Saigon Blaming Reds For Delay

PARIS (UPI)—South Vietnam charged formally Saturday that North Vietnam and the Viet Cong's National Liberation Front were in Paris "not to negotiate peace but to impose it."

The charge was made in a hard-hitting communique issued after U.S. deputy chief negotiator Cyrus Vance flew back to Washington for consultations and on the eve of the departure of Vice President Nguyen Cao Ky for Saigon.

The communique by the South Vietnamese delegation in Paris denounced "the black designs of the Communist side" as the sole obstacle to getting an expanded Paris conference on Vietnam underway.

The Saigon delegation insisted anew on a conference table with two sides—Allied and Communist—instead of a four party arrangement favored by Hanoi and the Viet Cong.

The South Vietnamese communique said such an arrangement would "permit the Communist fighters in South Vietnam to make their voice heard."

"Under cover of procedural problems," the communique continued, "the Communist side is actually fighting a political battle"—trying to obtain official recognition for the National Liberation Front.

Earlier Saturday Vance left by air for Washington for urgent consultations on how to break the persistent deadlock preventing opening of the expanded Vietnam conference.

South Vietnam's Ky was scheduled to leave for similar Saigon consultations Sunday.

The twin trips put into a temporary deep freeze current efforts to organize the conference, originally scheduled to have begun Nov. 6.

Julie and David To Repeat Vows During Wedding

NEW YORK (UPI)—Julie Nixon and David Eisenhower said their "I do's" Saturday in a Christmas wreathed church in rehearsal for a Sunday ceremony that will link two famous political families by matrimony.

David had a slight case of premature jitters.

The daughter of the president-elect and the grandson of former President Dwight D. Eisenhower, both 20, were to take their formal marriage vows at 4 p.m. Sunday in Marble Collegiate Church, with Dr. Norman Vincent Peale, author of "The Power of Positive Thinking," officiating.

Strikingly pretty, chestnut-haired Julie, younger daughter of Richard M. Nixon, and David passed up a White House wedding for a "private" ceremony to be witnessed by 500 relatives, close friends, and top members of the new Nixon administration.

The young couple were adamant that the marriage would not be a "state occasion" and that their dynamic role in the recent Republican campaign that catapulted Julie's father to the White House would not intrude in their storybook romance.

The former President, who has doted on his grandson through the years, will watch the service on closed circuit television in his suite in Walter Reed Hospital in Washington, where he is convalescing from a series of heart attacks. His wife, Mamie, who had planned to attend the wedding, is ailing.

'LA 68' Photos On Page 16-17

The photo story of Pampa High School's band and choir trip to Los Angeles and their half-time appearance at the Rams-Colts NFL game last Sunday will be found on Pages 16 and 17 of today's Pampa News.

The pictures were taken by Wanda Mae Huff, Daily News reporter, who accompanied the group to the West Coast and filed daily stories of the "L.A. 68" activities.

The band and choir will head for New York on Friday for a half-time performance at the New York Jets championship playoff with the winner of today's American Football League game between the Kansas City Chiefs and Oakland Raiders.

SHOPPING DAYS 'TIL CHRISTMAS

SANTA AND FRIENDS — Some 200 children were made happy yesterday afternoon at the Salvation Army's annual Christmas party for children. Here they are shown with Santa as he distributed bags of candy, apples and other goodies, assisted by Capt. Jesse Duncan, local Army commander. At 9:30 a.m. Monday at the SA headquarters, toys family baskets will be distributed to about 75 approved families, according to Capt. Duncan.

Apollo Astronauts Speed To Moon Rendezvous

All Hail Voyage Toward Moon, Except Soviets

By United Press International

A Soviet newspaper commented sourly Saturday on America's "thirst for noisy sensations." All else was praise for the feat of the Apollo 8 moonship and its brave crew.

Sovetskaya Kultur said the Soviet Union never would send Cosmonauts on a trip around the moon until their safe return was assured.

But an Austrian scientist hailed the launch of Apollo 8 as "one of mankind's greatest days." A Manila newspaper compared it to the voyage of Christopher Columbus.

Few of the world's people were indifferent Saturday when three American astronauts rode their Apollo 8 spacecraft on man's deepest penetration of space which will carry them around the moon.

"I kept my fingers crossed on both hands until we knew those brave men had made it into orbit," said Frankfurt, Germany, housewife Johanna Vilmar.

Like tens of millions of Europeans she watched the blastoff on live television and she said the experience gave her "goosepimples."

Another European who watched was Prof. Alexandre Ananoff, France's leading space scientist, who organized the world's first space conference in 1928. He described the flight as "a historic moment" and said it was "absolutely impossible for it to fail."

"I am still under the emotion of it all," Ananoff said. "It was extraordinary."

Elsewhere in Europe, the space venture crowded news of the Italian crisis from the tops of Rome's newspaper front pages and thinned out busy pre-Christmas traffic in Prague as Czechoslovaks made for television sets.

In Asia, the Manila Times compared the mission to Columbus' voyage.

"If the Apollo 8 mission succeeds, this day will be as historic as Aug. 3, 1492, when Christopher Columbus and his 87 men in three small ships set sail for new lands."

FAREWELL PARTY — Co-workers and friends gathered together Friday afternoon to bid Mrs. Maw Walker, retiring police dispatcher, Mrs. Walker has served as police dispatcher for the Pampa Police Department since 1952 on the 3 to 11 p.m. shift. Above, Mrs. Walker, left, discusses her plans with Mrs. M. B. Pollard, who works as a police dispatcher, and Police Chief Jim Conner, at her farewell party.

Co-Workers, Friends Fete 'Maw' Walker At Her Party

By JEFF HOLLADAY

Pampa News Staff Writer

All afternoon they trickled in to hug her, kiss her, exchange verbal brickbats, chat, nibble on ample hors d'oeuvres and finally and inevitably say sentimental good-bys.

The occasion was the Friday going-away Christmas party for Mrs. Mary "Maw" Walker, who retired from the Pampa Police Department Tuesday after 16 years of service as evening dispatcher.

Held in the police station the 2-6 p.m. Friday party attracted friends and acquaintances from all walks of life, many of whom brought gifts.

City Manager Charles Hill, who played football with Mrs. Walker's son, Jerry, at Texas Tech, was one of many who came by to give his regards.

"I never could hug you before because I couldn't show partiality, but I'm going to do it now," Hill said, giving her an affectionate squeeze.

Throughout the afternoon the phrase, "We're going to miss you" was constantly heard.

Mrs. Walker was a gracious honoree, chatting and joking with friends, acquaintances and visitors, and exchanging verbal brickbats and occasionally mock scolding policemen and members of the press, whom she considers "her boys."

It was a pleasant way to end it all, but "Maw" Walker had mixed emotions.

"My years down here were (See PARTY, Page 3)

FBI Agents Close In On Kidnap Suspect

PUNTA GORDA, Fla. (UPI)—FBI agents and scores of local police closed in Saturday on a man believed to be Gary Steven Krist, wanted in the Mackle kidnap case. He reportedly was spotted passing through Coast Guard locks north of Ft. Meyers in a high powered boat.

"We believe we definitely have him surrounded in the area," a Lee county sheriff's officer said.

The search area was along the Myakka River, in a heavily wooded section, along Florida's southwest coast.

Officers said a man believed to be Krist was seen at the wheel of a 16 foot boat powered with an 85 HP motor.

The Lee county sheriff's office said the boat was purchased with 20-dollar bills in Ft. Myers Friday afternoon by a man answering Krist's description.

Robert Mackle, ransomed his daughter, Barbara Jane, with \$500,000 in twenty dollar bills.

The FBI called in Coast Guard Saturday morning in an attempt to find the boat on Florida's lower-southwest coast.

The boat, bearing Florida registration 2885AJ was seen as it went through the locks which prevent salt water from pouring into the Myakka River.

A Coast Guard helicopter pilot confirmed the man aboard appeared to be Krist.

As FBI agents and deputies from Lee and Charlotte counties closed in by boat and car, deputies said the suspect beached the boat on a river bank heavily overgrown with mangroves and fled on foot into the dense jungle.

"He's in there. We know the other two are not with him," an unidentified FBI man said.

Band and Choir Ready for Game

Though still a little short of funds, Pampa High School Harvester Band and Concert Choir members were getting prepared to perform at the halftime of the New York Jets American Football League game Dec. 29 in Shea Stadium, New York City.

School superintendent Dr. James F. Malone reported yesterday that the group still needed about \$5,000 in funds, but they were expecting to collect it before Friday.

The group will leave Friday morning and return Monday.

Mankind's First Step Outside Earth Bonds

By EDWARD K. DELONG
UPI Space Writer

SPACE CENTER, Houston (UPI) — Apollo 8 astronauts Frank Borman, James Lovell and William Anders took mankind for the first time outside the bonds of earth Saturday and sped away, one of history's greatest days, toward the moon.

They were to orbit it 10 times over Christmas and the head of the Apollo program said there was a remote possibility Americans could land on it as early as next May.

Commander Borman and crewmen Lovell and Anders rode the awesome Saturn 5 rocket into space from a pool of orange flame at Cape Kennedy at 6:51 a.m. CST.

Within seconds after the "trans-lunar injection" blast orbit and Lovell's calm voice came across 6,500 miles of space.

"I can see the entire earth now out of the center window. I can see Florida, Cuba, Central America, the whole northern half of the South America, in fact all the way down to Argentina, and down through Chile."

"We have a beautiful view of Florida now. And at the same time we can see Africa. I can also see Gibraltar."

Voices Calm

The voices of the astronauts were mostly terse, calm and businesslike in contrast to the incredible events they were (See APOLLO, Page 3)

And its 24,000-mile-an-hour speed was the fastest any manned spacecraft had ever travelled.

From thousands of miles in space, the astronauts' voices came back crisp and clear a bell.

"I'm looking out my center window and the window is bigger than earth is," Lovell said from 20,000 miles.

"You're on your way! You're really on your way now!" Chris Craft, the space agency's top flight director, radioed the astronauts after they restarted their Saturn's third stage, fired it for five minutes and 11 1/2 seconds at 9:42 a.m. CST to kick out of earth orbit toward the moon, and put themselves into the history books.

Dropping the useless third stage, the spacecraft began

Hanoi Enlarges Its War Efforts Above DMZ Area

SAIGON (UPI)—North Vietnam has greatly enlarged its war effort above the Demilitarized Zone since the Nov. 3 bombing halt, reopening three ports closed by U.S. air raids three years ago and lengthening two air strips to accommodate MIG jets, allied military sources said Saturday.

The informed reports coincided with disclosure that U.S. fighter-bombers flying cover for unarmed reconnaissance jets struck a gun position inside North Vietnam for the second straight day.

In Saigon, U.S. officials agreed to an unprecedented meeting with Viet Cong leaders in South Vietnam on Christmas day to arrange for the release of three American prisoners held by the Communists.

Senior U.S. officials in Saigon said Saturday the Viet Cong still has the capability of launching new attacks on South Vietnam's cities and towns in an attempt to influence Paris negotiations and U.S. end world opinion. But the officials said they "seriously doubt" the Communists could get another big offensive off the ground.

Reporting the improvement in port and airport facilities in the southern panhandle of North Vietnam, one informed all-military source said:

"These improvements in North Vietnam in better shape militarily now than they have ever been in before started the bombing."

US, North Korea Discuss Release

SEOUL (UPI)—American and North Korean representatives met at the truce village of Panmunjom Saturday to work out final details for the release of the 82-man crew of the intelligence ship Pueblo, a South Korean newspaper said.

U.S. and South Korean officials would not confirm the report. And another newspaper said no new meeting had been held up to noon Saturday.

One of South Korea's largest newspapers, Kyonghyang Shinmun, said negotiators met at Panmunjom Saturday for the 28th time since the North Koreans captured the ship last Jan. 23. It said spokesmen for the two nations still were trying to iron out differences over procedures, date and place for releasing the crewmen.

The account said the differences may delay the release until after Christmas.

Earlier Seoul newspapers reports said the American Navy men probably would be released Monday. Congressional sources in Washington said Thursday agreement had been reached on release of the crew but that details remained to be worked out. There has been no official American comment.

Meeting Slated To Free Three

SAIGON (UPI)—Ten unarmed men will meet under a Viet Cong flag on a river bank northwest of Saigon Christmas day to arrange the release of three American servicemen held prisoner by Communist forces.

The United States mission agreed Saturday to the unprecedented meeting with agents of the guerrilla Viet Cong. The Viet Cong proposed the meeting in a radio broadcast Thursday.

In Paris Thursday, National Liberation Front (Viet Cong) representatives identified the three captured Americans they intended to release as Thomas Nelson Jones, Donald N. Smith and James W. Erigham. They did not disclose the hometowns of the men and the details of their capture.

The Viet Cong said they would send five unarmed men to a riverbank in Tay Ninh province about 50 miles northwest of Saigon and five miles from the Cambodian border Christmas day. They said they would mark the spot with a Viet Cong flag.

(Continued From Page 1)
Occidental Life and Trans-American Life insurance companies of Houston, have volunteered a 250-passenger jet airplane for use.

About 25 to 30 Chamber of Commerce members met Friday afternoon at the Coronado Inn to discuss ways of helping to raise funds for the group.

"All citizens of Pampa who want to help can send their money or checks to the school," E.O. Wedgworth, Chamber manager, said.

The Jets, who extended the invitation after representatives watched the halftime performance at last Sunday's Los Angeles Rams-Baltimore Colts National Football League game, will play the winner of today's Oakland Raiders-Kansas City Chiefs game.

Man Sentenced For Shoplifting

Ray Theodore Brownfield of Canadian appeared for sentencing Friday before County Judge S.R. Lenning Jr. on a charge of shoplifting after he waived his rights to a trial by jury. He pleaded nolo contendere and was fined \$10 and sentenced to two days in jail.

Obituaries

MRS. CASSIE T. McPHERSON
Funeral services will be held at 10 a.m. Monday in Carmichael-Whitley Colonial Chapel here for Mrs. Cassie T. McPherson, 72, of 1032 E. Twiford, who died Saturday morning in Worley Hospital. Frances J. Hynes, C.M., assistant pastor of St. Vincent de Paul Catholic Church, will officiate.

Burial will be at 3 p.m. Monday in Hess, Okla.
Eorn Jan. 10, 1876 at Elmer, Okla., Mrs. McPherson came to Pampa from Hess, Okla., in 1928. She was married to Hubert F. McPherson in 1913 at Dones, Tex. While in Pampa, she was a member of the St. Vincent de Paul Catholic Church.

Survivors include her husband, of the home; two sons, Raymond, Leiors, and Bob, Pampa; one daughter, Mrs. Joyce Exia Wheeler, Seal Beach, Calif.; one sister, Mrs. R.H. White, Elmer, Okla.; two brothers, P.C. Kirby, Panhandle and Carl Kirby, Fontana, Calif.; two grandchildren and three great-grandchildren.

Pallbearers at the funeral will be G.G. Sheperd, Roy Tinsley, James Eruson, Frank Olsen, Cramer W. Alexander and J.M. Saitzman.

Apollo

(Continued From Page 1)
accomplished before the end of the year.

The deadlock deepened when Vance, in pre-departure comments to newsmen, dismissed demands of the North Vietnamese and Viet Cong negotiators that the Saigon regime of President Nguyen Van Thieu be ousted and replaced by a "peace cabinet."

Vance said the Communist demands were "obvious propaganda which does not merit any comment from us."

Firemen Fight Two House Fires

A fire late Friday night at the residence of city attorney Don Lane, 1616 N. Russell, caused heavy fire damage to a bedroom and heavy smoke damage to the rest of the house, according to firemen.

Cause of the blaze is unknown and no estimate of loss was available. The alarm was answered at 11:45 p.m. and firemen returned to the station at 1:30 a.m. Saturday.

A fire early Saturday morning at 535 Oklahoma caused light damage in a house and total loss of one bed. The alarm came in at 2:40 p.m.

Salvation Army To Give Baskets To Needy Homes

The Salvation Army will distribute Christmas baskets at 9:30 a.m. Monday at the Army headquarters building to about 75 needy families, according to Capt. Jesse Duncan, local Army commander.

At this time, parents who have received approval from the SA will also select toys for their children.

Included in the Christmas baskets will be a five-pound beefsteak, coffee, flour, sugar, cereal, cake mix, potatoes, jello, apples and oranges, canned goods, candy, bread and a gallon of milk.

Capt. Duncan reported that the Army Christmas Cheer fund was still running about \$800 behind the expected collections. E.L. Green, Jr., letter appeal chairman, urged all those who have received letters from the Army appealing for funds to answer the letters.

Floral arrangements will also be provided to needy families. The arrangements were prepared by members of the Pampa Garden Club and the Violet Society.

"We're going to go ahead and help those who request aid as much as we can," Capt. Duncan noted, "because we have faith and know the people of Pampa will respond to the needs of others."

In other holiday activities, the League of Mercy is providing sunshine bags for Pampa convalescent homes, hospitals and city and county jails. The annual Christmas party for children was held yesterday afternoon.

Society to Have Program Today About Australia

"Christmas and My Homeland—Australia" will be the topic of the program to be presented by Mrs. Wade Gilbert of Melbourne, Australia at the December meeting of the Pampa Genealogical and Historical Society at 2 p.m. today in the auditorium of Lovett Memorial Library.

Mrs. Gilbert was formerly a teacher in the schools of Australia. Her father headed a large publishing firm in Melbourne where she was a member of the staff.

After living in Argentina several years, Mrs. Gilbert came to this country with her family and they now make their home in Pampa.

The program will be illustrated by colored slides and exhibits of Australian scenes ranging from views of modern cities such as Sydney and Melbourne to those of the bush country, aborigines, and exotic plants and animals such as the kangaroo, wampalla, Kola bear, platypus, and native weapons and tools. Selections of Australian folk music will also be heard.

Special guest of honor will be the mother of the speaker, Mrs. Maude Bellow, of Melbourne who is currently visiting with her daughter.

Hosts for the meeting will be Mrs. John Hessey, Mrs. Mona Blanton, Mrs. L.J. Barker Miss Florence Jones, Miss Exa Faye Hutton, Mrs. George Ingram and Mrs. Mary Field Cary.

Pampa Girl Honored At McMurry College

Nita Eads of Pampa has been selected as a Totem Beauty at McMurry College.

The eight winners of the honor were chosen from 42 students who participated in this year's event, according to Julie Byrd, editor of the War Whoop, the college newspaper. Winners will be featured in the 1960 edition of the Totem, the college yearbook.

Miss Eads, a junior biology major, is the daughter of Mr. and Mrs. William Eads, 1636 N. Faulkner.

Party

(Continued From Page 1)
nice and I enjoyed working with the boys," she said, displaying the camaraderie which has bound her closely with policemen through her work as their evening dispatcher.

"But I've got to get me another job — I can't just sit around and get old," she remarked with her customary vigor.

Mrs. Walker has worked the evening shift — 3 p.m. to 11 p.m. — since she was employed by the department in January, 1952.

It has given her a telescopic look at events that are sometimes squalid, seamy, amusing or heartbreaking. They reflect all the foibles of people but they haven't warped Mrs. Walker's perspective.

"There've always been some people getting in trouble and I guess there always will be," she said, "but you've got to remember that most people lead pretty good lives."

There have been some changes in her 16 years on the job and some of them distress her.

She said the number of young people involved in misdemeanors such as drunkenness and felony crimes such as burglary have sharply increased. She's not a Cassandra about it but she is a little alarmed.

Much of the drama of those 16 years was played out behind the glass enclosure where the dispatcher works.

Three telephones, a transmitter, a pen and a paper form are the tools of her trade.

With them she has received messages for help or complaints from citizens and dispatched cruising patrolmen to settle barroom fights, family squabbles, and investigate burglary attempts, accidents or any of a thousand other myriad incidents that demand the presence of the law.

Messages from other police departments or from sheriff's offices must also be relayed and recorded and they account for a great deal of traffic on the transmitter.

In addition to those duties, Mrs. Walker has occasionally been called on to act as a police matron.

The name "Maw" is the slang equivalent of matriarch and one which Mrs. Walker has earned as breadwinner for one son and four daughters.

Jerry, the only son, is a former Pampa High football star who went on to play for Texas Tech and twice he named to Little All-American honors. He is now sales supervisor for a heavy equipment company in Lubbock.

Three of the daughters live in Pampa. Mrs. Joe B. Griffin, 1020 S. Christy; Mrs. Charles Everett, 945 Barnard; and Mrs. Betty Bradford, 444 Hughes. Another daughter, Miss Jo Walker, lives in Amarillo and is a registered nurse at Northwest Texas Hospital.

Mrs. Walker has seven grandchildren, five of whom live in Pampa. She's a proud grandmother and likes to babysit with the youngsters.

Now 65, compulsory retirement age, Mrs. Walker will not officially retire until January 9, 1969, but an accumulation of sick leave and vacation time has allowed her to take off a few weeks early.

But retirement is not likely to be just exactly that for "Maw" Walker, for she has already declared her intention to not "just sit around and get old."

She once said that, "It's a great life if you don't weaken," and it's not likely that spirited "Maw" Walker ever will.

Kiwanis Club Aids Christmas Fund Of Salvation Army

The Underprivileged Children's Committee of the Pampa Kiwanis Club met Friday and turned over a check for \$55 to the Salvation Army's Christmas Fund.

The money, according to Bill Duncan, committee chairman, will be used to purchase Christmas food baskets to be distributed among needy families.

In years past the club has prepared the baskets and delivered them to individual families.

This year, Duncan stated, it was decided to help the Salvation Army with its Christmas fund.

Couple Injured After Accident

By BILL MARTIN
Daily News Staff Writer

Elvin L. Kite, 51, of McLean and his wife Katherine, 52, were listed in fair condition at Highland General Hospital yesterday, after the pickup in which they were in went out of control and hit a tree three miles west of Skellytown on Highway 152.

According to investigating patrolmen Gary Davenport and Ken Evans of the Texas Highway Patrol, Kite's vehicle went out of control, rolled once and hit the tree broadside.

An unidentified family from Wyoming, the first ones on the scene, brought them to the Pampa city limits, where they were met by city police units who took them on to Highland General.

Mr. and Mrs. Kite were enroute to Borger.

Wedding

(Continued From Page 1)
with the flu and will view the ceremony with him.

Some members of the wedding showed signs of prenuptial nervousness. Tall, lanky, tousled David—6-foot-1 and brown-haired—confessed he was "a little excited ... a little nervous."

HITS TREE — A McLean couple was injured Saturday after this pickup went out of control, rolled over and hit a tree. Elvin L. Kite, 51, and his wife Katherine, 52, were listed in fair condition at Highland General Hospital. The accident occurred on Highway 152 three miles west of Skellytown.

NIXON INAUGURAL MEDAL will mark first time in history that artwork created by a member of the President's family will be reproduced on the official commemorative. The reverse side of the 1969 medal will feature a sculptured miniature of the crewelwork pattern Julie Nixon embroidered for her father. The design depicts the Great Seal of the United States and the words, "To RN from JN." Sculptor Ralph Menconi, left, created the medal, which will be struck in gold, silver and bronze.

The Great Plains Conservation Program has money available for the development of needed contracts for conservation work. We will be able to write contracts until the present money is obligated. This money should last through about January and then it is questionable if there will be money available for additional contracts. A contract, when written, will have money set aside to cost-share all the practices planned at the time the contract is signed.

CCC price support loans are available for all producers who participated in the program on commodities under that program in 1968. Cotton and grain sorghum loans are now being prepared in this office.

Dollar business volume of farmer cooperatives, for the July 1, 1966 to June 30, 1967 year, exceeded \$16.5 billion, reports the U.S. Department of Agriculture's Farmer Cooperative Service. This is an increase of 6 percent over the

George Smith, Director
Pampa Youth and Community Center

HOLIDAY SCHEDULE—The Center will provide a recreational place for all the young people out for the holidays beginning Monday, Dec. 23. We will observe the regular closing days of Christmas, New Years and all Tuesdays, but will be open at 1 p.m. on the other weekdays, Dec. 23, 26, 27, 30, 31.

The Center will be open for business from 1-5 p.m. and 7-10 p.m. each day. The swimming pool will open from 1-4:30 and 7-9:30.

TEEN DANCES—The Center will sponsor several teen dances for the young people interested in this activity during the Christmas and New Years season. On Christmas Eve Tyme will play for a Christmas dance.

On Dec. 27 the Right Turn Only will play from 9-11 p.m. Then on New Years Eve, after the Perryton basketball game the Mojoc will play from 9:30 to 11:30. Everyone will be invited to these dances.

All dances at the Center are co-sponsored by the Youth Center and the band parents. There are always plenty of chaperons present and we always expect good conduct from everyone who attends.

Swim Lessons—Now is the time for sign up for those new swim lessons for the year 1969. A complete course in swimming is available now if you sign up early. Vacancies are available in polywogs, beginners, advanced beginners, intermediates, and swimmers.

All swim sessions meet for 10 meeting dates on Monday, Wednesday, Thursday, and Friday. According to the schedule you will meet either from 4-5 p.m. or 5-6 p.m. Lessons are taught by Mrs. Jackie Marlar, Red Cross Water Safety Instructor. The schedule is:

- Jan. 4-22
- 4-5 p.m. Beginners
- 5-6 p.m. Intermediates
- Jan. 24-Feb. 12
- 4-5 p.m. Beginners
- 5-6 p.m. Swimmers
- Feb. 17-March 5
- 4-5 p.m. Beginners
- 5-6 p.m. Advanced Beg.
- March 10-26
- 4-5 p.m. Beginners
- 5-6 p.m. Intermediates
- April 7-23
- 4-5 p.m. Polywogs
- 5-6 p.m. Beginners

MEMBERSHIPS—With the Christmas season upon us, now would be a good time to give a Center membership for Christmas. Several people have come by to purchase these memberships as gifts. The persons receiving the memberships for Christmas receive a full year or 6 months use of the membership for we date them to start on Dec. 26, 1968.

There is such a tremendous advantage in being a Center member over a non-member. You receive full use of all the

facilities at no extra charge in addition to free swim lessons unlimited. For such a membership you would expect to pay over a hundred dollars, but not at the Pampa Youth Center. We are interested in everyone in the community using the Center and we keep our rates very low with the help of donations.

There are two types of memberships available. One is the family type which includes all members of the immediate family no matter how many. This sells for \$12 for six months and \$20 per year. The other membership is our individual one. This is for all persons who are 8 years of age or older including adults and sells for \$5 for six months and \$8 per year. Children who are under 8 years of age must be carried on a family membership.

BASKETBALL LEAGUES—Perennial champion Cock O Walk immersed on top of the league this past week keeping their record at 2-0. All others including Curtis Well Service, First Baptist, Celanese, and First National Bank are 1-1. Coca-Cola in 0-2 in the cellar. Results and high scorers were: 1st Nat. 61 Frank Schaffer 22 pts. Celanese 56 Bill Cornman 13 pts. Jerry Dunn 13 pts. 1st Baptist 44 Curtis Craddock 9 pts. Coca Cola 43 Danny Winters 11 pts. Cock o walk 51 Carl Miller 19 pts. Curtis Well Serv. 44 Bob Branscum 10 pts. Ron Hilbig 10 pts.

TEXAS SIZE WHING DING
Here's A New Year's Eve Party That May Top All New Year's Eve Parties

HOUSTON (Sp1) — Let's suppose you're throwing a little New Year's Eve party . . . you'll need a little champagne . . . some noisemakers, some horns, serpentine, confetti . . . some setups . . . some ice . . . not really a big deal. Now let's suppose you're Jud-

ge Roy Hofheinz and you're tossing a shnding everyone will be talking about for years . . . You'll need a little champagne . . . about 8,000 magnums of champagne, or 4,000 gallons! You'll get 600,000 serpentine, 30,000 hats, 30,000 horns and blowouts, 30,000 noisemakers. You'll dance on the world's largest floor — larger than the floor of the Rome Colosseum. Just to be safe, you'd better get 3,000 tables, 30,000 chairs. Twenty-five tons of ice! When you toss a party like this, you start early. And that's what Judge Hofheinz, and his top party-giver, Jim Volpe, have done.

"The champagne is due here from California early next week," said Volpe. It's taking a whole railroad car just for our champagne order."

The paper items — hats and other whoopee items—are coming from Pennsylvania, some 3 tons of it by truck.

The decorators, who'll place the thousands of streamers, dress all the table with multi-colored coverings, and prepare the bandstands, will start right after Christmas, Volpe said.

It's all part of plans for the biggest New Year's whingding ever.

First United Methodist Slates Communion at Christmas Service

Christmas Eve services at the Chapel (Youth) Choir under the direction of Bill Wilkison. The service will close with the lighting of the congregational candles during the singing of the traditional "Silent Night" by Fran Gruber.

No services are scheduled at the church for Christmas Day.

Morris Kille, newly appointed director of music for the church will assume his duties this week. A native of Asheville, N.C., Kille comes to Pampa from Maryville, Tenn., where he has served for four years as minister of music for the First United Methodist Church.

He attended Wofford College, Spartanburg, S.C., and in 1960 was graduated from Westminster Choir College, Princeton, N.J., with the B.J. degree. Extensive graduate study has been with the famed Dr. John Finley Williamson.

From 1950 to 1956 Kille served as minister of music at Trinity Methodist Church in Kansas City, Mo. where he was also vocalist with the Philharmonic Chorus and director of the male choir of Kansas City College of Osteopathy and Surgery.

In 1952 he was conductor for "A Pageant of Love" presented at the National Convocation of Deaconesses in Kansas City Municipal auditorium, and he was in charge of all music for the 1954 Methodist Annual Conference there.

From 1956 to 1965 he was minister of music for Highland Park Methodist Church of Richmond, Va., where he was president of the Richmond Chora Society, president of the Virginia Chapter of the National Fellowship of Methodist Musicians, director of the Orpheu Male chorus and numerous handbell choirs.

Kille has wide background as a soloist, having appeared in annual performances of Handel's "Messiah" at Maryville College, Tenn., and in similar roles in major oratorio works in Delaware, Missouri and New Jersey.

Other professional experiences were in Paul Green's production of "The Lost Colony" Roanoke Island, Monteo, N.C.; with the New York Philharmonic Orchestra under Bruno Walter at Carnegie Hall; with the Little Orchestra Society of New York under Thomas Scherman and with the El Paso Symphony under the direction of Arthur Brown.

Kille and his wife, Mary are the parents of four children Steve 14, Jimmie 10, Kathy 12, and Morris, Jr. 5. They will make their home at 1025 Terry Road.

Morris B. Kille
... new minister of music

FLOWERCHILDREN should appreciate this evening outfit which features trousers and hip-length blouse covered with three-dimensional flowers. The costume, designed by George Halley, was shown in New York as a spring item.

Highlights and Sidelights From the State Capitol

By VERN SANFORD
Texas Press Association
AUSTIN — This does not come under State Capital News, but nevertheless it's a capital idea.

We refer to the world's largest Christmas tree. It's erected in Zilker Park on the south bank of Town Lake in your Capital City.

This tremendous, Texas-size spirit of Christmas is 165 feet tall. It's not of fir, or spruce, or pine. It's composed largely of metal.

You've heard of the fabulous Moonlight Towers of Austin. Well, this is an expansion of that idea — magnified a thousand times over — with not a few lights but thousands of them.

Long, sturdy cables, wrapped with electric wires bearing 3,500 colorful red, green, blue, yellow and white light bulbs fan out conically from the tip of the tower... spreading a glow of 8,750 watts of candlepower. Their coverage, teepee style, over such an expansive area, is so great that motorists drive their cars under the gigantic "tree."

It's truly a sight to behold... an attraction that can be seen for miles and miles... and draws thousands of motorists, day and night, to witness its magnificent splendor.

AIDES ANNOUNCED — Gov. elect Preston Smith is moving smoothly through organizational preliminaries in preparation for taking over the chief executive's office on Jan. 21.

His staff already is virtually complete. To the appointments he announced earlier, Smith added these:

—Vernon A. McGee of Austin, head of the Legislative Budget Board for 16 years before he lost his job two years ago, will be the governor's major assistant for program development.

—Austin attorney Robert D. (Bob) Bullock, former state representative from Hillsboro and one of Smith's key campaign workers, as appointment's assistant, legal and travel aides.

—Larry Teaver Jr., a longtime Lubbock friend, as an administrative assistant and general office manager.

Indications are Smith wants former State Sen. Martin Dies Jr. as his first secretary of state. The popular Dies told newsmen last week he had not at that time been approached by either the governor-elect or his principal aides. He added he would "seriously consider" taking the "cabinet" post — highest appointive plum the governor can bestow — if it is offered, however.

Rounding out Smith's first team are Harold K. Dudley, executive assistant; Jerry Hall, press secretary; and James P. Oliver, budget director.

APPOINTMENTS — It's raining appointments from the Governor's office these days.

Gov. John Connally got far behind with filling vacancies to state agencies. His office once estimated he had nearly 200 to catch up on. At least one major post — chairmanship of the Texas Employment Commission — is four years overdue. It's traditional that governors fill vacancies occurring during their administrations, though appointees actually serve through terms of the present governor's successor.

Such was the case when Connally re-appointed Joe D. Carter to the key post of Texas Water Rights Commission Chairman. Price Daniel originally named Carter in 1961, and he served throughout Connally's administration. Carter's initial term actually expired in Aug., 1967, but Connally delayed re-appointment until last week. New term extends to Feb. 1, 1973.

A different kind of appointment was Connally's choice of Amarillo contractor Leon P. Gilvin to succeed Will Odom of Austin as chairman of the Parks and Wildlife Commission. Odom resigned unexpectedly. Gilvin will serve until Feb. 1, 1971, when Odom's term expires.

Connally re-appointed Heino Staffel Jr. of Austin, Grady C. Clark Jr. of Corpus Christi and Garwood Gerdes of Giddings to the State Seed and Plant Board to serve until Oct. 6, 1970.

COURT OF CRIMINAL APPEALS — Supreme Court will review a case challenging constitutionality of the law regulating lie detector machine operators.

LCB REVENUE UP — During the last fiscal year the Texas Liquor Control Board brought into state coffers a net profit of \$51,069,016, which is a record, the agency says in its annual report to the governor.

LCB listed its gross receipt for the year at \$55,061,583, which comes from permits and licenses granted package stores, private clubs and other establishments selling beer and wine and from taxes on alcoholic beverages.

Expenses of operating the Board for the year amounted to \$3,571,185. This means that, for every dollar the LCB spent in its operations, the state received \$15.38 in return.

"It is interesting to note," LCB Administrator O. N. Humphreys Jr. said, "that recently the Federal Bureau of Investigation was cited for having produced \$1.50 in revenue for every \$1 it spent."

NEW AIRLINE — Texas Aeronautics Commission has set Jan. 6 for an examiner's hearing on an application by Sentinel Airlines for certification to carry passengers among 12 Texas cities.

The would-be commuter airline, using small aircraft, wants to fly two routes — Abilene-San Angelo - San Antonio - Austin - Houston - Freeport - Baytown - Midland-Odessa-Big Spring.

Abilene - Fort Worth-Dallas. Application also asks to be able to fly freight to all points in the state.

Former Atty. Gen. Waggoner Carr is vice-president of the firm, which other-wise seems to be based in Abilene.

TAC expects opposition to the application from the established air carriers. Air Southwest, another would-be commuter airline which is fighting for its certificate in court, already has filed notice that it will oppose the application.

ATTORNEY GENERAL RULES — Texas Highway Department can contract with Arkansas (subject to governor's approval) to participate in the cost of a joint road construction project, Atty. Gen. Crawford C. Martin has held.

In other recent opinions, Martin concluded that Harlingen Housing Authority property is not taxable even though part is let to concessionaires to serve residents; and that the Land Commissioner can't alone reinstate a forfeited land purchase contract on settlement of delinquent account, though State Land Board can reinstate at any time up to resale bid acceptance.

Courts Speak
State Supreme Court found no reversible error in Court of Civil Appeals decision upholding a proposed City of Houston annexation of 220 acres owned by Houston Endowment, Inc.

Federal Court heard legal clash of financial titans, Gulf and Western Ind., Inc. and Sinclair Oil Corp., over G-W's move to get all Sinclair stock.

Federal Court also will hear the case in which Kentucky guardsmen contest the right of the U.S. to activate state militia for overseas combat duty in "peacetime."

Supreme Court reversed and sent back for new trial a Colorado River Municipal Water District suit involving \$545,500 condemnation award for 4,014 acres of Wilcockson Ranch in Coke County condemned in acquiring of dam and reservoir site.

A Hereford man, sentenced to seven years for arson in the burning of his grocery store, won a new trial because the only testimony against him was that of his alleged accomplice.

The Prairie Wind

By CLEO TOM TERRY

When Nubbin (Goog for short) and the colt Applejack are in the horse pasture together Goog keeps the colt all cut up by running him into the fences. The colt, having lived in town till he was nearly two years old, just hasn't learned to respect fences yet but he sure respects Nubbin's teeth. So we put Nubbin out in the home pasture with Nugget and Cowboy in the horse pasture with Applejack. Now what do they do? Nubbin and the colt stand lonely side by side on opposite corners of the fence, buddy-buddy, forgetting that together they are the hunter and the hunted! Absence makes the heart grow all right? The two old horses do the same. But Cowboy and Nugget have grazed together ever since old Bob died nearly five years ago. Before then Bob and Cowboy grazed together, with

Smith of Fritch, the C.E. Terrys, Leonard Johnson, and Theodore Mayo of Brainard Cattle Co. Bill Thompson roped some at his own branding having sons who were there to talk over the branding and calf rassing for him. Cammie Terry and Theo Mayo also roped and dragged at different times. Men as old as Bill and the Boss need to rest those roping arms pretty quick!

Mr. and Mrs. LeRoy Johnson of the Harold Dunn Ranch out of Amarillo have a big Christmas coming up. Alvin, their young son of the submarine service of the US Navy, is coming home this week and the parents are going with him to Florida to see him marry and will visit other children en route home. Alvin is on thirty-day leave.

The ladies of the Halle Baptist Church of Spring Creek enjoyed a turkey and dressing supper at the Winters home at White Deer Camp on Hay Hook Ranch Tuesday night. Kenny Winters and children enjoyed scrambled eggs and a quick exit for the Terrys before the crowd arrived!

Ernie Jones and Mr. and Mrs. Clayton Mathis of North Nelson, drove to Amarillo for a visit with her sister, Zela Board Matheson and then to Canyon for a visit with their mutual sister and sister-in-law, and for Mr. Jones with his long-time friends the Ray Browns formerly of Allison. School Monday night the And at White Deer Grade

various grades had one scene each with musical background by the fifth grade chorus. The costumes, scenery, and even the acting was really professional.

Spring Creek School held its Christmas program on Friday night at 7 p.m. it was a lovely program, well-planned and directed as are all Spring Creek productions.

OUT OUR WAY

R **CURRENT LAWS ABOUT LEG CRAMPS**

Intermittent claudication is a painful cramp in the leg. It generally occurs in the calf muscle or thigh while walking. Its usual cause is insufficient blood supply due to hardening of the arteries. During hot, humid weather a great loss of salt may be the cause.

It is presently impossible to cure hardened arteries. But you can walk slower, take certain leg exercises and your doctor can prescribe medicines which dilate the blood vessels. Sometimes if there is an obstruction at some point in the large arteries, you may need surgical help.

YOUR DOCTOR CAN PHONE US when you need a medicine. Pick up your prescription if shopping nearby or we will deliver promptly without extra charge. A great many people entrust us with their prescriptions. May we compound yours?

Pendant watches are back in favor this year to be worn around the neck, on the pocket, lapel or belt. Above are four gift suggestions from the Watchmakers of Switzerland, each one a fashion accessory, each an accurate timepiece.

In this weekly column, Citizens Bank & Trust Co. will seek to provide answers to questions frequently asked of us about banking practices and bank services. If YOU have a question which has been puzzling you, write us a letter and we'll get the answer for you!

\$\$\$

Q Is there any general rule for keeping cancelled checks? How long? What about deposit receipts; should I keep them and for how long?
—Mrs. G. E.

A. Your checkbook stubs or check registers, cancelled checks and bank statements represent and form a valuable bookkeeping record of your financial affairs. Keep A.I.T. checks for two years. Checks for taxes, tax deductible items, rent, should be kept for a minimum of seven years. Keep all of your bank statements and your check stubs or check registers for seven years. Deposit real estate, securities and other investments receipts may be disposed of as soon as you have reconciled the bank statement on which the deposit has been credited to your account.

Harvesters Slay AHS, 79-54

By RON CROSS

With Jim Hollis gunning in a season high of 32 points and Edward Moultrie and Billy Thomas scoring in double figures and Pampa's vaunted defense doing its same old routine the Harvesters took over sole possess on of third place in District 4-A Friday night.

Playing before a so-so crowd of partisan fans, coach Sterling Gibson's green and gold hit 51 per cent of its field shots to

tumble Amarillo, 79-54.

Hollis's 32 points kept him in double figures with 20 or more points in every game this season and the 79 scored by Pampa was the most the Harvesters have gunned in this season.

The victory gave Pampa a 3-1 district reading and made them 6-2 for the season and gave them a three game winning streak in the process.

Both Berger and Tascosa won their fourth games without a loss Friday night to remain tied for the district lead.

Tascosa laced Coronado, 71-66; Berger downed Caprock, 87-57; Monterey delt Plainview a 55-43 loss and Palo Duro beat Lubbock, 79-58.

There will be no district games next week. Pampa will be in New Mexico for their annual trek to the Hobbs Invitational. Plainview, Coronado,

Monterey, and all Amarillo school teams will play in the Caprock Invitational and Berger hosts a tournament of its own.

The Caprock and Hobbs tournaments start Thursday and last through Saturday.

Pampa will play Abilene Cooper at 3:15 p.m. Thursday and if they win meet the Hobbs-Duncan winner at 8:15 p.m. Friday. A Pampa loss would pit the Harvesters against the

Hobbs-Duncan loser at 1:30 p.m. Friday.

Hobbs, Pampa, Cooper, Duncan, Farmington, Midland, Odessa and El Paso Jefferson are entered in the annual tournament.

Against Amarillo the Harvesters, who hit 27 of 45 from the field, jumped to a 5-0 lead before the Sandies could score. But after Amarillo made it 5-2 Amarillo never got any

score. Pampa led 18-10 after one period and had widened the lead to 36-17 at halftime.

Amarillo missed the first six free shots they took and hit only 33 per cent from the field, 22 of 65.

Hollis, leading the district in scoring with a 26.0 average had 16 points at halftime and had his best night of the season from the floor, connecting on 13 of 18 field goal attempts.

Cockrell Moves Up In Roping Rankings

Veteran calf roper Lee Cockrell of Panhandle had another successful year in the professional rodeo arena, according to the Rodeo Cowboys Association.

A six-foot, 200-pounder, Cockrell moved from eighth to sixth place in world standings by virtue of his outstanding showing at the National Finals Rodeo, which ended its nine-performance run in Oklahoma

City earlier this month. The Finals is usually reserved for only the top 15 money-winners in each rodeo event. World championships and \$77,000 in prize money were at stake this year.

Cockrell, 35, entered the Finals in eighth place with \$15,218 in seasonal winnings.

However, he placed second in one go-round, fourth in another, and was highly consistent on all nine calves, the Association said.

As a result, he placed third in the average, he placed third in his nine calves in an aggregate 131.0 seconds. The average winner, Junior Garrison, Marlow, Okla., had an elapsed time of 128.6.

Cockrell's \$940 in Finals winnings gave him \$16,158 for the season, moving him into sixth place in world standings past Ernest Forsberg, Chatsworth, Calif., who was winless at the Finals, and Jim Bob Altizer, Del Rio, who pocketed \$485 there.

Dallas Lauds Browns Game

CLEVELAND (UPI) — The Cleveland Browns savored revenge instead of champagne Saturday.

"We waited a long time for this one," exclaimed Browns Coach Blanton Collier following his team's 31-20 victory over the Dallas Cowboys for the National Football League's Eastern Conference championship.

One year ago the same two teams met for the same prize with the Cowboys coming out on top 52-14. Thoughts of that game and a 28-7 setback at the hands of Dallas earlier this season haunted the Cleveland players until Saturday when the Browns unveiled an opportune defense that turned the tables on the Cowboys' famed "Doomsday Defense."

The Browns took their victory in stride, filing into their fairly subdued dressing room that was conspicuously absent of the champagne which usually accompanies such wins.

Coach Collier seemed to express the sentiment of most of his players when he said the Browns will start workouts Tuesday for the championship game against either Baltimore or Minnesota Dec. 29. And, in the traditional coaches' custom, Collier said he's "playing them one at a time."

Brown's quarterback Bill Nelsen agreed with Collier that "it was the defense that did the job."

"They gave us the ball and with the personnel we've got, we had to score," Nelsen said. The Browns scored three touchdowns and a field goal, all thanks to four pass interceptions.

Even the Cowboys' brilliant flanker Lance Rentzel was

Estacado Rips Refugio, 14-0, For AAA Title

FORT WORTH (UPI) — Lubbock Estacado's big running backs, James Mosley and Larry Miller, each scored a touchdown in the first quarter Saturday to give Estacado a 14-0 win over Refugio for the Class AAA state championship.

Estacado was appearing in the state finals for the first time.

Miller scored from eight yards out on the Matadors' first drive of the game and Mosley went off right tackle 11 yards for a score the second time the Lubbock team had the ball. Miller converted after both scores.

Estacado had only one other scoring opportunity, but missed on that one when Miller's 33-yard field goal attempt was wide in the third quarter.

Refugio, using a wide variety of formations including one in which the center and quarterback stood near the ball and the rest of the team lined up near the sidelines, had at least five scoring opportunities but fumbles and penalties killed them all.

Estacado marched 74 yards the first time it had the ball ending up with Miller's touchdown. The big play in the series was a 57-yard pass from Mosley to end Tommy Scroggs.

The Lubbock defense held Refugio on downs and then the offense marched 55 yards in nine plays with Miller and Mosley doing most of the running to score with 34 seconds left in the first period.

The win left Estacado at 14-0 for the year while Refugio dropped to 1-1.

Refugio's best scoring opportunity came late in the first half when it had a first down and one yard to go on the Estacado one.

But Refugio went into a spread formation with its line stretched out almost the width of the field and lost two yards on the next three downs. A double reverse on a fourth-and-three situation ended when Efran Gipson fumbled and David Moody recovered for Estacado.

Refugio drove to Estacado's 5 the first time it had the ball but a 15-yard penalty killed the drive. Two fumbles and an interception stopped scoring opportunities in the second half.

Refugio's defense was quick to laud Cleveland's defense.

"We ran against them a lot last time, but we couldn't do anything this time," Rentzel lamented. "Their defense was excellent."

Don Meredith and Craig Morton, the Cowboys' harried quarterbacks, wound up completing only 12 of 32 passes. The Browns picked off two of Meredith's tosses in the first three minutes of the second half, scoring two touchdowns and putting the game out of reach.

"They were two pretty bad throws, what else can I say," Meredith said.

Browns Upset Dallas

CLEVELAND (UPI) — An alert Cleveland defense turned four intercepted passes into three touchdowns and a field goal Saturday as the Browns nailed down the National Football League's Eastern Conference championship with a 31-20 victory over the Dallas Cowboys.

The victory advanced the Browns to the NFL title game against either Baltimore or Minnesota who meet Sunday at Baltimore for the Western Conference crown. The championship contest will be played

here Dec. 29 with the winner moving on to the Super Bowl Jan. 12 at Miami against the American League champion.

Two of the Browns' interceptions occurred in the first two and one half minutes of the second half and enabled them to streak to a 24-10 lead.

Cleveland linebacker Dale Lindsey picked off a Don Meredith pass on the first play from scrimmage after the intermission and returned it 27 yards for a touchdown that snapped a 10-10 tie and put the Browns ahead for good.

On Dallas' next series of plays, cornerback Ben Davis grabbed off an aerial intended for Lance Rentzel and returned it to the Cowboys' 36. Two plays later, Leroy Kelly galloped around right end for 35 yards and his second touchdown of the game.

With 12:11 left to play, defensive back Erich Barnes intercepted a Craig Morton pass and Bill Nelsen methodically moved the Browns 77 yards for their final TD with Ernie Green circling right end for two yards and the score.

Kelly's first touchdown came on a spectacular pass play covering 45 yards with only 52 seconds left in the first half.

The Browns were trailing 10-3 at the time when Kelly streaked out of the backfield and was all alone on Dallas' 20 when he hauled in Nelsen's toss and charged unmoled into the end zone.

Kelly gained 87 yards in 2 carries while Nelsen connected on 13 of 25 pass attempts for 203 yards.

Only Dallas' alert defense enabled the three-point favorite Cowboys to take their lead in

the first half. A Cowboy interception and fumble recovery led to a touchdown and a field goal for the visitors' only scores until a 47-yard field goal by Mike Clark with 3:24 left in the third quarter cut the Browns' lead to 24-13.

Perman opened the scoring in the first period with a 32-yard field goal by Kent Hulsey, and added a third-quarter touchdown when quarterback Larry Hix passed the final 10 yards to end Dennis Duckworth. Steve Cox tossed to Tommy Stewart for an additional two points.

Reagan, completing its fourth year of competition, finished the year with a 15-0 record this season.

Perman, a former Class AA champion, finished the season with an 11-4 mark.

The Raiders gained the lead with 71 seconds remaining before intermission on Bellard's 27-yard touchdown pass to Bayard. It capped a two-play, 39-yard march set up following a 30-yard fourth-down punt by Perman.

Reagan increased its margin with 5:48 left in the third quarter when Ealey took a Bellard pitch-out and rolled the final 12 yards.

Perman fired right back, moving 73 yards on 11 plays with Cox's pass to Duckworth for the final 10 yards climaxing the drive. But, it wasn't enough as the determined Raiders held on during the last quarter for the victory.

Reagan Wins AAAA 17-11

SAN ANGELO, Tex. (UPI) — Quarterback Emory Bellard mixed a powerful running game with a potent air attack Saturday to direct the Austin Reagan Raiders to a 17-11 decision over Odessa Permian, and their second straight Texas Class AAAA high school football championship.

The victory gave Reagan two straight undefeated seasons and pushed the Raiders winning

streak to 29 games — now the longest in Texas.

Bellard, who became the first player in modern Texas school-boy history to play on state championship teams for different schools, accounted for one of the Reagan touchdowns on a 27-yard pass to end Mike Bayer.

Halfback Don Ealey picked up the Raiders only other touchdown on a 12-yard run around right end.

Perman opened the scoring in the first period with a 32-yard field goal by Kent Hulsey, and added a third-quarter touchdown when quarterback Larry Hix passed the final 10 yards to end Dennis Duckworth. Steve Cox tossed to Tommy Stewart for an additional two points.

Reagan, completing its fourth year of competition, finished the year with a 15-0 record this season.

Perman, a former Class AA champion, finished the season with an 11-4 mark.

The Raiders gained the lead with 71 seconds remaining before intermission on Bellard's 27-yard touchdown pass to Bayard. It capped a two-play, 39-yard march set up following a 30-yard fourth-down punt by Perman.

Reagan increased its margin with 5:48 left in the third quarter when Ealey took a Bellard pitch-out and rolled the final 12 yards.

Perman fired right back, moving 73 yards on 11 plays with Cox's pass to Duckworth for the final 10 yards climaxing the drive. But, it wasn't enough as the determined Raiders held on during the last quarter for the victory.

Vikings, Colts Play Today

By STEVE MORROW
BALTIMORE (UPI) — The best record in professional football this season means little to the Baltimore Colts, just as a mediocre campaign can be quickly forgotten by the Minnesota Vikings.

Baltimore won 13 games and lost only one to capture the Coastal Division title of the National Football League, but they must beat the Vikings, winners of the Central Division despite an 8-6 mark, in the Western Conference championship game today.

A defeat would destroy another brilliant season for the Colts and Coach of the Year Don Shula, a man so familiar with frustration in his six years of winning ballgames and losing championships that he's gained the reputation of a man who

always loses the big ones.

For the Vikings, a victory would turn a good season into a brilliant one. Somewhat lightly regarded as champions because of their six losses, the Vikings could convert all skeptics by beating the Colts.

Coach Bud Grant could equal Tom Landry's achievement in leading an expansion team to a conference championship. The Vikings, 11-point underdogs Sunday, began the season as a near unanimous choice to finish last in their division.

put him on the sidelines before the opening game now almost fully recovered, will be behind Morrall at quarterback. Both will be able to throw to a swift and shifty crew of receivers, including all pro tight end John Nuckey, and new fullback Preston Pearson.

Tom Matza is a good short yardage runner and the closer, the goal line, the better he gets. All Pro tackle Bob Vogel leads the offensive line.

The Vikings, playing a ball control offense, have a scrambling quarterback in Joe Kapp and two rough strong runners in Dave Osborn and Bill Brown. Their front four on defense, led by All-Pro end Carl Eller, has been hard on opponent's rushing offensives.

Shula and the Colts are not taking their 21-0 victory over

the Vikings Nov. 10 too seriously for a number of reasons.

The Vikings did manage to hold the Colts scoreless for the entire second half while they were moving the ball well. Second, 11 Vikings had the flu that day, including Kapp, and Osborn was out with a bad knee. And lastly, as Shula puts it:

"The whole team knows that every game is our most important game from now on."

PHILADELPHIA (UPI) — Heavyweight fighter Don Warner was suspended indefinitely by the State Athletic Commission Wednesday for failing to appear for a bout with Roy Williams last Wednesday.

SAN DIEGO (UPI) — Lance Alworth of the San Diego Chargers won the American Football League pass receiving title despite playing the last month of the season with a damaged back.

Alworth had suffered a broken muscle attachment to his vertebrae in the Nov. 24 game against the New York Jets.

NEW YORK (UPI) — Jack Patara resigned as defensive line coach of the New York Giants Friday.

Patara, formerly a player with the Baltimore Colts and a line coach with the Detroit Lions,

NEW YORK (UPI) — John J. Danahy has succeeded William G. Hundley as director of security for the Professional Football League.

Danahy was formerly an agent with the FBI for 26 years.

Raiders, KC Winner Will Play NY Jets

OAKLAND, Calif. (UPI) — Oakland and Kansas City collide Sunday for the American Football League's Western Division title. The only tickets left for the clash are being sold by scalpers.

Oakland scored more points—453—than any other team in the American Football League. Kansas City allowed the fewest—170.

Each team wound up with 12-2 records. They'll battle for the right to take on New York in the league title game Dec. 29. Kansas City is especially tough against the rush. Great defenders like Aaron Brown, Robby Bell, Buck Buchanan and Jerry Mays have allowed only about 90 yards per game running and only four touchdowns on the ground all season.

That puts it up to Daryle Lamonica to pass the Raiders to victory. He's got a dandy pair of receivers in Fred Biletnikoff and Warren Wells, both of whom caught passes for over 1,000 yards. Wells was cast off by the Chiefs in one of their less smooth moves.

Lamonica puts the ball in the air a lot more often than the stylish Lennie Dawson of Kansas City. Big Daryle has hit 206 for 416 for 3,245 yards. Dawson has thrown just 224 times, but he has completed 59.5 per cent of his tosses and averaged a league-leading 9.42 yards per try.

UPI Picks Shula

NEW YORK (UPI) — Trying to convince the Baltimore Colts they could win the coastal division title without Johnny Unitas is one thing but giving out and doing it is another. And for that achievement Don Shula was named as United Press International's National Football League Coach of the Year for 1968.

Shula, who also earned the award in 1964, captured 31 of the 48 votes cast by the UPI panel of experts. Blanton Collier of Century Division Champion Cleveland was second with six votes while Jim Dooley of Chicago finished third with five votes. George Allen of Los Angeles won the award in 1967.

Daingerfield Is AA Titlist

NAGADOCHES, Tex. (UPI)—Daingerfield not only reigned as the new Class AA high school football champion today, but it has also managed to make Lufkin Dunbar wonder whoever said lightning never strikes in the same place twice.

Daingerfield earned its first state title Friday night by coming back from a six-point deficit to whip Dunbar 7-6 on a field made soggy by afternoon-long rains.

It was all too familiar for Dunbar. The Tigers came into the game with the state's longest winning streak at 39 games. The last time Dunbar had lost was to Nacogdoches Campbell at the same stadium where Friday night's title game was played.

Dunbar lost that night on a rainy evening, and saw its last chances go down the drain when it fumbled deep in the fourth quarter on the enemy's 1-yard line.

They followed the same script Friday night. Daingerfield had its one-point lead with only minutes remaining when Dunbar's Kenneth Williams fumbled the wet football on the Daingerfield 2.

That miscue wiped out an otherwise brilliant night for the Dunbar fullback, one which saw him pickup 157 yards in 28 carries and scored Dunbar's only touchdown from three yards out.

But Daingerfield had a pair of tough runners to throw up against Williams. Power runner Eddie White accounted for 104 yards in 26 carries across the sloshy turf and Chris Hall, a speedy halfback, sprinted 56 yards in 14 carries, mostly on sweeps.

It was the combination running of Hall and White that brought Daingerfield back to

victory. Four plays after Dunbar's touchdown, Hall rambled 44 yards to put Daingerfield in business on the Dunbar 5 and it took White only two plays to push it across from there. The 24th straight extra point by Larry Dunkin provided the winning margin.

The wet turf caused only two fumbles but the one by Williams was fatal. Another miscue set up Dunbar's only score.

Owners Fail To Select Baseball Head

CHICAGO (UPI) — Major league baseball owners failed to select a commissioner in almost 13 hours of deliberations that lasted until nearly dawn today.

The owners took 19 ballots, with six candidates involved, before they broke up with the expectation of meeting again in the next 30 to 40 days.

The top two candidates, Mike Burke, president of the New York Yankees, and a vice president of Columbia Broadcasting System, and Chub Feeney, vice president of the San Francisco Giants, were excluded from the meeting for the first 10 ballots in which time it became apparent that "neither of these two men could receive the required number of votes," Frank Dale of the Cincinnati Reds said.

The names of American League President Joe Cronin; Judge Robert Cannon, a former player representative; John McHale of the new Montreal team, and Lee MacPhail of the New York Yankees then were thrown into the balloting.

McHale became the leading candidate in the next three ballots, receiving nine or more votes from the American League in each, but he failed to receive the necessary nine in the National League.

At that time the leagues caucused and McHale declared himself out of the race in a statement in which he said he had dedicated himself to development of the Montreal franchise and withdrew from the opportunity to become commissioner.

ALL-STATE — White Deer's Bruce Locke was named honorable mention in the Fort Worth Star-Telegram's Class A All-State team. The senior was named to the defensive team after three successful years with the Bucks.

Sonora Upsets Poth to Win Class A Title

SAN MARCOS, Tex. (UPI)—If the Sonora Broncos get back to the state schoolboy football finals again sometime, the odds are at least 100-1 that they would pick this neutral site for the game.

The Broncos won their second state Class A championship in three years Friday night with a 9-0 upset of touted Poth's PXL rates, a team with a 14-0 record and 749 points scored against the opposition. The Broncos beat Schulenburg 40-14 here in the 1966 finals.

Ed Lee Renfro, closing out illustrious career with 118 yards in 28 carries, the game's only touchdown and three interceptions, was the wheelhorse in the Sonora victory, but Poth's mistakes also had a big hand in the outcome.

Poth lost the ball six times, including Renfro's three steals and a costly fumble, and that was just too much in the mud and rain against the Broncos' sturdy defenses.

Renfro, who scored 148 points during the champion's 13-2 season, set up a 33-yard second quarter fieldgoal by Bill Green with a 45-yard scamper and then plunged three yards in the third quarter for the touchdown.

The first of Renfro's three thefts at the goal line stopped a Poth threat in the first quarter after the Pirates had driven to the 15-yard line. He ran it out to the 39-yard line.

He picked off two more in the second half at his own 23 and 20-yard lines, the last one halting Poth's final threat of the night.

The game actually offered a complete turnaround with Poth dominating the first half and Sonora the last two periods when the Bronco offense held the Pirates to minus two yards rushing and only 35 yards by air.

Poth had run up 123 yards on the ground in the first half, mostly on the heroics of Ross Poth, great nephew of the man who founded the little South Texas town.

Bailey Leads WT Freshmen

CANYON—Former Harvester George Bailey, leading scorer on the West Texas freshman team, continued his high scoring role Friday to pace the WT frosh to a 75-71 victory over Southwestern, Okla.

Another former Harvester, Beau Bond, contributed six points to the WT cause. Bond is the starting center on the team and one of the leading rebounders.

Bailey pumped in 14 field goals and nine free throws for 37 points, which is just slightly over his season scoring average.

West Texas led at halftime, 34-33, and did not ice the game until the final seconds. WT trailed by 12 points at one time in the game.

CHEVY TALK

Lige Tarvin

The Caprice Coupe is styled for tomorrow with new formal roof lines, steep rear window, longer deck, and ventless full glass front door windows.

The classic styling of the hardtop Caprice is just as impressive. This sedan has walnut type panelling like the 2 and 3 seat wagons.

You will find the comfortable interiors most inviting. The seats covered in richly patterned cloth in the hardtops and in all-vinyl in the wagons. You have your choice of four colors.

New Astro Ventilation is standard in the Caprice Custom Coupe. It directs outside air around the passengers. Windows can remain closed to noise, dust, heat, and rain.

Strato-back front seats with fold down armrests can be ordered, as can Strapo-bucket front seats. Concealed headlights can also be added to all Caprice models.

Watch Next Week for DEAN MONDAY On Chevy Talk!

LIGE TARVIN SAYS: Congratulations Harvester Band and Choir on your invitation to perform in New York, Dec. 25.

PAMPA, TEXAS BANNER LEAVES RAM FOOTBALL FIELD
... after band and choir halftime performance at Los Angeles

BAND AND CHOIR MARCHES OFF FIELD
... after a colorful 13-minute Christmas season performance

Los Angeles '68

As the caravan of five Texas buses drove toward California last week, thoughts of the 210 passengers aboard were on those left at home and on the unknown events of the trip to Los Angeles.

The highlight of this 1,121-mile trip was the band and choir's performance last Sunday during a 13-minute televised halftime show at the Los Angeles Rams-Baltimore Colts game. Attendance was 69,347, with the final score Rams 24, Colts 28.

Results of this performance spread as far east as New York, where representatives of the N.Y. Jets saw the performance. They contacted Harris Brinson, band director, and Bill Davis, choir director, to get them to agree to perform a show for the Jets' halftime Dec. 29. The Jets will play the winner of the Kansas City Chiefs vs Oakland Raiders American Football League game Dec. 22.

The band and choir accepted the invitation and are making preparations to fly to New York next Friday for three days of sightseeing, rehearsals and the performance Dec. 29 in Shea Stadium, according to Dr. James F. Malone, school superintendent.

The group's tour to California included Disneyland; a taping of the Dean Martin Christmas show, which was on the air Thursday; dinner in a Hollywood cafeteria, with some shopping at a Hollywood and Vine Drugstore; bus tour through Hollywood, with a stop at Grauman's Chinese Theater, which has star footprints in cement; taping of the "Newlyweds" television game; bus tour of Long Beach, oceanside and visit to Navy vessels in Long Beach harbor; tour through Marineland in Long Beach, and the final

tour—through Universal Studios Tuesday before starting home. Throughout all the tours, the sponsors knew the health and morale of their students and worked constantly to keep all of them able and enthusiastic. Daily, the sponsors were up 30 minutes to an hour before the others to be ready to go and to wake the students. Each sponsor was assigned about 16 students and lived in rooms near them. Each night, they

made room checks to be sure everyone was in and all right. Money was given to the students each day to be sure, as Bird Dog Trice said, "everybody had money to eat on." "Bird Dog," the nickname given Weldon Trice, tour coordinator, had assigned me to room with Mrs. O.C. (Marjorie) Penn, the school nurse. By watching her treatment and the diligence of sponsors in reporting minor ailments

before they became major, I can testify parents needn't have worried about the health of their students. Nurse Penn was equipped with numerous antibiotics, splints, and doctors' phone numbers for emergency cases. In spite of Nurse Penn's constant care two cases were diagnosed as flu—Mrs. Jean Casey and her son, Mike, who were ill coming home. Injuries which required a doctor's attention in Los Angeles were Joe Wheat, drummer, who

mashed his right thumb in a bathroom door Friday night before the game and Terry Pulse, who hit his head on a table Saturday night before the game. Other cases which required Nurse Penn were "the usual car sickness, colds, tension headaches and tummyaches that student have anytime they go on a trip. They're excited and don't always take time to eat and digest food properly," Mrs. Penn said. While en route to California,

the only major delays were a bus breakdown 112 miles before the caravan reached Albuquerque, N.M., and a heater failure on Bus 3 at Gallup, N.M. Students and sponsors were switched from Bus 2 to the other four buses until the group reached Albuquerque, where another bus was secured. According to Randy Marsh, the reason for the delay was "the bus broke." En route to and from California, the buses drove over highways flanked by dry, yellowed grassland dotted with sagebrush and flat topped mesas. In the distance on both sides, hazy, blue snow-shrouded mountains stood sentinel over

the valley prairies. To pass the time while traveling, students, sponsors and parents either slept, read, watched the countryside, played card or word games, sang, told jokes and kidded each other about being careful of equipment in the bus and hotel. As Bird Dog Trice told students and sponsors before the trip, "anything broken will be paid for by the brokee." While en route to California, that "redheaded sponsor," Mrs. Nancy Kastor, accidentally slipped a buschair out of line. Trice said make a note that "first chair broken was by that red-headed sponsor." Drivers fixed the chair, though, after the group reached California.

The band and choir rehearsed three times—Friday afternoon, Saturday morning and Sunday before the game. In the first rehearsal Friday they were heckled by a group of about 25 Negro high school students. Rehearsal was delayed about 30 minutes. "Of course, this made the students nervous, but nothing happened to us. No flags were burned, no stones thrown. It was something we didn't expect, but I think it reminded our group to be more careful about their speech while on the trip," Brinson said. Mrs. Bird Dog Trice commented she was told by a hotel waitress, "What nice children you have. You don't have any hippies, do you? Can you tell

us what to do with our children?" Mrs. Trice's answer was only that "they need to respect adults and authority. They need and want discipline, but must also know they are loved and liked for themselves. We told the boys they couldn't nosh unless they cut their hair, and they cut it, and they've not let us down in their actions while out here." Before the game Sunday morning, after Trice gave a non-denominational service for Christ an athlete, Brinson and Davis read congratulatory telegrams to the group from outgoing Texas Gov. John Connally and Gov.-elect Preston Smith.

La Cultura Club Members Review Electoral College, Ex-President's Life

La Cultura Club members met twice recently for reports on the Electoral College and Theodore Roosevelt meetings were held with Mrs. Philip Rapstine, 1806 Evergreen, and Mrs. David Pilcher.

In the meeting at Mrs. Rapstine's home, Mrs. Malcolm McClelland, speaker, said "The subject of the Electoral College is open to much criticism and study for possible weaknesses and reforms. The title, 'Electoral College' is a term which applies collectively to those individuals who choose the highest offices of the United States, the President and Vice President."

"The concept of the Electoral College rose out of a compromise of ideas. The original grand idea of how to choose a president properly, was that of a group of enlightened men who were conscious of their responsibility to choose the best man to lead the nation. The organizers wondered

what group of men should have the honor? Some thought Congress should, others the state legislatures, and others thought the popular majority of people were the ones to choose a president. Out of these diverging lines of thought emerged the institution of the Electoral College," Mrs. McClelland said.

Mrs. McClelland ended her report with questions for members, "Is the Electoral College an archaic institution or too cumbersome in its functions? Or is it flexible enough to accommodate complexities of the range of popular choice? Since some feared a new constitutional crisis in the last election, the college is in for some serious study."

Mrs. Dan Morris was announced as a new member. Others attending were Mmes. Paul Hartin, Carl Adcock, William Chafin, John Ellis, Lee Foxworthy, Jimmy Hayes, David Pilcher, and Jack Sharp.

In the meeting in Mrs. Pilcher's home, Mrs. Wayne Hampton discussed the Christmas party. Members also planned to send gifts to the Wichita Fall Mental Hospital.

Mrs. Hartin presented the program on former president Theodore Roosevelt and stated "Roosevelt was a man of unbelievable energy and exuberance. He was frail as a boy, a victim of asthmatic attacks, but used stubborn determination as his weapon to overcome frailties. His strenuous hobbies included mountain climbing, riding, tennis, shooting, gymnastics, and boxing."

"He attacked his public services with the same energy. Benjamin Harrison once said of Roosevelt the only trouble with trying to manage him was that he wanted to put an end to all the evil in the world between sunrise and sunset," Mrs. Hartin said.

"In addition to presidential accomplishments, he wrote several novels, contributed 296 animals from his hunting expeditions to the Smithsonian Institute and was awarded the Nobel Prize for Peace."

"Although he once considered himself a failure at the age of 26, his contributions to his country continued until his death, Jan. 6, 1919," she said.

Others attending were Mmes. William Chafin, Phil Rapstine, John Ellis, Wayne Hampton,

By Abigail Van Buren

DEAR ABBY: I am 22, my mother go about telling her 7-year-old son that she and his father are getting a divorce? On the advice of his attorney, my husband moved out of our house nearly 2 weeks ago, and I haven't the heart to tell our little boy that he is not coming back. (I told him that Daddy was away on a business trip.) Our son is a very sensitive child and he adores his father. How can I soften the blow?

CONCERNED

DEAR CONCERNED: Tell him the truth—that his father and you have decided that you would be happier living apart. And be sure to mention the word "divorce." It is better that he hear it from you than from the neighbors or the kids at school.

BETTY IN BUFFALO
DEAR BETTY: I hate to spoil your Christmas, Kiddle, but there ain't no Santa Claus. If you could use a little cash (and who couldn't?) borrow it from a bank and be prepared to pay a legitimate rate of interest. At least when the note comes due you won't have to wrestle your banker for it.

DEAR ABBY: How does a

Gamma Conclave Attends Breakfast

Gamma Conclave of Kappa Kappa Iota met with Mrs. Ann Heskey recently at 1120 N. Somerville for a Christmas breakfast.

Tables were covered in white linen cloths with arrangements of lighted red candles in crystal glasses for accents.

Mrs. Bert Nuckols gave the invocation, with Mrs. J. E. Gunn, president, speaking on reports from national headquarters.

Another on the program was Mrs. Alma Wilson, who gave the "Christmas Story," which was a story on "The Littlest Star," written by Marion King. Mrs. Austin Ruddick sang "Star of the East," accompanied by Mrs. Dan Johnson.

Hostesses conducted the gift exchange for the 31 members attending. Hostesses were Mmes. Lois Morrison, Wendell Watson, Bert Nuckols, Houston Price and Art Rankin.

The next meeting will start at 7 p.m. Jan. 27 in the City Club Room for March of Dimes and Game Night.

Jimmy Hayes, McClelland, Scott Nisbet, Charles Arledge, Jack Sharp and a guest, Mrs. Charles Brawder.

Pampa Gardeners Study Christmas Trees in Meeting

Mrs. James McCune hosted the Pampa Garden Club meeting at her home, 811 N. Frost, recently as Mrs. V. N. Osborn started the program with a poem, "A Garden Prayer."

Mrs. Joe Weaver presented a poem on "Could I Have Been in Bethlehem," followed by an article by G. H. Montgomery, "The Angels and the Atom." Pictures were also shown of Christmas trees made by the Amarillo Garden Club. Members exchanged gifts during the social with Mrs. McCune, Mrs. Bob Miller and Mrs. James F. Malone as hostesses.

Camper Club Has Barbecue Dinner

The Texas Panhandlers Red Dale Camper Club's dinner meeting was held recently at the Recreation Hall on the rodeo grounds. Tables were decorated with Christmas centerpieces with barbecue catered by a Pampa merchant. Members were represented at

the Citizens Band Radio Club's turkey shoot this month for a prize which will be awarded today in the Coronado Center. Members must have their tickets in by 4 p.m. today. They also decided to have the January meeting in Borger. Four couples attended from out-of-town and four from Pampa.

Home Demonstration Council Has Party

The Home Demonstration Council of Clubs sponsored its annual Christmas party recently with decorations of a miniature Christmas tree and candles on a red and net covered table CLOTH.

Members sang carols and played games, and heard the Christmas story by a special guest, Mrs. Paul Bowers, who presented "The Night of Miracles." After gift exchange, refresh-

ments were served to 34 members of the five clubs, Alaneed, Goodwill, Hi-Plains, Merten and Worthwhile, and to Gray County representatives, Miss Jimmie Lou Wainscott and Jeanie Ford.

Unstuffed frozen turkeys should be thawed until pliable before cooking. Do not thaw commercially frozen, stuffed birds before cooking, say Extension foods specialists.

Hostesses Display Yule Decorations

"Our Home at Christmas" was the program presented recently to members and guests of Xi Beta Chi by Mmes. Bill Baten and Don Stafford.

Mrs. Stafford stated "our homes should be a place of beauty, comfort and convenience and should capture the Christmas spirit."

Various Christmas decorations were displayed which Mmes. Baten and Stafford have made.

The business meeting was presided over by President, Mrs. James Trusty. Mmes. Chuck Zlomke, Waldon Moore, Homer Hollars and Jim Seedig were welcomed as guests.

The annual Christmas party was held recently at Mrs. Jack Vaughn's home.

Members and guests were served from a table covered with a Christmas cloth centered

with an oil lamp decorated with holly and gold balls. Refreshment's were served by Mmes. James Schaffer and Allan Self.

Other members attending were Mmes. Don Carpenter, Wayne Darrow, Ernest Fletcher, George Massie, Doug McBride, Dewey McKinney, Norman Ross, Shirley Sanders, Jo Stafford and Miss Norma Briden.

Xi Beta Chi members and guests also met recently in the home of Mrs. Jack Vaughn for their annual Christmas party. Christmas music was played during the evening while members and guests visited and exchanged gifts that were displayed under a decorated green tree.

The refreshment table was decorated with a Christmas centerpiece and candles. An assortment of Christmas candies, cakes and punch were served by hostesses Mmes. T.L. Garner, Jack Vaughn and Miss Norma Briden.

Guests attending were Mmes. Waldon Moore, Homer Hollar and Jim Seedig.

Members present were Mmes. Bill Baten, Don Carpenter, Wayne Dollar, T.L. Garner, Jim Holcomb, George Massie, Doug McBride, DeWey McKinney, Paul Mitchell, Wendell Maloney, Norman Ross, James Schaffer, Ailaa Self, Don Stafford, James Trusty, Jack Vaughn and Miss Norma Briden.

Air Dry Foam Rubber
Items of foam rubber or foam backing should not be dried in the dryer but air-dried. Under some circumstances they can cause fire by spontaneous combustion.

Merten Members Install Officers

Merten Home Demonstration Club members met recently for their annual Christmas party and installation of new officers.

Mrs. N. A. Briden, outgoing president, presided for the business session.

Christmas carols, games and gift exchange were part of the afternoon's program. Miss Jimmie Lou Wainscott, county home demonstration agent, installed new officers, Mrs. Ed Wylie, president; Tony Smith, vice president; David Rife, secretary-treasurer; Lazzetta Grants, council delegate and Willis White, reporter.

About 15 attended the meeting. Members will meet next with Mrs. Frank Grantham.

61st YEAR THE PAMPA DAILY NEWS SUNDAY, DECEMBER 22, 1964 19

City Council PTA Has Carver Meeting

City Council Parent-Teacher Association met recently at Carver Educational Service Center with Mrs. Paul Howard, president, presiding as Mrs. Ocie Stewart gave the spiritual thought.

Others participating in the program were Mrs. Ocie Stewart, minutes, Earl O'Neal, treasurer's statement; and Mrs. Paul Howard, November convention in Houston.

Guests welcomed were Mrs. T. L. Garner, Miss Jimmie Lou Wainscott, Dr. James Malone, and Pampa music teachers.

Mrs. Garner requested PTA units to help with the Mothers' March for the March of Dimes Jan. 20. Miss Wainscott announced the TV program will state in January on "How to Manage Money."

Dr. Malone announced a "Christmas festival for Young People" was held Dec. 14 in Amarillo, and also reported the Satellite Day Care Center for Post School will open Jan. 13 and needs more aides to volunteer.

special training. Each aide will

Auxiliary Presents Prizes In Meeting

DMP Auxiliary, Cities Service Gas Company presented door prizes to Mmes. E. E. Campbell, Mina Blanton and Ralph Paxson during a recent meeting at Mrs. C.D. Anderson's home, 2101 N. Wells.

Mrs. James Ownby presided for the Christmas business meeting and program as members voted to take a Christmas stockings to Casa Del Nursing Home and a box of canned goods to the Panhandle Children's Home.

Hostesses assisting Mrs. Anderson were Mrs. C. D. Anderson Jr., and Mr. H. G. Brington. One guest and 17 members attended.

Two Demonstrate Cooking Technique

The Alpha Iota Conclave of Kappa Kappa Iota had its annual Christmas Party recently at the Southwestern Public Service Co. Hostesses were Miss Geraldine Rampy, Miss Stella Kiser, Mrs. Jack Williams, and Mrs. Jerry Peurifoy.

Before the cooking demonstration, members discussed the Christmas project for this year and voted to give a money donation to the Pampa Girl Scouts.

Members named to the calling committee were Mmes. Bill Cornman, Gary Kastor, and Jerry Peurifoy.

After the meeting, Mrs. Peurifoy introduced the speaker, Mrs. Mildred Prince, home service demonstrator, and her assistant, Mrs. Peaches Stevens, Berger. Mrs. Prince er, Mrs. Mildred Prince, home presented each member with Festive Food Cook Book and prepared a meal from the book. After she received a gift certificate from the club, members exchanged gifts.

About 20 members attended.

Flower Society Votes To Help Salvation Army

Pampa African Violet Society met recently in the home of Mrs. Hily Gray, 1236 Williston for a Christmas party. Mrs. J.E. Carlson and Mrs. Evan Jones were co-hostesses.

As Mr. Charles Gilson, president, presided at the business meeting, members voted to fill Christmas bags for children to assist with the Salvation Army Christmas project.

Mrs. V.N. Osborn presented that Christmas program, a Christmas message and prayer, with film "Festival of Christmas Trees," from the Amarillo Garden Clubs.

(See FLOWER, Page 21)

ENGAGED

Miss Lalla Mae Burk.

Mr. and Mrs. C. E. Burk, residents of the Bob Price ranch, announce the engagement and approaching marriage of their daughter, Lalla Mae Burk, to Richard Lindsay Barrett, son of Mr. and Mrs. Robert M. Barrett, 616 N. Wells. Wedding vows will be repeated Feb. 1 in Air Base Chapel, Lowry Field. Miss Burk is a Pampa High School senior. Her fiancé is a 1967 PHS graduate, attended West Texas State University before entering the Air Force, and is now stationed at Lowry Field, Denver, Colo.

Early Shopping Makes A Jolly Christmas

By HELEN HENNESSY
NEA Women's Editor

Unless you start Christmas shopping early (like maybe on a rare day in May) your attitude is more apt to be a "Bah, humbug," one rather than a "This the season o' be jolly" type.

You probably waited until the last minute—seems as though everyone does—and male shoppers may need some help for the gals on their lists.

There's a baffling array of items to gladden the hearts of Christmas belles. And the enterprising gentleman will take notebook in hand, keep budget in mind and plan his holiday shopping while he rests comfortably in his favorite chair.

It may be tiresome to make lists, but it's a lot more exhausting to make countless

trips up and down the store escalators, hesitantly asking the perfume sales woman for "My Mistake," when you mean, "My Sin."

Buy the daily paper with its scads of holiday ads. Get your trusty ballpoint in writing position, separate Aunt Sophie pricewise from the wife or sweetheart and do the preparatory work that will save wear and tear on your feet and nerves.

For Sis or a favorite niece, mini hair pieces, hair ornaments or a decorative case holding an artist's palette of eye shadow will be happily received. Even false eyelashes will make a hit. The newest kind come with the eyeliner attached and are a cinch to apply. But skip the eyelashes for the gal who hangs the moon

for you. She may take them as a criticism of her own lashes.

Fragrance is a gift that makes girls of every age happy. If you're not aware of her favorite scent buy one you like yourself and tell her it would please you if she would wear it. No problem.

Handbags for daytime or evening are always welcome. Evening bags are especially pretty this season in glittering gold or silver, beaded or stone-encrusted.

For stocking stuffers scented soap, bubble bath or glitter hose can be "fun" in small packages.

Jewelry can run the gamut from the large costume pins so popular now to big rings for several fingers. It's the thing to wear several on each finger these days. There are charm

necklaces and belts as well as charm bracelets, too. And real jewelry or fine watches to be worn at the belt, on the wrist or around the neck will bring joy to her and to you as well if the budget can stretch to such baubles.

At-home wear is especially important this holiday time and many items are glamorous, ruffly and utterly feminine.

For the campus coed try a hairdryer, or smart weekend luggage. And it's impossible to go wrong with either ultra-glamorous or cuddly-soft slippers for parties or study evenings in the dorm.

Ropes of beads, a la Modern Millie, and long chains reminiscent of the '20s are big on the fashion scene as are designer signature scarves to (See EARLY, Page 21)

Knits with a lively new flair

CAREFREE POLYESTERS IN 3-COLOR CLOQUE DESIGN AND FAVORITE NEUTRALS

Here, the holiday-bound knits of a new fashion-dimension... seen in unusual textures of tri-colored pastel cloque patterns, in the light hand of spun polyesters, in skimmier one- and two-piece shapings, deep "V" and funnel necklines. Just 2 of many shown.

A Fashion-new cloque design two-piece in washable polyester. Orange-blue-white or lime-lilac-white; rayon rayon 12-20... \$21

B Silver-toned chain accents this whittled-down A-line of spun polyester funnel neckline. Navy, coral, wheat. Sizes 10 to 18... \$16

20 THE PAMPA DAILY NEWS SUNDAY, DECEMBER 22, 1964 61st YEAR

Two Women Direct Social In Library

Mrs. George B. Cree, quarterly chairman and Miss Jay Flanagan, general chairman directed the Senior Citizens Altrusa Club Christmas Party which was held in the Lovett Memorial Library recently.

The seniors were entertained with several musical numbers by Capt. and Mrs. Jess Duncan and several children from the Salvation Army Mission. They sang "Holy Night," "Jingle Bells," "O' Bethlehem," "Hark the Herald Angels Sing," "Ole Saint Nicholas and "We wish You a Merry Christmas."

Pries were awarded to Mmes. Little Reynolds, Ennis Jones, Gladys Higgins, Ada Olson, Myrtle Enloe, Mrs. W.R. Emmons, Mms. L.E. Henderson, Matt Swain, Peter Marka and R.W. Tucker.

Other entertainment was the high school group, known as "Freedom's Children," (Youth of America.) Tim Duke, a member of the group introduced other members: Jo Hiatt, Carolyn McKinley, Barbara Brown, Debbie Lane and Kenneth Lee. They sang, "This

Homemakers Club Selects Officers

SKELLYTOWN (Sp) — The Skellytown Homemakers Club met recently in the home of Mrs. Clarence Hoskins for a Christmas luncheon with Mrs. Ethel Hunt giving the invocation. (See **HOMEMAKERS**, Page 21)

Land is Your Land; "Here, There and Everywhere;" "Shepherd Boy" "Silent Night," "Jingle Bells," "The Sound of Silence" and "Merry Christmas."

Santa arrived with a big pack on his back, loaded with a stocking of candy and a friendly greeting and chat with all those present. Then he distributed gifts to the seniors from a lighted tree, being assisted by other members of the Altrusa Senior Committee. Jay Flanagan, Mmes. Russell Kennedy, C.L. Sullins, Charles Duengel, C.C. Fitzgerald, Billy Tidwell, Louise Sewell, Francis Hukill and Cree.

Refreshments were served from a Christmas decorated table of black wrought iron candelabra with tall green candles, and a snowman in green bows with green ribbon streamers down the center of the serving table.

Mrs. Russell Kennedy registered guests. Other Altrusans present and assisting were: Mrs. M.Q. Wilson, Mrs. Lalar Wilkerson, Mrs. Lorene Locke, Miss Evelyn Mason, Mrs. A.D. Hills, Mrs. Lillian Snow, Mrs. Mary Martin, Mrs. Irl Smith, Mrs. Frank Shotwell, Mrs. Maynard Johnson, Mrs. Fideia Yoder, Mrs. Lora Dunn, Mrs. Willard Henderson, Mrs. Ruth Sewell, Mrs. Van Vanderberg, Mrs. Ila Pool, Mrs. Leah Behrman, Mrs. Mark Heath, Mrs. G.H. Anderson and Mrs. Frank Hears.

Your Horoscope

JEANE DIXON

SUNDAY DEC. 22.

YOUR BIRTHDAY today: the urge to get resettled is paramount now. Your search is for some perfect system by which to live. Consistent efforts to find this will pay off to a surprising extent this year. Further formal studies are advocated. Today's natives often have almost a saintly selflessness or, if the individual horoscope is afflicted, the reverse.

ARIES (Mar. 21-Apr. 19): This Sunday is rather pleasant with everybody busy (and on his best behavior). You have the chance to improve your health. Enjoy hospitality this evening.

TAURUS (Apr. 20-May 20): Take your showing at church. Relief from weekday tensions comes out on top. Take your loved ones to an amusement area, or set up a situation which intrigues them. Enjoy the simplest course of action.

GEMINI (May 21-June 20): The expression of your faith is of top importance. Search out ways and means of self-improvement. Meditate late afternoon, then begin social rounds.

CANCER (June 21-July 22): Share your holiday preparations. Patch up any dissensions. Make it a busy, socially active day.

LEO (July 23-Aug. 22): Strive to be reasonable; for once there is more activity demanded of you than you feel ready to attempt. Try to free your own energies to go more fluently.

VIRGO (Aug. 23-Sept. 22): Once you complete your share of communal activity, you have the option of getting in some solid, meaningful work on your own affairs. Meditate for deeper guidance tonight.

LIBRA (Sept. 23-Oct. 22): This happy Sunday your habits may unconsciously change for the better. Let yourself go; your inner nature will bring forth a truer expression of potentials.

SCORPIO (Oct. 23-Nov. 21): Rest and recover from the tensions that have been at large for so long. Stay active, make the rounds, find new people without demanding anything of them.

SAGITTARIUS (Nov. 22-Dec. 21): Intellectual activity on your own can be very rewarding. Survey your financial setup. Romance beckons.

CAPRICORN (Dec. 22-Jan. 19): Get your letters organized. Push ahead seasonal plans. You may think it late, but this is

the time when things become feasible.

AQUARIUS (Jan. 20-Feb. 18): Do something about our own needs. Visiting kin and old friends advances their happiness (and your freedom of action). Pursue romantic interests this evening!

PISCES (Feb. 19-Mar. 20): Religious and charitable matters thrive and are very rewarding. Pursue personal projects diligently. Gather close associates tonight.

MONDAY, DEC. 23.

YOUR BIRTHDAY Monday: Conditions not of your making interfere with your plans this coming year. The revisions you make bring better results because you have worked them out more thoroughly. The obstacles present unprecedented opportunity. Make the most of this challenge to your organizing skills. Monday's natives are usually philosophers, many famous.

ARIES (Mar. 21-Apr. 19): Your public image improves and your public activity increases for the coming week. Early confidential negotiations are strongly favored, building up later in the day.

TAURUS (Apr. 20-May 20): Friends create new connections for you. Business opportunities improve. Check out all openings thoroughly; some may be based on factual misunderstandings.

GEMINI (May 21-June 20): Confusing influences develop at odd moments. Take it all in stride, attach no serious importance to casual remarks. Personal projects are strongly favored.

CANCER (June 21-July 22): Thrift is essential to your success this season! A new connection may form for you. Work more on living condition. Marital relations deepen.

LEO (July 23-Aug. 22): Put yourself into a consistent program to achieve more cooperation with all around you. Teamwork is improved.

VIRGO (Aug. 23-Sept. 22): Clearly state your figures and facts. Consult with authorities, supervisory personal. Steady, well-paced effort pays off!

LIBRA (Sept. 23-Oct. 22): All goes well on the surface; but an undercurrent of wishful thinking is mistaken for fact. Use intuition to explore how deep the potential problem is. Be optimistic.

SCORPIO (Oct. 23-Nov. 21): Make sure your ideas relate

20th Century Club Reviews Needlework

Twentieth Century Allegra met with Mrs. Allan Wise recently as Mrs. George McCarroll presented a program on American needlework.

"A person's needlework reveals as much about her as her handwriting. Needlework of a country reflects its civilization, history, culture and politics," Mrs. McCarroll said.

"American piece patchwork is the only truly American needlework. We give names to our designs and have learned how to make our dyes from the Indians."

"Needlepoint is the newest form of needlework in America."

In the Colonial days, applique was next in popularity to patchwork. Crochet in America was inspired by lace making in Ireland. Examples of knitting have been found in Egyptian tombs," she said.

Those attending were Mmes. John McCausland, Kay Fancher, Jack Miller, Allan Wise, Jack Reeve, McCarroll, Raymond Reid and Kenneth Giggy.

Attractive Attic
A few yards of budget-priced fabric can be hung along the unfinished walls of an attic room to lend color and interest. Choose one that can be washed often.

Mr. and Mrs. M. F. Tibbets

Couple Observes 50th Anniversary

LEFORS (Spl)—Mr. and Mrs. M.F. Tibbets, of Lefors were honored recently on their Golden Wedding anniversary, with a reception in the Civic Center in Lefors.

Sponsoring the celebration were their children Mr. and Mrs. Raymond Jordan and family of Seagraves; Mr. and Mrs. Robin Tibbets, Ogden, Utah; Mr. and Mrs. Ferrel Tibbets of Laverne Okla; and Mr. and Mrs. Glen Tibbets, Pampa.

The serving table was covered with lace table cloth centered with a basket of yellow mums. The three-tiered wedding cake topped by miniature bride and groom was accented with gold leaves and roses and served by Mrs. Robert Gilmore, granddaughter. Serving the punch was Cynthia Tibbets, granddaughter, Presiding at the registering table was Miss Robin Tibbets, granddaughter.

Mrs. M.F. Tibbets was presented with a gold carnation corsage by the children.

Mr. and Mrs. M.F. Tibbets were married near Wellington at the farm home of her parents. Mr. and Mrs. J.H. Porter, on Dec. 15, 1918. The couple have lived in Gray County since 1918, and spent the past 34 years at Lefors, where Mr. Tibbets was employed with Coltex. Corp until his retirement after 31 years.

They are members of the United Methodist Church of Lefors.

About 100 guests registered from Lefors, McLean, Borger, Pampa, Amarillo, and Carlsbad, N.M.

Methodist Women Attend Luncheon

St. Paul Methodist Women's Society of Christian Service met recently for its Christmas program and covered dish luncheon at Mrs. N. Dudley Steele presented a program on "The Blessed Christmas," a book review.

She highlighted the blessedness for caring instead of indifference at Christmas as seen through the eyes of a small boy.

Those attending were Mmes. Billy F. Brown, Max Browning, Malcolm McClelland, Blanche Jordan, W. F. Gaines, Jim Moring, Arthur Hefflin, Sid Parslee, E. N. Franklin and Ray Laycock.

HIGHLIGHTS

(Continued From Page 8)
James E. Peavy has taken over the presidency of the Association of State and Territorial Health Officers, which is composed of the executive officers of the department of health of the states, territories and possessions of the United States.

Another \$1.1 million in Hill-Burton hospital grants have been approved for Tahoka, Van Horn, San Antonio and Houston facilities.

Texas Criminal Justice Council won approval of its application for \$692,350 in federal planning funds for use through the Omnibus Crime Control and Safe Streets Act of 1968.

Gov. and Mrs. Connally hosted their second Christmas tree-lighting ceremony at the Governor's Mansion, with children from the Settlement Home and the Junior Helping Hand Children's Home as special guests.

Red Cross News

By LIBBY SHOTWELL, Executive Secretary, ARC
Christmas is so very near and we are so very happy over the many nice things people in Pampa have done for others. There was the many clubs and individuals who have taken the time to clear their names through the Welfare Index Organizations.

The churches who have called and asked us to help find names of people who needed help at Christmas time; the individuals who gave money to see that children had shoes and toys at Christmas time. A great big thanks to all of you!

Our office was invited to a Christmas party in the Police Department in the City Hall for Mary Walker on her retirement. Mary will be missed by those in the City Hall and we hope that her successor will enjoy working in City Hall as much as Mary has. She leaves many friends there who wish her well through the days ahead.

We also attended a party in the Water Office Friday afternoon and the office is so very pretty after its facelift! I is hard to imagine that it was once the Red Cross office.

Your executive secretary will be in Fort Worth for Christmas this year and then we will go on to Carthage, Tex., to visit my sister who has been ill.

Mrs. R. D. Wilson will be in the Red Cross office during the time we are gone, and the committee on services to the Military headed by Mrs. Sam Cook will assist Mrs. Wilson.

Call No. 5-5206 or MO 4-7387 after hours for emergency wires.

The hospital volunteers met in the home of Miss Margaret Wilkerson Wednesday morning for their Christmas coffee. Although we had our only snow of the season, there was a good crowd present.

Mrs. Lee Harrah, chairman, greeted the guests and Mrs. Libby Shotwell poured coffee from a gaily dressed table in the Christmas motif. Guests were served coffee cake and fruit cake with coffee and tea.

Several cards were sent to ill members or those who were out of town. Present were Mrs. Augusta Yealy, Eunice Pierson, Mary Weaver, Edwina Boyd, Thelma Lutes, Louise Sewell, Olive Hills, Libby Shotwell, and Mrs. Lee Harrah, with guests, Mrs. Lalar Wilkerson, Mrs. Walter Stein, Miss Ila Pool with the hostess.

Christmas at the VA Hospital will be a bit brighter because of the school children in Pampa. Tray mats, nut cups and little figures made of pecan nuts will decorate the trays of the veterans for Christmas morning at the VA Hsp, because the children at Robert E. LEE Junior High art department cared. Teacher sponsor for the school was Mrs. Ruth Barrett. Thanks, Ruth and all of the boys and girls at this school.

Woodrow Wilson Elementary School with John Simon, teacher sponsor made the tray favors and nut cups for the New Year's day for the Veterans Administration Hospital. Thanks to all of the boys and girls in the school for their thoughtfulness.

Wall Street Chatter

NEW YORK (UPI) — The rates have not gone with or signaled the arrival of a liquidity squeeze," the firm notes. "On the contrary, money has remained readily available despite the rise in interest rates."

Blair Co. says investors should "remain extremely alert at this time," upgrading accounts, accumulating cash reserves and taking steps to

lessen exposure to a correction of recent speculative excesses. The firm however, does not anticipate an "extended market reaction" unless credit policy becomes extremely restraining in the months ahead.

T.F. Hutton points out that the "sharp rise in the December short interest totals" should not be construed bullishly, as it usually may be. It results from tax motivated "short against the box" transactions, which when closed out in January, will result in a drop in short interest figures for that month from the December levels.

MISS SMITH ON TOUR

BRISBANE, Australia (UPI) — Marilyn Smith, one of America's top woman professional golfers, will tour Australia in seven exhibition matches next year.

Miss Smith's tour will begin Jan. 28 when she plays former Australian champ Joan Fletcher.

Agriculturally Speaking

By FOSTER WHALEY
County Agricultural Agent

Now would be an excellent time to collect a soil sample and send it to our Lubbock laboratory for testing. The longer a piece of land is under irrigation, the more important it is to have a soil test.

When irrigation was new in Gray County, we never saw a testing laboratory that suggested anything except nitrogen for the soils around Pampa. Quite frequently we see phosphorus recommended today in cases where a place has been under irrigation for several years.

In every case the nitrogen rate has been stepped up in the recommendation by our soils laboratory.

Because of the fact that phosphorus costs somewhat more than nitrogen, it becomes highly important that you have a soil test before applying phosphorus.

No Benefit

A four-year test at the Bushland Experiment Station indicated there was no difference in grain yields due to the source of nitrogen applied. Nor did the time of application have any effect on yields if applied when the ground was in proper condition.

In other words, a hundred pounds of nitrogen applied in a dry pelleted form costing ten to twelve dollars an acre is no better than a hundred pounds of nitrogen applied as anhydrous ammonia costing about four dollars per hundred.

There are certain cases where the dry fertilizer might have to be used on growing small grain crops. The mechanical tear out of the crop might be more harmful than the benefits derived.

In most cases, farmers fertilize their milo before planting. This is a good chore to get done before the rush season.

Soil Is Ready

Melvin Ratney, fertilizer dealer east of Pampa, tells me most of the ground is just right to apply anhydrous ammonia at present.

With cabs on most of the tractors now and the ground working so good, this would be an excellent time to get after this job. Waiting until a big rain in the spring might delay planting and cost you two thousand pounds per acre in yield. Most of the farmers that got their milo in early during 1968 made about as good a milo crop as they did the previous year.

If you have an abundant water supply and have a low milo base, you might ought to shoot for a high yield. To accomplish the maximum in yield, one of the longer maturing varieties of milo

should be planted. It will probably take an additional watering.

However, you should keep in mind the highest yield per acre does not always return the highest net dollars per acre.

Wishing everyone a very merry Christmas and happy and prosperous New Year!

4-H Club News

By JESSE HOERMANN
Asst. County Agent
and
JEANNIE FORD
Asst. Home Demon Agent

The Gray County Favorite Food Show was held Dec. 7 at the Agricultural Office Building. The purpose of the show is to help 4-H members develop leadership talents, develop skill in preparation of food, develop desirable food habits, and select purchased foods wisely through a study of food costs.

Winners of the food show were: blue ribbons—Elaine Webb, Joy Hollenshead, and Cindy Youngblood of the Lefors 4-H Club and Theresa Sailor of the Top O' Texas Club; red ribbons—Paula Stephens, Susie Williams, and Linda Stanton of Lefors 4-H Club, and Sandra Smith of Grandview 4-H Club.

Contestants were judged on exhibitor's knowledge of food and nutrition, the food exhibited, the exhibit, the recipe, and the day's menu. This was 1/4 of the score. One fourth of the score was the record books. Judges were Mrs. Brenda Hofmann, Home Demonstration Agent from Wheeler, and Mrs. Edith Hughes, Home Demonstration Agent from Panhandle.

Cindy Youngblood, Linda Stanton, Theresa Sailor, and Elaine Webb are eligible to attend the District 4-H Food Show held in Canyon, April 12, 1969.

The products for the 1969 county and district 4-H Girls' Better Bake Show are plain bread muffins and cinnamon rolls. Suggested reference for the plain bread muffins in Extension Bulletin E-1032, Quick Breads and Cereals. Reference for cinnamon rolls is bulletin B-863, Yeast Breads.

Alanreed 4-H Club held its monthly meeting December 17. A Christmas party was enjoyed by all. The McLean 4-H Club also had a party and exchanged gifts at their monthly meeting.

A 4-H junior livestock program has been set for Feb. 15. All 4-H'ers and parents will be invited. The program will be on all phases of beef animal showing.

Merits of Different Treatment For Grain Sorghum Is Studied

LUBBOCK—A beef cattle feeding study to evaluate steam flaked and micronized (dry heat treated) grain sorghum has been launched at the Lubbock Feedlot here.

Purpose of the study is to compare animal performance and carcass characteristics of steers fed a feedlot ration containing the two different types of grain sorghum preparations, reports Dr. Lowell Schake, area livestock specialist with the Texas Agricultural Extension Service and coordinator of the project.

The grain is micronized by heating it to about 300 degrees with gas fired infrared burners and then rolled. The resulting grain has about seven percent moisture and weighs 38-40 pounds per bushel.

Steam flaked grain is obtained by heating the grain with steam to bring it to about 18 percent moisture and then flaking it. Flaked weighs 22 pounds per bushel.

A uniform group of 400 steers weighing an average of 750 pounds are being used in the study, points out Schake.

The animals are divided in four lots of 100 head each. All steers are receiving the same ration with the exception of the different types of prepared grains. Two lots are being fed the steam flaked grain while

the remaining two lots are receiving the micronized grain. All rations are formulated to an equal moisture level of 15 percent.

In addition to evaluating the different grain sorghum preparations, the study is also designed to determine the effect of an anthelmintic treatment, explains the livestock specialist. This is a treatment to reduce parasitic worms, especially those found in the intestine.

In this part of the test, half of the steers on each of the processed grains were treated with drugs to determine their influence on parasitic worms as well as animal performance and carcass traits. Fecal samples will be obtained to estimate the level of parasite infestation.

All animals will be group weighed at 50-day intervals to record animal performance during the 150-day feeding study.

Cooperators in the study, in addition to the Lubbock Feedlot and extension Service, are the Ralston Purina Research Feedlot, Lubbock; Charde Pierce, who is supplying the micronized grain, Lubbock; Texas Agricultural Experiment Station; Texas A-M University Agricultural Center, Lubbock; and Texas A&M's Department of Animal Science and Veterinary Parasitology.

Milo, Corn Residue Is Valuable For Minerals, Tilth, Absorption

By JIM ROACH
Range Conservationist, Pampa

The residue from a crop of milo or corn is valuable in the maintenance of productivity and should be considered as an asset instead of a liability.

From a 5,000 pound milo crop, there is an estimated 6,000 pounds of residue which contains about 85 pounds of nitrogen, 25 pounds of phosphorus and 125 pounds of potash.

With good management, these nutrients can contribute substantially to the requirement of the next crop.

Perhaps of greater importance is the effect of the residue on maintenance and improvement of the physical structure of the soil—better water intake, better retention and better tilth to the soil.

Many farmers follow the desirable practice of shredding stalks immediately after harvest and the question of whether or not to apply nitrogen to speed up decomposition often arises.

It is evident that for maximum protection against erosion, much of the residue should remain on the surface.

Surface applied nitrogen on exposed residue cannot be expected to greatly speed up the decaying process and a portion of the nitrogen can be lost to the atmosphere if left on the surface.

Thus, nitrogen applied to the residue should be worked into the soil at least partially if the organisms are to be active.

Another factor to consider is that decomposition slows down as temperatures drop but proceeds faster when soil temperature is ideal for plant growth.

Conservation District News

By LYNN McDANIEL
Soil Conservationist, Pampa

The end of the year is just about here and many farmers and ranchers are summing up this year's operations to evaluate this year's progress. May I suggest that you also look ahead for next year and develop a conservation plan which will add more on the plus side of profits next year.

Rex McAnelly is leveling land so that he can get better water distribution and more even penetration of water. This land leveling will save water and will cut down on the amount of labor required to water the land.

Creed Lamb has installed a well and livestock water facility,

allowing him better grazing management when he completes the fencing. He has established his entire farm to native grasses and weeping lovegrass.

John Haynes has completed the installation of a cross fence to better manage the grassland.

Craig Morris has been shaping the gullies in his place north of McLean. These gullies will be seeded to weeping lovegrass early next spring. This should control the gullies if we can get by without large floods before the grass is established.

Kenneth Jackson is installing underground irrigation pipeline on the Anderson farm north east of Groom. This line will allow Kenneth to utilize all of his irrigation water when he completes the underground line.

Panhandle Water District News

By FELIX W. RYALS

Tuesday of the past week I had the opportunity to attend, in Austin, the release of the state-wide Texas Water Plan.

As far as the West Texas area is concerned the Lubbock portion of the High Plains is well taken care of.

There will be enough water, reaching the Bull Lake area northwest of Lubbock, for the Panhandle area south of the Canadian River, and from Amarillo east if we can fashion some system of entry to bring the water to us from the Bull Lake area. We will have more to say on this in future columns.

Continued here are further portion of recommendations of the Texas Water Development Board:

"With regard to the implementation of the Texas Water Plan, present constitutional and statutory authority vested in the Board is inadequate, falling far short of the broad powers necessary for effective plan implementation. In this regard the Texas Water Development Board recommends the passage of legislation which would broaden the Board's authority to include the following:

(1) To participate in partnership with the federal

government, pursuant to appropriate statutory and contractual arrangements, in the design, construction, operation and maintenance, and management of the Texas Water System, such participation to be on the basis of undivided interest in the total system.

(2) To enter into contracts with Federal agencies, or with Federal-State agencies, to purchase water from out-of-state sources, the water to be delivered at the state line.

(3) To enter into cooperative agreements with the United States, local public agencies, and investor-owned utilities for financing, constructing, and operating facilities to generate and deliver pumping energy required for the Texas Water System.

(4) To acquire by eminent domain lands necessary for water development project purposes as proposed in the Texas Water Plan.

(5) To preserve the lands necessary for water development project purposes, with terms providing for an equitable return to the land owner.

(6) To use lands eventually necessary for project purposes

prior to initiation of construction and on an interim basis. Some purposes for use would include leasing for agricultural use, leasing for recreational developments, development of wildlife and fishery management in cooperation with the Parks and Wildlife Department, and other purposes not inconsistent with ultimate reservoir development.

Because acquisition of lands by the state removes the tracts from local tax rolls, these contracts may contain provision for contribution by the lessee to units of local government, such contribution to be in an amount equivalent to farmer ad valorem taxes or special assessments.

To act as the sponsor of water development projects proposed for federal

Board is acquiring storage in a reservoir project as part of the Texas Water System or when a local sponsor is not available for a needed water development project, whether or not it is a part of the Texas Water System.

ASCS News

Jerald Stark
 Pfc. Jerald Wayne Stark, son of Mr. and Mrs. Troy Ogden, Burkburnett, Tex., is home spending Christmas leave with his parents. He is the grandson of Mr. and Mrs. Pete Marek, 912 S. Banks.

Stark recently completed six weeks of combat infantry training at Camp Pendleton, Calif., and will be assigned to the First Marine Division in Vietnam during January, 1969.

Stark enlisted in the Marines under a special program. "The Remedial Medical Enlistment Program." This program permits a young man who has a minor medical defect to enlist in the Marines.

After enlistment, he reports to a government hospital, where the defect is corrected. After he is certified fit for full duty, he then attends Marine recruit training.

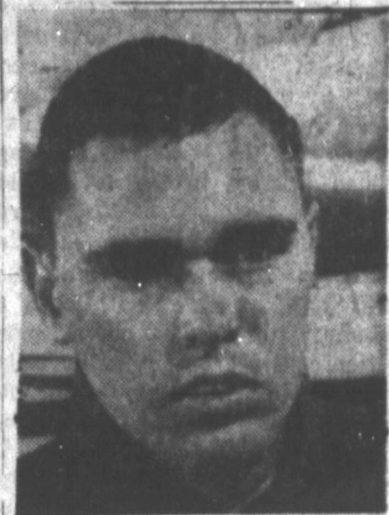

While undergoing Marine recruit training, Stark qualified to wear the Marine's sharpshooting rifle badge.

James Tolleson
 SAN FRANCISCO—Aviation Electrician's Mate Second Class James G. Tolleson, USCG, son of Mrs. Della J. Tolleson of Pampa, was reenlisted into the U.S. Coast Guard for six years at the Coast Guard Air Station in San Francisco.

In 1966 the men of the station

saved 63 lives and contributed to the rescue of many others.

A graduate of Berger High School, Petty Officer Tolleson entered the service in August 1955.

Travis Tucker
 Pensacola, Fla.—Navy Second Lieutenant Travis J. Tucker, son of Mr. and Mrs. Denver L. Tucker of 1015 Duncan, has made his first solo flight.

The flight was made in a T-34 "Mentor" trainer after five months of intensive academic, military, and physical training, including one month of Primary Flight Training with Training Squadron One at Saufley Field, Naval Auxiliary Air Station, Pensacola, Fla.

The "Mentor" is the military's version of the civilian Beechcraft "Bonanza." He will continue on to more advanced phases of his flight training for approximately 13 months before receiving his pilot's "Wings of Gold."

Philip Smith
 WACO—Philip N. Smith, son of Mr. and Mrs. M.B. Smith, 1918 N. Nelson has been named a distinguished military cadet in his Air Force Reserve Officers Training Corps (AFROTC) unit at Baylor University, Waco.

Cadet Smith was selected for the honor in recognition of his outstanding leadership, high moral character, military bearing and scholastic achievement.

The cadet, who is working toward a degree in history, will be eligible for a commission as an Air Force second lieutenant upon completion of his AFROTC requirements and graduation from college.

He is a 1955 graduate of Pampa High School.

Harlan Pool Jr.
 HEIDELBERG, Germany—Harlan A. Pool Jr., whose parents, live in McLean, was promoted to Army staff sergeant recently while assigned to the 529th military Police Company near Heidelberg, Germany.

Sgt. Pool is a military policeman in the company. He entered the Army in January, 1966, completed basic training at Ft. Polk, La., and was last stationed at Ft. Gordon, Ga., before arriving overseas in July, 1966.

The 21-year-old soldier graduated in 1964 from McLean High School.

John J. Engle
 FAIRFIELD, Calif.—John J. Engle, son of Mrs. Noma B. Engle of McLean, has been promoted to staff sergeant in the U.S. Air Force.

Sergeant Engle is an information specialist at Travis AFB, Calif.

The sergeant recently returned from a tour of duty at Phan Rang AB, Vietnam. A graduate of Enid (Okla.) High School, he attended Phillips University, Enid, and Oklahoma City University. His wife, Karen, is the daughter of Mrs. Ruth G. White of Rt. 1, Aline, Okla.

Carlton Dye
 U.S. AIR FORCES, Thailand—technical Sergeant Carlton B. Dye, son of Mrs. Ollie M. Dye of Blue Springs, Miss., is on duty at Korat Royal Thai AFB, Thailand.

Sergeant Dye, an aircraft maintenance technician, was assigned at MacDill AFB, Fla., before his arrival in Thailand. The sergeant is a 1944 graduate of Center High School,

New Albany, Miss. His wife, Thelma, is the daughter of Oscar S. Nelson of 339 S. Banks St., Pampa, Tex.

Marvin E. Konz
 U.S. AIR FORCES, Thailand—Sergeant Marvin E. Konz, son of Mr. and Mrs. Richard H. Konz of 1255 Wisconsin Blvd., Dayton, Ohio, is on duty with the 438th Strategic Wing at U-Tapaco Airfield, Thailand.

Sergeant Konz, a Strategic Air Command fuel systems mechanic, supports B-52 Stratofortress bombers which daily attack Viet Cong targets and KC-135 Stratotankers which provide refueling to fighter, bomber and reconnaissance aircraft conducting the air war over Vietnam.

The sergeant was assigned at Lockbourne AFB, Ohio, before his arrival in Thailand.

His wife, Darlene, is the daughter of Mr. and Mrs. Harry B. Muns 2018 Hamilton.

Mark L. Collins
 FT. CARSON, Colo.—Army Private First Class Mark L. Collins, 26, son of Mr. and Mrs. Torbett F. Collins, White Deer, was assigned Nov. 15 to the U.S. Army Hospital at Ft. Carson, Colo.

FARMER'S TAX GUIDE
 The 1969 edition of the "Farmer's Tax Guide," prepared by the Internal Revenue Service, can be obtained from a local county agricultural agent.

Rick V. Moore

PFC Rick V. Moore, son of Mr. and Mrs. W.V. Moore of White Deer, was recently promoted from gunner to a squad leader of two gun teams.

Moore is assigned and now serving as a machine gunner with "Fox Trot" Co., 2nd Battalion, 3rd Marine Division in the northernmost province of South Vietnam.

He participates in pacification programs and search-and-destroy missions to prevent the enemy from infiltrating into South Vietnam. On these missions they are supported by Marine air strikes, artillery, tanks and amphibious tractors.

Moore recently was chosen to go on a "killer team" with his platoon sergeant and another Marine. They went on a 48-hour, day-and-night mission to search and destroy the Viet Cong.

Moore entered the Marine Corps April 9, 1968, and has been stationed in Vietnam since Sept.

U.S. RICE EXPORTS
 During 1967, the U.S. replaced Thailand as the largest exporter of rice, according to the USDA. Rice exports in 1967 decreased about 4 1/2 per cent or 330,000 metric tons from 1966 and about 800,000 tons from the all-time export record set in 1965. World trade is expected to only slightly increase for rice in 1969 the USDA says. Reasons given were current high prices, greater local demand in producing countries, and substitution of other grains.

Brush Control
 For brush control, advise Extension range specialists at Texas A&M University, use individual plant treatment methods of 2,4,5-T mixed in diesel oil after frost. Use mechanical control measures when soil moisture is adequate for this treatment.

Footwork
 LONDON (UPI)—The Rev. John Hatcliffe, 42, had one comment to make after completing a 200-mile walk from Stubbins to London in an attempt to raise 1,000 pounds (\$2,400) for a new church organ: "My feet are sore."

MERRY CHRISTMAS and a HAPPY NEW YEAR from the CASA DEL NURSING CENTER

We wish to thank all the Church groups, Scout Organizations, Drug Stores, etc., for all their contributions that has helped make our residents life more enjoyable. It is appreciated by both the Management and Staff

Watch his big smile that says "Thank You"

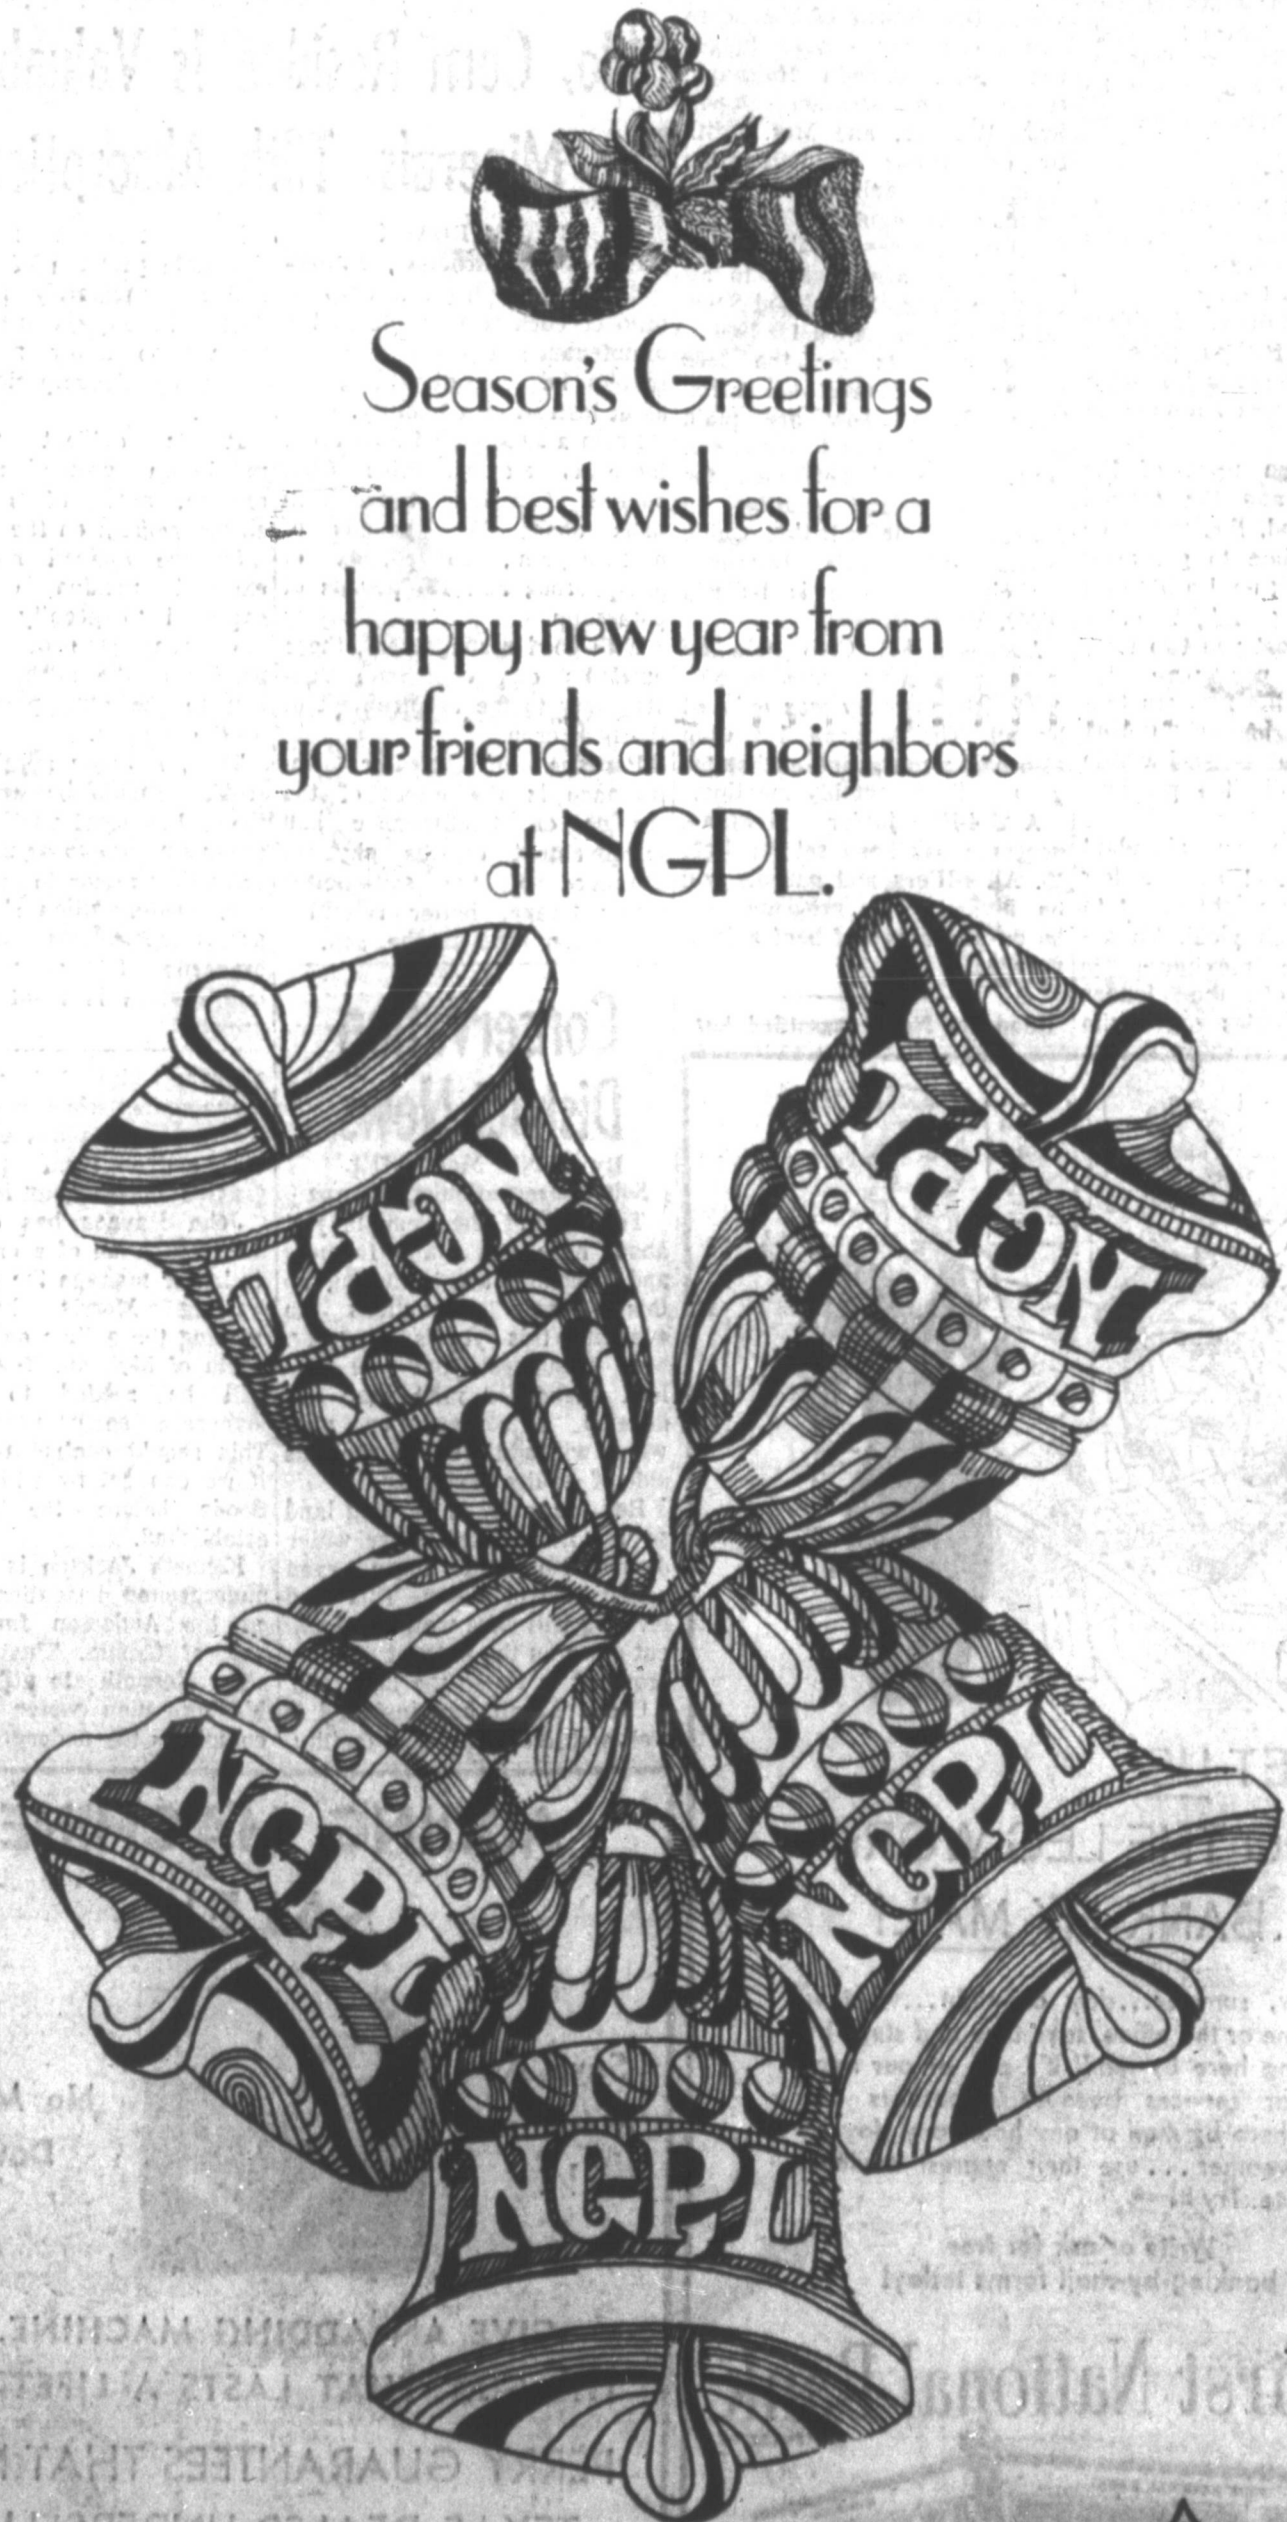

When the boy comes to collect...

Your newspaperboy makes it his business to collect at a regular time—convenient to you. That way he comes expected and you can be ready for him. You can help, too, by having the money there so he won't have to come back. He'll appreciate that. Because this boy is in business. He depends on the full collection of his route for his full

profit. And repeat calls for him mean extra work with no extra profit. Hence, next time the boy comes by to collect, be ready—and watch his big smile, which says "Thank you."

NATURAL GAS PIPELINE COMPANY OF AMERICA

Beatles Bedazzle, Bug Critics

By TOM A. CULLEN
European Staff Correspondent
LONDON—(NEA)—Are the Beatles the greatest songwriters since Schubert? Is John Lennon an embryo Erahm's Does Paul McCartney show signs of becoming another Bach?

Some of Britain's high-brow critics think so, judging from the rave notices they have given to the Beatles' latest double LP album, which is titled simply "The Beatles."

The most important musical event of the year, it is the way the stuffy London Times greets the appearance of the album. The Times' music critic goes on to gush, "No other living composers have achieved so much."

The Observer rates the Beatles even higher than Franz Schubert (1797-1828). Commenting on the fact that the Beatles recently turned out 15 new songs in one batch, the Observer's egghead critic writes that "Not even Schubert wrote at that rate."

As for the influential Guardian, its critics call the Beatles "the first full citizens of the

possessive age," whatever that may mean, and is ecstatic over their new LP record.

Whether or not it puts them in the music master class, the Beatles' latest album, which contains 30 new songs, should boost them into Britain's highest income tax bracket. For even before the LPs appeared in the shops here more than \$2 million worth had been sold in advance. This is in spite of a new purchase tax which the government has slapped on all records.

The new LP is also expected to do well in America, where the Beatles' single, "Hey Jude," has notched up sales of over three million in just two months.

The pop world is by no means in agreement that the Beatles' album is another Beethoven's Ninth or Schubert's Unfinished Symphony. The Melody Maker finds such talk pretentious if not sinister.

Deploping the tendency to take pop music seriously Michael Smith, the Melody Maker's critic, longs for the good old days when "pop music had all the complexity and

durability of candy floss."

"It must be a source of never-ending amusement to the Beatles," Smith writes, "to see their naive musical bits and pieces acclaimed as manifestations of blinding genius."

However, the consensus here is that the new Beatles' LP is an impressive performance. Many of its 30 tracks are deliberate send-ups, parodies and put-ons of other pop artists, including Elvis Presley, Donovan, Chuck Berry, Little Richard, the Beach Boys, and Blind Lemon Jefferson.

Other influences that can be traced include talking blues, shouting blues, rock 'n' roll, Nashville country and western, Latin American, calypso, Indian traditional music concrete, and flamenco.

Some of the songs have weird titles, such as "The Glass Onion." Others refer to animals, among them being "Blackbird," "My Monkey," "The Eagle Who Picks My Eye" and "Piggies," which is supposed to be about the Chicago police, according to one interpretation. Similarly the song, "Saxie Sadie," is said to refer to the Maharishi, the Hindu mystic at whose feet the Beatles sat at one time.

Not all of the new Beatles songs are chips off the old Beatles, however. Some of them sound downright splendid, such as the one called "Birthday," which includes lines like "Happy birthday to you." Another consists of repeating "Good Night" over and over. A third, titled "Revolution 9," is composed of sound effects, overhead gossip, tapes played backwards.

"Janglings from the subconscious memories of a floundering civilization" is the way the Observer's longhaired critics describes this last number.

To other less acute ears, it sounds an awful lot like a meaningless collection of noise.

THE BEATLES (left to right) Paul McCartney, John Lennon, Ringo Starr and George Harrison are being touted by some British music critics as the greatest composers since Schubert, Brahms and Bach. Others feel the group is putting the world on with one critic calls "their naive musical bits and pieces."

SOCKED IT TO THEM

WASHINGTON (UPI)—District of Columbia police were looking today for the unarmed bandit who walked into the public national bank here Thursday, pulled a Christmas stocking from the wall, stuffed it with an undetermined amount of money from a cashier's drawer and fled.

OLD LOAFER
COWLEY, England (UPI)—Mrs. Sylvia Rapson was rummaging through an attic full of old trunks when she discovered a 72-year-old loaf of bread.

It was wrapped in table linen and bore the message: "made on Good Friday, April 3, 1896."

"It must have been baked by my late mother when she was nineteen," said Sylvia, 61.

"I've been told it is still edible, but I am keeping it... for sentimental reasons," she added.

COST OF DIPLOMACY (UPI)—It costs diplomats more to live in 17 world capitals than it does in New York City, the United Nations said Thursday and the most expensive of all is Nouakchott in the West African nation of Mauritania. The survey said Paris was the only major city more expensive than New York.

LAGOS (UPI)—Nigeria's chief of state, Maj. Gen. Yakubu Gowon, Friday ordered a 40-hour Christmas truce in the Nigerian civil war. There was no word whether secessionist Biafra would honor the truce.

LIFTS CENSORSHIP

RIO DE JANEIRO (UPI)—Brazil lifted Friday the censorship imposed on radio and television stations following the indefinite suspension of Congress a week ago. But newspapers remained under government censors.

MOSCOW (UPI)—The Soviet Union launched an unmanned earth satellite Friday to study the upper layers of the earth's atmosphere and the Northern Lights, Tass said.

LOTS OF BRASS

is represented here. It's a giant brass tuba on display in Kralice, a Czechoslovakian town noted for its production of musical instruments. The huge horn stands about nine feet high and if straightened out would be about 40 feet long.

A New Kind of Specialist

Many years ago a man set for out of Danville, Illinois, and launched a fabulous career on the Chautauqua circuit and the vaudeville stage reciting a classic called, The Specialist. His name was Chic Sale, and his legendary reading is still a perennial best-seller in book form.

The age of specialization has been the subject of satire from Chic Sale's day to the present. Specialists dominate every field, but none more than sports and medicine. There are big-league baseball players who go a whole season without catching a baseball, it being their job only to pinch-hit. Specialization in the field of medicine has not yet reached the stage described by one modern comic who purports to have a brother-in-law doctor who treats left-handed people who develop warts on their right hand. But almost.

Happily for all of us, and particularly in communities like ours, the medical profession has been rethinking this specialization business and some old-fashioned logic has prompted planning for a new kind of medical specialist—the family physician. The American Academy of General Practice has been leading the fight for special training in family medicine. It feels that medicine today gives emphasis to the

A Team of Practical Men
The Cabinet selected by Richard Nixon gives promise of being a sound and conservative body. Competence is the hallmark of the President-elect's choices. In addition, the Cabinet members are men who are proud of America's free enterprise society and aren't interested in imposing some new, radical design on the Republic.

William P. Rogers, the Secretary of State-designate, is well known to the public, having served as Attorney General in the Eisenhower administration. He isn't an old State Department hand, however; thus, he is in an excellent position to reform the department, rooting out the defeatists who have been so influential in policy-making. Hopefully, Mr. Rogers will be able to point the department in new directions. For example, he will be in a position to junk the absurd and hurtful policies of the Kennedy and Johnson administrations towards the progressive, European-led states of Southern Africa.

Melvin R. Laird, the Secretary of Defense-designate, will be the first member of Congress to serve as boss of the Pentagon. He will have the important task of eliminating the enormous bureaucracy Robert S. McNamara created in the Office of the Secretary of Defense. He also will be able to restore strategic planning to military professionals, which was usurped by the McNamara "whiz kids," and reestablish good relations with the House and Senate.

Among the most important jobs in the Cabinet is Secretary of the Treasury, Mr. David M. Kennedy, the Secretary-designate, is especially well prepared. He is an eminently successful banker who has the respect of financial leaders. Mr. Kennedy is on record as urging fiscal integrity and sound economic measures. He also is keenly aware of the bad financial management of the government in recent years.

Analyzing Table 3H

Analyzing government statistics is sometimes more fun than doodling. A case in point is Table 3H which appears in the July, 1968 issue of Farm Income Situation.

According to the table the average net cash income per farm in this country in 1929 was \$597. And in 1967, according to the table, it was \$3,389. Secretary Orville Freeman's face must have suffused with a warm and ruddy glow as he read those figures. But perhaps the average farmer who farms the figures for a few minutes will blush the same color for another reason.

Firstly, the average farmer's payments from the government in 1929 were zero; but in 1967 those payments were \$979, provided by hard-working taxpayers, none of whom was paid for not doing anything. However, the average farmer didn't really get \$979 in 1967, according to Senator John J. Williams, of Delaware. He notes that the largest single payment was \$4 million to a huge corporate farming enterprise, four others received \$1 million each; 15 were paid between half-a-million and a million dollars; 1,678 "farmers" received checks

Art Treads New Paths

Art pioneers continue to strike out in new directions. A current exhibit at the Whitney Museum of Modern Art in New York examines the state of contemporary sculpture through the works of 137 artists.

Many of the pieces move, light up or make sounds. One gigantic structure, which would seem to qualify as architecture as much as sculpture, is 24 feet long and 15 feet high with a number of 10-foot beams cantilevered 12 feet overhead.

Another work involved removing four stone paving blocks from the museum floor and lining the empty spaces with sheet metal for an "earth sculpture" entitled "City Depression."

For sheer realism and consummate devotion to detail, however, nothing compares with an exhibit held in Europe a year or so ago. There, human models posed on pedestals as examples of "living sculpture." No one has been able to top this since.

Root of Revolt—Women!

English satirist C. Northcote Parkinson has put his finger on the source of the youth revolt in America. It's all the fault of women.

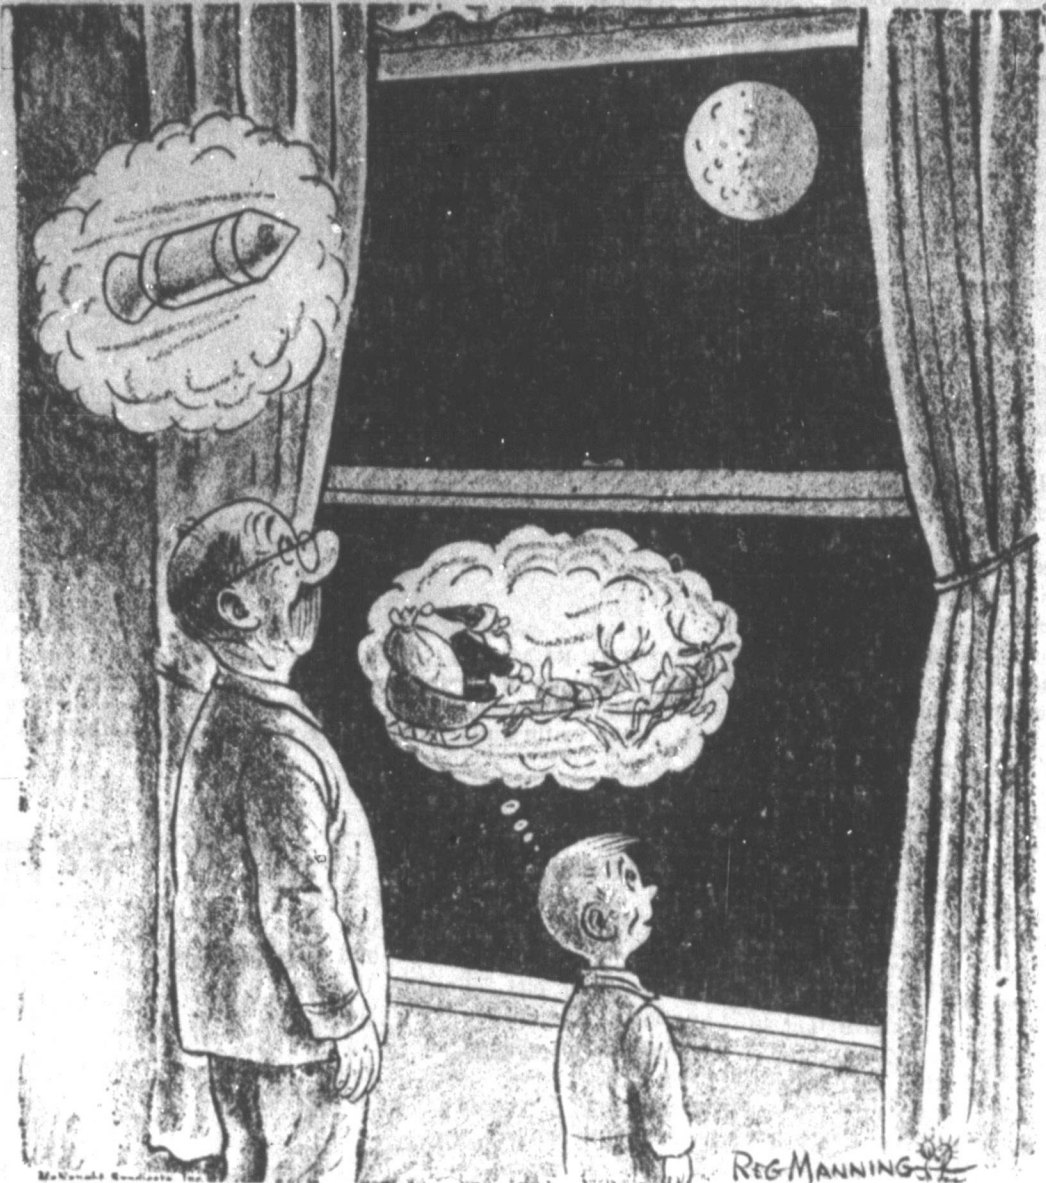

The campus revolution traces directly back to the feminine revolution, he says. "Women demanded the vote and equality and ceased to submit to the control of their husbands. In process, they began to lose control of their own children."

Parkinson is famous as the author of "Parkinson's Laws," poking fun at bureaucracy and other aspects of modern life.

GLOBAL VIEW

'Loner' DeGaulle To Help Rebuild NATO's Defenses

By LEON DENNEN
Foreign News Analyst
NEW YORK (NEA) — President De Gaulle is reported to be ready to join the United States, Britain and West Germany in an effort to breathe fresh life into the North Atlantic Treaty Organization.

This should be encouraging news for President-elect Nixon who has made it clear that strengthening NATO has a high priority in his foreign policy.

NATO was created as a Western alliance largely in response to Stalin's blockade of West Berlin in 1948. It's 14 members, including the U.S. and Canada, agreed to develop their individual and collective capacity to resist armed aggression and to regard an attack on one as an attack on all.

However, after Stalin's death in 1953 and the inauguration by his successors of the so-called policy of peaceful coexistence there were disturbing signs of flagging interest in the alliance.

De Gaulle, who hoped to establish Europe as a "third force" balancing itself between Russia and the United States, withdrew France's troops from NATO's command in 1966. The British army of the Rhine was reduced from 33,000 to about 45,000 men and substantial reductions were also considered by Belgium. In the United States, NATO's strongest nation, influential senators urged a massive withdrawal of American troops from Europe.

In the new era of East-West "detente," the breakup of NATO — or perhaps its gradual fading away — seemed inevitable.

But the Russian-led invasion of Czechoslovakia in August was a rude awakening for the Western allies. Detente turned out to be a myth, after all. It was just another ideological weapon in Moscow's propaganda arsenal.

The fact is that Soviet foreign policy has become even harsher than it was under Stalin. Unlike

been serving as the Chancellor of the University of Nebraska, is on record as understanding the big changes taking place on America's farms. Speaking in Omaha in 1967 Dr. Hardin predicted "larger farm units, fewer farms, fewer people employed in commercial agriculture and the continued substitution of capital expenditures for labor." This is a realistic attitude. Had recent Secretaries of Agriculture taken such a view, America's farm scene would be much healthier today.

It was also good to hear the new Secretary of Labor, George Schultz, quoted in the news the other day as saying he is opposed to strikes by public employees—one of the sore spots in the country right now.

In summary, the new Cabinet consists of men who are problem-solvers, not talkers. They will have many headaches, for the country is in a mess after eight years of erratic and ideology-laden administration. But the public has reason for confidence that soundness will prevail in Washington.

WASHINGTON:

Nixon Faces Likely Battle With Unions

By RAY CROMLEY
Washington Correspondent
WASHINGTON (NEA) — Whatever finesse he may use to avert a clash, Mr. Nixon as president is likely to find himself in a head-on confrontation with the top men of organized labor.

The signs are clear that Nixon would like to avoid a fight. He would like to be known as a president who reconciled labor, management and government. But in a very real sense he may be boxed in. Three programs that Nixon and his aides consider crucial seem almost certain to cause consternation in the nation's major unions:

—For one, Nixon and his men want to revise the Taft-Hartley Act to give more weight to the public interest.

Specifically, the Nixon men would seek legislation barring unions from striking against the public health or safety. The revised law, as Nixon men see it, ideally would bar government employees from striking as the teachers recently did in New York, with such unfortunate results for the pupils (regardless of the rights and wrongs of the issues).

But stronger barriers against strikes likely to do great harm to the public would not be limited to government employees. The changes in law would also be aimed at strikes that would tie up the docks of major cities simultaneously, that would reduce water or power supplies seriously or dangerously curtail the movement of goods by rail or truck.

To offset these restraints, Nixon and his advisers favor greater use of arbitration for government employees. Nixon is determined to propose legislation to insure the participation of federal employees in the formulation and implementation of personnel policies directly related to their employment. The proposed law would spell out procedures to insure that charges of unfair labor practices would be heard by an independent group. It would also provide independent machinery for hearings when a government employee felt his personal rights were being violated.

—There is a strong feeling, among some of Nixon's men at least, that the Fair Employment Practices Act must be enforced more vigorously in labor unions as well as with employers. These Nixon men believe that in some fields of employment union practices make it exceedingly difficult for Negroes to enter trades in major metropolitan areas.

Nixon's men note that in the fair employment field, the law is already written and on the books, that it applies to both unions and employers, and that there is an Equal Employment Opportunities Commission established by law to oversee compliance. These Nixon men believe the Johnson administration has been lax in enforcing the law where unfair union practices are concerned.

—Nixon's men are determined to strengthen the dollar and halt the gold drain. One necessary major attack, they believe, is to strengthen the

WASHINGTON:

Apollo Sets Space Pace; 1970-80 Plans Needed

By RAY CROMLEY
Washington Correspondent
WASHINGTON (NEA) — Something very wonderful has happened in the U.S. moon program.

Success there is a new wave of confidence, after more than a year and a half of self-criticism, uncertainty and caution following the January, 1967, Apollo fire in which three astronauts lost their lives.

Some knowledgeable National Aeronautics and Space Administration scientists now privately estimate that this month's Apollo moon-circling mission has an 85 to 90 per cent chance of success — a rating that is very high indeed.

For cautious physicists, this estimate indicates a height of morale more frequently seen in the U.S. Marine Corps.

There is a feeling that the problems have been met and solved, the solutions checked and rechecked to perfection. This confidence is leading to what insiders call a new drive in the big space organization, from top to bottom. When men begin to have strong confidence in their program, especially after a long period of nagging doubts, the work goes more smoothly; things speed up; the astronauts, engineers and managers frequently catch possible bugs before they show up in tests or breakdowns.

This all adds to the probability of success. At this writing, it was not known whether the Russians would attempt a go at a manned circling of the moon before the U.S. take-off yesterday (with a moon circling on Christmas). But at this stage of the game, the schedule set

and no speedup possible, what the Russians do in this particular month does not enter into the picture.

What's needed now is the imagination in the new administration to develop a space program for the coming decade that will hold together the best of the scientific-engineering-planning team which has developed Apollo, and which is beginning to break up as individual Apollo projects are completed.

Post-Apollo programs have been cut to the bone. The cutbacks have been made in the name of economy. But evidence is now coming in that the materials, gadgets, equipment and techniques learned in the space projects are worth potential billions in economics savings in communications, medicine, weather forecasting, flood control, prospecting, mapping and a score of other fields.

The new space knowledge, of course, will most certainly be of incalculable value in the development of future military space vehicles and weaponry. The Russians have realized medical and military prospects and today, with roughly half the U.S. gross national product, their annual space budget is believed greater than ours.

The Doctor Says

By DR. W. G. BRANSTADT
Drugs Should Be Taken Only Under Supervision
Q—Is there any difference between tranquilizers and nerve pills? How do these drugs affect a person?

A—"Nerve pill" is a vague term that may be applied to tranquilizers and antidepressants. The former reduce nervous tension without inducing sleep and the latter tend to elevate the mood of depressed persons. The two types are often used in combination.

Q—If I took a heavy dose of tranquilizer daily for two years, would it cause my stomach to bloat?

A—Bloating is not caused by tranquilizers. It is more likely to be caused by the nervous tension for which the tranquilizers are used. It is more likely tension may interfere with the complete digestion of the sugars and starches in your diet.

Q—What is Compazine used for? Is it a mixture of different drugs? Would it cause a bad reaction if taken with Sansert for migraine?

A—Compazine is a brand of prochlorperazine, a major tranquilizer. It is not a combination of drugs. You can get a bad reaction from too large a dose of either of the drugs mentioned, or from their prolonged use but I know of no reason why they can't be taken together.

Q—How safe is Equanil? Is it habit forming? What side effects does it cause?

A—This minor tranquilizer may be habit forming. It is safe when taken under medical supervision. The chief side effect is drowsiness.

Q—I am recovering from a nervous breakdown. When I was released from the hospital I was given Prolixin and Akineton. Could these drugs account for my rapid gain in weight?

A—Prolixin and Akineton is given to relieve the symptoms of Parkinson's disease. Your gain in weight is caused by taking in more calories than you use up as energy.

Q—In this day of wide use of stimulants and tranquilizers, are the two ever used in combination? Is nux vomica a stimulant?

A—Stimulants and tranquilizers are not usually given together. Nux Vomica is a dangerous stimulant that has no place in the modern practice of medicine.

Q—What is Mellaril? Does it have any bad side effects?

A—This major tranquilizer in large doses may cause drowsiness and headache.

Wit and Whimsy
Everyone should have at least two aims in life—to make a little money first and then to make a little money last.

Newspaperman Pays Tribute To Dad's Christmas

(Editor's note: Thinking back to childhood and the Christmas of long ago, what does an adult remember? Not always the presents, as Ed Hays Wilson, copy editor of the Irving Daily News, notes a Christmas tribute to his father, printed Sunday on the front page of his newspaper. Wilson now is 42 and the Christmases he remembers came in the depression days of the 1930s.

By ED HAYS WILSON IRVING, Tex. (UPI)—Every year when Christmas rolls around I feel like it's time to cry because I think of my dad and the extra things that he did to make Christmas brighter for us children when we were firm believers in Santa Claus.

Dad wasn't a rich man, rather he was a hard working railroad man. But railroad or not, when Christmas came around, somebody else pulled the train. Dad was home with his kids in Louisville, Ky., having the time of his life and making things merry for us youngsters and mother.

He took time to read us stories about Christmas. He read and explained to us the true meaning of what he believed Charles Dickens meant when he wrote his world renowned story, "The Christmas Carol" and how a person, even so sorry a fellow as Scrooge, could change.

There was no bab, humbug to this. Dad was serious. He intended for us to understand that there is good in everyone if the chance is presented.

He taught us the songs of Christmas — he was a basso with a brilliant voice and range — and he knew all the Yuletide songs, those for children and adult and from him we learned them and remembered them.

Income Tax Questions, Answers

EDITOR'S NOTE—This column of questions and answers on federal tax matters is provided by the local office of the U.S. Internal Revenue Service and is published as a public service to taxpayers. The column answers questions most frequently asked by taxpayers.

Q—I'm expecting a bonus this year at the office. Will it be taxable?

A—Yes, this will be taxable income and your employer will withhold taxes on it.

Q—The holiday job our son is taking may put his earnings over \$600 when it is added to what he made last summer. He's a full-time college student and I pay for his room, board and tuition. Could his earnings cost me the deduction I've been taking for him?

A—If your son is under 19 at year-end or was a full-time student during some part of each of 5 calendar months of the year and you provide more than half his support, his earnings will not cause you to lose the exemption you claim for him. Your son must file a return if he has gross income of \$600 or more. He should also file a return if his income was less than that but taxes were withheld from his wages. He cannot obtain a refund of these taxes unless he files a return.

Q—Do I have to report tip income to my employer?

A—If you have tip income of

New Books From Public Library

"A Moment in Camelot"—Maggie Rennert; a novel of modern Washington that is beautiful, gay and tragic.

"The Second Red Dragon"—Conrad Bark; fast-paced, tense excitement as Scotland Yard tries to stave off the blowing up of the House of Commons.

"Look to This Day"—Wilma Dykeman; the author takes her readers on a tour of her home in the Great Smokies, and the cities she visits on a cross-country tour of the U.S., and through Europe.

"The Disillusioned"—Peter T. Rohrbach; a dramatic and timely novel about a young priest caught in an agonizing dilemma—whether to remain in the priesthood and sacrifice his ideals or abandon his vocation in order to practice his ideals more freely.

"The Last Explorer"—Edwin P. Hoyt; the adventures of Admiral Byrd.

"The Life-Adjustment of Harry Blake"—Frances Shine; a novel that pays tribute in comic terms to the individual and to that human unpredictability that is the despair of scientific rationalists.

"The Day Kennedy Was Shot"—Jim Eishop; an uncensored minute-by-minute account of November 22, 1963.

"Many a Green Isle"—Agnes Sligh Turnbull; as head of Marden's Department of English, Gavin McAlister leads a busy and constructive life. Suddenly, this quiet idyll is shattered. Everything that Gavin has believed in and worked for is threatened; his family, his career, his position in the community.

"Lyoness—Abbey"—Jill Tattersall; Gothic suspense set in Cornwall in the mid-1800's. Lyoness Abbey was an eerie setting for Tessa, a young and inexperienced girl, but one singularly suited to the mysterious events happening within it.

Porter-Cable

HedgeShear

Saves hours of backbreaking work! Trims 100 feet of hedge in a half hour! Only the Porter-Cable HedgeShear has continuous chain action producing 50,000 cuts a minute—that means fast, vibrationless cutting. Perfect balance eliminates fatigue. Weighs only 6 1/2 lbs.

Home Builders Supply Co. 512 W. Porter MO 44011

or more a month while working for any one employer then be sure you report it to this employer each month. Otherwise, you may be subject to a penalty of up to 50 percent of the Social Security tax on the tips.

Q—I am a farmer and donated a young steer I raised

to a church bull roast. How do I figure the value of this contribution?

A—Use its fair market value at the time of the donation as the amount of your charitable contribution. However, the costs and expenses of the steer incurred in the year of contribution must be removed from your deductible farm expenses.

Q—Can I spread over several years the profit I made on the sale of farmland?

A—Yes, you may be able to report your profits on the installment basis. Then you would only be taxed on that part of the profit you received in 1964. This installment method can only be used when you receive payments of not more than 3

percent of the selling price in the year of sale. If you receive more than 30 percent, the entire gain must be reported in the year of sale.

CONGRATULATES YOST

PARIS (UPI)—U.S. Ambassador Sargent Shriver congratulated Charles W. Yost on his appointment Friday as U.S. ambassador to the United Nations. Shriver, prominently mentioned for the U.S. job, said he was "delighted" he would be staying in Paris under the

61st YEAR

administration of President-elect Richard M. Nixon.

DELAYED TWIN

MOTALA, Sweden (UPI)—birth Friday to her second baby in two months. The four-pound, 10-ounce boy was the twin of a

girl born three months prematurely. The new boy is progressing well and the premature girl remains in fair condition, doctors said.
