WASHINGTON, Aug. 11 (AP) - A senate agriculture subcommittee recommended today a bill providing for price-pegging loans on five major crops, including cotton.

Chairman Smith (D-SC) said the full committee would consider the measure later in the day and predicted it would be reported favorably by the senate.

Presidential Veto?

Simultaneously a similar measure was placed before the house agriculture committee by commis-sioners of agriculture from 13 southern states. There, sowever belleved its prassage would be futile and that it probably would East Texas Woman Is meet a presidential veto 2 unac Chairman Jones (D-Tex) said he companied by crop control legislation.

It's the new, small Wirephoto receiver, part of the equipment used to speed important pictures to this newspaper.

PALS FOR 60 YEARS. Barney Kelly, Ashland, Pa., an anthracite miner, was a lad of 18 when he started playing the fiddle he still plays today. Now, at 78, he's one of the masters of old-time tunes and minstrelay and is called upon frequently to perform.

Hard-bolled Tommy Farr, 208-pound Welshman, sets his eyes grimly on the title as he toils and trains at Long Branch, N. J., for his fight with Joe Louis at New York. Compared with his early years in mines Farr says 4.7 fighting holds no fears for him.
