

Substitute Fixed In Censure Fight

McCarthy Pals Ask Change To Mild Rap

By JOHN CHADWICK
WASHINGTON (AP)—Sen. Malone (R-Nev.) said today Sen. McCarthy has been made "the whipping boy" in a move aimed "to destroy the investigative powers" of the Senate.

Gomez Sentence Doubled On New Hearing Of Case

Joe Gomez was sentenced to 20 years in the penitentiary Thursday by the jury which found him guilty of charges of possessing marijuana.

Malone, who previously had aligned himself against proposed censure of McCarthy, expressed this view in a brief exchange with Republican Leader Knowland (Calif.).

That committee, accused by McCarthy of acting like the "unwitting handmaiden" of the Communist party, said he had shown contempt for a Senate elections subcommittee that investigated his finances in 1951-52 and had abused its members.

Dixon-Yates Fight May Occupy 84th Congress

WASHINGTON (AP)—Atomic Energy Committee members gathered for a windup public session on the Dixon-Yates contract today amid fresh signs the dispute over the private power project will boil over into the new 84th Congress.

Rep. W. Sterling Cole (R-NY), chairman of the Senate-House group, said he hoped to finish open hearings on the contract, finally signed yesterday, with further testimony from top Atomic Energy Commission (AEC) officials.

Yates, created Mississippi Valley to carry out the contract. Dixon and Yates said in a joint statement they had entered into the contract at the suggestion of the administration, and that "the possible earnings are too small to make it attractive as a usual business venture."

Tomorrow, he said, the legislators may be called into closed session to decide whether to grant a quick go-ahead on the project as President Eisenhower has asked.

Under the contract, Dixon-Yates would build a 107-million-dollar steam plant at West Memphis, Ark., whose output would go into Tennessee Valley Authority (TVA) public power lines to replace electricity TVA is supplying to atomic plants. The AEC would pay about 20 million dollars a year for the power, with the contract to run 25 years and 20 years beyond that if the government wishes.

Announced changes in the contract yesterday included a provision for a \$600,000-a-year ceiling on Dixon-Yates earnings and a stipulation that the government can take over ownership of the West Memphis plant at any time within three years after the contract goes into effect.

On tap for questioning today were AEC Chairman Lewis L. Strauss, AEC General Manager K. D. Nichols, acting Comptroller General Frank H. Wetzel and R. W. Cook, the AEC's acting assistant general manager for manufacturing.

Nichols testified the recapture clause was "most distasteful" to Dixon-Yates but said it was adopted to give the next two Congresses a chance to pass judgment on the contract.

The five-man AEC said all three of its members present at a meeting yesterday voted to approve the

Results Of Traffic Mishap

B. F. Logan, 401 NW 9th, inspects his front porch after it had been struck by a Yellow Cab involved in an accident at the intersection near his home. The cab, upper left, was occupied by driver C. L. Smith, 401 NW 10th, and his wife. Mr. and Mrs. Smith were taken to Malone and Hogan Hospital in a Nalley ambulance following the mishap, where they are reportedly in satisfactory condition. Not only was Logan's porch damaged, but his pickup was also struck by the truck which had been in collision with the cab. The truck was driven by James L. Parisher, 111 NW 12th, and careened into Logan's pickup following the intersection collision.

Two Hospitalized In Car-Truck Accident

Mr. and Mrs. C. L. Smith, 1004 N. Lancaster, were hospitalized this morning as a result of a car-truck collision at the intersection of Northwest Ninth and Lancaster Streets.

Their attending physician at Malone and Hogan Hospital stated that the couple is in satisfactory condition. Smith suffered a broken knee, bruises and contusions. Mrs. Smith received multiple contusions, possibly a fractured nose, and sprains.

They will remain hospitalized for observation and treatment, it was reported. The Smiths were in a Yellow Cab at the time of collision, with Smith driving. The cab was in collision with a truck operated by James L. Parisher, 111 NW 12th.

When the two vehicles collided, the taxi was forced into a nearby house, knocking two posts out of the porch at 401 NW 9th. The truck was diverted into a parked pickup owned by B. F. Logan.

Gasoline Prices Going Back Up

Most service station operators here were raising gasoline prices this morning, following a lead set by some stations as early as Wednesday.

Conviction on the second count Thursday made mandatory a penitentiary sentence of five to 25 years. The jury deliberated only about 30 minutes before returning its verdict of guilty and assessing the 30-year term.

The price ranged from three to four cents per gallon at most places, though the rate was by no means uniform. Some independent stations are retaining the price of their gasoline without an increase, it was reported.

For several weeks now service stations have been engaged in a price war and prices have been lower than usual. This week's price hike is hailed by many as a return to normalcy.

One service station operator here stated that price supports furnished during the price war by the companies will not be effective after today. This is the reason, he said, that retail service outlets are going up on prices.

Another minor collision occurred Thursday at 4:10 p.m. in front of the Post Office, Sherrad Easley, 501 E. 15th and Roy S. Doty, 701 N. Gregg, were involved.

Hagler Won't Talk Of Pal's Confession

FORT WORTH (AP)—David Hagler refused to comment today on a confession by his former associate, Frank A. St. Claire, that they plotted a fantastic insurance swindle that was to involve a cadaver to be bought for \$500 from a mortuary.

They learned that Hagler checked into Tower Hotel Courts in Dallas at 9:45 a.m. Oct. 10 and left there at 2:30 p.m. Oct. 11.

Hagler, 37, told the Star-Telegram that he would not say anything about St. Claire's statement, under instructions from his attorneys.

He had come there from Gainesville, where he checked into the Turner Hotel about midnight Oct. 9 and departed the next day at about 7 or 8 a.m.

At the same time, Hagler denied that he had been fired yesterday from his job as salesman for the U.S. Asphalt Company.

Hagler then went to the Dallas court. At 7:55 p.m. the 11th, he registered at El Moutan Hotel in San Antonio, leaving there before noon the 12th, officers said.

In another development today officers disclosed that a missing Fort Worth skid row character may have been the victim in the Oklahoma torch slaying of which Hagler is accused.

He registered at Waco's Roosevelt Hotel the afternoon of Oct. 12 and made his surprise return from the "dead" here Oct. 13. Officers say that at none of the hotels was he reported drunk.

Officers who accompanied a company executive to Hagler's North Richland Hills residence yesterday said he was notified that he was no longer an employee of the firm.

They described the man as a "wino" and a "derelict" and said he was the best lead they now have toward identification of the charged corpse found in Hagler's station wagon near Davis, Okla., Oct. 10.

The man fits the general description of the corpse, has no family and has been missing from his usual haunts since a few days before the crime," agent Steele Westbrook of the Oklahoma Crime bureau said here.

Dulles himself served as a Republican consultant to Democratic Secretary of State Dean Acheson and Democratic officials in previous years.

Biggest clue officials have from the corpse is a denture believed made in Europe.

It appears now that he is willing to do so if that action seems desirable to the Democratic leadership. He does not, himself, intend to take the initiative in proposing some Democratic expert on foreign policy to join the State Department staff.

Westbrook said he wasn't abandoning the theory that the victim might have been a European immigrant.

In any move of that sort he reportedly desires the Democratic leadership to select a man in whom the Democratic leaders would have confidence and who could

Rep. Rayburn Attacks GOP 'Penny Pinching'

MCKINNEY (AP)—Speaker-Designate Sam Rayburn, Congress from Texas' Fourth District, recalled the days before Pearl Harbor in a blistering attack on what he yesterday called "Republican penny pinching."

SO ASSOCIATES SAY Dulles Willing To Have Democratic Consultant

WASHINGTON (AP)—Associates said today that Secretary of State Dulles is prepared to name a Democrat as consultant on foreign policy if Democratic leaders put forth a qualified man.

Dulles himself served as a Republican consultant to Democratic Secretary of State Dean Acheson and Democratic officials in previous years.

Afterward he became closely associated with the late Sen. Vandenberg (R-Mich.); served as advisor to several secretaries of state, and finally became a member of the Senate from New York state himself. It was after these events that he joined Acheson as a Republican consultant and successfully executed the task of negotiating Japanese peace and de-fense treaties.

Legionnaires Set District Meet Here This Weekend

About 300 Legionnaires and some 150 members of the Legion auxiliary are to commence arriving here Saturday for the 19th District American Legion convention.

Legionnaires Set District Meet Here This Weekend

A big parade, to be led by the Webb Air Force Base color guard and band, will open the convention at 4 p.m. Saturday. Johnnie Griffin, parade committee chairman, said the Webb drill team and the Big Spring high and junior high bands also will march in the procession.

The local National Guard unit will have an entry, dignitaries will ride in 1953 model automobiles, and visiting Legionnaires will sponsor floats. There also will be several visiting color guards.

Ed Fisher, commander of the Howard County Legion post, estimated that 450 persons, Legionnaires and their wives, will gather for the meeting. Fisher asked that all merchants display flags Saturday in recognition of the Legion meeting.

Davenport argued that a change of venue should be granted because Davenport argued that a change of venue should be granted because Davenport argued that a change of venue should be granted because

Climax of the convention will come at 10 a.m. Sunday when Legionnaires and auxiliary members gather in the municipal auditorium for an address by Rep. George Mahon of the 19th Congressional District.

E. L. Jackson of Cisco, state Legion commander, is scheduled to appear on the program. Hillon

A breakfast for post commanders and "Forty and Eight" members at 8 a.m. Sunday will open that day's activities.

Forsan Votes On Bonds Saturday

FORSAN (AP)—Voters of the Forsan County Line Independent School District will pass upon a \$70,000 bond issue Saturday, part of it for improvements and part for refunding.

Among the items contemplated in the improvements will be construction of a swimming pool. The election was called in response to a petition signed by 32 taxpaying voters in the district. Mrs. C. C. Suttles is the presiding judge and she will be assisted by Mrs. D. L. Knight, Mrs. W. J. White and Mrs. John Kubecka.

THE WEATHER

NO SPRING AND WINTER: Partly cloudy with occasional light and Saturday with occasional mild temperatures.

Report Denied

TOLEDO, Ohio (AP)—President Eisenhower's press secretary today labeled as "a lot of nonsense" a published report that the chief executive had promised Republican leaders he would run for reelection in 1960.

SPEED LIMITS RADAR ENFORCED

Motorists in the Big Spring area have been given warning that their speeds are subject to check by radar equipment. Signs like the one shown have been posted by the State Highway Department at all major roads. Highway Patrolmen have radar for speed law enforcement in the area. This sign is on the San Angelo highway, just south of Big Spring.

Warning Posted

Eisenhower Goes On Ohio Duck Hunt

TOLEDO, Ohio (AP)—President Eisenhower took a "breather" from government business today to hunt ducks on Lake Erie with Secretary of the Treasury George M. Humphrey.

"We should have pretty good luck if it doesn't rain," Humphrey remarked with an anxious look at the skies as the President arrived here late yesterday.

The Chief Executive flew in from Kansas, where earlier in the day at his boyhood hometown of Abilene he dedicated a \$325,000 Eisenhower Memorial Museum "to the future citizens of a great and glorious America."

ARTHRITIS, RHEUMATISM, NEURITIS Sufferers Now Offered Amazing Relief From Agonizing Pains

Revolutionary new medical discovery called AR-PAN-EX works through blood stream where it can do the most good, fastest. Even most stubborn cases have gotten blessed relief from torturing misery. See us today about guaranteed AR-PAN-EX tablets.

IT HAPPENED

One Of Those Things

PAWTUCKET, R. I. (AP)—Everything seemed to be going smoothly along the Veterans Day parade route yesterday—until the marchers got to City Hall.
Then they realized there was no reviewing stand and no city officials to review the parade.
City officials said they had not been invited.

Not Safety Deposit

CHICAGO (AP)—Mrs. Margaret Murphy opened her umbrella to keep the rain off her new hat and lost \$1,700 worth of jewelry. She had forgotten she had hidden a watch and three rings in the umbrella.

Thief's Best Friends

LONDON (AP)—A thief posing as a plumber was greeted by Mrs. Ruth Osborne's two poodles as he walked up the stairs of her house yesterday.
The maid who let the impostor

In said the friendly dogs — Susie and Simone — lifted their paws and the "plumber" gravely shook them.
He then proceeded to Mrs. Osborne's bedroom and filched a box containing jewels worth 3,500 pounds (\$9,500).
He came downstairs, shook the poodles' paws a second time and departed with the loot.

Old Indian Custom

SPRINGTOWN, Okla. (AP)—Turner Bear, full-blooded Creek Indian, bagged a 10-point, 124-pound buck deer near here yesterday.
Asked whether he used a bow and arrow, as many hunters are doing, or a rifle, he replied:
"Indian use 30-30 rifle. Bow and arrow for white man."

Her Lucky Stars

SAN MATEO, Calif. (AP)—The lady stepped on the gas instead of the brake.
The automobile leaped, lurched and stalled right on the Southern Pacific Railroad tracks.
The lady tried to leap from the car, whacked her head and fell in a faint on the tracks.
Two horrified policemen rushed out in a vain attempt to flag down down the crushing train.
It roared right on—an adjoining track.
Then the policemen took Mrs. Frances Pearman, 45, to Mill's Memorial Hospital, where she is recovering today from shock.

that of the King Ranch in Texas. The percentage of men teachers in U. S. elementary and secondary schools has been increasing — 15.2 per cent in 1947 and 22.8 per cent in 1951.

McCarthy Marchers At Capitol

The vanguard of a large group of supporters of Sen. Joseph McCarthy (R-Wis) walk into the Senate Office Building in Washington to protest proposed censure charges against McCarthy. Once inside, the McCarthy admirers buttonholed senators and waited around in hallways. The crowd marched to the Capitol with banners lowered under police instructions. (AP Wirephoto).

Tearful McCarthy Shows Up At Rally

By DONALD SANDERS
WASHINGTON (AP)—A tearful Sen. Joseph R. McCarthy told more than 2,500 cheering and whistling adherents last night that his campaign against communism will "go on and on and on."
That will be so, he said, regardless of the outcome of Senate consideration of a move to censure him—a debate he said "makes me sick way down deep inside."

McCarthy and his wife Jean made an unannounced appearance at a rally in Constitution Hall attended largely by self-styled "aggressive McCarthyites" who had come here from New York, Boston and other cities to urge their senators to vote against censure of the Wisconsin Republican.
The principal speaker, Sen. Welker (R-Idaho), was in the

midst of a talk hailing his colleague as "one of the greatest living foes of Communist slavery" when the McCarthyites entered the hall and, helped through the crowd by police made their way to the stage.
McCarthy devoted most of his brief talk to American policy on the Chinese Communists, addressing directly a group of wives and mothers who were seated on the stage in black garb.
"You are the victims of a massive appeasement, one that has been going on year after year and that knows no political bounds," he said.

His voice broke and tears appeared in his eyes. Some of the women wept openly.
McCarthy was presented a plaque for "fearless persistence in battling the enemies of our country" by the rally coordinator, Rabbi Benjamin Schultz of New York City. It was Schultz who said the rally was staged by "aggressive McCarthyites" who, he said, paid their own way to the capital.
Welker described the pending resolution to censure McCarthy as "dirty work... foul play." He predicted that if McCarthy is censured by the Senate, a strong campaign will be launched to seat Red China in the United Nations.

Among those introduced at the rally were Senators Mundt (R-SD) and Goldwater (R-Ariz), Rep. Burton K. Wheeler (R-Montana), former Rep. Hamilton Fish of New York and Columnist Westbrook Pegler.

School Receipts Hit \$362,582.04 For Two Months

Receipts for the first two months of the Big Spring Independent School District's fiscal year amounted to \$362,582.04, nearly a third of the estimate for the year.
Tax payments during October accounted for the bulk of this, of course. Current tax payments in September and October amounted to \$254,496.84.

Disbursements for the same period amounted to \$203,587.49. This included \$15,847.60 from the interest and sinking fund for debt service, and \$187,739.89 from the general fund.

The general fund expenditures included \$156,611.45 for instruction; \$8,935.88 for administration; \$2,751.79 for other school services; \$10,085.22 for plant operation; and \$4,502.53 capital outlay.
The receipts exceeded disbursements by \$187,739.89. On Nov. 1, the district had \$214,360.89 in cash, a gain of about \$110,000 during the two months.
The balances, by funds, included state and county, \$49,614.88; local maintenance, \$154,971.08; transportation, \$9,674.93; and interest and sinking, \$71,693.34.
Revenues included \$37,524 per capita apportionment; \$29,564 salary and operation and \$1,192 transportation (state foundation funds); \$1,031.22 state funds for vocational education; \$3,990.44 delinquent tax payments; and \$21 in fees.

Achievement Day Observances Set Later For 4-H's

Saturday is 4-H Club Achievement Day, but due to almost coast-to-coast activities they're already participating in, Howard County 4-H Clubs are postponing their achievement program.

Achievement awards will be presented to the leading 4-H girls here at their annual Christmas party Dec. 23 or 24. Achievement Day for the boys comes each March at the 4-H Club Purchasers' Banquet, following the annual county livestock show and sale.

However, Achievement Day programs will be conducted by some 120,000 other 4-H members throughout the state Saturday. The programs are planned to demonstrate the diversity of activities conducted by the 4,500 clubs in Texas.
Howard County 4-H Club members have steers entered in two of the nation's major livestock shows (at Ogden, Utah, and Baltimore, Md.) this weekend, and others are pushing preparations for showing their animals in the International Livestock Exposition in Chicago later this morning. As a result of these activities, no formal Achievement Day is planned here.

Public Lecture Set

Jehovah's Witnesses will hold a public lecture on "Hope in a New World" Sunday at 3 p.m. Regular meetings are held Tuesday and

Friday at 7:30 p.m. at Kingdom Hall, 217 1/2 Main.

Twink won the first running of the Spalding Lowe Jenkins Stakes for juveniles at Laurel in 1928.

Immigrant To Have Family Brought Here As Yule Gift

SALT LAKE CITY, (U) — Mike Katsanevas doesn't say much when asked what he's going to get for Christmas. He just smiles and tries to explain: "Only in America could such a thing happen like this..." For Mike is going to get the best Christmas present in the world — his family. His fellow workers at the Clearfield Naval Supply Depot are taking up a \$3,000 collection to bring seven members of his family to America from Crete. And Sen. Arthur V. Watkins (R-Utah) has promised to do all he can to cut the red tape involved in getting them here. Mike is 35. He has been back and forth between America and Crete several times. Now he works as a janitor at the supply depot. He has had a dream since he got the job in 1948 — and because of it his floors are the cleanest and his brass the shiniest in the vast establishment. Maybe that's how the word got around. Mike was saving up his janitor's pay to bring the rest of his family to America. Last week a spontaneous cam-

Rhonda Fleming Plans To Get Swiss Divorce

HOLLYWOOD, (U) — A spokesman for actress Rhonda Fleming says she will go to Switzerland next week to obtain a divorce from Dr. Lewis V. Merrill, whom she married in 1952. Miss Fleming, now in Rome, will meet the residence requirement of four weeks in Switzerland for the divorce and then return to Hollywood.

Baptist Group Elects

HOUSTON (U) — The Rev. Ben D. Johnson of Lubbock yesterday was elected president of the Texas Baptists Fellowship. Other officers elected at the semi-annual session were the Rev. Tommy Masters, Wichita Falls, first vice president; the Rev. John Duckett, Houston, second vice president; and the Rev. Jack York, secretary-treasurer.

Heartburn? Heavens, doesn't she know about TUMS?

When favorite foods give you gassy heartburn, nothing beats a handy roll of Tums in pocket or purse. For Tums give relief from sour stomach and acid indigestion — yet can't over-alkalize, can't cause acid rebound. Tums require no water, no mixing — take them anywhere. Get Tums today. In convenient 10¢ roll. See page 25.

Nashville Traffic Violators Ignore Fines; Jail Shut

NASHVILLE, Tenn. (U) — Nashville's traffic judge says about 500 violators have ignored traffic citations since the city jail was closed Sept. 15. "The word has got around that we have nowhere to put violators who refuse to pay fines. We have no city jail or workhouse, so we just release them now if they refuse to pay," said Judge Elvin Woodroof yesterday. He said he did not have authority to put them in county jail. Mayor Ben West closed the city jail after Chancery Court issued an injunction forbidding occupation until the building was made suitable for habitation. Thirty-one city prisoners were released at that time.

Two Die In Crash

WICHITA FALLS (U) — Two Houston men were killed and three other persons were injured last night in a two-car collision on the heavily-traveled access road to Sheppard Air Force Base, 3 miles north of Wichita Falls. The State Highway Patrol said the dead were Milton Forrest Beaty, 30, and Bennie Earl Brazial, 20. Both died of head injuries.

Houston Swift Plant

HOUSTON (U) — A three-building plant capable of processing a million pounds of meat per week will be opened here Sunday by Swift & Co. The plant is the largest plant operated by Swift in the South, Manager W. C. Conner said.

Become U. S. Citizens

HOUSTON (U) — Some 430 persons became citizens of the United States yesterday in special ceremonies at the City Auditorium here. A group of 15 Catholic nuns — all natives of Ireland who now teach in Catholic schools here — were included.

Lost 60 Pounds With Barcontrate

Mrs. Emma Ingram, 2901 Baltimore Street, Wichita Falls, Texas, writes us as follows: "I have lost 60 pounds taking Barcontrate and I certainly feel much better; more active, my health good." Mrs. H. K. Owen, 327 River Drive, Amarillo, Texas, states: "I lost 11 pounds taking Barcontrate and I feel much better. It has entirely relieved me of indigestion and gas pains." If the very first bottle doesn't show you the way to take off ugly fat, return the empty bottle for your money back. At all Texas druggists.

President Becomes Bandsman Prof. Russell L. Wiley, director of the Kansas University band, fits a shako on the head of smiling President Eisenhower during the Chief Executive's visit to his Abilene, Kans., home town to dedicate the Eisenhower Foundation Museum. The President was made an honorary member of the Jayhawk band. (AP Wirephoto).

Millions To Be Spent In Fag-Cancer Search

By ALTON L. BLAKESLEE AP Science Reporter NEW YORK (U) — A multimillion-dollar search is getting under way to find the answer to this question: Are cigarettes guilty or innocent as a cause of cancer, heart disease or shortened life? Numerous laboratories and agencies, here and abroad, are conducting it. The search will lead into strange byways. It should in time produce enough evidence to give yes or no answers to the satisfaction of almost all physicians and scientists. One phase is a research program by the Tobacco Industry Research Committee, starting with an initial half million dollars. This week its scientific advisory board, headed by Dr. C. C. Little, Bar Harbor, Maine, announced the first of six grants totaling \$82,000 for research projects. This advisory board says no one has yet proved a definite cause-and-effect relationship between cigarettes, cancer and heart disease. It has mapped a broad program to cover studies of humans and human lungs, smoke tests on mice, human lungs, jobs and geographical differences, the effects of inhaled smoke on animals' nervous systems, blood vessels and lungs, and to make analyses of tobacco. The American Cancer Society, saying that "presently available evidence indicates an association" between smoking and cancer and heart disease, has just earmarked

Knott Exes Slate Homecoming Nov. 20

KNOTT (SC) — The Exes Association of Knott High School has scheduled its annual homecoming for Saturday, Nov. 20. Dr. W. A. Hunt, president of Howard County Junior College, is to be principal speaker during a program and business meeting set for 10 a.m. A pep rally will follow at 11:30 a.m. and lunch will be served at 11:45. The group will attend the Knott-Flower Grove football game, starting at 2 p.m. Registration for the homecoming will be held from 8:30 to 10 a.m. Open house at the school also will be held.

Massive Building Plan

TEXAS CITY (U) — A home-building project calling for construction of 1,500 residences will be launched here in December. Plans announced yesterday placed an approximate value of \$16,500,000 on the project.

A Bible Thought For Today—

The vilest men sometimes put on a smiling exterior that deceives the very elect. But Abraham Lincoln said you cannot fool all the people all the time. "Inwardly they are ravaging wolves." — Matt. 7:15.

Prospects Good That The Censure Hearing May Drag On For Weeks

For some days now or for some weeks—there have been threats of a filibuster by some McCarthy partisans lasting until Congress convenes in January—the country will look on and listen in white the Senate of the United States goes to the mat with one of its members, Sen. Joseph R. McCarthy Jr. of Wisconsin, over the question of censuring him for past conduct unbecoming a member of that august body.

The gist of the report of its special committee set up to consider many charges against the Wisconsin senator is that he ignored requests to testify made by a previous committee which investigated him, and that he treated an Army brigadier abusively while questioning him on the witness stand. On these two counts, and these two counts alone, the Watkins committee made up of three Democrats and three Republicans presided over by Republican Watkins, recommended that McCarthy be censured.

If the ensuing debate could be confined to these two counts, the matter might be decided one way or the other in a couple of days. Doubtless if the Senate

majority had its choice, that's the way it would be.

But Sen. McCarthy and his partisans have no intention of letting it rest there. They are correct in estimating that a hard counterattack is the best defense, and their main object will be to place others on the rack—the Senate itself, the Eisenhower administration, the Democrats, the Watkins committee, Central theme of their argument: Only McCarthy can save the country from the Communist infiltration, therefore an attack on McCarthy and his methods is ipso facto a defense of communism.

Sen. McCarthy has been able to persuade important segments of American opinion that this is indeed the case, and before the current debate is over he may persuade others.

But the man's worst enemy is himself. He knows no moderation, no restraints, no halfway measures. As witless his most-clever attacks on the Senate in general as the hearing convened. With him, it is all or nothing.

The progress of the debate could be interesting, is bound to be long, and has small chance of being edifying.

"How Do You Feel About-Uh-Nonaggression Pacts?"

The World Today—James Marlow

United States Has Signed Multitude Of Pacts To Set Up Mutual Defenses

WASHINGTON (AP)—The United States has moved so far from its prewar isolation—under both the Truman and Eisenhower administrations—that now it is linked to the defense of other nations spanning the world. It has agreements with allies in Europe, Asia, Latin America and the Pacific. The agreements are not all the same, varying in the degree to which the United States pledges itself to aid its allies.

The extent of the American commitments was illustrated again Wednesday when President Eisenhower asked the Senate to approve this country's membership in SEATO, the Southeast Asia Treaty Organization.

Philippines Treaty — Agreed to Aug. 16, 1951. The United States and the Philippines agree an attack on one would endanger the other and promised to meet such a danger in accordance with their constitutional processes.

Australia — New Zealand-United States—This agreement, called the ANZUS Treaty, was signed Sept. 1, 1951. Like the Philippines Treaty, it is a pledge of mutual help in case of attack but, again, only in accordance with constitutional processes.

Japanese Treaty — Signed Sept. 8, 1951. This gives the United States the right to have armed forces in and around Japan and to help defend Japan against attack. There

would have to use armed force without its consent. The Senate ratified Dec. 7, 1947.

NATO—First suggested in 1948, it was approved by the Senate July 21, 1949. The members—14 now—agree to go to one another's defense in case of attack on any of them. The members are the United States, Britain, France, Canada, Italy, Denmark, Iceland, Norway, Portugal, Greece, Turkey, Belgium, the Netherlands and Luxembourg.

In 1952 the United States made separate defense agreements with Japan, the Philippines, and with Australia and New Zealand. All were approved by the Senate March 20, 1952.

Western European—In London on Oct. 3 and in Paris on Oct. 23, 1954, nine nations—the United States, Britain, France, West Germany, Italy, Canada, Belgium, the Netherlands and Luxembourg—agreed that West Germany should be allowed to rearm, regain her sovereignty, join a military alliance of six West European countries and become the 15th member of NATO.

Spain — In Madrid, on Sept. 26, 1953, the United States and Spain signed a 20-year agreement under which Spain would let the United States build air and naval bases there; in return, the United States would give Spain military, economic and technical aid.

South Korean Treaty — Agreed to Aug. 8, 1953, ratified Jan. 26, 1954. This treaty, following the Korean armistice with the Communists, pledges the United States and South Korea to go to each other's help if either is attacked.

The court said that when the primaries of a political party became decisive in the selection of public officials, then a Democratic, or any other, party primary became a function of state government. In the case of Texas, in the primary involved, the court said that the Democratic party became an agency of instrumentality of state government.

It did not lay down any boundaries or

markers to show when or how its criteria should apply. The court did not say how Texas or any state could determine whether a particular Democratic primary controlled the selection of state officials. Nor whether one primary controlled one, but not all selections. It did not set up field rules for anyone to determine in July whether a party nomination actually was tantamount to election in November.

The court did not say whether its decision meant that in Texas the Democratic party was an agency of government, whereas the Republican party would be considered a private association, or gentlemen's club, untouched by official status. The Democratic party in Texas is still under the mantle of that judicial investment. There has been no argument about Negro citizens voting in the primaries. There has been no decision on the status of any election. It has been maybe so, maybe not.

Compared to that, the doctrine laid down in the Tideland case was a gem of logic; the change of a century's legislation and 80 years of judicial interpretation of the separate but equal doctrine in the desegregation decision as crystal exposition of law.

Around The Rim—The Herald Staff

Check Your Spare Tire, It May Come In Handy In Water Rescue

The opinions contained in this and other articles in this column are solely those of the writers who sign them. They are not to be interpreted as necessarily reflecting the opinions of The Herald. — Editor's Note.

Police Chief E. W. York the other day came up with a new wrinkle in the use of spare tires. He stated that they can be used for life preservers in water rescues.

The chief wasn't talking about the inner tube. He was talking about the entire tire, mount and all.

York maintained that an ordinary spare tire mounted on a steel rim can support the weight of four grown men in the water. And he cited an experiment conducted by the Massachusetts Safety Council as proof.

As York pointed out, this means that practically every car owner has the material to effect a safe water rescue and perhaps prevent a drowning.

Many motorists who would ordinarily stand helplessly on shore could be actual rescuers of drowning individuals simply by unbolting their spare tire and rolling it into the water near the victim.

With Lake J. B. Thomas water activities assured next summer there is a possibility that some drownings could be avoided if the "spare tire rescue" idea gets around.

The experiment conducted by the Massachusetts group actually showed that a regular 600-16 tire, fully mounted on its steel rim, and properly inflated, would support a total of 750 pounds or four grown men.

The tests showed that a tire can be re-

moved from the trunk of a car under average conditions in less than 60 seconds. This means that a life buoy could be furnished a drowning man in a little or no time.

A woman would have little trouble rolling a tire to the water's edge, and a non-swimmer would find the tire an ideal way to help save someone. Even if the non-swimmer found himself in the water, both he and the victim could be supported until help arrived.

Actually the tire would be a free floating support, but it would not be a complete rescue. The tire and man hanging on would still have to be pulled in. However, with the steel rim to grab, the victim could hang on for quite some time.

The tire could also be pushed to a water victim by a swimmer untrained in rescues. By keeping the victim on one side and himself on the other, such a swimmer would have an easier time getting the victim to shore than under ordinary circumstances.

The availability of the tire and the small amount of effort necessary to remove it and get it in the water makes it ideal for use in some rescues. The idea of security which it would give to the person in the water could not be described.

—CLIFTON LAWHORN

Award, While Appreciated, Need Not Lull Us To Careless Driving

Our city has been honored for having gone two full years without having incurred a traffic fatality within the corporate limits. This is a salute to good fortune and increasing care, although it is tempered considerably in the knowledge that it is only by the strict technicalities that it has come our way. Actually, one child was fatally injured by a car inside the city limits but the mishap occurred on private property. Another death occurred barely outside the corporate boundary line.

Hence, the award is certainly nothing to puff us up. It can, however, serve a useful purpose in encouraging citywide teamwork in trying to stretch that record for the sake of preventing injuries and saving lives. There are grounds to believe

that a city's population will join in trying to stretch a good record where it would not go all out to simply start a good record. This is the same psychology that makes an unscored-on team doubly tough on defense, or an undefeated team the mischief to beat.

We need to cultivate a community spirit in this project for we still are having far too many collisions and moving traffic infractions for comfort. Any one of these crashes, though seemingly minor in character, could be the one that triggered a chain of events that would claim a life. Anyone of these dig-out and drag-racing incidents could be the one that caught an unwitting pedestrian in the path. To stay lucky you have to be more careful than ever.

These Days—George Sokolsky

AFL-CIO Merger Could Develop Trend Toward Political Party

No one has up to now been able to form a successful labor party in the United States. The Knights of Labor, organized in 1869, failed as a political force. Daniel DeLeon attempted to organize politically; what became the socialist labor party, his organ, has failed as a political party. What used to be called the Social Democratic party, under Eugene Debs, Morris Hillquit and Victor Berger, developed into the Socialist party, under Norman Thomas, but has never been politically equal to the quality of its leadership. The Non-Partisan League, the CIO-PAC, the American Labor party, the Liberal party, the ADA have never been able to elect a candidate to any office on their own. They have used the Democratic party, and at times the Republican party, as transmission belts for persons they favored. The American Labor party became an instrument of the Communist party and in the recent election passed from the scene.

The American Federation of Labor under the leadership of Samuel Gompers never joined a political party. Gompers was so opposed to socialism that he feared the consequences of the combination of labor unions and politics in the United States; besides, Gompers managed to ma-

nipulate individuals of both parties in favor of his AFL which was a respected craft union under his leadership. It was not until recent years that the AFL became actively associated with the Democratic party.

Should the American Federation of Labor and the CIO be amalgamated, which is likely before the 1956 campaign, a labor party will be in the making. It will not be the intellectuals of the Americans for Democratic action who will lead such a party; it will be the professional labor leaders, tough, experienced men who have tested their strength this year in several areas, particularly in Michigan, where they defeated Homer Ferguson by one of their own men, a figure unknown nationally and not even a local outstanding figure. It was a test of strength and the labor unions won.

The campaign in Michigan needs to be studied as a characteristic employment of the Democratic Party as a transmission belt by organized labor. Homer Ferguson is a national figure who has played an important role in the United States Senate. He is intellectually above the general run of senators. His opponent, Patrick McNamara, was co-opted after Blair Moody, the Democratic favorite, died. The campaign was dull: Ferguson defended the Eisenhower Administration, the 83rd Congress and his role in it. The Democrats ran a class-conscious campaign, with an undiluted appeal to the labor vote by slogans as old as Eugene V. Debs and as new as Aneurin Bevan. The Republicans never attacked the slogans either by philosophy or fact.

To this must be added the factor of regional unemployment and the unbelievable political stupidity of the automobile manufacturers who, while anxious for Eisenhower to be supported, chose the election period for a technological lay-off, as though nothing happened in the world but the manufacture of automobiles.

The result: Ferguson was defeated and Walter Reuther moves to a higher rung in the leadership of the Democratic party which he will either convert into a labor party or ditch for a newly organized labor party under his leadership before 1956. Reuther was, of course, aided by Charles E. Wilson's quip about dogs, an innocent and, in my opinion, laudable remark which was distorted into a campaign utility. But this factor can be exaggerated; what counted were the socialistic slogans in a period of regional and technological unemployment, partly due to unpolitical timing by the manufacturers who are not class-conscious.

Walter Reuther's success in Michigan will give impetus to other labor leaders to recognize the need for a labor party. In New York, David Dubinsky's Liberal party did not do so well, but here again the Democratic candidate for governor, Averell Harriman, the Republican candidate, Irving Ives, and both candidates for attorney general were under labor influence.

Notebook—Hal Boyle

Voting Place Is Shrine To Trust In The People

By RELMAN MORIN (For Hal Boyle) NEW YORK (AP)—A voting place on election day is a mirror of America.

The woman in an ahead of me obviously was foreign-born. She spoke with a heavy accent and seemed shy and uncertain, waiting for her turn.

When she came out of the booth, a radiance shone in her face, and her expression was uplifted as though she had been in a church. Who knows? Perhaps she comes from one of those countries where national policy is made with a midnight rap on the door, and men reach office over a mound of corpses.

A voting place is a shrine. That little cubicle with the green curtain is the truest and noblest memorial ever devised to all the men and women who died for the principle it represents. And this is precisely what we are fighting about today, what the "cold war" is about, nothing more nor less than the right to step into a booth, close the curtain, and there express a choice among men and issues.

A voting place is a symbol of the growing up of America. It seems to me that we are getting better candidates and better campaigns every year. Certainly, there are notable exceptions to this broad generalization. But many very fine men were candidates this year, and they campaigned decently and with taste and intelligence.

Remember those stirring battle cries of other years, "Keep King George out of Chicago," and "Pass the binomial, pappy!"

A voting place is a luxury. Of the two billion human beings on earth, only a fraction have the opportunity to decide for themselves how they wish to be governed, and by whom. The great majority melt into a vast grey mass, without voice or face. They are told what is best for them and punished for disagreement. Even more bitter, there are the millions who had a brief taste of freedom after the first World War, then lost it after the second.

Inez Robb's Column

'Nuts' City Of Bastogne Ready To Pay Homage To MacAuliffe

(EDITORS NOTE: Inez Robb is currently on a two-weeks' jaunt in Europe, during which time her column will reflect the sights, sounds and colors of various points on the continent.)

BASTOGNE, Belgium — A citizen of this small town is coming home next month to celebrate the 10th anniversary of his great triumph here and his fellow townsmen are planning the proper honors.

He is Gen. Anthony MacAuliffe, erstwhile American who is the adopted son and hero of the Bastogne, who held fast this pivotal garrison during the Battle of the Bulge.

Other generals have won battles even as important as that of the Bulge, which shook the Allied timetable and even Allied confidence in 1944, without becoming a folk hero or remaining a town.

Oh, on the map, this town of 6,000 souls is still known as Bastogne, but by its own citizens and throughout all Belgium it is proudly known as "The Nuts City."

When handsome Tony MacAuliffe, in reply to the German demand for surrender on Dec. 22, said "Aw, nuts" and sent that same written reply back to the German High Command, he did more than immortalize himself and Bastogne. He galvanized not only Bastogne on that day, but his own countrymen and the Allies everywhere.

On that day 10 years ago, it was not very plain what this American word, "nuts," meant, the present Mayor of Bastogne, Joseph Degro, told me today.

But when an American colonel obligingly translated the word as meaning, "Quits silent as a dible," or even, more bluntly, "Go to hell," the town understood immediately and applauded, although they knew only too well that the message might presage total destruction of Bastogne and its inhabitants.

The destruction came, all right, from German aerial bombardment, beneath which the little town rocked. But by that time it had a magic password, the mayor continued. It was: "Nuts." So the unarmored people of Bastogne stood fast.

They stood so fast, these citizens of Bastogne, that when the titanic struggle was over and the Germans once more in retreat, it was difficult to single out individual citizens to be cited for bravery. So the whole town was awarded the Croix de guerre.

But, more important still, it had earned

the noble American appellation, "Nuts." Bastogne made an honorary citizen of Gen. MacAuliffe, and in the town square it erected a bronze bust of him beside one of the American tanks that fought in its streets.

On the principal road leading into Bastogne, the turret of an American tank is set on a base of stone and mortar as a permanent memorial, and beneath is a placard eloquently reading: "NUTS."

There is a MacAuliffe Cafe on the town square. One of the children is the patron of an class and schoolchildren that chose "Nuts" as its motto and cheer, the mayor said. The kids have a letter from the general, consenting to be their sponsor.

There will be a big time in Brussels when Gen. MacAuliffe arrives there next month, including formal ceremonies attended by the King.

But the real celebration will be here, in Bastogne, when Gen. MacAuliffe arrives Dec. 28, "The Day of Liberation." It was that day 10 years ago when Gen. George Patton and his tanks just about had the Nazis run out of town.

On Dec. 28 next the citizens of Bastogne will assemble in the town square and, on appearance of the general, roar his and their immortal motto, "NUTS," until the very hills ring.

Riding The GRUB LINE

With Franklin Reynolds

The two Guar plants mounted the board by Marion Everhart of the Big Spring unit of the Soil Conservation Service came from the field of Ira McQuerry, just east of Coahoma.

The two plants were planted at the same time, in May, in the same field and grew side by side. Neither received any rain after July or they would have grown larger.

The mysterious mosaic virus disease, as yet not identified, hit the plant on the right about 10 inches above the soil line and stunted that plant from the place where the virus struck on up. Below the infection point, however, the stem continued to grow and reached almost normal size. After the virus stopped the growth of the top part of the plant the root part on more growth penetrating several inches deeper into the soil than the normal plant on the left.

There were only 20 beans produced by the diseased plant while the normal, healthy plant produced more than 300 beans.

This unidentified Mosaic virus infection, Everhart explains, hit plants of certain varieties in Arizona in 1933. Where it has once appeared it has not reappeared for the second time. This year it has shown up in Texas infecting, in some areas, cantaloupes, cucumbers, guar and other vegetation. Strangely enough it does not just sweep through a field taking everything it but only strikes plants here and there, for a higher or lower percentage.

It has also been determined here in Howard County that guar does not lose its growth in about 125 days as some have described it and thus prepared itself for harvest. Apparently it is continuing its growth here and putting on new beans right up until frost. It starts producing beans when it is six weeks old. It is estimated that plants such as the healthy one on the left will yield 1,000 pounds of beans to the acre. The McKinley Grain Company of Big Spring is the purchasing agent in this area for guar beans for the General Mills processing plant at Kenedy.

Everhart calls attention to the fact that even the diseased plant put down a tap root that penetrated well into the hardpan.

Certainly this soil-improving summer legume has proven, in this area, that it is drought resistant, that it will stand up to dry weather and that it will thrive on hot weather.

The guar harvest over this section is now getting into full swing.

County Agent Jack Burkhalter at Colorado City says dates for the annual Mitchell County 4-H and FFA Livestock Show have been set for Jan. 21-22, and that this year they will have, in addition to the present facilities, a new pig and sheep barn, 16-foot wide and 80-foot long of steel construction. The new barn has been authorized by the Mitchell County Commissioners Court.

The Colorado Independent School District has agreed to buy 150 steel mats to make pens for this new barn.

Burkhalter also calls attention to the fact that the Mitchell County Hereford Breeders Association will hold its annual breakfast at Coker's Cafe, just outside Colorado City, at 7 a.m. Dec. 2, for the purpose of electing officers and making plans for the association's annual cattle sale.

Nathan Allen Jr. of Fort Worth, fieldman for the American Hereford Association, and son of Mr. and Mrs. Nathan Allen of Big Spring, will be present at this breakfast to aid the breeders with their program.

The sale, after the date has been set, will be held at the Tate Brothers Auction Ring in Colorado City.

The Mitchell County agent says his county certainly needs some rain. Feed production has been short this year and most of the feed has been bundled. Where feed has been cut, however, production has run from 450 to 500 pounds to the acre.

The 4-H Club members there have eight milked and seven dry-lactating calves on feed; 15 pigs and 30 lambs. Burkhalter thinks there would have been more livestock.

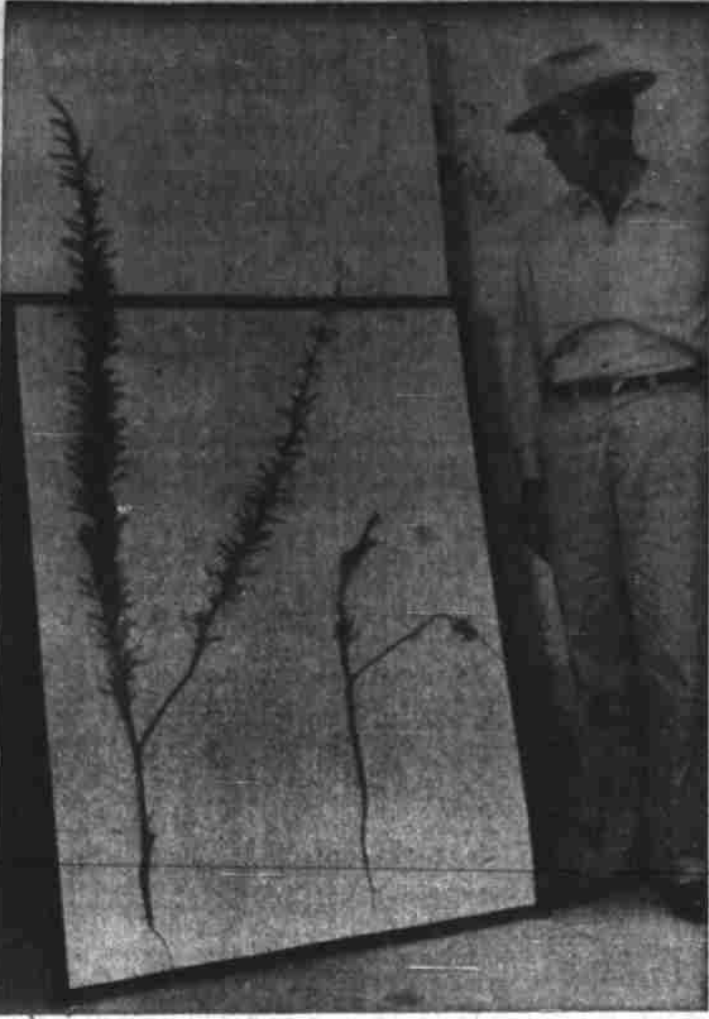

British Teachers Not To Destroy Comics

LONDON, (AP)—British school-teachers asking comic books from children in classrooms had better not destroy them. The kids may sue.

This warning was issued yesterday by the National Union of Teachers, whose legal eagles have come up with the following opinion:

"The comic is not valueless. Ownership does not reside in the teacher. To destroy it or otherwise deprive the true owner of it permanently would be an illegal act."

projects if the county had produced more feed this year.

The steer roping at San Angelo this coming Sunday afternoon is expected to be a complete sell-out, according to Ralph Trolinger, manager of the sponsoring San Angelo Fat Stock Show and Rodeo.

All the boxes have been sold and more could have been sold, Trolinger says. Pointing out that there were only 3,100 grandstand seats available before ticket sales got under way, he says there are fewer than 2,000 of these remaining.

The steers being brought in from New Mexico should arrive in San Angelo not later than today. Such tickets as remain can be gotten by orders sent to the San Angelo Board of City Development.

The contesting ropers include Toots Mansfield of Big Spring; Ike Rude of Brawley, Calif.; Don McLaughlin of Smithfield; Steve Stephenson of Big Lake; John D. Holleyman of Rankin; Everett Shaw of Stonewall, Okla.; Sheat Webster of Lenap, Okla.; Clark McIntyre of Kiowa, Okla.; Cotton Lee of Fort Sumner, and Troy Fort of Lovington.

Lee Roy Colgan, county agricultural agent at Lamesa, says his 4-H Club members have 13 steers, 47 lambs and 110 barrows on feed for the spring show.

Colgan is a county agent who is putting emphasis on swine as an income producer for the farmers. He is also encouraging poultry

Major Mechanical Changes Noted In Lincoln For '55

Major mechanical changes which will match many luxury developments, will be featured in the Lincoln automobile for 1955, according to advance information. The Lincoln will be shown to the public on Nov. 23.

There is to be noted startling improvement in acceleration, passing ability and all-around power and performance in the 1955 Lincoln engine, according to Truman Jones, local dealer.

The most important consideration was to obtain very high torque at low speeds, as well as greater power output. Displacement has been increased to 341 cubic inches and cylinder bore diameter to 3.94 inches. The stroke remains at 3.5 inches and compression ratio has been increased to 8.5 to 1. Dual exhausts are standard equipment on the 1955 Lincoln.

Reds Offer Japan Rail Stock Order

TOKYO, (AP)—The newspaper Asahi today said Russia wants to buy 50 narrow-gauge steam locomotives and 1,000 freight cars from Japan, a 17½-million-dollar order.

V. Krupin, Russian commercial representative, reportedly made the offer yesterday to the Japan Locomotive and Rolling Stock Industry Assn. The association instructed its members to submit quotations.

The order probably would top that of 1948 when Russia purchased 265 locomotives and rolling stock. It would be the first such order since the start of the Korean War.

Toynbee Doesn't See Russian War

PHILADELPHIA (AP)—British historian Arnold J. Toynbee does not expect a third world war involving the United States and Soviet Russia.

The research professor in international history at the University of London said in an interview last night that he looks for the present "cold war" between the West and Russia to continue "for a long time" with no "sensational ending."

Toynbee, here to address the autumn meeting of the American Philosophical Society, said, "We ought not be frightened by the competition. We ought to persuade the world that the West is better."

6 Dawson 4-H Club Youths Due Awards

LAMESA — Approximately 200 members of the 4-H Club, guests and parents are expected to attend the annual achievement banquet at the Labor Center Friday night. Thirty-six achievement awards will be given in recognition of outstanding work accomplished by 4-H girls and 25 awards to boys for their achievements. The Rev. A. E. Hughes, pastor of the Second Baptist Church, was principal speaker. Fred T. Raney, president of the Dawson County Farm Bureau, will present the awards. The Rev. Hughes will speak on the "Romance of Achievement."

New Draft Board Meets

New members of Selective Service Board No. 71 are shown in their first meeting since being appointed in October. Robert Dean of Big Spring, left, is the Howard County representative on the board and new chairman. Martin Gibson, center, is the only hold-over member, and he represents Martin County. On the right is Sie Hamm of Mitchell County, also a new appointee. The three met this morning to classify registrants from the three counties. They will meet approximately one time each month.

Borden Wildcat Sets Completion Try, Howard Discovery Finaled

Seaboard No. 1-45 T. J. Good, wildcat steplap to the Spraberry producing Arthur field in Borden County, has indicated as a Pennsylvania discovery. And Warren Bradshaw No. 1-A TXL has been finalized as a Glorietta discovery in Southeast Howard County.

C SE SE, 44-32-4n, T&P survey, got down to 4,976 feet in lime. Texas Company No. 1-C Clayton, C SE SE, 30-32-4n, T&P survey, is reported at 1,385 feet in anhydrite and lime. Texas Crude No. 1-9 Good, 330 from north and 660 from east lines, 9-33-3n, T&P survey, bored to 4,800 feet in lime and shale. Tide Water No. 1-A Clayton and Johnson, C SE NE, 46-31-4n, T&P survey, hit 4,540 feet in lime and shale.

J. K. Wadley of Abilene spotted his No. 1-C. A. Hardee as a wildcat in North Mitchell County.

Seaboard No. 1 H. B. Weir, C SE SE, 34-34-5n, T&P survey, has been completed for a calculated 24-hour potential of 22,778 barrels of oil. Actual test was for 18 hours, when 189.59 barrels of oil flowed through a quarter-inch choke. Gas-oil ratio is 148-1. Production is from the lower Spraberry from casing perforations between 7,570 and 7,595 feet. Operator fractured the perforations with 20,000 gallons of sand oil prior to test. The 5 7/8-inch casing is bottomed at 7,710 feet. Operations originally went to 8,531 feet in the Pennsylvania reef, pay zone of the Spraberry Deep West field, but the reef was dry.

Seaboard No. 2 C. S. Dean, 3,302 from south and 1,980 from west lines, 11-34-5n, T&P survey, is bottomed at 495 feet. The 10 1/2 inch casing was set at 453, and operator is preparing to drill plug and go deeper. Standoil No. 3 Clansen, 1,200 from north and 980 from east lines, 95-M-ELAR survey, hit 1, 647 feet in redbeds.

Warren-Bradshaw No. 1-A TXL, 330 from north and west lines, southwest quarter, 41-30-1n, T&P survey, has been finalized for a 24-hour potential of 57 barrels of oil and 22 barrels of water. Production is from open hole between 7,245 and 7,245 feet after zone was acidized and fractured. The discovery is in the Glorietta sand, and wellsite is about one and three quarters miles southwest of Snyder. Ada No. 1 Wright, C SE SW, 41-33-3n, T&P survey, is now taking electric logs. The second drillstem test taken from 9,063 to 9,090 feet with the tool open six hours had recovery of 40 feet of gas-cut mud and 290 feet of mud cut salt water. Earlier this project had yielded 30 feet of heavy oil and gas cut drilling mud in zone between 9,063 and 9,078 feet. The wildcat is 2 1/2 miles southwest of the Oceanic field.

Scherck, Smith and Cosden No. 1 Gilbert Wright, C NE NE, 32-33-3n, T&P survey, bored to 7,543 feet in shale. Sun No. 1 Simpson, C SE SE, 46-32-2n, T&P survey, is making hole at 9,376 feet in lime.

British-American No. 1 Lindsey, Seurry wildcat, is now taking a drillstem test from 7,207 to 7,209 feet in the Ellenburger. Test from 7,185 to 7,210 feet with the tool open two hours had recovery of 450 feet of gas in the drill pipe and 180 feet of gas-cut mud with a trace of free oil. Ashland, Peeler Brothers, and Warner and Luttrell No. 1 W. J. Bugg, is to be a wildcat 10 miles southeast of Sweetwater. Location is to be 2,113 from south and 330 from east lines, 92-21-T&P survey.

Borden

Seaboard of No. 1-45 T. J. Good, wildcat steplap to the Arthur field, is being prepared for a completion attempt in the Pennsylvania as a discovery. This project drilled through the Spraberry, where there apparently was some pay, to the Pennsylvania. A drillstem test was taken in the lower formation from 8,780 to 8,812 feet, with the tool open two hours. Recovery was 1,900 feet of pipe line oil and no water. Operator drilled ahead to 8,833 feet and found water between 8,812 and 8,833 on test. The 5 1/2-inch casing was set at 8,853 and an attempt will be made to squeeze off water below 8,812. Then operator will perforate and test the zone which had pay. Top of the reef is 8,733 feet, and datum minus is 6,603. This will be the first producer from the Pennsylvania in the area, as all others are obtaining oil from the Spraberry. The first well drilled in the Arthur field went to the reef and had fair shows but not for commercial production. The No. 1-45 Good is higher geologically to the first try. It was reported. Location is about 600 from north and 1,234-2 from west lines, 45-33-4n, T&P survey, about four miles east of Actery. Shell No. 1 Clayton and Johnson.

CENSURE

(Continued From Page 1) Enlashed statements about the censure case. Chairman Watkins (R-Utah) and Sen. Case (R-SD) already have spoken. McCarthy indicated yesterday he would not adopt a suggestion by Case that he apologize for what he had said about the elections subcommittee. Case told newsmen that if McCarthy were to "retract" on the Senate floor what he had said about the elections subcommittee and its members, he felt the angry wrangle over the proposed censure might be quickly ended. "If he indicated any regret he had uttered those words, it would be very easy for the Senate to accept and then to table (and thus kill) that portion of the resolution," Case said. He added that "if we got that far, the Senate itself might disavow" McCarthy's treatment of Gen. Zwicker "and that would wash that out." There was no immediate indication whether Case's views were shared by the full Watkins committee or by a Senate majority. But McCarthy indicated he was in no mood to retract the criticisms he has hurled at the elections subcommittee. He has accused it of being dishonest and of stealing the taxpayers' money. "I'm doing everything over today," he said in reference to the elections subcommittee. "I would not do it any differently." As McCarthy challenged the select committee's procedures, Watkins exclaimed in exasperation: "I wonder sometimes if I'm on trial." He said McCarthy always manages to turn trials of himself into trials of somebody else. McCarthy has accused Watkins and two other members of the censure committee, Senators Edwin (D-Ore.) and Edwin C. Johnson (D-Colo.), of being prejudiced against him. All three have declined to answer to the charges.

Members of the jury were J. E. Fort, foreman, and W. O. Neal, M. A. Loulami, Jack Buchanan, Marvin Hayworth, Clayton Beattie, Albert Grayham, Norris Womack, Weldon B. Low, Buel Fox, J. H. Fuller, and Phil Smith.

Magazine Sales Agents Released

The three teen-age girls and their youthful manager who were arrested here earlier in the week for selling magazines without a permit have been released, Police Chief E. W. York said. A check with the Department of Public Safety revealed that none of them were wanted by other law enforcement agencies. They paid the portion of their fines not served out in jail and have since left town. All were arrested in Edwards Heights addition when soliciting from door-to-door. They had not secured a permit from the city prior to undertaking their selling activities.

GOMEZ

(Continued From Page 1) cause of the widespread discussion of narcotics during the Democratic primary campaign here in August. He asked for continuance on grounds that two defense witnesses failed to appear. Both had been subpoenaed for the trial. Members of the jury were J. E. Fort, foreman, and W. O. Neal, M. A. Loulami, Jack Buchanan, Marvin Hayworth, Clayton Beattie, Albert Grayham, Norris Womack, Weldon B. Low, Buel Fox, J. H. Fuller, and Phil Smith.

Dr. O'Brien To Be Speaker At Second Forum Of Chamber

Dr. P. D. O'Brien, pastor of the First Baptist Church, will be the speaker Monday night at the second membership forum of the Big Spring Chamber of Commerce. The forum, to be conducted following a short directors meeting, will deal with commercial activities here. Elmo Wasson, clothing dealer, will coordinate discussions. All members of the Chamber are urged to attend the session, and individuals who are not members and yet interested in commercial affairs are also invited. Committee members under the commercial activities division have been asked to attend. Discussions are expected to center on trade extension, inter-city relations, tourist development, conventions, merchants activities, agriculture, livestock, rural relations, good will, exhibits and sales. Chamber President Champ Rainwater will preside over the short directors meeting and the Wasson will take over for the discussion, which will be of the open forum type. Dr. O'Brien is expected to develop the idea of progress through effort. The meeting will be held in the Chamber of Commerce conference room on the first floor of the Periman Building at 7:30 p.m.

Demos Ask Recount In New Jersey Vote

TRENTON, N.J. (AP)—Democrat Charles R. Howell, refusing to concede to Republican Clifford P. Case, today seeks court orders throughout the state for a recount of the New Jersey senatorial election. Terming the results of election "extremely close," a party spokesman declared the people of New Jersey are entitled to know who is their rightful representative. Case was 3,408 votes ahead of Howell on the basis of official returns from 30 counties and unofficial returns from the 21st-Camden — where a canvasser still is under way. "The present margin of difference is less than one fifth of 1 per centum of the total vote cast," Case, today seeks court orders throughout the state for a recount of the New Jersey senatorial election.

Deal To Buy Out Hughes Interests Reported Balked

HOLLYWOOD, (AP)—A reported deal to buy Howard Hughes' industrial empire for 400 million dollars has brought conflicting statements. William Zeckendorf, heading a New York syndicate of buyers, said last night that Hughes has balked at the transaction. Hughes had termed "totally and utterly untrue" a report he was about to sell all his enterprises except RKO Studios. "We consider the deal absolutely off due to a unilateral and completely unneccessary reversal on the part of Mr. Hughes," Zeckendorf said last night. "I'll have a complete statement to make about the deal when I get to New York." Zeckendorf said he flew here, hoping to close the deal for the Hughes Tool Co., Hughes Aircraft, his Houston brewery and allied interests.

Stalinism Now Being Reasserted In Russia

By WILLIAM L. RYAN Associated Press Foreign News Analyst Stalinism is coming out of hiding in Moscow. More and more the Kremlin is hewing to the Stalin line, despite outward demonstrations to the contrary. It seems to mean that while talking of peace, the Soviet Union is digging in for a long cold war. And there will be no letup in pressure against areas of least resistance. This does not mean a reversal of policy by Premier Georgi Malenkov's regime so much as it indicates the Kremlin is cautiously reasserting those aspects of Stalinism which best suit Soviet world designs. In Soviet foreign affairs, this probably will bring concentration on two avenues of operation: 1. Those areas the official Communist line dubs "colonial and dependent"—most of Asia, including Japan, all of Africa and most of Latin America. 2. Communist-controlled organizations outside the Soviet borders, such as the World Council of Peace, the World Federation of Trade Unions and various associations whose members are conscious or unconscious tools of Soviet foreign policy. Indications are that the honeymoon between the Communist party leadership and the Soviet people is all but over before it is two years old. The honeymoon began with concessions the nervous regime extended in the days immediately following Stalin's death. Where Stalinism injured the Soviet Union in the past, it has been repudiated. That permits such things as the determined wooing of Yugoslavia. It also permits more flexibility in maneuvering, particularly with gestures having the look of an ardent desire for world peace. On the home front, Stalin is quoted frequently, though not by name on tasks ahead—more "socialist competition," more progressive raising of output quotas for workers, more "productivity of labor" in town and farm. Concessions to the people—particularly the peasants—appear to have solved little for the Malenkov regime. There is a strong hint that controls will be tightened on Soviet economic and cultural life, that a brief experiment in extending a bit of freedom proved somewhat dangerous. The people seemed to have liked the taste.

60-Day Sentence, \$100 Fine Levied By County Judge

A \$100 jail sentence and a fine of 60 days were assessed in County Court this morning by Judge R. H. Weaver. Jackie Heldreich was sentenced to 60 days in jail after she pleaded guilty to charges of defrauding with worthless checks. The charge was filed in connection with a check for \$15 given to the Leonard Pharmacy on Aug. 29. Miss Heldreich, recently released from a 25-day sentence assessed in another check case. Israel Garza was fined \$100 when he pleaded guilty this morning to charges of unlawfully carrying a gun. B. H. Smith appeared in the courtroom, but postponed the entering of pleas to two charges of defrauding with worthless checks. He asked for a conference with County Attorney Harvey Hooser and said he would enter pleas this afternoon. Complaints against Smith were made by Charlie Copeland in connection with checks for \$25 and \$15.

Kiwanis Installs Two As Members At Thursday Meet

Two new members were installed at the meeting of the Kiwanis Club here Thursday. T. B. Atkins was in charge of the ceremonies which made Glen T. Guthrie and J. B. Whitely members of Kiwanis International. Sam Sonntag, chairman of the vocational guidance committee, explained eligibility rules under VA hospitals for treatment. Joyce Howard, accompanied by Mrs. C. W. Norman, sang two selections, one the national anthem as it was Veterans Day. H. W. Smith, chairman of the gun ball machine project, said that the Not Yet's were still 1,100 points ahead of the Has Beens as the two teams took to the field with 200 other prospects to contact for machine locations. So far 25 locations have been secured. The club's cut will go to its boys and girls activities. Guests for the day were Freddie Carles, Houston, and Earl Bryan.

Two Fined \$100 Each For Disturbance

Two men were fined \$100 each in city court this morning on a charge of disturbance which occurred, police said, when the pair tried to "pick up" two women last night. The women were married, officers said, and had just taken off from work for the evening. The husband of one of the women argued with the two men using abusive language and a disturbance resulted. Police chased the two men, who were accompanied by two others, before apprehension. One of the women testified in court this morning that the two accompanying men had nothing to do with the affair.

Man Is Arrested In Bank Robbery

DALLAS (AP)—Gene Carroll Brown, 26, charged in the June 4 robbery of the Grapeland State Bank, Houston County, Tex., was arrested in Dallas late last night. Brown, his wife and a 19-year-old youth were charged in the \$1,700 robbery, W. A. Murphy, Dallas chief of the FBI disclosed. Mrs. Brown was arraigned in Dallas on Oct. 27 on charges of receiving and disposing of money taken in the robbery. The other suspect, Joe Derl Gore, is held by federal authorities in Nebraska in connection with a Scotts Bluff, Neb., bank robbery in which \$50,000 was taken.

Wages Held Rising Faster Than Prices

WASHINGTON (AP)—The U.S. Chamber of Commerce said today hourly factory pay since the start of 1953 has climbed more than seven times as fast as prices. The Chamber said the government's consumers' price index rose 6.8 per cent in 1953 while its figure on average hourly earnings in manufacturing increased 6 per cent. It listed the January-September 1954 rise as 6.3 per cent in the price index and 2.3 per cent in factory pay.

Train Jumps Its Tracks in New England; 1 Death

NASHUA, N.H. (AP)—The crack Northeast-Boston overnight train Red Wing jumped the tracks just north of the Nashua station early today killing one woman and injuring 19 persons. Albert S. Baker, executive assistant to the president of the Boston & Maine Railroad, said the train came into Nashua at "excessive speed." He added "Exactly what the speed was we don't know but it was excessive. I can't go beyond that. Why it was excessive I don't know." Baker said there were about 50 on the train including the crew. Six sections of the eight-car train overturned and a mailcar was upended, its wheels in the air. The dead woman was identified by police as Mrs. Mary Buckley, 47, of Manchester, N.H. Her body was trapped in the wreckage of one of the coaches. The first of two diesel locomotives halted about 30 feet north of the station after ramming a express truck. The second diesel tipped over. The coaches and baggage cars were scattered over the four lanes of tracks completely tying up traffic which had to be rerouted from Manchester, N.H., and Lawrence, Mass. O. C. Hardy, New Hampshire superintendent of the Boston & Maine Railroad, described the accident as a "general derailment." Most of those taken to Memorial and St. Joseph's hospitals, suffered minor injuries. Among them was Katherine Buckley, 11, daughter of the dead woman. The train crashed into two parked freight cars on a parallel track and pushed them through the wall of the John Manville Co. warehouse opposite the station. The accident occurred at about 5:50 a.m. Arthur Furbush, 55, of Buxboro, Mass., a trainman, said: "I just stepped into the baggage car when it happened. We were rolling all around in there." Mail clerk Lester Hyde of Medford, Mass., said: "There was an awful lot of noise. Five or six of us in the mail car were tossed around like ten pins. We were in the car for about a half hour before anyone could get to us." Richard Stinchfield of Hudson, N.H., a Johns Manville employe, said: "I rushed from the building and saw the cars toppled over on the left side. There were screams from the inside of the cars. With a group of men I boarded the train and carried the victims out." Conductor of the train was H. J. Sanborn of Lebanon, N.H. Samuel Brown, 62, of Saugus, Mass., was the engineer, and J. P. LaFlamme, 64, of Nashua, the fireman. The train was due at Nashua at 5:47 a.m. It jumped the tracks at the Bridge St. crossing just north of the station. Railroad officials at Nashua were unable to give a cause of the derailment. Wreckage was strewn over three tracks, blocking the road's main line between White River Junction and Boston. Traffic was rerouted between Manchester, N.H., and Lawrence, Mass. The line also pressed buses into service.

Policeman Goes On Stand In Sheppard Murder Case

By RALEIGH ALLSBROOK CLEVELAND (AP)—The first police officer to enter the bedroom where Marilyn Sheppard lay slain said today he found no signs that anyone had entered from outside through a window. Fred F. Drenkhan, a patrolman in suburban Bay Village, said only one of three bedroom windows was open when he inspected the room shortly after Mrs. Sheppard was slotted to death on July 4. The screen of that window was securely latched and there was dust on the window sill, the policeman testified. The other two windows were locked. In previous testimony in the first degree murder trial of the victim's husband, Dr. Samuel H. Sheppard, 30, his defense attorneys had injected the possibility someone might have come into the murder room by climbing an apple tree at the rear of the home and entering through a window. Sheppard has maintained steadfastly that his wife was beaten to death by a bushy-haired intruder, and that he was "clobbered" unconscious when he tried to help her. Drenkhan also said he found no evidence of a struggle in the bedroom at the lakefront home, but noted blood specks on all four walls and on a closet door. "Were there any signs of entry whatsoever on any of the windows?" prosecutor Thomas J. Parrino asked. "No," the witness replied. "The patrolman said there was a second bed in the room. 'What was the appearance of the second bed?' Parrino asked. "It was open," the officer replied, "and there were specks of blood on the sheets." Parrino asked if there was any evidence that anyone had slept in the second bed. "No," the witness replied, "it looked as if it had just been opened to prepare it for someone coming to bed." "How far was Marilyn's bed from the east wall window which was open?" Parrino asked. "About four feet," the officer replied. "As you examined all the contents of that room did you find in that room any evidence whatsoever of a struggle?" "No, there wasn't," the patrolman replied after a defense objection was overruled. Drenkhan testified that in the living room of the house a secretary desk had the three lower drawers pulled out. Papers, he said, were strewn on the floor. The fourth, top drawer, was closed, he said. "Otherwise, the appearance of the room seemed normal," the officer said. Drenkhan, a social as well as police friend of Dr. Sheppard, had been testifying before the Veterans Day ceremony.

'Mayors' Aid Motherless Family Of 13

ALLENTOWN, Pa. (AP)—"This will be a day I will never forget," said Frank Hudak, a 44-year-old widower, as his children gathered about him. Hudak, a cement mill worker, was having a tearful reunion with 10 of his children in an orphanage, where he was forced to place them because he no longer could care for them. But a number of people were on hand to try to relieve the heartaches a little. They showered gifts and money on officials of the orphanage — the Sacred Heart Home and Trade School in nearby Coopersburg — on the children and on Hudak himself. Mrs. Hudak died last May. Last month Hudak placed 10 of his 12 children in the orphanage. The oldest, George, 17, stayed with his father, and 1-year-old Michael was left in the care of an aunt in Brooklyn. The sudden influx of children seriously taxed facilities of the orphanage, which has a capacity of 91 children. The institution is caring for 105 now. Published stories brought letters of encouragement from nearly every state in the Union. Yesterday, 10 of New York City's neighborhood "mayors" came with more substantial gifts.

Lincoln-Mercury Cars To Be Shown

Bob Flowers, sales manager for Truman Jones Motor Co., will be in Dallas Saturday to witness a preview of the 1955 model Lincoln-Mercury cars. Some 300 Lincoln-Mercury dealers and salesmen from northern Texas are expected at the special presentation. Lincoln and Mercury cars are to be shown to the public later this month. J. F. Giles Jr., sales manager of the Dallas Lincoln-Mercury district, will preside over a business meeting which will feature showing of three motion pictures. Also on the program are W. A. Toms, of Atlanta, sales manager of the Southern Lincoln-Mercury Region, and T. C. Smith, of Detroit, business management department manager at Lincoln-Mercury Division headquarters. A special presentation on the 1955 Lincoln will be made by H. C. Wood of Dallas, and another on the 1955 Mercury by M. E. Withers, of Dallas.

West Germany Sets Panel To Study Pact

BONN, Germany (AP)—Chancellor Konrad Adenauer's Cabinet set up today a special committee of five ministers to study further the London-Paris agreements on re-arming and giving complete independence to West Germany. It was the first time the accords were placed before the Cabinet. Political sources said delay in giving them immediate approval reflected the difficulties among the coalition partners over the agreement to Europeanize the Saar, which was tied in with the London-Paris accords.

Theft Of Pickup Is Alleged In Charge

Charges of auto theft were filed in Justice Court this morning against Thomas Henry Payne. Payne waived examining trial and Justice of the Peace Cecil Nabors set his bail at \$1,000. He was charged with theft of a 1945 Dodge pickup from John Smith.

MARKETS

WALL STREET — The stock market absorbed a surfeit of selling today and maintained the higher trend in early dealing. This is the seventh day out of the eight days since the election that the market has gained in the past four sessions all have established new 25-year highs. All sections of the market were caught in the swirl of trading. Going higher, groups were the steel, distillers, copper, chemicals, railroad, oil, and airlines. Opposite the market was steady to mixed.

POST MARKET — Cattle 600; sheep 400; hogs 100. Medium and good slaughter steers 10.00-10.50; good and choice slaughter steers 10.50-11.00; common and medium 9.00-10.00. Hogs 5.00; butchers steady to 5.50 lower; heavy steady; choice 1.00-2.00 in butchers 10.75.

NEW YORK (AP)—Cotton futures were 10 to 12 cents a bale higher. Dec. 24-25, March 24-25 and May 24-25.

Do's And Dont's Given For Gardeners

By ANNE LAFEVER
As fall comes on, not so much hard work is required and the gardener finds there is more time to spare. Now, there is the temptation to get out the pruning shears!

Pruning should not be done until late in the winter. February is usually the best month for this. Earlier pruning will stimulate new growth, which is quite often killed by frosts. Roses which are cut at this time will require several months to recover flowering strength.

Wait until growth starts in the spring to remove weak canes and then do not cut roses too severely. If climbing roses are pruned now, flowers are also removed as these set buds on the second year's growth.

Another "don't" to observe at this time deals with the feeding of chrysanthemums. Do not feed them after the buds begin to show color. They still need plenty of water.

The gardener's excess energy may be used now to good advantage in planting and watering. Fall planting of shrubs is by far better than spring planting since plants have five or six months to make firm contact with the soil. Roots use this time to gain strength for spring flowering.

Plantings of sweet peas, pinks, lupines (bluebonnets, to us), larkspurs, calliopsis, corcopsis and poppies may be planted now. Lupines and poppies do not transplant very well, and they should be planted where they are to remain.

Sweet peas do better when planted in a furrow which has been filled with sand about two or three

inches deep. This insures good drainage for the seed and will prevent rotting if December is unusually cold and wet.

There is still time to plant some of the spring flowering bulbs, such as hyacinths, anemones and narcissus. Amaryllis bulbs may now be potted for indoor blooming.

Now is the time to transplant pansies. Violet beds should be worked over and the plants separated. A heavy mulch of well-rotted barnyard manure chopped into the soil should make strong plants and lovely blossoms.

Borns Are Honored At Showers

The home of Mrs. Pauline Garrison was the scene of a miscellaneous shower given recently for Mrs. Kenneth Born, the former Sue Ann Miller. Co-hostesses were Mrs. Sylvia Lovelace, Mrs. Lena Floyd, Mrs. Fannie Parmenter, Mrs. Clara Smelser and Mrs. Louise Nuckolls.

Guests registered in a bride's book, which had been made by Mrs. A. J. Beckmeyer. The honoree was presented a corsage of orchid chrysanthemums. Refreshments were served from a table laid with a lace cloth and centered with an arrangement of fall flowers. About 30 guests called during the tea hours.

A shower honoring Mr. and Mrs. Born was given recently at Flower Grove School with about 60 guests attending. Ann Hanson and Laveda Anderson were in charge of the register.

Mrs. Don Holcomb and Mrs. Robert Becker presided at the refreshment table which was covered with a lace cloth and decorated with autumn flowers. Favors were miniature kitchen utensils.

Other hostesses were Mrs. A. J. Beckmeyer, Mrs. Loyd Wiggins, Mrs. M. H. Nance, Mrs. A. C. Fleming, Mrs. S. J. Foreman, Mrs. Miller, Mrs. Sterling Tunnell, Mrs. A. P. Anderson, Mrs. M. H. Hulsey, Mrs. Otto Bearden and Mrs. Troy Langston.

Mr. Whitney Speaks To Altrusans

"It's your city government, and you should be well-informed about it. A well-informed citizen is usually a good citizen," Herbert Whitney, city manager, told the Altrusa Club Thursday. The group met at the Settles Hotel for their regular luncheon meeting.

Mrs. Loyd Wooten introduced the speaker, who told the club how the city is run. A letter was read from the Midland Altrusa Club inviting the local club to hear the District Governor, Pauline Holsell, on Nov. 26.

The announcement was made that Altrusa members had been working at the Health Unit to help the TB Seal Association prepare letters for the drive. A Thanksgiving basket is to be assembled at the next meeting of the club. This meeting date will be on Nov. 24 instead of the usual Thursday.

Mrs. Pauline Petty asked members to bring tablereads to be given to the Mount Bethel Church. This is to be collected at the next meeting. The speaker's table was decorated with a small group of metal service men around a United States flag.

East Ward P-TA Hears Mr. Butts

"America's most dangerous threat is the apathy, and complacency of the people," said Charles Butts in an address to the East Ward P-TA Thursday afternoon. "Freedom isn't free; we have to work for it."

Mrs. A. C. Kloven gave the devotion and prayer. A musical skit, "Thanksgiving in Tintown," was given by the third grade under the supervision of Mrs. Ray Cantrell. Refreshments were served by Mrs. Lucille Everett.

Mrs. R. M. Stroup presided for the business meeting. Mrs. N. C. Bell presented a plan for a budget which was accepted. An offering was taken for the national building fund.

Projects for the coming year were discussed, and the group decided to buy a slide. A committee, appointed to select one, was composed of Mrs. Eidon Appleton, Mrs. Alfred Marzel and Mrs. M. R. Turner. Mrs. W. H. Bethel was appointed to the safety committee.

Refreshments were served from a table centered with a cornucopia of fruit and autumn flowers. Hostesses were Mrs. David Simms and Mrs. E. D. Campbell. About 50 attended. The room count was won by Mrs. Cantrell's room.

Easy-to-Make
2720
SIZES 10 - 20

Simple To Sew

Make this dress in no time flat—no collar to attach, no sleeves to set in. Easy patch pockets. No. 2720 is cut in sizes 10, 12, 14, 16, 18, 20. Size 16: 2 1/2 yds. 54" fabric. Send 35 cents in coin (no stamps, please) for Pattern, with Name, Address, Style Number and Size. Address **PATTERN BUREAU**, Big Spring Herald, Box 42, Old Chelsea Station, New York 11, N. Y. (Please allow two weeks for delivery)

For first class mail include an extra five cents per pattern. Just off the press! Brand new 1954-1955 FALL-WINTER edition of FASHION WORLD. Including easy-to-make patterns as well as style forecasts and gifts for the entire family. IN COLOR, you'll find style as well as practical designs. Order your copy now. Price in only 25 cents.

Sororities Have Varied Programs

STANTON-Delta Omega Chapter, Beta Sigma Phi met Thursday night in the home of Helen Davison. The cultural program on "Prose" was presented by Mrs. John F. Priddy. Eleven attended.

Xi Alpha Beta Chapter of Beta Sigma Phi met in the home of Mattie Jones Thursday night. Lulu Mae Sale was in charge of the program on "Planning A Kitchen" taken from the book, "The Home We Make." She showed slides and discussed the good and bad points of each kitchen. Eighteen attended.

Mu Lambda Chapter of Beta Sigma Phi met Thursday night in the home of Mrs. Aleene Holloway. She was assisted by Mrs. Mary Wilke, Mrs. Doris Stephenson was in charge of the program on "Poetry." Fourteen attended.

Wesleyan Guild

Members of the Martha Wesleyan Service Guild will meet Sunday afternoon at 2 o'clock for a study on the subject, "Christ's Teachings Concerning Women." Mrs. G. W. Carter will teach the group, in the absence of the regular teacher, Mrs. Jay Morgan. Mrs. H. H. Stephens will give a review of the autobiography, "I Walk With Faith," by Margaret Blair Johnson.

Garden Club Exchange

Members of the Big Spring Garden Club recently held a plant, seed and bulb exchange in the home of Mrs. A. D. Webb. This was an extra meeting rather than at a regular meeting date. Refreshments were served.

Hints On Relaxation

Soaking in a hot tub is Jan Clayton's favorite way to relax. Jan, who plays Mother in the "Lassie" TV series, also talks about tricks to improve appearance.

HOLLYWOOD BEAUTY

Luxurious Relaxation In Soaking In Hot Tub

By LYDIA LANE

HOLLYWOOD—Jan Clayton starred in "Carousel" and "Showboat" on Broadway, was under contract to MGM and now is the TV mother in the "Lassie" series.

When I went to CBS recently I visited Jan and found her extremely enthusiastic about being back at work again.

"I've wanted to be an actress from as early as I can remember," Jan confided.

I asked how she managed to look so rested and keep two careers running. (Jan has a husband and four children.)

"When night comes I shut my mind to the day's work and problems. Then when my husband comes home I am fresh and interested in his day."

I inquired about her relaxing routine.

"Soaking in a hot tub is my idea of heaven," Jan explained. "My husband gave me a tray for my bath which is my favorite luxury. While in the tub, I cream my face and let the cream soak in as I lie there in the warm, scented water. There is a book rack on the tray in case I want to read but often I just want to stretch out in the tub and enjoy the soothing effects of the hot water and the restful solitude. Showers are fine for utility but there is nothing like a good tub-soaking to relax you and give you new energy."

I asked Jan which make-up tricks she had learned from working in three mediums had improved her appearance the most.

"Lightening my hair," she said after a moment's thought. "I have a small face and blond hair makes a more becoming frame for it.

"Changing the color of your hair is easy the first time but to keep an even shade requires a professional touch so unless you can afford this," Jan explained, "it's better not to start. But you can lighten your hair around the temples and hairline and create the same effect.

"I learned about clothes too," Jan continued. "A small girl has a harder time dressing herself than a tall one. She has to be so careful of her hemlines or anything too dramatic. I try to stay away from styles which are severely tailored or sophisticated. Besides, I feel more comfortable with some, thing fluffy and feminine. But clothes must match you inside, as well as outside. I feel dressing to your type is more important than wearing the latest fashion."

Two Showers Given For Miss Jenkins

Mrs. Dothard Soechting honored Marybeth Jenkins, bride-elect of LaVern Gerstner, with a kitchen shower in her home at 2004 Eleventh Place Wednesday.

The refreshment table was centered with an arrangement of yellow chrysanthemums, autumn leaves and cattails. Gifts were displayed around it.

Mrs. Soechting served refreshments from a uniquely decorated table in her kitchen. Mrs. L. D. Jenkins, mother of the honoree, kept the register.

Miss Jenkins and Mr. Gerstner will be married at 9 a.m. Mass. Nov. 24 at St. Thomas Catholic Church.

Mrs. E. J. Cass was hostess at a shower for Miss Jenkins Tuesday evening in her home at 2004 Rummels. Co-hostesses were Mrs. R. L. Underwood, Mrs. Sophie Corcoran and Mrs. Eddie Kohanek.

A silver arch with a wedding bell was arranged over a centerpiece of ivory and small chrysanthemums on the refreshment table. Crystal candle holders held pink and green candles. Refreshments were iced in the pink and green motif.

Mrs. Underwood served, assisted by Mrs. Kohanek and Jenn Gregg. Mrs. Cass attended the register and Mrs. Corcoran displayed the gifts.

Coahoma Study Club

The 1941 Study Club of Coahoma has pledged its help in expanding the U. S. Treasury Department's School Savings Program in that area, according to Mrs. M. M. Edwards president. Members voted at a recent meeting to adopt the project for the 1954-55 club year, working with the County Saving Bonds Committee and chairman, Mrs. L. Thurman.

150 Entries Received For Las Artistas Art Exhibit

One hundred and fifty entries, representing 60 local artists, have been received for the fall art exhibit to be sponsored by the art club, Las Artistas, Saturday and Sunday at Howard County Junior College Auditorium from 2 to 7 p.m. each day.

The exhibit will be open to the public and there will be no admission charge.

Mrs. Brown Has 81st Birthday

Mrs. G. H. Brown, 700 E. 12th, celebrated her 81st birthday recently with a dinner in her home.

The table was laid with ivory linen and held an arrangement of green candles, autumn leaves and copper and yellow chrysanthemums. Irma Herring, Mrs. Brown's companion, acted as hostess.

Mrs. Brown's children who were present were Alva Brown of Fort Collins, Colo.; B. O. Brown and Mrs. Brown of Coahoma; G. H. Brown, his wife and daughter, Myrna Brown, of Fort Worth; Mrs. Jewelle Negri of Culver City Calif.; a grandson, Gene Negri, Lackland Air Force Base, San Antonio. Also present were Mr. and Mrs. Sol Biedose of Big Spring.

Mrs. Oma Levy of Winnsboro, La., was the only one of Mrs. Brown's children who was unable to attend.

Mrs. Brown has been a resident of Howard County for 59 years.

Berta Beckett Has Thanksgiving Party

"The Peace of Christ" was the topic discussed by Mrs. Darrell Mock in her devotion for the Berta Beckett Sunday School Class of the First Baptist Church. The occasion was the Thanksgiving dinner of the group, which is an annual affair.

Mrs. Mock showed slides of scenes in Arlington National Cemetery and gave a talk on the heroes buried there. Mr. Mock sang "Sweet Peace, The Gift of God's Love."

Members were seated at a table decorated with an arrangement of vegetables, fruit and nuts, with an urn of flowers in the background. This was marked with a card bearing the words, "Father, We Thank Thee," Mrs. W. R. Douglas made the arrangement.

Sixteen members attended with five guests. Mr. and Mrs. Mock and John, Mrs. Theo Andrews and Mrs. F. W. Bettie.

Ruth Class Honors Its Ex-Members

A coffee honoring former members who have been promoted to other classes was held Thursday by Ruth Class of First Baptist Church in the home of Mrs. Roy Cornelison. Mrs. H. E. Meador was co-hostess.

Mrs. H. W. McCaneless, outgoing president, was presented with a gift.

Mrs. McCaneless gave a devotion on "Faith" based on Romans. Former members who were guests were Mrs. Tip Anderson Sr., Mrs. George Pittman, Mrs. McCaneless, Mrs. A. B. Muneke and Mrs. Alton Underwood.

HD Clubs Study Shrubs Of Area

A demonstration and lecture on shrubs for this area was given by the Knott Home Demonstration Club when the group met in the home of Mrs. Joe Mae Gaskin, Mrs. L. C. Matthes was the lecturer. Plans were made for the Christmas Trees sponsored by the HD Council. Refreshments were served to seven members and a guest. The next meeting will be in the home of Mrs. Matthes.

Members of the Vealmoor HD Club also heard a talk on "Shrubs For Your Home" at the meeting in the home of Mrs. Floyd Newsum. Mrs. Carl McKee was in charge of the program. Roll call was answered by members who gave a description of favorite Christmas gift wrappings. Refreshments were served to five. The next meeting will be in the home of Mrs. Carl Peterson.

4-H Girls Elect Demonstrators

Center Point 4-H Club girls elected junior demonstration leaders and demonstrators at their meeting this week.

Lynn Watson was chosen as clothing demonstration leader while Harriet Arnett was named clothing demonstrator. Gloria Carter was elected food demonstration leader and Barbara Sneed was selected as food demonstrator.

The girls discussed yearbooks and skirt materials. Others present were Linda Glover, Jennie McKee, Beverly Carter, Joetta Barnes, Wanda McCormick and Elizabeth Face, the county home demonstration agent. Next meeting of the group will be Nov. 18.

Ill Japanese Tries To Aid Peace Cause

By FRED SAITO
TOKYO, (U-P)—An ailing young Japanese mother has received a thousand letters from America.
 The woman, on a tuberculosis sickbed, has written letters urging peace and international good will to the United States, Russia and Red China.
 She was swamped with American answers, but has yet to hear a word from the Reds.
 Three months ago, Mrs. Chizu Tomizawa, 25, wrote 48 letters to leading American newspapers in each state, asking to exchange letters with Americans.
 "Japanese newspapers were attacking the United States in relation to the H-bomb tests in the Pacific which hurt some of our fishermen," she said. "But I wanted to believe in the good will of American people. A person who may die soon ought not to hate anyone."
 Young Japanese students, impressed at the 1,000 replies she received, wrote similar letters to Canada, Australia and New Zealand. Another thousand letters came quickly.
 More than a month ago, Mrs. Tomizawa wrote 120 letters to Russian and Red Chinese newspapers and organizations. She has yet to receive a single reply.
 In letters to both free and Communist countries she asked for individual opinions on atomic tests.
 "I still believe in the possibility of keeping good friendship with all these nations," Mrs. Tomizawa said. "The Americans have proved they have the same faith. I still hope the people in the Communist nations will write me."
 She said about 500 American letters came from housewives, and half of them apologized for damage caused by the H-bomb tests. More than 100 Tokyo students are busy helping her draft the replies.
 She said about 50 letters from the United States "suspected a motive and wrote words of insult."
 "But the others encouraged me so much, I feel I am getting well."

To Ask Postal Boosts

LOS ANGELES, (U)—Salary boosts for postal employees and an increase in first-class postage from 3 to 4 cents an ounce will be sought in the next session of Congress, Asst. Postmaster Gen. Eugene J. Lyons told reporters yesterday.

Lamesa Pastor To Start Revival At Park Methodist Church Sunday

Beginning a revival at Park Methodist Church Sunday evening will be Dr. Howard Crawford, pastor of the First Methodist Church of Lamesa. The revival will continue for a week, through next Sunday when Dr. Crawford will give both the morning and evening services. Daily services are scheduled for 7 p.m.
 Services at other churches in the city are to be as follows:
BAPTIST
 At First Baptist Church, 811 Main, Dr. P. D. O'Brien will speak on "First Things First" (Mark 13:10) at 11 a.m. At 8 p.m. his sermon topic will be "How Great is Jesus" (Luke 11:21). A baptismal service will be held at the conclusion of the evening sermon.
 Continuing revival services at Baptist Temple, 400 Eleventh Place, the Rev. Bill Austin of Colorado City will deliver sermons at 11 a.m. and 8 p.m. Leading the singing will be the Rev. David Whitaker of Baird.
 At Prairie View Baptist Church the Rev. Leslie Kelly will discuss "Will We Know Our Loved Ones in Heaven?" (John 14:1-4). His 7:30 p.m. sermon will be entitled "Fighting Against God." (Acts 5:29-39)
CATHOLIC
 At St. Thomas Catholic Church, 506 N. Main, the Rev. William J. Moore, OMI, will say Mass at 7 a.m. and 10:30 a.m. Benediction will be after the last Mass. Confessions will be heard from 4:30 p.m. to 6 p.m. and from 7 to 8 p.m. Saturday.
 At Sacred Heart Church (Spanish-speaking) the Rev. Bernard A. Wagner, OMI, will say Mass at 8 a.m. and 10:30 a.m. Rosary and Benediction will be at 8 p.m. Confessions will be heard from 7 to 8:30 p.m.
CHRISTIAN
 The Rev. Clyde Nichols will speak on "The Timeless Touch" (Luke 6:19) at the 10:30 a.m. service at First Christian Church, 811 Gollad. "In Opinions, Liberty" will be the 7:30 p.m. topic based on Galatians 3:23-27.
CHRISTIAN SCIENCES
 The spiritual basis for healthful, happy, abundant living will be dealt with at Christian Science services Sunday at 12:00 Gregg. Copying the Lesson-Sermon entitled "Immortals and Immortals" is the Golden Text from John (3:6): "That which is born of the flesh is flesh; and that which is born of the Spirit is spirit."
CHURCH OF CHRIST
 Sermons by T. H. Tarbet, minister of Benton Street Church of Christ, 311 Benton will be at 10:40 a.m. and at 7 p.m. The evening service will be entitled "Six Stages of Man" and will be illustrated with a chart.
 At Main Street Church of Christ 1401 Main, Lyle Price, minister, will speak on "Weighed and Found Wanting" at 10:30 a.m. and on "Weariness in Well-Doing" at 7

p.m. Bible study will be at 9:30 a.m.
 "The Christian Life" will be the topic given by Marion Crump at Ellis Homes Church of Christ Air Base Road, at 11 a.m. His 7:30 p.m. sermon will be "Opportunity or Failure."
CHURCH OF JESUS CHRIST OF LATTER-DAY SAINTS
 Service at the Church of Jesus Christ of Latter-Day Saints will include a priesthood meeting at 9 a.m. followed by Sunday School at 10 a.m. and a sacrament meeting at 7:30 p.m. Services will be held at the Girl Scout Little House, 1407 Lancaster.
CHURCH OF GOD
 "Seven Steps to Success" will be the sermon topic presented at First Church of God, 909 Main, at 10:15 a.m. The text will be John 3:17. Evening services will begin at 7:30 and the sermon topic will be "Did God Buy His Church?" (Acts 20:28). The Rev. John E. Kolar is pastor.
 A two-week revival will begin at 7:30 p.m. at Galveston Street Church of God, 307 Galveston, with the Rev. Amos A. Ledford of Forest City, Ark., doing the preaching. Sunday at 11 a.m. the pastor, the Rev. W. E. Mitchell, will preach on "The Widow's Mite."
 According to the pastor, Rev. Ledford is well-known in the Midwest and mid-South. He is scheduled to bring a number of messages on healing by faith.
EPISCOPAL
 Services at St. Mary's Episcopal Church, 505 Runnels, will be a celebration of Holy Communion at 8 a.m. Family worship service will be at 9:30 a.m. and morning worship and sermon by the rector, the Rev. William D. Boyd, will be at 11. The Young People's Fellowship will meet at the Parish House at 5:30 p.m. and instruction class at 7 p.m. in the rector's office.
LUTHERAN
 "The Grace of Forgiving" has been selected for the sermon topic at 11 a.m. by the Rev. A. H. Hoyer at St. Paul's Lutheran Church, Ninth and Scurry. Bible class will be at 10 a.m.
METHODIST
 At First Methodist Church, 400 Scurry, Dr. Jordan Groome will speak on "The Vision of God" at 10:55 a.m. The choir will sing "Praise Ye Even to Me" and Mrs. Harriet Jones will have the solo part. At 7:30 p.m. the Rev. Allen J. Adams Jr., associate pastor, will discuss "Let Go of Yourself."
 The Rev. Wayne Parmenter will speak on "The Great Commission" (Matt. 28:20) at 10:35 a.m. at Wesley Memorial Methodist Church, 1206 Owens. His 7:30 p.m. topic will be "The Anchor That Holds" (John 6:67).
 "Balm in Gilead" (Jer. 8:1) will be the sermon topic of the Rev. Jesse Young at the morning service at Park Methodist Church, 1400 W. 4th. The revival will begin in the evening with Dr. Howard Crawford, pastor of the Lamesa First

Methodist, bringing the message. The revival is scheduled through next Sunday with daily messages at 7 p.m.
PRESBYTERIAN
 "The Essentials of Christianity" will be the 11 a.m. sermon topic of Dr. R. Gage Lloyd at First Presbyterian Church, 701 Runnels. At 7:30 p.m. Dr. Lloyd will speak on "A Book on the Library Table."
 The Rev. E. Otis Moore will have as his 11 a.m. sermon at St. Paul Presbyterian Church, 810 Birdwell, "Believe on the Lord Jesus Christ." Eric von Schweinitz will sing solo. At 7:30 p.m. Dr. Jordan Groome will conclude the series of messages entitled, "If I Had but One Sermon to Preach."
TEMPLE ISRAEL
 Regular Friday evening services of Temple Israel will be held in Room 30D of the Settles Hotel at 8 o'clock.
BUSINESS MEN'S BIBLE CLASS
 The Business Men's Bible Class will meet at 9:15 a.m. Sunday in the ballroom at the Settles Hotel.
BUILDERS' BIBLE CLASS
 The Builders' Bible Class will meet at 8:30 a.m. Sunday in Carpenter's Hall. Coffee and doughnuts will be served prior to the lesson.
WEBB AIR FORCE BASE
 General Protestant Worship will be at 11 a.m. in the chapel when Chaplain Charles J. Fix speaks on "The Melody of Life." Sunday school will be at 11 a.m. in the chapel under the leadership of Rev. W. E. Kolar. Catholic Mass will be said in the chapel at 9 a.m. with confessions to precede at 8:30 a.m.

Shepperd Hopeful Comic Book Code To Solve Problem

NEW YORK (U)—Atty. Gen. John Ben Shepperd of Texas, after a conference with comic book czar Charles F. Murphy, said here that a new national program to clean up comic books may solve the problem for Texas without state legislation.
 Murphy, a former New York judge, recently was named by the comic book industry to police its output. Shepperd conferred with him Wednesday after a Texas legislative committee instructed him to draft a bill banning unwholesome comic books.
 An association of comic book manufacturers which claims it represents 90 per cent of the industry has drawn up a new code setting standards to eliminate objectionable sex, crime and horror material in the books.
 The results in Texas, he said, "will hinge on the cooperation of those who handle these books"—whether retail outlets for comic books sell only books from code-abiding publishers.
 Shepperd said, however, that he will follow the Texas committee's instructions and draft the request-ed bill.

State Senate Cited For Refusing Funds For Liquor Control

TYLER (U)—State Liquor Board Chairman Summers A. Norman of Jacksonville blames the state Senate for personnel and financial problems of what he calls "one of Texas, largest revenue producing agencies."
 "We have only 133 inspectors to work all 254 counties of the state," Norman told the Tyler Morning Telegraph in a telephone interview.
 "We asked for 100 radio-equipped automobiles and two airplanes for spotting at the last sessions, but they were killed in the Senate," he said. "Apparently some lobby appeared against the board's appropriations because it was passed through the House of Representatives."
 Norman said the board was unable to furnish its inspectors with radio or automobiles from the amount appropriated. He called the \$100 expense money allotted per agent "ridiculously low."

Air Force Academy To Be No Football 'Factory' Is Claim

DENVER (U)—The Air Force Academy will be neither a trade school nor a "football factory," Lt. Gen. Hubert R. Harmon, superintendent, said this week.
 Primary emphasis, Harmon said in an interview, will be on the humanities, the social and the physical sciences. Three years of English and three years of history will be required for each cadet. Flying will be a secondary, though essential part of the curriculum, he said.
 As for football and other spectator sports, Harmon said he wants no athletes in the Air Academy who lack the intellectual capacity to stay in the course.

Desegregation Vote
 OKLAHOMA CITY (U)—A special election next year to determine how to finance desegregation of Oklahoma classrooms is forecast by Gov.-elect Raymond Gary.
 San Marino, an independent nation of 25 square miles near the Adriatic coast of Italy is Europe's oldest state, says the National Geographic Society.

A Study in Values KING SOLOMON SHOWS HOW TO BE TRULY SUCCESSFUL AND HAPPY IN LIFE.

Scripture—Proverbs 11:24-26; 13:7; 15:13-17; 16:8, 16; 20:13-18; 22:3, 9; 28:7-28.
 By NEWMAN CAMPBELL
 WHAT MAKES a happy, successful life? The same manner of living which the wise King Solomon of old advocated for men and women of his day, and which is just as true now as it was then.
 We of today have the same choices to make as to how we shall shape our lives as did that ancient people, and he shows us what objects and objectives are the most valuable.
 As Solomon wrote in his Proverbs, "Wisdom is the principal thing; therefore get wisdom," so our lesson today shows us what it is wise to do and also the folly of lesser aims.
 These are words and warnings that should be impressed on the youth of today from their earliest years to help them so shape their thoughts and actions that they may succeed in life—not only in material things, but also in ethical and spiritual ways. Thus they may not only please their fellow men and bear honorable names, but please the Father who made us all.
 "He that diligently seeketh good procureth favor; but he that seeketh mischief, it shall come unto him. He that trusteth in his riches shall fall; but the righteous shall flourish as a branch."
 How often in the Old and New

Testaments alike is man likened to leaves or branches of trees! Even in small children one may notice the difference between those who seek good and those who are inclined to do evil.
 Wise and loving training for children who incline to sin will help them to overcome these tendencies, so that when they are grown to adulthood they may be upright and seek the good rather than the evil.
 How much depends upon parents and teachers in this matter of teaching and setting good examples to these tender minds! Frays for guidance and constant vigilance will help.
 A man may be extremely successful and amass great wealth, but if he uses deceit and trickery to gain his ends his life will be disastrous—he never can be happy. Wealth is no sin; in fact men who make a great deal of money may put it to such good use that they accomplish wonderful benefits to the world.
 We read about such things all the time. However, the man who loves money overmuch and becomes a miser, depriving himself and his family, friends and those poorer than himself of the benefits thereof, is the one against whom we are warned. He is not a tale of success but of failure in something more important than wealth.
 "A merry heart maketh a cheerful countenance; but by sorrow

of the heart the spirit is broken. The heart of him that hath understanding seeketh knowledge; but the mouth of fools feedeth on foolishness.
 "All the days of the afflicted are evil, but he that is of a merry heart hath a continual feast."
 Did you ever notice when you are walking down a crowded street, how many of the people into whose faces you look are sad or just blank? I have seen people who looked so sad that I was tempted to stop them and ask if there was anything I could do to help.
 How delightful it is to see a happy face; to hear a gay laugh to which we immediately respond with a smile; to hear anything more delightful than the happy laugh of a child? Not the vacant giggling in which young and old may indulge, but hearty laughter which cheers the dullest day, and makes us feel life is indeed worth living.
 "Better is little with the fear of the Lord than great treasure and trouble therewith. Better is a dinner of herbs where love is than a stalled ox and hatred therewith."
 The table may be set with fine china, exquisite glass and gold cutlery, but if people are unhappy, lonely or with uncongenial com-

panions, how can even a luxurious feast be enjoyed? On the contrary, how happy can a family be with very common, even scanty, food, if all love one another and are happy together.
 Solomon, a rich man, was not deceived by wealth. It did not necessarily make a man happy! He wrote, "A good name is rather to be chosen than great riches, and loving favor rather than silver and gold."
 "The rich and poor meet together; the Lord is the maker of them all."
 He makes no distinction between rich and poor.
 "Even a child is known by his doings, whether his work be pure, and whether it be right. The hearing ear, and the seeing eye, the Lord hath made even both of these."
 "A prudent man foreseeth the evil and hideth himself; but the simple pass on and are punished."
 "By humility and the fear of the Lord are riches, and honor, and life. Thorns and snares are in the way of the proud; he that does keep his soul shall be far from them."
 There is more to this lesson than is included in the portion printed. There are many wonderful suggestions and advice which would be helpful if we had space to include them in our lesson. The teacher will no doubt read and draw some helpful thoughts from them.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly every week: (1) For his own sake, (2) For his children's sake, (3) For the sake of his community and nation, (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Saturday..... Psalm		

Father and Son—and the Bible! The three of us make a team that the two of us could never match.

It's always been that way—as long as man has possessed holy treasures of truth to which he could turn for guidance.

A father can make a better man of his son by companionship and example. A son can make a better man of his father by the natural inspiration that comes with parental devotion. And the Bible can make better men of both, by molding their lives to the pattern God Himself provided.

For 138 years the American Bible Society has been translating, publishing, and distributing copies of Scripture in more than 60 countries, in 165 languages. Sightless people alone have these precious words in 38 systems and languages. Give the Society the support it deserves!

And give the Bible the place in your family's life that *It* deserves!

Sink Red Warship

TAIPEH, Formosa (U)—The Defense Ministry today said a Nationalist Chinese warship sank a Chinese Communist warship north-west of the Tachen Islands Oct. 28.

Admit Red Germany

GENEVA, (U)—The Executive Committee of the League of Red Cross Societies unanimously decided last night to admit the Red Cross Society of East Germany to the league.

Nation To Back Foreign Capital

WASHINGTON (U)—Under increasing pressure from needy nations for a greater flow of American investment dollars, the government has agreed to back a 100-million-dollar international investment agency.

The decision, announced late yesterday, reverses a policy of opposition to the idea of years' standing.

The move was expected to get British cooperation, and to raise a round of cheers from capital-hungry nations of the free world whose peoples are demanding a living standard nearer to that of the United States.

Secretary of the Treasury Humphrey cautioned that the venture would be an experiment "subject to review from time to time."

In New York, Ambassador Henry Cabot Lodge Jr. hailed the decision as a "step forward" toward a u-n-a-trialing underdeveloped countries.

Woman Loses Second Husband In AF Crash

WINOOSKI, Vt. (U)—Mrs. Shannon Smith, mother of two small children, has been widowed by an Air Force plane crash for the second time in 10 years.

Her husband, Capt. Mahlon A. Smith II, 30, Sioux City, Iowa, was killed yesterday when he veered his Sabrejet plane onto a field to avoid landing in a thickly populated area.

In 1944, Mrs. Smith's first husband, Lt. "Ish" Abbott, disappeared in Florida while piloting a plane on a training flight.

Entire Tijuana Detective Force Put Under Arrest

TIJUANA, Mexico (U)—The entire Tijuana detective force, 37 men, was arrested last night on orders of Army Capt. Salvador Revueltas Olvera.

Police said the arrests followed a statement by Ramon Casares that Tijuana detectives had taken from him \$9,000 of the \$10,000 loot from a Los Angeles robbery.

Dist. Atty. Leonida Miranda Bello said Casares admitted he and two accomplices took the \$10,000 in a robbery in Los Angeles and deposited the money in a Tijuana bank.

When the men returned to get the money, Miranda Bello said he was told, three Tijuana detectives took \$9,000 of the loot and told Casares and his accomplices to get out of town.

Casares was arrested in Mexico City and returned here. No charges have been filed.

LOOKING 'EM OVER

With Tommy Hart

Oh, the ignominy of defeat. The Dallas Times-Herald reported the result of last week's District 4-AAA football game as: "Breckenridge 35, Cedar Springs 14."

Total paid attendance at last week's Lamesa-Vernon football game in Vernon was only 1,581. Cash receipts amounted to \$1,392.30. The \$544.70 Lamesa got as its share of the gate won't pay expenses.

There's no doubt about it, the bowl committees across the land have their work cut out for them this year. It appears USC will host the Big Ten champion, even though it is a good bet to lose its last two games and wind up with nothing better than a 7-3 won-lost record.

Georgia is a good bet to wind up in the Sugar Bowl (with Ole Miss) although the Bulldogs were beaten by Texas A&M, 6-0, and tied by Alabama, 0-0.

The Orange Bowl people will have to settle for Maryland, which has already lost two games and been tied in another, against Nebraska, in all probability, a three-time loser over the season.

Arkansas and Ohio State (the Big Ten's best bet for Rose Bowl representation) may carry the best records into the post-season classics.

Most everyone in the Southwest is pulling for Arkansas, since the Parkers have the only undefeated record among major bowl eligibles.

Who the Dallas group gets to oppose the Razorbacks is something else again, however.

Joe Kerbel, the Breckenridge coach, is a strict disciplinarian, which may account, in part, for his success as a mentor. His boys listen, obey and ask no questions.

A local lad who remained over in Breckenridge after last week's game with Big Spring said Joe issued the following orders to his charges after they had scored a 35-14 win over the Steers:

"Go straight home and go to bed. Be back here at 10 a.m. tomorrow for your physical examinations. Any of you hurt will go straight to the doctor for treatment. You can have a date and go to a movie tomorrow night but be in on time."

The boys seem to like it, judging from their success on the gridiron. Baseball teams often do it, but it's a rare occurrence in Texas high school football—that of walking off a field before the conclusion of play.

Walnut Springs players did it the night of Oct. 29 in a game at Nico and the officials had no recourse but to award Nico a 1-0 decision.

Nico was leading, 6-0, when a near riot broke out shortly before the first half was to end. The Walnut Springs coach went out to protest a penalty inflicted against his boys and was promptly penalized 15 yards for being on the field.

Nico continued its surge toward the Walnut Springs goal, a drive made easier by another infraction called against the defenders.

When that occurred, the Walnut Springs coach apparently decided "what's the use" and summoned his lads to depart the battle pits and prepare for passage home.

Bobby Hayworth, the sophomore from Big Spring playing football at McMurry, has been used sparingly but well by Coach Wilford Moore this season.

Bobby has carried the ball eight times for 32 yards gain. He's lost 22 yards but, on most of those occasions, he was looking for pass receivers who couldn't get open.

As a passer, Hayworth has completed four of 19 tries for 65 yards. McMurry goes after its sixth win in a game with Gustavus-Adolphus at Abilene Saturday afternoon.

Gophers Pit Hopes On Bob McNamara In Iowa Battle

MINNEAPOLIS, (UP)—The collision of Minnesota's Bob McNamara with Iowa's bone-bending line here tomorrow might be enough to make the Milwaukee spectators wince.

Minnesota, a 5/2-point underdog which still cherishes the hope of a Rose Bowl trip, is banking virtually everything on McNamara. Iowa is gearing its defense against him without being absolutely sure from which position his line blasts will come.

McNamara, a 190-pound senior, probably will alternate at fullback and right half. But Coach Murray Warmath figures he delivers the most damage from fullback.

Against Oregon State last week, that added up to 161 yards in 14 carries and two touchdowns. Yet he started the season at right half and was shifted in desperation when Minnesota's entire front-line fullback corps was felled by injury.

Rival coaches this year agree almost unanimously that probably no one runs with such ferocity as the Minnesota captain. There are plenty who are faster and some who have more raw power.

McNamara literally gallops when he breaks free. The style accounts for the numerous times when the Irish farm boy has been slowed in the secondary and then bursts away for long gains.

In seven games, he has scored nine touchdowns for 54 points to share the over-all Big Ten scoring lead. The tie could be broken tomorrow. The other gent with 54 points is Earl Smith of Iowa.

Local Fans Head For Snyder Field

The Big Spring Steers are idle this weekend but workouts will continue today for the club's Nov. 19 game here with Snyder.

Workouts will be cut short, due to the fact that Coaches Carl Coleman and Wayne Bonner will scout the Snyder team in person. Snyder hosts Breckenridge in an important game tonight, a contest that is due to attract a number of local fans.

In the only other 1-AAA contest, Levelland goes to Sweetwater. A team players and their dates were treated to a banquet at the Settles Hotel last night by members of the Big Spring Quarterback Club. An estimated 250 persons at

Back Of Week

Gary Glick (above), Colorado A&M quarterback, is the Associated Press Back of the Week. He scored all his team's points against the University of Utah last Saturday as the Aggies won, 14-13. He also blocked the Utah kick on attempted conversion, thus giving his team the one point victory. (AP Wirephoto).

Eagles Clinch District Title

BLACKWELL, (SC)—Sterling City romped to an easy 52-13 victory over Blackwell here Thursday to clinch the District Seven six-man football crown.

The win earned Diddle Young's Eagles the right to face the Lohn Eagles, champions of District Eight, in bi-district competition.

Officials of the two schools will meet in Eola at 3 p.m. Sunday to arrange a time and site of the engagement. Lohn is the defending regional champion.

Marshall Blair scored 16 points for the winners. Lynn Glass registered two touchdowns. Lester Cole had 12 points and Bill Blair and Don Carper six each.

For the losers, James Byrd and Boyce Eldson each scored a touchdown.

Raiders Oppose The Hurricane

LUBBOCK (UP)—Texas Tech is back home after three weeks on the road, during which the Red Raiders lost two and won one, and will clash with a team that hasn't yet beaten anybody—Tulsa's mild Hurricane.

It will be homecoming tomorrow when the Raiders, who have virtually clinched the Border Conference championship, take on Tulsa.

The Raiders managed to win the big one on their jaunt—a 28-14 decision over Arizona—to bring their season record to four victories, two losses and a tie. The Arizona game was a Border Conference joust.

Tulsa has gone through eight games without a victory but has improved to the point where it can give anybody a good game.

Most of the Red Raiders hurt last week will be ready and added to that, halfback Rick Spinks, the team's leading scorer, who has been out since Oct. 18, probably will be able to play.

Snyder Nudges Locals, 8 To 7

Snyder had to go all out to defeat the vastly-improved Ninth Grade Yearlings of Big Spring, 8-7, here Thursday night.

A second quarter safety turned the trick for the visitors, who had beaten Marion Crump's local club by a score of 25-0 in an earlier game at Snyder.

Safety Doyle Hooper had to wait up for a crumbly-bouncing punt in the second period but got out as far as the two-yard line before being tackled.

An erratic snapback from center gave the Snyder defenders time to fell the Big Spring ball carrier in the end zone for the vital two points.

Snyder had scored its touchdown in the first quarter and left the field at half time leading by a score of 8-0.

The Yearlings drove straight downhill for their TD in the third period, with Wayne Fields traveling the final two yards across the double stripes. Fields then added the extra point on a plunge.

The Yearlings scored another touchdown in the last half but an illegal procedure was ruled. Julius Glickman, Big Spring quarterback, appealed to the officials that a clipping penalty be called against Snyder and then picked up the ball and started in the direction of the Snyder goal, as if he were stepping it off himself.

He then broke free and ran into the end zone but the officials called back the play. Defensively, the Yearlings looked great and Coach Crump heaped praise on all his boys. He singled out Lanny Hamby, Charles Parkinson, Jimmy Evans, Eugene Walker and Hooper as his defensive stalwarts, pointing out that Walker did much to stop Snyder's wide plays.

The game ended the season for the Yearlings.

GRID RESULTS

Table with grid results including football and basketball scores from various schools like Texas A&M, Baylor, etc.

Constance Faces Jones Tonight

NEW YORK (UP)—Hector Constance, one of the few new faces in boxing, hopes to run his unbeaten streak in the United States to three tonight when he faces rugged Ralph (Tiger) Jones at Madison Square Garden.

The lad from Trinidad, however, is an 8-5 underdog to the heavier and more experienced Jones.

The 10-rounders will be broadcast and telecast (NBC radio and TV) at 10 p.m., EST.

The rangy, 26-year-old West Indian Negro, who has done most of his pro battling in England, drew with Johnny Varona and upset Cuba's Chico Varona in his two American scraps. The victory over Varona shot Hector into the No. 10 ranking among the welterweight contenders.

If he can beat Jones, he'll be well on his way to the top of the welterweight division.

Statistics Pay Off For HPC

Howard Payne is one football team that makes the statistics pay off. Not only are the Yellow Jackets champions of the Texas Conference but they are best in both offense and defense.

The Jackets top in team offense with an average of 221 yards per game and in defense by giving up only 201.

Elroy Payne of McMurry is the leading ball-carrier, however, and also ranks among the top five small-college runners of the nation with his 812 yards in rushing.

This also gives him leadership in total offense in the conference. Jerry Mills apps of Howard Jerry Millsapps of Howard 21 completions in 37 tries for 452 yards.

Louis Holt of Howard Payne is the leading pass-receiver. He has taken 14 passes for 344 yards.

Buster Hodges of Eastern New Mexico tops in punting with a 42.0 average and Ronnie Holcomb of Eastern New Mexico is the leading scorer with 71 points.

Hayworth Out For Cage Team

ARLENE, (SC)—Bobby Hayworth, formerly a three-year letterman and captain of the Big Spring High School basketball squad, was one of 17 candidates for the McMurry College Indian team which began workouts Nov. 1.

Hayworth, son of Mrs. D. W. Hayworth of Big Spring, played guard for the BSHS team, along with football.

Edgar Payne, the youthful head basketball coach at McMurry, has good material and bright prospects for the 1934-35 cage campaign. Payne had seven lettermen, two squadmen, and six freshman prospects out for the initial workout.

The McMurry squad, with all five starters back from last year's quintet, will open the season at home Dec. 2 against a service team from Fort Carson, Colo.

Joe Dale Burk, assistant coach, will tutor McMurry's Papooses, freshman basketball team, Payne said.

Other teams which McMurry will play are Texas Wesleyan College, Texas Western, Centenary, Southwest Texas, Howard Payne, Abilene Christian, Midwestern, Eastern New Mexico, Sul Ross, and Wayland.

Stricter Fishing Laws Are Urged

CHEYENNE, Wyo. (UP)—Stricter legislation to curb use of live bait and either artificial or real fish eggs will be proposed to the 1935 Legislature by the State Game and Fish Commission.

Arkansas, Ohio State Can Enhance Grid Reputations

Two upstarts who dared not entertain any fanciful dreams in September can make dates for New Year's Day if things go right tomorrow.

Arkansas, the Cinderella team of the Southwest conference, needs only to tie Southern Methodist to clinch the league championship to the embarrassment of such powers as Texas, which was once regarded as an almost-certain winner.

Ohio State has shot to the fore in the up-and-down Big Ten race, and the No. 2 team in the country will seek to make Purdue its eighth straight victim and sixth in a row in league play.

The Buckeyes might get a real battle from Len Dawson and his aerial circus, but they're the favorites just the same. If Michigan State whips Michigan and Iowa drops Minnesota, Ohio State is in.

The Southwest Conference winner automatically is nominated as the host team in the Cotton Bowl in Dallas, while the Big Ten victor goes to the Rose Bowl.

The other Cotton Bowl team is invited after the season.

The Pacific Coast Conference representative in the Rose Bowl probably will be Southern California, through the courtesy of UCLA. Southern Cal plays Washington and should have no trouble.

UCLA, the No. 1 team in this week's Associated Press poll, is idle before tackling the Trojans next week. The Uclians played in the Rose Bowl last New Year's Day, so they are not eligible to return.

Another team that could see its

Thomas & Thomas Attorneys State and Federal Practice First Natl. Bank Bldg. Big Spring, Texas

Title Up For Grabs In Sundown Battle

SUNDOWN (SC)—The largest group of fans ever to follow Stanton to a football game will be on hand here tonight when Coach Melvin Robertson's Buffaloes challenge the championship reign of the Sundown Roughnecks here tonight at 8 o'clock.

The winner of the game is almost certain to win the District 4-A crown.

Stanton has never been this close before. The two clubs carry undefeated conference records in the struggle.

In non-conference play, Sundown's record is also unblemished. Stanton has been defeated once and tied once but the Buffs have played tougher competition than Sundown.

McCamey nosed out Stanton by a score of 7-6 while Crane later played the Buffs to a 13-13 deadlock.

Two special Greyhound buses will carry part of the Stanton delegation to the scene of the game.

The Buffaloes are at full strength for the contest. Quarterback Jimmy Henson, slightly injured in last week's game with Morton, is ready to go at full throttle.

David Johnson, starting tackle who has been out of action with a bruise, is due to play tonight.

In conference play, Sundown has rolled up a total of 223 points to 20 for the opposition.

Stanton has scored 167 points against the same type of foes, while giving up only 21.

In last week's games, Sundown slaughtered Whiteface, 67-0; while Stanton was playing under wraps in beating Morton, 28-7.

Robertson figures his powerful line will be able to do something about slowing Sundown's high-powered offense, which has averaged 42.5 points in eight games this year.

Seven-Up Builds Bowling Lead

Seven-Up now leads the Women's Bowling League standings by a comfortable 3/4 games.

Pinkie's Liquor made it easier for the Bottlers by forfeiting its matches Wednesday night.

In the other test, Dibrell's trounced Jax Beer by a 2-1 score. Seven-Up led scoring with a 607-1704 while Jax was second with a 605-1615.

In individual play, Elizabeth Burrell of Jax proved best with 186-528, followed by Dot Cain of Seven-Up, with 182-489.

Seven-Up has now won 21 and lost 8, compared to Dibrell's 18-12 record; Jax Beer, 12-18; and Pinkie's, 8-21.

Jax will send a team to Odessa this weekend to compete in a tournament there.

Making the trip will be Elizabeth Burrell, Locky Beach, Marie Brewer, Vera Dooler, Dot Cain and Frances Glenn.

Eyes Of The Nation On Porkers, Ponies

By HAROLD V. RATLIFF
The Associated Press

Arkansas and Southern Methodist capsule their season into one big game Saturday and from their battle will come the Southwest Conference football leader.

An outright championship and the Cotton Bowl cash will go to Arkansas if it can beat SMU for the first time in eight years. A strong leg on the title will go to Southern Methodist if it can remove Arkansas from the nation's undefeated, untied class.

Arkansas for one of its infrequent times is favored to win and close out the championship race with a perfect record.

This game is the only one meaning anything for the day in the Southwest Conference, but two other contests matching bitter foes are on the schedule.

Pretty Kitty Coed

Cat calls are the favorite cheers for Miss Tabby Coed as photographed by Miss Alice Puster of the Pomona, Calif., Progress Bulletin. The acrobatic feline reminded her of an enthusiastic cheer-leader like the pretty girl at the right.

At Fort Worth, Texas Christian seeks to defeat its old enemy, Texas, after a 4-year drought. At College Station, Texas A&M hopes to finally "beat somebody" as it clashes with Rice.

Baylor, the other member of the conference, tests this week and hopes its Methodist friend, SMU, can topple Arkansas. Only in that way can Baylor hope for a share of the championship.

Crowds totaling more than 90,000 will see the three games with the best turnout at Fort Worth where 30,000 are expected to watch the TCU-Texas melee. Up at Fayetteville, where Arkansas and Southern Methodist have their showdown, there will be about 27,000 — that's all can get into the stadium. College Station looks for 25,000.

Arkansas has only to tie SMU to sack up the championship and make plans to visit the Cotton Bowl Jan. 1, SMU, which is a half game behind because of a 13-1 tie with Texas last week, can take over the leadership by kicking the Razorbacks. Then the Methodists would have Baylor and Texas Christian to beat to win the championship. But should Baylor finish undefeated in its remaining games — with SMU and Rice — the Bears would tie Arkansas for the title.

Arkansas still would be in the Cotton Bowl, however, since the Razorbacks beat Baylor in regular season play.

Arkansas is favored although it will be meeting the conference leader in both offense and defense. But the Porkers haven't been paying much attention to the statistics this season — just touchdowns when the opportunity presents itself.

SMU faces its big game in a crippled state with its fine running back, Don McIlhenny, out of action and several other regulars nursing hurts. Arkansas is in top shape as it has been all season. It's homecoming at Fayetteville, harking back to the first homecoming Arkansas ever had. That was 32 years ago and SMU was the opponent then. Arkansas won 9-0.

The game pinpoints a duel between Duane Nutt, the SMU quarterback, and George Walker, Arkansas fullback, in the air lanes and the running of Frank Eldom of the Methodists and Henry Moore, the Arkansas fullback. It wouldn't be surprising to see the teams do a lot of passing.

Texas Christian and Texas will be renewing a rivalry that started away back in 1897. It has grown quite fierce with the years but it has been 1949 since TCU could win a game. This time, however, the Frogs are narrow favorites because of a better record. Texas hasn't yet won a conference game this season, a situation unheard of in the ranks of the Longhorns.

But Texas hasn't been a push-over for anybody.

Cocher Bryant of Texas A&M has been predicting his team would beat somebody before the season was over. This is his next to last chance but Rice doesn't appear the team to make his forecast come true.

The record in the prediction league was perfect last week — three for three. Her goes for this week:

ARKANSAS-Southern Methodist—Should be a good game but Arkansas is the better all-around team; Arkansas by a touchdown.

TEXAS-TEXAS CHRISTIAN—Texas is organized for a fine effort but the choice is Texas Christian.

TEXAS A&M-RICE—The Aggies get hearer each week but still appear too far away to beat the Owls Rice by a touchdown or so.

Team	W	L	T	Pts.	Op.
Airport	6	0	1	58	19
College Hts.	5	1	0	70	28
West	4	1	1	53	19

Morrison	2	4	0	39	38
Central	1	5	0	16	50
North	0	6	0	6	102

SATURDAY AT 11

Airport, College Heights Tangle

College Heights and Airport tangle at 11 a.m. Saturday at Steer Stadium in a football game that should decide the 1954 Elementary School League champion.

Airport is leading the standings at the present time with a record of six wins and a tie in seven starts. College Heights has lost only once in six starts, that time to Kate Morrison.

The season extends through Nov. 20 but Airport will have completed its schedule tomorrow and College Heights plays East Ward, a team it

is heavily favored to topple. In other games Saturday, North Ward plays West Ward at 8 a.m., Park Hill meets East at 9 a.m., and Central tackles Kate Morrison at 10.

Receipts Exceed Expenses In School Athletic Fund

The Big Spring High School athletic fund shows excess receipts over disbursements of \$3,299.82 on October 31, a financial statement presented to the school board recently showed.

The receipts do not include income from either the Levland or Breckenridge games.

Total income from the period Sept. 1 through Oct. 31 amounted to \$20,588.78, compared to disbursements of \$17,288.96.

Season ticket sales this year amounted to a record \$6,278. Added income from home game amounted to \$7,306.90 and from out-of-town contests \$6,652.62.

Biggest expense to the fund was for new equipment, which cost \$7,565.85. The school also had to pay out \$5,384.34 in game contracts and \$311.50 for officials. Meals and rooms for the boys on game trips

cost a total of \$1,026.50.

Following in a breakdown on receipts and disbursements

Receipts:	Amount
Season Tickets	\$6,278.00
Football Home Games	7,306.90
Football Out-of-Town Games	6,652.62
Other Home Games	448.80
Concessions	528.58
Advertising Programs	578.71
Excess	289.29
Total	\$20,588.78
Disbursements:	
Officials	\$11.00
Meals and Rooms	1,026.50
Supplies	318.45
Transportation	423.19
New Equipment	7,565.85
Game Contracts	5,384.34
Electricity	48.24
Water	81.40
Telephone	24.58

Cash in Bank 9-30-54	249.75
Cash in Bank 10-31-54	\$3,549.57

Eagles Visit Knott Field

KNOTT, (SC)—Courtney visits Knott tonight in the next-to-last six-man football game of the season for both clubs. Starting time is 8 o'clock.

The Billies are heavily favored to beat the down-trodden Eagles and will be shooting for a 6-3 won/lost record for the year. Knott has lost only to Ackerly and Gall.

Cocher Bill Bolts will probably make several changes in the Knott lineup. He plans to use several of his younger players against Courtney.

The Billies stage their annual Homecoming Games here a week from tomorrow, at which time they play Flower Grove. Starting time of that game is 2 p.m.

Texas, TCU Frosh Teams Mix It Up

The also runs of the Southwest Conference freshman football picture clash Friday at Fort Worth when Texas and Texas Christian meet at Amon Carter Stadium.

The TCU frosh seek their first victory of the season after three straight defeats. Texas has one triumph against two losses.

Texas A&M moved into a tie with Rice for the leadership of the freshman race Thursday with a 34-21 victory over the Owlets. It left the teams each with a 3-3 record.

Dublin Crowned 7-A Champion

By The Associated Press
The ninth district champion was crowned last night to start off a crucial weekend of Texas school-boy football.

Dublin beat Wylie of Abilene 19-0 for the Dist. 7 title in Class A to bring to six the number of district championships decided in this division. Previously determined were Jefferson in Dist. 14, Grapeland in Dist. 18, Groesbeck in Dist. 21, Sealy in Dist. 28 and Deer Park in Dist. 28.

Class AA has three champions—Littlefield in Dist. 6, Sulphur Springs in Dist. 14 and Waxahachie in Dist. 19.

Some 30 more district titles will be decided tonight and tomorrow night over the state, meaning that almost half of the districts will have kings when the final week of Class AA and A is run.

Classes AAAA and AAA will decide several champions this week although these divisions have until Nov. 27 to crown titlists.

Wichita Falls plays at Waco and Galena Park at Galveston tonight in Class AAAA games that can decide district championships. Waco can take Dist. 5 and Galveston Dist. 8.

Class AAA has one title on the line. Palestine can win Dist. 5 by beating McCallum at Austin tomorrow night.

The state's top games, however, match undefeated, untied teams. In Class AA it's Canyon vs Phillips for the Dist. 1 championship. In Class A it's LeFors vs McLean for the Dist. 1 title.

GRID BROADCASTS

FRIDAY
Breckenridge vs Snyder at Snyder, 9 p.m. KBT and KTXC Big Spring.

North Texas vs North Carolina at South Bend, 1 p.m. KTXC Big Spring (Al Miller doing play-by-play).

Texas vs TCU at Fort Worth, 8 p.m. KBT Big Spring. (Vas Van doing play-by-play).

Arkansas vs SMU at Fayetteville, 9 p.m. WFAA-WIAX-TV, Dallas-Fort Worth and KFTT Lamesa (Kern Tipton doing play-by-play).

Texas A&M vs Rice at College Station, 3 p.m. WOAI San Antonio, KRLL Dallas and KXOB Keno (Dave Russell doing play-by-play).

Texas Tech vs Tulsa at Lubbock, 2 p.m. KFTO Lubbock and KXOX Sweetwater (John Ferguson doing play-by-play).

B Team Invades Lamesa Saturday

Coaches Roy Baird and Harold Bentley take their Big Spring High School B team to Lamesa Saturday afternoon for a return engagement with the Lamesa Breeses.

The Breeses will be seeking their second straight win over the B team. Last weekend here, the Big Springers came from behind to win, 26-13. The locals scored all their touchdowns in the last half.

Probable starters for the Dogies are Charles Chaberial and Ray Adams at ends, Charles Chesk and Walter Dickerson at tackles, Johnny Jank and Randall Hamby at guards and Ronnie King at center.

In the backfield, it is apt to be Billy Johnson, Alton McCarty, Lee Underwood and Merle Dean Harter.

Tommy Horton, the regular center, and back Ronnie Phillips, will see action, although they have been handicapped by injuries.

Lamesa has a good, solid ball club and the locals must be on the alert.

Patterson, Slade Clash On Nov. 19

NEW YORK (AP)—Floyd Patterson, 19-year-old light heavyweight sensation and veteran Jimmy Slade of New York will collide in an eight-rounder Nov. 19 with the victor possibly earning a title shot at Archie Moore, the 175-pound champion.

The interesting match was made yesterday when Willie Troy of Washington, D. C., was forced to withdraw from the date with Patterson because of a shoulder injury suffered earlier in the week.

Troy said he was hurt in beating Jesse Turner in Kansas City.

Slade is the New York state heavyweight champion and is the fifth-ranking contender among the big boys although he also is rated a top light heavyweight challenger.

It was Slade who defeated Tommy Jackson when he whipped the Rockaway Hurricane last April. In his last bout a week ago, Jimmy was outpointed by big Bob Baker.

Patterson has a 17-1 record, the lone loss being a split and controversial decision to Joey Maxim, the ex-light heavyweight king.

Floyd can't fight more than eight rounds in New York until January when he reaches 20.

US Olympic Team Must Be At Its Best, Ferris Says

By MURRAY ROSE
NEW YORK (AP)—An all-out effort and the sternest possible competition will be necessary if the U.S. hopes to match the powerful Russians in the 1956 Olympics, says a veteran official who has seen Soviets in recent action.

"The Russians claim to have seven million registered athletes and from that number they're bound to have a great number of exceptional athletes," said Dan Ferris.

The gray-haired executive secretary of the AAU saw the tremendous job the Russians did in Helsinki in 1952 and witnessed their performances in Switzerland last summer.

"The Russians are building up in every sport," he said in an interview. "They are better in most every event in track—and they were good enough before—

except in the sprints. The other Iron Curtain countries are developing their stars too. We've got to dig in and work—and hard.

The Russians won the world hockey, weight-lifting and gymnastic championships. They swept the European track and field championships. The Hungarians impressed in winning the European swimming championships. The Russians even came up with some excellent men and women divers and they never had anything like that before."

What will the United States have to do to meet opposition? "We must have competition and more competition," replied Ferris. "We must have more summer competition in every sport, particularly in track and field. We hope to get the program rolling next summer and follow it up in '56, the year of the games."

Coatless Umps Are Upcoming

DALLAS (AP)—The Texas League will have no umpire-in-chief but it may have cooler umpires next season, according to Dick Butler, new president of the Class AA baseball circuit.

Butler, who arrived here yesterday to begin searching for space for the league offices, said he planned to be his own umpire-in-chief, and therefore planned to abolish the post created last year by John Reeves.

Umpires may wear dark shirts with no coats in the warmer months of the season next year, Butler said, if such policy is approved by the league owners. Umpires have gone coatless in hot weather in the National League for several seasons.

Butler said the league headquarters was being moved to Dallas Monday. They were transferred to Fort Worth during Reeves tenure as president.

The former president of the Class A Sally League said he was also in search of a secretary who could handle the routine business of the league office.

Before coming to Dallas, Butler visited with National League President Warren Giles in Cincinnati.

How Much Of A Line?
"We are never entirely free of any one we have once loved," someone said, and from the pen of another sage philosopher we have, "We are a part of all whom we have known."
These words seem to say more each time they are read. Have you ever been in love? Have you ever held the world by the tail or walked on clouds invigorated by that wonderful, wonderful feeling of being beloved and needed?
Then, in comparison, have you known the shattered, crushed emptiness of discovering this episode in your life was not a beautiful dream, but a horrible nightmare? Have you ever had to face the fact that the beautiful words that quenched your thirsting soul were acid lies?
Maybe your wound was long ago. Since then you have made new friends, gone new places, and done new things. Yet, when you open that box of old letters, dance cards, and pressed corsages, how long ago does it seem? Are you

free? Or are you bound by love or hate or remorse?
A line is necessary in dating. It is smooth to know just the right thing to say at the right time. It is an advantage to know how to flatter your date and how to show him or her a grand time, but the vicious lies that lead another person on into love, alone and beyond his or her depth, just to insure the popularity of another, not only are unnecessary, but cruel.
This sort of line won't make any one popular for very long. When you are tempted to test your masculine prowess or feminine wiles, think of the other person. What might you be doing to him, or her? That second quotation, "We are a part of all whom we have known," applies here. Are your fang marks festering on the subconscious of another individual?
If in doubt about another's intentions, send for the free leaflet, "Is It Just A Line?" to Beverly Brandow, Big Spring Herald. Don't forget your stamp to cover mailing.

Federal Payroll Continues Decline
WASHINGTON (AP) — The federal payroll continued to shrink slightly September, dropping 12,943 persons below August, a Senate-House committee reported today.
Total civilian employment in September was reported as 2,317,565, which was \$4,245 less than the same month a year ago.
The Joint Committee on Reduction of Nonessential Federal Spending said the September figures continued a two-year downturn.

Carpenter, 89, Dies On Job In Michigan
DETROIT (AP) — Peter Gray, an 89-year-old carpenter, died on the job yesterday. He was found on a ladder slumped against a roof, his hammer and nails clutched in his hands.
Physicians said he suffered a heart attack.

curves . . . in Bronze Star Dust
Kid, \$18.95

Immigrant Widow Told Sad Story
DETROIT (AP) — When Mrs. Maria Vratos arrived in Detroit Tuesday to join her husband Sam after seven years apart, she didn't know he had died in a rooming house fire.
She had come to Detroit with money Vratos, 36, had saved in those seven years since leaving Greece to make a new life for his family in America.
Her brother Nick Halkias met her at the station, but he didn't have the heart to tell her about Sam.
"Sam is sick," he said. "He is in the hospital. You cannot see him today because visitors are not allowed. Perhaps tomorrow."
Nick wanted to put off breaking the tragic news until Maria, 38, had a chance to rest from the long journey. And he wanted time to think over how to put it into words.
Nick and his wife Norma waited until late yesterday before they told Maria. She cried. She slumped into a chair and said nothing.
Nick said Maria and her 9-year-old son Vassilios, whom she brought with her, will live with him and his wife at their home in Algonac, Mich. Vassilios will go to school with his cousins. Nick will raise the boy as his own.

Takes Shamrock Over
HOUSTON (AP) — Conrad Hilton, who ran a small hotel in Cisco, Tex., years ago and now controls

27,000 hotel rooms around the world, was to take over operating control of Houston's Hotel Shamrock today in a meeting with officials of the Equitable Life Assurance Society. The insurance company holds an 18-million-dollar mortgage on the property.
