

# Texas Primary Expected To Carry Daylight Issue

DEL RIO, Tex. (AP) — State Democratic Chairman Roy Orr has the power to call a special meeting of the state Democratic Executive Committee to place a daylight savings time straw vote on the May 6 primary ballot, state Rep. Hilary Doran said Saturday.

Doran, a supporter of Sen. Wayne Connally's legislative resolution calling for both parties to place the question on their ballots, said he has been in contact with the Texas secretary of state's office.

Doran said he learned that after an inquiry from committee member George Fred Rhodes of Port Lavaca, the secretary of state's office notified both Orr and Earl Luna of Dallas, party attorney, that Orr has the authority to call

the special meeting in time to meet the April 5 deadline for placing the issue on the ballot.

Doran said Saturday if Orr fails to take the necessary steps, he must be held responsible for denying a majority of Texas voters an opportunity to express themselves on daylight savings time.

## C-C Luncheon Reservations Still Available

Reservations will be taken up until 10 a.m. tomorrow for the Chamber of Commerce March luncheon at 12 noon Monday in the Coronado Inn Starlight Room.

The program will consist of a "State of the Chamber" report by several committee chairmen.

The reports will deal with work programs being launched for the current year.

The luncheon is open to the public and reservations may be made by calling the chamber of commerce office.

## Obituaries

**ALLEN RAY BAKER**  
Funeral services will be held at 3 p.m. Sunday in the First Baptist Church of Skellytown for Allen Ray Baker, 54, of Skellytown, who died at 7 p.m. Friday at High Plains Baptist Hospital, Amarillo.

Rev. Muri Rogers of the First Baptist Church of Shamrock will officiate, assisted by Rev. Milton Thompson of the First Baptist Church of Skellytown. Burial will be at 4 p.m. Monday in Parker Cemetery at Grapeland. Arrangements are under the direction of Carmichael-Whitley Funeral Directors, Pampa.

Born June 19, 1907, at Grapeland, he was married to Lillie Ruth Durnell in December, 1933, at Grapeland. He had been employed by Cabot Corporation for 28 years and would have retired in July. He was a member of the First Baptist Church of Skellytown.

Survivors include his wife, Lillie, of the home; one son, Vernon Baker of Pampa; one daughter, Mrs. Regenia Ruth

## Fire Kills Mother And Six Children

CARMEI, Maine (AP) — A house fire here Saturday killed a mother and six of her children.

Police identified the victim as Mrs. Ruth Carrow, 33, Lillian, 14, Diane, 13, Hope 11, Bertha, 10, Edward Jr., 6, and Donna, 3.

The father, Henry Carrow, suffered burns on 40 per cent of his body.

Bruce of Lubbock; five brothers, Reagan Baker, Elbert Baker, and Elvin Baker, all of Grapeland, James Baker of San Antonio, and Jack Baker of Skellytown; three sisters, Mrs. Hazel Lassiter of Elkhart, Tex., Mrs. Alice Salmon of Crockett, and Mrs. Loyetta Starr of Clute; and five grandchildren.

**JAMES McSKIMMINGS**  
Funeral services will be held Monday at the Forrest Lawn Funeral Home, Hollywood Hills, Los Angeles, Calif., who died there Thursday morning. Interment will be in the Veteran's Cemetery in Sawtelle, Calif.

Born Aug. 27, 1895, in Youngstown, Ohio, he was married to Mattie Ruth Stalls Aug. 27, 1928, in Pampa. While living in Pampa, he was employed by a furniture store.

He is survived by his wife, Mattie Ruth; and one brother, Forrest McSkimmings of Houston.

**TED H. CAIN**  
SUNRAY — Funeral services are slated for 2:30 p.m. today at the Sunray Baptist Church for Ted H. Cain, 64, who died at 3:35 p.m. Thursday at the High Plains Baptist Hospital in Amarillo.

Roy Canada, pastor, will officiate at the services, with burial in the Lane Memorial Cemetery under the direction of Sunray Funeral Home.

A maintenance man for Moore County, Mr. Cain had lived in Sunray for 31 years.

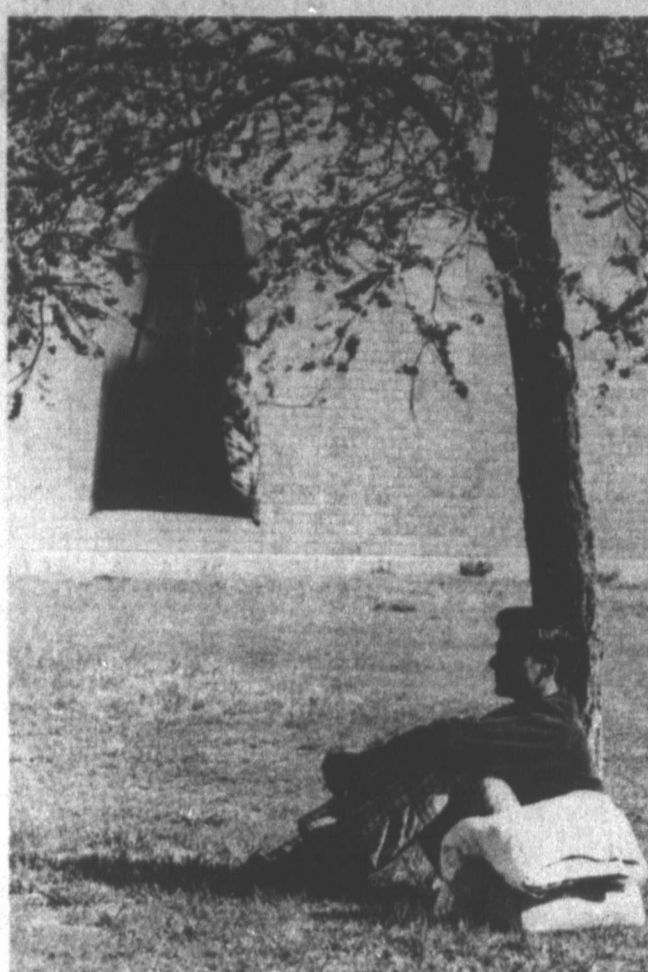

Survivors include his wife, Abilene; two daughters, Mrs. Peggy Routh of Dumas and Mrs. Betty Brazell of Grapevine; his mother, Mrs. Mishie Cain of Pampa; one brother, H.B. Cain of Pampa; three sisters, Mrs. Elizabeth Tillery of Pampa, Mrs. Daisy Stone of Canyon and Mrs. Wilma Deamer of Belen, N.M., and six grandchildren.

**WILLIAM F. HAWKINS SR.**  
Funeral services for William F. Hawkins, Sr., 77, of 918 S. Reid, will be held at 10 a.m. Monday in the Carmichael-Whitley Colonial Chapel.

Rev. Ralph Palmer, pastor of First Christian Church, will officiate at the services. Burial will be at Fairview Cemetery.

A longtime resident of Pampa, Mr. Hawkins died at his home early Friday morning. He was a member of Pampa Masonic Lodge No. 996, AF&AM, and a member of First Christian Church.

Survivors include his wife, Zula, of the home; three sons, William F. Jr., Ronald Dee and Leaton Dale, all of Pampa; three daughters, Mrs. Jean Enloe of Anaheim, Calif., Mrs. Marshall Gamblin of Pampa and Mrs. Marry Ellen Clauch of Del City, Okla.; one sister, Mrs. Faye Weidner of La Belle, Mo.; John V. Hawkins of Los Angeles, Calif., and Virgil Hawkins of Aunawan, Ill.; 15 grandchildren and three great-grandchildren.

**HANGING AROUND**—Bobby Watts, 18, returned from a trip to Frank Phillips Junior College in Borger Saturday morning and sat around waiting for his parents. Mr. and Mrs. Garland Watts, 1417 E. Francis, to come by the Pampa High School grounds to pick him up. Tired of carrying around clothes, he hung them up in a tree. Fifty-seven students left by bus Friday afternoon to attend an orientation meeting of students thinking about going to Phillips. They returned yesterday morning. (Staff photo by John Ebling)

**Dismissed Teacher**  
HOUSTON (AP) — A dismissed junior college teacher was awarded back pay Friday but U.S. District Court Judge Carol O. Bue refused to order

San Jacinto Junior College to give Dr. Ann Zimmerman her job back.

She was first placed on probation and demoted to instructor status after she protested the hiring of a relative of a member of the college's board of trustees to teach a psychology class.

Her contract was not renewed after she protested the demotion.

**Area Student Wins Honors At Contest**  
An area student, Leon Osborne, White Deer, was one of two over all winners at the 15th annual Science Fair for students of Texas Panhandle schools at the Tri-State Fair Grounds at Amarillo.

**Awarded Back Pay**  
San Jacinto Junior College to give Dr. Ann Zimmerman her job back.

Young Osborne won the Physics award in the senior boys division. Steve Reed, Spearman, won with medicine and health in this division.

Debbi Daniel, Spearman, won in Zoology in the senior girls division.

Other area winners were Richard Bates, Perryton, medicine and health and Chris Gramstorff, Perryton, bio-chemistry, in the junior boys division.

Students from some 100 schools were competing with 318 projects.

Leon Osborne and Denise Strange, Hereford, the other overall winner, will compete in the International Science Fair, May 1-5 at New Orleans.

**Pampan To Be Publisher Of Magazine**  
A Pampa native, Russell Barnard, 34, joins the ranks of distinguished sons as he assumes the post of publisher of Harper's Magazine next month.

Success is no new thing for Barnard, son of Mr. and Mrs. R.C. Barnard, 2505 Christine. Since 1969, he has been a partner in John Killion and Associates, a business capital firm he helped to organize.

A 1956 graduate of Pampa High School, he received his degree from Yale in 1960.

Barnard, his wife and daughter, live in Manhattan.

# Seven Items On Agenda At City Solons' Meet

Consideration of Pioneer Natural Gas company's recent request for a six-tenths of one cent cost of gas adjustment.

Setting April 25 to receive bids on the purchase of gasoline and oil, prisoners' meals and water meters.

Awarding of bids for purchase of a three-quarter ton truck and four police patrol cars.

**'No Greater Love' To Be Presented At Area Church**

PERRYTON—"No Greater Love" an Easter Cantata by John W. Peterson, is to be presented at the 7 p.m. worship hour today at the First Baptist Church.

The adult choir will present the cantata which will feature several solos, as well as full choral music.

Soloists will be Mrs. Bob Williams, R. D. Jones, Mrs. Ray Wayman, Mrs. Ronnie Wood, Jim Hash and Mrs. Richard Brown. Mrs. Jim Elledge will accompany at the organ, and Mrs. Jerry Wilson at the piano. Curtis Jones will be narrator.

**Police Investigate Break-In Report**  
Some time after closing time Friday night, a culprit or culprits apparently broke the lock from the front door of Ruby's Drive Inn, 709 S. Gray and made off with some \$25 in change and some food.

A bowling machine, pool table and cigaret machine, all coin-operated, were emptied, then the cash drawers replaced and the covers returned, according to the police report.

Police are investigating.

**Polyfoam cut any size.** Pampa Tent and Awning (adv.) Pampa Lodge No. 966 AF and AM Thursday, March 23 Stated Communication. Receive district Deputy 96th district. All Master Masons welcome.

**The Business and Professional Women's Club** will meet at 7 p.m. Tuesday in the Flame Room of Pioneer Natural Gas building, for a social and program. Chairman is Mrs. Fay Eaton, with Mrs. Hazel Robertson as co-chairman.

Mr. and Mrs. Irl M. Smith were in Ft. Worth during the weekend attending the Southwestern Photographers convention. Mrs. Smith is a past president of the five-state organization.

**Area Boy Wins Spelling Title**  
PERRYTON—Correctly spelling the word "discern" won the Ochiltree county senior spelling title for Central elementary fifth grader Royce Scott Thursday evening in the high school auditorium.

Scott, son of Mr. and Mrs. Boyce Scott, will represent Ochiltree county in the regional bee in Amarillo at Stephen F. Austin school on Saturday April 29.

Competing against Scott were seventh and eighth grade students from Perryton junior high, eight from each grade, plus the grade champions from the seventh and eighth grades at Waka.

From the regional bee, the winner will go directly to the national competition in Washington, D.C., scheduled for June 5-9.

Closed (Easter)

**Judo Lessons**  
There has been a change in meeting time for judo due to the school schedule of our instructor. Judo will meet only on Thursday nights from 7-8:30. No meeting on Monday because our instructor, Paul Moot, must attend night school.

Judo enrollment is still open to boys 8 years of age or older and girls who are 12 years of age or older. Parents, both male and female, are invited to participate with the children. Each participant should be a Center member which is \$5. for 6 months or \$8. per year. In addition a mat fee of 50 cents per month is charged. If you are interested, please attend the Thursday and only weekly meeting so that full details can be given you by the instructor.

**Dolphin Swim Team**  
Boys and girls who are interested in competitive swimming, please draw your attention to this column. The Youth Center is the home of the Dolphins. This is a swim club for boys and girls who know how to swim and like to race. Swimmers from 6-18 are invited to participate. The club is A.A.U. sanctioned and they attend several weekend meets during the school year.

Each of the attorneys asked the judge that they be allowed to file amended motions for a new trial, within the 20-day statutory period. They also asked that he not rule on the motions until they have filed the amend motions and he has heard arguments.

Judge Daniel said Friday he has not yet considered scheduling a hearing.

Main claims in the motions for a new trial include:  
That the indictment under which they were convicted is unconstitutional for several reasons.  
That the circumstantial case presented by the state was too weak to support the convictions, so Judge Daniel should have instructed the jurors to find the defendants innocent.

Swimmers are needed in all age groups to complete relay teams so that we can have relay representation at all meets. All interested swimmers are urged to contact coach Nell Carter at 665-8771 or come out for practice. The only requirement is that you be a member of the Youth Center. Workout time is 6-7:00 p.m. on Monday, Wednesday, Thursday and Friday.

**Women's Exercise Class**  
The Center has an activity just for you women to trim and slim that figure. On Monday and Friday mornings there is an organized exercise class that meets at 9:30-10:15. An instructor leads that class through a synchronized exercise program by the use of recordings. At 10:15 there is an open swim time until 11:30. Now swim lessons are given. To participate in either or both of these classes you need only be a Center member which is \$5. for six months or \$8. per year. A baby-sitting service is available at a very nominal cost. You can even join the health club through this plan and have baby-sitting service. Come by and visit with us for full details.

James W. Edminister...Desk-Derrick Speaker

**Chemical Engineer Is Guest Speaker At Desk Derrick**

James W. Edminister, chemical engineer, will be the guest speaker at the Monday meeting of the Desk Derrick Club.

His topic will be "Corrosion, Causes, Effects and Methods of Control in Homes and Industry."

Edminister, with a B. S. degree from Texas University, has done graduate work in corrosion engineering with Texas Tech.

He is employed as a chemical engineer by the Cabot Corp. in the department of research and development. The meeting is scheduled for 7 p.m.

## Texas Coed's Song To Be Presented On Television

BEAUMONT, Tex. (AP)— "Blue is the sky of tomorrow's world ... Gray is the sky of yesterday."  
These words begin the song of a young Beaumont—a sophomore speech major at Lamar University.  
She wrote the lyrics and melody which is scheduled to be the theme for a program to be aired on television March 26 (American Sportsman—ABC).  
Sandra Bond has naturally curly reddish blonde hair and lovely bone structure in the view of Lela Davis, staff writer for the Beaumont Enterprise who interviewed her recently.  
She has been blind since birth.

## Pampans Will Attend 73rd DRA Conference

Mrs. Ford Hubbard, state regent, and members of the board of the Texas Society, DAR, announce the 73rd State Conference, to be held in Houston, Monday, Tuesday, Wednesday.

Attending from Pampa will be Mrs. W.S. Dixon, regent of the Las Pampas chapter; Mrs. J.B. White, vice regent; and Mrs. Doyle Osborne.

Many interesting speakers, including the president general, Mrs. Donald Spicer, will be present. Mrs. Wakelee R. Smith, corresponding secretary general, from Illinois will be the principle speaker at the general conference luncheon.

A special bi-centennial exhibit will be placed near the meeting rooms.

Officers of the Texas Society, who will be present are Mrs. Ford Hubbard, state regent; Mrs. Walter G. Dick, reporter general to the Smithsonian Institution; Mrs. B.W. Woolley, vice president general; Mrs. Roy E. Massengill, state vice regent; Mrs. Lewis P. O'Neill, chaplain; Mrs. Ernest S. Brainerd, recording secretary; Mrs. Craig A. Tips, corresponding secretary; Mrs. R.D. Evans, organizing secretary; Mrs. J.M. Ribble, treasurer; Mrs. Walter C. Pool, registrar; Mrs. H.M. Crosswell, historian; Mrs. Walter Espy, librarian; and Mrs. H.R. Stroube, curator.

Of special interest this year will be the reports of Committees on the purchase of the DAR museum, the historic Freeman Plantation House, built in 1850 and located in Jefferson, Texas, in the center of 16 acres of

## Mutscher, Aides Seek New Trial

ABILENE, Tex. (AP)— Lawyer for Texas House Speaker Gus Mutscher and his two political associates—convicted of bribery conspiracy here a week ago—filed motions Friday seeking a new trial.

The six pages of motions on behalf of Mutscher, his aide, Rush McGinty, and Rep. Tommy Shannon of Fort Worth, are identical, except for the defendants' names and one paragraph pertaining to the two legislators and not McGinty.

After a 10th District Court jury convicted the three of conspiring to accept a bribe from Houston promoter Frank Sharp, Texas District Court Judge J. Neil Daniel set their punishment at the maximum five years in prison and placed them on probation.

Each of the attorneys asked the judge that they be allowed to file amended motions for a new trial, within the 20-day statutory period. They also asked that he not rule on the motions until they have filed the amend motions and he has heard arguments.

Judge Daniel said Friday he has not yet considered scheduling a hearing.

Main claims in the motions for a new trial include:

That the indictment under which they were convicted is unconstitutional for several reasons.  
That the circumstantial case presented by the state was too weak to support the convictions, so Judge Daniel should have instructed the jurors to find the defendants innocent.

wooded terrain. This house will be among those on the yearly Historic Jefferson Pilgrimage. A new road is being built to accommodate the thousands who attend each year. Many DAR members from across the state will be present at this time. May 5th has been designated DAR Day for the pilgrimage.

The dedication of the DAR house and museum will be announced later and will be held in the fall of 1972. Many distinguished guests in Texas, as well as other states, will be present for this occasion.

State Regents who will be present at the State Conference in Houston are Mrs. Leslie O. Carlin, Michigan; Mrs. Harold A. Russell, Pennsylvania; Mrs. C. Mower Singley, South Carolina; Mrs. Eloise T. Jenkins, District of Columbia; Mrs. Jacob W. Vorous, Maryland; and Mrs. Norman Hall De Ment, Ohio.

## Vote for Paul Simmons

for  
**PAMPA SCHOOL BOARD**  
April 1, 1972 Election

Dear Pampa School District Voters:

I would like to take the opportunity with this open letter to give you some background information regarding myself and positions I hold pertaining to a few of the questions that have been asked of me since filing as a candidate for the Pampa school board.

I was born 37 years ago this past November in Ochiltree County, Texas, near Spearman, Texas. We moved to Pampa in 1945.

I have attended Pampa public schools from the fourth grade, graduating with the class of 1953.

My father, Edwin E. Simmons, and I have owned and operated Southwell Supply Company in Pampa 16 years. Three years ago my father began a full time accounting practice as a certified public accountant, however he still maintains an active and financial interest in our supply business.

My mother, Anabel Simmons was employed by the Cree Companies until two years ago when she retired.

The former lone Martin from Perryton, Texas, and I were married in 1956; we have two children, both attending Pampa public schools. Our daughter, Vondel is 13 years old and an eighth grade student at Robert E. Lee Junior High. Our son, E. P. is 10 years old and a fourth grade student at Stephen F. Austin.

I am seeking the position of school board trustee with no commitments to anyone or any group. My only interest is to serve and strive to conduct school business on a business basis. Our schools need to receive a dollar value for every dollar spent.

I am opposed to deficit spending. I am of the opinion we must operate within the confines of a set budget on a pay as you go basis.

Our children are the generation of tomorrow, they are important, and we must work at the job to secure them the very best education system available.

If you agree with me I would appreciate your support and your vote. If elected I would make only one promise and that would be to listen considerably to each fact of every issue and to the very best of my ability and knowledge make a fair and equitable decision.

Sincerely,  
SIGNED

Paul Simmons  
Candidate for Pampa School Board

Pd. Pol. Adv.

# Panhandle Water

By Felix W. Ryals  
In the Texas Panhandle area there are a large number of rural housing installations. In some cases there are several dozen houses in a cluster. For many years these clusters or camps have been owned by various oil companies. During the past ten years the oil companies have gradually withdrawn from the business of furnishing housing for employees. The houses and the land upon which the houses are located are being sold to the occupants.

The homes, normally being part of the oil company installation, were tied on the sewage system operated by the company. The people who have purchased the homes are now being required to disconnect from the company sewage system and provide their own. Efforts to provide their own sewage systems are giving rise to pollution problems. Some of them are not putting in septic tanks and are only using cesspools to collect the raw sewage.

A bulletin entitled "A Guide to the Disposal of Household Sewage" published by the Texas State Department of

Health contains the following statements concerning disposal of sewage:  
"Provision of adequate and safe disposal facilities in areas with no community sewerage system can be a difficult problem. Proper disposal of human excreta in such areas is a major factor influencing the health of individuals. The following sections of the Texas General Sanitation Law of 1945 (Article 4477-1, Vernon's Annotated Civil Statutes) are concerned with the treatment and disposal of domestic sewage:  
"Sec. 4. (b) No kitchen waste, laundry waste, or sewage shall be allowed to accumulate, discharge or flow into any public place, gutter, street, or highway."  
"Sec. 5. (a) All human excreta in populous areas must be disposed of through properly managed sewers, treatment tanks, chemical toilets, approved privies, or by other methods approved by the State Department of Health. The disposal system shall be sufficient to prevent the pollution of surface soil, the contamination of any drinking water supply, the infection of any flies, cockroaches, or the creation of any other nuisance."

"Sec. 5. (b) All effluent from a septic tank hereafter constructed shall be disposed of through a subsurface drainage field designed in accordance with good public health engineering practice or any other method which does not create a nuisance."

"In general, the mass use of individual wells for water supply and septic tanks for sewage disposal in suburban developments has usually created health problems and is, therefore, an undesirable practice. The modern sewage collection system and central treatment plant provides the most economical, trouble-free and effective method yet devised for the disposal of domestic sewage. For most unsewered, non-urban areas, a septic tank and soil absorption system may be used instead."

This bulletin is available at the Panhandle Ground Water Conservation District Office in White Deer for anyone desiring to read it. It contains helpful information on considerations of location, design, and construction of sewage systems.

Pecans are blooming. Pastures and oats are in good shape.

The outlook for forage production in Texas is bright, contends Dr. Neal Pratt, Extension agronomist. The state is blessed with favorable soil and climatic conditions and a long growing season. High quality and high producing grasses are available for producing top quality forage. As beef consumption continues to increase, the profit potential for forage production will likewise increase.

## Crop Roundup: Scattered Rains Good, More Needed

COLLEGE STATION, Tex. (AP)—Showers played "hide and seek" over much of the state last week, leaving significant moisture in only a few places.

Dr. John Hutchinson, director of the Texas Agricultural Extension Service, said rains in some coastal areas delayed planting while other areas are still in need of moisture.

Ranges, especially in the west and northwest, need a good general rain. Irrigated wheat looks good but the dryland crop is deteriorating. Cattle are moving off grain to feedlots.

Onion and potato planting is underway on the South Plains of Lubbock. Sweet potatoes are going in around East Texas, Hutchinson said. The strawberry harvest has started in southwest. Harvesting of carrots and cabbage went on in the Winter Garden Carrizo Springs and Rio Grande Valley. Home gardens in many areas need rain.

Reports from district agents show:

PANHANDLE: Irrigated wheat is making good growth while dryland wheat needs moisture. Alfalfa is making some growth; although weevils have been found in eastern counties. Plowing for grain sorghum and corn is active.

SOUTH PLAINS: Weather was favorable for plowing and preplant irrigation. Grain has responded by warm weather but lacks moisture. Alfalfa is being irrigated and some onions are being planted. Fruit trees are in bloom. Ranges are greening.

ROLLING PLAINS: Soil moisture is short. Grain growth is slow and there is some damage from greenbugs and mites. Alfalfa weevils and aphids have been found in a few counties.

NORTH CENTRAL: Farmers are ready to plant cotton and sorghum but are waiting for rain. Vegetable planting is also being delayed. Many ranges are below average and grains need rain. Fruit trees are in bloom and leafing out. Livestock feeding is active.

NORTHEAST: A few showers fell during the week but moisture remains short. Hay crops are being fertilized and land is being prepared for cotton. Some corn is being planted. Sweet potato and vegetable planting is active. Peach trees are in bloom. Pastures range from average to below average with livestock in fair to good shape.

FAR WEST: It's dry all through the area. Plowing and preplant irrigation are in progress. Onions, lettuce and cabbage have a good stand in the El Paso Valley. A good fruit crop is set and pecans are leafing. Livestock are in good condition.

WEST CENTRAL: Land is about ready for crops and rain is short. Some wheat is looking good. Peach and pecan trees are blossoming. Shearing and marking of lambs and kids are activities.

CENTRAL: Most corn and sorghum has been planted in the Blacklands. Elsewhere farms are waiting for rain. Some cotton has been planted

near Temple. Fruit trees are leafing out. Goat shearing is in progress and cattle are in fair to good condition.

EAST: Showers helped wheat and oats but ranges still dry. Hay crops are being fertilized. Land is being prepared for corn. Some pastures are greening up. The spring calf crop is looking good.

SOUTHEAST: Scattered showers plus a few heavy rains fell but moisture is still short. Planting is active with cotton 30 per cent in the soil, corn 40 to 90 per cent and sorghum 30 to 60 per cent planted. Livestock marketing is normal.

SOUTH CENTRAL: Planting is active although moisture is short. Cotton is 10 per cent planted, corn 35 to 50 per cent and sorghum, 45 to 80 per cent. Stock water is short in some counties. Livestock are in good shape.

SOUTHWEST: Rain is badly needed all through the district for planting and ranges. Preplant irrigation is active. Planting of corn and sorghum is up to 80 per cent complete.

Cotton and peanuts planting has just started. Pecan trees are leafing. Limited strawberries are moving to market. Harvesting of carrots and cabbage is active.

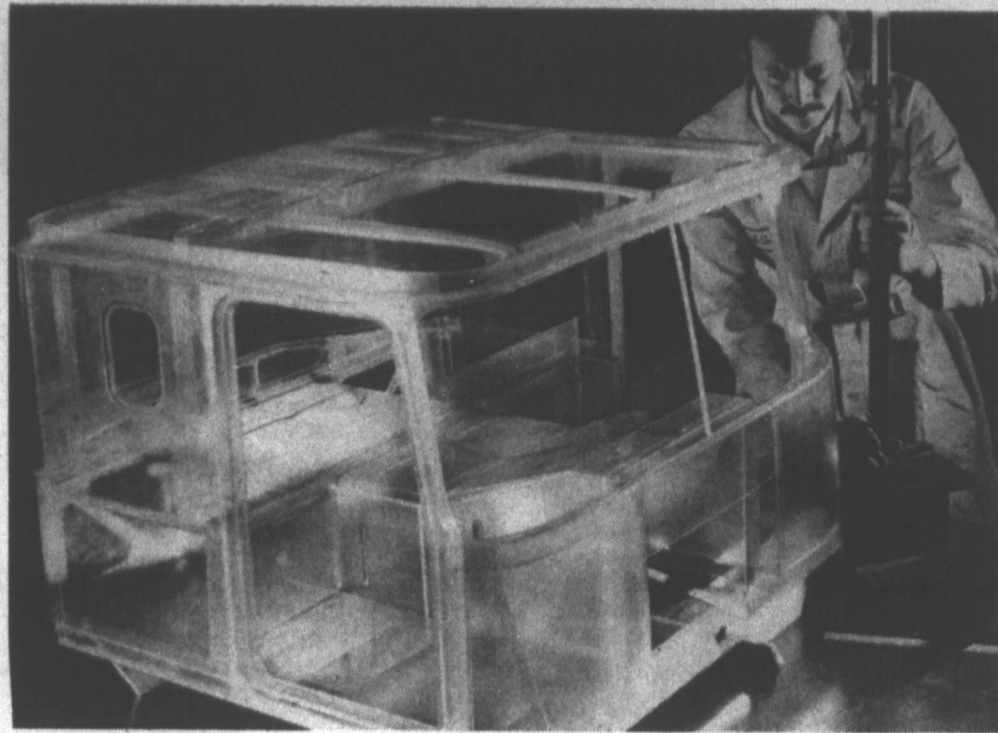

SOUTH: Much of the area has adequate moisture due to recent rains. Sorghum and corn have a good stand, but heavy rain caused replanting of some cotton. Citrus, cucumbers and watermelons are growing well and peach trees are setting a good crop.

Logo Stirs Pride

The TAP symbol, boosting Texas Agriculture Products, is rapidly becoming recognized as a boon for state farmers and ranchers, arousing admiration as well as envy in neighboring states. Texas consumers are urged by Agriculture Commissioner John C. White to look for the symbol on products in the supermarket and "Buy Texas" when possible.

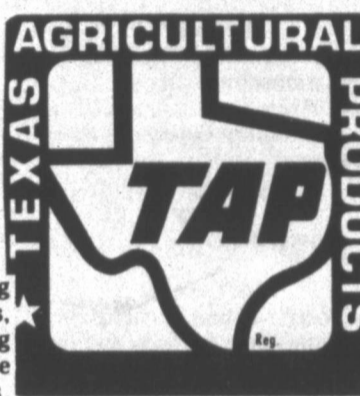

As a sales promotion, the TAP program opened entirely new export markets amounting to more than \$12 million in 1971 for livestock alone. Similar successes are recorded for other products.

Extension Dept. Names New Economist for Area  
22-county Panhandle area, added Hutchinson.

Although Riethmayer was born in Lamesa, he grew up on a farm near Friona. He is a graduate of the local high school where he was active in the Future Farmers of America, receiving both the Lone Star Farmer and American Farmer degrees. He also participated in 4-H Club work.

The specialist received a B.S. degree in agricultural business from West Texas State University and holds a M.S. degree in agricultural economics from Texas A&M University. In college he was a member of Alpha Zeta and Alpha Chi.

Riethmayer is co-author of "100 Best Books in Agricultural Economics."

As a result, Texas food, fiber, fruits, vegetables and livestock are now familiar sights in markets in Japan, Europe and South America—all stemming from the TAP program initiated by Commissioner White six years ago.

But the most immediate "feedback" has come from other states. Apparently resigned to a philosophy of "if you can't lick 'em, join 'em," two states recently contacted Commissioner White asking how to begin similar programs.

From a Mississippi State Representative came the comment, "I see the TAP symbol on food in our supermarkets and it's just like the products we grow here. I'm not against Texas in our supermarkets but I just want to know how you do it!"

The inquiry came from Rep. Douglas Abraham of Jackson, Miss., who said he wanted to inaugurate a program for his state similar to TAP.

Consumer recognition of the TAP symbol and what it indicates and stands for, is the most essential element in the program.

"We have been working towards consumer recognition for six years—and it is beginning to pay off," said White. "We want buyers to reach for the package with TAP on the label. It means more money in the pockets of our farmers and ranchers."

## White Urges Lookout For Good Seed

AUSTIN—With Spring planting underway, Texas Agriculture Commissioner John C. White urges consumers to be on the lookout for quality seed. "One sure way to know you are getting quality seed is to look for the official Texas Department of Agriculture certification tag on the bag of seed you buy," he said.

Seed costs represents only about three per cent of the total cost of producing a crop. "But that three per cent will determine the success or failure of all other production costs," White said.

The Texas Department of Agriculture is charged with administering the Texas seed law and the Seed Certification Standards. Certification concerns the production of quality planting seed of known genetic identity.

A sack of planting seed bearing the State of Texas' official purple or blue tag is the purchaser's assurance of a quality product, produced by a reputable concern qualified under state laws as a certified seed grower.

"The official tag is a mark of quality and uniformity, and can be secured only by those persons or firms who voluntarily apply and submit their planting seed projects to the close supervision, inspection, and approval of the certifying authorities in the seed division of the Texas Department of Agriculture," White explained.

All registered seed is labeled with a tag printed on a purple background. All certified seed is labeled with a tag printed on a blue background.

All tags also bear the imprint of the state seal of Texas and facsimile signatures of the Commissioner of Agriculture, the director of the division of field seed certification, and the variety of the seed and the name or code of the producer.

## Insect Control Seed Is Dilemma For Dealer

With the recent emphasis on environmental quality, many seed dealers are caught in the middle because of the need to treat planting seed for control of soil insects.

The seed companies often sell seed in several states and find that each state has different requirements and restrictions, says Dr. Bill Clymer, area entomologist for the Texas Agricultural Extension Service.

"For this reason, many companies no longer use chlorinated hydrocarbon insecticides for seed treatment," he adds. "Instead, some have substituted short residual compounds such as methoxychlor and malathion."

But the problem is that these alternate chemicals are not as effective against soil insects such as wireworms. Grain sorghum is a good example of a crop that needs maximum protection against soil insects; although commercially treated seed may not be available.

Clymer urges producers to check the seed tag to find out what seed treatment has been made. If the seed has not been treated, the producer has several alternatives. He may treat the seed before planting or use a planter box treatment.

"If either of these methods is used, care should be taken to assure even treatment of all seed," Clymer emphasizes.

Aldrin, chlordane, dieldrin, heptachlor and lindane are legal in Texas at a rate of two ounces per bushel of grain sorghum seed to be planted. But the entomologist adds that these chemicals are currently under review by the Environmental Protection Agency.

If they have a history of white grub problems, producers may want to use a row band, in-furrow or preplant broadcast soil

treatment. These same methods can also take care of wireworms and other soil pests.

"Whatever treatment is used, the producer should read and very carefully follow label instructions," Clymer warns. "Although the two ounces may seem like a very small amount, this is the maximum legal rate."

He adds that by following label instructions, the producer will insure that the treatments are within legal tolerances. This will lessen the danger of damage to seed germination or potential insecticidal accidents.

## Loopholes Weaken Crop 'Lid'

WASHINGTON (AP)—A new lid of \$55,000 per crop on government farm subsidies, in effect last year for the first time, saved taxpayers less than \$2.2 million because of loopholes allowing super-size farmers to carve up holdings, Congress was told Wednesday.

The figures were in a report by the Agriculture Department. It was ordered by a Senate resolution calling for a study of the payment limit's effect on government programs for cotton, wheat and feed grains.

The report said the \$55,000 limit a single farmer can collect for each crop resulted in a net saving of \$2,183,976 from 1970 when there was no restriction on payment size.

Subsidies for the crops totaled \$3.3 billion in 1970 and \$2.8 billion last year. Officials say, however, that reduction was a result of basic changes in the acreage and price support programs.

## Beef Cook-Off

AUSTIN—A combination of imagination and Texas grain-fed beef can win cash and a supply of steaks for no fewer than 24 Texas cooks, Texas Agriculture Commissioner John C. White has announced.

The Texas Department of Agriculture and the beef industry are sponsoring a "Texas Grain-Fed Beef Cook-Off" which is already underway in four areas of the State. Finals will be held in Austin Saturday, May 13, the Commissioner announced.

Entrants may submit their beef-based dishes in one of three categories: casserole, gourmet, or economy dishes. Two top winners in each category in the four areas of the State will be selected, and will receive \$50 each and an expenses-paid trip to Austin for the finals in the cook-off. The grand prize will be \$500

worth of beef, and the state winners in each category will receive \$200 worth of beef.

The "Texas Grain-Fed Beef Cook-Off" is a part of the Texas Department of Agriculture's Texas Agricultural Products (TAP) program which is designed primarily to remind Texans and consumers everywhere of the quality, quantity and availability of Texas agricultural products, as Commissioner White has commented.

Texas leads the nation in the number of cattle of all types, in the number of beef cattle and in the production of beef. The beef industry adds over \$1.2 billion annually to the economy of Texas.

For more information about the cook-off and for entry blanks, contact the Texas Department of Agriculture, Austin, Texas 78711.

**PIPELINE DREAM**—It's heavy going for this member of the survey team charting the route of a proposed trans-Alaska oil pipeline. The Alyeska Pipeline Service Company says it is spending some \$5 million a month on the project, and has spent more than \$300 million on it.

### Russia Reported Doing Well In Arctic Region

HOUSTON (AP) — Russia apparently is doing quite well in its Arctic region while the government-industry-environmentalist debate continues in the United States over the Trans-Alaska pipeline.

A new report says the Russian Arctic unquestionably is one of the richest hydrocarbon provinces on earth.

The report prepared by A. A. Meyerhoff of the American Association of Petroleum Geologists was submitted to the American Petroleum Institute's Division of Production.

Meyerhoff estimates at least 66 billion barrels of proved and probable oil and not less than 787 trillion cubic feet of proved and probable natural gas have been discovered in the Russian Arctic.

These estimates for Russia's Arctic region alone are far above the latest available estimates of proved U.S. reserves.

New U.S. figures are to be released shortly for year-end 1971 but the estimates at the end of 1970 indicated the "lower 48" states had only 28.9 billion barrels of proved crude oil reserves and only 259.6 trillion cubic feet of natural gas reserves.

The still non-productive but proved reserves in the Prudhoe Bay area of Alaska's North Slope region were estimated at the end of 1970 to include an additional 10.1 billion barrels of oil and 31.1 trillion cubic feet of gas.

New U.S. estimates for year-end 1971 are certain to show further declines in reserves of both oil and gas in the "lower 48." Sharply curtailed exploration activity prompted by the pipeline controversy probably will cause little change in the Alaskan North Slope estimates.

Meanwhile, Meyerhoff says the ultimate Russian Arctic reserves will be more than three or four times the current estimates of 66 billion barrels of oil and 787 trillion cubic feet of gas.

"The future impact of Russian oil and gas on the world petroleum scene should be enormous," he said.

Meyerhoff confined his study to four Russian Arctic basins— West Siberian, Pechora, Vilyuy, and Anadyr—but said four onshore and seven offshore basins still remain untested.

He said gas discoveries in the Anadyr are too new to be evaluated but that if the results from the West Siberian, Vilyuy, and Pechora basins are indicative of Russian Arctic potential "a bright future is in store for the Russian petroleum industry."

"Of the four basins, several hundred, perhaps several thousand, fields remain to be discovered," he said. "Many of these will be giant fields."

The Vilyuy reserves, he said, have not been developed because of the lack of a market but that this may change with a possible barter of pipe for gas with Japan.

"The gas would be piped to Khabarovsk, a large industrial center on the Amur River, thence to Sakhalin Island, and southward to Hokkaido and Honshu," he said.

Meyerhoff said the potentially large Anadyr gas reserves also would have a market problem because the area is far removed from major populations and industrial centers.

"Perhaps the Russians could work out an arrangement with the U.S. government to pipe the gas to Nome, Alaska," he said.

### Small Business Administration, Workshop Set

A Small Business Administration Workshop, co-sponsored by the SBA and the Southwestern Public Service Co. will be held in the Reddy Room of the Dumas office of Southwestern beginning at 2 p.m. Tuesday, April 11.

"Money for Your Expansion Plans" will be the theme for the workshop which is designed to point out to present industries in the area the avenues for financial and technical assistance which will aid them in expanding their operations.

Speakers from the SBA Lubbock office, including Phillip J. O'Jibway, district director; Jud Simpkins, loan specialist; Carl Lightner, community economic development specialist; and J. B. Hare, from the procurement and management assistance division, will advise participants on availability of direct government loans and community loans and how to get government contracts.

Bud Reed of the Texas Industrial Commission in Austin will discuss the sources of assistance in employee training and Peter Dallas, vice president of the First National Bank of Amarillo, will speak on what a banker wants to know.

The West Texas Business Development Corporation, a new industry-financing plan, will be explained by Bob Brummal, chairman of the new corporation. Brummal is Southern Division manager for Southwestern Public Service Company.

ARLEE, Mont. (AP) — About 450 elementary and high school pupils got an unexpected day out of school when drivers found the district's six school buses without keys early Monday.

But due to the enterprise of one profit-minded young man, school resumes today. Supt. T.J. Phillips said.

The boy found one set of keys in a ditch near the schoolyard and took it to custodian Sonny Lundwall.

Lundwall offered the pupil 25 cents for every bus key set he could find, and the boy returned a short time later with five more sets.

GREAT BEND, Kan. (AP) — Sheriff Marion Weese of Barton County says he appealed to the common sense of several months ago of two youths discovered chopping down a stop sign, and the tactic saved county taxpayers about \$2,000.

The sheriff said Wednesday he agreed not to file charges against the youths with the stipulation they help recover other missing signs.

### Santa Fe Railway Wins Top Honors

Santa Fe Railway recently won top honors as the safest operating railroad in Texas at the Texas Safety Association conference meeting in Dallas. In all, Santa Fe won 32 safety awards.

Included among the 30 certificate of merit awards was the rail welding plant at Pampa. The awards were presented during a luncheon in Amarillo last Tuesday.

An award of honor was given to Santa Fe's Western Lines, headquartered in Amarillo. Named as the safest railroad division in Texas was Santa Fe's southern division, headquartered at Temple.

Too much sun can be a danger, the American Cancer Society warns.

# Basketball Banquet Scheduled Tuesday

Pampa High School's yearly basketball banquet, honoring the district runners-up, is planned for Tuesday at 7:30 p.m. in the Robert E. Lee Junior High cafeteria.

Louis R. (Lou) Henson, head basketball coach and athletic director at New Mexico State University, will be the featured speaker.

The naming of the recipient of the Hustling Harvester award by head coach Robert McPherson and the announcement of the basketball queen will climax the evening's events.

Each year the player who has contributed the most to the team by virtue of his desire, attitude and effort is selected by the coaches to receive the Hustling Harvester award.

Carol Rose, Becki Galey and Gail Duncan were chosen as candidates for basketball queen in secret balloting by the team members.

Coch Henson, married and the father of four, earned both his bachelor's and master's degrees from NMSU.

In a distinguished career covering 17 years, Henson has compiled a winning

percentage of .777. Before going to New Mexico State, he coached at Las Cruces High School and Hardin-Simmons University in Abilene.

Since taking over at NMSU, Henson has led the Aggies to the NCAA playoffs five times, and has had three nationally ranked teams. In 1970 the team was ranked third in the country.

Next season Coach Henson and his team will compete in the Missouri Valley Conference, recognized as one

LOUIS R. HENSON

of the strongest leagues in college basketball.

In addition to his coaching duties and job as director of athletics at NMSU, Henson has contributed articles to many sports publications, including "Athletic Journal," "Coaches Digest" and "Scholastic Coach."

Dr. Royce Laycock will be the master of ceremonies for the banquet.

Tickets for the function are \$2.50 and may be obtained from McPherson; assistant coach Ronnie Hearne; and athletic director Ed Lehnick.

Tickets may also be purchased from the PHS Pep Squad; Pep Squad sponsor, Mrs. Shirley Welch; Coronado Men's Wear; John McGuire; and at the Pampa School Business Office.

## Vault Record Set

RANGER, Tex. (AP) — Terry Porter of Ranger Junior College vaulted 16-feet, 11-inches Saturday to establish a new national junior college pole vault record.

The Azle, Tex., sophomore broke the previous record of 16-4 1/2 set by Brad Winters of New Mexico Junior College at the Border Olympics in Laredo earlier this month.

# Bruins Get Sixth Title

LOS ANGELES (AP) — UCLA's Bruins, paced by super sophomore Bill Walton, beat Florida State 81-76 Saturday afternoon for their sixth straight National Collegiate Basketball title.

The 6-foot-11 Walton scored 24 points, hauled down 20 rebounds and blocked four shots as UCLA completed its undefeated season with a 30-0 record and now has won 45 consecutive games.

Walton needed help early in the game, however, and got it from teammates Keith Wilkes and Henry Bibby after the surprising Seminoles from Florida State jumped into a 21-14 lead.

The Bruins chipped away and when Walton finally began hitting, they moved to a 50-39 halftime advantage.

Florida State, surprise semifinal winners over North Carolina, got fine outside shooting from Ron King who had a total of 27 points, Reggie Royals and Ron Harrin. Royals scored 15 before fouling out with less than two minutes to play and Harrin scored 16.

Wilkes tallied 22 and Bibby 18 for the Bruins. In the consolation game for third place, North Carolina beat Louisville 105-91, as Robert McAdoo scored 30 points and Dennis Wuyicik 27.

The partisan crowd of 15,063 in the Los Angeles Sports Arena, however, came to watch the final game matching the No. 1 rated Bruins and the No. 10 Florida State club.

With Roland Garrett, Greg Samuel and King hitting early, the Seminoles jumped into their lead before Walton connected with his first field goal.

Coach John Wooden commented, "I was very happy at the first half that we didn't worry when we fell behind. I complimented the players on their composure because I feel when you rush things you fall farther behind."

While Walton was a little slow getting started, he did force his Florida State rival 6-11 Lawrence McCray into three personal fouls before the game was six minutes old.

McCray sat out most of the rest of the first half as Coach Hugh Durham wanted to take no chances on his fouling out.

With Florida State leading, Wooden made one change in his lineup, sending the quicker Tommy Curtis in at a guard spot replacing sophomore Greg Lee.

Bodell's 15 to spring Maryland into its halftime bulge.

The Purple Eagles played a typical fast-breaking game from the start. Their reckless speed promoted several minor accidents as Niagara players bounced into benches and crashed into the crowd near court-side.

Maryland took charge at the start of the second half as White hit two quick layups on breakaways, and Elmore hit a foul shot and Bodell a field goal for a 49-37 lead with three minutes gone.

Wingate, Jim Chassar and Al Williams scored six straight points for Niagara, bringing the Purple Eagles to within 51-43. Then, with Bodell steering the offense, Maryland went on an 11-6 spurt for a 62-49 lead that broke open the game with 11 minutes left.

O'Brien scored 16 of his 18 points in the second half as Maryland built its lead to 90-65 with three minutes remaining.

McMillen, who scored 10 points in the first half, added nine in the second half to finish with 19, tying Bodell for team honors. Elmore chipped in with 16 points and added 15 rebounds in Maryland's balanced attack.

Marshall Wingate, who kept Niagara in the game before Maryland pulled away, tallied a game-high 31 points.

The gambling Purple Eagles gave the bigger Terrapins a tough battle in the first half. A pressure defense helped Niagara force several turnovers as the underdogs raced to an early 21-14 advantage.

But Maryland's unheralded backcourt of Bodell and Howard White helped the Terps break away near the end of the half. White added 10 points to

NEWARK, Del. (AP) — The University of Delaware Athletic Council has voted against allowing freshmen to play either varsity football or basketball, the university announced Tuesday.

STEPPING HIGH—The crowd seemed to be made up mainly of girls Saturday as area schools competed in the Top O' Texas Junior High School Invitational track meet at Pampa High School. Several of the hurdle runners are shown here as they strove to place in the event.

The Pampa Daily News PAMPA DAILY NEWS 65th YEAR Sunday, Mar. 26, 1972

# Altus Attains 3-Game Streak

Pampa took a 7-2 record with them as they traveled to Altus, Okla., Friday but ran into some bad luck and lost a three-game series.

The Harvester baseball team lost a single game 6-5 on Friday and were defeated 3-0 and 4-0 Saturday, reported coach Deck Woldt.

"We left men on base all day Saturday," Woldt said, "but we just didn't get a hit in the clutch."

Jeff Hogan was starting pitcher Friday, with Mark Maxwell taking over for 1 1/2 innings. Dale Ammons was catcher.

The Harvesters were ahead 2-0 through the fourth with two outs on Altus. With bases loaded in the bottom of the fourth, Altus had a pop fly caught by the wind.

The ball was misplayed, allowing Altus to score, Woldt said. Altus scored five runs in the fourth and went on to win 6-5.

In the first game Saturday, with Jody Johnson pitching and Ammons catching, Altus gained its three runs in the first inning with two men out.

Altus scored all of its four runs for the second game yesterday in the second inning on four hits.

Bobby Hendricks served as Harvester catcher in the sixth inning as the Altus team maintained its lead.

The Harvesters had eight hits in Friday's game, with three hits each in the double-header action yesterday.

Leading hitter for the Harvesters Friday was Mike Edgar, who had two hits from four times at bat. Rick Musgrave was the leading

hitter in the first game Saturday, also with two for four.

Al Ferguson made an outstanding play in the second game Saturday by diving to catch a fly ball down the left field foul line, Woldt said.

In the same game, Gary Haynes caught a hard smash hit between third and short, throwing it to put the runner out at first.

The Harvesters are hoping to play Canyon in a double-header Thursday or Friday to get more practice before district play, Woldt reported.

# AT DUMAS MEET Tracksters Do It Again

By CLAY LIVELY

Pampa High School's outstanding track team made it four in a row Saturday afternoon on a windy track in Dumas.

Coch Ed Lehnick said that he felt the wind kept the times down, but the results were still very pleasing indeed.

The Harvesters took four first places enroute to amassing 124 1-6 points and capturing the Demon's annual invitational meet. Borger placed second with 119.

Pampa's great sprint relay foursome of Chuck Reeves, Garvin McCarroll, Rick McGuire and Richard McCambell set a new meet record in the 440-relay with a time of 42.2, beating Amarillo High's four year-old mark of 42.6.

Pampa's mile relay team (Larry Marlar, Terry Riddle,

Dennis Stowers and Bobby Owen) took first place in that event with a good 3:23.8.

Chuck Reeves, Richard McCambell, and Garvin McCarroll distinguished themselves and the team as they all broke the 10-second mark in the 100 yard dash.

Reeves won in 9.7, McCambell 9.7.

Chuck Reeves, Richard McCambell, and Garvin McCarroll distinguished themselves and the team as they all broke the 10-second mark in the 100 yard dash.

Reeves won in 9.7, McCambell took second with a 9.75, and McCarroll placed sixth in 9.9. When 9.9 finishes sixth, one has to think hard to imagine a faster over-all field.

Pampa won three ribbons in each of two other running events. McGuire took first place in the 220 with a time of 22.6, McCambell (22.8) and McCarroll (23.3) finished second and fifth.

In the 440, Larry Marlar placed second in 50.9, Owen ran 51.1 to garner third and Steve Mathis ran fourth with a 52.1 time.

Mike Reddell finished second in the 800 in 2:02.5, while Tommy Downs (42.3) placed fifth in the 330-yard intermediate hurdles.

Freddy Wilborn tied for third in the high jump with a 6' effort. Damon DeWitt and Downs tied each other for sixth place at 5'10"

McGuire leaped 19' 11 3/4" to finish sixth in the broad jump and Mark Warren placed in the shot put with a toss of 47' 6".

Kim Lindsey and Tom Montgomery ended up in a four way tie for third and fourth in the pole vault at 11' 6".

Hereford came in third with a total score of 116. Amarillo's Caprock came in fourth at 73 1-2.

Dumas, hosting the event, only gained fifth. Others participating in the meet were Tulia, Canyon and Perryton.

The hustling harvesters will next meet competition at Andrews.

# Golfers Increase Standing

The Pampa High School linksters inched up a notch in district standings after the fourth round of play Friday at the Southwestern Golf Course at Amarillo.

With a total score of 307 in Friday's match, the A team advanced to seventh place.

The score is the best the team has had this year to date and matches the best score of last year's team, according to coach Tom Lindsey.

Members of the team and their scores are Doug White, 77; Dick Bailey, 78; Les Harris, 76; Mike Coulter, 76, and Steve Hopkins, 79. Hopkins' strokes were dropped.

The B team remained in 12th place as they had a score of 336 strokes.

Players were Randy Jeunger, 83; Greg Williams, 82; Keith Stowers, 89; Kim Snell, 82, and Jim Grady, 98. Grady's score was dropped.

After fourth round action, the Tascosa A team is in first place. Tied for second are Borger A and Amarillo A. Tascosa B is in fourth.

Medalist leaders for individual honors are Wolf of Borger with 297 strokes and Hallman of Amarillo with 299.

The fifth round will be held April 4 at the Amarillo Air Force Base golf course. The golfers will then compete in a golf tournament at the Amarillo Relays on April 7-8.

The last round of district play will be held at Pampa on April 14.

# Track Results

Pampa's two junior highs took their eighth grade track teams to Borger Saturday. Pampa Junior High placed fifth and R. E. Lee finished sixth.

Coach John Darby's charges from PJHS gathered 41 1-2 points and Lee coach Bruce Davis' team got 34. Frankie Lemons was high point man for PJHS with 13 1-2.

Results were as follows:  
Shot put: PJHS; Frankie Lemons, second, 42' 6"; Alan Love, third, 42' 2";

Broad jump: Lee; Gary Thrasher, second, 17' 10 1/4"; PJHS; Lemons, fifth, 16' 8";

22-yard dash: PJHS; Danny Lee, third, 26.1; Lee; Bruce Reeves, fourth, 27.2;

440-yard dash: Lee; Steve Quails, fourth, 62.0; PJHS; Lemons tied for sixth, 64.5.

660-yard run: Lee; Mark Colter, first, 1:39;

800-yard run: PJHS; David Kitchens, fourth, 2:32. 120-yard low hurdles: PJHS; Oral Morgan, fifth 17.9; Paul Stone, sixth, 18.2.

440 relay: PJHS (Morgan, Johnson, Lemons, Lee) fourth, 51.4; Lee; fifth, 52.6; 800 relay: Lee; third, 1:48; PJHS; (same four boys in 440 relay), fifth, 1:51.

# Nicklaus Ties Billy

NEW ORLEANS (AP) — Jack Nicklaus came from two strokes off the pace with a scrambling 71 Saturday and tied Billy Casper for the third-round lead in the \$125,000 Greater New Orleans Open Golf Tournament.

Casper, the 36-hole leader, took a double bogey six on the fifth hole and had to sink a 12-foot birdie putt on the final hole to retain a share of the lead.

He and Nicklaus had 54 hole totals of 207, nine-under-par on the mild and sunny Lakewood Country Club Course.

Casper, who has led or shared the lead at each of the 18-hole stops, had a hardearned 73 in the third round.

They held a two-stroke lead over a trio tied at 209. They were Labron Harris and Bunky Henry, each with a third-round 71, and Dave Eichelberger, who matched par 72.

South African Gary Player moved into contention with a 68 for 210. He was tied with John Lister of New Zealand, also with a 68, and Jim Colbert, 74.

Colbert started the day in a tie with Nicklaus for second place but went three-over-par on the first three holes and had to rally to stay in any contention.

Defending champion Frank Beard managed a 70 but appeared to be out of title consideration at 214. Arnold Palmer and Lee Trevino are not competing.

Nicklaus, the season's leading money winner with more than \$97,000, held the lead alone on three separate occasions, but couldn't hold it.

He had five bogeys, including his third six of the tournament, and four birdies.

Casper, back in action after a month's rest, knocked himself out of sole control of the top spot when he took the six on the par four fifth hole.

The 40-year-old veteran pushed his drive into the woods on the right and found a trap with his second. He just managed to get it out with his third, chipped poorly and two-putted for the six.

Nicklaus, his playing partner, birdied the hole from 30 feet for a three-stroke swing and sole control of the lead.

# Mann Wins Junior Meet

By CLAY LIVELY

Horace Mann Junior High School of Amarillo won the 1972 Top O' Texas Junior High Invitational track meet Saturday by overtaking Coach Dennis Pasley's Lee Junior High team in the final two events.

By winning the 440-yard relay and placing in the mile relay, Mann garnered 81 points and the first place trophy.

Perryton placed second in the mile relay and finished behind Mann with 73 points. Lee came in third with 69.

Bonham, Travis and Bowie, all of Amarillo, won the next three places. Pampa Junior High finished eighth with 20 1-2 points, mainly on the strength of two second-place finishes by Mike Taylor in the hurdle events.

Lee won the 880-yard relay with a time of 1:38.2. The team of Rick Leverich, Chuck Quarles, Tim Thornburg and Griggs Beck came within four-tenths of a second of beating the meet record in the preliminaries with a time of 1:36.7.

Sellmeyer of Travis won the two hurdle races, with Taylor of Pampa placing second. Sellmeyer's times were 15.1 in the high hurdles, and 23.3 in

the lows. His time in the highs broke the old record of 15.8.

Beall of Perryton set a new record of 2:10.5 in the 880-yard run. The old record was 2:11.1.

Goodin of Mann won the 100-yard dash in 10.4. Leverich of Lee finished third. In the 440-yard dash, Opeil of Bonham won with a 54.9.

In the closest race of the windy afternoon finals, Towner of Travis won the 220 with 24.1. The next five finishers were so close together that only the timers were able to judge who finished where. Thornburg of Lee ran fourth.

Mann won the 440 relay in 47.0. Lee, with the same racers who won the 880 relay, placed third. Bonham won the mile relay with a time of 3:47.6.

In the field events, Marlar of Lee won the shot with a throw of 52' 1 1/2", one inch off the old record. Leverich of Lee was beaten by one inch in the discus by Broughton of Perryton. Broughton won with 146' 11".

Beezley of Mann won the high jump, going 5'10", and the pole vault in 10'3". Cook of Bonham won the broad jump with a 19' 4 1/2" effort.

# Orioles Relief Wants More Action

By IRA BERKOW  
NEA Sports Editor

MIAMI, Fla. — (NEA) — Last season the Baltimore Orioles' bullpen began to resemble a long-neglected morgue, all cobwebby with bodies draped willy-nilly over benches. Once in awhile some life was shown. A flopped figure would let fly one squirt of tobacco juice. Then silence again.

Tom Dukes was somehow roused to warm up one day, his body was so creaky that his first windup resulted in a pulled muscle. Whatever the reason, the fact is he was out of action, if you'll pardon the phrase, for three weeks. He went home. But everyone figured he was still in the bullpen. Even the guys in the bullpen.

What happened last year to the bullpen cannot happen again this year, according to

Dukes. "It was fantastic last year," he said in spring training recently, picking absently at some moss on his arm. "Four 20-game winners who had 71 complete games! They averaged seven and two-thirds innings a game."

"McNally, Palmer, Cuellar, Dobson, McNally, Palmer, Cuellar, Dobson. Over and over. Four 20-game winners on one team; hadn't been done in 50 years."

"But McNally's got arm won the American League championship, and he says he likes the Orioles, but, gee, back problems. Dobson? He's a baseball player does like to play baseball, after all. He went 14 days one time without getting in a game, 17 days another. And then they'd blow the dust off him and send him into a game, like the one in Detroit after almost two weeks' inactivity. He pitches four innings and a homer beats him in the 13th inning."

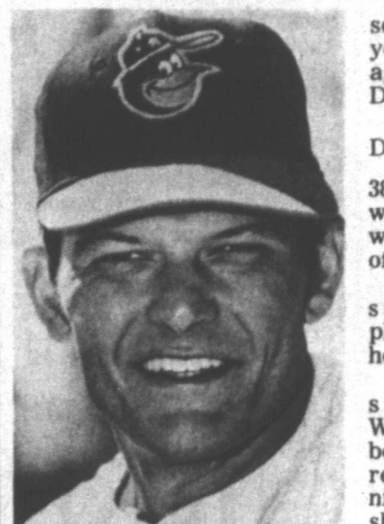

Dukes is quick to point out that he was glad the team

hair heat today," meaning his fast ball was really going to explode. Boswell threw. And nasty Etchebarren caught it in his bare hand. The bullpen players, to ward off rigor mortis, assign themselves to scan sections in the park. "It makes it easier to spot the terrific broads that way," said Dukes. "Section 15, tier 27. And everybody looks."

Then the bullpen phone shatters the usual deadly silence. The manager wants Dukes. In he trudges, as he did in the seventh inning of the third game of the World Series. Third baseman Brooks Robinson meets him at the pitcher's mound.

"Sure you remember where the plate is?" asks Robinson. "Is it where it used to be?" asks Dukes.

(NEWSPAPER ENTERPRISE ASSN.)

THE BALTIMORE Orioles' four regular starting pitchers—Jim Palmer, Dave McNally, Pat Dobson and Mike Cuellar, at left—won 80 games and pitched 71 complete games last season, making life in the Oriole bullpen seem like early retirement for Tom Dukes, above.

## Oilers Stage Rookie Camp

HOUSTON (AP) — Houston Oilers rookies, including No. 1 draft choice Greg Sampson of Stanford, will be indoctrinated to the Bill Peterson system this week when 39 rookies report for a three-day Oilers rookie camp beginning Thursday.

Peterson, who is starting his first year as a pro coach after a successful tenure in college ranks, will devote much of the three-day session to familiarization with the Oilers offense and defense. Three on-the-field practices are scheduled.

Sampson, a 6-foot-5, 245-pound defensive end, will be joined in the camp by third round choice, Lewis Jolley, a running back from North Carolina and Grambling guard Solomon Freelon, also picked in the third round.

## Pampa Meets Four-Flushers

Members of the Pampa High School Harvester Band will lay down their instruments Thursday night as they put a basketball team into action against the KGNC 4-Flushers.

## Tennis Plays With Borger

Pampa High School netters made it into the quarter finals of the Borger tennis tournament Friday only to have all their players defeated.

## Terrell Honored

AMARILLO, Tex. (AP) — Ira Terrell, 6-foot-8 Dallas Roosevelt senior, is the 1972 winner of the Amarillo Chamber of Commerce Texas High School outstanding basketball player award.

He sparked Roosevelt to the Class AAAA state championship. He scored 11 points in the 68-63 title game over San Antonio Jefferson, but broke loose for 45 in the 111-109 semifinal win over Houston Wheatley.

The game against the Amarillo television station's team will begin at 8 p.m. in the Harvester Field House.

Proceeds from the sale of tickets will go to the band fund to aid them in their various activities.

## Volleyball League To Form

The Pampa Youth and Community Center will again offer the 1972 spring volleyball leagues for those interested in this sport.

Three leagues will be offered including women, mixed, and men's. A mixed team consists of three men and three women players who alternate hitting the ball according to who hit it first. Each league will be required to have four teams to sign up before a schedule will be drawn.

An organizational meeting will be held at the Center on Wednesday night, March 29 at 8 p.m. in the T-V room. All teams wishing to participate should have a representative present at this meeting or have notified George Smith that you desire to enter.

Entry fee for each league is \$20 per team. Arrangements may be made to pay out the entry fee over the duration of the season or to help a team find a sponsor.

## Terrell Honored

That's a new individual scoring record in Class AAAA. He connected with 21 of 23 field goal attempts.

Terrell averaged 31 points a game as Roosevelt won 31 and lost 4.

Bob Glover of Dallas Jefferson was the initial winner of the award in 1963. Other honorees: 1964—Jimmy Dale Lehou, Clear Creek; 1965—Ronnie Peret, Plainview; 1966—Jerry Kroll.

All independent teams are invited to participate. This could be a church, civic club, any organization or business group.

For any further information call George Smith at the Center phones 665-2012, 665-2622 or 665-4381.

## safe boating

for young skippers

16. Fog

Always have a compass, a small pocket type is better than none. Always note the course from where you started to your destination while the weather is clear so you can follow that course if fog sets in. When you are caught in a dense fog, you could be in trouble.

If you can get into a safe harbor ahead of the fog, do so. If you can't, and do not have a compass, anchor and wait for the fog to lift. If you do not anchor, you must go slowly and look and listen carefully. In either case, you should sound fog signals.

For an unusual cassette recording and workbook designed to help youngsters become good sailors, send a check or money order for \$6.95 to "Safe Boating," care of this newspaper, Box 11, South Norwalk, Conn. 06856. Allow three weeks for delivery.

## Wall Incensed By FSU's Presence

LOS ANGELES (AP) — Florida State, the surprise team in today's National Collegiate Athletic Association basketball finals, should not even have been allowed in the tournament, says the president of the National Association of Basketball Coaches.

"I resent their being here," Bill Wall of MacMurray State, Ill., told a news conference Friday, as the upstart FSU Seminoles prepared to meet top-ranked UCLA for the national title today.

"Our coaches are angry, chagrined and disillusioned at this. Their coach has been caught with his fingers in the till twice," Wall said.

He referred to two recruiting violations charged to Florida State Coach Hugh Durham which resulted in three years of NCAA probation for the Tallahassee school. The probation was lifted this season, allowing FSU to compete in post-season tournaments.

The NCAA cited Florida State in 1968 for allegedly allowing players who had been offered scholarships to play basketball while they visited the campus. A year later the

sentence was extended until last October for what the NCAA said was "lavish entertainment" of prospective FSU players by an Atlanta businessman.

During one of the probation years, the Seminoles led by center Dave Cowens, now of the Boston Celtics, had a 23-3 record.

Wall said he was concerned with possible present violations as well. He questioned the status of three Seminole starters: junior forwards Reggie Royals and Ron King and sophomore center Lawrence McCray.

The NCAA says all three have signed affidavits stating they have not signed a professional contract or agreement with an agent to negotiate for them.

"A lot of people say King is getting more than \$15 a month, but that's not true," the coach said. The NCAA allows a school to give an athlete up to \$15 monthly allowance, in addition to room, board and tuition.

Durham said his players had all told him they had not made any agreements with agents. He said the NCAA, in requiring some players to sign affidavits, "is doing what it thinks is right."

## Pizza Hut To Televiser Star Game

NEW YORK—The Pizza Hut Basketball Classic, all-star college game to be played on April 15 in Las Vegas, will be telecast over what is believed to be the largest independent network of stations ever put together for a sports event.

Daniel C. Shedrick, president of Coliseum Sports Productions and producer of the game's telecast, said 120 stations across the U.S. will air the 1 p.m. CST game between the Red (east) and White (west) squads.

Charlie Jones and all-time professional basketball great Elgin Baylor will handle the play-by-play and color chores for the game.

Players for the Pizza Hut Basketball Classic will be outstanding college seniors, selected by basketball fans across the country. Ballots listing the 74 nominees named by an advisory board of sports journalists are available through more than 800 Pizza Huts and sports information directors of institutions whose players are nominated.

Fans are selecting eight players for each squad, and the advisory board and two coaches will select two others for each team.

Dean Smith of the University of North Carolina will coach the Red (east) squad, and Ted Owens, University of Kansas, will be mentor for the White (west) team.

The game will be played in the rotunda of the Las Vegas Convention Center.

Proceeds will go to Wichita State University, Marshall University, Sacred Heart College of Wichita, and the U.S. Olympic Committee. Wichita State and Marshall both lost their football teams to fatal air crashes in 1970. Sacred Heart is a typical small liberal arts college.

The game is being sponsored by the Pizza Hut Charities Foundation, Inc., philanthropic arm of Pizza Hut, Inc., international restaurant chain based in Wichita, Kan.

## NFL Ends Meeting

HONOLULU (AP) — The National Football League meetings have ended with the establishment of a new award—the Pioneer Award—to be presented annually in conjunction with The Hall of Fame ceremonies.

The award, suggested by William Sullivan, president of the New England Patriots, will honor Dan Reeves, the late owner of the Los Angeles Rams, and will be presented to significant innovative contributors to pro football.

## Texas AAAA All-State Team Lists Announced

FORT WORTH (AP) — Dallas Roosevelt's Ira Terrell, Midland's Gary Brewster, and Westlaco's Tommy Barker were the leading vote getters on the 1971-72 Texas Sportswriters Association Class AAAA All-state basketball team announced Saturday.

Brewster, a 6-foot-8 senior who paced Midland to a berth in the state tournament was the top vote-getter with 50 points. Terrell, who headed Roosevelt's state champion team, got 47 points and Barker, a 6-11 senior, had 45.

Rounding out the first team were Houston Wheatley's 5-11 playmaker Gaylord Davis and Abilene's 6-0 Wayne Williams.

The front line of Barker.

★ ★ ★

### FIRST TEAM

Inside — Gary Brewster, Midland, 6-8, 210, Sr.; Ira Terrell, Dallas Roosevelt, 6-8, 215, Sr.; Tommy Barker, Westlaco, 6-11, 200, Sr.; Outside — Gaylord Davis, Houston Wheatley, 5-11, 165, Sr.; Wayne Williams, Abilene, 6-0, 170, Sr.

### SECOND TEAM

Inside — Rick Bullock, San Antonio Jefferson, 6-8, 220, Sr.; Willie Hodge, San Antonio Sam Houston, 6-8, 195, Sr.; David Kimmel, Dallas Highland Park, 6-7, 228, Sr.; Outside — Grady Newton, Lubbock Monterey, 6-5, 170, Sr.; Jimmy Shelton, Deer Park, 6-0, 155, Sr.

### THIRD TEAM

Inside — Eddie Owens, Houston Wheatley, 6-5, 195, Jr.; Danny Van Rhee, Deer Park, 6-6, 195, Jr.; (tie) Melvin Moore, Dallas Roosevelt, 6-6, 195, Sr.; and Wayne Wayman, Fort Worth Eastern Hills, 6-8, 210, Sr.; Outside — Huey Smith, Houston Lincoln, 6-1, 175, Jr.; (tie) Keith Kitchens, Hereford, 6-1, 170, Jr. and Dwight Carrington, Dallas South Oak Cliff, 5-10, 150, Sr.

Brewster and Terrell, who is 67, is one of the tallest in schoolboy AAAA All-State history. All three averaged 20 rebounds per game.

Barker was the leading scorer with a 31.2 average.

The second unit included 6-8 Rick Bullock of San Antonio Jefferson, 6-8 Willie Hodge of San Antonio Sam Houston and 6-7 David Kimmel of Dallas Highland Park on the inside with Grady Newton, a 6-5 senior from Lubbock Monterey and 6-0 Jimmy Shelton of Deer Park on the outside.

The third unit had seven players on it with ties at one inside spot and at one guard. The inside players selected were Houston Wheatley's 6-5 Eddie Owens, Deer Park's 6-6 Danny Van Rhee, Dallas Roosevelt's 6-6 Melvin Moore and Fort Worth eastern Hill's 6-8 Wayne Wayman. The guards named were Houston Lincoln's Huey Smith, Hereford's Keith Kitchens and Dallas South Oak Cliff's Dwight Carrington.

## IN SWIM MEET

# Four Records Fall

WEST POINT, N.Y. (AP) — A surprising victory in the climactic 800-yard freestyle relay enabled Southern California to remain within striking distance of heavily favored Indiana in the NCAA Swimming and Diving Championships Friday night as four American records fell.

After two days and 11 events, Indiana, seeking a record-tying fifth consecutive title, had 263 points to 227 for Southern Cal. The remaining seven finals are scheduled for Saturday night following afternoon qualifying heats.

In addition to Southern Cal's exciting, record-breaking relay victory in Friday night's final event—the Trojans were clocked in 6 minutes, 38.635 seconds erasing their own mark of 6:39.040—other American records were set by Indiana's Mark Spitz in the 200-yard butterfly (1:46.89), Jerry Heidenreich of Southern Methodist in the 200-yard freestyle (1:38.357) and Stanford's Brian Job in the 100-yard breaststroke (1:56.833).

Job set his mark in a qualifying heat but was edged in the final by Tom Bruce of UCLA in nonrecord time.

lished an NCAA mark of 51.293 in winning the 100-yard backstroke but fell short of the American standard of 51.200.

The night's other winner was Gary Hall of Indiana in the 400-yard individual medley. Hall, who won the 200-yard medley on Thursday night, thus became this year's first double winner.

Southern Cal's relay triumph came when Jim McConica, runner-up earlier in the 200-yard freestyle, came from behind in the last 50 yards and overtook Indiana's John Kinsella, a bronze medalist at 1,500 meters in the 1968 Olympic Games.

Indiana fielded a brilliant foursome consisting of freshman Tom Hickcox and three superstars—Hall, Spitz and

Kinsella. Southern Cal used a makeshift quartet of Ed McCloskey, Steve Tyrrell, Tom McBreen and McConica. Frank Heckl, who won six gold medals in the Pan-American Games last year, was held out of the relay.

Indiana, which went into Friday night's finals with a 116-99 lead, opened its margin to 228176 before Southern Cal outscored the Hoosiers 19-9 in the 100-yard breaststroke and 32-26 in the relay.

Indiana piled up 35 points in the 100-yard backstroke to 10 for the Trojans on the strength of a 23-5 finish by Mike Starr. John Murphy and Larry Barbieri. That was the Hoosiers' biggest point event, even though they didn't win it.

**Pampa Youth Is On College Board At Sewanee, Tenn.**

JOSIAH M. DANIEL

Josiah M. (Joe) Daniel III of Pampa, a junior at the University of the South, Sewanee, Tenn. has been elected to the university's board of trustees. He is one of two students in the college and one in the school of theology to be seated on the governing board.

Daniel, the son of Mr. and Mrs. J.M. Daniel, Jr. of 1928 Evergreen, is attending Sewanee on a National Merit Scholarship and is designated a Wilkins Scholar by the university. He is a member of the Order of Gownsmen, president of the Sewanee Ski and Outing Club and a member of the university's ski team, and is a member of Delta Tau Delta fraternity.

The University of the South, which is owned by 24 Episcopal dioceses in 12 southern states, was among the first colleges to include students in its board of trustees.

**Pampa Girl Joins Delta Beta Group**

ABILENE—Miss Phoebe Skelly of Pampa is pledging Delta Beta, one of the women's organizations on the campus of McMurry College.

She was one of 47 pledges of women's social clubs presented by Women's Interclub in Radford Social Hall. Sugar and Spice was theme of the presentation.

Her parents are Mr. and Mrs. John Skelly, Jr. of 916 N. Somerville, Pampa. She is a graduate of Pampa High School.

Miss Skelly is classified as a freshman at McMurry.

**Fine Arts Association Tells Reception Plans**

Final plans are being completed by the Pampa Fine Arts Association for the Van Cliburn concert, to be given in the new M. K. Brown Auditorium, May 9.

With a capacity crowd expected, Mrs. William Charlton, ticket chairman, said ticket sales are going extremely well. All tickets have been sold in the area cities of Canadian, Perryton, McLean, Miami and Stratford, with a few \$10 tickets still available in Amarillo at Tolzien's Music Company. There are fewer

than 75 tickets available for patrons in Pampa at \$25 each. The auditorium will seat 1600.

Proceeds from the ticket sales will pay for the expenses of the concert as well as a concert grand piano, a gift to the auditorium by the Fine Arts Association.

Arrangements for the reception immediately following the concert are under the direction of Mrs. Robert E. Imel, chairman.

"Purpose of the reception, is of course, to give those attending the concert an opportunity to meet Van Cliburn personally," said Mrs. Imel.

**Tech Teacher To Play Organ At Church Here**

Dr. Judson Maynard, professor of music at Texas Tech University, will play an organ concert at 4 p.m. today in St. Matthew's Episcopal Church, Pampa. The concert is open to the general public and all area musicians and music students are especially invited.

There will be no admission charge.

Dr. Maynard, is chairman of the organ division and director of freshman theory instruction.

Dr. Maynard is a past president of the Lubbock Chapter of the American Guild of Organists and director of choirs at St. Stephen's Episcopal Church. He has appeared as soloist in regional and national concerts and, in 1968, presented the closing concert at the Third International Organ Festival in the Metropolitan Cathedral, Morelia, Michoacan, Mexico.

As a musicologist, he has done extensive research in the field of primitive music, having lived and studied with the Lacandon Indians, Lacanha, Chiapas, Mexico.

A variety of hors d'oeuvres will be offered including champagne and caviar, fruit punch, coffee and tea with sweet accompaniments. Table appointments will be of silver, and table decorations are being made by Mrs. Robert Curry, Mrs. William L. Arrington and Mrs. John R. Reeve, Jr. will be responsible for the food preparation with the assistance of Mrs. Billy Davis and Mrs. Robert Lincecum. The punch and drinks will be arranged by Mrs. E. L. Green, Jr., Mrs. Homer Johnson, Mrs. Jack McCreery, and Mrs. Dudley Steele. Mrs. H.P. Donohue, Jr., Mrs. B. D. Kindie and Mrs. Ernest Wilkinson will oversee serving pieces and guest registration.

Hostesses, who will be in formal attire, include Mrs. William L. Arrington, Doug Coon, William Campaign, Kirk Duncan, William Dunn, H. P. Donohue, Jr., Robert Curry, Eben Warner, Jr., E. L. Green, B. D. Kindie, Ernest Wilkinson, George B. Cree, Jr., David Tucker, Wiley Reynolds, Julian Key, Homer Johnson, Jack McCreery, John R. Reeve, Jr., and Dudley Steele.

**TV Networks Planning To Eliminate Violence**

WASHINGTON (AP) — The presidents of the three major television networks say they plan to eliminate excessive violence from children's programs which could be mentally harmful to the young viewers.

In fact, ABC President Elton H. Rule said Thursday that by this fall cartoon series which depend solely on action and are devoid of comedy will have been taken off the network's children's schedule.

"We are placing additional emphasis on resolving conflict in children's programs through nonviolent means," he told the Senate subcommittee on communications, which is investigating crime and violence shown on television.

Rule, along with NBC President Julian Goodman and CBS President John A. Schneider, agreed with the U.S. surgeon general's recent report that there is a causal relationship

between TV violence and aggressive behavior in some children.

Rule said greater emphasis is being placed on presenting children's programs which resolve conflict through charm, intelligence and imagination.

When selecting the time slot for a new series, more emphasis will be placed on the possible bad impact the show might have on young viewers, Rule said.

He said ABC makes a point to stress the solution of crime and the arrest of criminals on programs which have a definite adventure slant.

"In programs of this type, by stressing the solutions rather than the portrayal of the crime, we hope to combat disrespect for law and authority," Rule said. He gave as examples "The FBI" and "Mod Squad."

**\$2 Billion Projects Handled By NCTCG**

DALLAS (AP) — More than \$2 billion in local government projects has been handled by the North Central Texas Council of Governments since 1967.

The agency's review powers, resulting from the Model Cities Act of 1966, were granted to prevent duplication of projects, most of which are funded through federal grants and are aimed at assisting local governments.

The program's coordinator, Jim Parr, said projects range from the \$600 million Loop 9 Highway project, still in its planning stage, to a recent \$176,000 Garland parks program.

**School Choir Entertains Kiwanians**

Downtown Pampa Kiwanians were entertained at their Friday luncheon by the Stephen F. Austin Elementary School Choir under the direction of Mrs. Ruby Gunn.

Modern folk music, an African chant and a patriotic medley was sung by the choir. Kim Chittenden was presented in an interpretive ballet and several of the choir numbers included segments by various members.

The entire choir played wind and percussion instruments during one of the numbers directed by Mrs. Gunn.

MRS. ANDY SPEAR  
...Sylvia Graham

## Miss Sylvia Graham Marries Andy Spear

Miss Sylvia Graham of Pampa and Andy Spear of Altus, Okla., exchanged wedding vows Saturday, March 25, in the First United Methodist Church of Pampa.

The bride is the daughter of Mr. and Mrs. Jack Graham, and the bridegroom is the son of Mr. and Mrs. Kenneth Spear of Altus.

**THE CEREMONY**  
The ceremony was performed before an altar holding an open Bible, and candles, flanked by seven-branched candelabra, entwined with greenery, and baskets of white gladioli and foliage.

Jerry Whitten, organist, played the traditional wedding processional and recessional. He also accompanied Miss Diane Graham, soloist, who sang "One Hand, One Heart." Dr. Lloyd V. Hamilton, pastor of the church, officiated for the double-ring ceremony.

**THE BRIDE**  
The bride, given in marriage by her father, wore a floor-length gown of angelmist peau de soie and Alencon lace over bridal taffeta, designed with high neckline, empire waist, long Camelot sleeves, and a semi-A-line skirt with a full back. Inserts of Alencon lace, enhanced with tiny sequins, complimented the neckline, bodice, sleeves and skirt of the gown. The full back ended in a sweeping chapel-length train. Her three-tiered veil of imported illusion fell from a coil of orange blossoms and seed pearls.

She carried an Edwardian nosegay of white poppies, daisies, purple statice, pink roses, and baby's breath with streamers of matching colors.

For something old and something blue she wore a garter, worn by her mother at her wedding. For something new, she wore her bridal gown and for something borrowed she wore her maternal grandmother's engagement ring.

**ATTENDANTS**  
Miss Diane Graham, sister of the bride, was maid of honor. She wore a floor-length dress of Paris-pink satin, fashioned with Empire waistline, chantilly lace bodice and lantern sleeves cuffed at the wrist. The bridesmaid, Miss Debbie Shive of Stratford wore an identical gown of camellia pink. Both bridal attendants carried a nosegay

of pink and white pompons, encircled with pink lace.

Nicky Spear and Tommy Spear of Altus, brothers of the bridegroom, served as best man and groomsmen.

**MOTHERS**  
The bride's mother wore a lime-green crepe dress, styled with scoop neckline and Empire waistline, with a lace, sleeveless tunic fastened at the collar with rhinestone clips. Her corsage was of white roses.

The bridegroom's mother wore a pink double-knit dress, contrasting pink trim, and pink accessories. Her corsage was of white roses.

**RECEPTION**  
For the reception in the church parlor, the bride's table was centered with an arrangement of white and pink gladioli and carnations, flanked by crystal candelabra. The white wedding cake was decorated with pink roses and topped with a miniature bride and bridegroom that was used at the bride's parents' wedding reception.

Miss Toni McLennan and Mrs. James Baker, both of Amarillo, assisted with serving the punch and Miss Angela Hudson of Lubbock served the cake. Miss Cathy Kelley of Amarillo registered the guests.

For the wedding trip, the bride wore a rosin-egg-blue double-crepe pant suit, designed with a dress-length top, Empire waistline and long sleeves.

**AFFILIATIONS**  
The bride, a graduate of Pampa High School, attended West Texas State University and has been employed in Amarillo.

The bridegroom completed high school at Oklahoma City Southwestern and attended Altus Junior College and Southwestern State College at Weatherford. He is presently employed in Altus, Okla.

**PRE-NUPTIAL EVENTS**  
Pre-nuptial events included a shower given by Mrs. J.H. Gallman, W.R. Campbell, G.M. Walls, Gene Barber and Jack Stroup, in the parlor of the First United Methodist Church of Pampa. A miscellaneous shower in Amarillo was given by the bride's co-workers. A rehearsal luncheon was given by the bridegroom's parents.

After a brief wedding trip, the couple will reside in Altus, Oklahoma.

**OUT-OF-TOWN-GUESTS**

Among the out-of-town guests were Mr. and Mrs. Clyde Spear, Hinton, Okla., Grandparents of the bridegroom; Mr. and Mrs. Wayne Spear, Mr. and Mrs. Gary Wilson, Ricky Jackson, Jim Bennett, Mrs. Nicky Spear and Mrs. Tommy Spear, all of Altus, Okla.; Mr. and Mrs. John Merriman, Miss Maxine Merriman, all of Amarillo; and Mrs. Helen Merriman of Silver City, N.M.

## Luncheon Meet Held By PEWS

The Petroleum Engineers' Wives Society of the Pampa-Borger area held a luncheon meeting recently in Pampa.

Mrs. Don DeGreer of Borger, president, led the business session, during which the slate of officers, to be voted upon in April, was presented. Up for election are Mrs. J.C. Boyer of Pampa, president; Mrs. Mack Courtney of Pampa, vice president; Mrs. Harry C. Johnson of Borger, vice president; Mrs. Joseph Carlisle of Borger, secretary; Mrs. J.C. Smith of Pampa, treasurer; Mrs. Bill Burford, Borger, yearbook chairman; and Mrs. Don DeGreer, Borger, parliamentary.

The program, presented by Mrs. Bonnie Everhart, was on the care and styling of wigs and hairpieces.

Those attending from Pampa were Mrs. Edith Morris, Panhandle; second vice president, Mrs. Barbara Williams, Panhandle; recording secretary, Mrs. Kay Burke, Panhandle; and Mrs. Bea Bowers, Pampa, recording secretary. These officers will serve for two years.

Miss Frances Sellers of the Panhandle Future Teachers of America was mistress of ceremonies for the program, which was under the direction of Mrs. Marguerite Hudgins. A play "Win, Place or Show"

was given by the professional growth committee.

Preceding the program, the women observed a period of meditation in memory of Mrs. E. E. Ewing, a long-time friend of the sorority.

Hostesses were Mrs. Vera Copeland, Fidelia Hogge, Jayne Sadler and Nanette Padgett.

**Sing It, Grizzlies**  
How do you train 20 bears to sing hillbilly music and do some fancy guitar picking? The Disney "Imagineers" solved the problem and the result is the "Country Bear Jamboree" at Walt Disney World in Florida. The Frontierland attraction in the Pepsi-Cola, Frito-Lay Grizzly Hall venue features the wildest country and western music east of Nashville.

## Engaged

Mr. and Mrs. Elmo G. Weyel of Snyder announce the engagement of their daughter, Nancy, to Mike Ruff, son of Mr. and Mrs. Shelby Ruff of Pampa. The wedding will take place June 24, in the First Presbyterian Church of Snyder. The bride-elect, a graduate of Snyder High School, is a senior student at Texas Tech University, Lubbock, where she is majoring in education. The prospective bridegroom, a 1968 graduate of Pampa High School, is a senior honor student at Texas Tech, where he is majoring in business administration.

## Pampan Elected DKG President

Mrs. John Vantine, Pampa, was elected the president of the Theta Delta Chapter of Delta Kappa Gamma at a recent meeting in the First National Bank Heritage Room, Panhandle.

Other officers named were first vice president, Mrs. Edith Morris, Panhandle; second vice president, Mrs. Barbara Williams, Panhandle; recording secretary, Mrs. Kay Burke, Panhandle; and Mrs. Bea Bowers, Pampa, recording secretary. These officers will serve for two years.

Miss Frances Sellers of the Panhandle Future Teachers of America was mistress of ceremonies for the program, which was under the direction of Mrs. Marguerite Hudgins. A play "Win, Place or Show"

was given by the professional growth committee.

Preceding the program, the women observed a period of meditation in memory of Mrs. E. E. Ewing, a long-time friend of the sorority.

## ESA Names Outstanding Members

Three members were honored and presented charms for outstanding work in the organization at the recent meeting of the Kappa Alpha chapter of Epsilon Sigma Alpha sorority.

Mrs. Joe Miller was named outstanding ESA girl; Mrs. Fern Berry, outstanding first-year member; and Mrs. Charles Browder, outstanding pledge. The awards were made by Mrs. Ray Woodridge, president.

An educational program on Texas was presented by Mrs. Norman Sublett.

During the business session, plans were discussed for the Muscular Dystrophy Benefit Dance, to be held Saturday at St. Vincent's School. The discussion was led by Mrs. Bob Yost, social chairman.

The nominating committee, composed of Mrs. Norman Sublett, Mrs. Tommy Sells and Mrs. Bob Yost, gave its

report. Members discussed the state convention, to be held May 5-7, at Fort Worth.

Members present were Mrs. Ray Woodridge, Horace Henley, Irvin Hungerford, Joe Miller, Norman Sublett, Jerry Dennis, Tommy Sells, Maxine Dunham, Ed Bailey, Ray Floyd, Floyd Vaughn, Charles Browder, Alvin Bicknell, Jerry Thompson, Joel Plunk, Fern Berry and Bob Yost.

Mrs. Evelyn Mason  
...Altrusa president

## Altrusans Choose Officers

Miss Evelyn Mason was elected president of the Pampa Altrusa Club during a luncheon meeting recently in the Coronado Inn.

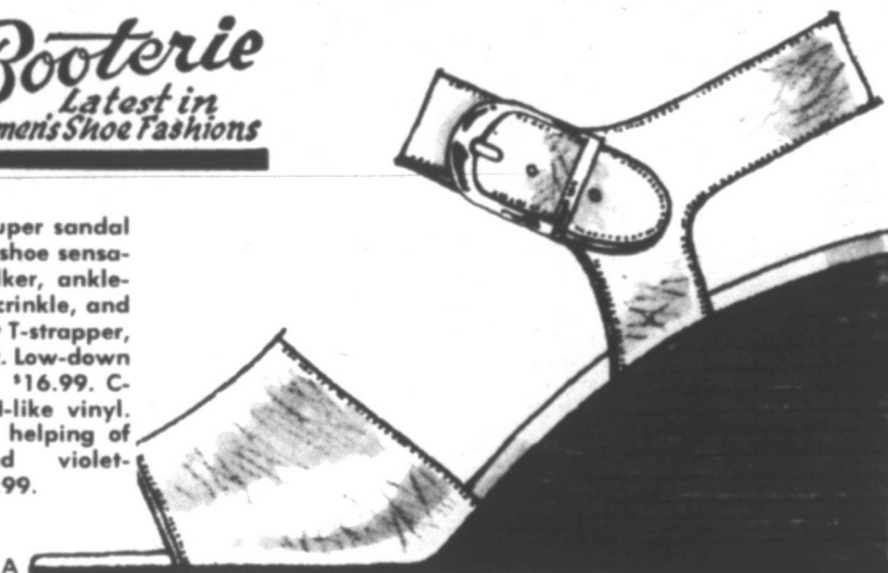

Miss Mason is executive director for the Agricultural Stabilization and Conservation Service.

Others elected were Mrs. Katherine Sullins, vice president; Mrs. Mary McDaniel, recording secretary; Mrs. Geneva Tidwell, corresponding secretary; Mrs. Glydene Shelton, treasurer; and Mrs. Irene Cox and Mrs. Marian Stroup, directors.

**Let's Be Honest**  
Are the agricultural scientists' attempts to improve crop yield leading to disaster? Not according to Dr. Earl Butz, the new Secretary of Agriculture. Speaking before the Foundation for American Agriculture, Dr. Butz observed: "The plain truth is that the ecology of nature is pretty severe on man, and man is constantly trying to modify it."

# Davis-Tynes Vows Said In Candlelight Ceremony

During a candlelight ceremony at 7:30 Saturday, March 18, in the sanctuary of the First United Methodist Church of Arlington, Miss Joyce A. Davis and Dr. Joe W. Tynes were united in marriage.

Miss Davis is the daughter of Mr. and Mrs. Harmon J. Davis of Washington, D.C. Dr. Tynes is the son of Mr. and Mrs. Joe W. Tynes of Pampa.

Officiating at the ceremony was Dr. Jack Payne, minister of the First Methodist Church. Music was provided by Rev. Bill Miller, minister of music. "O Perfect Love" and "The Wedding Prayer" were the selections chosen to precede the ceremony, with "Because" and "The Lord's Prayer" sung during the candlelight service.

### ATTENDANTS

Mrs. John Ivory of Eugene, Oregon, was matron of honor. Serving as bridesmaids were Mrs. Paul Burnett of Arlington and Mrs. Harmon Davis of Atlanta, Ga., the bride's sister-in-law; they wore yellow dotted-swiss gowns with the neckline, empire waistline, and sleeves accented with white and yellow daisy lace trim. Matching their dresses, the attendants' headpieces were yellow organza bows with attached yellow veils. They carried long cascade bouquets of yellow and white carnations, yellow daisies, and pastel-colored mums on a background of green ivy, tied with long yellow velvet streamers.

Serving as best man was Donald Hickey of Denton. Groom men were Robert D. Brown of Canoga Park, Calif., the bride's brother-in-law; Harmon J. Davis of Atlanta, Ga., the bride's brother; Paul Burnett of Arlington, and Dr. G.W. Grammer of Arlington.

### THE BRIDE

Given in marriage by her father, Miss Davis entered the church through an archway of live greenery, white and yellow flowers, and glowing candelabras. The sanctuary was lit entirely by candelabras, which extended down the aisle, around the altar, and along the satin glass windows.

The bride wore an empire A-line satin gown. The bodice and cuffs were of Alençon lace and the Victorian collar accented the lace neckline. Appliques of the Alençon lace and pearls covered the skirt of the floor-length gown as well as the detachable chapel train. The Camelot sleeves were of sheer organza.

A matching headpiece of pearls and Alençon lace with a shoulder-length veil completed the ensemble. The bride carried a cascade bouquet of white orchids, white carnations, yellow daisies, and lilies of the valley.

### RECEPTION

Immediately after the ceremony, a candlelight reception was held in the Fellowship Hall of the church. Serving as hostesses were Mmes. Jim Miller, Ken Cleaver, Idys Cox, Irvin Walker, G.W. Grammer, and Jaunita Griffin, all of Arlington.

Music was provided during the reception by Rush Robinson of Arlington.

MRS. JOE W. TYNES  
...nee Joyce Davis

The bride's table was covered with white lace over yellow linen. The four-tiered wedding cake was decorated with yellow and white flowers and topped with a miniature bride and groom. The cake along with fruit punch, yellow creme mints, and nuts provided the refreshments. A candelabra with yellow and white flowers was the centerpiece for the table.

Following a honeymoon in Acapulco and Mexico City, the

couple will be at home at 1504 Regency Court, Arlington.

### AFFILIATIONS

The bride, a graduate of the University of North Carolina, is community relations director of the Fort Worth Museum of Science and History.

The bridegroom attended North Texas State University and received his doctorate of dental surgery from the University of Texas' Dental Branch in Houston.

## Women's Political Group Holds State Convention

The Texas Women's Political Caucus organized, resolved and endorsed at its first state convention at Mesquite last weekend. The estimated 250 official delegates also elected Helen Cassidy of Houston as the chairwoman and Jean Necaise, also of Houston, as treasurer during the meeting on the Eastfield College Campus.

Following a keynote speech by Myrtle Evers, author, civil rights worker and widow of Medgar Evers, the women settled down to decisions about by-laws and resolutions. During the final session Sunday morning, they endorsed, in separate resolutions, Frances Farenthold for governor and Alma Canales of Austin for lieutenant-governor.

Other resolutions of particular interest included one providing that mothers in Texas should be entitled to be co-guardians of their children; another resolving

that domestic workers be included under minimum wage laws in Texas; a third supporting the repeal of laws restricting under-30 persons from running for state-wide office; and a fourth which recommended the adoption of party rules for convention delegates based on the proposed Bean rules under discussion in Dallas last week.

The by-laws adopted by the TWPC convention provided that membership shall be open to all people of Texas and that all members will be extended full debate and floor privileges except that only women will be allowed to vote or hold office.

The next meeting of the newly-elected officers and policy council members will be held in Austin April 15th.

## Kadingo Lingo

By Jane Kadingo

THE SPRING-LIKE WEATHER left abruptly Thursday, catching many of us coatless and short-sleeved. The signs of spring are finally here, however. Have you noticed the robins have returned? I'm always "the last to know," but I spied my first robin last week. I wonder how many centuries the robin has been the harbinger of spring?

MY VOTE for the most polite person in Pampa goes to Louise Chittenden. We played bridge together not long ago. We play "one bids," and Louise got "stuck with it." Her comment, as I, her partner laid down my absolute-bust hand (nothing above a 10): "Oh, how nice!"

NO ONE HAS YET come up with an answer to my questions: "Why is horseradish called horseradish?" and "How do ducks hear, or with what do they hear?" There have been some good guesses, however. Thelma Irwin wondered if, perhaps, horseradish is called horseradish because we often use the term "horse" to denote strength--and horseradish is strong! Some examples would be horse power or horse laugh. I looked "horse" up in the dictionary. None of the many definitions fit, but I think Thelma may have a point there!

ABOUT DUCKS--While looking up "horse," I discovered the dictionary had a drawing naming all the parts of the horse. I looked further. It has one on ducks, too. A duck does have an ear, under all the feathers, right where an ear should be!

THEY SAY that if you want to know the truth, just ask a child. My problem is I don't ask and get the truth from my children anyway! Such as: Nickita, aged 9: "Boy, you sure were pretty when you were young, Mother."

Her Mother: "You mean, I'm not pretty now?"

Nickita: "Well...your eyes were prettier when you were young and you were skinnier!"

And my son, John, aged 8: watching me apply my makeup:

John: "What does that do?"

His mother: "It makes you look prettier."

John: "But what does it DO?"

His Mother: "It covers up the wrinkles."

John: "Well, it sure doesn't do YOU any good! Look at all those wrinkles!"

PEOPLE ARE MY HOBBY, and I particularly like talking to the young people, the teenagers and the young adults. It has been sort of a hobby of mine for several years now to try to discover what the younger generation is seeking...what it expects of life...what its opinions are of the world today, and why

Several years ago, while on vacation, I spent quite a bit of time talking with a young man, the son of some friends, who had gone the hard-drag route, but was now recovering.

He was searching for some great religious experience...you might say he was searching for God. At the time felt deeply that he was searching too hard inwardly, and failing; that he was missing what many of the "establishment members" have known for a long time. Look outward--help others. This week I came across a poem that expresses this beautifully.

"I sought my soul,  
"But my soul I could not see.  
"I sought my God,  
"But my God eluded me.  
"I sought my brother,  
"And I found all three."

Author Unknown

## Party Is Given For Mrs. Shinn

SKELLYTOWN (Sp.)—Mr. and Mrs. John Kenney attended the recent birthday party for her grandmother, Mrs. Janie Shinn, at the Magic Plains Nursing Home, Borger. Mrs. Shinn was 101 years old.

Her birthday cake was a white sheet cake decorated with clusters of red rosebuds.

Mrs. Shinn has three daughters, who are Mrs. Lelah Bass and Mrs. Ola Garden both of Erick, Okla.; and Mrs. Ara Bullock of Fritch.

## CUTTING POLLUTION

ROCHESTER, N.Y. (AP)—A low-emissions automobile may be closer than we think—possibly only five years away—according to associate prof. H. Searl Dunn of the University of Rochester College of Engineering and Applied Science. Dunn will work on research and development of a clean automobile propulsion system with the aid of a \$31,500 grant from the National Science Foundation.

GUEST-DAY TEA—Twentieth Century Allegro held its annual guest-day tea this week in the home of Mrs. Robert Mack. Shown at the event are, left to right, Mrs. James Malone, who reviewed the book, "I've Only Got Two Hands and I'm Busy Wringing Them," by Jane Goodsell; Mrs. Kenneth Giggy, president; and Mrs. Allan Wise, one of the hostesses. Other hostesses, not shown, were Mmes. A.W. Bassett, John Reeve Jr. and Bill Rice.

## Skin Care Explained To Women

Texas Delta Alpha chapter of Phi Sigma Alpha met in the home of Mrs. Felton Webb.

The program included a makeup demonstration by Mrs. F.M. Weatherford of Dunlap's. Using Mrs. Harry Cook as a model, Mrs. Weatherford presented the latest look in cosmetics, stressing skin care to retard effects of the Panhandle's dry

climate.

After a report on the newest fashions for spring by Mrs. Marvin Sillyman, club members presented a mini-fashion show with day, evening and at-home fashion ensembles furnished by Bentley's. Mrs. Sillyman was in charge of the program.

Mrs. Fred Symonds, president, conducted a short

business meeting to hear reports on plans for the spring tea from Mrs. B.F. Dorman, committee chairman, and Mrs. Bernard Organ, area representative.

Miss Jan Cook was a special guest-model. Other members attending were Mrs. Tom Dunn, Mrs. Curt Griffin and Mrs. Lonnie R. Kenney.

## 'What makes a good leader?'

By Abigail Van Buren

(© 1972 by Chicago Tribune-M. Y. News Synd., Inc.)

DEAR ABBY: We, the student government class of Roseburg, Ore., Senior High School, are interested in finding out what qualities make a good leader. We are writing to you and other leaders and compiling the results. From these responses we hope to improve ourselves and perhaps help us to become better leaders. Thank you for your help.

BETH N.

DEAR BETH: I am not suggesting that I possess all of these qualities, but in my opinion a leader must have courage, confidence, conviction, determination, and luck. But not necessarily in that order.

DEAR ABBY: I recently read in our newspaper where a traveling salesman stormed into a night club and shot up a blaring phonograph. The judge acquitted him saying he did what a lot of us would like to do—destroy the infernal machine whose sole function is to drive people mad.

I envy that salesman. I wish I had the nerve to tell the workmen at my home to cut out the dang radio.

I waited for months for repairmen to do some outside work on my house. When they finally arrived, they set up their ladders and tools, then suddenly the air was filled with rock and roll music! I went out to investigate, and the workmen said they listen to music all day long—at full blast, to drown out the noise of their tools!

I know the neighbors are as annoyed as I, but today with labor calling the tunes, we just have to put up with it.

As I was leaving my home yesterday morning, shaking with nervous exhaustion, I met a neighbor. She said the cigar smoke and radio music of the workmen in her home drove HER out!

How I wish I had the nerve to put a bullet thru my workmen's radio!

MRS. V. P. S. IN FORT MYERS, FLA.

DEAR MRS. S.: If you should ever get the "nerve," I hope you're a good shot.

DEAR ABBY: My oldest daughter is getting married in June and she wants a church wedding, and she was wondering if she could have usherettes instead of ushers.

We have talked to different ones, and they say we have to have ushers, but nobody seems to know why. Do you?

THORNDIKE, ME.

DEAR THORNDIKE: You don't HAVE to have either. But in a traditional church wedding, the men attendants are called ushers, and the girls are called "bridesmaids."

DEAR ABBY: My parents will soon be celebrating their 50th wedding anniversary. My older brother has been dead for several years. He left a wife and four children. His widow has recently remarried, and she told me that she would like to stand in the receiving line at the golden wedding reception!

Is this considered proper etiquette? And how would you handle it if you were in my position?

TOUCHY SUBJECT

DEAR TOUCHY: I would be less concerned with "proper etiquette" and more concerned with hurrying the least number of people possible. If she wants to stand in the receiving line, and your parents have no objections, welcome her.

CONFIDENTIAL TO "BROKENHEARTED": Don't despair. Miscarriage is often nature's way of preventing the birth of an imperfect child. The booklet "Empty Arms," contains a treasury of comfort for one who leaves the hospital with empty arms. It was written by Mary Joyce Rae, a minister's wife, and sells for only 30 cents. Your bookstore can get it from Herald Press, Scottsdale, Pa. Clergymen should have them to give to women who have lost babies.

What's your problem? You'll feel better if you get it off your chest. Write to ABBY, Box 69700, Los Angeles, Cal. 90069. For a personal reply enclose stamped, addressed envelope.

Hate to write letters? Send \$1 to Abby, Box 69700, Los Angeles, Cal. 90069, for Abby's booklet, "How to Write Letters for All Occasions."

RIGHT AND LEFT GRAND--Members of the Lone Stars Squares, a square-dancing group, are shown as they entertain residents of the Pampa Nursing Center, a service they perform nearly every month. Shown left to

right are Lynn Odom, Mrs. Ruth Thompson, Mrs. Doris Odom, Ed Stroud, Elmo Thompson, Mrs. Caroline Stroud and Bruce Potter.

(Staff photo by John Ebling)

SWING YOUR PARTNER--Elmo Thompson, president of the Lone Star Squares, a square-dancing group, and Mrs. Doris Odom, are shown as they performed for the residents of the Pampa Nursing Center recently.

## Low-Cal Foods Talked

The Progressive Home Demonstration Club met recently in the Reddi Room of Southwestern Public Service Company.

Mrs. Mildred Prince, SPSC home service agent, assisted by Mrs. Peaches Stevens of Berger, demonstrated the preparation of low-calorie foods, pointing out several substitutes that can be used in preparing a low-calorie meal.

The hostess gift was awarded to Mrs. B.F. Dorman. Next meeting will be at 1:30 p.m., April 4, in the home of Mrs. Audria Sandford, 601 Jupiter.

Members present were Mmes. G.B. Hogan, E.C. Golden, John King, E.P. Templin, Audria Sandford, D.A. Rife, B.F. Dorman, E.A. Revard. Guests were Mrs. Lee Jackson and Mrs. Irene Humberson.

## Two Programs Given For Rho Eta Meeting

Rho Eta Chapter of Beta Sigma Phi met recently in the Hospitality Room of the Citizens Bank and Trust building.

During the business meeting members voted on Endowment Fund proposals. Mrs. Bronnie Vaughn reported that Rho Eta's participation in the Tasting Bee-Bazaar Auction was good. Proceeds will go to the Beta Sigma Phi Scholarship Fund. Members voted on the Woman of the Year candidates, following the reading of each letter submitted for nomination. Ways and Means Chairman Mrs. Randall Phillips reported on the Tiny Tot Contest. Members voted not to have the contest this year.

Two programs were given following the business meeting. Mrs. Gary R. Clark and Mrs. Randall Cross presented a program entitled, "People." Pictures were shown of famous people, and members guessed their names. The prize given for the most correct answers was won by Mrs. William Rich.

The second part of the program, given by Mrs. Jim Foster and Mrs. Sonny Golden was entitled, "Nature." Pictures on nature were shown to members, and a book was read on how God makes all of nature.

Following the programs, refreshments were served.

Hostesses were Mrs. Carlos Nunez and Mrs. Terry Joe Haralson. Theme for the social period was, "Spring!" An old-fashioned girl in lime green, yellow, and orange stood in the center of the main table surrounded by spring flowers and mushrooms. Favors were handmade antique green and gold pencil holders with mushrooms on them. Inside the pencil holders were lollipops. Homemade plum cake and sour cream coffee cake were served to members, complimented by cranberry-raspberry punch.

Rho Eta is adding a new family to her membership. They are the William Rich family who came to Pampa from Franklin, La. William and Pat have one son, Alan, age three years. They are members of the First United Methodist Church. Mrs. Rich has been a member of Beta Sigma Phi for two years.

Members attending were Mmes. Gary B. Clark, Gary R. Clark, Ron Cline, Randall Cross, Jack Eddins, Jim Foster, Sonny Golden, Dick Handley, Terry Joe Haralson, Tommy Hill, Bill Horne, Ray Johnson, Dwane Luke, Johnnie Mack, Jay Manning, Carlos Nunez, Randall Phillips, William Rich, Les Stone, Bronnie Vaughn; and Honorary Member Georgia Mack.

## Class Given On Cooking

The Worthwhile Home Demonstration Club, the Lefors and Progressive Clubs were given instruction in gourmet cooking by Mrs. Mildred Prince of Pampa and Mrs. Peaches Stevens of Berger at a recent meeting.

Following the class, a full-course meal was served. Dishes prepared were salmon bisque, chicken with Caribbo Sauce, broccoli Parmesan, pickled beets, Jiffy-burger spaghetti, apple crunch, cheese cake and berry pink cloud.

Nine members attended from the Worthwhile Club; four from the Lefors Club; and nine from the Progressive Club.

Next month for the Worthwhile Club will be a covered-dish luncheon at 10 a.m. March 31, in the home of Mrs. Joe Jeffers, 812 N. Dwight, with Mrs. Nellie Brown as hostess. The program will be a demonstration on macrame.

## JEANS STILL IN

You're never too old or too sophisticated to entertain wearing jeans. Especially if you wear the new black matte jersey jeans and jacket Western cut. With splashes of color added to the waist with a bright suede belt, to the feet with matching suede sandals, and a long scarf wrapped around the neck.

## Something for everyone in the great Beauty Mist panty hose sale of '72

Beauty Mist styling and quality at terrific once-a-year sale prices. Save 20% on panty hose....But the sale lasts for one week only. So hurry in now, and stock up on all your favorite colors. It's the time to buy.

**IN RECITAL**--The piano students of Mrs. Ramon Wilson will be presented in recital at 8 p.m. Tuesday in the parlor of the First Baptist Church. They will be assisted with vocal solos by Mrs. Jerry Wilson, Perryton, accompanied by Mrs. Ronald Wood. Students pictured are: Front row, left to right, Lisa Michael, Mike

Moore, Heidi Allen, Lori Crawford, Kimberly Ann Wilson, Doretta Bruce and Jamie Greene. Back row, from the left, Tommy Bruce, Lisa Lindsey, Susan Michael, Lee Allen Ross, Penny Summers, Misti Neef, Leslie Michael and Lynn Crawford.

**ART SHOW OPENS**--Pampa's Fine Arts Association will hold its grand opening of the showing of the works of Joan McCrary of Oklahoma from 2 until 5 p.m. today in the Fine Arts building on West Kingsmill. Highlight of the opening will be demonstrations by the

artist on painting, modeling and glazing. During the week, the show, slated to run through Friday, will be held from 2 until 4 p.m. Shown above are two paintings by the artist, who is said to have a unique style all her own.

## Your Horoscope

By Jeane Dixon

### SUNDAY, MARCH 26

**Your birthday today:** Fresh relationship are to be explored; old ones change for the long-range betterment of all. Career, vocational skills must be developed; put off no opening for any later time. Thrift is more critically needed. Today's natives deal deftly with sharp edges, clearing out confusion, classifying objects. Their sensitivity leads to restless searches for perfection.

**Aries [March 21-April 19]:** Pay attention to the need of others, but mind your own finances and well-being above all. Your community is better served when you protect your own interests.

**Taurus [April 20-May 20]:** Expect added expense, extra time and effort to fulfill plans; keep everybody comfortable and cooperative.

**Gemini [May 21-June 20]:** Whatever you can do to direct yourself and others toward constructive efforts is worth trying. It's a Sunday of space needing filling, time needing better uses.

**Cancer [June 21-July 22]:** Stay alert and on the move, try to get a better understanding of the needs of others. Home life can improve dramatically later.

**Leo [July 23-Aug. 22]:** Give yourself a break in any way you can manage. You may have brought friends and associates as far along as they want to go for the moment; let them alone.

**Virgo [Aug. 23-Sept. 22]:** Companions, relatives may upset plans. Put in time with your favorite hobbies, pastimes, share games where you can.

**Libra [Sept. 23-Oct. 22]:** Moderation befits your needs and range of action. Friends you might seek out may not be in sympathetic moods.

**Scorpio [Oct. 23-Nov. 21]:** Some of today's activity escapes your better judgment. Wait for the full story, avoiding hasty promises.

**Sagittarius [Nov. 22-Dec. 21]:** Take a look at your own circumstances and personal limitations. Decide what is within reach and for the better, adjust schedules accordingly.

**Capricorn [Dec. 22-Jan. 19]:** Leave financial activities, business considerations out. Think about bringing your existence into fuller balance.

**Aquarius [Jan. 20-Feb. 18]:** Intellectual activities take precedence over physical deeds. Express your theories gracefully, leaving room for dissent without conflicts.

**Pisces [Feb. 19-March 20]:** Almost any situation lends itself to use of your basic attitudes, grievances if you have any, and will show you where people are, emotionally.

**PITTSBURGH (AP)** — Teachers and staff members at South Hills Catholic High School are digging into their own pockets to help students offset tuition hikes necessitated by loss of state aid.

"We have a regular \$300 increment coming next year plus a \$100 cost-of-living increase," said assistant principal James Palmer. "So the teachers got together and decided to give all or part of our raises to a scholarship fund for boys who can't pay the tuition."

## ABWA Holds Friendship Tea

Miss Paula Richmond, Mrs. Eddie Polnac, Mrs. Milton Saltzman and Mrs. James Jennings were guests of the American Business Women's Hand of Friendship tea held recently in the Citizens Bank and Trust Company.

Mrs. Vernon Graham presided at the guest register, and Mrs. Lloyd Summers presided at the serving table. Mrs. Don Elledge, ABWA president, extended a welcome to the guests and members and introduced members of the executive board.

Mrs. Fred Glick, tea chairman, assisted by Mrs. C.A. Herd, Mrs. John T. Locke, and Mrs. T.A. Mastin presented the values gained by membership in the American Business Women's Association. They stated the purpose of the American Business Women's Association is to elevate the social and business standards of women in business by uniting them nationally for training designed to make them more efficient, more considerate, and more cooperative toward their work, their employers, and their employer's customers, thereby increasing their earning ability, success and happiness.

The local Chapter of the ABWA gives a \$200 scholarship each year to a graduating senior girl or a woman desiring to further her education.

Mexico City had its first electric trolley car in 1902.

## Music Teachers Present Program

Pampa's Music Teachers' Association held its annual membership program, during which each member performed, at its March meeting in Tarpley's Recital Hall.

The opening selection was Kowalskie's "March Hongroise," played by Mrs. Lois Fagan and Miss Carol

Davis.

Mrs. Calvin Whatley and Mrs. Fagan played a piano duet entitled, "Love's Delight," by Fritz Kreisler.

A contemporary selection, "Leather Britches," from Ernest Bacon's "Hootenany" was played by Mrs. Eddie Milligan and Mrs. Charles Parr.

Mrs. Parr presented a piano solo, "Minuet" from "Suite Bergamasque," by Claude Debussy. Mrs. Harris Brinson and Mrs. Parr performed two duos, Bach's "God's Time is the Best" and "The Organist" by Lomont, with the second piano part written by Frances Frothingham.

The program concluded

with Tracy Cary playing "Wedding Day at Troldeheigen" by Edward Greig.

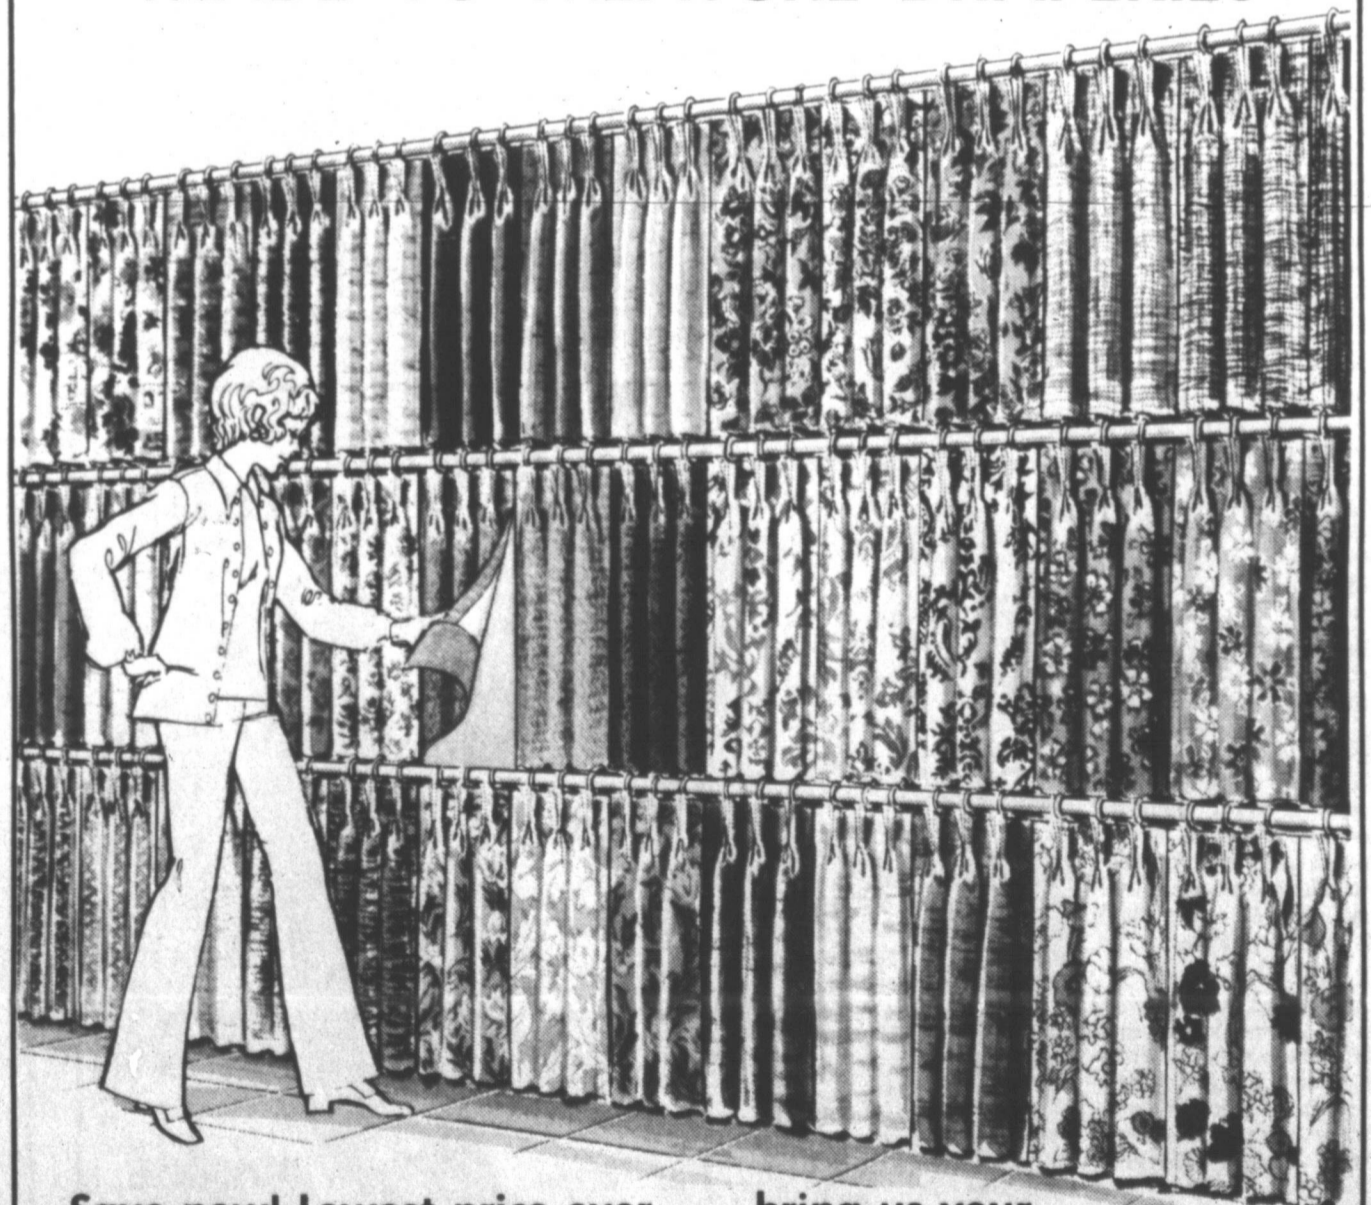

Attending the event were Tracy Cary, Miss Carol Davis, and Mrs. Calvin Whatley, Lois Fagan, Eddie Milligan, Eddie Levick, Charles Parr, Harris Brinson, Darville Orr and Carl Shafer.

## To Be Married

Mr. and Mrs. M.T. Nichols, 601 Plains, announce the engagement and approaching marriage of their daughter, Rose Ann Nichols, to Christopher A. Johnson, son of Mr. and Mrs. Hubert E. Johnson, 517 Doucette. Vows will be exchanged June 2, in St. Vincent's Catholic Church. Miss Nichols, a 1970 graduate of Pampa High School, is employed at Marie's Foundations. The prospective bridegroom, a 1972 graduate of Pampa High School, is employed at Piggly Wiggly Food Store.

## Quotable Quotes

By Associated Press  
Some quotable quotes from women during the week:  
"I watched it (the moon walk) on television and couldn't really believe it. I'm not sure that I do now. I made my daughter take me out to look at the moon after I saw it on television. I thought maybe they had messed it up and it wasn't shining anymore. But it's still shining so I suppose it is okay if we walk around on it."—Alice Higgins, 93 years old.

Journal her acquaintance with Howard Hughes.

"I believe in doing what I want to do. If I want to climb a telephone pole, then I'll go out and climb a telephone pole. But I'm not going to march up and down the streets saying I want to climb a telephone pole."—Sally Hearne, who joined the volunteer fire department in Courtland, Calif.

## This Week

"This is part of the women's liberation effort. Women should have the same rights as men, including fighting bulls in public. Why can't I do it?"—Angela Hernandez, challenging a 40-year-old ban in Spain against women fighting bulls on foot.

"One of the aspects of our society is that women's ideas are immediately negated—because they originate from women. That has been the source of my frustrations in motion pictures. I had ideas and I expressed them. But because I was a woman, I was disregarded. There is this prejudice against actresses. They're supposed to look pretty and read their lines, then shut up and go home."—Actress Barbara Streisand, in an interview.

"As a result I was belligerent, resentful and unhappy. My marks in school were terrible. I came from a family of achievers and I couldn't know a small degree of success."—Luci Johnson Nugent, daughter of former President Lyndon B. Johnson, who said in Red magazine that an eye disorder as a child made her a poor scholar.

"Howard was one of the best dancers I ever knew, and fascinating to be with. Terribly bright and intelligent. But he was immersed in his work."—Actress Ginger Rogers, recalling in the Ladies Home

## Your Horoscope

By Jeane Dixon

### MONDAY, MARCH 27

**Virgo [Aug. 23-Sept. 21]:** Focus your attention on getting a good job done in the direction you have already indicated. Changes of plans and financial details are unrewarding.

**Libra [Sept. 23-Oct. 22]:** Check your reserves, resources before entering a commitment. Home life, family affairs are liable to conflict with business.

**Scorpio [Oct. 23-Nov. 21]:** Settle down to study details of material interests, earnings, savings and what you can do with and about them. Other matters lag.

**Sagittarius [Nov. 22-Dec. 21]:** Fast decisions are all too easy to reach, particularly on risky propositions. Your resources are better saved for a more propitious time.

**Capricorn [Dec. 22-Jan. 19]:** Schedules, budgets take a beating this morning as you encounter unexpected needs. Make what adjustments you can. Family welfare must come first.

**Aquarius [Jan. 20-Feb. 18]:** What seems to be an emergency this morning may not look at all that way tomorrow, particularly in terms of money.

**Pisces [Feb. 19-March 20]:** Buying and selling are conducted against resistance, reservation for the moment. Wait until you find what you want before you buy, then reconsider.

**Monday [March 21-April 19]:** The easiest thing to do now is to rush into hasty decisions which prove costly later. Take the time to look and think, plan as you go.

**Taurus [April 20-May 20]:** Technicalities, rules hinder your smooth sailing. Concentrate on routines, completing what you started, finishing delayed projects.

**Gemini [May 21-June 20]:** Advice is free on all sides, and likely full of contradictions. Make up your own mind what to do, but if you can't, wait for a better time.

**Cancer [June 21-July 22]:** If anything requires attention or fixing, it probably will now. Save your time and energy for adjustments and modest improvements.

**Leo [July 23-Aug. 22]:** Take a conservative approach to hold and deepen the changes of the past few weeks. A small saving today provides leverage for larger ones later.

**SELECTIONS COMMITTEE**—Members of the selections committee of the six chapters of Beta Sigma Phi have been busy screening recommendations for the Pampan who will be named "Woman of the Year." Top recommendations are then presented to the individual chapters for a vote by each member. Announcement of the sorority's

choice will be made April 16, when she will be honored at a tea. Shown discussing the candidates are, left to right, Mmes. Tommy Jochetz, Charles Zlomke, Buddy Lamberson, Richard A. Wilson, Gary B. Clark, Larry Daniels and Charlie Snider.

**One Way to Tell**  
NEW YORK (AP)—"The only safe way to be sure of a person's race is to find out who his parents were and where they came from," says Dr. James C. King, an associate professor at New York University, in his book "The Biology of Race."

## Girl Scout Cookie Sale Swings Into Final Week

"Girl Scout Cookie profits will buy tents for Camp Cibola this spring, and as the Quivira Girl Scout Council Cookie Sale swings into its second week, the progress is good," according to Miss Celia Fowler, council executive director.

"Girl Scouting depends upon cookie money for camp maintenance and development," she explained.

"Just as we depend upon the United Fund and Independent Fund Drives for operation of the council, we utilize cookie money at our two camps."

Ten years of cookie sales provided the council with funds to purchase Camp Cibola, north of Clarendon, in 1970. In 1971, a successful cookie sale paid for the filtering of the swimming pool at Camp Cibola.

"Cookie sale proceeds directly benefit the 1700 Girl Scouts of our Council through improved camping opportunities," said Pat Rion, camping committee chairman. "Community support of this year's sale will make these plans for better opportunities in camping become a reality," he

**Young man taking a business course!**  
During the school day, this boy takes courses in English, arithmetic, the social sciences. And he does well at them. On his newspaper route, he takes another course—a business course, in which he applies in a practical way the things he learns in the classroom—he also learns something more.  
He learns the basics of business, which will stand him in good stead throughout his life. As a newspaperboy, he operates his own retail business, with the counsel of our circulation people who make a career of working with boys. He buys his newspapers from us, and he sells them to you. In managing his business, he delivers, collects, keeps records, learns to deal with people. Little wonder so many business leaders of today will tell you the most valuable experience they had as a boy was managing a newspaper route. It's one good way a boy can round out his education. # Gray County Democrats Schedule 2 Conventions

The Gray County Democratic Executive Committee met Monday evening at the Gray County Annex. The committee scheduled the Democratic precinct conventions for 7:15 p.m., May 6, at the Democratic precinct polling places.

The Democratic county convention was set for Saturday, May 13, at 2:00 p.m. in the Gray County courtroom.

Gray County Democratic Chairman Harold L. Comer discussed the possibility of State financing of primaries and suggested methods of financing the Democratic Primary in the event State financing is not available.

In accordance with the election code, the Committee determined by lot the order in which the names of all candidates for all offices would appear on the ballot. The candidates and the order that they will appear on the ballot are as follows:

**UNITED STATES SENATOR:** 1. Hugh Wilson, 2. Ralph W. Yarborough, 3. Barefoot Sanders, 4. Thomas M. Cartledge, 5. Alfonso (Al) Veloz.

**GOVERNOR:** 1. Preston Smith, 2. Gordon F. Wills, 3. Mrs. Frances Farenthold, 4. Dolph Briscoe, 5. Robert Everett L. Looney, 6. William H. (Bill) Posey, 7. Ben Barnes.

**LIEUTENANT GOVERNOR:** 1. John Armstrong Standlea, 2. Troy Skates, 3. Bill Jones, 4. Robert E. McCord, 5. Joe Christie, 6. Ralph M. Hall, 7. Wayne W. Connally, 8. Bill Hobby.

**ATTORNEY GENERAL:** 1. Crawford Martin, 2. John Hill, 3. William Pate.

**COMPTROLLER OF PUBLIC ACCOUNTS:** 1. Robert S. Calvert, 2. R.G. (Randy) Pendleton, 3. William J. Robertson, 4. Vernon (Gene) Smith, 5. Dallas Blankenship, 6. Stanford S. Smith, 7. James (Jim) Wilson.

**STATE TREASURER:** 1. Jesse James, 2. Lauro Cruz, 3. Baker Rudolph, 4. Nolan Robnett, 5. Odis A. Weldon, 6. Eric Smylie.

**COMMISSIONER OF GENERAL LAND OFFICE:** 1. Bob Armstrong.

**COMMISSIONER OF AGRICULTURE:** 1. Carl A. Bell, 2. John C. White.

**RAILROAD COMMISSIONER:** 1. Connie Lawson, 2. Byron Tunnell, 3. Gene B. West.

**SUPREME COURT OF TEXAS (Chief Justice):** 1. Joe Greenhill.

**SUPREME COURT OF TEXAS (Associate Justice, Place 1):** 1. Price Daniel.

**SUPREME COURT OF TEXAS (Associate Justice, Place 2):** 1. Sam Johnson.

**COURT OF CRIMINAL APPEALS:** 1. Wendell A. Odum.

**COURT OF CIVIL APPEALS, SEVENTH SUPREME JUDICIAL DISTRICT (Chief Justice):** 1. James A. Ellis.

**U.S. REPRESENTATIVE, 13th DISTRICT:** 1. Graham Purcell.

**STATE SENATOR, 31st SENATORIAL DISTRICT:** 1. Max Sherman.

**STATE REPRESENTATIVE, 66th DISTRICT:** 1. Eddie J. (Ed) Leary, 2. Phil Cates.

**MEMBER, STATE BOARD OF EDUCATION:** 1. Herbert O. Willborn.

**DISTRICT ATTORNEY:** 1. Guy Hardin.

**COUNTY ATTORNEY:** 1. John W. Warner.

**SHERIFF:** 1. R.H. (Rufe) Jordan.

**TAX ASSESSOR-COLLECTOR:** 1. Jack Back.

**COUNTY CHAIRMAN:** 1. Harold L. Comer.

**GRAY COUNTY SCHOOL SUPERINTENDENT (Unexpired term):** 1. Rena Belle Anderson.

**COUNTY COMMISSIONER, PRECINCT 1:** 1. O.L. Presley, 2. Joe K. Clarke.

**COUNTY COMMISSIONER, PRECINCT 3:** 1. James O. McCracken.

**COUNTY COMMISSIONER, PRECINCT 4 (Unexpired term):** 1. Hershel McCarty, 2. Mary Hess Dwyer, 3. Joe D. Billingsley.

**CONSTABLE, PRECINCT 1:** 1. Floyd W. McMinn, 2. R. Ben White, 3. W.R. Combs.

**CONSTABLE, PRECINCT 2:** 1. R.R. Watson, 2. D.N. (Pee Wee) Walker, 3. Jesse B. Goad, 4. S.B. (Patt) Patterson, 5. Guy M. Bowers.

**CONSTABLE, PRECINCT 5:** 1. W.E. (Jack) Matthews, 2. Brad Dalton, 3. J.D. Fish, 4. Vernon Turner.

**JUSTICE OF PEACE, PRECINCT 2, PLACE 1:** 1. G.L. (Nat) Lunsford.

# Politicians Urged To Help Raise Wellhead Prices For Oil

AUSTIN, Tex. (AP) — Texas independent oilmen have written all candidates for governor and lieutenant governor urging them to support a petition before the federal Price Commission to raise wellhead prices for oil and natural gas.

The letter to the candidates was approved March 15 at an El Paso meeting of the executive committee of the Texas Independent Producers & Royalty Owners Association.

TIPRO contends that an "energy gap" threatens the nation because oil and gas drilling has declined sharply in the past decade, but adds: "We have not run out of oil and gas in Texas, but we have run out of reserve productive capacity simply because it has not been economic to drill wells."

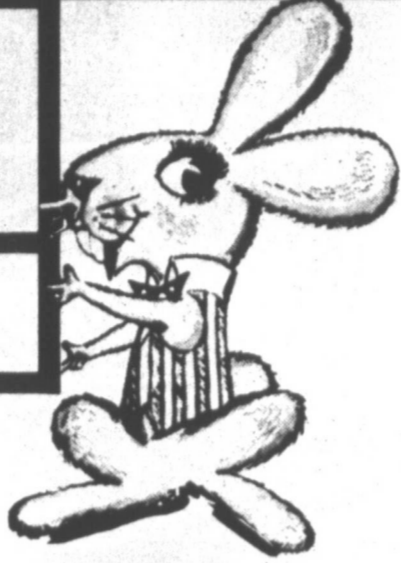

The TIPRO letter says the Railroad Commission had to order all-out oil production for April as a "direct consequence of the 50 per cent decline in drilling during the past decade, which in turn results from the fact that wellhead petroleum prices have been denied increases consonant with increased costs of exploration and drilling."

The letter says federal officials are reluctant to grant raise prices because of "misdirected 'consumer' pressures from public officials" in the northeast.

"If you agree that this holds significance to our Texas citizens—both in terms of needed state tax dollars and economic stability—then we seek your pledge to make every effort to attain this objective during your campaign and if elected," the letter says.

HIGHLAND GENERAL HOSPITAL—This is the newly-remodeled Highland General Hospital as it stands ready to administer to the needs of Pampa and Gray County medical and surgical patients and provide the latest in accredited hospital services.

## Highland General Hospital Now Fifth Largest Pampa Employer

**EDITOR'S NOTE**—This is the first in a series of weekly articles, prepared by the public relations department of Highland General Hospital, to acquaint the public with hospital officials, employees, department procedures and the many services offered to the people of Gray County.

By Judith Kitto

Highland General Hospital is considered the Medical Center of the Eastern Texas Panhandle and the western part of Oklahoma. Being the fifth largest employer in Pampa, Highland General helps to support the economy of Pampa and Gray County with a million dollar annual payroll.

Highland General was built and equipped by the Commissioners Court of Gray County and was officially opened Feb. 20, 1949, with a 90-bed capacity. The Medical and Surgery C wing was completed in 1957. The total bed capacity is now 126.

The hospital is a county institution, although it does not receive county funds for general operation. Past history of the hospital shows it to be self supporting except when county funds have been utilized for building additions and payment for bond indebtedness. County aid is given to patients only through the County Welfare Program. Before anyone who wishes to receive county aid is admitted to Highland General, he must be approved for aid by the county welfare worker whose office is located in the County Court House.

Furnishing services for medical, surgical and obstetrical patients, Highland General admitted 4,838 patients in 1971 and treated 4,811 in its emergency room facilities. Three hundred eighty-seven births were reported at Highland General last year. Medical treatment is provided by an active staff of physicians practicing in Gray County. The hospital has

PARAMOUNT, Calif. (AP) — Anyone trying to snatch parts from the hundreds of trucks parked at the SSP Truck Equipment Co. is sure to run afoul of the goose patrol.

George Rosie, Eddie and Cindy waddle around the company's 10 acres and honk alarmingly if anyone tries to sneak in at night.

14 major departments which are Anesthesia, Business, Medical Records, Purchasing, Inhalation Therapy, Pharmacy, Pathology, Physical Therapy, Radiology, Dietary, Housekeeping, Maintenance, Nursing Service and Volunteer Service. The hospital employs 224 full and part time employees, of which the greatest number is in Nursing Service.

Last November the employees of the hospital organized the Highland General Hospital Employees Association. Open to all employees, the association was organized to promote better relations among the personnel of the hospital. President Charles Tanner reports the organization is progressing nicely. "Officers have been elected, by-laws accepted and committees appointed," Tanner said. "We have a grievance committee,

executive committee, and a newspaper committee."

The first issue of the association's paper, The Highland General Hotline, will be published April 1. Vice president of the HGHEA is Geneva Govin, secretary is Elizabeth Haudashell and treasurer is Mary Lou Williams. Meetings are held on the third Tuesday of every month.

Coordination of the employees, departments and patient services is the responsibility of the hospital administrator. The administrator of both Highland General Hospital and McLean General Hospital is Bill Robertson.

Robertson, a native of Wheeler, Texas, has been administrator since January of this year. A graduate of West Texas State University, Robertson was personnel director at Northwest Texas

BILL ROBERTSON hospital administrator

Hospital in Amarillo before coming to Highland General Hospital in 1962. He was administrator from 1962 until 1967 when he resigned to take a position with Blue Cross in Dallas. Recently returning to Pampa, Robertson resides at 2136 Aspen with his wife Von Eva and their three children, Steve, age 15; Deanne, 12, and Shelly, 8.

## Easter Seal Campaign Reported Going Well

Gray County's Easter Seal Representative reported Saturday that the 1972 Easter Seal Appeal of the Easter Seal Society for Crippled Children and Adults is going well.

The 1972 Easter Seal Appeal, according to Paul Keim, Gray County Easter Seal Chairman, will finance the Easter Seal Society's rehabilitation program for crippled children and adults in Texas. Last year the Society helped over 22,000 disabled

persons through its program of assistance in finding and making effective use of services for the disabled and their families.

The Easter Seal Society helps provide 19 treatment facilities in Texas where children and adults are treated, regardless of ability to pay. These centers offer physical therapy, medical diagnosis, speech and hearing programs and related services to help the disabled build happier and more useful lives.

As Easter Seal representative, Keim is the person to contact for services from the Easter Seal Society. He can be contacted at the First National Bank, Pampa.

## NACE Section In Panhandle To Hold Meet

The Panhandle Section, National Association of Corrosion Engineers, will conduct the March meeting Monday at Sulphur's Barbeque Restaurant, Borger, with Buford Mizell as guest speaker.

Mizell, product representative for IMC Drilling Mud, Inc., will deal with the subject "Old Oil Field Procedure Offers Corrosion Protection for Buried Pipelines."

He has worked 17 years with corrosion problems in oil related industries.

The meeting will begin with a social hour at 6:30 p.m. with dinner served at 7:15

## Pampan Receives Suggestion Award

A. L. Soukup, Unit Operator, exploration and production department, has been awarded \$295.00 for his suggestion recommending the modification of equipment which resulted in a savings in operating costs.

Soukup lives at 705 E. 15th with his wife Peggy; two sons, Michael and Jerry and one daughter, Pamela. Soukup has been an employee for 25 years.

## Red Cross News

By LIBBY SHOTWELL, Executive Secretary ARC

The Red Cross 1972 Convention will be held in San Francisco, April 30-May 3 and all chapters are urged to send representatives.

Our chapter will not have a representative this year as our Annual meeting will be at the same time.

Our Annual meeting will be May 1st and everyone is urged to make plans to attend the dinner meeting this year. A good program is being planned.

This month 986 chapters in Red Cross will be conducting a March Drive. Persons who were not contacted by our United Fund this fall are urged to support our organization this month. We are thankful for our United Fund and urge people in Pampa to get ready for a fall campaign. Let us not forget our agencies who do so much for our community during the year.

We have had several calls for an advance first aid class. If you are interested call the Red Cross office and let us set up a class. We need at least 10 persons in a class.

There is a need for persons in our community to make "ditty bags." If you have a sewing machine and will volunteer your services, call our Red Cross office and help

us with this project. We have 50 bags that we will need for our "shop early program." We will again be furnishing Christmas Ditty Bags for the servicemen in Vietnam this year.

Ray Fisher, FAI, has completed a standard first aid class with the following receiving their cards: R.L. Adams, Irene Cole, Earl Culver, John and Jan Carson and Keith Enlow. Mr. Fisher also completed a junior first aid class with the following: Mike Enlow, Mike Crippen, Frank Stowers, Scott White, Wiley McIntire, Craig Allen, Bill Miller and Ledona Culber.

Nixon Asked Kleindienst To Withdraw

WASHINGTON (AP)—Sen. Adlai E. Stevenson III, D-Ill., called on President Nixon to withdraw the nomination of Richard G. Kleindienst to be attorney general.

Stevenson said he has learned that Nixon administration officials lied to him about reasons for the speedy confirmation of McLaren's judicial appointment last December.

McLaren has figured prominently in the three weeks of hearings held so far on the Kleindienst nomination. Stevenson said that just before Christmas he was told U.S. District Judge Julius J. Hoffman in Chicago was faced with an immense backlog of cases and was requesting immediate semi-retirement.

People In The News

NEW YORK (AP)—U.S. Magistrate Gerald Gottle has postponed until April 26 hearing on a Swiss request for extradition of Edith Irving.

Mrs. Irving's handling of checks given Irving by the McGraw-Hill Book Co. for relay to Hughes. She is a Swiss national.

LOS ANGELES (AP)—A theatrical producer's \$209,000 breach of contract suit against entertainers Howard Keel and Kathryn Grayson has been rejected by a judge.

Banking Fraud Grand Jury To Reconvene

HOUSTON (AP)—A Houston federal grand jury, investigating the Texas stock and banking scandal for the past year and a half, is expected to reconvene late this month or early April.

Jesus Fathers and alleged securities in Switzerland. One of the three counts was replaced in the superseding indictment by one involving questions concerning a now defunct West Virginia firm called Bedrock Petroleum.

BEAUMONT, Tex. (AP)—The thief who visited a resident here apparently had food rather than wealth on his mind.

LOS ANGELES (AP)—The Police Department has hired the first 16 men who will guard police stations, freeing officers for field duty.

### Income Tax Q And A

**EDITOR'S NOTE**—This column of questions and answers on federal tax matters is provided by the Pampa office of the U.S. Internal Revenue Service and is published by The News as a public service to taxpayers.

**Q) Last year I purchased a \$5,000 certificate of deposit having a redemption value at maturity in three years of \$5,900. Can I wait until this certificate matures before paying tax on the interest?**

**A) No.** Starting Jan. 1, 1971, deferred interest became taxable annually on a monthly pro rata basis if the maturity of the deposit or account is more than one year. For example, if you purchased the certificate of deposit on July 1, 1971, you must include in income \$160 of the total deferred interest of \$960 on your 1971 return.

**Q) Are tips taxable?**  
**A) Yes.** All tips you receive are subject to Federal income tax. In addition, cash tips amounting to \$20 or more that you receive in a month while working for any one employer must be reported to that employer so that income tax and social security tax may be withheld.

**Q) My grandfather died last year and left me 200 shares of stock he purchased at \$10 per share. The stock was worth \$20 per share when he died. Do I have to pay tax on this inheritance or the amount the stock appreciated?**

### Perryton Asks County To Help Finance Sanitary Plan

**PERRYTON**—At the regular meeting Tuesday of the Perryton City council, a resolution was passed asking for county assistance in financing the sanitary land field site. It was stated that 20 per cent of the volume comes out of the city. The council and county commissioners will meet at a later date to discuss the proposal.

An ordinance was passed to increase revenue for trash collection. The new ordinance

calls for a fifty-cent increase in monthly residential charges and a fifty-cent increase in commercial charges. Commercial customers already paying above the minimum will be increased in proportion.

The council passed an agreement with the Texas Highway Department to install a flashing beacon light at the intersection of 24th and Main.

Bids were accepted on the

"material only" on a sprinkler system for three more holes at the City golf course. The three holes will be complete in the fall.

Lawrence Baily, golf pro from Arvada, Colorado will replace Andy Anderson on April 20. Baily has had eight years experience as a golf pro.

San Francisco's cable cars are considered a national historic landmark by the Federal government.

**NEW YORK (AP)**—Viewers who have wondered what happened to Allison MacKenzie of "Peyton Place," after she disappeared just about the time Mia Farrow married Frank Sinatra, are going to find out. "Return to Peyton Place" will arrive on network television as an afternoon serial on April 3 and pick up where the nighttime soap opera left off. NBC had made a deal with 20th Century-fox to acquire

### Television And Radio

the broadcast rights to Peyton Place in an unusual deal. ABC's experiment with nighttime soap opera ran from 1964 to 1969. The new, afternoon version has a head start with the audience and in several other areas. There are available all those filmed exterior shots of the New England town through all the seasons of the year.

James Lipton, the new writer, has studied the two books and the two movies and sat through most of the tele-

vision series. He has projected a new story line that will run for a year. "Return to Peyton Place" is the first project of Clare Simpson, NBC's new vice president of daytime programming. He has been commuting to California, midwifing the new series.

"Peyton Place" was a filmed show; "Return to Peyton Place" is taped. One of Simpson's major concerns has been adapting the interiors of the old to the revival.

Biggest problem has been casting. Simpson wanted to get back as many members of the original cast as possible—not easy because so many have spun off the serial to busy acting careers.

That list is headed by Mia Farrow and Ryan O'Neal. Simpson was able to sign four of the original players.

A sort of bush league "Gene With The Wind"—Scarlett O'Hara hunt has been going on for an actress to step into Mia Farrow's role of Allison.
