W. L. Woodward Becomes General Manager in Southwest

LOCAL EMPLOYEES TO BE UNCHANGED

Peabody, Houghteling and Company Are New Owners

Sale of the Pampa Gas company to Peabody, Houghteling, & company of Chicago was announced here Saturday by W. L. Woodward, manager and president of the local firm.

Under the sale arrangement, however, the management of the Pampa company will remain as now, except that Mr. Woodward will be general manager also of the interests of the new company in this vicinity, including the systems at White Deer and Panhandle and that being installed at Claude.

Peabody, Houghteling, & company is the parent firm of the Federal Public Utilities company, which has extensive holdings in the United States and Canada. F. A. Thulin, general counsel of the new company, was here yesterday completing arrangements to take over the local system as of June 1. Until the sale the local system was owned by W. L. Woodward of Pampa and J. A. Robertson of Galveston.

The new owners have a big booster station and a distributing system at Wetumka and Henryetta, and other towns in Oklahoma. Their biggest activities in Texas were connected with the development of Texas City. The company brought to their townsite a sugar refinery, improved the harbor, installed a sewer system and electric lights, terminal railway company, and made possible the present modern city of 12,000 population.

Other holdings include those in Canada, Michigan, Kentucky, and Mississippi. Texas and Oklahoma comprise the Southwest division. Mr. Woodward will have supervision of the Southwest district, and will open regional offices here.

According to Mr. Thulin, two policies of the company have contributed much to its success. The first of these is the becoming of an important part of every community and taking an interest in the developments as they occur. It is the policy to anticipate the needs of a community and extend the mains into new additions as rapidly as needed. Another policy is that of choosing a capable local manager and leaving the company affairs in his care. This placing of responsibilities and authority in local officers results in the localizing of interests, and assures a community of close attention to its various needs. It was pointed out.

In this regard the new owners are but continuing the policy of W. L. Woodward, who has been in charge of gas distribution here since its establishment more than a year ago.

Calles' Action May End Church Dispute in Mexico, Belief

MEXICO CITY, July 16.—Release from prison by order of President Calles of Catholic lay leaders, who had been arrested on charges of sedition, arouses hope, says El Universal Grafico, that religious controversy in Mexico may be settled.

Catholic church services have been resumed after being suspended since the religious laws were put into effect last summer.

Bells Ring Soon for Bud and Lena

New York City society folk and the people of the north woods will meet when Bud Stillman, the son of Mr. and Mrs. James Stillman will take as his bride Miss Lena Wilson, daughter of Lizzie Wilson, a former cook at the Stillman home at Grand Manse, Quebec. The principals and the Rev. W. S. G. Bunbury, who will perform the marriage at La Tuque, Quebec, July 27, are shown above. Bud is pictured wearing the garb of a Princeton graduate.

Evidence of "Padding" \$20,000 In State Department Payroll Is Referred to Attorney-General

AUSTIN, July 16.—State Treasurer W. Gregory Hatcher today referred to the attorney-general's department what he considered evidence of "padding" of more than \$20,000 in the payroll of a large state department, for possible investigation by the Travis county grand jury.

The grand jury is to meet next week. Although Hatcher is out of town and could not be reached tonight, the alleged "padding" is said to have been last year. Payrolls had been in the possession of the treasurer for use in payment of warrants, and in this way came under suspicion recently.

Three persons indicted recently by the grand jury investigating alleged padding of some \$6,000 to \$8,000 in the state highway department payroll of last year. The attorney general's department aided in the investigation.

Specific instances amounting to \$1,300 were charged in indictment against former highway division chief clerk Tompkins and H. Joekhem, alleged to have been a dummy on the payroll.

The third defendant indicted has not been arrested.

Heat Kills 62 In East Over 4-Day Period

NEW YORK, July 16.—Fatalities resulting from the heat wave in the Eastern states for four days stood at 62 today.

Additional deaths occurred yesterday. Temperatures throughout the East are slightly lower than on Thursday, but in only a few isolated districts was there any appreciable relief from the torrid weather.

Three Killed In Southpark, Kans., By Heavy Wind

KANSAS CITY, July 16.—At least three persons were killed when a tornado struck the little town of Southpark, Kans., several miles southwest of here today.

A heavy wind storm swept the south edge of Kansas City later in the day unroofing houses, breaking down trees and blowing away garage doors.

More than 100 persons were reported injured and about 100 homes destroyed as the storm swept through Southpark.

Situation Improves In Vienna; 12 Killed And 119 Wounded

VIENNA, July 16.—An official communique issued today said yesterday's rebellion has been suppressed. The announcement stated that twelve persons had been killed and 119 injured.

PARIS, July 16. (AP)—A single dispatch received direct from riot-torn Vienna since yesterday afternoon declared the situation there is improving.

News from points near the frontier confirm reports of the seriousness of yesterday's rioting. These dispatches estimate the number of dead at twelve and the injured at 119.

The reports agree that the uprising grew in alarming proportions because workmen from the suburbs surprised the police and spread agitation through the center of the city before measures were taken to control the movement.

The general post office, palace of justice and editorial offices of several "Die Hard" newspapers present a scene of wreckage. Tales of brutality are reported everywhere of how the mobs stormed the police station felled and kicked officers until they were covered with blood, they burned the official documents.

It was rumored that in many instances that troops sided with the rioters.

The social democrats have issued a manifesto declaring: "We do not want collision between workers and soldiers of the Republican army, therefore comrades make no demonstrations but a silent and dignified and complete protest strike for 24 hours."

PRODUCTION IS AGAIN LOWER IN PANHANDLE

Decline Reaches 2,775 Barrels Despite Completions

TEXAS GARNER IS SHOT AGAIN

Empire Is Expected To Extend Big Gathering System

Panhandle production continued its toboggan this week, dropping to 117,795 barrels, a decrease of 2,775 compared with the figure for last week.

Carson county made 10,489 barrels from 152 wells; Gray county 9,698 from 139 wells; Hutchinson county 94,759 from 1,004 wells; Moore county 110 from two wells; and Wheeler county 2,775 barrels from 35 wells. The Panhandle averaged 89.30 barrels from 1,333 wells. The Gray county average per well was 59.76 barrels.

There were fifteen new wells completed for an initial production of 2,160 barrels, but this was not enough to offset the decline. Figures on Panhandle production are furnished the Daily News by Paul Hendrick of Amarillo.

Information obtained here Saturday leads to the expectation of an important announcement from the Empire Gas and Fuel company. It is expected that the company's gas department will extend the huge gathering system, now centering here to draw also on the gas stores of Carson county. Many gas wells ultimately will be drilled along the extension, especially on the big 6666 Ranch recently purchased.

The Texas company used a shot in their No. 1 C. R. Garner, in section 104, block 4 Carson county, yesterday afternoon at 2:30 o'clock with 220 quarts from 3,155 to 3,170 feet.

There was considerable oil in the hole at the time of shooting so the company bridged from 3,105 to 3,120 feet before the shot. Today the company will drill out the bridge and swab for production.

This is the second time the well has been shot.

The Empire Gas and Fuel company's No. 1 J. E. Cubine in the northeast corner of section 36, block 23, has a flow of 6,000,000 feet of gas and a showing of oil at 3,160 feet. They are drilling deeper in hard red sand. This well is close to the Travis Brothers' No. 1 Back.

The Empire Gas and Fuel company's No. 1 J. F. Meers in section 107, block 3, which was shot Thursday afternoon and made 200 barrels the first day had a cave in yesterday but is spraying heavily.

Flogger Convicted And Given Year Sentence and Fine

TOCOGA, Ga., July 16.—W. G. Acree, convicted of assault and battery on an indictment growing out of the flogging of Mrs. Ansley Bowers by a robed and hooded band, was sentenced to a year on a chain gang and fined \$100 today.

Paving Base To Be Begun Soon

The laying of the curb and gutter on Russell street from Atchison avenue to Foster avenue has been completed by the Stuckey Construction company, and they expect to commence laying the base tomorrow morning.

Rain held up the work for three days, but the streets have dried out enough to work on now.

This remarkable bronze doughboy model carries all the spirit of the men of the World War—including some of the mud. The Legion Post with the largest attendance at the state convention at Guthrie, Okla., Aug. 8 and 9, will be presented with the statue, which is offered by Lew Wentz, millionaire oil man of Ponca City.

SAPIRO'S SUIT NOW SETTLED

Ford Will Make a New Statement Soon

CHICAGO, July 16.—Aaron Sapiro's million-dollar suit against Henry Ford was settled today, Sapiro announced.

Sapiro sued Ford for libel as the result of articles in the Dearborn Independent, Ford publication, alleging that Sapiro was engaged in cooperative marketing as a part of the Jewish conspiracy to obtain control of American agriculture.

The suit was settled today on the basis of a new statement, which, it was announced, has been issued by Ford in addition to his recent apology for anti-Jewish statements appearing in the Independent.

No money settlement was involved, Sapiro said.

DETROIT, July 16. (AP)—Retraction of all personal charges against Aaron Sapiro and indorsement of cooperative marketing are included in terms of a settlement of the Ford-Sapiro libel suit, according to William Gallagher, Detroit, chief counsel for Sapiro.

Gallagher said the settlement as to costs was a personal matter between the parties. Retraction and indorsement, will be issued publicly, probably through the Dearborn Independent.

Army Plans Stage Sham Battle in Airport Celebration

FORT WORTH, July 16.—Ten thousand people were thrilled today as army planes from Fort Crockett and Galveston roared above the city and Meacham field in a sham air attack to celebrate the opening of Fort Worth's new municipal airport, which is named after one of the city's former mayors.

SEVEN TO ONE BALLOT CAST IN TWO BOXES

Total Is 326 For and Only Forty-four Against

INTEREST HIGH IN SOUTH GRAY

Pampa Petition Going Rounds For New Call

(Special to The News.)

McLEAN, July 16.—In one of the heaviest votes ever cast in this precinct, South Gray county Saturday passed her \$250,000 bond issue by a vote of 326 for and 44 votes against.

McLean cast 255 ballots for the bonds and 2 against them, while in Alanreed, the only other box, the affirmative decision was 71 to 18. This vote of more than 7 to 1 for the bonds assures this community of many substantial improvements, including 16 miles of paved roads, three bridges, road machinery, and improvements on lateral roads. The paving will be on Highway No. 66.

There was much satisfaction expressed here tonight over the fact that the passage of the bonds will enable McLean to take advantage of the oil development that is coming this way. Particularly have the bridges been needed, and the paving will make bad weather less troublesome and eventually will connect with other paving on Highway 66.

The road bond question in the Pampa special road district again will be taken before the county commissioners in a special meeting tomorrow. Last week a petition for an election was virtually thrown out because of an error. An opposition petition was also in the hands of the commissioners.

A new petition believed to be correct was circulated yesterday.

Passage of the McLean bonds practically annuls hopes of having a county-wide election, and when roads are paved around Pampa the probability is that a district vote will make the work possible.

Merchants' Bureau Members To Meet Second Thursdays

Friday afternoon at a meeting in the Chamber of Commerce rooms a Dry Goods and Clothing merchants bureau was completed in connection with the local Chamber of Commerce.

The officers elected are: Morris Levine, chairman; Roy Harris, vice-chairman; W. C. Mitchell, treasurer; Scott Barcus, secretary. The advisory board is made up of W. O. Ferguson, Bob Rose, and S. F. Hameed.

The regular meetings will be on the second Thursday of each month at 8:30 o'clock, the first meeting to take the form of a dinner.

The matters now under discussion and to be presented at the first regular meeting are the observation of holidays and the establishment of a trade day in Pampa.

International Sunday School Lesson

BY DR. J. E. NUNN

General Topic—Samuel Anoints David.

Scripture Lesson—1 Sam. 16:4-13. 4. And Samuel did that which Jehovah spake, and came to Bethlehem. And the elders of the city came to meet him trembling, and said, Comest thou peaceably?

5. And he said, Peaceably; I am come to sacrifice unto Jehovah; sanctify yourselves, and come with me to the sacrifice. And he sanctified Jesse and his sons, and called them to the sacrifice.

6. And it came to pass, when they were come, that he looked on Eliab, and said, Surely Jehovah's anointed is before him.

7. But Jehovah said unto Samuel, Look not on his countenance, or on the height of his stature; because I have rejected him; for Jehovah seeth not as man seeth; for man looketh on the outward appearance, but Jehovah looketh on the heart.

8. Then Jesse called Abinadab, and made him pass before Samuel, and he said, Neither hath Jehovah chosen this.

9. Then Jesse made Shammah to pass by. And he said, Neither hath Jehovah chosen this.

10. And Jesse made seven of his sons to pass before Samuel. And Samuel said unto Jesse, Jehovah hath not chosen these.

11. And Samuel said unto Jesse, Are here all thy children? And he said, There remaineth yet the youngest, and, behold, he is keeping the sheep. And Samuel said unto Jesse, Send and fetch him; for we will not sit down till he come hither.

12. And he sent and brought him in. Now he was ruddy, and withal of a beautiful countenance, and goodly to look upon. And Jehovah said, Arise, anoint him, for this is he.

13. Then Samuel took the horn of oil, and anointed him in the midst of his brethren; and the Spirit of Jehovah came mightily upon David from that day forward. So Samuel rose up, and went to Ramah.

Time—The birth of David, B. C. 1092; his anointing, B. C. 1077.

Place—Bethlehem, about five miles south of Jerusalem.

Golden Text—Let no man despise thy youth; but be thou an example to them that believe, in word, in manner of life in love, in faith, in purity.—1 Tim. 4:12.

Introduction

The new king was a success at first, for he formed an army consisting of an immense number of war-chariots and of infantry, and prepared to attack the powerful tribe of Philistines. This nation, holding the country along the sea-coast to the west of the Israelites, had not been subdued by Joshua, a failure which was for generations to bring woe to the Israelites. They were a warlike people, and had by this time reduced Israel to virtual slavery. A revolution could not be successful if attempted in man's strength alone, and this great truth Saul did not understand. He brought his army together at Gilgal, near Jericho, the historic capital of his kingdom. The well-armed and well-disciplined hosts were sternly arrayed within only ten miles of Saul's trembling and weak body of soldiers.

Saul's First Failure, chap. 13:8-14. Samuel had bidden Saul wait for his arrival before joining battle, that he might offer sacrifices, and thus beseech the aid of Jehovah. Samuel delayed his coming beyond the time set, and Saul decided not to wait longer, but to conduct the sacrifices himself. Samuel arrived as Saul was concluding the sacrifices, severely rebuked the king, and declared that the kingdom should not remain in his house, but that another king would be chosen by the Lord. This was Saul's first failure, and it was born of self-will, the use of his own

Judgement in place of the divine ordering.

Saul's Second Failure, chap. 15:9-9. This second failure was in connection with an attack which Samuel bade him make upon the nomad people, the Amalekites, living to the south and southwest of Palestine. The cup of their iniquity was full, Jehovah doomed them to merited destruction, and Saul was to be the instrument of their annihilation. He was ordered to spare none of them to be a thorn in the side of the Israelites in the future. Nor was he to make spoil of their animals, but was to make it plain by his entire conduct of the campaign that he was acting as God's avenger, and not for personal aggrandizement or profit. But once again Saul failed through self-will and disobedience. His military skill won a decisive victory and he had the Amalekites completely in his power; but he spared Agag their king and kept the best of the sheep and oxen of the Amalekites. He set up his own judgment, in place of God's, repeating the sin which had brought about his first condemnation.

Jehovah's Condemnation of Saul, chap. 15:22,23.

Then the spirit of prophecy came upon Samuel, and he gave tongue to one of the noblest utterances in all the Bible, an utterance which tore asunder Saul's pitiful cloak of excuse, and pierced to the very heart of hypocritical falsehood:

Hath Jehovah as great delight in burnt-offerings and sacrifices; As in obeying the voice of Jehovah?

Behold, to obey is better than sacrifice,

And to hearken than the fat of rams.

Because thou has rejected the word of Jehovah,

He hath rejected thee from being king.

The Sin of Self-Will

"Saul was unfit for the great place he occupied. He wanted the one quality necessary for success and happiness. He never rose to the full conception of what God's kingdom was, and demanded." God's kingdom is made up of those who do God's will, and it require the doing of that will. Self-will is treason to God's kingdom. "Jehovah Seeth Not as Man Seeth."

"For man looketh on the outward appearance, but Jehovah looketh on the heart." The Lord can pierce beneath all surfaces, he knows the

words in our tongues, before they are shot out upon the air. He sees our inner desires, watches our growing tendencies, perceives our characters as plainly as our friends see our faces and hands and clothes. "Thou God seest me" should be our constant thought, and to make ourselves worthy of the gaze of the All-seeing One should be our ceaseless and earnest purpose.

David Chosen King, vs. 11-13.

Jesse seems to have thought, if he did not say, "The boy is usefully employed: why take him away from his work on such an empty errand as this? Behold he is keeping the sheep." It is pleasant to think of the thoughtful and beautiful boy engaged in this peaceful work. How often he must have sung to himself on those upland meadows the Shepherd Psalm, and, through the starry nights, "The heavens declare the glory of God!" His occupation was not free from peril, either, for savage beasts prowled about the edges of the flock ready to spring upon any wanderer, and the shepherd boy must be keen-eyed to pick out any skulking shadow, quick as lightning with his sling, and bold to use his club-like "rod" in fierce combat with marauders, either beasts or men. It was ideal training for the mind and body of the future warrior, statesman, and leader of men. Through all the Bible, down to the time of the One whose birth was heralded to shepherds in these same fields, the great leaders of men were selected from the ranks of the toilers. Let no one consider it a misfortune, but the best of fates, if he is compelled to work at some laborious routine task. Rightly accepted, such tasks make heroes and rulers.

David Under the Spirit's Influence.

"And the Spirit of Jehovah came mightily upon David from that day forward." So little is apparently thought of David that up to this point the lad's name has not been given. David means "darling" or "beloved" a name well suited to the youngest member of the family but to the boy's character. We have already seen "the Spirit of Jehovah" come mightily upon Saul (1 Sam. 10:6,11), inspiring him for his high calling, but Saul was untrue to the Holy Spirit and drew away from its leading, while David (with one terrible exception) followed the Spirit's guidance all his life, and was conducted by him to success and happiness.

Outward and Inward

The fundamental temptation of worldliness is to look upon the outward appearance of life and not on the inward realities. The worldling seeks the shell of things, money, luxury, ease, fame, surface beauty, power, rather than the truth of things,

which is God. David sought first God's kingdom and God's righteousness, and so all other good things were added to him.

"Were I so tall to reach the pole, Or grasp the ocean with my span

I must be measured by my soul. The mind's the standard of the man"—Isaac Watts.

TO IMPROVE ROAD WAXAHACHIE (AP) — Comple-

tion of first class surface on highway No. 6 through Ellis county is being planned. Recent meetings of a Waxahachie committee with voters at Milford and Italy developed no dissension.

Al Simmons Is First to Break Into Mid-Season 400

GEHRIG LOSES BATTING LEAD

Blaeholder Resumes His Authority Over The Westerns

(By The Associated Press.)

CHICAGO, July 16.—The major leagues now have acquired a mid-season 400 hitter, Ty Cobb's pupil, Al Simmons. Today's batting averages give Simmons a .402 mark, the first one since hot weather oiled up the pitchers' arms.

While striving to match Babe Ruth in the art of losing baseball over the fence, Lou Gehrig neglected the humble one-base hit, and lost his batting leadership to Connie Mack's young outfielder. Gehrig is regarded as Ruth's pupil. The two teachers, Ty and Babe, held their ground against the pitchers, sticking to their positions near the bottom of the first ten hitters.

With the slugging example of New York before him in a home series, Harry Heilmann, Tiger star with the willow, picked up several points in his batting percentage, in figures compiled today including Wednesday's games, and stood just on the threshold of the select circle waiting for someone to falter.

An even break in his two games this week has given Dutch Reuther of the Yankees a pitching score of nine victories and two defeats for the best mark among the regular moundmen. Ted Lyons' 14 victories for the White Sox tops the list in that respect. His pal, Al Thomas, finally pulled his 13th victory after five failures, and ranks second in games won.

Although Ruth is several home runs behind his best year, 1921, he has taken the edge on Gehrig in circuit drives, having 30 up to Wednesday, with Gehrig one behind. Tony Lazzeri has pushed his total to 14 to give the Yanks all three leaders in slugging.

George Sisler, the ex-manager of the Browns, sprinted further ahead of his competitors in base stealing by holding his weekly average of two, besides picking up nearly 20 points in batting. Ty Cobb is one of the quartet in second place to Sisler with an even dozen.

Leading American hitters: Simmons, Philadelphia, .402; Gehrig, New York, .393; E. Miller, St. Louis, .377; Bennett, St. Louis, .372; Schang, St. Louis, .371; Neun, Detroit, .370; Ruth, New York, .368; Meusel, New York, .368; Dykes, Philadelphia, .368; Cobb, Philadelphia, .358.

Pirates In Slump

The Pirate trio which has monopolized top honors in the National league hitting was caught in the general batting slump of this week and Frankie Frisch, the ex-Giant swapped for Rogers Hornsby, crashed through to take third place away from Clyde Barnhart of Pittsburgh. A fifteen-point drop struck all the League's leading hitters, except Frisch, who for the first time this year is hitting well above the other member of the trade, Hornsby.

Freddie Lindstrom has begun to pick out the good ones and today joined up his team mates among the first ten, making it a McGraw quartet there. If McGraw hadn't traded Farrell to the Braves, he would have half the leading hitters of the circuit on his club.

Hornsby, though, has moved into a tie for the leadership in home runs, with Cy Williams of the Phillies each getting one while Hack Wilson of the Cubs, failed to connect. On the other hand, Frisch stole four more bases to put his mark of 26 ten ahead of the field.

Specs No Handicap

The two Pittsburgh hurlers who wear specs, Meadows and Hill, remain at the top of the League's pitching roster despite their setbacks by the fast travelling Cubs. Meadows has the best mark with 12 wins and three defeats but Charley Root of the Cubs has the most scalps, sixteen.

The hitting sensation of the week was the attack of the Reds, who gained seven points to take third place in team batting just back of the Pirates and Giants, who suffered slumps. The Reds a week ago were in seventh place as a clouting club.

Leading hitters of the National league: P. Wauer, Pittsburgh, .384; Harris, Pittsburgh, .376; Frisch, St. Louis, .365; Barnhart, Pittsburgh, .359; Hornsby, New York, .353; Harper, New York, .541; Mueller, New York, .346; Farrell, Boston, .341; Lindstrom, New York, .340; Hendrick, Brooklyn, .338.

Robbed of his customary place at the top of the American association batting list, a week ago, Dewitt Le-

He Says He'll Beat Dempsey

In a very modest voice, Jack Sharkey says he will take Dempsey when they fight in New York soon. The Bostonian scrapper feels confident he will have to beat Dempsey, the ex-champion, before he can get to Gene Tunney for his title.

New Men Here For Claude Game In Pampa Today

This afternoon at 3 o'clock at the home park the new Pampa Grays will meet the Claude Mustangs, with 'Ose' Eckhardt, former Pampa pitcher, in the box. Opposing him will be the veteran Bob Clarke. Claude Alfred, from Breckenridge, will likely be seen in action for a few innings.

Red Gaither should arrive in time to get in the line-up, as also should "Babe" Ruth, the Berger flash, who covers the short territory. Both these boys are sluggers and at least one ball should go over the fence.

Jack Gober, also a slugger, will cover first base, and Manager Ed Gober will have to hunt another position. It is not expected that Buffalo Hines or Claude Nairn will arrive until tomorrow, but when they do the Grays will be all set to get down to practice for the tournament.

Oilers Take Easy Game From Rig Builders, 14 to 3

The Oilers won an easy victory over the rig builders Friday night at the Magnolia park by a 14 to 3 score. It was just a case of the Rig Builders' not being able to hit Nichols.

Sherrod, diminutive catcher for the Oilers, had his big bat in working order and slammed out four singles out of five trips to the plate. He scored his four times on. McClendon hit a triple and two singles, while Nichols got a pair of singles.

Middleton and Davis played good games in the field, making some great saves and throw-outs at first.

The only Rig Builder who got to Nichols' delivery was Ellis, who had two singles. The other five hits were

SPORT TALK

Claude Alfred, pitching ace of the Breckenridge ball club, arrived here yesterday morning and is a promising looking hurler. Red Gaither, home-run and batting king of the Lubbock nine, got in yesterday afternoon and will be seen in action tomorrow. Gaither's bat defeated the Grays two games in a row in Lubbock.

Big Bob Clarke, of the perpetual smile, arrived here Friday morning in his new coupe and was welcomed by all his old team-mates, to say nothing of the reception the fair fans gave the favorite of the Grays. Bob says he is rarin' to go and brought a couple of trusty war clubs back with him.

A ball team composed of part of the Grays and the Washrites drove to LeFors yesterday afternoon and defeated the Clarendon tournament aspirants, 8 to 6. "Hook" Shaw, in the box, says he has found a ball team that he can defeat. Shaw, a pitcher, has not had much success this season; he is a better catcher and gardener.

The Athletics took a jump into third place Friday when they took a double fall out of the Sox who dropped into fifth place. New York Yankees won a hectic struggle from the Indians when Uhle blew up.

The Oilers have an off day to see the Grays play and some of them want to try out with the club to get in the tournament. But a few want to go on a fishing trip.

Dallas change of managers seems to have been a flop, as the Steers have won only one game since going under the new manager. Turkey didn't think he was going to have such a tough job on his hands.

GOLF BY LAMPLIGHT

EDINBURGH, Scotland — Playing throughout the night by the aid of acetylene lamps, W. Bruce Sutherland, of Edinburgh, has beaten the golf endurance record set up by H. B. Lumsden in 1910.

Mr. Lumsden started at 2:30 in the morning and completed 12 rounds of the Balgowrie course, Aberdeen, finishing at 9 p. m. after playing 218 holes. Mr. Sutherland at Craiglockhart, started at 8:15 p. m. and played for 23 1/2 hours. In this time he completed 14 full rounds, 242 holes beating Lumsden's record by two rounds.

well scattered. Ellis at first was the pick of the Rig Builders in the field. Batteries: Oilers, Nichols and Sherrod, Rig Builders, Malloy and Davidson.

Bryant and Hargroves To Clash Monday At Athletic Club

Tomorrow night at the Pampa Athletic club, which has been enlarged, Dick Bryant, El Paso boxer, will meet Teddy Hargroves, Oklahoma tool dresser, in a ten round exhibition. It should be a hard hitting affair, with speed coming up against a hay-maker.

In the semi-final "Rusty" Cahill will go six rounds with Jimmie Murphy, Dallas welter weight. Whenever Cahill is in the ring, fight fans are assured a fast, hard hitting bout.

The preliminaries will be provided by local newsboys, who have been training under the older boys. They are prepared to put up some fast exhibitions, for kids.

Women of Pampa Churches are Busy Raising Funds for Various Projects

The summer months find the ladies of the various churches of this city busy doing things worth while.

Women of the Christian church have been sewing for the local hospital, as well as for their orphan's home at Dallas. They have agreed to furnish a room at the Pampa hospital and will begin a campaign next week to raise the necessary funds.

Ladies of the Methodist church are also furnishing a room at the hospital, and have already raised \$200 by private subscription of the church members. The project will require another \$100.

Ladies of the Catholic denomination are raising money for a new church building with the "mille pennies" system, and have already secured a goodly sum.

The Presbyterian ladies are raising money by taking \$1 each and turning it as many times as possible. Some of the ladies are sewing, others are baking and selling pies.

Ladies of the Baptist church are helping to finance the establishment of a colored Baptist church in this city, thereby doing mission work at home. They are raising their fund by private subscriptions, augmented by a \$250 donation from the church treasury.

The ladies of the Episcopal church have suspended work during July and August, as several members are out of the city, but expect to resume activities again in September.

County School To Be Studied Soon By Superintendents

(By The Associated Press.)
COLLEGE STATION, July 15.—Some 75 Texas county school superintendents will speak their minds as to the proper "supervision for growth" of public schools in their fourth annual conference here July 25 to 30.

State Superintendent of Public Instruction, S. M. N. Marrs is to be here and Supt. E. S. Richardson, of Webster Parish, La. one of the feature speakers of the superintendents' conference, will deliver an address on consolidation problems.

President T. O. Walton of A. & M. will welcome the superintendents at the opening meeting of the morning of July 25 and W. L. Hughes will discuss problems in supervision. Speakers for the afternoon of the opening day include: Mrs. Claire F. Pollard, Bay City; Supt. Luella Hauk, Anson; Supt. Burl Bryant, Wichita Falls.

A standard type of rural school, how to lead the rural community to want a better type of school, consolidation problems and nature and content of industrial work in the rural schools are some of the topics that will come in for discussion.

BIGGER HATS WORN FOR SUMMER SEASON
LE TOUQUET, France (AP)—Big hats have definitely worked their way back into French favor. The percentage of large versus small hats worn by women here is so overwhelmingly in favor of the large that the most partisan of observers must admit the victory.

Although the small hat still holds Paris in slavery—many a Parisian preferring to carry a sunshade rather than wear a big hat—the holiday resorts all tell the same fashion story. Big hats are being worn.

Amusements

At Crescent Sunday and Monday Fate played a queer trick on Belle Bennett, star of "Mother", after a bitter struggle for recognition on the screen in pictures like the "Fourth Commandment" and "Stella Dallas". F. B. C. brought a ray of sunshine into her life by signing her for the stellar role in "Mother".

In the midst of her happiness she lost her son, a boy she idolized. That was the heavy burden she carried, but like a Spartan mother she carried on to success.

In "Mother" the memory of that boy has further inspired her to surpass her work in the "Fourth Commandment" with the result that she has scored a triumph.

SAVES MUCH SEED
RAYMONDVILLE. (AP)—From 14 carloads of watermelons, John Wilde, big watermelon grower near here, took seven barrels of choice seed for next year's planting. About 2,000 acres of melons were planted in Willack county this year and the acreage is expected to be larger next year.
