MILLIONS GREET POPE AT FATIMA — An estimated three million persons greeted and prayed with Pope Paul VI Saturday at Our Lady of Fatima Shrine, where 50 years ago the Virgin Mary appeared to three shepherd children. Sister Lucia, one of the three children who saw the vision, was received by the Pontiff in front of all the pilgrims gathered at the shrine.

Redistricting Plans Disputed

AUSTIN, Tex. (UPI) — The Texas Legislature, already bitterly divided over appropriate

redistricting plans, today faced another internal conflict over redistricting. House and Senate committees have come up with different plans for revising the state's 23 Congressional districts, and each thinks its plan is best. The legislature is under federal court orders to clean up the districts it drew two years ago for Congress and the state house of representatives. Courts said both plans deviated too far from the "one man, one vote" principle.

Pampa Road Requests Due June Action

Action on Pampa's requests for state participation in three projects inside the city limits is scheduled at the June meeting of the State Highway Commission in Austin.

The projects include SH 152 and 273 and US 60 inside Pampa.

City Manager Jim White said today he had been notified the city's requests will be studied during the next 30 days and that action on them will be taken at the commission's June meeting.

A Pampa delegation was in Austin May 3 and urged action on plans already in the hopper for SH 152 (Alcock St.) and a portion of U.S. 60 (from the intersection of SH 70 to the west city limits line). The work is scheduled for this summer.

A request also was made for appropriation of funds to acquire right of way for a portion of U.S. 60 from Barnes to Frederic Sts. and for SH 273 (S. Cuyler) from U.S. 60 south to the Ft. Worth & Denver overpass.

This work would be scheduled in the fall. For the spring of next year, a request was filed for appropriation of funds for the widening of U.S. 60 from the intersection of SH 70 east to the city limits, and construction funds for SH 273 south to the railroad under. (See PAMPA, Page 3)

Price's Letter of Praise Sent to Wrong Legislator

AUSTIN — Rep. Bob Price, of Pampa may wish by now the postman could be deterred by rain, sleet, snow, hail — or something, since one of his letters went to the wrong Texas representative.

The letter, in which Price explained his views on redistricting, probably was intended for Rep. Frank Cahoon of Midland, a Republican who is working on a congressional redistricting bill. Instead, because the letter and envelope were addressed to Rep. Frank Calhoun of Abilene, a Democrat, they went to Rep. Calhoun.

Calhoun is a member of the House committee on congressional and legislative districting, and is helping work out re-

districting as ordered by federal courts. In the letter, Price stated he would rather not have Floyd, Hardeman and Ford counties in his congressional district and would like to get rid of Motley and Cottle counties, "because they are Democratic counties with a poor Republican voting record."

"Lamb County is traditionally a rather bad county for us, and would probably be one of the first counties to go against me heavily in a bad year, but it still would be better than Floyd, Motley, Hardeman, Cottle and Ford counties," Price said in the letter.

Another part of Price's letter, in which he suggested Calhoun, a Democrat, should run for congress, he said "I hear many good reports of the work you are doing, Frank, and I hope you will consider some day running for congressional office in your district."

"When that time comes we will be glad to help you in any way," Republican legislators, Sen. Henry C. Grover of Houston, and Rep. Malouf Abraham of Canadian, both received copies of Price's letter, but House (See PRICE, Page 3)

Marines Stop Red Attacks

Pilots' Weekend MIG Toll Now Ten

SAIGON (UPI) — U.S. Marines, backed by tanks firing point-blank, battled through mortar barrages and smashed repeated Communist attacks in two days of fierce fighting along the rain-swept northern border of South Vietnam, spokesman reported today. North of the border Sunday, U.S. jet-fighters shot down three more Communist MIGs — their 8th, 9th and 10th of the weekend — and raised to 60 the total of kills in dogfights during the war. But two U.S. planes were lost also over the North, spokesmen said.

Senator Calls For GOP Conference On Policy Report

WASHINGTON (UPI) — Sen. Jacob K. Javits, initiator of the Republican policy report on Vietnam that widened cracks in the party's unity, has called for a conference of GOP senators to seek "consensus" on the issue.

The New York lawmaker disclosed Sunday he had asked Sen. Margaret Chase Smith, R-Maine, chairman of the GOP conference, to set up such a session.

It was a staff report by the conference that caused consternation in some Republican quarters over questions raised on President Johnson's Vietnam policy. Javits said it was he who moved that the study be made, and that he still felt it was "an excellent historic record" of the Vietnam problem.

Javits said all GOP senators will not agree on any point. But he said he thought "the great majority of them can come to certain conclusions; for example, the idea that we do back the commitment of the President is one that I think we have all come to already."

He said a "good majority" of Senate Republicans probably would oppose invading North Vietnam or bombing Haiphong harbor and a "large number" would favor direct negotiations with the National Liberation Front, political arm of the Viet Cong rebels.

Javits, in a radio-television panel show for New York stations, also said voters feel President Johnson "isn't doing well" and "will want some other team to try to work this out in Vietnam."

Sen. Strom Thurmond, R-S.C., warned that candidates who take a "soft stand" on Vietnam will not win the Republican nomination in 1968.

City Board Hears Complaints On Tax Valuations

Property owners with complaints about assessed valuations for city and school tax purposes were being heard today in City Hall at a joint public hearing of city and school tax equalization boards.

The session opened at 9 a.m. today with city equalization board members George Scott, R. M. Samples and L. L. Sone and the school equalization board members Elmer Fisher, Lee Fraser and Bill Tarpley.

Approximately a score of property owners had been heard up until noon today. Persons protesting real or personal property valuations had a choice of being heard by both boards at the same time or by separate hearing if desired.

George Scott, chairman of the city tax board, said both boards expected to wind up the bulk of the work today.

The property owners were being heard one at a time on any protests in connection with valuations for the 1967 tax roll.

Youths Rock Amusement Area, Park

SAN FRANCISCO (UPI) — Some 500 youths damaged concessions at an ocean-side amusement area, engaged in fist fights and assaulted patrolmen Sunday night in violence that spilled over into a city park and from there into the Haight-Asbury district, home of the city's hippie cult.

The teen-agers, mostly Negroes, were cleared from Playland at the beach by 100 policemen called from stations throughout the city. The disturbance, described by police as "sporadic but not continuous," lasted about an hour.

Bands of youths later roamed through Golden Gate Park throwing rocks and bottles and then invaded the Haight-Asbury area, where several store windows were broken.

Police said 22 persons were arrested at Playland on charges ranging from inciting riot to disturbing the peace.

Three patrolmen were injured. One was stabbed and hit by bottles, one was stomped and suffered a broken wrist and the third suffered a sprained wrist.

There was no immediate estimate of property damage.

Peking Sends Britain Demands on Hong Kong

HONG KONG (UPI) — Threatening to humble the British crown colony as it did nearby Portuguese Macao, Communist China today demanded Hong Kong surrender to demands by leftwing rioters or face "grave consequences."

Peking in a message to London and in press reports linked the long-expected showdown to British authorities allowing U.S. Navy ships to use the great port as a rest spot from Vietnam war action.

Hours after Peking issued the demand, Red Guard-type gangs of Chinese youths ran howling into the streets of Hong Kong's Kowloon district and smashed the windows of a U.S. banking office (American Express) and a post office. Cheered on by a large crowd, the youths then plastered up Chinese Communist posters and knocked down traffic signs. The rioting ended 24 hours' calm which followed three days of street violence.

If the British government and the Hong Kong British authorities do not budge a pale horse standing before the cliff, then they will definitely come to no good ends," declared Red China's most authoritative newspaper, Peking's Peoples Daily.

Demand Compliance At Peking, Mao Tse-tung's

foreign ministry roused British Charge d'Affaires D. C. Hopson before dawn today and handed him four demands it said Britain must accept "unconditionally" or face Communist China's wrath.

"Immediately accept all the just demands put forward by Chinese workers and residents in Hong Kong."

"Immediately stop all fascist measures."

"Immediately set free all the arrested persons."

"Punish the culprits responsible for these sanguinary atrocities, offer apologies to the victims and compensate for all their losses; and guarantee against the occurrence of similar incidents."

The demands matched those Peking forced tiny Macao, the other European beachhead on mainland China, to accept a few months ago after heavy rioting in the Portuguese territory. In Hong Kong, today's rioting all but wiped out fears that the trouble might be slackening following a day of relative calm. Last week the youth gangs hurled Molotov cocktails, battled police and stormed at factories closed because of a agitator demands. Today's Whitsun holiday had opened quietly.

But 500 to 600 workers today

waved little red books of Mao thoughts and shouted slogans in front of a cement company and broke windows in a bank branch.

Observers here said the confrontation forced by Peking could lead to large-scale violence among the 3.7 million Hong Kong residents, most of whom are refugees from Communist China.

Hope Dwindles In Search for Three Missing Youths

HANNIBAL, Mo. (UPI) — Hope dwindled today in the search for three adventuresome readers of Mark Twain who have been missing from their Mississippi River bluff home since last Wednesday.

As searchers expressed the opinion they've about covered all the caves, other authorities checked out hundreds of leads.

Even the parents of two of the boys noted the possibility they may have taken off on an adventure other than cave exploring.

The parents went before television cameras Sunday night in the hope that Joseph Hoag, 13, his brother William, 11, and Edwin Craig Dowell, 14, could hear and would respond.

"Make this a good Mother's Day for me," Mrs. Hoag pleaded in a trembling voice. "Please come home, I made a good dinner for you again. I love you, please come home."

Meanwhile, railroad officials checked their records for trains that passed through the area where the boys were last seen. Boxcars were traced in the event the trio hopped a freight. The search ended shortly before midnight Sunday and resumed today.

Searchers said they still have some digging to do in "the system," nickname of a newly discovered network of caves uncovered by workmen building Missouri Highway 79. The search had been concentrated there since Friday, after the final and futile search of Murphy's Cave, where the boys were originally believed trapped.

State Death Toll Highest In Weeks

By United Press International — A Gulf Coast smashup that killed five persons, two plane crashes and highways made deadly by heavy rains helped push Texas' weekend violent death toll to its highest level in weeks.

A United Press International survey for the period between 6 p.m. Friday and midnight Sunday showed at least 47 violent deaths, including 27 highway fatalities.

The worst accident was a two-car collision on Texas 332 two miles northwest of Lake Jackson Saturday night.

The dead were Eulalio Garza, 46; his sons, Jesse, 6 and Ysidro, 8; his mother, Mrs. Margarita Garza, 67 and a passenger in their car, Mrs. Agapita Villareal. All were of Freeport.

Three other persons were injured. James Mitchell Roden, 22, of Lubbock was killed and Lance Bruce, 23, of Dallas was critically injured Sunday when their Cessna 150 lightplane crashed into a plowed field and burned near Lubbock.

The men were landing at Town and Country Airport.

Justice of the Peace Cliff Robertson said an autopsy showed Ernest L. Boynton, 40, died of a heart attack before his speeding auto racer smashed into a wall Saturday night at an Amarillo race track.

Crime Commission Says Syndicates Dependent on Corrupt Officials

WASHINGTON (UPI) — The President's Crime Commission says there is an increasing sophistication in organized crime that is making the syndicates more and more dependent on corrupt public officials.

The commission concluded in a report released Sunday that: "All available data indicates that organized crime flourishes only when it has corrupted local officials."

Only a handful of a community's officialdom need give way to the syndicate's chief offering — bribes — for such organizations as the Cosa Nostra to gain sufficient power to operate, the report said.

It listed law enforcement supervisory levels and political executives as the key targets in Cosa Nostra efforts to infiltrate a community.

The latter category may include non-office-holding political leaders to whom judges,

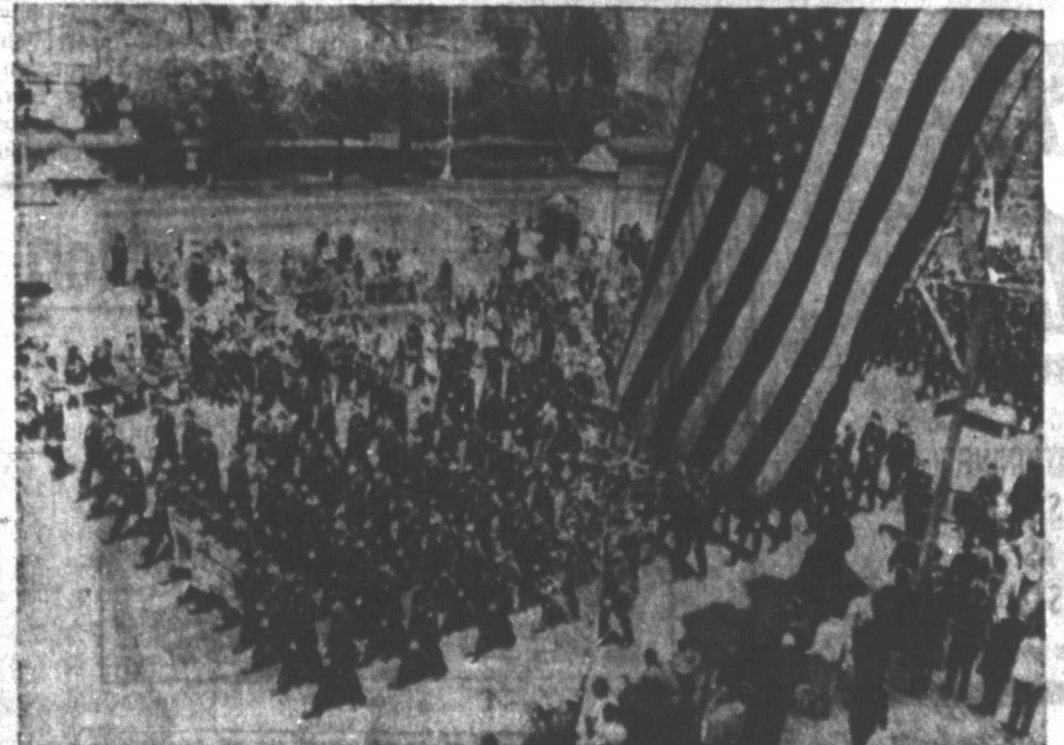

mayors, prosecuting attorneys and correctional officials may be responsive, it said.

Sunday's report was the third of nine the commission plans issued on the basis of task force studies.

One consultant, Prof. Donald R. Cressey, described the syndicates as becoming so professional that "college training is needed by its operators."

"Nowadays, being a 'stand-up guy' and being skilled in the perpetration of lower-class crimes like robbery and burglary is not enough," Cressey wrote. "One must have the business skills of a purchasing agent, an accountant, a lawyer or an executive."

He said there was no longer room at the top for the slum boy who dropped out of high school, and noted that accounting and business administration are the favorite college majors of males who aspire to syndicate leadership.

GREAT PARADE HONORS GIs IN VIETNAM — An estimated 250,000 marchers participated in a parade in New York Saturday in "Support Our Boys in Vietnam" demonstration. A vast majority of the marchers, made up of labor unions, veterans' organizations, Masons and Medal of Honor winners, carried American flags in support of our 442,000 American servicemen in Vietnam.

Appropriations Bill Due In State Legislature Tomorrow

The end is in sight, we hope, but we are keeping our fingers crossed. The session ends May 29 but we have loads of unfinished business that we could breeze right through or get hung up and get into a special session.

By the time you read this, some of these situations will be more evident. We are to take up the Appropriations Bill Monday and how this comes out will have a big bearing on everything. There's lots of work being done by everyone trying to get their bills through before the session ends.

The big three problems are Appropriations, Redistricting and Teachers' Pay Raise. You have probably already seen or heard my sentiments in that re-

gard. I didn't exactly endear myself with some of the powers-that-be but I feel that I'm on the right track.

The weather down here is really getting hot and muggy and the tempers of the members is kinda like the weather. We have had quite a lot of rumbling about first one thing and another but maybe it will all iron out peaceful and quiet. There are, of course, a large number of important bills still to be acted on and a lot of other bills will die by the wayside. I slipped upstairs to write this and had better get back down stairs. If you aren't around to protect your buttons you find yourself making some real strange votes sometimes.

Cast to Present Prize-Winning Comedy Friday

The curtain will rise at Pampa High School for the final performance of "A Company of Wayward Saints," at 8:30 p.m. Friday.

Admission is \$1 for adults and 50 cents for students.

The cutting of George Herman's comedy has won several awards for the high school group, beginning in April, when the play won first place in University Interscholastic League district 3-AAAA to advance to regional competition.

In region 1 competition, in Odessa, the play again placed first and went to state finals in Austin where it placed second and competed with three other Texas 4-A high schools.

Cast members who received individual honors for performances were Jerry Woodward, Cherie Akst, and Jan Pitts, all named to the all-star cast on the district level, with David Heimer named best actor in the district.

Hefner, Mike Hayes and Miss Pitts were named to the regional all-star cast and Miss Akst was named best actress in region 1.

On the state level, Miss Akst and Miss Pitts were selected for the all-star cast, and Hefner was named best actor for his performance of Harlequin.

Hefner also received the Samuel French award presented by the Samuel French Publishing Co. for the best performance of any participant in the state competition. His honors included a scholarship to the University of Texas.

The play, directed by Mrs. Don Myers, also includes Fred Barber, Lyssa Bossay, Susi Root, Beau Bond and Joyce Fisher.

Technical assignments are done by Ann Gage, Gwen Brunson and Betsy Goodwyn.

Pampa, McLean Students at WT Picked Twirlers

Judy Mercer of Pampa and Margie Pakan of McLean were selected as West Texas State University majorettes in try-outs yesterday at Canyon.

Miss Pakan, daughter of Mr. and Mrs. Miro Pakan of McLean, is the sister of Mrs. Harris Brinson of Pampa and is a freshman business major.

Miss Mercer, daughter of Mr. and Mrs. Dwayne Mercer, 2225 N. Sumner, here, is a freshman music major.

Both girls will be twirling instructors at WTSU for the summer band camp classes and will be two of the eight majorettes for WTSU band next fall.

Miss Mercer received a full tuition scholarship and an applied music scholarship from the university's band department after auditions last spring.

The full tuition scholarship is for four years. The applied music scholarship will provide private instrumental lessons, Mrs. Mercer said.

Miss Mercer also received a \$50 scholarship from Tau Beta Sigma, honorary band sorority last month, Mrs. Mercer said.

Head twirler next fall will be Mary Jo Adams of Plainview, who will be a senior in September.

Hopper Wins Damage Suit

A damage suit filed Friday in 31st Judicial District Court here was settled Friday in favor of the plaintiffs, Jack B. Hopper and others of Gray County.

The damage suit was filed by Hopper against Valta Earl Tarbet Jr. and others in connection with a two-vehicle accident 2.7 miles east of McLean, Aug. 15, 1966.

A jury was waived in the case, which was decided by District Court Judge Grainger McIlhenny.

The court set a judgement of \$2,050 and costs in favor of the plaintiff, Hopper, and ruled payment of \$713.35 to Hopper for past medical expenses as a result of the accident.

The court also ruled payment of \$50 to Hopper on behalf of his wife, Lucille, and \$1,286.65 to Hopper's daughter, Kathy. Mrs. Hopper and her daughter were injured in the accident, the suit record stated.

The suit record also listed Mrs. Norma Tarbet as driver of the vehicle which was involved in the accident with the Hopper vehicle on Aug. 15, and listed Kathy Hopper as a passenger in the Hopper vehicle.

Red Cross Sets Swim Program Registration Dates

Registration for the Red Cross Swim program will start at 1 p.m. Friday at the First Methodist Church educational building.

Applicants are requested to not register at the Red Cross office, Mrs. Libby Shotwell, Pampa Red Cross Chapter executive secretary said.

Registration time is 1 p.m. to 4 p.m., Friday and Saturday, July 3 through 14 and July 17 through 28.

In the first registration period last Friday, only 144 signed up because of inclement weather, and too many school functions already planned, Mrs. Shotwell said.

Firemen Check Out Truck Fire Alarm

South Station firemen answered an alarm at 12:15 p.m. Sunday to extinguish a pickup truck fire, 700 block of E Campbell.

The pickup's owner was listed as Martin Brookshire, of the Campbell St. address.

Chief Wants Barricades Left Alone

Pampa Police Chief Jim Conner asked Pampa residents today to observe street repair signs and barricades that have been put up on Duncan Street.

City paving projects are underway on the street beginning at the 900 block and running to Harvester Street.

Barricades have been put up at both ends of where the construction starts and ends.

"We've been having trouble with people who want to go up the street moving the barricades out of the way and not putting them back in place," Conner said. Conner said this was a violation of the law.

Conner added that persons living on the street had ample room to get to their homes.

member, Rep. Cahoon, did not receive a copy. He got his copy from Abraham.

Before he realized the letter was not intended for him, Cahoon answered it and told Price: "As a member of the House Committee on Congressional Legislative Districts, I appreciate your thoughts on the matter."

Cahoon went on to say he had heard from most of the other West Texas congressmen and would consider Price's views in discussions of the redistricting bill pending in the House of Representatives.

Homer Hit For Mantle's Wife

NEW YORK (UPI) —Only one person knew Mickey Mantle would hit his 500th home run Sunday.

And she wasn't even in the ballpark.

"I called my wife last night (Saturday) and I told her I would hit the big one for her on Mother's Day," Mantle revealed Sunday after he became the sixth player in history to hit 500 career homers. The seventh inning blow helped the New York Yankees beat the Baltimore Orioles 6-4, 3-4.

"I'm going to call her back and when I tell her she'll probably say, 'Oh, swell,'" Mickey laughed.

"She's like Whitey's (Ford) wife," he continued. "She doesn't know too much about baseball. Once, shortly after we were married, she brought her family to a game. When everyone got up to stretch in the seventh inning, they went home. She thought the game was over."

But even Marilyn Mantle would have appreciated the mighty blow struck by her husband and the three-stage standing ovation he received from the crowd of 18,872 at Yankee Stadium. The fans cheered him as he rounded the bases, when he left the dugout at the end of the inning and when it was announced that Mantle would be honored for his feat before Tuesday night's game against Cleveland.

Mantle, a 33-year-old switch hitter who hit his first homer against Randy Gumpert at Chicago on May 1, 1951, joins Babe Ruth, the all-time leader Williams, Willie Mays and Mel Ott in the exalted 500 class.

NATIONAL LEAGUE ROUNDUP

Red Hot Reds Widen N.L. Gap

By United Press International
Although only 18 years old, Gary Nolan is giving the old masters some pointers.

Nolan, Cincinnati's young pitching sensation, matched serves with veteran ace Jim Bunning of Philadelphia Sunday, blanking the Phillies 1-0 for his first major league shutout and giving the Reds a sweep of a doubleheader.

The young right-hander, who scattered five hits in picking up his third victory in four decisions, got all the support he needed in the first inning when Pete Rose stretched a routine single into a double and came home on Tony Perez' double.

He experienced some anxious moments, however, in gaining his first shutout. He walked Tony Gonzalez with two out in the ninth inning and faced the dangerous Tito Francona, the potential winning run.

"I wasn't going to let him get away," said Nolan. "I remembered the last time—April 20—in Dodger Stadium when Jim Hickman robbed me of a shutout with a pinch double with two out in the ninth."

Nolan fired 13 pitches to Francona, all of them fastballs, and the lefty slugger fouled off seven in a row with a 3-2 count. Nolan finally got him on an infield fly to shortstop Leo Cardenas.

Abernathy Saves Game
Cardenas and Vada Pinson smashed home runs and reliever Ted Abernathy picked up his 10th save of the season for the Reds 2-1 victory in the first game. Abernathy retired the last two batters in the ninth inning to preserve Jim Maloney's second victory in four decisions.

Elsewhere in the National League, San Francisco swept a doubleheader from Houston, 11-6 and 4-3. Pittsburgh downed Atlanta 5-2, New York tripped St. Louis 3-1 and Los Angeles split a twinbill with Chicago, taking the opener 2-1 before dropping the second game 6-3.

Ollie Brown, who was smashed in the face by a Claude Raymond pitch Friday night, got his revenge from the Houston right-hander by hammering a two-run homer in the ninth inning of the second game to give the San Francisco Giants a sweep over the Astros. Brown drilled Raymond's first pitch over the left field fence for his first homer of the season to send the Astros to their fifth straight defeat.

runs, three with a home run, to pace a 16-hit attack that carried the Giants to victory in the first game.

Roberto Clemente slammed a triple, double and single, scored a pair of runs and drove in a third to down the Atlanta Braves and give Dennis Ribant his first victory of the season. Clemente scored the first two runs on singles by Bill Mazerowski in the first and sixth innings and singled home Manny Mota with the third Pirate run in the seventh.

Bob Johnson's two run double in the fourth inning, his first National League hit, highlighted a three run spree that lifted the New York Mets over the St. Louis Cardinals.

Johnson, who came to the Mets from Baltimore last Wednesday, drove in Johnny

Knudson, who started the final round even with Knudson, led twice during the day. Bob Charles of New Zealand took his turn leading for three holes. But Knudson dropped birdies on the 14th and 15th holes to regain the lead and then, with Nicklaus breathing down his neck, parred out the rest of the way to win.

Knudson and most of the field headed today for the Colonial Open at Fort Worth this week. Then he planned to head home for a five-week rest.

"This \$20,000 check justifies the vacation," he said. Knudson, who won only \$23,522 last year, now has winnings of more than \$39,000 for 1967. He had not won an American tournament since the 1964 Fresno Open.

Knudson Wins New Orleans Open

NEW ORLEANS (UPI) —Lean, freckled George Knudson was dripping with sweat when he walked into the Lakewood Country Club press room, but he must have been cool inside.

He had to be cool to withstand the pressure that Jack Nicklaus, Bob Charles, Frank Beard, and Tommy Bolt applied on him Sunday in the final 18 tension-packed rounds of the Greater New Orleans Open Golf Tournament.

The 29-year-old former caddy from Winnipeg came out from under the pressure with a \$20,000 first prize, the biggest check of his up-and-down professional career.

"There should have been an easier way to win," he told newsmen when it was all over. Knudson fired two under par 70 Sunday, his fourth sub par round of the tournament. He finished with a 277, 11 under par for the four days, but just one stroke better than scrambling Jack Nicklaus.

Nicklaus, who started the final round even with Knudson, led twice during the day. Bob Charles of New Zealand took his turn leading for three holes. But Knudson dropped birdies on the 14th and 15th holes to regain the lead and then, with Nicklaus breathing down his neck, parred out the rest of the way to win.

Grid Tilt On Tap Saturday

Pampa's lightweight Harvesters started their third and last week of spring football practice today drawing glowing praise from coach Eural Ramsey.

The spring grid season will end Saturday with the annual Green and Gold game scheduled to get underway at Harvester Field at 7:30 p.m.

After last Saturday's second scrimmage Ramsey said that the team as a whole had improved and that the scrimmage was much better than the previous week's.

"We seem to be improving every day and these kids have all the enthusiasm and desire you can imagine," Ramsey stated.

Ramsey pointed out that starters Bobby Wilson, Danny Winborn and D. D. Lofton, running at fullback looked especially good on offensive blocking while quarterback Dwight Rogers, Wayne Williams and Lofton ran exceptionally well Saturday. Jay Johnson and Wayne Caswell were cited for their pass receiving in the scrimmage.

Ramsey pointed out that Mike Tyler, Larry Elledge, Jim Sharp, Gene Kincaid, Rogers and first year man Ted Williams did a good job.

"We are just as pleased as can be with the way things are going," Ramsey said, adding, "our offense is ahead of our defense right now but our defense is coming along okay."

Following at 211, but certainly not out of the running if they catch fire were veterans Mickey Wright and Kathy Whitworth.

AMERICAN LEAGUE ROUNDUP

Mantle Hits 500th HR

By United Press International
Mickey Mantle reached the exalted 500 plateau to the blare of trumpets while the Chicago White Sox were silently storming the summit.

The muscular Mantle drove Stu Miller's 3-2 change-up pitch into the right field seats in the seventh inning Sunday for his 500th career home run, a mountainous achievement only five other men have accomplished.

The crowd of 18,872 gathered in Yankee Stadium gave the great slugger three standing ovations and was further delighted when it proved to be the deciding run in the Yankee's 6-5 victory over the Baltimore Orioles.

Quiet Takeover
The White Sox received no standing ovations but their twin victories over the California Angels, 4-2 and 3-1, were equally as satisfying. They marked the ninth and 10th successive triumphs for Chicago and lifted the Sox into first place in the American League, 11-2 games ahead of the Detroit Tigers.

The Boston Red Sox ended the Chicago cause by blasting the Tigers 8-5 and 13-9 while Cleveland edged Washington 2-1 in a rain abbreviated contest

and Kansas City clipped Minnesota 4-2.

Mantle, who joined Babe Ruth, Willie Mays, Jimmy Foxx, Ted Williams and Mel Ott in the select circle of those with 500 or more homers, used a bat borrowed from Joe Peplone, who just an inning before had hit his first homer of the year to send the Yankees ahead 5-4.

"I don't know if I ever even got a single off Miller before," joked Mantle. "Me and Tommy (Tresh) always laughed who's going to look the worst against him. I think on the homer he took a little off his change-up."

Manager Eddie Stanky got a present of his own this Mother's Day when his White Sox presented him with the AL lead. Gary Peters pitched a one-hitter and drove in two runs in the nightcap after Ken Berry's three hits had sparked the first-game victory.

Peters held the Angels hitless over the final seven innings after yielding a homer to Bill Skowron in the second and struck out 10 to take over the league leadership with 51. Tommie Agee homered for an insurance tally in the sixth.

Scores Deciding Run
Berry, who scored the Sox' first run of the opener on Tom McCraw's double, slapped a two-run single in the seventh for the deciding runs. Tommy John, who allowed only four singles before departing in favor of Bob Locker, was credited with the win.

Rico Petrocelli and Carl Yastrzemski each hit two homers and Joe Foy and Jose Santiago tagged one apiece as Boston snapped the Tigers' winning streak at seven games. A league record 28 extra base blows were hit in the doubleheader with the Red Sox accounting for 16. Willie Horton had two homers for Detroit.

Sonny Siebert, who tossed a no-hitter at the Senators last year, allowed only two hits in the five-inning victory over Washington. The two safeties—Frank Howard's homer and Dick Nen's single—both came in the fifth. Joe Ascué homered for the Indians.

Mike Herasberger doubled home a pair of runners and scored another in the first inning to pace Kansas City to its third straight win over the Twins. Jack Aker preserved Chuck Bobson's first victory of the season with 2-23 innings of hitless relief.

Knudson, who won only \$23,522 last year, now has winnings of more than \$39,000 for 1967. He had not won an American tournament since the 1964 Fresno Open.

Sonics Up League Lead

By United Press International
Amarillo lead off for five home runs that accounted for a total of seven runs Sunday night to run away from Austin 8-3 in a rain-shortened Texas League game.

The Sonics ran their league lead to three games over runner-up El Paso. The Sun Kings, meanwhile lost to Arkansas 7-4. For Amarillo, John Griffith drove in one run with a first inning blast, Jim McDonald, Larry Howard and Brock Davis all hit solo homers, in the fourth and fifth innings, respectively and Mike Sinnerud hit a round-tripper with one on in the seventh.

Clarence Gaston smashed a homer in the first, driving in one run for Austin. The game was called in the sixth because of rain. Arkansas' 11-hit attack included home runs by Ben Bracy with two on in the first and Tommy Smith in the third with bases empty. The Dodgers pushed across four runs in the 12th inning to whip Dallas-Fort Worth 7-4.

Torginol Flooring: Proven Product

As you probably know by now the most fussy people in the world are doctors. This doesn't just include the general practitioner or the specialist, but doctor as a whole. They are particular when it comes to the right kind of surgical instruments, the proper operating procedure, and the cleanest operating room, and entire hospital and their own personal clinic and home. The welfare of their patients comes first. Likewise they do everything in their power to maintain a well staffed personnel, qualified nurses, and the best of everything that you and I have learned to expect.

But one of the few least known facts about hospital and administration care, is the kind of flooring installed. It has to be durable, easy to clean, easy to maintain, without high cost. During this decade, one particular flooring is being put to use more and more. At first it was tested, then tested again. When they found it would stand up in the operating rooms, they installed it in the hallways; then watched to see what would happen. It wasn't long until they noticed how easy it was to keep clean, resisted stains, and kept a remarkable shine. It pleased the nursing and administration staff, but the final test came with the doctor and the patient. Almost every physician eyed Torginol with distrust at first. But as time wore on they too realized it's potential, and were pleased with the results.

The general public, like doctors, examined Torginol under different conditions. They watched the results when a neighbor installed it around his swimming pool. Much to their surprise it stood the test; withstood the wear and tear of the water and weather. When a drink was spilled, instead of staining, warping, and tearing, it showed little or no wear. Once installed, the owner just forgot about having to replace

FOR TUESDAY, MAY 16
GENERAL TENDENCIES: The early AM finds you with the ability to achieve a great deal by using your energy to put into motion some highly desirable plans. The afternoon and evening finds an entirely different influence - effect that requires a considerable amount of caution to sidestep being deceived by yourself or by another, so be careful.
ARIES: (Mar. 21 to Apr. 19) - The morning gives you every opportunity to accomplish much that is valuable, so keep busy, since later in the day you may have disappointments of one sort or another. Don't be envious of others. Keep on the constructive side.
Taurus: (Apr. 20 to May 20) - An idea which one at home may suddenly drop may be very advantageous for you, so show your real devotion. Bitter clear of partner who want to argue. This is not right time to make arrangement between kin and one not in the family.
GEMINI: (May 21 to June 21) - State your aims to regular associates in a.m., but be sure you carry through with duties later and don't expect too much from others. Give a well-deserved compliment to one who is vital to your well being.
MOON CHILDREN: (June 22 to July 21) - You are able to take care of financial, security matters early, but be sure later you do not spend extravagantly. Simple pleasures are just as enjoyable and bring you satisfaction. Be sensible.
LEO: (July 22 to Aug. 21) - Morning is ideal for whatever requires personal expenditure of energy and mental prowess. Do nothing that will cause jealousy at home. Be charming in getting others to go along with your ideas for best results in the days ahead.
VIRGO: (Aug. 22 to Sept. 22) - Plan what must be done so that you have greater progress later on, but do not confide in others right now. Be cheerful handling your duties. This is particularly true for whatever is pretty much secret or private.
LIBRA: (Sept. 23 to Oct. 23) - Plan to get in touch with good comrades early so that you can plan a social evening with them instead of keeping so busy with business matters. Forget about that big expenditure. Be more economical.
SCORPIO: (Oct. 23 to Nov. 21) - Any discussion with a living is best in a.m. and it behooves you to do nothing that will jeopardize your reputation in p.m. Use ingenuity in taking care of some civil affair. This could prove to be most interesting.
SAGITTARIUS: (Nov. 22 to Dec. 21) - Forgetting that worry is easy if you step out early into the world of business and culture and you can make big headway there. Some new contact can help you tremendously. Avoid that person who is a gossip sapper.
CAPRICORN: (Dec. 22 to Jan. 20) - Say no to that person who wants to stop you from attending to important duties either via the telephone or taking you out on a tangent. Then go out socially with male. This will help to clear up any misunderstanding.
AQUARIUS: (Jan. 21 to Feb. 19) - Do not try to settle that argument between a higher-up and an associate just yet. Get your facts absolutely straight and well in your mind. Concentrate on important matters in the privacy of your study at night.
PISCES: (Feb. 20 to Mar. 20) - Rather than be off on some silly spree with a pal, get your surroundings beautiful, nice, cleaned. Give your own special attention to several matters that nobody can handle as well as you. Be clever.

Ford's Body Shop Can Restore The Tiger or Lamb

The feline appearance and tiger-in-the-tank looks of the latest Detroit models as well as the old-reliable lambs of yesterday can be marred by small rumped finders. No matter what age your car belongs to, antique or the futuristic model, does it still retain it's showroom glow?

Possessing all the latest facilities and scientific equipment, Ford's Body Shop, 111 N. Frost, can restore all the former beauty to your car. Whether it be ironing out the dents, replacing the chips, repairing the crumpled fender, or rebuilding of a crumpled automobile. Their qualified staff of experts are trained to give their best to their customers, and give your car that once gleam of beauty.

Before you take your next ride, examine the finish on your car. If it doesn't look as it should, take it to Ford's Body Shop for a free estimate.

As another customer benefit wrecker service. When in need call MO 4-4619 or MO 4-4610. Remember if you want it done and done right the first time, Ford's Body Shop can do it.

MARK BUZZARD ... honor ring

Insurance Agent, Wife to Attend Sales Conference

Mark Buzzard, Allstate agent in Pampa, and his wife are to attend a sales conference of the Allstate Insurance Companies' in Chicago this month.

Mr. and Mrs. Buzzard will take part in the 16th annual "International Conference of Champions," which will include business meetings and round-table discussions with top executives of the companies.

Buzzard qualified as a member of the company's exclusive "Honor Ring" organization by being among the outstanding sales representatives from the ranks of nearly 7,000 Allstate agents.

Speech Student Honored at Tech

Linda Gayle Hubbard of Pampa has been honored as a scholarship winner at Texas Technological College in Lubbock.

Miss Hubbard and other speech department students were honored recently during the annual speech department awards dinner at the college.

APATHETIC RIOT
CAMBRIDGE, Mass (UPI)—Some college students riot for power and some for girls' underwear, but not Harvard men.

Some 150 freshmen milled around and tried to get a riot going in the Harvard Yard shortly after midnight today, but campus policemen pushed them back in their dormitories and repulsed them when they tried to come out again.

The slogan of the hour, proclaimed by several students with half-hearted shouts: "Apathy."

Pampa Requires Shots for Rabies Prevention Here

owners want their pets picked up for running loose, they should make sure the pet has had its rabies vaccination, by Saturday.

The annual drive for rabies vaccinations for dogs and cats started yesterday, and will continue until Saturday, with a lower price of \$2, Pampa veterinarians said.

After this week, the city leash law will be more strictly enforced, to encourage city pet owners to have their pets vaccinated, Dr. Kenneth Royse said.

One case of rabies was reported in Ochiltree County, and that's near enough to Pampa to be concerned about rabies here, he said.
