WILL BATTLE GRAND JURY'S RECENT EDICT

MOST OF PLACES OPEN AGAIN HERE ON SUNDAY

Operators of five night clubs and beer cafes, who defied orders of the sheriff's department to close their places at midnight on Saturday, today were awaiting their fate at the hands of county law enforcement agencies.

Sheriff Early Talley said shortly before noon today that citations had been made against the five, under orders of the county grand jury which took city and county law enforcement agencies to task last week for alleged failure to make the beer sellers live up to the letter of the law.

The sheriff, however, stated that prosecution of the cases could not be carried forward today because of the absence of the district and county attorneys.

Operators of the five places, who ignored the order to close at midnight Saturday and remain closed until 7 a. m. Monday, it was understood, plan to fight the edict through a test case in county court.

Each of the five was on hand this forenoon to answer to the charge of violating the state law on closing.

The cases were delayed until complaints can be signed against them, the sheriff stated.

Sheriff's deputies last Friday visited all beer selling spots in the city and county, notified them of the grand jury request, and ordered them to close Saturday midnight.

Shortly after the midnight hour on Saturday a squad of deputies made a flying check-up of the various places and found all but five had obeyed the orders.

Upwards of 20 places had been notified to cease operations at 12 o'clock Saturday night. Most of the places were open again Sunday.

The five alleged violators were told to appear in court this morning to answer to charges. When they appeared and there was no one to sign the complaints, they were told that they would be notified when to reappear.

"The cases will be pushed as soon as the district or county attorney signs the complaints," Sheriff Talley said today.

'Sweetheart' Will Get Movie Chance

DALLAS, Aug. 3 (AP)—Dale Miller of the State Board of Control publicity department, said today Miss Janice Jarratt, of San Antonio "Sweetheart of the Texas Centennial," would be offered a seven-year movie contract.

Miller said J. Cheever Cowdin, chairman of Universal Pictures' board of directors, telegraphed from New York he would be in Austin Friday. He said the contract would be signed in the office of Governor James V. Allred.

Miss Jarratt was born in Jacksonville, educated in San Antonio, and became a professional photographer's model in New York. She is 22 years old, blonde and weighs 110 pounds.

Parking Rules To Be Enforced Again

City police are renewing a campaign to halt violations of city parking regulations. Police Chief Art Hurst indicated today.

Patrolmen will keep a lookout for infractions of city ordinances in this respect and tickets will be handed out liberally in cases of open violations and utter disregard for parking rules.

LATE NEWS

BERLIN, Aug. 3 (AP)—Clocked in 11.4 seconds, Helen Stephens of Fulton, Mo., lowered the world record today in a 100-meter dash. It was the opening trials of the Olympic 100-meter sprint for women. Miss Stephens' time eclipsed the listed world standard of 11.8 seconds set by Stella Walsh of Poland in 1932 and the Olympic record of 11.9 also set by Miss Walsh at Los Angeles in 1932.

BARCELONA, Spain, Aug. 3 (AP)—Government forces reported today the capture of La Zaida in a renewed drive on the Aragon front against the rebel stronghold of Zaragoza.

BERLIN, Aug. 3 (AP)—Italy's Olympic soccer team defeated the United States, 1-0, today in a rough match marred by a fist fight in which Bill Fiedler of Philadelphia was kicked by an opposing player.

LEWIS-AFL SHOWDOWN DELAYED

'Shelter Belt' Is Pushed

WASHINGTON, Aug. 3 (AP)—Declaring anew that a vast band of trees on the Plains would do much to mitigate droughts, Earle H. Clapp, acting chief of the forest service today disclosed plans to enlist farmers' help in continuing work on the midwestern "shelter belt."

"The 75,000,000 seedlings now growing in the forest service's nurseries," Clapp said, "will be distributed only to farmers agreeing to plant them according to the shelter belt's layout, while work relief funds have been provided to pay them for part of their work in preparing the soil for planting."

Saying that it would be impossible to raise more seedlings because of the last congress' requirement that the trees be given away, Clapp asserted that about \$470,000 was available to keep up the nurseries, care for trees already set out, and prepare for planting seedlings on hand. The funds include a \$170,000 appropriation, \$100,000 left over from previous work relief allotments, and a previously unannounced \$200,000 allotment from the new \$1,425,000,000 relief fund.

Because of Congress' refusal to appropriate money to continue the project, it had been considered virtually dead until Morris Cooke, head of the administration's great plains committee, disclosed last week that it was being considered as part of a longrange drought relief program.

COMPROMISE IS SUBMITTED BY MEDIATOR

TRIAL NOT LIKELY TO START TODAY IN WASHINGTON

WASHINGTON, Aug. 3 (AP)—A compromise proposal to delay a showdown was made to the American Federation of Labor executive council today at the opening of its trial of John L. Lewis and 11 associates in the committee for industrial organization on charges of "insurrection and rebellion."

Although the proceedings had been scheduled to start in midafternoon, the council decided to hear Henry Ohl, Jr., president of the Wisconsin Federation of Labor, this morning before John P. Frey, the prosecutor, presented his case.

Ohl proposed that the Lewis committee confine its activity in the steel and rubber industries, that the A. F. of L. support Lewis in organization drives in those fields, and that the issue of industrial versus craft unionism be submitted to the federation convention next November in Tampa.

Chairs of the "defendants" were vacant as angry members of the council gathered to try Lewis and his allies who advocate industrial unionism as against organization of crafts.

The Ohl proposal was adopted by the Wisconsin Federation in convention several weeks ago.

Lewis, president of the United Mine Workers, and his 11 associates in the committee for industrial organization challenged the council's right to try them and boycotted the session.

JESSE OWENS WINS 100-METER RACE

World Record Set on Sunday Ordered Thrown Out

BERLIN, Aug. 3 (AP)—Another dizzy attack on the record book, featured by the American sprint stars, Jesse Owens and Helen Stephens, and the German hammer thrower, Kai Hein, marked the second day of Olympic competition today.

Owens, negro flash from Ohio State, chalked up America's second championship as he defeated Ralph Metcalfe, Chicago negro, by a yard and a half in 10.3 seconds, equalling the Olympic record.

Miss Stephens, great sprinter from Fulton, Mo., twice cracked world and Olympic figures as she qualified, along with Annette Rogers of Chicago, for the women's 100 meter final. The Missouri girl ran her first heat in 11.4 seconds, four-tenths of a second under the listed world standard and five-tenths of a second under the Olympic record. Both old records were held by Stella Walsh, Polish star who also qualified for the final.

Hein led a German sweep of the first two places in the hammer throw, lifting the Olympic record 17 that event to 56.49 meters, or 185 feet 4 1/2 inches.

All three United States half-mile, John Woodruff, Chuck Hornbostel and Harvey Williamson, won semifinal heats in 800-meter competition and safely qualified for the final.

America's total point total in track and field, reckoned on an unofficial 10-5-4-3-2-1 basis, soared to 46. (Germany moved into second place today.)

50 CASES ARE ON DOCKET IN COUNTY COURT

Seven Jury Cases To Be Called on Aug. 24

Little activity accompanied the opening of the August term of Gray county court today although Judge C. E. Cary announced he was ready to proceed with assignments for some 50 civil cases which have collected on the docket.

Only three attorneys were on hand when the court convened at 10:45 a. m.

Judge Cary announced that the fourth week of the term, beginning Monday, Aug. 24, will be jury week. Seven jury cases will be called for trial on that date. They include the following matters:

Martin Jarrett against P. W. Wolworth Co., suit on account; Ed. Sanford against Independent Lumber Co., and others, suit on note; First National Bank of Pampa against Hallie Gant, suit on note; Wright Morrow against Smith Bros. Gin Co., suit on note; S. S. Hargrove against Odus Mitchell, suit for damages; Mark Young against The City of Pampa, suit for damages; and H. W. Gooch against C. T. Hunkapillar and G. B. Cree, for commission.

Britain And Italy To Keep Nose Out Of Spain's Fight

Stronger Loyalists Mass for Fresh Assault

(By The Associated Press)

In its seventh day of fratricidal war, Spain echoed the rattle of musketry today with an agreement imminent among three great Mediterranean powers to let the peninsula nation settle its family squabbles alone.

Reports indicated assaults were in progress between government and rebel troops on three fronts—north, central and south—with fresh troops thrown in by both sides.

Important internationally, and looked upon as a tacit guarantee of the peace of Europe for the moment, was an apparently successful appeal by France to Great Britain and Italy to agree to a policy of non-intervention in Spain.

Last week's incident, in which two Italian airplanes were forced down on the North African coast ostensibly while carrying implements of war to the Spanish rebels, caused a great deal of uneasiness, especially in Paris, seat of a socialist regime.

Informed quarters in Paris today said Great Britain's adherence to a hands off policy in Spain likely would be received tomorrow and would strengthen the British position.

Similar appeals were expected to be sent to Germany, Russia, and other major nations.

Barcelona advices said the government claimed the capture of La Zaida in a renewed drive on the Aragon front against the rebel stronghold of Zaragoza.

MADRID, Aug. 3—Strengthened Loyalists massed their forces today for a fresh assault on rebels in the Guadarrama mountain passes.

Confident leftists asserted they had "no doubt" the onslaught would be successful, at the same time predicting "we will win in the end" over the Fascist insurgents.

New columns of liberals were mobilized for action in the northeast where rebels held Zaragoza and in the south at Cordoba and Seville.

The Fascists were reported, in advances from the northern side of the lines, to be moving toward San Sebastian in an effort to regain control of the resort town.

Small forces of rebels still held their positions in the mountain

Astor 'Afraid of Husband', Claim

LOS ANGELES, Aug. 3 (AP)—Mary Astor, film actress testified today she was "mortally afraid" of her divorced husband, Dr. Franklyn Thorpe, saying "he struck me once and I don't know but what he might do it again."

The actress testified in her suit against Dr. Thorpe, in which she seeks full custody of their 4-year old daughter, Marilyn.

She said "Dr. Thorpe used a form of hypnotic control of me," but Superior Judge Woodbury J. Knight ordered that stricken from the record. Asked why she permitted Dr. Thorpe to obtain a divorce and custody of the child without contest 15 months ago, Miss Astor replied:

"He said he would scandalize me in the eyes of the public, blackening my name and the names of my prominent friends—and would plaster it all over the front pages of the newspapers and wreck my career as an actress."

R-laid Rich Wolley, Miss Astor's attorney, asked her what she said in response to Thorpe's threat to "scandalize" her.

"I replied that to have a horrible thing," she said, "I told him if he ruined my career I couldn't support the baby and that he couldn't r wouldn't support her."

BABY KILLED

BRADY, Aug. 3 (AP)—A month-old baby was killed in an automobile accident northwest of here last night. Mr. and Mrs. R. B. Duckworth, parents of the child, and Mrs. Minnie Bell Moon, Mrs. Duckworth's sister, all of Kermitville, suffered injuries. The party was returning from a visit with relatives at Talpa.

Tennis courts here this morning were alive with flying feet and gay voices and swinging arms, and brown bodies against green water made a pretty picture at swimming pool, and over in Berlin thousands of athletes performed in the fashion, if not in the spirit of the Olympic flame that will live as long as Great Athens remains in the minds of men, and all over fine and splendid America, ten million boys with intense joy fought for the football wars in the fall, and thereby will purge the ancient urge to go to war out of their system, and gridirons will take the place of battlefields, and all the time they are killing men in Spain and in China and in Ethiopia because they have no games to play.

And yet, this morning a dour man said to me, "They ought to take all that money they're spending at the Olympics and feed the poor." And he raved like that. To that man I will quote, "Man does not live by bread alone." But he may exist.

Jaycees To Broadcast Road Runners' 2nd Game Tonight

Pampa's Danciger Road Runners third place winners in last year's Denver Post baseball tournament, tonight were to make their second round bid for this year's title when they play the Denver Midget Cafe team.

Pampa, as you know, took their opening game last Friday night from the Leydon, Colo., Miners 12 to 2.

Tonight's game is scheduled to start at 9:30 p. m. (Pampa time).

The Berger Huber Carbons won their second round game Sunday afternoon when they swamped Lexington, Neb., 13 to 2.

With both local Texas teams still in the win column there remained Monday the possibility that Pampa and Berger may head for the finals and wind up by battling it out for the championship.

Maurice Cox, Road Runner first baseman, went big guns in Pampa's opening game with the Colorado mine. He had a perfect night at the

dish with two doubles, a single and two bases on balls and scored three of the locals' 12 runs.

The Denver Midget Cafe team, against whom Pampa will be pitted tonight, played a history-making contest Friday night as it won 3-2 in 13 innings from Worland, Wyo. Not since 1923 has there been such a long game on the Little World Series.

Pampa's tilt with Leyden Friday night was played between raindrops. Twice during the evening the game was delayed because of the wetness.

Other games scheduled for today were Farmington, N. M., Merchants vs. Hemingford, Neb., and Denver Holsum Breads vs. Valdez, Colo., Miners.

The Road Runner-Midget Cafe game tonight is the only one scheduled and will be the main attraction. The other two Monday games were under way this afternoon.

Berger had an easy time winning Sunday afternoon from the Lexington, Neb., nine. Ross led the Texas attack with three singles and a double. Choppy Spencer labored three singles for Berger and the Texans' Warren got a home-run inside the park. Each fielded sensationally for Berger.

Pinkerton, 225-pound right fielder for Lexington, poled one home run and two singles. A crowd that overflowed the outfield saw the game.

The Berger club probably will play the negro national all-stars in game Tuesday night.

The score by innings:
Lexington ... 000 100 001—2 8 2
Berger ... 600 200 50X—13 17 1
Haynes, Leben and Meisenback; Carrithers and Polvogt.

Just When Quins Were Having Fun, Dollies' Clothes Had To Be Washed

As charming as any naiad that ever emerged from a pool, is petite Yvonne, in this scene. Perhaps, like many other bathing beauties, she spends most of her time on the "beach." Or, of course, she may be setting out to see what other fun is in store for her on the playground. Anyway, she seems to have something up her sleeve (but, then, she couldn't have, in that brief wading costume).

Yvonne changes the water, Annette rubs her "washing," and Cecile rinses—what housewives could co-operate more efficiently? Or get as much pleasure out of their work as do the quins in the pool?

Maybe the pails and the pool water weren't meant for just this, but Emilie, left, and Yvonne, after all, are feminine. And they're probably humming. "This is the way we wash our clothes . . ."

RETAIL TRADE LEVEL CLIMBS TO NEW PEAK

BROAD BUSINESS REVIVAL HAILED IN WALL STREET

NEW YORK, Aug. 3. (AP)—A mid-summer panorama of broad business revival unfolded today as Wall Street sought to appraise the autumn outlook.

Busy steel mills, record electric power output, well sustained automobile production, a high level of retail trade, peak freight movement for the year and demand for new equipment by railroads were sketched into the July picture.

Business analysts accepted the latest statistical data as evidence that trade and industry, under momentum of a year of almost unbroken expansion, had held their recovery stride instead of slowing for the hot months in customary seasonal style.

How long the pace would hold was a matter of conjecture. Some authorities have painted the autumn and Christmas outlook in bright colors, taking the mid-summer record as an indication of a powerful underlying recovery sweep.

Others contend that crop losses from drought and a rise in food prices eventually would hit mass purchasing power. They trace the unusual summer showing of sustained business activity partly to the record peace-time outpouring of federal funds, mainly for the soldiers' bonus, and argue the stimulus of this money may be on the wane in the fall.

Business figures added to the record in the last week depicted a substantial advance in industry compared with a year ago.

Outstanding was steel, with operations around the peak for the year at 71.5 per cent of capacity to trade estimates, against 44 per cent a year ago, when the upturn in heavy industry was starting to accelerate.

Railroad carloadings made a peak for the year at 731,062, an increase of 135,490 over the comparable 1935 figure. Power production figures were 14.5 per cent higher, and weekly automobile production was reported as between 96,000 and 98,000 units against 69,400 in the comparable 1935 period.

Waco Boy Takes Casting Honors

DALLAS, Aug. 3. (AP)—A 17-year old Waco high school boy demonstrated a sharp-shooting accuracy with his casting rod yesterday when he took two championships of the Texas Scientific Anglers association tournament.

Competing against veterans over the waters of the civic center lagoon at the Texas Centennial exposition, sandy-haired Hubert Kraft took first place in the 1/2 ounce and 1/4 ounce plug accuracy contests.

Waco won the exposition cup in the 1/2 ounce plug division. Houston was second.

Houston was awarded the 1937 tournament.

of the day for them, as they set out for the little wading pool in their playground adjoining the nursery. Clutching her sandpail in the pudgy hand held by Nurse Noel, Marie can't wait to start excavating in her sand pit. Annette, at left, is impatient, too. Those huge rubber balls seem quite a burden for Emilie and Cecile, but, oh, what fun they're going to have with them! Meanwhile, Dr. Dafoe looks to see if Nurse Leroux, leading Yvonne, has forgotten anything.

Here's Picture of Health—Quins at Playtime

They've had a glorious time frolicking about their new playground, but, just the same, the Dionne quintuplets welcomed a chance to rest. So Dr. Dafoe had practically no trouble at all rounding up his healthy charges for this attractive group portrait. Maybe, too, the babies grasped at the chance to display those charming play ensembles to their public. As soon as they have viewed the birdie, though, the quins will be right back at play. Chubby Yvonne, at left, for instance, will surely be scurrying after the ball that seems to be getting away from her. And Marie, Annette, Emilie, and Cecile, left to right, are not going to be sitting there long, you can be sure. In just a few moments, they'll be splashing in that pool, or digging in their sand pit.

decided to try out some new tackle, brought him the honor. Mr. Garner said on his return yesterday that rowing the boat for his three companions had put him in good physical condition. "I must have rowed that boat ten miles yesterday," he said. Mrs. Garner's vacation has been complicated a little by distractions from tourists and casual visitors who wish to see her husband. Her days have been kept full, as she manages her own household besides acting as Mr. Garner's secretary. Wednesday the Garners will be honor guests of the Texas Centennial exposition in Dallas. The day day has been designated "Garner day" at the fair. **BOYS ACCUSED IN FIRE** GREENVILLE, Aug. 3. (AP)—The possibility that incendiarism was responsible for the blaze in a relief commission warehouse Saturday night which took two firemen's lives probably will be investigated today, city officials indicated. Boys were reported seen near the warehouse shortly before the fire. Funeral services for the two firemen, W. E. Daugherty and Earl Jenkins, were held yesterday. Read The News Want-Ads.

FDR IS CALLED COMMUNIST BY RADIO PRIEST

NEW DEAL SURROUNDED BY ATHEISTS, SAYS COUGHLIN

NEW BEDFORD, Mass., Aug. 3. (AP)—The Rev. Charles E. Coughlin, returning to Detroit today after addressing three outdoor rallies in New England, said he was prepared to be "instrumental in taking a communist from the chair once occupied by Washington."

"As I was instrumental in removing Herbert Hoover from the White House, so help me God, I will be instrumental in taking a communist from the chair once occupied by Washington," he told a gathering sponsored by the national union for social justice here last night.

A short while before, he told a week at St. Mary's hospital.

crowd at East Providence, R. I., that the new deal is surrounded by its "atheists" and its "red and pink communists."

Herbert Hoover, he declared, "with his rigged individualism, was more dangerous than Stalin with his communism."

"If Herbert Hoover had been in power this past four years there'd have been more dynamite in the capital than you could count with all the secret service and G-men."

Roosevelt, he asserted, started with a platform and acceptance speech which promised to "make this world a paradise—which he could have done were his promises kept."

Then, he charged that when the President's father made "his will he would not entrust his money to Franklin Delano Roosevelt because he did not know how to handle his own money. And this is the man we are entrusting with billions of dollars to spend."

"We can't endorse either Mr. Landon or Mr. Roosevelt," he said, "because one wants to go back to the gold standard and the other to the dollar standard and there is not much choice between the two."

Charles Ward has returned from Pueblo, Colo., where Mrs. Ward is recovering after an operation last night.

FIRST CHRISTIAN CHURCHES CONDUCTING REVIVAL SERIES AND CHILDREN'S PROGRAMS

Preaching services each evening and a children's hour in the morning are on program in a revival which began yesterday at the First Christian church. P. H. Elliott, evangelist, will speak at the evening meetings which begin at 8 o'clock.

He outlined his program policy of the revival yesterday morning, saying that his aim was to preach a plain gospel message that would please God. This evening the sermon subject will be, Why a Revival in Pampa?

Children met for their first program this morning at 9 o'clock. A course of study and recreation to include Bible drills, songs, stories, and other features will be conducted under leadership of Howard House.

Music will be an important part of the revival. Special numbers yesterday included a solo by Mrs. Charles Smith, of Amarillo, a former opera singer whose selection was Calvary, Rodley. The young people's choir sang the anthem, Peace, Be Still, and Mr. House played a vibraphone solo.

This evening the solo will be by R. L. Allston, who directs the congregational singing. Mr. House will draw a crayon picture illustrating the song, At Eventide, and will play another vibraphone selection.

All services yesterday were well attended. Sunday school had 317 present.

Guest Conducts Morning Service At M. E. Church

The First Methodist church had a guest speaker, Judge J. B. Porter of Clarendon, yesterday morning while the Rev. W. C. House is on vacation. Evening service was omitted. Sunday school was attended by 337.

Francis Avenue Church of Christ reported two additions to membership, and a Sunday school attendance of 148.

First Baptist church had 476 in Sunday school, one addition to membership, and 169 in training school. The Rev. C. E. Lancaster, pastor, returned yesterday from Lampassas and filled the pulpit.

The Rev. Lance Webb, McCullough-Harrah pastor, left today for Wheeler to conduct a revival in the First Methodist church. The Rev. J. E. Kirby of Wheeler, will take charge of regular week-day services here in his place this week.

Farewell Party Is Given Pastor

The Rev. J. L. King, who has been pastor of Calvary Baptist church for several years and who is to leave Pampa soon, was surprised Tuesday evening after a service at the church when a group of members and friends called at his home.

Mr. and Mrs. King were presented with a shower of gifts. Music by the Vanderburg trio was enjoyed, and the group sang old-time hymns. Refreshments were served to about 50 persons.

Dinner Given for Vacation Guests

A family dinner yesterday in the L. E. Stone home honored Mr. and Mrs. Clayton Coon of Brawley, Calif., guests of Mr. and Mrs. Stone for the past few days. They left this morning to continue their vacation in Colorado.

Present for the dinner were Mr. and Mrs. H. B. Burgess, Mr. and Mrs. R. C. Oglesby, Mr. and Mrs. Jimmy Dodd, Mrs. Oscar Baker, and Miss Hazel Baker. Mrs. Stone is an aunt of Mr. and Mrs. Coon.

WMU Pays Visit To Sick Member

After a brief business session, women of Calvary Baptist Missionary society Thursday afternoon went to the home of Mrs. Claud Crant, members who recently underwent an operation, and presented her with a beautiful picture.

Those in the party were Mrs. C. Vanderburg, W. L. Mroxon, Tucker, Ben Walker, Smith, and Addie Buzbee.

Mrs. Raft Denies George's Romance

HOLLYWOOD, Aug. 3 (AP)—Mrs. George Raft said today "I think the whole thing is just a rumor" that a Mexican divorce will be arranged so the film actor can marry Virginia Pine.

The Rafts have been separated six years. Yesterday Mrs. Raft reached Hollywood after a cruise from the east coast.

"I'll see George, spend a few days here, then go north to Lake Louise," she said.

"George and I are good friends. 'Miss Pine'? I don't think I recall ever having heard the name." Pine, talked by telephone with the blond actress in New York last week and announced their romance was still on.

Born to Mr. and Mrs. George Heller at Worley hospital Saturday night, a son. He will be christened Richard.

Pendergast Rule Will Be Tested

ST. LOUIS, Aug. 3 (AP)—State-wide strength of the powerful Thomas J. Pendergast Democratic organization of Kansas City will be tested in Missouri's primary election tomorrow.

Chief interest was in the Democratic gubernatorial contest between Major Lloyd C. Stark, Louisiana, Mo., nurseryman who has Pendergast support, and William Hirth, militant Columbia, Mo., farm editor. Stark repeatedly avowed his faith in the Roosevelt administration and promised a business-like administration "without favors to any one man or organization."

Hirth likewise supported the national administration. His campaign was an out and out attack on the Pendergast faction.

Most active among a trio of Republican gubernatorial aspirants was Jesse W. Barrett of St. Louis, former attorney general. He, too, assailed the Kansas City machine at every opportunity. He is opposed by James J. Barrett of St. Louis (no relation) and Claude L. Lambert, of Kansas City.

Ill in New York from a heart attack, Pendergast will miss his first Missouri primary in 25 years.

FALSE ALARM

VERMILION PARK, N. Y. (AP)—Volunteer firemen are considering replacing the fire bell with a siren. The bell was sounded at 6 p. m. the other day, but no one showed up to fight the fire.

Pierce D. Kane, president of the volunteers, said they all thought the bell was the angelus in a church.

Linked With Mary Astor's Name

"I was only a patient of Mary Astor's husband," protests Broadway's blonde Norma Taylor (above), whom a nurse testified to seeing in Dr. Franklyn Thorpe's bedroom at breakfast time on several occasions. The testimony was given in Miss Astor's suit at Los Angeles to regain custody of her daughter.

RAILBIRDS IN FINE FEATHERS

Doors of the district courtroom were closed today as the court was in recess, following the close of the term last Friday. With court activity on the third floor of the Gray county courthouse going into a lull, activity was resumed on the second floor as the county court entered its August term.

The district court will be in recess until Monday, Sept. 21, when the September term of court, a seven-week term, is scheduled to open.

FUGITIVES TRAILED
LIBERTY, Aug. 3 (AP)—Six fugitives from the Liberty county jail kept ahead of a posse today as bloodhounds borrowed from the Texas penitentiary system sniffed at a trail which had been cold for two days. The dogs were placed in service after the automobile of Jailer S. Hudson, in which the men escaped, was abandoned near Raywood. The hounds led some officers into the tangled thicket as another group surrounded the vicinity of the woods which they believed the fugitives had entered.

School Cost in Santone Leads Entire Nation

WASHINGTON, Aug. 3 (AP)—San Antonio, Tex., was shown in an education office survey to have led the nation in increase of its per capita school cost from 1934 to 1935.

The Alamo City's increase was placed at 40.7 per cent but its cost of \$65.04 was far below the national average of \$101.17 for 73 of the largest cities.

Albany, N. Y., was shown to have the highest cost—\$142.05. San Antonio ranked fifty-ninth, Dallas was sixty-first with \$64.47, Fort Worth was sixty-second with \$63.50, Houston was next with \$61.05 and El Paso was seventy-second with \$43.49. This group included cities of more than 100,000 population.

Dallas' increased cost of 6.4 per cent from 1934 to 1935 placed it seventh in percentage of increase. Houston's hike was reported at 4.9 per cent, El Paso, 3.9 per cent.

The office gave these figures for other Texas cities: Galveston, increase 7.7 per cent to \$63.85; Waco, decrease 12.6 per cent to \$47.73; Texarkana, increase 14.3 per cent to \$47.56; Palestine, increase 2.6 per cent to \$43.84; Denison, decrease 1.7 per cent to \$45.80; Stamford, decrease 6.7 per cent to \$40.87.

Railroads' Plea Is Denied by ICC

WASHINGTON, Aug. 3 (AP)—The Interstate Commerce Commission today denied a plea by class one railroads seeking to make permanent emergency freight surcharges scheduled to expire December 31.

The surcharges, which railroads estimate provide about \$104,000,000 of additional revenue annually, originally were scheduled to expire July 1, but the roads procured a six-month extension.

In their petition, the major carriers of the United States asked authority to translate the emergency rates into permanent charges through filing permanent rate schedules.

This commission denied, leaving the roads and the recourse of petitioning for reconsideration or of asking individual increases in specific rates, each of which would be subject to investigation by the commission.

In requesting permission to make the entire surcharge rate structure permanent, the carriers contended such rates would be "just and reasonable," that "industry and traffic can bear them without harm, and that their application has not and will not result in any material loss of traffic."

ICE FOR HATCHING

KINGMAN, Kas. (AP)—The July heat here was so bad a baby chick hatchery used ice to help hatch out a brood. Hatching was not considered successful at temperature above 100 degrees and when the mercury rose far above that level the hatcher turned off the heat and placed several large blocks of ice near the incubators. It worked.

Digging's Tough 2 Carloads Feed Allotted to Gray

Two carloads of feed for dairy cattle have been allotted to Gray county as a part of the federal drought relief program, and will be distributed through the relief office here, it was announced today.

Small dairy owners in need of feed are especially designated for benefit from this shipment. No relief status is required to receive a part of the feed, and dairy farmers needing feed for their cattle are asked to inquire at the relief office on the third floor of the courthouse immediately.

Tuesdays and Fridays have been designated as intake days at the relief office, it was also announced today, and persons desiring to be certified for WPA work must apply on those days.

WOMAN SPEAKS IN REVIVAL AT GOSPEL TEMPLE

Public Is Invited For Daily Meetings At Church

A woman evangelist, starting a revival series at the Full Gospel Temple, was heard last evening by a large crowd. She is Miss Lois Watson of Oklahoma City, who will speak each evening in services starting at 7:45.

Using for her subject, "How Much Are You Selling Out For?" Miss Watson spoke of the worthwhile things of life and the reward hereafter.

The public is invited by the Rev. H. E. Comstock, pastor, to attend meetings each evening at the church, 500 S. Cuyler.

Hamilton Wings Way Over Nation

CHICAGO, Aug. 3 (AP)—A twin-motored transport plane became the flying office of national republican chairman John D. M. Hamilton today as he turned to a swift swing through the west to organize party workers for the presidential election.

Hamilton's second major campaign tour was to take him into 15 states in 15 days, with speeches in 18 cities. Taking crow-flight trails in his privately chartered plane, he planned to cover 6,446 miles.

Along the route, Hamilton will address meetings of county chairmen and state republican officials, in following up his announced determination to meet every county worker in the nation before election day.

His itinerary included Minnesota, North Dakota, Montana, Colorado, Wyoming, Utah, Idaho, Washington, Oregon, Nevada, California, Arizona, New Mexico, Oklahoma and Missouri.

Col. Frank Knox, republican vice presidential nominee, will begin his campaign touring at the end of the week, travelling to Congressville, Ind., to open the Indiana state campaign with an address next Saturday.

Entries For Tennis Tourney Pour In, Interest Is High

Brackets in All Divisions Will Be Published

A shower of entry blanks scanned this morning indicated a closely-contested city tennis tournament. Ben Guill, director of the summer recreation program which is sponsoring the tournament, said that 24 entries in the senior men's singles had been received. Other entrants included seven in the junior singles, four in the mixed doubles, junior; and 16 in the men's doubles, senior division.

Three times as many entries are expected today and tomorrow. Brackets in all divisions will be published in the NEWS as soon as they are arranged, probably tomorrow, Br. Guill said. Persons interested in the tournament are requested to watch the NEWS for announcements. The brackets will also be posted at the Central park courts.

ENTRY BLANK FOR CITY TENNIS TOURNAMENT AUG. 3 TO 18

Name _____ Age _____
 Address _____
 Division _____ (Junior, Senior, Singles, Doubles)

More than 40 are expected to compete in the junior division, alone, and youngsters are urged to see Mr. Guill immediately or to turn in their names to the NEWS or at the Harvester or Pampa No. 1 drug stores.

It is believed that at least 100 players will compete in the tournament. Two McLean men were in Pampa this morning to enter the tourney. Numerous players from other nearby towns have expressed a desire to enter.

Softball Rosters Must Be Filed Here By Wednesday

Borden's Creamery Team Latest To Enter

Playing rosters for teams entering the district softball tournament here next week must be in the hands of Jack Kretzinger, district commissioner, by Wednesday, managers were reminded today. Each team is allowed 18 members, including the manager.

Another Amarillo entry, the Borden's Creamery team, was formally filed yesterday, and the Gulf team from Merton, an independent aggregation, indicated that it would be among the competitors. Other Amarillo teams are also expected, Canadian has already entered a men's and a girls' team.

Rivalry between the teams playing in and around Pampa is expected to add excitement to the progress of the tournament. Skelly and Phillips 66 have developed a feud that will be resumed with a vengeance if the drawings give one of them a chance to knock the other out of a trip to the state tournament at Fort Worth.

The King Oil team means business, too, and so do the Voss Cleaners. An outfit to watch, according to reports from the sand hills, is the Coitex team, which is preparing to force some upsets in tournament play. Texas County, Cities Service, Baptists, and Cabot are other teams playing in the local league which will be after the district championship.

The girls' division will not have so many entries but the rivalry is expected to be as keen. The Canadian Santa Fe girls, Phillips Flyers, and Norge Sluggers are the only definite entries to date. The Jolly Ten, composed of girls from the Sun and Wilcox leases, and the Lipscomb girls are other possible entrants.

A new team but one that has taken on all the opposition offered in recent weeks, the Jolly Ten is developing into an effective unit. Lipscomb has beaten Canadian twice this year, but lost to the Sluggers Saturday by a large score.

The Flyers, Sluggers, and Canadian can also expect plenty of ball in any game matching two of them. The Sluggers are gunning for Phillips after a 20 to 19 defeat at Skellytown two weeks ago, and the Flyers are ready to show that they can do it again.

Smith, Guldahl In Golf Finals

SEATTLE, Aug. 3 (AP)—MacDonald Smith and Ralph Guldahl squared off today for a finish fight over an extra 18 holes for \$1,200 first money and the championship in the \$5,000 Seattle open golf tournament over the Inglewood course.

Guldahl, St. Louis, Western open champion, and Smith, the great stylist from Nashville, Tenn., and Glendale, Calif., finished the 72 holes of regular play with 285 1/2—seven strokes under par—at the head of the field yesterday.

For the loser today there was \$750 second place money \$550 less than for first, a difference to be determined by medal play.

Third prize of \$500 went to Harry Bassler, Long Beach, Calif., and a 288.

Sports Roundup

By EDDIE BRIETZ
Associated Press Sports Writer
NEW YORK, Aug. 3 (AP)—There are certain reasons why Jack Dempsey may deny this, but the promotional bee is buzzing in his bonnet. He's likely to blossom out next summer as a full-fledged big time promoter.

The hope is he'll try to do business with the Braddock-Schmelzing winner and put on a heavy-weight title fight in 1937. Where would he hold it? you ask. Well, New York isn't the only city in the country, is it? Seems to us the record gate of all time was hung up in Chicago.

Babe Ruth takes his golf as seriously as he did baseball. He snoots consistently in the 70's, but is yelling his head off because he doesn't do the harder courses in 68 or 69. Bernie Bierman, Minnesota coach, is out in Denver singing the football blues. Haw? What's this about Detroit fans booing Charlie Gehring. He's only the greatest secondsacker in baseball, you know.

The four greatest milers of all time were photographed together at Berlin the other day when Jack Lovelock, Flavio Nurmi, Glenn Cunningham and Luigi Beccali were snapped in a group. Joe Dimaggio is doing all right with that hockey since he had a couple of corns out off.

Sidney Wood, the tennis star, has gone in for gold mining. He has interested some of his Wall Street pals and they have formed a company. Business is so good tennis will see very little of him from now on.

Little Road Runners Smash Borger Christians 9 to 2

Montgomery Strikes Out 14 Men in Game

The Little Road Runners had their revenge yesterday when they dealt the Borger Christians a worse whipping than the Danegers laid took from the Borger here recently. Scoring in every inning except one, the birds left Borger with a 9-2 victory.

Of course, the Borgans had an all-bl. They claimed that five of their regular players were out of town. However, the players they missed most were Noland, catcher, and Foster, pitcher, both of whom were away on vacations. As it was the game was close, and had Noland and Foster been there the Pampans might have had a hard time indeed.

Paul Montgomery went the route for Pampa, striking out 14 men and allowing only five hits. The big chasers slowly collected 11 hits, and Hensley, Christian pitcher, struck out only four Pampans. Salamy caught for Hensley and showed that he was not so familiar with the position, although he did throw out Denver Hubert who was trying to steal second.

The new players on the Borger lineup played carelessly, and some of the regulars made glaring mistakes. As a result, the Christians committed seven errors to four for the Pampans. Montgomery's excellent hurling was sufficient to overlook the fact that he made two of the four errors.

All the Little Road Runners except Douglas Keyser and Boyington hit, although Crane could not park the pellet until the ninth when he smacked a triple. Denver Hubert came out of a batting slump Nicholson, Bailey each got one hit. Mage Keyser led the Pampa hitting with three singles, two of which he converted into scores.

Keyser also got a walk. In five times to the plate he was out only once. Nicholson performed steadily behind the plate and allowed only two Christians to steal second, whereas the Little Road Runners stole second consistently. Nicholson almost convinced the Borgans that it would be fatal to try to steal second on him. In addition to getting a hit and scoring in one run, he knocked in two runs. Montgomery garnered two hits.

The four Borger hits were made by Allen, S. Salamy, C. Adkins, cf, and Koehler. In the last of the eighth and first of the ninth Montgomery fanned four in a row, and whiffed a total of seven men in the last three innings. The Borger runs were made in the first and third innings.

Score by innings: Borger..... 101 000 000 Pampa..... 111 011 211
The lineup: Pampa—McGahey ss, Nicholson c, M. Keyser lf, Bailey 1b, Crane cf, Hubert 2b, Montgomery p, D. Keyser 3b, Boyington rf.

Borger—Allen ss, Salamy c, Rhodes 2b, White 1b, Trotter 3b, Wright lf, Adkins cf, Koehler rf, Hensley p, Errors—Allen 2, Rhodes 1, White 1, Trotter 2, Koehler 1, Hubert 1, Montgomery 2, D. Keyser 1.

Hensley allowed three walks and Montgomery only one and that was the third man to face him.

The victory placed the Danegers boys and the Christians in a tie for first place in the league standings. Each has defeated the other once. Next Sunday, the Borgers will make a stand at Magnolia park against the Peewees. The Peewees and the Borger is scheduled to play Phillips and the Peewees are due to play Hoover in games postponed during the last two weeks. The Peewees team, beaten in every game they played, have dropped out, according to the Hoover boys who reported that they went to LeFors two weeks ago and Mc's boys said they had disbanded. Next Sunday Phillips and Hoover will tangle again, and the Little Road Runners will draw a bye. Both Phillips and Hoover were idle yesterday.

If the Chicago Cubs don't snap out of their current hitting slump, there will be no world's series change jingling in the pockets of Charley Grimm and company this fall.

Their great pitching brigade is still the best in the big-time, but no mound staff can be expected to hold up under the weak support coming from a lineup which, outside of Frank Demaree, has not been hitting its individual weight for days.

The Cubs blew a three-game lead in the National league last week, but lost first place to the St. Louis Cardinals, and wound up on the short end in both sides of a doubleheader with the Bees yesterday.

Both the Cards and the Giants moved up yesterday, while the Cubs were bowing 4-3 and 3-2, despite the fine pitching performances of Bill Lee and Curt Davis in the opener and Lon Warneke in the nightcap.

The Cards pulled up to a bare two percentage points off the pace by walloping the Phillies 13-4 and 11-8. Pepper Martin's bat did the most damage in the first game, and old George Earnshaw and Dizzy Dean bore down in the pinches of the nightcap.

Carl Hubbell stopped the Pirates with four hits to give the Giants a 3-2 victory. The Dodgers split with the Cincinnati Reds, taking the nightcap 5-2 after being nosed out 4-3 in the opener.

The Yankees and Indians, ending their "crucial" American league series, got nowhere in 16 innings, winding up in a 4-all deadlock because of darkness.

The White Sox regained the form that carried them into the first division and took over third place by beating the Boston Red Sox in both ends of a doubleheader, dropping the crew from the Hub city into the second division.

Sugar Cato's six hit pitching won the opener, 9-1, and a tremendous rally from behind a nine run handicap decided the nightcap, 12-11, in 12 innings.

Ending their seven-game losing streak—longest of the season—Pete Appleton pitched the Senators to a 5-3 edge over the Tigers, with the aid of a three run scoring spree in the ninth. The Browns hit four homers and split with the Athletics, winning the opener, 6-1, then losing 7-3.

The Texas A. & M. free coaching school, August 16-22, has a complete staff now with the addition of H. D. Drew, assistant coach at Alabama. He will teach the tricks of the Notre Dame system. Other instructors will include Blair Cherry, Amarillo high; Jack Sisco, North Texas Teachers; Homer Morrison, Texas A. & M.; H. R. McQuillan, J. V. (Sik) Sikes, J. W. (Doug) Rollins, W. L. Penberthy and Lil Dimmitt, all of A. & M.

DALLAS, Aug. 3 (AP)—Some 300 high school football coaches were in Fort Worth today for the opening of the Texas high school coaches' association grid clinic.

Giving pointers will be Francis Schmidt, Ohio State; Bernie Moore, L. S. U.; Raymond (Bear) Wolf, North Carolina; Leo (Dutch) Meyer, Texas Christian; Matty Bell, Southern Methodist; and J. B. (Ears) Whitworth, L. S. U. Big finale of the week comes Saturday when a squad under the direction of Schmidt plays Moore's group of high school stars.

All the coaching big-wigs of the southwest converged upon Fort Worth to attend a farewell banquet for Wolf, who leaves soon to assume new duties at University of North Carolina. To Matty Bell, his deadly "enemy" last season, goes the honor of saying the flowery things about Wolf.

THE FOX TITLE
DENVER, Aug. 3 (AP)—Jack Malloy, Tulsa, Okla., and Frank English, Denver, tied for the championship yesterday with 298 each in the annual Denver Invitational golf tournament played on the Denver Country Club course. They will play off the tie today in an 18-hole round.

Learned new "roll-your-own" wrinkle when he switched to this tobacco

FRED WHITSON always takes his "makin'" tobacco with him on his sketching jaunts. Fred says: "That Prince Albert 'crimp cut' tobacco whisks into a neat, spick-and-span cigarette in practically no time." It's nice going in pipes too!

CAPITOL JIGSAW

By HOWARD C. MARSHALL

AUSTIN, Aug. 3 (AP)—Senator Tom Connally of Marlin, en route to Fort Aransas for two weeks of tarpon fishing, remarked here he thought Governor Landon, of Kansas, Republican nominee for president, dealt too much in generalities in his speech of acceptance.

"Governor Landon is a very fine man," Connally said, "but as I listened to his speech I thought of a story."

"There was a vacancy in the pastorate of a Negro church and a number of aspirants for the position were given try-outs by the congregation, preaching sample sermons."

"After one had given an unusually vigorous demonstration two deacons went aside and talked over the qualifications of the candidates."

"Said one, 'Dat man am sho' some preacher and Ah lakted his shoutin' but he didn't pint out enough.'"

"That, said Connally, was a shortcoming of Governor Landon. He didn't 'pint out enough' and get down to specific matters."

Connally said the national Democratic ticket will sweep the country again, and President Roosevelt and Vice President Garner will prove they are as popular with the country at large as ever.

"We are going to win," he said. "It is almost certain that the national ticket will win in the country as that we will win in Texas."

Connally expects to return east probably around the first of September and to make a number of speeches in the national campaign. He was unperturbed by a report a third party might be formed and illustrated his feelings with another story.

"Senator Tom Heflin of Alabama was addressing a crowd one day when an airplane zoomed down so low everyone except the speaker fled," Connally said. "Tom was so angry that the next day he introduced a bill prohibiting planes from flying over crowds under certain conditions."

"Quite a bit of fun was poked at

President Enjoys 'Dog Days' on Beach

If "man bites dog" really is news, then imagine this to be in a big headline type, for here it's "President bites dog." Yep, that's Franklin D. Roosevelt behind the hot dog, caught picnicking on the beach at Campobello, N. E., where he was host to friends

And was it good! The finest tasting combination of mustard and hot dog juices always get on your thumb. Why should you pass up the delicacy just because you're president? That's what the Chief Executive must have thought as he got in this lick.

Senator Heflin on the floor of the Senate, and finally he became sore and addressed one Senator:

"At least when I speak I'm in my right senses," Heflin shouted.

"Well, what difference does that make?" the other Senator replied.

Connally said it wouldn't make any difference if there was a third party.

Connally called on Governor Allred and congratulated him on his victory over four opponents in the first Democratic primary.

Earlier in the year there had been reports of difference between the governor and the Senator over who should head the Texas delegation to the national party convention at Philadelphia.

A compromise was effected with Connally serving as chairman of the delegation and Allred delivering the speech re-nominating Vice President Garner.

Here's Puzzle For Chairman Faulkner

AUSTIN, Aug. 3 (AP)—A conflict in statutes has puzzled officials preparing for the run-off primary Aug. 22. While absentee voting legally began today, the ballot could not be made up officially until Aug. 3, when the state democratic committee meets.

Myron Blalock, committee chairman, told inquirers he could do nothing about it. He said some counties were printing ballots based on unofficial returns.

GOOD CORN CROP NEW YORK, (AP)—The drought hasn't bothered Mrs. Regina Jais. Fifth Avenue's only penthouse farmer.

Fifteen floors above the street she expects to harvest a bumper corn crop raised in dirt on a terrace.

At least 30 ears of golden bantam sweet corn will be ready to eat next month.

Her radishes, scallions, string beans and peas already have gone to the dining table.
