giants in the fourth inning but it was Dick Dietz' infield single in the ninth inning that accounted for the winning run. It was the Giants' eighth victory in eight meetings with Cleveland this spring.

Gerry Arrigo gave up only a pair of singles to Phil Linz over the first six innings to feature the Twins' victory over the Yankees.

Celtics Scoop Up Second Straight

BOSTON (UPI)—If the Cincinnati Royals are the team to end the Boston Celtics championship domination, they'll need an unprecedented comeback and a miraculous cure to do it.

The Royals, billed all season as the team to take the National Basketball Association crown away from the aging Celtics, now are two games behind Boston in their best-of-seven playoff series. And no pro basketball team has ever overcome that big a hurdle in a seven game playoff.

Furthermore, the Royals are getting virtually no help from their rookie-of-the-year, ailing Jerry Lucas. His back injury has hobbled the Royals which becomes the host team Sunday night when the Eastern Division finalists resume hostilities at Cincinnati.

The aging St. Louis Hawks will try to match Boston's two-game bulge tonight when they go for a second victory over the Warriors in San Francisco in the Western Division showdown series.

Even Cincinnati Coach Jack McMahon reluctantly admitted Thursday night that his team was in a whale of a hole after dropping an 11-point, 101-90 decision to the six-time champion Celtics at Boston Garden.

"Let's not kid ourselves," the realistic McMahon said. "If he (Lucas) doesn't come around, it's Boston in five games. And that means we'll have to take one of the two (Sunday and Tuesday nights) in Cincinnati."

NBA coaching Dean Red Auerbach of the Celtics was making no predictions. "Any time you play that (Oscar) Robertson, you've got to be great to win," Auerbach said.

The Royals got hot scoring performances from Robertson and veteran cornerman Jack Twyman Thursday night as the pair rolled up 30 and 27 points respectively.

Brown Upset By Gonzales

ODESSA, Tex. (UPI)—Former world lightweight champion Joe Brown was kept off balance Thursday night by Texas welterweight champion Manuel Gonzalez and dropped a 10-round decision to the scrappy Odessan.

Gonzalez kept Brown off balance with his left jab but never seemed to get his right cross in solidly. Brown was stung hard in the fourth, fifth and ninth rounds.

Late in the eighth round Brown caught Gonzalez with a left-right combination, but it was a drop in the bucket compared to Gonzalez' brilliant boxing exhibition.

Gonzalez weighed in at 144 1/2 pounds, while Brown was 138 1/2. In a 10 round semifinal bout, Henry Dominguez, the state lightweight champ, won a technical knockout over Horace Davis of Dallas in 55 seconds of the sixth round.

NCAA Blues Upset In Olympic Trials

NEW YORK (UPI)—Listening to Johnny Wooden, you begin to understand why UCLA won 30 straight games this season while annexing the NCAA basketball championship.

It would be hard not to respect a man like Wooden, who seems to be too idealistic in the modern high pressure game of college basketball.

He had just watched his NCAA Blues, which includes six members of the UCLA team, lose to the AAU Stars, 82-76, in the major upset of the opening round in the 1964 U.S. Olympic basketball trials.

But there was no bitterness at the second guessing he was subjected to—his players were his "only care and responsibility."

The defeat means the Blues will have to play in the losers bracket of the Olympic trials, which continue at St. John's University gymnasium today with four more games.

The Blues play in the second game of the afternoon round against the Armed Forces Jets following the AAU Stripes and the Armed Forces Missiles contest.

The winners of Thursday's games will play tonight, which means the surprising AAU Stars meet the NCAA Whites

after the NAIA All Stars face the NCAA Reds.

The NCAA Whites advanced by defeating the Armed Forces Missiles, 74-64; the NCAA Reds defeated the Armed Forces Jets, 86-63; and the NAIA All Stars beat the AAU Stripes, 77-74.

The win by the AAU Stars was the biggest surprise of the opening round, and it produced the major question of the three-day affair.

The debate centers around whether winning comes before

Kathy Whitworth Holds Gals Lead

ST. PETERSBURG, Fla. (UPI)—Kathy Whitworth had a slim one-stroke lead over four other pros today going into the second round of the \$10,000 St. Petersburg Women's Open golf tourney.

Miss Whitworth, the second leading money winner last year in the WPGA, had her ups and downs on the first nine holes Thursday, but settled down after the turn and carded a one-under-par 70.

Hot on Miss Whitworth's heels at 71 were Sandra Haynie, Betsy Rawls, Ruth Hussen and veteran Patty Berg.

the opportunity for the 94 participants to fully show themselves to the Olympic Committee.

Wooden said he had a responsibility to play each boy an equal amount of time, so he split his team into two squads. He opened with his UCLA team and midway through the half, he substituted a fresh team of five NCAA All Stars. Many felt this substitution hurt the NCAA Blues' chances.

But Wooden stuck to his plan in the second half even when his team was behind.

"I feel I want to play every body an equal amount of time," he said. "If they're picked as All Stars I feel they should have the opportunity to play."

"I want to win too, but I'm obligated to play those boys."

By United Press International WORCESTER, Mass. (UPI)—Dick French, 147, Providence, R.I., outpointed Willie James, 150, Miami, (10).

STEUBENVILLE, Ohio (UPI)—Cowboy Billy Smith, 115, Steubenville, outpointed Carlos Zayas, 115, Holyoke, Mass. (10).

Senator Blasts Policy on Cuba

WASHINGTON (UPI) — Sen. Thomas J. Dodd, D-Conn., charged Thursday that those who advocated "passive acceptance" of communism in Cuba were retreating to isolationism.
In a speech prepared for Senate delivery, Dodd said "some of those who understood the illusion of 'fortress America' isolationism have now become advocates of an essential identical brand of isolationism."
"They appear to believe that our security and our freedom would not be affected even if the major portion of the hemisphere and, for that matter, of the free world were to go Communist," he said.
The Connecticut senator predicted a revolt in Cuba "in the not too distant future." He said that "what we say and what we do can expedite the process or slow it down."
Dodd did not mention Chairman J. W. Fulbright, D-Ark., of the Senate Foreign Relations Committee who touched off a national debate on foreign policy with a recent speech.
In his speech, Fulbright said Fidel Castro was "a nuisance but not a great threat to the United States" and that the Communist government in Cuba was not going to disappear overnight.
Dodd said: "In recent months an increasing number of people have expressed the belief that Castro is here to stay, that our economic embargo is an exercise in futility, and that the best we can do is to reconcile ourselves to the reality of Castro and seek some way of living with him."

LIONS QUEEN — Nine Pampa High School girls competed for Lions Club queen honors at a Thursday noon luncheon and 17-year-old Carol Chase was named queen by popular vote of the members. From left are Kathy Larsen, second runnerup; Carol Chase; Max Presnell, Lions club vice president and Lamoyne Clark, first runnerup.

Lions Pick Queen, Officers for Year

Pampa High School senior Carol Chase was chosen by the Pampa Lions Club as their Queen candidate for the district Lions convention in Borger April 16-18.
Nine PHS girls competed for the honor at yesterday's luncheon meeting. Miss Chase, a 17-year-old daughter of Dr. and Mrs. J. L. Chase Jr. of 2328 Duncan St. won by popular vote. First runner-up was Lamoyne Clark, second was Kathy Larsen.

Seven Sentenced by Wheeler District Judge

WHEELER — Seven persons held on felony indictments in Wheeler County were sentenced Thursday by District Judge Lewis Goodrich following entering of guilty pleas on the charges. Six of the seven received prison terms and one was placed on probation.
Kenneth McNeil, 18-year-old McLean resident, was placed on four years probation for his part in a charge of forgery and passing of a worthless check at the Lewis Gift Shop in Shamrock in February.
McNeil was named in a joint complaint with Paul Allen Benton who pleaded guilty to the charge and was sentenced to two years in prison.
John Henry Jones, alias John Arthur Jones, charged with one count of burglary and one count of theft, entered a guilty plea and was sentenced to three years in prison on one of the charges.
Four Oklahoma youths, held in the Feb. 3 burglary of Wheeler High School, was sentenced to serve three years each on the charge of burglary.
Darrell Troyce Scruges, 17, Ralph Lee Castoe, 18, Monty Clyde Hughes, 16, and Robert M. Osborne, 18, were given three years each after pleading guilty to the charge. They are wanted in Denton and Gainesville for burglary and holds have been placed against them, according to Sheriff Bus Dorman.
District Attorney Bill Waters represented the state in the hearings Thursday and made recommendations regarding each case presented to the judge. Three additional criminal cases were postponed until the charged persons could be brought to Wheeler County from cities where they are being held on other complaints.

White Deer Girl To Be in Show

EDMOND, Okla. (SpI) — Mrs. Betty West Glasscock, Central State College student from White Deer, will co-emcee the annual CSC Bronze and Blue Review Talent Show, scheduled next Friday in Mitchell hall.
Bonnie Goodner, junior home economics major from Duncan, will spotlight the other half of the "Goodner and Glasscock" comedy act.
Theme of the talent show is "Curtains Up" and will feature campus talent in individual and organizational categories.
Mrs. Glasscock is a senior English major and the daughter of Mr. and Mrs. Ray West of White Deer.
At Central, Mrs. Glasscock is active in Student Senate, English Society, Wives Club, and is on the Intramural Council. She has served on the Bronze Book staff for three semesters and is a past secretary of the Wives Club.

Quotes From The News

By United Press International
WASHINGTON — Sen. Philip A. Hart, D-Mich., saying he believes the civil rights bill before the Senate will guarantee the voting rights of all citizens without regard to race unless it is met with "a program of massive evasion."
"But if this bill does not do the job, then I think Congress will be prepared in the very near future to take even more vigorous and direct action."

ST. AUGUSTINE, Fla. — Mrs. Malcolm E. Peabody, mother of Massachusetts Gov. Endicott Peabody, commenting on her jailing during civil rights demonstrations in this historic city: "I think what we have done has brought the community's attention to the situation here."

PARIS — Alexei Adzhubel, son-in-law of Soviet Premier Nikita S. Khrushchev, speculating on the future of the bitter ideological feud between Russia and Communist China: "It is possible our passive attitude will not last forever."

WASHINGTON — Sen. Thomas J. Dodd, D-Conn., charging that those who would revise American foreign policy to include "passive acceptance" of communism were retreating to isolationism:
"They appear to believe that our security and our freedom would not be affected even if the major part of the hemisphere and, for that matter, of the free world were to go Communist."

Fire destroyed property to an estimated value of \$1.76 billion during 1963.

MOURN SILVER DOLLAR

LANDER, Wyo. (UPI) — A local hotel has joined with the majority of westerners in mourning a decision not to mint new silver dollars. A sign to that effect appears over the hotel's bar. It reads: "Give me a big silver dollar. To throw on the bar with a bang. A dollar that's creased, may do for the East. But we like our money to clang."

THE BITE
NEW YORK (UPI) — The \$97.9 billion federal budget for fiscal 1965 will put a tax burden of \$512 on the average American, according to Tax Foundation, Inc.
On a state-by-state basis, the burden will range from \$194 per resident of Mississippi to \$1,034 per resident of Delaware.

SEA COWS
TALLAHASSEE, Fla. (UPI) — Scientists said Wednesday they plan to release sea cows in the Middle River in hopes the weed-eating creatures will keep the waterway clear of clogging vegetation. Chemicals cannot be used because they also would kill fish.
