

Stevenson Will Not Run Again, He Tells Press

Will Not Break Precedent Of Two Terms In Office

AUSTIN, May 30 (AP) — Gov. Coke R. Stevenson today announced he would not be a candidate for re-election.

COKE STEVENSON

This statement was given to the public through the columns of the press.

"This decision was arrived at after careful consideration of many issues involved of both personal and public nature. It was in keeping with the time-honored precedent of the past that when the state's chief executive has served two elective terms, he would not be expected to seek the office again. I had no desire to break this precedent.

"After the announcement was made, others have acted upon what they believed my intentions to be and have offered themselves as candidates for the office of governor of Texas. Since then, many persons have solicited me to run again.

"I have listened patiently to all that has been said by way of argument in favor of my candidacy for a third elective term. It has been very gratifying to have this expression of approval of the manner in which the affairs of this office have been conducted under my administration. It will be cherished by me always as the greatest reward which can come to a man in public service.

"The arguments advanced, however, do not outweigh the conviction previously formed in my mind that I should not run. So believing, and with a heart full of gratitude to all of those who have urged me to run again, I hereby announce to the public that I will not be a candidate for re-election."

Stevenson, now 58, has been governor since he succeeded W. Lee O'Daniel on Aug. 8, 1941. On next August 8, he will have served five years as governor.

San Antonio, Dallas Struck By Storms, Heavy Rains Fall

By The Associated Press

The San Antonio and Dallas areas, 300 miles apart, today surveyed damages running into the millions caused by tornadic winds last night that exceeded 100 miles an hour.

The area south of San Antonio, in the vicinity of Kelly Field, was hardest hit.

Kelly field, where 23 army planes were destroyed and 30 others damaged, recorded the blow at 96 miles an hour when its weather instruments went out.

Many structures and homes were damaged. Four hundred vacant huts at Kelly Field were reported blown down.

All communications wires were cut just south of San Antonio, the Western Union reporting more than a mile of its lines destroyed.

Damage in the San Antonio area was estimated at from \$3,000,000 to \$5,000,000.

In the Dallas area the winds were accompanied by torrential rain, adding to the already serious flood threat along the Trinity river.

One house was demolished and many others were damaged by cross winds that swayed the Irving-Grand Prairie area, 10 miles west of Dallas. Damage to crops and property in Dallas county was estimated at more than \$1,000,000.

Hail the size of hen eggs battered sections of the Oak Cliff district of Dallas.

A soft roadbed caused by the Dallas rainstorm, the second in as many nights, wrecked a Missouri-Kansas-Texas freight train.

The rainfall in Dallas last night measured 1.54 inches, making the total for the past 48 hours 7.50 inches. Fort Worth's fall was 2.20, bringing the two-day total to 6.32. Many streets in both cities were flooded. From four to six inches of rain fell in the Wichita Falls area.

The Trinity river reading at Dallas was 37.25 feet and still rising. A crest of 40 feet was expected by noon Friday. Flood stage is 28 feet.

Last night the weather bureau dispatched a flood warning to all residents of the Trinity lowlands warning them to move all livestock and moveable property to higher ground.

Both sides, however, agreed to a miners' resolution that "such firemen engineers, pumpmen, maintenance men and men in similar capacities as may be required in their regular line of work" should continue on the job on a retroactive basis.

Two subsequent operators' proposals—one for extension of the contract for 15 days and another for extension for a week—also were turned down, said J. B. Warner, president of the Lehigh Navigation Coal company and operators' spokesman.

Leaders of John L. Lewis' AFL-UMW Mine Workers rejected yesterday an operators' resolution which would have continued the present contract for 30 days on a retroactive pay basis and served formal notice that the miners would not return to work without a contract.

The union traditionally has adhered to a "no contract, no work policy."

After the announcement was made, others have acted upon what they believed my intentions to be and have offered themselves as candidates for the office of governor of Texas. Since then, many persons have solicited me to run again.

"I have listened patiently to all that has been said by way of argument in favor of my candidacy for a third elective term. It has been very gratifying to have this expression of approval of the manner in which the affairs of this office have been conducted under my administration. It will be cherished by me always as the greatest reward which can come to a man in public service.

"The arguments advanced, however, do not outweigh the conviction previously formed in my mind that I should not run. So believing, and with a heart full of gratitude to all of those who have urged me to run again, I hereby announce to the public that I will not be a candidate for re-election."

Stevenson, now 58, has been governor since he succeeded W. Lee O'Daniel on Aug. 8, 1941. On next August 8, he will have served five years as governor.

Dairy Products Granted High Price Boost

Another Increase Hinted If Cut In Subsidies Voted

WASHINGTON, May 30 (AP)—The government jolted housewives today with a \$250,000,000 a year price boost for dairy products—and predicted still another sharp hike if congress cuts subsidies.

Stabilization Director Chester Bowles estimated that the public will pay a quarter of a billion dollars more for food annually as the result of price increases of one cent for a quart of milk, about 11 cents a pound of butter and approximately six cents a pound for cheddar cheese.

Bowles announced last night that the new prices will become effective early in June. The exact amount of the increases will be fixed when the date is set.

The stabilization chief also directed OPA and the Agriculture Department to institute controls on the use of butterfat in the hope of increasing butter production.

These controls include a ban on the sale of whipping cream, effective July 1, and establishment of price ceilings on bulk cream for the first time.

Ice cream manufacturers also were authorized to cut down on butterfat without trimming their prices. It is butterfat that gives ice cream its richness.

Bowles' approval of the dairy product price increases came only six weeks after he had turned down similar proposals. He said on April 15 that "nothing could start us on an inflationary spiral more surely than an increase in retail food prices."

In reversing his stand, Bowles said he was motivated by "apparent congressional determination to slash food subsidies," and by necessity to "maintain the nation's milk production in the face of increased feed costs."

With the navy reportedly ready to step in, Secretary of Labor Schwelienbich told ship operators and union leaders alike that this country cannot permit the threatened merchant marine strike. It would, he said, block international trade and cut off the flow of food to famine areas.

Hence, the cabinet officer declared, he intends to keep both sides in constant session here in an effort to reach an agreement before the June 15 strike date set by CIO maritime and longshore workers in Atlantic, Pacific and Gulf ports.

At the same time the secretary cautioned the J. I. Case and Allis-Chalmers farm implement companies that unless they make a "real effort" to reach an agreement with their 35,000 striking workers' best end, he will ask President Truman to seize the companies' nine plants.

"We need farm equipment to plant a crop to take care of the needs of the world," Schwelienbich told a news conference at which he discussed both disputes.

The report that the navy is ready with a complete plan of operation to take over the merchant marine if hat strike develops came from Capitol Hill, but the lawmaker who disclosed it asked not to be named.

Earlier Senator Radcliffe (D-Md) told reporters after a White House conference yesterday that "the ships are going to run, you can bet on that."

Instructors will be furnished by the state health department.

Los Angeles Suspect Reported Eliminated As Texarkana Slayer

TEXARKANA, May 30 (AP)—A former aerial gunner, Ralph Barney Baumann, held in Los Angeles, Calif., as a suspect in the five "Texarkana" phantom slayings, has been "eliminated" as a suspect, Texas Ranger Captain M. T. Gonzales said late yesterday.

The man was taken into custody after leaving a note to the city editor of the Los Angeles Examiner referring to the Texarkana murders.

Freight Derailed During Rainstorm

DALLAS, May 30 (AP)—A Missouri-Kansas-Texas freight train was derailed at Honey Springs, five miles south of Dallas, early today when the track gave way during a torrential rain storm.

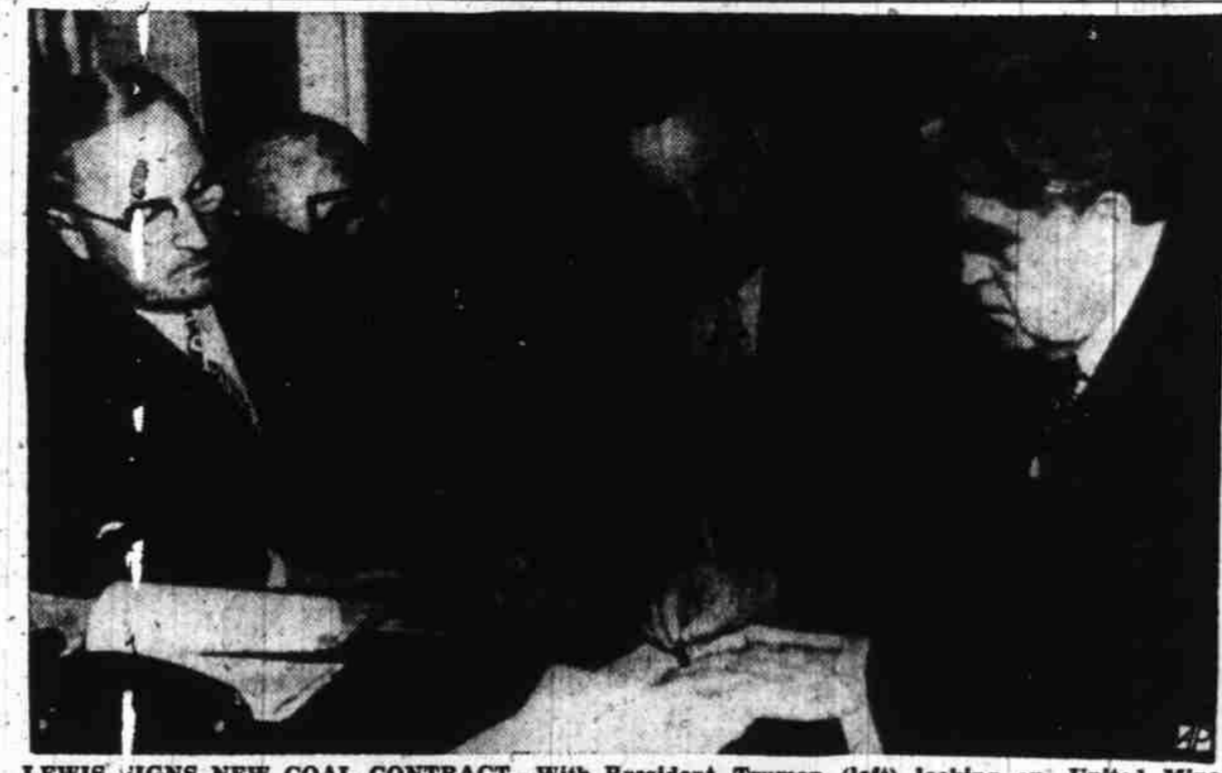

The locomotive and 15 cars left the track. The train, traveling south from Dallas, had just passed over a small bridge when the derailment took place.

One of the crew, Fireman French, was injured seriously and brought to a Dallas hospital. Other crewmen suffered cuts and bruises.

TOMATO PRICE DROPS

WESLACO, May 30 (AP)—Valley tomato shipments, resumed after a four-day holiday which slightly bolstered, skyrocketed yesterday and the price dropped to one to three cents a pound to growers.

Government Gives Lewis Nearly All He Asked For

LEWIS SIGNS NEW COAL CONTRACT—With President Truman (left) looking on, United Mine Workers chief John L. Lewis puts his signature to a new contract under which he will order his men back to their jobs. Center is Secretary of Interior Julius A. Krug, administrator of the government-seized soft coal mines, who announced the contract agreement. (AP Wirephoto).

Public Again May Expect Reconversion

WASHINGTON, May 30 (AP)—The coal strike is over.

John L. Lewis won a \$1.85 a day wage boost, a health and welfare fund and nearly everything else he asked for his 400,000 bituminous miners.

And the public caught the vision of an uninterrupted flow of post-war automobiles, radios, refrigerators and gadgets from long-troubled assembly lines. But the public also got a bigger coal bill.

President Truman watched Lewis and Secretary of the Interior J. A. Krug sign the contract late yesterday in a White House ceremony that ended the last major barrier to full-scale industrial output.

Lewis' anthracite miners are due to walk out at midnight tonight, but hard coal is used primarily for heating homes.

And a nationwide maritime strike is threatened for June 15, but the domestic market will quickly grab everything American industry can turn out for months to come.

Lewis said the bituminous pits will be in full operation by Monday. The strike lasted 59 days—broken only by a two-week truce when it was at the peak of its staggering impact.

When the government will be able to return the mines to their owners remained a question. The operators—contending they were advised of the contract terms only a couple of hours in advance of the actual signing—were plainly displeased.

The government seized the mines nine days ago and immediately got out to bargaining with Lewis. Out of those talks came these principal contract terms:

- 1. An 18 1-2 cent an hour wage increase.
  - 2. A \$25,000,000 a year welfare fund to be financed by a five cent a ton royalty on each ton of coal produced and to be administered by a three-way board.
  - 3. Unionization of a limited number of foremen.
  - 4. Standardized safety, sanitation and housing facilities.
- Whether the operators eventually will accept the terms appeared to hinge on these determinations:
- 1. The amount of a price increase OPA will grant.
  - 2. The cost of adopting the minimum safety standards to be set up by the Federal Bureau of Mines.
  - 3. The actual number of foremen to be unionized under the pattern provided by a National Labor Relations Board decision earlier this year.

Two English Girls Held In Galveston

GALVESTON, May 30 (AP)—Two English girls were taken into custody yesterday near Hitchcock, Tex., and are held in the county jail here for deportation proceedings.

The girls gave their names as Renee Marrix, 19, and Joan Maria Cook, 17, both of London.

Robert H. Glover, officer in charge of the United States immigration and naturalization service in Galveston, said the girls allegedly had stowed away on the William C. Endicott while the vessel was loading in London. Two negro mess attendants and a steward were being questioned, as were a negro cab driver and his wife.

Arabs Warn Against Jewish Immigration

CAIRO, May 30 (AP)—The leaders of seven Arab states today coupled a pledge of support to the United Nations with a warning to the United States and Britain that further Jewish immigration into Palestine might endanger world peace.

The pledge and the warning were combined in a statement issued at the close of a two-day meeting of the Arab leaders, who met here on invitation of King Farouk of Egypt.

Strike To End

LONDON, May 30 (AP)—More than 4,000 stevedores voted today to end a four-day strike and accept a ministry of labor offer to mediate their walkout which had delayed handling of ships at three London docks.

Strikers Warned To Settle Issue In Short Time

WASHINGTON, May 30 (AP)—The government posted stern warnings today that it wants the maritime and farm equipment labor disputes settled—and quickly.

With the navy reportedly ready to step in, Secretary of Labor Schwelienbich told ship operators and union leaders alike that this country cannot permit the threatened merchant marine strike. It would, he said, block international trade and cut off the flow of food to famine areas.

Hence, the cabinet officer declared, he intends to keep both sides in constant session here in an effort to reach an agreement before the June 15 strike date set by CIO maritime and longshore workers in Atlantic, Pacific and Gulf ports.

At the same time the secretary cautioned the J. I. Case and Allis-Chalmers farm implement companies that unless they make a "real effort" to reach an agreement with their 35,000 striking workers' best end, he will ask President Truman to seize the companies' nine plants.

"We need farm equipment to plant a crop to take care of the needs of the world," Schwelienbich told a news conference at which he discussed both disputes.

The report that the navy is ready with a complete plan of operation to take over the merchant marine if hat strike develops came from Capitol Hill, but the lawmaker who disclosed it asked not to be named.

Earlier Senator Radcliffe (D-Md) told reporters after a White House conference yesterday that "the ships are going to run, you can bet on that."

Instructors will be furnished by the state health department.

Ford Coupe Reported Missing Wednesday

Local authorities circulated word via police radio today of the theft of a 1936 Ford coupe, which disappeared shortly before 5 p. m. Wednesday from a downtown street.

The owner, W. P. O'Brien, did not immediately report the loss due to the fact that he thought it had been borrowed by friends.

CANDIDATES TIED ON A RECOUNT

TERRE HAUTE, Ind., May 30 (AP)—Perry W. Pine and Ivan Pugh each polled 100 votes in the primary election in the race for democratic trustee. They asked a recount.

The recount was completed and they were still tied—each had lost one vote in the recount.

Howard County Will Pay Tribute To War Dead In Memorial Service

Tributes to approximately 50 Howard county men who fell in World War II, along with deceased veterans of other wars will be paid in special all-county Memorial Day services today.

A brief program has been set for 6 p. m. on the east side of the courthouse lawn, and county officials, who took the lead in arranging the program, have urged large attendance.

The program was conceived as a measure of appreciation for those who gave the "last full measure of devotion" to their country," said County Judge James T. Brooks. "We hope that there will be a representative attendance."

Strike Legislation May Not Pass If Disputes Settled

WASHINGTON, May 30 (AP)—Hedging with a couple of "ifs," some Congress members began to speculate today that the capitol storm over strikes may not produce a single new labor law.

The hotly disputed draft section already has been ripped out of President Truman's emergency bill.

There were too many uncertainties for flat predictions, but the possibility of a complete blow-off was being widely if privately talked. Settlement of the soft coal strike obviously has taken off the main heat.

The big "ifs" are:

1. Whether President Truman signs into law the control bill which a thumping 230 to 106 House vote sent to him yesterday. Several Democrats have said he will veto it.
2. Whether the threatened June 15 maritime strike develops a new "crisis."

On the Case bill, the President is getting conflicting advice from legislators and others and meanwhile is keeping his own counsel. Secretary of Labor Schwelienbich told reporters he may recommend a veto.

The House vote yesterday was large enough to override a veto (two-thirds are needed), but the Senate's last Saturday was not.

Lawmakers generally agreed that developments in the maritime dispute are bound up with the future of the President's emergency bill.

The Senate by a 70 to 13 vote late yesterday cut out what some legislators consider the heart of that bill—the provision for drafting into the Army those who strike against government-seized plants.

Mr. Truman, speaking extemporaneously at George Washington university Commencement exercises last night, took note indirectly of the criticism heaped on his emergency plan. He said that in meeting emergencies that have arisen he has acted "in the way that seems best for the country's welfare."

He added that this government was organized to protect the rights of the individual.

Jury Being Selected In Newton's Trial

PLAINVIEW, May 30 (AP)—The trial of Dr. W. R. Newton of Cameron, Tex., on charges of assault with intent to murder in the shooting four years ago of Dr. Roy Hunt of Littlefield, Tex., continued here today. A jury was being selected.

Dr. Hunt was shot May 21, 1942, on a highway near Littlefield. The trial is being held before Judge C. D. Russell in 84th district court.

In a previous trial, at Plainview, held in August, 1943, Newton was given a seven-year sentence. The sentence was appealed and on June 16, 1944, the court of criminal appeals reversed and remanded it.

Officials Relieved When Boys Released

Three Latin-American boys, who Tuesday were picked up after reportedly being caught in the act of breaking into a business establishment in the north part of town, were freed this morning and practically everyone who came in contact with them was pleased about it.

Officials said they spent their time in confinement breaking up the furniture and bouncing tin plates, which had been used to feed them, off the walls of the delinquent ward.

The trio could not be prosecuted because of their age.

It's Blamed For Lots Of Things GROWING LENGTH OF EACH DAY, LUNACY ATTRIBUTED TO MOON

CHICAGO, May 30 (AP)—Days of earth are getting longer, but you can still trust your watch—because only a second is added every 100 years, says Dr. Harlow Shapley, internationally-known Harvard astronomer, and he declares the moon's to blame.

Shapley told the American Psychiatric association yesterday that it's all a matter of tidal effects caused by the moon.

"Water in the oceans is pulled about by the tides, and this creates frictional effect on the ocean beds," he said, "and thus we have a slowing down of the earth."

"The friction is greatest in the Irish Sea and in the Bering Straits—but don't worry, this slowing down only lengthens the days on earth by one second every 100 years."

Referring to the age-old superstition linking lunacy with changes of the moon, Shapley told the psychiatrists:

"Certain types of mental derangement have been attributed to lunar effects—and there may be something to it." He didn't elaborate, and none of the psychiatrists argued with him.

He virtually pooh-poohed another theory that our lunar neighbor has an effect on plants, saying "there's no evidence that plant growth is appreciably affected by the moon."

Shapley indicated that as far as having satellite moons is concerned, our planet is just a minor-leaguer compared to some of the other planets.

But some day, he said, it may be possible for earthlings to shoot an "artificial moon" into the sky—propelled by rocket power—and cause it to rotate with the earth once a day.

War Dead Honored Around The World

America's war dead were honored around the world today with flowers, taps and rifle salutes.

Led by President Truman, memorial services were conducted through most of the day in Arlington national cemetery, where lie the Unknown Soldier and 70,000 other veterans.

Fresher graves drew pilgrims in France and Italy and on the bloodied isles of the Pacific.

Wreaths and flags were placed on the isolated graves of several thousand men whose bodies have yet to be removed from Germany.

In Tokyo, Japanese placed flowers at the base of a monument honoring Gen. Ulysses S. Grant, who visited Japan in 1879.

Navy planes from Hawaii flew poppy wreaths to Guam, Saipan, Tinian, Okinawa, Wake, Midway, Iwo, Kwajalein and Tarawa.

In the cemeteries of Normandy, French civilians joined Americans in the traditional moments of silence and the placing of wreaths.

There were speeches, too, where the guns of war once rumbled. They dealt solemnly with the past, and with the future, hopefully.

SCHOOL IS OUT

Today is the end of school for Big Spring students who reported to class rooms for ten minute periods to receive grades and to pay last-minute book fines.

Students who failed to receive grade cards today from the high school may come by the principal's office anytime after Friday, Walter Reed, principal, said.

**Weather Conditions Unfavorable To Crops**

AUSTIN, May 30 (AP)—Weather conditions generally unfavorable to crops continued last week throughout most of the state, the United States department of agriculture reported today.  
The report said the eastern half of the state generally has excessive moisture with some crop damage in evidence. The high plains, western counties of the Edwards Plateau and the Trans-Pecos area remained dry. High winds were drying out the moisture in the low rolling plains.  
The domesticated cat was an object of veneration among the Egyptians.

**Feed Situation Critical, Little Relief In Sight**

The feed industry is keeping a vigilant eye on trends in government purchases of grain, reports from local dealers indicate.  
Earlier in the season most feed manufacturers were reasonably sure that supplies would be increased substantially with the new harvest of current small grain crops. Although even now they are expecting some relief, heavy inroads made by government purchases for shipment overseas is causing concern.  
Some Big Spring dealers report they have noticed improvement during the past few weeks, but it probably will be 60 to 90 days before any wide-scale increase can be expected, even if government purchases subside. Other dealers report encouraging word from their manufacturers. Most all, however, are short some items.  
All feeds containing any quantity of wheat are out, and most manufacturers have discontinued several other specialized types which can be easily substituted with more versatile products.  
One dealer reported that his poultry feed supplies have held up far better than expected, and he is continuing operation of a hatchery.

**US Sends Ship To Remove Nazis**

WASHINGTON, May 30 (AP) — The United States is challenging Spain to make good on its promised export of Nazis to Germany by sending a ship to Bilbao to remove the Germans from the country.  
The state department announced this assignment of the ship, the Marine Perch. It has a capacity of 947 passengers. Information in Washington is that so far the Spaniards have arranged for only 100 or 200 passengers for the ship.  
Michael J. McDermott, state department information officer, said the Spaniards had claimed in the past they could not expel the Nazis because of transportation and that sending the ship obviously is intended to remove that argument. The Marine Perch will put in at Bilbao June 6.

**Accidental Death Verdict Returned**

TEMPLE, May 29. (AP) — A verdict of accidental death has been returned in the death of John Robert McBryde, 35, rancher and rodeo performer, whose body was found in a pasture near his home south of Killeen, yesterday.  
Mance McBryde, father, said his son left home Monday on horseback. His horse returned later with the saddle horn broken off the empty saddle.  
At the age of 11, Goethe wrote a novel in seven languages.

# HERE IT IS AGAIN!

*For the First Time in Years — We Are Proud to Announce*

## ANTHONY'S GREAT SUMMER BLANKET EVENT

**Featuring Finer BLANKETS by CHATHAM**  
America's Largest Maker of Better Blankets

**USE OUR LAY-AWAY PLAN!**

Pay down a small sum and make small weekly or monthly payments. When you need your blankets... they're paid for.

For the first time since the early part of the war Anthony's is again able to offer you an adequate supply of finest quality Chatham blankets—the superb blankets so many millions prefer above all others. As the result of years of relationship with the Chatham mills we were able to make this supply of blankets available to you. Buy with confidence! You never saw better blankets!

**Huge 6-Foot x 7 1/2-Foot Satin Bound 100% WOOL WOOLSHIRE**

**Rich! — Luxurious! — Lovely!**

Downy-soft and velvety-smooth! This gorgeous all-wool blanket has a five-inch satin binding. Notice the generous extra size. No cold feet will stick out from under this blanket! In solid pastel shades with harmonizing satin trim. No wonder millions of America's better homes contain several of these fine blankets!

**Individually Boxed! \$10<sup>95</sup>**  
Use Our Lay-Away

*Beauty that Speaks*  
of love thru the Years

For a long-to-be-remembered occasion—beauty that will last through the years—select a lovely Shaw diamond.

MODEST PRICES AND EASY CREDIT

**shaw's**  
TEXAS' GREATEST JEWELERS, BIG SPRING

**The Esmond ★**  
SUPERB QUALITY!  
100% VIRGIN WOOL  
Extra Wide Satin Binding!

Frequently described as America's finest blanket. Note that it's of 100% virgin wool! Soft as thistle down! With a smooth-as-cream texture, so tightly woven it will keep you or your guests as warm as toast. Extra wide satin binding. And it's six feet by seven and one-half feet in size! A lovely gift item for that friend who's getting married... for your own-linen closet or for your hope chest as the case may be. Search the country over and you'll find no better blanket.

Soft solid pastel colors. In lovely individual box. **\$16<sup>75</sup>**

**The Airloom ★**  
Same Big 6-Foot x 7 1/2-Foot Size  
75% WOOL — 25% COTTON  
LUXURIOUSLY WARM!

Notice the extra size of this blanket. Contains 75% finest quality wool and 25% long staple extra grade cotton, giving you plenty of warmth without extra weight. This blanket weighs only 3 1/2 pounds but is so well made it will keep out winter's chill drafts. At this attractive price you may want two or three. Stock up now by using our convenient lay-away plan. When cool weather comes your blankets will be ready... and paid for.

Solid pastel colors, contrasting satin trims. Gift boxed. **\$7<sup>95</sup>**

**The Sutton ★**  
6 x 7 1/2 Feet with 5-in. Satin Trim  
25% Wool—50% Rayon—25% Cotton  
WARM BUT LIGHT!

When you see this fine blanket and caress its rich texture you'll wonder how such a blanket can be sold at the price in view of the high cost of labor and materials. Rayon-wool and cotton give it strength and warmth without excessive weight to make it bulky and unwieldy. It will give you, your family or your guest cozy, restful slumber on the coldest nights. Very much in demand but we hope to have enough to go around. But hurry!

Note the extra big size. Pastel colors. Wide satin binding. **\$5<sup>95</sup>**

**See Our Window Display of These Gorgeous Blankets**

# Three Emergency Sanitation Laws Adopted At City Commission Meet

Three ordinances touching on sanitation matters were adopted as emergency measures by the city commission Tuesday, and still another appeared in the making.

Adopted were regulations for livestock and poultry within the city; food handlers permits; and food establishment rules. After Hack Wright, commissioner, spoke of need for more control on open air food stores, commissioners indicated favor of an ordinance in this direction.

Highlights of the various ordinances were:

**LIVESTOCK AND POULTRY**—Effective within 10 days after publication of ordinance, persons keeping livestock or poultry will be required to register; chattle brought in afterwards must be under permit in keeping with regulations.

Regular inspections to be made with reinspection in three days. In event corrections of conditions not made, permit may be revoked. Reapplication may be made.

For each horse in the city limits, space of 1,250 square feet must be supplied; same space for cows;

fences must be board-slat type; lots must have concrete manure storage bins of capacity for one cubic foot a day for each horse or cow and large enough to hold a week's accumulation; tops and outlet to be fly and water proof; approved solutions of hellebore or borax to be applied to manure box daily to kill maggots.

Goats must have 375 square feet each, fowls five square feet each, but with wire netting enclosure; rabbit hutches to be kept in sanitary manner. Penalties for violation may range from \$1 to \$100.

After assurances from health department that leniency be employed in enforcement where material shortages are involved, Commissioner George Mims moved and Hack Wright seconded the adoption of the ordinance, which passed unanimously. Dr. J. E. Hogan, city health officer, spoke in favor of the order.

**FOOD HANDLERS**—Persons working in any food vending establishments, restaurants, sandwich shops, drug stores, etc., required to have unrevoked health license; must have either temporary or permanent handler's permit. Satisfactory completion of state health department food handler's school to qualify for permanent permit.

Handlers required to post health cards; exercise personal hygiene; keep fingers out of items of food and drink and off parts of eating utensils to touch mouth; protect food from contamination; protect perishables; follow regulations in dishwashing; no smoking or expectorating in rooms where food prepared; not working with common cold or other contagious infections. Commissioner J. L. LeBlou moved and Iva Huneycutt seconded adoption.

**FOOD ESTABLISHMENTS**—Permits required to be posted; foods to be inspected and sampled

**SISTER ACT**—Sally Pollard (right) was chosen Queen of the May at Pennsylvania State College, State College, Pa., with her sister, Jane (left), as her maid of honor.

## Converted Bombers On Weather Trips

WASHINGTON, May 30 (AP)—Converted B-29 bombers soon will be sent into north polar region on periodic weather observation flights.

Disclosing this today, officials familiar with army air forces

Big Spring (Texas) Herald, Thurs., May 30, 1946

plans said a squadron of probably 12 planes has been assigned to a base in Alaska.

The new operations will be carried out in the strategic military area where the American and Canadian armies cooperated this spring in testing cold weather tactics. The polar regions lie athwart the shortest route between America and Europe.

The projected flights from Alaska were described as part of current efforts to put weather forecasting on a global basis. Other squadrons will cover much of the Pacific area.

# NOTICE

## EFFECTIVE MAY 16, 1946

The following wage rates are authorized for the following area: Big Spring and Howard County in the State of Texas, for members of the Painters' Local Union, 1431.

Craft Classification	Present Wage	Authorized Wage
Painters, decorators and paperhangers	\$1.125	1.375
Painters, steel	\$1.375	1.50
Painters, spray	\$1.50	1.50
Apprentice Painters:		
1st year		.65

**British 'Gay Nineties'**

AP Newfeatures  
LONDON. — "Gay Nineties" clubs are booming here and all over England. Peace has brought a rage for waltzes, lancers, quadrilles, schottisches and polkas instead of the hot jazz and jitterbugging introduced by the GI.

Dances granama loved are being taught in over 300,000 "Gay Nineties" clubs in village halls and city clubs throughout the country, and "Those Were the Days" — a program of old time dances, with a "master of ceremonies" calling the steps, is one of the most popular BBC weekly broadcasts.

**CORPS TO BE TRIPLED**

WASHINGTON, May 30 (AP) — The war department has reported that the reserve officers training corps in schools and colleges will be tripled in size under a revised program submitted to congress.

**SUMMER SALAD**—Both plentiful and popular in most homes and hard boiled eggs which add taste and eye appeal to salad plates. Set in gelatine with vegetables for a cooling, yet tasty summer dish. An egg salad is just the thing for hot day lunches.

**INSURE CANNING SUCCESS!**

**USE Ball JARS CAPS, LIDS & RUBBERS**

And follow instructions in the Ball Blue Book. To get your copy send 10c with your name and address to: BALL BROTHERS COMPANY, Muncie, Ind.

**Love Fruit Makes Garnishes For Meats, Soups, Salads**

Spring plants are rapidly reaching proportions to produce summer fruit, and not the least of the garden vegetables popular with most families is the tomato. The tomato is a natural pickle-up and can be made into stews, casseroles, sauces, soups, salads and numerous other dishes.

**Chicken Creole**  
4- to 5-pound chicken  
1-4 cup flour  
1 teaspoon salt  
Pepper  
1-4 teaspoon paprika  
1-4 cup fat (chicken fat may be used)  
1-2 cup chopped onion  
1-2 cup water  
1-4 cup choppen green pepper  
2 1-2 cups fresh or canned (No. 2 can) tomatoes

Cut chicken into serving pieces. Roll in mixture of flour, salt, pepper, and paprika. Brown in melted fat. Add onion; cook 2 to 3 minutes. Add the water, cover, and simmer about 1 hour or until al-

most tender, adding more water if necessary. Stir occasionally to keep from sticking. Add green pepper and tomatoes. Simmer about 30 minutes longer. Serve on seasoned hot noodles or rice. Six servings.

**Tomato Rabbit**  
1-2 cup finely chopped celery  
1-4 cup chopped green pepper  
1-4 cup chopped onion  
2 tablespoons fat  
2 tablespoons flour  
2 1-2 cups fresh or canned tomatoes  
1 cup grated cheese  
2 eggs, beaten  
1 teaspoon salt

Cook together celery, green pepper and onion in the fat, 8 to 10 minutes, stirring frequently. Blend in the flour. Add tomatoes, cheese and salt. Cook over low heat; stir constantly until mixture thickens and cheese melts. Gradually add some of the tomato mixture to beaten eggs; mix well, then pour all back into the tomato mixture. Continue to cook over low heat; stir constantly until thickened and creamy (2 to 3 minutes). If desired, add a few dashes of Tabasco sauce. Serve on toast or crackers. Six servings.

**Stuffed Tomato Salad**  
6 medium-sized chilled tomatoes  
1-2 cup chopped celery  
1-2 cup chopped cucumber  
1 tablespoon minced onion  
1 tablespoon chopped green pepper  
2 hard-cooked eggs, chopped  
2 tablespoons mayonnaise or cooked salad dressing  
1 teaspoon salt  
Pepper

Wash tomatoes and remove stem ends. Scoop out center, leaving a shell about 1-4 inch thick.

**REMOVE CONTROLS FROM "OLLAS"**

WASHINGTON, May 30 (AP) — Ever wonder what those "large outdoor vases with sand for disposing of cigarette butts" are called? They're ollas, and since yesterday price ceilings no longer apply to them.

The OPA provided both pieces of information, along with an announcement that it also is stripping price controls from electric curling irons, hair-straightening combs, perfume atomizers, cocktail mixers and other items.

drain. (Use juice in soups or sauces.) Dice tomato pulp and combine with other ingredients. Stuff tomatoes. Serve on lettuce or other salad greens.

For k meat stuffing. Combine 1 cup diced, cooked meat or poultry; 1 cup diced, cooked potatoes; 1 tablespoon chopped parsley; 1 tablespoon minced onion; 2 tablespoons green pepper; 1 teaspoon salt; a little pepper; and 2 tablespoons mayonnaise or cooked salad dressing. (Use scooped-out tomato pulp in stewed tomatoes, soups, sauces—don't waste it.)

**Some Items of Interest Briefly Told**

A serving of oatmeal equals two slices of bread in food value, says the Bureau of Human Nutrition and Home Economics.

Total plantings of all wheat, winter and spring, in 1946 are expected to amount to 70,901,000 acres.

When working in the home dress sensibly. Tailored, set-in sleeves do not bind or pull. Long, dangling sleeves may cause accidents.

Ever have onions with herbs? Peel a pound of the smallest white onions. Steam in a small amount of water to which has been added parsley sprigs, pinch of dried thyme, whole clove, bay leaf, nutmeg salt and pepper and a small clove of garlic. Add a little butter or margarine and flavor with white wine.

If he is fond of pie—and most men are—make a crumb crust, which is easy to make and easy on the shortening. Fill it with a butterscotch filling, which re-

quires only two tablespoons of sugar and three tablespoons of molasses. You'll have a pie so tasty that it will melt in your mouth.

Corn flakes make especially nice crumbs because of their color, flavor and crispness. For fine crumbs place corn flakes in clean tea towel of paper and crush with a rolling pin. For course crumbs, wrap loosely in towel, then squeeze the towel.

Most folks get just as hungry in the summer as they do in the winter. The only difference is that they like to eat different kinds of food. They want refreshments; iced-tea; cold lunches; cold desserts; and occasionally some good, hearty food. Let the ALLEN GROCERY help you plan your meals this summer.

### Canadian Seamen Told To Return

OTTAWA, May 30 (AP)—Seamen on strike from Canadian transport department ships have been ordered back to work. J. A. Sullivan, president of the Canadian seaman's union, said yesterday. Sullivan made the announcement after a conference with labor and transport department officials. There was no sign of a break in the four-day-old strike against Great Lakes shipping. The strike developed from a dispute over union demands for an eight-hour day.

The settlement as it affects transport department ships will mean crews will return to work on five government ships in Montreal, Halifax and St. John. Arthur MacNamara, deputy labor minister, said the crews walked off the government ships due to misunderstanding. They had not been ordered to strike by the union.

TURNER ENTERS RACE  
AUSTIN, May 29 (AP)—War-veteran Reese Turner of Austin today announced he would run for governor "because I, like millions of Texans, am disgusted with the horseplay that is going on among the candidates and potential candidates."

The English word guest stems from hosts, a Latin word meaning enemy.

### Texas Today—

#### Bees, Bees, Bears And Bass Figure In Texas Tales

By JACK RUTLEDGE  
Associated Press Staff

Bees, bears and bass: Locusts, says W. Z. Miller of Fortress, can be no worse than bees.

Recently he spent a lot of time budding his pecan grove on the San Marcos river. He used a mixture of bees-wax, tallow and linseed oil.

Then, he said, swarms of bees invaded his pecan orchard and did a complete job of consuming the beeswax he had used.

He said they didn't seem to mind the extra added flavor of tallow and linseed oil.

A truck driver stopped in Marshall to inquire for directions when suddenly his cargo of bees went AWOL.

There was a bit of formation flying down a main street, then across the court house square, around the front of a department store, and on down an avenue.

There was no explanation as to why the bees suddenly left their hives in the truck, but the results are known. One Marshallite was stung on the head, several had to fight their way through the swarms in front of a store, and two said they captured a swarm each, complete with queen.

A bear bit the hand that was feeding it in Abilene, and Oliver Perry Little, of Gonzales, lost the middle finger of his right hand.

In Shamrock, Lyle Holmes is just regaining his composure after landing an eight-pound bass at Ramsdell Lake.

"That was a prize fish in any man's language," said Game Warden G. P. Davis, who verified the story.

Fifteen Motorists Hailed Into Court  
Members of the state highway patrol have issued justice court summons to 15 persons operating motor vehicles in recent days.

One of the truckers found guilty of overloading his vehicle was fined \$34, including court costs.

Romans h is a language derived from Latin and spoken by some 44,000 Swiss.

Sarsaparilla is extracted from the fibrous roots of a plant found principally in Central America.

Cakes of salt once were used as money in both Tibet and Abyssinia.

Alaskan Indians erect totem poles to the animal from which they believe their tribe descended.

**Police Investigating Affray On Highway**

Police today are investigating cause of injuries sustained by a man found at about 3 p. m. Tuesday on highway 80 a few miles east of town. The man, who told officers his name was Horace Galloway, was beaten and cut about the face, officers said. A taxi brought him to a local hospital for treatment. Police said the man told investigators that he had served a term in federal prison on a narcotics count.

**Use Versatile Potatoes Instead Of Scarce Bread**

Please pass the potatoes — and pass the wheat on to starving Europeans.

There are several reasons for eating potatoes, namely, because they pack good food values, and in eating them daily one can get as much as one-fourth of the vitamin C quota. Potatoes are a cheap energy food. Potatoes fit into any meal. Most important to the chubbier folks they need not be fattening, and such people are reminded that it's what is put on the vegetable.

In choosing potatoes experts remind that best vegetables are firm and clean, have shallow eyes, and no cuts, decay or green spots. For good mashed or baked potatoes, use a mealy, flaky variety of potato; for salads, creaming, and the like, use firm, waxy kinds that hold their shape.

Potatoes are versatile and can be prepared in a variety of ways.

**Potato Puff**  
To 3 cups mashed potatoes, add 1 egg yolk, hot milk to moisten, 2 tablespoons melted fat, salt, and any other seasoning you like. Beat well. Then fold in 1 stiffly beaten egg white. Pile lightly into a greased baking dish. Bake in a moderately hot oven (375 degrees F.) 30 minutes or until puffy and brown.

**Potato Griddle Scones**  
2 cups sifted flour.  
1 teaspoon salt.  
3 teaspoons baking powder.  
3 tablespoons fat.  
1 cup cold mashed potatoes.  
1 egg, beaten.  
1 1/2 cup milk (about).  
Sift together flour, salt, and baking powder. Cut in fat with 2 knives or a pastry blender. Blend in the potatoes. Mix egg and milk; add to first mixture. Mix slightly. Roll 3-8 inch thick and cut into squares. Bake slowly on a hot greased griddle or frying pan. Turn several times to cook through. Makes 10 to 12.

For a main dish, pour creamed left-over meat or fish or vegetables over the scones.

**Morrison Describes Raids Over Japan At Rotary Lunch**

Walton Morrison gave a detailed report on how B-29 raids were carried out over Japan during the war when he spoke at the Rotary club's luncheon meeting Tuesday.

Morrison, who served as an intelligence officer with the 73rd Wing, a B-29 bombardment group, said some of the raids from the Guam base recorded 120 percent destruction of their targets—the entire target area and other regions 20 percent its size. He exhibited "escape" and "emergency" kits carried by each flier on the raids. One contained drug articles and the other food, needle and thread, dyes, fishing tackle, etc., although both were small enough to fit the average uniform pocket and when empty both could be used as uniform flasks.

Primary and secondary targets usually were listed for each mission to preclude breaking up the raids if adverse weather or opposition handicapped a certain area. Not only were 500-pound and 2,000-pound bombs carried by the raiding crews, but tons of propaganda leaflets were distributed on reconnaissance flights.

In Thurman's chairmanship of the program, and the Melody Maids were presented as guests for two numbers. Adolph Swartz and Roy Townsend were introduced as new members.

Odds against a perfect hand being dealt at a bridge table are 158,000,000 to one.

## Many Cattlemen Expected At Sale Of Caubles' Registered Herefords

Cattlemen from a wide area are expected in Big Spring Friday for a sale of registered Hereford bulls by the I. B. Cauble and Son Hereford farms.

Thirty-five animals, from herds of both I. B. Cauble and Mrs. Pearl Cauble, are due to enter the auction ring beginning at 1 p. m. The sale will be conducted in the new West Texas Livestock Auction company's amphitheatre a mile and a half northwest of Big Spring.

Cauble, long a champion of Anxiety 4th bloodlines, has been widely recognized as a registered Hereford breeder for more than 30 years. During this period he has attained outstanding development in his own herd, and breeding stock from his ranch have been in considerable demand.

Due to be sold Friday are: A herd sire, 24 two-year-olds and 10 yearling bulls. Since final arrangements for the sale were completed only a few days ago, sufficient time was not available for

printing catalogues, Cauble said. However, he assured buyers that all papers will be on hand at the sale for each animal, and proper identification will be made over the public address system.

I. B. Cauble and Son (Rexie) will enter President Mischief 22nd, a five-year-old herd sire, and eight two-year-olds, either the get of President Mischief 16th (who will be on exhibit) or-out of dams by the famous President Mischief.

The 16 two-year-olds and the 10 yearling bulls entered by Mrs. Pearl Cauble are all sired by sons or grandsons of President Mischief, and in the cases of both breeders, the animals carry the Cauble straight breeding on Domino and Beau Mischief blood lines.

Cauble evaluates the sale entries as the equal of animals of comparable age which he had in his first sale last December, and which averaged \$600 a head. All are in good flesh, "as good for range conditioning as I have ever seen," said Cauble.

## Farm And Ranch News

By WACIL McNAIR

The present ceiling prices on corn, wheat and other grains and protein concentrates means that heavy culling must be done in farm and commercial flocks if poultrymen hope to stay "in the black" on egg production according to S. A. Moore, poultry husbandman of the A&M college extension service.

"It takes about 11 pounds of feed to produce a dozen eggs from a hen that is laying at the rate of 80 eggs a year," Moore said. "A 200-egg hen will lay a dozen eggs on five pounds of feed." The poultry specialist estimated that three and a half million Texas hens, or about one out of seven in the average flock, was costing her owner money instead of bringing it in.

"While culling 'boarders' from the flock is always good business, it is especially necessary now because of the feed situation, Moore said. Many low-producing hens in poultry flocks are eating feed at the rate of four or five pounds a

month, so two birds culled out now will save a sack of feed in the next year. Moore estimated that two young birds can be raised up to production on what one old one would eat in the meanwhile.

More good rains were received Tuesday east of Howard county. H. A. Clark, manager of the Big Spring area US Employment Service office, said the rain fell from about 50 miles east of Big Spring on into Abilene, and it appeared heavy enough to be beneficial all the way.

A large number of Hereford men already have notified I. B. Cauble that they will attend the Cauble bull sale Friday. Bidders are expected from all the Texas cattle raising regions and from several other states. Cauble says the bulls to be offered for sale are in excellent condition.

July 15 has been set as date for completing applications for the Smith-Doxey cotton classification service in Howard county. More than one third of the county's cotton growers already have signed up, and Howard is listed as a two variety county. In 1945 a total of 1422 gins, or 62 percent of those in the state, signed up for the program as a service to their customers, and 43 percent of the cotton grown in Texas was classed under the Smith-Doxey act. Almost five million acres of cotton produced by 96,626 farmers, were covered by the 1945 applications. Application blanks for both ginners and farmers, may be secured from the county agent's office.

## Certificates Issued To 16 In Sales Class

Certificates from the University of Texas division of extension and the State Board of Vocational Education were issued to 16 persons who completed a course in Supervisory training Wednesday evening.

Two others are due to receive certificates.

The course ended on a high note with Boone Horne, one of the class members, holding a demonstration correction interview with Thelma Boone, instructor, as the employe. If he made a mistake, it was in his selection of a real "problem." He had to shoot the works to placate and encourage his young help.

A good part of the 10-hour course was devoted to actual demonstrations with all members of the class participating.

Those completing the course, which held most of the meetings in the American National Insurance offices at the Settles, recalled points that impressed them as they received their certificates. Miss Boone said another supervisors course would be held in about two weeks.

Receiving diplomas were: Walter L. Phillips, Tena Lea Ridgway, Louise Griffin, Chester Casey, Louis Price, L. P. Bookman, Elmo Wasson, Herbert Feather, Bill Sheppard, Darrell Webb, Sr., Boone Horne, Faye Best, Joe Pickle, Davis Edens, Edmund Wise and Elmer Boatler.

Services will be held at the Eberly-Curry chapel at 4 p. m. Friday with the Rev. H. Clyde Smith, First Methodist pastor, officiating.

Before she became ill, Mrs. Stewart was active in her Sunday school class at the First Methodist church and served on the chamber of commerce beautification committee.

Besides her husband, the only other immediate survivor is a sister, Mrs. Georgia Elinor, St. Louis. Pallbearers will be Raymond A. McDaniel, H. Carlson Hamilton, Clifford Wiley, Robert Currie, Robert Stripling, Henry W. Smith, George O'Brien and Horace B. Reagan. Burial will be in the city cemetery.

## TEXAS CITIES PLAN TRIBUTE TO DEAD SONS OF TWO WARS

By the Associated Press

Texas pays tribute to her war dead today.

Throughout the state, simple ceremonies will recognize the services and sacrifices of fighting Texans who died on the battlefield.

A Memorial Day parade is scheduled at Galveston, where Veterans of Foreign Wars will dedicate a new memorial home. At Houston, the Veterans Memorial Alliance, representing 25 veterans groups, will decorate 2,500 graves of war dead.

A plot of ground will be dedicated and a veterans' monument unveiled at the Seaside Memorial Park in Corpus Christi.

Planes will scatter rose petals over graves of war dead at Brownwood.

Legionnaires will place wreaths on graves of war veterans at Kilgore.

Memorial services will be held in Waco Sunday with the dedication of 400 trees at Waco Hall, Baylor University, one for each McLennan county man killed in World War II.

At Vernon a parade will mark the day.

The Rev. Thomas A. Gray, who lost a son in the Philippines will speak at McAllen.

Col. Alvin M. Owsley, Dallas past national commander of the American Legion, will speak at services in Denton. Graves of Veterans will be decorated and businesses will close.

A general closing of businesses is slated at Amarillo.

Veterans will place wreaths on the graves of war dead in Lubbock today.

At Wichita Falls, two American Legion posts will hold public services. At Sheppard Field, Col. O. L. Rogers, commanding officer, will review troops.

Gold Star certificates will be presented next of kin of soldiers who died in the last war in a ceremony at Brownsville.

At Ennis, Tex., tonight Admiral J. V. Clark, chief of the Naval Air Base Training Command, Corpus Christi, will present the Medal of Honor posthumously to Jack Lumbus, hero of Iwo Jima and Texas football star. His mother, Mrs. Andrew J. Lummus, will receive the award.

## Mrs. Merle Stewart Dies Wednesday

Mrs. Betty Y. Stewart, 42, wife of Merle J. Stewart, died in a local hospital Wednesday at 7 p. m. She had been seriously ill since January and critically ill in recent weeks.

Services will be held at the Eberly-Curry chapel at 4 p. m. Friday with the Rev. H. Clyde Smith, First Methodist pastor, officiating.

Before she became ill, Mrs. Stewart was active in her Sunday school class at the First Methodist church and served on the chamber of commerce beautification committee.

Besides her husband, the only other immediate survivor is a sister, Mrs. Georgia Elinor, St. Louis. Pallbearers will be Raymond A. McDaniel, H. Carlson Hamilton, Clifford Wiley, Robert Currie, Robert Stripling, Henry W. Smith, George O'Brien and Horace B. Reagan. Burial will be in the city cemetery.

## Suit Is Filed Against Klan

ATLANTA, May 30. (AP) — US Collector of Internal Revenue Marion Allen filed suit against the Ku Klux Klan today to recover \$885,305 in back income taxes the government charges it owes.

The federal suit against the hooded order said the \$885,305 covered fines allegedly due the government for the years 1921 through 1924, and for the year 1926. The complaint was filed in Fulton superior (state) court.

Meanwhile, Governor Ellis Arnall ordered the state attorney general to bring court action against the plan "to revoke its charter in Georgia."

Dr. Samuel Green, Georgia grand dragon for the Klan, could not be reached for a statement.

## Big Spring Police Attend Law Meeting

Several Big Spring representatives attended a meeting of law enforcement officers in Odessa Wednesday, where a program was prepared by the FBI.

The meeting launched a 10-day course of instruction to be conducted by officers from the El Paso FBI office. The course is similar to one conducted here several weeks ago by members of the Dallas office.

Those from Big Spring attending the opening-day meeting Wednesday were Chief A. G. Mitchell and Officers Thompson, Baird and Pross, all of the police department.

## Yeatts Leaves

The Rev. J. O. Yeatts left Wednesday evening for Port Arthur where he will assume his duties as pastor of the First Assembly of God church. He will be succeeded here this week by the Rev. E. R. Winter, Texarkana. Rev. Yeatts resigned April 1 after a ministry of 18 months. During that time Sunday school attendance was doubled.

## Bryan To Pick Up Forger Suspect

Deputy sheriff A. D. Bryan departed this morning for New Braunfels where he was to pick up Don Kemper, wanted here on a forgery charge.

Kemper was found guilty of a similar accusation there earlier in the week and sentenced to serve five years in the state penitentiary.

The accused was brought here about two weeks ago but remained in the county jail only a couple of days. The New Braunfels sheriff appeared on the scene with a bench warrant and whisked him back to the Comal county jail.

## Moss Lake Fishing Permits Go On Sale

Permits which entitle holders the right to cast fishing lines into Moss Lake any time after tomorrow have gone on sale at Big Spring Hardware and the Fire Station, City Manager B. J. McDaniel has announced.

The licenses, good only on the day of issuance, are priced at 25 cents each. They are also available at the lake.

## Weather Forecast

BIG SPRING AND VICINITY: Partly cloudy this afternoon with scattered rain showers. Clearing tonight and tomorrow and slightly cooler. High today, 90, low tonight 62, high tomorrow 88.

WEST TEXAS: Fair this afternoon, tonight and Friday. Cooler tonight.

## Make This Home Recipe To Take Off Ugly Fat

It's simple. It's amazing, how quickly one may lose pounds of bulky fat and help regain slender, more graceful curves; if reducible pounds and inches of excess fat don't just seem to disappear almost like magic from neck, chin, arms, bust, abdomen, hips, calves and ankles, just return the empty bottle for your money back. Follow the easy way endorsed by many who have tried this plan and help bring back alluring curves and graceful slenderness. Note how quickly bloated disappears—how much better you feel. More alive, youthful appearing and active.

bulky fat and help regain slender, more graceful curves; if reducible pounds and inches of excess fat don't just seem to disappear almost like magic from neck, chin, arms, bust, abdomen, hips, calves and ankles, just return the empty bottle for your money back. Follow the easy way endorsed by many who have tried this plan and help bring back alluring curves and graceful slenderness. Note how quickly bloated disappears—how much better you feel. More alive, youthful appearing and active.

## Lions Prepare For District Convention Here

Lions are devoting their time these days to preparation for the joint district and state conventions here June 16-18.

In keeping with an announcement by Jack Y. Smith, president, that there would be no programs until after the convention, Wednesday's session was devoted to a recapitulation of progress. Otis Grafa, general chairman, said he believed that "we are even with or ahead of schedule to date." He and Smith have conferred with Charles Dean, Plainview, district 2-T governor, and program details are near completion as a result.

Among high spots of the gathering will be services at the East Fourth Baptist church the evening of June 16 with Rev. Fred Rogers, a visiting minister and a Lion, as speaker. Rev. Roy Clark will be host pastor. Other features are business sessions for the district June 17, for the state June 18, a district governor's banquet and ball, a barbecue affair at the city park and International Night at the amphitheatre—an affair open to the public.

At the latter feature, Francisco Doria y Paz, Mexico City director for Lions International, will be the speaker.

Joe Pond was announced as winner of the trip to the international convention in Philadelphia, with alternates in this order: L. F. King, John Dibrell, Wiley Curry.

## Livestock

FORT WORTH, May 30. (AP) — Cattle 500; calves 300; active and fully steady. Fat steers and yearlings 12.00-16.50. Medium to good fat cows 10.50-14.25; fat calves 11.00-16.50. Stocker calves and yearlings 11.00-15.50; lightweight stocker calves up to 16.50; stocker cows 8.00-10.00.

**WE HAVE THE MOST COMPLETE INFANTS' DEPARTMENT EVER SHOWN BY US IN BIG SPRING**

### Rev. Francis Speaks To Seventh Grade At Kate Morrison

Rev. Theo Francis was principal speaker at the seventh grade graduation program Monday evening for Kate Morrison school.

Mrs. J. E. Hardesty played professional and recessional music, and the class sang "America." Mrs. Dorothy Wilson extended the welcome, and Mrs. J. E. Hardesty played a violin solo. Miss Minnie Lockett presented the class, and Mrs. Wilson awarded certificates and honors.

Honor students were Margaret Lopez and Catilina Vasquez. Attendance awards went to Frank Rodriguez and Benita Perez.

The class roll included Manuel Beseril, Charles Gonzales, Fred Olivás, Charlie Fierro, Joe Moreno, Albert Rodriguez, Frank Rodriguez, Delia Garcia, Margaret Lopez, Lilia Martinez, Eilda Sanchez, Cruz Subia, Clara Gonzales, Nettie Marquez, Benita Perez, Concha Sarmiento, Catilina Vasquez. Diplomas were given in absentia to Ampara De Leon and Esparanza Martinez.

About 300 attended the exercises.

### Elrod, Cummings Ceremony Read In Lubbock Church

Katherine Cummings, daughter of Mr. and Mrs. James Clyde Cummings of Lubbock, was married Sunday to John William Elrod, Jr., of Big Spring at the Broadway Church of Christ in Lubbock.

M. Nowel Young, minister, read the double ring ceremony before an altar decorated with twin candelabra forming an archway, with baskets of calla lilies on each side. A large candelabra was placed on each side of the arch arrangement.

Preceding the ceremony Clarence Wakefield sang, "Because," "I Love You Truly," and "Always."

Given in marriage by her father, the bride was gowned in a dress of white satin, designed with a sweetheart neckline. She carried a white Bible belonging to her sister, and arranged with a white orchid.

Denise Cummings, sister of the bride, of Cisco, acted as maid of honor. She wore a powder blue lace frock with which she carried a bouquet of yellow roses. Another sister, Cloydelle Cummings, was bridesmaid and wore a dress of pink net over satin with a bouquet of pink roses.

Best man was Joseph Elrod, brother of the bridegroom, and usher was David Elrod, another brother.

Following the ceremony a reception was held at 2216 Nineth street in Lubbock. The bride couple was assisted in receiving guests by their parents.

The refreshment table was centered with a bowl of white daisies, and the scene was lighted by four tall white tapers.

For traveling the bride wore a blue suit with brown accessories and wore the orchid from her bridal bouquet. Mr. and Mrs. Elrod left on a trip to Denver, and points in New Mexico. On their return June 8 the couple will be at home at 1203 East Sixteenth street here.

The bride is a graduate of Lubbock high school and in 1945 received her degree from Texas Tech. Elrod is a graduate of Newman high school in Sweetwater and Abilene Christian college. He served for three and a half years in the army, seeing several months service overseas.

Mrs. Noble Kennemur was surprised with a gift party Wednesday evening in the home of her parents, Mr. and Mrs. H. G. Carmack.

An informal social hour was held and refreshments of homemade ice cream and cake were served.

Attending were Mr. and Mrs. Pete Thornton, Mr. and Mrs. Vinile Hughes, Mr. and Mrs. K. Brooks, Mr. and Mrs. Benny Gringer and Gloria, Mr. and Mrs. Gordon Montgomery, Jimmy and Karen, Mr. and Mrs. Matt Hanson and LaVell, Helen Eubanks, Mrs. Louis Carlyle, Mr. and Mrs. Harvey Carmack, Hazel and Marilyn and Mr. and Mrs. Noble Kennemur and Johnny.

Mrs. Dorothy Wilson, principal of Kate Morrison school, entertained members of the faculty at a luncheon Wednesday in the Setles hotel.

The luncheon table was decorated with three brass bowls filled with multi-colored snapdragons. Places were marked with carnation corsages.

Attending were Mrs. Robert Mendoza, Willadean Gist, Mrs. Ernest Scott, Mrs. Lawrence Finney, Wanda Warren, Mrs. J. C. Caraway Jr., Mrs. Alma Whitlock, Mrs. Cassa Edwards, Miss Minnie Lockett, Mrs. W. L. Baird and Mrs. Wilson.

### Watson, Pardue Betrothal Told At Tea In Rotan

An announcement tea held Friday afternoon in the home of Mr. and Mrs. A. A. Watson of Rotan revealed the engagement and approaching marriage of their daughter, Mildred, a student in Hardin-Simmons, to Gerald Pardue, son of Mr. and Mrs. Joe Pardue of Rotan.

A pink and white sweetheart theme was featured in table decorations. The table was laid in white brocade linen and centered with a double heart arrangement in white satin with double ruffles of pink net and white satin binding. In the center of the heart was a low crystal bowl of pink carnations, white stock and plumose. The whole arrangement was crossed by a wide band of white satin ribbon with the inscription in gold lettering, "Mildred and Gerald, June 15, 1946."

Miss Watson is a graduate of Rotan high school and is studying piano at Hardin-Simmons where she is a member of Beta Mu Kappa and the Players' club. She and her parents are former residents of Big Spring.

Pardue attended Rotan schools and is now employed in Big Spring.

The affair was attended by Martha Hobbs of Big Spring.

### Cornelia Frazier Presents Concert

Cornelia Frazier, daughter of Mr. and Mrs. Bruce Frazier, was one of two voice majors in the University of Texas music school presented in recital Monday night, opening a week series of student concerts.

Performing in joint concert with Ann Elkins of Houston, Miss Frazier is a student of Chase Barneo. Both girls sang leading roles in the university opera company's production of "The Chimes of Normandy."

Miss Frazier sang, "Non, je n'ai plus au bois," arranged by Weckerlin, "Il pleurs dans mon coeur," by Debussy, and "Ariete" by Paul Vidal in her first group. She then sang "I Know a Hill" by Whelpley, "O Beauty, Passing Beauty" by Gold, "Moon-Marketing" by Weavar and "The Bird of the Wilderness" by Horsman.

The concert was concluded by a duet, "Tutti fior" from "Madame Butterfly" by Puccini with both Miss Frazier and Miss Elkins.

### Mrs. Buchanan Presented Gifts

Friends of Mrs. Gordon Buchanan gathered at the new Buchanan home northeast of Big Spring Tuesday for a surprise visit.

After gifts were presented Mrs. Buchanan luncheon was served.

Attending were Mrs. Shelby Hall, Mrs. G. C. Broughton, Mrs. Jessie Hall, Mrs. Johnnie Broughton, Mrs. Eugene Long, Mrs. Pete Buchanan, Mrs. Warren Robertson, Mrs. Odel Buchanan, Mrs. Mrs. Holiday Wise, Sue Wise, Mrs. Munro Johnson, Mrs. Dillard, Mrs. Jack Shaffer, Mrs. Gussie Barron, Mrs. Howard Massey, Mrs. Johnny Walker, Mrs. Jessie Brooks, Mrs. Leona Baugh, Mrs. Eston Barbee, Mrs. Bud Walker, Mrs. Alice Walker, Mrs. L. Griffith, Mrs. Davis.

### Social Calendar

**FRIDAY**  
**FRIDAY AFTERNOON** Bridge Club will meet at 2 p. m. with Mrs. Roy Lassiter.  
 XYZ will have a joint social meeting with ABC at an "apron and overall party" at 8 p. m. in the country club.  
**FAIRVIEW HD CLUB** will meet at 9 a. m. with Mrs. Jim Skaliky, 801 N. Gregg, for a meeting with a covered dish luncheon at noon. Women will sew at the Red Cross.  
**RUTH CLASS** of First Baptist church will meet in the home of Mrs. Troy Gifford at 8 p. m.  
 H. A. Clark, manager of the local US Employment Service office, made a business trip to the district USES office in Abilene Tuesday.

### Mrs. Kennemur Feted At Party

Mrs. Noble Kennemur was surprised with a gift party Wednesday evening in the home of her parents, Mr. and Mrs. H. G. Carmack.

An informal social hour was held and refreshments of homemade ice cream and cake were served.

Attending were Mr. and Mrs. Pete Thornton, Mr. and Mrs. Vinile Hughes, Mr. and Mrs. K. Brooks, Mr. and Mrs. Benny Gringer and Gloria, Mr. and Mrs. Gordon Montgomery, Jimmy and Karen, Mr. and Mrs. Matt Hanson and LaVell, Helen Eubanks, Mrs. Louis Carlyle, Mr. and Mrs. Harvey Carmack, Hazel and Marilyn and Mr. and Mrs. Noble Kennemur and Johnny.

### Mrs. Wilson Fetes Faculty At Lunch

Mrs. Dorothy Wilson, principal of Kate Morrison school, entertained members of the faculty at a luncheon Wednesday in the Setles hotel.

The luncheon table was decorated with three brass bowls filled with multi-colored snapdragons. Places were marked with carnation corsages.

Attending were Mrs. Robert Mendoza, Willadean Gist, Mrs. Ernest Scott, Mrs. Lawrence Finney, Wanda Warren, Mrs. J. C. Caraway Jr., Mrs. Alma Whitlock, Mrs. Cassa Edwards, Miss Minnie Lockett, Mrs. W. L. Baird and Mrs. Wilson.

### Local VFW Members Attend Opening Meet Of Odessa Auxiliary

Dorothy Hill, Mary Ehlman, Sophie Cochron, Margaret Barnett and C. G. Barnett were in Odessa Wednesday evening for the instituting a new post of the VFW Auxiliary.

Mrs. Barnett, president of District Seven, installed 21 new members. The post was named for Paul G. Mahoney, first Odessa serviceman killed in action. His mother, Mrs. Crena Mae Brandon, was made president of the newly organized chapter.

A social hour followed the program and a refreshment plate was served.

**ENTERTAINS TEACHERS**  
 Mrs. J. C. Caraway entertained Mrs. Dorothy Wilson and Miss Minnie Lockett at dinner Tuesday evening. They are instructors at Kate Morrison school.

**Marriage Licenses.**  
 Ferrel Lee Brewer and Helen Marie Warren, Coahoma.  
 Oscar O'Neil Hunter and Mrs. Irene Heerne, Big Spring.  
 J. J. Winn and Mrs. Eunice Barber, Big Spring.

### Enrollment Begins For Summer School

Enrollment started Thursday morning for summer school. Those who contemplate summer courses in high school or seventh and eighth grades may get information by calling Mrs. Earl Brownrigg.

Letta Amerson and Mrs. Brownrigg will be in charge of the school, which starts June 10 at 9 a. m. with English, history, government and mathematics offered. Other courses will be provided in accordance with demand.

Remedial work will be provided for seventh and eighth grades. A maximum of one and half credits may be earned in high school work. Prices range from \$15 per single course to \$35.50 for three and \$52.50 for junior high work. The courses continue to Aug. 17 with only morning sessions.

### Texas Bread Size Is Fixed By Law

AUSTIN, May 30 (AP)—Texans want to help alleviate hunger in Europe, but under Texas law, the size of bread loaves can not be cut down 10 per cent to conform with the federal order, Agriculture Commissioner J. E. McDonald says.

The state laws affecting the size of loaves are administered by his department. He issued this statement on the situation:

"The laws of Texas fix the weight of bread to one pound, pound and a half or two pounds, or multiple thereof, and I have no authority to change the law. This would be up to the legislature when it meets next January."

"The law fixing the weight of bread was passed by the Texas legislature at the request of Texas bakers in order to protect the consuming public. I understand, however, that Texas bakers are voluntarily reducing the number of loaves of bread they are baking by 10 per cent, thus meeting the request of the federal authorities to comply with the program. Certainly every Texan wants to help in every way possible to alleviate hunger and starvation in Europe and Asia, but as Texas commissioner of Agriculture, I have no authority to set aside a law on our statute books."

**GOSSETT DAUGHTER BORN**  
 WASHINGTON, May 30 (AP)—A daughter, their fourth child, was born today to Rep. and Mrs. Ed Gossett of Wichita Falls, Tex.

Mrs. Wilson... to her home due to illness.

**PRESENT OPERETTA**—Pupils of the Farrar school will present Humperdink's operetta, "Hansel and Gretel" tonight at 8:15 in the municipal auditorium. The gingerbread people who form the scene around the witch's house include, from left to right, Franklin Williamson, Virginia Lee Johnson, Julius Glickman, Ronnie Richardson, Nita Kyle, and Buddy Pendleton. Dawn fairies who will do a toe dance are Lynette Elum, left, and Joyce Ann Pritchett. Dances were arranged by Betty Farrar.

### Have Family Reunion

The R. M. Alvis family is celebrating this week with a family reunion.

Clarence Alvis recently returned from service in the South Pacific as an electrician on the USASHS Marigold. He and his family now reside in Long Beach, Calif. Also home for the celebration are the Alvis' three daughters, Mrs. Jack Barber and family of New Harmony, Ind., Mrs. Tom Williams and family of Post, and Mrs. Jimmy Medford and family of Big Spring.

### Class Makes Trip

COAHOMA, May 30.—Seniors of the Coahoma high school spent the weekend in Carlsbad, N. M., where they went through the Carlsbad Caverns. Graduates attending were Ruby Helen Lindley, Ray Echols, Harry Echols, Esig Arnold, Loma Jean Buchanan, Melba Brannon, Frances Sheedy, Jamie Brewer, Bonnie Reid, Tommy Clark, Marion Roberts, Marion Hayes and Bill Woods. J. C. Bristol drove the bus and accompanying the class were Mr. and Mrs. M. R. Turner, Frances Kelsay and Marie Kelsay.

### Cockrells, Tanners Initiated Into Unit Of Eastern Star

COAHOMA, May 30. (SpD)—Rev. and Mrs. O. B. Cockrell and Mr. and Mrs. H. H. Tanner were initiated into the Coahoma chapter of the Eastern Star lodge when members met last week at a special meeting in the Masonic hall.

Three grand officers were present, Norman Reace, Grand Worthy Patron of Texas, Mrs. John Davis, Grand Adah, and Mrs. J. L. Adams, Grand Representative of Michigan.

Baskets of gladioli were placed in the East, and vari-colored flowers were at each table of the star points. Refreshments were served to approximately 75 members.

Big Spring (Texas) Herald, Thurs., May 30, 1946 9

**JOANNE RICE INITIATED**  
 Beth Joanne Rice, daughter of Mrs. Beth Rice, was recently initiated into Chi Omega fraternity, Iota chapter.

Mr. and Mrs. A. W. Page have as their guests, Mr. and Mrs. Luthar Cobb, Mrs. John Page, Mrs. Crossman, Marshall and John Edward Hill, all of Brownwood.

J. H. Taylor, who recently moved from Big Spring to Spur, is in town today conferring with SCS officials.

# We Must Work Our Way Out

Announcement of the settlement of the coal strike will be welcome news to the nation.

The resumption of production of soft coal will progressively loosen the shackles which have bound heavy industrial activities in general. Perhaps there will be no anthracite strike on the basis of settlements reached between John L. Lewis and his UMW and Secretary of Interior Krug.

At the moment, we are not familiar with the terms of settlement but presume they represent a point of agreement between the government and the UMW. In this event, the vital question of an eventual settlement with operators is pending.

The present arrangement will represent a beneficial expediency which will get soft coal, the life blood of big industry, back into the veins of commerce. It will, perhaps, enable many factories which have gone

through the rigors of management-labor difficulties successfully to point toward the goal of production.

Most of the adjustments reached since V-Day have, of necessity, been inflationary in effect. The only hope of offsetting them so that increases granted to workers will in fact be real increases is to work feverishly to bring supply back in focus with demand.

It is easy to say "if we had not had strikes, or 'if we had done thus and so, we would not be lagging in production." The fact is that we had them—it was obvious that we were going to have them. It is probable that we will have still more. It is wishful thinking to believe that the path can be made rosy.

It is wishful thinking, too, to entertain the thought that we have any course out of our troubled situation other than to work our way out. That means everybody.

# Problem Solution In The Making

Prospects are that Big Spring will get approximately 100 blocks of paving this year.

The city commission has taken steps to ask for bids on 50 blocks as a contract project and is proceeding on cash projects on its own hook. Four blocks have been signed on this basis, and seven others are about in shape.

Sufficient interest has been manifested on other streets to warrant surveys and esti-

mates. Response is better than we had anticipated on this type of program, and we hope it continues.

Thus, a problem in which the community is actively interested is in the process of solving. By working together forthrightly toward common goals of a better community, difficulties can be overcome and progress made.

The Nation Today—James Marlow

# Long Way Behind Coal Conservation

WASHINGTON, (AP) — Settling the coal strike runs deeper than just a conversation between John L. Lewis and J. A. Krug, secretary of the interior.

When Lewis started to argue with the mine owners almost three months ago, he demanded a pay raise and a health and welfare fund for his miners, the fund to be contributed by the owners.

Even if the owners had been willing to grant him everything he asked and then wanted to raise the price of their coal to make up for what they had given Lewis, they couldn't do it.

The reason: the government has a wage-price policy. Unless the government approves, an employer can't raise wages if it means he has to raise the price of his goods to make up for the pay raise.

If the owners had been willing to give Lewis anything he asked without raising coal prices, that would have been all right with the government as it would in the case of any employer raising wages but not prices.

But no one expected the owners to give Lewis what he wanted—or any part of it—unless they could

make up to some extent for these benefits to him by raising coal prices.

So, since the government would have to be consulted about that, the shadow of the government stood behind Lewis and the owners from the beginning of their talks.

The talks between Lewis and the owners got nowhere. The miners struck. President Truman finally told Secretary of the Interior Krug to take over the mines for the government and try to settle with Lewis.

The government didn't go into the mines to run them. It simply asked the mine owners to keep on operating their mines.

All they had to do was stick up an American flag and a notice saying the government had seized the property.

If the owners did not approve

## Boyle's Notebook

# Danish Movie-Making

COPENHAGEN, (AP) — During the final weeks of the German occupation of Denmark one film company here began filming the story of Danish resistance to the Nazis.

Friends of Lau Lauritzen threw an armed guard around his studio as his lone camera ground away.

Whenever a German car drew near an alarm bell sounded and actors, prop hands, cameramen and electricians ducked out along a hidden ditch until the peril of discovery was over.

Resistance readers provided

them with 20 German uniforms by waylaying Nazi soldiers at night. When Lauritzen said he needed a German major's uniform for one scene, the Danish underground leader replied:

"That's a little more difficult. I guess we will have to kill one. But don't worry. We won't get any holes in his uniform."

At this period patriotic Danes were also busy rubbing out their own collaborators. They cornered one on the fourth floor of a building.

Someone called an ambulance and when the driver drove up to the door and called "Where is the injured man?" — one of the resistance men shouted down "Here he comes!" And they tossed him down to the pavement from a fourth-floor window.

This resistance movie — "Red Acres" — has become popular throughout Europe and Lauritzen hopes it will be the first Danish film to have a wide showing in America. Hiterto Copenhagen-produced pictures have been shown only to Danish clubs in the United States.

## IF HE COULD SPEAK

Broadway—Jack O'Brian

# Pink Champagne Night

NEW YORK — We had a real of the Francis apartment was filled with gifts from the girls.

The pink bubbly affair was a sort of duff party, serving also as informal preparation for attendance at the opening of a Broadway show. The fourth of our little gang was Susan Hayward, wearing an incredibly expensive fur stole which had been rented for \$500 a day by the studio for the Central Park shots and which, she airily announced, she might as well wear for the big doings that evening, seeing as how it had to go back into its storage vault next day, anyway, to await some subsequent cinematic rental.

After the show everyone tramped drowsily over to the Stork Club, where Sherman Billingsley, with an eye for business, said there should be a big opening every Monday night — as if any night was an off night at his celebrity trap. We joined Louis Calhern and Marianne Stewart, and later were joined by playwright Charles MacArthur. After considerable yelling back and forth between tables with Moss Hart and his new best gal, Kitty Carline, and with Mrs. Danny Kaye, Armand Deutsch and assorted newspapermen and saloon habitués, the evening ended nicely, happily and in the sort of bright Broadway tradition which is consistently that gay only in the movies. Fun, though, for a change.

They both like a lot of the same things, theatrical and otherwise, and even have some highly diverting political discussions, all of which Marty thinks he wins but in which he doesn't always convince Ariene.

Martin, producer and actor in a good many Broadway shows, is the fellow who got the cash together when Oscar Serlin was producing "Life With Father," as a result of which he has had a comfortable chunk of that play for the half-dozen-plus years it has been knocking over various long-run records. He also has produced a couple of successful plays and a couple of turkeys, and as a strong aid to his financial status, he has had until his Hollywood job one of the finest and highest paid actors in radio.

Martin is east to supervise shooting of several scenes for his first movie for Walter Wanger, "Smashup." While he is in Hollywood, he used his finest blandishments to convince Ariene that she should marry him.

He came east when a camera crew shuttled across the continent to take shots with Susan Hayward in Central Park and Radio City for New York atmosphere. By the time Martin arrived, Ariene's gal pals had tossed a shower, and on the evening of the pink champagne party the living room

## Washington Merry-Go-Round—Drew Pearson

# Administration Splits Over Loan

WASHINGTON. — Top administration leaders were split wide open over the loan to France during a secret and significant meeting of the National Advisory Council.

Present were Secretary of the Treasury Vinson, chairman; Assistant Secretary of State Will Clayton, Secretary of Commerce Henry Wallace, Chairman of the Federal Reserve Board, and William McChesney Martin, head of the export-import bank.

Clayton took off by proposing that the council approve the \$650,000,000 loan. Secretary Wallace said he approved but wanted the record to show that he supported the French loan for economic and not for political purposes.

"I want the record to show," countered Chairman Vinson, "that I favor the loan for good and sufficient reasons, both economic and political."

Up to this point, the meeting was mild. Clayton casually announced that he had checked into the legality of the present French government and that it was capable of accepting and repaying the loan regardless of what happened in the June 2 elections. This gave Federal Reserve Board Chairman Eccles his opening.

French might resent the fact that we were trying to influence the election. We learned that lesson the hard way in Latin America." Then, looking at Assistant Secretary of State Clayton, formerly the world's largest cotton broker, Eccles concluded:

"Suppose the election goes wrong? Would we still give it?" Clayton beat around the bush a moment, but said that the United States probably would still approve some kind of a loan though with more strings attached.

Eccles then moved that the loan be held up until after the election. However, Clayton, having in mind a promise the State Department had already made to the French government, protested.

"We've stalled on this for six weeks already," Clayton said. "We can't stall any longer."

Eccles then moved that the French loan be scaled down to \$500,000,000, but was over-ruled.

In the end, the committee approved the \$650,000,000 credit from the export-import bank, with some side adjustments regarding lend-lease.

day's work, proposed that the special decontrol board created by the committee a day earlier might just as well be abandoned.

"Its work has been done for it," Taft said, referring to the fact that prices were to be removed from meat, poultry and dairy products on June 30, rather than be decontrolled gradually.

Replied Democratic Leader Alben Barkley, who fought a valiant though losing battle for price control:

"Oh, well, let's keep the board. As long as you have a corpse, you might as well have pallbearers."

## Capital Chaff

Cordell Hull now is writing his memoirs at his home in Carthage, Tenn., with the aid of Col. Andrews H. Berding, an old Washington newspaperman. . . . In preparation for the opening of a school of political action techniques in Washington. . . . OPA's Robert R. Brooks, one of the administration's top economists, returns to teaching at Williams college next month. . . . Presidential court jester George Allen has shed four pounds on a new diet. . . . Before going to the naval hospital with another illness, Senate President Kenneth D. McKellar, number one on the CIO purge list, named a special Senate election investigating committee loaded with senators sure to probe the CIO.

Bob Hannegan will throw his full weight behind ex-Governor Prentice Cooper of Tennessee as senatorial candidate against Hannegan's arch enemy, Tom Stewart, when Stewart comes up for reelection. That's one reason why Hannegan backed Cooper's recent appointment as ambassador to Peru.

## Rankin Wants Council Switch

Now that Mississippi's rootin'-tootin' Congressman John Rankin has \$75,000 to spend for his un-American activities committee, he is anxious to ditch committee counsel Ernie Adamson. Adamson is the gentleman who aroused public attention when he went on record as against democracy.

"I'm moving heaven, hell and high water," Congressman Rankin told a friend the other day, "to get Bob Stripling out of the Army. I need him. Adamson has put us in a jam. Stripling is more discreet and his mouth isn't as big as Adamson's."

Robert Stripling, the man Rankin wants to get out of the Army, for a long time was counsel to the Dies committee, and has the unique reputation of being one of the most deferred gentlemen ever to work on Capitol Hill.

For a long time the Dies committee got Stripling deferred as an essential worker. Finally, in August 1944, his Virginia draft board decided he wasn't so essential after all, and put him in I-A. However, three times congressmen intervened to prevent his action. But finally the Army caught him. He got in shortly before the end of the war with Germany, and now Congressman Rankin is pulling all sort of wires to get him out.

## Chinese Politics and US Money

At this point Henry Wallace spoke out and said it would be unfortunate if it leaked out to the French people that the United States had any major political considerations in mind in making its loan. This brought a rejoinder from Secretary Vinson.

"The half-billion dollar loan to China was a political loan and we made it on the basis of General Marshall's plea."

"If I had been present," Wallace snapped back, "I would have voted against the China loan."

At this point, the banker from Utah, Marriner Eccles, jumped in to the fray again.

"I think it would be very unfortunate," he said, "to make a loan just before an election in order to influence it. Besides, there would be no assurance that it would work out that way. The

# Nelson Resumes Match Play With Dick Hurton In Meet

**Jimmy Demaret Joins Twosome In Goodall**

NEW YORK, May 30 (AP)—Highlighted by the second half of the 36-hole international match between Byron Nelson and Dick Burton, the Goodall round robin golf tournament opens over the Winged Foot course at suburban Mamaroneck today after a wartime absence of five years.

Burton, Britain's duration open champion, faced the final round of his challenge match with Nelson with a deficit of six holes, carved out by the US PGA titleholder in their first 18-hole duel over the Charles River country club layout yesterday at Newton, Mass.

They will be joined by Jimmy Demaret to form the leading threesome in the opening round of the four-day Goodall meet, in which each of the 15 selected professionals meets all his rivals during the seven rounds.

At the end of the 126 holes Sunday, the winner will be decided by the number of gross points, based on the holes won.

Following the Nelson-Burton-Demaret threesome today will be Herman Hogan, top money winner of the year to date; Herman Keiser, hero of the Augusta Masters tournament, and Sam Snead.

A total of \$10,000 will be awarded, with \$2,000 going to the winner, \$1,400 to the runner-up and \$1,000 for third. Two rounds are carded each day after today.

In blating to a 6-up lead over Burton in their initial test yesterday, Nelson turned in a one-under-par 71 over the 6,415-yard Charles River course, on which he holds the competitive record of 68 set four years ago.

Burton, playing only two days after his arrival from England, uncovered a troublesome slice and a shaky putting touch which caused him to soar to a 79.

**Aggies To Graduate**

COLLEGE STATION, May 30. (AP)—A total of 225 graduates, many of them returned servicemen, will receive degrees here at Texas A. and M. annual commencement exercises tomorrow.

Rep. Hatton W. Summers of Dallas will deliver the address.

# Elias Gamboa Leading Tiger Hitter With .440, Montanez Paces Hurlers

Elias Gamboa, pilot of the Big Spring baseball Tigers, is currently setting the pace in team batting averages compiled recently by Juan Vega, Jr., club statistician.

Eleven safeties, including three for extra bases, in 25 trips to the dish has sent Gamboa's mark soaring to .440 for the year, 23 points better than Cruz Montanez, who

# Odessans, Legion Team Tie, 24-24

ODESSA, May 30.—In a game that went three hours, 10 minutes, the American Legion girls softball team of Big Spring and the Odessa All-Stars played to a wierd 24-24 deadlock here Wednesday evening.

Managers of the two clubs agreed to call it quits at ten minutes past midnight after the two nines had staggered through seven innings.

The Legionnaires were not at full strength what with three first string players on the sidelines. However, offensively, they didn't seem to need the absentees' plate punch.

A second game will probably be played between the two contingents in Big Spring Saturday night, June 8.

Score by innings:  
Big Spring—128 436 0—24 21  
Odessa (11) 76 000 0—24 19

# Y Boys Decision Salvation Army

YMCA's senior boys turned back the Salvation Army team, 9-5, in a softball game unreeled on the Army's diamond at West Fifth and San Antonio streets Wednesday afternoon.

The Y pulled away after being held on even terms through the first four innings of play. Andy Daylong was the victim of the victors' uprising.

Glenn Cagle hit a four-master for the losers.

# Gene Anderson, T. R. Farmer Angelo Entries

Something like a hundred of this section's finest amateur golfers were expected to tee off for the qualifying found in the West Texas Invitational golf tournament today at the San Angelo country club.

A war-time casualty, the tournament is being revived this year for the first time since 1941, the year J. T. Hammett, then of Ranger and Phil-Pe-Co, ousted Bobby Davidson of Sweetwater for the crown.

Hammett has since turned professional and will not be eligible to defend his championship but the field will be impressive, nonetheless.

Doc Brinkley, Iverson Martin and Gerald Lehman, three of the better simon-pures of the state, are coming out from Fort Worth. Doug Jones, Jimmy Dixon and Bill Maxwell will carry Ahlens' colors.

Red Covington, Butch Abbott and Monty Montgomery, among others, are representing the home course.

The next Odessa standout could very well be Hayden Fry, who had to play third fiddle behind both Thompson and Townsend last fall.

Other linksmen on hand were the A. G. Barnards, Senior and Junior, Lamesa; Allen Guinn, Mineral Wells, president of the association; Bobby Agnew, Balinger; J. C. Southworth, Sweetwater; and Josh Billings, Sweetwater.

Match play will begin on the morrow with 36-hole finals set up for Sunday.

# ABC Contingent To Play Forsan

Vernon Whitlington's ABC club softball team of Big Spring moves on Forsan this evening for a 7:30 exhibition game with Blacky Hines' Couden Gaugers.

The battle has no bearing on the Muniy league race but nonetheless is expected to attract a large crowd.

Lee Flowers is due to toe the club for the Clubmen while, Tody Williamson will be held in reserve. Hines is expected to counter with C. B. Long.

Whit has built a hard-hitting team around John Malaise, who has yet to be stopped this year.

Forsan high school's Buffaloes and a community team are booked to tangle in added attraction. Joe Green will probably shoulder the mound chores for the Bisons.

# Cattle In Sale

SAN ANGELO, May 30. (AP)—At the second annual distribution sale of the Texas Aberdeen-Angus Association here next Wednesday a total of 745 commercial females and 28 registered bulls will be put up for sale.

A German monk, Berthold Schwartz, is credited with inventing the cannon. Stones and darts first were used as projectiles.

# LOOKING 'EM OVER

With TOMMY HART Always ready to talk football, District Judge Cecil Collings descended upon Odessa the other day and proceeded to strike up a conversation that smacked of the autumn sport with a rabid fan of those precincts.

Coch Joe Coleman is supposed to come up with a mighty Odessa eleven in September, a team that will wrap up the District 3AA flag without too much trouble. At least, some students of the game in West Texas are handing the flag to Joe and Company without argument.

However, the fan holding discourse with Judge Collings wasn't at all sure the Hossees were going to be as strong as in 1945, mainly because there'll be no J. W. Thompson to churn up enemy turf as in former years and, too, End Rex Partridge will have gone his way.

There's a strapping young Townsend who's supposed to make all the supporters forget about Thompson but, according to some Odessans who should know, Byron can't compare with the hard-running J. W. in any respect.

For one thing, he hasn't the capacity for thinking as fast as Thompson. For another, he hasn't as much determination to make good—every important in any football player.

The next Odessa standout could very well be Hayden Fry, who had to play third fiddle behind both Thompson and Townsend last fall.

Our Town's Steers will probably outweigh the Hossees. John Dibrell, remembering that aw-

# Cats Increase Lead In Texas

By The Associated Press The Fort Worth Cats took a good lead in the Texas league last night with a doubleheader victory over the Oklahoma City Indians, 7-4 and 8-3.

Second place Dallas fell before the Tulsa Oilers, 4-3, in a 10-inning battle.

Shreveport at San Antonio was called because of rain. Wet grounds postponed the Beaumont at Houston game.

In the first game Fort Worth rode high and heavy all the way, scoring four times in the opening inning and three more in the fifth. The Indians garnered one in the first and rallied three more in the fourth.

In the second stanza, Oklahoma led off with single runs in the first and second. However, Fort Worth settled with a lone run in the fourth, a six-run barrage in the fifth, and another in the eighth. The Indians scored a third run in the ninth.

The Tulsa Oilers staged a two-run ninth inning uprising to tie the Rebels and then went on to sound Taps with another in the over-time inning. The Dallas defeat evened the four-game series, two and two.

Today's schedule:  
Dallas at Oklahoma City.  
Fort Worth at Tulsa.  
Beaumont at Houston.  
Shreveport at San Antonio.

# All-Star Boys Game To Be Played June 8

DALLAS, May 30. (AP)—North Texas' outstanding young baseball player will be selected during a try-out camp and all-star game at Rebel Stadium here June 8.

The player selected will receive an all-expense paid trip to Chicago for the All-American boys' baseball game Aug. 10 and will be assigned to the West team managed by Ty Cobb. The East team will be piloted by Honus Wagner.

Players who will not be 18 years of age on or before Sept. 30 and have no further eligibility in Texas interscholastic league sponsored are eligible to compete for the place. Try-outs will start June 8 and the all-star game will be played that night following the championship game in the Texas high school baseball tournament.

# Elliott Hurls One-Hitter

Inspired by Tommy Elliott's one-hit pitching, the Veterans of Foreign Wars sprang what was probably the prize upset of the Muniy softball league season Wednesday evening at the city park by blanking the Coahoma Stanolind Oilers, 6-0.

The Oilers were previously unbeaten but the Vets outplayed them all the way. Elliott's defense was superlative.

Timely hitting by Doc Malone, Johnny Miller, Jake Anderson and Joe Blackwell caused the ex-GI's to explode in the second and third rounds. They rolled up three runs in the second and added another pair in the third.

Roy Weeks toiled on the hill all the way for the Coahomans. Coca-Cola turned in another triumph in the second go, routing Howard County Implement company, 14-7. Perry Mathis, new skipper of the implementers, sent D. D. Douglass to the rubber but

he was victimized by unsteady fielding. Manhattan returns to action in tonight's initial bout when it plays the high-flying Redcaps representing Doc Wilkinson's Service Station. A defeat will eliminate the loser from title consideration. Game time is 7:30 p. m.

Cosden's Oilers, given an excellent chance at the league flag with the defeat of the Stanolind club, squares off with Big Spring Hardware in the afterpiece.

# National AAU Track Show A Certainty

SAN ANTONIO, May 30. (AP)—The polio epidemic here will not cause cancellation of either the Texas AAU or national AAU track and field meets next month.

At present the polio ban affects only persons under 21 years of age and this is expected to be lifted next week.

The state AAU, qualifying meet for the national, is scheduled June 14. The national AAU will be held June 28-29.

# No Change In East Texas Standings

By The Associated Press League leaders in the East Texas league marked up close margin wins to hold positions in the standings.

First place Henderson took a 4-0 win over fourth-place Tyler. Second place Paris Red Peppers, only .003 behind Henderson, eked out a 2-0 victory over Texarkana.

Jacksonville, third in the league, used up 12 hits to manage a 2-0 win off Lufkin. Greenville at Sherman was postponed, rain.

**Dave Ferriss No First Year "Morning Glory"; He Bumps A's For 7th Victory**  
By The Associated Press Even Dave (Boo) Ferriss' severest critics agreed today that the Boston Red Sox' sensational righthander was no mere first year "morning glory."  
Five weeks ago, after the ex-army-air force sergeant was driven from the mound under a barrage of base hits for the second straight time, fears were openly expressed that the soft-spoken, Mississippian, who thrilled the baseball world last year by winning 21 games in his first big league campaign, might be in for a rough season in 1946.  
The dubious ones pointed out that eight of Ferriss' 10 defeats in '45 came in the final two months of the season, or just about the time the pre-war stars began to trickle back into the big league lineups.  
Saved from defeats in his first two starts only because of the slugging prowess of his mates, Ferriss went on to roll up seven straight victories in less than a month's time to prove conclusively that he was not haunted by the sophomore jinx that has tripped up many a first year wonder.  
Yesterday he made it eight in a row by blanking the Philadelphia Athletics 2-0 to duplicate his freshman season performance when he won his first eight decisions.  
The Yanks called on their 42-year-old standby, Charley Ruffing, to stave off Washington's bid to oust them from second place, and old Rufus responded with a brilliant three-hit 4-0 victory.  
Southpaw Vic Lombardi became the first National league pitcher to record seven triumphs when he throttled the New York Giants on five hits in pitching the Brooklyn Dodgers to a 5-1 victory.  
The Cards, with pitcher Harry Brechen, and outfielder Terry Moore collaborating, whipped the Cubs, 5-2.  
Detroit's Hal Newhouseer joined Ferriss as the majors' only eighth-game winners when he pitched the Tigers to a 4-1 decision over the Cleveland Indians.  
The Cincinnati Reds replaced the Cubs in third place by edging out a 7-6 victory over the Pittsburgh Pirates.  
Schoolboy Rowe held the Boston Braves to five hits under the arc lights to pitch the Philadelphia Phillies to a 3-1 triumph.  
The St. Louis Browns and Chicago White Sox were not scheduled.

LEGAL NOTICE  
THE STATE OF TEXAS  
TO: DAPHNE MYRICK, GREETING:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 24th day of June, A. D. 1946, at or before 10 o'clock A. M. before the Honorable District Court of Howard County, at the Court House in Big Spring, Texas.

Said plaintiff's petition was filed on the 10th day of October, 1946. The file number of said suit being No. 5659.

The names of the parties in said suit are Randolph Myrick as Plaintiff, and Daphne Myrick, as Defendant.

The nature of said suit being substantially as follows, to wit: A suit for divorce alleging that Plaintiff has been for a period of 12 months prior to the filing of petition an actual bona fide inhabitant of the State of Texas, residing in said County of Howard for at least six months next preceding the filing of said suit; that on or about the 23rd day of March, 1934, Plaintiff was lawfully married to Defendant in England, that they continued to live together as husband and wife until on or after the 15th day of September, 1945, when by the misconduct of said Defendant this Plaintiff was forced to permanently abandon and separate from said Defendant, since which time they have not lived together as husband and wife. Plaintiff further alleges that he treated Defendant with kindness, but Defendant disregarding her marriage vows, lived and cohabited with another person while Plaintiff was in France in the military service; that an illegitimate girl was born to said Defendant by reason of her illegally cohabiting with another person, and further alleging that there was one legitimate child born to said wedlock, Martin John Myrick, a boy about two years of age; that said minor child is with the Defendant in England and Plaintiff having no claim to the custody of said child; that there are no property rights to be adjusted, Plaintiff praying for a divorce dissolving said marriage relations, etc.

Issued this 7th day of May, 1946.

Given under my hand and seal of said Court, at office in Big Spring, Texas, this 7th day of May A. D. 1946.

GEO. C. CHOATE, Clerk, District Court, Howard County, Texas.

Roll of Unemployed Exceeds Jobs Open In Big Spring Area

Big Spring area's roll of surplus workers passed the 800 mark during the past week, registering an increase of 20, the local US Employment Service office reported today.

Of the 802 unemployed now listed, 532 are veterans. Fifty-seven were placed on jobs, 16 below the previous week's figure, while job openings currently listed total 33.

An aggregate of 396 workers and employers contacted the office during the week.

Principal local demands for labor include one yardman, one stock clerk, one ticket agent, two salesmen for construction and building supplies, one automobile and body repairman, one automobile mechanic, six hospital workers, one insurance salesman, one laborer, one dishwasher, seven waitresses, one stenographer, two linen room women, one sales clerk and six maids.

An urgent call has been issued for workers in a chemical plant in New Mexico. Desired are applicants between 25 and 35 years old, with at least one year of high school chemistry and several years of process work in a war plant or oil refinery. Openings also are listed in several skilled trades in other Texas, New Mexico and Louisiana towns.

2. The bid shall be in duplicate addressed to the City Secretary, City of Big Spring, Texas, and plainly marked "Bids on Street Paving for the City of Big Spring, Texas."

3. A certified or cashier's check in the amount of 5% of the total bid and made payable to G. W. Dabney, Mayor, shall accompany each bid. The construction bond shall be 100% of the total cost of the job. The maintenance bond shall be 33 1/3% of the total cost of the job.

4. Bids will be received at the office of the City Secretary until 2:00 P.M. C.S.T. Wednesday 12th day of June, A.D. 1946 and then publicly opened at the City Commissioners' special meeting of this date and read aloud. Any bids received after the above closing time will be returned unopened.

5. The work shall be done and completed in accordance with the plans and specifications and directions of the City Engineer.

6. The successful bidder will be required to execute the standard city form construction contract prepared and supplied by the City of Big Spring. The contractor shall supply construction bond in the amount equal to 100% of the contract price as provided by the contract. The contractor shall guarantee maintenance as provided for in the specifications on file in the office of the City Engineer.

7. In case of ambiguity, duplicity or obscurity in bids, the City Engineer shall have the exclusive power to construe and apply the meaning thereof.

8. No bids shall be withdrawn after the scheduled closing time above set.

9. The City reserves the right to reject any and all bids and normally must be complied with.

10. Attention is called to Article 5159a Revised Civil Statutes of Texas requiring that not less than the minimum wage prevailing in the locality in which the work is performed for work of a similar character shall be paid.

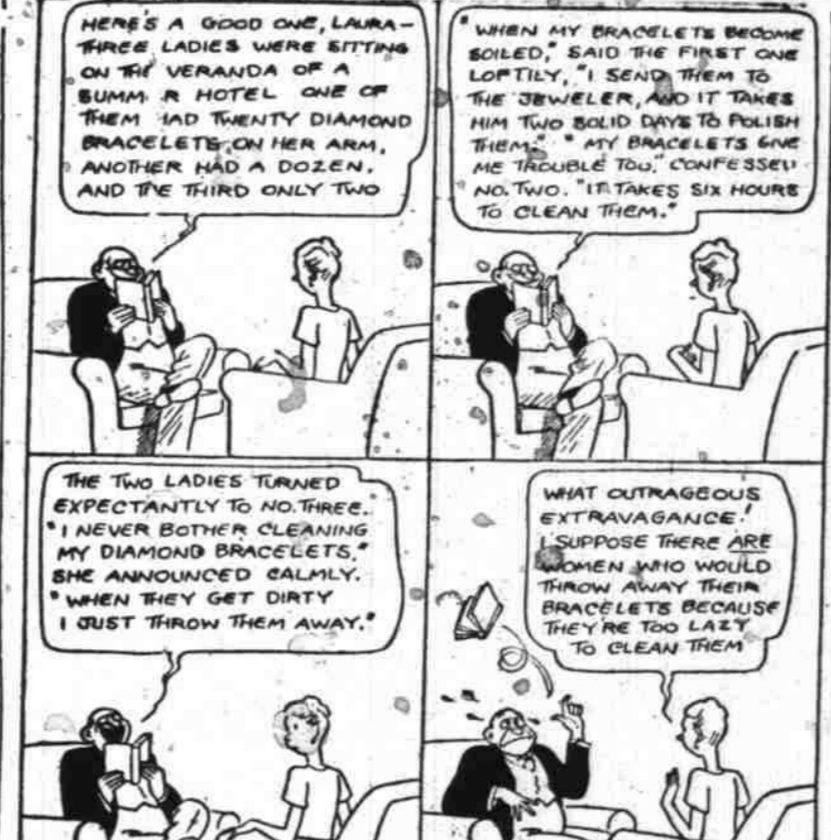

11. Bids will be received on all prices for the construction of 1 1/2 inch by 18 inch combined curb and gutter, 36 inch gutter, 48 inch gutter and drive, 8 inch caliche base, three courses inverted asphalt penetration, 6 inch x 12 inch concrete paving headers; all in accordance with the plans and specifications on file in the City Engineer's office. Contractor may cure complete sets of plans and specifications from the office of the City Engineer upon deposit of \$1.00, said deposit to be refunded on return of plans and specifications.

12. Attention is called to the method of payment, all as provided for in the plans and specifications now on file in the office of the City Engineer of Big Spring, Texas.

13. Done by order of the City Commission of the City of Big Spring, Texas, this 28th day of May, A.D. 1946.

C. R. McCLERNY,  
City Secretary,  
City of Big Spring, Texas.

Capt. John Smith, whose adventures in history, also wrote a book of travel books.

HERE'S A GOOD ONE, LAURA—THREE LADIES WERE SITTING ON THE VERANDA OF A SUMMER HOTEL ONE OF THEM HAD TWENTY DIAMOND BRACELETS ON HER ARM, ANOTHER HAD A DOZEN, AND THE THIRD ONLY TWO.

WHEN MY BRACELETS BECAME SOILED, SAID THE FIRST ONE LOFTILY, "I SEND THEM TO THE JEWELER, AND IT TAKES HIM TWO SOLID DAYS TO POLISH THEM." "MY BRACELETS GIVE ME TROUBLE TOO," CONFESSED ANOTHER. "IT TAKES SIX HOURS TO CLEAN THEM."

THE TWO LADIES TURNED EXPECTANTLY TO NO. THREE. "I NEVER BOTHER CLEANING MY DIAMOND BRACELETS," SHE ANNOUNCED CALMLY. "WHEN THEY GET DIRTY I JUST THROW THEM AWAY."

WE LOCATED THE MAD BARON, BLEEKER, BUT WE COULDN'T GET NEAR HIM, NO SAFE LANDING PLACE—SO SWEENEYS PUTTING SKIS ON THE WIGWAGON. WE'RE GOING TO LAND IN A FJORD ABOUT A DOZEN MILES AWAY.

NOW YOU'RE TALKING SAWYER.

BROTHER!! IF ANYONE EVER CALLED THIS PLACE DEAD, THEY WERE RIGHT—AND BY AT LEAST BUFFY YEARS!—I'LL SEE IF I CAN STRIKE UP SOME "TRIP VAN WINKLE" AND GET OUR DIRECTIONS!

HMM—LET'S TRY IN HERE—EVEN IF IT DOES LOOK MORE LIKE THE CHAMBER OF HORRORS THAN COMMERCIAL.

MISS BRAVO! LOOK ON THAT WALL!

HERE GOES, BLEEK. WE'RE TAKING AMPLE PROVISIONS; SO DON'T WORRY IF WE FAIL TO RETURN RIGHT AWAY.

BUT THE TAKE-OFF IS PLANNED FOR 8:00 BY RAIN AND FOG. SPRING COMES TO GREENLAND. BIRDS ABOVE, PURPLE FLOWERS BURST INTO BLOOM. SILVER WATERFALLS CASCADE FROM EVERY MOUNTAIN.

AND DON'T GET UP A SWEAT IF WE FAIL TO LOOK FOR YOU OLD BOY—YOU'RE FLYING THE ONLY SERVICEABLE PLANE IN GREENLAND.

Miss Jerome makes an appearance here Friday night on the "Stars of Showtime" show, sponsored by the American Legion and to be held at the municipal auditorium at 8:15 p. m. Joe Allen, singing star of stage and screen, will lead the all star cast of entertainers through touches of music, song, dance and comedy.

**UNIVERSITY FACULTY CONTINUES TO REVIEW PAINTER'S ELECTION**

AUSTIN, May 30 (AP) — The University of Texas faculty will continue its review today of the campus controversy over the recent election by the board of regents of Dr. T. S. Painter to permanent presidency of the university.

Yesterday by a close vote of 186 to 160 they rejected consideration of a resolution which would have expressed "deep regret" over Dr. Painter's acceptance of his new post. The resolution had been offered as a substitute for one proposed earlier which would pledge "support and cooperation" to the new president.

The harmony resolution is still before the faculty and action on it is scheduled when the meeting is resumed at 4 p. m. today.

Yesterday's vote was taken by secret ballot and by roll call after the closed meeting had run two hours and 20 minutes.

The meeting had been called by petition of 102 faculty members to hear a report of a faculty-elected committee named to counsel with the board of regents in the election of a permanent president to succeed Dr. Homer P. Riney whose discharge in 1944 touched off a controversy which has boiled ever since.

Dr. Painter appeared before the faculty at the beginning of yesterday's meeting and asked their "whole hearted support and cooperation" without which he said no administration could long endure.

He recounted his words to them in 1944 when he disavowed any candidacy for the permanent presidency in accepting appointment to the temporary post.

Dr. Painter said he meant every word of what he then said. He gave three reasons for the statement: That he had prepared himself for teaching and research, that he doubted his capacity to fill the administrative position, and that the heavy duties of the presidency would most likely shorten his life.

"Because of my earlier statement to you, I know that if I accepted you would, and justly, criticize me for not holding to my earlier position," Dr. Painter said.

**Wolfe, Green Named Honor Students As 110 Seniors Receive Diplomas**

"Good old rugged honesty & the most important of all virtues for successful living," Don Morris, president of the Abilene Christian college in Abilene, told 110 members of the 1946 graduating class of Big Spring high school last night in the municipal auditorium.

In his brief talk, Morris laid down three rules for living for the young graduates: be honest, respect elders, and respect God. A young citizen whose word is good and trustworthy, who can listen and profit by the experience of his elders, who trusts and is faithful to God will have little trouble making a successful life, Morris declared.

Lina Jane Wolfe and Evelyn Green were announced as valedictorian and salutatorian and awarded scholarships to any college in the south. Bobby Pritchett was given the award for having made the most advance in science in his four years of high school.

Seventeen students were listed as new members of the National Honor Society, and as in the upper 10 per cent of the class. They included Miss Wolfe, Miss Green, Frances Weir, Dorothy Brown, Billie Jo Bates, Muriel Floyd, Betty Jane Hutchings, Luan Wear, Ruth Ella Hobbs, Dorothea Westerman, Anna Clair Waters, Mable Smith, Mary Nell Cook, Betty Ray Nall, Melba Dean Anderson, Stella Tynes and Bobby Pritchett.

Joe O'Brien, member of the class, played both the professional and recreational. Rev. J. E. McCoy, pastor of the First Christian church, pronounced the invocation and Rev. J. Roy Clark, pastor of the East Fourth Street Baptist church, the benediction.

Helen Blount sang "Dawn" and the girls' ensemble sang "Where My Caravan Has Rested" and "The Builder." The entire class sang the school song after the presentation of diplomas.

George G. White, member of the board of education, presented the diplomas after the class had been declared graduated by W. C. Blankenship, superintendent of schools, who presided at the exercises.

Graduating students included: Tom Amerson, Melba Dean Anderson, Evelyn Arnold, Geraldine Bagley, Betty Lou Baird, Mildred Balch, Gill Alfred Barnett, Billie Jo Bates, Martha T. Beck, Jimmy Black, Ann Blankenship, Helon Jacqueline Blount, J. Y. Blount, Robert Boadie, Bobbie June Bobb, Wanda L. Bradward, James Brooks, Dorothy L. Brown, Mary Lou Buckley, Richard Burns.

A. J. Cain, Jr., Castle Campbell, Billy Casey, Tony Castillo, Hugh W. Coughy, Mary Ellen Chown, Edith Maxine Christian, Billy C. Coleman, Mary Nell Cook, Wilfred Cross, Dorothy Day.

On this Memorial Day we pay tribute to our war dead. Especially do we honor those who gave their lives during the long conflict so recently ended—the stalwart heroes of World War II whose supreme sacrifice brought Victory and the promise of permanent Peace to a bleeding and suffering world. In memory of these brave men and the brave men of all previous wars let us bow our heads in silent meditation.

This List Is As Near Complete As We Have Been Able To Ascertain.
