

Good Weather Brings Out Large Vote Here

Howard county voters were turning out at a brisk tempo Tuesday afternoon to have their say in the general election.

At 1 p. m. it was estimated that 1,500 votes had been polled in the county, setting the stage to challenge the 4,330 votes in the pre-

dential election of 1944. Whether the record of 4,876 set in 1940 would be surpassed was doubtful.

While a democratic trend was reported unofficially, there was considerable split ticket voting. One election judge said "some are splitting every way imaginable, and some of these don't know how."

R. L. TOLLETT

Texans Are Crowding Polls Over State

Record Number Of Ballots Is Being Marked

By The Associated Press

Texas voters in unprecedented numbers in many places cast their ballots in today's general election.

Some election officials reported they were swamped by the morning rush. "If this keeps up it will take us to midnight to tabulate the votes," election judges at Abilene said.

Industrial Centers' Balloting Is Heavy

No Disorders Are Reported At Polls

By The Associated Press

Heavy early voting pointed to a possible record total of ballots in today's presidential election. Balloting was particularly heavy in industrial centers where democrats are counting on union labor votes to bring President Truman in ahead of Republican Thomas E. Dewey.

The past was 49,820,512 in 1940. It fell nearly 2 million under that four years ago when many Americans were overseas at war.

The usual race among small precincts to be the first to report their vote was won this time by Hart's Location, N. H. Backers of Democratic President Harry S. Truman and Republican Candidate Thomas E. Dewey both found something to cheer about in the first trickling returns.

ate races that the balloting is expected to be heavy.

These include toss-up contests in New Mexico, Minnesota, Montana, Wyoming, and West Virginia. Republicans now hold three of these and democrats two.

Thirty-two senators in all are being elected today, but in most cases it is no-contest, for all practical purposes.

One already elected, Rep. Margaret Chas. Smith, Main Republican, appealed for a GOP senate victory to "make the team in Washington complete in every way." Dewey, confining his election eve remarks to a get-out-and-vote effort, did not personally appeal for a republican senate.

The GOP nominee gathered his family around him in the New York hotel suite which is his legal residence.

A couple of interested persons planned to cast their votes in home precincts.

They are Gov. Earl Warren of California, the GOP vice presidential nominee, and his opposite number on the democratic ticket, Senator Alben W. Barkley of Kentucky.

OPENLY BOAST VICTORY COMING

Chinese Communists Call For Surrender Of Chiang

NANKING, Nov. 2 (AP)—Chinese Communists called today for quick surrender of Chiang Kai-Shek's best army in Manchuria and openly boasted they would conquer all of China.

Reports from good authority said fighting had ceased within the entire Mukden area. There were no major disorders, this source said, as the triumphant Red forces took over their richest prize of the civil war.

West Virginia, Maryland Good Election Vanes

By The Associated Press

Want to get a quick idea of how the presidential election may be going?

Then keep an eye out for early returns from West Virginia and Maryland.

West Virginia has backed presidential winners in 14 of the last 16 elections; Maryland in 13 of the last 16.

Outside those "border" states there is New York which rode a loser only once (1916) in the last 16 elections.

Three other states—Arizona, New Mexico and Idaho—also are good weather vane, but their returns will lag because of their time zone location.

Construction Total May Hit \$7 Million In Big Spring Area

A 1948 total of almost seven million dollars in new construction work is in prospect for Big Spring, based on permits issued during the first 10 months.

The past month's figures amounted to \$112,480, which increased the year's total to \$6,766,975. Although the total represented a decrease from September, indications are that November and December will keep up the average.

Eighty-seven permits were issued during October, 23 of them for new construction costing \$71,485. Others included 15 for additions, \$12,810; 14 for remodeling, \$3,860; 13 for moving buildings, \$10,545; 21 for remodeling, \$13,750; one for demolishing a building, \$30.

Reburial Is Set For W. B. Cook

Reburial rites for Cpl. William B. Cook, who lost his life in France in June, 1945, will be held at 3 p. m. Thursday in the First Baptist Church at Taboka.

Cpl. Cook, who lived in Big Spring prior to the war, entered the Army Air Corp in 1942.

Mitchell County Stockmen Seeking Modern Rustlers

COLORADO CITY, Nov. 2.—Mitchell county stockmen, indignant at one or more modern cattle rustlers who last week made off with 23 head of Hereford yearlings, are offering a reward of \$575 for information leading to the arrest of the cattle thieves.

The rustlers were in the pens of the Colorado auction barn, along with three other animals left behind last Tuesday evening, Oct. 26.

Apparently one or more persons backed a truck up to the pens, loaded the cattle in the dead of night, and left S. K. Hardgrove, auction barn owner and operator, with a very empty stockyard.

No clues as to the identity of the 1948 rustlers or as to the present whereabouts of the stock have been found. Mitchell cattlemen and businessmen, irked by the loss, made up a purse in the hope that money might lure a tip from somebody, somewhere in Texas as to what happened to the 23 Herefords. None were branded.

Johnson To Vote This Afternoon

AUSTIN, Nov. 2 (AP)—Lyndon B. Johnson, democratic candidate for U. S. senator, will go to Johnson City, Blanco County, this afternoon to vote in the general election.

Johnson City is his legal residence. Johnson will return to Austin and listen to election returns at his home here.

Coke Stevenson, defeated by Johnson in the Democratic primary, left for Junction early this morning. He will vote in his home precinct at Telegraph. Stevenson supported Jack Porter, the Republican nominee, in the general election campaign.

K-P Official Due

Theo Yarbrough, Weatherford, grand secretary for the grand lodge of Texas, will visit the regular meeting of the Knights of Pythias in the Frontier No. 43 lodge hall at 7:30 p. m. today. K-P officials said they anticipated a large attendance for the meeting, at which the rank of paige will be conferred.

Red Miners Fight French Troops At Lille

PARIS, Nov. 2 (AP)—Communist-led coal mine strikers fought French troops and police today in the Lille area with bullets, fire and grenades.

The semi-official France Presse News Agency said about 15 police were wounded. An undisclosed number of strikers also were reported hurt.

It was the first defense of the pitheads by strikers since about 30,000 police and troops began clearing pickets last week from 112 mines in the largest French coal field. Government sources predicted a back-to-work movement would break this strike this week.

The miners walked out more than four weeks ago, demanding more pay. Their Communist leaders also proclaimed the strike was directed against the European recovery program.

The battle today was in the Lieveu section, 20 miles southwest of Lille. Strikers dug trenches in the mine yard at the No. 5 pit, poured fuel oil into them and set the oil afire to halt the motorized mobile guards.

The government official of Arras said strikers overturned a railroad freight car on the highway. When that failed to halt police, the official said, the miners opened fire with rifles and small grenades. Police replied with tear gas bombs and submachineguns.

Peru Outlaws Reds

LIMA, Peru, Nov. 2 (AP)—The Peruvian Communist Party has been outlawed by the new government of Gen. Manuel Odría. A decree was issued last night banning the party and reiterating a previous ban on the leftist APRA Party.

Freight Rate Hike Is Rejected By ICC

WASHINGTON, Nov. 2 (AP)—The Interstate Commerce Commission today rejected the railroads' petition for an immediate "emergency" 8 per cent freight rate increase.

The commission announced that it will open hearings Nov. 30 on the general 13 per cent advance in rates asked by the railroads. At that time, the ICC said, it will also take evidence on the rail industry motion for an 8 per cent increase to be collected while the commission considers the request for a 13 per cent advance on a long-term basis.

The railroads asked the ICC on Oct. 12 for permission to boost rates quickly as an emergency measure in view of new wage increases for rail workers.

The carriers said the situation warranted action without hearing. But they said that if a hearing was necessary, it should be held before the end of October.

The commission's decision to let the matter stand for review on Nov. 30 followed requests from shippers and other interests for a full hearing before any rate increase is granted.

Among those urging a full hearing were the Department of Agriculture and the State Association of Public Utility Commissioners.

Other pleas for freight rate hikes came meanwhile from the Coastwise Steamship Lines operating between Atlantic and Gulf ports, The

Truman Has Most To Lose If Defeated

WASHINGTON, Nov. 2 (AP)—Harry S. Truman is the only one of eight presidential and vice presidential contenders who'll lose his job unless he wins today's election. And a \$75,000 job at that.

Except for Henry A. Wallace, all the others would hold elective offices which will keep them on the public payroll until 1951 or longer.

Houston Girl Burns To Death In Home

HOUSTON, Nov. 2 (AP)—A 12-year-old girl burned to death last night and six other occupants escaped injury as a fire swept through the family home.

District Fire Chief Patrick J. Louth found the body of Mary Lavene Priest on a bedroom floor after the fire had been brought under control.

Mr. and Mrs. Velmer Priest and four other children were not injured.

Truman Votes Demo Ticket In Home Town

INDEPENDENCE, Mo., Nov. 2 (AP)—President Truman voted the straight Democratic ticket today in the little Midwestern town where he started on the road to the White House.

Smiling at friends and neighbors, the President walked into the Blue township voting precinct in the memorial gymnasium with Mrs. Truman and his daughter, to cast his ballot.

The three drove over at 9:30 o'clock because of the steady rain that was falling.

Mr. Truman was in rare good humor as he marked ballot No. 1 at a little plywood voting booth next to Mrs. Truman, who had ballot number 102, and his daughter, who had 103.

Election officials confessed that this indicated a heavy vote in independence for so early in the morning.

Dewey Casts Noon Ballot

NEW YORK, Nov. 2 (AP)—Gov. Thomas E. Dewey joins millions of other Americans today in electing the next President of the United States.

The Republican candidate, confident that this time the people will vote him into the White House, cast his own ballot at noon, eastern standard time. (11 a.m. CST)

Last night in a nation-wide radio talk the New York governor declared:

"I hope that each of you will vote regardless of how you vote." He declared:

"The foremost issue rising clear and high above all others is whether in this solemn hour the United States of America is going to be a strong, united nation—a nation that can meet the challenge of a dangerous world."

There he sounded the keynote of his 16,000-mile campaign. Over and over again since Sept. 19 he has said his first purpose is to unite America. Under President Truman, Dewey has told the nation America is not united.

ONE SIDE SURE TO WIN

Major Parties Fight To End Deadlock In Governorships

WASHINGTON, Nov. 2 (AP)—Two-thirds of the nation's governorships went on the election block today with Democrats and Republicans battling to end the present even-tempered split.

With 100 candidates entered in the 32 state contests, it appeared certain that the 24-party deadlock will be ended when final returns are in. At stake are 18 Republican and 14 Democratic chairs, with close contests in seven states.

Republicans hope their victory in Maine's Sept. 13 election was a forerunner of success in today's balloting. But a spokesman for the national committee indicated a belief that the outcome may hinge on the size of the vote piled up by

the Dewey-Warren ticket. A Democratic official also predicted that the fifty-fifty ratio will be altered, but in favor of his party.

Here is how these two privately sized up some of the closest races: INDIANA: The Democrat said former Gov. Henry F. Schricker will win. But the Republican predicted that if Gov. Thomas E. Dewey carries the state by as much as he did four years ago—94,000 votes—GOP incumbent Hobart Creighton and the rest of the state ticket will "go in rather comfortably."

MICHIGAN: Both sides gave Republican Gov. Kim Sigler the edge over G. Mennen Williams, the 37-year-old Democratic candidate.

WASHINGTON: The Democrat said that Gov. Mon C. Wallgren, a close friend of President Truman, is gaining strength and "getting a lot of support he never had before." The Republican said his party's Arthur B. Langlie will win.

MONTANA: The Republican predicted victory for Sam C. Ford, GOP incumbent, in a "close race." The Democrat said John W. Bonner will triumph.

TENNESSEE: Gordon Browning, Democrat incumbent, will win by "quite a high majority," said the Democrat. The Republican gave Browning's GOP opponent, Hillbilly Singer Roy Acuff, a "real fighting chance."

YOUR LAST CHANCE TO BALLOT WILL BE 7 P. M.

VOTE

WITH WETS VS. DRYS

Vet Bonus Question Up In Many States

WASHINGTON, Nov. 2 (AP)—Veterans' bonuses and the perennial wet vs. dry question provided added vote-pulling power today in 16 states.

Labor issues, old age pensions, security measures, voter qualifications and upwards of 500 other local issues—many affecting the taxpayer's purse—also came up for decision.

Reports from Kansas indicated that the fate of the state's 68-year-old dry law is topping the presidential race in voter attraction.

A controversial "birth control" amendment has offered an additional incentive for Massachusetts voters, particularly Catholics. A Bay State law now makes it an offense to advertise or give information to prevent pregnancy. The proposed constitutional amendment would amend the law so that it would not apply to married women

when health or life are at stake. Bonuses and other veterans' benefits appear on 12 state ballots. Approval of all—which is considered unlikely—would entail an outlay of approximately \$1 billion. The proposed bonuses, ranging from \$40 to \$650 for each World War II veteran, are based generally on length of service, and whether it was overseas or at home.

The bonus question appears on the ballots of Indiana, Iowa, Louisiana, Minnesota, Missouri, Nebraska, Oregon, South Dakota, Wisconsin and Washington. Other proposals affecting veterans are up for a vote in California, North Dakota and Louisiana.

Financing proposals include sales taxes, increased levies on tangible property, bond issues and, in Washington state, a 10 per cent tax on all retail tobacco sales.

TOWN AROUSED OVER FUMES U. S. Health Service Is Asked To Check On Smog

DONORA, Pa., Nov. 2 (U) — The borough of Donora today asked the U. S. public health service to survey the air above the town in an effort to solve the mystery malady

which took 19 lives. Council decided last night to assist the aid of the national health agency after hearing charges that fumes and smoke from the zinc works of the American Steel and Wire Co. were a factor in the deaths.

The charges were made at an old-fashioned town meeting by Frank Burke, safety director for the CIO United Steel Workers and Dr. William Rongaus, member of the board of health.

Before the meeting of about 200 persons, Dr. Joseph Shilen, head of the industrial hygiene bureau of the State Board of Health, said preliminary tests showed "small quantities" of poison gas in the air.

Dr. Shilen said his preliminary tests showed the presence of both sulphur dioxide and sulphur trioxide in samples taken before the mixture of smoke and fog had lifted to any great degree.

He declined, however, to say whether the "small quantities" of gas he found would be sufficient to cause death.

Dr. Shilen said he expected to have his full report ready by tomorrow and would turn it over to Dr. Norris W. Vaux, state secretary of health. He added his agency would continue to make tests of the entire surrounding area in order to get a complete picture.

Dr. Rongaus one of the eight doctors who treated over 500 sufferers in 36 hours starting Friday night, declared "something should be done about the fumes from the mills. They are silent murderers."

The company made no answer to the charges but M. M. Neale, superintendent of the zinc works, said the plant's smelters would remain closed until the air tests are completed. Some 650 of the 900 employees of the works have been

idled by the shutdown. As the meeting adjourned the fog started settling again over the Monongahela River Valley but residents said the fumes were not present as last week when the smog lay over the area four days with visibility almost zero at times.

Youth Held In Georgia Murder Case

CARROLLTON, Ga., Nov. 2 (U) — A white youth is being held in connection with the slaying of a young man and the attempted rape of his companion, but Sheriff B. B. Kilgore theorized the crimes were committed by a Negro.

Two Negroes were arrested yesterday, but were released after questioning.

Carl Stevens, Jr., of Carrollton, 22-year-old Georgia Tech student, was slain Sunday night when he tried to prevent a masked man from raping an 18-year-old member of a prominent Carrollton family.

The white youth was taken to Atlanta to undergo scientific tests today. The girl, however, said she was positive the slayer and her attacker was a Negro, and the sheriff said he believed the girl was correct.

All excitement, most of which the sheriff said was caused by curiosity seekers, had died down last night. State patrolmen at one time took a supply of tear gas to the Carrollton jail.

The girl told Kilgore she and Stevens were parked in a residential section when a masked Negro gunman approached and ordered them out of the car. The sheriff quoted her as relating this story:

She was ordered to remove her shoes and the gunman then took the couple across a field for 400 yards. There the man tried to rape her, and Stevens came to her aid. She fled while the men struggled.

The Tech student was shot twice and beaten brutally on the head. Deputy Sheriff H. R. Lambert said the Stevens' case was the fourth in recent months in which couples were approached on lonely roads and attempts made to rape the women. In each case, the girl was made to remove her shoes.

Heavy Vote Is Forecast In New York

NEW YORK, Nov. 2 (U) — A 6,250,000 vote is forecast in today's general election balloting in New York State, whose 47 electoral votes are the nation's top prize.

This would be slightly under the 1944 record of 6,906,237. There are 7,043,579 registered voters this year.

Most observers forecast a victory for Gov. Thomas E. Dewey in the state, although Democrats declare President Truman sprinted strongly enough in the campaign's last days to turn the tide.

The election marks Dewey's fifth major ballot race in the Empire State. He lost for governor in 1938 and for president in 1944 but won his governorship bids handily in 1942 and 1946.

Also at stake are New York's 45 congressional seats. Democrats say they expect to gain three seats in New York City and one upstate, but GOP strategists insist the party will retain its present allotment of 28. The Democrats now have 15 and the American Labor Party two.

One closely watched battle is in the 18th congressional district in Manhattan, where Rep. Vito Marcantonio, ALP, is seeking a seventh term against Democratic and Republican foes.

Crash Of C-47 Is Investigated

MULDROW, Okla., Nov. 2 (U) — Investigators examined wreckage and witnesses today seeking to learn why an air force transport plane broke apart in the air and plunged 11 men to their deaths.

The C-47, on a routine mission from Sheppard Field, Wichita Falls, broke into three pieces and fell just a few blocks from the business district of this east Oklahoma town yesterday.

Witnesses said the ship was flying low in a heavy rain when it began to disintegrate.

The public relations officer from Camp Chaffee, at Fort Smith, Ark., 20 miles east, said there were 11 men on the plane and that all 11 bodies were recovered. Names of the victims were withheld pending notification of next of kin.

Tom Morgan, one of the witnesses, said he was standing in front of a Muldrow store watching the plane, when it suddenly broke into three pieces.

"I saw men fall," he said. "I saw one parachute start opening and then, fold up. I saw no other parachutes open at all."

LONG VOTE MARK FINALLY BROKEN

RIPLEY, N. Y., Nov. 2 (U) — Too ill to leave his home today, Robert Rownd, 104, missed voting in a presidential election for the first time since the Civil War.

The former commander of the Grand Army of the Republic did not apply for an absentee ballot, town officials said.

Duke University was one of the first southern institutions to take up intercollegiate football. John Franklin Crowell, president of the school—then known as Trinity College—organized the first squad when he came to Trinity from Yale in 1888.

Thomas Sees Dewey Winning Election

PRINCETON, N. J., Nov. 2 (U) — Norman Thomas, Socialist candidate for president, predicts Gov. Dewey will win the election.

Thomas said yesterday in a campaign speech that he wished Dewey "well for the sake of the United States and for the sake of mankind."

HARVESTING SALT—Workers scrape and chop salt from beds at Cabo Rojo, Puerto Rico, after sun evaporated foot-deep pools from Caribbean Ocean at the southwestern tip of the island. Industry uses same methods as those in days of the Spaniards.

Romanians Plead Guilty To Plot For Overthrow

BUCHAREST, Rumania, Nov. 2. (AP)—Eleven Romanians pleaded guilty Sunday to charges of plotting with American and British representatives to overthrow the Rumanian government. The defendants threw themselves on the mercy of the court. A verdict will be handed down Tuesday. Conviction of high treason, with which they are charged, carried an automatic penalty of life imprisonment at hard labor.

A Romanian industrialist now in New York, is being tried in absentia. One defendant, Dr. George Bontila, said "I plead guilty, but I have been encouraged by Anglo-American imperialistic circles." Another, Ion Bujoiu, a former minister of commerce, said his contact with members of foreign missions had not in his opinion infringed on Rumanian law. "But in all our conversations," he added, "I was given to understand that a movement such as I had planned would receive outside encouragement." The defense sought to place most of the blame on U. S. and British diplomats for allegedly encouraging the accused men.

Wallace Says FDR Planned A Third Party In 1938

NEW YORK, Nov. 2. (AP)—Henry A. Wallace, winding up his presidential campaign, said Sunday night that President Roosevelt had planned to build a third party if he could not "clean house in the Democratic Party." Wallace said the late President disclosed the third party plan in 1938 to him and Rexford Guy Tugwell, then a top presidential adviser. The Progressive Party presidential candidate said in campaign speeches that Roosevelt "laid the plan aside temporarily because of

the war" but intended to take it up again. The plan, Wallace said, was dropped at Roosevelt's death because "the Democratic Party was taken over by Wall Street men whom Roosevelt called in to help win the war and whom he ran—they didn't run him." By "cleaning abuse," Wallace said, Roosevelt meant "ridding the party of the southern reactionaries and city political machines."

Prison Directors Adopt A Legislative Program

HUNTSVILLE, Nov. 1. (AP)—Directors of the Texas prison system today adopted nine legislative proposals they believed eventually would place the far-flung system on a self-sustained basis. Action taken by the prison board at its final meeting prior to the opening of the 51st Legislature in January included approval of proposals which would:

1. Enable them to carry out the \$4,250,000 Ellis plan for complete reorganization and modernization of the system, including construction of numerous new buildings.
2. Appropriate all income from sale of prison-produced agricultural and industrial products to the prison system for purchase of supplies, materials and equipment

necessary for operation and maintenance of the system's various industries.

3. Permit the system to sell all prison products at a price not to exceed 90 per cent of the current price of the respective articles in the open market.

All of these proposals were included in the reorganization and rehabilitation plan presented to the board earlier this year by Gen. Manager O. B. Ellis shortly after he assumed direction of the system.

Other legislative bill drafts approved would increase the salaries of the general manager from \$6,600 to \$10,000 and give trustees an additional 10 days good behavior time per month.

Two bills would make felonies of

escapes, attempted escapes, aiding a prisoner to escape or the possession by convicts of narcotic or specified drugs.

The board also voted to ask the legislature to set 30 days as the time-limit during which bodies of executed inmates may be claimed by relatives, and to permit insane inmates to be committed to state institutions for the insane.

The legislature also will be asked for an emergency or deficiency appropriation amounting to \$529,398.99 to cover shortages in appropriations anticipated by the biennium ending Aug. 31, 1949.

French Robertson, Abilene, chairman of the board's legislative committee, presented the proposals.

Dewey Reportedly Plays Many Of Wife's Hunches In Drive

NEW YORK, Nov. 2. (AP)—A woman who leans heavily on intuition—a hunch player—will become mistress of the White House next January if Gov. Thomas E. Dewey wins Tuesday's election.

Mrs. Frances Hutt Dewey comes so close to being superstitious that she won't even think about what's going to happen after today.

With political observers counting her husband a winner in his race with President Truman, Mrs. Dewey just crosses her fingers.

Friends say experiences in 1944, when Dewey lost the race with Franklin D. Roosevelt, in 1946, when he failed to get the Republican nomination, and in 1938, when he was defeated for governor of New York, taught her not to count chickens in advance.

But there seems little doubt that Mrs. Dewey has a hunch her man is going to become No. 1 citizen of the nation.

And her hunches get a lot of attention from her husband and his associates.

She has been known to influence the wording of a speech, the decision on a campaign routing or the makeup of a political guest list by her hunches.

Dewey has told friends that when his wife has an intuitive feeling about anything he never likes to go against her judgment.

If and when Mrs. Dewey takes her hunches to the White House, friends say they are likely to be confined largely to running that establishment and her family.

The Deweys' two sons, Tom and John, would be with them at the White House. Because Mrs. Dewey likes to have them at home, they probably would attend some school in Washington.

Unless the White House changed their habits, the Deweys would keep on the go most of the time. Both the New York governor and his wife like music—both are singletons—and that might boom Washington's musical season.

A Quart of Medicine For One Dollar

Mertox goes to work quickly to overcome the torturing pains of rheumatism. It tones the bowels into a more rhythmic action. Expels waste matter that may have been in your system over a long period of time, causing many days, weeks and months of misery.

Gas and bloot, indigestion, sour stomach are quickly relieved.

Kidney and bladder troubles are helped so that the annoying broken rest from having to get up frequently at night is lessened.

Dizziness and run-down feeling is overcome quickly so that you feel, look and act like a different person. Mertox helps to build rich, red blood—creates a better appetite, so that you have a real zest for food.

Mertox may be taken by every member of the family. It contains no narcotics, opiates or calomel and will not make you sick, gripe, or nauseate you in the slightest degree.

Ask any druggist in Texas for a package of the new Mertox. Add to a quart of water and you have an excellent tonic medicine which will save you approximately \$4.00.

Young Militarists Take Over Peru

LIMA, Peru, Nov. 2. (AP)—A group of young military men took over the operation of Peru's government yesterday after a three-day bloodless revolution.

Gen. Manuel Odría officially assumed office as provisional president Sunday. One of his first acts was to read a decree officially deposing Jose Luis Bustamante, the middle-of-the-road president who is now an exile in Argentina.

Bustamante served three years of his six-year term. He tried to chart a middle way between forces of the left and right. The left-wing APRA Party was blamed for the unsuccessful revolt at Callao early last month.

Gen. Odría severely criticized Bustamante for alleged appeasement of left forces. His ministry will carry on until there is a general election.

The rebellion started in Arequipa in south Peru Tuesday and spread to Lima on its third day. Bustamante was forced to leave the country Friday night under pressure of the Lima garrison which swung to the side of Odría.

Bustamante refused to resign, claiming he had been elected by the people for a six-year term.

Odría has promised to convoke a workers' congress aimed at improving conditions of the working class. He was minister of the Interior in a previous Peru government.

First Atomic Age Campaign, But No One Understands It

Pointing up today's election, one writer has observed that this is the first presidential election in the atomic age.

Of course he is infinitely correct, although there's little or nothing in the current campaign which would indicate that any of the candidates or parties were aware of the fact. You can allow a lot for security silence, but you can't discount almost total failure to at least begin a break with old and familiar patterns.

But that is the way history works. New areas do not begin abruptly, nor old ones end as though chopped off with a cleaver. The rise, like mighty floods, begins in tiny droplets in the outlands, and surges against the bulwarks built through generations and generations. The movement is either absorbed or it overwhelms all efforts to contain it. In that event, out of the wreckage, it rises as the new age.

Perhaps this will be the case with the atomic age. Perhaps people will not understand nor deeply care that man has entered on the threshold of the basic secrets of life. The frightening thing about it is not the omnipresent dagger of total destruction, for the end would be mercifully quick, but the failure of mankind to comprehend.

Fair Goes Into Records As Successful, Promising Event

The Howard County Fair of 1948 has gone into the records as a sound and successful show.

Even though initial steps were taken late in the summer, time for preparation was necessarily short. Because considerable time was required for perfecting basic organization, little time was left for actual shaping of the fair. In fact, a near miracle was wrought within the last week before the 1948 show opened its doors.

However, there was such generous support from every hand that the displays shaped up with an encouraging variety and a remarkable quality. Now none doubts that the foundation has been laid for a fair which will be a credit to the entire county.

This will pose several problems, among them the exact status of the Howard County Fair association. Reorganized to include representation from most of the major areas of community interest, the association this year had to shoot almost from the dark and shoot quickly. Now, whether it is to continue as a federation for promotion or be broadened and deepened into an agency with a home is one of the essential questions to be faced. When it is answered the way may be clearer as to the permanent course.

Nation Today — James Marlow

Candidate Need Not Win Presidency By Mass Vote

WASHINGTON (AP)—KEEP YOUR EYE on the electoral votes when the election returns start rolling in tonight.

There are 531 electoral votes divided up among the states. The candidate who gets a majority of them—266—wins.

Why those 531 electoral votes? Because they equal the total number of people of the 48 states have in Congress: 96 senators and 435 House members.

Each state is entitled to a number of electoral votes equal to the number of people it has in Congress. For example: There are 47 New York state people in Congress: 2 senators and 45 House members.

There the Republicans have a slate of 47 electors. So have the Democrats. Say Republican Thomas E. Dewey gets 3 million votes in New York, and Democrat Harry S. Truman gets 2,999,999.

THEN DEWEY, ALTHOUGH RECEIVING only one more popular vote than Truman, gets all of New York's 47 electoral votes. Truman gets none.

Does that mean the 2,999,999 popular votes for Truman wouldn't be included in the total national popular vote to elect him? That's right.

But wait. Suppose in Illinois Truman gets 3 million popular votes and Dewey gets only 1 million. Then Truman gets Illinois' 38 electoral votes and Dewey's 1 million popular votes don't count.

Yes, but in those two states Truman receives 5,999,998 popular votes to only 4 million for Dewey, but Truman winds up with only 23 electoral votes while Dewey, because of his New York victory, has 47.

That's right. It means a candidate could get more popular votes and yet lose the election because his opponent carried states with the most electoral votes.

That has happened. In 1888 Democrat Grover Cleveland got a bigger popular vote than Republican Benjamin Harrison. But Harrison carried the states with the bigger electoral vote and won.

This year Truman, or Dewey, could make a sweep of 36 states and yet lose if his opponent carried only these 12 states:

Notebook — Hal Boyle

Taproom Apparently Has Turned Toward Intellectual

NEW YORK (AP)—THE TAPROOM OF today is going intellectual.

The customers have a thirst for knowledge as well as for the cup that cheers, and the ideal bartender of the future will be a man who won a Rhodes scholarship.

For the fine art of mixing a "missionary delight" is less important to the man behind the bar than his ability to umpire the zombie arguments of his patrons.

"They used to talk about politics and the weather," said Bill O'Brien, a young ex-sergeant now night whistler-wetter at a bistro across from Radio City Music Hall.

"Put now you'd think they all were in training for a radio quiz program. They stand around arguing about how many lovers Queen Elizabeth had or who was the second man to sign the Declaration of Independence."

A NICKEL PHONE CALL TO THE NEW York Public Library will settle most of the disputes during the day.

"But you need more than a telephone directory at night," said Bill. "We keep a two-volume dictionary for the word players, a World Almanac, and a couple of sports manuals. But what we need is an atlas."

It seems the barroom Marco Polo's argue and bet most on matters of geography.

"The favorite trick still is to try to name the 48 states in five minutes," said O'Brien. "And only one out of 20 can do it."

"Nearly everybody misses on Idaho, Utah, or Iowa—particularly Iowa. If we had the atlas we could show them on the map. Some don't remember where it is."

OTHER POPULAR QUESTIONS ARE: What is the third largest state? What is the second largest state in New England? What state on the eastern seaboard has the smallest coastline? What direction would you be going if you were traveling from the Atlantic to the Pacific through the Panama Canal?

The correct answers—in Bill's bar anyway—are, in order, Montana, Vermont, New Hampshire and southeast.

"YOU FELLOWS MAKING ANY PROGRESS?"

Washington Merry-Go-Round — Drew Pearson

Small Military Group Once Had Idea Of Using A-Bomb On Reds

WASHINGTON (AP)—Here is the inside story of some military political strategy which—so far as I know—has never been told, and, fortunately, did not take place.

Last spring a little group of military men discussed the idea of taking advantage of Russian tension a couple of weeks before election day in such a way as to justify dropping the atomic bomb. Such a crisis, they argued, would serve two purposes: (1) get inevitable war over with in a hurry, and (2) re-elect President Truman.

Whether they ever put this up to Truman or exactly who blocked the idea, I do not know. I do know that it was seriously discussed, and justified on the ground that the longer we delayed a Russian showdown, the more likelihood that Russia would get the atomic bomb, after which a war would be disastrously long and fatal.

However, the most important part of the story is that not only did this idea not bear fruit, but that President Truman has been at odds even with his more moderate advisers about dropping the atomic bomb.

TRUMAN'S DISTRESS The teletyped message which the President sent to Secretary of State Marshall in Paris regarding the proposed Vinson Mission to Moscow gave interesting insight into this.

"I pray," Truman told his Secretary of State, "I may never again be confronted with the decision I had to make regarding Hiroshima."

When further arguing with Marshall over the Vinson Mission, Truman also showed great mental distress that he should ever have to unleash the atomic bomb again. Marshall, himself a religious man, was impressed with Truman's Bible-trained conscience. The President seemed to be conjuring up a scene after death in which he, Truman, was being questioned by St. Peter at the gates of heaven regarding the commandment "thou shalt not kill."

The diplomatic advisers around Marshall and perhaps Secretary Marshall himself regarded this Truman "sentimentalism" as dangerous for reasons which may be difficult for the non-diplomat to understand.

For the diplomats' chief bargaining power at Paris and Berlin has been the idea that we might drop the atomic bomb. Thus, if the idea permeated back to Moscow that Truman would not drop the bomb, and that he placed his reliance rather on the arguments and Kentucky philosophy of his good friend, Chief Justice Vinson, the diplomats' chief bargaining weapon would be destroyed.

It may seem involved, and it may seem cold-blooded, but this was one of the background reasons for Marshall's final veto of the Vinson Mission. It was not that he wanted to drop the bomb, but rather that he wanted the Russians to think we might drop it.

So, no matter what his shortcomings as a statesman, history will probably conclude that Harry Truman was no warmonger but a humble though confused believer in the brotherhood of man.

SUPPORTERS AND DESERTERS Now that the election tumult is about over, this column would like to draw a comparison between the political behavior of four people once extremely close

to Franklin Roosevelt. They are Eleanor Roosevelt, Harold Ickes, Jesse Jones and Henry Wallace.

Winston Churchill used to say that it was only when the dark came down that the stars shone. And as the twilight settles on the great period of American history that was the Roosevelt administration, it is significant to note who stands up to go down with the ship, and who scurries off to take their revenge or to curry favor with the Deweyites.

No two men ever received more benefits from Franklin Roosevelt than Jesse Jones and Henry Wallace.

Wallace was an obscure farm writer and seed grower in Iowa, editing a farm journal which teetered on the verge of bankruptcy, when FDR picked him up and put him in his cabinet. Eight years later, a large segment of the Democratic Party wined and some openly rebelled when FDR insisted that Wallace be his vice-presidential running-mate.

Jesse Jones also was desperately out on the financial limb when he became the Democratic member of the Reconstruction Finance Corporation. Suddenly, after pounding the pavements of Wall Street trying to borrow money to bail out his precarious enterprises, Jesse became the great government moneylender. The financial powers had to come to him, not he to them.

Under Roosevelt he became the financial czar of America with the power to put his friends in command of airlines, railroads, insurance companies, utilities. No one ever accused Jesse of making loans to his own enterprises, but he accumulated enormous obligations of gratitude by his capacity to make loans to others.

And cold-blooded Jesse was not the kind of man who did not keep double-entry books of obligation in his own mind as he dispensed the billions that a Democratic administration gave him.

PRINCIPLE IN DEFEAT It is a queer quirk of fate that it was Jesse Jones and Henry Wallace who rowed so continually that FDR had to crack their heads together. Eventually he eased Wallace out of the vice presidency and fired Jesse Jones, fired him because he suspected what has now been proved a fact—namely, that Jesse was quietly building up a Republican bloc in Texas.

Today, Jesse Jones, in his seventies, considered a cold-blooded opportunist by most of the people of Texas, has come out openly for the Republican Party. To did Mrs. Roosevelt. But once the decision was made, both decided to stay on the ship that had served them in victory and go down with it in defeat.

As Winston Churchill said, it is when the dark comes down that the stars shine.

Hollywood — Bob Thomas

Garbo Has Approved Story And Location

HOLLYWOOD Nov. 1 (AP)—Here is the latest chapter in the screen return of Greta Garbo. She has settled on the story and the shooting location.

Robert Cummings, whose partner, Eugene Frenke, engineered the Garbo deal, reported on the "Blitter Victory" set that the silent Swede will definitely do the "George Sand" biography. It's her own baby—she and a writer have worked on a script for six years.

The picture will be filmed in Italy. Some town skeptics won't believe Garbo is returning to the screen until the film is made.

Jimmy Stewart will have professional backing on the diamond in "The Stratton Story." Among the ballplayers in the picture are Jimmy Dykes, Bill Dick-ey, Gene Bearden, Max West, Red Berger and Mervyn Shea. The Hollywood stars coast league team will portray the Chicago White Sox in the film, causing local fans to wonder if the hapless Hollywood team will be better at acting.

Xavier Cugat has discovered gold in Texas. His band will be

Around The Rim — The Herald Staff

North America's Buses Dip Into Smallest Towns

Most of us are born travelers, that is, if we can ever find the time or the money to get out of the city limits. We all remember the first time we took a trip on a train, had our first boat ride or plane trip.

"Be it ever so humble, there's no place like home," but there are still few thrills like a trip unless it's the trip home. There is a radio program entitled "Coast-to-Coast on a Bus," which makes itself heard over the Sunday morning air waves and takes a gang of kids to places they want to go with a speed that makes air travel seem decidedly slow.

There's always the character who gets on in the wee hours of the morning, takes the only available seat, the one next to you and insists on talking all night when

you had much rather have some sleep. Of course, somebody always has a crying baby, a foul cigar or a cold one degree removed from whooping-cough. Then, too, there is always the life of the party who keeps up a constant stream of chatter and tells what he thinks are masterpieces of humor; also, the man or woman who has had all the hard luck in the world. You will always find a chip on someone's shoulder and the account of how somebody had all the luck in the world.

It may not be always the most comfortable way in the world to travel, but a trip by bus certainly gives you a chance to look over all kinds of people, people who are traveling for all kinds of reasons and under every type of circumstance.

Look at that little old lady in gray, she's probably going to see her son. That well-dressed gentleman is on some business mission. There's a couple of college students going home for the week-end. That tired looking young man, works in the city and is on his way there now. Some travel for pleasure, others for business, missions of sorrow and illness—and still others, like some of us, are just plain rovers. And, where are you going, my friend?—MILDRED YOUNG

Affairs Of The World — DeWitt MacKenzie

Clamorous Din Of China Shows Its Status Shaky

By RUSSELL BRINES For DeWitt MacKenzie

TOKYO (AP)—JAPAN HAS NOT YET reached stability, but it appears almost rock-ribbed by comparison with China.

This is the conclusion I drew from a month's vacation on the continent. The din of clamorous China was still in my ears on returning to the outward calm of this occupied country.

The differences between the two countries are even greater now than they were a year ago, when I made another swing across China.

In Japan the ideological war is continuous and so are the battles for political power. But under the occupation they are being fought in the bloodless arenas of argument and political maneuvering.

Even in Shanghai and Hong Kong, far from China's civil war fronts, it is impossible to escape the violence of China's struggle.

The fall of Tainan, capital of Shantung Province, increased the tension and apprehension in South China.

THE JAPANESE PREFACE THEIR DISPUTES with a recapitulation of their new civil rights, even though they still do not appear to understand them fully. Even the Communists talk about these rights.

But in Shanghai the people are in fear of the secret police and the retroactive laws which are designed to enforce the new economic program of austerity and stability.

The Japanese at times appear restless under the occupation. But none except the Communists show any marked anti-

foreign feelings or betray any attitude which might jeopardize American aid. Foreign businessmen are impatiently confident of a future without government controls.

In Shanghai the hostility toward foreigners seems to be part of the atmosphere. American businessmen in China are extremely pessimistic. They say Chinese policies are crippling them, even though the Chinese themselves admit they need both foreign business and foreign help.

The Japanese have just been shocked by a bribery scandal amounting to \$10 million. This is considerable, but it appears minute alongside the corruption of many Chinese officials.

JAPANESE INDUSTRIAL PRODUCTION is increasing, despite many limitations. War and unrest have restricted China's industrial output, which always has been smaller than Japan's.

As for inflation, prices of essentials remain fairly stable in Japan. Everyone knows what happened in China before the government took steps to check runaway inflation. Now there are signs the new gold-yuan, issued as a stabilizer, is beginning to skip.

The differences carry over into the physical appearances of the cities and the attitude of their inhabitants.

Japan's confident people are slowly rebuilding their bombed metropolitan centers.

But the continuing deterioration of Shanghai's towering buildings—untouched by war—and the increased restlessness are saddening to one who knew that city before the war.

Broadway — By Jack O'Brien

Egotists Hire A Lying Press Agent, Believe Him

NEW YORK—Ego! Thy name is Broadway. This is a street where nonentities start out hiring a press agent to dream up amiable lies about them and wind up believing their publicity.

The dizzier dope who falls into fabricated glamor generally reaps the benefit of his gump-priming attention and then fires his publicity gnome. The reason, usually: too undignified. I know a millionaire showman who hired a whole staff of tub thumpers, to trail his name through columns, the radio, magazines and practically from the housetops. He maintained he didn't care what was said about him, adding the oldie, "Just spell the name correctly."

So his staff of noisy neilms made his name a household word; actually, And what happened? The praise agents who turned the trick no longer are on his payroll. He has attained wealth, a great party-giving propensity, intimacy with columnists who now get their tidbits directly from him instead of from the imaginative, money-grubbing, thick-lensed characters who labored into myopia to polish a quip or comment into shape for printing.

Several years ago an unimaginative, stodgy headwaiter was backed in a Broadway restaurant by a gentleman of questionable background. He, in effect, "fronted" the joint. The actual owner had too many pictures of himself about the country in the front-and-side style popularized by J. Edgar Hoover. A voluble press agent was added to the deal and was promised a percentage of the profits to build the place into a quick money maker.

This was done. The place was opened with a fairly fresh policy and good floor shows. It happened along at the beginning of the big wartime boom. It was a sudden gold mine. In order to keep popularizing the place, the press agent banged away at one idea—that the erstwhile headwaiter was a night club genius in picking entertainment, in handling people, in assembling the best service staff, etc. The clod finally believed it himself.

Then along came the busting of the bubble and night clubs started folding. The underworld owner-in-fact somehow found a buyer. But the come-lately cafe genius argued the slump was temporary, that he would pull the place out of the doldrums. The owner said okay, remembered the \$250,000 in the kitty to be cut up—and said give him that and he will pull out of the deal. Okay, said the idiot-

turned-genius.

Three months later the place folded. Two days later the headwaiter had a heart attack. Six months later he was back headwaiting at some second rate night club, wishing indeed he hadn't read his publicity.

I received a card from Bert Lehr, somewhere in the west where he is touring in "Burlesque" and giving that old comedy a better run for its cash than it had during its original Broadway and touring engagement 20 years ago. Bert was having a good time but added, "I'd also like to get in a few days of crabbng."

Bert didn't mean crabbng of a temperamental sort. He meant he'd like to be back in New Jersey where he spends his summers, scraping the bottom of whatever river he can find that morning. When he gets tired of that, Bert just packs up Mildred and the kids and goes fishing in Canada.

And like everyone else in the burgs away from Manhattan, the other celebrities of our gaudy Main Stem have similar extracurricular interests. Leo Lindy, that darling old Broadway vendor of cheese-cake and marinated herring, became an art fancier several weeks ago. When he hung his collection right out in public on his restaurant walls, folks questioned why he didn't tack them up in his parlor. Leo had the best explanation: "I spend 16 hours a day here and I don't do anything but sleep at home, so why shouldn't I have my pictures where I can enjoy them?"

Moss Hart was such a bug on gold jewelry that he even bought gold garters. A joke told about someone else certainly fits his case: When he dies they'll bury him at Fort Knox. Billy Rose, collector of Rembrandts, Carot's, Picassos or two, as well as old silver, spends most of his extracurricular time on his estate. He rides horses, shoots, plays a stubbornly fair game of tennis and, of course, there's always Elaine.

Billy's neighbor, Dorothy Fields, songwriter and librettist, is another good tennisist. Bobby Clark, best of the baggy pants buttoners, spends his time away from the theater digging through old classics...he's one of the best readgets of our big street. Producer George Abbott spends as much time as possible in the rumba palaces, where he hip-wiggles a nasty Latin lilt fantastic.

Calvert Says Demo Expelling Of Three Delegations Unwise

PORT WORTH, Nov. 2. (AP) — It was not a wise decision the Texas Democratic convention made in expelling regular-constituted delegations from three counties, Robert W. Calvert declared here.

The former chairman of the State Democratic Executive committee made the statement while testifying in an injunction suit which seeks to nullify actions of the September convention. The hearing continues today. The suit was brought in 6th District Court by conservative Democrats.

The three delegations expelled were from Tarrant, Dallas and Harris Counties.

Calvert testified in the suit yesterday.

Gillis Johnson, attorney for the conservatives, asked: "Were Tarrant County's 125 delegates treated fairly? Let's get down to brass tacks."

"I don't think the procedure followed the course of wisdom," Calvert replied.

The Harris County delegation was unseated by convention vote. Dallas and Tarrant County groups left the convention after this action. "Loyal" delegations replaced the groups by convention vote.

Calvert took part in yesterday's court proceedings both as a witness and an attorney.

Mrs. Seth W. Dorbandt of Conroe said that Calvert told the credentials subcommittee, which voted to admit the regularly-constituted delegations to the temporary

roll of the convention, that the contested delegations might not be allowed to vote in the temporary organization of the convention and that there would not be time enough to do any thing about it if the decision was illegal. Mrs. Dorbandt was a member of the subcommittee.

Calvert asked Mrs. Dorbandt: "When I was invited to sit with the subcommittee, were there not some who did not want to put the contested delegations on the temporary roll?"

"That's the reason you were called into the meeting," she replied.

"I urged the subcommittee to vote approval of placing them on the temporary roll," Calvert said.

"But," Johnson interjected, "did he tell you he would make an agreement Tuesday morning to nullify the action?"

Johnson contended that Calvert agreed at 9:30 a.m. on the morning of the convention to recognize Byron Skelton, Temple, for an amendment to the credential committee's report which would unseat the anti-Truman delegations.

BERLIN, Nov. 2. (AP) — The Russians announced today they intended to conduct air-to-air firing practice at two points in lanes traversed by planes of the airlift supplying blockaded western Berlin.

The notification was given the four-power Berlin Air Safety Center. American authorities said the practice, to be conducted at about 2,500 feet, would be no hazard to U. S. and British cargo carriers, which fly at higher levels.

Reds To Conduct Firing In Airlift Lanes Into Berlin

BOSTON, Nov. 2. (AP) — A hundred ships manned by 30,000 men plowed northward today toward the Arctic and a mock battle to test the U. S. Navy's postwar strength. Meanwhile 17 submarines moved for position in the simulated warfare and 543 aircraft were assigned to take part in the engagement.

The 17 submarines, commanded by Rear Adm. James Fife, Jr., will attempt to "destroy" or waylay the surface fleet. The planes will assist operations of the undersea and surface craft.

Arctic Mock Battle Will Test Defenses

Poll Show Dewey In A Slight Lead

By The Associated Press
The final Gallup poll (American Institute of Public Opinion) gives these figures on the presidential race: Truman, 44.5 per cent; Dewey, 49.5 per cent; Wallace, 4 per cent; Thurmond, 2 per cent.

Here are the final results of newspaper polls:
Chicago Tribune, state-wide Illinois: Truman, 45.89 per cent; Dewey, 52.86 per cent.

Chicago Sun-Times, state-wide Illinois: Truman, 45.89 per cent; Dewey, 52.86 per cent.

Boston Herald, straw poll of Massachusetts: Truman, 46.6 per cent; Dewey, 48.2 per cent; Dewey plurality of about 65,000.

Philadelphia Inquirer, poll of Pennsylvania: Truman, 39.3 per cent; Dewey, 57.9 per cent; Wallace 2 per cent; other candidates, 8 per cent.

In Southern New Jersey: Truman, 44 per cent; Dewey, 54.3 per cent; Wallace 1.7 per cent. In New Castle County, Delaware, including Wilmington: Truman, 39.3 per

cent; Dewey, 59.5 per cent; Wallace 8.2 per cent.
New York Daily News, state-wide: Truman, 44.1 per cent; Dewey, 49.2 per cent; Wallace, 6.7 per cent.

Des Moines Register, state-wide sampling of Iowa: Truman, 41 per cent; Dewey, 54 per cent; Wallace, 2 per cent; undecided, 3 per cent.

The Gallup Poll is non-partisan. All the newspapers mentioned have supported Gov. Dewey, with the exception of the Chicago Sun-Times, which has supported President Truman.

Democratic National Chairman J. Howard McGrath said last night the final Gallup poll, although pointing to a Dewey victory, actually favors President Truman.

The poll, McGrath said, shows President Truman's popular vote will be larger than Dewey's "if the poll overestimates the Dewey vote as much as it did in 1944."

McGrath said the Gallup Poll underestimated President Roosevelt's final total by 2.8 per cent in 1944.

FRENCH INVENTION.—A lazy man's garden spade is demonstrated at an inventor's exhibition in Paris. The gadget is rigged with a roller support, springs and levers.

National Guard Refuses Pre-War Inactive Branch

WASHINGTON, Nov. 2. (AP) — The National Guard today revived its pre-war inactive branch to help build up a trained manpower reserve.

Maj. Gen. Kenneth F. Cramer, chief of the Army's National Guard Bureau, said officers and enlisted men unable to continue active training with their state units can retain guard status by transfer to the non-drilling group.

Clare Booth Luce Has Gems Stolen

NEW YORK, Nov. 2. (AP) — Clare Booth Luce has been robbed of gems valued at \$20,000 in the latest of a series of recent midtown jewelry thefts from prominent women.

The jewels were stolen early yesterday while the former Connecticut congresswoman and her husband, Magazine Publisher Henry R. Luce, were asleep in their Waldorf-Astoria Tower suite.

Jap Prices Upped

TOKYO, Nov. 2. (AP) — The official price of rationed commodities was increased from 24 to 54 per cent today.

A variety of chickens that lays blue eggs has been developed by poultry breeders.

Lieutenant Killed

TOKYO, Nov. 2. (AP) — 1st Lt. John D. Spangler of Floyd, Va., was killed when his plane stalled and crashed into the water near Miho Air Force Base last Friday, the Far East Air Force announced today.

Marvin Hull says
It's a Fact!

AGLUTON IS NOT GLUTINOUS

Proof Tuesday.

Lightning Does Not Zigzag. Lightning curves, twists, meanders and branches, but it does not turn in acute angles or zigzag. In 1856 James Nasmyth, a Scottish engineer, called this fact to the attention of the British Association for the Advancement of Science, after observation over a period of years.

Reliability Mark Of Driver Agency

Reliability isn't established overnight—it's something that comes only after performance over the years.
And that's the quality that makes the E. P. Driver Agency and a trio of old-line companies increasingly in demand in Big Spring by discerning property owners.
Driver is a native of Big Spring, having established his own personal reliability through courteous performance over the years.
Ideally, he has three companies whose reliability has stood the test of time. Aetna Fire Insurance com-

pany, Hartford Fire Insurance company and Hartford Accident and Indemnity company are practically household words in the insurance world. One of the units traces its history back for more than 140 years and all have withstood all sorts of economic and catastrophic tests like the rock of Gibraltar.
Thus it is that when property owners are looking for complete safety in companies and the counsel of an underwriter who matches the quality of the companies, they turn to the E. P. Driver Agency, room 12 (phone 759) First National bank building.

Driver offers a complete line of insurance. Many farmers have held hail insurance with his companies against crop damage. On particular valuable animals, many have taken out livestock mortality insurance.
Besides these services, Driver also is in a position to make loans on new and used cars, and also to offer service on real estate transactions.

LETTER TO EDITOR

Coahoma Reader Pulls For Demos

Dear Sir:
Boys, vote the New Deal, the best deal we had since the civil war. Vote for Harry Truman. Think of the old deal under Mr. Hoover when a carload of canned goods liked \$3.85 of paying the freight and expenses. One car of good cows shipped from Coahoma netted only \$90. Roosevelt got in and cows went up. Cattlemen, farmers, laborers and all classes of people are spending more money today than they ever could have made under the GOP government since the Civil War.
Men and women, this is true; I know for I've been here a long time.

Yours truly,
J. B. Wheat
Coahoma, Texas

NEW PLANT—Harvey P. Wooten has erected and moved into a new plant at 504 E. Second street, where he offers the same complete lines of Red Chain feeds, together with hay and other feed needs for any kind of fowl or animal. Besides this, Wooten's new building is especially designed for his cream, butter and egg purchases and for processing poultry. The plant is conveniently located on a wide, paved street. (Jack M. Haynes Photo.)

Monogram Work New Hester Offer

Hester's Office Supplies, 114 East Third street, is now equipped with a stamping and printing set which can be used to personalize Christmas cards, stationary and playing cards.

Orders for the monogrammed work can now be filled within a few hours.

Increasing stocks of Christmas supplies are now reaching Hester's which expects to be well prepared for the holiday season now less than two months away.

Among the items recently received are Baby Coo dolls, equipped with magic voices, different models of Horsman dolls, including the Bride, sporting goods toys and games.

Scrap books and the best in snapshot albums are also available at Hester's. For the business man, orders in brief cases, zipper cases and other equipment can be filled immediately.

The housewife will find a complete line of household appliances at Hester's, including fridges, home freezers and all models of radios.

Fountain pens of all descriptions are on display at the establishment, popularly priced.

Hester's has built its reputation on its variety of office supplies, their quality as well as their quantity. Not only typewriters, adding machines, typewriter ribbons and all types and sizes of paper can be purchased there, but desks, chairs, filing cabinets and waste paper baskets, as well.

Maintaining Top Service. Clay Adds Equipment

Clay's No-D-Lay Cleaners, located at 207 1/2 Main street is maintaining a continuous policy of adding equipment designed to keep the firm among the front runners in service.

The establishment, which only reopened a few weeks ago after completing a remodeling project, is now planning for installation of more equipment. On order at present are two new presses, which are expected to be delivered soon, and they will be put into use immediately after their arrival. Other new equipment will be added, of course as needed, said H. E. Clay, owner of the firm.
The No-D-Lay shop has furnished top cleaning and pressing service

and expert alterations in Big Spring for almost two decades. However the establishment has other specialties.

One of the most popular services is provided in the hat cleaning and blocking department. Here meticulous changes are wrought upon battered headgear as it is restored to appearance of new merchandise.
Clay's also is accepting orders for new made-to-measure suits which are available in attractive materials and patterns.

First Methodist Woman's Society Circles Meet For Study Sessions

First Methodist Women's Society of Christian Service circles met Monday afternoon for regular mission study programs. Program activities for the day were reported as follows:

Mrs. W. A. Underwood was hostess to members of Circle 1 for a study of Puerto Rico. Those taking part on the program were: Mrs. S. R. Nobles, Mrs. W. L. Vaughn and Mrs. Clyde Johnson. "Pack-A-Towels" were brought to the meeting. It was announced that the next meeting will be held in the home of Mrs. Arnold Marshall. Those present were: Mrs. Arnold Marshall and Nancy; Mrs. H. B. Settles, Mrs. E. M. Rowe, Mrs. M. C. Brown, Mrs. T. E. Bailey, Mrs. W. L. Vaughn, Mrs. G. E. Chad, Mrs. Clyde Johnson, Mrs. R. L. Warren, Mrs. S. R. Nobles, Mrs. H. P. Taylor and Mrs. W. A. Underwood.

Mrs. Harwood Keith was hostess to members of Circle 2 in the home of Mrs. R. E. Satterwhite and gave a discussion of the subject, "Race and the Inhabitants of Panama." Mrs. H. H. Haynes spoke of the religion and churches of Panama. Mrs. G. E. Fleeman gave the devotional. Those present were: Mrs. M. A. Bowden, Mrs. L. E. Maddux, Mrs. H. H. Haynes, Mrs. N. W. McCleskey, Mrs. G. E. Fleeman, Mrs. H. B. Williams, Mrs. R. E. Satterwhite, Mrs. A. C. Bass and Mrs. Harwood Keith.

Members of Circle 3 met in the home of Mrs. Howie for a study of the Virgin Islands with Mrs. A. S. Johnson as leader. She was assisted by Mrs. Bernard Lamun, who told a story entitled, "She Made Many Rich," and showed some pictures of the islands. After the lesson, Mrs. J. D. Pickle led in prayer. During the business session, Mrs. Lamun demonstrated the "Pack-A-Towel" project. Several towels were packed during the meeting. It was announced that Mrs. Pat Harrison will be the hostess for the meeting scheduled next Monday. A rummage sale was scheduled for Saturday. Mrs. Howie served refreshments to: Mrs. Pat Harrison, a visitor; Mrs. John R. Chaney, Mrs. Albert Smith, Mrs. C. E. Shive, Mrs. W. L. Vaughn, Mrs. Bernard Lamun, Mrs. A. F. Johnson, Mrs. C. E. Sadler, Mrs. J. E. Pickle, Mrs. C. E. Moad. Mrs. Jaks Bishop was hostess and gave the devotional when members of Circle 4 heard a program

Council To Meet

President and unit representatives are urged to attend the meeting of the Big Spring City Council of the P-TA to be held at the high school Wednesday afternoon at 3:30 o'clock, according to an announcement made by a council representative Tuesday morning.

Rebekah Degree Will Be Given

Effie Mae Sanders was elected to receive the Rebekah degree when members of the John A. Kee Rebekah Lodge No. 153 met Monday night in the WOW Hall. Mae Darrow, Noble Grand, presided over the business session and announced that next week's initiation will be formal and that a pie sale will be held by the group at 11 a. m. Saturday in the Furr Food Store.

Fined For Having Concealed Weapons

Carrying a concealed weapon is against the law, whether it be a fire-arm or a knife, Judge Walton Morrison reminded four men hauled before him in county court Monday afternoon. Three of the men—Dionicio Martinez, Adam Guerrero and Esqueilo Castro—were accused of carrying pistols, the other—Juan Torres—a dirk. Each was fined \$100 and costs. A fifth party, Candelario Flores, charged with driving while under the influence of intoxicants, was fined \$100 and expenses and had his driving privileges suspended for six months.

Tojo Will Know Fate In Few Days

TOKYO, Nov. 2 (AP)—Hideki Tojo, last of the Axis leaders who plotted World War II, will know his fate in the next few days. The International Military Tribunal for the Far East announced today reading of the verdict of the war crimes trial of Tojo and 24 other war leaders will begin Thursday.

Freda Marie Estes Becomes Bride Of Kenneth Lee Mitchell in Strawn

STANTON, Nov. 2 (Sp1)—Freda Marie Estes, daughter of Mrs. F. T. Whitaker, became the bride of Kenneth Lee Mitchell in Strawn Sunday morning. The Rev. J. C. Keen read the double ring ceremony. Bob Whitaker gave the bride in marriage. Anna Carter and Jacqueline Smith served as bridesmaids. Sue Williams and Bobby Whitaker acted as bridesmaids and flower girl respectively, while Patsy Kelly and Jo Ann Jones served as candlelighters. Mrs. Tom Fowler played the wedding selections and accompanied Mrs. W. H. Porter of Temple as she sang several appropriate musical numbers. Bill Mitchell was best man. Ushers included Burt Stephens of Taboka and Harvey Hale. The bride was attired in a grey suit with a boxy jacket trimmed with grey mink. She wore a pink blouse and carried a white Bible topped with a cameo pink orchid. Mrs. Mitchell attended school in Stanton. Following a short wedding trip, the couple will be at home in Liberty.

Local persons attending the wedding were Mr. and Mrs. Bob Whitaker and two sons, Patsy Kelly, Jo Ann Jones and Leslie Jean Tom.

George Spinks of Indio, Calif. is a guest in the home of his parents, Mr. and Mrs. W. B. Spinks. Mrs. L. A. Baker and twin sons, Robert Allen and Jerry Wayne were brought home from the Lamessa hospital Tuesday. Mr. and Mrs. Welland Atchison of Midland and his mother, Mrs. Clara Atchison visited in Electra Sunday. Mr. and Mrs. Eli Saunders became the parents of a daughter in the Stanton Memorial hospital Oct. 26.

Mrs. A. J. Graham returned Sunday from Pampa and Lubbock where she was a guest in the home of relatives. M-Sgt and Mrs. Owen Stacey and baby of Panama were recent guests in the home of Mrs. George Cornelius. Mrs. Elvie Henson, Mrs. Alta Henson and Mrs. Will Thomason visited in Iran Tuesday with their sister, Mrs. Cora Burnbrand and niece, Mrs. Lawrence Black.

"Moonlight Cabaret Minstrels" Date Set

COAHOMA, Nov. 2 (Sp1)—"Moonlight Cabaret Minstrels" will be presented in the grade school under the auspices of the Parent-Teacher Association, Thursday Nov. 4 at 7:45 p. m.

Those on the program include Bert Shive as Pete, Truett DeVaney as Sam, A. W. Rowe as Jolly

and Travis Jenkins as Melancholy. The chorus is composed of Mr. and Mrs. Estes Finley, Mr. and Mrs. Sparky Adams, Mrs. Dale Puckett, J. E. Martin, Dale Pomeroy, Frank Loveless, Mrs. Tom Kirkhead, Glenn Guthrie, Mrs. Lloyd Brannon and Gypsy Ted McCollum.

Morris Ledger acts the part of Mr. Interlocutor. Special numbers on the program are to be given by Mrs. J. B. Martin, Mrs. Travis Jenkins, Mrs. C. H. DeVaney, Dale Puckett, Harry Smith Echols, Rosalie DeVaney, Charlene Williams, Darla Woodson, Deanna Hunter, Jayette Graham, Vona Mae Springfield, Warren Wise, Arlton DeVaney, Sandra Reid, Stormy Edwards, and Edna Halliday.

Mrs. Ed Roberts will accompany all musical numbers. The High school band will also furnish accompaniment. The public is invited to attend. Admission prices are 25 cents and 10 cents. Proceeds will be used to purchase stage scenery in the auditorium.

Cook Book Completed

Announcement was made by Mrs. Obie Bristow, president, that work has been concluded on the cook book containing choice recipes from local women at the meeting of the Women's Auxiliary at St. Mary's Episcopal church Monday afternoon.

The cook book will be featured at the annual bazaar sponsored by the Auxiliary, Nov. 9 and will be sold for a nominal fee. The Rev. J. R. Maceo, rector, discussed the subject, "St. Mary, the Virgin" following business session. He told of how Mary was the daughter of elderly parents from the lineage of David who had been married 20 years when she was conceived. When the angel told them they were to have Mary, the mother straightway promised the child to the temple until her maturity. Mrs. E. O. Jones, assisted by her daughter, Martha Ann Johnson served the refreshments. Mrs. Shive Phillips will act as the next hostess.

Those attending were Mrs. John Warfield, Mrs. John Hodges, Mrs. John Johnston, Mrs. T. C. Thomas, Mrs. Agnes Young, Mrs. Owen, Mrs. Charles Koberg, Mrs. D. M. McKinney, Mrs. M. M. Fleming, Mrs. V. VanGieson, Mrs. Lee Hanson, Mrs. D. M. Penn, Mrs. E. B. McCormack, Mrs. Obie Bristow, Mrs. Jones, Mrs. Phillips and the Rev. J. R. Maceo.

BEAUTY

Glamor Is Out Of The Evening Bag For Keeps

By BETTY CLARKE
AP Newsfeatures Beauty Editor
Your evening bag shouldn't contain a weekend supply of cosmetics. Besides being heavy and a nuisance when it is stuffed, it will look junky to an onlooker.

When you are set to leave in your formal gear, don't just dump everything out of your street bag into your evening purse. You will need only a few cosmetics for slight repairs during the evening, but do carry those.

Take with you: powder in a compact, cotton balls, lipstick, comb, mirror and handkerchief. You won't need mascara but bring your eyelash curler. Then when your eyes get droopy, you can disappear into the powder room, give your lashed a lift with the curler and reappear a bright-eyed woman. Sometimes a bit of oil or cold cream rubbed on the lid will increase the divinity of the eyes.

A pencil-liner is indispensable to some girls and you may want to include this in your bag. The brown or black pencil can be used during the evening to keep you looking wide-eyed.

Three Persons Are Lodged In Jail

Three persons, Milans Dishman, Frank Flares and Nacha Markes, have been lodged in the county jail on charges of assault and attempt to commit murder.

Dishman allegedly used a knife in an attack on a Negro. Flares was involved in an affray with another Latin-American while Markes reportedly shot a Latin-American.

Bible Study Session Led By Dr. O'Brien

Dr. P. D. O'Brien, pastor, led the Bible study at the luncheon meeting of the Women's Missionary Society at the First Baptist church Monday afternoon.

Mrs. R. D. Urey led the hymn, "Come Womenwide Proclaim" and Mrs. J. E. Hardesty led the opening prayer. Those attending were Mrs. J. L. Haynes, Mrs. G. H. Hayward, Mrs. J. P. Dodge, Mrs. J. W. Wooten, Mrs. Della K. Agnell, Mrs. R. V. Jones, Mrs. J. E. Hardesty, Mrs. G. G. Morehead, Mrs. J. D. Elliott, Mrs. Bennett Story, Mrs. C. L. McDonald, Mrs. Lee Jenkins, Mrs. R. D. Urey, Mrs. J. T. Culpepper, Mrs. Nat Schick, Lillian Schick.

Mrs. W. B. Younger, Mrs. W. B. Buchanan, Mrs. Theo Andrews, Mrs. Courson, Mrs. V. M. Anderson, Mrs. R. C. Hatch, Mrs. D. C. Maupin, Mrs. Roy Cornelison, Mrs. Roy Phillips, Mrs. Alton Underwood, Mrs. J. C. Pickle, Mrs. Beulah Bryant, Mrs. Irvin Daniel, Mrs. Adams, Mrs. Archee Clayton, Mrs. P. D. O'Brien, Mrs. Willard Hendrix, Zolite Mae Rawlins, Mrs. Ray Odom, Mrs. H. E. Choat, Dr. P. D. O'Brien, and Mrs. C. T. Clay.

LETTER TO EDITOR

Fan Opines Buffs Being Slighted

Dear Sir: We do not feel that you or your would-be sports editor is giving Forsan's six-man football team (Buffaloes) the build up and notoriety that is due this team after the showing it has made this year. About 50 persons met this evening and decided that the team will either get a big spread and give all the facts about each game and each player so they may get the necessary facts that are necessary to help them in the future either in school or football, that we will stop our subscriptions to the Big Spring Herald and also do anything in our power to lessen the influence of your paper as the San Angelo Times gives us a very good write up and prices as a whole are lots cheaper there.

Thanking you,
Otto King
Sterling City, Rt.

To Air Program

Announcement is made by Mrs. Albert Dillon, radio chairman, that "Your School on the Air" will be heard at 2:30 p. m. Wednesday, Nov. 4, over station KBST.

A musical program will be presented by the students of Kate Morrison school under the direction of Dorothy Wilson, principal.

Don't Flush Kidneys

To stop irritation and irregular elimination use CIT-ROS. The new remedy quickly restores the normal pH of the body fluids. The cause is eliminated, the body stops pain, heals sore spots. CIT-ROS brings you comforting relief. CIT-ROS at your druggist, \$1.00. For sale at Collings Bros. Drug Co.

Do You Really Want to Take Off That Ugly Fat?

Recently there has been a number of new reducing preparations on the market, some of them based on the diet and vitamin "plan." It is obvious that vitamins will not reduce the body weight, so one must depend on diet to reduce. But it is also obvious that one cannot go on a strenuous diet over a protracted period, and any weight lost will be restored if the former eating habits are gone back to.

So what to do? Well, here is a tip to you "overweight gals" who want to fight "the Battle of the Bulges" in a different way. Ask any well stocked Texas druggist for four ounces of Barcetrant. Mix with 12 ounces of grapefruit juice and take two tablespoons twice a day.

This preparation contains nothing harmful and the makers agree to refund your money on the very first bottle if it does not show you the way to lose ugly fat and help regain slender, more graceful curves. Barcetrant is low in cost and is not based on the diet and vitamin "plan." You need never know a hungry moment while reducing with Barcetrant.

"Christ, The Only Answer" Theme Is Used In Prayer Week Programs

"Christ, the Only Answer" was the theme of study at the Monday afternoon meeting of the Presbyterian Women at church. This was the first in a series of meetings for

Prayer and Self Denial services during Home Mission week. The study book is entitled "On Our Own Doorstep."

Verla Ache Is Hostess To Party In Her Home

Verla Ache was hostess to a Halloween party in the home of her parents, Mr. and Mrs. Bertie Ache, 206 E. 8th Saturday evening. Games were played as entertainment and refreshments were served. Following the party, all guests attended the midnight show. Those attending were Glenn Bunn, Jean Crumpton, Jimmie Hicks, Frances Wyatt, Ernie Ache, Shirley Ache, Donna Bunn, Fern Obsurn, Lois Clark, Thelma Brunley, Jack Crumpton and Herbert McPherson. Out of town guests included Billy Ray Jones and Bill Dement of Knott, Jimmy Gressett, Dalton Doyce Stegall, and Jim Bogart of Midland and Jack Crumpton of Floydada.

Prayer and Self Denial services during Home Mission week. The study book is entitled "On Our Own Doorstep." Mrs. G. A. Barnett presented the program and led the group singing of "Tell Me the Old, Old Story." For her scriptural text, Mrs. Barnett read John 4:45, followed by the program discussion of the Indians and of the inhabitants of Hawaii. She stressed the hardships leaders to these peoples have to endure and she stressed the success of the missions once established. Mrs. Sam Baker presided during the business session. Announcement was made that the Rev. Gage Lloyd will conduct the Bible study every fourth meeting. Prayers repeated in unison concluded the meeting.

To Be Hostess

Mrs. Ted Grobel will be hostess to the 1930 Hyperion Club Saturday afternoon at 3 o'clock in her home at 615 Dallas, according to an announcement made by club representatives Tuesday morning.

HUNTING PARTY IS A SUCCESS

A local hunting party has returned from White River National Forest, Colorado, where it bagged seven elk and three deer. Among those who made the trip were Luke LaBlau, Fred Hyer, Andy Brown, Red Wilbanks, Clint Watts, Tommy Hutt, S. K. Whaley, Pete Womack and Leonard Morgan. Wells is from Llano, the others reside here. The party was gone 14 days.

Schoolboy Race Gets Up Steam On All Fronts

By HAROLD V. RATLIFF
Associated Press Sports Editor
The Texas schoolboy football campaign speeds into November with only 10 undefeated teams and with district championships being decided all along the line in the City Conference and Class AA. Only one unbeaten team was kicked out last week but three of them were tied.
South Park of Beaumont was tumbled 20-19 by Fort Neches. Milby (Houston) was tied by John Reagan (Houston) 13-13. Alice was tied by Harlingen 0-0 and Arlington Heights (Port Worth) was battered to a 6-6 deadlock by Paschal (Port Worth).
Unbeaten and untied today are Port Arthur, Waco, Henderson, Sweetwater and Amarillo. Undefeated but once tied are Alice, Arlington Heights, Baytown, Lamar (Houston) and Milby.
There appears little likelihood of any of the unbeaten teams taking a tumble this week except possibly Sweetwater, which meets Odessa in the showdown game of District 3 of Class AA. The winner of this game will be a top-heavy favorite for the district title.

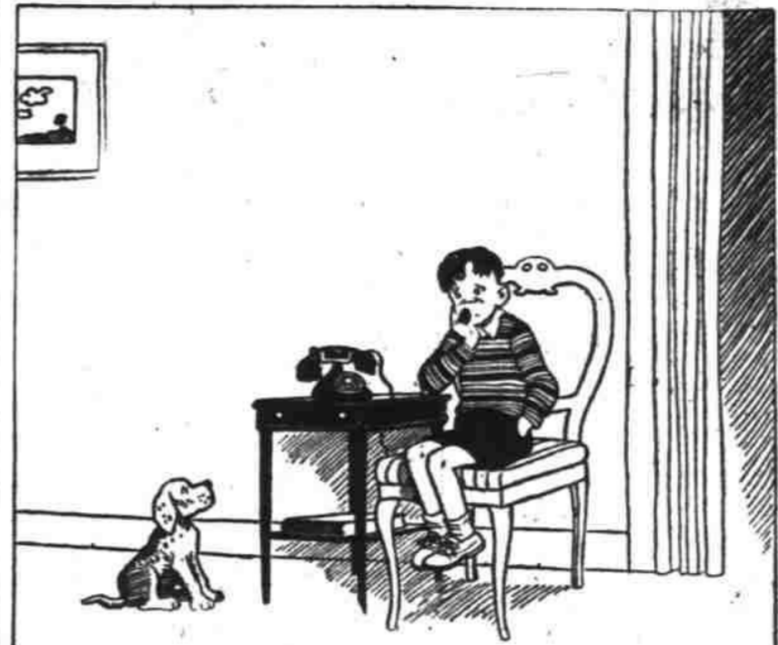

Sweetwater whammed Abilene 28-6 last week, which was a touch-down better than Odessa trimmed the Eagles.
District 4 of the City Conference will be in the balance Saturday night when Thomas Jefferson tackles Alamo Heights. These are the last undefeated teams in San Antonio district play.
Amarillo plays at Borger Friday in an important District 1 clash in Class AA. They are two of three teams that are undefeated in conference strife. Pampa, the other one, plays Lubbock Saturday.
District 6 matches its only unbeaten teams with Highland Park (Dallas) playing at McKinney Friday while District 12 sends Galveston to Freeport in a similar battle. Galveston, Freeport and Baytown are unbeaten in conference warfare. Baytown plays Galena Park this week.
District 13 features the clash of Austin and Kerrville, the last undefeated teams, and the contest expected to determine the champion.
The 67,000 fans who watched Oklahoma defeat Texas recently in Dallas made up the largest crowd ever to watch a football game in the Southwest.

Coast Fans Asking Return Of Michigan To Rose Bowl

Agreement Bars Club's Return

PASADENA, Calif., Nov. 2 (AP)—A lot of folks in these parts, including some Tournament of Roses Association officials, would like to see the top Big Nine team in the Rose Bowl Jan. 1. But it's probably too late to arrange it.

Michigan looks like a clinch to be the Big Nine champion. But the Wolverines were in the Rose Bowl last New Year's day (an understatement, indeed; score Michigan 48, USC 0) and under the Big Nine-Pacific Coast Conference agreement can't come again so soon. There must be a three-year interval before a repeat appearance.

So it'll be Northwestern, or Minnesota, or Against the PCC champion, California or Oregon, unless something is done, quick.

Lathrop K. Leishman, chairman of the Rose Tournament Football Committee, says he'll start moving through channels as soon as his association's executive committee formally notifies him that it is their wish. The association president and executive committee chairman, Harold C. Schaffer, is out of the city and action awaits his return.

Leishman said he'd put the matter up to the PCC president, Dean Stanley Freeborn of California, and the FC Rose Bowl Committee chairman, Bill Hunter of USC.

"It isn't just Michigan, but personally I feel, and I know others do, that we should have the best in the Big Nine here each year for the Rose Bowl, not the No. 2 or No. 3 team," Leishman said.

Whether the Coast Conference faculty representatives athletic directors and graduate managers could act in time, even if inclined, is something else again.

Mustangs Fifth In Grid Poll

DALLAS, Nov. 2 (AP)—For the ninth straight week the powerful Port Arthur Yellowjackets are rated Texas' top schoolboy football team.

Only four out of 23 sportswriters participating in the Dallas News' poll failed to pick Port Arthur as the top team.

The Yellowjackets got a total of 222 votes compared to 176 for second place Amarillo.

Waco, Baytown, Sweetwater, Henderson, Odessa, Texarkana, Wichita Falls and Kerrville followed in the top ten.

Kerrville and Wichita Falls cracked the top ten teams this week. Alamo Heights tied for ninth place last week, and Arlington Heights of Fort Worth, number six, dropped out.

Cage Drills Start

HOUSTON, Nov. 2 (AP)—Six lettermen were among 12 players reporting for the first practice of the Rice institute basketball team yesterday.

Lettermen included David Cook, Lufkin; Bob Foley, Baytown; Warren Switzer, Houston; Bill Tom, Dallas; Paul Vahldiek, Houston; and Tom Hudgens, Lufkin.

SMU EIGHTH

Irish Assume Lead Position In Grid Poll

NEW YORK, Nov. 2 (AP)—The old Notre Dame-Michigan argument is on again with the Irish out front by a slender three-point margin in the weekly Associated Press poll of football writers.

Displacing the Wolverines by a total of 1,762 points to 1,759, Notre Dame actually ran behind Michigan in the matter of first place votes, 68-56. The South Bendiers picked up their margin on second and third place ballots.

It is quite possible that both clubs may win all their remaining games and stir up another tremendous post-season discussion.

Once again, they do not meet.

Notre Dame carries a strong third, is a definite threat to both leaders with 36 first place votes and 1,458 points. William and Mary, Maryland, Duke and Virginia are the only teams remaining in their path leading to a sure bowl bid.

The first 20 teams of last week are back again with one exception and that club, Baylor, was not beaten. There certainly will be some casualties Saturday.

Notre Dame plays Indiana, which has lost its last four games, and Michigan got a whack at Navy, which has not won yet. It was the Middies, beaten 41-7 by a Notre Dame team that was trying hard to hold down the score, who helped the Irish into first place.

Army is the No. 4 team in the poll with 1,249 points after its 49-7 romp over Virginia Tech.

California, the lone Pacific Coast team among the nine who still are unbeaten and untied, is fifth with 1,132.

Georgia Tech again is ranked sixth with 1,109. Back of seventh place Penn with 575 points, in eighth place is Southern Methodist, whose Doak Walker had a big afternoon in a 21-6 victory over Texas. Its points total 432. Missouri holds ninth spot with 382 points and Northwestern moved into 10th place with 371 points on the strength of its 21-7 decision over Ohio State.

The 208 first place votes were distributed among 13 teams. Behind Michigan 68, Notre Dame 56, and North Carolina 38 came California 16, Georgia Tech 7, Clemson 6, Army and Nevada, each 5, Missouri 4, Oklahoma 2, and Penn State, Southern Methodist and Vanderbilt, each 1.

Porker Players May Miss Game With Rice Owls

By the Associated Press

Most Southwest Conference football teams were free of major injuries today. Arkansas was the exception.

Coach John Barnhill yesterday said starting End Bill Hix sprained an ankle and defensive Fullback Louis Schaufele tore a knee ligament in last week's victory over Texas A&M. He said both probably would miss Saturday's game with Rice at Little Rock.

The Razorbacks took a light workout indoors yesterday.

Southern Methodist University Coach Matty Bell said he expected Guard Brownie Lewis, End Carl Wallace and Tackle Joe Etheridge to be in good shape for this week's tilt with A&M. The only casualty the Mustangs had in the Texas game was Center, Fred Goodwin.

He hurt a leg, but Bell said he did not think it was serious.

Baylor came out of its 6-3 victory over Texas Christian with only minor cuts and bruises. The Bears practiced lightly yesterday.

Texas has only three injuries. Guard Danny Wolfe suffered a slight shoulder separation in the SMU game. End Ray Stone and Reserve Back Jimmy Lowrey are still on the crippled list.

Texas did not practice yesterday. Joe Watson was in uniform at Rice yesterday but it is still doubtful if he will play against Arkansas this week. He injured a leg last week and missed Saturday's tilt with Texas Tech.

Texas Christian, idle this week, took the day off yesterday.

Coach Predicts Rugged Outing

FORSAN, Nov. 2—Coach Frank Honeycutt has predicted his Foran Buffaloes will experience their toughest test of the season when they play an exhibition six-man football game with Grandfalls in Grandfalls Friday night.

The Mustangs boast one of the best records in the abbreviated sport. Only Southlands had held the Foran club to three touchdowns and that was in the Bison's first outing of the season.

Foran resumes District Seven play next week.

HOW TOUCHDOWNS ARE BORN — Dan Sandifer (right) Washington Redskins halfback, gathers in a Boston Yanks pass intended for Bill Chipley (left), Boston end, in the first period of a National Football League game in Washington. After the over-the-shoulder catch, Sandifer went 40 yards for a touchdown. No. 31 in background is Clyde Erhardt, Washington center. (AP Wirephoto).

LOOKING 'EM OVER

With TOMMY HART

SMU's Doak Walker is afforded an excellent chance of winning the Heisman trophy this fall, the annual award made by the Downtown Athletic Club of New York City to the outstanding collegiate gridder of the year.

If Walker wins the trophy, he'll be the first Southwestern Conference footballer in ten years and the second in history to gain the cup. The other was Dave O'Brien of TCU, honored back in 1938.

Walker won a similar honor, the Maxwell award, as the outstanding football player of the nation last year. Johnny Lujack of Notre Dame fell heir to the coveted Heisman trophy. No player has ever won it two years in a row.

Backs obviously have all the better of it in the polling, since only one lineman has won it since the practice of honoring the top player was started back in 1935. Larry Kelly of Yale, an end, was voted the top performer back in 1936.

- All winners and the colleges which they represented include:
- 1935—Jay Berwanger, Chicago.
 - 1936—Larry Kelley, Yale.
 - 1937—Clint Frank, Yale.
 - 1938—Dave O'Brien, TCU.
 - 1939—Wile Kinnick, Iowa.
 - 1940—Tom Harmon, Michigan.
 - 1941—Bruce Smith, Minnesota.
 - 1942—Frank Sinkwich, Georgia.
 - 1943—Angelo Bertelli, Notre Dame.
 - 1944—Les Horvath, Ohio State.
 - 1945—Felix Blanchard, Army.
 - 1946—Glen Davis, Army.
 - 1947—Johnny Lujack, Notre Dame.

The University of Texas' freshman football team, which has now beaten Rice and SMU frosh clubs after playing Baylor to a tie, outweighs its big brother varsity lineup by five pounds per man in the line and by seven pounds per man in the backfield.

Incidentally, Big Spring's Ike Robb is supposed to have played a whole of a game for the SMU first-year forces against TU last Friday afternoon. His recovery of a fourth quarter fumble almost led to a score that would have swung the issue.

BERRY DROPS FOOTBALL FOR BASKETBALL

Our Town's Harold Berry, quarterback on last year's Steer outfit, has dropped football at Texas A&M but was to report for basketball practice this week.

Berry is taking a difficult engineering course and had to divorce football to spend more time on his studies.

DAVIS STILL TRYING TO BOOK TWC FROSH

Harold Davis, the HCJC basketball coach, says his Jayhawks may play a game as early as Nov. 30. Harold is still trying to book a game with the Texas Wesleyan freshmen for the Will Rogers Coliseum in Fort Worth. Such a contest would serve as a preliminary feature to a TWC varsity game booked there.

Davis still isn't set on his starting lineup. He does say that Gil Barnett, a local boy, is making a major bid for a starting berth. Barnett has developed amazingly well since enrolling in college.

Mr. T. H. Dwyer of Odessa is a sister to Alvin Dark, the National league "rookie of the year," according to Scribe Tom Smith.

One-time Big Spring's Doug Jones, now of Abilene, is fighting the comeback trail. Doug defeated G. C. Osburne last week to regain the Abilene city golf championship.

He succeeds Bobby Maxwell, the local boy now attending Southern Methodist university.

All-America Football Candidates Begin To Emerge On All Fronts

NEW YORK, Nov. 2 (AP)—If picking the national college football champion this year is tough—with every sector offering a candidate—selection of the All-America backfield promises to be tougher.

There have been no individual standouts of the Johnny Lujack and Bob Chappuis stripe of last year. As the season moves down the backstretch, a wide open scramble looms for individual honors.

A number of athletes strengthen their bids with outstanding performances over the week-end as the nation's nine unbeaten and untied powers kept their records unblemished.

The present campaign, in fact, hasn't had such a one-day rash of backfield heroes.

Doak Walker, Southern Methodist's sophomore member of last year's honor quartet, hit his stride against Texas. Stan Heath, Nevada's passing wizard, went on an aerial rampage to write a new collegiate record.

Emil Sitko emerged as the new spearhead of Notre Dame's Irish while glittering exploits were turned in also by Jack Jensen of California, Norm Van Brocklin of Ore-

gon, Chuck Ortman of Michigan, Francis (Red) Bagnell of Penn, and Army's crack touchdown tandem, Gil Stephenson and Bobby Jack Stuart.

Meanwhile, a new appraisal of the nation's top teams was in order even though all advanced in unbroken phalanx. Michigan's Wolverines, ranked first for two weeks running, puffed past a hard-to-convince Illinois, 28-20, while two of the South's unblemished giants, North Carolina and Georgia Tech, had their hands full with a couple of neighborhood foes.

North Carolina, with Charlie Justice heaving two touchdown passes, topped Tennessee, 14 to 7, with one Vol scoring run nullified by a penalty. Tech rallied in the last half to vanquish Duke, 19-7.

California's Golden Bears, bidding for a Rose Bowl spot, edged past Southern Cal, 19-7, thanks to some fine ball-carrying by Jensen. The other four major unbeaten teams to see action—Notre Dame, Army, Pennsylvania and Nevada—turned in smashing, one-sided victories. Clemson, the ninth member of the perfect list, played Friday, beating Boston College.

FRIDAY NIGHT

Ackerly Hosts Flower Grove

ACKERLY, Nov. 2 — Ackerly's Eagles and the Flower Grove Dragons tangle here Friday night in a six-man football game that could go a long way toward deciding the championship of District Four.

The Dragons are co-leaders along with the Union Bobcats. The Eagles are one game off the pace, having lost to Union a couple of weeks ago.

In a previous meeting, Flower Grove lost to Ackerly, 25-6. The Dragons were not at full strength in that one, however.

The Flower Grove team must play Union a week from Friday.

Funk Rematched With Al Getz

Dory Funk, the Hoosier Hot-Shot from Hammond, Indiana, and Pittsburgh's Al Getz will have to wait a week before they can settle their differences.

The boys had at it in one of the wrestling matches at the Big Spring Athletic club last night but both spent so much time outside the ring, chasing one another, Referee Billy McEun disqualified them both.

Funk chased Getz all the way to the street on one occasion and Aloysius tried to leg it back to the ring in time to beat the arbiter's toll. He missed it by a few counts.

Right away, the boys signed an agreement to tangle again next Monday's show. Up until the foot race last night, each man had won a fall.

Dick Trout gained the nod in the main event last night by taking the last two falls from Benny Trudell after losing the first one.

Trout used his airplane spin and a series of body slams to settle the issue.

DEFOUNDS CROWN

HOUSTON, Nov. 2 (AP)—Dolph Quilano of El Paso defends his Texas lightweight championship here tonight in a 15-round bout with Eddie Lamarr of Oklahoma City.

ANGELO FAVORED

Unexpected Always Happens In Steer-Bobcat Contest

The combatants in Friday night's football struggle here—Big Spring and San Angelo—can show but five victories in 13 starts between them but that doesn't dull the lustre of the annual classic.

Last year, the Big Springers invaded the Concho City and staged a massive upset in winning a 20-9 victory in the rain. Year in and year out, the clubs have staged close if not great battles and this year could be no exception.

Only in the years when Angelo had contenders for the state championship did one team run away from the other. For the past two seasons, a single point has separated the elevens.

Two years ago, the Bobcats came to Big Spring and staged a mild upset in winning a 7-6 decision.

The Steers were supposed to win that one and almost did but the Felines had it in the pinches and squeezed out a victory.

The Angeloans, who are coached by two former Big Springers, Herschel (Red) Ramsey and Speedy Moffett, have beaten Lubbock, Lamesa and Mineral Wells this year while losing to Denison, Odessa and Midland.

Big Spring has staged upset victories over Cisco and Brownfield while losing to Brownwood, Odessa, Lamesa and Austin of El Paso. All indication would lead to an overwhelming Angelo victory. However, the Bobcats will not be at full strength. They were not too impressive against Midland last week. Couple that with the fact that the Steers always rise to the heights against the Angeloans and you have the makins' for an interesting contest.

Big Spring has staged upset victories over Cisco and Brownfield while losing to Brownwood, Odessa, Lamesa and Austin of El Paso.

Doak Walker, as if anybody didn't know by now, was an All-America back at Southern Methodist last season.

To date in this campaign there is no reason anyone can advance why he shouldn't be All-America in 1948. In fact, Walker is doing even better.

When SMU came up without a top punter, Walker stepped into the breach. He has averaged 40.2 yards in six games, which is good kicking in any league. Last week he outdid himself—he booted four for an average of 46 against Texas.

But you'll find Walker figuring in every statistical angle of conference football. He's the leading scorer with 70 points, leads by four yards in kicking, is third in punt-returning, first in pass-receiving and ranks with the top ten in all other departments.

In leading the pass-catchers he has gathered in ten for 248 yards which is the most territory gained of any receiver. Morris Bailey of Texas Christian has caught the most passes with 21 for 221 yards and Ross Pritchard of Arkansas has taken 14 for 216 yards.

Ranking next to Walker in punting is Huey Keeney of Rice with 38.1 average on 25 boots. Walker has kicked 14 times.

Walker isn't the leader in passing but his average is almost as good as his teammate, Gil Johnson, who tops with 44 connections on 65 throws for 654 yards. Walker has completed 13 out of 20 for 157

yards, five throws going for touchdowns. Johnson has passed for seven scores. Johnson's passing average is 65.1, Walker's 65.0.

Paul Campbell of Texas is second in passing in the conference with 39 completions out of 98 throws for 624 yards and three touchdowns.

In punt returning, Walker has carried back six for 119 yards to rank third, behind Gordon Long of Arkansas, who has taken back seven for 147, and George Sims of Baylor, the leader, who has carried 12 for 303.

There's a new leader in ball-carrying. He's Lindy Berry of Texas Christian, who in seven games has rolled up a net of 550 yards on 127 runs. Clyde Scott of Arkansas has dropped to second place with 547 yards on 74 carries but has played in only six games.

Berry also is the total offense leader with 1,035 yards on 215 plays—350 yards rushing and 485 passing on 46 completions out of 88 throws. Berry also is third in the conference in passing. Scott is second in total offense with 745 yards on 92 plays.

Southern Methodist is the top passing team with 64 completions in 96 attempts for 942 yards in six games while Texas tops in ground gains with 1,444 yards in seven games.

Texas is the total offense team leader with 2,250 yards. Southern Methodist is second with 1,991.

This week none of the leading teams go against each other.

Norse Farms Fear Passing Of Glacier

OSLO, Nov. 2 (AP)—In 50 years there may be no fields of eternal snow left in Norway, if present climatic conditions continue.

Scientists say the edges of Svartisen, the Black Glacier, one of Norway's largest and most famous snowfields, has crept back nearly a mile in the last 12 years.

This year alone, Svartisen receded 60 to 90 feet. There are similar reports about shrinking snowfields and glaciers from all parts of Norway.

Since the 18th century the Norwegian climate has become gradually warmer. From 1850 to 1890 the eternal snowfields were rapidly shrinking, then followed a period of alternating retrograde and advance movements. The latest period of rapid retrogradation, which is prevailing, started in 1931.

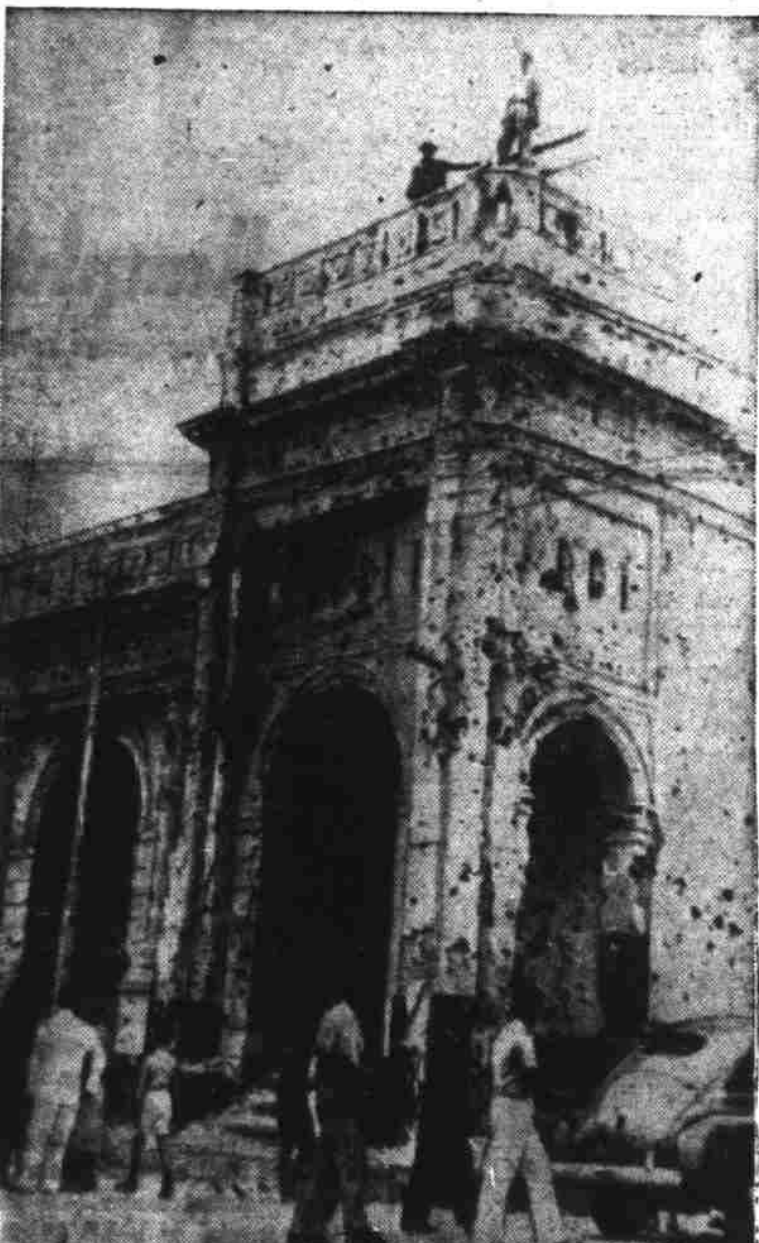

Scientists point out, however, that it is impossible to predict anything about how long the present climate will continue.

For Norway the fields of eternal snow are of great importance. During the summer the huge masses of snow and ice are the source of thousands of brooks, and rivers, which provide water for irrigation.

There are many places where farmers have been able to cultivate new fields, but some experts predict that a most serious situation will arise for agriculture in Norway if all the snowfields disappear.

SMOG VICTIM TREATED—An unidentified nurse administers oxygen to Mrs. Frieda Kirk, 66. She was rushed to an emergency hospital after being overcome by the heavy smog at Donora, Penn. Members of her family look on. (AP Wirephoto.)

POCK MARKS OF REVOLUTION—Thousands of scars from bullets mark the corner of police headquarters in Asuncion, Paraguay, following brief revolution on the weekend of Oct. 23-24. The building was attacked by soldiers from the Military College. Leaders of the revolt surrendered to President Natalicio Gonzalez' forces Oct. 25. (AP Wirephoto.)

Halliburton Is Conducting Tests For Driver Safety

Extensive field tests of driving skill of all motor vehicle operators for Halliburton Oil Well Cementing company have been made here.

The HOWCO safety trailer, completely equipped with testing devices developed by the American Automobile Association, spent a couple of days here so that drivers could be subjected to checks. Tests were under direction of I. B. Cate.

"The safety trailer and tests are but one of many features of an intensive accident prevention program being conducted by the company in the interest of public safety," said Frank Jackson, Halliburton field superintendent. "The purpose is not to disqualify drivers but to help them by revealing deficiencies which may be corrected or compensated for by more skillful driving." In addition to the testing equipment, the trailer contained helmets, safety shoes, goggles and other protective gear which have spared employees serious injury or death.

Mrs. Moreland Succumbs Here

Mrs. Sam Moreland died at 11:25 a. m. today at her home here, following a long illness.

Mrs. Moreland is survived by her husband, one daughter, Barbara Moreland, both of Big Spring; her mother, Mrs. J. I. Crass, Ackery; a brother, E. R. Crass, Ackery; three sisters, Mrs. C. A. Fleming of May (Tex.), Mrs. G. T. Baum of Stanton and Mrs. J. I. Low of Big Spring.

Funeral services will be held at 2 p. m. Thursday at the East Fourth Street Baptist Church, where Mrs. Moreland was an active worker. The Rev. James Parks, East Fourth pastor, will officiate.

Arrangements were being made from Nalley Funeral home.

Additions Reported In Association Meet

Addition of 50 persons by baptism during the past quarter was reflected in reports heard at the Mexican Baptist association which met here the past weekend.

The Rev. S. Lara, Midland, served as association moderator, and Mrs. Trinidad Cano, Big Spring, presided over WMU sessions as president. Dr. A. C. Miller, Dallas, superintendent of Mexican work for the Texas General Baptist convention, was a speaker on the program. Next quarter the association meets in Eden.

Weather

BIG SPRING AND VICINITY: Fair and slightly warmer this afternoon, tonight and Wednesday. High today 76, low tonight 67, high tomorrow 77. Highest temperature this date, 85 in 1937; lowest this date, 29 in 1915; maximum rainfall this date, 1.04 in 1922.

Police Hunting Hit-Run Driver

Two Big Spring youths were hospitalized and officers were searching for an automobile driver who left the scene following a motorcycle-car crash early Monday evening, city police reported. Jack Ewing and his small brother, Joe Ewing, 5, were treated for bruises and possible fractured limbs. Police said they were riding a motorcycle which figured in a crash with an automobile at the 17th and Runnels intersection at about 6:40 p. m. The automobile left the scene before the patrolmen arrived, police said. However, the car had been traced and they hoped to have the driver in custody this afternoon.

DEFIED COMMUNISTS WITH HOMEMADE FLAG—These eight Americans were besieged in the Presbyterian mission compound at Suncheon, Korea, during the Communist occupation of the town Oct. 20-21. They defied the insurgent forces by raising over the compound this flag made of feed sacks and shirts. Seated, left to right are Lt. Stewart Greenbaum, Los Angeles, and Lt. Gordon D. Mohr, Sanish, N. D., who were advisers to Korean 14th Regiment, which began the rebellion. Standing left to right: Dr. John C. Crans, Gulfport, Miss., head of the mission; Miss Louise Miller, Atlanta, Ga.; T. E. Boyer, Richmond, Va., a mission worker; Miss Janet Crane, Yazoo; Miss Miss Eta Biggar, Kansas City, Mo., and Mrs. Crane. (AP Wirephoto.)

ONE LICENSE ISN'T ENOUGH

A. L. Timmons, a Negro bought himself two marriage licenses instead of one at the county clerk's office in order to wed Mrs. Bertha Rene Stanford this morning.

Timmons, after purchasing the first license, went out to get his bride-to-be and take her to Justice of Peace Walter Grice's office. Somewhere along the way, he misplaced the paper.

Rather than take the time to hunt it, Timmons sought out County Clerk Lee Porter and had him make out another certificate, then guided his future bride across the hall where he had Grice perform the ceremony.

UNCLE DIES

Don Burk left Tuesday afternoon for Corpus Christi after learning of the death of an uncle, Tom Burk. He plans to return the latter part of the week after attending the funeral.

Kangaroo's young are smaller in proportion to them than the young of any other animal; a 150 pound female gray kangaroo produces young about one inch long.

More Blood Typing Is Set For Wednesday

The Knights of Pythias-sponsored blood type file project will be ready for its second batch of volunteers at 5:30 p. m. Wednesday.

The typing will be done at the Malone & Hogan clinic laboratory, and the information on the cards will be made available immediately to the Big Spring, Cowper and Malone & Hogan hospitals, as well as to any physician.

Carl Gross, who is handling the typing work as a K-P member, reiterated that having blood typed does not obligate the subject to be a donor.

"We do not care whether the subject wishes to give or sell blood in event of emergency," he said. "We ask the question on the card, but it is secondary. The typing is as much for the protection of the subject as it is for others."

For those who wish to know, Gross and others helping in the work will give them blood types. "It might be happy information to put on your identification card in your billfold in event of an accident which might render you unconscious," he said.

RADIO CLUB PROJECT

Emergency Communication Equipment Will Be Built

Plans were made Monday evening by the Big Spring Amateur Radio club for construction of emergency communication equipment in event of disaster.

The club, working in conjunction with the Red Cross chapter, plans to set up a unit which would be effective if and when all other normal means of communication failed.

Pointing out that the club is not merely for licensed "hams," club officials urged anyone who has an interest in radio or believes that he would be interested in radio to attend the meetings.

At the next session, Nov. 15 the clubhouse at the old NYA buildings southeast of the city park, the club is to hear a talk on the work of the CAA by Hal Culp. Other speakers on special fields of communications and radio will be heard from time to time.

Members present Monday evening were Hal Culp, Otto H. Richardson, Donald Murray, Mel Boatman, Richard R. Hooper, A. B.

Jernigan, B. F. Coffey, A. W. Jones and Marion Beam. A visitor was Louis Tucker, Childress. Anyone wishing to attend the next meeting and not sure of directions to the club house may call Andy Jones, president (1872-J), Hal Culp, vice-president (2380-J), or Marion Beam secretary (877-J).

C. J. Staples Leaves Safeway Store Here

C. J. Staples, manager of Safeway Store here for the past 12 years, has resigned his position.

Having been with the concern for 18 years, 14% of that time in Texas, Staples said he was going to take a much needed rest. Beyond continuing to make his home in Big Spring, he said he had not made definite plans. No permanent successor has yet been announced by Safeway.

SLAIN IN VIENNA—Irving Ross (above), an American Marshall Plan official, was beaten to death in Vienna, Austria. A girl companion, also beaten, said four Russian soldiers were to blame. (AP Wirephoto.)

Committees Named For Laymen's Meet

Committees are to be named this week by the Brotherhood of the First Baptist church for a Christian's laymen meeting in the church Nov. 9.

The second in a series of fellowship affairs for men of the various churches, the meeting next week is being expanded to include laymen from rural churches as well as those here.

Charles White, First Presbyterian layman who took the lead in initiating the periodical meetings, said he was expecting well over 300 to attend. Tickets are available at most of the churches or may be secured at the First Baptist church where the combined meeting is scheduled.

Bob Laswell Has Aggieland Office

COLLEGE STATION, Nov. 2 —Bob Laswell, son of Mr. and Mrs. W. A. Laswell of 111 E. 16th St., Big Spring, has been elected secretary treasurer of the Sociology club at Texas A&M College.

Laswell, a senior veteran student majoring in rural sociology, will also represent the Sociology club on the Agricultural Council. He is a 1942 graduate of Big Spring high.

C. N. Glenn Leads Company's Sales
C. Noble Glenn of Big Spring lead the entire sales force of the Great American Reserve Ins. Co., Dallas, in first commissions during September. This month designated as "President's Month" was the biggest month in the company's history reports Travis T. Wallace, president, with \$7,109,099 in new life insurance contracts. Glenn has been associated with the Great American Reserve less than one year, working out of the Abilene branch office which is under the management of H. E. Strickland. This office has consistently been one of the company's biggest producing agencies. During September, the agency had three other top producers in Troy Haney, Sweetwater; T. E. Voss, Ballinger, and Philip White, Lamesa.

VOTING COSTS AVERAGE DOWN
LOCK HAVEN, Pa., Nov. 2. (AP) — Clinton County taxpayers were confident today that average voting costs would show a decrease in nearby Grugan township.
In last spring's primary election it cost the county \$49 to record the eight votes cast in Grugan township—better than \$6 apiece.
Since the primary the township's registration has increased from 17 to 20—eight Republicans and 12 Democrats.

Red Armies Occupy Fourth Of All China

BUCHAREST, Romania, Nov. 2. (AP) — The chairman of the Chinese Communist Party says his armies now occupy about one-fourth of China and eventually will control all of it.
Mao Tse-Tung wrote in the current issue of the Communist International Information Bureau (cominform) bulletin that his forces now occupy 907,000 square miles of territory, or about 24.5 per cent of the total area of China.
The Communist leader said 168 million persons, or about 35 per cent of China's total population, now are under Communist rule. He added that his armies have destroyed or captured 2,640,000 men of the Kuomintang (government) Forces.
Mao asserted that 586 towns, of about 29 per cent of the total number of Chinese communities, had been occupied by the Communists.
He added that the Chinese Communist Party, which had 1,210,000 members in 1945, now has 3 million members.
The Cominform bulletin also devoted space to Prime Minister Stalin's recent interview with the Newspaper Pravda on East-West differences.

Southwestern Bell Talking Wage Demands

GALVESTON, Nov. 2. (AP) — Final wage demands in behalf of 52,000 employees of the Southwestern Bell Telephone Co. are expected to be worked out at a union meeting under way here this week.
The wage offer is being prepared by the bargaining committee of the Southwestern division, Communications Workers of America. The committee has gone into executive session during the division's week-long convention here.
Frank Lonergan of St. Louis, division vice-president of CWA, said the telephone union already has rejected an average increase of four cents an hour which he said Southwestern Bell described as its final offer. The union originally asked raises of 10 to 15 cents an hour.
Southwestern Bell operates in Texas, Missouri, Kansas, Oklahoma and Arkansas. All of the five states are represented at the CWA convention.

ONLY WOMAN IN PRESIDENTIAL RACE APPEALS FOR WRITE-IN

PHILADELPHIA, Nov. 2. (AP) — A woman who bills herself as America's only woman candidate for president spent \$5 out of her own pocket last night to come to Philadelphia for a last-hour appeal for votes.
Her "candidate special" was a bus and her hall was Philadelphia streets.
Fifty-five-year-old Agnes Waters carries her own identification-cardboard placards hanging front and back—and they bear the announcement:
"The pistol packin' mama—Agnes Waters, only woman candidate for the President of the United States."
Mrs. Waters, a Washington real estate woman, and life-long Democrat, is no stranger on Capitol Hill.
For 15 years she has been lobbying for her program: Peace and a strong America.
Her appeal last night was for a write-in vote.
Mrs. Waters declared she has had no financial contributions to wage her campaign which has taken her some 2,500 miles by bus as far west as St. Louis.
But her expenditures have been modest. She said she had spent less than \$100.

Longview Man Dies In Automobile Wreck

LONGVIEW, Nov. 2. (AP) — Douglas Graham, 26, of Longview was killed and his three-year-old daughter seriously injured in an automobile accident near here yesterday.
Harry J. Wedgeworth of Gladewater, driver of the other car, also was injured.

Poppy Sale Aids Needy Children Of Disabled Vets

Aiding needy children of war veterans is one of the things accomplished by the memorial poppy which the American Legion Auxiliary will ask everyone to wear in honor of the war dead on Poppy Day, Saturday, November 6, Mrs. Neel Barnaby, Child Welfare Chairman of the local Auxiliary Unit has announced.
"The number of children of veterans needing aid is increasing rapidly," she said, "making it more important than ever to have a generous response to the Poppy Day appeal. The bulk of the contributions will remain right here in Big Spring to help our Legion Post and Auxiliary unit care for needy children of local veteran's families."
"Families of veterans too disabled to do regular work and those of veterans who have died are facing hardship right here in the midst of our prosperous community. High prices reduce the value of any Government compensation they may receive. Mothers of young children face a difficult problem if they must go to work. It is a bitter experience for a man who gave his health and strength in the nation's defense to see that his sacrifice mean suffering for his family."

Taxicab Owner Charges Civil Rights Violation

CORPUS CHRISTI, Nov. 2. (AP) — An Alice taxicab company owner's suit charging violation of civil rights continued here today.
George Rupe and eight drivers charged the violation resulted from a conspiracy in December 1946, among Alice City Commissioners E. G. Lloyd, Jr.; Mayor B. O. Goldthorn; Commissioner B. S. Ainsworth; and Chief of Police George Bell Clegg.
Selection of a jury was completed yesterday.
Rupe alleged he was refused a license to operate and the drivers were denied licenses because he was politically unfriendly to the officials.
He charged also that Harry Knight, taxicab owner, was said to be friendly to the city administration and was given discriminatory privileges.
Rupe and the others ask approximately \$30,000 damages.

Released On Bond

CLEBURNE, Nov. 2. (AP) — Edgar Williams, 39, charged with embezzling about \$43,000 from the Citizens Banking Co. at Joshua, Tex., was released on \$2,500 bond yesterday after surrendering to Sheriff Houston Walling.
