These arrangements are TEXAS LEAGUE adapated to individual needs and are a lot cheaper than court action.

While the state as a whole turned down the proposal to return to the fee system for county and district officers. Howard county voters sanctioned the change. This must be taken as an evidence that they are not pleased with the manner in which the salary system has been worked in this county. Local gov erning bodies might well take cognizance of that fact and join, in letter and spirit, with changes that the legislature must now make in the salary law.

And speaking of parks, the city has taken steps to make the ex-tension southeast of the present location of benefit to all classes units, serve as a golf course, Boy Scout rally ground, and a game preserve. Hundreds will drive miles and miles to spend a day in Big Spring because of it.

The addition of Grover C. Dunham to the city commission will bring to municipal affairs a man who has been interested in civic advancement, who has worked for worthwhile movements, and who, among other things, has been a successful business man, It's a good combination.
