

J. Parnell Thomas Indicted on Conspiracy Charges

CONVICTION OF MEYERS IS UPHELD

WASHINGTON — (AP) — The U.S. Circuit Court of Appeals today upheld the conviction of Maj. Gen. Bennett E. Meyers on charges of inducing another person to lie under oath to a Senate committee. The court split 2-1.

Meyers has been in jail since last March 14, serving an 18-month-to-five-year sentence imposed after his conviction in U.S. District Court.

The case against him grew out of a Senate investigation of wartime Air Force contracts.

Meyers, now retired, was the chief purchasing officer for the Air Force during the war.

In summary, the charges made against him amounted to this: Meyers was the actual owner of the Aviation Electric Corporation, Dayton, O., which received profitable war contracts, but hired Bleriot H. LaMarre to act as "dummy" president. When the Senate investigation got underway, Meyers persuaded LaMarre to testify falsely.

In testimony to the committee, LaMarre first said Meyers had no connection with the firm but later, giving what he said was the truth, testified Meyers did own it.

Meyers contended throughout that he was innocent, but was tried and convicted of subornation to perjury.

Judges Wilbur K. Miller and James M. Proctor handed down the majority opinion in the court of appeals. Judge E. Barrett Prentiss dissented.

The majority opinion written by Judge Miller held that the prosecution in the district court trial proved that LaMarre falsely told the Senate subcommittee that he was not financially interested in the Aviation Electric Corporation.

1. That the company did not buy a Cadillac car for Meyers during the war, and.

2. That a \$10,000 decorating job at the Meyers apartment on Hotel 2400 here was not paid for out of company funds.

Five-Room Ranch House Is Destroyed

A fire of undetermined origin completely destroyed a five-room ranch house here last night, the house being in a part of the city limits last night.

The house, Sheriff G. H. Kyle's former home place, had been occupied for some time. Fire Chief Ernest Winborne said. The house was reported to be in very good condition and the present owners had planned to move it into town, Winborne said.

Although there are several houses within a mile or two, no one saw or reported the fire until it was well underway. Fok Valiant, 916 E. Fisher, who was driving around in the country last night, drove along the road that passes about a quarter of a mile from the house. He saw the fire and immediately came to the fire station to report it.

The Fire Department arrived at the scene at 9:15 p.m. yesterday, but there was little left of the building by then. If it had only been noticed sooner, Winborne said, the department could have saved some of the house, at least. Firemen could have completely drenched the blaze from a large stock pond about 50 yards from the house that promised an adequate supply of water.

An examination this morning did not reveal any probable cause for the blaze. The remains of two iron bedsteads, the twisted frame of a rollaway bed, and a heap of bricks where the central flue once stood were all that remained in the heat of rubble. A few bent pieces of window glass were found.

Today

On this day in 1861, the "Trent affair" occurred. This was the episode in history in which Capt. Wilkes of the U.S. Navy halted the British ship "Trent" and removed Confederate commissioners who were bound for England. This is the birthdate of Winston Leonard Spencer Churchill, leader of Parliamentary opposition and wartime prime minister of Great Britain. (He was born at Blenheim Palace, Oxfordshire, England, now a residence of London.) Today is Admission Day for Montana, which ranks third in size, has a land area of 145,769, and a total area of 147,138 square miles. The name springs from Spanish, meaning "mountainous." Population in 1940 was 235,465, capital, Helena, admitted 1889.

WEST TEXAS: Considerable clouds and cooler in the afternoon and night. Lowest temperatures 25 to 30 in Panhandle and south Plains and 30 in the Pecos Valley and El Paso area tonight. Tuesday partly cloudy, but quite cool in Panhandle and south Plains in afternoon.

OKLAHOMA: Partly cloudy today, much cooler west and turning colder central portion. Considerable cloudiness tonight. Snow changing to rain, beginning late tonight and Tuesday. Low tonight 25 to 28 south; east freezing temperatures in south tonight. Strong northwest winds today.

Pampa News

VOL. 47—NO. 161 (8 Pages) PAMPA, TEXAS, MONDAY, NOVEMBER 8, 1948

Brush Fire Is Still Spreading

SANTA ANA, Calif. — (AP) — Evacuation of all residents from Silverado Canyon, an area of some 500 large homes and estates, was ordered today as the Orange County brush fire spread widely, fanned by 50-mile-an-hour winds.

Four buses and several large trucks were sent from El Toro Marine Base to remove persons from the area.

The State Division of Forestry, reporting the situation as the "most serious yet," said hundreds of professional and volunteer firefighters were on the lines.

The blaze has been centered in Black Star Canyon, but the gale-like winds whipped it out of control toward Silverado and Modjeska canyons, where wealthy Santa Ana businessmen maintain large homes. Some 100 homes are in Modjeska Canyon.

Last week, more than 28,000 acres of brush and grazing lands were burned over in a two-day fire. Only three cabins were lost. There were no deaths.

Meanwhile, in Los Angeles County, more than 100 men were at work today widening fire lines around the area burned over by the Topanga Canyon fire which destroyed 39 habitable dwellings and damaged 70.

Embers of Thursday's \$250,000 blaze still smoldered.

MURDER CHARGE FILED IN PEDESTRIAN DEATH

Charges of murder without malice were lodged late Saturday night against Leon Gilbert Stubege, White Deer, by District Attorney Tom Braly in connection with the auto death of William Henry Martin, 77, of the rear of 1009 Christine.

The aged man was struck and almost instantly killed about 6:55 p. m. Saturday by a car driven by Stubege, City Police said. Stubege was released after posting a \$2,500 bond, Braly said this morning.

Stubege, the district attorney's office said, stated he was traveling south on Ballard preparing to turn east into Browning. Braly added that Stubege said he had pulled over past the center line, slowed and looked to see if anything or anyone was coming.

Failing to see anything, he pulled out in low gear.

While there are "stop" signs on Browning, Ballard is a thoroughfare and traffic is not required to stop.

Whether Martin was crossing the road from the north side of Ballard or from the south to the north side of Browning had not been determined today by officers.

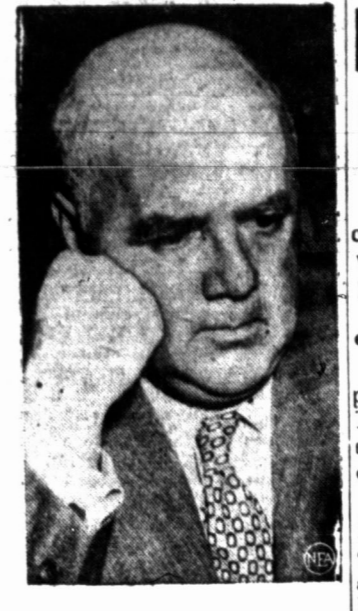

He was apparently headed home from one of Pampa's stores with a bag of groceries when he was hit.

He was born in Indiana, according to his poll tax receipt, and was a member of Pendleton, Ind., Lodge No. 44, AF & AM.

Known survivors to date are one son, C. Harold Martin, St. Louis, Mo.; one sister, Mrs. Bessie MacDaniel, Dayton, Ohio; and a half-brother, E. F. Tinney, also of Dayton.

Information on his poll tax receipt showed he had been in Pampa for at least six years.

Funeral arrangements are being held by the Dunkel-Carmichael Funeral Home pending arrival of relatives. His son is expected to arrive sometime Tuesday.

J. Parnell Thomas

Irregularities in Payroll Probed

WASHINGTON—(AP)—Rep. J. Parnell Thomas (R-N.J.), chairman of the House un-American Activities Committee, was indicted today on charges of conspiring to pad the payroll of his Congressional office.

His former secretary, Miss Helen Campbell, was charged jointly with him by a federal grand jury.

The jury has been investigating published charges of payroll irregularities in Thomas' office. He was called last week to testify but declined to do so.

The indictment accused Thomas and Miss Campbell of conspiring to maintain fictitious employees in Thomas' House office so the salaries paid to these persons could be routed into Thomas' bank account.

The indictment alleged that Miss Campbell's niece, Myra Midkiff, and a maid in Miss Campbell's home, Arnette Minor, were carried on the Thomas office payroll and received monthly checks without actually working for the government.

It was alleged that Miss Midkiff and Miss Minor, upon receiving their checks, indorsed them over to Miss Campbell who deposited them in her personal checking account. Thereafter, according to the grand jury, Miss Campbell withdrew this money by check and deposited it in the account of Rep. Thomas in the First National Bank of Allendale, N.J.

The indictment said that "with the intent of concealing and covering up the fraudulent and fictitious employment" of Miss Midkiff, the congressman and Miss Campbell prepared income tax returns in her name, with Thomas paying the tax due on the salary listed for her from the government.

The indictment formally charged Thomas and Miss Campbell with a conspiracy "to defraud the United States of its money and property."

At his Allendale, N.J., home, Thomas said "I have nothing to say at all at this moment."

The committee headed by Thomas was in the spotlight throughout the year in its investigations into Communist and subversive activities during and since the war.

Thomas was re-elected last Tuesday. However, he will lose his chairmanship when Democrats take control of Congress in January.

The conspiracy was alleged to have run from Jan. 1, 1946, to Jan. 30, 1948.

Miss Campbell was accused only of the alleged conspiracy. Thomas was charged with conspiracy and also with a series of overt acts in the filing of allegedly false claims.

In addition to the alleged fictitious employment of Miss Midkiff and Miss Minor, the New Jersey representative was charged with presenting for payment salary vouchers for Jacqueline B. Hill for "services rendered as clerk-typist to the Committee on Un-American Activities." The grand jury said these claims were fraudulent because Miss Hill had rendered no services to the committee.

Court officials said that conviction on all the charges against Thomas would carry a possible maximum sentence of 32 years in prison, \$40,000 in fines or both.

George Morris Fay, U.S. district attorney, said the court was notified that Thomas will be arraigned Tuesday of next week for arraignment.

Fay said the trial, under normal procedures, could not take place before January.

Broadcast To Initiate Observance

As part of the Pampa school system's observance of American Education Week, KPNN will carry a recorded program tonight entitled, "There Were Voices in the Land." The broadcast is based on the education week observances and is scheduled to start at 8:15 p. m.

Principals of the Pampa schools were guests of Frank Wilson, executive of Bonley's, principal of Pampa High School, at the school cafeteria at noon today.

Those who attended were: H. A. Yoder, Woodrow Wilson; B. R. Nuckols, Baker; Miss Josephine Thomas, Horace Mann; J. Aaron Meek, Sam Houston; Jack Edmondson, Junior High; Also, Knox Kinard, superintendent of schools, attended.

Tomorrow the Board of Education will be Wilson's guests. Members of the board are Ray Wilson, president; H. R. Thompson, vice president; George Scott, secretary; D. F. Osborne, and Herman Whately, members.

Also in connection with American Education Week, the high school will hold an open house at 7 p. m. tomorrow. Between 7-8 p. m. student guides will direct parents to the various rooms to visit the teachers. At 8 p. m. a student program will be presented in the auditorium and will be followed by a social hour in the cafeteria.

De Gaulle Is Winner in Upper House

PARIS—(AP)—Almost complete returns today gave Charles de Gaulle's anti-Communist Rally of the French People (RPF) a sweeping victory in yesterday's elections to the upper house of the French Parliament.

The Communists, the present majority party in the Council of the Republic, lost more than four-fifths of their seats and will be a low-ranking party in the new council.

The elections were national in scope, but the balloting was done by local electoral colleges instead of directly by the people.

The returns showed that the RPF, taking part in a legislative election for the first time, will have about 40 percent of the 269 seats at stake yesterday. The coalition will elect another 80 members next month, bringing the new council to its full strength of 320.

Although a De Gaulle spokesman claimed the RPF had won 121 seats, the Interior Ministry gave it only 99 on the basis of the latest count. The semi-official French press agency gave it 107.

With only seven seats missing, Interior Ministry figures said this was the divisions of the council seats: RPF, 99; radical socialists (conservatives) and affiliates, 50; socialists, 48; independents, 21; communists, 16; popular republicans (mrps), 15; others, 13.

Of the RPF's 99 seats, 55 belong to the party outright and the others are from affiliated groups.

The Communists now hold 84 seats. Their drop to 16 occurred largely because of a change in the voting system that permitted all non-Communist parties to form coalitions against them.

Rites Tomorrow For War Dead

Funeral services, with the Rev. H. H. Tyler, pastor of the First Christian Church, officiating, will be held at 2 p. m. tomorrow in the Duengel-Carmichael Chapel for Sgt. Kenneth Merle Folsom, whose body will arrive here at 7:14 a. m.

Burial will be in Fairview Cemetery with military services at the graveside.

Fallbearers will be: Bob Kuntz, Robert Addington, and B. F. Manuel, Billy-Jo, and Robert Parker.

Folsom, who was killed in action in Holland, was the son of Mr. and Mrs. Eugene J. Folsom. In addition to his parents, he is survived by a brother, Eugene J. Jr., and by four uncles, E. C. Dudley, Ray Dudley, Frank Addington, and A. M. Parker, all of Pampa.

Two Fined on Charges of DWI

Johnnie Diggs, Pampa, charged last week with driving while intoxicated, pleaded guilty as charged this morning in County Court before Judge Sherman White and was fined \$100 and costs plus the mandatory six-month suspension of driver's license.

At the same time, Ben T. Griffin, also of Pampa, and under a felony charge of driving while intoxicated, pleaded guilty to charges of driving while operator's license was suspended. He was assessed a fine by Judge White of \$25 plus costs. An additional six-month suspension of driver's license went along with the sentence.

Policemen Get Patrolman's Goat

OLEAN, N. Y. — (AP) — Fellow policemen here are getting Patrolman John Panado's goat. It was clapped into jail when caught after two recent escapes from Panado's home.

Rites Held for Plainview Boy

Final interment was held for Lt. James Elmer White, Jr., 26, at 2:30 p. m. yesterday at the First Baptist Church in Earth.

Lt. White was fatally wounded by an accidental gunshot while hunting Sept. 28 near S. Ontario, Germany, where he was stationed with a U. S. Army unit on occupational duty. A military funeral was held Sept. 29 at Frankfurt, Germany and a memorial service the next day at Herzo Base, Germany.

Lt. White was a nephew of Mrs. Belle Barrett, 923 Mary Ellen. She attended the final services. He was the son of Mr. and Mrs. James E. White, Plainview. Besides his parents and aunt, other survivors include his wife, Mrs. Evelyn L. White of Burlington, N. C., who was with him in Germany at the time of his death; a brother, John L. L. White, Plainview, and three sisters.

Lt. White was graduated from the Springlake High School and attended West Texas State College at Canyon before entering the Army in 1941.

GAS TANK FIRE

KANSAS CITY—(AP)—Two gasoline-loaded tank cars caught fire today when a Missouri Pacific freight train was derailed in Dodson, Mo.

New Evidence In 'Phantom' Case Twisted

TEGARKANA, Ark. — (AP) — A deputy prosecutor here said he was told last night that the University of Arkansas Freshman who left a suicide note blaming himself for three of the Texarkana "phantom" killings was at home the night of one of the crimes.

Earlier, at Fayetteville, Sheriff Bruce Crider disclosed the 18-year-old H. B. Tension left two other notes. One of them said: "Please disregard all other messages which I have written."

Crider said he had no idea in which order the notes were written.

Tension was found dead in his room in Fayetteville last Friday. Crider said he had swallowed poison.

Deputy Prosecutor Robert E. Hall said 16-year-old James Freeman came to him voluntarily here to relate that Tension had at home the night of May 3, 1946.

On that night, Virgil Starke was shot to death and his wife seriously injured.

Young Freeman was sure of the date because, Hall said he related, he spent that evening with Tension and they had a radio report of Starke's killing.

Sheriff Crider said one note, found on a dresser in Tension's room, began: "My final word by H. B. Tension." It was the one in which Tension wrote: "I am a phantasmagoria and they are service station who I have written, they are only thoughts which I am thinking about as possible reasons for taking my life."

"As I think about it, it is none of these things. There are not these things. I have a feeling there's a much better point to it all. Happiness. Yes, happiness. If I am out of the way all the family can get down to their lives."

A second note, found in a strongbox in Tension's room, began: "This is just a last word to all of you. It contained a riddle which, Tension said, would tell where to find 'gifts'."

All the notes were typewritten.

Winds Die; Forecast Is Cold, Cloudy

The weather had settled down to cold, but cloudy, and little wind today, after a couple of days of bluster, threatening conditions. Pampa had a low of 33 early today, according to KPNN transmitter weather observers, and the mercury remained at 34 during the morning.

The chill north, preceded by winds that kicked up spots of dust throughout the Panhandle, parts of Colorado, Kansas and Oklahoma, whistled in last night, lowering temperatures generally into the thirties, bringing with it the promise of freezing weather in this area tonight and tomorrow.

The West Texas forecast was from 30 to 25 degrees in the Panhandle and South Plains, with not quite so cold in those areas tomorrow afternoon.

There was a time yesterday when the highway between Pampa and Panhandle was very dangerous for motorists due to the dust but the condition cleared up later in the day. The dust was being carried on winds of 25 miles per hour.

According to the Associated Press, at mid-morning the temperature at Amarillo was 33 degrees.

The cold winds, 20 to 25 miles per hour in velocity, were expected to reach Central Texas tonight or tomorrow.

The Weather Bureau at Dallas said the trip down through Texas probably would temper the cold bite of the winds but added that the chilliest weather of the season could be expected.

There is also a hope for some needed rain if conditions pan right," said a Weather Bureau observer.

(See WINDS, Page 8)

Charges Filed In Burglary Case

Charge of theft over \$50 was lodged Saturday night by Sheriff G. H. "Skinner" Kyle against C. F. Tannehill, McLean, in connection with the burglary Friday night of a utility service station.

Sheriff Tannehill was charged with taking \$57 and some odd cents from the rear of the station, but that all of the money was recovered. Tannehill posted \$1,500 bond yesterday before Justice of the Peace D. R. Henry and was released.

Truman May Seek Income Tax Change

WASHINGTON — (AP) — Rep. Eberharter (D-Pa.) said today he looks for President Truman to urge a revision of the 1948 income tax code.

The idea, said Eberharter, would be to pass more of the savings in the new income tax code on to the middle-income group by boosting levies for those in the upper brackets.

Eberharter, a member of the tax-framing House Ways and Means Committee, also predicted that Mr. Truman will revive his excess profits tax proposal.

However, some of the President's advisers are known to take a dim view of such a move because of its possible effect on business.

There has been considerable speculation that before Mr. Truman reaches any definite decision on business taxes he may renew his plea to industry to lower prices—and profits.

The President had little to say about the excess profits tax during his campaign. But he took several swipes at the income tax cut bill which the 80th Congress wrote into law over his veto.

He called it a "rich man's bill."

The main features of that measure are a \$100 hike in the personal exemption, making it \$600 instead of \$500; (2) allowing husbands and wives in all states split the family income for tax-saving purposes, and (3) percentage cuts in tax rates ranging from 12 to 20 percent in the low income brackets to five percent at the top.

Eberharter did not say what sort of revisions he thinks Mr. Truman has in mind. But in his own tax reduction proposal early this year, the President suggested that each person be allowed a \$40 "cost of living" tax cut plan that would make the saving big for low-income people but tiny for those in the high brackets.

Judge Hughes Is Said Improving

Justice of the Peace Charles J. Hughes was reported this morning as slightly improved by his wife.

Judge Hughes was stricken with a heart attack on election day and was confined to his bed immediately.

Mrs. Hughes said the judge was still in bed but was recovering slowly.

Memorial Book Shelf Is Unveiled Before About 200 in City Library

More than 200 people witnessed the unveiling of the American Legion Auxiliary memorial book shelved at the City Library after the afternoon at the City Library.

The books have been dedicated to the memory of Gray County World War II servicemen who gave their lives for their country. Relatives and friends of the veterans presented the books to the auxiliary for this purpose.

Mrs. Verna Flvey, chairman of the auxiliary, gave the invocation and was followed by the Rev. Allan Harvey-Brooks of the Berger First Methodist Church, who presented the dedication and benediction. All floral companies in Pampa sent flowers to the dedication and Miss Dorothy Myers played two violin solos.

Mrs. Lillian McNutt said bronze grave markers had been put on the graves of each Gray County serviceman by the American Legion Auxiliary. Also, a complete Encyclopedia Britannica has been put on the shelf by the auxiliary in memory of World War I servicemen.

Servicemen that the Auxiliary has been unable to gather enough information about to inscribe in the books are: Billy W. Bradford,

Albert Frazier, Pampa) T. E. Freeman, A. L. Glen, L. M. Gibson, O. W. Goodner, Roy Griffin, E. H. Grignon, G. R. Griffin, W. T. Hadley, J. L. Hancock, H. H. Herdy, O. F. Harlan, R. J. Hervey, Henry Hastings, J. M. Faye, M. J. Hegdal, J. H. Hinkle, M. J. Holland, S. A. Houston, C. W. Howard, W. A. Hudgel, D. M. Hughes, Morris Ivy, R. D. Jen's, C. H. Johnson, L. G. Jones, C. G. Keeling, D. L. Killingsworth, R. L. Lambright, E. M. Lane, R. U. Louvier, O. F. Lowry, C. C. Martin, Jr.

Folsom, E. L. Frazier, J. M. Frazier, R. D. White, C. S. Zuppan.

LATEST BULLETINS

Marshall Session

WASHINGTON — (AP) — Secretary of State Marshall probably will visit Washington before the end of the month.

His mission will be to report to President Truman on the United Nations meeting at Paris and review outstanding American foreign policy problems.

But diplomatic authorities here believe a decision also will be made on whether and how long Marshall will stay in the cabinet after inauguration day Jan. 20.

U. S. Abstains

PARIS — (AP) — An authoritative delegation source said today the United States probably will not back a British plan that would order Israeli forces to withdraw from newly won positions in Northern Palestine.

Britain asked the United Nations Security Council last Thursday to extend its order for the withdrawal of Israeli and Arab forces in Southern Palestine's Negev desert to include all of Palestine.

Price Control—No

WASHINGTON — (AP) — The new Congress may look with a cold eye on any new request from President Truman for standby price control and rationing powers.

But an Associated Press survey of members who will serve in the 81st Congress convening Jan. 3 shows strong backing for the Marshall Plan, for repeal of the Taft-Hartley labor law, and (See BULLETINS, Page 8)

END OF THE LINE—To make the blockade of Berlin more effective, the Russians tore up the rails leading to the German city. German children play in the trackless reddened, in the Russian sector.

Five Schools Still Have Perfect Record After Weekend

SMU Mustangs Look Likely to Repeat as Conference Champs

By the Associated Press
Champions seldom repeat in the Southwest Conference, but Southern Methodist University is a heavy favorite to win again.

Doak Walker spurred the Mustangs past Texas A & M last week, 20-14, and into sole possession of first place.

Texas' 13-10 victory over Baylor dropped the Bears out of the unbeaten class and out of a share of the lead.

Rice upset Arkansas, 25-6, to dampen A & M's hopes for its first victory of the year. The Aggies, beaten by Arkansas, 28-6, meet Rice this week.

Southern Methodist, only team unbeaten in conference competition, is a prime target for its remaining foes—Arkansas, Baylor and Texas Christian.

Arkansas gets first crack at the Mustangs. It plays them there this week at Fayetteville, Ark.

Texas and Texas Christian tangle at Fort Worth in their annual grudge match and Baylor meets Tulane at New Orleans, La., in other games.

It took a terrific performance by Walker to trip the inspired Aggies. He passed for the first touchdown, scored the second on a 40-yard run, then sparked a 95-yard drive that broke a 14-14 deadlock. He picked up 58 yards returning an Aggie kickoff, passed for 55 and ran the ball to the 12, then carried over the goal on an end sweep.

The all-America triple threat halfback also kicked two extra points. The 14 points he made against the Aggies remain an A & M record. In 1943 he scored for the year to 84, 48 more than Clyde Scott of Arkansas, who has 36.

Texas was a slight favorite over Baylor, but the Bears came within five minutes of retaining an unbroken, one-tied state. A pass from Paul Campbell to George McCall brought Texas victory.

Southern Methodist and Baylor will be favorites this week, but Texas rates only a slight edge over Texas Christian. The Rice A & M game is a toss up.

A & M's losing streak now stretches to 11 games. The Aggies lost the last three of the 1947 season and have dropped eight straight this year.

The unbeaten ranks of major college football teams, cut almost in half over the weekend, may be sliced near the middle again Saturday.

Only five schools—Notre Dame, Michigan, Army, California and Clemson—still have perfect records.

Both Army and Clemson face their toughest opponents of the season this week. The Cadets have the unpleasant task of meeting Pennsylvania at Philadelphia with Penn on the rebound from its 13-0 licking by Georgia Tech. Clemson tangles with Wake Forest, 27-20 conqueror of Duke, at Winston Salem, N. C.

And then there's the top game of the day—Northwestern vs Notre Dame at South Bend.

The fighting Irish probably will win by a score of 14-0, but the Wildcats definitely are above the average caliber of Notre Dame opponents this year.

Michigan and California shouldn't have much trouble in maintaining their records. The Wolverine enters Indiana, which was trounced, 42-6, by Notre Dame Saturday. California plays host to Washington State Friday night.

Four perfect marks were broken Saturday and Sunday. In addition to Penn's defeat, Georgia Tech lost to Tennessee, 13-6; Nevada was downed by Santa Clara, 14-0; and William & Mary held North Carolina to a 7-7 tie.

One of the biggest surprises Saturday outside the unbeaten ranks was Oklahoma's 41-7 massacre of Missouri. The Sooners caught fire for 28 points in the third quarter after a 7-7 first half.

The victory made Oklahoma a good bet for possibly providing Big Seven champion, providing it can get past Kansas, which was idle Saturday.

Southern Methodist took over first place in the Southwest Conference with an unimpressive 20-14 first over Texas A & M, while Texas dumped unbeaten but once tied Baylor, 13-10.

Army bolstered its claim that it has as powerful a club as in the days of Glenn Davis and Doc Blanchard by smothering Stanford, 43-0, in New York.

In the Southeast Conference Georgia assumed the lead by defeating Florida, 20-12, as Georgia Tech was stumbling before Tennessee. Tulane, still in the title picture, stopped VMI, 28-7.

Oregon, which would like to win the nod over California as the West Coast's Rose Bowl representative, moved past Washington, 13-7, while California's little trouble with UCLA, and won, 28-13.

Northwestern, the probable Big Nine representative at Pasadena New Year's day since Michigan is ineligible and the Notre Dame game won't count, whipped Wisconsin, 16-7. Michigan sank the Navy, 35-0.

In the East Columbia, which blew leads in the final minutes while losing to Penn, Princeton and Cornell, tried to tee from behind against Dartmouth, but fell short, 26-21. Princeton trampled Harvard, 47-7, and Canisius handed St. Bonaventure its first loss, 14-6.

James Mobley, Odessa back, turned in touchdown runs of 67 and 48 yards as Odessa beat previously unbeaten, untied Sweetwater, 28-12.

Bubba Bowman, Alamo Heights (San Antonio) back: Pitched two touchdowns and passed for an extra point, gained 75 of his team's 114 yards, rushing on 17 carries, completed 13 of his 25 passes for 94 yards and had a 34.5 punting average. He also intercepted a pass but all of that was not enough; Thomas Jefferson won, 20-15.

Howard Zuch and Billy Clemons, Austin backs: They sparked the Austin offense which blanked Kerrville, 18-0. Zuch carried 12 times for 98 yards, made longest gain of game, a 46-yard run that set up a score. Clemons gained 83 yards in 17 attempts, and scored one touchdown.

Charles Nixon, McKinney tackle: His blocking and defensive work was outstanding in McKinney's 7-0 loss to Highland Park.

Ralph Reynolds, Forest (Dallas) back: Scored three touchdowns, the longest on a 32-yard sprint, as Forest defeated Crozier Tech (Dallas), 19-7.

Billy Martin, Paris back: Scored four touchdowns and passed for two more in Paris' 59-0 rout of Sherman. Gained 142 yards in 18 rushing tries and completed eight passes for 71 yards.

BETTER BOWLING
By BILLY SIXTY
ADDING THE HOOK The hook spins from right to left and has a lot more "mixing power" than either the straight ball or the ball that spins from left to right. It also has more plain push than the reverse or backspin (left to right spin).

After you have mastered foot set, you'll find running straight to the foul line and learned to co-ordinate it with the swinging ball, the hook delivery can be developed and used successfully.

As you see in the picture, the thumb is turned inward (to the left) on the ball, compared to the grip for the straight delivery. It is best to change over gradually from the straight ball to the hook and just that slight change in the thumb position will do it.

When the ball is released, the fingers to the right of the center impart a spin, and it goes down the alley turning from left to right. As in the delivery of a straight ball, the position of the thumb REMAINS THE SAME throughout the swing.

There should not be any conscious effort to turn the wrist and help the spin. That comes later. The purpose now is a gradual change over to only a little hook or rolling-over should be attempted.

Double-Teamed

Guard Hank Rockwell, left, and halfback Mike Graham, right, of Los Angeles ganged up on Monk Gafford after the Brooklyn back gained six yards in the second period at Ebbets Field. The Dons won, 17-0.

Cleveland Browns Prepare for Important Pro League Games

NEW YORK —(AP)—The Cleveland Browns spent the past two days preparing for the All-America football conference's championship game. But this month finds the Browns preparing for two clashes against the upstart San Francisco 49ers with the Western Division title at stake.

The first of these two crucial games is slated for Cleveland's Lakeland Stadium Sunday. The second is scheduled for the 49ers' home gridiron two weeks after the Cleveland meeting.

Both of these powers tuned up for their important battle next week with triumphs yesterday. The Browns dumped the Baltimore Colts, 28-7. The 49ers trounced the Chicago Rockets, 44-21, to stay a half game in front of the Browns.

The Buffalo Bills tamed the Brooklyn Dodgers, 26-21. In the other conference game, the New York Yankees humbled the Los Angeles Dons, 38-6.

Four Texans—Pete Layden, Jack Russell, Bruce Alford and Spike Sanders—were the big guns in the Yanks' triumph over the Dons. Layden pitched three six-point passes to Russell and Alford while Sanders scored one and passed for another touchdown.

Meanwhile, the Chicago Cardinals and the Chicago Bears, powers in the rival National League, remained tied for top honors in the circuit's Western Division.

No Leaders Clash In Lone Star Loop Action This Week
By the Associated Press
None of the leaders will clash this week in the Lone Star Conference and Southwest Texas State will use Sam Houston State to clinch a tie for the championship.

The unbeaten Bobcats meet winless Sam Houston at Huntsville Saturday night and by taking this game could insure at least half the title because they could lose their remaining game and still close out in a deadlock for first place with North Texas State.

One homecoming game is scheduled in the conference this week. It will be played Saturday afternoon in San Antonio before Trinity exes, between the Trinity Tigers and the East Texas Lions. Both of these teams lost last week. The Tigers fell before the North Texas Eagles, 27-12, and the Lions lost to Southwest Texas, 6-0.

The Tigers have a better record for the season and rate the edge in this game in spite of the recent improvement of the Lions.

At Houston, the fifth-place University of Houston Cougars tangle with the North Texas Eagles, firmly entrenched in second position. The Eagles should have little trouble unless the Cougars rebound from their 21-15 licking at the hands of Stephen F. Austin last week.

A nonconference contest will find Stephen F. Austin, tied for third with Trinity, playing Corpus Christi University at Nacogoches.

Rich Nutt of North Texas scored another touchdown last week to maintain his 13-point advantage over Gerald Levermann, Trinity runnerup, in the scoring race. Nutt has 55 points.

Sports Round-Up
By HUGH FULLERTON, JR., CHAPEL HILL, N. C.—(AP)—North Carolina's Carl Snively is a single wing football coach from away back. And after facing season, two that used the wing with a balanced line and one "real" single wing team, Snively will give you an argument that his style is the best and most modern kind of football. He collected some good evidence in a painful way last Saturday. The "real" single wing team, William & Mary, held Snively's Tar Heels to a tie.

PRO'S PROSE
"I think the T formation is becoming more standardized than the single wing," Snively said, "and professional football shows it. They can buy a player one week and play him the next Sunday. He knows all the plays—they all use the same ones, even the blocking assignments. You can't do that in the wing. The blocking, especially the two-edged players from the north and south halves of the league will form the all-star squads. The game will be played ten days after the playing site is determined."

A Run for Hosei U.
Fans may suspect this picture was dug out of the files, but actually it was just taken, as Hosei shut out Waseda, 4-0, for the autumn championship of the Tokyo University Baseball League. Second baseman Tanasami hit the dirt on his stomach beating a throw to the plate with the first run in the seventh inning, when pitcher Sekine won his own game flying to center field with the bases full.

Ike Williams to Give Garcia A Chance to Qualify Tonight

PHILADELPHIA —(AP)—Champion Ike Williams gives Buddy Garcia a fighting chance tonight to qualify for a lightweight title fight.

The obliging Trenton, N. J., brawler who defends his laurels at the scratch of a pen takes on the pellucid and persistent Garcia in 10-round over-weight contest that promises to fill the arena to capacity. Garcia, of Galveston, Tex., is pledged to scale above the 135-pound title weight and less than 140 for the most ambitious test of his ring career.

Williams' appearance here will be his first since he blasted Beau Jack at Shibe Park, July 12. Since that fight he turned aside a title bid by Jesse Flores at Yankee Stadium, New York, on Sept. 23.

Garcia earned his bid by thrashing Jimmy Collins on Oct. 4. The Texan, who plans to study law at the University of Houston when he tosses aside the gloves, vows he'll display the hallmark of his career, leg power, and his veteran manager, Eddie Walker, have planned a rushing, bobbing body-whittling battle.

Buddy has never been knocked out. He said he will brave such disaster for an upset triumph.

Williams, having risked his title in his last three starts, began his run of successful championship defenses in Los Angeles last May 25 by defeating Enrique Bolanos in 15 rounds. Ring-wise fans declare the champion will have to come up with one of his sharper fights to beat Garcia.

Half of Schoolboy Districts Already Decided on Winner

By HAROLD V. RATLIFF
Associated Press Sports Editor
Half the 18 districts of Texas schoolboy football have undisputed leaders as the campaign rolls through its final three weeks.

Four championships go on the line this week, two of them offering rugged tests for teams undefeated and untied over the full season route.

As the battle for playoff spots turns down the stretch, these districts have undisputed leaders: City Conference—1, Woodrow Wilson (Dallas); 2, Lamar (Houston); 3, Thomas Jefferson (San Antonio). In District 2, Paschal and Arlington Heights, both Fort Worth teams, are tied for the top. Class AA—2, Wichita Falls; 3, Odessa; 4, Highland Park (Dallas); 11, Port Arthur; 13, Austin; 14, Alice. In District 1, Amarillo and Pampa are tied for lead; in District 4, Bowie (El Paso) and Austin (El Paso) share the lead; in District 7, Breckenridge and Brownwood are tied for the top; in District 8, Henderson and Texas A & M are tied for lead; in District 9, Temple and Waco share the lead; in District 10, Conroe and Palestine are tied for lead and in District 12, Baytown and Galveston share the lead. There is a four-way tie for the top rung in District 5 among Denison, Greenville, Paris and Sherman.

This week finds Amarillo playing Pampa, Austin meeting Bowling, Breckenridge engaging Brownwood and Henderson taking on Texas A & M.

The only two Olympic track and field victories ever scored by Argentine athletes were in the Marathon.

Baptist YWA Studies Lives Of Hymn Writers

The YWA girls of the Central Baptist Church met Monday evening in the home of Miss Marlene Conklin for their regular meeting. The meeting was opened with prayer led by Mrs. Sam Batteas. Devotional was brought by Miss Edrie Morrison. Miss Freda Worley had a program on the lives of "Fanny J. Crosby, who wrote 'I am Thine Oh Lord.' Anna Hawkey, who wrote 'I Need Thee Every Hour' and C. Austin Miles, who wrote 'In The Garden.' Plans were discussed for a Thanksgiving banquet which is to be held Nov. 19. The meeting was closed with prayer led by Miss Reba Killian.

Refreshments were served to the following: Misses Mary Frances Jones, Ola Mae Smith, Juanita Prescott, Edrie Morrison, Evelyn Patterson, Norma and Reba Killian, Freda Worley, Marilee Conklin, and Mrs. Sam Batteas. The next meeting will be November 18 in the home of Miss A. Juanita Prescott, 316 South Ballard.

ORDINANCE No. 293 An ordinance providing for the levy and collection of a tax of one dollar per cent to provide a general fund and a tax of eleven cents to provide a Board of City Development fund and a tax of three cents to provide a library fund on each one hundred dollar valuation of taxable property within the City of Pampa, Texas, providing for the levy and collection of a tax of fifty five cents on each one hundred dollar valuation of all taxable property within the City of Pampa, Texas, to provide for the sinking fund for payment of the bonded indebtedness of said city, providing that when said taxes amount to more than four dollars each it shall be due and payable in four installments of twenty five per cent each, providing for a discount on each of said taxes if paid within the specified time, providing for a penalty and interest of delinquent and declaring an emergency. Nov. 1-3

Woman Discovers Economical COUGH RELIEF!

"I'm through paying fancy prices for cough syrup! I've discovered PINEX. Simply by adding eight drops of the concentrated medicinal PINEX to my water, I get my cough syrup at about 1¢ the usual cost. I've tried them all and I've never found a more effective, faster-acting cough relief. That's what millions have been saying about PINEX for over 40 years. PINEX brings quick, effective relief for coughs due to colds because it's a pure cough medicine. And you get about 4 times as much for your money simply because you add the inexpensive simple syrup. No need to pay high prices for a good cough syrup. Get PINEX at any drug store. Guaranteed to satisfy.

Declarer hopes to break the club suit 3-3, so that he can discard one of his losing hearts. Now the club suit does not break. South wins the third club with the ace and then leads the jack of hearts. If you are sitting in the West position, there are two rules that may confuse you at this point. The first is the one I quoted at the beginning, "second hand low." The second is "always cover an honor with an honor." You do not just guess at which rule to follow. If you let this trick ride and your partner has the king of hearts, declarer is bound to make a heart trick. But if you capture this trick with the ace and your partner happens to hold the king and nine of hearts, then you may win two more heart tricks.

Therefore, you disregard the rule "second hand low," and you go up with the ace of hearts. Now you can lead another diamond and force declarer to use his last trump. South then must lose two more heart tricks, so he has lost a diamond and three heart tricks—down one.

Peru, although wholly within the tropics, has three distinct climatic zones due to the influence of latitude, altitude, prevailing winds and ocean currents.

Must be a Brand New Fireball Engine in that old Buick!

NEW RELIEF! FROM MISERIES OF Dad's Coughing Cold...

VAPORUB STEAM BRINGS RELIEF WITH EVERY BREATH

You know what wonderful relief you get when you rub on Vicks VapoRub!

Now... When you have a nagging, raspy cough due to a cold, here's a special way to use Vicks VapoRub. It's Vaporub Steam and it brings grand relief in a hurry!

Put a good handful of Vicks VapoRub in a bowl of boiling water of vaporizer. Then inhale the soothing Vaporub Steam. The medicated vapors penetrate direct to cold-congested upper bronchial tubes and bring relief and soothe your throat! Try it!

CHILD'S NAME MUSTEROLE

MERTEN CLUB HEARS REPORT

Mrs. D. A. Rife gave a council report when the Merten Home Demonstration Club met Tuesday afternoon in the home of Mrs. W. E. Coop, Humble Camp.

Mrs. Rife said that the Merten Club had the largest number of exhibits at the fair and that they had won 21 ribbons. She also gave a demonstration on watering and care of house plants.

Mrs. V. Smith conducted a 10 minute recreation period and Mrs. H. H. Threatt, president, had charge of the business meeting.

The meeting was turned over to Mrs. Mary Anne Duke, county home demonstration agent, who talked on health posture. She said a normal posture is a background for personality and gives a good mental attitude since normal posture must have a well balanced diet, exercise and plenty of rest and sleep. She said people live longer, are healthier and look nicer in their clothing if they maintain a good posture.

Refreshments were served to: Misses D. A. Caldwell, C. A. Jones, S. E. Waters, C. L. Cudney, Frank Bailey, one visitor, Mrs. C. A. Williams, and two children, RaDon Cudney and Sammy Waters.

Next meeting will be an all day meeting and luncheon Nov. 16 at the home of Mrs. Allan Says, Skellytown.

McKENNEY ON BRIDGE

SECOND-HAND-LOW NOT ALWAYS GOOD

By WILLIAM E. MCKENNEY
America's Card Authority
Written for NEA Service

Today's lesson hand shows that the rule of "second hand low" must not be followed blindly. It is true that, in most cases, it

Opening—4-3

pays for second hand to play low. But this cannot be taken as a hard and fast rule. You must always stop and think.

The bidding of today's hand is simple. Declarer is in a four spade contract and receives the normal opening of the three of diamonds. East wins the trick with the ace and declarer's singleton queen drops. East properly returns the four of diamonds, showing his partner a four-card suit. This declarer trumps with the seven of spades. Now the ace, king and jack of trumps are cashed, picking up the outstanding trumps.

Declarer hopes to break the club suit 3-3, so that he can discard one of his losing hearts. Now the club suit does not break. South wins the third club with the ace and then leads the jack of hearts. If you are sitting in the West position, there are two rules that may confuse you at this point. The first is the one I quoted at the beginning, "second hand low." The second is "always cover an honor with an honor." You do not just guess at which rule to follow. If you let this trick ride and your partner has the king of hearts, declarer is bound to make a heart trick. But if you capture this trick with the ace and your partner happens to hold the king and nine of hearts, then you may win two more heart tricks.

Therefore, you disregard the rule "second hand low," and you go up with the ace of hearts. Now you can lead another diamond and force declarer to use his last trump. South then must lose two more heart tricks, so he has lost a diamond and three heart tricks—down one.

Peru, although wholly within the tropics, has three distinct climatic zones due to the influence of latitude, altitude, prevailing winds and ocean currents.

Made ESPECIALLY For BABY'S CHEST COLD

to relieve coughs—aching muscles!

Children's Mild MUSTEROLE is made especially for the average baby's tender skin. No other rub gives faster relief from coughs and that miserable aching feeling of chest colds. MUSTEROLE also breaks up painful surface congestion, bringing amazing relief.

Bell Home Demonstration Club Has Achievement Day and Regular Meet

Twenty-one members and guests of the Bell Home Demonstration Club inspected the newly remodeled kitchen in the home of Mrs. L. C. O'Neal Wednesday afternoon, when the club held achievement day and its regular meeting.

Mrs. O'Neal's former kitchen was too small, so it was enlarged to include an informal dining space at one end. A picture window was placed in this end wall. This window is framed by a green draw curtain whose design, taken from the wallpaper design, was painted with textile colors by a daughter of the O'Neals.

Modern steel cabinets, double sink and a removable drainboard replaced the old cabinets. The breakfast table's colorful plastic top, and practical rubber tiled floors completed the remodeling of the kitchen.

Mrs. C. D. Arrington, assistant recreation chairman, conducted a quiz contest. Roll call was answered with a health suggestion by each member and Mrs. Charles

Save Steps With a Work Center

New appliances and home designs point toward greater household efficiency by concentrating most household jobs in a single work center.

The kitchen-laundry brings the food preparation, dishwashing, clothes washing, and even the ironing duties into one compact area, saving work, steps and time. Under this arrangement the family washing becomes a part of the day's routine instead of a separate job in a basement laundry.

The kitchen is a light and pleasant place to do the weekly wash—and does not call for trips up and down basement stairs. Doing the laundry in the kitchen makes for a more efficient use of time since other jobs can be taken care of while clothes are swishing in the machine.

One of the newest appliances to meet the requirements of the kitchen-laundry is an "auto-magic sink" with built-in clothes and dishwasher. A three-way time and space saver, the 54-inch cabinet has a standard porcelain sink and a black hinged metal drainboard under which the washing units are located. Two interchangeable tubs—a stainless steel dish drum and a porcelain enamel clothes tub—are used for the washing operations.

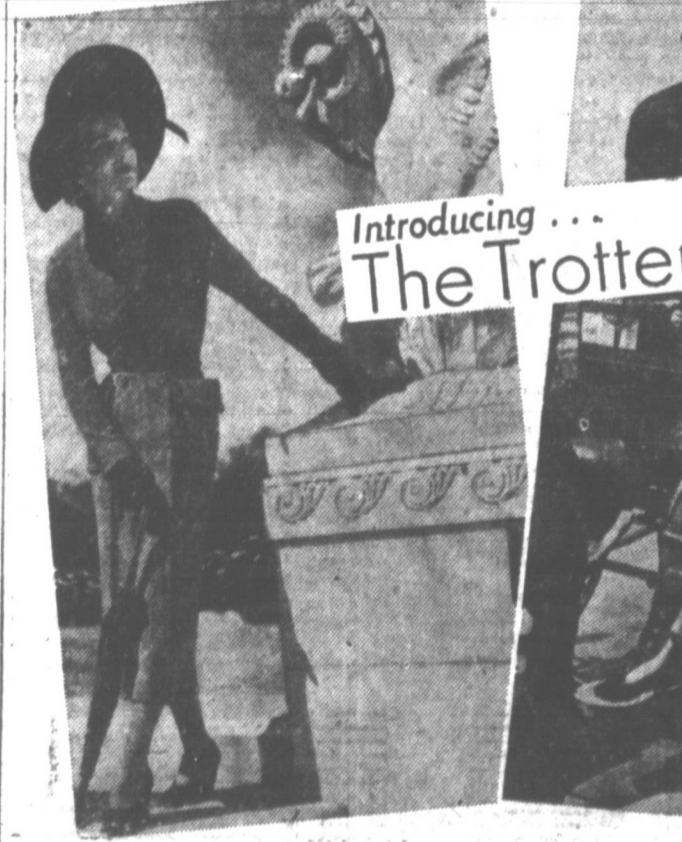

For the three-meals-a-day dishwashing, the unit turns out clean dishes and silverware for a family of six in less than five minutes. On washdays, a quick switch of the tubs converts the dishwasher to a clothes washer. The agitator tube machine takes a load of about eight pounds. Clothes are washed, rinsed and spun dry without leaving the machine.

Three-way kitchen efficiency is offered by this sink with built-in clothes and dishwasher. A 54-inch modern cabinet is designed to fit into any kitchen plan.

Dishes for six can be washed in five minutes with dishwasher. One dial controls both clothes and dishwashing operations.

Dishwasher converts to clothes washing with a switch of tubs. The tub set in use is stored in space below the sink.

Introducing... The Trotter

By EPHIE KINARD
NEA Fashion Editor

NEW YORK—(NEA)—Stepping up smartly into the front ranks of fashion is the coat-dress which answers to the name of "trotter" this fall.

This versatile costume, which is neither coat nor dress but subs for either and combines the virtues of both, is an important fashion in New York designers' collections.

Adelle Simpson introduces a "trotter" series in seal brown, evergreen green and gray chiffon brocade. All that keeps these dresses out of the coat category is the lack of a lining. Aiding and abetting the dress, right to put its masquerade across—it's a hand-

some gray front-buttoned dress of broadcloth, tied in with a cord belt—is a squirrel tippet which loops around the neck like a luxurious fur collar.

The coat-dress takes its style cue from the double-breasted refer in Herbert Serphel's collection. The outstanding style of gray tweed jersey, glistening with metallic threads, left, owes its coat look to a double-breasted closing and large hip pockets, importantly cuffed.

The Hungarian partridge is native to central Europe. It was imported to this country about 80 years ago, and is an ideal game bird because it is able to withstand droughts and severe winters.

Maple-Flavored Syrup is Back

French toast, crisp bacon and maple-flavored syrup make an ideal cold-day breakfast. Note copy of old Waterford glass bottle.

By GAYNOR MADDOX
NEA Staff Writer

Griddle cakes, French toast and waffles are all good breakfast treats for the first cold mornings. Serve with a maple-flavored syrup, an old favorite now back in good supply again.

Buttermilk Griddle Cakes (Makes 12-16 griddle cakes)

One cup sifted flour, 3/4 teaspoon combination baking powder, 1-8 teaspoon soda, 1-2 teaspoon salt, 1 tablespoon sugar, 1 egg, well beaten, 1 cup thick sour milk or buttermilk, 2 tablespoons melted butter or other shortening.

Sift flour once, measure, add baking powder, soda, salt and sugar and sift again. Combine egg and milk; add gradually to flour mixture, beating only until smooth. Add shortening. Bake on hot, greased griddle. Serve hot with maple-flavored syrup.

French Toast

One egg yolk, slightly beaten, or 2 egg yolks, slightly beaten, 1 cup milk, 1-4 teaspoon salt, 8 slices bread.

Combine slightly beaten egg with milk and salt. Cut each slice of bread in half. Dip in egg-milk mixture and saute in butter or other fat until browned, turning to brown on both sides. Serve hot with crisp bacon and maple-flavored syrup.

Dixie Pecan Waffles (Makes about five 7-inch waffles)

Two cups sifted flour, 1-2 teaspoons combination baking powder, 3/4 teaspoon salt, 2 eggs, well beaten, 1-1/2 cups milk, 5 tablespoons melted shortening, 1 cup chopped pecans.

Sift flour once, measure, add baking powder and salt, and sift again. Combine eggs and milk. Add to flour mixture, add shortening, then mix only until smooth. Stir in pecans. Bake in hot waffle iron. Serve hot with butter or fortified margarine and maple-flavored syrup.

TEEN TALK

By VIVIAN BROWN

Isn't it just ducky to get all dressed up in your super-formal and then draw a dud for a date? Besides the fact that he is poor company, he probably can't dance either. Worse than that, neither can his friends. Why is it that drips always stick together?

Of course some jerky turkeys just can't help themselves and they have to be admired for trying to learn how to get help. You should be kind to these pathetic creatures.

Try to refrain from saying "ouch" when he steps on your foot. He'll know that probably has hurt you and will be careful next time.

Don't embarrass him by suggesting a "cute little dancing school" that can teach him a step or two in 25 easy lessons. If you are unfortunate enough to draw a cowboy as a dancing partner, change your tactics. There's the clutch artist who squeezes so tight that you think you'll be smothered to death. With him you must change your course from left to right shoulder before he crushes it to pieces.

If he gallops, hold your skirt up lightly, so it will not be torn to tatters.

If his hands perspire, he probably is nervous. This may annoy you, but try not to sweat about it. The "creeper" is the biggest bone of contention. He is the annoying critter who holds his hand flat on your back, unconsciously pushing your dress up as he dances. You can handle him by caring his attention to it in a nice way—say: "My gosh, my ankles are showing," or some such facetious remark. Then you won't hurt his feelings.

Of course you can always ditch any of these high-flyin' trapeze boys merely by suggesting: "Let's sit this one out and talk." Or "let's have a snack or a drink."

Of course your own dance floor manners may not be perfect, here are some points on how to retain your dignity when dancing: 1. Don't try to lead your dancing partner. As bad as he is it will look better for him to do the honors.

2. Never leave him on the dance floor while you dash over to see Joan's engagement ring or new dress.

3. Try to refrain from holding long conversations with other couples on the dance floor. You can see them after the dance.

4. Don't hang on to your partner, dance cheek-to-cheek or snuggle up to him like a puppy dog on the dance floor.

5. Leave your purse at the table. Don't ask him to stuff his pockets with your paraphernalia. And remember your purse shouldn't look like a weekend bag. Take only essentials such as a comb, mirror, powder, lipstick, hair pins, house key and mad

Book Review Given At Jaycee-Ettes Meet

Mrs. Francis Wall gave a book review when the Jaycee-Ettes held their regular meeting Wednesday in the City Club Room.

"So Dear to My Heart" by Sterling North, was Mrs. Wall's book review selection.

Plans were discussed for the Christmas Dance, to be held Dec. 17.

Members present were: Misses Jim Arndt, S. Osborne, Lee Cisneros, Rusty Ward, Joe Fischer, Roy Taylor, William Ballard, Ray Johnson, Truvel Lively, A. Ferguson, E. A. Johnson, Elmer Francis, Jack Vaughn, John King, Davis Brown and a guest, Mrs. Grover Austin, Jr.

Co-hostesses for the evening were Misses Johnson, Lively and Brown. The next meeting will be a luncheon Nov. 17 at the Terrace Grill.

Lefors Art and Civic Has Buffet Supper

Members of the Lefors Art and Civic Club entertained Mrs. Elvis Mathis, who is moving to Hooker, Okla., with a covered dish supper served buffet style in the home of Mrs. Bob Brown Wednesday night.

The lace covered serving table was centered with yellow and bronze chrysanthemums in a low pottery bowl reflected on a mirror.

The hostess presented the honoree with a "hankie shower" from the members. Those attending were: Mesdames Marion Brown, L. R. Spence, Scott Hall, Ray Boyd, Howard Archer, Bill Smith, Bill Osburn, Eldon Carter, Bud Cumberland, Ray Jordan, Earl Atkinson, John Brewer, Mary Reynolds, Ray Carruth, R. H. Barron, Bill Watson, Alven Haley a guest and the honoree and hostess.

Wilson P-TA to Begin Procedure Course

Woodrow Wilson Parent-Teacher Association will begin its procedure course Nov. 16.

Classes will be held from 9-11 a.m. in the school cafeteria on Tuesday and Thursday. The association urges all members to take this course which will familiarize them with the correct procedure in P-T-A work.

Mrs. H. M. Stokes will instruct the course. If any further information is needed, interested persons may call Mrs. Joe Wells.

Whatever happens don't be tempted into exhibitionism. If your partner insists on doing weird dances, tell him you'd prefer not to. After all, you don't have to be a dope just because he is. Don't think it's cute to solo dance and NEVER, NEVER, dance with another girl.

Some girls dance together in the privacy of their homes, schools or clubs, when they are trying to learn new steps. This, of course, is a wonderful way to learn how to dance without spoiling a beautiful friendship with your best beau.

If "Number please?" is sometimes delayed...

When you lift your telephone receiver, a light appears on the switchboard in front of several operators. Normally at least one of them can respond quickly. She picks up one of the cords in front of her and plugs it into the switchboard. This connects her with your telephone and she says, "Number, please?"

But nowadays the switchboard is temporarily crowded, serving many people who otherwise would not have service. Many more telephones are in use than ever before, and calling is at an all-time high. The switchboard at times is literally ablaze with lights—and if you should call during one of these busy times, it is possible that every one of the operators who could answer your call is busy. When that happens, a few extra seconds may elapse until you hear the familiar "Number, please?"

As soon as much-needed equipment can be obtained and installed, we'll be ready to handle your calls quicker and better than ever before. Meanwhile, if at times your call is not answered at once, you'll know that nimble fingers will reach it as soon as they possibly can. We appreciate your patience and understanding.

Shower Honors Mrs. Elbert Ford

Mrs. Elbert S. Ford was honored with a miscellaneous-bridal shower Tuesday in the home of Mr. and Mrs. Joe Auen, 219 N. Gillespie.

Mrs. Eula Davenport and Frank Slaton were co-hostesses.

Refreshments were served to the following guests: Misses O. H. Rogers, R. L. Price, Landon J. Caddell, Jack Robertson, Lela Pearl Reed, Addie Callan, Bill White, Lee Price, J. E. Wheeler, Hazel Callan, T. P. Musgrove, L. L. Marshall, Lena Rogers, George T. Adams, F. H. Ford, A. E. Geo, John F. Digon, Anna Frank, Pat Pugh and Mr. and Mrs. Frank Slaton and Jerry and Mrs. L. F. Davenport.

WOMEN who feel NERVOUS

caused by functional "middle-age" Do you suffer from hot flashes, weak nervous, irritable clammy feelings—due to the functional "middle-age" period peculiar to women (38-50 yrs.)? Then use Lydia E. Pinkham's Vegetable Compound to relieve such symptoms! It also has what Doctors prescribe for toxic effects!

LYDIA E. PINKHAM'S VEGETABLE COMPOUND

NEVER MENTALLY TO THE ROOF

CAN BLACK-DRAUGHT HELP A BAD BREATH?

Yes, Black-Draught may help a bad breath if the only reason you have bad breath is because of constipation. Black-Draught, the friendly laxative, is usually prompt and thorough when taken as directed. It costs only a penny or less a dose. That's why it has been a best-seller for four generations. If you are troubled with such symptoms as loss of appetite, headache, upset stomach, indigestion, physical fatigue, sleeplessness, mental listlessness, bad breath—and if these symptoms are due only to constipation—then use Black-Draught today.

SOUTHWESTERN BELL TELEPHONE CO.

Exactness--Assured by Science

In his technological age, man has become habituated to many things, notably the science of exactness. He can go to the drug store and purchase liver extract in concentrated form. He can take "his medicine" with a glass of water, and he will accept nothing but a certain period of time, is presumed to be over.

Fair Enough -- by Westbrook Pegler

Although many of our unions are Communist fronts of an enemy nation and others are fronts for the Italian Fascist Labor Front, the fact remains that our native union movement has iniquities of its own and has not had to worry anymore.

Common Ground by R. C. HOLES

I have been quoting for the past two days from the September issue of Analysis magazine in which there appears a commentary on the activities of communists in the United States and a description of how St. Paul changed over from believing in the use of force to make people do good and come to believe it was better to persuade people than to coerce them.

Gracie Reports by GRACIE ALLEN

Well, I often wondered what happened when a psychiatrist and a dentist got together, and now I know. A leading psychiatrist made a speech at a dentist's convention in Philadelphia, and told them they were all suffering from a feeling of inferiority because sometimes they had hurt their patients.

Success Secrets by MARY WINSLOW

Are you afraid to speak? Before you answer stop and think a moment. Maybe you are not afraid of people, but you are afraid to speak in public.

NATIONAL WHIRLIGIG news behind the news

Washington by RAY TUCKER

WASHINGTON -- The "cold war" which congeals Western diplomacy in the Paris-Moscow-Berlin negotiations with Russia has its icy counterpart at the nation's Capitol.

INTERCHANGE

INTERCHANGE -- Government officials furnished their statistics on finance, trade, agriculture, etc. Army-Navy representatives became good friends of their opposites, and the latter were frequently given access to "non-classified" data.

BILLS

BILLS -- When and if they borrow books from the Congressional Library or any similar institution, the appropriate officials here are informed, and the particular volumes are carefully scanned for the light they may throw on Communist curiosity.

BEAR

BEAR -- The Russians have a "holed in" like a hibernating bear in other respects. Their supposed public relations representative will not answer even the most innocuous questions.

VICTIMS

VICTIMS -- Ironically, the principal victims of this self-imposed boycott are the Russians themselves. Until it became obvious that Moscow did not intend to keep her wartime pledges or to cooperate in world restoration, the Russian diplomatic family was treated like human beings.

What wouldn't give for a good, old-fashioned breakfast!

Toggery to Celebrate First Year Anniversary

Bean Visualizer Service at Lewis

The Lewis Motor Company, 211 N. Ballard, features John Bean Visualizer service. The employee uses the electric eye method that is found only in the most precision instruments. The visualizer puts the results on a screen so the owner of the car can easily see what he is paying for. Wesley Lewis has owned the business for the past two years. He lives at 425 N. Hazel with his wife, La Vera, sons, Monte, 13 years old, and daughter, Glens, seven.

Seven are employed at the Studebaker agency and provide one-stop service for all makes of cars.

Golden Loaf For Pampans

Who said all breads taste just alike? Maybe the "run of the mill" breads do taste practically the same. However, not so for Golden Loaf, put out by the Pampa Baking Company, 848 W. Foster.

Owned and managed by Frank Rapetine, the Pampa Baking Company sells the best bread made in Pampa. The bakery advertises "a special cake for each occasion." If housewives would heed this suggestion, they would find company dinners much easier.

If you're in doubt about the difference in bread, go to the Pampa Baking Company, buy a loaf of Golden Loaf and taste the difference.

Does Your Watch Have 'New Look'?

After 20 years of watch repairing experience, Pat Ricketts really knows what makes clocks tick. Owner of Ricketts Jewelry, 218 1-2 W. Foster, Pat owns one of the two Watchmasters in Pampa.

Many Pampans have been pleasantly surprised when they stop in at the jewelry to pick up their watches.

"Why it looks like new," said one woman as she gazed at her six-year-old watch. Yes, she took it in to be adjusted and fitted with a new watch band. However, Pat has a policy to shine the faces of the watches as he repairs them. He gives old watches "The New Look."

Business and Town Grow

Every nationally-known drug is to be found upon the shelves at Berry's Pharmacy, 100 E. Cuyler. Berry's has everything that any other drug store ever had.

Jointly owned by H. C. Berry and Clyde Oswald, Berry's has been at its present location since 1943. Berry's is rapidly becoming one of the most popular "coffee or malt-date" meeting places in Pampa.

Sanitone Cleaning Only at DeLuxe

Owned and operated during the past seven years by Morris Endo, the DeLuxe Dry Cleaners is the only approved Sanitone cleaner in Pampa.

The chief advantage of Sanitone cleaning over "old fashioned" dry cleaning is that it doesn't contain any moisture, such as water. Sanitone cleaning is a process which cleans far more thoroughly than ordinary methods. The process itself is a double action to the cleaning solvent soluble and water soluble soils are removed. It cleans everything from the most dainty frocks to heavy woollens.

However, Sanitone cleaning is not something new. It was originated in 1931 and is now used by more than 400 leading cleaners in the U. S. and Canada.

All Garments Have Been Marked Down This Week, Commemorating Anniversary

An interior view of the Toggery, 216 N. Russell, shows (l. to r.) Mrs. Frank H. Walker, co-owner; Mrs. Lillian Kelley, customer; and Mrs. Bert Arney, co-owner.

By JIM McCLUSKEY, Public Relations Editor

The Toggery Ladies' Ready-to-Wear shop will celebrate its first year anniversary Friday. Throughout this week, all merchandise in the store will be marked down, commemorating the event.

Mrs. Nadine R. Arney and Mrs. Ruth E. Walker have jointly operated the shop and have shown great business increases during the past year.

Located in a white brick building across from the Courthouse at 216 N. Russell, the Toggery specializes in clothing for business girls. The store started with only two or three nationally known brands of garments. At present there are more than 20 different nationally known lines, with still others expected within a few weeks.

Mrs. Arney's husband, Bert, is assistant safety director at Cabot while Mrs. Walker's husband, Frank H. is a safety engineer at Cabot.

The Arneys live at 408 N. Frost and have two children, Barbara Ann, nine, and Carol Lee, seven. Mrs. Arney is a member of the Epiphany Alpha Alpha Society, and has lived in Pampa most of her life.

The Walkers have three children, Mrs. A. N. Danereau, Oklahoma City, Mrs. Bruce O. Nicholes, Caldwell, Idaho, and Frank H. Jr., Pampa. Mrs. Walker is president of the Holy Souls P. T. A. They reside at 201 E. Francis.

The latest well known items received at the Toggery are: "Lana Joyce Jac-Art" contest pajamas; "Deena" eight gore white and black crepe and satin satin alps, both half and full size slips; "Hortense" maternity dresses; "Fussy-Jo" blouses and skirts; "Georgiana" frocks and "Kay Dunhill" dresses and blouses.

Stockings, Eilyn Deleith "perfumes" and lipstick, the store carries all of the odors and shades—"Pampa," "Spendrift," "Eilyn's Secret," "Blue Flame," "Iola" and "Caprice Eilyn" perfumes and "Sunrise," "Fiesta" and "Sunset" lipsticks. The perfumes are carried in the "pinch-dram-size", especially for working girls, as well as in larger quantities.

Some of the nationally known lines at the Toggery are "Vincetti" dresses, "Teen Fare" dresses, "California Fashions" suits, "Kibro" dresses and skirts, "Pre-view" sportswear and "Lady" and "Little Alice" garments.

Still others include "California Coatmaster" coats, "Renee" and "Star Fashion" brassieres, "Canon" hosiery, "Russell Manufacturing Company" blouses and "M. R. Fleischman's" sportswear.

Muskrats get their name from a pair of perineal glands which secrete a very strong and penetrating but not unpleasant odor of musk. The annual harvest is about 10,000,000 pelts.

The Mississippi River actually flows uphill, since its mouth is farther from the center of the earth than its source is.

Benjamin Franklin once tried to raise silk worms.

Daniels Does Undersealing

J. C. Daniels Motor Company, Lincoln-Mercury agency for Pampa, provides undersealing for any make car. With it any car may be sprayed on the underneath side to prevent rusting, as well as to deaden metallic vibrations. Once over with the undersealer, the job outlasts the life of the car. In its eleventh year of opera-

Renovation Offered By Hall & Pinson Co.

Omer V. and Leymond O. Hall and Dale Pinson have operated the Hall & Pinson Tire Company at 301 W. Foster for the past five years.

One special service offered by the tire company is an entire renovation of the interior of cars. Many customers have brought old wornout cars to the station hoping something could be done to make the old car last a little longer. After one of the Hall & Pinson special renovation jobs, the customers feel almost as if they are driving away a new car.

The owners of the tire company are all married and live at 1021 E. Browning.

The motor company has 14 complete departments with 35 factory-trained employees.

Pleased Customers At Shamrock Service

The Shamrock Service Station at 400 W. Foster, under the management of Charlie Ford, is a branch of the Shamrock Oil and Gasoline Corporation.

Selling all leading brands of oil and Shamrock gasoline, Ford, "Cotton" Johnson and Iva n Marlin, employees, fix flats, wash cars, handle lubrication jobs and do everything they can to please customers and provide the best possible service.

All customers at the station, whether they be transients or regulars, receive kind and courteous service at all times between the service station's hours of 7:30 a. m. and 7:30 p. m.

Need Accessories? Daniels Has Them

J. C. Daniels Motor Company, 219 W. Tyne, has 14 different fully equipped departments with 35 factory-trained employees. The company is the Lincoln-Mercury agency in Pampa.

When looking for auto accessories for the car, one needn't look any further than J. C. Daniels. Some of the extras he has include: radios, upholstery cleaner, water repellent solution, radiator caps, seat cushions, heaters, window shades, seat covers, utility lamp locks, sun glasses, struts and steering wheel covers.

Endurance Fliers Hope for Break With Weatherman

LONGVIEW—Past the half-way mark toward a new world record, endurance fliers Fred Vinmont and Bert Simons watched for good weather today in hopes of refueling in the air.

They had planned to try refueling in the air yesterday but high winds prevented it. Instead they did some experimental flying with the proposed refueling plane so that synchronization will not be too difficult when weather improves.

WESTERN TALKS

HERFORD, Germany—(AP)—Gen. Lucious D. Clay, American commander in Germany, will join British and French officers today in talks designed to unify the armies of Western Europe.

OUR BOARDING HOUSE

Hedges were such important parts of the old Roman gardens that those who cared for them and trimmed them were given a special, dignified title.

No Serious Price Decline Expected DALLAS - (AP) - The president of Dean & Bradstreet, Inc., doesn't expect any serious or widespread price declines.

Arthur Dare Whiteside, whose business is to interpret the pulse of the nation's business, said here yesterday that soft spots will appear in the nation's economy and prices will gradually stop climbing.

But he says there's not likely to be any widespread price declines.

Herb gardens were planted within the cloistered walls of European monasteries during the Renaissance, and the products used to treat ailing people.

Choosing Antiques Is Up to Individual Taste

In writing about antiques, it is not easy to be consistent, and any general conclusion is impossible.

The collection and association should be determined by the collector's sense of fitness. For instance, there are certain objects that are obviously the better for age, the objects that are softened and refined by a bloom that comes from use.

The antiques the average American householder is interested in are the old mahogany, rosewood and walnut things that stand for the oldest period of our own particular history. However, our cherry and walnut offer a combination of beauty and it is "at home" in simple American houses and yet by virtue of its usefulness and sturdiness—it is not out of place in a room where beautiful objects of other periods are used.

The simplicity of Early American furniture perhaps accounts for the popularity of such pieces today. The bright brass and copper, painted tableware and colored glass combine to make an impression of homely comfort, as well as beauty.

The person who said that a taste for old furniture and violet was "worse than a passion, it was a vice" was certainly near the truth. It is an absorbing pursuit, an obsession, and it grows with what it feeds on. As in objects of art, so in old furniture, the supply will not always equal the demand and nothing later

BUILDING NEWS Various Tricks Are Used for Stretching Space in Home

High cost of building and scarcity of materials has brought about a shrinkage in the size of living spaces. It is now imperative that the space in small homes and in apartments be stretched by using numerous tricks when decorating.

Small quarters can be made to look spacious, and occupants can have a big outlook over Beatrice West. A native Texan and architecturally trained at the University of Texas, it is natural that Miss West would use the importance of spaciousness. For the past several years her efforts are taken from Decorator Beatrice West. A native Texan and architecturally trained at the University of Texas, it is natural that Miss West would use the importance of spaciousness.

Here's How To Lengthen Carpet Life

Beat your rug often and see what happens! Tufts will loosen, the pile will wilt and you will be miserable. Even daily vacuuming is unnecessary for rugs. You can add years to its life... and your own, too, by the daily use of a carpet sweeper to pick up surface dirt, threads, crumbs, etc.

New Fabrics Given First Showing

A new collection of fabrics has just been released by Drapery & Upholstery Fabrics, New York City, a division of Freeff Fabrics, Inc. The line falls into six divisions: modern, contemporary, provincial, documentary and English prints, in addition to their woven fabrics.

Mainly About People

Miss Maxine Houston and Miss Janell Shelton spent the weekend at Hobbes.

For Rent: 2346 ff. frame building for storage, call Mrs. I. W. Spangler, phone 878-W.

Jay Flaangman, manager of the Guaranty Abstract and Title Co., spent the day in Berger on business.

Bread'er Bread—Golden Loaf.

Deputy Sheriff Mrs. Robert Horn was confined to her home today because of illness.

Benjamin Franklin said, "Dost thou value life? Then do not squander time for it is the stuff life is made of." Let us help you plan your leisure and prepare for that better paying job. Pampa Business College, 309 E. Foster. Phone 223.

Harry Mathis, reporter-photographer for the Texas Sheriff's Association magazine, arrived in town over the weekend to spend several days photographing City Police and Sheriff's Department personnel for the monthly publication.

For Sale—Electric sweeper, in good condition, also an auto saxonophone, almost new. 628 N. Nelson.

Members of the Eastern Star have been invited to a "friendship night" at White Deer tomorrow at 7:30. All desiring to go are asked to call 1583-W.

Net Monthly Cost of Owning \$9,500 Home Set at \$31.65

Because of income tax savings, longer term mortgages and lower interest rates, the monthly cost of home ownership today is far less expensive than paying rent and is proportionately less than before the war, in spite of the fact that today's home sells for twice as much.

Analyzing the economics of owning a \$9,500 house today, the Construction Research Bureau of New York finds that the net average monthly cost is only \$31.65.

Figures are arrived at thus: PREWAR—Down payment of 10 percent on a \$9,500 house left a \$4,500 mortgage. Financed for 20 years at 5 percent interest, monthly payments on interest and principal were \$29.70. To this was added \$9 per month for real estate and water taxes, \$1 for insurance, and \$4.50 for repair, the monthly outlay totaling \$44.20. From this was subtracted \$12.55, the average monthly accumulation resulting from payments on mortgage principal. The net monthly cost was \$31.65.

TODAY—Down payment of \$1,800 on a \$9,500 house leaves a \$7,700 mortgage. Financed for 25 years at a 1-1/2 percent, monthly payments on interest and principal are \$42.81. Adding \$14 for taxes

Roping Club to Hold Barbecue

The Pampa Roping Club will hold a Western-style barbecue at 7:30 p.m. Thursday in the Armory building at Recreation Park, H. B. Taylor, Jr., announced today.

All members must wear their membership cards to get in. The barbecue and the tentatively scheduled dance to follow are open to members of the club and their families and girl friends, Taylor said.

Homer Taylor, vice president of the club is furnishing the beef.

Forces Talk Peace

TEL AVIV, Israel—(AP)—Sources close to the Israeli Foreign Office said yesterday peace talks are underway between the Egyptian and Israeli governments.

(A member of Egypt's U. N. delegation in Paris denied the report, while Israeli informants in Paris would neither confirm nor deny it.)

Greeks Cooperate

PARIS—(AP)—The Greek government responded to an unprecedented plea by the president of the U. N. General Assembly by postponing the execution of 10 seamen who had been scheduled to die today.

Dr. Herbert V. Ewart, Australian foreign minister and president of the assembly, asked the postponement yesterday in cables to King Paul and Premier Themistokles Sophoulis.

AIRLIFT CRIPPLED

BERLIN—(AP)—Fog crippled the airlift to blockaded Berlin for 18 hours last night and today.

Cleanliness is next on our list of do's and don'ts for good rug care. Watch out for too frequent shampooing! A new rug which received ordinary care doesn't need shampooing for a year, and two would be better. When your rug has lost its sparkling air, that is the time to send it to a professional cleaner. He does a much better job than you do for a number of reasons. Soapless shampoos, which sound so easy to use, leave your rugs damp. Dampness is death to the backing of a rug.

Legal Records

Marriage—Licenses

Two couples were granted licenses to wed over the weekend in the office of County Clerk Charlie Thut. They were: Orlin Allen and Bertie McDowell.

Wilburn L. Brown and Mary June Coyle

C. V. Forsman to Robert Huffhines and wife; north 70 feet, Lot 9, Block 2, Seed subdivision, Plot 179, suburbs of Pampa.

John I. Bradley and wife to W. D. Clotis; Lots 23 and 24, Block 40, Wilcox.

John E. Norman and wife to M. C. Mitchell; Lot 6, Block 1, Wilcox.

J. C. Holloway and wife to Iona M. Meyers; five acres out of the northeast one quarter, Section 4, Block 25, H & G N Railroad surveys of Gray County.

Suits Filed

The try title suit of Elzy Lane Smithson et al. versus Herbert Ernest Peoples and Ed F. Brock was filed Saturday in the office of District Clerk Dee Patterson.

RANCH HOME

(Continued from Page 1)

and parts of what might once have been an oil stove or heater were discovered near one of the beds.

In spite of last night's wind, firemen were able to keep the blaze from spreading to the frame outbuildings; only the house was destroyed.

At 8:45 a.m. today, the department answered a call in the 800 block of N. West to extinguish a fire in one of the city's garbage packers.

Someone had been burning garbage or trash in a trash barrel and the fire was still smoldering when the trash collectors picked it up.

Estimates on the extent of damage to the truck were not available, but Winborne said, "If each person who burns trash would realize that it costs them, as taxpayers, money each time a trash truck catches fire, they wouldn't do it anymore. Those trucks are expensive, and repairs cost money."
