

Ten Are Killed In Streamline Train Collision

GALESBURG, Ill., July 6. (AP)—Ten passengers were crushed and twisted to death today in a freak collision of two sleek Santa Fe Railway streamliners running side by side.

President May Ask For Truth Campaign Funds

WASHINGTON, July 6.—President Truman is expected to ask Congress probably next week for funds to launch an intensive "campaign of truth" in Korea and other critical areas in the East-West struggle.

Included are Indochina, neighboring Southeast Asia countries and Iran, all objects of Communist pressure.

Secretary of State Acheson reported yesterday that a plan for "broader and stronger program of information and education" has been submitted by the State Department and is being considered by the President.

Others familiar with the proposal said it calls for concentrating promptly on the danger spots while Congress decides whether to approve a longer range, vastly expanded American effort to counter Soviet propaganda on global basis.

The major expansion is proposed in a resolution sponsored by Sen. Benton (D-Conn.) and 12 other senators.

Acheson, Gen. George C. Marshall and Gen. Dwight D. Eisenhower gave their approval at the start of hearings yesterday by a Senate foreign relations subcommittee.

The State Department's interim plan calls for stepping up quickly the distribution of news bulletins, leaflets, documentary films and urgent use of other means to convince Asian and Middle Eastern peoples that the United States is their friend and benefactor rather than the imperialist ogre pictured by Communist propaganda.

Moscow Press Yelps At US 'Imperialists'

MOSCOW, July 6. (AP)—The Moscow press attacked "rampant United States imperialism" in discussions of the Korean war today and for the first time criticized Holland and Australia for their part in the fighting.

An Izvestia editorial said "United States imperialism is reaping what they have sown," adding that the strengthening of the struggle for peace marks the answer of millions to "American aggression" in Korea.

The editorial said the cry "hands off Korea" expresses the wrath of the people against "American interventionists and their British, Australian, Dutch and other abettors."

Moscow newspapers also carried a Tass dispatch from Pyongyang, North Korean capital, saying that young Koreans are volunteering for front line duty.

The council unanimously passed a resolution yesterday saying "we should continue to work with other free peoples to drive the Communist brigands from South Korea."

The Moscow Press also reported that from June 30, when the campaign for signatures opened, and yesterday a total of 56,897,705 persons in the Soviet Union had signed peace proposals and the campaign was still developing.

Peace meetings continued. Red Star, the army newspaper, quoted Sergeant Bolko in the Kiev military district as saying "American warmongers have gone over from threats to 'open brigandage.'"

THE WEATHER

BIG SPRING AND VICINITY Mostly cloudy with scattered showers, not much change in temperature.

High today 94, low tonight 70, high tomorrow 96.

High and low temperatures for 1949: lowest this date 88 in 1924; maximum rainfall this date 1.25 in 1946.

Truman May Take Drastic Strike Action

WASHINGTON, July 6. (AP)—President Truman threatened today to take drastic action unless switchmen abandon their strike on five major railroads.

He called it an unjustified strike and blamed it upon a small minority of the switchmen.

He said the switchmen declined to abide by the recommendations of a very able presidential fact-finding board.

Mr. Truman told his news conference he hopes drastic action will not be necessary to force the strikers back to their jobs.

But he said he would act if it became necessary. He declined, however, to say what steps might be taken.

About 4,000 members of the AFL Switchmen's Union are on strike against the Rock Island, the Chicago Great Western, the Denver and Rio Grande Western, the Western Pacific and the Great Northern Railroads. They are demanding a 40-hour week with 48 hours pay.

A Presidential board proposed, instead, giving them the 40-hour week, with an 18-cent an hour pay increase.

Government mediators are working in Chicago in an effort to end the walkout.

Senate Speeds Plans To Wind Up This Session

WASHINGTON, July 6. (AP)—Senate leaders are trimming their law-making plans to bare bones in a drive to wind up this session of Congress by Aug. 1.

Majority Leader Lucas (D-Ill.), with backing of the Democratic Policy Committee, set the pattern yesterday by cutting his list of required legislation to little more than taxes and appropriations.

Chairman Taft (R-Ohio) said the senate GOP policy makers would not upset these plans.

On the tense international situation threatened to stand off the session-end pressure of an election year.

The probable list of legislative casualties was a long one including President Truman's repeated demands for action on his civil rights program.

House-passed bills to grant Hawaii and Alaska statehood appeared likely to die in the Senate rush.

So did the Communist control bill that Republican senators have been trying to get up for a Senate vote.

Lucas listed another test vote on the controversial fair employment practices bill among three measures to be considered. But the way it was listed indicated no hope for victory.

Opponents of FEPC, including southern Democrats, already have defeated one attempt to limit Senate debate and bring up the measure for an expected lengthy filibuster.

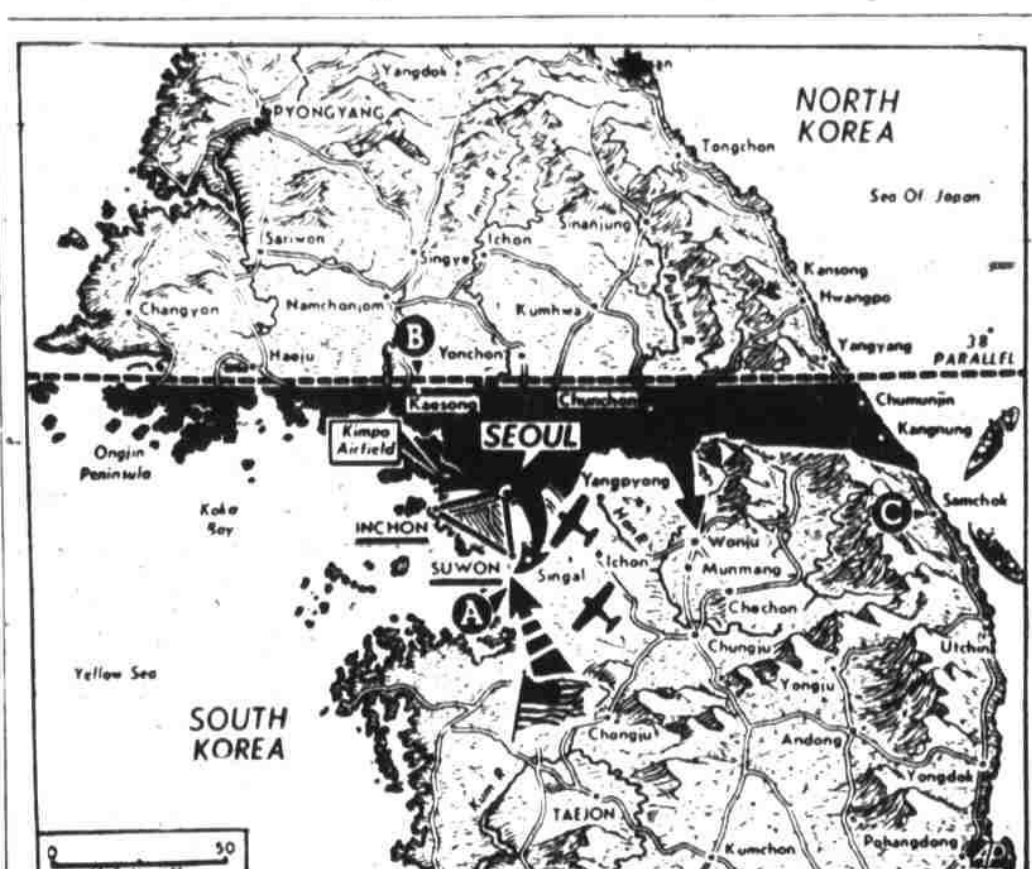

They quickly added, however, that this should be viewed as only one possible explanation and that the real reason is not yet known here.

Overnight there were two developments indicating stepped-up activity to bolster the South Korean defenses.

1. The Air Force said it was sending an undisclosed number of North American F-51 Mustang fighters to the Far Eastern air forces. These planes, able to operate at slower speeds and greater ranges than jets, are vitally needed to give air support to the hard-pressed ground forces of the American and South Korean armies.

They have been some in action, a few of them flown by South Koreans, others by Australian Air Force and USAF pilots—but not enough. Where the additional F-51s will come from or how they will be transported from the United States to the Far East was not stated. Defense officials, in a separate action, confirmed that the Escort Carrier Sicily is taking extra aircraft and spare parts to the big Carrier Valley Forge operating off Korea. The Sicily sail-

Reds Push Southward As US Troops Re-Group

WHERE AMERICAN POSITION THREATENED—Units of a North Korean column flanking the Incheon-Seoul-Suwon triangle (shaded) wedged between American infantrymen and their supporting artillery in fighting (A) south of Suwon. Another Red column (B) moving on Wonju. From Kaesong (C) a reinforcement of 25 Red tanks was sent moving toward Seoul. There was naval activity off the east coast with most firing in the Samchok bridgehead (D). Planes continued to strafe roads and Communist supply lines in the Seoul area. The black area is the approximate tent of the Red invasion of South Korea. (AP Wirephoto Map).

Red Planes Missing From Sky As US Seeks Added Air Power

WASHINGTON, July 6. (AP)—American moves to get more power into the defense of South Korea coincided today with speculation on the virtual disappearance of North Korean warplanes from the skies.

Some military men were led to the hope that the strategic attacks used to support the Berlin airlift were beginning to show results.

They quickly added, however, that this should be viewed as only one possible explanation and that the real reason is not yet known here.

Overnight there were two developments indicating stepped-up activity to bolster the South Korean defenses.

1. The Air Force said it was sending an undisclosed number of North American F-51 Mustang fighters to the Far Eastern air forces. Defense officials, in a separate action, confirmed that the Escort Carrier Sicily is taking extra aircraft and spare parts to the big Carrier Valley Forge operating off Korea. The Sicily sail-

ed Tuesday from San Diego. She could make the trip in 20 days, carrying perhaps as many as 60 planes.

2. The Defense Department contracted with seven airlines to make special flights from the U. S. to the Far East to carry men and supplies. These flights will supplement the regular operations of the military air transport service. They will be similar to the charter flights used to support the Berlin airlift.

It was also announced that plans to close out Air Force weather and communication station in the Aleutians by July 1 had been deferred. These stations, along the northern route to the Far East, are important as navigational aids to the pilots flying through the storm-ridden North Pacific area.

MacArthur's communique said "a large number of tanks, with supporting troops" attacked American positions Thursday, forcing the Americans to withdraw after they had disabled at least four tanks by direct artillery fire.

American summer fire at point-blank range then pulled back after removing the breach locks and gun sights, acknowledged South Korean losses.

MacArthur's communique also said that two days earlier, American reinforcements were reported being rushed to three points on the U. S. left flank at Pongmyon, Kongdoju and Kanu (none of which show on detailed maps).

During the fast-moving action earlier, one American command post had to be abandoned.

Assault By Tanks Shoves GIs Back

TOKYO, Friday, July 7.—Gen. MacArthur's communique today reported three North Korean divisions were continuing to press southward towards Osan and Pyongtaek, 35 and 46 miles south of Seoul.

A front dispatch from AP Correspondent Tom Lambert said the Reds had captured Pyongtaek and nosed into Chonan, 14 miles farther down the road.

The Tokyo headquarters communique did not confirm this, but said tank-supported Communist infantry was in the area 31 miles south of Seoul and eight miles south of Suwon. It said general invader reinforcement with troops and artillery was under way.

Withdrawal of American troops for "regrouping and reorganization" after co-ordinated invader infantry and tank assaults on U. S. positions was acknowledged by the communique.

An American field headquarters spokesman had said a few hours earlier that American troops had been forced back eight to 10 miles.

The Tokyo communique credited American F-80 jet planes with destroying eight enemy tanks in new strikes south of Suwon.

The field headquarters spokesman said 20 to 35 of the Russian built tanks and 19 to 25 Yak planes had been destroyed by American forces, but did not specify the period. Apparently he was summarizing all recent actions.

The spokesman said the Reds had 160 to 170 heavy tanks in South Korea but speculated they might be running low on fuel as their furious drive progressed. He placed American losses in defense of the South Korean republic as nominal to "heavy" but gave no indication of the size of American forces or what would be regarded as heavy losses.

In Washington an Army spokesman said Gen. MacArthur's headquarters had advised that the situation of American ground forces "is not considered serious in any way."

American reinforcements were reported being rushed to three points on the U. S. left flank at Pongmyon, Kongdoju and Kanu (none of which show on detailed maps).

During the fast-moving action earlier, one American command post had to be abandoned.

Truman Says No Reserve Call Due Now

WASHINGTON, July 6. (AP)—President Truman said today there are no present plans to call the National Guard or armed forces reserves to duty because of the Korean war.

His statement at a news conference was in response to questions. A reporter asked the President if he was hopeful that everything will work out all right in Korea.

Mr. Truman said of course he is. It will work out all right, he added.

Mr. Truman also said he has no plans now to seek additional military funds.

The President said he was very happy that Secretary of Defense Johnson, the armed forces secretaries and the joint chiefs of staff had decided they would make no speeches during July.

He said he had no dates of his own for any speeches, but did not elaborate.

He said he was very happy that the defense establishment was going to devote all its time to work instead of making speeches.

Secretary Johnson announced the "no speeches" decision yesterday. He indicated it was dictated by concern over possible misinterpretation of statements as well as the desire to concentrate on Defense Department matters.

Mr. Truman was told at his conference that there was a report the United States was exerting pressure on Cairo for Egypt to line up in the United Nations fight against Communism in the Far East.

The President replied only that he had no knowledge of the report.

Kiwanis Urges Water Action

The Big Spring Kiwanis club today went on record urging early action to provide the city with an adequate, permanent water supply.

At the same time, members of the Big Spring city commission drew praise for their action three weeks ago setting up plans for analyzing the city's water distribution system and paving the way for improvements.

Resolutions were adopted unanimously by Kiwanians attending the club's regular luncheon session in the Settles.

One resolution took note of the city commission's action in retaining an engineering firm to study the distribution system. The other urged directors of the Colorado River Municipal Water District to "hasten" efforts designed to provide the "City of Big Spring with an adequate, permanent supply of water for domestic use."

The water district is composed of the cities of Big Spring and Odessa, and it has already obtained water rights on the upper Colorado River. A proposal for a huge surface reservoir on the Colorado is pending before the water district board.

Sweden Closes Israel Dispute Over Bernadotte

STOCKHOLM, July 6. (AP)—Sweden has closed her bitter dispute with Israel over the probe into the slaying of UN Mediator Count Folke Bernadotte during the Palestine War.

It was believed here that Sweden now may offer Israel the full recognition withheld pending settlement of the Bernadotte case. Israel has promised to continue efforts to bring the killers to justice. It also has paid the UN \$54,028 damages to cover funeral costs and other expenses resulting from the mediator's death.

Local Banks Soar To All-Time Mark For Year's Total, Gains

Resources of Big Spring banks rocketed seven and three-quarter million dollars within a year's time, combined statements showed today.

The reports, which shattered all records, not only for increases in a year's time but also for totals, were in response to a call by the comptroller of currency for statements as of the close of business on June 30, 1950.

Deposits jumped to \$24,227,276, a gain of \$7,626,304 over the same date a year ago. This was an increase of \$1,710,127 since the last call on April 24, when an all-time peak had been reached.

Total resources stood at \$25,509,677, which was up by \$7,789,137 over a year ago. Loans and discounts were \$5,656,874, a modest gain of \$192,215 for the year's period. Cash on hand amounted to \$9,403,460, which was \$3,376,982

more than was in the vaults June 30 of last year. Oil and cotton were held largely responsible for the rapid increase. Effects of last year's bumper harvest were still felt. Adding impetus is a flood of lease and royalty money, plus new accounts for individuals and operators.

Both the banks showed a total of \$4,538,424.30 in U. S. bonds and \$2,101,820.48 in county, municipal and other bonds. Together they carried an aggregate of \$3,085,182.26 in cotton money. Cotton acceptances amounted to \$550,204.24, and cotton product acceptances under the loan stood at \$3,144,978.02.

Table with 4 columns: Category, June 30, 1950, June 30, 1949, Gain. Rows include Loans and Discounts, Cash, Deposits, and Total Resources.

Parliament Votes Big Korea Support

LONDON, July 6. — Britain's policy of aid to South Korea through the United Nations has won smashing support in parliament. The house of commons roared its approval last night of Britain's

quick action in sending ships to help American forces and Australian planes in the "conflict" area. There were only a few dissenters. Their remarks drew ironic laughter and cries of "shame."

Winston Churchill and other Conservative leaders insured the Labor government victory on its policy motion by their unqualified support of the government action.

Prime Minister Attlee praised U. S. speed in handling what he said was "naked aggression" against South Korea. Churchill reiterated in commons what he told the American Society in a Fourth of July speech: If the Communists get away with their invasion of South Korea, he said, "a third world war would be forced upon us."

Churchill recalled that before the second world war, parliament had held a secret session and heard about Hitler's potential strength. Churchill suggested having a similar secret meeting now to discuss Russia's situation. Deputy Prime Minister Herbert Morrison, however, argued that a secret session would be a serious departure from peacetime practice and it appeared Churchill would not get his request.

Churchill's deputy, Anthony Eden, held out to commons a picture of hope that Russia's Premier Stalin may be drawing in his horns. Eden recalled that in 1941 Stalin told him that Hitler "is a very able man, but made one mistake — he did not know when to stop." He said Stalin told him that "if we are victorious, I shall know when to stop."

Officer Answers With Warrant

CHICAGO, July 6. — "Do you know who I am?" shouted lawyer Andrew Leone. He was having a little trouble at a police station yesterday getting information he wanted for a client. Officer William O'Connor's ears pricked up. "Come to think of it, I do," responded O'Connor. "You're Andrew Leone, 4318 Cortez, and I've got a warrant for you." He then served the attorney with a warrant charging him with not appearing in court to answer the accusation of a cab driver that Leone hadn't paid an \$8.50 taxi bill. Leone was released after posting a \$50 bond.

Two New Names Added In Texas

WASHINGTON, July 6. — The U. S. Board on Geographic Names today approved the following names of towns, resorts and settlements for use on official maps and papers: Texas — Beech Grove, Jasper County; Curtis, Jasper County.

INJURED MOTHER, DAUGHTER REUNITED—For the first time since a tragic Mother's Day auto crash injured them, Mrs. Marjorie Murphy sees her daughter, Patricia, 12, in Tucson, Ariz. Patricia has been in a trance-like coma ever since Mrs. Murphy still is convalescing from critical injuries. With them at their reunion are a younger daughter, Carol, and the father, Edwin T. Murphy, who has visited Patricia every day trying to get her to speak to him. (AP Wirephoto).

Local Scouts Taking Sight Seeing Tours

Scouts from Big Spring attending the national Boy Scout encampment at Valley Forge, Pa., were treated to a number of sight-seeing tours while enroute to the national meeting.

They were conducted through Washington, D. C. by Rep. George Mahon, of Colorado City and the 19th Congressional district, and also made a tour of New York City. While in the latter city, several of the scouts from the Big Spring area took in a baseball game at the Ebbets Field, home of the Brooklyn Dodgers.

The group stopped in St. Louis where they had a basket lunch on the way to the encampment. From there, scouts went to Pittsburgh, to Harrisburg, Pa., and then to Baltimore, Md. From Baltimore, they journeyed to Washington, thence to New York City and Valley Forge.

Arriving at the camp they were greeted with a pageant reenacting the Valley Forge story. Visiting in Philadelphia, they toured Independence Hall and viewed the Liberty Bell.

British Army Vet Dies Of Injuries

LONDON, July 6. — Field Marshall Lord Chetwode, 80, a veteran of 61 years in the British army, died today of injuries suffered in a fall from a bus last week.

Chetwode entered the army in 1889 and was a subaltern at the siege of Ladysmith in the Boer War. He held 23 military medals.

British, Chinese Reds Exchange Fire

HONG KONG, July 6. — British police and Chinese Communist soldiers exchanged fire briefly today across the Hong Kong border. No one was injured. Police described the incident as "purely local."

Liaison On Formosa

TAIPEI, July 6. — A 10 man U. S. naval team arrived today to set up a radio signal center for speedy liaison between the Chinese Nationalists and the U. S. Seventh Fleet. The fleet is patrolling Formosan waters.

BUS STRIKE

Strand Thousands At Oklahoma City

OKLAHOMA CITY, July 6. — Thousands were left stranded at bus stops in this city of 242,000 this morning by a strike of 400 drivers and maintenance employees of the city bus company.

The strike was voted unanimously at 3:30 o'clock this morning after drivers completed final runs. Gordon Malone, union business representative said.

The contract between the company, an independent firm, and the Amalgamated Assn. of Street Electric Railway and Motor Coach Employees of America (AFL) expired at midnight June 30. Agreement of both parties extended the contract for five days.

Drivers seek wage increases and other contract provisions, including insurance and pension plans.

Company officials were not immediately available for comment.

mediator, recommended another five-day truce. Malone said the union felt it could not grant the request because the company had failed to avail itself to negotiation.

"We likely would be willing to settle for less than a 35-cent hourly increase which was discussed," Malone said, "but the company has made no effort to negotiate."

"By this we believe the company wanted us to strike and under the circumstances we do not feel that we can continue our contract."

Malone said drivers received an average of \$1.13 hourly with maintenance man receiving from 87 cents to \$1.26 hourly. Malone said this wage scale was lower than other cities of comparable size.

Company officials were not immediately available for comment.

Dallas Hospital Reports 123 Polio Cases Are Admitted

DALLAS, July 6. — Parkland Hospital here reports that 123 polio patients have been admitted to its polio ward this year.

Three babies were admitted yesterday, raising to 11 the number of new cases during the preceding 48 hours.

Personal To Women With Nagging Backache

As we get older, stress and strain, over-exertion, excessive smoking or exposure to cold sometimes slow down kidney function. This may lead many folks to complain of nagging backache, loss of pep and energy, headaches and dizziness. Getting up nights or frequent passages may result from minor bladder irritations due to cold, dampness or dietary indiscretions. If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild diuretic. Used successfully by millions for over 50 years. While these symptoms may often subside on their own, it's amazing how many times Doan's give happy relief — help the 15 million of kidney tubes and filters flush out waste. Get Doan's Pills today!

NEW OFFICERS TAKE POSTS—New officers elected a week ago will be installed tonight by the Big Spring American Legion post. Roger Miller, left, will assume the office of commander, while Foy Dunlap, second from left, is the new first vice-commander. Johnny Ray Dillard, second from right, and Frank Hardesty, right, were commanders during the past year, with Dillard taking over a few weeks ago when Hardesty resigned.

AT CLUBHOUSE

Legion To Install Officers Tonight

Installation ceremonies for new officers elected last week will be held at tonight's regular business session of the Big Spring American Legion post. The meeting is set for 8 p. m. at the Legion clubhouse. Roger Miller, a World War II veteran, will assume the post of commander. He will succeed Johnny Ray Dillard, who has served in that capacity during the unexpired term of Frank Hardesty, who resigned several weeks ago. Hardesty probably will preside at the installation ceremonies. Other officers to be installed are Foy Dunlap, first vice-commander; Tommy South, second vice-

commander; Paul Soidan, third vice-commander; the Rev. Bill Boyd, chaplain; Charles Reidy, sergeant-at-arms; Fred Stitsell, finance officer; Ray Bugg, historian; and Cuba Grigsby, service officer. Mrs. Bugg and Grigsby were re-elected to their posts at last week's election. Tom J. Goss III, zone commander from Colorado City, is scheduled to visit the local post tonight. He will be en route to Stanton for a visit with the Legion post there. Local Legion officials have urged a good attendance for the installation ceremonies tonight to help stimulate "confidence and inspiration" for the new officers.

Criminal Lawyer Asks Trial To Absolve Himself In Birth Case

George T. Davis, noted criminal lawyer and former northern California campaign manager for President Truman, today asked a speedy trial to absolve himself of charges he was involved in a \$100,000 Chinese birth certificate racket. He voiced a heated denial yesterday immediately after a federal grand jury indicted him and a Chinese on eight counts. The maximum sentences possible in case

of conviction are 40 years imprisonment and \$50,000 in fines. Davis, whose clients have included the late Tom Mooney, convicted in the 1916 preparedness day parade bombing in San Francisco, said he had helped seven Chinese apply for birth certificates but was guilty of no personal wrong doing. Federal investigators said the indictments of Davis this week and of another prominent attorney last week followed a three-year investigation into how Chinese, shortly after World War II, got passports back to China after having entered this country illegally. "All gave their birth dates prior to the fire," (1906 earthquake and fire in San Francisco) said E. Wells Bailey, state department agent. "But they didn't know Sacramento (the state capital) had duplicate birth records." Davis said: "It's true that I handled a few high certificate cases. I am sure nothing I did in connection with these cases was wrong or illegal. "This indictment means that an attorney is responsible for anything his clients do whether he knows about it or not, as long as they are his clients. It's a ridiculous conception of the law."

Negro Preacher On Arkansas Ballot

LITTLE ROCK, Ark., July 6.—The name of a Negro preacher will be on the Democratic ballot as a candidate for city alderman in Little Rock. Federal Judge Thomas C. Trimble yesterday ordered the county Democratic committee to place the name of the Rev. J. H. Gatlin on the ballot for the July 25 primary. The order set a precedent for Arkansas. The committee previously had ruled against Gatlin. Gatlin could not be refused a chance to win the nomination solely because he is not a white man, the federal judge held. Nomination of a Democrat equals election in this state on the fringe of the South. R. G. McDaniel, committee chairman, said the committee would comply with Judge Trimble's order.

Two Top Hollywood Executives Resign

HOLLYWOOD, July 6.—Joseph M. Schenck, president and board chairman of United Artists theaters, and Henry Ginsberg, vice president and general manager of Paramount Studios, are resigning. Schenck, who founded United Artists in 1925, said he is quitting because of a recent federal ruling which requires that the production and exhibition branches of the film business be separated. Both top movie executives announced their resignations yesterday. Ginsberg gave no reason.

Posse Looking For Calf Roping Team

A calf roping team, to be sponsored by the Big Spring Sheriff's Posse, is being organized by a three-man posse committee. Dalton White, Kent Morgan, and Freddy White were named to organize the team and they have issued a call for ropers interested in performing on the team. M. H. Bennett, president of the organization, has announced. Tentative matches have already been arranged for the team with similar groups from other Sheriff's Poses in West Texas. Teams are to be made up solely of amateur ropers, Bennett said. The local Sheriff's Posse voted recently to adopt new summer uniforms which are now being ordered for the organization. Members hope to have the uniforms in time for the Big Spring rodeo parade in August. The posse has also voted to assist the Rodeo association in staging the annual show and agreed to stable all horses of the Big Spring Posse which attend the rodeo.

Airlines May Soon Bounce Passengers

WASHINGTON, July 6.—The airlines have asked authority to put passengers off planes or cancel advance reservations when necessary to meet demands for emergency military or other government travel. M. F. Redfern, secretary of the Air Transport Assn., said today. The request was filed with the Civil Aeronautics Board in anticipation of demands resulting from the Korean military situation.

County AAA Meets

The county committee was in session at the local AAA office Wednesday, having met for the purpose of adjusting wheat allotments for the county.

Transplanted Kidney Case Is Doing Well

CHICAGO, July 6. (AP)—Mrs. Howard Tucker, 46, who had a dead woman's kidney transplanted into her body is "doing very well" attendants at the Little Company of Mary Hospital said today. The operation was performed June 17. Mrs. Tucker was suffering from a kidney ailment. One kidney was not functioning, the other at only 10 per cent. Doctors removed the useless organ, and replaced it with a kidney from a woman who had died minutes before, of the same blood type, age, and general physical characteristics as Mrs. Tucker. Mrs. Tucker was reported yesterday as sitting up for her meals.

CHARM IN THE AIR

Peru Girls Want To Be Stewardess

DALLAS, July 6. (AP)—The airline hostess said she just stood there, mouth agape, starting at 14 of her passengers suddenly acting like crazy. "They call for coffee and water and I bring it. And they start dipping their fingers in and sprinkling each other—and just giggling. And they wrap themselves up in blankets and they put on little hats they make out of newspapers. "All the time just giggling and occasionally. But there's nothing mixed up about the light tan beauty and charm of the 21-year-old girl. "All the girls in Lima, Peru, that's what they want to be—an airline hostess," she said. "The nice girls, their families do not wish them to work as anyone else. But a hostess is different. When a company put out a call for a hostess you find—oh, sometimes more than a hundred standing in line." The way she got started—"I was sick, you know—asthma? And I say maybe it's because I have nothing to do. I go apply to be a hostess. And—I got it. But I do not tell my mother until the day before I leave for my training. And I do not tell my father. My mother tells him after I leave. And you know? He did not speak to me for three months. Rita is a Braniff hostess. She speaks Spanish in her home, taught herself to speak English and understands Portuguese, though she speaks it little. "I think I understand it," she said, "but we go to Rio and they speak so fast. And then they stop and go 'humph'." The hostesses from South America—Rita said they called themselves Latin-Americans—are a closely knit group. "We all have lovers in Panama City and we get together there. But it's always so hot. We go to the air-conditioned theatre right after lunch and stay there until it gets dark so we keep cool." Leopards like the meat of domestic dogs and cattle. Thefts occurred in the winter than

Here's New Way To Water Horses

NEW YORK, July 6. (AP)—Ever since warm weather came, the American Society for the Prevention of Cruelty to Animals has been worried about the horses in New York City. As a water conservation measure, the society has been barred from filling its horse watering troughs around town. But today the society had a substitute watering system in operation: A mobile tank unit, which will cruise the streets to quench the thirst of hard-working beasts of burden. Leopards are occasionally all black or albino.

Altrusa Club Will Have Formal Dinner

Organizational meeting of the Big Spring Altrusa Club will be held Saturday night at a formal dinner in the ballroom of the Settles Hotel. The dinner will begin at 8 o'clock and husbands of charter members will be guests. Presidents of the local senior service clubs and their wives will also be guests, as well as Altruans from

Ahliens, San Angelo, Lubbock, Odessa, Midland and El Paso. Mrs. Grace S. Wallace, outgoing president of the Midland Altrusa Club and official organizational worker in Big Spring will conduct the initiation service and install the officers.

King And Queen Are Hosts To Formal Ball

LONDON, July 6. (U.P.)—More than 1,000 guests danced into the early morning hours today at a ball given by King George VI and Queen Elizabeth in Buckingham Palace. The royal couple opened the ball with a foxtrot and ended it with a waltz. In between the Queen danced often, sipping once with Douglas Fairbanks. The King danced little, mostly chatting with his smartly dressed guests.

Guests included top society, business, political, diplomatic and theater leaders. Princess Margaret wore an off the shoulder pink satin gown and a diamond necklace. Her good friend, Sharmar Douglas, daughter of U. S. Ambassador Lewis Douglas, wore a gown of blue mist.

Firemen Auxiliary Has Regular Meeting

Ina Richardson, president, presided when the City Firemen Auxiliary met at the WOW Hall Wednesday afternoon. Following a business session, a social hour was held. Refreshments were served to Alice Mims, Minnie Barbee, Minnie Skalicky, Annabelle Lane, Lois Hall, Berdie Adams, Gladys Davis, Beckie McGinnis, Beatie Powers, Louise Cunningham, Florence Rose, Louisa Fandelin, Marvin Louise Williams, Stella Johnson, Inell Smailey, Sarah Griffith and Ina Richardson.

MENU FOR TOMORROW

- FRIDAY FARE**
 Broiled Scallops
 French-fried Potatoes
 Sliced Tomatoes and Cucumbers with Special Dressing*
 Bread and Butter
 Fresh Fruit Cobbler
 Beverage
- (Recipe for Starred Dish follows)
SPECIAL DRESSING
 Ingredients: 1/4 bunch watercress, 2 1/2 cup sour cream, 1/2 cup creamed cottage cheese, 1 tablespoon lemon juice, 1/2 teaspoon onion salt, sliced tomatoes and cucumbers.
 Method: Wash, dry, and chop watercress medium fine. Mix sour cream, cottage cheese, lemon juice and onion salt thoroughly. Add watercress. Serve with sliced tomatoes and cucumbers. Dressing makes about 1 1/2 cups.

Basque Bolero Dress

Guests present were Mr. and Mrs. Steve Calverley, Harry Love, Anita, Larry and Dennis, Mr. and Mrs. J. B. Calverley, Theora and Jo Melnee, Mrs. Olive Dee Schaffer, Mr. and Mrs. W. J. Gibson and Bill, Mr. and Mrs. Charlie Cox, Mrs. C. T. Hightower, Donald Cox and Lester Smith of Texas Technological college, Lubbock, Mr. and Mrs. J. H. Cox, Frances and Mary Jo and Helen Cunningham.

Mr. and Mrs. Roy Huffmyer of Cisco were holiday guests of Mr. and Mrs. L. L. Watkins. Mr. and Mrs. H. A. Haynes and Lu spent the fourth of July in Ahliene as guests of her parents.

Common Folk Have Superior Manners

WOODSTOCK, Eng., July 6. (U.P.)—The Duke of Marlborough opened his ancestral Blenheim Palace to the common folk again today after a bunch of blue-bloods had, all but torn the place apart at a charity ball. The Duke lent the palace Tuesday night for a charity affair and later indignantly declared that some 1,800 high-born Britons romped through the halls spilling drinks on tapestries and burning cigarette holes in priceless carpets. The charity ball raised \$16,800 for the Oxfordshire boys' club. He got two shillings six pence (35 cents) a head when the commoners go through the place and says they behave much better than those blue-bloods. The duke uses the tourists fees to help pay his huge taxes.

Charley Parrish Home Is Scene Of Family Reunion; Visitors Reported

WESTBROOK, July 6. (Sp1)—The Parrish reunion was held Sunday in the home of Mr. and Mrs. Charley Parrish. Attending were Mrs. J. R. Parrish, John Parrish, Carl Parrish of Coahoma, Mr. and Mrs. Jack Parrish, Mr. and Mrs. Earl Parrish and Ronnie, Bobbie Nell Parrish, Mrs. Seaburn McComas, Ronnie, Roger and Sharon Kaly, all of Big Spring. Mr. and Mrs. Russell Davis, Bettye, Ada and Jimmy of Ackerly, Mrs. Tommy New, Margaret, Patsy and Roy of Ackerly, Mr. and Mrs. Charley Parrish, Kenneth, Mares, Tommy, Barbara, Gary and Pfc. Charles Parrish.

Pfc. Charles Parrish left for Camp Stelman, Calif. Monday. Mr. and Mrs. Miles Galloway of Big Spring visited Mr. and Mrs. H. H. Armstrong on the 4th. Norman Butler, son of Mr. and Mrs. Coyt Butler, was married to Doris Hulme of Colorado City Monday evening in the First Baptist church in Colorado City.

The Rev. and Mrs. Hugh Magee have gone on a vacation trip. G. A. Magee, who is studying for the

King Starts Trend For Colorful Dress

LONDON, July 6. (U.P.)—Saville Row buzzed today—King George VI was wearing a checkered handkerchief in his breast pocket instead of the usual white. The handkerchief had small dark checks on a white background. It peeped out of the breast pocket of the King's morning jacket yesterday when he attended a fashionable May-fair wedding with Queen Elizabeth and Princess Margaret. "It's an attractive innovation and is likely to become popular," commented one London fashion arbiter. King George recently started a vogue for more colorful dress wear by appearing in a tartan dinner jacket.

Oil Man Succumbs
 CLEVELAND, July 6. (U.P.)—Warren G. Black, 65, long associated with the oil processing industry died last night.

Baptist Friendship Class Has Breakfast

Mrs. Riley Foster entertained the members of the Friendship class of the First Baptist church with a "Come as you are" breakfast in her home, 607 W. 16th, this morning. Co-hostesses at the affair included Mrs. C. O. Isbell, Mrs. Kelly, Brown and Mrs. Ruler Jones. A farewell gift was presented to Mrs. L. V. Johnston by the class members. Mrs. Johnston is moving to Amarillo to make her home in the future.

During the business session presided over by Mrs. Ruler Jones, Mrs. Archie Clayton, Jr. was elected class minister. Reports were heard from the class officers. Secret Pal names were revealed and new names were exchanged. Guests at the breakfast included Mrs. Charlie Tompkins, Mrs. W. F. Taylor, Mrs. Kenneth Morrison, Mrs. C. W. Mahoney, Mrs. T. F. Horton, Mrs. Archie Clayton, Jr., Mrs. Loy House, Mrs. B. F. Mabe, Mrs. Paul Estinger, Mrs. Ross Boykin, Mrs. L. V. Johnston, Mrs. Lois Bartlett, Mrs. C. O. Isbell, Mrs. Eubank, Mrs. Jack Irons, Mrs. Roy Worley, Mrs. B. T. Faulkner, Mrs. Jack Y. Smith, Mrs. Lonnie Coker, Mrs. Kelley Brown and Mrs. Ruler Jones.

Would You Like New Freedom From Monthly Suffering?

Of course you would. Then Cardol may be the medicine for you. Thousands of girls and women experience great relief, a new sense of freedom from their monthly suffering, after taking Cardol. This latest formula of modern medical science is not a pain-killer. It simply helps control spasms in the uterus. The result usually comes the trouble. Try Cardol and see if you don't like trying this remedy and go about your business as usual. Cardol—at your favorite dealer.

Cardinals Perk Up With Rocky Nelson On 1st

By JACK HAND
Associated Press Sports Writer
Rocky Nelson looks like the answer to Eddie Dyer's "who's on first?" riddle. Since Nelson rejoined St. Louis, the Cards have won six straight on their march into the National League lead.

First base has been Manager Dyer's headache ever since he took the job. Each spring he goes through the same motions hoping to keep Stan Musial in the outfield. Usually Stan winds up on first.

It was the same story last March. Steve Bilko, the hulking rookie from Rochester, was the new boy. Bilko didn't hit. Nelson didn't impress because he couldn't hit the left-handers, and Nippy Jones was recuperating from an operation.

Bilko opened, but not for long. On May 5, Stan the Man was back on first and Steve was back in Rochester. But with Musial on the bag, the outfielder asked something.

They shipped Nelson to Columbus and he started to burn up the American Association. The good thing is Ohio knew it was only a matter of time before the Cards would call him back. When they did, nobody was surprised, for he was hitting .419, leading the league.

Nelson continues where he left off in the minors. With nine hits, including three doubles and a homer, in 23 trips, he's hitting .391. His defensive play has been excellent. And Musial is back in the old hitting stride with only the outfield to worry about.

Against left-handed Ken Raffensberger last night, Nelson hit a two-run homer that featured a four-run second inning. The early lead held up for a 5-3 edge over Cincinnati, although rookie Joe Adcock threw a scare into 13,667 fans with a three-run homer in the ninth.

Despite the way the Cards lost ground to the Philadelphia Phillies who added two victories, The Phils' Robin Roberts set down New York one-two-three in the ninth and only remaining inning of a May 14 suspended game to preserve a 9-7 edge. The win went into the standings along with a 10-3 regular night game verdict behind Russ Meyer.

PHILS CLIMB
With Meyer winning his fourth game, the Phils climbed to within one game of the Cards. Meyer, incidentally, has come fast after losing his first six. Now he's one of the Phils' "big four"—Roberts, Meyer, Curt Simmons and Bob Miller.

Mel Queen of Pittsburgh held Chicago to four hits for a 4-1 victory in the American as Art Houtteman trimmed St. Louis, 6-1, for his 11th win. Johnny Lipon, with four hits, and Vic Wertz, with three, led the attack on Ned Garver.

Bob Lemon of Cleveland matched Houtteman with No. 11, also a nine-hitter, in subduing Chicago, 8-3. The Indians scored five in the first inning on five hits and the Senators have one apiece.

Stengel picked two left-handed pitchers and six right-handers. The southpaws were Tommy Byrne of the Yankees and the Tigers' brilliant Ted Gray. The right-handers were Vic Raschi and Allie Reynolds, also from the Yankees; Art Houtteman of the Tigers; Bob Feller and Bob Lemon of the Indians; and Ray Scarborough, the lone White Sox man on the squad.

Although Stengel lined up nine infielders, stellar George Kell of the Tigers is the only third baseman by the book. Five outfielders and three catchers round out the squad.

Two Yankees—Catcher Larry Berra and Shortstop Phil Rizzuto—are in the starting American lineup dictated by the fans. Besides them and Pitchers Byrne, Raschi and Reynolds, Stengel also picked Second Sacker Gerry Coleman, Outfielder Joe DiMaggio and First Baseman Tommy Henrich from his own team.

Stengel indicated that if Kell, who led the entire poll for starting positions, needed relief at third base, it would come from Coleman, who fields as well at that position as he does at second.

Second to Kell in the third base fan voting was Cleveland's home run slugger, Al Rosen. But if Indian fans raise an eyebrow over Rosen's absence it should be pointed out Stengel named the Tribe's Jim Hegan, along with Sherm Lollar of the St. Louis Browns, as catching replacements for Berra. Both finished well behind Boston's Birdie Tebbetts in the balloting and Tebbetts was not named to the squad.

The Red Sox have the most starters, three, with rookie Walt Droppo at first base, Bobby Doerr at second, and Ted Williams in the outfield. Detroit's Walt Evers and Cleveland's Larry Doby, both outfielders, complete the starting lineup. Stengel must use for at least three innings.

LITTLE SPORT

By Rouson

Big Spring (Texas) Herald, Thurs., July 6, 1950 7

RALLY FOR NAUGHT

Downpour Helps Rockets To Win

ROSWELL, July 6.—In Roswell, even the elements are against the Big Spring Broncos.

Behind, 5-2, going into the seventh frame, the Broncos had a nice rally going that might have spelled victory for the ambitious Hooses—but the rains came, washing out the proceedings.

The Steeds had scored two runs in the top half of the stanza and had the sacks jammed with only one away when the end arrived. It was a heart breaking loss for the Big Springers, who are now making their bid for first place in the Longhorn league standings.

The Rockets won the game with a four run outburst in the fourth. Doubles by Buzz Jackson and Tom Jordan featured the rally.

Ray Drake started on the hill for Roswell but was relieved by Ed Norton in the fourth frame. Jesus Uley went all the way on the hill for Big Spring.

Pat Stacey collected two of Big Spring's five hits. The two teams wind up their abbreviated series here tonight, after which Big Spring returns home to do battle with the Vernon Hustlers in the first of a three-game series starting Friday night.

ANOTHER SISLER — George Sisler's son, Dick (above), who hurled for Princeton, appears to be headed for the big leagues. He was never knocked out of the box in collegiate play. He's a brother to Dick Sisler, now with the Phillies.

Tebbetts Fails To Rate Loop's All-Star Team

CHICAGO, July 6.—A 25-player American League squad, one-third composed of New York Yankees and listing only one regular third baseman, will face the National League's best in the 17th all-star game at Comiskey Park next Tuesday.

Eight of his own world champion Yankees were on the squad completed today by Yank Manager Stengel, who selected eight pitchers and the reserve players to go with the eight starters named in a nationwide fan vote.

All eight American clubs are represented on the squad which meets a National loop array selected yesterday. The Boston Red Sox had five all-star nominees, followed by the Cleveland Indians and Detroit Tigers with four each. The Chicago White Sox, Philadelphia Athletics, St. Louis Browns and Washington Senators have one apiece.

Stengel picked two left-handed pitchers and six right-handers. The southpaws were Tommy Byrne of the Yankees and the Tigers' brilliant Ted Gray. The right-handers were Vic Raschi and Allie Reynolds, also from the Yankees; Art Houtteman of the Tigers; Bob Feller and Bob Lemon of the Indians; and Ray Scarborough, the lone White Sox man on the squad.

Although Stengel lined up nine infielders, stellar George Kell of the Tigers is the only third baseman by the book. Five outfielders and three catchers round out the squad.

Two Yankees—Catcher Larry Berra and Shortstop Phil Rizzuto—are in the starting American lineup dictated by the fans. Besides them and Pitchers Byrne, Raschi and Reynolds, Stengel also picked Second Sacker Gerry Coleman, Outfielder Joe DiMaggio and First Baseman Tommy Henrich from his own team.

Stengel indicated that if Kell, who led the entire poll for starting positions, needed relief at third base, it would come from Coleman, who fields as well at that position as he does at second.

Second to Kell in the third base fan voting was Cleveland's home run slugger, Al Rosen. But if Indian fans raise an eyebrow over Rosen's absence it should be pointed out Stengel named the Tribe's Jim Hegan, along with Sherm Lollar of the St. Louis Browns, as catching replacements for Berra. Both finished well behind Boston's Birdie Tebbetts in the balloting and Tebbetts was not named to the squad.

The Red Sox have the most starters, three, with rookie Walt Droppo at first base, Bobby Doerr at second, and Ted Williams in the outfield. Detroit's Walt Evers and Cleveland's Larry Doby, both outfielders, complete the starting lineup. Stengel must use for at least three innings.

Marks 100th Birthday
BEAUMONT, July 6.—Mrs. Anna Millard, widow of the late George O'Brien Millard, early day business and civic leader, celebrated her 100th birthday here yesterday.

Michigan State's new basketball coach, Pete Newell, has appointed as his assistant John Bennington, who starred for Newell at San Francisco U.

TROON, Scotland, July 6.—Jimmy McHale of Philadelphia shot 73 today in the second round of the British Open golf championship for a 146 that may put him in tomorrow's 36-hole finals. In almost perfect weather the one-time professional could not find the fairways on his second trip around the 6,583-yard par-70 course.

Bill Branch, young British professional, set an early target of 140 by coming in with a 69 today. He had 71 yesterday.

After today's second round, the low 40 scorers will shoot two rounds tomorrow with the low aggregate taking the title now held by Bobby Locke. Locke had a 69 yesterday.

Charles Ready To Fight Again
NEW YORK, July 6.—What's next for Ezzard Charles? Ezzard Charles, Joe Louis or Freddie Beshore? Jack Mintz, Charles' manager, promises an answer in a week or so, now that Ezzard has been declared fit for ring action.

Naturally a Louis fight would hit the jackpot. But Joe, an International Boxing Club partner, still is retired. Angelo and Er are old friends.

The feeling here is that Louis might have been lured back from the golf links and circus rings if the doctors, then he would have been needed by the IBC to keep the heavyweight crown in the family. A Savoid-Louis match was a natural for both parties. But Louis-Charles? Probably not.

Savoid, recently crowned world champion in Britain when he stepped Bruce Woodcock, is under contract to the IBC. He may not be interested in Charles this year. Lee's manager, Bill Daly, is an important member of the managers guild, currently feuding with the IBC over a new television contract.

Charles was passed yesterday by a medical board after a thorough probing that showed "the bruise to the heart muscle which has kept him inactive during the past few months has completely healed. He is not in condition to resume training immediately."

LEAVES FOR ENGLAND
DENISON, July 6.—Roy Suter, who hopes to be the first Texan to swim the English Channel, leaves today for New York and England.

McClain Bashes Another Homer
By The Associated Press
Home-run happy Harlingen used three of them to win an 11-inning, 17-13, victory from Laredo last night in one of three wacky Rio Grande League baseball games.

In the other dizzy tilts Brownsville beat Corpus Christi, 12-9, and Del Rio edged McAllen, 12-11.

With the score tied, 13-13, Chris Young, Jake McClain and Don Patacchio hit home runs in the eleventh to give Harlingen four runs and a victory that stretched its league lead to two full games.

Two five-run innings—the third and fifth—enabled Brownsville to win, while Del Rio staggered to the decision in the final frame. It scored three runs, then watched McAllen make six in his half the 11th inning.

Martin Involved In Decisive Play In Big State
By The Associated Press
Texarkana's 12-game winning streak was just something to remember in the Big State league today.

Greenville last night snapped the Bears' string of victories with a 3-2 one of its own.

A ninth-inning Texarkana rally was cut short when George Archie was called out for interference with Third Baseman Pepper Martin. He represented the tying run.

Greenville scored all its runs in the fourth inning. Sid Peterson set Austin down on five hits as his mates gave him a one-run lead in the second, adding to it in the sixth and ninth innings.

Temple made it two out of three over Gainesville, scoring two runs more in the fifth.

UN Police Force Tough Proposition

By The Associated Press
LAKE SUCCESS, July 6. — Veteran UN people feel that the United Nations is in for a long hard campaign to turn back Communist aggression in Asia. They are for setting up as strong a UN police force as they can get.

Secy-Gen. Tryve Lie and his top aides would like to see the Korea fighting ended immediately with the North Koreans pulling back beyond the 38th Parallel, boundary between North and South Korea.

But persons familiar with their views say that the UN executives have just about concluded it will not be a short-term campaign unless there should be some entirely unexpected shift.

Even after the war in Korea is over, UN observers say, there is no guarantee that Communists will not break out somewhere else in Asia and the whole police action will have to start again.

In the belief that the war will continue for some time, the UN is preparing quietly the framework for an effective a police force as it can muster.

The Security Council meets tomorrow for the first of these steps. The U. S., France, Britain and Norway were reported yesterday to have discussed a proposal for the council to do these two things:

1. Allow the United States to designate Gen Douglas MacArthur as supreme UN commander in the Korean war.
2. Recommend that forces of UN members in the field fly the blue and white UN flag along with their national flag.

Lie and most UN delegates are said to favor MacArthur continuing on the job. From the start, the UN has made it clear the responsibility for military decisions and acts was up to MacArthur.

Guests in the D. C. Duncan home have been their son, Pat Duncan, F. M. J., Mr. and Mrs. E. H. House of Brownwood and Belle Duncan of Glendale, Calif. Pat Duncan has been called back to his ship USS Helena and is on his way to Pearl Harbor.

U. S. SOLDIERS IN KOREA—U. S. foot soldiers sent to the aid of South Korean army forces leave the railroad station at Tsjon, South Korea, en route to the front. (AP Wirephoto).

FOR NEW INDUCTEES Draftee Bill Of Rights Suggested

By The Associated Press
WASHINGTON, July 6. — A new "bill of rights" for men drafted into the armed forces was suggested today by Rep. Dwight L. Rogers (D-Fla.).

While there have been no inductions for 18 months, the draft law which was extended last week for another year would allow the President to order inductions at once in the event the war situation becomes worse.

If such inductions are ordered, Rogers said, he will sponsor legislation to:

1. Insure that no inducted men lose their regular life insurance through premium lapses.
2. Provide that the government make rent payments when necessary to prevent families of inducted men from being evicted for non-payment of rent.
3. Guarantee that inducted men shall not lose homes they are buying through failure to meet mortgage payments.

"The legislation I have in mind," Rogers told newsmen, "would provide that the government take over payment of rents and mortgages and life insurance premiums if the man inducted requests it. The government would make those payments direct to the landlord, the mortgage holder or the insurance company during the time a man is in service and for six months after he gets out, in order to give him a chance to get back on his feet."

The payments made by the government would be in the form of a loan to the inducted man and would be repayable, without interest, after discharge. The time of repayment would be based on length of service.

"I believe it would be reasonable to give a man five years repayment time for each year in service," Rogers said. "That would spread out the repayment period so as not to make the obligation burdensome. If a man served two years, he would have 10 years in which to repay the government advances."

The only cost to the government, Rogers said, would be the interest it would have to pay on money it puts up to meet the obligations of men in service.

LOUIS E. DENFIELD

Denfield Seeks Governor Post

BOSTON, July 6, U.P. — Retired Adm. Louis E. Denfield has announced his candidacy for the Republican nomination for governor of Massachusetts.

And his first political fight promises to be a tough one.

The 58-year-old ousted chief of naval operations meets three veteran campaigners—former Lt.-Gov. Arthur W. Coolidge, former State's Atty. Gen. Clarence A. Barnes and former State Sen. Edward W. Rowe.

If he wins the GOP nomination, he is faced with the prospect of opposing one of his World War II junior officers, Gov. Paul A. Dever, 48, a wartime lieutenant commander, who appears sure of winning the Democratic nomination in his bid for a second term.

Denfield retired from the Navy last February after he was removed by President Truman as chief of naval operations during the armed services unification row.

Tax Cut Bill Tied Tightly To Korea War

By The Associated Press
WASHINGTON, July 6. — The American consumer's outlook for a multi-million-dollar excise tax cut on movie tickets, fur coats, pocketbooks, jewelry and scores of other things — was tied tighter than ever today to the war in Korea.

Chairman George (D-Ga.) of the Senate Finance Committee summed up the tax situation thus:

1. The committee, now considering the House-approved measure to slash excises by \$1,610,000,000, "will proceed in a normal, orderly way" to bring a tax bill to vote in the Senate and send it speedily to President Truman.
2. But "if there is a sudden worsening" of the international situation "we may find it advisable to delay final action on any tax bill at this session of Congress, and then proceed in January with a tax bill."

"Under certain circumstances," George said, "we may find it necessary to impose much heavier taxes, including taxes on excess profits. But it doesn't look that way right now."

George summed up the outlook, in an interview, after Secretary of the Treasury Snyder told the committee to proceed now with the excise-cutting bill. Snyder added that higher — not lower — taxes may be the rule in the future, if costs of the fight on Communist aggression mount.

Moreover, the President's chief fiscal spokesman urged the committee, in cutting excises, to impose larger taxes in other directions — except on individuals — not only to offset the excise loss but also to put millions of additional revenue into the treasury.

George said there is no prospect for a net increase in taxes, above what is needed to balance off excise cuts, "unless there is a worsening of condition," presumably spread of the Korean war.

He did say, however, that Congress definitely should offset any excise revenue loss by higher levies in other directions.

21st District Gains Due To Angelo Growth

By The Associated Press
Texas' 21st Congressional District gained 8,774 people in the last decade, largely as a result of growth in San Angelo and Tom Green County.

Release of the preliminary figure for Kerr County completed the count for the 27 counties in Central and Southwest Texas.

The San Angelo district office set Kerr County at 13,953, a gain of 2,003 over 11,650 in 1940.

The district as a whole climbed from 238,425 to 267,199. Tom Green County alone gained from 39,302 to 58,590, a gain of 19,288. Only nine of the 27 counties gained but their gains—principally in the cities—were enough to offset losses in rural counties.

With Kerr County now counted, only two Texas counties have not been given preliminary 1950 census figures. They are Bexar (San Antonio) and Harris (Houston). Kerr County's 13,953 brings the count for 252 counties to 6,387,188. The big Houston and San Antonio populations may shove the Texas figure past 7,500,000.

Of the 19 congressional districts so far reported, 13 have gained population and six have lost. Heaviest loser is the seventh district in East Texas, which lost 30,071 people in the decade.

Divorce Granted

Mae Alyene Roberts won a divorce from Jake E. Roberts in a 117th district court case heard by Judge Charlie Sullivan here this morning. Two minor children and \$50 monthly sustenance was also awarded the plaintiff.

Proceeds Of Square Dance Will Go To Community Center

Net proceeds from a square dance festival Saturday at Sterling City will go to the community center there.

A large number of dancers and spectators from a wide area are expected to participate. The affair will be held in the open air at the Sterling Motel. Music will be furnished by Hubbard's band of Big Spring with top callers of West Texas taking part.

LOST 28 POUNDS WITH THIS HOME RECIPE

Bareconrate is the original grapefruit juice recipe for taking off extra fat. It's simple. Just go to your drugstore and ask for 4 ounces of liquid Bareconrate. Pour the contents into a pint bottle—add enough grapefruit juice to fill bottle. Then take just one tablespoonful twice a day. That's all there is to it. If the very first bottle doesn't show you the simple, easy way to lose bulky fat and help regain slender, more graceful curves—if reducible pounds and inches of excess fat don't just seem to disappear almost like magic from neck, chin, arms, bust, abdomen, hips, thighs and ankles, just return the empty bottle for your money back. You need never know a hungry moment while taking Bareconrate. No starvation diet. No prying diet list to lose. No vitamins to fortify you against hunger, for you WON'T be hungry.
LOST 28 POUNDS
 "As a grateful user of Bareconrate, I can recommend it to anyone," writes Homer Roman Tristen, Box 818, Sabinal, Texas. "I have taken 8 bottles and lost 28 pounds—from 197 to 169."

WHAT NEXT?

**Atomic-Powered
Planes Coming Up**

WASHINGTON, July 6. — Atomic-powered airplanes may be almost literally out of this world in performance—but they're likely to operate much as those flying today.

Officials have disclosed four methods under consideration for putting nuclear fission to work. All are basically types of power plants now used in aircraft and missiles. The major difference is replacement of the combustion chamber or heat source with a nuclear reactor.

That difference is important. It eliminates the fuel problem and thus holds the prospect of virtually unlimited range at supersonic speeds. A pound of uranium-235 will do the work of about 6,000,000 gallons of gasoline. A B-36 ought to fly about 2,000,000 miles with that much fuel in its tanks.

The government has not yet begun actual construction of an atom engine for aircraft. Scientists working on the project have solved many of the problems in theory. In effect, they have an engine on paper. Soon they must decide which type of engine will be built first, since cost prohibits trying all types.

Three of the proposed types would operate in the atmosphere. The fourth, a rocket design, would be independent of the air, but would be limited in range.

Here are the four general types being considered:

1. The steam turbine. This is a closed-cycle engine in which atomic energy is used to boil some liquid, perhaps a metal like mercury. The steam, or vaporized metal, would drive a turbine geared to a propeller. The steam would be cooled in a condenser and the liquid reused. Such an airplane might run indefinitely.

2. The turbo-jet. In this engine the air drawn into a compressor would be forced through a jacket around a reactor and expanded by the heat. Then it would be directed

against a turbine which would drive the compressor—just as in any jet engine—and the exhaust gases would be allowed to escape rearward.

3. The ram-jet or flying stove-pipe. This type of engine depends upon forward motion to compress air in the combustor. The atomic reactor would replace the combustion chamber, heating and expanding the air as it flows past and escapes through the exhaust nozzle. Such an engine usually is considered only for unmanned missiles because they must be launched at great speed before they will operate on their own. In addition, they are extremely noisy.

4. The atomic rocket. The reactor would replace the oxidizer or combustion element, which now takes up a large share of the weight of rocket fuel. This would permit the carrying of much more propellant and also the use of more efficient propellants.

The present power-on time of a rocket plane like the X-1 is no more than four minutes. Use of atomic power to expand the propellant might increase that enough to permit design of intercontinental missiles of 5,000 miles' range. Such an engine could fly outside the atmosphere, where air drag is virtually zero.

The engine is just one problem of the atom-powered airplane. The crew and the airplane itself must be shielded from the atomic radiation. Metals must be found to withstand the very high temperatures, or means must be found to cool the metals.

The job was begun just four years ago with an Air Force contract under which the Fairchild Engine and Airplane Corp. administers the project, known as NEPA (Nuclear Energy for Propulsion of Aircraft). Nineteen industrial organizations and ten universities are participating.

ACK-ACK PROTECTS AIRLIFT—An American anti-aircraft crew manns a gun near the airfield at Suwon, South Korea, as a U. S. transport plane brings in supplies. Note the used cartridges, indicating recent action. The airfield subsequently fell to North Korean forces. Soldiers are not identified. (AP Wirephoto).

TOUGH ON BACHELORS

**No Ticket, No Cocktail
At Capital City's Parties**

WASHINGTON, July 6. (AP) — There's been a tragic development on the Capital's social front—tragic, at least, for the town's numerous party crashers and cocktail-loving bachelors.

By popular demand of harassed hostesses the Washington Social Bureau, a war casualty, has been recreated. The post-war party pace had gotten out of their hands and they needed help desperately. Formerly run by her mother, the reinstated bureau is now under command of Carolyn Hagner

Shaw. Washington's recognized social arbiter. For a price, the bureau shoulders all or any part of a hostess' duties, and with guaranteed eclat, Mrs. Shaw's goal is to make hostesses even enjoy their own parties.

No affair is too small, none too big, for the bureau's operation. It handled the wedding of Secretary of Treasury Snyder's daughter Drucie. It also managed the guest list and seating arrangement of the huge, gala pageant celebrating Washington's 150th anniversary as

the nation's capital, as well as all the details of the fabulous reception for the President of Chile and President Truman at the Chilean embassy.

Certain segments of the city's population, however, are charging Mrs. Shaw with being stuffy and old-fashioned on several important points of etiquette. She staunchly believes that guests at any affair should first be invited, for instance. As a result, the social orbit of a great many Washington party-goers who long since discarded such antiquat-

Big Spring Herald

Sec. II Big Spring (Texas) Herald, Thurs., July 6, 1950 Food

ed formalities has been seriously reduced.

The bureau now insists upon a carefully checked guest list for every function it manages. You announce your name at the door, and if it isn't on the list you're politely told that you've probably come to the wrong party. If you decide to debate the point or appeal the decision, Mrs. Shaw or one of her several assistants who are always on hand will gladly take up your case. It's difficult to tell Mrs. Shaw that there is a mistake on the list because she's the one who puts it together.

That leads up to why imbibing bachelors, as a group, are a little miffed at the bureau's work. Being a so-called eligible bachelor in Washington has become a career for scores of young, middle-aged, and even old men. It has meant debut parties, receptions, formal dances and the rest. The bureau has cut short a lot of these delightful careers.

An official bachelor list has been prepared by the bureau. And it is a dwindling list. When a man lingers too long around the punch bowl his name comes off. If he monopolizes the slickest chick and ignores the rest of the girls, he's off. Times are getting tough for the unattached males and they don't like it. Shaw's bureau is the theory that enough standing and sitting room is just as important as enough liquor and food at parties. It has been the practice, Mrs. Shaw says, to try to cram 1,500 people in a room capable of holding only 400.

Goodbye Heartburn - Hello TUMS!
Quick relief for sour stomach, gas, and indigestion. Sells only 10c.

TUMS FOR THE TUMMY

Either a hostess is willing to go along with Mrs. Shaw's views on this important point or the hostess does her own hosting.

The bureau's specialty is arranging parties to be given by persons who only get to Washington occasionally. A senator or important government official has to be entertained by an out-of-towner in a manner to which he has become accustomed. Yet the visitor doesn't know how or where to begin.

And that's where the bureau begins. All the prospective host has to do is specify the guest, or guests, of honor, how much money he wants

to spend, and the date. Mrs. Shaw does the rest, which includes producing any number of congressmen, government officials, foreign dignitaries and high members of the bench. And how does she accomplish this? Here's her secret: Washington will go to anything to which they are properly invited.

**Trucks To Rest
At Least Week**

DETROIT, July 6. (AP) — Virgil (Fire) Trucks, big righthander who won 19 games for the Detroit Tigers last year, has doctors' orders to give his arm a complete rest for a week. Trucks has been off the active list since May 19 when he shut out the St. Louis Browns, 1 to 0. He complains of an aching arm.

CONTINENTAL AIR LINES

CARS AND TIRES

**Texans Continue
War Scare Buying**

By WILLIAM C. BARNARD
Associated Press Staff

Panic-buying continues in Texas. A majority of Beaumont automobile dealers reported this week that alarmed customers have bought all available new models.

Tire sales tripled in Lubbock. Sales of stoves and refrigerators boomed at Houston.

Over the state nylons were best sellers.

A Sherman tire dealer said he wouldn't say he was having a run on tires—but that sales were up 100 per cent. And 95 per cent of Sherman's tire buyers weren't exchanging their old tires. Fact is the cry of tire buyers over the state was: "Never mind putting 'em on—just throw 'em in the back."

Bill Frye and W. D. Dixon, writing in the Vernon Record, said: "These alert buyers are doing nothing more than making these items scarce, but it's making good business out of the nation."

A Dallas retail distributor of kitchen ranges chuckled "Our sales are up 50 per cent, easy. We're glad to have the business. We have a big backlog of ranges, so let 'em buy."

A. Morton Smith in the Gainesville Daily Register said in a column general war "our wartime industries would face possible bombing attacks from the word 'go.' New cars and new tires would be of little use if our petroleum industry was bombed out."

This country has stockpiled a mass of critical materials and those terrible shortages that faced us in

World War II aren't likely to develop, no matter what happens," said Wesley S. Izzard in Amarillo Daily News. "The cue for the average American is to go about his business as usual. There is no call for hysteria."

Izzard added: "It occurs to us that those who remained calm back in the early forties and took things as they came, got along just about as well as those who frantically sought to hoard whatever they could get their hands on."

To head off panic buying in Fort Worth, the Fort Worth Star-Telegram phoned trade authorities in Detroit and confirmed there are plenty of tires and automobiles and that no shortages are anticipated. Texas auto dealers could grin about one thing: the public was snapping up 1950 models, instead of waiting for the new '51s as usual at this time.

**"No" Votes Taboo
In East Germany**

BERLIN, AP—Everybody votes "Yes" in East Germany's parliament. A "No" or abstention has never been recorded since the Volkammer (people's chamber) proclaimed itself the supreme lawmaker of the Russian Zone in October, 1949.

In twelve regular sessions, the Volkammer has harmoniously discussed 27 laws, three resolutions—and passed them all unanimously. Non-Communists among the 330 deputies, who meet in Hermann Goering's former Luftwaffe Ministry in East Berlin, might have spoiled the record if there were a secret ballot. But the Volkammer acts by show of hands.

In Communist-ruled East Germany, the government claims to represent only the true national interest of the people. Thus, open opposition could be branded a high treason.

**Empty Bottle Saves
Man From Death**

CHICAGO, AP—Arthur Gulbrandson, 39, was saved by a bottle and an empty garage. He was in his garage. Suddenly he felt faint from exhaust fumes from his car. He hurled a milk bottle through the garage window. His sister-in-law, Mrs. Irene Hummel, heard the crash, went to the garage and turned off the car motor. Firemen revived Gulbrandson.

Seafood's Delicate Flavor Makes For Delectable Summer Dishes

SEAFOOD CASSEROLE
fresh, frozen or canned fish

Seafood was made for summer. It is delicately flavored and a delight to eat if it is quickly prepared and not over-cooked. And at no time need the Big Spring home-maker be at a loss for some variety of this succulent food for her family. She may choose red fish, red snapper, flounder, shrimp and many other types of seafood that are offered in local markets.

The traditional ways of preparing fish and seafood are as much in flavor as ever. We still like them baked, broiled, boiled and fried. But we have also learned to enjoy crisp and molded salads as well as fish souffles, rolls and rings. All these and many other new recipes will be found in the Culinary Arts Institute cookbook on fish and seafood.

The book contains recipes for baked fish, broiled fish, broiled fish, fried fish, fish entrees, fish salads, clams and oysters, crabs, lobster, shrimp, scallops, stuffings, and sauces. Some of the recipes found in the book follow.

Baked Trout
Rub a 3 pound trout with salt. Place in a baking pan, cover with 2 1/2 cups tomatoes, 1-4 cup diced onion and 1/2 cup diced celery. Bake as for stuffed fish. When trout is cooked place on a hot platter and keep in a warm place while preparing sauce. Strain tomato mixture. Beat 1 egg yolk with 1/2 cup cream, tomato sauce and 1/2 teaspoon Worcestershire sauce. Heat to boiling and cook 2 minutes. Pour over fish.
Baked Red Snapper
1 teaspoon sugar
2 pounds red snapper
1-8 teaspoon salt
Dash pepper
1 clove garlic
1 red pepper pod
1 onion
2 1/2 cups cooked tomatoes
1 tablespoon Worcestershire sauce
1/4 cup olive oil
1 tablespoon vinegar
2 cups uncooked potato balls
1 cup mushrooms
Brown sugar in pan. Sprinkle red snapper with salt and pepper.

place garlic and pepper pod inside. Mince onion fine, place onion and fish in pan with sugar. Cover with tomatoes; add Worcestershire sauce, olive oil, vinegar and potatoes. Bake in hot oven (400 degrees F.) 15 minutes, add mushrooms and bake 15 minutes longer or until fish and potatoes are tender.

Baked Trout for Campers.
Reserve the large fish for this overnight cooking. At night, clean fish and remove heads. Season inside and out with salt and pepper, folding ends in, and wrap in thick wet newspaper. Dig a trench for each fish just deep enough to allow 1 inch of earth on top. Bury bundles. Build the campfire over the trenches and leave until breakfast time.

Baked Fish Fillets
1 pound fish fillets
1 cup milk
1 teaspoon salt
Fine dry bread crumbs
1 tablespoon oil or melted butter
Cut fillets into serving pieces. Combine milk and salt. Dip fish into milk, then into crumbs, being sure fish is completely covered with crumbs. Place in greased baking dish or on oven proof butter. Serves 2.

Baked Stuffed Fish
Fish weighing 3 to 5 pounds may be stuffed and baked with head and tail removed or not as desired. Clean fish, dry and rub inside and out with salt. Stuff and sew or skewer opening. Place on piece of heavy paper on baking sheet or platter and bake in very hot oven (550 degrees F.) 10 to 15 minutes or until browned. Reduce temperature and bake 30 to 45 minutes longer. Allow 10 minutes to the pound for first 4 pounds and 5 minutes for each additional pound. Baste lean fish every 10 minutes or cover with thin slices of fat salt pork or bacon; do not baste fat fish. To serve, lift fish with paper and slide fish onto platter.

Salmon Souffle
3 tablespoons butter
3 tablespoons flour
1 cup evaporated milk
1/2 cup water
1-4 teaspoon salt
4 eggs, separated
1 (1-pound) can salmon, flaked
Melt butter and blend with flour. Add milk, water and salt; cook until thickened, stirring constantly. Pour slowly over stiffly beaten egg yolks. Add salmon. Fold in stiffly tared baking dish, place in pan of beaten egg whites. Pour into but-hot water and bake in moderate oven (350 degrees F.) 45 to 50 minutes. Serves 6.

Tuna Supreme
3-4 cup sliced mushrooms
2 tablespoons butter
1 tablespoon flour
1 cup milk
1/2 cup soft bread crumbs
1 (7-ounce) can tuna, flaked
2 tablespoons chopped parsley
1 teaspoon salt
1-8 teaspoon pepper
2 eggs, beaten
Sauté mushrooms in butter. Blend in flour, add milk and cook until thickened, stirring constantly. Add crumbs, tuna, parsley, seasonings and eggs. Pour into greased shallow baking dish. Place in shallow pan of hot water and bake in moderate oven (350 degrees F.) about 40 minutes.

Molded Tuna Salad
2 (6-ounce) cans tuna
2 hard-cooked eggs, chopped
1/2 cup chopped stuffed olives
Cantaloupe With Lime Ice Adds Zest To Menu

A variety of cool and refreshing water ices may be served on these hot summer days. Serve a water ice or sherbet on a fruit plate and stay "cool as a cucumber."

Here's a tasty recipe — cantaloupe with lime ice. It works well because cantaloupe is on the plentiful food list. It's rich in vitamin C and a fair source of A and B. Cantaloupe With Lime Ice

1 1/2 cups water
1/2 to 3/4 cup lime juice
1 1/2 cups sugar
Green vegetable color, if desired
Boil sugar and water for about 5 minutes to make a syrup, chill, mix with fruit juice and color and freeze in a "crank" freezer. Allow 1 part salt to 8 parts ice. Use 1/2 cantaloupe per serving filled with the lime ice.

Complete Menu
Luncheon Meat
Devilled Egg Platter
New Potatoes
Green Beans
Green Salad
Sour Milk Muffins
Cantaloupe with Lime Ice
Iced Tea - Milk

1-4 teaspoon paprika
1/2 teaspoon salt
Mayonnaise
Clean shrimp and chill. Peel tomatos, chop fine, add celery and combine with shrimp. Season with paprika and salt and add mayonnaise to moisten. Mix well and serve cold on salad greens. Serves 4.
Crab-Meat Salad
1 1/2 cups cooked crab meat
3-4 cup diced celery
1 tablespoon minced pimiento
1 tablespoon minced green pepper
1-4 teaspoon salt
Mayonnaise
Lettuce cups
Shred crab meat and discard all tough spines. Mix crab meat, celery, pimiento, green pepper and salt and add enough mayonnaise to moisten. Serve in lettuce cups. Serves 4.

Fresh Fish Salad
2 cups flaked cooked fish such as trout
1 cup elbow macaroni
1/2 cup diced celery
1-4 cup chopped sweet pickles
1 tablespoon chopped onion
1-3 cup French dressing
Dash Tabasco sauce
1-4 teaspoon salt
Combine all ingredients and chill for at least 1 hour before serving.

Fresh Peach Chiffon Pie Is A Standout Hot Weather Dessert

Not too long ago the word "chiffon" brought to mind a fabric. Now the word is so popular as a descriptive one for pies and cakes that it's used as much in cooking classes as it is in a dress shop. Whoever decided to use chiffon to describe the light, wispy texture of fluffy pies and cakes chose wisely. Chiffon sounds as delicate as these desserts taste.

Chiffon pies need a crumb crust. A pastry crust is too heavy and rich. You'll never have trouble cutting a crumb crust if you remember always to crush the crumbs very fine. You can't overdo this step. And secondly, mix the butter, sugar and cereal crumbs thoroughly. The butter holds the mixture together.

This season, have a Fresh Peach Chiffon Pie. It's feather-light in texture with the ripe fruit flavor of fresh peaches. Serve it thor-

oughly chilled for a warm-day dessert.

Fresh Peach Chiffon Pie
4 cups corn flakes
1/4 cup sugar
1-3 cup melted butter or margarine
1 envelope unflavored gelatin
1 1/2 cup cold water
4 eggs, separated
1/4 cup sugar
1 1/2 cups mashed fresh peaches
1/4 teaspoon salt
1 tablespoon lemon juice
Crush corn flakes into fine crumbs. Add sugar and butter or margarine, mix well. Press evenly and firmly around sides and bottom of pie pan, saving two tablespoons for topping if desired. Chill. Soften gelatin in water. Beat egg yolks slightly; add 1/4 cup sugar, peaches, salt and lemon juice. Cook in top of double boiler, stirring until mixture coats spoon. Remove from heat; stir in softened gelatin. Cool until mixture begins to thicken. Fold in stiffly

Big Spring (Texas) Herald, Thurs., July 6, 1950

beaten egg whites to which 1/4 cup sugar has been added. Pour into crumb crust; sprinkle remaining crumbs over top. Chill until firm.

WHITE HOUSE PROJECT

Does It For The Love, Not Money

By DOUGLAS LARSEN
WASHINGTON, July 4. — John McShain, the affable Philadelphia contractor who has agreed to make the White House a safer home for presidents, is losing his shirt on the project.

Fortunately, however, McShain is a man of many shirts. He knew what he was getting into. And what he drops on the Pennsylvania Avenue project he'll more than make up on the new General Accounting Office, the new National Institute of Health buildings and a half-dozen other huge projects he's building around town.

The White House is a labor of love for him. After his low bid of a fee of \$100,000 was accepted he admitted that the only material gain he'd probably get out of the job was an income tax deduction for the loss. But it's not every contractor who can tell his grandchildren that he re-built the White House.

It's obvious that McShain is putting his best effort into the reconstruction of the executive mansion, too. The work is almost a month ahead of schedule. And at the rate his foremen are saving money on the job it might end up costing the taxpayer close to a half million dollars short of the \$5,400,000 appropriated for the job.

He is also making housing magic with the job. Merely by adding a basement they're turning a three-story structure into one with six floors, and all without changing the place's outside appearance. Here's how it works:

The floor of the new basement, 24 feet lower than the old ground floor, is the first. There's going to be a mezzanine floor above the basement, which is the second floor. Floor number three is what they used to call the ground-floor. The main floor, the next one up, is actually the fourth. The old second floor is really the fifth one now and

the third is the sixth. Is that clear? Only the top floor and the basement mezzanine, will be different in the completed structure. The other floors have to be restored exactly as they were before President Truman noticed that the White House was about to come down around his ears. The basement will be used for storage, and eight bedrooms and bathrooms have been added to the top floor for more guest space.

Those changes are only in the plans. As the job stands now the White House looks like the inside of an armory. It is just a shell, supported inside by steel frames, with no walls or partitions.

The most ticklish part of the work is completed, however. That consisted of putting a new foundation under the outside walls of the structure. They could only put four feet of new foundation in one sitting. Digging a hole under the old walls any bigger than that could have brought the whole shell crashing down.

When it is finished it will actually be a house within a house. The outside walls, which aren't being changed at all, will sit on their own new foundations. Everything inside will rest on its own steel frame which also has its own foundation.

It's estimated that the work is about one-quarter completed. October, 1951, is still the date the President is expected to be able to move into it. He's been taking a keen interest in the progress and has learned to read blue prints like an engineer.

Still unsolved is the problem of what to do with the 100 tons of rubble and wrecked sections of the interior which have been taken out of the structure. All of it has been stored in secret places around town until it is decided how to dispose of it as souvenirs. Best guess is that the bigger pieces, such as sections of mantels and carved panels, will be distributed to libraries and museums around the country.

Also still not decided is how the interior will be decorated. Most of the interior will have the identical decoration and color scheme of the old White House. Mrs. Truman will probably be consulted on the decorations for the newer sections.

Push Plans For Rodeo Here In New Bowl Arena

Plans are now being pushed for the 18th annual Big Spring Rodeo and Cowboy Reunion, following assurance that the new arena for the show will be completed in time for the event. Tom J. Good, rodeo association president, has announced.

The four-day rodeo will be held Aug. 2-5. Good said. It will be staged this year in the new bowl-type arena now under construction east of Ellis Homes.

The new arena is being built on a 44-acre plot in the area just south of highway 80 and east of the Ellis Homes development. The stadium will be of the amphitheatre type, of all-concrete construction, and will have no columns or posts to block vision, Good stated.

In addition to the president, officers of the rodeo association are Charlie Creighton and M. M. Edwards, vice presidents, and R. V. Middleton, secretary-treasurer. Directors are E. T. O'Daniel, Toots Mansfield, and Harry Lees.

Next Candidate Rally Slated At Elbow On Friday

Candidates move to Elbow on Friday evening for their next rally.

The Home Demonstration club there will sponsor the affair, which starts at 8 p.m. Earl C. Evans will be the master of ceremonies.

On Tuesday evening, candidates will be at Foran where the Foran Golf Club is serving a barbecue dinner (at \$1.25 per plate) and the Home Demonstration club women are operating concessions.

On July 14, candidates have a rally at Coahoma, and the final rally is set for July 21 on the courthouse lawn.

Capone Knows Guns

MONTEREY PARK, Calif. (AP)—Citizens did a double take when the local paper informed them: "Al Capone in gun business here."

But upon reading further they were reassured. Al Capone, the item continued, is not related to the late notorious gangster, and merely opened, with peaceful intent, a gun repair shop.

SOIL CONSERVATION

Rancher Rests Grass To Let It Make Seed

Temp Carter deferred 1280 acres in two pastures this year on his ranch 20 miles southwest of Big Spring. Carter, who is a cooperator with the Martin-Howard Soil Conservation District, took his livestock off the pastures to rest his grass from grazing and let it make seed. He deferred his pastures as part of his coordinated soil and water conservation program to improve the cover and increase the number of desirable forage grasses on his range. As a result of the rest, side oats grama and other desirable grasses had a chance to make seed, which will help them to spread over the range.

Joe B. Calverley, rancher coop-

erator northwest of Garden City, plans to put superphosphate on his irrigated alfalfa land this summer. Calverley will use about 100 pounds of 40 percent superphosphate to the acre to increase yields on the alfalfa. He has already cut one crop of hay this year on the three year old alfalfa field. Calverley is also resting three sections of grassland this year to improve his range.

R. C. Reed has 26 acres of blue panic grass about ready to cut for seed on his ranch southwest of Elbow. Reed will cut the grass with a row binder and thresh the seed with a combine.

Reed planted 70 acres to blue panic grass in June. Part of his grass planting is already up to a stand.

Hudson Landers planted 20 acres to blue panic grass this year on his farm in the Elbow soil conservation group.

A four-acre planting of blue panic grass on the farm on Roy Bates is up to a good stand.

A group of farmer cooperators in the Vealmoor soil conservation group plan to plant winter peas this fall for soil improvement. The peas will be turned back to the soil for a green manure crop on the farms of E. W. Love, Mrs. C. A. Self and Mrs. J. A. Clanton. Mrs. Clanton's farm is operated by A. M. Anderson.

Morgan Coates, rancher cooperator with the district, plans to fence out a 1 5000 cubic yard stock tank on his ranch 28 miles northeast of Big Spring. Coates will fence the tank to protect it from grazing and insure a clean water supply for his livestock. He will put in a windmill and overhead storage to supply water for his stock.

Construction started last week on spreader dams along an oil pipe line on the Claude Collins ranch 20 miles north of Big Spring. The water spreaders will prevent soil erosion on the pipeline and spread water on a flat area of grass. Collins had the help of the Soil Conservation Service in laying out his water spreaders.

The wealth of his fisheries gave the Golden Horn at Istanbul, Turkey, its name, says the National Geographic Society.

EISENHOWER AND MARSHALL IN GLOBAL CHAT—Gen. Dwight Eisenhower (right) gestures as he talks over global "war of words" plans with Gen. George C. Marshall at the capitol in Washington as they waited to testify before Senate foreign relations subcommittee. Under discussion is a world wide plan—"Marshall plan of ideas"—to combat Communism with a free flow of information and ideas. (AP Wirephoto).

Want ad RESULTS aren't as fast as flying saucers, but they are much easier to trace down.

Lawn furniture is selling fast—want ads for cash results.

Lions Puzzled Over Heavy Or Light Men

Lions puzzled over a man who seemingly could make himself "heavy" or "light" at will.

He was Earl E. Times, a diminutive man of four feet—beg pardon, four feet, four inches. Well, that is he was four feet, then four feet four, and then four feet once more as he walked around the stage.

Then as various men tried to lift him, he "changed" his weight status. One moment he could be lifted, the next he could not. Two men failed to budge him once. Times claimed overhead scales showed a weight pull of 800 pounds plus in the heavy stage. This change, he said, did not reflect on platform scales, which showed weight at 121.

Cool Tricks With Summer Desserts

SAY IT WITH GELATIN . . . Flavorful summer dessert.

By **CECILY BROWNSTONE**
Associated Press Food Editor

It's easy to vary flavored gelatin desserts by changing their form. You can flake gelatin, cube it, or whip it. Here's how to have some tasty new treats:

JELLIED STRAWBERRY FLAKES
Ingredients: 1 package strawberry flavored gelatin, 2 cups hot water.
Method: Dissolve gelatin in hot water. Turn 1 cup into shallow pan. Chill until firm. Chill remaining gelatin until slightly thickened. Place in bowl of ice and water and whip with rotary egg beater until fluffy and thick like whipped cream. Pile lightly in shallow pan. Chill until firm. Break firm gelatin into bits with flake. Makes 4 to 6 servings.

JELLIED FRUIT COCKTAIL
Ingredients: 1 package lemon-flavored gelatin, 1 cup hot water, 1 cup orange juice, 2 tablespoons sugar, 1/2 cup diced canned pineapple, 1/2 cup halved seeded cherries, 1/2 cup sliced maraschino cherries.
Method: Dissolve gelatin in hot water. Add orange juice and sugar. Chill until slightly thickened. Then fold in fruits. Chill until firm. Serve in cocktail glasses. Makes 8 servings.

CHERRY DELIGHT
Ingredients: 1 package cherry-flavored gelatin, 2 cups hot water, 2 tablespoons chopped maraschino cherries.
Method: Dissolve gelatin in hot water. Pour half into 8 x 4-inch loaf pan and chill until firm. Cut in one-half-inch cubes. Chill remaining half of gelatin until slightly thickened. Place in bowl of ice and water and whip with rotary egg beater until fluffy and thick like whipped cream. Add cherries. Then carefully fold in gelatin cubes, adding half at a time. Pile in sherbet or parfait glasses or in large serving dish. Makes 6 servings.

GELATIN FANTASY
Dissolve one package fruit-

MONRONEY, THOMAS

Rally Forces For Run-Off Election

OKLAHOMA CITY, July 6 (AP)— Sen. Elmer Thomas and Rep. Mike Monroney rallied their forces today for an all-out drive for votes in the July 25 Democratic run-off primary in Oklahoma.

Monroney enters the strenuous three-week campaign as the man to beat. He gained a 14,095 margin over Thomas in Tuesday's holiday primary.

The 48-year-old congressman missed nomination without a run-off when five other opponents were accorded 41,595 votes. This left Monroney 27,510 short of a majority.

The near-record vote gave Monroney 201,338 and Thomas 187,243 from all but 102 precincts.

A bitter struggle appeared certain for the two veteran legislators. Both confidently predicted victory in the runoff.

"We have three weeks to nail down the last minute lies that were timed to deceive the voting public on election day," Monroney said.

"This is a hard-hitting young organization that's going up against a hard-hitting federal machine which is violating federal laws," he said.

"Our county managers are keep-

ing tab on every violation. A lot of federal employees came out openly last week thinking they were going to win. Now they are either going to have to get out of the fight or stand the consequences."

Thomas said:

"It would appear that some confusion remains in the minds of our people regarding certain of the issues. I am confident that if those issues are made crystal clear to the people they will give me the vote of confidence I seek. The campaign will go forward with renewed energy."

Johnston Murray, who led the Democratic ticket for governor with 223,223 votes, also faced a run-off against Atty. William O. Coe. Murray had a lead of 85,000 votes over Coe but lacked a majority by 23,588 votes.

The Rev. W. H. (Bill) Alexander won the Republican Senate nomination polling 35,054 votes to get a majority over four other opponents.

RETURNS TO PRACTICE
Dr. Sander Back On Medical Rounds

MANCHESTER, N. H., July 6 (AP)— Dr. Hermann N. Sander was back on his medical rounds today.

His office had been closed for more than six months following his indictment on a charge of murder in the death of cancer patient Mrs. Abble Borroto, 59.

The superior court jury acquitted him last March. Six weeks later the New Hampshire board of registration in medicine revoked his license on the grounds of conduct unbecoming members of the profession.

The board restored Dr. Sander's license last week and the 42-year-old physician reopened his office for the first time yesterday since his indictment.

He made several house calls during the morning. Later, he went to his office where 12 patients awaited him. His first was a girl who

wanted to be vaccinated.

Dr. Sander must, however, limit his practice to minor ailments.

He has yet to win reinstatement in the Hillsboro County Medical Society which dropped him following action by the state board.

Until he regains membership in the county group, he cannot practice in two Manchester hospitals.

Two other hospitals—both operated by Catholic orders—have dropped him, however.

The county society is not scheduled to meet until September.

Dr. Sander said that should any of his patients require hospitalization, he would refer them to another physician.

Meanwhile, County Commissioner Leonello Breton said it cost the county \$14,171.93 to try Dr. Sander on the charge he injected air into Mrs. Borroto's vein to hasten her death.

FAITH IN LUCK OF OFFSPRING

LOS ANGELES, July 6 (AP)— The telegram reported that Staff Sgt. Robert W. Fluke has been missing in flight since 2 July 1950 as the result of participating in Korean operations.

It was the first such message received here since V-J Day.

Mrs. Alma Fluke accepted the news calmly, remembering that her son Bob had been missing in action once before, in 1944 over Leyte.

"He always was a lucky boy," she said. "I have the same feeling as before that he will make out all right."

Three Dallas Milk Outlets Hike Prices

DALLAS, July 6 (AP)— A total of three Dallas dairies have hiked milk prices 1-1.2 cents a quart and a fourth dairy says its prices will go up tomorrow.

Tennessee Dairy announced the increase Tuesday. Metzger's and Oak Farms followed yesterday, and Hill View Dairies announced plans for a price increase tomorrow.

Corpus Christi Naval Plant Is Re-Opened

CORPUS CHRISTI, July 6 (AP)— The big overhaul and repair department of the Corpus Christi Naval Air Station was ordered re-opened today after 1,300 civil service workers were called back from a voluntary two-week holiday.

Navy officials said a directive received from Washington ordered the reopening of the department which is the nation's center for repairing B-50 Douglas Skymaster transport planes for the Navy. The transports are similar to the Air Force C-54's which have been ferrying troops and equipment to Korea from Japan.

The overhaul plant had been shut down since last Friday and was not expected to reopen until July 17.

Residence Plans For State Hospital Now At C-C Plan Room

Plans and specifications for four staff residences, to be constructed at the Big Spring State Hospital, are now available at the chamber of commerce plan room.

Local contractors are invited to inspect the plans and submit bids for the construction of the four buildings, chamber officials said.

Both plans and specifications are also available at the offices of the supervising architect, Walter C. Moore, Austin.

Bids will be accepted at the latter address until 10 a. m. on July 20.

Baptist Financial Report Encouraging

DALLAS, July 6 (AP)— Dr. R. A. Springer, treasurer of the Baptist General Convention of Texas, reports that more than 3,300 churches in the state have given \$3,449,012 since last November.

Springer said the contributions total almost \$300,000 more for the first eight months of this fiscal year than for the same period last year.

Build Up Defense

OTTAWA, July 6 (AP)— Defense Minister Brooke Claxton told reporters yesterday that defenses around the Sault Ste. Marie Canal locks may soon be built up. The move, he added, is part of a general strengthening of reserve forces and has no relationship to the Korean crisis.

Seek Remnants Of Guiliano Bandit Gang

CASTELVETRANO, Sicily, July 6 (AP)— Authorities are hunting today for five surviving henchmen of Salvatore Guiliano, slippery Sicilian bandit chief whose murdering seven-year career ended yesterday in a hail of police fire.

Most of the other members of the mob already have been slain or arrested in the long campaign to get Guiliano. He was ambushed at a hideout in this hill town, and cut down when he tried to shoot his way free.

Police records show the gang charged with 150 killings and 30 kidnappings with ransoms equalling more than \$1,500,000. Among their alleged murder victims were 102 police.

Despite all the supposed ransom, the 28-year-old Guiliano was apparently penniless. No money was found in his wallet and a letter to his lawyer 11 days ago indicated he was flat broke.

The elusive bandit had a big diamond ring on one finger when he was shot down, and his belt had a gold buckle with a lion in the center. He also carried a sub-machine gun which he had fired and a German pistol for which he was reaching when he died.

In his pocket was a photograph of his mother, for whom he had often proclaimed deep devotion.

Actor's Mother Will Run For Constable

LAS VEGAS, Nev., July 6 (AP)— Grace Hayes, singer and mother of Actor Peter Lind Hayes, has filed for the office of constable.

Mrs. Hayes, proprietor of the Red Rooster Night Club, says she will conduct a soapbox campaign on city streets.

AFTER NORTH KOREA RAID Admiral Says Fleet Can Strike Korea, Still Protect Formosa

By The Associated Press
 TOKYO, July 6. — Vice Adm. Arthur D. Struble said today his Seventh Fleet can strike North Korea and still protect Formosa from possible Communist invasion. The Seventh Fleet was ordered to keep invaders away from Formosa. Struble conferred with Gen. MacArthur after directing a two-day carrier plane strike against North Korea with combined American and British forces. The chunky Normandy invasion veteran told a press conference that carrier pilots destroyed all the North Korean planes they could find in sweeps from Pyongyang southward. The total confirmed kills was 10, he said. Struble said his Seventh Fleet has had "no specific contact" with submarines in the Korean operations. The Navy has estimated the Soviets have about 75 submarines based in the Pacific. Vice Adm. Charles T. Joy, commander of naval forces in the Far East, likewise said his forces have had "nothing confirmed" in submarine contacts. A Chinese Central News Agency correspondent pressed Struble persistently on possible Formosa invasion, saying the Chinese Communists had said they would hasten landings on Formosa. "I'm going to be prepared to prevent it if they do," Struble said. "Can you?" "I'll certainly try," Struble replied. Later he said "I don't anticipate letting any sizeable invasion force get through" to Formosa. Struble said it was not his intention to employ Seventh Fleet forces in any way that would preclude "keeping the Formosan problem in mind." Of the Monday and Tuesday strikes on North Korea, Struble said: "American and British carriers operated as 'a single combined tactical force.'"

He is highly pleased with the smoothness of the combined operation and "it certainly augurs well for future operations." Carrier fliers were surprised at lack of North Korean planes in the Pyongyang area and southward, but "I presume they have more farther north." He lacked planes to keep hunting through all North Korea.

Pair Of California Fires Kill Four Men

SAN LUIS OBISPO, Calif., July 6. — Two fires that already have taken four lives and blackened more than 25,000 acres of valuable northern California forest land raged unchecked today. Heavy rain extinguished another fire on Mt. San Geronimo in Southern California's San Bernardino National Forest. Started six days ago by lightning, the flames burned over an estimated 11,200 acres. The dead fire fighters were three Fort Ord soldiers and a state forestry employe. All four were burned to death yesterday when trapped by a backfire in the Las Pilitas area near Santa Margarita. The blaze is on state forest land, 12 to 15 miles northeast of San Luis Obispo.

JUMPER — Sgt. John W. Sweetich of Dillon, Mont., grins as he packs up some of the seven parachutes he used to set a world's record of 123 jumps in one day at Fayetteville, N. C., July 4th. He began jumping at 2 a. m. and finished at 11:15 p. m. (AP Wirephoto).

Claimants Line Up In Court To Seek \$92,800

PHILADELPHIA, July 6. — It is seldom anyone actually sees \$92,800 — in cash. But yesterday lawyers and claimants in court proceedings to recover the "treasure trove" found in a South Philadelphia cellar went to the Tradesmen's National Bank and Trust Co. under orders of Judge Eugene V. Alessandrini to inspect the \$92,800.

The money was taken from the bank's vault in another effort to determine ownership of the treasure. The money was found by Benjamin Lieberman, former bookkeeper for a defunct dairy. Since his discovery it has been claimed by several interested parties, including the creditors of the bankrupt dairy. Lieberman, himself, claimed it on a finders-keepers basis. The Commonwealth of Pennsylvania wants it under the rules of escheat. Judge Alessandrini last spring ordered the funds escheated to Pennsylvania. His action, however, was appealed by Raymond J. Broderick, counsel for the dairy's creditors. The State Supreme Court ordered Alessandrini to conduct additional hearings.

Yesterday's viewing was part of the new series of hearings. Broderick had promised a former driver of the dairy would be present to identify markings on some of the bills to support the creditors' contention that the money represents stolen assets of the dairy. The driver failed to appear. The money went back into the vaults. Under the "rules of escheat" — an old English feudal law — the state of Pennsylvania claims the money because there is no person legally entitled to it. Lieberman, who found the cash, waived claim to it, backs the state's claim and hopes to obtain a reward from the state — approximately 25 per cent — for finding the money. Mrs. Hillop, whose husband was a gambler, claims her husband once lived in Lieberman's home — before the bookkeeper moved there. Hillop was shot under mysterious circumstances. Police theorized he was taken for a "ride" — a victim of a rival gang. The case was never solved.

Philippines Plan "Code Of Crimes"

MANILA, (UP)—President Quirino is studying a new "code of crimes" which, among other things, provides penalties for gossip columnists. The proposed code also classifies as crimes such various practices as discourtesy to the aged and cohabitation without marriage (now, legally condoned).

Scouts Bring Own Weather Forecaster

VALLEY FORGE, Pa., July 6. — Boy Scouts from Punxsutawney, Pa., took no chances on having the weather bureau go wrong in its forecasts for the national jamboree. They brought along their own prognosticator—a groundhog that answers to the name of George.

Talk Of Move Is Backed Out

NEW YORK, July 6. — Commissioner A. B. Chandler has told the St. Louis Browns politely that if they want to talk about moving their franchise they should do it during the off-season. The commissioner's office in Cincinnati made the disclosure yesterday after Frank Shaughnessy, president of the International League, had lodged a firm protest. Shaughnessy said the talk about moving the franchise to Baltimore had cut down attendance considerably in that city. He sharply criticized Bill DeWitt, president of the Browns. "Fans are of the mistaken opinion that the present ownership is blocking a movement to bring big league baseball to Baltimore," Shaughnessy said.

A Perfect Match

Nationally known fabrics match Pool's comfort cut and superior tailoring to make these famous work suits.

THE PANTS of Cramerton Khaki . . . with choice of button or zipper fly and mercerized waist sizes 28 to 42 . . . 4.95

GOP Members Of Inquiry Group Plan New Protest Against Government Reds Report

WASHINGTON, July 6. — Republican members of a Senate inquiry committee plan a new protest against the Democratic majority's decision to get out a preliminary report on the stormy Communist-government investigation. Sen. Hickenlooper (R-Iowa) said the protest will be made tomorrow when the committee meets behind closed doors. "There's absolutely no justification for any kind of a report, preliminary or otherwise, at this time," Hickenlooper told a reporter. "The committee has hardly scratched the surface in this investigation."

Hickenlooper and Sen. Lodge (R-Mass.) split with the three Democratic members of a Senate foreign relations subcommittee last week when the majority pushed through a resolution calling for a report on the inquiry, which began last March 8. The tumultuous investigation dealt with charges by Sen. McCarthy (R-Wis.) that the State Department harbors Communists and fellow travelers.

Sen. Tydings (D-Md.), the committee chairman, has said the report being prepared will be only an interim document, with a final verdict on the McCarthy accusations to come later. Hickenlooper and Lodge have made it plain, however, that they expect the Democrats to regard any report made at this time as final. There has been talk at the capitol that the Republicans already are at work on a minority report to be issued at the time the Democrats put out their version. KNOWS NOTHING

Asked about that, Hickenlooper said he knew nothing about it but added it would be logical for the Republicans to get out their preliminary views if the Democrats go ahead with their plans. "McCarthy said meanwhile that he had been informed the Demo-

crats had shelved their plan to make public, with the preliminary report, all testimony taken behind closed doors during the four-month investigation. Edward P. Morgan, the committee counsel, said McCarthy had been misinformed. "Most of the testimony already has been printed and will be made public along with the report," Morgan declared.
