\$2.00 PER YEAR

CITY HAS LARGEST GROWTH IN YEARS SHOT EXPLODES PREMATURELY IN WILCOX NO. 4

Slight Jar Explodes Nitro Near Bottom

Ill fortune again entered the field when 250 quarts of nitroglycerin exploded prematurely at a depth of about 3,000 feet in the Wilcox No. 4 on the Worley-Comps land last Sunday.

Tex Thornton states that a slight jar received in lowering the explosive caused explosion. It was planned to use a five hundred quart shot in this hole, but the accident of Sunday will materially change the plans. The well is being cleaned out now and the developments within this week will largely determine whether or not this well will be a producer, it is believed.

Wilcox No. 4 is down to a depth of 3,030 feet, with 130 feet of oil sand. A. F. Johnson, superintendent for the Wilcox interests in Gray county, states that this well appears to be the most promising of all the Wilcox wells.

Although the shot discharged was only a small one the well sprayed oil for some time after the shot exploded. It is believed that another shot will be put in as soon as the well is properly cleaned out.

ABRAHAM LINCOLN PICTURE SHOWN HERE

On May 10th and 11th the picture, "Abraham Lincoln" will be shown at the Crescent theatre.

This picture should be of interest to every true American because it portrays the life of one of the greatest men that America has ever produced. It will be of special interest to American history students. For many years the history of our country centered around Abraham Lincoln. He has been most fittingly called "The Preserver of Our Nation."

This picture will be an inspiration to all who see it. Come and bring the children. It will present a true story of a poor boy that attained success in spite of many hardships.

Pampa Oilers Go To Amarillo For Return Game This Sunday

This Sunday the Amarillo boys will be given a chance to "put up or shut up" when the local nine trots out on the Amarillo park diamond. It is probable that fifteen players will be taken to Amarillo in order to prevent the repetition of the comedy put on by Panhandle last Sunday when the home town boys lost by a score of 11 to 1.

Pampa will play the Amarillo team Sunday at Amarillo and several practice games have been played this week in order for the boys to get some much needed practice. Big Swanner has had several good work outs this week and is expected to repeat Sunday his performance of three weeks ago when he whiffed nine Amariions and allowed only three hits.

The Pampa club has been strengthened in all departments of the game and it is expected the heavy end of the score Sunday will point eastward with Amarillo coming out the little end of the horn.

RAINFALL GENERAL OVER THE PANHANDLE

General rains continue to fall over the entire Panhandle section. All of this week has been cloudy with light showers every day. Not more than one-half inch of rain has fallen in this county, but these light showers are keeping the soil in fine shape and are promising for a large wheat yield.

There hasn't been enough rain to halt operations in the oil fields.

CLARENCE COBB LEAVES FOR AUSTIN

Clarence Cobb left Wednesday night for Austin, where he will enter the State Interscholastic Track Meet. He did not leave until after the performance of the Senior play, in which he took part. High school students present at the theatre Wednesday night gave several peppy yells for Cobb and showed that they were proud of him.

IRVIN RE-ELECTED HEAD OF PERRYTON SCHOOLS FOR YEAR

Supt. W. V. Irvin, of the Perryton independent school district, has been elected for another term. Supt. Irvin will be remembered by his many friends in Pampa as having served as superintendent of the Pampa schools. He has raised the credits of Perryton schools for affiliation from 16 1/2 to 25, which is a very good record. His friends here are glad to learn of his success.

PAMPA LADIES ATTEND O. E. S. S. IN AMARILLO

The Order of the Eastern Star School of Instruction was held in Amarillo Tuesday, May 4. Twenty-six chapters were represented, and 163 were present.

Those attending from Pampa were Mrs. Sid Stone, Mrs. Johnson, Mrs. I. B. Hughey, Mrs. J. M. Saunders, Mrs. G. C. Croker and Mrs. H. W. Johns. Four certificates were issued to the Pampa chapter.

The 1927 school will be held at Hereford, Texas.

MR. AND MRS. ALEX. SCHNEIDER RETURN FROM VISIT IN EAST

Mr. and Mrs. Alex Schneider, Sr. returned Monday night from an extended visit in the east. They spent the past five months in Chicago and New York and other cities in the East. Mr. Schneider states that Pampa and Gray county have gone forward rapidly in the past few months, and that he is pleasantly surprised at the growth taking place here now.

Oklahoma City Boosters Praise City of Pampa

Oklahoma City Boosters arrived in Pampa on their special train promptly at 9:37 Wednesday morning and were met at the station by Mayor Reid and other citizens. A parade was formed and was led by the Oklahoma City High School thirty-two piece band, and was followed by several hundred Pampa school children who were dismissed from school to welcome the visitors.

The parade halted at the center of Cuyler Street, where Mayor Reid presented the key of the city to the visitors and introduced the speakers. In his introductory speech Mayor Reid mentioned something of the city and county's growth, giving a brief survey covering the past year.

Dr. W. B. Bizzell, president of the University of Oklahoma and for many years president of the Texas A. & M. college, was the principal speaker of the day. He complimented very highly Pampa and Gray county.

J. J. Gibson, post commander of the American Legion of Oklahoma City, and Rev. E. C. Mobley, pastor of the First Christian church, but for many years a resident of Amarillo, also spoke briefly.

In his opening speech Mayor Reid mentioned the discontinuance of the Fort Elliott highway between the Texas state line and Erick, Oklahoma, and was assured by the delegates that the matter would be taken up with the Highway commission of Oklahoma and every effort made to repair this gap in the highway. Mayor Reid has worked for several years on this highway and he was very well pleased with the assurance that the highway would be completed.

Many of the delegates expressed the wish that they might see the Gray county oil field but their schedule allowed them only forty minutes here, which made it impossible for them to do so.

Teachers Re-elected For City Schools

Superintendent R. C. Campbell and four teachers were re-elected for another year by the board of trustees of Pampa. Those re-elected were Miss Bernice Whitley, English; Miss Miss Lola Posey, history; Miss Inah Johnson, home economics; Mrs. W. F. McCracken, business arts.

All high school teachers hold A. B. degrees or better. Six teachers were re-elected in the lower grades: Miss Finis Allred, Mrs. M. A. Ferguson, Miss Nellie Bird Ritchie, Mrs. Stowell, Mrs. Daniels and Mrs. Meader. All of the above teachers hold permanent certificates or better.

Supt. Campbell states that the school is expecting to be granted one more credit in English, which will make thirty affiliated units with the State University, making this one of the best high schools in the Panhandle.

Extensive changes will be made in class rooms for the coming year in order to take care of the increasing scholastics. A Home economics cottage will be built; one large class room will be added for the vocational agriculture shop, and five other class rooms. Five new teachers will also be added to the teaching staff—one more for the high school and four for the grades.

Mayor and Mrs. F. P. Reid went to Mobeetie Sunday to attend the funeral of Daniel Short, pioneer of this section.

Mr. and Mrs. J. O. Gillham, of Hap, visited in the home of Mr. and Mrs. W. H. Doyle last Sunday.

OIL NOTES—

1926 Will Be Great Year In City's History

Oil Field Notes

Erection of a rotary rig was started this week on the Worley-Reynolds land, section 83, block 3, Gray county, by Drilling Contractors Lewis, Willis and Trigg.

This new location is one mile west of the Wilcox No. 3 and the well will be drilled for Clark, Harbin & Baldrige.

The 15 1/2 inch pipe in the Texas No. 1 on the Brown property three miles west of Pampa was pulled the latter part of last week and work has gone steadily forward cleaning the hole out.

Drillers are now within forty feet of the bottom of the hole and it is expected that the well will be producing three to four hundred barrels daily within the next week or two.

Plans are under way for extensive drilling by several companies, with numerous new locations from the Empire well west of Pampa to the Wilcox field southeast.

Leases over the entire territory have greatly increased in value since the Texas well came in and the Wilcox No. 4 was shot.

CROSS ENGINEERING CO. OPENS OFFICE WITH F. P. REID

The Cross Engineering Company of Kansas City, Missouri, have opened a branch office in Pampa this week and have secured F. P. Reid as their representative here.

The Cross Engineering Company announces that they will finance the construction of business houses and hotels from \$10,000 up.

Mayor Reid states that this is one of the most valuable businesses yet to locate in Pampa with a great building program in view.

"Am I Intruding?" By Senior Class Scores Big Hit At Crescent

Under the able direction of Miss Leila Borex and B. Q. Green, the Senior play, "Am I Intruding?" presented Wednesday evening at the Crescent Theatre, before a large and appreciative audience, was a complete success. Each character was very ably portrayed by members of the Senior class. In fact so well portrayed that no one character was the "star" of the evening.

The main plot of the story was saving Horace Vare from financial ruin due to the crooked play of Blair Hoover, an adventurer. Jerry, from Sage Creek, the son of a life-time friend of Vare's, arrives at the Vare home disguised as an ignorant country boy. In the end he saves Vare from losing after which he appears as a well dressed young gentleman, to claim the hand of Vare's oldest daughter, Marjorie.

The characters in the play were: Mrs. Hastings, the

Pampa is enjoying one of the greatest expansions ever known as is shown by the building permits issued by the city. Permits for the month of April totalled \$92,680, in business and residence buildings.

Ten Business houses alone totalled \$50,950. Outstanding among these are the Smith and Son building on Foster Avenue, \$20,000; Johnson building on Foster Avenue, \$15,000;

Permits issued for the twenty new homes during this month amounted to \$37,050—an average of \$1,850 to each home which indicates the type of homes being erected here.

Pampa claims the distinction of having a substantial income from its oil fields without the usual wave of "floaters" and "boomers," according to prominent citizens, who state that although the city's growth has been phenomenal in its extent, permanent buildings are being erected instead of the shacks seen in other cities and towns of this section.

Building permits the first five days of the month of May totalled almost \$11,000 in residences.

Permits for January of this year were \$14,900; for February \$14,060; for March \$50,395; April \$92,680; making a total for the first three months of this year \$172,575. With \$11,000 in permits granted the first five days of May, it will probably exceed the banner month, April.

W. M. McCarty, of McCarty Motor Co. in Amarillo, was a business visitor in Pampa this week.

Mrs. Bob Brashears and Miss Cleo Cox of Panhandle were in Pampa this week.

BLANTON SELLS FARM FOR \$16,000

A transaction was closed recently whereby L. G. Blanton sold to Mrs. I. B. Krotch 80 acres of farm land in section 80, block 3, Gray county, for a cash consideration of \$16,000. This is thought to be the highest price yet paid for farm land in Gray county.

COUNTY KITCHEN CONTEST WINNERS

The kitchen contest in Gray county came to a close Monday, May 3rd, when the final scoring and judging of kitchens entered was completed. Many improvements have been made in all seven of the kitchens which held out faithful to the end. Among them are improved artificial and natural lighting, ventilation, running water and installation of sinks, built in cabinets, stools, floor coverings and numerous home-made conveniences. Mrs. L. F. Keehn, Rt. 1, Miami, Texas, won first place in Class 1 and also first place in the county contest, having made the greatest amount of improvement at the least cost. As a county prize she will receive a floor covering of Armstrong's linoleum, offered voluntarily by the Malone Furniture Company, Pampa, Texas.

Mrs. Tom Blakney, Alanreed, Texas, won first place in Class 2. These two kitchens will enter the district contest and the district judging will be done during May.

MRS. WHITE ENTERTAINS WHITE DEER ART CLUB

The beautiful modern apartment house of Mrs. Joe White was the scene of one of the most enjoyable social functions of the season, when Mrs. White entertained at dinner in her private suite of rooms on April 29 (Thursday last).

The guests included the White Deer Art Club and a few specially invited friends from White Deer.

Promptly at noon a three-course dinner was served cafeteria style and gave evidence of the wonderful culinary of the hostess. After the dinner hour the guests were entertained by a brief and charmingly humorous program. A photograph of the hostess and her guests was then made. The remainder of the afternoon was spent in quilting and pleasant conversation. All too soon the afternoon had passed and the guests departed for their various homes carrying with them the memories of a most delightful day arranged for them by an unusually amiable hostess.

Those present were: Mesdames H. Edinboro, L. Turney, P. C. Jackson, J. Howard, T. L. Colgee, W. M. McConnell, W. Coffee, McSkimming, J. Freeman, Doud, W. Simmons, E. Harris, E. Grimes, Jim White, and Misses E. Carpenter, M. Carlock and A. Busch, all of White Deer.

MISS ROREX RETURNS HOME AFTER YEAR AS LOCAL TEACHER

Miss Lella Rorex left Thursday afternoon to return to her home in Panhandle, after a year's work as teacher in expression and voice in the local schools. Miss Rorex presented her pupils in six matinee recitals and two concert recitals, and was very highly complimented on each. Her last work was the direction of the Senior play, which was presented Wednesday evening. Miss Rorex deserves much credit for this program.

GRAND VIEW ITEMS

April 21st

Forest Ritter and Montie Dunn surprised the community by being quietly married last Friday.

All three rooms of the school participated in the literary program Saturday night, which was a good one despite the fact it was worked up in a week's time.

Mable Elkins is slowly improving from pneumonia.

Announcement was made at the program Saturday night that the school patrons were going to give the school children their promised picnic on Tuesday the 20th and it was hilariously received. Tuesday morning ushered in a very wet picnic day but fifteen gallons of ice cream had been ordered, dinners had been prepared, and therefore several families met at the school house while several more families met at the home of R. I. Davis, the cream was distributed and every one proceeded to enjoy the day.

One and one-half inch fell Tuesday, which is making the farmers all wear a broadside grin while watching the wheat, oats and barley fairly shoot up. Jack Stephens is building a fine modern chicken house.

An election was held at Grandview Consolidated No. 17 Friday the 16th for the purpose of voting \$6,500 bonds to build a tile brick school house. The bonds carried 57 to 32 so all are rejoicing over the prospect of a new school house for another year.

April 25th

A double shower was given to Mr. and Mrs. Forest Ritter and Mr. and Mrs. Cyrus Bowers at the home of Mr. L. D. Looper Tuesday night. Many useful gifts were received by both couples. About 45 were present and enjoyed music and games until a late hour when refreshments consisting of cocoa, pimento sandwiches and cake were served.

May 2nd

The Grandview school is getting ready for commencement, which will be May 13. The High school play will be Saturday, May 15.

Mr. and Mrs. J. L. Armstrong, from Panhandle, spent Sunday with R. I.

Davis and family.

Mr. and Mrs. Cliff Grough, of White Deer, spent Sunday with I. T. Kuykendall and family.

Bill Straceners are very proud of a 10-pound girl which arrived April 28.

The merchant who knows little about advertising believes that if he puts one advertisement in a newspaper he should sell all of the goods in his stock the first day. The Saturday Evening Post is the highest priced advertising medium in the world, and the publishers know so much about the pulling power of advertising that they will not accept advertising unless it runs for thirteen weeks. One time advertising for a merchant will bring no great results. It is the constant advertiser who wins.—Randell County News.

Doctors, who have for many years considered it unethical to advertise, have seen the light. They realize advertising can be dignified. Judging from the action of the Medical Association at Dallas it would seem the doctors think it is their duty to the public to advertise. They have recommended educational campaigns to impress the people with the need for regular physical examinations. The age-long complaint of all physicians has been that patients present themselves for treatment too late for effective treatment. There is one thing that could remedy that—advertising. Doctors in neglecting to inform the public of the need of medical aid are failing in their duty just as much if not as signally as if they should fail to give a patient needed advice. There will come a day when doctors will advertise collectively and individually and when that day comes the unethical doctor will be the one who will be unable to stand the clear light of accurate information.—Wellington Leader.

Big Game.

Items: Train Robber—Say, Bill, don't bother about blowin' open the express safe.

Bill—But there's twenty thousand in it!

Train Robber—That's small potatoes. I've captured a Pullman porter.

Pledge to the Public on Used Car Sales

1 All used cars offered to the public shall be honestly represented.

If a car is suitable only for a mechanic who can rebuild it, or for some one who expects only a few months' rough usage on a camping trip, it must be sold on that basis. Each car must be sold for just what it is.

2 All Studebaker automobiles which are sold as CERTIFIED CARS have been properly reconditioned, and carry a 30-day guarantee for replacement of defective parts and free service on adjustments.

This is possible because tremendous reserve mileage has been built into every Studebaker, which it is impossible to exhaust in years.

3 Every used car is conspicuously marked with its price in plain figures, and that price, just as the price of our new cars, is rigidly maintained.

The public can deal in confidence and safety only with the dealer whose policy is "one price only—the same price to all." For, to sell cars on this basis, every one of them must be honestly priced to begin with.

4 Every purchaser of a used car may drive it for five days, and then, if not satisfied for any reason, turn it back and apply the money paid as a credit on the purchase of any other car in stock—new or used.

It is assumed, of course, that the car has not been smashed up by collision or other accident in the meantime.

Not only to the public, but also to The Studebaker Corporation of America, whose cars we sell, we pledge adherence to the above policy in selling used cars.

HENRY THUT and FRANK DAVIS

© 1925, The Studebaker Corporation of America

The Studebaker Corporation of America takes pride and pleasure in announcing that the above Pledge is being carried out by

Thut & Davis Dealers

THE Pledge speaks for itself. It is a formal declaration of the fair and square attitude of Studebaker dealers toward the public. It is an assurance of honest dealing in a line of merchandising

which in some times and places has fallen into ill repute. It is an assertion of confidence in the reserve mileage built into the sturdy "one-profit" Studebaker automobiles.

SHERIFF'S SALE
THE STATE OF TEXAS,
County of Gray.

By virtue of a certain order of sale issued out of the Honorable District Court of Gray County, on the 1st day of April, 1926, by Charles Thut, Clerk of said Court against E. M. Taber for the sum of Six Hundred Fifteen and 90-100 (\$615.90) Dollars and costs of suit, in cause No. 1571 in said Court,

styled Chas. C. Cook versus E. M. Taber and placed in my hands for service, I, E. S. Graves as Sheriff of Gray County, Texas, did, on the 2nd day of April, 1926, levy on certain Real Estate, situated in Gray County, described as follows, to-wit:

Being all of Plot No. 53 of the Suburbs of Pampa, according to the map or plat of said Suburbs recorded in Volume 17 on page 114 of the Deed Records of Gray County, Texas, and containing 2.19 acres of land be the same more or less, and levied upon as the property of said E. M. Taber, and on Tuesday, the 4th day of May, 1926, at the Court House door of Gray County, in the Town of Lefors, Texas, between the hours of ten A. M. and four P. M. I will sell said property at public vendue, for cash, to the highest bidder, as the property of said E. M. Taber by virtue of said levy and said order of sale.

And in compliance with law, I give this notice by publication, in the English language, one week for three consecutive weeks immediately preceding said day of sale, in the Pampa Weekly News, a newspaper published in Gray County.

Witness my hand, this 2nd day of April, 1926.

E. S. GRAVES,
Sheriff Gray County, Texas.

ORDINANCE NUMBER 52
AN ORDINANCE PROHIBITING THE SELLING, PEDDLING OR AUCTIONEERING OF MERCHANDISE OF ANY NATURE OR ANY OTHER ARTICLE THAT IS SOLD FOR PROFIT, OR THE OPERATION OF A SIDE SHOW OR EXHIBITION UPON THE STREET, AVENUE OR ALLEYS WITHIN THE ESTABLISHED FIRE LIMITS OF THE CITY OF PAMPA, TEXAS, AND FIXING A PENALTY FOR THE VIOLATION THEREOF.

Be it ordained by the city council of the City of Pampa, Texas: That it shall be unlawful for any person or persons to sell, peddle or auctioneer merchandise of any nature or any other article that is sold for profit or to operate a side show or exhibition upon the streets, avenues or alleys within the boundaries now designated or which may hereafter be established as the fire limits of the City of Pampa, Texas.

Any person or persons violating any of the provisions of this ordinance shall be punished by fine not to exceed \$25.00.

This ordinance shall be in force and effect from and after its passage by the City Council of the City of Pampa, Texas, and its approval by the Mayor of said City, and after its publication as provided by law.

The foregoing ordinance was passed by the City Council of the City of Pampa, Texas, on the 28th day of April, A. D. 1926, and approved by the mayor of said city on the same day.

F. P. REID,
Mayor of the City of Pampa, Texas.

Attest:
J. T. Crawford, Jr.,
Secretary of the City of Pampa, Texas.

THE STATE OF TEXAS
To the Sheriff or any Constable of Gray County—Greeting:

J. W. Thomas, executor of the estate of D. T. Thomas, deceased, having filed in our County Court his final account of the condition of the estate

KANSAS CITY STOCK MARKET

Hogs and Lambs Lower, Cattle Higher
Fat cattle were strong to 25 cents higher, the first advance recorded on any Monday in several weeks, past and the first material check the downward movement in prices have received since early April. There was considerable strength at the advance. A period of light receipts in Chicago would extend the upward swing. Hogs were 10 to 15 cents lower extending the decline that occurred Saturday to 25 cents under the high point last week. Sheep and lambs were 15 cents lower with trade fairly active.

Today's Receipts
Receipts today were 12,000 cattle, 10,000 hogs and 9,000 sheep, compared with 14,000 cattle, 12,000 hogs and 8,000 sheep a week ago, and 12,850 cattle, 8,350 hogs and 12,600 sheep a year ago.

Beef Cattle
Receipts of cattle in Chicago were moderate today and the market advanced. This is the first Monday in more than two months that the Chicago run has not been a depressing influence in the general market.

Here prices were strong to 25 cents higher than last week's close and 25 to 40 cents above a week ago. No choice to prime steers arrived. The best here sold at \$9 to \$9.50. Medium to good steers brought \$8.25 to \$8.50 and plain to fair kinds \$7.50 up. Southern grass fat steers in the quarantine division sold at \$6.25 to \$7.50. Cows and heifers were 10 to 15 cents higher. Cows sold up to \$8 and heifers up to \$9.50. Veal calves were strong, top \$10.

Stocks and Feeders
Strong prices prevailed for stockers and feeders, the result of higher prices for fat cattle. Some bulk of the thin steers brought \$8 to \$8.50.

Hogs
Late last week hog prices declined moderately and today a 10 to 15 cent decline took the general market 25 cents under last week's high point. At the decline trade was active, giving the close a stronger tone. The top price, 13.50, was paid for light hogs. The 160 to 210 pound classes sold at \$12.85 to \$13.25; 210 to 250 pounds \$12.45 to \$12.85; 250 to 325 pounds \$12 to \$12.40; packing sows were \$10.50 to \$12.25; stags \$9.50 to \$20.25; stock hogs and pigs \$13.50 to \$14.75.

of D. T. Thomas, deceased, together with an application to be discharged from said administration and as executor of said estate, you are hereby commanded that by publication of this writ for twenty days in a newspaper regularly published in the County of Gray and State of Texas to give due notice to all persons interested in the account for final settlement of said estate to file their objections thereto, if any they have, on or before the 1st day of May, 1926, of said County Court, commencing and to be holden at the Court House of said County in the town of Lefors on the 3rd Monday in May, 1926, the same being the 17th day of May, 1926, when said account and application will be considered by said Court.

Witness,
CHARLIE THUT,
Given under my hand and seal of said Court at my office in the Town of Lefors, Texas, this 21st day of April, 1926.
(SEAL) CHARLIE THUT,
Clerk of the County Court of Gray County, Texas.

NOTICE
April 28, 1926.

The Sewerage ordinance is being continuously violated. Take this warning, don't let any newspaper be found in your toilets. Any bottles thrown in clogs up the lines. Don't let any matches be put or thrown in the bowls where water carries them into the sewerage lines. The penalty is heavy. At the last City Council meeting, J. V. Andrews and A. J. Crocker were appointed inspectors to look after the violations. The sewerage is being clogged up and it will cost the City a great expense when the line would have to be repaired. See that you have the proper paper, for this ordinance is going to be enforced, and all outside toilets must be kept locked up.

City of Pampa,
By F. P. Reid, Mayor.

TO WHOM IT MAY CONCERN:

Notice is hereby given that H. W. Johns and F. O. Sanders, composing the partnership known as Gray County Abstract Company, intend to incorporate, without change of the firm name, thirty days after this the 16th day of April, A. D. 1926.
Partners
H. W. Johns,
F. O. Sanders.

WOMEN'S BISCUIT CONTEST

This contest shall consist in the making, baking and judging of both, baking powder and sour milk biscuits, by each contestant, using the improved methods of manipulation and procedure as set forth in these instructions and following recipes, No. 1 and No. 2, included in this plan.

All women taking part in the biscuit contest must be members of Home Demonstration clubs.

The following rules will be used in the contest:

Dress—The women contesting should present a neat appearance and should conform to the following requirements:

1. Wear a dress of wash material and a clean white apron.
2. Have holders for opening oven doors.
3. Have a towel for drying hands.
4. Have hair neatly arranged and wear hair net.

Cautions—1. Wash hands with soap and water and clean fingernails before starting work.

2. Do not wipe hands on apron, handkerchief, dish towel or dish cloth.

3. Do not waste flour or other materials.

4. Do not taste from mixing spoon; put a little food in a teaspoon and taste.

Procedure of Work—Necessary instructions will be given by the contest director before opening of the contest. A signal will be given for commencing work after which no questions will be answered and no talking must be engaged in by the contestants.

1. Get all materials on your table before starting to mix.
2. Use no more dishes or utensils than necessary.
3. Work neatly, quickly and systematically and without waste of materials or motions.
4. Clean up as you work.
5. Do not wash utensils until after second lot of biscuits is made and in the oven.
6. Clean table and equipment and put in order at close of contest.
7. When tables are in order, judge your biscuits and put score cards with your biscuits.

Receipts—The following recipes must be used in this contest, using

standard cups and spoons to measure with.

Recipe No. 1, Baking Powder Biscuits (12 to 14 Biscuits)
Two cups sifted flour.
One-half teaspoons salt.
Three teaspoons baking powder.
Two tablespoons shortening.
One-half to three-fourths cold sweet milk.

Sift together the flour, salt and baking powder twice. Cut in the shortening or rub in lightly with a spoon until the mixture is well blended. Add just enough cold milk to make a soft dough that can be handled easily. Roll to the thickness of one-half inch, cut out and place in pan, and bake 12 to 15 minutes.

Recipe No. 2, Sour Milk Biscuits (12 to 14 Biscuits)
Two cups sifted flour.
One-half teaspoon salt.
One-fourth teaspoon soda (scent.)
Two teaspoons baking powder.
Two teaspoons shortening.
About three-fourths cup thick sour milk.

Sift together the flour, salt, soda and baking powder two or three

times, cut in the shortening with a knife or rub in with a spoon. Mix with a spoon or spatula, adding enough of the sour milk to make a soft dough, slightly stiffer than for baking powder biscuits. Turn on a floured board and knead very lightly and then cut out. Place in ungreased pan and bake 13 to 15 minutes.

Chicken Pie.
Boil 1 chicken. Cut at all points and remove bones.

Crust.
1 cup of flour.
3 level teaspoons of baking powder.

1-2 teaspoon of salt.
4 tablespoons of shortening.
1-2 to 3-3 cup of milk.
Mix the flour, baking powder, salt, shortening, and milk and make a soft dough. Put the chicken on a rather shallow pan, add slices of 1 hardboiled egg. Cover over the top with the dough. Do not use a bottom crust.

Mrs. H. W. Johns visited Amarillo this week.

12 EXCELLENT REASONS

Why Your Car Should Be Equipped with the New **STROMBERG SUPER SHOCK ABSORBERS**

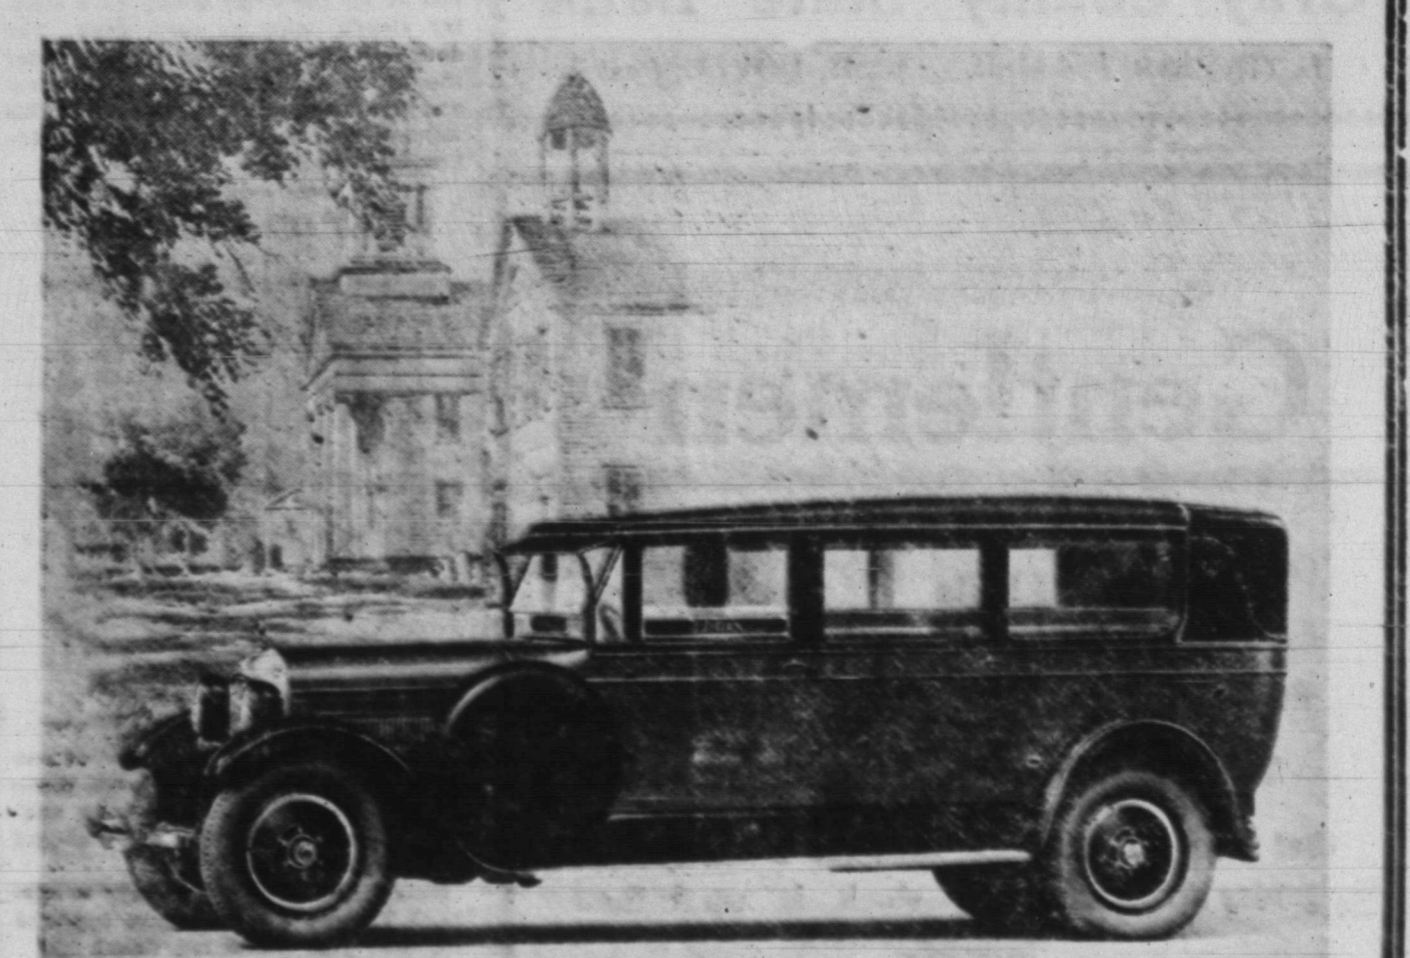

1. Designed on a new and better principle.
2. Regulates spring action to exactly the correct degree under all driving conditions.
3. Provides smooth, easy riding with either fullness or shock and firm.
4. Working parts protected against dirt, water and oil.
5. Heavy steel axle will not bend, stretch or rust.
6. Dependable maintenance service easy.
7. No grinding or tilting required.
8. Operates uniformly under load and without.
9. Built to measure for each make of car.
10. Locks on fast to your car.
11. Built and guaranteed by a leading responsible manufacturer.
12. Each set in separate package which contains all necessary fittings for installation.

These are the reasons for greater safety, and a saving in time and other expenses.

READY TO GIVE UP MULES FOR FLIVVER

"As Braxton Beller was driving to town tuther day, with his wife and nine children in the waggin," related Tobe Sagg of Sandy Mush, "a feller came ripping around a bent in the road straddle of a bull calf. The mules whirled, overturned the waggin, fung the folks out with a can of milk and twenty dosen eggs on top of 'em, and run away, dragging Braxton behind 'em. When he finally got 'em stopped and driv' 'em back to whur they'd left the waggin he found everything smashed and the family daubed with stuff from head to foot. Then whilst he was trying to sorter fix up things a little one of the cussed mules kicked him and broke his arm. He says he's going to swap off the mules and get a flivver. He can have just about as much trouble in less than half of the time."

"Yes, but what about the feller that was sidin' the bull calf?" asked an acquaintance.

"I hain't the slightest idy. Brax didn't tell me, and I forgot to ask."
—Kansas City Star.

Infants Suffer When Mother Dies in Well

Recently Juho Lukkariinen, a crofter or small farmer in the village of Askola in Kiihtelysvaara, Finland, went to Aglajarvi to do lumbering work. He left at home besides his wife their three daughters, the eldest about six years, and the youngest one year old. A little later the wife while drawing water from a well fell headlong in and could not get out. The children being left alone and unprotected, the cottage became colder and colder. Only on the fourth day was the oldest girl successful in making a fire in the fireplace. Then she melted snow in a pot and mixed rye meal with the water. With this the children kept themselves alive. There were six cows in the cowshed, but they got neither food nor water. On the sixth day a neighbor's wife went to find out why she had seen no sign of life from Lukkariinen's cottage. In the yard she found the frozen corpse of Mrs. Lukkariinen with her head up to the shoulders in the well. Of the children all were half frozen and half starved.

Beginning Early

A minister's daughter, age three, has begun to assist her father. The primary teacher was having difficulty with a new pupil when little Elnora came forward to offer assistance. She had taken her doll to Sunday school, and pulling her chair up beside the new pupil had soon hushed her crying.

Two weeks later another new pupil came. She, too, began to cry. Elnora left the room without a word, hastened to the parsonage adjoining the church, got her doll and was soon back in the little folks' room. The new pupil was lured into a corner by the young pastor's assistant, and her troubles were soon forgotten.

Interesting Ladies

Lavin is a name to conjure with in the fashion world. Mme. Jeanne Lavin is a mature, motherly type of woman whose pictures would say that she knows infinitely more about baby raising and how to cook spinach than to create dress confections of beauty!

Queen Ena of Spain writes a letter full of all the court gossip to a country vicar's daughter each week. The daughter and the queen studied under the same governess when children, and the queen still says she loves this woman more than anyone else outside her family circle.

WHAT DO YOU THINK?

Wife—Oh, how sweet it was of you to remember my birthday with these beautiful roses. But there were only twenty-five of them when there should have been thirty.

Hobby—My, ay, did I make a mistake? There's a silver just opposite you—can you blame me, can't?

Mother—Tommy is giving a great deal of attention to that farm paper you take.

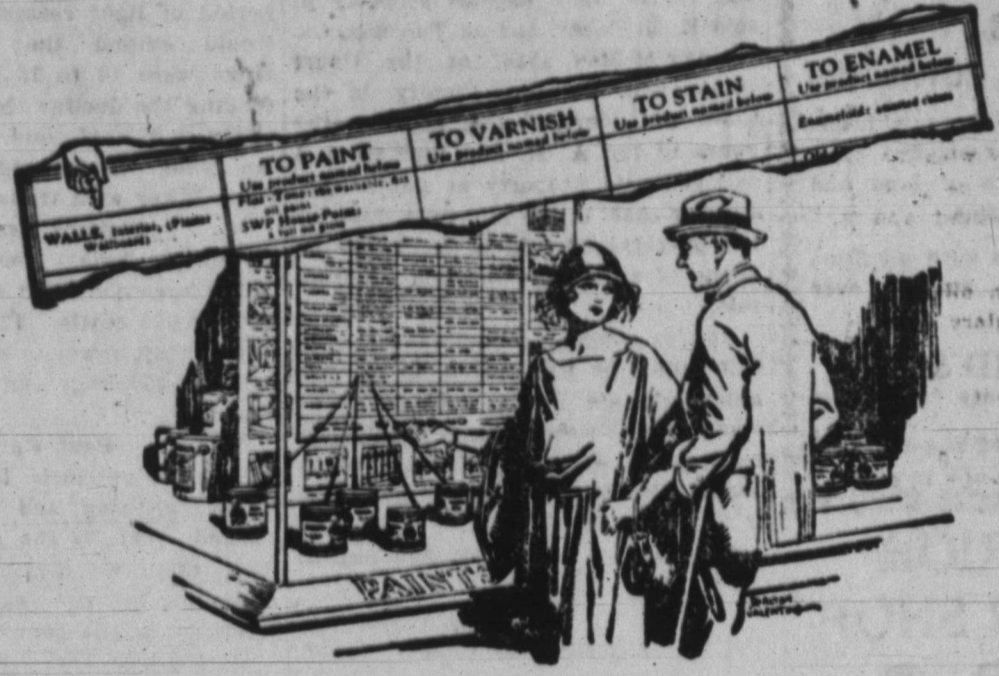

Dad—Yes; and from the way he covers the pages with soils I fully expect something good to grow out of it.

Revised Version
Hanford MacNider, assistant secretary of the War department, said, at the end of a broadcasting seance in Washington:
"I asked a small boy the other day what the three Rs were. He answered promptly:
"Reading, 'r'in and radio."

Does Biggest Business
The largest retail business in the United States, according to W. S. Gifford, president of the American Telephone and Telegraph company, is the telephone business. In support of this statement, he says there are about 50,000,000 telephone calls, or transactions, daily.

E. R. Manley, with the Fuller Brush Co., is in town and will be in the neighborhood for two or three weeks and will try to see you before leaving.

5-2tp

"John, here is that new 'Household Guide' for painting and decorating that we read about in the Saturday Evening Post. Let's see what it tells about decorating the bath room."

If you have read about it you know what this store has done for you by securing the new Sherwin-Williams "Household Guide."

We have brought to you the means for selecting the exact product that is expressly made for the surface or article you want to paint, varnish, stain or enamel.

Reproduced is a cross section on walls—other surfaces and articles are similarly treated.

Are you painting your house or varnishing a table or painting the porch floor or staining your porch furniture?

No matter what it is, the Sherwin-Williams "Household Guide" tells you exactly what to use in order to prevent disappointment. Come in and see this "Household Guide," then buy your painting material and supplies. We carry a full line.

No one paint, varnish, stain or enamel can give equally good protection or beauty to all surfaces or articles. Each surface, outdoors or indoors, has characteristics peculiar to itself that demand a special kind of paint, varnish, stain or enamel.

 The coward only threatens when he is safe.—Goethe.
 Flannels and small boys are apt to shrink from washing.
 A noble man is led far by woman's gentle words.—Goethe.
 Hazard not your wealth on a poor man's advice.—Manuel.
 Snow comes down in the winter and ice goes up in the summer.
 Trust that man in nothing who has not a conscience in everything.—Sterne.
 We do not count a man's years until he has nothing else to count.—Emerson.
 Any person can learn most about wickedness by carefully studying himself.
 One forgets nearly everything except the times when he made himself ridiculous.
 If a boy has ambitions, encourage them. They are the most important part of him.
 If a man has one little vice it hides lots of big virtues from the eyes of his neighbors.
 Let him that hath done the good office conceal it; let him that hath received it disclose it.—Seneca.

REVIVE OLD CELTIC LANGUAGE IN ERIN

"An Roinn Talte Agus Talmhaíochta, Fo-oinn Aicidí na Plannáil." This mysterious statement means nothing more startling than "Department of Land and Agriculture, Plant Disease Division."
 It heads the letters of the Free State government potato expert of Ireland and is a specimen of the old Celtic language used many centuries ago and which many Irish, in their ardent love of tradition, would revive for common usage, says the Los Angeles Times.
 The "Irish" potato, so-called, was grown first by natives of South America and was transported to Europe by Spanish explorers. It was introduced into Great Britain in 1586 by Sir Francis Drake. It became very popular in Ireland, for it took kindly to the soil and climate there and produced great stocks of cheap food.
 For several years, the English gardeners did not care for it, but today it is more highly developed in England than in America.

Trained for Warfare

By a federal law of 1910, military training in Australia is compulsory on all male citizens between the ages of twelve and twenty-six, and in the cadet corps from twelve to eighteen years; in the citizen soldiers, twenty to twenty-six, with short periods of training in the field. The universal training law was continued in 1922, but its operation is restricted to the more populous centers and confined to youths between seventeen and twenty years of age.

Just Begun

Marie Waterman, boys' secretary of the Hollywood Y. M. C. A., was rudely interrupted in the middle of an engaging novel by Louis Mellet, physical director and basket ball coach.
 "Have you been reading Longfellow?" Louis wanted to know.
 "Yes, only about fifteen minutes," granted Marie, turning over another page.

Was Tiniest Baby

Gilbert O. McGivary of Walla Walla, Wash., who died recently at the age of seventy-two was, when he was born at Trempleson, Wis., in 1853, the tiniest baby on record who lived. There were no baby incubators in those days and his survival occasioned widespread interest.

Helping Late Comers

Some of the more fashionable theaters playing legitimate drama are now printing a synopsis of the first act of their show in the program, thus enabling the majority of the audience, who come late, to know what is going on.—The Outlook.

Never

"Breakfast is evidently a serious function all the world over."
 "Huh?"
 "Nobody wants music with it."

Will-Less Brooklynites

A city paper notes that 4,108 Brooklyn people died without wills in 1925. Well, perhaps they also lived without them.—Saginaw News Courier.

CHEVROLET CLIMBS

CAPITOL STEPS

The two millionth Chevrolet produced by the Chevrolet Motor company recently climbed the steps of the new state capitol building at Jackson, Mississippi, while members of the adjourning state legislature viewed the performance.

A heavy rain preceding the event made the climb at a 45 degree angle, hazardous, but failed to scatter a crowd of more than 7,000 which waited throughout the downpour. Burned patches of rubber on the steps marked the progress of the coach up the steep incline, indicating the power necessary to make the ascent.

The climb had been negotiated only once before and several powerful types of cars recently failed to arrive at the top.

Many members of the legislature, themselves Chevrolet owners, greeted G. Porter Dukes, service manager of the Capitol Chevrolet company, local distributors, as he reached the summit of the capitol entrance. Several ornamental stone pylons on the ascent caused the car to proceed slowly and added to the difficulty of the feat.

After once making the climb, the car backed down, demonstrating the holding power of its brakes, and then repeated the demonstration. The car was a regular stock model and because of being the 2,000,000th Chevrolet produced, had been shipped to various cities of the country for exhibition. The Capitol Chevrolet company planned the stunt as a final

How's Your Vent?

A YOUNG woman was singing. Her voice sounded flat and dead. A friend said, "The trouble is the oostatics." The young woman gasped. "Law, I didn't know I had such a thing!"

Maybe you don't know you have a vent—in your plumbing system? But you have. And unless your vents are good, your plumbing is bad.

All plumbing fixtures must be vented. A vent is an outlet—an outlet for foul odors and disease-breeding waste.

If you have old plumbing—old fixtures—chances are your vents are old and bad and out-of-date. Get rid of the old vents. Have new ones installed.

The better your vents, the better your health. The best is always the cheapest.

showing of the car before selling it to a resident of Jackson.

A parade of several hundred Chevrolet automobiles, driven by their owners and headed by the mounted police division of Jackson and the demonstrating car, preceded the exhibition at the Capitol. Major Scott, City Commissioner Hawkins and R. F. Hicks, assistant Chevrolet zone sales manager, gave brief talks on completion of the ascent.

MRS. T. E. ROSE

PRESENTS PUPILS

Mrs. T. E. Rose, music teacher of the Pampa High school, presented her pupils in piano in a very pleasing recital last Thursday night, April 29, to a large and appreciative audience. Together with the piano selections

were a number of readings and an operetta, "Cinderella."

Mrs. Rose's program was as follows:

"The Boy Scout," Vaudivere, Earl Rice; "Barcarolle," Behr, Ileen Rorex; "Grandfather's Clock," Kroeger, Lorena Doyle; "The Nation's Recall March," Zink, Elizabeth Corson and Cleo Olive; "Weeds and Things," Gest, Marie Tinsley; "Summer Music," Tone Picture, Leo Pierson; "Santa Lucia," Godowsky, Louise Walstead; "Catch Me," Wilson G. Smith, Marjorie Buckler; "The Little Coquette," Smith, Loretta Fletcher; "The Band," Vandevors, Dorothy Dodd; Reading, "You Get Up," Virginia Rose; "Con-Amore," Beaumont, Yvonne Thomas; Song, "The Little Soldier and the Red Cross Maid," Ileen Rorex, Marie Tinsley, Lorena Doyle, Floren Phil-

lips, Leo Pierson, Earl Rice, Tom Rose Jr., and James Foster; "March," Johnson, Hazel Fletcher; "To Spring," Greig, Margaret Buckler; "Minuet in G," Beethoven, Frances Finley; "March of the Graduates," Johnson, Mary Ellen Cook; "Second Valse," Godard, Christine Campbell; "Marching On," Lucille Schaffner; "Reverie of an Exile," Heckman, Wanda Barnard; "El Dachtarawan," Rubenstein, Delpha Woods; "The Flatterer," Chamuade, Nellie Hardin, who played at the Amarillo Music Festival; "Eastern Star," Eloise Lane; "March," Pauline Barnard; Reading, "Happy, That's All," Mary Thornton; "Arr De Ballet," Lemont, Juanita Osborne, who played at the Amarillo Music Festival; "Bir das a Prophet," Schuman, Cleo Olive, played at the Amarillo Music Festival; "Monastery Bells,"

Ely, Sarah Barrett; Song, Delpha Woods, Margaret Buckler, Ruth Henru, Elizabeth Carson, Christine Campbell, Nellie Hardin, Mary Thornton, Grace Russell.
Part II.—"Cinderella." Cast of characters: Godmother, Lucille Schaffner; Cupid, Elizabeth Mullinax; Cinderella, Dorothy Doucette; Behinda, Yvonne Thomas; Henrietta, Hazel Fletcher; rPince, Autrey Holmes; Lords, Charles Barrett, Finley Barrett, Albert Lard, Leo Soulsbury, J. B. Wilson, and Robert J. Meers; Dukes, Jack Alexander and Lefors Doucette; Ladies, Frances Finley, Virginia Rose, Eloise Land, Wanda Barnard, Mary Ellen Cook, Mary McKamey and Pauline Barnard; Faries, Louise Walstead, Dorothy Dodd, Christine Cook, Erline Peters, Loretta Fletcher, Marie Tinsley, Erline Benton, Phyllis Smith,

Jeanette Cole, Lorena Doyle, Floren Dean Finley, Floren Phillips, Harriet Hunkapillar, Mildred Haggard, Leah Lane, Marjorie Buckler, Lucille Cole, Winifred Haskell, Charlotte Day Malone, Edith and Ileen Rorex.

Cream Tarts.

Make a crust as for pies, and bake in patty or gem pans. Prick well with a fork to prevent blistering. Allow them to become cold and fill with the following: 1 cupful thick cream made as cold as possible without freezing; beat with an egg beater until it will pile up. Flavor with vanilla, and sweeten with pulverized sugar. Keep cold, until ready to serve, then place a spoonful in each crust.

In Chevrolet you get more for your money than in any other car built.

You get every essential improvement developed by automotive engineers during the last twelve years of progress.

You get the greater flexibility of Chevrolet's 3-speed transmission—the greater power and smoothness of Chevrolet's valve-in-head motor—the easier, safer handling of Chevrolet's semi-reversible steering gear—the greater comfort of semi-elliptic springs.

Buy no other low-priced car until you have compared it with Chevrolet. Check point for point—feature for feature. Know what you are actually getting for the price you pay. Let us give you a demonstration.

DRAMATIC MOMENT IN AMERICAN HISTORY

By DORIS GILLILAND
First prize essay, Gray County U. I. L. Meet.)

A dramatic moment in the history of our nation might be any time in which the fate of American people has

hung by a mere thread of chance above the dark chasm of ruin and disaster below. It is the time when the actions of a moment can decide the destiny of America, this great "land of the free, and the home of the brave." It is a dramatic moment of the display of American courage and patriotism, fighting for the love

that in that moment he was to help of American ideals and freedom.

To me, it seems that the most dramatic moment in American history occurred when, on the night of April 28, 1775, Paul Revere, our beloved American hero, stood on the Charleston shore waiting and watching for the light in the belfry tower of the Old North Church, in order that he might speed away through the night and give the cry of alarm. Think of the intense excitement of that moment! The high tension in that bursting heart, as Paul Revere waited there on the shore, would surely have weakened a man less strong with patriotic vigor. He knew, however, the destiny of a nation; knew that the threads of life hung in the balance, and that his duty lay in strengthening them to meet the onslaught.

His was the duty of bringing the whole country to a state of watchfulness and readiness, in order that the power of a cruel and tyrannical monarch might not rob a people of its rights and privileges. In that moment, when the whole countryside lay sleeping tranquilly, unconscious of the doom that was to have been theirs on the morrow, one man stood praying, waiting and hoping that he might be capable of saving his people from an awful fate.

What a just and noble heart must have throbbed within the breast of that man those many, many years ago! Today, we cannot realize how much hung in the balance at that moment; we do not understand that what we are today is the result of that moment. When we look about us at the wonderful prosperity and peace of our great nation today, we are filled with a feeling of pride, of love, and of respect for our dear land, yet, can we fully understand how our nation might not even now have been the servant of a monarch, to whom our people might be paying forced tribute?

America's fate, after all, was decided in that moment, for if Paul Revere, with that deep, undying love in his great heart, had not been waiting there on the Charleston shore that night, no one would have known that the British Redcoats were, even at that moment, preparing to sweep down upon an unsuspecting people.

The feeling that was then in the heart of Paul Revere must today burn in the heart of all true Americans as they think of that great moment. Only we shall never know truly how he must have been inspired by some higher power with that divine light of love and patriotism which guided him through that night.

It might have called for the sacrifice of life for him to have taken upon his shoulders such a heavy burden. But Paul Revere knew that the duty was his to perform, and he faltered not.

At last, as the signal light flashed in the tower, he knew that the time had come—

"One if by land, and two if by sea."

"And I on the opposite shore will be—"

He sprang to his steed and was off into the perils of the night, little knowing what might be his fate, only trusting in the divine guidance of God to take him on his mission. What might happen to him afterwards, he little cared; the sacrifice could be but a small service for his country. He wanted to assure the safety of a nation, in which the seeds of democracy were steadily being sown, and which he must unconsciously have felt was to some day reap the harvest. He was giving all he had to give, and what more could have been wanted?

"And yet, through the gloom and the light,

The fate of a nation was riding that night!"

Cream Mould.

To 3 cupsful of sweet milk add 2 eggs, 1 cupful sugar and 3 heaping tablespoons of corn starch. Beat with an egg-beater until creamy and well mixed. Cook until stiff, stirring constantly. Remove from fire and beat again until very smooth. Add vanilla to taste. Pour into small molds, and in the center of each mold drop a teaspoonful of jelly. Place on ice to chill. To serve, turn out on sauce dishes and add cream—plain or whipped. This is quickly made and is delicious.

A Cutting Answer.

American Mutual Magazine: It was a sunny Sunday morning and Pat had brought his shaving tools out on the back porch.

Mrs. McGinnis looked over the back fence. "Shure, Mrs. Murphy, does your old man shave on the outside?"

"And phwats bothering you," said Mrs. Murphy, "did you think he was furlied?"

THIRD in the World

-and Sales still mounting

During the first three months of 1926 Dodge Brothers, Inc., built and sold more motor vehicles than any other manufacturer in the world, except Ford and Chevrolet.

71,189 retail deliveries were made by Dodge Brothers Dealers in the United States and Canada between January second and April third. This represents a gain of 37 per cent over the same period last year and 69 per cent over the first quarter of 1924!

Third largest in the world! And sales CONTINUING to mount week after week to new record breaking levels.

In fact, during the week ending April 24th retail sales reached the remarkable total of 9,566—the greatest single week in Dodge Brothers history!

These figures are all the more significant when you realize that the gain of the industry as a whole over last year is only 12 per cent.

There could be no more convincing evidence that today's product is regarded as better than ever before and that the present prices make it the most impressive value Dodge Brothers have ever offered.

BEST OF HUMOR

Pardonable Animosity
"Don't you like your twin brother?"
"No; I get licked for what he does."
—New York Times.

Properly Rebuked
"Who gave the bride away?"
"There you go again. Always predicting scandal."

Looking to the Future
"Why is the old cat so popular?"
"She says she is publishing her diary next year."—London Mail.

Inside Information
"Do you know what a union is, Willie?"
"Yes'm, I've got one on."

Ain't That Nice
Luke—Are you afraid of bugs?
Lucille—No; I feel perfectly safe with you.

Enough Said
"Why don't you like motoring with Bill Sparks, Maggie?"
"I ain't no lap-robe, Mayme!"

Service
"Walter, somebody took my overcoat."
"Yes, sir, shall I find you another, sir?"

Oh Golly!
He—How do you like my mustache?
She (demurely)—Just between you and me, I like it.

He Talks That Way
"Do you expect to be a successful lawyer?"
"Well, I ought to with a little practice."

Apology
He—Thinking of me, dear?
She—Was I laughing? I'm so sorry!—Sydney Bulletin.

Rights
First Him—What bone in the body do you think is used most?
Second Him—The wishbone.

At Last
"Was the prisoner really insane?"
"Not until the cross-examiner got at him."

Use No Hooks
"Harold says that all he wants is a chance to express himself."
"Fine! Where to?"—Judge.

Almost Stumped Pa
"Pa, what's a scintilla?"
"A scintilla? Why—er—a scintilla is something there isn't anything of."

King on Strike
One often says "as happy as a king" but the phrase is a contradiction and kings, like everyone else, are beset by many worries and grievances for which they seek redress, but, being kings, they have the more difficulty in doing so. Do you know that the king of Spain once went on a strike? His majesty handed his prime minister a sealed petition, with the request that it be granted unconditionally. When it was opened it was found to be in the king's own hand. He was often obliged, he stated, to work 12 hours or more a day; he therefore demanded for himself an eight-hour day, and no work on Sundays and holidays.

MIGHT GET A BLUSH

"Well, how are you coming on with the farmer's pretty daughter?"
"I've been telling her what a piggie she is without much effect."
"Try telling her she's a peach."
Use News Want Ads for results.

NOT CHANGED MUCH

He—Once you said I was the light of your life.
She—I still say you're light-headed.
