Atheist Tries Mrs. Bobbie Jones, 1720 Ev-To Defeat Order Again

AUSTIN (UPI)- Outspoken atheist Madalyn Murray O'Hair today brings to court again her attempt to stave off an order to extradite her to Maryland to face assault charges.

Mrs. O'Hair, 46, who married 52-year-old retired artist Richard O'Hair Monday, will present to Dist. Judge Tom Reavley a petition asking the extradition order be declared void. If Reavley approves the re-

quest at the afternoon hearing, Travis County Sheriff T. O. Lang will be summoned to a later hearing to defend the order. Mrs. O'Hair is free in \$1,000 bond while she fights the order, signed by Gov. John Connally last week.

Mrs. O'Hair's lawyer, Arthur Mitchell, said he would ask Reavley to throw out the order on the grounds Maryland officials have no legitimate case against her.

The President continued to follow the same reduced schedule of official business he has kept in recent days. His only announced appointment for the day was the East Room ceremony to sign the beautification program into law.

Included in the program are provisions to ban billboards along highway rights-of-way, to curb the spreading blight of auto junkyards and to provide funds for landscaping.

MONROE WOODS JR., Pastor St. Marks Christian Methodist Episcopal Church

Text:

And Jesus answered and said unto her, Martha, Martha, thou art careful and troubled about many things. St. Luke 10:41

Subject: Things or, Christ, Which?

In our world today people are troubled about many things. This trouble has caused many people to become despondent, frustrated, and tense. Things are necessary in life, but Jesus said "Seek ye first the kingdom of God and its righteousness and all these things will be added unto you." Things are to be added and not sought after.

Jesus was in the home of Mary and Martha. He often went to their home to rest. Mary sat at His feet and heard His word. She was listening attentively to each word He spoke. The time of His death was drawing near, and this would be His last visit to their home. At this crucial hour Martha was concerned about things. She was going about the chores of the house and she complained to Jesus about Mary not helping "Lord dost thou not care that my sister hath left me to serve alone? Bid her therefore that she help me." We always need help when we are bogged .. own with things, Martha had become nervous, excited, and tension arose between her and her sister because of things. This is true today. When we are over concerned about things it always creates tension and strife, even between sisters of the same household. I have known families to break up, and brothers become enemies because of things.

Jesus quoted the words of the text to Martha, and closed the chapter with these words "But one thing is needful: and Mary hath chosen that good part which shall not be taken away from her. Things will be added, but we must first sit at the feet of Jesus to hear His words. At this hour of strife, tension, and turmoil this one needful as never before

in the history of the world. We must choose between the things of the world and the urgency of the Spirit, and if we choose the Spirit and Jesus Christ, we will never be carried away with the things of the world.

EVER STRIVING FOR THE TOP O' TEXAS TO BE AN EVEN BEITER PLACE TO LIVE

The Pampa News is dedicated to furnishing information to our readers so that they can better promote and preserve their own freedom and encourage others to see its blessing. Only when man is free to control himself and all he produces, can he develop to his utmost capabilities.

We believe that freedom is a gift from God and not a political grant from government. Freedom is neither license nor anarchy. It is control and sovereignty of oneself no more, no less. It is thus consistent with the Human Relations Commandments, the Golden Rule and the Declaration of Independence.
