Constipation is usually due to lack of "bulk" to exercise the intestines, and vitamin B to promote elimination. ALL-BRAN supplies both, as well as iron for the blood.

The "bulk" in ALL-BRAN is much like that of leafy vegetables. Certainly this food is more natural than taking harmful potent medicines. Two tablespoontule daily will evercome most types of constipation. With each meal in chronic cases. If not relieved this way, see your doctor.

NEW WAY TO END **BODY ODOR**

Stale perspiration curds, cause of body odor, reached by deep-pore cleansing, instantly removed!

group now give you a new and positive way to end body odor. Millions have eagerly adopted it. Millions have eagerly adopted it. Every specialist knows that objectionable body odor does not come from fresh perspiration but from stale perspiration deep in the pores. Stale perspiration contains calcium, salt and particles of fat. The thick and sticky lather of most ordinary tollet soaps is unsuited chemically to mix with this waste material and disperse it. Instead, it hardens into clogging curds! clogging curds!

That's why deep-pore cleansing is needed to remove the objection-able curds—and it is a scientific fact that there is only one way to accom-plish this. Kirk's Coco Castile—bemixes with the particles of per-spiration curds, loosens them, then rinses out completely. Thus it ends the cause of body odor instantly. Ordinary toilet soups even though

odor; they cannot end it.

Try Kirk's Coco Castile today.

Feel the invigorating effect of its deep-pore cleansing action. Experience the thrill of a clean, odorless body. The cake is half again larger, half again heavier than average toilet soaps—an exceptional bargain. It is a product of the largest soap makers in America. For safety's sake, be sure to ask for safety's sake, be sure to ask for Kirk's by name.
