in prison.

Beginning Thursday, the penalty phase of the trial begins, with the prosecution expected to call more than 50 witnesses to back its demand for execution.

Manson finally stirred as he was led away from the courtroom packed with armed deputies, and snarled at Superior Court Judge Charles H.

Codefendants Giggle The female codefendants giggled after the verdicts were read and one said "Look at the jury. Don't they look sad?

The seven-man five-woman jury found the self-styled "Jesus Christ" guilty of sending his "robots" out to stab and shoot to death five persons at the home of actress Sharon Tate and the next night wealthy

anca and his wife Rosemary.

The young women-Susan Atkins, 22, Patricia Krenwinkel, 23, and Leslie Van Houten, 21, also were convicted of firstdegree murder. Miss Van Houten, a former high school beauty queen, was charged only with the LaBianca slayings and

conspiracy to commit murder. The four largely were convicted on the testimony of Linda Kasabian, 21, a tiny

commune only a month before the August 1969, slayings. She was given immunity from prosecution in exchange for turning informer. She was reported with her mother and

Verdicts Were Expected Chief defense attorney Paul Fitzgerald said the defendants

Wall Street Chatter

NEW YORK (UPI)-Some may think the bull market is over, "but we feel it has barely begun," Filor, Bullard & Smyth says. The company says many of its indicators are "still much nearer their lows than their highs" and a wide variety of stocks are "still at depressed levels." Speculation is dormant because the small investor "still in shock" is selling during the rising market, the company

The Dines Letter is maintaining a bullish outlook on the current market performance and adding to its optimism is the women's apparel indicator. Graphs have been produced that argue the length of women's apparel tends to anticipate market movements and the letter notes that after the midi came the "extremely". short pants. "Not that you should base an ydecisions on this, but it is certainly worth keeping an eye on—so to speak," Dines says.

CUFFLINKS LICENSED

BEDFORD, England (UPI)-Police have granted Albert Morris, 50, a firearms certificate so he may keep his new cufflinks.

The cufflinks are shaped like miniature guns and were the subject of a recent warning by British Overseas Airways Corp. (BOAC) that they could be used in a hijacking. They are capable of firing real bullets.

EQUAL TIME

WASHINGTON (UPI)-The 12 black members of the House of Representatives, all Democats, who boycotted President Nixon's State of the Union speech Friday have asked the networks for equal time to

respond to the address. Rep. William L. Clay, D-Mo., told the three major networks and the Mutual Broadcasting System the President spoke of priorities which "are not the priorities of the 25 million blacks in this country. We feel this is an issue that transcends party politics."

Nun Ordered To Testify Before Grand Jury On Kidnapping Case

jury investigating the case. jury."

Man Can Learn More About Earth From Lunar Rocks

during the past year have refused to answer questions Elizabeth McAllister, 31, of reinforced the old idea that during a grand jury session Tarryton, N.Y. man can learn more about the here. After hearing preliminary The federal grand jury is the mother's prescription. earth by going to the moon.

question that the moon holds a missing chapter in the early history of the solar system and they are discovering that their unprecedented lunar rock, studies are helping them understand more about the rocks in Mrs. Linda Carol Daniels, their own back yard.

"Studies of lunar rocks have opened our eyes to what to look for in earth rocks," Dr. Edwin Mrs. Ovie Mae Tillmon, 525 Roedder, a geologist from the U.S. Geological Survey, said at Jennifer Tillmon, 525 Harlem. last week's lunar science Mrs. Glenda Fay Pixley, 1104 conference in Houston. "This type of spinoff must not be Mrs. Ruth Herlacher, Pampa. minimized.

Mrs. Bobbie Hutching, 1140 Because of the uniqueness of moon samples during the first months after they were brought to earth, some scientists felt a Mrs. Mattie F. Matney, 11111/2 "circus atmosphere" surrounded the initial studies and 1717 reports on the lunar material a year or so ago.

Mrs. Robbie Lynch, 2236 N. But now that the novelty has worn off, said Dr. Gordon C. Kenneth A. Lamberson, 2106 Goles of the University of Oregon, "we are starting to do science, we are starting to get Mrs. Billie Jo Ratliff, Miami. Mrs. Vicie Simpson, 515 E. somewhere."

The reason the moon is so valuable to scientists in their effort to understand what was going on when the solar system Mr. and Mrs. Lindon A. formed 4.6 billion years ago is C. Johnson, 351 Laverty, 105 N. Wyhne, on the that all evidence of those times. Mrs. Yvonne Juanita Fly, birth of a boy at 5:54 a.m. have long since been obliterated on earth.

Fabric Fusion Idea Aids Seamstresses

It's different from other sewing aids like iron-on tape because it isn't a third fabric. It's a bonding or fusing agent, cleaning. and it is recommended for neck, sleeve and front facings, for and cuffs, and for mending.

It certainly doesn't look like the newest miracle on the sewing front. It looks like plain old brown wrapping paper with a sort of invisible roughness on one side. That's the business side. That roughness is a web of invisible fibers which melt to form the fusion between materials.

To use it, cut the paper to
