PRICE FIVE CENTS.

## PAMPA RAILROAD PERMIT GIVEN

### English Plane Down Safely On Rough Spanish Coast

#### FLIGHT WILL BE RESUMED ON MONDAY

Weather Appeared to Be Unfavorable, So Halt Made

#### THOUSANDS SEE "WHALE" CREW

#### Brock Continues His Trip, Landing in India

(By The Associated Press.)  
CORUNNA, Spain, Sept. 3.—The flying boat, "Whale," piloted by F. T. Courtney, which set out from Plymouth early this morning, landed this afternoon in a dangerous place on the Galician coast near this city.

Help was sent to the aviators, and they were brought to a place of safety and later to Corunna.

The airmen exchanged greetings with authorities and were acclaimed by thousands of people. The machine was not damaged in the descent. The occupants were in good spirits. They found conditions were such that they were not able to make much headway across the Atlantic, and considered it advisable to reach land. The plane will resume its flight Monday.

(By The Associated Press.)  
KARASHI, India, Sept. 3.—The American round the world monoplane, Pride of Detroit, piloted by William Brock and Edward Schlee, arrived at Bunder Abbas from Bagdad this afternoon.

DALLAS, Sept. 3. (AP)—Col. W. E. Easterwood, who has offered a \$25,000 prize for a Dallas to Hong Kong flight, today asked William Brock and Edward Schlee, round the world fliers, to enter the contest from the opposite direction.

He sent a cablegram to the airman at Calcutta, India, asking them to fly from Hong Kong to Dallas.

SAINT JOHNS, Newfoundland, Sept. 3. (AP)—Rumors received here that the English trans-Atlantic plane Saint Raphael had been sighted off Labrador led the government to order all wireless stations, lighthouses, and customs and other officials to institute a general search and to report immediately if anything is found to substantiate reports.

Fog Lifting  
SAINT JOHNS, Newfoundland, Sept. 3. (AP)—When notified by the Associated Press this morning that the Cape Elizabeth radio station reported the fog lifting off the Maine coast, Duke Schiller said he and Phil Wood would take off on their non-stop flight to Windsor, England, as soon as they had finished lunch.

"We will not stop at Harbor Grace unless forced down by fog," he said.

PLYMOUTH, England, Sept. 3. (AP)—Captain F. T. Courtney began (See PLANES—Page 8, Column 2)

#### One of Slayers of Fisher Officers Reported in Custody

(By The Associated Press.)  
LUBBOCK, Sept. 3.—The Lubbock Avalanche-Journal will say Sunday that Lloyd Conatzer of Cleveland, Hockley county, wanted in connection with the slaying of Sheriff Bob Smith and Deputy Jake Owens in Fisher county August 27, surrendered, and is being held by officers of Columbus, Arkansas.

#### PROPOSED PAMPA OIL EXCHANGE

Shown above is the drawing by M. C. Parker, architect, of the Oil Exchange building a group of local men are planning for Pampa. Financial support for the project is being solicited at this time, and considerable progress has been made.

#### Gray County Only Active Area In Panhandle as Production Is Again Under 100,000-Barrel Total

#### F. P. Reid Heads Exhibit Committee for Gray County

All interested communities, except LeFors, were represented at a meeting of the Gray county fair exhibit committee held in McLean Friday. Mayor F. P. Reid of Pampa was elected chairman of the committee, and made secretary and treasurer as well. J. L. Lester of Pampa was elected chairman of the central committee, whose other members are A. A. Tampke, McLean; J. L. Bullock, Alameda; and Mr. Bachus, LeFors.

On a motion by Supt. George Tummins, seconded by Mr. Bullock, it was agreed to leave the arrangements of the Gray county booth to C. H. Harbison and George R. Ruman. It was decided to also get out a 3-page folder setting forth the outstanding products, conditions, and assets of each of the four communities McLean, Alameda, LeFors, and Pampa.

The farmers' short course began Friday at McLean and lasted through Saturday. A very interested crowd heard the lectures, some of which were by Prof. Lester of Pampa. Attendance was larger Saturday than Friday, owing to the ability of the farmers to leave their work then.

The Pampa delegation desires to thank W. R. Campbell for transporting Mayor F. P. Reid and H. W. Morrow to the meeting and taking part on the committee.

#### Early Winners Are Matched for Tennis Next Few Days

The semi-finals are approaching in the all-city tournament being sponsored by the Pampa Tennis club.

On Friday afternoon, Kingsbery defeated Fancher, 6-0, 6-0; Hinkle defeated Beacom, 6-1, 6-1; and Kingsbery defeated Melton 6-1, 6-1. Yesterday two more matches were played. Solomon defeated Martin 6-2, 6-3, and McAlester defeated Hoare, 6-3, 6-1.

Some of the hardest matches of the tournament will be played tomorrow and Tuesday as the early winners clash.

Gray County, with its oil price schedule untouched by recent market slashes, is the only active area in the Panhandle field.

The Panhandle field dropped below 100,000 barrels for the second time this fall during the last week, due largely to the lack of new completions. It averaged 98,447 barrels a day from 1,359 wells, a gain of but two wells and a loss of 3,765 barrels a day for the week.

Hutchinson county had one new well for 50 barrels and fell off 2,577 barrels to 77,764 barrels a day. Gray county had a new 25-barrel producer, but lost 600 barrels a day.

The present price of 75 cents a barrel is so low that Panhandle producers cannot profitably seek new oil and all plan to maintain the shut-down until prices are better.

#### Escaped Prisoner Held at Wink for Pampa Officers

Buck Head, wanted in Pampa on charges of theft and jail breaking, is being held in Wink, a small oil town in Winkler county near Odessa, according to a telegram received yesterday morning by Sheriff E. S. Graves.

Head, with four other prisoners being held on felony charges, made their escape from the county jail the night of August 4 by means of a saw with which they sawed the catch off the jail door. None of the other escaped prisoners have yet been captured.

PLAINVIEW ATTORNEY OPENS OFFICE HERE  
Burke Mathis, prominent Plainview attorney, has moved to Pampa and opened an office on the second floor of the First National bank building.

Mr. Mathis said that in his opinion Pampa has the best prospects of any city in this section. He has been in Pampa and many other Panhandle cities this year on legal business, and was especially attracted to this community.

He is a graduate of the law school of the University of Texas, and is a former student of the Teachers college at Canyon. He is a Kiwanian and a member of the Elks lodge.

#### ANDERSON IN ALIBI DEFENSE

#### One Witness Proves to Be Boomerang in Trial

(By The Associated Press.)  
TYLER, Sept. 3.—The defense in the Cain Anderson flogging trial today laid the foundation of its case here in the Smith county district court after the State had rested shortly after court convened this morning.

In quick succession, witnesses followed each other to the stand seeking to establish a "perfect and airtight" alibi, on which Anderson, charged with participating in the flogging of J. H. Richardson, his wife, and daughter-in-law, Mrs. Willie Straps, on the night of June 8, has said he will depend for vindication.

Charles Heartsill of Marshall in the opening gun of the defense alibi procedure proved a boomerang for Anderson's interests when the sum total of his contribution to the record was that he remembered nothing about Anderson's whereabouts during his visit to the Anderson home on the night of the flogging.

The afternoon session was marked by quarreling among the attorneys.

#### Officers Get Brew In LeFors Raid

Friday, while in the county seat town after a man wanted on a charge of assault, members of the sheriff's force found a cache of more than 60 bottles of choice home brew.

It happened to be the same place that was raided during the last term of district court at LeFors. Charges have been laid against the occupant.

#### HUNTERS BAG LIMIT OF HEMPHILL, CHICKENS

Hunting licenses continue to be in demand in Pampa, Clarke and Clausen Hardware company sold 50 this week, in addition to many guns and boxes of shells.

Several hunters have returned from Hemphill county trips, on which part of them bagged their limit. The birds are rather wild in most places.

#### Rapid Progress Made On Water Extension

Eighty to 85 joints of 16-foot pipe are being laid daily in the new water extension program here by the McCall Engineering company. That work includes the digging of the ditch, the laying of the pipe and the covering.

The men have been working eight days and have placed more than 12,000 feet of pipe, two-inch and six-inch size, in South Pampa. They are working on Thut street at Cuyler at the present time.

A ditching machine is used to make the trench, which is deep enough to leave 36 inches of dirt on top of the pipe line, regardless of size.

An important sewer extension is being installed to take care of the city property and blocks around Albert square.

#### Three Killed as Passenger Train Hits Open Switch

(By The Associated Press.)  
PRINCETON, Ind., Sept. 3.—Three persons were killed and another injured, probably fatally, when a westbound Southern railway passenger train hit an open switch and swung head-on into a coal train near here today.

Fourteen other persons were slightly hurt.

#### Coast Guards Get Huge Liquor Haul in Mississippi

(By The Associated Press.)  
NEW ORLEANS, Sept. 3.—Prohibition Administrator O. D. Jackson was informed here today of the capture of speed boats and the arrest of several men, with the confiscation of between \$60,000 and \$70,000 worth of alcohol by coast guards near Biloxi.

#### 70 Turkeys Stolen Near Panhandle, Says Report to Sheriff

Word was received at the sheriff's office yesterday morning of the theft of 70 black turkeys from a farm near Panhandle. The thieves made their catch about 4:30 o'clock Saturday morning and have not been captured.

The turkeys were marked by having the inside toe on the right foot removed.

#### Fort Worth Girl Killed as Auto Goes Over Bank

GRAND PRAIRIE, Sept. 3.—Miss Juanita Anderson, 24, of Fort Worth, was killed and two other persons were injured early today when their automobile overturned and rolled down an embankment near here.

Mrs. J. B. Taylor, driver of the car, and G. W. Sheffield were slightly injured.

#### Mass Meeting on Roads Will Be for All Tuesday

A mass meeting for everyone interested in good roads will be held Tuesday evening at the Chamber of Commerce, and the monthly membership dinner will not be moved up for the purpose. It has been decided by the local organization.

It is desired that not only the members of the Chamber of Commerce shall attend, but all others who care to discuss or hear discussed the bond election of September 10.

Mr. and Mrs. Kenneth Boehm and J. Joiner left Saturday evening for Oklahoma City to spend the weekend.

#### NEW COMPANY HAS GRANT TO START WORK

#### Plan From Cheyenne Now Free From Obstacles

#### NO OPPOSITION MADE TODAY

#### Kell Proposes Better Outlet for This Territory

(By The Associated Press.)  
WASHINGTON, Sept. 3.—Authority to construct approximately 95 miles of new railroad in Oklahoma and Texas was granted by the Interstate Commerce Commission today to the Clinton and Oklahoma Western railroad of Texas. The latter is a new company formed to meet the Texas law prohibiting outside corporations from building in that state.

The new line will be an extension of the Clinton and Oklahoma Western running about 25 miles from the road's present terminus at Cheyenne, Okla., to the Texas boundary, thence for a distance of about 70 miles through Hemphill, Wheeler and Gray counties in Texas to Pampa, where the road will connect with the Panhandle and Santa Fe.

News of the I. C. C.'s permit to the concern in which Frank Kell of Wichita Falls is the dominant figure was received in Pampa sooner than expected.

The grant was made Saturday at the time set for a hearing, and so far as known there was no open opposition to the petition. The application was made several months ago, and the preliminary hearing was held last month. The predicted fight over the building right did not develop.

The route of the new road has not been finally determined. Tentative plans call for the road to miss Wheeler several miles, it is said. To touch that town, additional expense would be involved, and negotiations for the right-of-way are expected to be the first steps toward the new road.

The new route would lessen the distance by rail to Oklahoma City by about 126 miles, with the resulting trade and freight advantages. The road would serve a potentially rich agricultural region, which it would do much to develop, and would give an outlet for the Gray and Wheeler county oil pools through which it would pass.

#### Tidwell Shows to Move to West Foster

The Tidwell Shows, playing under the auspices of the American Legion, will open tomorrow at a new location opposite the Schafer hotel. This is their third engagement in Pampa. They opened four days ago in South Pampa.

The show this year is larger than in other years, and has many new attractions. The Legion members are assisting in its operation. On Labor Day—tomorrow—the shows will be open all day.

After showing another week here, the Tidwell organization will make a long jump to play at West Texas fairs.

Mr. and Mrs. John Roby are spending Sunday in Amarillo with friends.

Mrs. C. E. Barnard and Mrs. Geo. Gill returned Friday night from Kansas City, Mo., where they had been at market.

# Sport Columns

## Boxing and Baseball Are Attractions As Labor Day Events

Erick, Okla., and Pampa Grays ball clubs will furnish part of the excitement for the American Legion holiday attractions in Pampa and the big boxing card will be another special attraction.

Big Sam Douglas is bringing a strong team from Erick to battle the Grays, who will have Lew Hunter back in the line-up again, as well as Narrein, Fuller and Richardson from Borger. Cherry, a newcomer, will be on second base and Red Gaitner will cavort in the outfield.

The games Sunday and Monday will be called at 3:15 o'clock and sport fans should get a real treat watching these two clubs battle.

Monday night at the Pampa Athletic club Fred Whittington will meet Pat Shelby in a 10-round exhibition that should be better than the bout last Monday night between Whittington and Varner. Both boys are in trim and evenly matched.

The semi-final between Rusty Cahill and Kid Butler promises to be a hair raiser, as Cahill pulled a decision over the bigger boy in Borger Friday night and he will be out for revenge. A finish bout between Farrell and Gonzales is also staged for Monday night which promises to be a wow.

## SPORT TALK

The Grays are all set for the game today with Erick, OKLA. It is sure to be a lively game with Fuller in the box for the Grays. A boy by the name of Cherry is in town and will be on second base. By all reports, he is a fast boy and will strengthen the team.

The boxing bouts scheduled for tomorrow night are going to be thrillers, according to "dope." The Athletic club has a bumper card staged with three main events.

Again Friday the Texans couldn't hold an early lead and went down to defeat at the hands of the Wichita nine. Connelly continued having his good days at bat, with three hits.

Home runs featured the Yankees game Friday. In the first two innings Gehrig got two and Ruth one. This makes Ruth's total 44 and Gehrig is one behind.

## Tennis Tourney Under Way On Local Courts

Although a breeze was something of an annoyance, the Pampa Tennis club's all-city tournament got under way Thursday afternoon, when four matches were run off.

The scores were:  
H. L. Groves defeated Harry Hoare, 6-4, 6-2.  
C. N. Melton defeated Phillip Pond, 6-0, 6-3.  
Skeet Stewart defeated Edwin Vicars, 6-2, 6-4.

D. B. Jameson defeated A. J. McAlester, 3-6, 6-2, 6-1, in the most brilliant match of the day.

Other matches will be played this afternoon. Under the rules, two defeats are necessary to eliminate a player. There's no admission fee and all interested in tennis are invited to watch the matches.

Farrell and Gonzales is also staged for Monday night which promises to be a wow.

# BILLY EVANS Says

**New Grid Rules**  
Of the six changes made in the football rules, I am inclined to think only one will have a direct bearing on the general style of play.

The placing of the goal posts 10 yards farther back, the limiting of the huddle conferences to 15 seconds and a time limit of 30 seconds on bringing the ball into play, as well as the one second pause in all shift plays, won't eliminate any of the many thrills on which football thrives.

Most of the changes simply mean extra work for the officials, with the unpleasant possibility that there may be more penalties inflicted. It is to be hoped not, as the stopping of play to levy a penalty has been overworked in the past.

**Football fans like to see the players advance the ball, rather than a parade of the officials with the ball tucked under the referee's arm.**

**Real Thrill Missing**  
The one change that I do not favor is the one related to fumbled punts, making the ball dead at the point of recovery rather than a loose ball.

This reform has taken one of the big thrills of the game away by eliminating the element of gamble to a minimum.

True, it is tough for one team to score a touchdown after a sustained offensive netting a gain of 70 or 80 yards, only to have the opposition a few minutes later even the count by having one of their players pick up a loose ball after a fumble and run 90 yards for a touchdown.

The first touchdown was scored because of a marked superiority in play while the second one was simply a break in luck, or better, possibly, the result of wide-awake football.

**One of the big thrills of the always colorful Army-Navy game of last season was a sensational recovery of a fumbled punt.**

**Never, Never Again**  
Let us set the stage for a play that can no longer take place on the gridiron, unless the rule makers later decide to revert back to the old rule.

The score is 13 to 7 against the team with the ball in its possession. It decides to kick and the punter gets away a spiral that carries it to the 25-yard line of the team in the lead.

Just as the player handling the ball picks it out of the air, he is tackled hard and the ball pops out of his hands. An alert player of the trailing team, following the play closely, recovers the fumble and runs 25 yards for a touchdown. The score is tied. In a few seconds a fumble has changed the entire complexion of the play. No longer can such a thing happen. The above recital is just an aircastle of the old days. When the ball is fumbled on the 25-yard line it becomes dead at the point of recovery and cannot be advanced beyond that spot.

Removal of the penalty for a fumble takes away the premium on hard, yet clean football. When you take the gamble out of the game, you kill the thrills.

## Hospital Notes

There will be a meeting of the directors of the Pampa Hospital, Inc., Monday afternoon at 4 o'clock at the hospital to discuss current business.

All the directors are requested to be present at this meeting.

Mrs. Vera R. Van Houton underwent an operation at the Pampa Hospital Friday and is doing nicely.

Mrs. Alice Martin was admitted to the hospital Friday morning.

D. Fraser, 3-year-old son of Mr. and Mrs. E. G. Frasier, living west of Pampa, was brought to the hospital Thursday with a severe laceration of his wrist. The injury was caused by the blade of a plow running over his wrist.

He is resting well in the hospital and doctors have hope of saving his hand.

Last night in Borger Rusty Cahill bumped up against a boy who outweighed him by more than 10 pounds and got a decision, according to the fans. Cahill put up one of the best fights of his career. It was a better bout than the final, which was a disappointment.

## Amusements

### "RESURRECTION" COMING

Toletoy's "Resurrection" is a flesh and blood drama of love, sacred and profane, of sin and sorrow, degradation and exaltation. It has been presented on the stage of 14 countries in 11 languages.

Rod La Rocque in the role of Prince Dimitri Nekhludof, very neatly plays three characters in one, giving the changes that take place in the soul of the prince and their reflection in his physical appearance.

The star is perfectly balanced by Dolores Del Rio as the young peasant who bears the brunt of the Prince's sin. "What Price Glory" is her next great achievement soon to be released.

Two complete Russian villages, with all the quaintness and simplicity that grace the landscape of Russia, were built for Edwin Carwe, director and co-producer, for this great production.

After a fortnight's telegraphic and telephonic negotiations with officials of United Artists Corporation in New York, the manager was able to

## Menus for the Family

By Sister Mary

**BREAKFAST**—Cantaloupe, cereal and cream, poached eggs on graham toast, milk, coffee.

**LUNCHEON**—Tunamold, potato chips, brown bread, blackberries, cookies, iced cocoa.

**DINNER**—Veal pot roast with browned potatoes and carrots, jellied Waldorf salad, plum tart, milk coffee.

The fish mold suggested in the luncheon menu is served on a bed of lettuce with a garnish of sliced tomatoes. This combines the salad and meat course attractively for an informal meal.

### Jellied Waldorf Salad

Two tablespoons granulated gelatine, 1/2 cup cold water, 1 1/2 cup boiling water, 1/2 cup lemon juice, 1/3 cup sugar, 1 cup diced tart apples, 1 cup diced celery, 3/4 cup broken nut meats, 1/4 teaspoon salt.

Soften gelatine in cold water for ten minutes. Add sugar to boiling water and when dissolved stir in gelatine. Stir until gelatine is dissolved and let stand until cool and beginning to set. Add lemon juice and salt stir in apples, celery and nut meats and turn into individual molds or one large one. Chill eight to twelve hours. Unmold on a bed of lettuce and serve with French dressing or cooked salad dressing as preferred.

### WHY VON MALTZAN IS NAMED "AGO"

BERLIN (AP)—Ambassador von Maltzan has admitted to friends that his real name isn't Ago at all. He was christened Adolph Georg Otto, but his father, finding the succession of names troublesome, made a new name of the initials A. G. O. The ambassador to Washington is now so generally known as Baron Ago von Maltzan that few persons know his real name.

## Mrs. Faulkner Is Hostess Friday

Mrs. Siler Faulkner, charmingly entertained a number of friends at her home Friday afternoon with the popular pastime of bridge. High score was won by Mrs. M. A. Finney.

After several closely contested games, an enjoyable ice course was served, the following ladies Mrs. G. C. Walters, Mrs. J. M. McDonald, Mrs. W. L. Woodward, Mrs. Carol Kingsbury, Mrs. W. A. Bratton, Mrs. I. B. Hughey, Mrs. Henry Thut, Mrs. M. A. Finney, Mrs. John V. Andrews, Mrs. L. C. McMurtry, Mrs. C. C. Cook and Mrs. L. L. McCullough.

## Indecent Shows Are Opposed by Club

The first meeting of the Child Study Club was held Friday afternoon at the home of Mrs. T. H. Barnard, with Mrs. B. E. Finley as leader. Mrs. Barnard, as vice-president, presided over the business session.

The club voted to go on record as opposing indecent vaudeville shows which may exhibit in this city.

Mrs. B. E. Finley read an interesting paper on the "Modern Good Mothers' Success Through Self Culture." Special topics were ably presented by Mrs. W. Purviance, Mrs. T. H. Barnard, Mrs. C. M. Bryson, Mrs. S. A. Hurst, Mrs. James Todd, Jr., and Mrs. Joe M. Smith.

The musical section of the program was under the direction of Mrs. A. H. Doucette, and an interesting talk was given on Gounod. One of his compositions was played by Wanda Barnard. Thirteen members were present.

Mr. and Mrs. Joseph Lutz have returned from a vacation spent in Colorado.

Mrs. Ollie White of Clarendon is the guest of Mrs. Fred Rusk of this city.

Misses Esther and Ray Stalder and Miss Margaret Renshaw of Hennessey, Okla., arrived Friday night to visit Mr. and Mrs. Ben Renshaw of this city.

The Order of the Eastern Star held the regular meeting Friday night at the lodge hall here. A number of visitors were present and enjoyed the interesting session.

Mr. and Mrs. Bird and Miss Hazel Bird left Saturday morning for their home at Waldron, Ark., after a pleasant visit with Mr. and Mrs. Lester Chiles.

### FOR ACTIVE WOMEN -- FOOT SAVERS

and then YOUTH seemed to come back!

She was a typical American woman—clever, capable, active. But gradually, it dawned on her that her endurance was slipping. Often she would come home with a "drabby," tired feeling. And the tell-tale lines in her face—these were disturbing too.

Then one day a wonderful discovery—she read in her favorite magazine—"Keep Young in Foot Savers!" "Foot Saver Shoes! Wonder if I do need different shoes? My feet are always tired."

She visited the Foot Saver Store. Vision of loveliness! The beauty of Foot Savers captivated her. And when she stepped into a pair—how wonderfully they fit! How comforting they felt to the arch!

In Foot Savers, the tired feeling quickly vanished. She felt lighter, more buoyant, more capable than in years. As she told a friend—"I couldn't believe shoes could make such a difference. My youth seemed to come back!"

Foot Savers do remove foot strain and that tired feeling. The reason is that Foot Savers are constructed with exclusive patented features that fit and support the arch as nature intended—they give to your step a youthful ease and grace.

Our experienced fitters are ready to serve you.

## Who's Who?

Mrs. Corrine Smith Brock (above) of Dayton says she's the legal wife of William S. Brock, "round-the-world flyer." Below is Mrs. William S. Brock of Detroit, whose friends call the other Mrs. Brock's claims preposterous. The Dayton Mrs. Brock has a marriage certificate showing she was married to the flyer October 1, 1916, at Martinsville, Ind. She says that though they were separated six years ago, she never knew of any divorce proceedings.

Telephone 100, all departments

ROADS, OR NOT? — The time has come for those who have the best interests of Pampa at heart to think deeply and act quickly in the matter of paved roads. It may be assumed that a majority—a large majority—of local people would like to see Pampa prosper and become a substantial city of 12,000 or more. If that majority goes to the polls September 10 the bonds should carry, for those who desire a better community want roads and are willing to pay for them.

Gray county as a whole could not get together on the road question, as two efforts well showed. But that fact should have no bearing on the present issue. It is not wrong to try a thing again when each attempt points the way to understanding and success. McLean and that community saw the light and almost unanimously decided on a \$250,000 issue. McLean should be out of the mud within the next year, and there is no good reason why Pampa, with much greater resources, should not do the same.

It has not appeared to The News that the desirability of paving is an issue. Paving and prosperous, well developed communities go hand in hand. Each helps the other. The News believes in Pampa and its future. That future holds paving. Connected paving between the important points in counties is essential to modern business, as any of those living on such paving will testify.

Now if this paving is to be voted within the next two to five years, there is nothing to gain and considerable to lose by delay. It will require at least a year, perhaps more, to complete the program contemplated. Before the end of that time Pampa's necessity, brought about by better conditions in the oil industry, should be well defined. Roads are not built at the election—to vote favorably is to make paving possible a year from now. That is not too soon.

Without debating the principle of state and federal aid, it may be said that the system is in wide use and Gray county is contributing its share to enable the state to help build the Carson county roads, the McLean district roads, and those of other counties. If the state and federal governments are ready to place nearly half a million dollars in this district, it means that local taxpayers will get back a share of their money, and that other counties, without paving,

The First and Second A. E. F.

will pay for this state and federal aid. It is true that state aid is not something for nothing in principle, but in the actual operation, those who use it profit at the expense of those who do not. And note that this means there is not enough to go around, and Pampa must hurry before the fund is exhausted.

Pampa wants another railroad as the basis for better distribution. Paved roads tapping the Pampa trade territory are just as essential. The lateral roads, less traveled, may be kept passable by dragging and grading, but not so the heavily traveled highways. Ask any of those who fought mud to the last court term at LeFors, or who went in ditches—along the Amarillo road this side of the paving. Business which depends upon daily deliveries has been greatly handicapped.

The paving proposed is no greater in cost than a good high school building, and it is in the richest part of the Pampa field. Issued in serial bonds, the amount necessary could be paid off in lots, reducing the interest, as well as the principal, from year to year. Considering the wealth of the district, the tax necessary would be no greater than wear and tear on motor vehicles, and better trade conditions afforded by 100 per cent passable roads would increase the profit of both farmer and merchant.

The district could have been made larger, or smaller, or half a dozen things done to it without making it any more satisfactory to the voters as a group. The issue is squarely up to those who want passable, key roads at all seasons.

Pampa should be made more accessible to the other oil centers of this area. Connection with the Amarillo paving would enable oil men to live at Pampa and yet rush to Amarillo, Borger and other points with the assurance of being able to reach their goal. There is no reason for avoiding the observation that neighboring communities are going

WASHINGTON LETTER

BY RODNEY DUTCHER
NEA Service Writer.

WASHINGTON. — One of the best ways of obtaining a liberal education is to become a Washington correspondent and read all the free publicity stories sent in by hopeful press agents.

Neither the press agents for the government departments nor the propaganda artists for the various organizations let up during the time Congress is away. Just because everyone else throws these handouts into the waste basket unread, your correspondent is going to reveal some of the stuff that the press agents have sought to get into the papers, as gleaned from the mail of the past week or so:

Motorists are "conservatively estimated" to be buying \$100,000,000 worth of farm produce at roadside markets in 1927, according to the American Automobile association.

Out of every thousand car owners, 12 get "out of gas" every month, according to the same organization.

The Department of Agriculture announces that 1,000,000 less pounds of tea were imported in the last fiscal year than in the year before.

The Baltimore and Ohio railroad insists that it is erecting a huge grandstand with a capacity of 12,000 for its centenary pageant late this month.

The National Geographic society announces that Bath was once England's favorite watering place, that the Bolivian Indians are related to the Incas, and that Sinaia, Rumania, is a beautiful resort in the pine-clad Carpathian mountains.

The Department of Agriculture announces that the eyes of the Panhandle will be on Pampa—the proud wheat center and oil capital—September 10. Pampa must not fail—herself.

ture announces a quarantine of the Mexican fruit worm.

The Department of Commerce announces that the output of by-product coke for the 31 days of July exceeded the output of June by 60,000 tons, or 1.7 per cent.

The Department of the Interior announces that the oil industry has been aided by tracing of rocks in the Rocky Mountains of Colorado, Wyoming and Montana.

The Department of Agriculture announces that scrub bulls are unprofitable investments and reduce herds of cows to the level of herds of goats.

The Shipping Board announces that the advertisement of the American-France line and the American West African line has been postponed until October.

The Department of Agriculture announces its anxiety to

PRESS FORUM

LEVINE'S QUEST

The strange air-odyssey of Charles A. Levine appears to have fallen on better times. Taking French leave of French leave of French soil, the much buffeted New Yorker who seems to have a genius for stirring conflicts with those associated with him, got his plane away to London, where he has found an English pilot to make the attempt with him of the first trans-Atlantic flight from east to west. This pilot, Captain Hinchcliffe, veteran of the British air service in the World War, says he likes Levine, admires his courage, and is ready to fly without any such contract as figured in the difficulties of the American in France.

The newest development is by way of a commentary on the characteristics of the different races involved. The difficulties in France between Levine and Drouhin, the French pilot he had employed, resembled nothing more than a business squabble. In Britain, Mr. Levine found a sportsman who, realizing that here was high adventure, was not disposed to bother about financial details.

It is not improbable that the Levine-Hinchcliffe venture will be successful. Captain Hinchcliffe is a flier of demonstrated ability. Mr. Levine is a lucky air traveler, as was demonstrated by his feat of making the voyage alone from Paris to London despite his inexperience as a pilot. There is no doubt about the airworthiness of their craft, the Columbia. Everybody wishes them good fortune.—Star-Telegram.

In a horseshoe pitching contest at Duluth an Illinois woman threw six consecutive double-ringers. The old record was four consecutive rolling-pins.—The Detroit News.

learn the names of all growers of Korean lespedeza who have Korean lespedeza seed for sale.

The U. S. Public Health Service announces examinations for candidates for jobs on its regular corps on November 7 in Washington, Chicago, New Orleans and San Francisco.

G. P. Putnam's Sons announces that it would like to sell your correspondent a book for \$1 a month until \$14.75 is paid.

TWINKLES

With prospects "promising" for every football college in the land, it is too bad that half of them must lose every Saturday.

Coaches have their worries, but remember the difficulty prey has in trying to talk "moral victory" before a group of bloodthirsty alumnae.

The biggest mistake in motoring is too often behind the wheel.

Personally, we prefer not to land on the front page if we have to land in the middle of the Atlantic to do it.

Now that we have a nice new jail and modern conveniences, maybe our uptown prisoners will be satisfied to stick around until we are through with them.

It is said a lot of mighty nimrods are learning that their visions of shooting prairie chickens have exploded through failure of the native birds to cooperate.

Kimes must feel peevish to read that as a bold bandit he has everything but the looks. And a lot of tough lookers confine their killings to use of the fly swatter. Nature is like that.

NEWS JABS

A man in New York was fined \$15 for stealing a kiss. Oh, well, a lot of owners of kisses are awfully careless.—The Albany Evening News.

Humans need more earth contact says writer. And, in this auto age those who walk are getting more.—The Wall Street Journal.

Is it, after all, "more blessed to travel hopefully than to arrive?" ask any trans-oceanic flyer!—The Oakland Tribune.

MOMN POP Speaking Out of Turn By TAYLOR. A series of comic panels showing a woman talking to a man in bed. The man says 'ISN'T MR. GUNN GOING TO TAKE A VACATION THIS YEAR, HENRY?' and the woman replies 'DON'T THINK SO—BUSINESS IS PRETTY LIVELY AND HE FEELS AS THOUGH HE'S NEEDED AT THE OFFICE.' The man then says 'I THINK IT'S A SHAME HE CAN'T HAVE A REST—NOTHING WOULD DO HIM MORE GOOD THAN TO GET AWAY FROM BUSINESS FOR AWHILE, BESIDES HE WORKED SO HARD AND WORRIED SO MUCH ABOUT THAT POLAR EXPEDITION AND A NEW POLAR EXPEDITION FROM THE OFFICE WOULD MAKE HIM FEEL LIKE A NEW MAN.' The woman replies 'BY JINX, LUCY, YOU'RE RIGHT! ANY MAN NEEDS TO RELAX NOW AND THEN IN ORDER TO KEEP FIT FOR THE DAILY GRIND OF BUSINESS LIFE.' The man says 'SAY! WHO'S TALKING ABOUT ANY MAN?' and the woman replies '—MY CONVERSATION REFERS SOLELY TO MR. GUNN—I'M NOT SPEAKING ABOUT PEOPLE WHO LIE IN BED TILL 9:30 AND LEAVE THE OFFICE IN THE MIDDLE OF THE AFTERNOON—SOME PEOPLE AREN'T SATISFIED WITH HAVING 365 DAYS TO REST—IT'S TOO BAD LEAP YEAR DOESN'T COME OFTEN SO THEY COULD HAVE AN EXTRA DAY TO LOAF.'

### New Low Price Announced For Chevrolet Landau

A new low price for Chevrolet's latest and most beautiful model, the Imperial Landau, which now lists at only \$745 f. o. b. Flint, Mich., was announced today by R. H. Grant, vice-president in charge of sales of the Chevrolet Motor company.

This reduction was made possible by volume production growing out of the tremendous demand on the part of the public everywhere for this "Most Beautiful Chevrolet" when it was first introduced in May of this year, Mr. Grant explained.

"Seldom has the industry seen the warm enthusiastic public response that greeted the initial offering of the Imperial Landau, which at that time was priced at \$730," Mr. Grant stated. "The output for this model far exceeded the production schedule."

"This great volume spelled manufacturing economies that the public will share in because of the lowered price effective today. In addition to making our newest model available to a wider field of prospective motorists, the reduction is further evidence of our aim to build the best possible popular priced car at the lowest cost consistent with sound merchandising principles."

"The new low price on the Imperial Landau gives us a complete line of cars consisting of seven passenger models and two commercial types ranging in price, from \$395 for the half ton truck chassis to \$745 for the Imperial Landau."

### Banker Has Taught Class In Sunday School 45 Years

(By The Associated Press.)  
BRYAN, Sept. 3.—H. O. Boatwright of Bryan, president of the First National bank, said to be the oldest bank between Dallas and Houston, has been teaching the same Sunday school class in the First Baptist church for 45 years. He has been identified with the bank for 48 years.

Mr. Boatwright, who will be 70 years of age in January, frequently occupies the pulpit of churches in Bryan, and nearby towns.

Asked what was his favorite passage in the Bible, he quoted, "Be ye steadfast, immovable, always abounding in the work of the Lord."

He has been a deacon in the local church for 40 years and was a leading worker in the recent drive conducted by the church to raise \$100,000 for a new edifice, the contract for which has been let and contribution is under way.

Malone Ambulance Service. Phone 181.

### CHURCHES

#### Christian Church

The regular monthly Biblical lectures for the fall and winter months will be resumed Sunday evening at 8 o'clock. The minister devotes the first Sunday evening of each month in discussing some current event in the light of Biblical teaching.

The subject Sunday evening will be "Why The Electrocuting of Sacco and Vanzetti Electrified the Entire World." This lecture will be Biblical and historical, and should be of interest to both old and young.

At the morning service the fall program will be discussed to some extent, and all members of the congregation are urged to be present. All interested friends are cordially invited. The minister will preach at LeFors at 2:30 o'clock.

The Bible school starts promptly at 10 a. m. The attendance last Sunday was the largest in the past few months, and special mention is made concerning the senior department for its fine showing. The three young

peoples' meetings at 7 o'clock. If you are not a member of another church, nor attend elsewhere, come with us Sunday.

JAMES TODD, Jr., Minister.

#### Christian Science Church

Christian Science services are held in the First National bank building. The subject for Sunday at 11 o'clock is "Man." Sunday school is held at 9:45 a. m., and the Wednesday evening service is at 8 o'clock. You and your friends are invited to attend these services.

#### First Baptist Church

Sunday school, 8:45 a. m. Sermon, 11 a. m. B. Y. P. U.'s, 7 p. m. Sermon, 8:15 p. m.

We are to have with us Sunday Dr. Scramton of Dallas. We invite the public to hear him as no doubt Dr. Scramton is one of the best, wide awake preachers in Texas.

Dr. and Mrs. Mann will sing for us, and if you are interested in good singing and a real Gospel message come to the Baptist church Sunday. We would not ask you to leave your own church, but if you are not in

church services, come with us Sunday.

D. H. TRUITTE, Pastor.

#### At Methodist Revival.

On Friday morning the Rev. Tom W. Brabham took the Scripture lesson from James 4, which is a scathing rebuke of worldliness. His discussion centered about prayer, and why our prayers are not answered. James says: "Ye ask, and receive not, because ye ask amiss, that

ye may consume it upon your lusts."

In his typical, fearless style, Rev. Brabham rapped sin right and left, yet with a spirit of love. He brought out the folly of asking God for temporal blessings in order that we might have the things the Joneses have, attain social prestige, or gratify our carnal appetites.

"God is not going to answer our prayers," the pastor said, "until we acknowledge our position before Him as sinners. God will answer the prayer of faith which is made in accordance with His will and in the name of Jesus Christ."

The evening theme was: "If the Prodigal Son were to Come to Pampa to Sow His Wild Oats." Rev. Brabham treated his subject in an unusual way. After a comparison of the older brother with the sullen church member, he justified the younger son in asking for his inheritance. Later, he asserted "no man that is in sin is in his right mind. The prodigal son had come to himself and acknowledged his sin. Fifty per cent of the church members of Pampa need to get on their knees before God and say 'I have sinned.' The prodigal had to take the initiative."

"Should the prodigal son come to Pampa, he would first of all find a group of men who are against the church and join them."

Developing thought along this line, Rev. Brabham declared from his own experience in Mexico that if the churches in Pampa were to be closed real estate values would drop 50 per cent in six months.

"The other gangs the prodigal would associate with," he said, "are the has-been church members, then last of all, the anti-everything-good folks, and finally he would find himself in the spiritual hog pen."

George Chenot, trombone soloist with the Moody Bible Institute quartet assisting in the revival, played "I Am a Child of the King," and the quartet sang "Jesus Is All the World to Me."

#### Presbyterian Church

The Presbyterian church pulpit will be occupied today by the Rev. J. W. Joiner.

ye may consume it upon your lusts."

### C. I. A. Graduates Are Dietitians For Last Eight Years

(By The Associated Press.)  
DENTON, Sept. 3.—Within the last eight years graduates of C. I. A. have been dietitians in the college dormitories and two have been directors in the cafeteria.

Miss Laura Breihan was dietitian of Lowry from 1918 to 1920. Miss Mary Aiken from 1921 to Christmas of 1926, and Miss Valaska Thompson served as dietitian during the rest of the year. Miss Alice Murray was dietitian of Brack Hall in 1920-21, and Miss Ethel Murray held the position from 1922 to 1924. From 1924 to 1926, Miss Theida Burton was dietitian at Brack Hall. Alice Catherine Harper and Mozelle Craddock are the former students of C. I. A. who have been directors of the cafeteria.

Misses Mary Lee Bowling and Peggy Harrison were assistants at the cafeteria and Brack Hall, respectively last year. Miss Bowling is assistant at the cafeteria again this summer and Miss Craddock is director.

### Mother Tucker Retires at A. and M.

(By The Associated Press.)  
BRYAN, Sept. 3.—Mrs. L. H. Tucker, known to former A. and M. students as "mother Tucker," who opened the first boarding house here more than 40 years ago has relinquished it.

Starting her boarding house when A. and M. had only a few hundred students, she fed thousands of ex-students of the school, her place being known to them for its sumptuous meals.

### International Sunday School Lesson

BY DR. J. E. NUNN

General Topic — Solomon's Wise Choice.  
Scripture Lesson—1 Kings 3:4-15.

the tabernacle was at the time, with the brazen altar.

Golden Text—Happy is the man that findeth wisdom, and the man that getteth understanding.—Prov. 3:13.

#### Introduction

After his sad fall David was never the same again, and the history here is full of tragedy and sorrow. His favorite sons, Amnon and Absalom, disgraced themselves and their father. Absalom rebelled, tried to seize the monarchy, and was slain. David on approaching his end, named Solomon as his successor, but Adonijah, with the support of Joab, sought the kingdom only to be defeated and slain. Solomon's accession was stained with blood. But after these troubles, which were promptly met, he was not securely established as king over the large territory inherited from David.

The Bible narrative sets forth David's long decline and death. It tells of his parting instructions to Solomon to secure his throne by executing justice upon the plotters against him, including Joab. The story tells also of the disputed succession, and the troubles which Solomon met, but handled with dispatch and what seemed to be necessary precautions, though they were bloody and violent.

#### Gibeon

Having disposed of his enemies, the young king is now settled upon his throne and seeks to follow the example of his father in giving religious influence place both personally and nationally. Under this laudable impulse he goes to Gibeon to worship. As explained in 2 Chronicles 1:3, Gibeon was the chief high place where in accordance with a general custom, the people worshipped. It was about six miles northwest of Jerusalem and here the ancient tabernacle had been set up. We do not know when it was brought hither from Shiloh or Nob, but we can very well imagine that the metal and some of the wooden parts of the original structure had survived through the centuries though the curtains and utensils must have been renewed as needed. At any rate, it stood for the ancient "Tent of Meeting" which Moses had set up and then under the instructions of God had developed into the Tabernacle in the wilderness.

#### Solomon's Dream

With the great religious ideal on his mind the young king came after a busy day to his couch. God granted him a beautiful dream which was exceedingly vivid. The story of it impresses us with its brightness and charm. Either Solomon himself wrote it out or told it to Nathan, the Prophet and historian, and it is described for us in simple yet suggestive terms. In the dream Jehovah appeared and said to the young king, "Ask what I shall give thee." Solomon's answer contained both statement and request, both thanksgiving and petition.

He had been made king instead of David. He gloried in that great blessing, but recognized its vast responsibilities and his own weakness in the face of it. He was young and before such a mighty task felt himself to be but a little child, not knowing how to manage these great affairs. This is expressed in the simple Hebrew phrase, "I know not how to go out or come in"; that is, how to act in the management of great concerns. From this acknowledgment the king proceeds to prayer and asks God to give him understanding. Moreover, he asks for wisdom to judge the people. That was an important part of the office of a king. And in order to judge wisely he must be able to discriminate between right and wrong. It was for this that in the dream Solomon made his plea.

#### The Dream Answered

As Solomon dreamed he seemed to hear God speaking to him in Divine approval of his choice. Graciously God commended him for what he had omitted to ask. He had not sought long life nor riches for himself nor even continued triumph in the execution of his enemies. These would have been the natural things for an oriental despot to ask of his god. But Solomon passed over these in the larger and better request for a hearing heart and the ability to see an odd justice. God further said to him that his request was granted. He should have a wise and hearing heart. He should be distinguished for this above all that had preceded him and none should surpass him among those who were to follow. All his life he should be supreme among the kings of the earth in the matter of religious, moral, and political wisdom.

#### The Promise Is Conditional

But there is a condition attached to the promise. These great blessings would indeed be granted, but their continuance would depend upon Solomon's own conduct. If he would keep on walking in the ways of God and observe the teachings and laws that God had revealed, making the religion of Jehovah supreme, as David and his father had done, then God promised to give him long life, as well as a brilliant one. We have to remember here that Solomon lived

only a comparatively long life, and the latter part of it was shadowed with sin and folly.

#### Special Lessons

"God proposes to us all a choice, a great solemn choice—on the one hand, his kingdom and the righteousness thereof—on the other, an alluring world. If we seek with our whole heart the kingdom we shall obtain it. But then we must be honest and earnest—seek the kingdom first in point of time, first in anxiety and desire."

"By erecting a throne of grace in heaven, opening the way to it, invit-

ing us to come to him with our requests, and promising to grant our petitions when they are agreeable to his will, God does in effect say to each of us, 'Ask what I shall give thee'."

"Thou art coming to a King, Large petitions with thee bring; For his grace and power are such, None can ever ask too much."—John Newton.

# Giant Victories Depend Much Upon Hornsby's Batting

## PIRATE TRIO IS SPLIT UP

### Rabbit Is Great In Western, Though In Cellar Club

(By The Associated Press.)  
 CHICAGO, Sept. 3.—The punch driving the Giants through one of the greatest winning streaks of the season lies in the war club of Rogers Hornsby, the former manager of the Cardinals, who was a six-time winner of the National league batting honors, until 1926. Hornsby has at least broken up the Pirate trio which dominated the batting honors of the Heydler circuit.

Clyde Barnhart, the low member of the Pittsburgh three, fell today from third place to fifth in the league, in averages including Wednesday's games. Hornsby's average of .353 exactly the same with which Eugene Hargrave of the Reds captured the league title last fall. Riggs Stephenson of the Cubs also passed Barnhart to land in fourth place.

Counting the ties for last place, the Giants have three regulars and one pinch hitter, Dutch Mueller, in the first ten clouters of the league, as compared with the five leading sluggers of the Pirates regular wrecking crew. Joe Harris, the ex-Senator, has a bare seven point margin on Hornsby, but Paul Waner, the league pace setter, is still thirty points ahead of Rogers.

Frisch Ahead, But Slips  
 Frankie Frisch, whom the Giants swapped for Hornsby, slumped from fourth to sixth place among the regulars, but is still miles ahead of the other base stealers, with a total of 34.

Working in parts of four games this week, Charley Root of the Cubs got credit for two victories and but one defeat, and from his mark of 24 wins, with four weeks of the season yet to go, has a brilliant chance to reach the thirty mark in games won this season.

Rube Benton of the Giants and Jess Haines of the Cardinals both have passed Lee Meadows of Pittsburgh for pitching honors. Carmen Hill, who with his teammate Meadows, long held the lead, is now fourth with Charley Root and Grover Alexander only a few points behind.

Leading hitters of the National league: P. Waner, Pittsburgh, .382; Harris, Pittsburgh, .360; Hornsby, New York, .353; Stephenson, Chicago, .348; Barnhart, Pittsburgh, .343; Frisch, St. Louis, .339; Traynor, Pittsburgh, .335; Harper, New York, .335; L. Waner, Pittsburgh, .324; Farrell, Boston, .324; Hendrick, Brooklyn, .324; Jackson, New York, .324; Burrus, Boston, .324.

Cobb in Fourth Place  
 To start his twenty-third year in major league baseball, Ty Cobb has struggled up to fourth place in the American league list of leading hitters, though he is still separated by forty points from the top place he held for thirteen years with but one break, from 1907 to 1919.

Only Harry Hellmann, Al Simmons of the Athletics who has been on the bench for a month, and Lou Gehrig are hitting better than the former Detroit veteran of more than 11,000 times at bat.

Hellmann's .400 mark of a week ago shrank a couple of points in averages compiled today, including Wednesday's games, but if Simmons stays on the bench, Harry has his fourth batting championship of the league almost within his grasp. Gehrig is hardly close enough to threaten and besides he is too busy swinging from the heels in his effort to keep step with Babe Ruth in home runs.

Babe was two ahead, at 43, after Wednesday's games, but on the other hand Gehrig had driven out as many doubles as the two-base champion himself, George Burns of Cleveland. They were tied at 45 doubles, eighteen short of the mark set by Burns in 1926.

The newcomer in the list of the leading ten hitters this week is Red Clancy, back again at first as a regular for the White Sox. His stick work appears to have pulled the White Sox out of a disastrous slump. Clancy gained exactly twenty points, to take tenth place from Goose Goslin, who vacated the Washington first base job.

Commencing the effect of the willow upon the pitching records, the first seven pitchers in the league, with the exception of Ed Rommel of the Athletics, belong to the New York Yankees. With such sluggers back of him, it seems almost any pitcher could win, and Hoyt, Reuther, Moore, Shocker, Piggras, and Thomas, all are at the top of the league in hurling. Ted Lyons has a

margin of two victories over Hoyt, 20 to 18.

Leading hitters of the American league: Hellmann, Detroit, .398; Simmons, Philadelphia, .394; Gehrig, New York, .381; Cobb, Philadelphia, .354; Ruth, New York, .353; Combs, New York, .346; Speaker, Washington, .346; Meusel, New York, .345; Fothergill, Detroit, .343; Clancy, Chicago, .343.

### American Race Close

The first division race in the American association is almost a match for the hectic struggle in the National league, as the fourth place Millers are not so far behind the present pace setters and travelling like a prairie fire. Kelly's home run twins, Frank Emmer and Earl Smith, banged the apple out of the lot five times apiece this week, and Ollie Tucker, the hitting sensation of the circuit when he joined earlier in the season, has landed back in the first ten.

While the Hens would seem to have the edge in heavy hitters, with four men in the first ten of the circuit, the Blues have taken the lead in team batting. The teams of the first division ranked in batting just the way they ranked in games won and lost when Wednesday's games were concluded and all four clubs were hitting better than the .300 mark.

Reb Russell dropped five points, but Oscar Orwell dropped seven so that Russell still has a five point lead on the Brewer's all around star. Orwell's usual weekly victory on the hill put him back at the top of the pitchers, while Palmero dropped his last game to slip back into second place. Sheehan of the Blues chalked up his 22nd victory Wednesday when the Blues made it three straight over Columbus.

### Millers Stepping

At the same time the Millers made a clean sweep of their four game series with the lowly Colonels, driving in eight homers in one double header. Dewitt Lebourveau, still hovering around tenth place in batting is gaining on the association's leading base stealer, Bruno Haas of the Saints. Lebourveau is only one behind Haas' mark of 23, and Hauser, the Blues' star with the wand, is close up with twenty.

Leading batters of the association are: Russell, Indianapolis, .389; Orwell, Milwaukee, .384; Grimes, Toledo, .372; Hauser, Kansas City, .371; Kirkham, Columbus, .371; Heving, Toledo, .362; Veach, Toledo, .360; Riconda, Milwaukee, .357; Lebourveau, Toledo, .351; Tucker, Minneapolis, .351.

By a great spurt in a week crowded with double headers, Langford of Des Moines has given the Western league a genuine .400 mark in batting to top the figure which Pete Casey has held since the Tulsa fly chaser was beamed early in the summer.

Langford went up to .407, while Casey, in his only full game played in a long time, hit around the .500 mark to keep his own figures up to .405. Next comes Comorosky of Wichita on whom the Pirates have a string, and then the Tulsa wrecking crew, Munson, Bennett, and Sturdy.

With such a clean-up squad, and the whole team hitting at a .328 clip, it is little wonder that George Blaeholder is sailing on to some kind of a record, with 25 victories on the hill already marked up on the books. For his second victory of the week, the Oilers game George a 13 run margin.

### Rabbit Great in Cellar

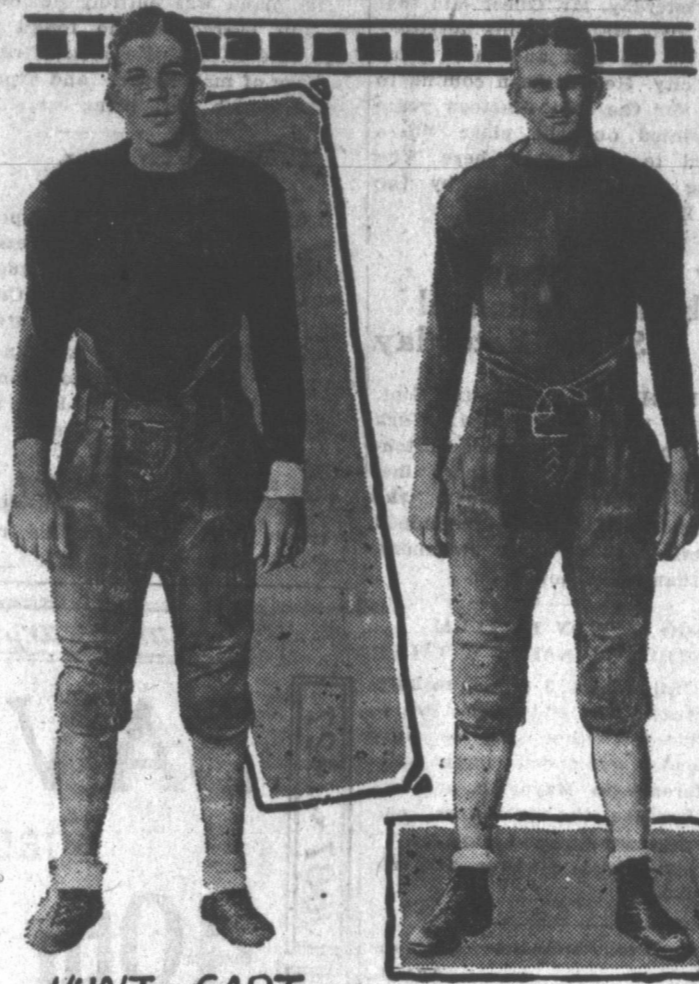

With a tail-end club, the performance of Joe Rabbit stands out among the hitters. Joe stole four bases this week, to reach a mark of 46, although less than half of Ty Cobb's best record for a season. Rabbit stuck at sixth in the batting list, fattening his percentage by ten points while Omaha sank slowly into the cellar.

Holding a lead comparable to that of the Yankees in the American league, the Tulsa home run hitters took a rest this week. Munson, the league leader with 22, had to be content with a triple this week as his best effort, Sturdy, the Oilers' first sackler, raised his mark to 20 for second best.

Though Blaeholder is far ahead in victories among the Oilers, Blaeholder's teammates leads on a percentage basis with eleven victories and only two losses. He finished out a game this week with no effect on his figures. While Sanders of Amarillo marked up his tenth victory to be but one behind Black.

Leading batters of the Western league are Langford, Des Moines, .407; Comorosky, Wichita, .389; Munson, Tulsa, .381; Bennett, Tulsa, .376; Sturdy, Tulsa, .365; Rabbit, Omaha, .359; Cunningham, Des Moines, .359; Compton, Denver, .345; Reagan, Denver, .343; J. Kelly, Amarillo, .333.

## Coach Bible Has Host of Fine Material for Aggie Football Machine, and Improved Field

HUNT - CAPT.

SIKES

### (By The Associated Press.)

COLLEGE STATION, Sept. 3.—Fifty-eight gridiron warriors, eleven of them letter men and the remainder squad men and freshmen of last season, are due to report to Coach Dana K. Bible at Aggieland Friday, September 9, for the intensive period of training that will precede the opening football game of the new season for the Texas Aggies. This game, to be played with Trinity University will come two weeks later, September 24, on Kyle Field.

The list of nearly three score men whom Coach Bible has asked to report September 9 includes in addition to the tried veterans whose mettle under fire is already known, a formidable list of promising athletes whose performance in their freshman year forecasts some brilliant gridiron work during the coming year. With eleven letter men and his host of new talent eligible for Conference honors, indications are that the 1927 Aggie grid machine will be one to reckon with.

### Training Starts Sept. 10.

On the day they report, the football men will be outfitted with uniforms and other equipment by business manager James Sullivan, of the athletic department, and training will begin September 10, the following day. The Aggie schedule shows three games before the first Conference clash this year. These are with Trinity, September 24, and Southwestern, October 1, at College Station, and with Sewanee at Dallas, October 8. The first Conference game will be with the University of Arkansas at College Station October 15. The game with T. C. U. at Fort Worth will follow October 22 and the Aggies will make their longest journey of the season for the game with Texas Tech at Lubbock, October 28. The game with S. M. U. will be played at Aggieland November 5, the game with Rice Institute at Houston November 11 and, in accordance with the custom of years, the Turkey Day game will be with the Texas Longhorns, and this year will be staged at Aggieland.

### Field Improved

Historic Kyle Field, home of the Texas Aggies, has been undergoing a noteworthy transformation during the summer and fans who flock here for the gridiron contests this year will find the first concrete unit of the Aggies' new concrete stadium ready for them. When the stadium is complete in detail, a goal that has been set ahead several years, will be one of the finest in the Southwest. Business Manager Sullivan has spent virtually the entire summer on the ground here directing the improvement program which includes change in the location of the baseball diamond, enlargement of baseball grand stand to capacity of 4,000, already completed, new track courses and other improvement.

Of the eleven letter men due to report for training September 9, three are backfield men and eight are linemen. These men include Captain Joel Hunt, flashing quarterback of the Aggie last season who is facing his last year in the Maroon and

White line-up; H. E. Burgess of Hale Center, half back; and (Happy) Colgin, Wichita Falls, half back. This trio makes up the backfield lettermen.

### Kicker Is Back

The eight linemen who have already won the Aggie T include: Z. W. Bartlett, Marlin, who played guard last year on account of his kicking but who is expected to be a contender for center the coming season; J. A. Defebach, Fort Worth, tackle and end; W. S. Lister, Livingston, tacky; S. J. (Red) Petty, Decatur, end; J. A. Rektorik, Violet Guard; J. Y. (Siki) Sikes, Leonard, end, who is also a letterman in baseball and basketball; A. C. Sprott, Livingston, tackle; and H. P. Wylie, Dallas, guard.

One of the most promising things about the prospects of the Aggies for the new season is the reserve strength that will be available. Lack of reserve men was felt more than once last year. With a long list of new men who have already shown their talent to draw from, this situation is not expected to develop this year.

### Plenty of Brains

In addition to the brilliant Joel Hunt, who piloted the Aggies from quarterback last year, there are four other players who are expected to fall within the list of aspirants for quarterback this year. These include W. F. Davis, Stephenville, sub-quarter in 1926 who was a regular on the Aggie basketball team; Frank Ish, flashing Waco High player, who all-state High quarterback for two years and who made a good showing on the gridiron as a freshman last year; C. E. Richter, Laredo, 1926 freshman numeral man who was ineligible last year, and R. R. Dorsey, Fort Worth, freshman numeral man last year.

### Able Backfield

The race for backfield positions promises to be a hectic and continuing scramble with so many able players in store. Burgess and Colgin, the two lettermen halves, will have a host of contenders to play with. A number of new freshmen numeral men last year, showed great promise in their freshman grid work. These include O. D. (Pinky) Alsbrook, Cisco High Star, who was all-state High full; Brooks Conover, fullback star of Dallas, W. Ewell, Dallas; P. D. Jefferies, Laredo; J. R. Varnell, Barry; J. U. Stransky, Savanna, Ill.; B. Beckham, Hearne, and R. L. Mortella, Houston. And there are others who will be backfield contenders: C. M. Florey, Smithville, a squad man last year in the backfield who was hurt early in the season, will be on hand again. T. W. Mills, Groesbeck, who showed promise as a freshman last year in battalion football, is among the backfield candidates for the new season as is G. Orver, San Antonio, another man from battalion athletics.

Colgin, who will finish out his days as an Aggie grid warrior this year, will face his second season on the team. This will also be the second year for Burgess, the other letterman who played at half last year.

### Strong Line Predicted

This list of candidates for the line is a long one. In addition to the eight lettermen mentioned there are a number of squad men from last year and an even larger number of freshmen numerals men. Squad men from last year include W. L. Crawford Palestine, guard; J. F. Criswell, Forney, center; J. H. Cuthrell, Navasota, tackle; E. J. Mosher, Dallas, tackle; W. C. Rogers, Marlin, tackle; C. P. Robbins, Emma, center; G. M. Wrenn, College Station, guard; E. E. Elgari, Galveston, guard; J. G. Holmes, Troup, guard, and C. B. Maurais, Austin, guard, squad man of 1925 who was ineligible last year.

### Bovine/T. B. Is Being Stamped Out

More than half of the 48 states have one or more counties free from bovine tuberculosis.

The three leading states in this respect are North Carolina, with 82 counties on the modified-accredited list; Michigan with 42; and Iowa, with 30. The summary of progress shows that 347 such counties distributed through 27 states are so free. An outstanding achievement of the last year is the large increase in the number of entire counties which have completed the tuberculin testing of all cattle within their boundaries.

**SUIT FILED TO CANCEL HUTCHINSON CONTRACT**

A suit has been filed in the 84th district court at Stinnett to cancel the Hutchinson county road paving contract, according to the Daily News correspondent at Borger.

The suit was filed by S. D. Claybrook, a ranchman, who served as foreman of the last grand jury. It is understood that Curtis Douglas, district attorney, will help the plaintiff. The petition alleges that the contract price is exorbitant by \$185,000.

The Resurrection is coming.

**PLANES**

his long deferred Atlantic flight this morning, his immediate destination being Horta, in the Azores, about 1,200 miles from here.

He hoped to reach the place by 10 o'clock tonight. He will refuel there and will fly to Newfoundland, then to New York.

He is accompanied by Lieutenant Downer as navigator, R. F. Little, engineer and passenger. The latter is described by air force on a Canadian millionaire who is to have paid \$7,500 for a seat in the plane.

**Carling Plane Delayed**

CARIBOU, Me., Sept. 3. (AP)—Weather conditions were unfavorable for resumption today of the flight from London, Ontario, to London, England of the monoplane Sir John Carling, the first leg of whose flight to Harbor Grace, Newfoundland was interrupted Thursday when his plane landed near Washburn.

**Three-Way Street Made At Ozona**

(By The Associated Press.) OZONA, Sept. 3.—The nose of a projecting hill disturbs the beauty of a prominent Ozona street is to be cut to its base by a three-way arrangement completed here. The expense for the improvement will be borne by the West Texas Utilities company, who have agreed to loosen the dirt and rock, by the county who will load the material on trucks, and by the Crockett county fair association who will haul it away to use in repairing its race tracks.

**Says Pampa Best City in Territory**

Mr. and Mrs. George W. Guest, of Parsons, Kan., are in Pampa for a few days. Mr. Guest is connected with the Parsons Shirt company and has a large territory under his supervision.

In a statement to the Pampa News yesterday, Mr. Guest said that in the five states of his territory Pampa is the best and most prosperous city. He has been coming to Pampa for the past nineteen years and pointed out the place where he used to stay when here. The building is now occupied by the White Rose Cafe.

**New York Twins Abandon Channel Swim Saturday**

CAPE GRIS NEZ, France, Sept. 3.—The 13-year-old New York twins, Phyllis and Bernice Sittenfeld, who started from here last night in an attempt to swim the English channel, had abandoned their effort today after swimming more than four hours.

**CHICAGO MOTION PICTURE STRIKE FINALLY SETTLED**

CHICAGO, Sept. 3 (AP)—The moving picture strike and lockout which left Chicago without movies since last Monday was ended tonight after a conference in Mayor Thompson's office between the exhibitors, machine operators, and stage hands. Four hundred theatres will reopen at once.

Malone Ambulance Service. Phone 181. 121-1fc

**Veteran Air Mail Pilot Is Killed**

(By The Associated Press.) STAFFORD, Conn., Sept. 3.—E. G. Kline, veteran flier in the mail service on the Boston-New York route, lost his life early today when his plane crashed in the Moose Meadows section of East Wellington.

His plane was entirely demolished, but searchers who found the body late in the afternoon salvaged six bags of mail matter and express parcels which were being carried.

**WHEELER IS ILL**

BATTLE CREEK, Mich., Sept. 3. (AP)—Wayne B. Wheeler, general counsel in the anti-saloon league of America, is ill at the Battle Creek sanitarium it was learned Saturday.

Hospital authorities announced, however, that his condition cannot be regarded as dangerous. He is suffering from a kidney ailment.

Mr. and Mrs. M. K. Brown left Saturday morning for a two-weeks' vacation with Mrs. Brown's relatives in Ardmore, Okla.

**School Teacher Feeds Royal Siam Elephants**

(By The Associated Press.) SHENANDOAH, Iowa, Sept. 3.—The royal white elephants of the King of Siam like to be treated like circus elephants, according to Miss Ella M. Murphy of Shenandoah, who has combined school teaching with globe trotting.

She stopped in Siam on a circuit of the world and, lacking peanuts, said she fed the king's elephants bits of sugar cane and tossed them coins to pick up.

Miss Murphy formerly taught in the Malay States, India, Egypt, Palestine, Honolulu, Japan, Gores, Manchuria and Europe.

Mr. and Mrs. J. E. Morgan and children will depart Sunday for Tulsa, where they expect to spend the winter.

The word "aviation," meaning the same in the air as navigation does on the water, has been accepted by the Navy Bureau of Aeronautics.

**Big Cattle Deals In Cochran County Completed Recently**

(By The Associated Press.) BLEDSOE, Sept. 3.—Cochran county recently in three weeks time saw cattle deals totaling almost a quarter million dollars. Many cars of stock have been shipped out, and many cattle have changed hands but will remain on the ranches here until next fall.

Although several small deals have been made, most of the recent cattle deals have been included in four large deals. The X-Ranch recently sold 1,200 head of heifers at \$50 per head. Six hundred calves were sold at \$35 a round. J. C. Lamdon, local rancher, disposed of his cattle for a consideration of \$37,040. The fourth deal was made when W. T. Campbell sold a Dalhart rancher 911 head of cattle for \$39,000.

The Amusu bridge club will meet Tuesday afternoon at 3 o'clock with Mrs. Joe Smith.
