AUSTIN (UPI)- Sponsors of CAREER CLINIC SPEAKER SAYS 'More Opportunity Now Than Ever Before'

> There is more opportunity in America today for young people than ever before, Pampa High School students were told this morning by Lewis Timberlake, Austin insurance executive, who delivered the keynote address for the school's eighth annual Career Clinic.

Timberlake, a former president of the Texas Jaycees, said: "I believe today's youth are better than ever. Statistics show that in modern times one out of ten inventions we enjoy today was invented by a person under 21 years of age."

The speaker, who was introduced by Doug Altom, vice president of the Student Council, began his talk on a humorous note and then launched into the aspects of "How to Get the Breaks in Life."

"Life doesn't cheat," he said, "Success is bought on the open market for those willing to pay the price."

Quoting from Disraeli, he said, "Circumstances are the creatures of man, not man the creature of circumstance." Timberlake said, "To be a success in life you have to have a boldness of purpose and a definite aim. Vernon once said 'Dream no little dreams. You must have the perserverance to keep on paying the price for success and most important, recognize your opportunity. The tragedy of opportunity is that too many people don't recognize it and accept it when it comes. Disraeli said, 'To attain success man has to be ready when opportunity comes, not keep wait-(See CLINIC, Page 3)

and gentle manliness of Gene

Kelly have often made his films

seem better than they were,

Member of Conress 18th District of Texas

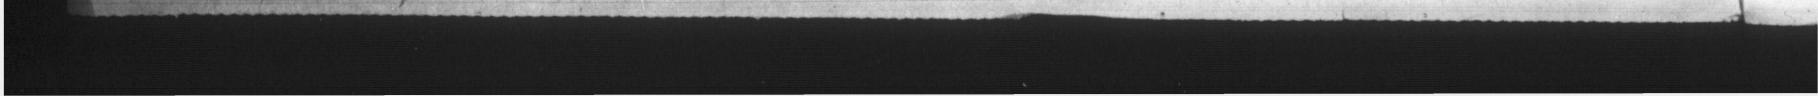

debt for all the pleasure he has given me over the years-and so perhaps I enjoyed the Monjay night outing more than I should have. I say that with a sneaking feeling of guilt because I also had the suspicion that with

Kelly-and his guests Champion and Steele-I should have been enjoying myself even more, and that the producer and director did not approach the maximum level of excellence that was available for all to see.

Perhaps a good deal of the problem was in the over-use of Woody Allen, the comedian, whose material was below par, and who was also co-author of the script. Allen appeared to be straining, and at times his humor was unfortunately tasteless. One of the problems of being "hot," as Allen is these days, is that you are constantly in demand, and it is simply impossible to be funny all the time.

Still, there was Kelly dancing, with some Manhattan landmarks as his background. and even just a little bit of his tripping the light fantastic is almost enough for buffs like me. I would like to have seen more of Champion and less, on this occasion, of Allen; and Steele's appearance, while pleasant, did not showcase all the talents for which he has been heralded.

Though shot in New York, the dominant tone of the hour was Hollywood - musical. Though there was occasional mention of the contemporary New York scene, there wasn't much local color-no muggings, no junkies, looks at \$400-a-month apartments beckoning to the average middle-class working man. Though no one in New York will admit it, Hollywood is the big town's best friend because so many former Manhattanites who have been in show business out here for a long time remember the city the way it used to be before they moved. Kelly could even make Dusseldorf look appeal-

WHEN YOU DRY YOU SAVE WITH ENOUGH GAS TO BUY SAVE ON INSTALLATION When you dry your clothes with GAS, you can save \$29.76 a year on your utility bill! That's enough to buy twenty-five gallons AND MAINTENANCE, TOO. of milk ... a two months' supply for an average family of four. A GAS clothes dryer costs You get quality performance, too. GAS dries your clothes faster less to install and ... yet gently ... and leaves them as fresh as springtime. maintenance costs are the lowest of any dryer. A GAS Pioneer Natural Gas Company burner, the heart of your dryer, carries a lifetime guarantee.

## Lotion and Massage Will Beautify Hands

PRETTY HANDS - Give hands a treat with massage and soothing lotion. The massage eases tiredness and strain from constant office or homemaking duties. Take a lotion, one formulated with extra oils and moisturizers for extra dry skin, and massage the fingers of each hand with it. Work firmly from the base to tip with a circular motion.

### NEW WAY TO BE SUDDENLY SLIM, **COMFORTABLE, TOO**

Los Angeles:-Are you a woman whose figure is on the good side but might look perfect? You'll be thrilled by the new easy way science has discovered for you to become Suddenly Slim and yet completely comfortable. If you're more than 15 pounds overweight, then this idea is not for you. If your weight problem falls within this range, then you can realize a new, smoother figure today, without diet or

exercise. Suddenly Slim is an all-new kind of 4-oz. girdle constructed of science fibers. One startling innovation is the sheer nylon front panel. This is permanently stiffened by a science process and cannot give or sag. It's surrounded by a slimming action border. A featherstitched panel down each side of this girdle will contour your hips if they are a problem.

The girdle itself is of a "won-der" Lycra spandex blend. It's a new power net consisting o nylon, acetate and spandex. It is so comfortable, but has such slimming strength, it gives your figure everything that's possible with a foundation. "Suddenly Slim," in both gir-

dle and panty versions, is the peak schievement of the California designer-genius, Olga. They are available in our area at

There is no admission charge.

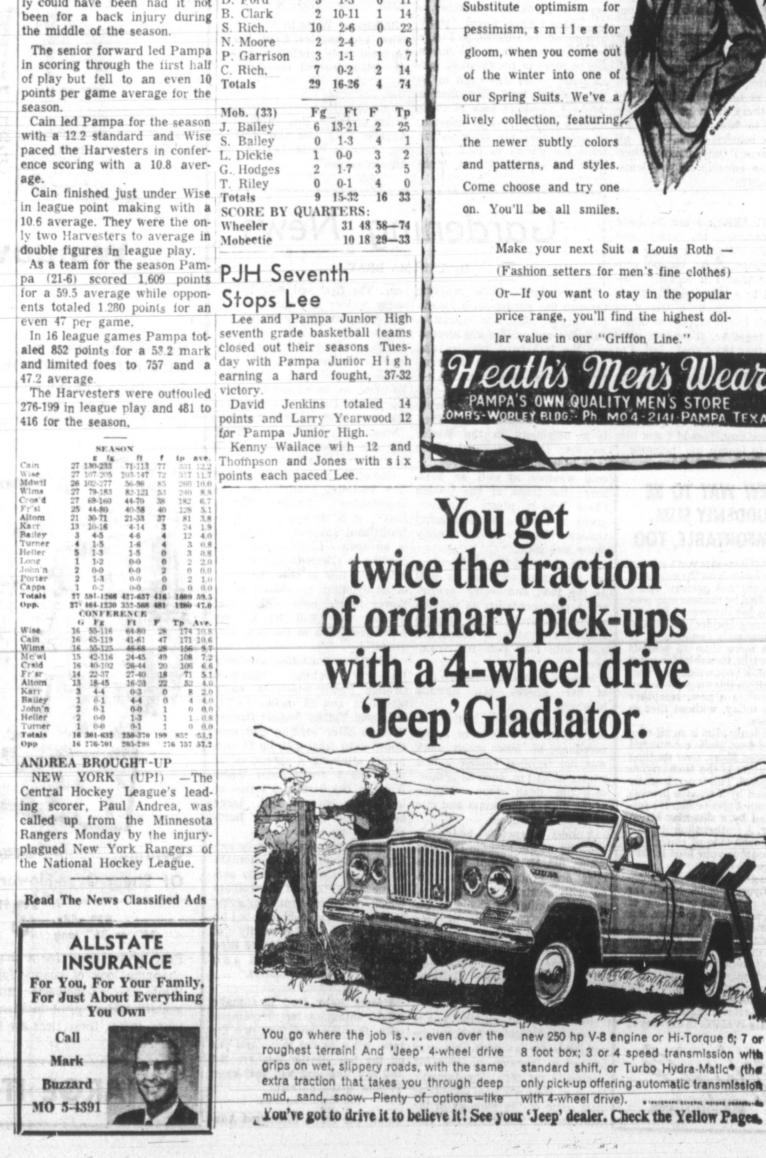

## FLY THIS FLAG SET ON YOUR HOME ... WASHINGTON'S BIRTHDAY FEB. 22 **OFFERED AT COST, AS A PUBLIC SERVICE**

We believe every home should fly the flag on national holidays. We also believe more homes would fly the flag if more people knew where to get one. Failure to fly the flag, it has been found, is not due to any lack of patriotism on the part of Americans who love Old Glory as much today as Americans did when the Spirit of '76 was first born. Because of this we make this fine flag set available as a public service at our cost. The set is top quality through and through. It meets every standard the government sets for a flag of this type. In addition, the stripes are double stitched, a hallmark of flag quality usually found only at higher prices. We include with the big 3 x 5-foot flag . . . all the equipment necessary for rigging according to the rules of flag etiquette. These flags are available to all . . . with no other requirement than that you pay our basic cost . . . and fly one on your home on holidays. We also include, for the convenience of those who cannot come in for flag sets, an order form which will bring a set to you by parcel post, if you wish. Fly the flag on important national holidays to come . .. and especially on the Birthday of American Independence July 4th. The stars and stripes on your home show the world that the Spirit of '76 is as warm in American hearts today as it was at its birth on the first 4th of July ... nearly 200 years gone by.

Bowling Breaks by Gil The years biggest event, the Pampa Bowling Associa-tions annual City Tournament is over and all the winners Bhockers Make Happy Sad, 96–66 are wearing bright, beaming smlies. The highest individual honor went to one of Pampa's finest bowlers, Jesse Smartt, who took the Scratch All-

Events crown with a 1788 total for nine games. Another high individual honor the Handi-cap all-events title was won by Johnny Snuggs who posted a total of 1922 and right behind him came Johnny Carson. John Carson also was high in the Singles Event with a 707 score and here Buddy Epperson wasn't far behind having

The doubles crown was taken over by Bob Baker and Hart Warren and believe me 1328 is pretty good. Ted Knox and Charlie Gilbert had to be satisfied with second place only five pins below the victors.

The Four R Industrial Supply team of James Clifton, Don Pierce, Leo Brassel, Howard Musgraves, and George Railsback cinched first place with a 3059 score, 49 pins over their closest competitors The Jay's Grocery team of Bob Baker, Wilbur Waggoner, Doc Rutledge, Gene Barrett and Jms. Clifton.

Its all over for this year fellows so lets forget all the "ifs" too bads, darn splits and other excuses and get primed up for next year and make it bigger and better than ever.

Next the Juniors and Bantams will be rolling in their tournament which is scheduled for the week ends of March 5 and March 11 and 12th. Kids please get your teams and doubles partners all lined up cause there will be some prety nice trophies for the winners.

With so much tournament going on a lot of other newsy items weren't even noticed, but remember the battle between Tiny Harmon and Mary Ray of last week? Believe it or not it happened again this week. Bowling in the same league Mary Ray had a 183 Tiny a 181, Mary had a 488 series Tiny a 487 exactly the same difference as before. As an after thought Tiny came thru with a nice 555 series in another league that Mary doesn't bowl

Kent Olsen after stringing four in a row insisted it was the seat he was in that brought him luck but about that time it ran out.

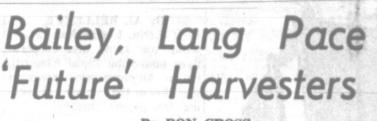

Jamie Langford, Florence Mounce, and Carolyn Mounce all claimed the lanes were crooked, each threw a gutter ball on the first ball and came back with a nine pin count on the next one, all but Jamie and she spared.

The other evening a young man, Guy Cloud bowling with his girl friend really showed off by picking the Big Four split. It wasn't in league but its still quite a feat.

Mary Clark proved her 200 wasn't a fluke by coming back with another nice game and series.

As for John Geer it just took him a while to warm up, first game a 114 last a 222, a little change of pace. Mary Lowery had to sandwich a 103 game in between two really good games but still had a good series.

A week ago 203 was the high game in the Classic league, this week Lonnie Parsley felt pretty good with a 253 but right behind him was Red Payne with a 248. By the way Red bowled three 567 series in a row including one in the City tournament. After watching Ray Bluth on TV Nick Kadingo copied his style and believe it or not has been having some good game and series.

#### By RON CROSS **News Sports Editor**

HAPPY (Spl) - The Pampa Shockers or 'Future' Harvesters, served notice Tuesday night that despite the fact there will be but one or two seniors in Pampa's starting lineup next basketball season they will be no pushovers.

The Shockers made district 4-B champs Happy mighty sad Tuesday with a one-sided, 96-66 victory. It could have been vorse.

#### A Watchful Newspaper

EVER STRIVING FOR THE TOP O' TEXAS TO BE AN EVEN BETTER PLACE TO LIVE The Pampa News is dedicated to furnishing information to our readers so that they can better promote and preserve their own freedom and encourage others to see its blessing. Only when man is free to control himself and all he produces, can he develop to his utmost capabilities. We believe that freedom is a gift from God and not a political grant from government. Freedom is neither license nor anarchy. It is control and sovereignty of oneself no more, no less. It is thus consistent with the Human Relations Commandments, the Golden Rule and the Declaration of Independence.

#### Confusion in HEW

"If Sir Isaac had had a car like this, he would have been too busy having fun to discover gravity," says Delaware insurance executive.

Isaac B. Newton, 52, of Milford, Del., didn't believe such a car existed before he drove the new Mercury.

Here' what he said about some of the discoveries he made, after looking over the full line: About the power steering", he said: "Drives with such little effort and so stable on the road! Made parking a cinch.

About the 410-cu.-in. 4-barrel V-8 power plant: "So quiet! Can't hear it at all. That pickup's really terrific

He summed up: 'Mercury's my choice after that ride!" And what did Mrs. Newton discover?" Living room comfort! And the lines of the car are

Isaac Newton ? so beautiful."

- Mercury's silk-on-satin ride-th way Mercury moves is unique.
- Full power choice-ranging up to the Super Marauder 428 cu. in. V-8 with 4-barrel carburetor. Three transmission choices: 3- and 4-speed manual, and the butter-smooth Multi-Drive Merc-O-Matic.
- 17 models to choose from -- in 4 distinguished series, the Park Lane, Montclair, Monterey and S-55. Plus the Colony Park and the Commuter station wagons.
- 7-position tilt steering wheel\*with power steering and automatic transmissi
- Many standard safety featuresincluding backup lights, emergency flasher, padded dash and visor, 4 seat belts.

Have you driven a Mercury lately? Take a discovery ride at:
