

First Baptist WMS Plans Spring Activities

"Fighting the fight of good faith," taken from Timothy 1, was devotional given by Mrs. C. G. Varnell at the business meeting of all circles of the First Baptist church WMS Monday afternoon in the church.

Mrs. B. Reagan gave the prayer, after which the business session was conducted. Mrs. Milton Myer reported on the activities of the newly organized YWCA in which she told of future plans of the organization. Mrs. H. E. Choate, mission chairman, told of the contributions of the circles to foreign missions. Mrs. M. E. Harlan, community missions chairman, told of the work of the WMS of the local Negro church, describing the scrap books made by the women and sent to the hospital in Abilene.

The members voted to invite members of the Mt. Bethel church WMS to be their guests at the next royal service program on May 13.

Mrs. B. Reagan told what individuals can do to help feed the hungry populations of Europe, and gave suggestions from the government on conserving food.

Other plans announced at the meeting included senior day at

Hardin Simmons University on April 27. The First Baptist church will arrange transportation to Abilene for all seniors who wish to attend, and accompanying the group will be Mrs. P. D. O'Brien, Mrs. W. J. Alexander, Mrs. Milton Myer, Mrs. Tracy Smith and Mrs. Della K. Agnell. Mrs. K. S. Beckett reminded the ladies of the gifts to be sent to the hospital on Mother's Day.

On Tuesday, April 30, ladies will be at the church to ship crates of eggs to Buckner's orphan's home in Dallas, in accordance with annual custom. Arrangements were made for a tea to be served to prospective, eligible members of the WMS on the fifth Monday, April 23.

Following the closing prayer by Mrs. Harlan the Maybelle Taylor circle served refreshments.

Attending were Mrs. P. D. O'Brien, Mrs. C. T. McDonald, Mrs. J. L. Haines, Mrs. R. C. Hatch, Mrs. M. E. Harlan, Mrs. W. B. Buchanan, Mrs. R. V. Hart, Mrs. R. V. Jones, Mrs. Milton Myer, Mrs. Ines Lewis, Mrs. H. E. Choate, Mrs. Varnell, Mrs. Theo. Andrews, Mrs. W. J. Alexander, Mrs. Reagan, Mrs. J. H. Greene, Mrs. Beckett, Miss Minnie Moore, Mrs. A. L. Hobbs, Mrs. Agnell.

TO LEAD MEETING—Rev. E. R. Yelderman, pastor of the First Christian Church of Odessa, will lead the First Christian congregation here in a revival meeting April 23-May 5. This week he is working here with Rev. J. E. McCoy, pastor, in a visitation campaign. Rev. Yelderman is a graduate of Johnson Bible college, Kimberlin Heights, Tenn., and of Phillips University at Enid, Okla. At Odessa he had an outstanding record, twice having broken all previous Bible school attendance records. Rev. McCoy, in inviting the public to attend services next week, said "Rev. Yelderman is a devoted Christian, an excellent pulpiteer and a good organizer."

WSCS Sets Spring Plans

Following a short devotional the members of all circles of the First Methodist church Women's Society for Christian Service gathered for a business session Monday afternoon in the church parlor.

Mrs. W. A. Laswell was accompanist as the group sang "Take Time to Be Holy," as the opening song. Mrs. Lewis Murdock gave the devotional, speaking on, "Behold, Now Is the Day."

During the business meeting it was announced that the ladies of the WSCS will furnish rooms for young people who will have a district meeting in the First Methodist church May 4 and 5. On Wednesday, April 24, members of the church will attend a district meeting at Snyder, it was announced.

On May 2, the members of the WSCS will entertain with a "stranger's tea" to which all newcomers to town will be invited.

Present for the meeting were Mrs. H. H. Haines, Mrs. R. L. Warren, Mrs. Arthur Woodall, Mrs. C. E. Talbot, Mrs. J. T. Logan, Mrs. C. E. Thomas, Mrs. Frank Powell, Mrs. H. J. Whittington, Mrs. B. E. Settles, Mrs. A. M. Bowden, Mrs. Moad, Mrs. Albert Smith, Mrs. Frank Wilson, Mrs. Murdock, Mrs. G. S. True, Mrs. L. W. Craft, Mrs. C. L. Richardson, and Mrs. W. A. Miller.

Beginning a program of visitation, which will be observed by the Presbyterian Auxiliary each fourth Monday, Mrs. D. A. Koons, Mrs. D. T. Evans and Mrs. C. Lane met at the Presbyterian church Monday afternoon.

The group arranged files and schedules, and later several calls were made.

LOOK OUT FOR PIN-WORMS

Recent medical reports reveal that an amazing number of children (and grown-ups too) may be victims of Pin-Worms—often without knowing what is wrong! And these pests, living inside the human body, can cause real distress.

So watch out for the warning signs that may mean Pin-Worms—especially the irritating red, itchy Get JAYNE'S P-W and follow the directions.

P-W is the Pin-Worm treatment developed by the laboratory of Dr. J. Jayne, M.D., after years of patient research. The small, easy-to-take P-W tablets act in a special way to remove Pin-Worms.

Ask your druggist: P-W for Pin-Worms!

Make This Home Recipe To Take Off Ugly Fat

It's simple. It's amazing, how quickly one may lose pounds of bulky, unsightly fat right in your own home. Make this recipe yourself. It's easy—no trouble at all—and costs little. It contains nothing harmful. Just go to your druggist and ask for four ounces of liquid Barcozinate (formerly called Barcol Concentrate). Pour this into a pint bottle and add enough grapefruit juice to fill the bottle. Then take two tablespoonful twice a day. That's all there is to it.

If the very first bottle doesn't show the simple, easy way to lose bulky fat and help regain slender, more graceful curves; if reducible pounds and inches of excess fat don't just seem to disappear almost like magic from neck, chin, arms, bust, abdomen, hips, calves and ankles, just return the empty bottle for your money back. Follow the easy way endorsed by many who have tried this plan and help bring back alluring curves and graceful slenderness. Note how quickly bloated appearance—how much better you feel. More alive, youthful appearing and active.

Scouting Leaders To Have Training Course In Camping

An all-day training course in camping for Girl Scout leaders will be held at the city park, Saturday beginning at 9:30 a. m. and lasting until 2:30 p. m.

Those planning to attend will assemble at the First Methodist church at 9:15 a. m. and proceed from there to the camping area. Each will bring her own picnic lunch, and throughout the day demonstrations will be given, and experience in camping given. A nursery will be open for those who have children.

Daily Crude Output Gains During Week

TULSA, Okla., April 23. (AP)—Gains in Kansas and Western states offset slumps elsewhere and drove daily average crude oil production up 1,425 barrels to 4,682,240 in the week ending April 20, the Oil and Gas Journal reported today.

The Rocky Mountain area of Colorado, Montana and Wyoming came up 2,690 to 155,700. Kansas 3,250 to 262,400. California 3,550 to 859,750, the Eastern area 1,700 to 66,100 and Louisiana 750 to 372,750.

Illinois declined 2,800 to 207,650. Oklahoma 650 to 378,750 and Arkansas 450 to 77,500.

Texas, with 2,054,600, and New Mexico, with 95,300, were unchanged.

Mirrors Of Austin—By Paul Bolton

Allred Has 'Planks' For State Poll Tax, Education, Health

AUSTIN—If James V. Allred decides to run for governor—and that's a wide-open possibility—he's already done some work on his platform.

Allred made a speech in Arkansas, which seems to have received little if any notice in Texas. Yet he made at least one proposal that politicians have shied away from: abolishing the poll tax, by state action.

That was part of a talk pleading for restoration of state's rights by their proper exercise. He pointed up the low votes in Texas, slightly more than a million out of a population well over 6 million and compared that with more than 3 million in California and Ohio with comparable populations. Then he added:

"Southern leaders should take immediate steps to follow the example of Georgia by abolishing the poll tax by state action."

Another point in the Allred platform would appear to be a refurbishing of the state's educational and health programs. As to education, he said:

"It is an indictment against us when the South's percentage of illiteracy is greater than any other section of the nation; when the average income of our school teachers is less than half the paycheck of the average factory worker and less than one-fifth of the income of the average lawyer. In Texas . . . many schools are . . . understaffed because the people who mould and influence the lives of our children are not paid enough to maintain a decent standard of living."

As proof of the need for health work, he pointed to draft board records, then touched upon another state problem: "It is not enough for us to say that a large percentage of those rejected for the draft were among the colored race. In pointing to that fact, do we not admit that these unfortunate people present a problem which we have not met? If we continue to do so little about it, are we any better than the priest and the Levite who drew their robes about them and passed to the other side of the road from Jerusalem to Jerico? . . . We have said that we know best how to deal with the racial problem and that we resent outside interference. Is it not high time to demonstrate that we can best deal with that problem?"

Allred did not quote extensively from the Selective Service rejection records. But those records do constitute a body of fact upon which all proud Texans could ponder.

It will be recalled that throughout the war, the draft boards continued to relax their standards because the strict requirements set

up at first were so strict that the armed services were not getting enough men. Under the first and strict requirements, 52 men out of each 100 were rejected. When the cream of the crop—18 year olds—were first taken, the rejected dropped to 33 out of a hundred, for a very short period.

And Selective Service broke down the figures during the best period to see what was wrong with our young men. Here are 100 young men and middle-aged Texans rejected from service. Why? Seventeen were suffering from syphilis. Fourteen couldn't pass literacy tests and at a time when the literacy tests had been drastically lowered. Nine had heart ailments. Nine were crippled—muscular and skeletal defects. Eight had bad eyes. Seven suffered from mental disease. Six needed hernia treatment. Nearly five had nerve diseases. Three were listed as tubercular, and nearly three others had other lung ailments. Three were partly or wholly deaf.

While the syphilis rate was higher among negroes, the mental disease was higher among the white men. This is the sentence you see so often quoted: "In the South, the rejection rates were above the national average for educational deficiency and syphilis."

Through the last fiscal year, Selective Service had rejected 4,828,000 men in securing approximately 15,000,000.

Woman Convicted In Husband's Death

LOS ANGELES, April 23. (AP)—Mrs. Virginia McIlheney, who police said described poisoning her husband so she could regain his love—a statement she repudiated in court—was convicted of manslaughter yesterday by a judge who believed the first version.

Det. Sgt. L. R. Howsley testified Mrs. McIlheney told him she treated the coffee of her ex-GI husband, Everett, also 28, hoping to make him ill so she could nurse him back to health. On the stand, she said she remembered nothing of her police questioning.

JUNIOR MEET SET

SAN ANTONIO, April 23. (AP)—The twentieth annual Texas junior golf tournament will be held here July 8 at Brackenridge Park course.

Three producers shared in Beef Production payments on 40 head of cattle. The animals weighed 359 hundredweight and brought \$179.50 subsidy.

An additional 163 checks for conservation practices carried out on 147 Howard County farms were also issued. Payments totaled \$9,143.93 and brought the aggregate for the year to \$15,972.88.

Potatoes were not known in North America until after the middle of the 16th century, when they were brought to Virginia from Peru.

Dairy Checks Are Distributed Here

Thirteen Dairy Production checks amounting to \$145.35 were distributed to Howard County farmers through the local AAA office last week.

The payments represented return of 855 pounds of butter fat at 17 cents per pound and brings the month's total to \$7,173.03.

Only one check for sheep and lamb production was paid during the week. The check, amounting to \$285.25, covered subsidy on 193 sheep weighing 17,440 pounds. Ninety-nine of the lambs had an average weight of 74.6 pounds and brought a subsidy of \$2.50 per hundredweight. Ninety-four were in the class which was rated at \$1 per hundredweight.

Railroads Oppose Public Funds To Aid Competition

DALLAS, April 23. (AP)—President W. G. Vollmer of the Texas and Pacific Railway said here that railroads resent the use of public funds to build airports, waterways and facilities for competing forms of transportation.

The resentment springs from the fact that railroads are expected to pay for their terminals from their own revenues. Vollmer told the citizens conference of planning yesterday.

Showers Force Pilots To Call Off Munny Tilts

Rain—Supts be praised—forced postponement of the two Munny softball league games scheduled to be played at the city park Monday night.

The proletarian who does not think it can rain in this section and imagines the showers passed us by last night should have made a pilgrimage to the park. Puddles of the "pennies from heaven" were standing all over the playing field.

Some of the ball playing gen-try felt so good about it, they switched on the lights and went through some snappy if muddy games of pitch and catch.

Ed Hammond's improved brigade and Manhattan Club were booked to tangle in the evening's opening bout while Big Spring Motor and Big Spring Hardware were to get together in the 9 o'clock go.

The two tilts will probably be re-scheduled for later in the week.

Wednesday night, Big Spring Hardware and Manhattan are booked for the 7-30 test and VFW and Howard County Implement mix it up in the second match.

Santone Chalks Up 8 To 4 Win

By The Associated Press

Hawaiian Hank Oana, big right hander of the Dallas Rebels of the Texas League, will be ready to go against the Tulsa Oilers in Dallas today, thanks to the rain that postponed the game there last night between the Rebels and Oklahoma City. Hank was to have pitched.

A game at Fort Worth between the Cats and Tulsa also was postponed because of heavy showers. At San Antonio, the Missions defeated Beaumont 8-4 and at Shreveport, Houston beat the Sports 9 to 8.

The Buffs pounded four Shreveport pitchers for 16 hits. Houston got off to a fast start by scoring five runs in the first inning. Shreveport scored one in the third and two in the eighth.

Beaumont scored four runs in the seventh inning to break a 3-3 deadlock.

Today's schedule:
Tulsa at Dallas.
Houston at Beaumont.
Oklahoma City at Fort Worth (night).
San Antonio at Shreveport (night).

Haberdashers Win Classic Gonfalon

Cosden, Truckers Wind Up In Tie For 2nd Place

Elma Wasson's Haberdashers took full advantage of a forfeit and a particularly hot streak by the Texas Electric keggers to wrap up championship honors in Classic bowling league play here Monday night.

The Wasson troupe, given a forfeit by First National Bank, wound up with 37 victories in 60 starts for a 61.7 average.

Cosden's Oilers, who gained some consolation by piling up the highest average — 822 — lost out in the final set by losing four games to Texas Electric Services. One of the tests was a replay.

White Trucks finished in a deadlock with Cosden for second place even though they lost two of three bouts to Lee Hanson.

Leonard Morgan, Truckers star, put together games of 193-194-192 for an aggregate of 587, tops for the evening.

Other standouts scores were com-

plied by Pete Howze, Hanson standouts, 577; Guy Howle, Cosden, 573; Huff Peters, TES, 582; and Pat Patterson, TES, 574.

Peters stitched together a 6-trid streak for a 234 single game and would have finished with 250 had not he committed a foul in the last frame.

Jack Smith, Cosden, clicked off a 247 back on Dec. 31 and that record stood up throughout the season. J. L. LeBlou, one of Smith's teammates boasted a 183 average over the 60-game season to gain the blue ribbon in that department.

White Trucks boasted a team average of 272; Snead Christian of White rattled off a 631 total two months ago for an aggregate score that was never bested.

Final standings:

Team	W	L	Pct.
Wasson	37	23	.617
Cosden	35	25	.583
White	35	25	.583
TES	30	30	.500

Track Team Drilling For State Meet

Coach Herschel Stockton has indicated he'll take all six of the Big Spring high school tracksters who qualified for the state meet to the big Austin show next month.

That representation — composed of Donald Webb, Tim Gentry, Gerald Harris, Bobby Miller, Bobo Hardy and Ernie Ache — will be the largest delegation to go from here in many years.

The team leaves here Wednesday, May 1. Preliminaries of the interscholastic league's annual rhuabarb will be run Thursday, May 2, the finals on Friday, May 3.

The Bovines surprised many a follower in scoring 17 points to tie for third place in the Regional H meet at Abilene last week. In doing so, they beat out such respected West Texas teams as San Angelo, Odessa, Midland, Sweetwater and Stephenville.

Webb ran his best mile. For the distance, his time was 4:51.5 minutes, and he wasn't pushed. He beat the field by 75 yards. He should be at his peak by May 2.

Gentry was outdistanced by Brownwood's Isaac Pate in the half-mile but he bested the remainder of the field. Ernie Ache bowed to Abilene's Ted Hardin in the 100-yard dash. The boy can run.

Stockton's surprise package is his relay team. He's brought it along slowly and it ran a great race against Stephenville last week, only to lose by a step or two. It has possibilities.

Football's new professional circuit, the All-America, will use five officials instead of the conventional four in its games this fall.

The fifth man will be known as "sideline judge" and will work opposite the head linesman, watching mostly for backfield in motion.

Ed Hammond has revamped his Quality softball team completely and expects the club to win its share of games in Munny league play.

Lanier New Ace Of Card Staff, Blanks Reds

By The Associated Press

Max Lanier, a perennial ruper, is fast becoming the ace of the St. Louis Cardinals' all-star pitching staff after years of playing second fiddle to such big names as Mort Cooper, Lon Warneke and Curt Davis.

The chunky left-hander from Denton, N. C., back from a tour of army duty, has won his first two starts in most impressive fashion to set the pace for the high-flying Red Birds' five-game winning streak.

The left-hander's first effort was a shutout over Pittsburgh on the second day of the season and yesterday he turned back Cincinnati, 4-1, with six hits. Johnny Vander Meer was the loser.

Despite Lanier's chucking and the Cards' fifth straight triumph, they were unable to shake off the persistent Brooklyn Dodgers who likewise ran their win streak to five by shaming Boston, 5-4, in 10 innings.

The New York Giants resumed relations with the Phillies and got back on the winning side, 7-6; coming from behind to the starter Tommy Hughes and blasting fireman Hugh Mulcahy for the winning margin.

Detroit found reason to rejoice in the excellent debut of Paul (Dizzy) Trout who blanked Chicago's White Sox, 4-0, with six blows.

Floyd Bevens made his first start a winning one in hurling the New York Yankees to a 2-1 "squeaker" over Philadelphia's Luther Knerr.

Shortstop Eddie Pellagrini, who got his chance to play when Johnny Pesky was hit by a pitched ball in an early inning, won the game for Boston over Washington, 5-4, with a seventh inning homer.

Bell Sees Steers, Aggies As Top Football 11's In Southwest Loop

DALLAS, April 23 (AP)—Southern Methodist's Matty Bell has some significant observations regarding Southwest Conference football.

First, the Methodist coach thinks it will be at pre-war standards next fall. Second, he believes the returning service men are going to play a lot of fine football. Third, he wouldn't be surprised if the conference race drew its greatest attendance in history. Fourth, he says prices ought to be raised.

Matty looks for Texas and Texas A&M to fight it out for the title. "A&M has two great tackles. Texas still has—or likely will have —Bobby Layne," comments Bell.

Those are just a couple of good reasons, Texas and Texas A&M also are going to have all kinds of material.

Layne passed his second examination in the draft and is eligible to be taken into the service but few believe he will be. The draft law appears destined to be changed so that few, if any, youngsters will be called.

"Texas and A&M began dominating southwestern football in 1939 and I see no reason to think they won't continue to do so," said Bell.

EAGLES WEAR CROWN

DENTON, April 23 (AP)—North Texas State College rolled up 57 1-2 points to win top honors in the Lone Star Conference track and field meet held during a steady rain here yesterday.

Stephen F. Austin College of Nacogdoches, with 30 points, was second.

Youth Recreational Programs Must Be Properly Directed, Club Told

STANTON, April 23—Properly directed recreational programs can be the means of making better men and women of youths and lead them to a closer spiritual relation-

ship, Capt. Olvy Sheppard, Big Spring Salvation Army leader, told the Lions club here Monday evening.

A topsy-turvy play program can be detrimental as well as helpful, he said, but a purposeful use of leisure time satisfies physical needs and has helpful spiritual aspects. Capt. Sheppard advocated plans by youth to develop leadership, declaring: "Give them what they want so long as it doesn't hurt them." He also saw a need of starting early, for then you have a chance.

Max Winn, who won second place in the regional intercollegiate league declamation contests, gave a reading, "I Walked in a Dead City." Bill Dawes, who was in charge of the program, sang three western folk songs and Helen Duley, Big Spring club pianist, played a piano selection.

The club voted to buy jerseys for its softball team, and Jiggs Hall, scoutmaster of the Lions-sponsored Boy Scout troop, told of the troop's reorganization and spoke of the need of a scout hut. Plans were made to attend the Ackerly charter night program Thursday evening and four men volunteered to assist the Beta Sigma Phi in a play here Friday evening, proceeds of which go toward furnishing a room in the new community hospital. Cecil Bridges, president, presided and O. B. Bryan introduced guests. Others attending from Big Spring were Mrs. (Capt.) Olvy Sheppard and Joe Pickle.

Bankers Meet Here In 1947

Members of the South Plains Bankers association Monday elected W. T. Andrews, Plainview, president and extended the territory westward to include El Paso. Andrews succeeds R. T. Piner, Big Spring, as head of the association. Other officers named were W. M. Sewell, Slaton, vice-president, and Herman Dobbs, Odessa, secretary.

The extension of territory was at the request of bankers beyond Odessa, the former boundary. Territory now extends eastward to Roscoe and northward to Plainview.

Big Spring was selected as the 1947 meeting place.

Attending from here were T. E. Currie, Robert Currie, Ima Deason, Edith Hatchett, T. S. Currie, Jr., Lillian Hurt, Ira Thurman, R. T. Piner, Mrs. Reba Baker, Stella Wheat, Dorothy Sain, Nell Rogers, and G. H. Hayward.

Grain Yields May Be Largest In US History

WASHINGTON, April 23 (AP)—Undersecretary of Agriculture N. B. Dodd said today there is a "good chance" that this year's wheat and corn crops will be the largest in the country's history.

Dodd based this optimistic prediction on reports he has received in recent weeks from all parts of the country.

He said the early spring season had enabled farmers to get a fine start.

Food officials have said the United States and other major grain producing countries must produce bumper crops this year if current famine conditions in war-torn areas are to be averted next year.

Dodd told an interviewer he felt confident farmers will plant nearly 30,000,000 acres of food, livestock feed, and fiber crops. This would be nearly 4,000,000 more than were planted last year when the country still was at war.

Contrary to the belief he said some Americans hold, Dodd asserted that the government is imposing no restrictions on production, except in the case of tobacco. Growers of some types of tobacco have voted, he said, to have the government restrict sales by means of AAA marketing quotas.

Here 'n There

Pfc. Leonard L. McIlvain, 28, has been promoted to technician fifth grade, the 675th Glider Field Artillery battalion in Japan has announced. McIlvain, former 27th Infantry Division soldier and veteran of the Okinawa campaign, is the son of Joe McIlvain of Big Spring.

T-Sgt. Doris Mearns is now serving with the famous First Cavalry Division in the present occupation of Tokyo. His wife and son reside at 1507 West 5th street in Big Spring.

Dave Duncan, Ben LeFever and R. T. Piner, Big Spring, attended a petroleum association meeting in Midland Monday evening.

County School Superintendent Walker Bailey was called to Corpus Christi Monday due to grave illness of an aunt.

Otis Grafa and Cliff Wiley, accompanied by Otis Grafa, Jr. and Duval Wiley, left this morning for Austin to attend a session of the state highway commission at which several road contracts will be let. While there Otis Grafa, Jr. and Duval Wiley will make arrangements to enter the University of Texas.

Army Recruiting Office Placed In New Mexico Area

Lt. George Kesseling, officer in charge of the US Army recruiting station here, has received word that the West Texas District headquarters in Lubbock has been closed and the Big Spring area placed in the New Mexico recruiting district, with headquarters in El Paso.

The change, ordered by Lt. Gen. Walton H. Walker of the 8th Service Command, was made in an effort to reduce personnel requirements and streamline the organization.

Enlistment stations at Abilene and San Angelo will henceforth be under the jurisdiction of the Dallas district while the stations at Amarillo, Lubbock and El Paso will send their recruits to El Paso for further processing.

Ray B. Hood, who served as a staff sergeant with the 502nd Paratroop (infantry) division in Germany, is re-enlisted here for assignment to that unit, and will be dispatched to El Paso for further processing.

Hood, who won four bronze stars, the bronze arrowhead and the purple heart while overseas, was discharged last Dec. 4. He will return to the European theater.

Memorial Building Conference Set For 4 Thursday Evening

Representatives of various civic organizations are slated to meet at 7:30 p. m. Thursday in the Settles hotel to discuss possibilities for erecting a community memorial building in Big Spring.

A definite decision is expected to be reached on the question of whether or not such a building shall be constructed, and if those attending approve, arrangements will be made for detailed plans.

Arrangements for the meeting are being made through the chamber of commerce and it is hoped that representatives of all civic groups in the city will be present. J. H. Greene, chamber manager, said.

Atomic Issue Gets Senate Precedence

WASHINGTON, April 23 (AP)—Democratic Leader Barkley (Ky) put atomic control legislation on the "must" list today but stood his ground against other measures that might delay a senate showdown on the \$3,750,000,000 British loan.

Senator McMahon (D-Conn) told newsmen that while Barkley had refused a request to lay aside the loan bill temporarily, he had given assurances that the senate will act on the domestic control measure before congress quits, probably early in June.

Mitchell County's Aggie Exes Organize

COLORADO CITY, April 23—Organization of Mitchell county ex-students of Texas A&M College was perfected here Sunday at an afternoon muster which featured elected officers, a memorial service dedicated to the 694 World War II casualties who were ex-Aggies, and a barbecue supper held in Ruddick park.

W. W. Whipkey, publisher of the Colorado Record and a 1911 graduate of A&M, was chosen president of the Aggie club, with Dr. J. D. Williams, class of '25, as secretary-treasurer. Dr. W. F. Juliff, a 1945 graduate in veterinary science, conducted the memorial which was opened with the muster's repeating the Lord's Prayer in unison.

Coalition Movement Drafted For Japan

TOKYO, April 23 (AP)—Premier Shidehara today accepted the leadership of the progressive party, then promptly shifted responsibility to the opposition for initiating steps toward a coalition cabinet to succeed his resigned government.

As a result, leaders of the social democrat and liberal parties met tonight to plan a two-party program to present to Shidehara tomorrow.

Racing Promoter Is Shot To Death

WOONSOCKET, R. I., April 23 (AP)—John F. Letendre, 68, widely known racing promoter, Woonsocket politician and hotel owner, was shot to death as he drove toward his home early today.

Police Chief Edgar C. Turcotte said the death was "violent" but declined further comment. Woonsocket police, however, broadcast a "wanted for murder" description applied to the occupants of a "dark sedan."

Civic Program To Be Open To All Citizens

The Big Spring chamber of commerce is completing plans for conducting a thought survey, which will give each individual in the city, regardless of chamber affiliation, an opportunity to point out anything he thinks should be included in the chamber's program. J. H. Greene, manager, has announced.

The various chamber departments probably will be scheduled in alphabetical order for meetings, which are to be arranged on a daily program yet to be established. Present plans are to begin the meetings at 9 a. m., allotting an hour and a half to each department.

When the schedule is mapped, departmental chairmen will be notified and in the event of conflicts with other business changes will be made accordingly.

Chamber officials hope to reach the entire membership and a large number of other residents during the survey. Each meeting will be conducted in the same manner, and anyone who cannot attend with his department will be invited to meet with another department at a convenient time, Greene said.

Assumes New Job

PORT ARTHUR, April 23 (AP)—Nick Frankovic, whose resignation—later withdrawn—as head coach at Port Neches high school caused a student strike last February, will come here in September as head coach of St. Mary's parochial high school.

Frankovic comes here with a two-year contract and with a salary boost over his Port Neches job.

Action Taken To Increase Output Of Cotton Goods

WASHINGTON, April 23 (AP)—The men's suit shortage moved up for top attention today as the government counted hopefully on new emergency measures to help ease another clothing scarcity—in low-cost cotton apparel.

The civilian production administration began analyzing reports from 80 manufacturers on why output of inexpensive suits fell nearly a million garments shy of the 3,500,000 goal set for the first three months of this year.

On the cotton clothing front, the government turned last night to a combination of price increases and restoration of wartime production controls in the latest of a series of actions to obtain more yarn and fabric for shirts, underwear, pajamas, dresses and work clothing.

The aim is a 50 percent increase in output of low-cost garments.
