

FLIP-FLOPPED - This 1963 Ford, driven by Ira Lee Dearen, 58, of 1101 Sierra, flipflopped on its top Sunday morning about 18 miles South of Pampa on U.S. 70. Dearen told police another vehicle forced him off the highway and he lost control. Highway Patrolman Paul Geiser, above, investigated the accident. (See story page 3)

Thant scheduled a news eve of the opening of the General Assembly, which will

Despite concerted pressure led by the United States and the Soviet Union, with the support of virtually every segment of the U.N. membership, to persuade him to retain his post. Thant has given no indication that he would accept a new term.

Thant's report, issued Sunday night, was couched in unusually pessimistic terms, causing some observers to regard it as a political testament indicating that he was firm in his determination to quit the secretary general's office.

He told the delegates that efforts to bring peace to Viet Nam had been dominated by power politics with little concern for the human suffering caused by the war.

the past never produced the pa- Giving," by Mrs. Albert Phil- ning committee and Mrs. T. M.

The augitorium will be decorated by set designer Syd Clark in an Americana theme to complement the image of Young America. The ceilings will be draped in blue silk accented by illuminated stars. The circular runway will represent a drum and the models will appear through white silken cords.

Everything about the show is different, according to Elizabeth Peabody, director-producer and fashion coordintor of the 32 shows to be presented at 2 and 4 p.m. daily in the Women's Department.

The newest Texas fashions are a delightful kaleidoscope of colors meant to brighten the fall and holiday spirit. They flash red, green and amber almost as often as a stoplight and in addition dive into plums and purples with equally happy abandon. Clothes are figure flattering, fresh, new and no. longer an indication of chronological age. They are geared to the young at heart. Fabric surfaces are many times shiny and soft, giving a feminine and sensate feeling absent for several seasons.

#### NEW WAY TO BE SUDDENLY SLIM, COMFORTABLE, TOO

Los Angeles: - Are you a woman whose figure is on the good side but might look perfect? You'll be thrilled by the new easy way science has discovered for you to become Suddenly Slim and yet completely comfortable. If you're more than 15 pounds overweight, then this idea is not for you. If your weight problem falls within this range, then you can realize a new, smoother figure today, without diet or

exercise. Suddenly Slim is an all-new kind of 4-oz. girdle constructed of science fibers. One startling innovation is the sheer nyion front panel. This is permanently stiffened by a science process and cannot give or sag. It's surrounded by a slimming action border. A featherstitched panel down each side of this girdle will contour your hips if they are a problem

e girdle itself is of a "wonder" Lycra spandex blend. It's a new power net consisting of nylon, acetate and spandex. It is so comfortable, but has such slimming strength, it gives your figure everything that's possible with a foundation.

"Suddenly Slim," in both girdle and panty versions, is the peak achievement of the California designer-genius, Olga. They are available in our area at

# Ford Will Offer New Warranty

Harold Barrett, president Harold Barrett Ford, Pampa recently announced that all purchasers of 1967 model Ford cars and light trucks will re. ceive a 24-month or 24,000-mile basic vehicle warranty along with a 5-year or .50,000-mile war; ranty on the power train components which include the engine, transmission, drive line and rear axle.

The 24,000-mile warranty was pioneered by Ford Motor Company on the Lincoln Continental and was later extended to the entire vehicle line.

Terms of the new warranty provide that for 24 months of for 24,000 miles on the entire vehicle, whichever comes first, and for 1 yeras of '50,000 miles on the power train, whichever comes first - free) replacement. including related labor, will be made by authorized dealers of any part with a defect in workmanship or materials.

Tires and tubes are not covered by the warranty; appropriate adjustments will continue to be made by the tire people. Owners will remain responsible for normal power engine tunespark plugs, ignition points, wiper blades, and brake and clutch linings.

TORGINAL FLOOR - This beautiful Torginal floor has been a pleasure to own. It is maintenance free and useful. For a complete free estimate call Towles Tile at MO 5-5075. You'll be glad you did.
