EVER STRIVING FOR THE TOP O' TEXAS TO BE AN EVEN BETTER PLACE TO LIVE

The Pampa News is dedicated to furnishing information to our readers so that they can better promote and preserve their own freedom and encourage others to see its blessing. Only when man is free to control himself and all he produces, can he develop to his utmost capabilities.

We believe that freedom is a gift from God and not a political grant from government. Freedom is neither license not anarchy. It is control and sovereignty of oneself no more, no less. It is thus consistent with the Human Relations Commandments, the Golden Rule and the Declaration of Independence.
