Americas Agreed On Hemisphere Program

REVIEWING THE BIG SPRING WEEK

BY JOE PICKLE

It's all over but the celebrating on the part of some, the dubious joy over run-off prospects for others, and just plain disappointment for the greater number of candidates. Which proves that there must have been something to the statistics that showed only one of four could win.

Another month of this politics, and then we can settle down to the more serious discussion of whether a Wilkie democrat is a better, a Yankee or smarter than down-the-line dogma. Some November we'll know the answer and, praise Heaven, can forget the whole thing for a spell.

Is business bad? One man thought it was terrible. Then his district manager came around and showed him he had a 20 per cent increase over last year. Two merchants, crying over trade, checked up and found business better than a year ago. Maybe that's not general, but it gives you an idea that everything isn't always as bad as it seems.

The city commission, having dealt with the weighty matter of altering taxi fares, apparently didn't have time to consider the garbage ordinance last week. We see THE WEEK, Page 13, Col. 4

Morrison And Joe Faucett Are Winners

Robinson-Coffey And Mercer-Crenshaw Go On August Ticket

Marching to the polls in record numbers, Howard county voters Saturday effected some changes in their official family, kept several officers and left the fate of others hanging in the balance for another four weeks.

Slaughter Ousted
Biggest upset of the first democratic primary was the defeat of Sheriff Jess Slaughter, complete unofficial returns showing him short by 30 votes of the run-off.

Rowan Settles, last to enter the race, finished out in front 2,149 votes, carrying all but four boxes, Bob Wolf, who carried three boxes, went into the run-off primary with Settles with 1,679 votes while Slaughter, with one box to his credit, was close behind with 1,649 votes. Thus, Slaughter will retire at the end of the year with six terms to his credit.

In the spirited district clerk's race, Joe B. Harrison was high man with 1,168 votes while Hugh W. Dunagan won in tight to go into the run-off with 1,095 votes. Fat Patterson was third with 777 votes.

Walter S. Morrison won the nomination as county judge, garnering 3,346 votes to 2,049 for Grover Cunningham. County Judge Charles Sullivan is retiring from the office.

Joe Faucett won the right to a second term as county attorney, gathering 3,335 votes to 2,961 for George T. Thomas.

In the lively justice of peace contest, Newton Robinson jumped out in front with 1,264 votes, and L. A. Coffey became his run-off opponent with 1,042 votes. J. S. Nabors was third with 965.

Carl Mercer, incumbent, had the advantage in the constable's race, reaping 1,879 votes to 1,416 for Jim Crenshaw, over whom he won two years ago.

Old run-off mates again were pitted against each other in the county commissioner's precinct No. 3 race. H. T. Hale, who lost by 34 votes in the second primary two years back to A. W. Thompson, had 618 votes to 475 for Thompson.

In the commissioner's race for precinct No. 1, J. E. Brown, incumbent, had the lead with 204 votes but faced a run-off with T. M. Robinson, who got 157.

Raymond (Pancho) Nail set the pace in jumbo precinct No. 3 with 495 votes, while J. S. (Jim) Winslow, present commissioner, was to finish it out with 419 in the second primary. Winslow got 386 votes. Arthur Stallings was third with 214.

Formby Holds The Lead For Senatorship

Hardeman Reelected Over Mrs. Matthews; Mahon Big Winner

In a race that turned out to be a heated affair, County Judge Marshall Formby of Dickens county had an appreciable lead over Alvin Allison of Levelland Sunday morning, on the basis of incomplete and unofficial returns from the 30th senatorial contest.

Latest totals compiled by The Herald early Sunday showed Formby 18,231; Allison 14,186. This gave Formby a lead of 4,045, which could be changed by the many votes yet to be counted. Of the 24 counties in the district, five had not reported, and only two of the other 19 were complete.

Allison barely carried his home county, Hockley, while Formby stacked up a handsome lead in his home boxes, Lubbock county, biggest in the district, went for Formby, while Howard gave Allison a lead.

Allison is at present a member of the legislature. The two are competing for the senatorial seat vacated by the retirement this year of G. H. Nelson.

MAHON HOLDS A LEAD OF ALMOST FOUR-TO-ONE
George Mahon's bid for a fourth term as a member of the house of representatives from the 17th district was rewarded handsomely by the voters Saturday, unofficial and incomplete returns compiled by The Herald showed early Sunday.

The latest count was: Mahon, 2,007 for all opponents. Ernest Thompson ranked second in the county, Harry Hines third and M'orian A. Ferguson fourth, with Jerry Sadler a poor fifth.

RUNOFF OPONENTS in two of Howard county's major races in the August primary will be these men, top vote getters in the first democratic primary Saturday, according to complete and unofficial returns. For sheriff, Bob Wolf (upper left) former deputy and Rowan Settles (upper right) will fight it out, both having topped Jess Slaughter who is completing his sixth term in office. Contestants for district clerk will be Hugh Dunagan (lower left) and Joe B. Harrison (lower right), who were high in a field of eight.

Howard Joins Rest Of State To Give Lee A Majority

(Box-by-Box tabulation on all races in Howard county will be found on pages 8 and 9.)

As the state went, so went Howard county.

The local electorate, turning out in record numbers for Saturday's democratic primary, stacked up totals in state races that were about on the same basis as statewide totals announced early Sunday morning.

The county gave W. Lee O'Daniel a majority, with 2,894 votes to 2,007 for all opponents.

Ernest Thompson ranked second in the county, Harry Hines third and M'orian A. Ferguson fourth, with Jerry Sadler a poor fifth.

Olin Culberson was top man in Howard county in the railroad commissioner free-for-all, with 1,460 ballots; Pierce Brooks trailed with 720.

The county accorded Senator Tom Connally a handsome poll of 4,598, and gave other candidates wide margins, such as Coke Stevenson for lieutenant governor, 3,263; George Sheppard for comptroller, 4,438; Charley Lockhart for state treasurer, 4,060. Their opponents were not even in the running.

Howard also followed the general trend in the state superintendent's contest, favoring L. A. Woods over S. R. LeMay 3,057 to 2,005. J. E. McDonald in the agriculture commissioner's race was handed a big share of the vote, 2,844.

In the contest for chief justice of the supreme court, Howard countians went for H. S. Lattimore over James P. Alexander, 2,809 to 1,594; for associate justice, 2,809 to 1,594.

Meanwhile, plans for publicizing the event went forward. Chester Clark, in charge of booster trips, announced that four swings into the territory had been mapped for Aug. 4, 7, 8 and 9. Service clubs have agreed to sponsor the trips but dates and itineraries have not been assigned.

The trips, however, will be as follows: Big Spring to Sweetwater, Roby, Snyder, Lamesa; Big Spring to Midland, Odessa, Crane, McCamey, Big Lake, and Garden City; Lamesa, Seminole, Andrews, Odessa, Midland and Stanton; and one on Aug. 9 from Big Spring to Foran, Chalk, Sterling City, San Angelo, Robert Lee, Sweetwater and Colorado City, where service clubs and the chamber of commerce will stage an amateur night program.

One was Governor W. Lee O'Daniel, who, with Mrs. O'Daniel and his eldest son, Pat, arrived about 7 p. m. from Fort Worth where they had voted.

Before dark a shirt-sleeved crowd had gathered on the grounds of the "Whitehouse of Texas" to watch with the executive club the unfolding of the story of the day's election. Other candidates at their homes

DALLAS, July 28 (Sunday)—Seemingly even more popular with the Democratic voters of Texas than he was two years ago, W. Lee O'Daniel, who abandoned flour for politics, had bagged more than 53 per cent of the gubernatorial vote as unofficial returns from more than two thirds of the counties reached the Texas Election Bureau early Sunday.

This outcome of the first primary, if confirmed by the complete returns, will give the incumbent another two year lease on the Governor's Mansion without having to face a runoff in August.

Second in the race was Ernest O. Thompson of Amarillo, who had a similar position two years ago. Harry Hines, highway commissioner, nosed into third place in late returns, to displace Mrs. M. A. Ferguson, who was fourth. Trailing far behind was Jerry Sadler, railroad commissioner.

Early reports showed O'Daniel short of the majority he boasted he would get, but by 10 p. m. he had climbed into the clear, and his margin was increasing.

Olin Culberson of Jackson county led the hard fought race for railroad commissioner in early returns, but later was displaced by Pierce Brooks, Dallas real estate man with whom he will stage a runoff contest. A

AUSTIN, July 27 (AP)—After incomplete returns gave him a majority of all votes cast in the primary, Governor W. Lee O'Daniel said tonight the result was not unexpected.

Pontiac's Sales Top 1928 Record

As a new Pontiac car during the first 10 day period of July were breaking a record which has stood since 1928 and eclipsed the first 10 days of July, 1939, by 98 per cent. D. U. Hathrick, general sales manager of Pontiac Motor Division, reported.

The 10 day sales total is just 184 cars less than were sold in the entire month of July, 1938. Previous high for the period was 9709 in 1935.

Pontiac's new car inventory stands at 25,400 while used car operations continued high with 13,174 sales against 8004 in the same period last year. Dealers reported a 28 day stock of used cars.

The July figures are gathering momentum from Pontiac's June sales which topped the model year

thus far," Hathrick said. "The 10 day July figure is impressive particularly in view of the long holiday weekend which took place and the new excise taxes which went into effect July 1. With our new car inventory at 25,400 Pontiac dealers will reach August 1 with less than a 30 day supply of new cars available."

FHA Meeting Slated Here Thursday

A step by step explanation of how residents of Big Spring can buy or build their homes under the Federal Housing Administration plan will be made Wednesday night, July 31, at 8 o'clock at the chamber of commerce office in Big Spring. It was announced by P. S. Luttrell, of Dallas, state production manager for Texas of the Federal Housing Administration. He announced that Forest W. Gregory, field representative of the Northwest Texas FHA District will be in charge of the meeting. In addition to the explanation of the FHA plan of home ownership, there will be shown 26 slides, in color, of houses ranging in price from \$1600 to \$4000 which have been built and financed under FHA during recent months in Northwest Texas.

All business firms in Big Spring will be advised of this meeting in order that they might acquaint their employees with plans for the Wednesday night meeting and it is expected that a large number of salaried people will be present.

A meeting for lumber dealers, lending institutions, contractors, realtors and architects in Big Spring, will be held Thursday evening at 8 o'clock in the chamber of commerce office.

"I feel sure," Luttrell said, that many of your people can buy or build their homes on the FHA system and pay for them with money they now spend for rent. A good many of these people, however, do not know how easy it is to own homes and how little it takes to buy or build on the liberal FHA terms.

"The Big Spring meeting is a timely one and FHA officials will be here for the express purpose of explaining the simple steps necessary to buy or build your own home. The showing of slides will be practical evidence that attractive small homes can be built in this community at a cost that many of your residents can well afford. It follows, of course, that home building brings a measure of prosperity to all business in the community."

When Misfortune Struck, He Tried New York, Has Made It Successful

By RUTH MINTER

Don't give up the ship. That seems to be his motto. When his days were darkest, when his whole earning capacity seemed to be wiped out, he lifted his head high and forged ahead unmindful of his hard luck.

He lifted his head so high he made himself famous. Shelby Hall is known all over the United States for his excellence in knife sharpening. Packages come filled with tools for him to sharpen from California, Arkansas, New Mexico and all over Texas.

Although his business is somewhat irregular, some weeks he gets one or two dozen, and some weeks only a few, he gets as many as he is able to take care of. Two years ago he was working too hard and had to have a complete rest.

"Mr. Hall was a contractor 11 years ago when he 'got completely lousy' down." For nineteen years before that rheumatism had been dogging him steadily, and then in 1929 he had to give up his work because of arthritis and rheumatism.

"These ailments have changed him from a healthy energetic man to one who has to take life more calmly and not over-exert. As Mr. Hall puts it, 'every bone and joint in my body is as stiff as my hands.'"

His hands are almost completely stiff, but he is able to move a few fingers and so able to do his work.

"The idea of just sitting down absorbed with self pity has never entered Mr. Hall's mind. He doesn't like to be without something to do. When there are no knives to sharpen he either occupies himself with his pet chickens—he has twenty or more—or else he works on gun parts. In spite of his incapacitated hands he likes to do intricate work and now is working on a small spring to fit into a gun."

Mussolini Shows Fitness As 57th Birthday Nears

ROME, July 27. (AP)—Morning and afternoon on this long, hot day Benito Mussolini, who will be 57 Monday, put on a performance of personal fitness for a gallery of international newspapermen and asked them, in effect, "How am I doing?"

This morning he galloped and jumped his fine chestnut mare, this afternoon he played tennis in shorts, before cameras and reporters.

At both "shows," Il Duce glowed with good health and bubbled with excellent humor.

Wearing cream linen cap with visor, white shirt and cream linen shorts that showed his war-scarred legs, he pedaled briskly up the garden path of his villa Turgonia estate to bathe.

For ten minutes Il Duce rode and hurled furiously to prove his fitness to the world and when he got through he was not even breathing heavily.

Mussolini arranged the show for 45 members of the foreign press in the early morning, on the grounds of his villa Torlonia estate after I had asked about his daily routine, now that the nation is at war.

Cotton Shipments Set New Record

HOUSTON, July 27 (AP)—With three days to go before the cotton season ends, Houston has established a new record in the coast-wise shipment of the staple.

The figure is 240,862 bales compared with the highest previous record, set in the 1936-1937 season, of 201,944 bales. Last year the volume was 175,912 bales.

The foreign movement, while ahead of the past several years, is far short of a high mark. Stimulated by the export subsidy, the movement abroad began at a swift pace. Late in 1939, however, the government abandoned the subsidy, and Europe's conflict further reduced shipments to foreign lands.

Since last Aug. 1, 1,718,483 bales moved abroad, compared with the previous seasonal figure of 936,831. The record year for Port Houston was 1931-1932, when 2,656,094 bales were shipped.

SOVIET NAVY TO BE ENLARGED

MOSCOW, July 27. (AP)—Admiral Nikolai Kuznetsov, commissar of the navy, disclosed tonight that Soviet Russia would add 168 warships to her fleet this year and urged that Russian naval power be stepped up to parity with the country's army and air strength.

Declaring that "our navy is continuously developing and strengthening," Kuznetsov asserted that "there is no doubt that the USSR is a seapower."

In 1939, he said, the Russian fleet was increased by 112 ships, large and small torpedo cutters included.

"In 1940," he added, "we will get 168—that is a 50 per cent increase."

Oil Camp In Effect Midnight Wednesday

HOUSTON, July 27 (AP)—The Houston Chronicle said today a government clamp on oil and scrap iron exports will go into effect here at midnight Wednesday.

The move was indicated, the paper said, in a federal note directing customs officials to "permit export with an export license" only four more days.

Truck buyers are careful buyers—they thoroughly analyze and compare all types of trucking equipment—they want to make certain

that they'll get the make and type of truck best suited to their business requirements.

It is a significant fact that more truck users choose Chevrolet than any other make of truck... because Chevrolet trucks could not have established their record of leadership in 1940 and maintained it for six out of the last eight years had it not been that Chevrolet trucks deliver more dollar-for-dollar value than any other make.

All models and types of Chevrolet trucks may still be purchased at today's low price levels, so it would be wise to consider replacing some of your trucking equipment with new Chevrolets now.

TRUCK BUYERS DEMAND FACTS—Chevrolet Gives Certified Proof

Truck buyers are often bombarded with claims about the respective merits of various makes of trucks. But wise truck-buyers say, "Give me facts—give me proof—I must run my business according to actual facts and figures and I demand the same kind of facts about the truck I buy."

WRITE FOR FREE BOOKLET "Says Who?"

In order to provide conclusive proof of the dependability, economy, and value of Chevrolet trucks, Chevrolet recently sponsored a test run of a Chevrolet truck which was the longest test run ever conducted under the supervision of the American Automobile Association.

The performance facts compiled from this history-making test run are contained in an interesting booklet entitled "Says Who?" You may obtain one from your Chevrolet dealer or by writing to Chevrolet Motor Sales Corporation, General Motors Building, Detroit, Michigan.

Strong 'Foreign' Teams To Bid For Crown

Jake Morgan, Doug Jones and O. E. Broome rule as slight favorites in many golf tournaments today, a meeting in which golfers of five West Texas cities are represented in the championship flight.

Luck of the draw will send Morgan, last year's champion, out against Jones in second round play—if both succeed in winning their opening duels.

Jake squares off with John Davis, Midland veteran, while Broome, an Odessa Indian, is matched with Claude Wilkins, Big Spring in his first match.

Big Spring is represented in the title flight by five players. A late entry was Bob Farmer, popular Odessa star. He will test Percy Bond, Colorado City, who came in with a snappy 34 as a qualifying score.

All matches, including the final, will be over nine holes but the entire 18-hole layout will be employed, Pro Harold Akey announced.

Two Share St. Paul Medal

ST. PAUL, Minn., July 27 (AP)—Two dark horse veterans who long have been prospecting golf tournament money trail filed joint claim today on medal honors on the rich St. Paul Open golf championship.

They were the quiet, 37-year-old Jim Foulis and the 34-year-old, fervent Willie Goggin, the former a longtime Chicago district campaigner and the latter now a native of the Illinois metropolis after years of playing out of San Francisco.

Each had 36 hole totals of 136 strokes as the tournament hit the halfway point of its 72-hole route. Foulis, a former St. Paul champion, put together nines for a five under par second round. Goggin, who never had hit the "pay dirt" of a major title, scored a six under par 66.

Only a stroke off the pace was returned Oliver of Hornell, N. Y., who had a 71 today for a 137, and back of him was a corps of stars in such close pursuit that one of the hottest finishes in the tournament's history was in prospect as the final headed into tomorrow's 36 hole final program.

Dick Metz of Oak Park, Ill., defending champion had a 69 today for a 138 total. A stroke back of him was Frank Moore, Detroit, and Tony Penna, Dayton, bracketed at 140 were Les Bolstad, Minneapolis, Len Mattson, Rome pro, Pat Wilcox, Waterloo, Ia., the two low scoring amateurs, Jim Ferriter, the open and amateur champion of Australia, and Wilford Wehrle of Chicago, and big Ralph Guldahl of Chicago.

Seven players had 141 totals, among them Lawson Little, the National Open champion, Ben Hogan, and Harry Cooper.

Bostick Sure Of Aggie Victory...

The local net club, of which Harold Harvey is president, is still planning to stage an invitational tournament for men and women. It is tentatively set for the latter part of August. Asked recently which team he thought would win Southwestern conference football blue ribbon honors next fall, Alton Bostick, who'll be a member of the University of Texas varsity squad come September, said he refused to commit himself but was sure that the Longhorns would outscore Texas A&M, defending champion, in their annual Thanksgiving Day game. Alton, a big name on the Texas frosh squad in 1939, opined Baylor university was going to be a tough cookie when Jack Wilson and Robert Nelson returning to the fold but that Southern Methodist was not to be overlooked. Bostick, who completed his eligibility here in 1938 as an all-district back, expects to weigh about 180 pounds by September, which will be about 20 pounds heavier than he was able to do last season.

ALTON BOSTICK

Bobbie Savage, Standard softball hurler, has abandoned plans to play in El Paso to help the Oilers try for the Major-City league crown here the coming week. Reports out of Odessa say Bob Farmer, who captained the "foreign" team in the Hall & Bennett golf trophy matches last year, is fast becoming one of West Texas' finest young golfers.

Cincinnati Buys Joe Beeler... The Cincinnati Reds have purchased Jodie Beeler, sensational third sacker of the Lamesa Lobos, to call him up in the spring of '41. If the 17-year-old wonder continues to hit in his stride of the past two or three weeks, he might wrest the WT-NM league batting championship in a scrap that has been monopolized thus far by Ed Schweda, Lubbock, and Berger's famed Gordon Nell.

Jodie Tate, Lamesa skipper, has been thinking of taking one or both of the Hamlin semi-pros' pitching regulars, Ben Ford or Lefty Courtney, to Lovelock for tryouts. He's that hard up for pitchers. Both Lloyd "Pat" Patterson and Carl Foye are having to work every third night now. Happy Spangler suffered a bad mishap in the first game of the recent Lamesa-Midland series and may be out of the Lobo lineup for some time.

Patterson, incidentally, is slated to be Tate's first pitcher in the WT-NM league's all-star game next month with Rus Crider, Amarillo as the opposition. Each of the players in the all-star classic is to be given a handsome ring prior to game time. The Paupers are having to make every third night now. The Paupers unit, despite the fact that it is leading in league standings, isn't drawing well enough at the gate to meet expenses and may have to cut down. There's even been talk of moving the franchise next year.

Reason the club is not paying off is because several of the boys are very unpopular in Pampa, have in no way attempted to better relations with the community fans. Jack Rudes, youthful Midland catcher who approached Sammy Hale for a contract along with Red Cougher, first sacker, is but 16 years of age. When Hale was whiffed by Patterson in the July 25 game in Midland he claimed it was the first time this season he had been left standing on a fast ball. That was the night Patterson struck out 18 opposing batters. The Waddies are not paying off at the gate. Average crowd is about 100 nightly. It takes three times that many to meet expenses.

Several local baseball fans are expected to go to Lamesa today to pay tribute to the Odessa Oilers' new manager, none other than Willard Ramsdell, the Chanute, Kansas, product, and resident of Big Spring for parts of three years. Will may lose one of the games against the Lobos. Will was named successor to Walter Butler as the Oilers skipper Friday. Obie Bristow, the well known athletic personality, says he did not enter the Muny golf tournament because his game was stale.

QUITE A CATCH for a little fellow. The Robb, son of J. Y. Robb of Big Spring, is shown here with a four foot, eight inch tarpon he landed in the bay near Fort Aransas while fishing with his father, J. Y., and H. W. Croft. Young Ike, who admits to ten years, almost landed a shark.

St. Paul Man Is Publinks' Champion

DETROIT, July 27 (AP)—Robert Clark, a 21-year-old St. Paul salesman of Scottish-Irish descent and the father of two boys, today won the 19th annual national public links golf championship with a smashing 8 and 6 victory over Michael (Mike) Diets, of Detroit, an unemployed automobile worker.

Clark, a week-end golfer who learned the game as a caddy and high school linksmen at Cedar Rapids, Ia., came from behind with a rush after trailing at the end of the first nine of the scheduled 36-hole duel. In four holes he turned the match into a rout and a rout it continued as Diets' fine golf of the five previous days of the world's largest major tournament deserted him completely.

In the afternoon in a rain that at one time neared cloudburst proportions Clark stuck fairly close to par and that kind of golf was good enough to win.

Local Outfit Eliminated In Austin

AUSTIN, July 27 (AP)—Galveston eliminated Big Spring from the state American Legion junior baseball tournament here this morning, 6-2.

It was Big Spring's second loss and Galveston's first victory. Finals in the tournament will be played Sunday afternoon.

Dallas eliminated Galveston late Saturday, 8-3, after Austin had handed Carthage its first defeat in the double-elimination tournament, 6-2. Ellis Wheaton, Austin pitcher, hurled a two-hit game.

Frank Kovacs Is Decided

SEA BRIGHT, N. J., July 27 (AP)—Forced to use every shot in his bag and to spend his every ounce of courage, National Champion Bobby Riggs battled uphill for three and a half hours today before he could defeat Frank Kovacs of California in one of the most brilliant final round matches of the 53-year-old Sea Bright lawn tennis tournament.

Riggs, by his resourceful shot-making and refusal to accept defeat, finally prevailed by 2-6, 0-6, 6-3, 11-9, 10-8. Four times during the match Kovacs was one point removed from victory only to have the rampaging Riggs pull the game out. When the marathon ended with darkness settling over the court, a full-out gallery stood and cheered while Bobby received the famous Sea Bright bowl from Holcombe Ward, president of the U. S. L. T. A. Finals in the women's singles and men's doubles will be played tomorrow.

Mulcahy Halts Reds Solters' Blow Beats Yanks, 6 To 5 Indians Lose Ground

PHILADELPHIA, July 27 (AP)—Big Hugh Mulcahy snapped the National league leading Cincinnati Reds' seven-game winning streak today with a 7-hit performance that gave the Phillies a 5 to 3 victory. The Phils scored four runs in the first inning on a walk and three hits including Joe Marty's ninth homer to give Mulcahy his 11th victory.

Loop Leaders Are Limited To 7 Hits

Mel Mazzara was on board when Marty drove out his blow. Art Mahan and Chuck Klein had previously scored.

Cincinnati used three pitchers, the starting hurler, Whitey Moore, leaving in the second inning.

PHILADELPHIA, July 27 (AP)—The Giants showed a run across in the seventh inning today on two singles and an infield out to break up a tight pitching duel between Harry Lohrman and Vern Olsen and nip the Chicago Cubs 1 to 0. Olsen, former Texas leaguer, pitched four hit ball at the Giants and gave no walks.

The New Yorkers killed two possible threats on the part of the Cubs with twin killings. Two of the Giants' hits were triples, Frank Demaree and Bob Seeds driving out the blows. It was Demaree's ground ball that scored on the play.

Both Gordon's and Henrich's blows came with the socks deserted.

Ken Chase Is 7-1 Master Of Vittmen

CLEVELAND, July 27 (AP)—Southpaw Kendall Chase's steady seven-hit pitching gave Washington a 7 to 1 victory today over Cleveland and cost the second-place Indians ground in their fight to overtake Detroit. Chase coasted to his seventh triumph of the season after the Nats got to Joe Dobson for four first-inning runs.

Buddy Lewis hit two doubles for the Nats.

Beau Bell accounted for two of Cleveland's hits. The Tribe's only run was unearned.

DOWNTOWN STROLLER

One of the better sights of the season is the picture shown by C. O. Nalley concerning a recent fishing trip. The photograph sworn to by a notary public shows two large fish chasing Nalley up a tree.

He rests his case without comment.

Saw Mrs. Byron Moore looking cool and comfortable in blue linen. What we were blond. The Nordic type always manages to look like we would like to look, or something.

Noded to Mr. and Mrs. Sam Stone who were having a coke in the local drug store. They are our nomination for the friendliest dwellers in the Settles boarding house. Always make us glad we met up with them.

Met formally R. H. Carter with whom we have been talking for a year or so. Both acknowledged the introduction and decided it would be Emily Post-correct now to go on talking to each other.

But the delegates are glad election is over. It must be nice to once again not have to smile unless the mood is on you and to be able to smoke your own cigarettes.

Personally we thought the election great sport and the excitement terrific. Glad they don't happen every Saturday but it certainly was fun to think about something besides Hitler for awhile. That man has been occupying all our thoughts for too long.

The ceremony was read before an improvised altar of fern and roses and the Rev. Mason, father of the bride, gave his daughter in marriage. The Rev. Mason is pastor of West Side Baptist church.

The bride wore a white crepe street length dress made with Chantilly lace trim. The V-neckline and short puffed sleeves featured the dress. For something old and borrowed, the bride wore a double strand of pearls belonging to Mrs. A. M. Ripps and for something new and blue she carried a handkerchief. Her shoulder corsage was of red roses.

Mrs. J. W. Phillips, Jr., of Knott, sister of the bride, was matron of honor and Ella Lee of Winters was the bridegroom's attendant.

Racing Traditions Of South Are Dramatized In Technicolor Film

'Maryland' Cast Has Three Academy Winners

The romance, beauty and traditions of the proud South, climaxed by the most spectacular steeplechase in America, The Maryland Hunt Cup Race, are highlights of Darryl F. Zanuck's technicolor production of "Maryland," new 20th Century-Fox picture which is featured today and Monday at the Ritz theatre.

Said to be greater than the tremendously popular "Kentucky," "Maryland," which was directed by Henry King, promises to be rated as one of the best pictures of this or any entertainment season.

Three leading members of the cast in "Maryland" have been awarded "Oscars." In addition, five members of the production staff have been honored. The superb list of prominent players is headed by Walter Brennan, the Academy Award-winning star of "Kentucky."

The human, lovable role of the horse trainer in "Maryland" has been called another made-to-order part for him.

Fay Bainter, who won an Academy Award for her sterling work in "Jezebel," has another important featured role in the picture.

Brenda Joyce and John Payne, as the headstrong young lovers, torn by fierce pride, share the romantic lead. Others prominently featured are Charlie Ruggles, Hattie McDaniel, who won an Academy Award for her portrayal of the lovable kerkeliefed Mammy of "Gone With the Wind," and Marjorie Weaver.

Ethel Hill and Jack Andrews wrote an original screen play for "Maryland." Gene Markey was associate producer.

THE SPORTS OF KINGS—Around the Southern traditions of fine horse breeding, training and racing is built a new Technicolor production, "Maryland," which plays today and Sunday at the Ritz, an outstanding successor to the popular "Kentucky." Brenda Joyce and John Payne provide the romantic interest, and the film has such other able players as Walter Brennan, Fay Bainter, Charlie Ruggles and Hattie McDaniel.

Mr. and Mrs. H. V. Crocker and children, H. V. Jr., and Serann left Sunday for a visit with her sister, Mrs. Charles Doolittle, in Houston, and with both their parents in Lufkin, Mr. and Mrs. J. P. Bennett and Mr. and Mrs. V. V. Crocker. They will return in about two weeks.

Fairbanks And Joan Bennett Co-Starred

Jungle Adventure Film, 'Green Hell,' Plays At The Lyric

Such ingredients as excitement, love and adventure are said to be combined in the production of "Green Hell," initial Famous Productions film for Universal release, which is at the Lyric today and Monday.

With Douglas Fairbanks, Jr., and Joan Bennett heading an outstanding cast of 11 principals, "Green Hell" is declared to capture a realism seldom brought to the screen in films of this type.

According to advance reports, a part of this realism is due to the authenticity of the enormous upper Amazon jungle sets, constructed after months of research. But the major reason probably lies in the players themselves — Fairbanks, Bennett, John Howard, Alan Hale, George Bancroft, George Sanders, Vincent Price, Gene Garrick, Francis MacDonald, Ray Mala and Peter Bronte.

Each a distinct type, these players invariably make their screen characterizations ring true. They're natural human beings who do things in a convincing manner.

Frances Marion, for years one of Hollywood's ace scenarists, wrote a story about a beautiful woman marooned in the heart of an Amazon jungle with six men. Harry Edington selected this story for his first offering as a producer. He is said to have produced it on a lavish scale, sparing no time or expense in making it one of the most outstanding dramas ever filmed.

Editorial

Imagines a presidential year election in which only the men from 21 through 30 would be permitted—or required—to vote, and there you have an idea of the nationwide scene on registration day for compulsory military training.

Washington Daybook

WASHINGTON — Add now it can be told stories on the Chicago convention. The number of times the Roosevelt boom failed to spark in those first few days of the convention was something that will haunt his managers in their nightmares for years to come—but it shouldn't.

Man About Manhattan

NEW YORK—We were having the real pie at 34th St. at lunch yesterday when Monte Proser dropped into an adjoining chair. Monte is a young man with horn-rim glasses, a sad smile, and a conviction that disappointment is the inevitable reward for those who expect too much from life.

Hollywood Sights And Sounds

HOLLYWOOD—It was grumpy for Jones. All he had to do was sit on a movie set and watch his cab work. Jones doesn't care much for movies, but he does go for a grumpy day. Jones is a cab driver, and when a grumpy day comes along he's sure of collecting \$ by just sitting. An ordinary day, when he's in his cab and working on faces, he has to hustle to make that much for himself.

Compulsory Training Plan

of other ages deferred to subsequent months. Men in the designated age group would go to their election precincts, and fill out registration cards, which would be collected by county clerks.

Casual Slaughters

Chapter 19 ROUTINE QUESTIONS "For just don't understand Sandra," Julia said patiently, running a comb through her long bleached bob.

Man About Manhattan

Beachcomber which now, like Woolworth's and the A&F stores, has become a chain, with sister clubs throughout the country. After the lean days, some of which were shadowed by Monte's back in the sunshine, though his smile remains as melancholy as ever, a Puerto Rican company even has contracted to put out zombies in bottles.

Hollywood Sights And Sounds

They rehearse it once, without r.l.n. and then they shoot it with rain, and it's in the can in one take. This goes to show how little Hecht knows about producing and directing, because if he doesn't watch out he'll get the picture finished ahead of time and then the bosses will think he's no good.

The Thrill That Comes Once In A Lifetime

Virginia Hanson Profound Amusement It was possible, Colonel Pennant did not ask me again when I had last seen Ivan alive. He accepted my evasion as an answer. And if my conscience troubled me a little I comforted myself with the unspoken gratitude in Julia's eyes.

WHOZIT?

Friday's "Whozit"—Mrs. Wendell L. Whittie.

The derby in today's Whozit crowns the physiognomy of one of Hollywood's hilarious gentlemen. He has laughed himself through many a film with his characteristic chuckle and nonsensical, but his latest picture gives him six parts to play; a millionaire, his mother and four splinterish sisters, Faith, Hope, Charity and Prudence. Thomas Slater's Father Succumbs

Thomas W. Slater, Big Spring, has been called to Dallas due to the death of his father, A. F. Slater, 81, there Thursday night.

The elder Slater remembered when a band of Union soldiers led by grim General William Tecumseh Sherman rode up to his father's plantation at Thomasville, Ga., on their northbound trip following the end of the war.

He came to Texas and settled at Dallas in 1851 and became one of the first Texas merchants to establish a chain of stores. Survivors other than Thomas W. Slater include another son, Ray S. Slater, Dallas, and three daughters, Mrs. Walter W. Stovall, Weatherford, Mrs. Guy Berry, Mesquite, and Mrs. Lynn Weatherford, Dallas.

were giving him about 65 per cent. "It looks like we have had a pretty good day, so we're going to adjourn now and get the rest of the returns tomorrow," he said. tion to wrest control of the government from the little clique of professional politicians and give it back to the people as was intended by our forefathers."

Justice, John H. Sharp was favored over Richard Watkins, 2,345 to 1,443; for judge of the court of criminal appeals, Tom L. Beauchamp got the Howard county vote, 1,738 votes to 1,534 for George E. Christian. For chief justice of the 11th appellate court, W. F. Leslie was unopposed, and received 5,413 ballots. Others unopposed on the state ticket and their Howard county vote: Bascom Giles, land commissioner, 5,431; Gerald C. Mann, attorney general, 5,488.

Howard gave George Mahon his customary big endorsement, 4,304 to 384 for M. D. Ramsey and 486 for C. L. Harris. It reversed the district in the Formby-Allison 30th senatorial race, favoring Allison 2,961 to 2,284. And it accorded the home town entry, Mrs. Cathryn Matthews, a big vote in the 91st legislative contest, but gave Dorsey B. Hardeman, incumbent, the edge, 2,968 to 2,219.

SECT MEMBERS HELD

LAS CRUCES, N. M., July 27. (AP)—All but one of 24 members of a religious sect (Jehovah's Witnesses) were held in jail tonight for hearing Monday on charges of violating a handbill ordinance in the distribution of their literature.

This department has been favored by a New York World's fair courtesy card by W. K. Baxter on behalf of Standard Brands. If someone favored us with a bankroll, we might accept the first favor.

News that the rodeo would include a flag race for sponsors is encouraging from the point of bettering the show. It's slightly different, and it looks like what's mostly what rodeos need. At any rate, keep the show dates in mind. They are Aug. 14-15.

Big Spring's airport is to step up another notch with completion of another WPA project, due to start this week. The job will call for \$65,477 in improvements and will leave the port only one rank below the best obtainable. Consider the relative size of Big Spring, and you see just how far ahead the city is of many larger places in airport facilities.

Oil from a new source is now available for Cosden refinery with completion of the Basal Pipeline Co. six-inch main to Hockley county. However, this source likely will be used as marginal supply over and above all Cosden can get from local fields. It won't harm local markets and will help the refinery.

Letting of contracts here Wednesday for \$144,000 in REA lines and equipment should play its part in better business here this autumn. Of course, most of the funds will go for materials, but considerable labor will be required to build the lines. That money will be spent right here.

Congressman Dice scooped this corner on his revelation of a communist headquarters in Big Spring. What makes it more humiliating is that we haven't been able to find the reds yet.

One week from today another recreational facility will be dedicated with a series of polo games. The new polo field, provided by the city as a part of its comprehensive recreational program, is located at the southeast corner of the airport.

AMONG THE WINNERS in Howard county's democratic primary Saturday on the basis of returns compiled by The Herald early Sunday, are Walton Morrison (left) now district clerk, who defeated Grover Cunningham for county judge; and Joe Faucett (right) re-elected county attorney over George T. Thomas.

Mahon

Mahon had a majority of almost four to one over C. L. Harris of Spur and M. D. Ramsey of Floydada, stacking up a wide lead in every county reported. The vote in practically every county was incomplete, and some counties had not reported.

Mahon, in a telephone conversation with The Herald Saturday night, expressed gratification over the results, and asked that his deep appreciation be expressed to all his supporters.

Hardeman Re-elected Over Local Woman

A young Big Spring matron, Mrs. Cathryn Matthews, showed surprising strength as a legislative candidate in Saturday's democratic pri-

mary, but her total apparently was insufficient to unseat Dorsey B. Hardeman of San Angelo, in the 91st district contest.

Latest total incomplete and unofficial—compiled Sunday morning by The Herald was:

and determination of the American nations that also would be surprising to nations of Europe and Asia that had looked for and sought failure at this conference.

Economic measures, to be adopted here, this source said, would help all the American nations to become more independent of European customers. They are not designed for retaliation or trade wars with European countries which are willing to trade on a fair basis.

The accepted formula for dealing with European possessions in American regions was said to embrace a declaration of principles, attached to a resolution providing for immediate action by any American country or countries in the name of all of them, to meet any threat or danger.

Linked to this was a convention to become operative upon ratification by two-thirds of the American governments and establishing in detail the methods of temporary administration over any colonies taken over as a security measure.

Prominent Coloradoan Succumbs

Many Big Spring people planned to attend last rites for Col. Charles M. Adams, 75, former Colorado City mayor, business man and civic leader, at 4 p. m. Sunday in Colorado City.

Col. Adams succumbed at 5 p. m. Friday after a long illness.

Colorado City, later to become was but one year old when Col. Adams settled there in 1882. He the "queen city of the frontier," was a native of Alabama where he was born in Barber county on April 17, 1865. His mother was a refugee from Sherman's march to the sea.

Arriving in Colorado City, he secured a job with the Dan S. Parks jewelry store. He served as postmaster during Cleveland's first administration and later entered the dry goods business, retiring from it in 1929.

For 12 years he was mayor of Colorado City and was vice-president of the old Colorado National bank and was a director of the City National bank until his death. He, with two others, put all his assets into the breach to protect bank customers during the last depression.

Col. Adams was first president of the Lions club at Colorado City and was active in its affairs until illness forced his retirement. He also was a Knights Templar and a Scottish Rite Mason.

He was married to Fannie Rix, daughter of the late J. L. Rix, early day cattleman, on April 13, 1887. Other survivors include one

daughter, Mrs. R. D. Buchanan, Colorado City, and two grandchildren, Frances and Betty Byrd Hardison, both of the family home. Col. Adams was related to the family of Mrs. H. L. Rix in Big Spring.

10 Students Here For Advanced CAA Class

Secondary training under the city's CAA aviation program is due to be started Monday, with arrival here of ten students eligible for the advanced phase.

The ten are students who completed the CAA preliminary course in various Texas colleges, and who will be stationed here for the duration of the advanced 45-hour training. They hold private pilot's certificates, and upon completion of the secondary course here, will be qualified for the army air corps advanced program.

The new students are Jack Garland Bishop, Gorman; Arin Forest Robinson, Alpine; Robert Lewis Hewitt, Stephenville; Nels Albert Anderson, Stephenville; Carl E. Greenwood, Wichita Falls; Ralph Hines, Jr., Wichita Falls; Warner Babbitt Lyle, Wichita Falls; James N. Howell, Jr., Dublin; Jack Cartwright, Abilene.

The advanced students to be trained by Fort Manager Art Wintzler, will use a 220-horsepower Waco training plane, a two-seater, open place job. Their flight time is to be completed in 60 days. Contract has been made for rooms at the Crawford hotel and meals at the Club cafe.

Meanwhile, a classroom for use in the CAA secondary flight training is being pushed to completion by the city. The 40x50-foot galvanized iron, oval-type building will be used for the new preliminary ground school to be started Monday night.

Harvey Morris, ground school school instructor and who will be in charge of classwork for the secondary unit as well as ground instructor for the preliminary course, has been re-elected by CAA and has all necessary equipment on hand for the course.

hair slicked, smiling. "Hello, folks!" he greeted the crowd which, numbering at the time about 100, sat in chairs or walked about, looking the place over.

There was a flurry of hand-clapping. Thompson, surrounded by friends, said he would not make a statement on the election tonight but would wait until more returns were available.

Mrs. Ferguson said early in the evening it was too early to comment. She added that she "certainly enjoyed the campaign."

Her husband former governor James E. Ferguson, was at a downtown newspaper office, eagerly watching returns flowing in over the wires.

Thompson later went to the newspaper office to watch the returns.

Former governor Dan Moody was another "prominent" who showed up there. Announcement at the mansion that an incomplete count of Potter county votes gave 518 for O'Daniel and 420 for Thompson brought a big cheer. Potter is Thompson's home county.

Among those at the mansion were Rep. Fred Felty of San Antonio Adjutant General J. Watt Page, State Labor Commissioner Joe Kunschik, Tom Beauchamp, member of the court of criminal appeals, and Harry Knox another member of the board of control.
