

Jim McCoy Due To Take Martin Judgeship Over

STANTON (SC) — Jim McCoy, Martin County Judge-elect is expected to qualify and assume the duties of the post Monday or Tuesday, becoming this county's third county judge in five months.

Bruce Frazier, who was appointed county judge by the four commissioners following the resignation of James McMorries last July, said yesterday that he recognized the fact that his appointment was only until the general election Tuesday, or "until his successor was elected and qualified."

Frazier said he has tried to call McCoy on the telephone to offer his congratulations but that he had not been able to locate the judge-elect. He said that he had talked with Mrs. McCoy, however, and had told her that he would expect her husband to come to the courthouse and qualify for the office immediately after the Tuesday voters are canvassed by the Commissioners Court on Monday.

Supporters of Frazier, identifying themselves in letters to the voters and in newspaper advertising only as "Friends of Martin County" had offered the present judge to the voters as a write-in candidate Tuesday. Frazier received 103 such votes to 62 for McCoy, who announced last spring as a candidate for the Democratic nomination for the office. Shortly after McCoy's announcement, James McMorries, who was then county judge, also announced as a candidate for re-election. Later when he was put under the fire of a grand jury investigating the county's finances, McMorries resigned both the office and the nomination, leaving McCoy unopposed on the primary ballot. In the primary, however, an initial effort was made to nominate Frazier as a write-in candidate but he received only a very few votes.

McCoy is a veteran West Texas peace officer and was formerly assistant tax assessor-collector of Martin County. Friends here say he is in Abernathy visiting his mother for a few days.

Low Of 34 Seen Tonight

The temperature was expected to dip to 34 degrees tonight, but it wasn't expected to stay there long. The U. S. Weather Bureau at Midland saw a high of 62 for tomorrow. This morning's low was recorded at the U. S. Experiment Farm, just north of town, as 41 degrees. Yesterday's high was a not unpleasant 65.

A sky-clearing new cold front, bearing no severe temperatures, moved through the Dallas-Fort Worth area an hour before dawn Thursday.

The Weather Bureau said movement of the front southward would result in clearing skies over much of the state.

Meanwhile, skies were cloudy from Mineral Wells south and eastward but generally clear from Abilene westward and throughout the South Plains and Panhandle. Rain fell in varying amounts during the night and early morning at Beaumont, Dallas, Brownsville, Alice, Palacios, Houston, Galveston, Laredo, Mineral Wells and Fort Worth.

Clearing and warmer weather was expected over much of the state Thursday except in the Panhandle and South Plains where cooler weather was looked for under generally fair skies.

Friday temperatures were expected to be mild with a weekend of sunshine indicated.

Woman Wins Battle Of Nerves In Holdup

DENVER (AP)—A Denver woman was victorious in a battle of nerves yesterday.

Police said a masked gunman entered the office of a motel operated by Mrs. Lillian Doehner, 45, and demanded money.

Mrs. Doehner informed the bandit the cash drawer was locked and said: "I'm leaving here—you make me nervous with that gun."

He told her: "Well, you make me nervous, too." Then he fled.

Hospital Given \$2,500

STANTON—A gift of \$2,500 was presented to the Martin County Memorial Hospital by the J. B. and L. E. Mabee Foundation Inc. The foundation previously had given \$5,000 to the hospital.

Excavation Bids Asked At Webb

Bids have been asked for 2 p.m. Nov. 18 for excavation and backfilling for a new building location and for building additions at Webb AFB.

The excavation, site grading, and backfilling are for the new site for building T-521 and for additions to T-521 and T-512. Successful bidder would be required to commence work within 10 calendar days after receipt of notice to proceed. The job would have to be completed 120 calendar days from that date. Complete details may be had from G. P. Howell, chief engineer, Air Installations Office, Webb AFB, phone 4-3211, extension 348.

THE WEATHER

BIG SPRING AND VICINITY: Generally fair this afternoon, tonight and Friday. Cooler this afternoon and tonight. High today 56, low tonight 34, high Friday 62.

High today 56, low tonight 34, high Friday 62.

High today 56, low tonight 34, high Friday 62.

Spray, But No Bray

This "mountain canary" didn't seem impressed—at least, he didn't "sing"—when the spray of flowers was thrust at his nose. But he was to be on hand this afternoon for the flower show at Howard County Junior College. Ronnie and Delbert Davidson were to see to that. The Davidson brothers are members of the Ag Club at HCJC and they toured the town with the donkey Wednesday urging others to view the displays of flowers arranged by the Spaders Garden Club.

JURY TOURS HOME

Prosecution Stresses Affair In Sheppard Murder Hearing

CLEVELAND (AP) — The prosecution insisted today that a secret love affair with cute Susan Hayes and dalliance with "other women" drove Dr. Samuel H. Sheppard to murdering his wife, Marilyn.

Opening a drive to send the handsome osteopath to the electric chair, Asst. Prosecutor John J. Mahon solemnly proclaimed to a jury of seven men and five women: "He and Susan Hayes corresponded. They had talked together of divorce and marriage. They corresponded in endearing terms."

"We expect the evidence to disclose that this defendant and Marilyn quarreled over activities of Dr. Samuel Sheppard with other women—that that's the reason she was killed."

Susan Hayes was a laboratory technician who once worked in the same Bay Village hospital with the defendant.

Mahon scoffed at the handsome osteopath's insistence that a "bushy haired" intruder killed Marilyn in her bed July 4.

"No one was in that home to commit a burglary," he said. "But that was arranged to deceive people."

Sheppard visited his house on the shore of Lake Erie yesterday during a jury tour of the murder scene. He clenched his fists and bit his lips as he walked with misty eyes through the home.

Three times he burst into tears. The first was when he saw an old and yellowed teddy bear on top of a dresser. The toy once had belonged to his son Chip, 7, now staying with one of Sheppard's brothers.

He cried again when he walked

into another room to face a photograph of his son, and once more while standing outside the house he had not seen since a few days after the slaying.

Yesterday, the 12th day of the trial, moved swiftly after a long tussle over seating of the jury.

At the onset, Common Pleas Judge Edward Blythin excused real estate salesman James R. Manning, a convicted sex offender, from the jury and seated an alternate juror in his place. The alternate was Jack H. Hanse, a foreman in a tractor plant.

Manning was excused after he pleaded that recent publicity about a sex crime he committed 11

years ago was making a nervous wreck of him. The defense moved for a mistrial and accused the state of removing Manning by "devious methods."

But Judge Blythin denied the motion.

Midland Man Fined In Ticket Dispute

MIDLAND — A 35-year-old butane salesman, R. W. Richardson, attributed with piling up 89 parking tickets, was fined on the first count here Wednesday.

A city court jury found him guilty after Judge Edwin T. Stitt refused to throw out the case on a challenge of the city's parking ordinance. City Atty. John Culver indicated he would proceed with trial on some eight other tickets immediately. There are more than 70 other tickets which police attribute to Richardson, W. G. Abbott, attorney for the defendant, gave notice of appeal to county court and said he would carry the case to the highest court if necessary.

Ector Bond Vote Set

ODESSA, Tex. (AP)—Ector County voters will decide Dec. 7 whether to issue \$675,000 in bonds for financing right-of-way purchases for U. S. Highway 80 and a series of perimeter roads in Odessa. County commissioners announced the election yesterday.

VOTING RESULT REAL SURPRISE

GARDEN CITY — Without knowing he was a candidate, Frank Ramsel, a rancher, has been elected a Glasscock County commissioner.

Seven of his friends made him their choice by write-in votes in Tuesday's election. The Democratic nominee, Milton Fern Cox, received only four votes.

Cox won the nomination in the July primary by defeating Ross Hodges 13 to 9. The commissioner's precinct has a potential of a few more than 20 votes.

cluded by the end of the week. Contributions and pledges continued to trickle in this morning from all divisions. Dick Simpson, general chairman, said he was confident the campaign will be a success by the time reports are received on all outstanding cards.

Simpson again urged all workers to complete their contacts and get final reports in as quickly as possible.

He suggested also that any resident of Big Spring or Howard County who wishes to contribute to the United Fund, but who hasn't been requested personally to do so, may mail check or pledge to the United Fund headquarters in the Settles Hotel.

Last scheduled reports were heard Tuesday and showed the campaign had raised about 93 percent of its goal. The extra report meeting today was expected to boost that figure to 95 or 96 percent. Probably one other extra report session will be scheduled, sometime next week, for the purpose of tabulating late gifts, Simpson said.

The chairman emphasized, however, that all the prospect cards have been worked and turned in, since all of these will be required to attain the objective.

The United Fund campaign is held annually, and takes the place of 12 separate drives formerly held by the 12 participating agencies.

The various agencies participating in the United Fund budget are Area Youth Park, West Side Youth Center, Summer Recreation Program, Servicemen's Center, Heart Association, Cancer Society, Milk and Ice Fund, YMCA, Salvation Army, Girl Scouts, Boy Scouts and Red Cross.

Oregon Victory Hands Demos Senate Margin

Senate Check Set In Jersey Vote Recount

NEWARK, N. J. (AP)—U. S. Sen. Robert C. Hendrickson (R-NJ) said today there will be Senate committee action to insure what he called proper evaluation of the close-winning margin of Republican Clifford P. Case in the New Jersey Senate contest.

Hendrickson, in a statement from his Woodbury home, said the Senate Committee on Privileges and Elections will be in New Jersey Saturday to check on Tuesday's election, in which Case now holds a 2,667-vote margin.

The statement by the retiring junior senator from New Jersey followed a conference of Democrats last night in which Gov. Robert B. Meyner ordered a statewide recheck of the results by Democratic leaders.

As ballot boxes and voting machines were guarded pending the recheck, Hendrickson said he has received assurances from the committee chairman, Sen. Frank Barrett (R-Wyo.) that the group will come to Trenton "unless otherwise announced."

"In the light of the crystal-clear verdict of Tuesday," Hendrickson said, "it is unfortunate that partisan influences seek to challenge the vote by which our new senator, Clifford Case, has been elected."

Case's lead over Democrat Charles M. Howell brought the first victory statement from the GOP camp—an announcement by his campaign manager Kenneth Perry that "Case has won."

The undecided race could give the Democrats a three-seat majority in the Senate. Absentee ballots were counted and tallies rechecked until late last night, and Case picked up close to 500 votes in Mendocino and Humboldt counties.

The governor has ordered all municipalities to place ballot boxes and voting machines under guard until the outcome of the election is determined.

For Rayburn and Johnson, the Democratic victory for congressional control was personal reward for long weeks of campaigning. Best stumped great areas of the nation.

For Rayburn, robust and lively at 72, the 84th Congress will mark his 22nd term as U. S. representative. The Fannin County rancher and farmer will be speaker of the House for the third time. Already he has surpassed the former record of tenure in the seat once held by Joe Cannon. Now every day the Bonham salon serves extends his record.

Minority leader in the 83rd Congress, Johnson can begin his second Senate term as majority leader.

Texas who know the 44-year-old Johnson believed there was

little doubt the senator would attempt organization of the Senate under the Democratic banner, despite a statement Wednesday night by Sen. Hayden (D-Ariz.). Hayden said the Democrats might be "reluctant" to organize with a majority of only one.

The one-vote majority became evident Wednesday night with the apparent election in Oregon of Richard L. Neuberger over Sen. Guy Cordon, veteran Republican.

Any hope the Republicans may have had for a two-party system in Texas was smashed decisively by the Tuesday voting that saw only a few GOP members get more than 10 or 12 percent of the vote.

Gov. Allan Shivers, Sen. Johnson, Agriculture Commissioner John C. White, and nearly every other Democrat won smashing victories.

But even for the Texas congressional delegation, the Congress' top leaders in its ranks, there was a fly in the ointment.

Republican Bruce Alger, Dallas realtor, won election over former Dallas Mayor Wallace Savage for representative from the 5th District.

Alger, 36, succeeds Rep. J. Frank Wilson of Dallas. His final margin over Savage, former state Democratic Executive Committee chairman, was 3,600 votes.

Texas also approved 11 amendments to the state Constitution. The amendments make it lawful to raise old age pensions, will require women to serve on juries, and will extend some precinct, county and district offices to 4-year instead of 2-year terms.

The other amendments vary from transferring Confederate pension funds to a building fund for state offices to increased pay for state legislators.

They are Adolph Sherman, 56, Frederickburg, and Otto B. Gaber, 47, Houston.

Sherman formerly was a Houston home builder. Gaber is a real estate salesman here.

Several other Houston area builders, agents and repair contractors are under indictment on similar charges.

Other highlights of the gubernatorial contests included: Republican Gov. Christian A. Herter's triumph in Massachusetts after a strong challenge by Democrat Robert F. Murphy. Herter won re-election.

Democrat Gov. G. Messner Williams' successful bid for a fourth term in Michigan, and Democrat Gov. Frank J. Lausche's election to his fifth term in Ohio, both unprecedented.

Republican Gov. Goodwin Knight's easy victory over Democrat Richard P. Graves in California. Knight became governor when Earl Warren was named chief justice of the United States. Republican Gov. Theodore R. McKeldin's successful quest of a second term in Maryland. His first time a Republican had ever won re-election.

In New Mexico, Democrat John F. Simms Jr. whipped Republican Alvin Stockton for the governorship given up by Republicans Gov. Edwin L. Mechem who tried unsuccessfully for the Senate.

Other highlights of the gubernatorial contests included: Republican Gov. Christian A. Herter's triumph in Massachusetts after a strong challenge by Democrat Robert F. Murphy. Herter won re-election.

Democrat Gov. G. Messner Williams' successful bid for a fourth term in Michigan, and Democrat Gov. Frank J. Lausche's election to his fifth term in Ohio, both unprecedented.

Republican Gov. Goodwin Knight's easy victory over Democrat Richard P. Graves in California. Knight became governor when Earl Warren was named chief justice of the United States. Republican Gov. Theodore R. McKeldin's successful quest of a second term in Maryland. His first time a Republican had ever won re-election.

In Connecticut, former Rep. Abraham A. Ribicoff upset Republican Gov. John Lodge.

Talk Of Declining Control Doubted

By JACK BELL

WASHINGTON (AP)—Senate control in the new Congress—barring some upset by recanvasses in tight elections—fell to the Democrats today on a victory by Richard L. Neuberger over Republican Sen. Guy Cordon in Oregon.

Election of Neuberger, 41-year-old author, assured the Democrats of 48 seats in the Senate. This is exactly half the Senate membership but is enough for Democratic control since Sen. Morse, Oregon Independent, has announced he will vote with them on organization of the Senate.

There seemed little doubt of Democratic readiness and willingness to take on the job even though one of their veterans, Sen. Carl Hayden of Arizona, questioned whether they should take the reins of a situation where one member's death might wipe out the party margin and force another shift.

Sen. Walter F. George of Georgia, senior senator, said he thought the Democrats should take the responsibility if they have the votes to do so.

And Sen. Pastore (D-RI) told reporters, "There is no doubt about it. We now have a definite obligation to the public who have put Democrats in control of both the Senate and the House."

Similarly, Sen. Gore (D-Tenn.) said, "I don't think the Democrats will run from responsibility if the people give it to them."

Sen. Lyndon Johnson of Texas, the Democratic floor leader, took the attitude that there was no reason for a rush about the issue. "I don't speculate on conjecture," he said in Texas.

Johnson added that he would be in Washington Friday night and would talk about it then.

The Senate is to convene in special session Monday to consider a recommendation by a special committee that it adopt a resolution censuring Sen. Joseph R. McCarthy (R-Wis) for conduct unbecoming a senator. This will be the "old Senate"—not including any of the newly elected members who do not take office until January.

From election night, it had been apparent that whichever party won control of the Senate, it would have it by a very scant margin. All day yesterday the issue hung in the balance on the close races in Oregon and New Jersey.

For most of the tabulating, Cordon clung to a lead over Neuberger in Oregon. But on late returns, Neuberger went ahead. The count today on unofficial returns from 2,493 of the state's 2,499 precincts.

See ELECTION, Page 4, Col. 2

Rayburn, Johnson To Have Key Posts In New Congress

By The Associated Press

Two Texans were set today to hold the reins of government in the House and Senate of the 84th Congress.

Rep. Sam Rayburn, veteran Democrat from Bonham, and Sen. Lyndon B. Johnson, Democratic stalwart from Johnson City, are scheduled to head the organized chambers of Congress.

For Rayburn and Johnson, the Democratic victory for congressional control was personal reward for long weeks of campaigning. Best stumped great areas of the nation.

For Rayburn, robust and lively at 72, the 84th Congress will mark his 22nd term as U. S. representative. The Fannin County rancher and farmer will be speaker of the House for the third time. Already he has surpassed the former record of tenure in the seat once held by Joe Cannon. Now every day the Bonham salon serves extends his record.

Minority leader in the 83rd Congress, Johnson can begin his second Senate term as majority leader.

Texas who know the 44-year-old Johnson believed there was

little doubt the senator would attempt organization of the Senate under the Democratic banner, despite a statement Wednesday night by Sen. Hayden (D-Ariz.). Hayden said the Democrats might be "reluctant" to organize with a majority of only one.

The one-vote majority became evident Wednesday night with the apparent election in Oregon of Richard L. Neuberger over Sen. Guy Cordon, veteran Republican.

Any hope the Republicans may have had for a two-party system in Texas was smashed decisively by the Tuesday voting that saw only a few GOP members get more than 10 or 12 percent of the vote.

Gov. Allan Shivers, Sen. Johnson, Agriculture Commissioner John C. White, and nearly every other Democrat won smashing victories.

Neuberger Wins Oregon Senate Seat From GOP

By MATT KRAMER

PORTLAND, Ore. (AP)—Richard L. Neuberger gave the Democrats apparent control of the U. S. Senate by nosing out Republican Sen. Guy Cordon of Oregon as the last election returns trickled in today.

The count was close, but the few ballots still uncounted were not enough to save the GOP.

Neuberger, 41, a nationally-known author, led a 2,667-vote lead with only 8 precincts unreported in the state. Those precincts could go entirely to Cordon without overturning the results. Cordon, 94, has spent 10 years in the Senate.

The only possibility of a reversal is in the official canvass, to be reported about Dec. 1. Meanwhile, Gov. Paul Patterson ordered county sheriffs to guard the ballot boxes.

Neuberger, who polled 284,695 votes to Cordon's 282,698, became the first Democrat in 40 years to be elected to the Senate from Oregon.

His apparent election brought the number of Democrats in the next Senate to 48 and Oregon's independent Sen. Wayne Morse has promised to vote with the Democrats as the 48th and deciding vote in organizing the chamber.

Neuberger, who campaigned against what he said were the "giveaway" policies of Sen. Cordon and the Eisenhower administration drew much of his strength from populous Multnomah County (Portland), where the Democrats held a decisive lead in registration.

Cordon, a supporter of the Eisenhower administration's "pastorship" program for hydroelectric development of the Pacific Northwest, was stronger in upstate areas. Republicans held a 2,000-vote lead in registration in the state.

The late surge of Democratic votes also sent Mrs. Edith Green, a Portland housewife, to Congress from Multnomah County. She defeated Republican Tom Lawson McCall, who had beaten the incumbent Rep. Homer Angell in the primary.

The state's three other Republican congressmen who were seeking re-election were victors. They are Representatives Walter Norblad, Harris Ellsworth and Sam Coon.

Paul Patterson, who became governor two years ago when former Gov. Douglas McKay became secretary of the interior, was returned to office by a large majority.

Republican Bruce Alger, Dallas realtor, won election over former Dallas Mayor Wallace Savage for representative from the 5th District.

Alger, 36, succeeds Rep. J. Frank Wilson of Dallas. His final margin over Savage, former state Democratic Executive Committee chairman, was 3,600 votes.

Texas also approved 11 amendments to the state Constitution. The amendments make it lawful to raise old age pensions, will require women to serve on juries, and will extend some precinct, county and district offices to 4-year instead of 2-year terms.

The other amendments vary from transferring Confederate pension funds to a building fund for state offices to increased pay for state legislators.

Contractor Charles Campbell's Work

When Charles Campbell, local contractor, installed his brick stone on the above structure, the result was a fine looking office building. Now being used as a dentist's office, the structure is located on the corner of Eighth and Main Streets. Though having the appearance of always being an office building, this structure was formerly a stucco residence. Campbell has given a number of structures in Big Spring a new face with his brick stone and murel stone. He can

place the stone in a minimum of time, and the finished product looks just like brick or Austin stone, depending on the type facing ordered. The brick stone, as can be seen above, is designed with a number of individual brick facings on it. Close inspection even fails to show that it is not actual brick. Campbell, whose office is at 400 Abram, also contracts concrete and stucco work. His phone is 4-2407.

McMahon Concern Adds New Products

Clyde McMahon, owner of the McMahon Concrete Company, has announced that his firm is now distributor in this area for Remington stud drivers and cartridges and for a line of lightweight, hay-dite concrete tile.

McMahon also has a large supply of expansion joint materials and can furnish them in up to carload quantities.

Contractors and other builders are invited to inspect the Remington stud driver equipment available at McMahon Concrete Company, 605 N. Benton. The tool is adaptable to fastening wood or steel to concrete, wood to steel, steel to steel, etc. McMahon also has an ample supply of cartridges for the "gun."

McMahon Concrete Company is best known throughout the Big Spring area, of course, for the high quality ready-mix concrete the concern supplies.

The ready-mix is available in any quantity the purchaser desires and it will be delivered anywhere in the area. McMahon maintains a large fleet of mobile mixing units and other trucks to provide prompt service and assure that concrete is thoroughly mixed where it is delivered.

As a result of the careful preparation of McMahon concrete according to laboratory specifications, as well as care provided in delivery, contractors have found that they can rely completely on

Thixton Shows Radically New Motorcycles

Radical changes have been made in 1955-model Harley Davidson motorcycles, now being shown and demonstrated at the Cecil Thixton Motorcycle and Bicycle Shop, located at 908 W. 3rd Street in Big Spring.

In starting its second half century, the Harley Davidson company has come out with its most attractive and most serviceable motorcycles ever made.

The 74 OHV motorcycle, which comes in seven standard and one special color, has improved its bearing arrangement and modernized its headlight and license plate bracket and added such features as aluminum sealing plates for oil-tight joints between rocker arm covers and cylinder heads.

In short, it is new from front to back. The Harley-Davidson machine can be had in such colors as Astec Brown, Atomic Blue, Hollywood Green, Pepper Red and Anniversary Yellow.

The 74 OHV gets anywhere from 38 to 40 miles per gallon of gasoline, whereas the 55-inch K sports model needs only a gallon for every 55 to 60 miles of travel.

The famous Harley Davidson 165 model will do even better in fuel consumption, getting between 80 and 100 miles per gallon.

Powerful New Ford Tractor Makes Tough Job Seem Easy

The new Ford tractor has reserve of power which makes tough going seem easy because of the "Red Tiger" engine with which it is equipped.

All a person has to do to understand why this engine furnished such excess power is to look at it. Inspection is urged by personnel of Big Spring Tractor Company, agent for Ford tractors here.

Lloyd Wasson, manager, or one of his clerks will be on-duty during all business hours to explain the various details of the tractor and engine workings. The company is located on the Lamesa Highway.

On inspection of the tractor you will see a new overhead valve engine, with big bore and short stroke that cuts the travel of each piston approximately five miles in a working day, reducing friction and helping to make possible greater power with new economy of gas and oil.

The tractor also has an engine with big rotating exhaust valves, new lightning-fast governor and dozens of other examples of advanced engineering. Ignition is completely weatherproofed. All oil is normally filtered every time around.

The whole engine is extra strong and extra rigid, as well as extra powerful.

Wasson claims that the more you know about tractor engines, the bigger kick you'll get out of looking over the one in the new Ford tractor.

"The more you know about tractors, the better you'll realize that here is the most modern tractor on today's market," he stated. Big Spring Tractor Company has a complete line of Dearborn accessories for the Ford tractor, and the firm also is dealer for Firestone tires and distributor for Amal-oil. The company is equipped to overhaul and service all makes of tractors.

Will Speak Saturday

Speakers for the regional meeting of Delta Kappa Gamma Sorority, honorary organization for teachers, will be Mrs. Lee Nowlin of Plainview, at left, and Phyllis Ellis of Fort Worth. Mrs. Nowlin is regional director and Miss Ellis is state executive secretary for the sorority, which will have members from six chapters here for the all-day meeting Saturday.

Plans Announced For Sorority Council

STANTON (SC) — Program for entertaining the Beta Sigma Phi area council has been completed. Registration will start at a reception in the home of Mrs. Jim Tom with the Mu Lambda Chapter as hostesses. The sign-up of delegates will continue at 8 a.m. Sunday at the high school in advance of the general assembly at 9:30 a.m.

Methodist WSCS Meets In Forsan

FORSAN — Mrs. Henry Nixon, president of the WSCS, presided at the business meeting recently at the Forsan Methodist Church. Mrs. Nixon gave the devotion. Mrs. L. B. McElrath, treasurer gave a report of the gifts for the Week of Prayer and Self-denial. Mrs. H. H. Story, program chairman gave an outline of the new study which starts next Monday "Under Three Flags" and is a study of India and Pakistan. It was voted to have a bake sale on Nov. 20 in the education building of the Forsan Methodist Church. All bakery goods will be baked by the women of the church. Coffee, pie, cake and cookies will also be served all day.

Following the opening ritual, the Rev. Hugh Hunt will give the devotion, followed by a vocal duet by Mary Beth Ory and Jan Nichols. A half hour coffee and buzz session is scheduled for 10 a.m. with Mrs. John Priddy to be presented as the guest speaker at 11:30 a.m. Other special guests will be introduced at this time. Invitations for the 1965 area council will be entertained at 12 noon, and at the 1 p.m. luncheon, special awards will be given and special music presented. Traditional rituals will close out the one-day meeting which is expected to attract a large representation from a number of West Texas cities. Three chapters here are combining to entertain the council.

Coming Events

FRIDAY TRAINMEN LEADERS will meet at 2:30 p.m. in the WOW Hall. LADIES GOLF ASSOCIATION OF THE COUNTRY CLUB will meet at 1 p.m. for a covered dish luncheon at the club. EAGLE BEAVER SEWING CLUB will meet at 2 p.m. in the home of Mrs. R. I. Pridde. MODERN WOMAN'S FORUM will meet for a coffee at 8 a.m. in the home of Mrs. Hugh Duncan. This is a change of time and date for the club just for this meeting. Mrs. Myrtle Lee will be a guest speaker. SATURDAY 1965 HYPERION CLUB will meet in the home of Mrs. Malcolm Patterson, south of the city. Clara Secret will be a hostess.

Knott P-TA Meets At School Tonight

KNOTT — The newly organized P-TA will meet tonight at 7:30 in the high school gym. Everyone is invited to attend. Following the business session there will be a social hour.

Bobby Johnson, who recently returned from Korea, is visiting his aunt, Mrs. John McGregor, and Mr. McGregor. He will leave soon for Artes, N. M. He is scheduled to receive a discharge from the Army.

Rebekahs Initiate Mrs. D. S. Brooks

Mrs. D. S. Brooks was initiated into Big Spring Rebekah Lodge 284 at the meeting Tuesday night in a formal candlelight ceremony. Mrs. W. B. Abernathy, team captain, directed the rites. Mrs. Bonnie Phillips presided. Mrs. Ernest Brindley of Headlight Rebekah Lodge 66 of Cutbank, Mont., sister-in-law of M. M. Madison, a member of the local lodge, was a visitor. Other guests were Mr. and Mrs. J. A. Shipley, who recently moved to Bryan. Refreshments were served to those present.

Eastmans Entertain Church Youths

WESTBROOK — The Rev. and Mrs. Clinton Eastman entertained members of the Young People's Sunday School recently with a social. Games were played and refreshments served to over 30 young people and adults.

Members of the junior class will sponsor an amateur hour Friday at 7:30 p.m. in the school gymnasium-auditorium. Admission will be 10 and 25 cents. Earl Cook is sponsor of the group.

Mrs. John Cook, the former Rita Jo Carter of Abilene, spent a few days with her parents, Mr. and Mrs. O. D. Carter. Mrs. Lula Davenport recently guests from Coahoma and New Mexico.

Ready For Sunday Exhibit

These portraits of Dr. R. Gage Lloyd and Mrs. Bernice Freeman will be among those exhibited by the artist, Addie Mae (Mrs. J. Emmette) Miller, Sunday at the Settles Hotel, Room 1. Sponsored by Thorp's

Paint Store, the exhibit will be open to the public between the hours of 2 and 6 p.m. About 21 of Mrs. Miller's portraits will be shown.

Fairview HD Club Has All-Day Meet

At an all-day meeting of the Fairview Home Demonstration Club Tuesday, Mrs. J. A. Sutherland gave a lesson in crafts. The group met in her home. Members were taught to use pottery plates to make a tiered serving plate. A luncheon was served at noon. Mrs. C. E. Suggs gave the devotion for the 12 members present. Two visitors, Dorothy Bigony and Lucille Engle, also attended. During the business meeting, committees were appointed for the coming year.

'India' Is Topic For Park WSCS Yearbook Program

The WSCS of Park Methodist Church met Tuesday evening in the home of Mrs. Harold Pearce, 1515 Vines, for a yearbook program and business session. Mrs. Jesse Young led the program entitled "Introduction to India, Pakistan and Ceylon." Mrs. Jack M. Griffin led the group in a song and Mrs. G. C. Graves offered a prayer.

Ackerly FFA Team To Enter Contest

ACKERLY — The Junior FFA quiz team and Junior Chapter conducting team will go to Seminole Saturday to take part in the leadership contest.

Recent visitors in the home of Mr. and Mrs. J. T. Cook were Mrs. Cook's parents, Mr. and Mrs. J. W. Graham of Big Spring, Mr. and Mrs. H. A. Davies and Frances of Big Spring, Mr. and Mrs. Dick Cook of Post and Ray Weaver. Guests of Mr. and Mrs. H. A. Smith have been Mrs. Smith's sisters, Mrs. W. L. McCormack and Mrs. B. F. Honea, and her brother and sister-in-law, Mr. and Mrs. T. W. Cole, all of Dallas.

Garden Club Has Morning Meeting

"Autumn's Bounty" was the name of the flower arrangements displayed at the Big Spring Garden Club meeting Wednesday morning in the home of Mrs. D. S. Riley. Mrs. Royce Satterwhite, Mrs. D. M. Penn and Mrs. Della Agnell were the arrangers. Mrs. George White and Mrs. H. M. Compton were co-hostesses. Roll call was answered by naming a fall chore in the garden. Bruce Frazier spoke to the club on the Horticultural Department in Howard County Junior College. Twenty attended. The next meeting will be a Christmas luncheon and party in the home of Mrs. Clyde Angel.

Dickie Belew Honored

ACKERLY — In celebration of the fifth birthday of Dickie Belew, the Little Seaboard Group of the Baptist Church met in the home of Mrs. A. H. Smith recently. Cake and punch were served to the following guests: Randy and Cherry Dee and Terry Hambrick, Ronnie Smith, Brenda Wallace, L. Nell Etcherson, Brenda Ingram, Merwin and Brenda Beal and Stanley Cozart.

Stanton WSCS Meets

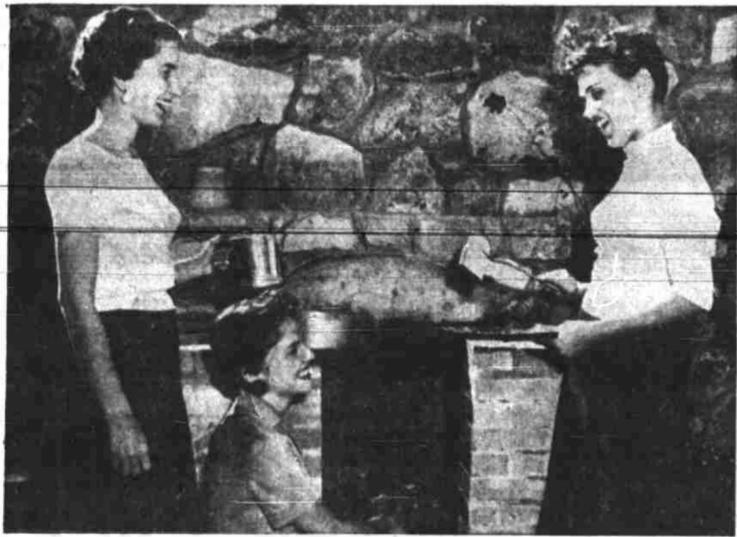

STANTON (Spl) — The WSCS of the First Methodist Church met Monday morning in their regular weekly meeting. Mrs. Hugh Hunt, the study leader, opened the new study, "Jesus's Concern for the City." Mrs. O. B. Bryan, Mrs. James Biggs, Mrs. L. C. Hazlewood, Mrs. B. F. Smith, Mrs. Cecil Bridges, Mrs. John Poe, Mrs. F. O. Rhodes, Mrs. Carol Jackson, and Mrs. Edmund Morrow took part in presenting the program. Mrs. Hunt featured posters appropriate for the study. Beginning next week the study will begin at 9:30 a.m. and the business meeting will be held afterward, so that those who must leave early will not miss any of the study.

Lutheran Women Meet For Study

Overcoming Evil with the Gospel" was the topic of the study given by Mrs. W. Heideman at the meeting of Concordia Ladies Aid Wednesday evening at the Education Building of St. Paul's Lutheran Church.

The meeting was opened by the Rev. A. H. Hoyer, who read from Galatians and gave a prayer. Plans were made to sell Christmas cards during the next two months. The group voted to continue participating at the Service-men's Center and will serve there again on Dec. 5.

The next meeting is set for Dec. 1 at 7:30 p.m. at which time election of officers will be held. Thirteen members attended and Mrs. William Schneider was a guest.

FHA Chefs

Frances Horne, center, stokes the fire while LaVelle Wasson, left, and Loretta Hinson do the cooking. Outdoor cooking is a part of the training the girls receive in the FHA classes in high school. They are observing FHA Week by putting into practice the various phases of their work, such as table service, home projects and First Aid, under the sponsorship of Mrs. Nancy Annen.

Wedding Anniversary

STANTON (Spl) — Mr. and Mrs. B. T. Hill celebrated their 60th wedding anniversary Sunday, with a luncheon in their home. The Hills were married on Nov. 1, 1894. They are long-time residents of Martin County, having come here in 1906. Twenty-seven relatives attended the luncheon and several friends called during the afternoon.

Favorites And Officers Named At Knott School

KNOTT — Knott High School seniors elected LaVelle Conway and Jerry Paige as their class favorites.

Senior class officers are Richard Parker, president; Shirley Bayes, vice president; Edwin Ditto, secretary; Edna Harrell, treasurer and June Fortune, reporter.

Chosen to serve on the annual staff were Edna Harrell, editor-in-chief; Wanda Nichols, business manager; Shirley Bayes, layout editor; Lavelle Conway and Richard Parker, sports editors; June Fortune, typist; Morris Howland, art editor and Cecil Shockley, sponsor.

In a recent meeting the seventh grade elected the following officers:

Loy Ditto, president; Joyce Robinson, vice president; Ana Ulmer, treasurer; Neva Jackson, librarian. They chose the red rose as their flower and red and white as their colors.

Pastry Trick

Here's a new twist for pastry: add 1/4 teaspoon ground nutmeg and 1/4 teaspoon ground cloves to a package of piecrust mix; make up and roll out as usual. Use this spicy pastry with a fresh apple or fresh pear filling, sweetening the apples or pears with sugar and pointing up their flavor with a little grated lemon rind and lemon juice.

Member Elected

Mrs. S. H. LaLonde was elected to membership in the Ladies Society of B.F.A. at a meeting Wednesday afternoon at WOW Hall. Mrs. Tom Adams presided in the absence of Mrs. Frank Wilson. Named to serve on the refreshment committee for the next meeting were Mrs. Scotty Sanderlin, Mrs. Cleo Richardson and Mrs. Take Bishop. Twenty attended.

Prayer Day Observed In Coahoma

COAHOMA — The WSCS held a World Day of Prayer program at the Methodist church recently.

The meeting opened with quiet music played by Mrs. Jim Meador. Mrs. W. L. Tucker, leader, gave the call to worship, followed by a song. Rev. Tucker gave the devotion on prayer. A special song was rendered by Mrs. Melvin Tindol. "Power of Christ" was given by Mrs. Pete Thomas; "The Transformation of Christ" by Mrs. J. W. Wood; "The Ever Present Christ" by Mrs. Ed Martin; "Satisfying Christ" by Mrs. Meador.

The group sang a song and Rev. Tucker offered the benediction. A covered dish luncheon was served. The session resumed at 1 p.m. with soft music and Mrs. Tucker giving the devotion. Mrs. Tindol talked on "Christian Literature for India and Pakistan," and Susie Brown offered a prayer. Mrs. S. S. Randolph gave "Rural and Health Work in India." The group sang, followed by Holy Communion led by Rev. Tucker.

W. C. Leddon is in Winnelwood, Okla., visiting his son, O. L. Leddon, who is ill. Mr. and Mrs. Mitchell Hoover of Pecos visited her parents, Mr. and Mrs. Chester Coffman over the weekend.

Mrs. Emma Davis of Forrest Grove, Ark., is visiting Susie Brown and other friends here. Mr. and Mrs. Tom Birkhead and Mrs. Ray Hall are in Dallas where Mrs. Birkhead is receiving medical attention.

Art Show Deadline

Deadline for receiving entry blanks for the Art Show is Nov. 11. These blanks may be obtained from Mrs. Richard Patterson or Mrs. D. W. Conway, members of the Las Artistas Club which is holding the exhibit. All artists are invited to place their work on exhibition.

P-TA City Council Meets Wednesday

At a meeting of the P-TA City Council, it was decided to enter a float in the Homecoming Parade on Nov. 24 sponsored by the Student Council of high school. The group met in the cafeteria at the school Wednesday morning. The parade committee is composed of Mrs. Elvis McCrary, Mrs. Ruth Rutherford and Mrs. Burt Sammons.

Mrs. Tom Buckner gave the devotion on Thanksgiving. Mrs. McCrary distributed the yearbooks. All unit presidents and chairmen of committees gave reports. Arrangements were made for all delegates who are planning to attend the P-TA convention in Corpus Christi Nov. 11-19.

1905 Hyperion Club

Mrs. N. D. Hagins was hostess to the 1905 Hyperion Club and she also presented the program for the group. Her subject was "Peru." Nineteen members were present with two guests, Mrs. Shirley Randolph of New York City and Mrs. Earl Ezzell of San Angelo.

Martin Auditor Resigns Duties

STANTON (SC) — Harold P. Wine of Ballinger, auditor on a contract basis for Martin County since 1947, has resigned his duties, according to letters to the Commissioners Court and other county officials here.

The resignation, just announced, was effective Oct. 25, the date of his letter.

When on June 1, it was announced here there was no money left in the county treasury, with which to pay salaries, Jim Tom, president of the First National Bank of Stanton, agreed to aid the county through the difficulty but stipulated that the auditor should meet with the Commissioners Court the second Monday in each month for the purpose of assisting them in the approval of only salary and other urgent and necessary claims.

The county judge and two of the commissioners then serving have since resigned, and a third commissioner has died. All have been replaced.

In his letter of resignation, Wine wrote, after recalling that he was hired to meet with the court every month: "However, I am of the same opinion that the new commission is a great waste of time to me and of no value to Martin County since all advice with regard to finances has been ignored. I hereby tender my resignation as financial advisor to the Commissioners Court."

Following the recent grand jury's revelation of irregularities in the county's finances here which resulted in 27 indictments being returned against seven persons, officials and others, it was known that a number of citizens had expressed opposition to the county making any further contracts with Wine.

His employment as Glasscock County auditor also became a political issue in that county in the primary elections this year following the disclosures of the Martin County grand jury.

Work Started On Christmas Programs

Preliminaries for Big Spring's city-wide observance of the Christmas shopping season were started today.

Representatives of the Chamber of Commerce merchants committee were to start immediate contacts for subscriptions to finance the street decoration and lighting project; and also to sign up merchants for participation in the city's traditional holiday Treasure Hunt.

It is planned to raise about \$5,000 for the cost of the pre-Christmas program. Solicitation is under leadership of Sam Burns, while Culin Grigsby is directing the Treasure Hunt.

Participating merchants will post prizes in their windows during the holiday season, beginning December 1, and also will distribute tickets, free of charge, during this period. Grigsby predicted that 100,000 tickets will be distributed over the area during the Treasure Hunt period.

Burns emphasized that reports must be back by next Tuesday on that necessary printed materials may be prepared. There will be a report meeting on that day.

In addition to these activities, Loyd Wooten is at work on the Christmas parade, which is set for December 1. He announced that three bands had been signed up for the parade, which will feature the appearance of Santa Claus, and that three churches had indicated plans to enter decorated floats in the parade. The C-C merchants committee is contributing up to \$50 each on the cost of decorating six floats from religious groups. Three others are yet to be signed.

On Dec. 7, Stanton will be visited by Mr. and Mrs. Santa Claus and their Santa Claus circus.

Mr. and Mrs. Santa Claus, assisted by two midget clowns, will hold a reception for the pre-school children at 1:30 p. m., and another reception for the school children at 2:30. At 4 p. m. the Santa Claus Christmas Circus will be presented on the courthouse yard. This will include aerial performers in trapeze acts, a number of professional clowns and bicycle and unicycle acts.

Candy, fruit and nuts will be distributed by members of the American Legion and the Lions and Rotary clubs, who will assist Santa Claus party is expected to visit up and down the streets during the day.

The carol singers will make their visits during Christmas Eve week but no dates have yet been set. Other special events will likely be discussed and decided upon at today's meeting.

Lamesa Chamber To Ask City Aid In Yule Planning

LAMESA — The Lamesa City Council will be given an opportunity to join in the festive Christmas decoration program of the city now in progress.

Members of the Christmas decoration committee of the Chamber of Commerce, headed by W. B. Osborne, will meet with the City Council Thursday at 5 p. m. to outline the program and ask for aid from the city in forwarding these plans.

DeWayne Davis, manager of the chamber, said that the present plans incorporate efforts on the parts of civic organizations, the Retail Merchants Association, headed by Dick Collins, and individuals.

He said "Lamesa promises to be the most lavishly decorated city on the South Plains this Christmas."

A fifty-foot tree, donated by C. A. Eiland, will be brought in from Ruidoso, N. M., and placed on the northeast corner of the square.

Members of the Dawson County Garden Club and the Green Thumb Garden Club will decorate the tree and the four corners of the courthouse square where the Christmas tree will be placed.

The Round-Up Club will again dispense candy to an estimated 3,000 Dawson County children, according to J. P. White, foreman. Davis said that with the replacements and new decorations would approximate \$12,000.

Our Town Makes Good in New York City

Couldn't place a new subscriber named Clark, but I found out who they were last week when they dropped in *The Clarion* office.

"We're native New Yorkers," Mrs. Clark said, "and all our friends there are originally from other places. We always felt left out when they talked about things 'back home.'"

"That's why we 'adopted' your town and to get all the news we subscribed to *The Clarion*. Now we have a 'back home' to talk about—and we think it's the most wonderful town there is!"

Joe Marsh

PEP RALLY SET HERE TONIGHT

A bon fire and pep rally will be staged on the grounds east of the high school, starting at 7 o'clock this evening.

Students have been busy the past several weeks, gathering wood and paper boxes for the fire.

Football players who go to Breckenridge Friday for their all-important District 1-AAA game with that city's Bucs will be present, along with the high school band and cheer leaders.

\$58,000 Damages Agreed In Settling Auto Accident Suit

The damage suit arising out of a car-truck collision which claimed three lives near here last April has been settled.

The suits were brought by Willard M. (Andy) Anderson, whose wife and infant son, Willard Jr., were killed, and by Charles M. Anderson, who lost his wife. Originally \$150,000 was asked. The settlement was for \$58,000.

Mrs. Willard Anderson was bringing Mrs. Charles Anderson, her sister-in-law, to Big Spring to catch a bus last April 4 when an approaching oil transport suddenly jackknifed into the road, smashing the passenger car.

Attorneys for the plaintiff were Bob Huff, Lamesa, and Kent Wagonseller, Lubbock, and counsel for the defendant McGuire Oil Company included Karl Katon, Lamesa, and James Little, Big Spring.

SALE—TRAIL BLAZER

8.85* 9.85*
6.00-16 6.70-15

An economy tire—built to give good mileage and safety under "light" driving conditions. Your best buy if you do limited driving or if you plan to trade in your car soon and do not care to invest much money on tires. Hurry, sale ends Saturdays.

SALE—WARDS RIVERSIDE

10.85* 11.85*
6.00-16 6.70-15

Sale—Wards better quality—second only to Wards Deluxe Tire. Built from the finest materials to "full-size" with a full-width, full-depth tread to give the same top-service you expect from tires that come on new cars. Cost a lot less too.

*Plus Excise Tax and the old tire from your car.

ASK ABOUT WARD'S LIBERAL MONTHLY TERMS. ALL TIRES ARE FULLY WARRANTED

'Texan By Prescription'

Lamar Buckner, center, national Jaycee president, receives a certificate making him "Texan By Prescription" at the West Texas area meeting of Jaycees in Colorado City. Buckner, of Ogden, Utah, was the principal speaker at the meeting last night. He received the certificate from Rocky Ford, right, state Jaycee president from Midland. Others shown are Goodwin Simpson, left, president of Colorado City Jaycees, and Eddie Miller, Snyder Jaycee president. Buckner's "prescription" was issued by Texas Attorney General John Ben Shepperd.

Three Area Completions Logged And Mitchell Wildcat Is Spotted

Three area completions were logged today, and a wildcat was spotted in Mitchell County along with a field location in Sterling County. West Texas wildcats were staked in Crane, Concho, Nolan, Gaines, Lynn, Scurry and Andrews counties.

Ernestine Callihan No. 1 Gular Trust was finished in the Moore field for a 24-hour pumping potential of 98 barrels of oil. The other area completions were Continental No. 23 Klob, which made potential of 228.68 barrels in the Howard-Glasscock field, and Pete Thomas No. 2 Hunt, which finished for 23 barrels per day in the Durham field.

Taylor Oil and Gas Company of San Angelo spotted its No. 1 Hester as a Northwest Mitchell County wildcat about 20 miles from Colorado City. It will test the Ellenburger at around 8,500 feet.

Andrews

Johnson No. 1 E. E. Gardner is a new prospector staked for a test of the San Andres about eight miles north of the city of Andrews. Projected depth is 4,700 feet, and operations are to start at once. Drillsite is 660 from north and west lines of a 40-acre lease in the southwest quarter of section 5, psi survey.

Borden

Gibson and Tri-Service No. 1 Flynn, project in the Arthur (Sprayberry) field, is making hole at 4,235 feet in lime. Location is 330 from south and 2,310 from east lines. 41-33-4n, T&P survey, some three miles northeast of Ackery.

Shell No. 1 Clayton and Johnson, 660 from south and 860 from east lines. 44-32-4n, T&P survey, bored to 3,103 feet in dolomite, and operator is now waiting on cement to dry after setting intermediate casing. Plug will probably be drilled tomorrow.

Concho

W. W. Murray spotted his No. 1 M. L. Watkins as a wildcat some three miles southeast of the Eden field. Drillsite will be 330 from south and west lines. Rudolph Frel survey 2.065. Projected drilling depth is 6,500 feet.

Crane

Lario Oil and Gas Company and associates spotted the No. 1 R. N. Bigley as a wildcat in Southeast Crane County, drillsite being 660 from most southerly northwest lines and 660 from most southerly southwest line. 24-2-H&TC survey. Drilling depth will be 7,500 feet.

Dawson

Although No. 1 R. B. Adams, wildcat about one and three quarters miles northeast of Ackery, is testing today below 9,218 feet and complete report should be available Friday. Drillsite is C NW NE, 1-34-30, T&P survey.

Gaines

Anderson Prichard and Husky No. 1 Webb is a wildcat some five miles west of Seagraves. It will be drilled to 13,500 feet for a test of the Devonian. Location is 467 from north and 1,787 from west lines. 20-C25-psi survey.

Howard

Ernestine Callihan No. 1 Gular Trust Estate has been finished as a Moore field producer about four miles west of Big Spring. It made pumping potential of 98 barrels of oil plus five per cent water in 24 hours. Gravity of oil is 29 degrees. Total depth is 3,140 and casing is resting on bottom. Perforations between 3,100 and 3,108 were treated with 5,000 gallons of fracture fluid before potential test was taken. Location is 330 from south and west lines, southeast quarter, 2-A-Bauer and Cockrell survey.

Continental No. 23 Klob at it was completed for large potential of 228.68 barrels in the Howard-Glasscock field. There was no water, and gravity measured 29 degrees. The 5 1/2-inch casing goes to 3,842 feet and perforations are between 2,276 and 2,313 feet. Operator treated perforations with 2,000

Nolan

Union No. 1 Mary Dan Earwood et al will be drilled as a wildcat about two and three-quarters of a mile from the EA (multipay) field. It will have drillsite of 550 from west and 417 from south lines, north half, 215-04-H&TC survey and is about six miles north of Hilton. It will go down to 7,300 feet for a sample of the Cambrian.

Roark-Hooker-Hill and Phillips No. 1 L. W. Ross is to be another wildcat about two miles east of Ekota in the northeast part of the county. It will be drilled to 6,200 feet for a test of the Cambrian. Location is 3,000 feet from north and 520 from east lines of section 288, Francis Rutherford survey. Location is 2 1/2 miles northwest of the White Flat (multipay) field.

British American No. 1 Lindsey, C SE SE, 8-2-T&P survey, is drilling at 6,675 feet in lime and shale.

Scurry

Union No. 1 Simmons, C NE SE, 138-2-H&TC survey, will take a drillsite test from 7,220 to 7,330. Taylor Oil and Gas Company of San Angelo spotted its No. 1-C Winston Brothers as a wildcat about four miles southwest of Snyder and six miles northeast of Ira. It will be drilled to 8,500 feet, starting at once. The Ellenburger prospect is 660 from north and west lines, 78-37-Kirland and Fields survey.

Sterling

Pete Thomas No. 2 Lee Hunt, Durham field project, completed for a 24-hour pumping potential of 22 barrels of oil and no water. Gravity of oil is 33.4 degrees. Operator treated pay zone with 1,000 gallons. Production is from open hole between 1,417, where the 5 1/2-inch is bottomed, and 1,440, total depth. Location is 990 from north and 330 from west lines, 2-T-T&P survey.

Union of California spotted its No. 7-B W. L. Foster in the Parochial Bude field of Sterling County. It will be located 990 feet from north and 1,650 from east lines, 27-22-H&TC survey, about 10 miles southwest of Sterling City.

Continental No. 1 F. H. French, C NW SE, 97-6-H&TC survey, bored to 3,603 feet in lime.

BS High Honor Students Named

Twenty-four pupils, or 3.4 per cent of the enrollment, have averaged 90 or more in all subjects for the first six weeks of the current term at Big Spring Senior High.

Principal Roy Worley announced the honor students Thursday. Included are Ruth Ann Abat, Sylvia Bentley, Virginia Carpenter, John Davenport, Betty Early, Richard Engle, Carol Foster, Margaret Fryer, Bobby Grant, Tom Guin, Peggy Hogan, Mary Helen Lee, Leroy LeFevre, Marlene Mann, Barbara Meek, Sharon McRee, Joyce Nix, Lavelle Nix, Brownie Rogers, Ann Rowe, Leta Sampson, Adrienne Smith, Donovan Smith, Marilou Staggs.

Mrs. Weathers Back In Stanton C-C Office

STANTON (SC) — Mrs. Hilda Weathers, manager of the Martin County Chamber of Commerce, has returned to her office here after an illness of three weeks.

Mrs. Weathers was a surgical patient in a Midland hospital.

Lions Club Hears Webb Chaplain

Chaplain Charles J. Fix of Webb AFB told Lions Club members Wednesday that assumption of responsibility was an urgent need of the day.

Whether willed or not, responsibilities grow on adults, he said, and the measure of a man is how he shoulders them.

At the meeting, the club voted unanimously to join the Herald and Tidwell Chevrolet Company in sponsorship of the Soap Box Derby in 1955. The event here last summer had been declared an outstanding success.

Two Big Springers To Be Seen On TV

Two Big Spring students will be among members of the Baylor University band which will be seen on a nationwide TV hookup Saturday.

They are Owen Gafford and Ronnie L. Sanders. The band will be dressed in new uniforms for the half-time activities which will be viewed from coast-to-coast when the Texas-Baylor game is televised Saturday afternoon in Waco.

Riding

THE GRUB LINE With Franklin Reynolds

Pretty Miss Shirley Self of Tom Green County, who won the Texas Farm Bureau district queen contest held at the Seftles Hotel here several weeks ago, will represent this area for the state queen title in the contest at Galveston, during the state Farm Bureau convention Monday.

She is a freshman at Hardin-Simmons University, and is the daughter of Mr. and Mrs. C. B. Self, who live in the Harriet community a few miles from San Angelo. She is an honor graduate of the San Angelo High School and is majoring in speech at Hardin-Simmons. She is also studying organ and plans to take voice later. At college she is a member of the chapel choir, the Colt Club and the Dramatics Club.

SHIRLEY SELF

At Galveston, Miss Self will be one of 13 district queens seeking the state title, which carries with it the award of \$500 in cash for herself and her matron escort to attend the 26th annual convention of the American Farm Bureau Federation, which will be held in New York Dec. 12-15.

Howard County did not have a candidate for the queen's crown this year.

Poultrymen will be interested in a Lederle Laboratories announcement that flocks can now be easily and quickly immunized against Newcastle Disease with an ordinary dust pump and Biolator Newcastle Vaccine.

This is a dust vaccine which one man can immunize 5,000 birds in one hour. The Newcastle Disease dust vaccine is a preparation of the harmless live virus type. The contents of the vial are simply emptied into the dust gun.

Newcastle Disease has been a serious problem to poultry raisers. Losses due to Newcastle in birds not vaccinated have averaged nearly 50 per cent. Among young birds losses have been known to run as high as 95 per cent of the flock.

Immunization by dust must be accomplished in a closed area. All doors and windows should be closed and ventilating fans should be shut off for 15 to 30 minutes so that the birds will breathe the dust particles in high concentrations.

Roy R. Largent and Sons of Merck took some cattle to the annual Blue Grass Hereford Show at Lexington, Ky., and placed a senior calf, L.S. Duchess Mixer 57, in the reserve female championship. They also had the junior bullcalf, L.S. Royal Mixer 66, and the second place get-of-sire, calves by U Royal Mixer 28.

The 17th annual meeting of the National Cotton Council will be held

Gun-Toting Joe Changes School Plans

MONROE, La. (AP)—Ten-year-old Joe Cooper, whose love for his dog touched off a nationwide educational fund drive, was scheduled to enroll in a grammar school here today instead of an exclusive boys' school.

The drive, sponsored by former Gov. James Moe, was started when the boy was released from the Louisiana Training Institute last Friday. He was committed to the reformatory Oct. 6, less than five hours after he pointed a loaded shotgun at the principal of a West Monroe school and a truant officer in an effort to get the release of his unvaccinated dog Tipple, which had followed him to school.

Joe's family went to the office of Moe, a television and radio station owner, yesterday for what was expected to be a final meeting before the boy went to the Webb School for Boys at Bell Buckle, Tenn. However, Moe said, the family decided to keep Joe in Monroe.

Moe quoted Mrs. Ray Foy, Joe's half-sister, who was given custody of Joe last Friday, as saying the family wanted him to remain at home so the family could have personal supervision over him.

The former governor also announced discontinuance of the educational fund and said donors would be asked whether they wanted their contributions returned or given to Mrs. Foy for the boy.

Moe said Joe wanted to apologize to the principal of the Ransom school, Mrs. Tina Clark, and the truant officer, Maurice Griggs. Joe, who will continue his education in the sixth grade of Monroe's Central Grammar School, nodded agreement.

Two Blind Justices Named in Colorado

TRINIDAD, Colo. (AP)—Two blind men—both Democrats—were elected justices of the peace here in Tuesday's election.

Joe Spicola, sightless since childhood, was named to a third term. Tony E. Barrows, World War II veteran blinded while in the service, won his first term.

Honor Set For Solon

HOUSTON (AP)—Sens. Johnson and Daniel are expected to be among more than 1,000 persons paying tribute to Rep. Albert Thomas at a testimonial dinner here tonight. Daniel is to be the principal speaker at the dinner honoring Thomas, elected Tuesday to his 10th term in the House.

Election Outcome Serves To What Interest In Possible Ike Vs. Adlai Rematch In 1956

By ROGER D. GREENE WASHINGTON (AP)—The outcome of Tuesday's stubbornly contested elections served to what interest today in a possible "rematch" between Dwight D. Eisenhower and Adlai E. Stevenson in the 1956 Presidential race.

The prospect was emphasized by the fact that the mid-term battle dispirited only a bare handful of new personalities into the spotlight as potential entries in the '56 sweepstakes.

The immediate reaction, at least, was that the elections failed to produce anything that would quite match the spark kindled by Franklin D. Roosevelt's election as governor of New York in 1928 and his re-election in 1930, paving the way to 12 years in the White House.

As returns rolled in, President Eisenhower told his news conference that so far as he could see, the elections would have no effect one way or another on whether he will seek a second term in 1956.

All the President would say was there's plenty of time for the decision. He suggested newsmen wait and see what develops.

At Libertyville, Ill., Stevenson hailed the outcome as "a portent of things to come"—an obvious allusion to 1928—but with a twinkle he added quickly that it had "nothing whatever to do with whether I'll run again for the Presidency."

In some respects, the results appeared to enhance Stevenson's chances of heading the Democratic ticket two years hence. The party's 1952 standard bearer stumped vig-

orously throughout the country in a drive to put Democrats back in control of Congress, and carried the brunt of the fight on the national level.

In another sense, however, the Democratic upsurge could make it harder for Stevenson. Democratic hopefuls may now figure the party's chances for a Presidential victory in 1956 are bright, and that could touch off a free-for-all scramble for the nomination.

Among "new faces" thrust into the national spotlight were 36-year-old George M. Leader, who won the governorship of Pennsylvania by 250,000 votes to end 16 years of Republican rule, and Michigan's newly elected Democratic Sen. Patrick V. McNamara.

Leader, a lanky, bespectacled turkey farmer, was virtually a political unknown six months ago. As governor of a pivotal political state, he should be a man to watch during the next two years.

McNamara, a Detroitier and one-time AFL official, also shot up from virtual obscurity to unseat Republican Sen. Homer Ferguson, a key adviser to the Eisenhower administration and chairman of the Senate GOP Policy Committee.

Meanwhile, Michigan's 43-year-old Gov. G. Mennen (Soapy) Williams, heir to soap millions, gained in prestige by winning a landslide victory for re-election. A Democrat, Williams won a fourth term in the governor's mansion—the first four-time winner in Michigan's history.

Another first-in-history was chalked up in South Carolina by J. Strom Thurmond, 46, who was elected U.S. Senator over the official Democratic party candidate in a write-in campaign. He was the 1948 Presidential candidate of the States' Rights Party.

In New York Averell Harriman, 62, broke a 12-year Republican reign by defeating GOP Sen. Irving Ives in a tight race for governor.

Harriman, scion of a wealthy railroad family and former high Washington official, said on election night he would support Stevenson for the 1956 nomination. He bid for the Democratic Presidential nomination in 1952 but threw his strength to Stevenson after two ballots at the national convention.

Other Democratic winners mentioned as possible Presidential entries included Sen. Lyndon B. Johnson, 46, of Texas; Sen. Estes Kefauver, 51, of Tennessee; Sen. Richard B. Russell, 57, of Georgia, and Gov. Frank J. Lausche, 58, of Ohio.

Johnson, the Senate Democratic leader in the last Congress, was re-elected for a second term, as was Kefauver.

Russell, one of the behind-the-scenes powers in the Senate, was re-elected for a fifth term. He sought the Presidential nomination in 1952, but failed to win any important support outside the South.

Lausche was re-elected for an unprecedented fifth term as governor of traditionally Republican Ohio, the nation's fifth largest state.

Two Killed In Plane Crash

CARTHAGE, Tex. (AP)—A light plane crashed in a rainstorm about 12 miles south of here last night, killing its two occupants.

Johnny Spradley, chief deputy sheriff of Panola County, identified the men as Millard C. Hill, 44, Kansas City, and Leslie C. Reed, 24, Parsons, Kan.

The plane went down in dense pine forest about a mile from Farm Road 10, Spradley said. Occupants of the plane died instantly, he said.

Spradley set the time of the crash at about 6:30 p.m. shortly after it lost contact with the Gregg County Airport. Civil Aeronautics Assn. officials at Longview said the pilot, tentatively identified as Reed, had asked directions to "a field with lights."

The pilot told the field he had enough gas to reach either Shreveport, 80 miles to the northeast, or Longview, 55 miles to the north. The airport lost radio contact with the plane at that point.

The plane was found about 10:30 p.m. Spradley said there was no fire after the crash, which demolished the plane as it hit a number of large pine trees.

Public Meeting Set To Discuss Optimist Setup

A public convale to examine the possibility of organizing an Optimist Club in Big Spring has been set for next Thursday evening. The meeting will be at the Chamber of Commerce offices beginning at 7:30, and all interested persons are invited to attend.

The meeting was arranged after a preliminary conference with local people by a group of San Angelo Optimist Club members. The Anglosans coming here were E. Travis Bley, Arthur Sitas, Scott Martin and Carl S. Caben.

Provided enough people are interested, arrangements will be made for an Optimist official to come to Big Spring and direct charter presentation and adoption of constitution and by-laws.

A service club, the Optimist group puts nearly all its organizational emphasis on aiding underprivileged boys. It has an outstanding record in this field.

Shotgun Mishap Fatal

HOUSTON (AP)—A shotgun fell to the floor and discharged when Logan Hart Leggett opened a closet door yesterday, striking Leggett in the neck and killing him.

Cartoonist Leaves Estate To Widow

SANTA MONICA, Calif. (AP)—The bulk of cartoonist George McManus' estate goes to his widow Florence under terms of his will filed for probate yesterday.

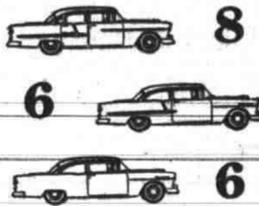

McManus, who died Oct. 22, established a \$30,000 trust fund for his brother Leo and provided various bequests for friends and charities. The value of the estate was not listed.

What's new with Chevrolet? everything!

New Outrigger Rear Springs

New springs are longer—and they're attached at the outside of the frame. This means they're spaced wider apart, outrigger-fashion, to give you greater stability in cornering. And Chevrolet's new Hotchkiss drive cushions drive-line shocks through the rear springs!

And look what you see from the driver's seat!

Chevrolet's new Sweep-Sight Windshield curves around to vertical corner pillars, giving you a wide, full view of the road ahead. Rear and side windows are bigger, too. And you can see all four fenders from the driver's seat!

Wonderful new Glide-Ride Front Suspension

New spherical joints flex freely to cushion all road shocks. You glide over the bumps with new smoothness and stability. New Anti-Dive Braking Control, exclusive with Chevrolet, assures "heads up" stops.

Great new V8—two new 6's

New "Turbo-Fire V8" delivers 162 h.p. with an ultra-high compression ratio of 8 to 1. It's the valve-in-head V8 as only the valve-in-head leader can build it! Two new 6's, too—the new "Blue-Flame 136" with Powerglide (optional at extra cost) and the new "Blue-Flame 123." All three are sparked by a new 12-volt electrical system.

Easier steering, stopping, clutching

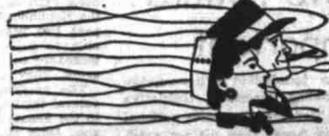

The new Chevrolet steers with ball-bearing ease, thanks to new friction-cutting Ball-Race Steering. New Swing-Type Brake and Clutch Pedals swing downward with a light pressure of your toe. They pivot at the top, leaving the floor free and clear!

Tubeless tires as standard equipment

You get this great advance at no extra cost! Proved tubeless tires give you greater protection against a blowout... deflate more slowly when punctured.

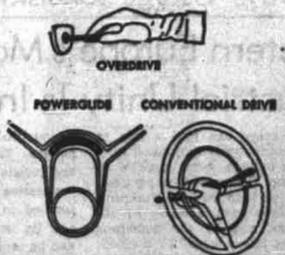

Even Air Conditioning, if you wish

Air is heated or cooled by a single highly efficient unit that fits compactly into the front of the car. Requires no trunk space! (V8 models only.) Other extra-cost options are Chevrolet's new Linkage-Type Power Steering, improved Power Brakes, and, on Bel Air and "Two-Ten" models, new Power Controls on all windows, and Power-Positioned Front Seat.

A ventilating system that really works

Chevrolet's new High-Level Ventilating System takes in air at hood-high level, away from road heat, fumes and dust. You enjoy better ventilation come rain or shine!

Three drives, including Overdrive

Take your choice. There's Powerglide—now even smoother and quieter—tuned with the new V8 or the new "Blue-Flame 136." There's new Overdrive teamed with the new V8 or the new "Blue-Flame 123." (Powerglide and Overdrive are extra-cost options.) And there's a new and finer standard transmission offered in combination with either the new V8 or the "Blue-Flame 123." It's the greatest choice going!

The Bel Air 4-Door Sedan—one of 14 new Fisher Body beauties in three new colors

... and Chevrolet's got that long, low "let's go" look

It's a show car from the word go! Longer looking—and lots lower, the new Chevrolet has the spirited look of a sports car. There's plenty of glamor inside, too—plus more room for hats, hips and shoulders!

Chevrolet and General Motors have started something—a whole new age of low-cost motoring—by taking a whole new look at the low-cost car. Here are new ideas, young ideas... and some of tomorrow's ideas, too! And they're all rolled up in the most glamorous package that ever wore anything like a Chevrolet price tag!

Come in and meet the

motoramic Chevrolet

—more than a new car—A NEW CONCEPT OF LOW-COST MOTORING!

A Bible Thought For Today—

Evil men avoid the light, but a good man by example shows the way to multitudes. "Let your light shine before men, that they may see your good works." — Matt. 5:16.

Hope That Russians Will Revolt Against Red Masters Seems Vain

The West might as well abandon any hope, if it ever really had any, that the Russian people will rise up and strike the shackles of communism from their hands. That, in sum, was the word brought back by two Democratic congressmen, O. Clark Fisher of the San Angelo district, and Laurie Battle of Alabama, who recently finished a 17-day tour of Russia as far east as the Baku oil fields on the shore of the Caspian Sea.

Interviewed for this week's U. S. News World Report, the two congressmen made it quite clear that the West must continue to build strength against Russia and communism. The very unlikelihood of any "popular uprising" in that country makes that obvious, quite aside from the inherent strength of a dictatorship against such movement.

Covered Wagons Stayed At Home, 'Schooners' Toured The Prairie

Thanks to a multitude of motion picture films, most people think of prairie schooners when covered wagons are mentioned. But to most Texans who have been around 40 years or longer it means simply an ordinary farm wagon with bed and bows over which a wagon sheet was stretched.

In that case the symbols of heartbreak and privation. But most farm-raised people have only pleasant recollections of covered wagons. If it was a matter of driving a few miles to visit kinfolks, the bows and sheet were left off, and the family simply went. But if the trip involved two or three days of travel — no great distance in those days — bows were stuck in their brackets and a sheet put on, whereupon it became a covered wagon.

These Days—George Sokolsky

Western Europe's Move Toward Industrial Unity Is Important

If Western Europe can find a way to a voluntary community of nations, it may be possible to build a force capable of withstanding the Communist menace. Many efforts have been made in European history to achieve such a union by coercion, by wars, and by the numerous agreements that follow wars. To succeed, however, surely in our era, such a union must be voluntary and must be based on acknowledged self-interest.

Its particular jurisdiction with sovereign powers, including executive, legislative and judicial branches. It crosses national boundaries as though they did not exist. Limited to coal, iron and steel at present, its organization could be expanded and its method applied to other commodities and even to other problems. If the plan can work for coal and steel, why not for electrification or communications?

Most of the first steps in this direction have failed, but the comparative success of the European Community for coal and steel can give hope that something substantial may be achieved in other fields until Western Europe has found a workable formula which limits sovereignty in particular instances while not violating nationalistic pride in general.

Western Europe is an area of comparatively small countries which now face mass populations in the United States, and the Soviet Universal State, which includes China and may, someday, include India by cordial affiliation. While the size of population is not the sole criterion upon which to base a judgment as to the strength of an area, the rapidity of industrialization in the Soviet Universal State must be considered as altering the world economic position of Western Europe.

The European Community for coal and steel is, in effect, a government, operating with federal powers on behalf of Belgium, France, West Germany, Italy, Luxembourg and the Netherlands.

In the struggle for survival, the European nations will be forced to reconsider their positions in a world where for the Flemish weaver's wares are only for luxuries because the spindle and the loom can turn out goods anywhere, attended by almost anyone, at varying labor costs.

"Here Comes Another One"

The World Today—James Marlow

Election Shows People Neither Very Enthusiastic Or Fearful About GOP

WASHINGTON (AP)—At this time, when politicians begin putting their own interpretations on Tuesday's elections, one conclusion is obvious and a second one seems so. It was a Republican defeat. The voters showed their dissatisfaction with Republican control of Congress by turning the House and perhaps the Senate over to the Democrats. The final Senate result may not be known until after some recounting.

As unemployment in Michigan and Pennsylvania—the voters made their feelings known by unseating a Senate Republican (Michigan) and replacing a Republican with a Democrat as governor (Pennsylvania).

But one of the main Democratic arguments — that farmers were burned up at the Eisenhower administration's flexible price support program — was not borne out by the results.

Notebook—Hal Boyle

Ideal Corporate Husband Would Lead Life Of Ease

NEW YORK (AP)—Some ambitious young men, anxious to get ahead in life, are afraid today to marry. Why? Because they are afraid the romantic bride of their dreams may become a frowsy-haired nightmare who will later hamper the progress of their careers.

In picking executives many corporations weigh not only the kind of work a man does, but the kind of wife he goes home to. Will she be a credit to the firm, or a social liability? Does she have it in her to become what industrial leaders now look for in the mates of their potential executives — the "ideal corporate wife?"

shows he is serious-minded as well as ambitious. His problem is real. As any married man knows, it is hard enough to tell what a wife will be like 10 minutes from now, let alone 25 years.

Texas Highway Patrol Banking On Radar To Cut Traffic Toll

The opinions contained in this and other articles in this column are solely those of the writers who sign them. They are not to be interpreted as necessarily reflecting the opinions of The Herald. — Editor's Note.

The Texas Highway Patrol is banking heavily on radar to reduce the state's traffic deaths in 1954 a few percentage points below the number of fatalities chalked up to the automobile in 1953.

Business Outlook — J. A. Livingston

Perpetual Debt Rediscovered; Never-Pay Mortgage Is Back

ATLANTIC CITY — "Never, never will that happen again." That was the confident cry after the depression 'thirties. American banks would never get loaded up with never-pay mortgages worth far more than the real estate securing them. The principle of amortization — let the borrower pay off gradually but steadily — had been discovered.

Thus, even though you've paid off \$5,000, and you only owe \$5,000 to the bank or savings and loan association, the mortgage runs to \$10,000. Therefore, if you now want to borrow another \$3,000, you just sign an additional note for the amount and the cash is handed over.

Bankers are merchants of debt. They make money when loans are outstanding on their books — not when loans are paid off. When a home-owner mortgages his home and proceeds to pay off the debt in monthly or quarterly instalments, what happens? Interest rolling into the bank, savings institutions, or federal savings and loan associations declines.

Lenders seem well protected by the "open-end." But John W. Kress, executive vice president of the Howard Savings Institution, Newark, N. J., advised bankers to take precautions:

Human ingenuity has found a way to keep the home-owner in unremitting debt. It's the open-end mortgage. You may even have one on your own home without knowing it.

So long as the open-end mortgage is used for improvements or additions to the property, sentiment at the ABA convention was that it's okay. But the open-end device for loans for automobiles, television sets, and trips to Europe is regarded as a misuse of credit.

Austin Recollections—Raymond Brooks

Political Playback

Erwin Joseph, Austin member of the State Board of Pharmacy Examiners, was the source of the most remarkable news story of its kind, one that had sensational echoes in other states. It caused fright among dozens of prescription druggists, who had employed fake pharmacists.

Handwriting and typewriting experts were called. A lot of exam papers were scrutinized. The "student" was expelled from Tulane. How many licenses of pharmacists in Texas or other states secured through this fraud, were revoked has never been disclosed.

What they found that was while this Tulane student was falling for himself, he was writing the examination papers for several other candidates for Pharmacy license. They always passed, with good grades.

The State of Texas bought from the West interests of Houston the Tribune Tower in Austin, built and used as the home of the late Austin Daily Tribune. Its granite corner-stone remains in place. The words graven upon it, written by Edmunds Travis, are:

Race Entry

A typical scene in the stock car races held at the Big Spring Speedway each Sunday afternoon is G. W. Rogers, pictured leaning against his "steed," No. 14. Much work goes into the building of the racing cars.

Four S'west Boys Lauded

DALLAS (AP)—Dickie Moegle, Rice halfback; James Ray Smith, Baylor tackle; Bud Brooks, Arkansas guard; and Hugh Pitts, Texas Christian center, are getting chief backing for All-America selection from the Southwest Conference. The regional selection board of Louis Cox, Dallas Times Herald; Bud Sherman, WBAP-TV; Dave Campbell, Waco News-Tribune; Mark Patterson, Austin American, and Dick Freeman, Houston Chronicle, are finding plenty of men worthy of All-America consideration but those four are cited in most of the nominations. Sherman and Patterson also submitted a new name this week—Johnny Tatum, the Texas center who played such a great game against Southern Methodist. Patterson pointed out that Tatum intercepted a pass and ran 41 yards to a touchdown and as a result the tide, which had carried Texas to three successive defeats, suddenly started turning in the other direction. Sherman liked the great work of Moegle against Vanderbilt and also lauded Smith for his efforts in Baylor's triumph over Texas Christian last week. And he stood by Pitts as one of the best centers in the country. Freeman found that Moegle had another good day among many good days and he observed Brooks closely in the game with A&M.

Kangy Coach Ousts Three Grid Players

SHERMAN (AP)—Latest college to banish boys from the team for failure to show the spirit asked by the coach is Austin College. Coach Harry Buffington this week dismissed three members of his squad because he said "they had no desire to work or win." Austin College took a \$3,200 defeat from Louisiana College last week and Buffington said "our defense fell to pieces. Individual mistakes were made. Nothing is wrong with our offense. We proved we could score. There will be more reductions from the squad if conditions do not improve. We are not going to tolerate lackadaisical attitudes."

Billy Smith Gains Added Respect In Ring Ratings

By JACK HAND
NEW YORK (AP)—Boardwalk Billy Smith of Atlantic City became the No. 1 challenger to light heavyweight champion Archie Moore in the most startling shakeup in the latest ring ratings of Ring Magazine. Smith leaped from fifth to first in the 175-pound class by knocking out Harold Johnson who had been leading champion Moore until he was stopped in the late rounds of his title bid. Johnson was dropped to fifth place, just ahead of Floyd Patterson, the fast-rising Olympic grad from Brooklyn. The heavyweight rankings were revised due to the long idleness of Jimmy Slade, Roland LaStarza and Hurricane Tommy Jackson. Heinz Neuhaus of Germany, who recently defended his European championship, took over Slade's No. 4 spot. Slade, however, has a chance to move up again Friday night when he boxes sixth-ranked Bob Baker at Philadelphia. LaStarza was dropped to seventh and Jackson to ninth because they have been idle so long. The ranking contender behind

NEW PHILLY OFFER?

Decision Is Due Today On Transfer Of A's

By TOM BRADSHAW
PHILADELPHIA (AP)—Individual members of the Mack family were under heavy pressure from three sides today to make up their collective mind about the future of the Philadelphia Athletics. At the risk of sounding repetitious, a decision could be reached today. Arnold Johnson, the Chicago businessman who thought he bought the A's for transfer to Kansas City and then apparently lost out to an eight-member Philadelphia syndicate, reportedly gave the family of Connie Mack until noon today to come to an agreement or a parting of the ways. A reorganized four-man Philadelphia syndicate, meanwhile, was urging the Macks to consider an offer similar to that made by Johnson and even better than the one made by the original eight-man Philadelphia group that was turned down by the American League. And in Chicago, American League President Will Harridge said he had telephoned Roy Mack, the A's executive vice president and key to the current logjam, urging that some sort of decision be reached shortly to facilitate league scheduling. If the A's remain in Philadelphia, they will stay an Eastern club and if they move to Kansas City, Baltimore will become an Eastern club with the A's taking a Western spot. The Philadelphia syndicate, turned down at a league meeting in New York late last month, came back to life in cut-down form last night. John P. Criscoli, retired Philadelphia automobile dealer, announced he and Mort Lieberman, another member of the original eight-man group, had visited Connie Mack Sr. and his wife yesterday. Criscoli said when he and Lieberman, with their attorney, Sam

Goldberg, arrived at the Mack apartment, Johnson was already there, apparently making an effort to obtain signatures on a sale agreement. The syndicate spokesman said he and Lieberman pulled out checks totaling \$604,000 and offered to buy Connie Mack's share in the A's. They also agreed to "buy out or keep" Connie Mack's two sons, Roy and Earle. Roy has been the chief thorn in developments to date, blowing hot toward the Johnson forces at one point and reportedly favoring the syndicate at another. The syndicate previously had offered to retain Roy Mack in the front office of the club by virtue of a one-ninth interest in the club. The offer to retain Earle was new. Johnson, on the other hand, offered to give Roy a front office job and provide Roy's son Connie III with a job that would train him in the big business of baseball. The syndicate hasn't made any open overtures to Roy's son — and that may be the big hitch in the whole affair. Second baseman Bobby Avila figured in the scoring of 164 runs for Cleveland. During the World Series he failed to drive in a run and scored only once.

Rice, Hogs Stage Heavy Workouts

By JOE BENHAM
By The Associated Press
Arkansas' little pigs—the ever-surprising Razorbacks of Coach Bowden Wyatt — went splash, splash, splash all the way home Wednesday from a tough drill in a cold, drizzling rain.

The rain was typical of the conference weather, but the scrimmage wasn't. Rice matched Arkansas with a long scrimmage, but other teams either worked briefly outside, worked indoors or took the day off from physical work entirely. At Fayetteville, Wyatt risked his condition-conscious players to the elements for a thorough practice in preparation for Saturday's game at Little Rock. Wyatt said he didn't like to get the boys wet and cold, but felt that they might be risking their unbeaten record against Rice in that kind of weather Saturday. The Porkers will probably stay indoors the rest of the week, Wyatt said.

Rice got ready to meet Arkansas by scrimmaging well over an hour on a wet field of their own. Coach Jess Neely sent Dickie Moegle—cold and all—into the drill which featured defense against the Arkansas single wing and punting practice for the Owls. Neely tried a full gamut of backfield combinations in the drill but said there would probably be little or no change in his starting lineup for the Arkansas game.

Tackle James Ray Smith, pestered by injuries all season, worked out briefly at Baylor as the Bears prepared to meet Texas in the television Game-of-the-Week Saturday at Waco, and Coach George Sauer said the big co-captain would be ready to go against the Longhorns. The Bears went through a short, rugged drill that wound up the rough work for the week. Texas went to the movies—movies of Baylor games—as rain drove the Longhorns off the practice field at Austin. Coach Ed Price had a thorough skull practice after the rains. The moisture ruined the Texas

A&M practice as far as effective scrimmage was concerned, although the Aggies kept at it for a while. A&M scrubs were assigned an SMU-style offense to run against the varsity, but rain made the ball too wet for the pass-filled play of the Mustangs. Southern Methodist worked on wind sprints, calisthenics and familiarity with the Aggie offense while working out under the stands at Dallas. Coach Woody Woodard cancelled a lengthy scrimmage with the comment that it wasn't worth raking coals and pulled muscles for.

Lacking any pressure due to an open date, Texas Christian took the day off after a half-hour session made up of conditioning drills and movies of last week's loss to Baylor.
