Flora Mir Candy Centerpieces

A MAJOR ATTRACTION in New York this month was a collection of edible candy centerpieces that were on display in the windows of New York's famed Tiffany & Co. Created for Flora Mir Candy Corp. by noted designer, Gene Moore, the new candy centerpieces should make this winter's dinner tables the most interesting in years. The centerpiece collection, called "Designs In Candy", included a "Watermelon" a "Basket of Fruit", a "Lollipop Clown" and a series of "Ice Cream Cones" and "Fruit Cups". Each centerpiece is made of hundreds of jewel-like candies gum drops, fruit slices, etc. - each of which can be removed and enjoyed by delighted quests.

### Jugged Hare Is **Dutch Yule Treat**

THE HAGUE (UPI) ..... mas in Holland usually is a family affair.

Christmas dinner is usually turkey, chicken or maybe jugged hare, but with all the, trimmings.

At home it will be eaten after midnight mass by Roman Catholics. Many non - Catholics go along to mass because of the Christmas atmosphere.

In most homes you'll find a Christma trei, lighted and festooned in the traditional fashion, and a manger. Most of the town squares lave a nig the glowing, and a manger as well. By the time Christmas Day arrives almost everyone will have sent off Christmas and New Year's greeting cards. But unlike many other countries. the Dutch burn their Christmas trees in public on New Year's Eve under police supervision.

dren's party, Gene Moore has crackers. designed a half-dozen candy "Ice Cream Cones" that serve a dual purpose - as place settings and as take-home party favors. The "Ice Cream Cones" use real sugar cones but the scoops of ice cream are strictly Flora Mir - gumdrops in lemon, lime, cherry, orange, grape and pineapple flavors.

Fresh green artichokes make a lovely centerpiece for a party. Pile them in a low bowl interspersed with some daffodils or daisies.

### Sensing The Pampa Baily News

A Watchful Newspaper

EVER STRIVING FOR THE TOP O' TEXAS TO BE AN EVEN BETTER PLACE TO LIVE

The Pampa News is dedicated to furnishing information to our readers so that they can better promote and preserve their own freedom and encourage others to see its olessing. Only when man is free to control himself and all he produces, can he develop to his utmost capabilities.

We believe that freedom is a gift from God and not a political grant from government. Freedom is neither license nor anarchy. It is control and sovereignty of oneself no more, no less. It is thus consistent with the Human Relations Commandments, the Golden Rule and the Declaration of Independence.

### Foreign News **Commentary**

By PHIL NEWSOM UPI Foreign News Analyst The foreign news outlook: Diplomatic tight rope: Chancellor Kurt-Georg Kiesin-

ger's first trip abroad is 2A he will meet President Charles de Gaulle in January. Kiesinger gives first priority to "claryfiwith France, which have gone be responsible for any debts consour during the last year. But he shares ex-Chancellor Ludwig Erhard's view that Germany must not choose between Paris and Washington, and so probably will want to visit the American capital during the winter, without waiting for winter, without waiting for President Johnson's promised trip in the spring.

Shackles on Austria: The Soviet Union does not like

the idea of Austria associating with the European Common MISSING since Saturday morning Market which the Soviets regard as a political as well as pointed out to the Austrians home for Christmas, Reward, Call MO 5-3338 or contact Charles M. Lockhart at 2232 N. Wells. by peace treaty they are banned from any political union with West Germony. France, as a co-signatory, has promised the Soviets she will be guardian of the peace treaty interests in of the peace treaty interests in Service Station located at 13th and the negotiations which may end Hobart has the following to offer: up with a simple trade agreement, far short of Austria's hopes.

Ban the Bomb:

U.S.S.R. agreement to ban the bomb from space foreshadows Soviet inclination to support also a nuclear non-proliferation treaty. This would be the next major step toward halting the spread of nuclear weapons, and on this score.
