

WEST REJECTS SOVIET PROPOSAL

Pampa News

VOL. 47—NO. 169 (8 Pages) PAMPA, TEXAS, MONDAY, OCTOBER 25, 1948 Sunday 10 Cents Weekdays 9 Cents AP Leased Wire

Delegates Refuse To Discuss Plan

PARIS—(AP)—An authoritative source said today the big three Western powers had rejected a Russian counter-proposal to end the Berlin deadlock.

United States, British, French and neutral delegates considered the Russian plan for an hour at a meeting in the apartment of Juan Atilio Bramuglia, Argentine foreign minister and active president of the Security Council.

After the decision was reached against the Russian plan, Bramuglia went to tell Andrei Y. Vishinsky, Soviet deputy foreign minister, the Western answer.

The delegates, most serious than usual, went immediately to the Palais de Chaillot for a meeting of the Security Council, which was delayed two hours for their conference.

Bramuglia was reported to have tried to convince the Russians that the Western group they should accept a new draft he prepared after he saw Vishinsky twice last night.

It was said the Western powers would not accept it at all and insisted on standing on the position of the big three small powers now before the council.

Dr. Philip C. Jessup, U. S. deputy delegate, said "no comment" to all questions. He said he was bound not to say a word.

The other delegates likewise refused to talk, saying they had to hurry to the council meeting.

Bramuglia went to the Russian embassy, where Vishinsky was reported waiting to hear the answer of the Western powers.

Bramuglia said before the conference he considered the chances for acceptance of a compromise settlement "slightly better" than they were Saturday.

An authoritative source said Bramuglia believed his new proposal might at last have assured a Russian abstention—rather than a veto—when the final vote is taken.

The only proposal before the council as it met in the Palais was six-power neutral resolution presented last Friday.

The council hall was packed. Western sources said they knew of no plan to change the resolution which was aimed at breaking the East-West deadlock.

The council would reach a vote on the resolution offered by the six neutrals by late this afternoon.

The Western powers have expressed their approval of the resolution.

Both Egypt and Israel had announced they had ordered their troops in Southern Palestine to cease fire at 6 a. m., CST, Friday, in accordance with the Security Council order.

Both Egypt and Israel had announced they had ordered their troops in Southern Palestine to cease fire at 6 a. m., CST, Friday, in accordance with the Security Council order.

Dr. N. Bruce observers reported last Saturday Israeli forces were attacking on the Negev from 24 hours after the cease-fire deadline.

Reports during the weekend also told of fighting in Northern Galilee at the opposite end of the Holy Land.

Israel declared through a spokesman that statements of both (See PROTEST, Page 2)

NO WORK FOR A SISSY—Frank Mills, 10, tries his hand at the many art of diapering, during a class held at the Madison Square Boys Club in New York. Frank, whose "sissy" proves he's no sissy, has his hands and mouth full, as he tries to get 18-month-old Douglas Bonham properly attired.

Military Discounts Quick Atom Victory

WASHINGTON—(AP)—The nation's military planners—guided by two wartime uses and six peacetime tests—have decided about where the atomic bomb fits in the rack of weapons for fighting a possible future war.

One authority summed up the official attitude today by saying the United States is not putting all its eggs in one basket. His figurative expression indicates this is how the nuclear fission bomb is viewed:

1. It is the deadliest weapon in the national arsenal, but it by no means has displaced all others. 2. It may or may not be a decisive weapon in another war, but used alone it is improbable it could mean victory in a matter of days or even weeks. 3. Because of its broad area of destruction, it is not a selective weapon and its use must be guided accordingly.

A recent article by an Air Force officer suggested that a fleet of 370 bombers carrying atomic weapons could defeat an enemy in from one to three months. The opinion expressed was the personal view of the officer.

This article, as well as a number of newspaper editorials, it has prompted, has been circulated in the top level of the national military establishment, it was learned today. While there have been no official statements, these policy-making officials have let it be known they deplore any impression that they share the quick-victory-with-atom-bombs idea.

Current and projected military spending reveals the trend of (See MILITARY, Page 2)

Texas State Fair Ends 16-Day Run

DALLAS—(AP)—The state fair of Texas, biggest in the nation, drew a crowd of 1,892,327 visitors in its 16-day run. It came to an end last night.

Officials said the attendance mark topped the 1947 record by 128,000.

Only world's fairs have attracted more visitors.

The fair closed to the beat of martial music, played by bands from high schools all over the state.

Ralph E. Bush, head of the Musical Education Department at the University of Southern California, served as critic.

The program was not on a competitive basis.

Bands entered in the festival included: Highland Park High School, Alamo Heights and Burbank high schools, San Antonio, Sweetwater, Comanche, Carthage, McKinney, San Benito, Longview, Paris, Henderson, Cleburne, Cisco, Odessa, Abilene, and Highland Park Junior High School, and Greiner Junior High School in Dallas.

L. E. Shawver of Millsap in Parker County, owner and rider of Pretty Bailey, won first place in the cowboy races today.

An aged stallion, Pretty Bailey, circled the intricate course in 34 seconds flat. Shawver's bright buckskin sire came out ahead of George Hancock's 36.5 seconds. With a stallion, that left Pretty Bailey in second place in Saturday's performance classes.

Owned and ridden by Glen Chiam of Lapsas, George Hancock took second in the races with a time of 36.5 seconds. With Keeney of Stephenville came in third on Brown Caesar, an aged stallion owned by G. S. Hayes of Keller. Caesar's time was 39 seconds.

Fourth and last pay place in the cowboy races was to Lovel A. Jenkins of Fort Worth. Jenkins rode his own mount, Jug J, for a time of 39.9 seconds.

Firemen Take in Training School

CANADIAN (Special)—Bob Dobson, field instructor of the Texas Firemen's Training School, is conducting a five-week training school in this area.

The Canadian fire boys receive three hours' training each Thursday night. The training is similar to the regular basic course for firemen taught in a short course at A&M College each summer.

Dobson's circuit is composed of Shamrock, Wheeler, Higgins, Canadian, and Lefors. Mrs. Dobson accompanies her instructor husband on his travels.

29th Day of the Year. On this day in 1492, Christopher Columbus, author of the "Antony Tales," died. The battle of Agincourt, where English archers routed the French knights, was fought this day in 1415. Johann Strauss, Austrian waltz composer, was born this day in 1825. Those born this day (from Who's Who) include: E. B. Rind, explorer, born in Winchester, Va.; Paul Draper, dancer, born in Italy. The headlines this day in 1942, said, "British Crash Axis Lines in Italy." In 1943, "Red Steamroller Crashing Toward Crimea." In 1945, "End of Shoe Rationing in Week." A verse from the Bible for today: "Put your trust in princes, nor in the son of man, in whom there is no help." Psalm 146:3.

Conference On Alliance Waits Election

WASHINGTON—(AP)—Invitations to a portentous conference to draft a military alliance between North America and Western Europe probably will go out soon after next week's presidential election.

Nations expected to take part in the initial phases are the United States, Canada and Europe's western union powers—Britain, France, Belgium, the Netherlands and Luxembourg.

Several other countries in the non-Communist lineup may join in the talks at some future date.

Officials here say it is not yet clear whether the invitations will be issued formally by the five-nation Western European Union or by the United States.

Undersecretary of State Robert A. Lovett began conferences early this year with the ambassadors of Canada and the Western European countries on the question: What form should United States military support for Europe take?

This government's only guide for action, aside from Europe's need, was the Senate resolution adopted last spring advocating the association of the United States with nations having common security interests.

The United States has taken part as an extremely influential observer in the efforts of the Western European nations to link their military resources and lay the (See CONFERENCE, Page 2)

Truman Discusses Palestine; Dewey Starts Picking Cabinet

Change in Store If Senate Control Is Lost by GOP

ALBANY, N. Y.—(AP)—Reports circulated here today that Gov. Thomas E. Dewey is giving study to possible cabinet appointments in anticipation of a victory in the presidential election eight days away.

The Republican nominee leaves at midnight tonight for Chicago and the first of four major speeches.

He speaks in Chicago tomorrow night, Cleveland Wednesday, Boston Thursday and New York City Saturday.

Dewey's aides say firmly that no one—including John Foster Dulles, his foreign affairs adviser—is certain of a cabinet post in the event of a Republican victory.

But the names of Dulles and Roger W. Straus, one of the inner circle of Dewey advisers, turn up more often than any other in the speculation.

Talk centers on Straus as a possible appointee for secretary of the treasury. He is president of the American Smelting and Refining Co.

He was one of the top Dewey leaders who decided last week to keep the GOP campaign tied to its "unity" theme, without answering President Truman's attacks.

The possible loss by the Republicans of Senate control might affect the personnel of Dewey's proposed cabinet.

If Senator Arthur Vandenberg (R-Mich) lost his chairmanship of the Senate Foreign Relations Committee to a Democrat, some of his friends think he would be more interested in becoming secretary of state than remaining in the Senate.

A great many of Dewey's friends think he would pick Rep. Clifford R. Hope (R-Kans.) for secretary of agriculture. They would be more interested in becoming secretary of state than remaining in the Senate.

Dewey has promised publicly to name a secretary of interior from one of the 11 Far Western states, excluding California and Arizona because of their current water dispute.

There are some who believe that he might name Gov. Sam Ford of Montana.

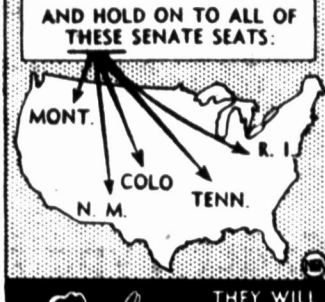

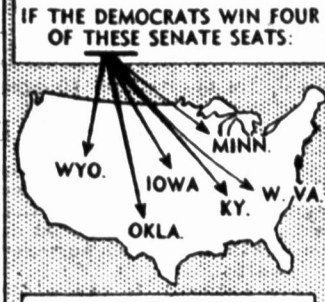

Dewey's praise of Harold E. Stassen while the GOP nominee was campaigning in Minnesota led to talk that he might want his former rival in his cabinet.

Stassen, however, has told friends he would be interested in only two jobs—secretary of state or secretary of national defense.

For the latter post, there still is talk that Senator Edward Martin of Pennsylvania is in the running.

There has been discussion of Senator Homer Ferguson of Michigan and Gov. Alfred E. Driscoll of New Jersey for the attorney (See CHANGE, Page 2)

Senate Suggests Political Observers See Close Fights in the Senior Races in These 11 States

SENATE SUGGESTS—Political observers see close fights in the senior races in these 11 states. The Democrats, should they come through as outlined above, would gain control of the upper house.

SENATE SUGGESTS—Political observers see close fights in the senior races in these 11 states. The Democrats, should they come through as outlined above, would gain control of the upper house.

Dixiecrats To Continue Their Fight

States' Rights Party leaders meeting in Memphis yesterday voiced, through a resolution, their determination to remain alive after the November presidential election, regardless of the outcome, and to continue their campaign for states' rights.

While little has come out of the meeting today, Associated Press dispatches, late Saturday and Sunday, said that representatives from 10 Southern states were attending the meeting held in Memphis' Peabody Hotel.

Gov. Strom Thurmond, party nominee for president and his running mate, Gov. Fielding Wright were listed as expected to attend along with Gov. Ben Laney of Arkansas and former Gov. Frank Dixon of Alabama.

Under the gavel of presiding officer, Judge Merritt Gibson, national campaign director, Dixiecrats from 10 Southern states vowed they would stay alive and not disintegrate regardless of the presidential election outcome. The resolution passed by the group reads:

"The states' rights movement came into being to save Constitutional government and individual liberty in America. We will continue this fight until the fight is won."

Attending from Pampa are: State Executive Committee Chairman Curtis Douglas and State Executive Committeeman Aaron Sturgeon. The two left Friday night by train from Amarillo.

Warehouse Is Damaged by Fire

ODESSA, Tex.—(AP)—Fire of unknown origin swept a warehouse of the Bandon Co. oilfield supply firm here Sunday night, causing damages estimated at \$100,000.

The fire started about 7:30 p. m. and was put out about three hours later.

Most of the contents of the building was oilfield supplies, although many other West Texas companies had leased space in the building.

Thomas E. Brandon, owner of the warehouse, made the damage estimate. He said most of the loss was covered by insurance.

Primary Voting Records Saved

ALICE—(AP)—C. H. Holmgren, Jim Wells County clerk, said today he is preserving the records of the second Democratic primary voting in Jim Wells County.

Holmgren said he had received letters from Coke Stevenson, unsuccessful candidate for the U. S. Senate, and from Stevenson's attorney, asking that ballot boxes be kept intact.

"They don't need to worry," the county clerk said. "Those records will be kept until all chance somebody might want to investigate is dissipated."

Stevenson has charged that fraudulent votes were cast in Jim Wells County for his opponent, Lyndon Johnson.

Six Injured In Explosion At School

OTTO, Tex.—(AP)—At least six persons were injured at 8:30 a. m. today when a rumbling explosion shook the one-story brick schoolhouse in this Central Texas city.

First reports said it was assumed to be a gas explosion.

The explosion occurred in the school's lunchroom where students, parents, and school employees were cleaning up the kitchen following a school carnival Friday night.

The south portion of the school was damaged. Windows were blown out, secretaries' desks and the level of the floor in the lunchroom was raised and equipment was damaged.

Among the injured were: Mrs. Travis Powers, both legs broken. Jo Anne Brooks, 13, daughter of Mr. and Mrs. T. J. Brooks, brown leg.

Shirley Haase, 13, bruises and shock. Shirley Hommel, 19, bruises. Iona Meyer, 12, ankle crushed. Mrs. Joe Meyer, lunchroom cook, shock.

A number of other persons in the lunchroom at the time received cuts and bruises.

School had not started. Reports quite witnesses as saying there was no fire in the room before the explosion occurred.

The school is fueled by artificial gas.

Otto is in the northeast section of the county. It has a population of 250.

Reports said cabinets, stoves and other furnishings in the lunchroom were damaged. There were holes in the floor.

The Rev. Dick Gwyn is superintendent of the school.

Margaret Truman Plans to Sing Opera

WASHINGTON—(AP)—Margaret Truman, the President's daughter, is planning to sing in two or three operas either this fall or early next year.

Mrs. Truman, a coloratura soprano, said the operas would be "Lucia" and "Rigoletto" and, perhaps, "La Traviata."

She did not say with what opera company she would appear or where the operas would be staged.

Barbershop Quartets Sing To Full House Both Days

Nearly 2,000 persons heard the harmonious Barbershop Quartets at the second annual Parade of Quartets in the auditorium of Junior High Saturday evening and yesterday afternoon.

The Top of Texas Chapter of the Society for the Preservation and Encouragement of Barbershop Quartet Singing in America was host for the event.

Health Rule Is Reviewed

City and County Health Inspector Ray Stalman wants to remind food establishments they are violating the Texas Food and Drug Laws when they serve food out of cracked dishes, he said this morning.

"Most offenses in Pampa seem to be cracked coffee cups," he said.

Article 700, Section 3 of the Texas Food and Drug Laws reads: "No dish, receptacle or utensil shall be used or kept for use by any eating or drinking establishment, factory, hotel or conveyance intended for human consumption if the said dish, receptacle or utensil is chipped, cracked or broken or constructed in such a manner as to render its cleansing or sterilization impossible or doubtful."

Salmon recommends that food establishments go through their dishes and cups and discard the broken and cracked ones.

President Replies To GOP Letter on Palestine Stand

Aboard Truman Campaign Train (AP)—The Palestine problem got a top place in 1948 presidential campaign discussion today as President Truman began a big, city-by-city "give 'em hell" bid for election.

He chose the Chicago Stadium for a major speech at 9 p. m. (CST) which his associates said would emphasize what he considered the threat to democracy at home of a Republican victory.

The President worked most of Sunday at Washington on this speech, and on others to follow tonight at Cleveland, Boston, New York, Brooklyn and St. Louis. And he worked too, on a statement in which he claimed Gov. Thomas E. Dewey, GOP nominee, had injected the Palestine issue into politics.

This statement, in which he reiterated his support of a Democratic platform pledge of "full recognition to the state of Israel," was released at the White House a few hours before the President, Mrs. Truman and Margaret board the campaign train for the last roundup of Democratic votes.

Mr. Truman's Palestine statement was a reply to a letter which Gov. Dewey wrote Dean Alfange, chairman of the American Christian Palestine Committee of New York.

"As you know," Gov. Dewey wrote on Oct. 22 in response to a letter from Alfange seeking reaffirmation of a GOP platform pledge, "I have always felt that the Jewish people are entitled to a homeland in Palestine which would be politically and economically stable. My views have been clearly expressed, and I did, indeed, approve the majority report of the United Nations special committee which recommended a partition of Palestine." He added his position today "is the same."

The President said of this observation: "I had hoped our foreign affairs could continue to be handled on a non-partisan basis without being injected into the presidential campaign. The Republican candidate's statement, however, makes it necessary for me to reiterate my own position with respect to Palestine."

"I stand squarely on the provision covering Israel in the Democratic platform." He went on to point out this government recognized this independent state of Israel on Nov. 14 and said de jure recognition will follow when permanent government is elected.

Mr. Truman's statement added: "The Democratic platform states that we approve the claims of Israel to the boundaries set forth in the United Nations resolution of Nov. 29, 1947, and consider that modifications thereunder should be made only if fully acceptable to the state of Israel."

Alliance to Be Discussed

PARIS—(AP)—The foreign ministers of the five-nation Western European Union met today, with a possible military alliance with the U. S. and Canada reported foremost on their agenda.

Authoritative American and British sources said linking of the Brussels union with the American pact will be the central theme of the sessions.

Official British sources said the ministers decided soon after today's meeting began that future sessions will be secret.

Informed British Foreign Secretary Ernest Bevin will give his conditional endorsement to a French-English proposal for a Western European parliament.

The parliament, to be chosen from among the deputies of the five nations in the union are have consultative authority. The British, France, Belgium, The Netherlands and Luxembourg.

Primary Voting Records Saved

ALICE—(AP)—C. H. Holmgren, Jim Wells County clerk, said today he is preserving the records of the second Democratic primary voting in Jim Wells County.

Holmgren said he had received letters from Coke Stevenson, unsuccessful candidate for the U. S. Senate, and from Stevenson's attorney, asking that ballot boxes be kept intact.

"They don't need to worry," the county clerk said. "Those records will be kept until all chance somebody might want to investigate is dissipated."

Stevenson has charged that fraudulent votes were cast in Jim Wells County for his opponent, Lyndon Johnson.

Protest on Palestine Before U.N.

PARIS—(AP)—The United Nations announced today the Security Council will meet tomorrow to consider an Egyptian protest against continued fighting in the Negev area of Palestine.

The Security Council last week ordered Egyptian and Israeli forces to halt the war in the Southern Palestine desert area.

Mahmoud Fawzi of Egypt first asked last Saturday that the Security Council meet on Sunday to consider the continued fighting. Warren Austin of the United States, October president of the Security Council, was in London then, however.

Both Egypt and Israel had announced they had ordered their troops in Southern Palestine to cease fire at 6 a. m., CST, Friday, in accordance with the Security Council order.

Dr. N. Bruce observers reported last Saturday Israeli forces were attacking on the Negev from 24 hours after the cease-fire deadline.

Reports during the weekend also told of fighting in Northern Galilee at the opposite end of the Holy Land.

Israel declared through a spokesman that statements of both (See PROTEST, Page 2)

Brock Child Pampa's 21st Polio Victim

Eugene Brock, four-year-old son of Mr. and Mrs. C. J. Brock of 903 W. Wilks, was admitted to West Texas polio center at Flinville Saturday for infantile paralysis treatment.

Physicians at the clinic said this morning that the boy remains in serious condition and has been placed on oxygen at the opposite end of the Holy Land.

Brock is employed at the Dandiger Oil Company.

Also, seriously ill at the clinic is Tommy Westfall, 10-month-old son of Mr. and Mrs. J. T. Westfall of Canyon.

Pampa's 20th case of poliomyelitis in and around Pampa was the 5-month-old daughter of Mr. and Mrs. Frank Jameson, 825 E. Gordon. The baby, Anna, was admitted to the Plainview clinic Oct. 15.

Personnel at the West Texas polio center say the respiratory type of infantile paralysis is expected to be the central theme of the sessions.

Official British sources said the ministers decided soon after today's meeting began that future sessions will be secret.

Informed British Foreign Secretary Ernest Bevin will give his conditional endorsement to a French-English proposal for a Western European parliament.

The parliament, to be chosen from among the deputies of the five nations in the union are have consultative authority. The British, France, Belgium, The Netherlands and Luxembourg.

Warehouse Is Damaged by Fire

ODESSA, Tex.—(AP)—Fire of unknown origin swept a warehouse of the Bandon Co. oilfield supply firm here Sunday night, causing damages estimated at \$100,000.

The fire started about 7:30 p. m. and was put out about three hours later.

Most of the contents of the building was oilfield supplies, although many other West Texas companies had leased space in the building.

Thomas E. Brandon, owner of the warehouse, made the damage estimate. He said most of the loss was covered by insurance.

READIN', RITIN'—AND ROUGHHOUSE—Between courses in Contemporary Civilization and Psychology of Behavior, Columbia University's Freshman and Sophomore classes put on their annual brawl in New York. The horizontal chessman was trying to reach a grand pole, defended by the boys, and wound up in this embarrassing position just prior to being departed.

Mainly About People

Mr. and Mrs. Oliver Armstrong, Amarillo, Mr. and Mrs. C. C. Matheny and Mr. H. H. Stull left yesterday morning for Winner, S. D., to go deer hunting.

Statenry dresses, The Toggery, Max Hukill, son of Mr. and Mrs. F. A. Hukill, 623 N. Somerville, spent the weekend visiting his parents. He is a student at Canyon.

Johnny Lee Willis and his Orchestra will be at the Southern Club on the night of Nov. 18.

Mr. and Mrs. A. C. Boren are the parents of a boy, Chaimess Davis, born yesterday morning. Grandparents are Mr. and Mrs. David Boren and Mr. and Mrs. L. A. Laverty, all of Pampa.

Breaders Bread, Golden Leaf! Mrs. Dee Day talked with Miss Charlie Jackson in New York City recently. Miss Jackson is sailing soon for Trieste, Italy, taking a job with the government there.

The first grade of the Primary Class of the First Methodist Church will have a Halloween party tomorrow at 3 p. m. in the Primary Department.

The second grade of the Primary Department holds its Halloween party at 3 p. m. Wednesday and the third grade has its party at 4 p. m. Thursday.

Mr. and Mrs. Tom A. Howell spent the weekend visiting their parents, Mr. and Mrs. R. D. Howell and Mr. and Mrs. Earl Cloud of Pampa.

Tom Howell is a student in the School of Pharmacy at the University of Oklahoma, Norman.

Mrs. V. L. Swain was taken to her home, 216 W. Brown, today after being in a local hospital. Her condition is much improved, according to reports.

Miss Kathryn Watt, deputy county clerk, returned to the office today following several weeks illness.

Sheriff G. H. "Skinner" Kyle and Deputy Louis Holmes returned early this morning from Colorado where they spent two weeks elk and deer hunting.

Thomas K. Chisholm, son of R. A. Chisholm, 800 N. Gray, Pampa, is a student at the University of Notre Dame, Notre Dame, Ind., according to an announcement from the college.

Robin Tibbets, Junior student at McMurry College, Abilene, and resident of Letors, has been selected as 1948 editor of McMurry college magazine, The Galleon. The Galleon is a student-written magazine containing about 40 pages of features, short stories, poems, character sketches, and essays. Tibbets is a former editorial employe of The News.

Machines Are New Threat To Secretary

By SAUL PETT
NEW YORK—(AP)—So I'm reactionary, an enemy of progress. So what? I still won't go to the 40th National Business Show which has opened in New York.

A spy whispered to me, "they are showing the latest high-speed and electronic office machines which increase human output and efficiency in some cases more than 100 times. The new office equipment also has eye appeal."

How efficient can you get? And why? There's something terribly intriguing in the way people are always figuring out ways to make us more and more efficient. And don't talk to me about eye appeal. I like what I see now. I'm looking at a red-headed secretary across the room and if any scientist threatens to replace her with a machine I'll beat him over the head with a small electron.

One thing they're going to have at the business show fascinates me. The rest scares me. This one gadget should help promote human relations in business, which otherwise are growing more and more mechanistic.

It's called the "secretary's merry-go-round" which "allows one or two seated persons to float to any desired point within a large area, serving, for example, an executive between two or more desks."

Imagine the base of a barber's chair. That's what this thing is built on. On the base are two independent arms, which can swing backward or forward or around. On the end of each arm is a chair. At the other end is a tail light. Nobody told me what the tail light is for.

This kind of thing intrigues me but when you start talking about "completely automatic typewriters" I get a little shaky. They've got one now which "permits complete typing of a letter from head to tail without manual attention." That means, of course, I see less of the red-headed secretary.

This monster types about 200 letters and addresses in 1200 envelopes in a day. It contains a dual roll, similar to a player-piano music roll. On one side is the letter, on the other, the addresses.

The machine automatically reverses from one side to the other when a letter is completely typed. Envelopes are addressed by flicking a switch. Efficient, isn't it, but this typewriter doesn't wear nylons.

Exact Type Hardwood to Be Specified Experts Say

In building a home, planning experts advise, you can avoid many possible misunderstandings with your architect or contractor by having written specifications covering all important features of construction.

In addition to describing all work to be done, the specifications should indicate what materials are to be used, particularly in instances where you have expressed a preference.

For such vital parts as the flooring, for example, you probably would not want a pine that is generally accepted as the most satisfactory for dwellings. Practically all well-built homes nowadays boast floors of hardwood. The fact that a house has such floors usually is emphasized as an important feature in the advertisement when a home is offered for sale.

It is not sufficient, however, to specify merely "hardwood floors." There are various species, grades, types and sizes. One may be more suitable to your particular needs than another. One type may harmonize more closely with the style of architecture or the furnishings. It is wise, therefore, to familiarize yourself with the wide variety available. Your architect, contractor or lumber dealer will be glad to provide you with detailed information on the subject and advise you in your selection. When you have made your choice, see that it is specified in your contract.

The most extensively used flooring hardwoods are oak, maple, birch, and pecan. All make suitable, attractive floors, but oak is preferred by the vast majority of home owners. Possessing an inimitable natural beauty of grain and coloring, it is easy to keep clean and glistening. Of the four major types in which it is produced, the strip style is preferred. It is available in seven grades and may be obtained either tongued and grooved or with square edges.

Russia Launches Super Farm Plan

MOSCOW—(AP)—The Soviet Union launched today a 15-year super-plan to abolish drought and double Russia's grain harvest.

Announcement of the plan came in a speech by Premier Stalin, who is generally accepted as the most satisfactory for dwellings. Practically all well-built homes nowadays boast floors of hardwood. The fact that a house has such floors usually is emphasized as an important feature in the advertisement when a home is offered for sale.

It is not sufficient, however, to specify merely "hardwood floors." There are various species, grades, types and sizes. One may be more suitable to your particular needs than another. One type may harmonize more closely with the style of architecture or the furnishings. It is wise, therefore, to familiarize yourself with the wide variety available. Your architect, contractor or lumber dealer will be glad to provide you with detailed information on the subject and advise you in your selection. When you have made your choice, see that it is specified in your contract.

CONFERENCE

(Continued from Page 1)
basis for a huge new American military aid program.

The proposed North Atlantic alliance has been sketched out in rough outline in Washington talks. It would commit the United States to military involvement in the affairs of Europe more deeply than it ever before has been pledged in peacetime—although not more deeply than it actually is involved now with occupation armies stationed in Germany and Austria.

The treaty is expected to embrace two major provisions dealing with the problem of aggression—by which the Western governments mean an attack by Russia.

The first is that an attack upon one nation should be considered an attack upon all. The second is that each government in accordance with its own constitutional processes should decide the appropriate action to take.

That would not automatically commit the United States to go to war if France, for example, were attacked. But it would pledge the American government to consider the attack in the same light as though the United States had been attacked.

CHANGE

general's post.

Edwin F. Jaekel of Buffalo, who has been riding the Dewey campaign train to offer on-the-spot political advice, is talked for postmaster general.

There has been almost no speculation on a possible appointee for secretary of labor.

Significantly, however, the only labor figure of any stature in the Dewey camp has been William L. McFetridge, general president of the International Union of Building Service Employees.

BUILDING NEWS

New Law May Spur Home Construction Activity

Passage of the new federal housing bill at the recent special session of Congress will result in increased home-building activity by permitting smaller down payments and providing more mortgage money. It was predicted today by the Construction Research Bureau of New York, clearing house for building information.

Under the new law, a purchaser using FHA mortgage insurance can buy a \$6,000 home with a down payment of only \$300, or 5 percent. Previously, 10 to 33 percent of the purchase price was required.

The new law raises the interest rate to 4.2 percent on GI mortgage loans from the previous 4 percent. This is expected to increase home-buying by veterans because many banks were refusing to make loans at the lower rate.

Supply of mortgage money will be greatly increased by the law's provision that lending institutions can sell to the National Mortgage Association, a federal agency, as much as 80 percent of their mortgages. This will replenish a lending institution's money supply. In the past, lenders could sell only 25 percent of their mortgages and for a short period this summer there has been no secondary market.

The FHA insuring 158,917, or 35.8 percent of the 445,900 privately insured dwelling units started in that period.

The FHA lends no money; mere-

Building in State Still On Upswing

AUSTIN—(AP)—Texas building activity continued its seasonal upsurge last week with contract awards totaling \$39,164,004.

The Texas Trade Contractor, trade publication, reported the busy week for all three major construction classifications. Non-residential slightly led residential work.

Non-residential awards totaled \$17,507,865. Business buildings accounted for nearly half of the total. School awards ran close behind.

Residential awards totaled \$14,790,438. Contracts included 868 residences costing less than \$7,000 and 48 more expensive residences. There were no apartments or duplexes started during the week.

Engineering projects amounted to \$7,165,901. Awarding of the construction contract on the new Benbrook Dam in Tarrant County was the major engineering project of the week.

The active building week was approximately four million dollars ahead of last week. Accumulative construction total for the year went to \$784,462,718.

MILITARY

(Continued from Page 1)
thinking by the high command. While several hundred million dollars is being expended this year in atomic energy development, including the improvement and actual production of atomic bombs, the great bulk of the approximately \$12 billion outlay is for conventional weapons—troops, ordnance, tanks, ships and planes.

The wartime uses and non-combat tests of the atomic bomb have convinced military leaders that it would be of very limited, if any, tactical use—that is, for direct attack on front-line troops. This is because such troops are so dispersed that it would require many bombs to destroy effective numbers of them.

It is quite possible that an all-out atomic war eventually could destroy the economy of even the largest nation. When that military victory had been achieved, the victor might have to support the vanquished—even as in Germany and Japan.

The ultimate cost might result in economic defeat for the military victor.

It is known that defense officials consider one of the gravest present menaces to be the possibility of attempted capture of the country by subversive means—without resort to any mass destruction weapons.

Convention Stops As Delegate Has Baby

NEW YORK—(AP)—A child was born Friday night at Town Hall to a delegate attending a forum on civil rights. The child, a girl weighing six pounds, was delivered in the ladies' room of the Town Hall Club lounge by another forum delegate, a physician after the meeting was interrupted for several minutes.

Delegates and the Steel Boiler Institute.

Protest

(Continued from Page 1)
President Truman and Gov. Thomas E. Dewey demonstrate that U. S. police is against cutting the size of the new Jewish state.

"Statements by both... reaffirming their parties' platform declarations on Israel show clearly the American people are opposed to any plans which prejudice the political and territorial integrity of the state of Israel," the spokesman said.

The spokesman said the Democratic Party platform, "which President Truman now has emphatically affirmed," cannot be reconciled with some recommendations of Count Folke Bernadotte, the U. N. mediator who was assassinated in Jerusalem by Jews of the Stern Gang.

Bernadotte suggested the Arabs be given the Negev, the Southern Palestine desert. The Negev was allotted to the Jews under the original U. N. partition plan of 1947. It comprises about 60 percent of the territory of Israel and was the scene of a recent week of fighting between Israel and Egypt.

Girl Scouts Raise Flag for Drive

Girl Scout Troop 19 caused considerable curiosity among businessmen going to the Postoffice Friday morning.

Under the direction of its leaders, Mrs. Buri Lewter and Mrs. W. L. Kretzmeier, Troop 19 raised the flag at the Postoffice to commemorate the opening of its advance gift drive in connection with the tenth annual Pampa Girl Scout fund drive.

Following the raising of the flag, the troop toured the Postoffice. They toured the High School under the supervision of Senior Scout Martha Dittmeier.

Plumbing, Heating Are Vital Housing Parts

A building is no longer four walls and a roof. It is a highly complex mechanical facility.

So says the Plumbing and Heating Industries bureau in calling attention to the important contribution of the plumbing and heating industries to better living.

The Bureau's statement was made in connection with National Home Week which has been designated by the National Association of Home Builders.

Hidden behind the walls and under the floors of every modern building is a maze of piping. Comparable to the veins and arteries of the body, this piping brings hot and cold water to every plumbing fixture and removes waste water, safely and efficiently.

While the concealed part of the plumbing is an important and visible part, it is in the plumbing fixtures that the industry has made the most notable strides in recent years.

Colorful, smart, and glamorous, modern plumbing fixtures combine beauty and utility to a high degree. Yet the beauty is more than skin deep. The research activities carried on by nationally known manufacturers has brought forth constant improvement in the durability as well as the styling of plumbing fixtures.

Equally significant are the improvements that have been made in water heaters, water softeners, showers, laundry equipment, and plumbing accessories.

Modern automatic water heaters will deliver water safely and economically at any desired temperature.

Great strides have been made in the heating industry to provide automatic heating with any type of fuel—coal, oil, and gas. Panel heating by means of coils of pipe imbedded in the floors or ceilings has caught popular fancy.

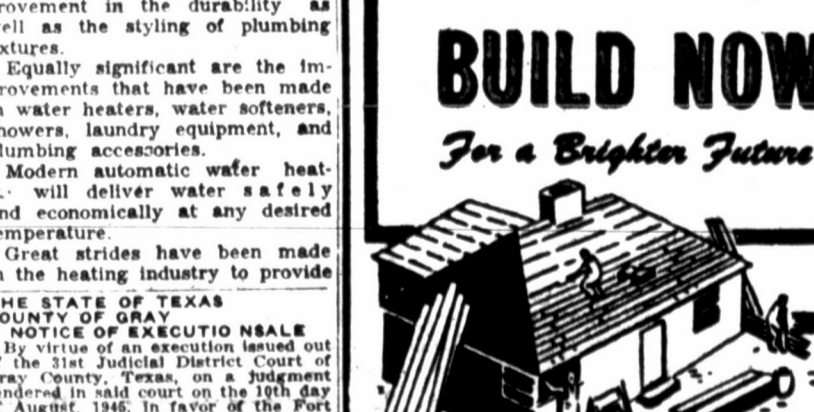

Radiant baseboards are the newest and most interesting developments in the heating industry. The radiant baseboard is a hollow cast iron unit through which hot water is circulated. The unit warms the walls on which it is installed and also the floors and thus produces a high degree of comfort.

Radiant heating by means of panels or radiant baseboards has solved the problem of heating the basementless house. Either method will produce warm floors.

Radiators and convectors have been re-styled and re-designed for better appearance and greater efficiency. Modern radiators take only 4 percent as much space as their more bulky predecessors.

Advances in the design of equipment have been paralleled by equally significant developments in installation techniques and in testing and rating of boilers under the sponsorships of The Institute of Boiler and Radiator Manufac-

Seven Baptist WMU Circles Meet

Seven Circles of WMU of the First Baptist Church met Wednesday afternoon for Bible Study on Paul's letters to the Ephesians.

Circle 1 met with Mrs. A. French. Mrs. W. H. Lewis gave the opening prayer and Mrs. J. H. Tucker was the Bible teacher. Others present were Mrs. T. V. Lane, Mrs. L. L. Estes, Mrs. J. H. Tucker and Mrs. W. H. Lewis.

Circle 2 met with Mrs. L. H. Greene. Mrs. W. B. Henry led the Bible study. Miss Dorothy McKinney, Houston, was a visitor. Other members present were Mrs. J. H. Ayers, Mrs. C. L. McKinney, Mrs. R. W. Tucker led the Bible lesson when Circle 3 met with Mrs. L. W. McGlothlin. Seven members were present.

Circle 4 met with Mrs. C. A. Scott. Prayer was led by Mrs. J. H. Rickey and the Bible lesson was taught by Mrs. Owen Johnson. Others present were Mrs. Joe Mullins and Mrs. Lewis Tarpley.

Mrs. Douglas Carver taught the Bible lesson when Circle 5 met with Mrs. D. A. Caldwell. Eight members and one guest were present.

Mrs. Floyd Crow led the Bible study when Circle 6 met in her home. Present were Mrs. L. A. Baxter, E. L. Tarrant, C. Reed and G. R. Riggs.

Circle 7 met in the home of Mrs. A. B. McPherson. Mrs. R. H. Jordan taught the Bible lesson. Mrs. Elmer Byars was also present at the meeting.

A French inventor, Nicolas Jacques Conte, is considered the father of the modern pencil.

Entire Family Gets Relief

No longer miserable and suffering, this entire family has found relief from irritating coughs due to colds with PINKET. PINKET is a real cough medicine. Coughs to who's coughing—relieves parched feeling—soothes irritation—loosens phlegm—helps easy breathing. You can't buy a finer, more effective cough medicine. Yet PINKET is especially economical because it's concentrated. You add the simple syrup (sugar and water or liquid honey) and get a full pint of pleasant-tasting, effective cough medicine at about 14 usual cost. Save about \$2.00 a bottle. For real relief—economical relief from coughs—get PINKET from your druggist. Guaranteed to satisfy!

MEDICAL TEST PROVED

this simply great to relieve 'PERIODIC' FEMALE PAINS

with uncomfortable fullness

Are you troubled by distress of female functional monthly disturbances? Does this make you suffer from pain, restlessness, nervousness, cranky, rest—at such times? Then try famous Lydia E. Pinkham's Vegetable Compound to relieve such symptoms!

In a recent medical test it proved remarkably helpful to women troubled this way. You use it so promptly to try it.

Pinkham's Compound is what Doctors call a uterine sedative. It has a grand soothing effect on one of woman's most important organs.

Firemen's Wives To Hold Party

The local Firemen's Auxiliary recently met in the home of Mrs. Bobbie Burns and presented layette gifts to Mrs. E. L. Gardner.

The group formulated plans for a chili supper and tacky party, which will be held at the fire station at 7:30 p. m. Saturday.

Members attending were: Mmes. Ernest Winborne, E. N. Pierce, Al Ferguson, Charles Winborne, Vernon Pirkle, L. D. Hilburn, Elmer Darnell, Albert Fuller, Roy Prescott, E. L. Gardner, Emmitt Hunt and L. Gallemore.

Visitors attending the meeting were Mrs. O. Turlington and Mrs. Ray Dobbins. The next auxiliary meeting will be at 7:30 p. m. Thursday in the home of Mrs. Homer Doggett, 1034 E. Fisher.

The Social Calendar

MONDAY
8:00 Pampa Book Club, City Club Room. Mrs. Bedford Harrison, Shamrock, will review "Melissa" by Taylor Caldwell.

TUESDAY
2:00 Civic Culture Club, home of Mrs. John Brandon, Merton Lease.
2:30 El Progresso, Mrs. Grady Morrison, 1221 Mary Ellen.
2:30 Twentieth Century Forum, hostess, Mrs. Biggs Horn, White Deer.
2:30 Twentieth Century Club, hostess, Mrs. George Scott, 194 Mary Ellen.
2:30 Varietas, Mrs. H. T. Hampton, 1035 Fisher.
3:00 Twentieth Century Culture Club, Mrs. Douglas Carver, hostess.
7:30 Theta Iho Girls Club, IOOF Hall.
8:00 VFW regular initiatory meeting.

WEDNESDAY
WMU Circles of the First Baptist Church: Circle 1, Mrs. W. H. Lewis, E. Malone, 2; Mrs. L. H. Greene, 510 N. Somerville; Circle 2, Mrs. G. E. Groninger, Berger Highway; Circle 4, Mrs. E. C. Barrett, 803 N. Frost; Circle 5, Barron home, 1312 Terrace; Circle 6, Mrs. M. K. Keel, Kingsmill Amusement Camp; Circle 7, Mrs. R. H. Jordan, 222 N. Wynne.
8 p. m. Women's Auxiliary of Saint Matthew's Episcopal, in the Parish House.

THURSDAY
12:00 Past Matron's Gavel Club, Masonic Hall, covered dish luncheon.
1:30 W. W. Works Luncheon, First Baptist Church, Spanish Luncheon. Installation of officers.
6:00 Holy Souls School Fun Night, Spaghetti Dinner, Bingo, Masked Spanish Dancers. Public invited.
6:30 Joint Legion and Auxiliary meeting, "Pot Luck" supper.
7:30 Rebekah Lodge, IOOF Hall.

Mrs. Cooper Honored At Wayside HD Club

Mrs. Gene Cooper, the former Miss Ida Ruth Taylor, was honored with a bridal shower by the Wayside Home Demonstration Club when it met in the home of Mrs. Ernest Edwards Friday afternoon.

Brightly colored fall flowers decorated the living and dining rooms. Mrs. Lowell Osborne and Mrs. Dora Reeves led several contests which the guests engaged in.

A refreshment plate was served to those mentioned and Mrs. A. B. Carruth, J. T. Rogers, J. E. Reeves, W. F. Taylor, Robert Reddell, Homer Taylor, H. B. Taylor, Jr., Doyle Osborne, Doris Walsh, W. C. Moseley, Ed Barnes, Harold Osborne, Norman Walberg, Paul Caylor, Clint Caylor, Gus Greene, Charles Thomas, R. E. Montgomery and W. A. Greene.

Other participants were: Margie and Leon Taylor and Mmes. Elmer Melton, Tom Clayton, Belle Barrett, Charley West, H. H. Cooper, George Montgomery, W. B. Jackson, Joe Massengale, Polk Valliant, Wood Osborne, Skeet Roberts and Maye Skaggs.

Reds Fail to Halt Rubber Production

SINGAPORE (AP)—Official figures showed that Communist efforts to smash rubber production in the Federation of Malaya have failed.

The government announced that the federation's September rubber production was 64,202 tons—an increase of 7,600 tons over the August figure. It was the third highest total in 22 months.

Girls, you should know about this 2-way help

What to do for woman's oldest problem, functional monthly disturbances? Does this make you suffer from pain, restlessness, nervousness, cranky, rest—at such times? Then try famous Lydia E. Pinkham's Vegetable Compound to relieve such symptoms!

In a recent medical test it proved remarkably helpful to women troubled this way. You use it so promptly to try it.

Troop 22 Tours Bottling Plant

Brownie Troop 22 recently toured the Coca Cola Bottling Company plant and elected troop officers.

Mrs. Harold Osborne and Mrs. W. E. Moore led the troop. T. R. Scott, manager of the local bottling plant, explained the bottling process to the girls.

After the tour, the girls returned to the First Presbyterian Church to elect officers. Carolyn Sue Baer, retiring president, was in charge of the business session. New officers elected are: Phyllis Burns, president; Rose Langford, vice president; Carolyn Sue Lane, secretary; and Sandra Williams, reporter.

The Girl Scouts played games, gave the Brownie Promise and sang the Promise Song. The group is taking up three additional Scouting phases this year, Mrs. Osborne said. They are photography, textile painting and folk songs and dances.

Other Scouts besides those mentioned were: Jeanene Price, Ann Price, Judy Nealgie, Vicky Osborne and Eulene Moore. Sherry Suttlewhite, Barbara Houston, and Sharron Osborne were guests at the meeting.

Baptist Church Forms New Class

Twenty-four women of the First Baptist Church recently organized a new Sunday School Class, to be known as the Dorcas Class.

At a meeting in the home of Mrs. Lloyd Bennett, 427 N. Yager, the women elected officers. Mrs. Tom Duvall, teacher, opened the meeting in prayer and Mrs. A. French gave the devotional.

The group now has an enrollment of 40 members. They are enrolled for their scripture, Psalms, 37-3. For their class aim they chose "To Minister Unto Others, Motto: "Go Forth To Serve" and the song, "Help Somebody Today." The rainbow colors and garden flowers will be used for official decorations.

Officers elected include: Mrs. J. P. Wehrung, president; Mrs. H. A. Gilliland, membership; Mrs. D. M. Scafe, stewardship; Mrs. Bennett, Mrs. L. A. Baxter, ministries; Mrs. L. B. Haggard, Mrs. L. B. Sloan, fellowship; Mrs. L. V. Hollar, secretary; Mrs. D. M. Dickey, assistant secretary; and Mrs. Roy Chisum, reporter.

Group captains are: Mrs. W. R. Bell, Mrs. French, Mrs. John Haggard, Mrs. Ernest Baird and Mrs. N. L. Welton. The hostess served spiced tea, cookies and mints at the close of the meeting.

McKENNEY ON BRIDGE

PECULIAR PLAY CAN MAKE THIS SLAM

By WILLIAM E. MCKENNEY
America's Card Authority
Written for NEA Service

If you ask a bridge expert for a hand for the column, naturally he gives you one in which he made a nice defensive play, or a nice offensive play to make the contract. However, George Rapee of New York City is an exception.

After he and his teammates (Howard Schenken and Samuel Stayman of New York City, John R. Crawford of Philadelphia and Mrs. Margaret Wagar of Atlanta, Ga.) had won the masters tournament—

Tournament—E-W vul.
South West North East
Pass 1♥ Pass 1♠
Pass 2♦ Pass 3♣
Pass 3♥ Pass 5♥
Pass 2♥ Pass Pass

Opening—4♠ 16

of four title, Rapee gave me today's hand for the column. I noticed that he had gone down one, and Rapee said, "If North had doubled me at six hearts, I might have made the contract."

I think we must agree with Rapee that the hand should be played at six hearts. After all, you do not have to find four hearts to the queen-jack in the North hand, but if North had doubled, he would have figured that the missing hearts were in that hand. However, it was a bad hand for Rapee's team, as their opponents stopped at four hearts and made five.

To make six hearts, Rapee said, it would have to be played in a peculiar fashion. The six of spades would have to be won in dummy with the ace and a spade trumped. A diamond would be led over to the ace, another spade ruffed, and this would clear both the North and South hands of spades.

Now Rapee would have to cash his king and queen of diamonds and then take the club finesse. The ace of clubs would be cashed, and on the third club Rapee's losing diamond would be discarded. The small heart would be led to the ace, and at this point all Rapee would have to do would be to lead a small heart. North would have to win, and with only the queen and six of hearts left, he would have to lead into Rapee's king-nine. Only one heart trick would be lost. However, taking the club finesse would be a most difficult line of play.

Girl Marries 62-Year-Old to Get Babysitter

ATLANTA (AP)—A 62-year-old bridegroom sued his 19-year-old wife for divorce, claiming she married him just to get a babysitter.

The wife, Evelyn Capes Ferrier, when advised of the suit, replied, "Pooh, looks to me like an annulment is all we need and, goodness knows, I'm willing."

The petition for divorce by Louis Ferrier said they were married Oct. 11; that his wife took her six-month-old baby by a previous marriage on their honeymoon. Further, Ferrier alleged, she left him as a baby-sitter on the honeymoon while she drank for seven hours with a soldier.

Plane Builder Keeps Promise to Mother

SANTA ANA, Calif. (AP)—Plane builder Glenn L. Martin has kept a 40-year promise to his mother.

He flew her across the country in one of his own planes—just as he said he would back about 1908 when she held a kerosene lamp for him as he worked on his first airship.

The manufacturer and his 84-year-old mother, Mrs. Minnie Martin, landed at El Toro Marine base near here after a leisurely flight in a Martin 2-02.

EDITOR'S NOTE:

All society stories, including calendar items, must be in the hands of the editor by 4 p. m. on the day preceding publication. Stories for Sunday are acceptable any time during the week, Friday noon being the deadline for the larger news stories and 4 p. m. the deadline for routine Sunday stories.

Calendar items should be turned in a week or more in advance if possible. All stories, except those waiting for pictures, over one week old, will not be accepted for publication. (They should be turned in the day of the meeting or the next day.)

When listing the names of married women, use the husband's name, not her first name. Always indicate whether it is Miss or Mrs. and always turn in the complete name, NOT just Mrs. Jones. Such names cannot be printed.

About 1,200 gross of pencils can be made from the average tree.

THE NATION'S PRESS WITH THE DOG (The Atlantic Constitution) We never get the dog without the flea. Rural areas are getting industry. Already large urban centers are expanding into what formerly was rural territory.

Artful Angler Tells Tall Tale

DALLAS — (AP) — Dr. W. M. Longnecker, Southern Methodist University science professor, is known as an artful angler, but he's having a hard time convincing his friends of this fish story. Longnecker was fishing recently at Bluebonnet Lake, near Grand Prairie. The wind was high and his boat blew into shore.

QUICKIES by Ken Reynolds

THE DASH weighed around four pounds and was the largest fish the SMU prof has bagged this year. "Hurry, Alvin, look in the Want Ads for an insurance agency—our house is on fire!"

Success Secrets

By ELMER WHEELER "Life is what you make it, and in the good old U.S.A. you can make it what you like," says George Sexton...

That's a pretty nice thing to say, but George didn't do it. He came to Ashland, Kentucky, from Allegheny County, Virginia, back in 1921. George was a welder. But he had no money, no friends, no credit. To make it worse, the people in Ashland didn't think too much of welding—a science that was then still in its infancy.

George overcame all this by a three-way selling job. First he sold himself to the community. He was eager to do favors for his neighbors and show them how he could use arc welding to mend their broken tools. He took a personal interest in all his work. His second selling job was to sell the community on arc welding. He did this by making sure each job turned out was done to perfection and would give satisfactory service.

His third selling job which he left until last is the one that most of us try to sell first—selling his services and products to the community. But since he had first sold himself and sold his business—selling his "product" was easy. A year after he had been in Ashland he bought his own arc welding machine. A little later he bought a truck to better serve his customers. His motto became "runups made wherever a man and a wire can go."

Shamrock

SHAMROCK — (Special) — The Shamrock Volunteer Fire Department's fund campaign got off to a good start last week, with a total of \$1,110 having been raised by Tuesday night. Between \$5,000 and \$6,000 is needed to buy a new truck and a 500-gallon boiler to hold water for the equipment with fog nozzles.

A survey is being made of Shamrock Chamber of Commerce members to determine their views in setting up a working program for 1949. Inquires to all members of the organization were mailed last week.

Thanks to the people of the Shamrock area, Mr. and Mrs. W. K. Murchison has been made happy again. Up to Tuesday noon, approximately \$170 in contributions had been turned over to the aged couple to more than offset the \$183 stolen from them a week ago.

In response to an appeal in The Texan, \$76.21 was turned in to the newspaper office. Several people took their contributions by the Murchison home and gave it to the victims of robbery.

Rev. W. J. Jolly, Sr., a neighbor of the Murchisons, circulated a contribution appeal Friday afternoon and Saturday, his work resulting in around \$100. The couple, both semi-invalids, lost their savings when a woman posing as a public nurse, slipped the money from Mr. Murchison's shirt pocket. He is 86 years old. Mrs. Murchison is 87.

The first six weeks of the 1948 school term ended Oct. 15, and Superintendent Elmer J. Moore stated that it was one of the best periods of work he had ever experienced. Attendance has been high and the quality of work has been excellent. The school head declared, "There are many new students and a few new teachers, and they are all doing exceptionally well."

The four girls at Shamrock and Twitty have handled 1,596 bales of cotton during the 10 days, a check by the Shamrock Texan Wednesday afternoon revealed. This increases to 3,851 the total number of bales ginned in the south part of the county to date.

Construction of the first unit of the police building to house KEVA, the East Panhandle's first radio station, is underway; and Claude Hinton of McLean, contractor, hopes to have the structure ready for installation of transmitter equipment early in November.

A group of Shamrock women attended the Women's Missionary School instruction held at Lefors Tuesday. Those attending were: Meses Helen Lea Cox, Neal Lanham, Bill Wilson, R. W. Shields, Charles Green, Selbert Worley, J. J. Baird, J. D. Mallow, Murray Davis, Raymond York, Ben A. Skidmore, and Charles Daughtry.

Four prominent Republican lawyers declined to serve and suggested Dewey. Mr. Lehman appointed him, although he protested that the young lawyer was "not well enough known." By jailing James J. Hines, the most powerful Tammany leader and New Deal dispenser of New York patronage, for aiding and abetting a "numbers racket" Dewey became so well known that he ran against Lehman in the 1938 gubernatorial contest.

He lost by only 64,394, whereas the GOP candidates for lieutenant governor and the U. S. Senate lost by 229,361 and 438,114, respectively. This showing in such an important state as New York made him a "natural" for political preferment.

DEFERMENT — L. E. C. of Thomson, Conn., asks if "this is the Dewey who professes to know all about war, but obtained deferment as a farmer during World War I." Answer: Mr. Dewey was born on March 24, 1902, so that he was two weeks less than fifteen years old when the United States declared war against imperial Germany in early April of 1917. During the summer of 1918 he worked on a farm near Ovid, Mich., and his letters to his parents reveal that he handled unusually heavy

Fatherees Are Owners of Pampa Wholesale Company

Has Been Located In Masonic Building Past Eight Months

By JIM McCLUSKEY Public Relations Editor

Two sons and a father have worked diligently during the past 16 years in building up a real business in Pampa. V. E. Fatheree, the father, and Clyde and Gene Fatheree, the sons, have operated THE PAMPA WHOLESALE COMPANY at 420 W. Kingsmill since February of this year.

Clyde lives with his wife, Laura and three children at 919 Christine. He has three boys, Warren, 21, Eugene Hobart, 18 and Joel David, 12.

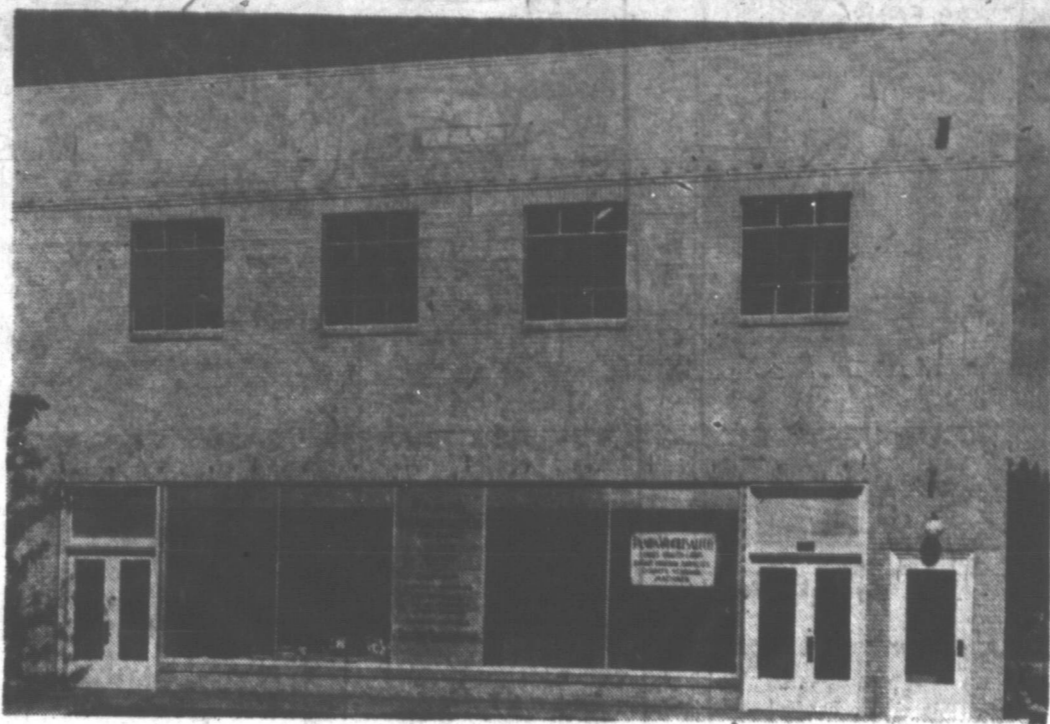

Gene, his family and his father live at 502 W. Kingsmill. Gene's wife's name is Norma and they have two children, Norma Jean, six, and Richard Emmitt, two. Gene is a Kiwanian.

Fast Service Phillips 66

During the past two years R. F. Henderson and J. B. Wilson have jointly owned and operated the Henderson-Wilson Phillips 66 Service Station at 301 W. Kingsmill.

Before the last world war, both men were employed by Phillips Gasoline Department, Pampa District. They provide the special services of pick-up service, battery service and tire repairing.

The Phillips 66 Service Station, besides specializing in Phillips 66 products, also carries Lee tires as well as batteries, home-freezers, cabinets and radios. The three employees at the station turn out car washing and lubrication jobs that can't be beat anywhere in the Top o' Texas area.

THE PAMPA WHOLESALE COMPANY, located on the ground floor of the Masonic Building, 420 W. Kingsmill, is ready to serve the regional wholesale merchants. The company is owned and operated by V. E., Clyde and Gene Fatheree.

Need A Good Cleaning?

Phillips Sterilization Company, 108 Main, Phillips, sends a truck to Pampa every Monday and Thursday to pick up items that Pampans desire sterilized.

Operated by W. D. Campbell, the company has been in operation for the past year-and-one-half. The items to be sterilized are placed in a room that is kept at 230 degrees F. for one hour. With that much heat circulating through an object, it is impossible for any type germ or insect to survive.

Car Remedies 219 W. Tyng

J. C. Daniels Motor Company, 219 W. Tyng, has enough used cars to satisfy anyone's wants, not to mention the new Mercurys and Lincolns to be found there.

Thirty-five factory-trained employees work at Daniels. The company occupies 65,000 feet of floor space. This Lincoln-Mercury dealership has all the latest automotive equipment—so much of it in fact that one would have to see the J. C. Daniels Motor Company to believe just how much it there.

Had Today's Coffee? Go to 100 S. Cuyler

Berry's Pharmacy, 100 S. Cuyler, has a fountain that makes the drug one of the top "coffee shop" stops for all business people in Pampa.

Located right in the middle of town, it is little wonder that so many drop in for that cup of coffee, that delicious malt or that ice cream soda.

The complete departments at Berry's adequately supply all of one's desires when it comes to drug store items. Business is steadily on the increase, but we're not surprised, for the complete departments provide everything that any other drug store ever had.

Been at 114 E. Francis Recently?

The Pampa Lubricating Company, under the joint ownership of M. G. Elkins and Chris Walsh, has shown a decided increase in business during the past year since the men took it over.

Roy Chisum, who operates the Roy Chisum's Garage in one section of the building, completes the organization so any handicapped car can find its cure within the walls of the building.

With the typical Garvin, Chis and Roy smiles, many Pampans are pleased daily after they drop into the Pampa Lubricating Company for gasoline, a minor auto repair job, or a major overhauling job.

Wholesale Only

THE PAMPA WHOLESALE COMPANY specializes in wholesale products entirely. Prior to February of this year, the company sold retail products as well. The Fatherees still own one retail store in Dumas, but no longer own the Perkins' Drug in Pampa.

Within the walls of the lower floor of the Masonic building, Top o' Texas are able to find endless wholesale items. Advertising free delivery, the Fatherees sell the following products:

PRODUCTS SOLD
Cigars, cigarettes, plug and pipe tobaccos, scrap and twist tobaccos, snuff, matches, cigarette vendors, bar candies, chewing gum, life savers, cough drops, charms, fruits and syrups. Carnation, malted milk, Hershey chocolate, ice cream cones, ice cream containers, paper cups, paper napkins, soda and malt straws, paper bags, soda and malt mixers, malt mixer cups and ice cream dishes, soda glasses, drugs, razors, blades and razors, bee and bicycle cards, novelties, paper goods, canvas gloves, handkerchiefs and even pocket combs.

FIVE EMPLOYEES
Five other persons besides the owners are employed at THE PAMPA WHOLESALE COMPANY. Salesmen employed are "Speed" Fugate, Clarence Brown and J. L. Bain. O. T. Bonner is the porter and Mrs. Lucille Floyd is bookkeeper.

Four trucks of the PAMPA WHOLESALE COMPANY cover all towns in this vicinity. The trucks are daily seen in one of the following towns—Canadian, Lipscomb, Follett, McLean, Wheeler, Berger, Perryton, Booker, Shamrock, Allison, Sibley, Spearman, Miami, Mobeetie, Skellytown, Dumas or Pampa. Also, the company services several filling stations enroute.

28-YEAR RESIDENTS
The Fatherees have lived in Pampa since 1920—so after 28 years in one location they are able to brag about having many friends. Members of the Pampa Chamber of Commerce, the Fatherees have seen Pampa grow from a tiny boom town into "the best little city in the Top o' Texas."

More geysers exist in Yellowstone than in all the rest of the world.

Ricketts Owns Watchmaster

Since Aug. 27 Pat Ricketts has operated the Ricketts Jewelry at 318 1/2 W. Foster. He is kept busy adjusting Pampans' watches with his Watchmaster. Pat owns one of the two Watchmasters in Pampa. With it he is able to detect in 30 seconds just how much too fast or too slow a watch runs in 24 hours. In a matter of minutes he is able to adjust the watch so it runs as well as it ever did.

Besides specializing in watch repairing, Pat has all the latest jewelry. A gift from the Ricketts Jewelry is sure to please.

Martin & Turner, Local Firm, Has Service Record

Mrs. J. M. Turner and J. Ray Martin, owners of the Martin & Turner Insurance Agency, 107 N. Frost, specialize in fire, auto, casualty and hail insurance, bonds and loans.

Mrs. Turner is an American Legion Auxiliary member and does accounting and tax service. The agency has served Gray County residents for the past five years under the co-ownership of Mrs. Turner and Martin.

Martin also is underwriter for the Business Men's Assurance Company. He has lived in Pampa selling insurance for the past 15 years. Besides his businesses he has held many offices in various organizations.

Toggery Features Maternity Dresses

The Toggery ladies' ready-to-wear shop, 216 N. Russell, across from the Courthouse, has been operated by Mrs. Nadine E. Arney and Mrs. Ruth E. Walker since March of last year.

Besides carrying many national known brands of ladies' ready-to-wear, the shop specializes in things for the business girl. The latest line on order is "Fussy-Jo" blouses and skirts, made in Dallas.

Maternity dresses are the latest addition to the shop, Mrs. Arney said. "Heirline" maternity dresses arrived in the middle of last week. "Georgians" frocks and "K's & Dumbell" dresses and blouses will arrive at the Toggery in a few weeks.

Leather Goods Galore At Mack's Shoe Store

Mack's Shoe Store, 318 S. Cuyler, has been owned and managed by Earl Lewter for the past 16 years. Besides repairing shoes of all types, Lewter sells many kinds of leather goods.

Some of the items sold at Mack's include: hand-tooled bags for ladies, hand-made boots of all sizes, spurs, bridles, bits, ropes, levia, chaps, belts, watch bands, pocket knives, billfolds, halters and makes both shoes and boots to order.

Lewter's wife, Mrs. Velma Lewter, assists him in the shop as well as leading a Girl Scout troop in Pampa. They have one daughter, Niece, who is ten years old and a member of Girl Scout Troop 19.

Doves and pigeons have no gall-bladder for storing bile, though they produce it in their livers.

Top Elevens Well Defined In HS Races

By HAROLD V. RATLIFF
Associated Press Sports Editor

The Texas schoolboy football campaign enters the stretch this week with 11 undefeated teams and favorites well defined in the 18 districts of the City Conference and Class AA.

Last week's upsets made several changes, particularly in the San Antonio district of the City Conference and District 8 of Class AA.

Alamo Heights upset favored Brackenridge, 21-0, at San Antonio and if the Mules can stand prosperity will be top choices to win the district crown.

Texasrkana was known to be tough but not as strong as that 21-0 victory over Gladewater in District 8 indicates. Gladewater had licked favored Marshall.

As the race goes into its last five weeks these appear the best bets:

City Conference — District 1, Woodrow Wilson (Dallas); District 2, Arlington Heights (Fort Worth); District 3, Milby (Houston); District 4, Alamo Heights (San Antonio).

Class AA — District 1, Amarillo; District 2, Wichita Falls; District 3, Odessa; 4, Austin (El Paso); 5, Denison; 6, Highland Park (Dallas); 7, Breckenridge; 8, Texarkana; 9, Waco; 10, Palestine; 11, Port Arthur; 12, Baytown; 13, Austin; 14, Alice.

Two teams fell out of the undefeated, untied ranks last week as Port Arthur whammed John Reagan of Houston, 41-0, and Stephenville plunged before Breckenridge, 20-0. San Benito, which was unbeaten but had been tied, was removed by Alice, 12-7.

Undefeated and untied today are Port Arthur, Waco, Henderson, Sweetwater, Alice, Milby, Amarillo and Arlington Heights. Undefeated but tied are Baytown, South Park (Beaumont) and Lamar.

All Six Teams in Texas Conference Still in Running

By the Associated Press

The Texas Conference grid race is a business manager's dream. Each of the six teams are in the running.

Southwestern and McMurry tightened the standings last week with victories over Howard Payne and Abilene Christian.

The Southwestern Pirates used Frank White's field goal for a 2-0 victory over Howard Payne. McMurry nudged Abilene Christian, 12-9.

In conference action this week, Austin and McMurry tangle at Abilene and Hardin and Howard Payne get together at Wichita Falls.

Hardin tops the standings with one victory against no defeats. Abilene Christian, Howard Payne, McMurry and Southwestern have one and one records. Austin lost the only conference tilt it has played.

Southwestern and East Texas Baptist College play at Marshall in a nonconference game.

All tilts this week will be played Saturday night.

V. L. Smith failed to score against McMurry last week but kept top spot in scoring with 48 points.

In the semi-final match in the national tennis championship at Forest Hills, Jamaica, Drobny of Czechoslovakia and Richard (Pancho) Gonzalez of California scored 45 service aces between them.

Wesley Kieth

Mobley, Trout Win Tag Bout Over Roughies

Sailor Parker was a sucker for a body scissor at the Sportatorium Saturday night in his tag team match with Fenton against Mobley and Trout.

The stocky little sailor just couldn't stay out of those punishing scissors, and finally became a little seasick before he and Fenton lost the match.

The sailor showed up as an easy mark for that night in his 15-minute preliminary bout with Trout. Hollywood Dick clamped a scissor around the sailor; Parker couldn't get loose, and Trout wouldn't let go, so they lay in the ring and grunted for the whole 15 minutes. It was a draw of course.

In the tag match, a rope was tied to two opposite ring posts, and the two team members who were not wrestling were supposed to stay outside the ring and hold to the rope.

Trout and Parker elected to get out of the ring and might expect Trout promptly clapped a scissor. When he got tired, Trout wriggled to his corner, tagged Mobley, and Mobley immediately shipped a scissor on the helpless sailor. The sailor finally managed to get to the ropes, where Referee Bill McMurry broke them.

Parker ran to his corner and tagged his partner, Fenton, who went out against Mobley. Mobley, not to be outdone by his partner, shipped a scissor on the wild Canadian.

Trout won the first fall in 20 minutes when Parker managed to get him in his own corner. There, Parker and Fenton boxed him in, and punched, choked, and kicked, until the referee gave that fall to Trout by default.

After they returned for the next fall, Trout tied Fenton's arms in the ropes. Then he and Mobley grabbed Parker and threw him into Fenton's helplessly wriggling body. When Fenton was thoroughly softened, Trout grabbed him, spun him a few times with an airplane wheel, and threw him to the canvas. Mobley fell on Fenton, and Trout picked up Parker, whom he treated the same way.

When Trout fell across Parker with a body pin, Referee McMurry wanted three and gave the fall and the match to Trout.

But, after all the excitement had died down, it was figured out that Parker had no business in the ring and the fall shouldn't have counted against him. Fenton had never tagged his partner, and only Fenton and Trout were supposed to be in the ring.

It is, doubtful, though, that Fenton and Parker will demand a rematch; the sailor seemed a little seasick.

Homer Anderson was timekeeper for the matches, and Paul LeFebvre was announcer.

Bednarik Scored TD, Will Try Forward Pass Next

PHILADELPHIA — (NEA) — Chuck Bednarik, Pennsylvania's all-America and co-captain, got his wish.

In training camp at Hershey, Pa., in September, Chuck, who was christened Charles P., and who hails from Bethlehem, Pa., told teammates: "There's one thing I want to do before I hang up my Penn football togs—that is, score a touchdown."

Chuck got his wish at New York's Baker Field when a Columbia punt barreled off the chest of end Lou Roberts, bounced wildly on the three-yard line, to be grabbed by Bednarik. He plunged over the goal line for the touchdown he wanted more than anything.

"If I ever score a touchdown, I'll throw the ball into the stands," Chuck promised. He made good on that score, too, and for his dingo of exultation, Penn drew a 15-yard penalty on the next kickoff.

Chuck has one more wish. He wants to complete a forward pass. You see, Chuck is a center, a tower of strength on defense, a great line backer-up. For three years he has called Penn's defensive signals. He holds a Penn record for the number of forward passes he has intercepted.

Rival coaches the last two years have called him the best as a defensive man.

This year, however, Bednarik has surprised even Coach George

Wesley Kieth, diminutive half-back for the Pampa Harvesters, was named as one of the outstanding Texas schoolboy grid stars today in the Dallas News' roundup of outstanding players, the Associated Press reported.

Kieth was selected on the basis of his outstanding play against the Plainview Bulldogs in Pampa Friday night. The 140-pound speed demon gained more yardage than any other player on the field, turning in two 25-yard runs and intercepting a pass to set up for the extra point as the Harvesters won, 13-0.

Three other backs topped the roundup, and another back and a guard from this district were also named.

Donald Carpenter of Milby (Houston), Jerry Norton of Texarkana and James McGuffey of Greenville were tagged as the most outstanding in last week's games.

Carpenter ran his scoring total to 97 points with three touchdowns in Milby's 32-14 victory over San Jacinto (Houston).

Norton scored two touchdowns and passed for two more as Texarkana buried Gladewater, 31-0.

McGuffey passed for Greenville's touchdown and then connected with another aerial that beat Waxahachie, 7-6, after time had run out. He gained 65 yards, completed five passes for 108 yards and called signals.

Included in the roundup of stars were:

Billy Steele, Alamo Heights (San Antonio) ended a game with two touchdown passes and played a group defensive as the Mules upset Brackenridge, 21-0.

Buzz Kennedy, Palestine back: scored on runs of 18 and 8 yards and quick-kicked 45 yards in leading his team to a 21-13 win from Bryan.

Jimmy Polson, Alice quarterback: returned a punt 45 yards for the winning touchdown and did a great job calling signals as Alice whipped San Benito, 12-7.

Bobby Hudgins, Amarillo guard: in addition to playing a group defensive game, he kicked three extra points in the Sandies' 21-9 conquest of Brownfield.

Jerry Glass, Borger fullback: played a great defensive game as linebacker in addition to scoring two touchdowns in an 18-9 victory over Bartlesville, Okla.

Wilson Thompson, Breckenridge back: threw touchdown passes good for 25 and 33 yards as the Buckaroos romped over Stephenville, 21-0.

Bill White, Denton back: intercepted three passes and returned one 60 yards for a touchdown as the Broncos beat Sulphur Springs, 21-14.

Don Willoughby, Denison back: threw three touchdown passes for 33 and 33 yards in a 12-7 victory over Paris.

Jimmy Patterson, Odessa back: scored two touchdowns and kicked three extra points in a 33-8 conquest of San Angelo.

Ogden Compton, North Dallas back: completed five of his six passes for a net gain of 76 yards and two touchdowns in the Bulldogs' 21-14 win from Sunset.

Bubba Bowman, Alamo Heights (San Antonio) back: scored one touchdown and passed for the other two, one on a play that covered 43 yards, in the Mules' 21-0 upset of Brackenridge.

League Directors Vote in Abilene To Curb Cheating

ABILENE — (AP) — Directors of the Class D Longhorn League voted yesterday to seek to curb "cheating" on player salary limits.

The directors voted to ask the National Association of Professional Baseball Clubs at its next meeting to require all minor league baseball club officials to file sworn statements on salaries paid twice a month with Association President George Trautman.

Fines and suspensions were asked by the directors as penalties for infractions and making free agents of any players involved in incidents.

Longhorn League officials will meet again in San Angelo Nov. 14.

Steers Try to Settle Account When They Meet SMU Next

By WILBUR MARTIN
Associated Press Staff

Southern Methodist and Texas settle accounts this week and one or the other might leave space in the credit column for a \$100,000 entry.

The \$100,000 is the estimated value of a Cotton Bowl berth. One of these two is expected to land it. The contesting teams share the big part of the game's receipts.

Baylor kept an unbeaten record with its 20-14 victory over Texas A&M last week. But the Bears and Texas Christian, the other club still in the running for the Southwest Conference title, aren't expected to make the grade.

Texas Christian lost a wild, 21-18, decision to Oklahoma last week in one of two inter-sectional tilts.

Southern Methodist humbled Santa Clara with a 33-0 victory.

Santa Clara knocked Rice's chances in the conference race spinning, 20-7.

The 14-13 decision Southern Methodist scored over Texas last year left Longhorn fans muttering "wait until next year." That was the only game the Longhorns lost. They went on to slaughter Alabama in the Sugar Bowl. Southern Methodist finished unbeaten and played Penn State to a draw in the Cotton Bowl.

Records of the two teams this year bring them to the climax of a drama 68,000 fans are expected to witness at enlarged Memorial Stadium in Austin. This will be the largest crowd ever to leave a regularly scheduled conference tilt. It is 2,000 more than Texas' big saucer seats. University athletic officials expect the additional 2,000 to get in some way.

Texas has won four and lost two this year. Southern Methodist has won four and lost one.

The great Donk Walker, a sharpshooter Gilbert Johnson pack an offensive punch the Longhorns can't match. The performance of each line might determine the game's outcome.

Baylor and Texas Christian tangle in the second most important game this week. Arkansas and Texas A&M play for personal prestige and Rice nurses its injuries and hammered hopes in a non-conference tilt with Texas Tech.

A loss for Texas Christian would leave it an "also-ran" in the title chase. A defeat for Baylor would oust it from the ranks of the unbeaten, once-tied elevens.

Arkansas and Rice are logical choices to win their games. Texas Christian is the toughest ever to beat for Baylor since its 7-7 draw with Mississippi State. Southern Methodist should win over Texas, but—who knows?

Walker kicked two extra points against Santa Clara to boost his lead in the game.

'Teddy' Inspired Forward Pass

NEW YORK — (AP) — President Theodore Roosevelt was the inspiration of the forward pass in football, reveals Sid Luckman, great quarterback of the Chicago Bears, who became famous throwing them.

Here's the story: The president became alarmed when he saw a picture of Bob Maxwell, star of the 1905 Swarthmore eleven, after Maxwell had taken a terrific beating in a game against Penn. Roosevelt promptly issued proclamation that unless football abolished such rough play, he would take steps to abolish football.

That winter, according to Luckman's story in his new book, "Passing For Touchdowns," the rules committee adopted the forward pass to placate the president. However, it still was some time before the weapon became an integral part of the game.

College Football Swings Into Backstretch in Week's Games

NEW YORK — (AP) — College football swings into the backstretch this week with games that should go a long way toward identifying the major bowl principals.

California's Bears look like a cinch for the Rose Bowl if they can squeeze by Southern Cal Saturday at Los Angeles. The Pasadena guest may be decided at Evanston where Northwestern engages Ohio State.

Down in Dixie, unblemished North Carolina and Georgia Tech, sticking close to their telephones for Sugar, Orange or Cotton Bowl factors, run into humps in their schedules.

The N. C. Tar Heels play Tennessee at Knoxville and Vols' coach Bob Neyland, a renowned pessimist, already has predicted an upset victory for his boys.

Tech's friar Yellowjackets meet undefeated Duke that has been getting better after two opening season ties.

The Southwest feature is Southern Methodist against Texas at Austin. The victor in this one could well land in the Cotton Bowl although both must reckon with Baylor, which has only a tie on its record.

The job for the bowl promoters was simplified Saturday when two of 11 unblemished teams, were stricken from the list.

Army rolled over Cornell, 27-6, handing the Big Red its first smudge.

Penn State, riding a victory string from the 1947 season, was tied by Michigan State, 14-14.

The nine left without defeat or tie are: Michigan, Notre Dame, North Carolina, Georgia Tech, Clemson, Army, Pennsylvania, California and Nevada.

Of these, Michigan, Notre Dame and Army aren't bowl candidates and Pennsylvania, as an Ivy League, is not overly receptive to bids.

Michigan, victor over Southern Cal in the Rose Bowl last year, can't return because of a conference rule against repeat performances.

The Wolverines, elevated to the No. 1 spot last week in the Associated Press Poll, justified their selection by overwhelming Minnesota Saturday, 27-14. They are virtually "in" as Big Nine champions.

Northwestern, beaten only by Michigan, takes the lead in the Rose Bowl picture on the basis of

its 19-16 triumph over Minnesota. But Ohio State also has lost only one game—to Iowa.

California continued its display of offensive power in smashing Washington, 21-9. If they can get by Southern Cal, the Bears wind up with the weaker UCLA, Washington State and Stanford.

Oregon, beaten only by Michigan, is in the running for the Pacific Coast Conference crown and the bowl spot. But the Webfoots' hopes depend on California stubbing a toe.

All the other unbeaten-untied giants came through last week under wraps except Pennsylvania. The Penn forces were handed a scare by winless Navy before they squeaked through, 20-14.

Notre Dame bulled over Iowa, 27-12. North Carolina showed its old time power in lashing Louisiana State, 34-7. Georgia Tech walloped Florida, 42-7, and Nevada smashed Tulsa, 65-15.

Short on Seniors

MIAMI, Fla. — (AP) — Coach Andy Gustafson has only eight seniors on his University of Miami football squad—and three of them are right halfbacks. However, the trio packs plenty of experience. A 11 three—Bob Bowman, Joe Krull and Al Hudson—were freshman members of Miami's Orange Bowl Championship team which defeated Holy Cross Jan. 1, 1946.

Better Late Than . . .

NEW YORK — (AP) — During the last World Series, between the Brooklyn Dodgers and the New York Yankees, a statistical study shows that 39 of the 119 safe hits—nearly a third—were recorded after the count had reached two strikes on the batter. And 33 of the 67 runs—almost half—were scored after two men were out.
