### THE QUEST

Jeremiah 29:13 "And ye shall seek me, and find me, when ye shall search for me with all your heart."

The Quest begins when a person Is born, and life becomes on endless search.

Very few people are able to achieve all of the goals that they desire to in this life. In fact the Apostle Paul said, "If in this only we have hope in Christ, we are of all men most miserable." 1 Corinthians 15:19.

The soul of man continually cries to be satisfied, and cannot be satisfied with the material things of this life. It is God given, and only God can satisfy its hungry search.

Some seek to satisfy it through their search for FAME, but after having obtained it, found that, that was not the answer.

Some have sought it through FORTUNE, but only ended in defeat as the man about whom Jesus told us about in St. Luke 12:16-21

Some seek to settle the Quest through POWER, but the path of a sad disappointment has often been their fate.

Others are seeking to find it through wordly PLEASURES, but they too will find that these are only momentary, and the soul has not been satisfied.

Some will make of themselves a slave to their LABOURS trying to ignore the terrible gnawing in their breast.

But the SOUL is God given, and cannot be satisfied with anything else but the SPIRIT of God in the heart of the inner man.

Life is a boredom only because of an empty heart. When a person cannot find joy in Christ, it is because Christ is not there.

"Whom having not seen, ye love; in whom, through now ye see him not, yet believing ye rejoice with joy unspeakable and full of glory". 1 Peter 1:8.

"Thou wilt keep him in perfect peace, whose mind is stayed on thee; because he trusteth in thee.

Trust ye in the Lord forever: For in the Lord JEHOVAH is everlasting strength." Isaiah 26:3-4.

EVER STRIVILIG FOR THE TOP O' TEXAS TO BE AN EVEN BETTER PLACE TO LIVE

The Pampa News is dedicated to furnishing information to our readers so that they can better promote and preserve their own freedom and encourage others to see its blessing. Only when man is free to control himself and all he produces, can he develop to his utmost capabilities.

We believe that freedom is a gift from God and not a political grant from government. Freedom is neither license, nor anarchy. It is control and sovereignty of oneself no more, no less. It is thus consistent with the Human Relations Commandments, the Golden Rule and the Declaration of Independence.
