1965: Most Prosperous in History

Annual Constitutional Changes Face Voters

Although the ballot poses some of the most important questions put to voters in recent years, only a small percentage of the qualified voters in Gray County are expected to turn out Tuesday for the annual assault on the Texas Constitution.

Based on the slow pace of absentee voting and the fact that only about 800 voted on the constitutional amendment Sept. 7, only about 1,000 to 1,500 are expected to vote in Gray County.

Statewide, the Texas Election Bureau predicted a turnout of only 360,000.

There are approximately 10,000 qualified voters in Gray County and 2 million in the state.

The most controversial of the 10 proposed amendments are those giving the governor, several other state officials and members of the House of Representatives four-year terms.

Although the political amendments naturally draw the most interest, there are other that are just as important at least to some groups.

Unless proposition No. 3 is approved, the state will be unable to participate fully in Medicare and could eventually lose from \$50 million a year in federal welfare funds.

If amendment No. 1 fails, 17

state colleges will have to look elsewhere for construction money to provide more buildings for their mushrooming student populations.

Teachers are interested in No. 5, which would enshrine the present statutory teacher retirement system in the constitution and give it broader investment authority.

Amendment No. 7 is a purely local proposal applying only to Houston. It would give the Hermann Hospital estate a \$325,000 tax break for providing charity medical care to the needy.

Judges would be forced to retire at 75 and could be removed from office for misconduct or disability under proposition 8.

For Legislators

The last two proposals on the ballot are of special interest to members of the legislature.

Proposition No. 10 would permit the legislature to give a pay raise to the House speaker and lieutenant governor, who now gets \$4,800 a year plus expenses, and would give every member of the legislature a \$1,360 biennial boost in expense allowances.

The last amendment is the one giving House members four-year terms, with half the seats to be filled every two years.

Counting these 10 amendments, there have been 270 attempts to patch the Texas Constitution since it was written in 1876. Only 182 of these attempts succeeded.

The polling places in Gray County will be Pct. 1, Lefors; Pct. 2, Baker School; Pct. 3, Grandview School; Pct. 4, Alarwood School; Pct. 5, McLean; Pct. 6, Laketon; Pct. 7, Horace Mann School; Pct. 8, Stephen F. Austin School; Pct. 9, Woodrow Wilson School; Pct. 10, Gray County Court House; Pct. 11, Phillips Office; Pct. 12, Lamar School; and Pct. 13, Court House.

A valid poll tax receipt is the only requirement for voting.

(Daily News Staff Photo)

WITCHES BREW — Ghosts and hobgoblins roamed over the streets of Pampa last night as the annual Halloween frolic unfolded. Spooks, monsters and all types of scary creatures went from house to house repeating the proverbial "trick or treat." Youngsters at the home of Bob Regan, 2301 Duncan, were treated with something special. This scene depicting a witch bending over her "pot" was set-up on the porch for the youngsters and passers-by. Watching the proceedings of Granny Witch are, from the left, Criss Douglas, Ronny Stewart, Eddie Keller and Donnie Stewart. Mrs. Regan is dressed as the witch.

Hallowe'en Quiet As Spooks Cavort

Hallowe'en spooks and goblins cavorted one night ahead of the calendar last night, but police reported the situation as being "quiet" with no major vandalism. A few reports of egg-throwing were received.

Mayor Jim Nation had issued a proclamation calling for Hallowe'en to be observed on Saturday night instead of Sunday night.

The "trick or treat" small fry groups were out shortly after dark with their door-to-door visits for goodies.

Police said they hoped Pampa youngsters would abide by the mayor's proclamation and not attempt Hallowe'en observance tonight.

Treacherous Seas Claim More Cubans

KEY WEST, Fla. (UPI)—Treacherous seas in the Florida Straits claimed the lives of two more Cubans Saturday and bottled up a fleet of more than 200 small boats waiting to bring refugees to freedom.

A Nicaraguan coastal freighter docked at Miami carrying two survivors of a small boat and the body of the wife of one of the men.

The men said another man had apparently gone down when their small boat foundered while racing to reach Cuba before a deadline set by Fidel Castro.

Five other Cubans have died in the disorganized refugee exodus.

Eight-foot seas driven by northeast winds up to 30 miles an hour lashed the straits between Cuba and the Florida Keys. Small craft warnings were up.

Two boats carrying a total of 43 refugees reached Key West early in the day, but the Coast Guard reported there were no more boats en route across the spume-blown gulfstream.

If it comes from a hardware store we have it. Lewis Hdw. (Adv.)

Presidential Statement Marks New Records

JOHNSON CITY, Tex. (UPI) — President Johnson said Saturday reports on the nation's economy for the first 10 months of 1965 indicates this will be "the most prosperous year in our history."

"During the past 10 months we have achieved new records in almost every part of the economy," the President said in a statement issued by the Texas White House.

Acting Press Secretary James H. Moyers, substituting for his younger brother, Bill, also announced Johnson signed into law Friday night the 3.6 per cent pay raise for federal employees.

Johnson also issued a statement about this, hailing the pay boosts as remaining with the anti-inflationary wage-price guideposts established by his Council of Economic Advisors. The President said:

"We are now in the 56th month of the longest uninterrupted peacetime economic expansion in the history of our country. Wages, profits, and other income continue to increase. Significantly, these gains have not been diluted by inflation."

The civilian pay bill amounts to boosts of \$641.5 million annually, retroactive to Oct. 1. The total is about \$225 million more than the President recommended but far below the \$1.5 billion figure originally approved by the House.

The threat of a Presidential veto prompted the House to agree to drastic cuts made by the Senate.

The across-the-board raises will go to classified and postal workers in the executive branch and employees of Congress and the federal judiciary. There are no pay boosts for government executives, members of Congress or federal judges.

Also in the bill are \$153 million worth of fringe benefits, including liberalized overtime and holiday pay provisions, additional relocation expenses, increased allowance for employees required to wear uniforms and improvements in severance pay.

Johnson had recommended a straight, one-year 3 per cent pay increase, to go into effect Jan. 1, 1966. It would have cost about \$416 million.

Moyers said Johnson's statement. (See JOHNSON, Page 3)

Texas Business Off 6 Per Cent But Topping '64

AUSTIN (UPI)—The index of Texas business activity dropped 6 per cent in September but was still 7.9 per cent ahead of September 1964, the University of Texas Business Research Bureau said Saturday.

The bureau indicated little concern about the September drop, noting that business for the first three quarters of the year remained 12 per cent of last year's level.

"Business conditions in the state are good. At present Texas business is providing jobs for virtually all who seek them."

"The generally favorable outlook for the national economy furthermore, implies that business conditions in the state will continue favorable."

"The present plateau represents a very high level of activity relative to 1964."

The current business expansion has now extended to 55 months.

"The impetus to activity resulting from a stepped-up war in Viet Nam will prolong the expansion. There is no reason to assume that the present prosperity will not extend into 1966."

The only business barometers that showed declines for the first nine months of 1965 were urban building permits, off 2 per cent, and residential building permits, off 11 per cent.

'FLAGS FOR FREEDOM WEEK'

Jaycees and Key Club Urge Citywide Display

Pampa Jaycees have joined with state and national Junior Chamber of Commerce organizations in the observance of the current week, today through Nov. 7, as "Flags for Freedom Week."

Joining the Jaycees is the Pampa High school Key Club which for several years has conducted a flag display service for local residences and business places.

Mayor Jim Nation Friday issued a proclamation endorsing "Flags for Freedom Week" and urged local citizens and business establishments to recognize

Da Nang Gets Early Curfew For Military

SAIGON (UPI) — U. S. Marines clamped an early curfew Saturday night on servicemen in and around the base city of Da Nang in anticipation of new sabotage and terrorist raids by the Viet Cong Communists.

Military policemen roamed the town, sending U.S. soldiers back to their units well in advance of the normal 9 p.m. curfew. They also tightened security precautions in the wake of a series of devastating Viet Cong attacks in the Da Nang area.

Follow the crowds to the Pampa Baptist Temple. Wayland A. Murray, pastor. (Adv.)

the special week by displaying the American flag.

The mayor made this statement in connection with the local observance: "It is especially fitting at this time that each of us, as citizens of this great nation, recognize

Sellout Banquet Is Expected to Draw 450 People

Approximately 450 persons are expected to attend the annual banquet of the Pampa Chamber of Commerce at 7:30 p.m. Tuesday in the Robert E. Lee Junior High School cafeteria.

William F. McCurdy, director of the Savings and Profit Sharing Pension Fund of Sears of Chicago, will be the principal speaker.

Chamber Manager E. O. (Red) Wedgeworth said Saturday that all tickets for the banquet have been sold.

Following the address by McCurdy, the presentation of the new Chamber president and general exchange will take place.

Norman Henry will take over as new Chamber president, replacing retiring E. L. (Gene) Green, Jr. Henry served as finance director last year.

E. E. Shelhamer will take over the office of vice president and Gene Imel as finance director.

Retiring vice president is Tom Snow and finance director Norman G. Roberts.

BUSINESS IS GOOD

City Consumers Spend \$57.3 Million in 1964

Pampa is contributing its full share, and more, to the nation's surging business activity.

The evidence is seen in the part it played in the past year toward achieving a record breaking gross national product.

The GNP, generally recognized as the most important index of the state of the economy, represents the total value of all goods and services produced.

This output, which reached \$629 billion in the year, includes personal consumer spending, industrial outlays for plant expansion and all other private and governmental disbursements for goods and services.

The great bulk of it, however, was consumer spending. It came to nearly \$400 billion, or two-thirds of the total, according to the government's Office of Business Economics.

Of this amount, Pampa produced approximately \$57,353,

which was more than its quota in terms of population.

Specifically, with but .0135 percent of the national population, it consumed .0143 percent of the nation's output of goods and services.

The figures are based on data from the latest Census of Business and from other sources.

Of the \$37,353,000 spent during 1964 in Pampa by consumers, \$39,906,000 represented retail store purchases and the remainder, estimated at \$17,447,000, went for services of a 11 kinds.

The spending ran the gamut, covering all kinds of necessities and luxuries. It ranged from cosmetics to clothing, from furniture to food, to home maintenance, automobile repairs, amusements, travel and the rest.

Because the nation's consumers account for \$2 out of every

\$3 of the goods and services utilized each year, their decisions as to when to buy and how much to buy go far toward determining the size of the gross national product.

For many months, their attitude has been "go." As a result the GNP rose by some \$40 billion in 1964.

More of the same is happening this year, with business activity maintaining its fast pace. The current prospect is for a gross national product of \$677 billion for 1965.

1965 Traffic Count

Accidents—435
Injuries—120
Deaths—0

TOP SEVEN — The finalists from an original field of 60 girls for the title of Miss Teenage America were Cynthia Ann Byrum, center, of Charlotte, N.C., and clockwise from top left, Colette Dalute of New York City; Deborah Mary Sale of Poplar Bluff, Mo.; LeAnne Davidson Turner of Tulsa, Okla.; Linda Sullivan of Dallas; Judy Jacob of Detroit, Mich.; and Carol Ann Hare of San Antonio, Tex. Miss Dalute was the winner with Misses Byrum and Jacobs as second and third place finalists.

Red Cross News

By BOB REGAN

Public Information Chairman Mrs. Lois Dittmeyer, water safety instructor has completed a beginner class with the following receiving cards: Rick Ellis, Beckey Ellis, Kenny Smith, Kay Smith, Patty Pitts and Steven Sk... and also Gregg Williams.

There were 18 in the class and the other children will work harder and pass in another group.

In an advanced Beginner swim group, the following passed their tests and received their cards: Greg Williams, Lynn Hoyer, Kenny Smith, Kay Smith, Lynn Richardson, Steven Richardson, Jim Sailor, Marilyn Sailor and Chuck Jelferis.

Andrew Wilson Elementary School has made 100 place mats and nut cups in Halloween motif to be used on Sunday Halloween Day at the Amarillo Air Force Base Hospital for the patients. Frank Anderson, teacher sponsor for the Woodrow Wilson school, was pleased with the response of the pupils to this project. Mrs. Shotwell took the materials to the Base with the Re-Training Center party the 28th.

Mrs. A. D. Hills will begin a Class in care of the sick and injured at the Highland General Hospital Monday morning for the L.V.N. Class. This class is being taught by Mrs. Joan Linville, R.N., but Mrs. Hills will teach the course on home nursing and Mrs. Fred Martin will teach the course on standard first aid. Mrs. Martin and Mrs. Hills are Red Cross instructors in nursing and first aid.

Our thanks go to these dedicated women who work with out pay to help our community. Mrs. Clyde Estes will begin a course in Junior First Aid to a Girl Scout Troop 54 at Mrs. Estes Home, 520 W. Francis. Mrs. Raymond Laycock is the leader of the Troop and we must congratulate these girls on their willingness to learn how to take care of others in an emergency before the Dr. arrives.

The party at the Re-Training Center at the Amarillo Air Force Base was a great success. Twenty high school youth with Gray Ladies and other leaders took refreshments, games and favors to the base for their semi-annual party for the Re-Training Center. Those making cakes were: Mrs. Marguerite Nash, Mrs. Jess Hatcher, Mrs. H. H. Butler, Mrs. Kenneth Gill, Mrs. Fred Ammeter, Mrs. H. A. Gilliland, and Mrs. John Hessey. Persons taking their cars were: Mrs. A. D. Hills, Mrs. Kenneth Gill, Tim Gikas and Howard Graham, M. teacher sponsor for the Pampa High School group.

Mrs. Libby Shotwell, executive secretary also went with the group and Kenneth Cowan was master of ceremonies.

Mrs. Jack Foster gave the Red Cross volunteer orientation to Mrs. V. D. Crumpacker and Mrs. Harold Conrad from White Deer Monday morning. These two ladies will work in their community and visit patients in the Highland General Hospital and Groom Hospital when they have persons from their community ill in these hospitals. They will also visit and serve the shut-ins in their community.

After these women have completed their 10 hours of work in uniform, they will be capped in a service in White Deer.

Center Wrap-Up

George Smith, Director
Pampa Youth and Community Center

The Center is now enrolling for the next two sessions of swim lessons to be conducted Nov. 8-24 and Nov. 29-Dec. 15. The first session will have polywogs at 4 p.m. and swimmers at 5 p.m. The second session will have beginners at 4 p.m. and advanced beginners at 5 p.m. All sessions are open to the public. Center members will take the lessons free of charge; non-members will pay the \$3 instructional fee.

Polywogs are children 4-6 years of age not in school and measuring 33 inches to the chin. The prerequisite for the other classes is to have passed the course preceding or if a beginner is 33 inches to the chin and 6 years old or has passed the polywog class.

Basketball is just around the corner and the Center leagues for men and women will be starting soon. Tentative starting date is the first week in December. Entry fee for either league is \$30 plus referees fees. These fees will be determined at a later date by the team managers.

The \$30 entry fee must be into the Center office by 8 p.m., Nov. 22. At that time the organizational meeting will be held to draw up schedules. Team managers should be at the meeting. The first 8 teams in each league will be accepted.

A committee composed of the managers from each team will select the officials and set the amount of money to pay them.

The referees will be contacted by this committee and will settle all disputes that arise.

The Dolphin swim team is now working out from 6-7 p.m. weekdays and 10-12 a.m. Saturdays. The team is under the supervision of the Center; Donald Klepper is the coach. The team is supported by a parent's club with Bill Cooper president.

The Dolphins are open for membership by tryouts. Anyone interested in competitive swimming should make arrangements at the Center for a tryout.

Mrs. A. D. Hills, Mrs. Kenneth Gill, Tim Gikas and Howard Graham, M. teacher sponsor for the Pampa High School group.

Mrs. Libby Shotwell, executive secretary also went with the group and Kenneth Cowan was master of ceremonies.

Mrs. Jack Foster gave the Red Cross volunteer orientation to Mrs. V. D. Crumpacker and Mrs. Harold Conrad from White Deer Monday morning. These two ladies will work in their community and visit patients in the Highland General Hospital and Groom Hospital when they have persons from their community ill in these hospitals. They will also visit and serve the shut-ins in their community.

After these women have completed their 10 hours of work in uniform, they will be capped in a service in White Deer.

The qualification is to be able to swim 50 yards in a given time without stopping. This is 10 and under in 55 sec.; 11 and 12 in 45 sec.; 13 and 14 in 40 sec. and 15 thru 17 in 35 sec.

The volleyball season heads down to the wire the next few weeks with some interesting matches coming up. The women's Cock O Walk team and the Independents will be re-matched with the championship involved in the outcome.

Skelly is fairly running away with the men's league but a dog fight is developing for second place between Dairy Queen, Senior Citizens and Rejects.

Results in volleyball last week in the women's division found the Independents over Hopkins 15-0 and 15-4; Cock O Walk tripping Jackson Realty 15-0 and 15-5 while First National trounced the Spikers 15-0 and 15-5.

In the men's division, results were Skelly over the Doozers 15-5 and 15-6; Dairy Queen jumping ahead of the Senior Citizens 15-0 and 15-0 while Pampa Warehouse beat the Rejects 11-15, 18-16 and 17-15.

Social Security Age for Widows Lowered to 60

Windows may now qualify at age 60, instead of age 62, for monthly social security benefits based on the earnings of the deceased husband, according to Hal Geldon, district manager of the Amarillo social security office.

The amount of the benefit is reduced if the widow is under 62 when benefits start, and the reduction continues after age 62. On the average, however, the widow who begins her benefits before 62 receives about the same total amount over the years, but in smaller payments made over a longer period of time, Geldon explained.

Widow's benefits are based on a percentage of the retirement benefit that her deceased husband would have received at 65. The benefit is 82-1/2 percent at age 62, 71-1/2 percent at age 60.

The widow must make her own decision as to whether or not she wants to begin her benefits before age 62. Geldon added however, that social security representatives will be glad to give detailed information so the claimant may make an informed decision.

The social security office in Amarillo is located at 1006 Adams.

SMU Journalism Endowment Fund Receives \$1,200

Gifts by three longtime friends of Southern Methodist University have doubled the endowment of SMU's Eugene M. Key Journalism Library.

Joe F. Key of Roswell, N.M., and formerly of Pampa; Dr. Julian M. Key of Pampa and Mrs. Richard Roberts of Amarillo have contributed \$1,200 to the library, according to Prof. E. L. Callihan, journalism department head at SMU.

The gift — in the form of three \$400 checks — is in memory of the donors' brother, Eugene, and in honor of their parents, Dr. and the late Mrs. Ira F. Key of Bryan.

Eugene Key, a captain in the U. S. Marine Corps, was the first SMU journalism graduate to die in World War II. He was awarded the Navy Cross, the Purple Heart and Presidential Unit Citation after being killed in action in the Solomon Islands in 1942.

Key had worked for the Dallas Times Herald while still an SMU student and later was the paper's book-page editor. Staff members of the Times Herald added \$400 in his memory to the original fund. This and other gifts raised the endowment to \$1,100 prior to the latest donation.

REDEYE ROCKET
WASHINGTON (UPI) — The U.S. Army has given General Dynamics Corp. a \$41 million order for production of the Redeye, a 30-pound anti-aircraft missile designed for the use of individual front line troops.

YOUSUF RESIGNS
KABUL, Afghanistan (UPI)—Doctor Mohammad Yousof has resigned as Afghanistan's prime minister for what a royal proclamation called "health reasons." King Mohammad Zahir accepted the resignation and asked former Press and Information Minister Mohammad Hashim Maiwandwal to form a new cabinet. It was believed Yousof resigned due to public resentment following the killing of eight student demonstrators by police.

Wall Street Chatter

NEW YORK (UPI)—William R. White of Hornblower & Weeks, Hemphill Noyes believes that the influx of excellent corporate earnings reports, numerous dividend decisions and a virtual disappearance of worries over a possible boost in margin requirements have all combined to revive investor confidence.

The analyst feels that the correction of the mild speculative excesses on the list without affecting the advance in other issues also was reassuring. He says the revival of public participation in the market suggests that demand for stocks during temporary setbacks will probably become insistent and fears of a break such as was experienced in June have all but disappeared.

Bache & Company says recent speculative issues remain under pressure and despite the advances in the market, the company would not rule out a further period of profit-taking in the near future.

Goodboy & Company believes that the favorable economic and market psychology will provide for a broad advance on the near-term but that special interest will be placed upon the recent high-flying issues. The company suggests that some profits be taken on stocks that have outrun their present support.

PHONE BEAMS

MOSCOW (UPI) — Laser beams, high intensity light beams, are being used to carry telephone conversations from one part of Moscow to another, Tass said Friday. The beams, used for surgery and industrial purposes in the U.S., are designed to handle "thousands of telephone and dozens of television channels," Tass said.

WALKING DRIVER

HAYES, England (UPI) — David Miskelly explained in court he was pushing his small panel truck along a road because he had had too much to drink at a party and wasn't fit to drive. The judge told him "if a man steers a vehicle from outside, he is driving it," fined him \$56 for drunken driving and suspended his license for a year.

MINERAL WATER BOWL
EXCELSIOR SPRINGS, Mo. (UP)—Nine teams are under consideration for the 17th annual Mineral Water Bowl game Nov. 27. It was announced Friday by the selection committee.

The teams listed were Northwest Missouri State, Washington University (St. Louis), Southwest Missouri State, Northern Illinois U., Nebraska State College, Parsons College (Fairfield, Iowa), and Austin College of Sherman, Tex.

SCHWEIKERT BACK
NEW YORK (UPI)—The New York Jets Friday reactivated rookie flanker back Bob Schweikert and placed second year man Jim Evans on the taxi squad.

Schweikert, the Jets No. 4 draft choice, was a quarterback in college.

OBIT
COLUMBUS, Ohio (UPI) — Miller Anderson, a member of the U.S. Olympic diving team in 1952, died Friday of a heart attack. He was 42.

Ridgway, a 1960 graduate of Pampa High School, also is a graduate of the U.S. Marine Electronic School. His address is PFC W. D. Ridgway 2064860, Ho. Co. 3rd Mar. Reg. Mar. Div. (FWD) FMF, FPO, San Francisco, Calif.

CIRCULATION AUDIT — Paul Koldoff of Manitowoc, Wis., field auditor for the Audit Bureau of Circulations, is in Pampa for several days making an annual audit of Pampa Daily News circulation figures. The audit is conducted by ABC to provide local and national advertisers with verification of paid circulation figures for the year. Membership in the bureau by the Pampa Daily News assures advertisers their advertisements are being delivered to a set number of homes each day. In the photo with Koldoff, center, are Tommy Nichols, assistant circulation manager, left, and Larry Wingert, circulation manager.

Johnson

(Continued From Page 1) ments on the economy and on the pay raise bill were the major items of business in an otherwise quiet day at the ranch as the President began his second week of convalescence there. He is on an extended stay to regain strength following his Oct. 8 gall bladder surgery.

Moyers, 38, was acting for his 31-year-old brother who was at Marshall, Tex., visiting their ailing father.

Farm Income Up Johnson said that between the end of 1964 and this September, American personal income rose 6 1/2 per cent. He said farm income was up around 16 per cent over 1964 and corporate profits after taxes were up more than 17 per cent.

The President said his latest economic reports also showed:

— Employment is at an all-time high and nearly 10,000 new employees are being added to our payrolls every work day.

— The layoff rate for factory workers is now the lowest in more than 12 years, and production workers on manufacturing payrolls are averaging \$3.49 more earnings each

week than they were a year ago.

— Unemployment has dropped below 3 million for the first time in eight years. Unemployment among teenagers is at the lowest level in three years, despite the record numbers in which they are now entering the labor force.

— Long-term unemployment is now below 1 per cent of the labor force, the lowest in eight years.

— Increased wages over the last 10 months have more than compensated for the slight increase in consumer prices, making it possible for the American worker to buy more with his earnings today than ever before.

— Small business failures have dropped to an eight-year low. After-tax earnings of small manufacturing companies were 41.7 per cent higher in the first six months of 1965 than in the same period of 1964.

— Investment in new plants and equipment has risen 11 per cent since the end of last year.

In 1965, the Stamp Act levied by the British crown to raise revenue in the American colonies went into effect.

Church of God Bazaar, Christmas gifts, also good rummage, 104 S. Cuyler, Monday and Tuesday, November 1 and 2.*

Mr. and Mrs. Jim Waterfield and children of Canadiana visited recently in Oklahoma City, Okla.

Beauti-Pleat drapery sale, 2105 N. Wells, MO 4-5490.*

Unit 81, THCA, will meet at 7:30 p.m. tomorrow at Pampa College of Hairdressing. Stanley Moffett of Lubbock will present hairstyles and platform work.

Governor Says Issue 3 Vital To County Aged

Governor John Connally warned this week that 391 aged residents of Gray County will have their medical benefits jeopardized if Constitutional Amendment No. 3 fails to win passage in the November 2 election.

During the past year, \$65,214 was expended on behalf of these needy aged in this county. Governor Connally urged all Texans to support and vote for the amendment.

Governor Connally also endorsed Amendment No. 4 which extends the two-year terms of statewide officials to four years. "Texas is one of the few remaining states which has not enacted this far-sighted and efficient legislation," Governor Connally said.

The governor warned against voter apathy. He pointed out that only 661 voters in this county went to the polls last month in another Constitutional Amendment election.

A total of 10 proposed amendments to the Constitution will be on the November 2 ballot.

Commissioners Face Routine Business

Only routine business faces Gray County Commissioners as they meet at 10 a.m. Monday for their regular semi-monthly meeting.

County Judge Bill Craig said the commissioners are expected to handle no business other than routine bill paying.

Key Club Group Honors Kiwanians

George Snell, president of the Pampa High School Key Club, presided at the Friday luncheon of the Pampa Kiwanis Club as Key Club members presented a program of appreciation for Kiwanis sponsorship of the youth organization.

Three members of the Key Club gave short talks. Larry Franklin, Fred Tinsley and Mike Wise discussed Key Club projects, purposes, and benefits.

Cameron Marsh, high school principal, spoke briefly on "What the Key Clubs Means to the High School."

Key Club member Sam Waters introduced a musical program comprised of an octet of eight club members who also are members of the Pampa High A Cappella Choir. They were accompanied at the piano by Diana Phillips.

Cash Reported Taken from Home

Mrs. C. L. Ennis, 815 E. Albert, reported missing \$200 in cash yesterday following a break-in at her home.

Mrs. Ennis told police that someone entered her house while she was gone between 11:20 a.m. and 12:05 p.m. Friday.

The money was taken from a bedroom closet, she told police.

Serving Pampa 35 Years

PAUL CARMICHAEL

Foliage Tour Scheduled Today

Several hundred persons from over the Panhandle and Southwest are expected to make the annual foliage tour around Lake Marvin today.

The Lake is located about 15 miles east of Canadian; however the foliage tour begins three miles east of Canadian and continues to the lake.

In addition to the foliage, deer and turkey are usually present on the paved road to the lake, while flocks of sea gulls and ducks are always present at this time of year.

The foliage tour attracts persons from all over the southwest. Last year several cars from Kansas, Oklahoma and even one from Missouri drove to Canadian for the tour.

Science Teacher Gets Acid Burns

Mrs. Paul Keim, 808 N. Gray, was listed in good condition at Highland General Hospital late Saturday recovering from severe acid burns received at Robert E. Lee Junior High School Thursday.

Mrs. Keim, a science teacher, was injured when a bottle of sulfuric acid she was holding dropped to the floor and broke. Some of the acid spilled on her right leg and when she started out of the room she slipped and fell in the acid.

Hospital attendants said her right leg was severely burned by the acid and it would take several weeks before she is fully recovered.

Repair Bids Set For Post Office

Congressman Walter Rogers notified the Pampa News Saturday that bids will be accepted Monday for \$30,000 worth of repairs to the Pampa Post Office.

Rogers said the bids will be opened Dec. 14, 1965 in Lubbock. The repairs and bid contracting is under the supervision of the General Services Committee.

New Books on Shelves At Public Library

New Books on the shelves of Lovett Memorial Library this week are:

- "Who Gets the Dramstick?" — a true story of a widow and widower who met, married and lived happily ever after — with their 20 children.
- "Modern Art of Candle Creating"
- "English Grammar Simplified"
- "Building a Character; an actor's handbook" by Stanislawski
- "Decorating Cakes for Fun and Profit"
- "Anatomical Techniques for Amateurs"
- "How to be Your Own Home Electrician"
- "Understanding Surgery"
- "New York Times Book of In-

- terior Design and Decoration."
- "Old Forts of the Southwest."
- "Complete Book of Home Millinery"
- "The Dangerous Cold: Its Cures and Complications."
- "Mushrooms, Molds, and Miracles; the Strange World of Fungi."
- "Arlington National Cemetery: a Picture History."
- "The Case for the Working Mother."
- "Deadly Harvest; A guide to common poisonous plants."
- "Mary Meade's Magic Recipes for the Electric Blender."
- "American Roulette: A history and Dilemma of the Vice Presidency."
- "In Case of Emergency; What to Do Until the Doctor Comes."

Benefits Under Veterans' FHA Loans Explained

Peacetime veterans have a definite advantage under the Federal Housing Administration Mortgage Insurance for veterans provided by the new Public Law 89-117, but war veterans will benefit more under the GI Loan Guaranty Program, the Veterans Administration said today.

Jack Coker, Manager of the VA Regional Office in Waco, said war veterans who still have entitlement for a GI loan are not required to make a down payment. They pay an interest rate of only 5 1/4 percent with no mortgage insurance premium. They pay no prepayment fee and the VA encourages extensions and or reamortization when needed to help a veteran keep his home.

Under the FHA plan down payments are required on a graduated scale ranging from none for a loan of up to \$15,000 to 10 percent of the value of the next \$5,000 and 15 percent of the next \$10,000. The interest rate, like the GI loan, is only 5 1/4 percent but an additional one-half percent mortgage insurance premium is required.

However, the peacetime veteran, who is not eligible for the provisions of the GI Loan Guaranty Program, will find he has a definite advantage over the non-veteran under the FHA program, Coker said.

World War II veterans with maximum eligibility will have until July 25, 1967, to take advantage of the GI Loan Guaranty Program. The nearest VA office will be glad to figure out veterans remaining eligibility by use of the established rules, the VA manager pointed out.

- "Between Parent and Child" — a book to help parents make life with their children less irritating and more rewarding.
- "How to Write for Money."
- "A Child's Garden of Mistformation" — Art Linkletter.
- "Make it Now Bake it Later."
- "Hawaii — a history."
- "Costumes for School Plays."
- "Watchers of the Skies" — Wiley Ley.
- "With Love from Karen" — a sequel to the much-loved "Karen."
- "You Can Learn Russian."
- "How to Qualify for the Service Academies."
- "Getting out of Outdoor Trouble."

Mysteries

- "The Big Cat" — Short.
- "Caribbean Mystery" — Athena Christie.
- "Detective's Due" — Egan.
- "Squire of Death" — Lockridge.
- "Shadow of a man" — Disney.
- "The Powder Barrel" — Haggard.
- "Olura" — Household.
- "Man from Moscow" — McCutchan.

Fiction

- "One of the Dark Places" — Davis; a story of Burma and India during World War II and of three men who fought an epidemic of typhus among Allied troops.
- "Old House of Fear" — originally published in 1961, this is a classic of chilling suspense.
- "A Long Way to Go" — the story of three children who, when abandoned in Florida, make a 600-mile journey in a determined effort to reach home.
- "A Tree Full of Stars" — this is a Christmas story — and the story of a miracle. It tells what happens to a family when the Christmas tree refuses to be taken down.
- "The Profit and the Loss" — this dynamic novel tells of the Greens of Greer, Texas, in peace and war, from the Gulf Coast to the towers of Manhattan.

Income Tax Questions, Answers

EDITOR'S NOTE — This column of questions and answers on federal tax matters is provided by the Pampa office of the U.S. Internal Revenue Service and is published as a public service to taxpayers. The column answers questions most frequently asked by taxpayers.

Q—I'm still being made to pay 10 per cent tax on my phone bill. I thought this had been eliminated.

A—The telephone tax is being reduced in stages starting next January 1. Then it drops from 10 per cent to 3 per cent. In 1967 and 1968, the tax drops another percentage point each year until it is entirely eliminated in 1969.

Q—I quit my summer job when school started this fall. When is my employer supposed to give me my W-2 Form?

A—Employers are required to provide W-2 Forms not later than January 31 of the following year. However, if an employment is terminated before the close of the year, W-2 Forms must be supplied within 30 days of the last pay day. You should keep the W-2 Form and attach it to your 1965 tax return.

Q—This is turning out to be a better year for me than I thought it would be. How can I change my declaration of estimated tax?

A—The reverse side of the notice of installment of estimated tax due may be used for this purpose, or you may obtain a Form 1040-ES (Amended) from your local Internal Revenue office and file an amended estimated tax return. If the change occurred after Sept. 1, your amended declaration should be filed by January 17, 1966.

Q—Do you plan to offer the Teaching Taxes program to schools again this year?

A—Yes, we do. Notices on the program are sent out each Fall to junior and senior high schools as well as some business schools and colleges.

Q—Is it possible to have someone from your office come and talk to our local teacher's organization about deductible educational expenses?

A—We try to fill as many of these requests as we can. Write to your local Internal Revenue Service office and please give details on your request.

Birchites Seek Audience for Talk With LBJ

WASHINGTON (UPI) — The public relations director of the John Birch Society said Friday he wished President Johnson would either attend a meeting or else receive some Birchites for a talk.

John Rousset, former California congressman who now is the society's chief spokesman, told a news conference that he also had written letters to Republican party leaders who had criticized the group and extended the same invitation.

He said he had written the Republicans, who had invited Birchites to withdraw from the GOP, and asked them to attend meetings because "obviously they don't know much about us."

The Republicans are Senate GOP leader Everett M. Dirksen, House Republican leader Gerald R. Ford, and Sen. Thurston B. Morton of Kentucky. Rousset said Ford had agreed to meet with him.

Rousset told newsmen he was pleased by the recent criticism of the society from these men because they had made clear that the John Birch organization was not part of the Republican party.

It is, he said, an educational group and not a political organization which endorses candidates and raises money for them. He said the society merely encourages its members to be active in the party of their choice.

Speaking of the society's membership, Rousset estimated that it was divided about 50-50 between Democrats and Republicans. He said this estimate was based on surveys by 78 field coordinators, and that no exact figures were available because the society did not record the party affiliation or race of members.

Klan Investigator Sees Resignations as a Result

WASHINGTON (UPI) — The chairman of the House Committee on Un-American Activities predicted Saturday that ranks of the Ku Klux Klan will be riddled by resignations as a result of his investigation.

Rep. Edwin Willis, D-La., head of the Klan inquiry which has now run two weeks, said in a televised interview — youth wants to know — "I have an idea that the membership will be decimated."

He scoffed at a claim by Imperial Wizard Robert Shelton that the investigation, is bringing the hooded order new recruits.

"I'm very hopeful and I honestly believe that they will be resigning in disgust and will join me by saying 'who's afraid of the big bad wolf?'" Willis declared.

He hinted at several possible legislative crackdowns congress might take against the Klan a

result of the investigation. He suggested the possibility of enacting a federal anti-Klan law similar to those already enforced in several states. One feature of such a law would make it a crime to burn a cross on private property, Willis said.

The Louisiana congressman also mentioned a proposal by Atty. Gen. Nicholas Katzenbach that members of the Klan be required to register with the government. There is currently on the books a law requiring registration by the U.S. Communist Party.

Soviets Begin Rocket Tests

MOSCOW (UPI) — The Soviet Union begins a two-month series of tests Sunday of huge space rockets. The rockets will hurtle 7,500 miles toward an 80-mile-wide watery bullseye in the Pacific west of Hawaii.

The tests, announced Friday night, are scheduled to last until Dec. 30. The second this month, they will feature a "new modification of a space vehicle booster."

The Soviet news agency Tass said the firings would be held "for the purpose of further exploration of outer space and to accumulate experimental data."

The Russians have admitted that past Pacific Ocean rockets with a similar 7,500-mile range have had ICBM atomic warhead capability.

It is aimed at an 80-mile-wide circle located at 19 degrees 8 minutes north latitude and 178 degrees 46 minutes west longitude.

Tass said the rockets would be aimed at an 80-mile-wide circle located at 19 degrees 8 minutes north latitude and 178 degrees 46 minutes west longitude.

It urged all planes and ships to stay out of the area between noon and midnight, local time, between Sunday and Dec. 30.

This put the bullseye about 1,400 miles west of Honolulu, northwest of the Soviet's last Pacific tests which ran from

July 18 to Oct. 12 and were acclaimed by the Soviets as having achieved "high precision."

STUDENT PROTEST

TOKYO (UPI) — About 3,000 Japanese students protesting the U.S. presence in Viet Nam and the pending Japan-Korea normalization treaty marched through downtown Tokyo Friday. Police said 13 youths were arrested. Similar demonstrations in other Japanese cities brought 15 more arrests, the police said.

How to sleep in Big Queen-size Beautyrest Comfort and keep your present bed

We and Simmons make you a Queen-size offer

If you've been sleeping crushed, cramped and crowded on an ordinary double bed, if you've been wanting the extra 20% of sleeping space a Queen-size Beautyrest can give you but haven't wanted the expense of a new bedstead too, we'll quickly solve your problem. Just read about our amazing offer below and you'll see what wonderful things can happen when you buy a Queen-size Beautyrest mattress-boxspring set this month. Yes, now you can enjoy the spacious comfort of modern, larger bedding and keep your present bed.

ORDINARY DOUBLE BEDS provide each sleeper with only 27 inches of mattress width... that's the width of a crib mattress. You've grown but your bedding hasn't grown with you.

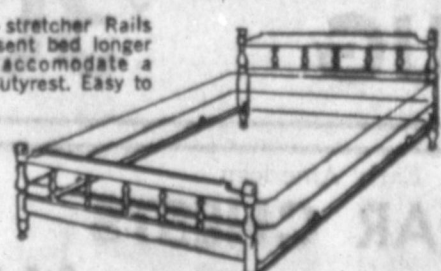

QUEEN SIZE BEAUTYREST is 5 inches longer and 6 inches wider than a standard double bed, provides you with 20% more sleeping space. It gives today's taller sleepers the room they need for real stretch-out comfort. Set is only \$189.50.

AMAZING FREE OFFER This month only

Buy a Queen-size Beautyrest mattress-boxspring set (or any Beautyrest Super size set) during this month and we'll give you absolutely free, a pair of Simmons Bed-stretcher Rails or a Simmons steel bed frame with casters... worth up to \$30.00! Act now because this offer is definitely for a limited time only.

Simmons Bed-stretcher Rails make your present bed longer and wider to accommodate a Queen-size Beautyrest. Easy to install.

ACCURACY IS IN EVERY PRESCRIPTION.
It is the extra ingredient a physician never has to specify, because pharmacists are taught its importance at their College of Pharmacy. **NO POSSIBLE ERROR IS PERMITTED.** Modern medicines are usually so potent that a mistaken ingredient could cause harm. Every time you entrust a prescription to a pharmacist you place your health and your life in his care.

EVERY PRESCRIPTION REQUIRES CARE.
Even those which just have to be counted may be a problem. There are thousands of different medicines. Many of them have similar names. Hurried reading or soiled writing can look like the name of a different drug. A decimal point is only a period. Misplaced or incorrectly read, it could be ten times the intended dose.

PHARMACISTS KNOW POISONOUS DOSAGE.
It is the legal responsibility of a pharmacist to know the dose of every drug and notify the physician if in doubt about its safety. That is why the majority of physicians do not dispense medicines. They welcome a pharmacist checking dosage.

EACH PRESCRIPTION IS CHECKED OFTEN

1. As each ingredient is located and placed on the prescription counter.
2. The proper dosage is confirmed before placing in container.
3. The typed instructions on the label are re-read to insure specified directions.
4. As each ingredient is returned to storage, it is checked against the prescription to again make certain the proper drug has been used.

Agriculturally Speaking

By FOSTER WHALEY
Gray County Agent

We are beginning to see quite a few cattle going on wheat pasture. So far we haven't seen as many native cattle as we have imports.

Where do these cattle come from? A recent report by the Crop and Livestock Reporting Service pretty well answers this. There were 72,225 cattle shipped into Texas during the recent month of September.

What states do they come from? 7,301 or ten percent came from Alabama. 4,405 head or six percent came from Arkansas. 2,649 head came from Florida or 3.7 percent. 16,691 head or 23 percent came from Louisiana. 11,133 head or 15.4 percent came from Mississippi. 16,512 head or 22.8 percent came from New Mexico. 8,347 head or 11.5 percent came from Oklahoma.

However, while we imported 72,225 head we ship out to other states 131,956 or almost twice as many as we received.

To what state were they shipped? To Arizona - 21,322 head; to California - 31,888; to Kansas 14,352; to Colorado - 11,115; and to New Mexico - 10,753. Others such as Iowa, Illinois, Nebraska and Oklahoma got the bulk of the remaining cattle. Practically all these cattle go to commercial feed lots.

Several people have asked about the requirement on the spacing of irrigation wells and permits required. We have a copy of the rules and regulations governing the rules as approved by the Board of Director of The Panhandle Under-ground Water District, White Deer. Contact our office and we would be glad to help you. Better still, contact John Harnly, president of the board, phone number MO 4-8064, or Fred S.

Tips on Storing Pesticides Given By A&M Chemist

Fall is the time to give some serious thought to storing pesticides, reminds Dr. Jack Price, Extension leader agricultural chemicals section at Texas A&M University.

Storage time in the fall is also a good time to think about disposing of those odds and ends of materials. Dig a pit in an area that is not used for recreation, gardening purposes and far away from any well. Dig the pit at least 18 inches deep. Pour the unwanted chemicals into the pit, being careful of spills on your clothing or yourself, and then fill the pit with soil. Make sure that you cover it with at least 18 inches of dirt. Never smoke while doing this and try to avoid breathing any fumes that might come out of the pit while you pour or while you are filling it with soil.

Never flush unwanted pesticides into a sewage or septic tank system. Many of these materials might stop the bacterial action in a septic tank system and besides not working properly amount to get it cleaned out and in working condition.

Vanderburg, vice-president, NO. 4-6644. You may wish to contact the manager, Mr. Felix Ryals, Phone White Deer-883-2501.

The name has been changed to Cropland Adjustment Program. Here are the highlights. Contracts can be entered into with producers during period 1965 through 1969. Sign ups to start this fall. Contracts to run from 5 - 10 years. Farmer must agree to place entire base acreage of one crop in program to qualify.

Payments can be made annually, in lump sum or installments. Five percent deduction applied on all advance payments. The land must have been in the present operators possession for a minimum of three years. There is much interpretation to be made on this program. The above is just the basic part. The ASC office should begin to get information before long.

Gray County SCD News

By VAN MILLS
Conservationist

Two diversion terraces were staked for Monroe Seitz, Sr. on his farm east of Laketon. These diversions will help to protect cropland and prevent further gully erosion on ranchland. Monroe plans to seed some undesirable cropland back to grass. Seitz is carrying out a completed conservation plan on this farm.

George Dillman reported that his terraces worked real well during the recent heavy rains. George is doing a good conservation job on his farm. A farm pond was staked for George Ingram on a place he operates northeast of Pampa.

Seeding of undesirable cropland back to grass can be very profitable. At the Woodward Experiment Station on a 6 year average native rangeland, well managed produced 40 pounds of beef per acre. Cropland seeded back to native grasses produced 87 pounds of beef per acre. Seeded native grasses out produced native rangeland by 47 pounds of beef per acre. 80 percent cost-share assistance is available for establishing cropland to grass. Up to 80 percent cost-share assistance is also available for establishing desirable grasses on abandoned cropland and rangeland in poor condition.

Fertilizing is a very important part of a conservation cropping system under irrigation. 120 bushels of grain sorghum removes 100 pounds of nitrogen, 50 pounds of phosphate, and 30 pounds of potash. 3 tons of sorghum straw contains 65 pounds of nitrogen, 20 pounds of phosphate and 95 pounds of potash. 50 bushels of wheat removes 50 pounds of nitrogen, 25 pounds of phosphate and 25 pounds of potash. 3 tons of wheat straw contains 40 pounds of nitrogen, 15 pounds of phosphate and 70 pounds of potash.

Panhandle Water Conservation News

By FELIX W. RYALS

Interest in Water Conservation through recharge is slowly catching on in the Texas Panhandle Area.

Tommy Horn, a young irrigation farmer, south of White Deer, has become interested in this phase of conservation of water through recharge. During the latter part of the summer and fall he has been using an irrigation well, located approximately one-half mile south of McClellan Creek, to store lake water in the underground Ogallala formation. One of the problems in recharge, when lake water is used, is the elimination of silt and trash from the water that is pumped from the lake.

Mr. Horn ran into some minor problems in the gravel pack around the casing of the well. After a period of time the well quit taking water and also refused to yield water when the well was pumped. After having the well acidized, the well is now producing more water than before the recharge experiment.

James Valliant, recharge expert from the High Plains Research Foundation at Halfway, was a visitor to the Water Con-

servation District on Tuesday and Wednesday of this week. Water Conservation District Officials and Mr. Valliant visited the Horn recharge well on Wednesday of this week and talked over the problems of recharge with Mr. Horn. Plans were set up by the Water Conservation District with Mr. Horn to use the well as a special recharge project, with meters set up to check the amount of water put in storage through the well and the amount of production later from the well. Records of static level and draw down will also be kept. This well, because of its strategic location, should provide some interesting data on recharge for this area.

In the controlled recharge studies at the Halfway Research Center, in which a dual purpose well was used, Mr. Valliant has come up with the following recommendations.

"In order to maintain a 'dual purpose' well when injecting raw lake water, certain practices should be followed to prevent clogging of the underground formation. First, the well should be installed to the best known standards. Then there are two main

Biggest Outbreak Of Screwworms Is Reported

MISSION, Tex. (UPI)—The biggest outbreak of screwworm infestations since mid-August was reported in Texas last week.

The Southwest Screwworm Eradication Plant said mild temperatures in South and Southwest Texas and recent rains caused the increase. Fourteen new cases were found in Texas last week.

Texas now has 350 cases for the year, compared with 223 last year, but other border states have an even larger percentage of increase of the pests, which burrow into the skin of cattle and usually bring death.

Arizona has 400 infestations this year, more than double the 158 cases reported in 1964. New Mexico has had 125 cases, nine times as many as the 14 cases

factors that regulate the life and effectiveness of a recharge well. They are: (1) the suspended solids content of the water being recharged and the ability to reclaim these solids, and (2) the rate the formation will safely accept water.

last year.

The screwworm plant planned to drop sterile screwworm flies over the area soon to kill off the pests. The sterile flies are dropped by airplane over the area and then mate and die.

Since there are no offspring, the process drastically reduces the screwworm population.

Congress, in the last days of the session just ended, provided \$2.81 million to the center to maintain the border

zone, protecting screwworm-free areas of the U.S. from infestation of fertile flies migrating from Mexico.

The screwworm activity is expected to continue until colder weather arrives.

Memphis State Hands WTSU Second Straight Loss

By LOU SPRY
WTU Information Director

Billy Fletcher, the redoubtable Memphis State quarterback again sparked the Tigers to a 27-12 victory over the West Texas State Buffaloes before 19,000 fans in Memphis' New Memorial Stadium Saturday night. Fletcher accounted for all of the Tigers' 27 points. He scored himself from 4 and 3 yards out and twice passed to

Bob Shuerlag for six yards. He kicked three extra points, ran for 120 yards in 14 trips and completed eight of 22 passes for 70 yards. Fletcher moved the Tigers 71 yards in seven plays following the opening kick-off to put the homeclub into a 7-0 lead. The Buffs countered late in the first quarter when Hank Washington climaxed a 77 yard push by eluding a number of pur-

suers and going into the end zone from eight yards out. Ronnie Mankin's kick was wide and the Buffs never got closer than the 7-6 margin at the end of the first period. Fletcher took the Tigers 81 in 52 yards the second quarter to push the halftime margin to 21-6. Midway in the third period the Tigers took advantage of a

short Buffs punt and went 38 yards in four plays with Sherleg catching a six yard Fletcher aerial to make it 27-6. The Buffaloes Hank Washington had another off night completing only 10 of 26 passes for 88 yards. He was replaced midway in the fourth quarter by senior Barry Johncour, who took the Buffs 99 yards in seven plays for the game's final

touchdown. The biggest chunk in the drive was a 47 yard pass interference penalty against the Tigers. Johncour had laid the ball perfectly in Mankin's arms behind a Tiger defender who pushed Mankin in a desperate effort to stop the play. The Buffs had a first down on the Memphis State 19 at that point. Fullback Tom Moody plunged for four and Don Den-

nis skirted right end for 15, with 6:26 left. Despite his sub-par performance, Washington established a season record for pass completions with 88, breaking the standard set by Berger's Corky Dawson in 1960. End Ted Wheeler raised his season catch total to 25, surpassing the 1950 mark set by Bill Cross.

The Buffs close their 1965 home season next Saturday night against Drake University of Des Moines, Iowa. Fletcher played one of his best games of the season. West Texas coaches said the Buffs were just not able to start clicking against the Tigers. The West Texas Buffaloes now stands at five wins and two losses for the season. At one time they were the only major college

team in the nation that was unbeaten. "The Buffs started out with what looked like was going to be one of the best seasons in years," one WT coach said, "but in last week's New Mexico and Memphis game our boys were not clicking as they had been earlier this season."

Lubbock Rolls Over Pampa

Harvesters Stopped 28-0 by Air Attack

By RON CROSS
News Sports Editor

LUBBOCK — Lubbock Westerners bodically rolled over Pampa in the air and on the ground and won a 28-0 District 3-AAAA football contest here Saturday night.

Quarterbacks Rob Layne and Busty Underwood combined to connect on 10 of 14 passes for 211 yards and three touchdowns. If this wasn't good enough, the Westerners ran their conference standing to 4-2 with 204 yards on the ground. The Westerners' 155 pound tailback, Roy Farmer, did most of the damage on the ground picking 146 yards on 13 carries.

The Westerners scored once each quarter and only twice had to halt Pampa threats. The Harvester ground gain could muster only 148 yards. Quarterback Roy Harper was finally allowed to throw the ball and did 11 times hitting five for 42 yards. Three times receivers dropped the ball.

The most important pass Harper threw was on a third down and goal at the Lubbock three deep in the third period and the Westerners' Ken Gage intercepted on the goal.

Only one other time, did the Harvesters threaten. In the second period, they drove to the Lubbock 10 where Harper fumbled on the fourth down play. Lubbock's first tally came with 3:21 left in the first period when they moved 65 yards in six plays with Farmer scooting left end for the final 29 yards.

The big play in this drive was a pass from Layne to Don Burrell that covered 25 yards on a third and nine situation.

Lubbock upped their lead to 14-0 just 1:20 before halftime when Layne tossed two yards to Burrell in the end zone. Underwood ran over the conversion. The Westerners had driven 71 yards in 10 plays with Underwood hitting two passes good for 46 yards in the drive.

In the third period, after Pampa's drive had fizzled, Lubbock took over on their own 20 and drove 80 yards in seven plays with Underwood again connecting on 2 passes worth 46 yards, the last one a 32 yarder to Charles Evans for the touchdown. This came with 46 seconds left in the third period.

Underwood booted the conversion to make it 21-0. The Westerners' last tally came on a 53 yard pass - run play from Layne to Ken Gage with 3:46 left to play. Layne booted the conversion for the final point.

Pampa's Ted Heiskell saw only limited running, gaining only 15 yards in six carries. He was used as a decoy much of the game. Gary McCarrell and Joey Roden were the Harvesters' big guns, with McCarrell picking up 57 yards in 12 carries and Roden for 48 yards in nine carries.

Punts	41.0	35.1
Penalties	32	70
Passes Int.	0	1
SCORE BY QUARTERS		
Pampa	0 0 0 0 - 0	
Lubbock	6 8 7 7 - 28	
Scoring:		
L — Farmer 29 yard run (run no good).		
L — Burrell 2 yard pass from Layne (Underwood run).		
L — Evans 32 pass from Underwood (Underwood Kick).		
L — Gage 53 pass from Layne (Layne kick).		

Arkansas Has Longest Winning Streak in Nation

LITTLE ROCK, Ark. (UPI)—Hard-running Bobby Burnett and passing John Brittenum hustled Arkansas to its 19th longest current winning streak in the nation — with a 31-0 triumph over Texas A&M University Saturday night.

Halfback Burnett ran for 112 yards and two touchdowns in 24 carries. Brittenum completed nine of 20 passes for 138 yards and one touchdown.

Reserve quarterback Ronnie South was close behind Burnett and Brittenum in offensive production, with a fourth-quarter touchdown pass and seven points earned kicking a 25-yard field goal and four conversions.

The Razorbacks' 19th straight win equaled the Southwest Conference record set by A&M in 1938-40.

Burnett scored the first two touchdowns on runs of three and seven yards in the second quarter. South's extra points and field goal made it 17-0 at the half after a scoreless opening quarter.

Brittenum, who was off on his passes the first half, began hitting early in the third quarter and marched Arkansas 63 yards in nine plays capping it with a 12-yard scoring pass to halfback Jim Lindsey.

He also hit end Bobby Corckett for 28 yards and fullback Bobby Nix for nine yards on the drive. South took over in the final period and connected with Corckett with a 34-yard pass to end the scoring.

GOOD SHOW BOYS — Groom coach Ronnie Mills congratulates his Groom Tigers after their 20-12 upset of Wheeler Friday night at Groom. The Tigers win broke a 19 game Wheeler winning streak.

Nebraska Continues To Roll Toward Cotton Bowl

By BILL OSTHOFF
United Press International
COLUMBIA, Mo. (UPI)—Larry Wacholtz' 26-ard field goal with 5:56 remaining lifted unbeaten and second-ranked Nebraska to a crucial come-from-behind 16-14 big eight victory over Missouri today.

Nebraska overcame a 14-0 first period deficit in posting its seventh straight victory before a record crowd of 58,000, which included Orange and Sugar Bowl scouts.

The win gave the Cornhuskers the inside track to their third consecutive Big Eight title with a 4-0 league record. The eighth-ranked Tigers are now 3-1 in the conference and 4-2-1 overall.

Wacholtz' field goal, set up by a 15-yard personal foul penalty against Missouri which gave the Cornhuskers a first down at the Missouri 17, capped a 44-yard drive and spoiled a gallant Tiger effort.

The Tigers' Charlie Brown took the ensuing kickoff and scampered 40 yards to the Missouri 43. Missouri moved to the Nebraska 38 but ran out of downs with 2 1/2 minutes left. The Tigers got the ball back in the closing 51 seconds but Nebraska's Marv Mueller intercepted a Lloyd Carr pass at the 2-yard line on the final play of the game.

Missouri took the game's opening kickoff and drove 80 yards for a touchdown in 11 plays, with quarterback Gary Lane sweeping right end for the final 22.

Gary Lane's brilliant quarterbacking and power punning of fullback Carl Reece moved Mis-

souri into a two-touchdown lead with 4:45 left in the first period. Missouri took the game's opening kickoff and drove 80 yards for a touchdown in 11 plays, with quarterback Gary Lane sweeping right end for the final 22. Lane passes of 15 and 41 yards were key plays in the drive. It was the first time Nebraska had trailed in a game this season.

Moments later, Tiger defensive back Johnny Roland intercepted a Fred Duda pass on the Cornhusker 39. A penalty forced Missouri back to the 49, but with Lane passing 19 yards to Jim Waller at the 2, the Tigers scored in nine plays. Reece bolted over two plays later from the one.

Nebraska began to roll early in the second quarter, using long gainers by Duda and halfback Harry Wilson to launch back-to-back scoring drives of 57 and 89 yards. Fullback Pete Tatman scored both touchdowns on one-yard plunges.

Wilson's 37-yard dash to the 1-yard stripe following a 14-yard Duda pass set up the first score with 5:28 gone in the quarter. The key play in the second drive came at the Missouri 39 when the Cornhuskers faced a fourth-and-one. Duda swept left end and ran 38 yards before being knocked out of bounds by Roland.

Nebraska rolled up 318 yards on offense, 226 rushing. Missouri gained 243 yards of which 152 came on the ground. The Cornhuskers and Tigers ranked 1.2 nationally in rushing offense before the game.

Missouri 14 0 0 0 - 14

Nebraska 0 13 0 3 - 16
Scoring:
MU—Lane 22 run (Bates kick)
MU—Reece 1 run (Bates kick)
NEB—Tatman 1 run (Wacholtz kick)
NEB—Tatman 1 run (Kick failed)
NEB—FG Wacholtz 26 A—58.000.

Ole Miss Upsets Mighty LSU 23-0

JACKSON, Miss. (UPI)—Hard-running tailback Mike Dennis teamed with a rock-ribbed Louisiana defense today for a 23-0 upset over sixth-ranked Louisiana State.

Dennis scored two touchdowns while his defensive teammates thwarted every effort by LSU, the top rushing team in the Southeastern Conference. The 210-pound Rebel skirted left end from a yard out in the second period for one touchdown, then scrambled up the middle for four yards for the other early in the third period.

Senior linebacker James Nelson intercepted a Billy Ezelle pass and ran it back 26 yards for another third period touchdown and tackle James Harvey got the Rebels their first points with a 20-yard field goal early in the second period.

Louisiana State was rebuffed repeatedly by the vicious Rebel defensive play. A capacity crowd of 46,000 saw Ole Miss come up with the ball twice on pass interceptions, one by sophomore Tommy James and the other Nelson's grab which he converted into a touchdown.

Michigan State Stuns NW 49-7

By TOM PLEDGE
United Press International
EAST LANSING, Mich. (UPI)—Top-ranked Michigan State bulldozed closer to the Big Ten title and a Rose Bowl bid Sunday by crushing Northwestern, 49-7.

The Spartans, pushing for their first undefeated season in 13 years, rebounded from an early Northwestern touchdown with a dazzling display of speed and power to earn their seventh straight victory of the season before a homecoming crowd of 74,215.

The victory, coupled with Minnesota's 11-10 loss to Ohio State, left MSU the only undefeated Big Ten team, leading the conference with a 5-0 record, compared to 3-1 for Minnesota.

Sophomore fullback Bob Apisa scored three touchdowns and 20 points to tie an MSU one-game record. Junior halfback Clint Jones scored twice, and quarterback Steve Juday picked the Wildcat defense apart, passing for 126 yards and one TD.

Northwestern, obviously emotionally primed to pull the upset of the year, stung the Spartans by marching 44 yards in nine plays to score the first time they got the ball. The TD came when sophomore quarterback Dennis Bothe fumbled on a roll-out and Larry Gates recovered in the end zone.

The first time they got the ball in the third period the Frogs controlled the ball on a drive to the Baylor end of the field with Alford making his 39 yard field goal on a fourth down and five to go.

The field goal was Alford's longest of the season. Baylor suffered a number of key penalties, including a total of 45 yards on one series of downs. It was a 15-yard penalty for roughing the TCU kicker which preserved the drive that resulted in the Frog touchdown.

TCU was kicking on a fourth and 1 situation from its own 30 when Baylor's guard Dwight Hood ran into punter Donnie Gibbs. This gave TCU the ball on its own 45 and Nix began hitting on his passes.

During that series of plays he completed five of five for 36 yards, tossing the final five to end Joe Ball for the score. Baylor scored early in the first period when TCU's Kenneth Post fumbled and Donnie Laurence fell on it for Baylor on the TCU 18. Four plays later Billy Hayes went over from the four and Bob Purvis kick was good for Baylor's only score.

Altogether, Nix hit 11 of 15 pass attempts for 94 yards and one touchdown and had one intercepted. The Frogs allowed Baylor sophomore Kenny Stockdale to complete only 15 of 36 attempts for a net of 175 yards. Last week in his first full varsity game, Stockdale hit 20 out of 27 attempts to lead Baylor to a 31-0 rout of Texas A&M. But Saturday, Stockdale was way off on his passing due mainly to the stern TCU defense.

Baylor 7 0 0 0 - 7
TCU 0 7 3 0 - 10
Scoring:
Bay—Hayes 4 run (Purvis kick)
TCU—Ball 5 pass from Nix (Alford kick)
TCU — FG 39 Alford
Attendance — 32,000.

Duke Dropped By Georgia Tech 35-23

ATLANTA (UPI)—For two seasons Craig Baynham was a forlorn young man as injuries kept him tied to the Georgia Tech bench.

But the brawny junior refused to give up and Saturday he emerged from obscurity to the starring role predicted for him when he was one of the most highly sought high school halfbacks in the South.

It was homecoming for Georgia Tech and Baynham couldn't have picked a better day to live up to his potential. During the first three periods as the Yellow Jackets and their arch rivals, the Duke Blue Devils, battled tooth and nail it was Baynham's two great catches for touchdowns that kept Georgia Tech in contention and in the final period when Tech exploded to take 35-23 victory it was his touchdown catch in the closing minutes that clinched the triumph before a regional television audience and 46,981 elated fans.

Notre Dame Rallies for 29-3 Comeback Over Navy

By ED SAINSBURY
UPI Sports Writer
SOUTH BEND, Ind. (UPI)—Notre Dame exploded for 22 third quarter points, with Nick Rassas dashing for the clincher on a 66-yard touchdown run, in a come-from-behind 29-3 triumph over Navy Saturday.

The fourth-ranked Irish looked inept before Navy's charging line in the first half and it took a desperation, 55-yard pass play from Bill Zloch to Nick Eddy on the last play before intermission to pull the Irish ahead, 7-3.

Then, with nine minutes left in the third quarter, came the Notre Dame burst, climaxed when Rassas gathered in Dave Church's punt on the Irish 6 and headed straight upfield. Surprising Navy had taken a 3-0 lead on Chris Hoch's 29-yard

field goal, the first he had tried in three years, before Zloch tried a screen pass to Eddy. Eddy got the ball near the 50, spun to his left, and got a wave of blockers to escort him 55 yards to the end zone. The other Irish touchdowns came with brutal efficiency on the ground. Zloch swept over from the 1-yard line to wind up a 63-yard march which took 14

plays, and Larry Conjar dived over from the 1 for the next touchdown. Conjar's score came after Harry Long recovered a fumble by Navy's Tom Leiser on the Middle 35. It was Notre Dame's fifth win in six games this season, and the defeat left Navy a 3-3-1 record.

Colorado Stand Anderson Scores Twice As Tech Blanks Rice

By JACK WILKINSON
By United Press International
NORMAN, Okla. (UPI) — Colorado overcame its own mistakes and blanketed Oklahoma with a powerful defense Saturday to whip the Sooners, 13-0, in a Big Eight Conference football clash.

The charged-up Buffaloes intercepted three passes and recovered three fumbles to completely blunt the Sooner attack. Colorado held Oklahoma on the one-yard line as the first half ended and halted another drive

on the 13 early in the fourth quarter. Colorado used three Oklahoma errors to set up its lone touchdown. Fullback Estes Banks collected the tally on a one-yard leap over left tackle late in the first quarter, climaxing a 48-yard march in 13 plays. Frank Rogers and booted the extra point after Bank's touchdown to complete the scoring. Colorado had one touchdown called back and muffed at least two other golden opportunities because of its own miscues, which saw the Buffs penalized 90 yards in the second half alone. Colorado, which now stands 3-1-1 in the Big Eight, was penalized a total of 142 yards on 12 infractions, eight of which were for 15 yards each. Oklahoma intercepted two Colorado passes, but the Buffaloes recovered all five of their own fumbles.

End Gordon Brown provided Oklahoma's lone bright offensive spark by hauling in eight passes for 110 yards to set a school record. Colorado quarterback Bernie McCall completed nine of 20 passes for 115 yards to lead the well-balanced buff attack. Gene Caglen, Oklahoma's sophomore quarterback, also completed nine of 20 for 125 yards.

The Buffs, led by Banks and rookie halfback William Harris, gained 141 yards on the ground, while Oklahoma got 137. The loss dropped Oklahoma to 2-1 in the Big Eight conference. Oklahoma . . . 0 0 0 0-0 Colorado . . . 7 3 3 0-13

Scoring: Colo — Banks 1 run (Rogers kick). Colo—FG Rogers 34. Colo—FG Rogers 42. A:—45,000.

THIRD STRAIGHT LOSE

Once Mighty Texas Humbled by SMU

DALLAS (UPI) — Jim Hagle fled 93 yards from scrimmage and Ron Reel reeled off a 58-yard interception return in the final quarter Saturday to turn a defensive battle into a 21-14 Southern Methodist rout of once mighty Texas. The marauding Mustangs, who led throughout, to hand Texas a third straight defeat for the first time since 1956, stayed in the thick of the Southwest Conference and Cotton Bowl scrap alongside Texas Tech and behind undefeated Arkansas. SMU now is 2-1 in league play and Texas is out of it at 1-3. Until Hagle lit the fuse with his sudden burst through the middle, SMU had gone into a 10-0 halftime lead on a 28-yard Dennis Partee field goal and a 33-yard pass from Mike Livingston to John Roderick, who stole the ball from four Texas Longhorns swarming over him in the end zone. The Livingston-to-Roderick combination clicked again on a 45-yard scoring pass late in the game. Texas had come back to turn a four-yard Corky Terry punt into a 17-yard touchdown drive in the early minutes of the second half with Robert Leach plowing the final three yards, but falling short when he tried to run for the two-point conversion. Texas drove 80 yards for another touchdown in the final period, too, with sub-quarterback Gregg Loft running over from seven and then passing to Pete

By THOMAS HOUGH
United Press International
LUBBOCK (UPI) — Halfback Donny Anderson scored two touchdowns Saturday to lead Texas Tech to a 27-0 victory over Rice University and keep the Raiders alive in the Southwest Conference championship race.

Anderson rammed over from the 2 yard line just 4:57 deep in the first quarter to climax a 72-yard drive that took only 10 plays. Anderson took a swing pass from quarterback Tom Wilson and threaded his way through the Rice secondary, crossing the goal line standing up on a 43-yard scoring play. Bob Bearden converted. Tech safety David Baugh intercepted two passes deep in Raider territory to thwart the only two serious Rice bids for scores. Later in the first period, an Anderson punt backed the Owls to their own nine-yard line. Rice quarterback Mikey Holder attempted to pass out of the hole, but Tech defensive

Follett Rambles Over Darrouzett

DARROUZETT—Follett stayed very much alive in the 5-B race with a 24-0 victory over Darrouzett Friday night. The Panthers are now 2-1 in conference action and stand as the biggest threat to Groom's hopes for a championship. Darrouzett is 1-3 and 4-3 for the season. Follett is 6-1-1 for the season.

George Trenfield scored the first two Follett touchdowns, both in the second period. Trenfield scored from one yard out and Ronnie Pinkard ran the conversion for a 8-0 lead.

Trenfield then went in from 28 yards out and Pinkard again ran the conversion to make it 16-0. The final Follett score came in the fourth quarter when Pinkard scored from the four and passed to Jerald Harris for the conversion.

SCORE BY QUARTERS:
Follett 0 16 0 8-24
Darrouzett 0 0 0 0-0
Scoring:
F — Trenfield, one run (Pinkard, run).
F — Trenfield, 28 run (Pinkard, run).
F — Pinkard, 4 run (Pinkard pass to Harris).

Purdue's Bowl Hope Shattered

CHAMPAIGN, Ill. (UPI) — Bo Batchelder, a robber on the gridiron, intercepted two Bob Griese passes, pounced on two fumbles, and wrenched the ball from Griese's hands for a 55-yard gain as Illinois crushed Purdue's Rose Bowl hopes Saturday, 21-0. Batchelder, a defensive end, led a blitzing defensive rush which smothered Purdue's vaunted passing attack and handed the Illini offense all the chances they needed to win. Griese's final humiliation came in the fourth quarter. Batchelder simply lifted the ball from Griese's arms deep in Illinois territory and rumbled 55 yards to the Boilermaker 25. On the next play, Fred Custardo lobbed a pass to Don Wright in the end zone for Illinois' final score. The afternoon was not all Illinois defense. Fullback Jim Grabowski smashed an Illinois total offense record of 2,424 yards set from 1950 to 1952 by Tommy O'Connell. Grabowski also passed all Big Ten rushing records for three seasons, smashing the old mark of 2,188 yards held by Paul Giel of Minnesota for the 1951-2-3 seasons. The highest rushing total ever run up by a Big Ten player is 3,212 yards by Alan Ameche of Wisconsin, but Ameche's mark was set over a four year period.

And in the second quarter end Joe Hurley stepped in front of the intended receiver and sprinted 16 yards unmolested for a touchdown. Gill's kick failed. Fullback Kenny Baker dived over from the one-yard-line for Tech's final score in the fourth quarter at the end of a 90-yard drive. Again Bearden converted. Anderson was the game's top rusher—gaining 82 yards in 21 carries—and caught six passes for 109 yards. Wilson, who with his second completion Saturday became the 10th player in conference history to complete 100 passes

in a season, connected on 16 of 23 passes for a net gain of 215 yards and one touchdown. Rice quarterback David Ferguson supplied most of the Owls' offense on 16 carries that netted 76 yards. He was the Owls' only effective runner. Texas Tech . . . 13 7 0 7-27 Rice . . . 0 0 0 0-0

Scoring: Tech — Anderson 2 run (Gill Tech—Hurley 16 pass interception (kick failed). Tech—Anderson 43 pass from Wilson (Bearden kick). Tech—Baker 1 run (Bearden kick). A: 43,355.

Kansas Blanks Kansas State 34-0

By RAMOND D. YOCUM
United Press International
LAWRENCE, Kan. (UPI) — Kansas halfback Dick Abernethy scored two touchdowns and the Jayhawks manhandled intra-state rival Kansas State 34-0 Saturday in a Big Eight game.

had marched 66-yards in 11 plays. Guard Bill Wohlford intercepted K-State quarterback Vic Castillo's short pass and returned it 25-yards for the third KU score. Linebacker Greg Roth set up the Jayhawks' fourth touchdown by recovering a Wildcat fumble on the K-State 26. Halfback Dan Miller, who along with Abernethy scampered through a leaky Wildcat defense almost at will, drove over from the 1-yard line five plays later.

The winless Wildcats could penetrate no farther than the Kansas 31 in losing their seventh consecutive game. It was the Jayhawks' second victory in seven starts. Four of Kansas' five touchdowns were set up by Wildcat miscues.

Guard Jerry Barnett recovered a Kansas State fumble on the KSU 37 in the first quarter. Abernethy plunged over 13 plays later. Abernethy scampered 16 yards for the second Jayhawk score after Kansas

Guard Bill Wohlford intercepted K-State quarterback Vic Castillo's short pass and returned it 25-yards for the third KU score. Linebacker Greg Roth set up the Jayhawks' fourth touchdown by recovering a Wildcat fumble on the K-State 26. Florida Falls To Fired-up Auburn

AUBURN, Ala. (UPI) — Bill Cody and Alex Bowden — A Horatio Alger combination of linebacker and substitute — paced Auburn's fired-up Tigers to a wild 28-17 upset of fifth-ranked Florida Saturday.

Bowden, a quarterback who would rather coach than play, earned his credentials for a job by lofting two wobbly touchdown passes in a Cape Kennedy-type aerial show.

Cody also scored two touchdowns, one on an intercepted pass and the other by punting on a Florida fumble in the end. Florida was over-anxious. Bad timing and missed line assignments ruined two touchdown drives at the beginning of the game. And when the up-and-down Tigers showed they were up, the Gatoks became anguished.

Twenty-six years ago Florida helped dedicate the Auburn Stadium with a 7-7 tie. The Gators have suffered defeats at Auburn ever since.

Bowden, a six-three, 220-pounder from Brundidge, Ala., came on late in the second period to toss 28 yards to end Scotty Long and 69 yards to end Freddie Hyatt.

Steve Spurrier, Florida's triple-threat junior, had a magnificent game, but the Tigers kept coming back. Spurrier rattled the middle of Auburn's secondary with scoring tosses of 22 yards to tailback Jack Harper and 11 yards to end Charles Casey.

WRONG ARMY
MINNEAPOLIS (NEA) — University of Minnesota football coach Murray Warmath tells this one about himself:

I had gone from Tennessee line coach to Army line coach to head coach at Mississippi State. "You know I get pretty excited in a ball game. In any last year at Mississippi State we opened the season against Tennessee. I was yelling, 'Come on, Army.' One of my players asked me what I said and I said, 'I mean, come on, Confederate Army.'"

Fired Up Groom Snaps Wheeler Streak, 20-12

By RON CROSS
News Sports Editor
GROOM (Spl) — An overflow crowd watched Groom run roughshod over Wheeler's mighty defense Friday night and break the Mustang's 19-game winning streak with a hair-raising, 20-12, 5-B conference victory.

In a game filled with pass interceptions, fumbles and penalties the Tigers Larry Lamberson and Jerry Littlefield outdueled Wheeler's Bobby Vanpool and Tom Smith in a game expected to be a defensive battle.

But this was not so as Wheeler's season mark went to 7-1 and their league record to 3-1 while Groom rolled merrily along at 7-0-1 and 3-0 in league play.

Groom rolled up the fantastic total yardage of 402 while the Mustangs gained 346 through the air and on the ground.

The Tigers ground game was good for 178 yards and quarterback Terry Cornett passed for 214 more on six of 12 passes.

"But it was the combination of Lamberson, Littlefield and penalties that spelled doom for Wheeler.

Wheeler ground out 204 yards running picked up 142 more through the air on seven of 17 aerials.

Lamberson chugged the ball 21 times for 87 yards and two touchdowns while Littlefield carried only five times for 64 yards, one a 46-yard gallop that saw him pulled down just shy of the goal line.

Area scoring leader Bobby Vanpool gained 83 yards on 19 carries and was bottled up pretty well for the night.

Smith, third in area scoring picked up 114 yards on 22 carries and scored both Wheeler touchdowns.

An exchange of fumbles saw Groom draw first scoring blood in the opening period. The Tigers had fumbled the ball away after driving to the Wheeler 32-yard line.

But the Mustangs couldn't hold the ball and gave it back to the Tigers on the following play on the Groom 32.

It took the Tigers eight plays to score, moving the full 32 yards on the ground with Lamberson carrying six times for 22 yards and going in from the one.

The attempted pass for the conversion failed but Groom led 6-0 with 3:13 left in the first quarter.

Wheeler scored in the second period after recovering a Groom fumble on their own 16. It took 11 plays for the Mustangs to score.

The big play was a 55-yard pass from quarterback Mike Goad to Smith who was stopped on the Groom three yard line.

Smith carried in on the next play. An attempted pass for the conversion failed and the half ended at 6-6.

Wheeler took the opening kickoff of the second half and looked like they were on the way to a touchdown, driving from their own 18 to the Groom 21.

Three plays later a fourth down pass went incomplete at the 14 and Groom took over.

Lamberson gained five, nine and one, then Cornett tossed to end Kerry Jones who gathered the ball in on the 34, scooted down the sidelines, but back across field and went in for the touchdown on a pass play that covered 76 yards.

Lamberson ran in the conversion and the Tigers led 14-6 with 5:26 left in the third period.

But the Mustangs came fighting back and moved 70 yards in 10 plays, taking two five yard penalties themselves and Groom getting a costly 15 yarder.

Smith went over the right side for the final 27 yards. Again an attempted pass for the conversion failed and the Mustangs found their winning streak in jeopardy, trailing 14-12 with 2:10 left in the third period.

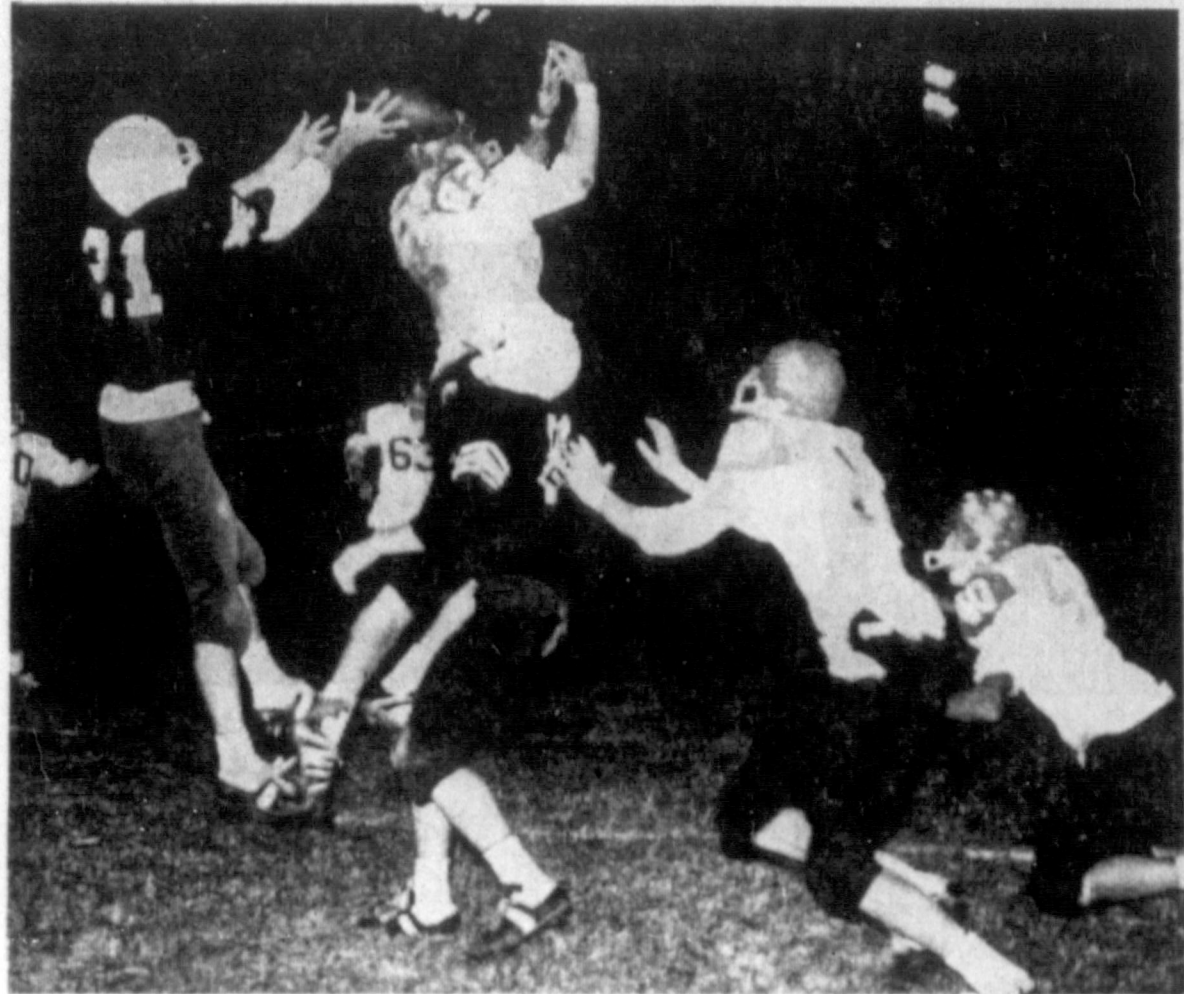

Groom tacked on the winning

margin only two plays into the final period.

The Tigers had taken the following kickoff on their own 32 and marched the distance in eight plays with Lamberson bulling his way in for the final nine yards with 1:19 left in the game.

Cornett's attempted pass for the conversion failed but the Tigers were home free at 20-12.

Wheeler threatened twice more driving to the Tiger 44 before losing the ball on downs and going to the 12 with 1:56 left before a fourth down pass went incomplete to end it for the Mustangs.

TOUCHDOWN — Wheeler's Tom Smith (21) gathers in a pass from quarterback Mike Goad in the end zone for the Mustangs first touchdown in a 20-12 loss to Groom Friday night. Groom's Frankie Rogers (82) tried to break up the pass but failed. (Another picture page 10.)

McLean Roars By Clarendon, 28-22

MCLEAN — The McLean Tigers broke a three game losing streak with two fourth quarter touchdowns and a 28-22 victory over Clarendon.

This was a 2-A conference affair and the Tigers are now 1-2 in league action and Clarendon is 1-1. McLean is 3-5 for the season and Clarendon 4-5.

McLean trailed by six points with just over two minutes to play but recovered a Clarendon fumble on their own 36.

Quarterback Joel McCarty connected on two long passes and then skirted left end for the final two yards.

An attempted pass failed and the score was knotted at 22-22 with just over a minute to play.

Clarendon couldn't gain on three downs and tried to keep the ball by running on fourth down.

McLean held and drove 27 yards to score and win the game.

Both teams scored in the first period but Clarendon went to the dressing room at halftime leading, 16-8. McLean cut that to 16-14 in the third period.

Booker Edges Lefors, 16-6

BOOKER — Lefors fumbled away the ball game Friday night and Booker made off with a 16-6 district 5-B conference game.

The win evened Booker's conference record at 2-2 and they now stand 5-3-1 for the season. Lefors is 1-2 in league play and 1-6 for the season. The Pirates won their first game of the year last week.

Lefors drew first blood with

scoring ace Tony Pittman going in from six yards out. The run try for the conversion failed and Lefors led 6-0 with 6:10 left in the half.

Booker wasn't to be denied though and came right back to score on the following kickoff with Butch Henson running his first of two touchdowns.

Henson went over from one yard out and Jay Trospen ran over the conversion to make it 8-6.

Neither team moved the ball in the third quarter and Booker added the clincher in the fourth period.

Henson scored again, this time from 29 yards out and then passed to Trospen for the conversion.

SCORE BY QUARTERS:

Wheeler	0	6	6	0-12
Groom	6	0	6	6-20

Scoring:

G-Lamberson, 1 run (pass failed)	14
W-Smith, three run (pass failed)	178

Memphis Hands Canadian Wildcats Eighth Loss in Row

CANADIAN — Memphis handed Canadian their eighth straight loss, 22-0 Friday night in a 2-A league contest.

The Wildcats fought to a 0-0 first quarter draw only to see Memphis soar back for 16 second period points and a 16-0 halftime lead.

Memphis is 2-1 in league plays and Canadian stands 0-3. Memphis is 6-2 for the season and the Wildcats stand 0-8.

Quarterback Tony Pounds set up the first score with a 16-

yard pass to end Dewaine Jones and halfback Gilbert Devere followed by running over the conversion.

Minutes later Pounds scored from the one and then ran over the conversion for a 16-0 lead.

Pounds ended the scoring by going in from six yards out in the fourth quarter.

M — Pounds, 1 run (Langford, run).

M — Pounds, six run (Pounds run).

BIG SCORER
BALTIMORE (UPI) — Baltimore Colt fullback Lenny Moore was the National Football League's leading scorer in 1964 with 20 touchdowns for 120 points.

Sports In Brief

SAN FRANCISCO (UPI) — The San Francisco Warriors will play a "formal" basketball game here Nov. 6 with the Detroit Pistons.

The Warriors have invited 100 special guests to attend the game in formal attire as a publicity stunt designed to maintain the classic tradition of San Francisco. All reporters covering the contest will be required to wear black ties, also.

BARCELONA, Spain (UPI) — India's Davis Cup tennis team is scheduled to arrive here Saturday for the inter-zone final against Spain, Nov. 5-7.

School spirit is a wonderful thing and through several losing football seasons the Pampa Student Body's spirit has never faltered and if anything, gets better every week.

The following story by Sandy Hunt of the Little Harvester staff tells just what the student body does to get ready for a ball game:

What makes a team a team? No one really knows, but one thing is certain. The boosting of school spirit has a major role to play if the team is to be a winning group. Pampa High School's students and teachers have provided many devices and ways in which to boost school spirit. For instance, at the first of the year a victory tree made of crepe paper was placed in Athletic Director Weidon Trice's office. Forming a "V", for Victory, the branches support a paper football for each scheduled game of the season. After each game the score is written on one of the footballs. In addition to this office being decorated for school spirit, the Student Council office walls have been painted sparkling gold with green trim to emphasize the Spirit of Green and Gold.

Several events for different games have added to the spirit of PHS. During the week of the Harvester-Palo Duro game, a guessing box was placed in the main hall in which students were to guess the score of the game. Winning tickets to all Harvester home games were Scott Rader and Buddy Newton, both guessing the correct score of 20-13 in favor of the Harvesters. Celebrating the Harvester victory over the Dons, Doug Altom, David Cain, David Frasier, Gary Crossland, David Harmon, Lynn Heller, Teddy Phillips, and George Snid pounded on two drums until the wee hours of 4 a.m.

Every day of a game, the cheerleaders sell green and gold tags for 10 cents. For the Harvester-Westerner game, cheerleaders sold voo-doo sticks made of green and gold crepe paper on the end of a strip of cardboard. Victory balloons were spirit gimmicks for the Harvester-Monterey game. After each touchdown, the helium-filled balloons were released.

Every week homerooms decorate their doors by hanging up drawings and posters to boost school spirit. Every Tuesday night the cheerleaders sponsor a poster party at the school to make posters to decorate the halls to support the team.

Competition arising among the classes at PHS is contributing to the spirit of Harvester fans. Each class challenged the others in getting the most from its class to ride the chartered bus to the game in Lubbock yesterday. Celebrating Halloween, Student Council sponsored Spook Day Friday to encourage students to participate in school activities. The prize for being the best dressed goblin was a round-trip bus ticket to the Lubbock game.

White Deer Rockets Wellington, 40-0

By BOB BYBEE
News Sports Writer

WHITE DEER (Spl) — Wellington's much talked about defense fell flat on its face here Friday night as White Deer chalked up victory No. 8 in a row in a 40-0 rout of the Sky-rockets.

Wellington had given up but one touchdown for the season before meeting the Bucks in this 2-A showdown battle, but the Bucks Randy Elliott and Vernon Marlar and Rondal Alexander proved too much for the Rockets.

Elliott, the second leading scorer in the area, carried in three touchdowns and Marlar countered once.

Alexander kept the Rockets so mixed up with his signal

calling he passed for one touchdown and scored once himself. Conversion Mooney, the Bucks extra point kicker booted home four to run his season total to 30.

White Deer is now 8-0 for the season and 3-0 in league play while Wellington is 6-1-1 and 2-1 in the conference.

Wellington came into the game with a .9 defensive average but it didn't take the Bucks long to take care of that.

White Deer took over on their own 49 midway through the first period and scored in five plays with Marlar carrying in from 10 yards out. Mooney booted the conversion for a 7-0 lead. This is the way the first period ended.

The Bucks ran their lead to

20-0 at halftime with two second period markers.

Elliott ran his first touchdown of the night capping another Buck drive that started on the 50, by going in for the final 15 yards. Mooney converted to make it 14-0.

The Bucks scored again just before halftime and it took just one play, thanks again to Elliott.

The speedy back returned a Wellington punt to the Rockets 20 yard line from his own 45. Alexander passed to end Monty Hawpe on the first play for the score. Mooney missed the point after but the Bucks led 20-0 at the midway point.

The Bucks took the second half kickoff and promptly marched 22 yards to score at-

ter Elliott had run the kickoff back 77 yards.

Alexander went in from the four. The quarterback then passed to Phillip Hart for the two-pointer to run the count to

The Bucks scored minutes later after recovering a Wellington fumble on the 34 yard line. Elliott went in from 13 yards out and Mooney booted the conversion to make it 35-0.

White Deer's last tally came when Elliott returned a Wellington punt 35 yards. Mooney kicked and it was all over at 42-0.

Red China Still Opposes Making Up with Russia

LONDON (UPI)—Red China Saturday firmly reiterated its opposition to Russia's peaceful co-existence policy in a move viewed as the death blow to any possible Sino-Soviet reconciliation in the foreseeable future.

The restatement of Peking's hard-line policy came in the broadcast of the text of a statement by the Albanian Communist Party, Red China's acknowledged mouth piece.

"No illusions should be cherished about the new Soviet leaders and the struggle against Khrushchev's revisionism must be carried through to the very end," it said.

The broadcast significantly coincided with unconfirmed reports that Russia was seeking to rally the bulk of Communist Party representatives in Moscow for Nov. 7 commemorations of the anniversary of the Russian revolution. Moscow hopes to line up a broad front of support for its stand in the Sino-Soviet feud.

An Albanian attack of Moscow—ostensibly masterminded by Red China—had appeared

in a shortened version in a Chinese publication in Peking a week ago.

The broadcast of the full text of the two-week-old Albanian attack was considered in diplomatic circles as proof that Red China means business and is determined to block any possible truce of the kind Kremlin leaders have been advocating recently.

The broadcast said "the new Soviet leaders are more cunning, demonic and dangerous than Khrushchev and have gone further down Khrushchev's path."

"They have continued to make redoubled efforts to revise further the fundamental teachings of Marxist-Leninism and snuff out its revolutionary spirit."

Sorority to Stage Hootenanny Friday
CANADIAN (Spl) — The ESA Sorority of Canadian will sponsor an II - act Hootenanny in the Canadian High School Auditorium starting at 8 p.m. Friday.

Performers on the program will comprise talent from Booker, Canadian, Lipscomb, Miami, Mobeetie, Pampa, Perryton and Reydon, Okla.

There have been increased indications recently Red China was readying a new attack on Moscow. Russia earlier this month called for an end of polemics to help ease the tension in the Communist camp and restore lost unity.

Peking bluntly rejected this as a Soviet-trick and made clear it considers polemics an important factor in the campaign to "unmask" what it termed the Kremlin's sinister designs — including alleged connivance with the U.S. and the Pope.

The latest signs from Peking were said here to mean Red China has set the stage for a new and even tougher campaign against the Soviets. Moscow apparently brought Red China to new heights of anger earlier this week by stating it still considers itself the leader of the Communist camp.

The more than 2,000 prelates will receive amended texts of documents on missionary work and on priestly life the same day and will vote on them in succeeding meetings.

Pope Paul VI will join the council fathers at a mass for cardinals and bishops who died during the year on Nov. 10.

Pope Paul is expected to promulgate the final documents and to close the council on Dec. 8, the feast day of the Immaculate Conception of Mary.

Five documents previously approved by the council, including one clearing the Jews of collective responsibility for the crucifixion, were promulgated by the Pope on Thursday.

There's Something About a Newspaper Route—

That Makes a Carrier-Boy Stand Out!

• SUREST sign that an enterprising teen-ager is off to a flying start on a business career, is to see him serving his newspaper route quickly and dependably day after day.

For, by so doing, he is turning spare hours into welcome dollars, gaining practical sales and service experience, saving money regularly, and enjoying teamwork and good times with other live-wire lads. Besides, he's developing sound habits and qualities of character that mean faster advancement in any life work.

Further proof that he is on the way to above-average success is the fact that his newspaper route is the same "first business venture" that started so many leaders on the road to fame and fortune—men who still rate it as one of the most helpful and stimulating experiences of their lives!

See If There's a Route Open for YOUR SON! Call Our Circulation Department for Details.

Area Boy Scouts Enjoy Fall Camporee

The Tampa Daily News

Sunday, October 31, 1965

174 Boys Practice Basic Outdoor Skills

Boy Scouts from Gray, Carson and Roberts counties practiced "living in the rough" as 174 boys attended the three-day Fall Camporee held recently at the Billy Davis Ranch near Lefors.

The scouts began arriving on a Friday afternoon after school. The first item on the agenda called for the setting up of tents, camp stoves and living facilities to be used for the next three days.

Following the establishment of all camp sites Friday evening the 174 scouts divided into their respective patrols and each presented a skit portraying scouting life for the first night's entertainment.

The first full day of activities began early Saturday morning. The scouts participated in all types of scouting activities and skills through the afternoon.

The highlight of the three-day encampment came Saturday night at the presentation campfire.

Some 100 parents of the scouts accepted the invitation of scout leaders and attended the campfire.

John Curry was master of ceremonies for the program. Ribbons were awarded to the patrols competing in scout skills. The highest rating went to the Screaming Eagles Patrol of Troop 16.

Troop 109 received a special award for an outstanding campsite.

Each troop performed a short skit at the campfire and the day came to an end.

Early Sunday morning the scouts attended a sunrise church service by Rev. C. R. Bridges, pastor of Highland Baptist Church.

Following the church services the scouts departed for home looking forward to next year's camporee scheduled in the Spring of 1966.

TOP LEFT — Scouts did not escape some of the drudgery of camping either as the time for dishwashing also comes around. Tom Dunn, scoutmaster, and Jerry Drister, Boy Scout, are shown cleaning dishes after the Saturday breakfast.

CENTER LEFT — Music was not lacking as a bugle and drum duet by David Irwin and Bill Nichols accounted for the musical portions of the Saturday night campfire. Bill did not bring along his drums so he hand fashioned some from two tin cans.

BOTTOM LEFT — These eight scouts are shown performing their skit at the Saturday night campfire for the boys and their parents. Shown left to right are Brent Smith, Eddie Adamson, Mike Price, Richard Lewis, Larry Knutson, Alfred Parker, John Lewis, and Jimmy Hamilton, all of Troop 21.

TOP RIGHT — Jay Leith, scout executive, is shown setting up a portable stove. Leith was in charge of the overall camporee.

SECOND DOWN ON RIGHT — Scouts of Eagle Troop 109 are shown closely studying a sand-drawn map. The boys may not be looking for a sunken treasure, but they're probably just as excited as if they were.

SECOND FROM BOTTOM RIGHT — Some 174 scouts and approximately 100 of their parents are shown gathered around the awards campfire held Saturday night. The campfire was the highlight of the three-day encampment.

BOTTOM RIGHT — These scouts are anxiously awaiting the presentation of ribbons for competition in scouting skills. Jim Curry, foreground, is shown beginning the presentation of first place ribbons.

Sunday Passing Show

By PEGGY JO ORMSON

IF EVERY PAMPAN could have seen 15-year-old Larry Wyche lying in the street Monday morning waiting to be put into an ambulance after being struck by a car, they would become more aware of the hazards encountered when driving through a school zone. Young Wyche was on his way to classes at Robert E. Lee Junior High School on his motor scooter when the accident happened. On the same morning this columnist was delivering children to Robert E. Lee along with many other parents, when a male driver, detained by temporarily parked cars letting children out on each side of the street, pressed down on the accelerator of his car and passed, at a rate of speed higher than the maximum 15 m.p.h., in the school zone. Why are drivers in so much of a hurry they can't take time to be cautious in school zones? The police department staff is not large enough to patrol all school zones in town. When children are arriving or leaving school it is largely up to adult citizens to protect them. One cannot drive through the well-marked school zones on any of Pampa's busy streets, at the minimum speed limit without being passed by at least one motorist who is either too preoccupied to notice the zone signs or is in too big a hurry to heed them. One thing that must be remembered by drivers passing through school zones is that they should heed every caution and also allow for possible carelessness of children, which is as old as time. Although today's children are growing up in the space age and encounter a world of rush, rush every day, they still are preoccupied with thoughts of a child's world and it is up to adults to make allowances and take all the precaution necessary to avoid accidentally injuring a child.

THE EVENINGS made possible by the Community Concert Association are among the dress occasions of the fall and winter season. Board members, who host each performance, set the pace in their informal evening attire. Seen at the Arthur Fiedler concert were Mrs. Gene (Erma Lee) Barber in a cranberry red dress, Mrs. Bob (Alma) McCoy wore a royal blue knit suit with jet black beads which are definitely on the fashion scene this season, and speaking of beading, Mrs. Chester (Marguerite) Thompson wore a gray wool dress with crystal bead trim topped by a hand-knit blue coat. Mrs. Rue (Hesta) Hestand looked stunning in a deep blue-green dress and fur stole. A black dress, fur stole and small black evening hat were perfect compliments to Mrs. John (Louise) McCrery's silver hair; Mrs. Gene (Nancy) Imel chose a soft pink two-piece dress with long gloves; Mrs. Bob (Alleith) Curry and Mrs. McHenry (Alta) Lane were seen in winter white suits; Mrs. Dallas (Orvale) DeWeese wore a champagne brocade frock topped by a fur stole; Mrs. E. E. (Maxine) Ethridge chose the ever popular knit suit in gold with white accents and completed the costume with gold accessories; Mrs. Ralph (Joella) Randal of Panhandle attended in a brocade cocktail suit with mink collar and Mrs. Don (Betty) Cain looked attractive in a predominantly lemon yellow suit. Mrs. Clinton (Fanny Fern) Henry and Mrs. Clyde (Laura) Fatheree always make a twosome for the concerts. The rapt attention of the children in the audience showed a definite appreciation of good music by Pampa's younger set. While mentioning fashionable attires, Mrs. C. D. (Pat) Brazier was seen in church in a stunning black knit two-piece suit and large black velvet hat with multicolored high crown. L. L. and Betty Garren are walking on cloud nine these days. A granddaughter, Sherri Leigh, arrived recently and is the first girl in the Garren family for some 40 years. Grandfather Garren even cut a hunting trip short to get back and say his welcome to the new arrival, who is the daughter of Nancy and Duke Garren. The L. L. Hogermans at 2116 N. Zimmers have added interest to their home with the unusual addition of hitching posts flanking either side of the drive, adorned with black horse heads, a large yoke above the garage doors holding the lights and an old black stove standing in the corner of the porch. Noticed that the Ed Williams also have an unusual front porch light.

MISS DONNA SIMS, R. N., B.S., of Oklahoma City, Red Cross Nursing Service representative for this area, was scheduled to conduct classes in Pampa in the months of August, September and October but was unable to fill the assignment due to serving on a voluntary basis in disaster areas. Miss Sims, who has been in Pampa many times teaching Red Cross instructors, first did voluntary disaster nursing at Hale Center following that community's tornado. She is now in New Orleans, La., where she went immediately after Hurricane Betsy struck. Mrs. Forrest (Majuanta) Hills, friend of Miss Sims, received a letter in which this intelligent, well-trained nurse who gives freely of her time and talent helping those in need, told of the disaster in Louisiana and the work being done there. Miss Sims stated that some 700 voluntary nurses worked almost around the clock with no days off the first three weeks after Betsy struck. They are now in the rehabilitation phase and work a nine-hour day with no time off for lunch but do have Saturday afternoons off. In the five parish area most seriously hit by Betsy, 18,000 sick or injured persons had to be cared for while in Orleans Parish, where Miss Sims is serving, there were 10,500 sick or injured. The major illness in the area was respiratory ailments due to many people standing neck-deep in water for eight to ten hours before being rescued. These same illnesses also were encountered by those walking through water to rescue the stranded. The centerpiece arranged by Mrs. Melvin (Louise) Stephens for the El Progresso Club Guest Day Tea was truly a work of art. It exemplified the American Eagle in a red, white and blue arrangement, carrying out the "Americanism" theme for the day. Students of Pampa High School Drama I Class, instructed by David Heath, presented a clever "Americanism" program ranging from folk songs, prose reading and "Gone With the Wind" excerpts to choral readings. Students appearing were Shari Anderson, Betsy Goodwin, Kathy Ball, Cheri Akst, Lyssa Bossay, Pamela Johnson, Sally Prince, Jenny Reynolds, Susie Root, Fred Barber, Larry Franklin, Mike Thut and Jerry Woodward. Persons interested in ESP still are contacting this columnist and several names have been added to the list. When a qualified speaker can be obtained, the group will meet to exchange experiences with ESP. The wonderful Autumn days have made the chrysanthemums around town especially beautiful and the bright orange berries dressing the pyracantha shouldn't be overlooked.

Mrs. Larry Weeks Honored at Shower

Mrs. Larry Weeks, the former Miss Mickie Mabry, was honored at a coffee recently in the home of Mrs. Richard Bray. Mrs. Vardeman Smith was co-hostess.

Pink and white roses and chrysanthemums were used throughout the house. Mrs. William Kelly presided at the coffee service. Miss Deborah Gray and Miss Kandy Kelly registered the guests.

Participating in the event were Mrs. James B. Mabry, mother of the honoree, Mrs. Weeks, mother of the bridegroom and Mrs. Ben Hildenbrand, bridegroom's grandmother, and Mmes. W. E. Abernathy, D. A. Caldwell, Clyde Edmonson, Harvey Downs, Lee Moore, Lonnie Howard, Harold Wright, Carl Boston, Norman Briden, Carl Hoskins, Bill Nichols, Charles Lanehart, W. T. Wilborn, Dick Walker, Luther Pierson, Lela Phelps, Sam Ainsman, Beulah Havens, K. Sherrod, H. J. Fry, Jess Bussard and Earl Blackmore.

Lee Students Give Program to P-TA

Robert E. Lee's Junior High School's October P-TA meeting was held Thursday at 2 p.m. with Mrs. M. McDaniel, president, presiding.

Chris Hart, ninth grade student, gave the opening meditation.

During the business meeting Mrs. Leon Daugherty reported a treasurer's balance of \$325.48. Lee P-TA now has 491 members. Mrs. W. T. Fain was elected as delegate to the State P-TA Convention to be held Nov. 17-19 in Corpus Christi. Jack W. Nichols, Mrs. Archie Maness and Mrs. S. T. Friend were elected to serve on the nominating committee to select nominees for the 1966-67 officers.

Mrs. James Tipton stated that between six and seven hundred parents attended Back to School Night on Sept. 28 and a profit of \$101 was made from the sale of refreshments. Mrs. Thelma Bray announced that the P-TA study course now in progress would be held Nov. 11 from 9:30 to 11:30 a.m. at Lee Cafeteria. The subject for that day will be "Let's Expose Our Children to the Theater Arts." Next regular meeting of Lee P-TA will be Fathers' Night on Feb. 17.

Miss Mary Bearden introduced the program, "Words, Words, Words", presented by Mrs. Martin Stubbs' first period speech class and Mrs. Roy Sullivan's first period music class. Leader for the choral reading was Joe Daniel III and piano accompaniment was furnished by Miss Raynetta Covalt and Danny Jones.

Mrs. Barber Is Forum Speaker

Twentieth Century Forum was entertained recently in the home of Mrs. F. J. Vendrell. Mrs. John Sweeney opened the meeting by asking Mrs. R. W. Harmon to present the "Clubwoman's Litany." Club business was discussed and plans for the annual Guest Day were announced.

Mrs. Holt Barber presented a most interesting program on "Treasures of King Tutankhamun's Tomb," giving a brief biography of the young king and discussing the political crises present during his rule.

"Believing in life after death, the rulers of ancient Egypt created for themselves hidden tombs with stores of fabulous riches. But the crypts rimming the Nile Valley failed to keep their secrets. Throughout millineums grave robbers plundered the eternal homes of the Pharaohs," the speaker stated. Pictures of many of the priceless discoveries were shown.

Mrs. Barber concluded by stating, "Who was Tutankhamun? The most we will ever really know is that he wanted to live forever. Perhaps in the re-birth of his name he has succeeded."

Queens Are Named By Pound Pirates

The Pampa Pound Pirates TOPS held regular meetings recently.

Weight recorder, Mrs. Ronald McDaniel, reported 17½ pounds lost and two gained at the Oct. 11 meeting and 15½ pounds lost and eight pounds gained at the Oct. 18 meeting. Recent weekly queens were Mmes. John Malloy, Alvin Sharp, Katherine Elms and Bonnie Walker.

An "inches" contest was agreed on by members. The member losing the most inches by the end of six weeks is winner.

58TH
YEAR

SYMPOSIUM GUEST—Mrs. C. E. Kirby of Perryton, left, is registering at the Ladies Division of the Society of Petroleum Engineers' Waterflood Symposium held Friday in Coronado Inn. Mrs. Kirby's husband is a district engineer for Halliburton. Seated at the register table is Miss Sallie Henderson, stenographer for Continental Oil Co. and a member of the local Desk and Derrick Club. A full day of activities was enjoyed by out-of-town guests attending, arranged by the Petroleum Engineers Wives Society of AIME, including a get-acquainted coffee, bridge, luncheon and style show.

Rho Eta Chapter To Sponsor Girl From Girls Town

Mrs. Jerry Davis, president of the Rho Eta Chapter of Beta Sigma Phi, presided over the business meeting Tuesday evening held in Citizens Bank Hospitality Room. Reports were given by Mrs. Al Stroker, City Council representative and Mrs. Doyle Beckham, membership chairman.

Rushes will be entertained with a salad supper Tuesday evening at the home of Mrs. Rae Greer. The model meeting will be held November 9.

Members voted to sponsor a young girl from Girls Town, at Whiteface.

Program introduction was made by "Password" mistress of ceremonies, Mrs. Teresa Luden (Self). The chapter was fortunate to have as guest the most talented personalities of motion picture and TV. The most gorgeous and sought after personality, Glenda Gabor (Anderson), and to add to the excitement and glamour of the evening, the sophisticated and beautiful June Dillar (Manley). Members were given the pleasure of playing "Password" with these two beautiful stars.

Hostesses were Mmes. Jerry Davis and C. L. Farmer. The table, covered with an orange cloth, was centered by a large (See RHO ETA, Page 18)

New Deadline Set for Engagement, Wedding and Anniversary Articles

Deadlines for submitting wedding information, engagement announcements and silver and golden wedding announcements to the Pampa Daily News, and accompanying pictures, have been changed to an earlier time. These deadlines become effective Nov. 8 for publication in the Nov. 14, Sunday edition.

Information blanks may be obtained for the above named articles at the society desk at the News office.

Blanks applying to weddings to be published should be filled in and returned to the woman's editor at least one week PRIOR to the wedding date. New deadline for the Sunday paper is noon on the preceding Monday. If pictures and completed wedding blanks are submitted by Monday noon, every effort will be made to publish the story on the following Sunday. Pictures of the BRIDE ALONE will be used. Pictures of the bride and bridegroom will no longer be used. They must be black and white, with a plain background and of good reproductive quality. Fuzzy pictures and snapshots will not engrave. It is best to submit a 5x7 or 8x10 print made by a professional photographer. Pictures are not returned by mail but may be picked up after they are published at the News office.

The above requirements apply to silver and golden wedding anniversary announcements, except that both honorees should appear in the picture and picture size should be 5x7.

Engagement announcements with pictures should be submitted at least six weeks prior to the wedding date. Announcements without pictures must be submitted at least four weeks prior to the wedding date. Photographs should be studio portraits, 2x3 black and white glossy prints with plain background. Monday noon is the deadline for the following Sunday's paper.

Varietas Study Club Members Hear Program on Texas at Regular Meeting

Varietas Study Club met in the home of Mrs. Ellis Cheney on Tuesday afternoon, with Mrs. J. E. Kirchman, president, presiding.

Following the business meeting, the program was introduced by Mrs. H. Price Doster. The first speaker was Mrs. Lee Harrah, filling in for Mrs. Fred Cary and presenting a paper entitled, "The Many Constitutions of Texas." Mrs. Harrah gave a short history of the state, discussing the Texas constitutions under Spanish rule, as a Republic, as a state of the Union, as a Confederate State, and finally as one of the United States again.

Mrs. Cecil Dalton then spoke on "The Big Wheels of Texas," presenting a part of the book, "The Super-Americans." Mrs. Dalton gave biographies of President Lyndon Johnson and Governor John Connally, followed by sketches of other Texas celebrities. Discussed were Texas as business men, ranchers, writers, fashions, religious leaders, philanthropists, and other leaders, interspersing her personality sketches with humorous quotes and comments.

The last speaker was Mrs. R. W. Lane, substituting for Mrs. C. L. McKinney and speaking on the topic, "Texas Laws for Women." Mrs. McKinney gave highlights of the new state laws governing the separate property of married women in Texas, dwelling on the amendments passed in 1963 and 1965.

One guest, Mrs. D. D. Dennison of Sweetwater, was welcomed.

Members present were Meses. W. E. Abernathy, Ellis Cheney, Cecil Dalton, H. Price Doster, S. C. Evans, Lee Harrah, John Kelly, J. E. Kirchman, Luther Kirk, R. W. Lane, Otis Nace, Luther Pierson, W. A. Wagoner, Sherman White and Joe Z. Weaver.

Empty baby food jars make good containers for homemade jelly. Sterilize and then dry the jars, fill with hot jelly, and put on the lids. If the lids are hot and dry, the jars will seal even without using paraffin.

One easy way to rewhiten yellowed clothes: add a pinch of cream of tartar to the wash load.

El Progreso Club Entertains Guests

(Smith's Studio)

EL PROGRESO TEA—Pictured at El Progreso Club's Guest Day Tea, held Tuesday in Pampa Country Club, are left to right, Mrs. Bob McCoy and Mrs. D. V. Burton, who presided at the tea table; Mrs. Verl Hagaman, club president, and Meses. Charles Lanehart, V. J. Drew and Kermit Lawson, hospitality committee members.

El Progreso Club held its annual Guest Day Tea Tuesday at Pampa Country Club. A colorful red, white and blue patriotic theme was used in table appointments and room decorations.

Mrs. Kermit Lawson presented background organ selections as the guests were greeted by members of the social committee, Meses. Charles Lanehart, V. J. Drew, Mack Hiatt and Glen Radcliff. The president, Mrs. Verl Hagaman, presided at the guest register.

Mrs. Bob McCoy and Mrs. D. V. Burton presided at the tea table and each member introduced her guests as the roll was called.

Mrs. Lawson introduced David Heath, Pampa High School dramatics teacher, who presented several of the drama department students in an "Americanism" program. Appearing were Shari Anderson, Betsy Goodwyn, Kathy Ball, Cherie Akst, Pamela Johnson, Sally Prince, Jenny Reynolds, Suzi Root, Fred Barber, Mike Thut, Larry Franklin and Jerry Woodward.

Guests who attended were Mrs. W. R. Chafin of Cleburne and Meses. D. A. Caldwell, T. J. Wright, H. L. Williams, P. W. Harvey, J. W. Duke, Weldon Knight, Betty Brewer, C. S. Boston, Henry Butler, Jack Merchant, Bob Allford, Coyle Ford, Stella Bastin, A. A. Sturgeon, James C. Scott, M. G. Herring, Carolyn Kessel, John

Harnly, Earl Champion, Cloud Drew, George Taylor, Leon L. Patterson, Chester Thompson, Jim Cunningham, Robert Echols, Art Holland and W. C. Mitchell. Other members present were Meses. Elmer Fisher, John Gill, Ben Hamilton, Carlton Nance, Tom Perkins, Bruce Riehart, George Walstad and R. I. Bray.

Astrological Forecast

By CARROLL RIGHTER

FOR SUNDAY, OCT. 31
GENERAL TENDENCIES: A smile and a cheerful attitude can help take away from some of the depression that could otherwise exist for you. You are likely to have some faded resentments directed towards one who just doesn't understand you and seems to be going out of his or her way to annoy you. A time to really live the Golden Rule.

ARIES (Mar. 21 to Apr. 19) — If you are troubled by anything you find that whatever is troubling you can be minimized by the good will of others. Later, don't try to be greedy in any way. Increase income ethically.

Taurus (Apr. 20 to May 20) — Anything of a civic nature should not be neglected or there are serious repercussions later. Do your utmost in these outside duties. Many benefits can then accrue.

GEMINI (May 21 to June 21) — Many new and interesting ideas and opportunities are just around the corner, but don't take any action yet. Some distant call could be disturbing. Don't let it take the wind out of your sails.

MOON CHILDREN (June 22 to July 21) — You feel that if you use new systems others will support you, but it is better to carry through as usual for the time being. Use your best judgement. Intuition is not working too good.

LEO (July 22 to Aug. 23) — Do not get upset if a partner is not very helpful now, since there are great pressures on him, or her. Don't lose your temper. Show that you can be gracious and charming just the same.

VIRGO (Aug. 24 to Sept. 23) — Although you are anxious to get certain matters settled with associates, this is a better day to be quiet, rest, have simple fun. Steer clear of trouble. Cool down.

LIBRA (Sept. 24 to Oct. 23) — Take the time today to plan how to make your many daily duties run more smoothly. You can be more trouble-free. Give systems thoroughly. Plan to buy only what is necessary.

SCORPIO (Oct. 24 to Nov. 21) — You have to use diplomacy at home today otherwise there is bound to be trouble. Be very courteous with everyone. Plan for greater happiness and success in the future.

SAGITTARIUS (Nov. 22 to Dec. 21) — Show gentleness instead of being critical with others on this fine day. Understanding is needed by everyone. Be under tensions that are quite serious.

CAPRICORN (Dec. 22 to Jan. 20) — This is a good day to study deeply into whatever will give you more abundance in the days ahead. Know what public demand is, study business sections of your paper well.

AQUARIUS (Jan. 21 to Feb. 19) — Show gratitude for the backing others give you though it may not be much more than building up your morale. Don't argue at some social function in p.m. Be peaceful.

PISCES (Feb. 20 to Mar. 20) — Meditation would be more effective now in getting out of the doldrums instead of dishing off to more trouble. Give others a helping hand, too. Then you get on the right plane.

FOR MONDAY, NOV. 1
GENERAL TENDENCIES: A day and evening when most everyone will be easily thwarted in gaining their ends, so you have to be careful you do not get in the path of a real charger who is relentless in going after what he or she wants. Be careful you do not act with equal persistence and alternate those who otherwise would be allies.

ARIES (Mar. 21 to Apr. 19) — Make the payments that are necessary and also collect what is owed to you, being careful not to offend. Be loyal to mate. Friends too.

TAURUS (Apr. 20 to May 20) — An influential person can cause you much trouble.

Methodist Classes Enjoy Joint Party

GROOM (Spl) — Torchbearers Class of First Methodist Church entertained the members of Wesley Fellowship Class with a 42 party in Fellowship Hall of the church recently.

High score prizes were awarded to Mrs. Louis Ruthardt and Glynn D. Harrell. Mrs. Phil Farley and Ross Nix received low score prizes.

Those present were Rev. and Mrs. M. W. Reynolds, and Meses. Carlos Roberts, Louis Ruthardt, Glynn D. Harrell, Ernest Lamberson, Arnold King, Miss Beulah Shockley, Mrs. Walter Garmon, Mrs. Billy McKee, J. L. Cranmer, Earl Andrews and Max Ray Faulkner.

R IS YOUR BODY A PRISON?

It is, if you are subject to re-occurring pains and discomforts. Then instead of being a joy to live in, your body can cause unhappiness.

This is the age of "miracle" medicines and greatly improved medical and dental ability to diagnose the cause of any ailment. Your Doctor can now help you more than was ever thought possible. We can fill any prescription, even those prescribed by Doctors in distant cities.

YOUR DOCTOR CAN PHONE US when you need a medicine. Pick up your prescription if shopping nearby or we will deliver promptly without extra charge. A great many people entrust us with their prescriptions. May we compound yours?

Mrs. Mitchell Gives 'Modern Woman' Program to La Cultura Club Members

Mrs. William Chafin was hostess to La Cultura Tuesday morning.

Mrs. Coy Don Mitchell, club president, presided. Mrs. Chafin led the club members in the Federated Club Collect.

After roll call, the minutes of the previous meeting were read and approved. Old and new business was discussed, including plans for community projects. Several recommendations were considered.

The program on "The Modern Woman" was given by Mrs. Mitchell. "At the turn of the century the American woman was not confined to her home and family as her ancestors," began Mrs. Mitchell. "One turn of events that helped her was the First World War." She then discussed how women took their places in Red Cross work, offices and factories, and the armed services.

"Women were allowed to hold high offices, mostly in education, before they were given the right to vote. In 1919, a bill for woman suffrage was introduced into Congress which was ratified the following years as the 19th amendment. The 1930's were a sad time for all," the speaker continued, "and the economic fall forced many women to take any job they could find to help support the family." She then gave a description of how neighborly cooperation helped families stay together and survive the depression.

"At the time of World War II most women were content to belong to a few of the many organizations that had been organized after the First World War. In general they strived to be an asset to their families and communities. The most dramatic change in women was to take place at the onset of World War II when the women of America went all out for their country during the war. It was considered 'the thing' to have an active part in the war effort." Mrs. Mitchell stated. She then described the affect of the war effort on women's clothing and jobs, many of which were previously held by men.

"In the 1950's the American woman stepped into the public eye gradually but surely," Mrs. Mitchell said. She then told how American women have been collectively and individually criticized and praised. She gave a picture of the American concepts of women. "Along with this stream of criticism there runs a mighty river of advice and admonition that demands an all round perfection in housekeeping, cooking, personality, wisdom, grooming, motherhood, economics, politics, and citizenship. Women are the traditional guardians of culture. It would not be surprising if women gave up entirely by the barrage of abuse and advice and be paralyzed by the impossible goals set for them. They don't, though. They keep on living and are indeed a durable sex," the speaker concluded.

Those present included Mmes. Thomas Auwen, William Campbell, William Chafin, John Ellis, Jimmy Hayes, Douglas Leudecke, Malcolm McClelland, Coy Don Mitchell, and Arnold Wesley. Mrs. W. R. Chafin was a guest at the meeting.

For fruit salads, make a dressing by combining equal parts of salad oil and concentrated orange juice. Season to taste with honey or sugar.

Proceeds From Junior Service League's Charity Ball Will Provide Hearing Tests

(Photo by Van Cook)

CHARITY BALL INVITATION — Mrs. Carlton Nance, left, and Mrs. George Cree Jr., members of Pampa Junior Service League, are presenting Mayor Jim Naton with an invitation to Junior Service League's Annual Charity Ball to be held Nov. 20 in Pampa Country Club. Admission to the ball, which is by invitation, is a \$15 donation to the JLS sponsored hearing tests for Pampa-children. The tests will be conducted in cooperation with the Pampa school system next April.

Junior Service League of Pampa will use the proceeds from its 1965 Charity Ball to inaugurate a program which will provide hearing tests for all Pampa children preparing to enter first grade in the fall of 1966.

The tests have been scheduled for April 26, 27 and 28, 1966, in First Presbyterian Church. They will be conducted by the Amarillo Speech and Hearing Center, under the direction of Buddy Stephens, head of the center. The program will be carried out with the full cooperation of the Pampa school system.

"I certainly commend the Junior Service League for this undertaking," L. J. Edmondson, Pampa superintendent of schools, said. "We are ready to do anything we can to help."

Enrollment information will be provided by school census and letters will go out to the parents of some 600 children. The Junior Service League will contact the family of each child to schedule each test. On the first two days, Tuesday and Wednesday, the children will be tested from 9 a.m. until 4:30 p.m. Each test takes only a matter of minutes. On Thursday, grade school children referred by school nurses will be tested. Parents will be notified of these follow-up tests in plenty of time for scheduling.

The tests are very thorough and will be done with the best and latest equipment the Amarillo Speech and Hearing Center can provide. A full audiogram on a hard of hearing child will be sent to both the family physician and the school nurse. Cost of the testing is about 50 cents per child, which will be paid by the Junior Service League.

In addition to the testing program, the Junior Service League will use a portion of the funds from the operation of the Golden Eagle consignment store to provide schooling at the Amarillo Speech and Hearing Center for a Pampa child who has a 70 per cent hearing loss.

The Center trains children with speech and hearing problems from infancy through grade school. Out-of-town children attending the school live in foster homes during the week and go home with their parents on weekends. The Junior Service League will pay the cost of the Pampa child's schooling and room and board for the foster home.

"We can either develop a future for a child — or he will fall by the wayside," Stephens, Center director, told members of the League planning advisory committee. "The Amarillo Speech and Hearing Center appreciates what you are doing."

The League's annual Charity Ball will be held on Saturday, Nov. 20, in Pampa Country Club. The price of admission, which is by invitation, is a \$15 donation to the League for its hearing test program.

Proceeds from the first Charity Ball in 1962 were used to aid the Exceptional Children's program in Pampa. In 1963, proceeds from the second ball were used to purchase room - dividers for semi - private rooms at Highland General Hospital. Part of the funds from last year's Charity Ball were used to help finance the college education of a Pampa student from the Exceptional children's program.

and the remainder put into a general community charity fund.

Junior Service League members have given many hours of volunteer service to Highland General Hospital and initiated the auxiliary staff in March, 1964. Other services offered to the community by the Junior Service League are a puppet show put on yearly for the grade schools, continued work with the exceptional children's program and operation of the Golden Eagle Consignment store.

Dear Abby.... Plain Jane's Friend Is Plainly Jealous

DEAR ABBY: My husband has always bought me gifts of clothing. Clarence knows my dress size, shoe size, glove size, and my most becoming hats have been gifts from him. I think he has excellent taste, and whenever anyone compliments me on my clothes, I proudly say, "Clarence bought it for me."

Recently a good friend of mine said that men who bought their wives wearing apparel were really ashamed of them and tried to make them look better. She said that men married to beautiful women weren't aware that they needed anything.

I thought it over, and had to admit that the wives whose husbands bought them wearing apparel weren't exactly beauties. What do you think, Abby? Maybe some other women would like to comment?

PLAIN JANE
DEAR JANE: Men who buy their wives gifts of wearing apparel do so because they know that nothing delights a woman more. You may be Plain Jane, but your "friend" is Plain Jealous.

DEAR ABBY: I am 22 years old and am happily married to a wonderful man. We both want children very much but we cannot have them. (My fault.) Since we can't have children of our own, we would like to adopt one or two. Our problem is when I was 16 I had a baby out of wedlock at a home for unwed mothers. (I gave it up for adoption.) It was at this home that I learned how strict the adoption agencies were about choosing parents for their babies. Only those with the best character could get a child. If my husband and I qualified in every other way, would we be disqualified because of what happened in my past?

WANTS A FAMILY
DEAR WANTS: This would depend on the agency. Some agencies do not regard an incident that took place when a girl was 16 as a character blemish if she managed to make a constructive life for

herself thereafter.

DEAR ABBY: About the lady who signed herself "Annoyed" because her husband stopped at the same restaurant so many times during the day for "coffee." I had the same problem with my husband. Only I found out it wasn't the coffee-maker who drew him. It was the book-maker. Have you ever heard of a coffee-colored horse?

ALSO ANNOYED
DEAR ALSO: Yes. And it's pronounced "pal-o-mino." Although it's obviously no pal-o-yours, either.

DEAR ABBY: The people who wrote in complaining about snoring mates don't know how lucky they are. All my life I have dreamed about having a man sleeping next to me. So what if he snores? Just as long as he's there—and breathing.

"OLD MAID"

DEAR READERS: On September 12, I solicited your cooperation for a survey on what I termed The Number One Public Enemy of Nocturnal Togetherness: SNORING! I requested the following information: Does your mate snore? How long has it been going on? What are you doing about it?

To date I have received upwards of 212,000 responses, and the mail continues to bring more! From all the 50 States, Canada, Denmark, Rome, Japan, South Africa and Tehran, I could write a book on snoring (and perhaps I shall) but be patient, and when my weary staff has sifted and sorted all the findings, I shall share them with you in my column. Gratefully yours,

ABBY

Troubled? Write to Abby, Box 69700, Los Angeles, Calif. For a personal reply, enclose a stamped, self-addressed envelope.

B&PW Legislation Banquet Speaker Discusses 'Women's Equal Legal Rights'

(Photo by Van Cook)

BANQUET SPEAKER — Mrs. Hermine Tobolowsky, Dallas attorney and past-president of Texas Federation of B&PW Clubs Inc., left, is receiving a gift of appreciation from Mrs. E. E. Ethridge, Pampa B&PW Club president. Mrs. Tobolowsky spoke at Tuesday evening's Legislation Banquet sponsored by Pampa Business and Professional Women's Club.

Some 137 persons heard Mrs. Hermine Tobolowsky, Dallas attorney and past-president of Texas Federation of B&PW Clubs Inc., speak at the Legislation Banquet sponsored by the local Business and Professional Women's Club Tuesday evening in Coronado Inn.

"We are in a crusade for the freedom of men and women by the passage of an Equal Legal Rights Amendment to the Texas Constitution," Mrs. Tobolowsky stated while speaking on "Equal Legal Rights for Women."

"This amendment will provide that equality under the law shall not be denied or abridged because of sex," the speaker continued. Mrs. Tobolowsky cited examples of court cases in which women had no legal rights whatsoever.

Mrs. E. E. Ethridge, Pampa B&PW president, welcomed guests and Mrs. W. F. McDonald gave the invocation. Mrs. LeRoy Thornburg, accompanied by Mrs. Marilyn Duke, presented two vocal selections and Mrs. J. J. Rance provided background dinner music at the organ. Mrs. Grant Anderson, legislative committee chairman, was in charge of arrangements

HEALY-COLLETT—The engagement and approaching marriage of Miss Sue Walker Healy to Robert Lee Collett is being announced by Mr. and Mrs. Henry Boyd Healy Jr. of Bellaire, parents of the bride-elect. Mr. Collett is the son of Mrs. A. D. Conway of 2245 Christine and the late Frederic B. Collett. Vows will be pledged Nov. 25 in St. Andrew's Presbyterian Church of Houston.

GORDON-TAYLOR — Mr. and Mrs. Robert F. Gordon of 1917 Mary Ellen announce the engagement and approaching marriage of their daughter, Amy Lucile, to Harold W. Taylor, son of Mr. and Mrs. Harvie W. Taylor of Oklahoma City, Okla. The wedding will be solemnized Dec. 28 in First Methodist Church.

Preferential Tea Honors Upsilon Chapter Pledges

Upsilon Chapter of Beta Sigma Phi held its fall Preferential Tea in the Hospitality Room of Citizens Bank and Trust, Sunday afternoon.

A centerpiece of yellow, brown and gold mums graced the buffet table which was covered in yellow net over a brown cover. Orange and brown triangle sandwiches, mint punch, cookies with yellow, orange and brown centers, nuts and mints were served.

Each pledge was presented to the Chapter under a wrought iron archway decorated with golden colors of fall. A corsage of yellow roses with black ribbon, the colors of Beta Sigma Phi, was pinned on each pledge as she was introduced.

Fall pledges are Mmes. Tommy Richardson, Darrell Hinkle, Bill Edwards and Frank Hussey.

Members attending were Mmes. Warren Jackson, Jack Stafford, James Schaffer, Jim Reddell, Robert Shelton, Lloyd Willson, Chris Bosecker, Clois Lyon, Jack Byrd, Kenneth Freeman, Kenneth Sanders, Ed Parsons, Richard Cooke, Charles Potter and Charles Reeves.

Canadian Gem And Mineral Club Will Elect New Officers

Election of officers to serve the coming year will highlight the program when Canadian River Gem and Mineral Club meets Tuesday in the Gold Room of Panhandle Bank and Trust in Berger. Meeting time has been set for 7:30 p.m.

H. V. Wilks, Pampa, program chairman, stated that there will be a general discussion regarding the very successful rock show the club sponsored Oct. 16 and 17 in the Buna Vista Cafeteria in Berger. The program will be followed by a social hour and the club would like to extend an invitation to interested rock-hounds and artifact hunters to attend the meeting.

"I certainly commend the Junior Service League for this undertaking," L. J. Edmondson, Pampa superintendent of schools, said. "We are ready to do anything we can to help."

Enrollment information will be provided by school census and letters will go out to the parents of some 600 children. The Junior Service League will contact the family of each child to schedule each test. On the first two days, Tuesday and Wednesday, the children will be

tested from 9 a.m. until 4:30 p.m. Each test takes only a matter of minutes. On Thursday, grade school children referred by school nurses will be tested. Parents will be notified of these follow-up tests a plenty of time for scheduling.

The tests are very thorough and will be done with the best and latest equipment the Amarillo Speech and Hearing Center can provide. A full audiogram on a hard of hearing child will be sent to both the family physician and the school nurse. Cost of the testing is about 50 cents per child, which will be paid by the Junior Service League.

In addition to the testing program, the Junior Service League will use a portion of the funds from the operation of the Golden Eagle consignment store to provide schooling at the Amarillo Speech and Hearing Center for a Pampa child who has a 70 per cent hearing loss.

The Center trains children with speech and hearing problems from infancy through grade school. Out-of-town children attending the school live in foster homes during the week

and go home with their parents on weekends. The Junior Service League will pay the cost of the Pampa child's schooling and room and board for the foster home.

"We can either develop a future for a child — or he will fall by the wayside," Stephens, Center director, told members of the League planning advisory committee. "The Amarillo Speech and Hearing Center appreciates what you are doing."

The League's annual Charity Ball will be held on Saturday, Nov. 20, in Pampa Country Club. The price of admission, which is by invitation, is a \$15 donation to the League for its hearing test program.

Proceeds from the first Charity Ball in 1962 were used to aid the Exceptional Children's program in Pampa. In 1963, proceeds from the second ball were used to purchase room - dividers for semi - private rooms at Highland General Hospital. Part of the funds from last year's Charity Ball were used to help finance the college education of a Pampa student from the Exceptional children's program.

Central Baptist Circles Begin Study of Brazil

Members of Central Baptist WMU met in homes of members Wednesday to begin the study of Brazil.

VADA WALDRON AND HAZEL SNYDER CIRCLES met jointly at the church with Mrs. Dan Johnson teaching the mission study. Members attending were Mmes. Tony Maples, Stanley Stein, Wayne Burleson, Hal Brown, Bill Fulcher, G. C. Stark, Ted Lewis, Ed Wells, Gene Lewis and Richard Johnson.

Dear Abby.... Plain Jane's Friend Is Plainly Jealous

DEAR ABBY: My husband has always bought me gifts of clothing. Clarence knows my dress size, shoe size, glove size, and my most becoming hats have been gifts from him. I think he has excellent taste, and whenever anyone compliments me on my clothes, I proudly say, "Clarence bought it for me."

Recently a good friend of mine said that men who bought their wives wearing apparel were really ashamed of them and tried to make them look better. She said that men married to beautiful women weren't aware that they needed anything.

I thought it over, and had to admit that the wives whose husbands bought them wearing apparel weren't exactly beauties. What do you think, Abby? Maybe some other women would like to comment?

PLAIN JANE
DEAR JANE: Men who buy their wives gifts of wearing apparel do so because they know that nothing delights a woman more. You may be Plain Jane, but your "friend" is Plain Jealous.

DEAR ABBY: I am 22 years old and am happily married to a wonderful man. We both want children very much but we cannot have them. (My fault.) Since we can't have children of our own, we would like to adopt one or two. Our problem is when I was 16 I had a baby out of wedlock at a home for unwed mothers. (I gave it up for adoption.) It was at this home that I learned how strict the adoption agencies were about choosing parents for their babies. Only those with the best character could get a child. If my husband and I qualified in every other way, would we be disqualified because of what happened in my past?

WANTS A FAMILY
DEAR WANTS: This would depend on the agency. Some agencies do not regard an incident that took place when a girl was 16 as a character blemish if she managed to make a constructive life for

herself thereafter.

DEAR ABBY: About the lady who signed herself "Annoyed" because her husband stopped at the same restaurant so many times during the day for "coffee." I had the same problem with my husband. Only I found out it wasn't the coffee-maker who drew him. It was the book-maker. Have you ever heard of a coffee-colored horse?

ALSO ANNOYED
DEAR ALSO: Yes. And it's pronounced "pal-o-mino." Although it's obviously no pal-ours, either.

DEAR ABBY: The people who wrote in complaining about snoring mates don't know how lucky they are. All my life I have dreamed about having a man sleeping next to me. So what if he snores? Just as long as he's there—and breathing.

DEAR READERS: On September 12, I solicited your cooperation for a survey on what I termed The Number One Public Enemy of Nocturnal Togetherness, SNORING! I requested the following information: Does your mate snore? How long has it been going on? What are you doing about it?

To date I have received upwards of 212,000 responses, and the mail continues to bring more! From all the 50 States, Canada, Denmark, Rome, Japan, South Africa and Tehran. I could write a book on snoring (and perhaps I shall) but be patient, and when my weary staff has sifted and sorted all the findings, I shall share them with you in my column. Gratefully yours,

ABBY
Troubled? Write to Abby, Box 69700, Los Angeles, Calif. For a personal reply, enclose a stamped, self-addressed envelope.

B&PW Legislation Banquet Speaker Discusses 'Women's Equal Legal Rights'

(Photo by Van Cook)

BANQUET SPEAKER — Mrs. Hermine Tobolowsky, Dallas attorney and past-president of Texas Federation of B&PW Clubs Inc., left, is receiving a gift of appreciation from Mrs. E. E. Ethridge, Pampa B&PW Club president. Mrs. Tobolowsky spoke at Tuesday evening's Legislation Banquet sponsored by Pampa Business and Professional Women's Club.

Some 137 persons heard Mrs. Hermine Tobolowsky, Dallas attorney and past-president of Texas Federation of B&PW Clubs Inc., speak at the Legislation Banquet sponsored by the local Business and Professional Women's Club Tuesday evening in Coronado Inn.

"This amendment will provide that equality under the law shall not be denied or abridged because of sex," the speaker continued. Mrs. Tobolowsky cited examples of court cases in which women had no legal rights whatsoever.

"We are in a crusade for the freedom of men and women by the passage of an Equal Legal Rights Amendment to the Texas Constitution," Mrs. Tobolowsky stated while speaking on "Equal Legal Rights for Women."

Mrs. E. E. Ethridge, Pampa B&PW president, welcomed guests and Mrs. W. F. McDonald gave the invocation. Mrs. LeRoy Thornburg, accompanied by Mrs. Marilyn Duke, presented two vocal selections and Mrs. J. J. Rance provided background dinner music at the organ. Mrs. Grant Anderson, legislative committee chairman, was in charge of arrangements

Preferential Tea Honors Upsilon Chapter Pledges

Upsilon Chapter of Beta Sigma Phi held its fall Preferential Tea in the Hospitality Room of Citizens Bank and Trust, Sunday afternoon.

A centerpiece of yellow, brown and gold mums graced the buffet table which was covered in yellow net over a brown cover. Orange and brown triangle sandwiches, mint punch, cookies with yellow, orange and brown centers, nuts and mints were served.

Each pledge was presented to the Chapter under a wrought iron archway decorated with golden colors of fall. A corsage of yellow roses with black ribbon, the colors of Beta Sigma Phi, was pinned on each pledge as she was introduced.

Fall pledges are Mmes. Tommy Richardson, Darrell Hinkle, Bill Edwards and Frank Hussey.

Members attending were Mmes. Warren Jackson, Jack Stafford, James Schaffer, Jim Reddell, Robert Shelton, Lloyd Willson, Chris Bosecker, Clois Lyon, Jack Byrd, Kenneth Freeman, Kenneth Sanders, Ed Parsons, Richard Cooke, Charles Potter and Charles Reeves.

Canadian Gem And Mineral Club Will Elect New Officers

Election of officers to serve the coming year will highlight the program when Canadian River Gem and Mineral Club meets Tuesday in the Gold Room of Panhandle Bank and Trust in Borger. Meeting time has been set for 7:30 p.m.

H. V. Wilks, Pampa, program chairman, stated that there will be a general discussion regarding the very successful rock show the club sponsored Oct. 16 and 17 in the Bona Vista Cafeteria in Borger. The program will be followed by a social hour and the club would like to extend an invitation to interested rockhounds and artifact hunters to attend the meeting.

GILBERT'S

"SMART CLOTHES AT POPULAR PRICES"

'Acts, Then and Now' Theme of Study For First Methodist WSCS Circles

Women's Society of Christian Service Circles met recently in member's homes for study programs.

CIRCLE ONE met in the home of Mrs. Eben Warner, 1221 Christine. Twenty two members were present with one guest, Mrs. Luther Kirk attending. Mrs. John Bird presented the devotional. The study was led by Mrs. Ed Williams. Mrs. Mary Weaver gave the old testament background on the Holy Spirit and Mrs. Albert Kouri gave John Wesley's conception of the Holy Spirit. The next meeting will be in the home

of Mrs. L. J. Duke, 403 Graham.

CIRCLE TWO met in the home of Mrs. Carl Shafer, 2132 Russell. The worship was led by Mrs. Shafer and Mrs. Bob Echols. Mrs. Lee Harrah continued the bible study on the book of Acts, assisted by Mrs. Frank Yealey. Eighteen members were present. A guest, Mrs. Don Hutton also attended. The next meeting will be in the Church Parlor. Hostesses will be Mrs. C. J. Killgo and Mrs. H. H. Keahey.

CIRCLE THREE met with Mrs. Harry Vanderpool, 1201 Williston. Mrs. Thelma Lutes presided at the business meeting. The study "Acts - Then and Now" was led by Mrs. Elmer Radcliff. Twelve members, one guest, Mrs. H. W. Clodfelter of Ardmore, Okla., and a new member, Mrs. Dick Bend, attended the meeting. The next meeting will be in the home of Mrs. W. H. Nichols, 2137 Chestnut.

CIRCLE FOUR met in the home of Mrs. H. B. Howse, 1225 Hamilton, at 2:30 p.m. Mrs. J. W. Shelton opened the meeting with prayer. Mrs. Tom Cook led the devotional, stressing Peace and Obedience taken from the fifth chapter of Matthew. Mrs. W. R. Campbell gave a report on the district meeting in Canadian and on the parlor redecoration project. Mrs. W. C. Hutchison, Circle Four secretary of missionary education, presented the study. Mrs. H. F. Barnhart told of the part prayer played in the early church, stressing that prayer must always come first and all other activities should be secondary. Mrs. Shelton told of Peter's meeting with Cornelius, leading to a group discussion on the inclusiveness of our own church today, and our present day church's willingness to "seek and share". The next meeting will be in the home of Mrs. Bob McCoy, 2544 Christine.

CIRCLE FIVE met with Mrs. A. B. Carruth, 2008 Mary Ellen. In addition to the fifteen members present, a guest, Mrs. Luther Kirk attended. The opening prayer was given by Mrs. Price Dosier. The study leader was Mrs. Kirk, assisted by the members. The next meeting will be in the home of Mrs. F. A. Carey, 1921 Fir.

CIRCLE SIX met in the Church Parlor with Mrs. Bob Davis serving as hostess. Mrs. Weldon Carter led the study. A film on the "Life of Paul" was shown to the seven members present. Mrs. Don Davis will serve as hostess at the next meeting in the parlor.

Lives of Pioneers Studied in Canadian

CANADIAN (Spl) - Mrs. E. H. Snyder was hostess to the Pioneer Club recently in the home of Mrs. J. B. Lindley. Mrs. Paul Bryant presided over the meeting and gave the devotional.

Mrs. J. J. Caudel gave the program. The programs for the rest of the year will be on the lives of the members of the second generation of pioneer families. Mrs. Caudel spoke of two native Canadians, J. T. Brodie and Lloyd King, both of Amarillo. Mr. Brodie and Mr. King graduated from Canadian High School at the same time. Mr. Brodie is a nephew of Preston Hutton of Canadian and Mr. King is a son of Mrs. A. R.

Engagement Announced

CLARK - DAVIS - Mr. and Mrs. C. A. Clark of 1200 E. Foster announce the engagement and approaching marriage of their daughter, Joy Elaine, to Larry Davis, son of Mr. and Mrs. J. C. Davis of 929 E. Albert. The wedding is planned for Dec. 17.

King of Canadian.

Mrs. Snyder served date cake, molded fruit salad, cheese twists and drinks.

Those present were Mmes. W. R. Hines, Ike Simpson, J. B. Beard, J. B. Lindley, W. L. Helton, F. D. Teas, A. R. King, Martha Newton, John Jones, Paul Bryant and J. J. Caudel.

YOUR PHARMACIST SPEAKS

By Joe Tooley and Tom Beard

Rather surprising is the fact that bee stings account for more fatalities in the nation than do bites of venomous snakes.

Most dangerous are the honeybee, the bumblebee and wasps of three types - yellow jacket, hornet and polists.

If buzzed by a bee or wasp, it is best not to flail at the insect, but rather to walk away slowly, not run. The insect tends to attack moving things and dark clothes; hair oil scents and perfumes are attractive to them.

This is a good time to mention that in the matter of bee stings or insect bites of any nature, you will find relief in the remedies now available. For all of your drug and medical needs rely on

Classroom Teachers Hold Monthly Meet
 The monthly meeting of Pampa classroom teachers was held at Austin Elementary with building representatives Marylee Rosenbaum and Betty Cox as hostesses. President Judy Neslage expressed appreciation to the group for sending her to the N.E.A. Convention in New York City. Howard Graham, legislative chairman, discussed amendments to be voted on in November.
 Donna Anderson, membership chairman, thanked the building representatives for the help with the drive. The group was reminded of Pampa - Lefors United Fund Campaign which begins each year in October.
 Next meeting will be at Baker Elementary School.

New Styles Call For A Gibson Girl Look
 The Gibson Girl emerges as a new influence in fashion for the fall season. In line with the emphasis on youth in fashion, nostalgic days are recalled in everything from ruffled blouses, old fashioned jewelry and accessories to crochet gloves, tapestry bags, and skirts with ruffled hems over layers of petticoats and flounces.
 This young girl look calls for the newest and most flattering cosmetics. To create a soft totally young and feminine make-up effect, blend French blue eye shadow on the eyelids. Apply blue mist hi-eye shadow stick to the "eyebrow bone." Draw on midnight blue cake eye-liner at the base of the eyelashes and glamorize your lashes with a touch of blue mascara wand. For a final captivating eye effect, brush on a light shade of Brush & Brow, the totally new eyebrow make-up in compact form which gives the popular natural look of softness.
 For an elegant foundation, a leading makeup expert recommends ultra-lucent fluid make-up and ultra-lucent face powder — soft as silk, gossamer smooth — to veil the skin with the sheerest invisibility.
 And brand-new for the lips, apply lip frosting, the newest concept in lip fashion — an iridescent formula designed to blend with any and all lipstick shades. Basically not a lipstick in itself, lip frosting is worn over your favorite lipstick shades for a bright glimmer or under the lipstick for a subtle shimmer.

MEMOS FROM YOUR STYLIST
 by Jackie and Edna

Special hair effects so popular these days as attention-getters include frosting, tipping and streaking. Frosting is achieved by lightening small strands throughout the hair to create a pleasing contrast with the darker bulk. Tipping consists merely of lightening the tips of the hair, a highly pleasing technique when done properly and with restraint. Streaking is accomplished by lightening wide wings back from the face. Some women prefer the added attraction of a subtle halo effect colored around the hairline.
 Eye-catching as these effects can be when properly done, careless or inept handling only adds up to disappointment. These high-style effects are but a few of the specialties handled so beautifully at BOB-ETTE BEAUTY SALON, 2110 Perryton Parkway, Pampa. Phone: MO 5-3591 for your every beauty need. Plenty of Parking.
THIS WEEK'S HELPFUL HINT: A quickie, low-cost facial: Mix oatmeal with the white of an egg. Apply to the face, allow to dry completely, and rinse off gently with cold water.

First Baptist WMU Circles Meet For Royal Service and Mission Programs

First Baptist Church Woman's Missionary Society Circles met this week in the homes of members for study sessions.

JACKIE SHAW CIRCLE met in the home of Mrs. J. P. Heath. The prayer calendar was read followed by prayer by Mrs. Heath. The business session was conducted by Mrs. Ophelia Morris. The Royal Service program, "My Church — Seeing and Doing," was presented by Mrs. Lester Jones. Others appearing on the program were Mrs. George Smith, Mrs. T. C. McGlofin, Mrs. E. L. Anderson and Mrs. Paul Turner. The closing prayer was given by Mrs. Jones. Eight members were present. The next meeting on Nov. 10 will be in the home of Mrs. T. C. McGlofin at 1910 Coffee.

WINNIE TRENT CIRCLE met in the home of Mrs. Lee Moore. The prayer calendar was given by Mrs. Melvin Bailey followed by prayer by Mrs. T. V. Lane. The business session was conducted by Mrs. Orvil Batson. The Royal Service program, "My Church — Seeing and Doing," was presented by Mrs. Jim Embry. Others appearing on the program were Mrs. Orvil Batson, Mrs. John Perkins and Mrs. G. L. Wilson. The closing prayer was given by Mrs. Lida Ramsay. Ten members were present. The next meeting on Nov. 10 will be in the home of Mrs. Mabel Winter at 521 Montagu.

MRS. TRUMAN GRANGER CIRCLE met in the home of Mrs. Gene Fort. The prayer calendar was given by Mrs. L. V. Hopp followed by prayer by Mrs. E. E. Shelhamer. The business session was conducted by Mrs. R. L. McDonald. The Royal Service program, "My Church — Seeing and Doing," was presented by Mrs. W. L. Moore. Others appearing on the program were Mrs. John Gikas, Mrs. Ed Langford and Mrs. Gene Fort. The closing prayer was given by Mrs. T. J. Worrell. Eight members and two visitors, Mrs. E. E. Shelhamer, WMU president, and Mrs. Kenneth Jerome, were present.

RAMONA HURST CIRCLE met in the home of Mrs. Bob Canaster. The prayer calendar was given by Mrs. Don McMin followed by prayer by Mrs. Roberta Wood. The business session was conducted by Mrs. S. E. Waters. The mission book, "Which Way In Brazil?" was taught by Mrs. H. D. Moran. The closing prayer was given by Mrs. Waters. Eight members and one visitor, Mrs. Margaret Chapman, were present. The next meeting on Nov. 10 will be in the home of Mrs. Richard Alexander at 2104 Zimmer.

MARY LOVE CIRCLE met in the home of Mrs. Jack Clark. The opening prayer was given by Mrs. Charlie Powell. The prayer calendar was given by Mrs. D. W. Osborne followed by prayer for the missionaries by Mrs. Vallie Holmes. The business session was conducted by Mrs. Charlie Miller. The Royal Service program, "My Church — Seeing and Doing," was presented by Mrs. Jack Clark. Others appearing on the program were Mrs. W. B. Franklin, Mrs. Jack White and Mrs. Larry Anderson. The closing prayer was given by Mrs. W. C. Erwin. Nine members and one visitor, Mrs. Earl Farley, were present. The next meeting on Nov. 10 will be in the home of Mrs. R. L. McDonald. The Royal Service program, "My Church — Seeing and Doing," was presented by Mrs. W. L. Moore. Others appearing on the program were Mrs. John Gikas, Mrs. Ed Langford and Mrs. Gene Fort. The closing prayer was given by Mrs. T. J. Worrell. Eight members and two visitors, Mrs. E. E. Shelhamer, WMU president, and Mrs. Kenneth Jerome, were present.

Curls Grow Up, Are More Ladylike for Winter Hair Fashions

NEW FASHION WITH THE LADY CURL LOOK — Curls grow up in this highly feminine and convertible "All Girl Curly Coiffure" that has the new Lady Curl look for the coming Holiday-Winter season. Designed by the Official Hair Fashion Committee of the National Hairdressers and Cosmetologists Association, here are three

Curls continue to make big news in hair fashions. The "Lively Curl Look" that set the pace for fall hair fashions has grown up into the "Lady Curl look" for the holiday and winter seasons.

More dramatic, more exciting, and definitely not the look for little girls, the "Lady Curl Look" is designed for the woman who is proud of being a woman, according to the Official Hair Fashion Committee of the National Hairdressers and Cosmetologists Association.

The first meaningful use of curls came for the Fall season as a concerted revolt against defeminizing straight hair. Women wanted to look like girls, not boys. Now, just in time for the holiday and winter picture, the little girl curls are growing up into a truly ladylike arrangement. The logic is self-evident: if it's better for a woman to look like a girl than a boy, it is even better for her to look like a grown-up lady... especially for Christmas.

The new styles with the "Lady Curl Look" are a direct statement of self-assured femininity. They are neither coy, nor pert; the curls convey a note of elegant grooming. Their arrangement is less abandoned than seen for fall.

Dominance of curl formations is in the top front area. This

different moods combed from one basic setting. Your hairdresser can show you even more, and all add up to a strikingly different coiffure as you go from one social engagement to another during the busy holidays ahead. In the center is a highly demure, but sophisticated play of feathered curls brought forward over the forehead and

ing and special occasions, in any cases, hair pieces are used to achieve the desired height and feeling of opulence.

Regardless of the height, the coiffure still conveys a small head appearance. To give its silhouette a slender look and graceful balance, hair at the nape and lower crown area is gently fitted with softly waved movements.

The actual length of the hair continues to depend upon individual needs. Of vital importance is a professionally executed haircut to give your coiffure the

architectural balance required for the elegant proportions of the new styles. Shaping technique includes tapering of the hair strands to give desired ease and curl control.

The length of the hair at the nape area is the shortest, increasing gradually as you move upwards. The greatest length is at the top and front part of the head, decreasing slightly towards the front hairline.

Professional permanent waving is an absolute necessity for the new styles. Its soft and gentle touch provides the needed body and richness to your hair, as well as adding that vital con-

control needed to keep your curls well-groomed and ladylike.

Soft ladylike colors of muted shades will be particularly popular for coiffures during the winter and holiday season. They will cover the entire field of natural tones among the browns and soft reds, with delicate shades of blonde enjoying special appeal. Several tones of a single color will be used to enhance naturalism, or to define dramatic accents, but the overall appearance must be ladylike.

The ladylike look will also pervade the make-up picture. Lip colors will be vivid and vital, and eyes will be emphasized. A novel touch will be the use of dramatic accent colors for lips and eye shadow to pick up accent colors used in new wardrobes.

We've put a Pitney-Bowes courtesy mailing counter in our store where you can weigh and mail all your letters and packages. You pay nothing for the service. You just pay for your postage.

Why do we bother? So you won't have to bother going to the post office.

Ruth Millett
The Value of a Man Around the House
Newspaper Enterprise Assn.

News item: "An actuarial study, among more than a million wives and widows, indicates a woman's life expectancy is significantly better when her husband also is living."

And why not? Think of all the things a married woman lets her husband worry about. A woman with a man around the house doesn't have to struggle with tax forms. She just claims she can't understand what it's all about and lets George do the worrying and the figuring. A woman without a husband has to worry with all such financial matters.

A woman with a husband does not sleep with one ear alert for strange noises that should be investigated. If she does hear something she nudges her husband and tells him to go investigate.

A woman who has a man around isn't constantly nagged by needed household repairs.

All-Weather Coats Check In

FASHION'S NEWEST COAT LOOK — All-weather outerwear gains in popularity each season. Fashion's newest look, the full-length cape, goes checkered (left). This cape has wedding-ring collar and over-sized buttons. Soft urethane foam coupled to wool and nylon gives warmth without weight. Officers coat (right) in green district checks has leather buttons, self-belt and deep pockets. Lightweight urethane insulation makes it warm enough to wear for winter. Barney Beagles outfit matches exactly. These are Naman Rainwear designs.

Lives of John and Abigail Adams Are Discussed for TC Culture Members

Twentieth Century Culture Club met at the home of Mrs. N. D. Steele with Mrs. J. R. Donaldson as co-hostess Tuesday afternoon.

The meeting was called to order by the president, Mrs. Doyle Osborne, with the reading of the club collect. After the roll call, the minutes were read and approved.

Mrs. Hugh Sanders and Mrs. Jack R. Hood were welcomed into the club as new members. Mrs. Fred Stockdale introduced Mrs. V. L. Hobbs who spoke on the lives of John and Abigail Adams.

"Before John Adams was so much as born he had been destined for Harvard College and the Congregational ministry. A college education was the patrimony of the eldest son in New England. There ran through these people a strong inheritance which Mr. Adams called an 'admiration for learning,'" Mrs. Hobbs said.

She told of the sacrifices the Adams family made for his education and how John became interested in politics and the study of law instead of becoming a minister. An interesting description was given of his courtship and marriage to Abigail Smith, who was from a wealthy and educated family of Weymouth, Mass. She became a perfect wife for John Adams with her lively and natural self confidence, her deep and wide

intelligence, and her feminine softness.

Of all their children, the most famous was John Quincy Adams, who became the sixth president of the United States.

After the Revolutionary War John Adams became a minister and later ambassador to Great Britain. While John was vice president of the United States, Abigail and Martha Washington became very close friends.

The Adams were the first presidential family to live in the White House in Washington. Although the structure was not finished of that time and very unliveable, Abigail realized that it would become a beautiful residence in the future. Abigail died of typhoid fever on Oct. 28, 1818. Her husband survived her by eight years, dying in the second year of his eldest son's Presidency, July 4, 1826.

Money is the life blood of a political party, and when Bliss took over as national chairman he found only \$230,000 in the till — enough to run the national organization for only two months. If he can find some way to water the parched Republican grass roots with money for next year's elections, he may save the day for the GOP.

Members present were Mmes.

Weldon Carter, J. L. Chase, U. L. Craddock, R. E. Dobbin, J. E. Donaldson, L. H. Hart, E. L. Henderson, V. L. Hobbs, Jack R. Hood, Doyle Osborne, Hugh Sanders, E. E. Shelhamer, N. D. Steele, Fred Stockdale, A. L. Wagner and L. J. Zachery.

THROAT WRINKLES PREVENTABLE
Have you noticed the lines many young women develop on their throats? Girls under 21 shouldn't have such tell-tale signs of aging. The fault, according to cosmetician William Loew of Charles of the Ritz,

comes from constant bending of the head. When studying, he suggests, sit comfortably erect, hold your head up instead of ducking it between your shoulder blades.

Soviets Want to Ban Military Love Letters

By MRS. MURIEL LAWRENCE
Newspaper Enterprise Assn.

An officer in the Soviet Union's armed forces, horrified by the pile-up of love letters to men under his command, would like to ban all "thoughts of love" in his country's military services. Such thoughts, he has complained in a ministry of defense publication, are "harmful to discipline."

It's a complaint that certainly turns topsy-turvy one's old image of the Soviet woman, that trainer of tractors, stalwart comrade on the industrial front, welder of bridges and all-around buddy of Ivan, marching shoulder to shoulder to collectivist Utopia.

Said the outraged representative of the Soviet Union's armed might:

"It is necessary to suppress this passion to obtain love by a sealed envelope addressed to the nearest post office. The whole thing is banal like an infectious disease. Where is the dignity of our women?"

Ah, sweet counter-revolutionary shade of Anna Karenina, they can't ever really kill you off, can they?

If you want your man, you are going to have him, aren't you? Whether czarist countesses cut you dead at the opera or Marxist commissars snub you as banal and undignified, you're going to get him anyway, aren't you? Keep piling up the love letters, Russian sisters. Because then we can know you're like us under the proletarian blouses.

For we, too, want to hear from him when he has left us, and don't care one bit about what czarist snobs, military commissars, Mrs. Grundies, Emily Posts or anybody else thinks about our dignity if we can only get him to come back to us.

If the Soviet Union's armed forces are seriously bent on suppressing the female passion to obtain love by sealed envelopes or by any other means, they've got a harder job on their hands than the defense of Stalingrad.

● WMU
(Continued From Page 22)
of Mrs. W. C. Erwin at 1928 N. Zimmer.

The Circle of Mrs. Wes Langham met in the home of Mrs. George Henderson Jr. The prayer calendar was given by Mrs. C. F. Pennington followed by prayer by Mrs. A. N. King. The business session was conducted by Mrs. Wes Langham. The Royal Service program, "My Church — Seeing and Doing," was presented by Mrs. Hugh Shotwell. Others appearing on the program were Mrs. Ross Buzzard, Mrs. C. F. Pennington, Mrs. A. N. King and Mrs. Ed Mackie. The closing prayer was given by Mrs. Shotwell. Nine members were present. The next meeting on Nov. 10 will be in the home of Mrs. Hugh Shotwell at 1324 Christine.

Putting a television set behind paneled walls or in an enclosed cubicle isn't a smart idea. A television generates heat; if enclosed, it could become hot enough to start a fire.

DISCUSS FESTIVAL PLANS — Several members of the committee on arrangements for the Stage Band Festival scheduled for Pampa next Feb. 5 met last week in Amarillo with "Doc" Severinsen of the NBC "Tonight" show orchestra. In the photo left to right are Fred Stockdale, high school band director; Severinsen, E. L. Henderson, Floyd Watson, and Rev. Harry Vanderpool, coordinator of the festival plans. Severinsen will come to Pampa with five other members of the NBC orchestra to appear as a special attraction in connection with the stage band festival in the Pampa High Fieldhouse.

'NOT SO!' SAYS THE RECORD

'Big Valley' Calem Matriarchal 'Bonanza'

By VERNON SCOTT HOLLYWOOD (UPI)—There's a canard bandied about that the new "Big Valley" tele-series is a matriarchal "Bonanza," with three sons and a daughter fighting to protect Barbara Stanwyck's old homestead. Nothing could be further from the truth. In "Bonanza," still the video rating champ, the Cartwright boys are lollypops. They come home to Lorne Greene good little kids. Sober, hard-working, virtuous as boy scouts. When Hoss or Little Joe go into town they get into trouble, but none of it is their doing. No Angels Now you take those offspring on "Big Valley." To begin with one of them is the illegitimate son of the dead father. And the principal protagonist, brother Nick—is a real trouble maker. When he goes into town he's odds-on to get stoned out of his skull, pick a fight with a guy in a clean shirt, and wind up chas-

ing one of the community's fancy girls into a hay loft. His brothers are equally obstreperous. And then they get sozzled. The Barkley Boys are mean drunks. When the Cartwrights tattle, they get cute. Only when Sister Audra is in danger of being seduced by a city slicker to the "Big Valley" boys turned chivalrous. As Nick Barkley, Peter Breck is perfectly cast. He appears mean and tough. He's also confident that the Barkleys could hand-to-hand combat. "Our shows are very different," Breck said. He will be remembered as the hero of "Black Saddle," a Western that was unhorsed five years ago. In "Bonanza" the father runs the ranch. On our series the boys take charge. The Barkley Boys are rough and ready, and when there's no one else to fight, they fight among themselves.

Breck has the distinction of My father was Joe Breck the Prince of Pep, a jazz musician, and my mother was a chorus girl. Dad wrote the song "Girl Fraternity Fire" Ithaca, N.Y. (UPI) — A student was killed and four others injured in a fire which swept a fraternity house at Ithaca College early Thursday. Twenty-one others escaped uninjured. The fire was in the three-story Delta Sigma Pi house. The victim was Jon Christopher Zuris, 24, of Herkimer, N.Y. RAI ED OUT BARCELONA (UPI) — Rain prevented the Indian Davis Cup team from holding its first practice Friday. The Indian team is in Spain to play Spain in the interzone finals of the Davis Cup.

Of My Dreams' and sold it for a bottle of booze." As Nick Barkley, Breck can look back with pride at his forebears. Can you imagine any of the Cartwright boys allowing their old man to peddle a hit song for a fifth of red-eye? Not on your life. NATIONAL MONUMENTS NEW YORK (UPI) — America's national monuments, such as the Statue of Liberty, have purpose "for without them we cannot understand the past—enjoy the present—or build for the future," a National Park Service official said Thursday. A. Clark Stratton, associate director of the service, spoke at a meeting in tribute to the statue by the Ladies Auxiliary of the Veterans of Foreign Wars.

Read The News Classified Ads

Television in Review

By RICK DU BROW United Press International HOLLYWOOD (UPI) — It is possible that the networks will draw a lesson from the latest edition of the national television ratings, to which they are so devoted? The lesson, if one is to believe the numbers, centers on the total flop this season of last season's hottest and most awful opera. The night-time soap that caused all the fuss last season was, of course, ABC-TV's twice-weekly "Peyton Place." It has since added a third episode each week. No Top Opera According to the national ratings released Monday, there was not a night-time soap opera among the top 10 shows. Or among the top 20. Or among the top 30. Or among the top 40. According to those ratings, as figured out by network statisticians who at worst would be only the slightest bit off—if at all—the episodes of "Peyton

58TH YEAR THE PAMPA DAILY NEWS SUNDAY, OCTOBER 31, 1965 25

DAUGHTER NANCY PROVES

Sinatra the Parent Tops the Entertainer

HOLLYWOOD (UPI) — Frank Sinatra's finest production isn't a movie or a record album—it's his daughter, Nancy, 25. In an environment that twists offspring of movie stars into headline-making neurotics, Sinatra's success as a parent tops anything he's done as an entertainer. Nancy is a beautiful, soft-spoken young lady, poised and self-assured; the kind of a daughter any parents would be proud of. She believes her father's image as a swinging hippie. Earlier this year when her marriage to Tommy Sands was ended, Nancy handled herself with dignity. She lives at home now with her mother, Nancy, and sister, Tina. "It's like a sorority house," Nancy says. "We borrow one another's clothes. And if we're all going out on the same night it's murder. We dash around at the last minute like a bunch of college kids." At the moment Nancy is starring in a new movie, "Bikini Party in a Haunted House," and is delighted that her latest recording, "So Long, Babe," has made the record charts. But Nancy speaks more articulately about her family than her career, and with good reason. Asked how she liked living in the shadow of a legend, she replied: "It's easy and a pleasure if your father happens to be my daddy. "If all of us have grown up with a sense of decency and responsibility, then it's because we have good and wise parents. Daddy was always the head of our family, even when he wasn't there. We children never heard an argument in our home. He listened to all sides of a problem and then settled it. "And we were never spoiled. Once a week I had my night in the kitchen to prepare dinner and do the dishes. I even made some of my own clothes. We went to public school most of the time. "Mother and daddy have always made it easy for us to communicate with them. They gave us straight answers—and allowed us to have minds of our own. You got out of your way to make that kind of parent proud of you. "And I'm proud of the show business tradition in the family. Frank Jr. is doing well, and I've been keeping busy. Tina is directing her high school show. It keeps us together with a common interest.

Oil News

26 THE PAMPA DAILY NEWS 58TH YEAR SUNDAY, OCTOBER 31, 1965

SIXTY PER CENT COMPLETE — Workmen guide one of the huge steel beams in place at the all new International Petroleum Exposition building, now under construction in Tulsa, Oklahoma for the May 12 to 21, 1966 show. The building, with 10½-acres of display space, will be the largest exhibit building in the world with cable suspension eliminating interior posts. The gigantic building is large enough to accommodate several football fields, with room to spare, as shown in inset artist's sketch.

New Departments Formed by Skelly

Skelly Oil Company has formed two new departments and named vice presidents to head them, according to an announcement made today by Don H. Miller, president.

J. Y. Haslam, currently manager of technical services in the Manufacturing Department, has been promoted to vice president in charge of the newly created construction of new projects and modification of existing properties.

Dr. Frank J. Soday, currently in charge of petrochemical developments for Skelly, has been promoted to vice president, Petrochemicals, in charge of the newly created petrochemical department. The department will be responsible for the company's wide-spread chemical activities.

"For several years now, we have been diversifying our activities," said Miller. "We simply had to have these two new departments to handle the expansion."

Miller had specific reference to Skelly's joint venture with American Can Company in the formation of a plastics plant and with Swift & Company in the formation of a chemical fertilizer plant in Ulsan, Korea.

CHARLES F. HEIDRICK ...appointed

Sun Oil Attorney Named to Oil Information Panel

DALLAS — Charles F. Heidrick, Dallas, general attorney of Sun Oil Company's Southwest Production Division, has been appointed state chairman of the Oil Information Committee of Texas Mid-Continent Oil & Gas Assn., W. A. Landreth, Association president, has announced.

Heidrick succeeds J. A. Horner, Houston, president of Shell Pipe Line Corp., who resigned the OIC chairmanship because of a European assignment with Shell International Petroleum Co., Ltd.

Since January 1964, Heidrick has served as executive vice-chairman of OIC, which is the Texas oil and gas industry's public information and service program.

He assumed his present post with Sun Oil Co. in 1960. Prior to that time he served as assistant general attorney of the company's Gulf Coast production division, Beaumont, where he was active in civic affairs. He joined Sun Oil in 1938.

Heidrick is a member of several organizations, including the Texas State Bar, Texas Mid-Continent Oil & Gas Assn., and the American Petroleum Institute.

MEETING IN AMARILLO NOV. 5

Compressor, Engine Care Topic for Gas Processors

Compressor and engine lubrication and maintenance will highlight the program for the annual Panhandle Plains Regional meeting of the Natural Gas Processors Association, scheduled for Nov. 5, 1965, Holiday Inn - West, Amarillo, Texas.

The principal speaker for the one day meeting will be Dr. Earl Collier, Director, High Plains Research Foundation, Halfway, Texas. His presentation will cover the value of privately financed research in the field of agriculture. Dr. Collier will share the platform with Mr. Avery Rush, vice president, The Shamrock Oil & Gas Corp., Amarillo, who will open the technical session.

Papers to be presented at the morning session are as follows: "Optimum Gas - Engine and Lubricating Oil Performance Through Modern Analytical Techniques" - A. V. Wiggins, Mobil Oil Co., Wichita, Kans.; "Oil Mist Lubrication" - W. B. Landon, Texaco Inc., Amarillo, Texas; "New Plastic Grouths for Resetting Engines - Uses and Case Histories" - R. L. Rowan Jr., The Celcote Co., Houston and C. F. Overbeck, The Celcote Co., Berea, Ohio; "Beta Engine Analyzer" - A. W. MacKinnon, Lynn McGuffey Co., Houston, Texas.

Phillips Petroleum Reports New High

Phillips Petroleum Company reported a new high in third quarter earnings of 94 cents a share, 32 per cent above last year's 71 cents, in the interim report just mailed to stockholders.

This brought earnings for the first nine months of 1965 to \$95,185,000 or \$2.84 a share compared with \$83,636,000 or \$2.49 a share in the like 1964 period, 14 per cent higher.

Profits for the full year of 1965 are expected to set a new record substantially greater than the \$3.44 a share of 1964, the report said.

Phillips recently increased its dividend 10 per cent to an annual rate of \$2.20 a share in recognition of the higher earnings anticipated for both this year and 1966.

Atlantic Enters Alaskan Field

DALLAS — The Atlantic Refining Company has signed a development contract with the U. S. Department of Interior covering 189,000 acres of recently acquired federal leases in the Rainbow area of Alaska's Copper River Basin, it was announced here today. The contract area is some 150 miles northeast of Anchorage.

An Atlantic spokesman said the company's work commitment includes exploratory drilling and geological and geophysical exploration programs prior to Oct. 1, 1971.

Atlantic is committed to drill its first well there before Oct. 1, 1968; however, the company expressed hope of spudding the well within the next few months.

Phillips Petroleum Reports New High

Phillips Petroleum Company reported a new high in third quarter earnings of 94 cents a share, 32 per cent above last year's 71 cents, in the interim report just mailed to stockholders.

This brought earnings for the first nine months of 1965 to \$95,185,000 or \$2.84 a share compared with \$83,636,000 or \$2.49 a share in the like 1964 period, 14 per cent higher.

Profits for the full year of 1965 are expected to set a new record substantially greater than the \$3.44 a share of 1964, the report said.

Phillips recently increased its dividend 10 per cent to an annual rate of \$2.20 a share in recognition of the higher earnings anticipated for both this year and 1966.

Adjournment of Congress Leaves Certain Void

By DICK WEST
WASHINGTON (UPI)—When the U.S. Congress adjourned, particularly after a session as busy as the last one, it left a void that is somewhat similar to the extraction of an abscessed tooth.

As long as it was there, it bothered us. But until we become accustomed to its being gone, we miss it.

If the departure of Congress

has left you feeling at loose ends, you might be interested in a recent article written by a Georgetown University professor.

Instant Laws

It tells how you can fill in the gap by making your own laws. As the professor points out, do-it-yourself lawmaking has become a popular pastime in some parts of the world, especially in England where the well-

known Parkinson's Laws were formulated.

All you have to do is observe some natural phenomenon that is constant in its behavior and then devise a rule to fit it.

Among the examples cited by the professor were Murphy's Law ("If anything can go wrong, it will."), Kelly's Law ("If you carry your umbrella, it won't rain"), and the Law of Strawberry Jam ("the more

you spread it, the thinner it gets.')

Paris Law

However, the one that is currently most appropriate is Brogan's Law, which states that "there is no subject of legislative concern to the United States Congress which does not require a visit to Paris."

Even now some members of the House Public Works Committee are over in Europe prov-

ing Brogan's Law. There must be all sorts of other eternal verities that have not yet been reduced to written law. If you try your hand at it, the congressional adjournment period will seem to pass much quicker.

To show you how it works, and get the ball rolling, here are a few of the laws that I have been drafting to while away the empty hours until

Congress returns:

West's First Law of Television Programming Perversity—"It there are only two television shows a year that you really want to see, both will be shown on the same night at the same hour."

West's Second Law of Television Programming Perversity—"If there is only one television show a year that you really want to see, it will be shown

while your set is in the repair shop."

West's Law of Vehicular Movement—"The faster lane of traffic is the one you just pulled out of."

See how easy it is? Send me copies of your laws and I will have them bound in leather for presentation to the National Archives. Pretty soon we won't miss Congress at all.
