TEX'S TOPICS

We hope what we are about to do today will not be considered in the light of breaking a confidence.

We have an article, written by a Pampian, who sent it in just for us to read.

It is an interesting article and should be of interest to others as well as the conductor of this space who is not entitled to such special privilege as the author of the article has extended.

So, we are presuming that if we do not reveal the author's name that it will be all right to publish the article, which is in autobiography form and, perhaps, may be recognized by some. It shows deep thought and appreciation for the good things of life. The article:

"My childhood takes me back to the state of Oklahoma, about ten miles north of Apache, on a farm my father homesteaded.

"We had almost as many Indians for neighbors as we had white people, though none of them lived closer than half a mile.

"I remember one time an old Indian woman came over to our house, and asking my father to bring her a coffin from town.

"During the day the baby had died, and the old Indian woman wrapped it up, and walked about five miles, where she met her father who had the coffin. She opened it up there and they took it to their cemetery that evening.

"The Indians had no idea of value. They were lazy and seldom ever bothered raising chickens.

"I had to walk three-quarters of a mile to catch the school-wagon. Yes, it was a wagon, not a bus, and after I was on the wagon, I rode four miles to school.

"My mother took care in clothing and feeding me well, and during the six years I went to that school I never was sick a day, and received four certificates for never being absent or tardy during the whole year.

"It would be the height of my own children's glory to have a pony all their own, and be free to ride over hills and canyons as they please.

"I was thirteen years old before I had a Christmas tree. I always hung my stockings, and somehow there is still a pleasure in hanging a stocking that I do not find in gifts on a Christmas tree.

"Twice a year, and maybe three times a year, I would always get to go on one load of wheat, and always once at Christmas time. I can't remember of being as dissatisfied as I have been

CENTER YOUTH GIVEN 50-YEAR TERM IN PEN

OBSERVERS EXPECTED HEAVY PENALTY FOR BRAMLETT

CARTHAGE, Sept. 24 (AP)—A jury sentenced Terrence Bramlett to 50 years penal servitude today for the murder April 23, of Marlie Childs in Center.

The 21-year-old former CCC worker received the sentence with a weak smile. Nearly all observers had expected a heavier penalty.

The state had demanded death for the youth, who admitted an illicit love affair with the slain man's pretty 24-year-old wife, Reable Childs. Mrs. Childs was also convicted in the killing and sentenced to 25 years in the penitentiary.

Bramlett had previously signed a statement in which he said he shot Childs. He repudiated this, saying he feared his sweetheart would be harmed by rangers who had her in custody.

A CCC camp companion of the convicted youth testified he had been offered \$3,000 to "put Childs out of the way."

Bramlett said he had not made the offer. He said his entire connection with the killing was in bringing Mrs. Childs a rifle with which the slaying was committed.

Defense attorneys secured a change of venue here from Shelby county on the grounds feared regarding the killing of Childs, a cripple and former county treasurer, was so high fair trials would be impossible.

During his trial Bramlett outlined his first meeting with Mrs. Childs and told how he had "wanted to marry her honorably."

Bramlett said he once went to Chicago to escape the woman's attention. He told of meeting her in tourist camps, hotels, and the office where her husband conducted the county's mercantile business.

The bullet killed Childs as she brushed his teeth. It was of small caliber and struck him in the head. Attorneys for Mrs. Childs said they would appeal. They said they believed the state had presented insufficient evidence to prove the woman and Bramlett had plotted to kill her husband.

Commodities Will Be Distributed Here Tomorrow

BECAUSE their pay checks have been delayed for more than a week, Pampa PWA workers on the fairgrounds and sewing room projects will receive tomorrow a special consignment of surplus commodities from the Amarillo office.

The commodities will be sent here tomorrow by truck and will be distributed to the workers.

Mrs. Willie Baines, county welfare agent, said today that workers, in order to be eligible for the commodities, must call at the relief offices on the third floor of the courthouse building and obtain commodity identification cards.

'MERCY DEATH' TAKES BABY AS FATHER WISHED

Infant Dies Despite Operation to Save Him

CHICAGO, Sept. 24 (AP)—Baby Julian Tafel found mercy today in death.

The fate he had fled since birth—and once escaped—last night stopped the heart that kept his malformed body alive for six days of harried existence.

It was a painless end, the kind of "mercy death" his father had hoped for, against his mother's wishes.

Starvation had been decreed by a "bottomless" colon, and from the start the father favored letting "nature take its course."

The mother's pleas went out, and an operation on Tuesday stayed off death. But the child was doomed.

He had no chance from the beginning, it was disclosed by an autopsy performed two hours after the baby's oxygen tent. Had he not died of uremic poisoning after the operation, a necessary secondary operation would have killed him, they declared.

Not only was the large intestine incomplete, Dr. Lewis K. Eastman reported, but the bladder was torn and had failed to separate from the kidneys.

HOUSTON, Sept. 24 (AP)—Little George Kuhlman, eight weeks old, nursed a bottle today with a hearty appetite, unaware he has survived a rare surgical operation.

Surgeons said the child had undergone an operation as unusual as that performed in Chicago on baby Julian Tafel Jr.

He was three days old when doctors operated and learned his stomach had no outlet. A small section of the intestine was malformed and withered.

The doctors made an opening in the stomach and connected it with the healthy part of the intestine. For several days they fed him a coarse cereal. Finally the baby went down on an ordinary diet.

FIRST BLOOD IS DRAWN IN RAIL STRIKE

ALL ARMED GUARDS TO BE ARRESTED IN SHREVEPORT

SHREVEPORT, La., Sept. 24 (AP)—Armed guards employed by the L. & A. railroad for the purpose of patrolling the railroad's property must have a commission from the State Bureau of Identification to carry a gun concealed on or about their person, or be subject to arrest and prosecution, Sheriff T. R. Hughes said here today.

The new Deal farm program is defended in today's article by Mr. Jones, who is chairman of the House Committee on Agriculture.

SHREVEPORT La., Sept. 24 (AP)—The sheriff's and district attorney's departments here today announced that all armed employees of the Louisiana and Arkansas Railway company, who are transportation union men on strike, will be arrested for carrying concealed weapons, even if on the trains of the railroad company, unless they are commissioned to go armed.

This attitude in Shreveport is the same as that taken by authorities at Minden, where several armed guards, not commissioned to go armed, have been arrested since the strike began last Saturday.

SHREVEPORT, La., Sept. 24 (AP)—With first blood drawn in the strike of employees of the Louisiana and Arkansas railroad system, union strike leaders charged today that officials of the L. & A., and its connecting line, the Louisiana, Arkansas and Texas, had failed to comply with provisions of the railway labor act.

Two men were hurt at Minden, La., in a flare of violence. Strike sympathizers hurled rocks and bottles at a train crew at the Minden depot, injuring R. Norwood, 50, L. & A. division trainmaster.

H. L. Gray, one of a total of 17 alleged company employees arrested since the strike began last Saturday, was knocked unconscious as he left the Minden courthouse after being released on bond from a charge of carrying concealed weapons.

W. R. Gallagher, chairman of the Texas legislative board of the Brotherhood of Locomotive Engineers, charged at a mass meeting at Greenville, Tex., last night that the L. & A. decline to meet provisions of the railway labor act. Rates of pay, he said, had been unreasonably depressed below those of standard carriers.

Marvin Jones Is Author of Demo Article Today

Readers of the Pampa Daily NEWS will be especially interested today in the article by Rep. Marvin Jones, of Amarillo, which appears on the editorial page.

Mr. Jones is representative to the national Congress from the 18th Texas district and in his article today takes the Democratic side in the series of stories, "Both Sides of the Campaign," which is appearing daily in this newspaper.

RARE DIVORCE DECREE GIVEN AMARILLO MAN

Couple Separated 10 Years, Records Show

A T. Parton of Amarillo, Gray county oil operator, was granted a divorce in district court here yesterday afternoon from Mrs. Maye Parton of Austin.

Court attaches said the decree was rare in local court records because it was granted under the "ten-year statute," which makes separation for ten years or more sufficient grounds for divorce.

In handing down the decree, Judge W. E. Ewing also approved a property settlement involving a division of certain stocks, land and royalty interests in Gray county.

Divorces also were granted yesterday by W. O. Brock from Floyd Brock, Floyd Smith from Lou Baker, and Georgia Baker from Lou Baker.

BORGER YOUTH KILLED IN MEXICO MOUNTAINS

(Special to the Pampa NEWS) BORGER, Sept. 24 (AP)—Details of the accidental death from gunshot wounds of Harlan Kattell, 16, somewhere in the New Mexico mountains yesterday afternoon have not been learned here.

Yung Kattell, son of Mrs. Des McRay and step-son of Dr. E. S. McRay, 13-year-old, was killed in the New Mexico mountains with friends when he was killed.

The body is enroute to Prryton, former home of the youth, where funeral services will be conducted at 2 o'clock tomorrow afternoon.

TEXAS SYSTEM IS VICTOR IN OIL DISPUTE

AMICABLE SETTLEMENT OF CONTROVERSY IS REPORTED

WASHINGTON, Sept. 24 (AP)—Texas' oil proration system apparently emerged the victor today over the federal government in a dispute involving the right of the internal revenue bureau to seize and sell illegally produced oil to satisfy tax claims.

William McCraw, Texas attorney general, reported amicable settlement of a controversy between the state and the bureau over disposition of 543,000 barrels of illegal crude and its products in the East Texas field.

McCraw explained the difficulty in this manner: Internal revenue bureau agents at Kilgore quietly filed notice of intention to sell the oil to satisfy an income tax assessment against a man who once owned it, Texas, legal possessor of the contraband because it was produced in violation of state law, argued in the courts the government could not confiscate its property to satisfy a claim against an individual.

McCraw and his assistant, W. J. Holt, reported yesterday that two days of conferences with representatives of the treasury, interior and justice departments produced "highly satisfactory" results, and added that as far as any "destruction of the accomplishments of conservation in Texas is concerned the fence is still 'horse high, bull strong and pig tight'."

McCraw said he believed the internal revenue bureau would drop its original plan since Washington officials "seem to understand the situation better now" and realized "the danger of the original plan to Texas oil laws."

McCraw protested that the plan, which he feared would "open up East Texas again" if carried to completion, would permit the federal government to seize oil the state had declared illegal, and worth considerably more than the tax claim.

JAPS BAR SEPTEMBER ISSUE OF 'FORTUNE'

TOKYO, Sept. 24 (AP)—The September number of Fortune magazine, published in the United States, was banned in Japan today because of an article which it was declared, treated Emperor Hirohito indecently.

NEW YORK, Sept. 24 (AP)—The editors of Fortune magazine said today they did not know why the September issue has been banned in Japan. They said so great was the care taken to avoid offense that the chrysanthemum on the cover had only fifteen petals, because the emperor alone (in Japan) has the right to use sixteen.

W. T. Fraser returned yesterday from an extended trip to south Texas.

People You Know

Pampa's housing problem is a many-headed octopus but the ugliest of those heads is "Chicken Coop" town, east of the Five Points, and in the poorest hovel of all, a shelter that could not be called a good chicken coop there lives an aged mother and her son, neither of whom can be blamed because they have no job, no money and so little food! The pitiable aged woman's husband is dead but when he was alive he made a good living, and she has not always been poverty-stricken.

They have no fuel, no stove, and they cook over a fire on the ground near the hovel, and the old woman these cool evenings and mornings shivers in her rags. Slow starvation has made her much thinner since they came here in June from a Panhandle town where they lived respectably, soberly.

And in Dallas they are quoting the President's plea "the obligation of every individual" as they mobilize the community chest, and in Corsicana and a dozen other cities they are preparing to take care of the aged and helpless, the unemployables, the old people who daily look in vain for their old-age pensions!

Youthful Pianist Also Uses Fingers In Cotton Patch

"From the cotton patch to the Metropolitan."

Some day, more than likely, that will be a newspaper headline when Ward Harris, 17-year-old farm boy of Harrold, Tex., reaches the apex of his career as a pianist.

Ward, whose photograph looks not unlike that of the youthful Leopold Stokowski of Philadelphia symphony fame, will be presented in concert at the First Methodist church basement Tuesday evening, Oct. 6, at 8:15 o'clock by Boy Scout troop 80 which last fall sponsored the Esther Johnson concert here.

Ward, whose teacher is Charles Kiker, of Wichita Falls, a former pupil of Leopold Godowsky, spends part of his day picking cotton on a farm north-east of Harrold where he has lived six years. He practices four hours a day, and much of that time is spent on scales which limber up his fingers which become stiffened while picking cotton.

The youth attracted statewide attention and profuse praise from critics last summer when he played Chopin's Liszt compositions for an hour over a Wichita Falls radio station. He has been invited to play at the Centennial.

AMBASSADOR TO PROBE SLAYING OF JAP MARINE

Chinese Protests Are Curtly Rejected By Invaders

BY MORRIS J. HARRIS (Copyright, 1936, By The Associated Press) SHANGHAI, Sept. 25 (Friday)—Residents of Shanghai's Japanese community, part of the international settlement area under the military control of Japanese marines, early today asked Tokyo to "dispatch immediately to China land and sea forces sufficient to accord full protection to Japanese lives and property."

The petition was sent in an atmosphere slightly eased by the absence of further incidents following Wednesday night's shooting of three Japanese marines, one of whom died. Patrols of Japanese bluejackets continued a vigilant patrol in the Hongkong area.

The Japanese residents of the section, however, admittedly were apprehensive lest there be further trouble.

TOKYO, Sept. 24 (AP)—Settlement of differences between China and Japan, heightened by the killing of a Japanese marine in Shanghai, was placed today in the hands of Shigeru Kawagoe, Tokyo's ambassador to Nanking.

If Kawagoe fails to halt anti-Japanese attacks, it is understood the emperor will order Emperor Hirohito would insist the dispute be tackled by Chiang Kai-Shek, military overlord of the central Chinese government.

Decision to allow Kawagoe to continue diplomatic negotiations was followed today by a conference between Japanese naval, military and civilian authorities.

Government officials, who declared relations between China and Japan were the worst since 1932, asserted belief the latest incident at Shanghai pre-empted any military action against systematic plan by Chinese terrorists.

SHANGHAI, Sept. 24 (AP)—Japanese official backed by armed marines, patrolling a large area under martial law, rejected curiously today Chinese protests against invasion of the Chinese settlement and warned the entire city to "keep its head cool."

Strong forces of blue coat d Japanese in tanks and armored cars and in motorcyles drew tight lines around a large area of the international settlement in "self defense" measures resulting from the killing of one marine and the wounding of two others.

The spot where the marine died was heavily guarded by squads with fixed bayonets. Military authorities refused all investigation of the slaying but released one Chinese, held as a suspect.

"We are well in control of the situation," asserted Rear Admiral Eijiro Kondo, commander of special Japanese forces in Shanghai. "We are taking every necessary measure to protect Japanese lives and property."

The protest against Japanese entry into the Chinese-controlled area north of the international settlement was sent to Japanese military authorities. They, however, immediately rejected it without deigning to answer.

The official investigation of the slaying.

INDUSTRIALISTS OF NATION ARE LARGE BUYERS

ALLEGED VIOLATIONS OF LIBERTIES ARE INVESTIGATED

WASHINGTON, Sept. 24 (AP)—Large sales of tear gas to industrialists in nearly every state were revealed today by a Senate committee investigating alleged civil liberties violations in labor disputes.

Testimony that his firm sold almost \$500,000 worth of gas and equipment to corporations and individuals between 1932 and 1934 was given by A. S. Ailes, vice president of the Lake Erie Chemical Co., one of the nation's three gas manufacturers.

A "gas map" of the United States, showing concentrated sales in industrial districts, was spread against the walls of the hearing room by investigators for the LaFollette committee.

Largest purchases of the gas, commonly used in strike breaking, were shown in the steel and rubber districts of eastern Ohio, industrial districts of New York and in Louisiana and California, scene of longshoremen's strikes.

Explosive grenades, which might cause "severe injury" to any person within 15 feet, were sold with a warning that they should not be thrown into crowds unless "drastic treatment" was desired, Ailes said.

F. E. McGuffin of Youngstown, O., president of the National Amalgamated Copper Service—a company identified yesterday as a labor espionage agency—told the committee he received a \$375 commission for introducing a tear gas salesman to a customer in Terre Haute, Ind.

Earlier, he added, he had helped sell gas to the New Orleans Public Service Co., but did not make a practice of such activity.

AIMEE AND DAUGHTER NEARING FINAL RIFT

LOS ANGELES, Sept. 24 (AP)—The Examiner said today a "good authority" at Angelus Temple has disclosed that the late Aimee Semple McPherson and her daughter, Roberta Semple, are on the verge of a permanent rift.

Roberta, the Examiner said, is reported about to resign today as assistant business manager of the Temple and production manager of its radio station, and plans to move her belongings from the parsonage she has shared with her mother.

A demand by Giles Knight, new chief of Temple business affairs, that all radio programs broadcast by the institution carry his approval was said to have precipitated the dispute, the Examiner stated.

Mrs. McPherson, colorful founder of the Foursquare Gospel church, was said to have supported Knight in his stand the paper continued, while Jacob Meidel, Temple attorney, sided with Miss Temple.

LATE NEWS

BOSTON, Sept. 24 (AP)—The New York Giants clinched the National league pennant today by defeating the Boston Bees 2 to 1 in the tenth-inning opener of a double-header.

CLEVELAND, O., Sept. 24 (AP)—With a rising show and parade of the standards of every Legion 86th regiment, the American legion today unanimously elected Harry W. Colmery of Topeka, Kas., national commander by acclamation.

PARIS, Sept. 24 (AP)—The Bank of France raised its discount rate from 3 to 5 per cent today in a drastic measure to dam the outward flow of French gold reserves. Financial circles, however, watched anxiously in fear the rise might fail to stop the drain on gold. Bankers believed the order gave the government "at least a temporary respite."

Kenneth Blackledge of the LaNora theater and he announced a shoe matinee would be held at the LaNora next Saturday week, Oct. 3, the first response to the plea made in the NEWS yesterday for shoes for local needy children who are not going to school because they have no shoes or school supplies. The age limit will be from six to 12 years at the matinee, but there will be no limit on shoe size. A welfare board member will be at the door to judge whether the shoes are acceptable. The feature that afternoon will be Gene Raymond in Walking on Air, a cartoon and the March of Time.

JOHNSON ANSWERS BRITON County Budget Is \$436,485

'Charities' Fund To Total \$10,630 Next Year

Breakdown of figures for the various funds were made public today in Gray county's \$436,485 budget estimate for 1937.

County Auditor Ray Wilson said today that the city's anticipated income for next year is \$417,000. This figure comprises an anticipated current tax collection of \$257,400 from Oct. 1, 1936, through June 30, 1937; a delinquent tax collection of \$11,500, and other taxes and revenues totaling \$148,210.

The budget requirements for the various county departments in 1937, as approved by the commissioners' court, are as follows: Administrative \$72,410.26 Judicial, law enforcement 46,651.94 Charities 10,630.00 Health and Sanitation 2,425.00 Agricultural-Livestock 3,969.40 Roads and Bridges 96,452.21 Capital Outlay 21,732.82 Payment on Indebtedness 182,213.83 In the 1937 county budget, \$12,873.85 is set up for the jury fund; \$123,107.82 in the road and bridge fund; \$57,737.10 in the general fund; \$182,374.19 in the interest and sinking fund; and \$60,392.50 in the salary fund.

The new budget shows an increase of \$46,341.46 over the 1936 budget.

Legion Head

Lloyd George Flays Americans And Pershing

NEW YORK, Sept. 24 (AP)—A caustic criticism by David Lloyd George that American participation in the world war was "a fussy muddle" drew a sharp challenge today from General Hugh Johnson, who directed the American army's supply and traffic organization.

"It is one of the most inexplicable paradoxes of history," the wartime premier wrote in the fifth volume of his memoirs, published in London today, "that the greatest machine-producing nation on earth failed to turn out mechanism for war after 18 months of sweating, toiling, bustling."

Johnson retorted that the United States achieved "the swiftest and greatest mobilization of force by any nation or combination of nations in the war in a similar period."

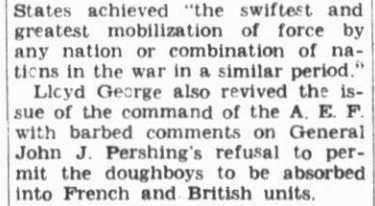

Lloyd George also revived the issue of the command of the A. E. F. with barbed comments on General John J. Pershing's refusal to permit the doughboys to be absorbed into French and British units. This, too, aroused Johnson.

The Welsh statesman, while describing the American soldiers as "superb," accused Pershing of endangering the allied cause by his insistence that the American army oper-

Shell Is Elected Representative to Synod at Dallas

The Rev. L. Burney Shell and Harvey Todd represented the Presbyterian church here at the semi-annual meeting of the Presbytery at Amarillo yesterday.

Mr. Shell was one of five ministers elected to represent this Presbytery at the Synod of Texas in Dallas Oct. 6-9. The other four ministers are the Rev. J. Hoyt Boles of Tulsa, Fred S. Rogers of Plainview, V. K. Aubrey of Borger, and Dr. Thomsen of Amarillo. Five elders were also elected as representatives.

The meeting is being held in Dallas this year, as so many meetings are during the Centennial year. Much will be made of the 100 years of Presbyterian work in the Texas Synod.

COUNCIL HEARS BOOK REVIEWED DURING LESSON

Mrs. Ledrick Leads Mission Program On Negroes

A book review by the minister, John S. Mullen, featured the program of First Christian Women's Council yesterday afternoon at the church. It was part of a study of home mission work among negroes. The book was "God's Candlelight."

Mrs. Ledrick was program leader, and conducted the devotional on the subject, Jesus—the Negro's Friend and Ours. Miss Lorene Bastion sang a negro spiritual.

In a short business session with Mrs. Ora Wagner presiding, the council meeting time for this winter was set at 2:15. Board meetings will begin at 1:30 preceding the council sessions.

Mmes. Walter Nelson, Bruner, Homer Sprinkle, Leslie Cobb, and Miss Bastion were visitors at the meeting yesterday. Those present, from group one: Mmes. S. E. Elkins, M. S. Jenkins, Wagner, Mullen, J. P. Meers, Bessie Martin, H. Loveless.

From group two: Mmes. R. E. Abbott, S. F. Gantz, O. P. Hawthorne, J. E. Lutz, R. P. Ferguson, and Billy Taylor. From group three: Mmes. Tom Eckerd, Weldon Wilson, Don Hurst, J. G. Gantz, and Myers.

Grandview School Dismisses Friday For Fair Visits

By E. R. REEVES

Grandview school is well under way with what promises to be one of its best years in the quality of its student body and the work done. September 25 will close the first month.

A number of former students of Grandview are attending school elsewhere this year and we watch their progress with interest. Peggy Simpson, Betty Guy Andis, John Johnson, Joe Dale Nelson, Jiggs McDonald and J. D. Campbell are attending Pampa high school this year. J. A. Roberts, La Homa Roberts and Alvin Lewis are attending Grocm high school. Gertrude Kurtz is attending the preoching school at Grocm. Huck Ellis is attending school at White Deer.

The farmers of this community are very busy at the present time sowing wheat between rains. It is their belief that if the moisture continues as it has started there will be a bumper crop here in the summer.

School will be dismissed Friday to allow the pupils and teachers to attend the Tri-State fair in Amarillo. It is hoped that a large number of them will attend as it is a rural school day. Too, the fair has reached the point where it is an education within itself, and worth a day in school to any student who can attend.

Isaac and Merle Kuykendall of Shamrock, former students of Grandview, were visiting friends and relatives in the community the past week.

Miss Allene Pickens spent the week-end with her parents in White Deer.

E. H. Clark, his wife and young daughter of Vernon, were visiting in the home of his parents, Mr. and Mrs. John Clark, Sunday.

Ray Kurtz attended the fair at Amarillo on Wednesday of this week.

Mr. and Mrs. Forest Ritter were fair visitors on Wednesday.

Skellytown Club Plans Program

By MRS. W. H. HUGHES

SKELLYTOWN, Sept. 24 (P).—Sunshine Home Demonstration club will meet Oct. 6 at 2 p. m. with Mrs. A. E. Corley. Farm Food Supply is the topic. The demonstration will be on scoring cakes, cookies, and muffins. Each club member is to bring products to be scored by the county agent.

The Ladies Aid of the Community church is meeting today in a regular session.

Lallas Bowsher attended a school board meeting at White Deer Tuesday evening.

Mr. and Mrs. Doyle Gaines left Saturday for Carlsbad to spend a few days.

The Rev. W. P. McMicken left Monday for Ft. Worth to bring Mrs. McMicken to their new home here and to arrange for having their furniture moved. They will reside in the Community church parsonage. They are expected here today.

Mr. and Mrs. E. R. Hawkins visited Mr. and Mrs. W. H. Pierce of Borger Tuesday.

Mr. and Mrs. J. Wingett and family of White Deer visited Mr. and Mrs. Dallas Bowsher Sunday.

Mr. and Mrs. Marshall Colson, Mrs. Tom McAdran, and Mrs. Dallas Bowsher were Amarillo visitors Monday.

Mr. and Mrs. Ralph Sloan had as their guests Sunday Mr. and Mrs. C. P. Sloan, Mrs. Mel Davis and daughter, Mr. and Mrs. Fred Sloan and family, of Pampa.

M. E. CHILDREN'S PARTY. Children under 6 years of age who attend the Methodist church, and their mothers, will be entertained with a party in the beginners department at 3 o'clock Friday afternoon.

Mrs. Knight Has Many Fair Prizes

Mrs. F. C. Knight of Grocm, member of the Bluebonnet Home Demonstration club of this county, won high honors in the domestic science department of the Tri-State fair in Amarillo, taking 19 first places and eight seconds.

Mrs. Knight was also one of the big prize winners in the home demonstration division of the fair. She received a total of \$12 in prizes in that division and entered more products than any other club woman from this county.

A similar record was made last year by Mrs. Knight, who devotes much time to canning and preserving.

Second place in the domestic science division of the fair was won by Mrs. H. Climer of Vega, with 12 blue ribbons and 15 red.

Juniors Enjoy Costume Party

A costume party was enjoyed by Junior Girls Auxiliary of the First Baptist church Tuesday in the home of Mrs. George Nix. Games and contests were enjoyed.

The distinction of having the best suited costume went to Ellen Lee, the best characterization to Jo Anna Nix, the most elaborate costumes to Beverly Uterback, LaVerne Covington, and Evelyn Hill.

Refreshments were served by the hostess to Mary Frances Yeager, LaVerne Covington, Billy Gene Gants, Evelyn and LaVerne Hill, Beverly Uterback, Ellen Lee, Jo Anna and Lillian Nix, and Mrs. Owen Johnson.

LefORS NEWS

LefORS, Sept. 24—Miss Ila Mae Haalings visited her mother in Clarmond over the week-end, and her mother is leaving for New Mexico to make her home.

Mrs. Faye Hoover of Pampa visited her sister, Mrs. M. D. Walls, Friday on her way to Mangum, Okla., on business.

Silas Vance of Battle Creek, Mich., spent the week-end with Mr. and Mrs. E. A. Vance.

John L. Smith of the Short lease returned Sunday from Socorro and Ft. Sumner, N. M., where he transacted business.

Mrs. C. A. Peacheck is ill, and will be confined to her bed for a month.

Miss Veale Gives Party at Wheeler

FIRST DAY'S PROGRAM

By Martha McDonald

10. OLD FASHIONED POUND CAKE

1 lb. butter
1 lb. sugar
12 eggs, beaten very light
1 lb. Carnation flour.
2 tspns KC baking powder.

Have butter and sugar thoroughly creamed together and add eggs, beaten until very light. Then beat together very light. Sift baking powder and flour together and add slowly to mixture, beating vigorously. Add 1 wine glass of cooking sherry. Bake in loaf pan in slow oven about 35 degrees, for 1 hour and 15 minutes.

11. K C FAVORITE SPONGE CAKE

1-4 cups Carnation flour
1-3 cups Carnation flour
1-4 sepn KC baking powder
1-4 tspn salt
1 tspn grated lemon rind
1 cup and 2 tbsps sugar
9 egg yolks
1-3 cup water.

Beat measuring flour, sift 3 times with baking powder. Beat egg yolks, add lemon rind, beat well. Add sugar slowly and beat until thick and light. Fold in 1-2 the flour, add 1-2 the water, then remaining flour and water last. Bake in large loaf pan in 350 degree oven about 35 minutes. Invert pan to cool. Cut half into and stack.

Filling

3-4 cup sugar
1-4 cup flour
salt

1 tspn grated lemon rind
2 tbsps butter
1-2 cup water
1 egg well beaten
1-1 cup lemon juice
Eland sugar, flour, salt, egg, water together and cook in double boiler until thick. Add lemon juice, rind and butter. Cool and spread between layers. Cover top and sides with seven minute icing and nuts.

GINGER CATKE

1 cup brown sugar
2 tbsps Mrs. Tucker's shortening
4 eggs
1 cup dark molasses
1 cup sour milk
3-2 cups Carnation flour
2 tpsns KC baking powder
1 tspn soda
1 tbsps ginger

Mix as you would a cake and then bake in 3 well greased and floured cake pans. When cool, stack with the following:

1 cup chopped raisins
1-2 cup sugar
1-2 cup dried apricots (chopped)
1-2 cup chopped dates
2 tbsps Carnation flour
1-2 cups water.

Cook in double boiler till thick. Let cool and spread between layers.

Icing for Top

1 cup sugar
1 egg white
1-4 tspn cream of tartar

Put these ingredients into a mixing bowl and while beating very fast, add slowly 1-3 cup of boiling water. Beat until it will hold its shape. Add 2 tpsns grated orange rind. Spread on top and sides of cake.

CLASS ROUNDUP FOR BAPTIST WOMEN ENTERTAINS MANY WITH COWBOY SONGS, RANGE SUPPER

Chuck Wagon Holds Prominent Place At Party

A real chuck wagon was the center of attention in First Baptist church basement yesterday afternoon, when women's classes of the adult department entertained with their fall roundup.

Games in the prevailing cowboy theme were directed by Mrs. Earl O'Keefe after an invocation by the Rev. C. E. Lancaster. Mrs. R. E. Gatlin and her small son, John David, each sang cowboy songs, and the Vanderburg trio played other tunes during the afternoon.

Cowboy grub was served from tin plates at the chuck wagon. Mrs. T. B. Solomon was in charge of the wagon gang, which included Mmes. Bo Barrett, Laura Brown, W. L. Porter, V. L. Hobbs, J. O. Myers, W. H. Lane, S. O. Garner, R. W. Tucker, and E. Stidham. Mrs. Barrett planned the party decorations. Mrs. C. L. Stephens was in charge of registration.

Heart Failure 2 1/2 Times Greater In Fat Folks

Says Medical Authority

Insurance companies constantly warn too much fat puts an added strain on the heart—overweight people are more liable to high blood pressure, indigestion, diabetes, kidney, liver and heart disorders.

So if you want to help yourself live to a ripe old age and enjoy robust health get rid of that dangerous burden of fat this easy safe way.

Cut down on fat meats, butter, cream and sugary sweets. Eat more fruit and vegetables. Take a half teaspoonful of Kruschen Salts in a glass of hot water first thing every morning to aid proper elimination.

Kruschen helps important body organs to work normally—it eliminates excess poisons and waste from both UPPER and LOWER bowels—insures blissful daily bowel action—no purging or harsh cathartics—helps keep you feeling fine and fit day in and out. Jar lasts for weeks and costs but few cents.—Adv.

BAYLOR STAR LOST BECAUSE OF INJURIES

OTHER SOUTHWESTERN TEAMS DOGGED BY JINX

(By The Associated Press)

The injury jinx dogged Southwest conference events today as coaches sought to whip them into condition for week-end grid wars.

At Waco Monday Parks of Elkhart, scheduled to alternate at a halfback post with Lloyd Russell, was lost for the season when he injured his knee in scrimmage. Coach Morley Jennings had planned to start him against Hardin-Simmons Saturday.

Coach Jimmy Kitts sought replacements for Johnny Neece and Roy Royall, leading candidates for right halfback, who were injured in practice. Kitts said they would see little or no action in the Louisiana State tilt at Baton Rouge Saturday.

Jack Robbins, backfield ace and one of the numerous Arkansas Porters out because of injuries, returned to practice but Coach Fred Thomsen said he would not play this week. Thomsen said Robbins probably would start against Texas Christian next week.

Absence of five members of the University of Texas squad because of illness worried Coach Jack Chevigny who said he was afraid they would be weakened for the Louisiana State game Oct. 3.

At Southern Methodist Coach Matty Bell continued shifting his backfield hopefuls in an effort to determine the best combination.

The announcement that Zed Coston, sophomore end, was eligible to play cheered the Texas Aggies as they worked on passing offense and defense.

The Texas Christian Frogs worked hard in preparation for their invasion of the Texas Tech Matadors' arena at Lubbock Saturday night.

HUBER AND PHILLIPS BEAT HAWAIIANS 5-3

BORGER, Sept. 24 (Special)—A combined Huber of Borger and Phillips of Amarillo baseball team last night closed the local baseball season with a 5 to 3 victory over the Hawaiian All Stars.

Six pitchers, four from the Huber team two from Phillips, took turns on the mound while Whaley went the distance for the Hawaiians.

Whaley Warren was the spark plug of the Huber-Phillips attack. He tripled with two on to score two runs and scored himself in the same inning. Later in the game he doubled and scored what proved to be the winning run on a single by Polvogt. Robello hit a home run for the Hawaiians, with a teammate on base.

Pitchers used by Huber-Phillips were Haddock and Coburn of Phillips and Blair, Daley, Carithers and Spencer of Huber. Warren and Polvogt of Huber were behind the plate.

Whaley went the route for the Hawaiians with Moniz behind the plate.

MINNESOTA GRID TEAM ROUTED BY HOTEL FIRE

MISSOULA, Mont., Sept. 24 (AP)—A spectacular fire early today routed more than 150 persons, including the Minnesota university football squad, from a hotel in the heart of the business district.

The hotel (The Florence) a four-story structure and the city's largest, and two smaller adjoining buildings had been virtually destroyed at 7 a. m. three hours after the blaze first was discovered in a drug store.

Fire Chief James Cranney said a check-up showed all guests and employees in the hotel had escaped from the building unharmed.

Coach Bernie Bierman and the 43 Minnesota players and others in the Gopher football party went to their special train after leaving the hotel. They stopped over here en route to Seattle, where they play Washington Saturday and were scheduled to leave Missoula this evening.

Our Acrostics—Fourth grade. Two playlets, "September" and "September Children." Songs—Rounds, "Row, Row, Row Your Boat," "Oh How Lovely is the Evening" and "Freedom and Peace," sung by the fourth and fifth grades.

Parents attending were Meses Deacon Jones, J. B. Horn, N. B. Barnett, Juanita Coomber, Tex Malow, C. C. Jones, C. O. Gilbert, D. M. Bynum, W. Abernathy, W. M. Keil, Robert Orr, O. O. Fowler, K. W. Ripple, W. M. Grewell, Tow Harwell, James Elbert, A. B. Turner, Emory Smith, and Mr. and Mrs. G. B. Reeves.

HUBBARD RETURNS

G. C. Hubbard of the G. C. Malone Funeral Home staff returned last night from Wichita, Kas., where he took a course in advanced embalming, demi-surgery, cosmetics, etc. The course was under the personal direction of Prof. Frank Stallard of Boston, Mass. More than 100 persons attended. Only three of them were from Texas, Mr. Hubbard and Mr. and Mrs. G. R. Wilson of Perryton.

CREAMERY SOFTBALLERS BEAT JAYCEES 10-8 IN LAST FRAME

A blow-up in the last inning handed Gray County Creamery's buttermilk-fed softball team a 10 to 8 decision over an improved band of Jaycees yesterday evening in the second game of the season for the clubmen.

Not a single creamery batter collected a hit until the fourth inning but errors and a walk accounted for four runs up to that time. A six run barrage in the sixth, when a string wind started carrying the ball in every direction, brought the creamery boys from behind to win.

The Jaycees jumped into the lead in the third with a five run barrage. Two more in the fourth and one in the seventh, with darkness hiding the ball, gave the Jaycees their runs.

Hickman, Wethered and Hann led the Jaycees attack. Hughes on first base played a great game defensively. Tracy and Price were offensive powers for the winners, with Kennedy getting a home run.

Fyatt, creamery ace, was nipped for eight hits while Hoare held the winners to six bingles, all in the fourth and sixth innings. The bottle fed crew was retired on three pitched balls in the fifth, Hann taking two flies and Hickman another.

Batteries: Gray County Creamery—Wyatt and Calpepper. Jaycees—Hoare and McWright.

The Jaycees, just organized, are not yet ready to close the season. They are open for games with some of the "not too strong" teams still in practice. A call to Dick Hughes at 2 or to Tommy Chessier at 855 will get results. The creamery lads are also in the market for opposition.

RUSH FOR CARS LIKE CHEROKEE STRIP RUN

By HELEN PARTRIDGE

The opening of the famous Cherokee strip had nothing on the grand opening of the Cuddeburn-Small Chevrolet company's monster used car sale yesterday.

The big sale was announced in a large advertisement in the Pampa Daily NEWS Monday afternoon. When the hour for opening the lot approached yesterday, company officials had to call officers to hold the crowd of bargain seekers back. When the "shot" sounded, there was a big rush.

All day yesterday large crowds visited the sale headquarters. Today there was no let-up in interest.

Mrs. C. C. Smith and son left Pampa-Jarratt hospital for their home this morning.

Condition of Mrs. Harold Simms was greatly improved at Pampa-Jarratt hospital this morning.

Talks to parents

TELL MOTHER

By Brooke Peters Church

It is a child's confidence and not his confidences that are desirable. No child should be expected to tell everything to his parents. It would not be good for either child or parents if he did. But he should trust his parents, and his parents should be able to trust him.

Nothing exasperates a growing child more than a prying mother. The child feels, and rightly, that he has a right to a certain amount of privacy. He resents the mother who is always saying, "Remember, dears, that you must tell mother everything," or brags to her friends, "My children have no secrets from me."

Of course a mother who brags of such omniscience puts her children into a bad place with their friends. No one is ever going to talk before a boy or girl who will repeat all that he hears to his parents. A child's

life and the life of his friends are not necessarily vicious because they are not public. No one wants the world in the shape of a friend's family let in on his private affairs. So the child who "tells mother everything" is more than apt to have very little to tell, since he is excluded from the confidences of all his little playmates.

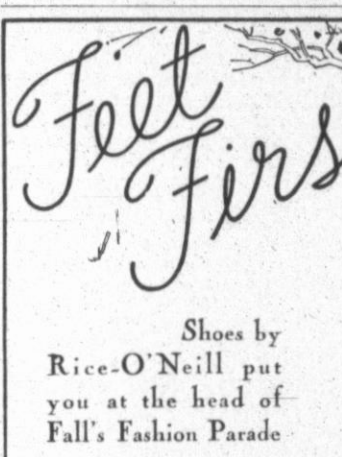

Another very trying mother is one who is forever imagining that the child has something on his mind. She questions him, even uses a form of third degree on him. It makes me wretched to be unable to help you. We have always understood one another so perfectly. Tell me what the trouble is. You know I never repeat what you tell me."

Day and night the child gets no peace. If he has no secret sorrow he is tempted to make one up to satisfy his mother. If he has one, he probably blurt it out in desperation and regrets it bitterly afterwards.

CO-EDS ARE PLEDGES

Among the pledges to campus societies at the University of Texas announced at the end of "rush week" are Misses Josephine and Ruth Lewright of San Antonio, daughters of W. M. Lewright of Pampa. The Misses Lewright visited their father and friends here this summer.

Mr. and Mrs. Blue Morrow are the parents of a son, born this morning at Pampa-Jarratt hospital.

ROY JONES AND SHOWERS ELECTED CO-CAPTAINS OF HARVESTER TEAM

NELSON WILL REPLACE RICE FRIDAY NIGHT

LINEUP TO BE CHANGED FOR CHILDRESS GAME

Two new faces will be in the Harvester line when the Childress Bobcats oppose the Harvesters here tonight at 8 o'clock. Roy Lee Jones, end, will be missing because of injuries received in the game with Central of Oklahoma City last week. Nelson, midget tackle, will replace Earl Rice. Admission will be 50 cents.

Following a two-hour practice yesterday afternoon, during which the boys reviewed all offensive plays and worked on a pass defense, Roy Lee Jones and Roy Showers were elected co-captains for 1936. Showers will be in charge Friday night.

A bruised elbow has kept Jones out of a uniform all week. The member is responding to treatment but coaches will not take a chance on sending him into the game. Some doubt has been expressed whether Maxey will be able to play. He received a bad cut over one eye and a gash on his cheek in the Oklahoma battle. Both have healed but may be opened with hard play. Cox will replace Maxey in case of accident.

The work of little John Henry Nelson last Friday night so impressed coaches that he has been switched to the starting lineup. Although a midget of 135 pounds, Nelson gets the jump on the opposition to overcome his weight handicap.

Other members of the starting lineup will be the same as last week. Lewis Jones will hold down the other tackle job. Morgan and Matthews will be the guards with Noblitt at center. The starting backfield will be Woodruff, Graham, Enloe, and either Showers or Clements.

RAIN HINDERS CHILDRESS

CHILDRESS, Sept. 24.—Working to iron out the kinks left in their plan of attack by a 19-0 licks administered by the Polytechnical Parrots of Ft. Worth in the initial game of the season last Saturday night, Bobcat gridders waded in with determination this week as they pointed to their Friday night encounter with the Pampa Harvesters.

Coach Joe Gibson was forced to hold workout sessions this week on the fairways of the local Country club golf links due to the heavy rains that have left Fair Park field and the high school practice field submerged. The boys are being transferred to the golf grounds in the school bus, and regular drills are being staged on one of the level fairways.

Although none of the players received serious injuries in the Poly contest, four of the boys are suffering minor injuries that may affect the starting lineup against the Harvesters this week.

Terrell To Carry Hopes

Garland Terrell, who turned in the outstanding performance, both on offense and defense, in the opening game, will be in his regular quarterback slot. Terrell was a letterman at center last season but was shifted to the ball carrying department this year. His 170 pounds is depended upon in the line smashing as well as handling one side of defensive in backing up the line.

As his running mates, Arvil Patton, speedy little 140 pounder, and Les Kimbrough, passing and punting back, are sure to start, but the other regular ball-carrier, J. W. Wright, is suffering from a boil on one arm and may see George Silvey step in to fill his shoes this week. Buddy Cordell and Harold Brown will be in line for backfield substitutions, and Vic Bates, another sufferer from boils, may be in shape to play.

In the line James Barnett, 152 pound reserve, will start at the pivot post with Capt. Mae Horne to his right and either Don Reynolds or Homer Reynolds to his left in the guard chairs. J. P. Hale, strappy little 132 pounder who opened the left guard position against the Poly team, received an arm injury in the game that will probably keep him on the sidelines for another week.

3-Year Letterman

James Scott will be ready to go at the right tackle post, and either Clarence "Nubbin" Booth or Willard Lyons will hold down the left side assignment. Mac Swafford will probably share the line with Scott on the right post.

Leading the end candidates is big J. W. Helms, three year letterman, whose defensive ability is one of the bright spots on the forward wall. Across on the far side of the line from Helms will probably be Jimmy Buster, 158 pound new member, or Preston Hendrix, reserve from last year. Both Buster and Hendrix are lacking in defensive ability, and the left wing position is one of Gibson's main worries.

GORILLAS TO PLAY WHEELER ON TOMORROW

WHEELER COLTS WILL BE TOUGH FOES OF PAMPANS

Coach Bob Curry and his up-and-coming Gorillas will go to Wheeler tomorrow afternoon for a game with the Wheeler Colts at 4 o'clock. It will be the second baptism under fire for the Gorillas this season.

Yesterday Coach Curry took his boys to LeFors for a scrimmage session with the Pirates. When the long battle up and down the field was over, everything was about even. Both eleven were able to push across counters and both made outstanding goal line stands.

The Gorillas looked better in the scrimmage than at any time this season. They charged harder and truer and worked plays with improved smoothness and timing. Coach Curry changed W. McDaniel to the signal barking job and sent Hubert to halfback where he can carry the ball more. The change was successful.

Tackle worries, however, still confront the coach.

He has 112 in the tackles but he has not been able to get them down in the line and charging. Solomon showed improvement in the scrimmage yesterday. Brown and Whisler are fighting for the assignment on the other side of the line. Cunningham and Crane appear to have the end jobs to themselves. Co-how and Wiley are good guards. Harrell is the center. With McDaniel calling signals, the rest of the backfield is Hubert and Kidwell, halves, and Watkins, fullback.

Pampa Phillips Takes Amarillo Softball Meet

Pampa's Phillips 66 softball team won the Amarillo Junior chamber of commerce softball tournament last night when they split a doubleheader with the Amarillo Texas company team.

Phillips lost the opening game, which would have given them the tournament, by a 10 to 8 score. The clinch, however, came back strong in the final contest to win handily, 12 to 2. Chisum pulled an iron man stunt when he pitched both games. Morgan was behind the plate.

The Phillips team was given the 14-inch chamber of commerce trophy to hold for a year.

Home runs by Baccus, S. Windom and J. Dewey led the Phillips attack on the Texas company men who were unable to control the second game.

King Oil of Pampa took third place in the tournament, being a 3 to 0 game to the Texas company on Thursday night.

The Phillips team will disband for the season but will be back next year, stronger than ever.

Phillips' lineup for both games was: Gibson, 2b; Logan, rf; Baccus, cf; Christian, 3b; S. Windom, lb; W. Dewey, ss; J. Dewey, lf; Morgan, c; R. Dewey, ss; Chisum, p.

Spending the major portion of this week's time in developing hard charging and tackling on the left side of the line and in long scrimmage drills with the main backfield running a variety of single and double reverse plays mixed with a passing attack.

MOBEETIE AND McLEAN WILL PLAY FRIDAY

GAME SCHEDULED FOR AFTERNOON ON TIGER FIELD

McLean, Sept. 24.—The McLean-Mobeetie football game will be played Friday afternoon at three o'clock and not Friday night as scheduled. The game will be at Tiger field in McLean at 3 o'clock.

Mobeetie brings a powerful team here under the new coach, Clinton Meek, who has finished three years of college football at Canyon and two years at Amarillo Jr. College. He has a splendid array of power and trick plays off of the short punt and Notre Dame formations.

Mobeetie is plenty powerful this year and bone crusher tactics will most likely be used on the McLean Tigers because, the Tigers are ten pounds lighter to the man, Coach Meek's team had plenty of power in the Wellington game and Wellington was somewhat surprised at the showing Mobeetie made.

McLean will be crippled with the loss of Williams and Bogan, due to injuries. Bogan, McLean's passing ace and punter, will most likely see some service, but will be unable to pass.

This game promises to be one of the best conference games of the season. Mobeetie has the edge on McLean for the first time in years and those Tigers will be fighting to hold their supremacy.

Game called at three o'clock. Regular admission, 35c, 25c, 15c.

The reserved seats in the grand stand are 25c each. Three Booster club of McLean has charge of the sale of the grand stand seats and will do so until the \$1,000 which they put up to secure the grand as a PWA project has been paid.

Junior High to Play Bull Pups In Berger Friday

Pampa has a third football team that hasn't been recognized to date. That is the Junior high squad, coached by Tom Herod.

Without pomp or ceremony, the Junior high gang started working out south of Harvester field. They don't have good looking uniforms, but that isn't necessary. They have, however, a determination to be future Harvesters, which does matter.

Coach Herod looked over his prospects and found them all ages, sizes and shapes. He worked them a few days at fundamentals and then selected a tentative starting lineup. Changes were made until a fairly smooth organization has been developed.

Tomorrow afternoon, Coach Herod will send his boys into battle against the Berger high school Bull Pups. The game will be played in Berger at 4 o'clock. How his charges will look under fire is questionable.

The probable starting lineup will be: Flemming and L. Clemmons, ends. Meeks and Nicholson, tackles. Rumpke and Nichols, guard. R. Clemmons, center. Prater, quarter. Leavitt and Dunaway, halves. Freeman, full.

Idea of Strength To Be Given During Week-End

By HAROLD V. RATLIFF Associated Press Staff Writer

Texas Intercollegiate League football teams being playing for keeps this week, nine conference games getting a schedule that includes inter-district and inter-sectional contests destined to give a definite idea of comparative strength.

District two, three, four, eleven and sixteen have games counting in the standings, the spotlight falling on the off belt where a trio of engagements — Brownwood at Sweetwater, Cisco at Breckenridge, and Eastland at Big Spring — throw but three teams into conference action.

District two lists Graham at Wichita Falls and Olney at Vernon, marking the entrance of two heretofore Class B teams into the thick of the fight in a strong district. Graham and Olney are the teams graduating into faster company and they tackle two of the perennial leaders.

District two has Fabens at Austin, El Paso, El Paso high, defending champion, plays an inter-sectional game, engaging Clovis New Mexico, at El Paso.

The Fort Worth district blasts off the lid with Riverside, a new member, going to Mineral Wells. District Eleven, a hotbed of inter-collegiate football each season, schedules Bryan at Corsicana in the conference opener.

District thirteen's initial championship battle sends the Pharr-San Juan-Alamo team, a new member coming from Class B ranks, to Brownsville.

Headlining inter-sectional play Amarillo's Golden Sandstorm, 1935 champion, meets Valley, Oklahoma, at Amarillo Saturday. Pauls Valley was Oklahoma champion last season and defeated Breckenridge, a high-ranking team, in a post-season game. Denison engages Ada, Okla., at Denison and Beaumont entertains Lake Charles, Louisiana, Friday in other inter-sectional contests.

Lubbock at Abilene Of particular interest will be Lubbock at Abilene, bringing together two high-ranking teams from different districts while North Texas will watch the Sherman-Greenville game at Sherman, a meeting of old and powerful rivals.

Masonic Home, Fort Worth, plays at Longview, Waco High engages Paschal of Fort Worth at Waco and Dallas Tech meets John Reagan at Houston in other attractive inter-district games while the eyes of east and south Texas will be on Port Arthur where the Yellow Jackets, always rating high in the state race, meet Tyler, a team that has won its share of the glory.

The schedule by districts for the week follows: 1. Friday: Childress at Pampa, Floydada; Plainview; Berger at W. C. Stripling, Fort Worth; Saturday: Pauls Valley, Oklahoma, at Amarillo.

2. Friday: Graham at Wichita Falls, conference; Electra at Nocona, Olney at Vernon, conference; Crowell at Quanah.

3. Friday: Brownwood at Sweetwater, conference; Cisco at Breckenridge, conference; Eastland at Big Spring, conference; Lubbock at Abilene, North Side, Fort Worth, at San Angelo, Ranger at Strawn.

4. Friday: Ysleta at Pecos; Saturday: El Paso high vs. Clovis; N. M., at El Paso; Fabens at Austin, El Paso, conference.

5. Friday: Gainesville at North Dallas, Sherman at Greenville, Honey Grove at Paris; Ada, Oklahoma, at Denison; Rockwall at Bonham.

6. Thursday: Commerce at Sulphur Springs; Friday: St. Joseph, Dallas; at Highland Park, Dallas; McKinney at Forest, Dallas; Fort Worth Poly at Denton.

7. Friday: Riverside, Fort Worth, at Mineral Wells, conference; Masonic Home, Fort Worth, at Longview.

8. Friday: Sunset, Dallas, at Garland; Saturday: Dallas Tech at J. H. Reagan, Houston.

9. Thursday: Henderson at Kilgore; Friday: Clarksville at Texarkana; Mineola at Gladewater; Gilmer at Marshall.

10. Thursday: Van at Athens; Friday: Groesbeck at Mexia; Alto at Lacksosville, Lufkin at Livingston; Grapeland at Palestine; Center at Nacogdoches.

11. Friday: Bryan at Corsicana, conference; Austin at Temple, Midlothian at Waxahachie, Paschal, Ft. Worth, at Waco; Saturday: Woodrow Wilson, Dallas, at Hillsboro.

12. Friday: Central Catholic high, San Antonio, at Kerrville; Saturday: Thomas Jefferson, San Antonio, at Adamson, Dallas; Aransas Pass at Harlandale, San Antonio.

13. Friday: Breckenridge San Antonio, at San Houston, Houston; Jeff Davis, Houston, at Humble; St. Thomas, Houston, at Bay City.

14. Friday: Tyler at Port Arthur, Huntsville demonstration at Goose Creek; Lake Charles, Louisiana, at Beaumont; Milby, Houston, at Ball high, Galveston; South Park, Beaumont, at Conway, Texas.

15. Friday: Refugio at Robstown; Kingsville at San Antonio Tech; Sidney Lanier, San Antonio, at Laredo.

16. Friday: Pharr-San Juan-Alamo at Brownsville, conference; St. San Benito, San P. Rita at Edinburg.

Hubbell Hurls And Giants Cannot Miss World Series

National Flag Due To Be Sewed Up Today

By SID FEDER, Associated Press Sports Writer.

The Giants can't miss now. After stalling it off as long as possible, they finally got in a position to sew up the National league flag, most likely today, simply by calling on Carl to demonstrate once again that he's the experts' biggest 'headache' this season.

One win for Bill Terry's Terriers, or a loss for the second-place Cards winds up the pennant chase. Even if they lost all their remaining five

games, and the Cards take the rest of their schedule, the Giants are assured of a tie.

The Giants took their commanding spot yesterday, after being in position since Sunday to put the "clinch" on, by sending Hubbell up against the troublesome Phillies. The result, as expected, was a decision for "King Carl"—5-4.

The Senators took over third place in the American league, nosing out the Red Sox 3-2 with a two-run rally in the ninth. The White Sox split with the Indians, Bob Feller fanning ten to hurl a 17-2 Cleveland win in the opener, and Luke Appling belting a homer to help the White Sox take the nightcap, 8-3, in six innings, when darkness called a halt.

DAM WATERS UNLOOSED TO STOP REBELS

INSURGENTS ARE ONLY 13 MILES FROM TOLEDO

By The Associated Press
Madrid's defenders, desperately trying every measure to hold off manifold insurgent advances on the capital, loosed the waters of the Alberche river dam today over the town of San Martin de Valdeiglesias, 35 miles to the west.

The town, intended point of conversion for fascist northern and southern columns, was reported destroyed, and with it, much insurgent equipment.

Both government and direct insurgent dispatches agreed the fascist armies advancing on Toledo had reached a point 12 or 13 miles from that city.

WITH THE INSURGENT ARMIES at Torrijos, Spain, Sept. 24 (AP)—Four insurgent columns, after the briefest of rests, pushed on toward Toledo today.

The advance guards surrounded the villages of Barcience and Reives, 13 miles from their objective.

Reliefs was stated to be the last settlement between the insurgent and Toledo on the direct route from Torrijos.

The march was resumed after a short respite, granted by officers after the capture of Maqueda. Torrijos was made headquarters for this offensive, which the officers hoped would crush final resistance to Toledo.

A violent bombardment of Torrijos by two government planes, just before the march was resumed, failed to cause appreciable damage.

Government militiamen were offering no immediate resistance to the advance, but seemed to be strongly entrenched on a hill on the horizon, which the insurgents expected to attack momentarily.

An official announcement from Burgos headquarters, however, said Chew, Sing or Laugh without "Denture Static"

MARKET BRIEFS

NEW YORK, Sept. 24 (AP)—The stock market ran a slight temperature this forenoon over the foreign situation but felt better later and an assortment of issues came back for net gains of fractions to 2 points or so.

Profit taking, at the same time, kept a number of leaders well in the back ground. The pace was slower after the opening. Transfers approximated 1,150,000 shares.

shooting, which was fixed at 8 p. m. Wednesday, centered around the story told by a Japanese eye witness. Through his testimony, the innocence of the Chinese suspect was established. Investigators said he was merely a passerby who was picked up in the excitement.

NANKING, Sept. 24 (AP)—The more Japan insists on suppression of anti-Japanism in China, the more incidents of violence against Japanese are liable to occur, a Chinese national government spokesman declared today. He said the national government is seeking to cooperate with the Japanese in attempting to clarify incidents arising from attacks on Japanese nationals.

Other Chinese circles were openly fearful of fresh incidents in North China "where the Japanese are prepared to act." All Chinese officials in agreement the situation had reached the gravest crisis.

having to stay home a whole week after I grew up. I planned on those trips to town, and knew very well I wouldn't go again for some time. I always got one ice cream cone, and it wasn't double-dip, either.

"A Fourth of July celebration, a county fair, and a community picnic or two were just about the summer round-up. I was never inside of a picture show until after I was twelve year old.

"Every Sunday morning my parents went to Sunday school. It was called Mountain Home, and there was just one room, but as I think back, that one room had more life in it than some of the two story churches now. And we went every Sunday. There was no question about it, nobody thought of doing anything else. That was of as much importance as anything. Every summer we spent weeks practicing for Children's Day, and that was the day we wore new shoes, and new hair-ribbons with sashes to match. One month on Friday night we had literary night. I still remember some of the programs.

"In the summer when the dry spells would hit we would haul water in barrels, and now when I turn the faucet for a drink, I remember how much labor a drink cost my father.

"When we left that part of the country, the Indian came to see us go. He looked at me and said, 'You go way, get pretty hair ribbons, and never speak to Indians like me no more.' I was twelve years old, but I still remember what he said, and hope I will never see the day that I cannot speak to the people I once knew. I'm not sure, but that it wasn't those Indians who taught me how to get the most out of life.

"I learned from them when I was young not to worry over things you didn't have, not to be envious of others who did have, and not to give way to your feelings."

WRIT TO KEEP GYPSY FROM CLAIMING MONEY

GALVESTON, Sept. 24 (AP)—Judge J. C. Canby this afternoon granted Mrs. Rose Krepper's petition for a temporary injunction restraining the Dallas chief of police from disposing of \$6500 taken from George Adams, alleged Gypsy, when Adams was arrested at Dallas some months ago. The restraining order will be effective until the October term of court when the charges against Adams will be tried on their merits here, Mrs. Krepper, a Galveston woman, alleged that Adams and his

wife obtained an equal amount of money from herself and Mrs. Louise Friedenbergh, also of Galveston, by fraud several years ago.

Indictments were returned by a Gray county grand jury in July against Adams and four other members of his band in connection with the theft of \$1,200 from Mrs. Nannie Belle Worley, of Pampa, two years ago.

The five defendants are under bond to appear for trial during the September term of the local district court. Court attaches said today no dates for the trials had been set.

Wilks Chapman left this morning for Dallas, to enter Baylor Medical college for a study of dentistry.

UNDERWENT OPERATION
Friends of W. H. Wemple learned this morning that an eye operation performed at St. Anthony's hospital in Amarillo yesterday was believed to be successful. It will be several days before a definite announcement can be made, however.

WOULD STOP FOOD PEIPING
Sept. 24 (AP)—Armed Japanese action against China was predicted today by Maj. Gen. Takayoshi Matsumuro, chief of the Japanese military mission at Peiping. "China is a bad boy needing coercion following the failure of more gentle methods," commented Matsumuro. "If he doesn't listen to Japan's peaceful lessons, he is likely to have his face slapped."

"Sweepstakes" bring pleasure to war veterans

From a veterans' home in Legion, Texas, a number of entries all in the same handwriting come in each week. Of course we checked up to make sure that the entries conformed to the rules, and one of the men explained: "Most of the boys can't get around—but I do and so I fill out their cards for them."

We're glad to say that the boys have been pretty good pickers, too.

Have you entered yet? Have you won your delicious Lucky Strikes? Tune in "Your Hit Parade"—Wednesday and Saturday evenings. Listen, judge, and compare the tunes—then try Your Lucky Strike "Sweepstakes." And if you're not already smoking Luckies, buy a pack today and try them, too. Maybe you've been missing something. You'll appreciate the advantages of Luckies—a Light Smoke of rich, ripe-bodied tobacco.

RIOTS HATCHED UP BY CHICAGO STRIKE-BREAKER

Admits Creating Disorders to Hurt Strikers

BY JOHN FISCHER. Associated Press Staff Writer.

WASHINGTON, Sept. 24 (AP)—E. J. McDade, of Chicago, told a Senate investigating committee Wednesday he had been frequently employed by strike-breaking agencies to create disorders for the purpose of discrediting union strikers.

McDade testified before the LaFollette committee investigating alleged violations of workers' civil liberties that three men were killed in a seven-hour battle at Lake Charles, La., and that they were later turned over to a textile firm to be presented during yesterday's committee session.

Some guards were ordered to "sell" their union during the Pittsburgh national dairy strike in 1935, McDade said, adding that he did not do any of the slugging himself.

"What was the real purpose behind the slugging?" asked Senator Thomas (D., Utah).

"To cause trouble, I suppose," McDade replied.

In response to Thomas' questioning, McDade said he did not consider slugging and deliberate creation of disorders to be "legitimate tactics" in strike breaking.

Celery Without Strings Is Seen By Cornell Prof.

ITHACA, N. Y., Sept. 24 (AP)—It is time to stop growing celery with strings in it, says Cornell Agricultural college.

Experts have tested these strings and found that one of them is capable of holding the weight of a half gallon of water. A breeding plan to eliminate the strings was described today by Denzel Curtis, of the agricultural college. Crossing various strains of celery, he explained, already has proved that undesirable qualities can be replaced by those more toothsome.

But he predicts it will take a long time to soften up those strings.

General Laboratories, Inc., sold machine guns to the police chief of West Point, Ga., and that they were later turned over to a textile firm to be presented during yesterday's committee session.

INTERVENTION IN STRIKE IS ASKED BY CITY

GREENVILLE AWAITING AN ANSWER FROM GOVERNMENT

GREENVILLE, Sept. 24 (AP)—City officials awaited today an answer to their request for federal intervention in the strike of Louisiana, Arkansas & Texas Railroad company employes.

Secretary of Labor Frances Perkins advised Mayor F. N. Sockwell she had turned the request over to the Federal Board of Mediation.

The officials also sent telegrams to President Roosevelt, Governor Allred and Fred Nichols, chairman of the Bureau of Labor Statistics, asking intervention to effect a settlement.

W. H. Gallagher, Denison, chairman of the Brotherhood of Locomotive Engineers, told a mass meeting of several hundred persons last night the L. A. & T. had failed to comply with provisions of the railway labor act.

In addition to the strike of the "Big Four" brotherhoods, which began Saturday, the possibility of a walkout of more than 50 employes

of the company's car department and shops appeared. Strike ballots setting out three grievances were in the hands of the workers.

One claimed refusal of the company to recognize certain organizations, another refusal of the right to contract and collective bargaining, and the third refusal to re-instate three men said to have been discharged because they testified at an investigation by the National Mediation board.

AROUND HOLLYWOOD

By ROBBIN COONS

HOLLYWOOD—Helen Flint was at it again, home-wrecking for the camera. She was at it with subtlety and a vengeance, her intended victim Humphrey Bogart and the picture "The Black Legion." She was, of course, trying to steal Bogart from his wife.

This, as every movie fan knows, is pretty thankless work. Unless the actress is a star, the husband-stealer is inevitably foiled in the end. And even a star, since the code went in, has to have some good reason for loretel pursuits or she can't play that way.

But Helen goes about it as an acting job, and doesn't ask thanks.

In person, she doesn't look like the bad girl she has played in nearly 30 Broadway plays, nor like the girl who caused so much trouble in the film "Ah, Wilderness!" and did the heavy villainy in "Little Lord Fauntleroy." She is a trim little person with a soft voice and merry eyes.

She hates profanity and likes novels with a religious flavor.

She, like everybody else, doesn't know why she came to be cast in tough roles, but as a fellow actor put it, it may be because "a good actress can play what she isn't better than a bad actress can play what she is."

Helen's own technique for a "bad" role is simple: "I never think of a role as a person but simply as a collection of traits."

"The differences in women externally are slight. They are mostly in details that reflect either good or bad taste. Bad girls do not carry signs announcing their badness. They show it in small things—the hair a bit too frizzy, make-up a bit overdone, manner a bit too flamboyant, a bit too much consciousness of the body."

"I never wear exaggerated costumes. My method is to wear simple things and then play against them. The contrast between manner and dress marks the character."

Hollywood Makes An Ocean There are more men than women stars, but in the chorus ranks this call sheet for "Gold Diggers of 1937" speaks for itself: "104 girls, four boys."

The very latest in convincing ocean backgrounds—on a sound stage—is achieved by stretching hundreds of thin wires behind a gauze backdrop, and tabbing the wires with tinfol at intervals.

The Hugh Herberts serve goat's milk—to guests who like it—from Puss, Cooks, Elmer and Goo-Goo, the Herbert goats. Hugh's ranch barnyard now includes the goats, turkeys, ducks, chickens, a cow, a pig and four or five dogs. All have names.

JENKINS HOLDS ALL SPEEDING RECORDS NOW

ENGLAND LOSES ALL AFTER AMERICAN RACES CAR

BONNEVILLE SALT FLATS, Utah, Sept. 24 (AP)—With all the world's major car endurance records returned to Uncle Sam, bronzed Ab Jenkins, who brought them back from England, announced today he would open up his "Mormon Meteor" Saturday in a whirlwind bid for shorter marks.

The Utah speedster, with the veteran Babe Strapp of Los Angeles as relief driver, ended at 7:52 p. m. Central Standard time yesterday, a dazzling run on which he set a new record of 148.626 miles an hour for 48 hours of continuous driving.

Thus he surpassed the record set three months ago by England's Captain George E. T. Eyston.

The thundering "Mormon Meteor" traveled 7,134.082 miles in the 48 hours.

Jenkins will aim chiefly for the 1,000 and 2,000-mile, the 3,000-kilometer and 12-hour records in his spring Saturday.

ABLE TO RESUME WORK AFTER THREE DAYS TREATMENT WITH WILLIAMS S. L. K. FORMULA

Well Known Lubbock Man Had Been Unable to Work for Two Months Because of Kidney, Liver, and Stomach Trouble

It was a red letter day for Jim "Doc" Woodard of 914 Main St., Lubbock, Texas, known throughout the state as a maker of cowboy boots, when he ordered his first bottle of Williams S.L.K. Formula.

For two months he had been unable to attend to his business because of the acuteness of his condition. Eating was followed by bloating and severe pains. His rest was broken into at nights, having to get up three or four times every night because of his kidneys. He was so sick, in fact, that he had to send to the druggist for his first bottle of Williams S.L.K. Formula when he learned of it. Mr. Woodard had a real surprise at the quick results from using it. He says:

"I am willing to tell anyone, troubled as I was, about Williams S.L.K. Formula. After three days' treatment I was entirely relieved and went back to work. I eat anything I care to without distress and sleep soundly at night."

If you are troubled as Mr. Woodard was, get Williams S.L.K. Formula at once at Cretney Drug Store. More than merely a relief agent, it is devoted to attacking and correcting your trouble at its source. The only true relief is permanent correction of your trouble. If you are not entirely satisfied with your first bottle of Williams S.L.K. Formula, Cretney is authorized to refund your money.—Adv.

Jeffersonian Democrats Declare Stand They Will Make In Coming Presidential Election

With a full realization that our country faces a political crisis transcending all partisan interests, we Democrats of Texas now pledge our best services to the Nation upon a non-partisan basis. We reassert our belief in the Constitution, in the rights of the States, and in the Jeffersonian principle. Believing thus, we must condemn the Roosevelt Administration.

The issue before the American people today is not Roosevelt versus Landon; nor is it the Republican Party versus the Democratic Party. The issue here is the same as that which rocks the rest of the world, and that issue is regimentation versus freedom and democracy. We are confronted with a change in our form of government from a Democracy, in which the government is the servant of the people, to a Socialistic and Communistic state in which the individual becomes the servant of the state and loses all personal freedom and all property rights.

We charge that Mr. Roosevelt is not a Democrat and never has been in sympathy with the principles of the Democratic party.

We charge that Mr. Roosevelt has aided and abetted the aims of the Socialists and Communists, and has set up a board of advisers known as the "brain trust," which is largely made up of red radicals not in sympathy with our form of government.

We charge that few members of this "brain trust" have ever been connected with the Democratic party prior to the nomination of Mr. Roosevelt for President.

We charge that the key positions in the numerous bureaus set up by Mr. Roosevelt are now held by radical appointees selected for the most part by Felix Frankfurter, known throughout the country for his red radical activities.

We charge that the radicals, whether they call themselves socialists or communists, now have the nation by the throat, thanks being due Mr. and Mrs. Roosevelt, Miss Perkins (a married woman following the Russian system of not taking her husband's name), Felix Frankfurter, Rex Tugwell, and others.

We charge that all New Deal acts such as NRA, AAA, and others in which business, farmers, and the rest of us were to be regimented and directed by some bureaucrat are the brain children of radicals, one of whom is Tugwell. We will prove to you before November 3rd, by quoting Mr. Tugwell himself, that he is as red or redder than Stalin, the Russian dictator.

We charge that Mr. Roosevelt has shown no interest in the 1935 platform of the Democratic party except to repeal prohibition.

We charge that most of the New Deal bills he forced through Congress were specifically called for in the 1935 Communist and Socialist platforms. We will prove this to you before November 3rd by showing you word for word the platforms of these parties and showing you how the New Deal acts met the demand of these platforms.

We charge that when Mr. Roosevelt insisted on having all relief and PWA money given to him so use at his discretion it was for the purpose of getting control of Congress, by denying any Congressman money-spending projects in his district if he voted against the President's bills.

We charge that Jim Farley, the Tammany politician and ex-prize fight commissioner, expended this money in building up a political machine to Tammanyize the United States, and has succeeded in doing so to an extent that it is as vicious as it is in New York City.

We charge that the Nation cannot survive the continuation of the present flagrant, wasteful spending far beyond

its income. Mr. Roosevelt expects to continue it. Our national debt is now more than \$5,000,000,000. The interest charges of 2 1/2% upon this debt amount to \$80,000,000.

The President's program of soaking the rich by increasing the taxes on all income above \$50,000 does not provide enough money to pay even the interest charges on this debt. If the entire income of this group were confiscated, it would just pay the interest charges which as shown by the United States Treasury Department figures for 1934, was \$890,916,207. The New Dealers have put the mill-stone of debt around the necks of our children and our grandchildren. We believe these debts are being piled up for the purpose of bankrupting the Nation to forward the plans of the Communists and Socialists.

We charge that the most active bureau in Washington today is that of propaganda, through which millions of dollars of taxpayer's money is spent to misinform him and sing praises of the New Deal.

We charge that Mr. Roosevelt is wholly un dependable. His record is one of broken promises. The Nation and business cannot go forward when it cannot rely on the statements of the President.

We claim that Landon and Knox are the only national nominees defending the time-honored principles of Democracy. The most important plank in their platform is that in defense of State's rights to prevent the centralization of power in Washington, where some organized minority can seize control of our government.

We claim that we are going to carry this state against Roosevelt. The normal Republican vote is about 150,000. Add to this 50,000 Republicans who ordinarily do not vote because they feel that it is useless. Add to this 150,000 Democrats who will not vote for Roosevelt under any circumstances. You know your own community is full of this kind of Democrats. Add to this 150,000 Democrats who will gladly join us if they think there is any use to vote against him. This alone will mean the election against Roosevelt, but add to this thousands more who will vote against Roosevelt when they are shown the fallacies and frauds of the New Deal. We Democrats are not going to let the New Dealers and Tammany Jim put any collars around our necks. A Texas voter is never a yellow dog unless he is a politician.

We want you to step out on the firing line with us. Are you willing to help us in the distribution of our literature, or in getting money to forward this work? We have a large number of organizations throughout Texas. We want one in every town.

LET'S KNOW TEXAS AND TEXANS

BY WILL H. MAYES.

In this column answers will be given to inquiries as to Texas history and other matters pertaining to the State and its people.

result of that Indian fight? G. N. Paduch. A Following the Comanche raid and massacre at Linville, near Victoria, Col. Edward Burleson and his men met the Indians at Plum Creek, Aug. 12, 1840, completely routed them and drove them back to their camps on the Plains, thus ending their depredations in that part of Texas.

Q Does timber grow to any size in West Texas or is it all dwarfed? O. L., Columbus, Ky.

A While most of the prairie timber is small, some attains large growth. A live oak tree in Irion county, on Edwards plateau, measures 23 feet in circumference and has a spread of 90 feet.

Q How did Coleman county get the money with which to build the 16 dams on which construction work has been started? H. G. K.

A The state appropriated \$5,000 for the preliminary surveys and the balance has been obtained by the Central Colorado River Authority from WPA and private subscriptions.

Q What Texas town has a street named Patrick in honor of the Irish saint? F. H.

A Dublin. The place, settled in 1854, was first called "Doublin," but when the name was changed in 1877 to "Dublin" for the Irish city of that name, the principal street was named for Saint Patrick.

Q What was the date of the battle of Plum Creek and what was the result?

A The battle of Plum Creek was fought on September 12, 1840, and resulted in the complete defeat of the Comanches.

OIL SEIZURES ARE DEBATED BY OFFICIALS

McCRAW REPRESENTING STATE IN CAPITAL CONFERENCE

WASHINGTON, Sept. 24 (AP)—The right of the government to sell "hot oil" seized to satisfy income tax claims was at issue today as officials of three federal departments resumed a conference with Attorney General William McCraw of Texas on administration of the Connally act.

Called by Attorney General Cummings at the request of Texas authorities, the conference was expected to straighten out various problems resulting from administration of the law designed to curb shipments of "hot oil"—produced in excess of a state's legal quota.

To accomplish this, the act authorized the interior department, through the federal tender board, to supervise interstate movement of oil.

John Dickinson, assistant attorney general and spokesman for the federal officials attending the conference, said providing closer cooperation between the tender board, the Texas railroad commission which controls intrastate oil movements and various state law enforcement agencies was one of the principal problems under study.

He predicted definite conclusions would be reached by tonight, and McCraw said "the government departments and I are of one mind and one thought" as the first day's discussions ended yesterday.

"We are getting along swell," McCraw added.

Texas authorities have contended the railroad commission has sole authority to dispose of illegal oil, disputing the right of the internal revenue bureau to sell hot oil through liens against property of a delinquent taxpayer.

SWINDLE CLAIMED IN OIL LANDS AND STOCKS

GETTYSBURG, Pa., Sept. 24 (AP) State police held two Washington men today in connection with a report by Miss Carrie E. Twynne, 55, that she had been swindled of \$5,300 in a deal for Texas oil lands and stocks.

Corporal L. D. Gritman said the men gave their names as Franklin M. Plummer, 40, and Henry A. Johnson, 44. They were arrested last night.

Gritman said Plummer admitted obtaining the money from the woman over a period of a year. Police held Johnson as an accessory.

Gritman said Miss Twynne complained to police after she learned the stock was worthless. She said she told him she also purchased 22 acres of Texas oil land from Plummer.

Officers said the worthless lands allegedly sold to the woman were located in Crane and Blanco counties.

Rain caused Elvin Dilling's six prize Holstein cows to take refuge under a tree at Altoona, Pa. Lightning killed all of them.

Two Princes of the Dalmatian Breed

Two blue-bloods of the Dalmatian dog strain, taken in their nursery, dogs before they reached the glamor of the show world and glory. Now they are entered in the Texas Centennial Exposition Kennel Club Shows in Dallas October 31-November 1. Oread Night Flower, left, and Great Movie Star, they are owned by W. B. Dalton of Lawrence, Kansas. They come from a long line of prize-winning sires.

POWERFUL PRINCETON ELEVEN SUCCEEDS UNBEATEN '35 TEAM

(Last in a series of seven daily stories detailing major college football prospects in various sections).

By HERBERT W. BARKER
NEW YORK—(AP)—The "big push" already is on for the East's football powers, led by Princeton's mighty Tigers who will bid for their second successive sectional crown, mythical though it may be.

From Washington, D. C., to Crono, Me.; from Pittsburgh to New York, the pungent odor of liniment already rises from 125-odd training camps, assurance that all is well in the football world. Bruises, aches and strains are, after all, signs and portents of a new season.

Only the more reckless among gridiron guessers would venture any prediction as to where the 1936 sectional championship will find a resting place, but the field of probable contenders is small enough when all is said and done.

Powerful Tiger Machine
Princeton, which ripped through a comparatively light schedule undefeated and untied last year, will roll out another impressive machine paced by the brainy quarterback, Ken Sandbach, but Coach Fritz Crisler may have trouble finding sufficient adequate reserves to carry on this unblemished record.

If the Tigers should falter somewhere along the route, the chief alternate championship possibilities seem to be Fordham, Pittsburgh, Army, Navy, Colgate, and, less probably, Yale, Penn, Temple or Columbia.

Fordham was one of 1935's most underestimated outfits in the country, largely because of an early-season beating from Purdue, but the Rams will have to be reckoned with this year from the word go. Pitt, whose sophomore array did well enough in dropping only one game last season to Notre Dame—will have the benefit of greater experience as well as new mater-

ial from a good freshman squad. **Service Eleven's Tough**
Navy, whose bad beating from Army came as a shock, will have plenty of man-power and riper experience this fall and should make it interesting for them all. Army is developing another strong team upon the plains with little Charles (Monk) Meyer, the phantom back, again the spearhead of the intelligently-conceived attack taught by Gar Davidson.

Andy Kerr's Red Raider teams, for years, have been tough to beat and the 1936 Colgate array, playing a more representative schedule, should be no exception. Yale again will lack power but the Ells showed a year ago they could be formidable opponents despite their lack of poundage. Penn, a major disappointment last year, should be on the up-grade. Temple's problem is to find a replacement for Dave Smuckler, Columbia, with a new sophomore sensation in Sid Luckman, may be the chief surprise package of the section.

LOVELOCK PREPARING FOR LAST GREAT RACE
PRINCETON, N. J., Sept. 24 (AP)—Jack Lovelock is getting ready for the last mile.
For 12 years now the great New Zealand mile runner has kept the same schedule: 24 miles a week for 25 weeks of the year—he figures he has run 7,000 miles in practice.

Now he's preparing to meet Glenn Cunningham and Archie San Romani here October 3 in one of the closing performances of a career which reached a dramatic climax at Berlin in August when he won the Olympic 1,500 meters title in world record time.

He's not quite certain this will be his last race.
"As far as I know it will," he said today. "I am going back to New Zealand in October for the first time in 3 1/2 years and the government is paying my way. So they may possibly want to see me run down there. If they do, I shall, of course, but this race will likely be my last against the best milers in the world."

NOTICES SENT OUT FOR OIL COMPACT MEETING

OKLAHOMA CITY, Sept. 24 (AP)—Governor Marmann today sent official notices of a meeting of oil compact states in Oklahoma City Oct. 2 to governors of member states and to the heads of 14 other oil producing states.

Marland said member states that will be represented will include Kansas, Texas, New Mexico, Colorado and Illinois. He said governors of the 14 other states have been asked to attend or to send representatives.

Marland said purpose of the compact was adoption of uniform laws regulating the production and marketing of oil and attempts will be made at the meeting to foster legislation in other states which will allow them to join the compact.

BARONS TRUNCE NEW ORLEANS IN 5-4 TILT

BIRMINGHAM, Ala., Sept. 24 (AP)—Clyde Shoun, cannonball left-hander, was Manager Riggs Stephenson's choice tonight in the final Shaughnessy playoff of the Southern Association.

Opposing him will be Jonas Butzman, righthander with three previous victories over the Birmingham club.

The muddy diamond was partly responsible for much of the loose play which featured the Barons 5 to 4 victory last night over New Orleans. Four of five miscues were wild throws, which might be charged to the uncertain footing.

DUKE, LOUISIANA STATE LOOK STRONGEST IN DIXIE CIRCUIT

(Fifth in a series of seven daily stories detailing major college football prospects in various sections).

By KENNETH GREGORY
ATLANTA (AP)—In Southern football this fall it's a clearcut case of fear of the other fellow, thus leaving unanswered that perennial riddle: "Where does the power lie?"

By drawing a conclusion of opinions, and granting the edge usually accorded a champion, one would nominate Duke's Blue Devils of the Southern conference and Louisiana State's Tigers of the Southeastern circuit as logical choices to repeat.

On the other hand, observers point to the general uprising of former downtrodden teams and again come forward with the prediction of the most wide open race in years.

The doubtful viewpoint exists in both conferences. Six new members have been added to the Southern roster and no fewer than five teams, including the runner-up North Carolina Tar Heels, are rated potential threats. A half dozen or more elevens are considered improved enough to overhaul Louisiana State's dominance in the Southeastern.

"One team looks as good as another," says Bernie Moore, the track-football coach who piloted Louisiana State to its first championship in 2 years.

Eleven Teams Have Chance

"There are no fewer than 11 of the 13 schools which figure in the championship picture. I believe we will have a pretty good team, but

CAPITOL JIGSAW

By HOWARD C. MARSHALL

AUSTIN, Sept. 24 (P)—Governor Alfred and members of the legislature already are agreed on one thing. They believe that finding new revenue for old age pension or any other purposes will not be easy.

The governor spent a week-end somewhere in the country studying tax recommendations to the special session of the legislature convening Sept. 28 and returned with the following ringing statement:

"It's a tough proposition; things certainly are in a tangle."

The legislators have their eyes on marble machines, about which controversies have raged for years, as revenue producers.

Working over the omnibus tax bill which failed to pass in the last session of the legislature, Representative Jesse James of Cameron wrote in a tax on the machines estimated to yield \$1,000,000 annually. He said the tax would not legalize the devices.

Rep. Roy Hofheinz also has designs on the marble boards. He would authorize counties to tax them, a privilege he claimed was inadvertently denied when the present taxing law was enacted.

Gov. Alfred admits his appearance has not always been that of a movie star or a riding master, but how questionable it was recently was brought home effectively.

With his secretary, Ed Clark, and Homer Dewolf, former assistant attorney general—the governor told the story—he had been in the southwest ranch country and dragged into Palfrurris late one day.

The trio, in rain-drenched, mud-splattered clothing, stopped at a filling station and asked when the next train would pass.

The attendant looked them over suspiciously.

"What kind of a train?" he asked. "Freight or passenger?"

Gov. Alfred and the board of control are assembling data on the number of insane persons in jails or otherwise outside of state hospitals for the mentally sick.

They think the legislature may have some question to ask on the subject and want to be prepared. County judges have been asked to answer questionnaires.

Incomplete returns placed the total at about 470, but Chairman Claude Teer of the board said it might be greater. County records appeared to be somewhat obscure.

The department of public safety has heard a lot of excuses from motorists detected in sundry infractions of the law, but—there always is something new.

"My old license is worn out," a motorcycle rider told a highway patrolman who halted him.

"Worn out?" the patrolman queried. "Yes, sir," the rider replied. "Worn out. My motorcycle overturned and I skidded about 50 feet on my hip pocket. The pocket, the billfold and the license were all worn out."

The slope of more than three-fourths of the land in the United States makes it subject to soil erosion.

J. Volney Lewis and Sumner M. Anderson, national park service geologists, have just completed the first comprehensive geologic examination of the lava beds at Lava Beds National Monument, Calif.

you can't lose seven first-string men, including Mickal, Fatheree, Rukas, Barrett and Helveston and not expect to be hurt plenty."

Duke is generally favored to repeat his title-winning performance in the Southern, with North Carolina, North Carolina State, Clemson, Maryland and Virginia Tech figuring in the running.

North Carolina, defeated only by Duke in 1935, was badly riddled by graduation when 11 lettermen departed. The Tar Heels rated eighth in the nation last season, but Raymond (Bear) Wolf, who succeeded Carl Snively as head coach, faces a tough rebuilding task.

Hunk Anderson was greeted by the return of 27 lettermen at North Carolina State and the outlook is brightest since he moved there from Notre Dame, Maryland's crack backfield returns intact and the other squads have veterans available for every position. Virginia Military and South Carolina had outstanding undefeated freshman teams and if these players click with the varsity they should finish well up near the top.

The second-guessers draw the conclusion that the Southeastern schedule is so arranged that no single club will finish the season with an unblemished record. Auburn, Vanderbilt, Kentucky, Georgia Tech, Mississippi, Georgia and Mississippi State are ranked as threats for the 1936 title.

Schedule May Decide Champion
"It seems to me," says Maj. Ralph Sasse, coach of the Mississippi State Maroons, "that the champion of the Southeastern may not be the best team in our group, principally because of the great difference in comparative strength of schedules.

"For example, Auburn faces Tulane, Tennessee, Georgia, Georgia Tech and Louisiana State. Coupled with terrific road travel, including visiting dates with Detroit and Santa Clara, this will not permit them to remain at a peak throughout the season.

"One might also place Louisiana State in the same category. Accordingly, based upon schedule rather than actual strength, it seems to me that Kentucky has a splendid chance to be declared the actual conference champion.

"While I believe that it is customary for a head coach to be pessimistic, nevertheless, upon facing the facts, it is my feeling that Mississippi State will cause more than one team sufficient trouble this year."

"While I believe that it is customary for a head coach to be pessimistic, nevertheless, upon facing the facts, it is my feeling that Mississippi State will cause more than one team sufficient trouble this year."

"One might also place Louisiana State in the same category. Accordingly, based upon schedule rather than actual strength, it seems to me that Kentucky has a splendid chance to be declared the actual conference champion.

YES, ACTUALLY ONLY 65c

Crepe hosiery at 66c is NEWS! We've sold thousands of pairs at 79c and that price is low—for the same quality sells the country over at \$1.00 to \$1.15. They're exquisitely sheer and lovely. Now for the first time they cost you no more than ordinary ringless silk hose. Smartest new shades for Fall.

Up to 79c Next Monday! Buy Now! Save 13c a Pair

What do we mean by Crepe? High twist silk makes them look slinger than other hose of the same weight. The DULL crepey finish has a slenderizing effect.

What is your Correct Length? These are Wards famous "co-ordinated length" hose. Every foot size has its own correct leg length. Neater fit! More comfortable!

Do they Wear? They certainly do! Their special knitting process keeps them from snagging easily (or spotting readily). Feet reinforced for long wear!

Are they First Quality? Yes, indeed! No seconds . . . no imperfects! Every pair has been carefully inspected. All are made from fresh silk. FULL fashioned!
