TO DEDICATE NEW CHURCH

Catholic Bishop Will Preside at Service Thursday

On Thanksgiving Day, Holy Souls, the beautiful Catholic church erected this year on Browning and Ward streets is to be dedicated in an impressive ceremony in which the Rt. Rev. R. A. Gerken, bishop of the Amarillo diocese, and eight or ten other members of the clergy will take part.

The dedication service will begin at 10 o'clock and will be followed by high mass. The confirmation service will then be held for a class of fifteen. The bishop will give the blessing in the dedication service, and will confirm the members of the class. The Rev. Father J. J. Krukkert of Childress, formerly in charge of Holy Souls parish will sing the high mass.

The Rev. Father Joseph Wonderly, priest in charge of the parish, will assist in all services. He and all members of the parish extend a cordial invitation to the public to attend these special services of Thanksgiving Day.

Rush For Extra Votes, Cash, and Free Turkeys Begins in Daily News Contest—Work Now Very Important

Makes Big Jump

Photo by Fred's Studio MRS. W. A. GRAY

Although handicapped by illness in her family, Mrs. W. A. Gray of Pampa is beginning to give the others in District No. 1 cause for genuine concern in the race for the three automobiles and other handsome prizes to be given away in the Daily News subscription drive.

Prominent in organization and club work, Mrs. Gray as head of the Parent-Teacher's association of Baker school is widely known throughout the city, and friends in every section are helping her to gather in the votes which she cannot get personally because of the illness in her family which requires her constant presence at home.

Mrs. Gray's votes took a big jump this time. Last Friday her name appeared with only 105,560. But look where it is today.

"Be sure to save one of those Thanksgiving turkeys for me," she told the Campaign Manager over the telephone this morning.

So she must be figuring on winning one!

COLLISION OF T. & P. EXTRAS FIRES OIL CAR

Two Trains Collide, Resulting in Destruction of Three Cars of Livestock by Fire

Railroad Employee Suffers Broken Leg—Cause Unknown

MINERAL WELLS, Nov. 26. (P)—A head-on collision between two extra Texas & Pacific freight trains at Gordon, 30 miles southwest of here today, caused injuries to two members of the crews and resulted in the destruction of three cars of livestock by fire.

The blaze, which destroyed a nearby house before it was checked, spread from a tank car of oil which ignited in the crash.

Two tramps known to have been riding the train were not located after the fire and it was undetermined whether they perished.

One of the train crew members received a broken leg and the other suffered an injury to his tongue.

Neither locomotive was derailed.

BRAKES BLAMED FOR TRAIN CRASH

OAKLAND, Calif., Nov. 26. (P)—Three persons were injured, one seriously, when two trains of the Key Route system collided here today. The accident occurred when brakes on a Piedmont extension car failed to hold and the car crashed into a train bound for the Oakland pier.

Oil at United Eight Overflows the Slush Pit

Oil broke through at the United Eight Oil company's No. 1 E. Bass Clay in section 173, block B-2, late Saturday night and before shut in had overflowed the slushpit. More than 10,000,000 feet of gas had been bradenheaded off and drillers were preparing to set 6-inch casing at 2,980 feet when the oil broke through.

Pay was picked up last week at 3,010 feet and the well shut in until storage could be erected. The well continued to spray heavily while pipe was being pulled and gives indication of being a good well. It is estimated that the test is good for 250 barrels a day as it stands on top of first pay.

This important test is situated 6 miles southwest of production in the Bowers-McGee pool and will open up a vast territory of unproven leases. The land is owned by E. Bass Clay, who is connected with the First National bank. The lease is owned by W. W. Merton and Baker Salsbury, local men.

Attacked by Omaha Ax-Man

After a series of sensational murders in Omaha, rivaling the crimes of Frank Carter, the "Sniper" of several years ago, a crazed axman invaded the home of Mr. and Mrs. Harold Stribling. Entering by a back door which had been left unlocked, the fiend crushed Stribling's skull with a hatchet and after Mrs. Stribling pleaded for herself and baby, forced her to accompany him to an isolated swamp where he kept her until morning.

PETITION SUGGESTS AREA FOR NEW DISTRICT COURT

A petition asking Senator-elect C. C. Small and Representative Dewey Young to sponsor a legislative measure to create a new judicial district composed of Carson, Gray, Roberts, and Wheeler counties is being circulated today under the direction of the Chamber of Commerce.

This plan would leave Hutchinson, Ochiltree, Hansford, Hemphill and Lipscomb counties in the other district, instead of having concurrent jurisdiction in the nine counties as now provided. The 84th district, of which Newton P. Willis is presiding judge, is a specially created district which will automatically cease to exist January 15.

Some disposition of the matter must be made by the coming session of the legislature, since the press of cases needing court action is as strong as when the 84th district was first created. There has been some mention of a short-lived third district court to clear the dockets.

Under the plan proposed in the petition, the home of Judge Willis at Canadian would be in his district, and Roberts county, home of Judge Reese Ewing, would be in the other district. Each judge has stated that he has no particular wishes in the matter.

Georgia Bank Is Closed by "Run"

MACON, Ga., Nov. 26. (P)—The Fourth National bank of Macon, with capital of \$500,000 and resources listed at more than \$11,000,000, closed its doors at 11 a. m. today during a run of withdrawals.

ELECTRIC TRAINS CRASH OAKLAND, Calif., Nov. 26. (P)—Two persons were reported injured when a key route electric train crashed into an electric car here today.

DRASTIC STEPS MAY BE TAKEN BY CITY SOON

Dr. Worrell Declares An Epidemic Must Be Prevented

SMALLPOX ALL TOO PREVALENT

State Official Here in Study of Dairy Conditions

Frankly concerned over the growing number of smallpox cases reported here, Dr. T. J. Worrell, city sanitation officer, today appealed to citizens to take all precautions possible and, above all else, to observe quarantine regulations.

Dr. Worrell intimated, if local people persist in entering and leaving quarantined houses, he declared this must stop, and it is his duty to see that contagious diseases are not spread in this manner.

Dr. Worrell was joined in his statement by H. E. Hargis, sanitary engineer from the state health department, who is here especially to investigate observation of sanitation laws by dairies.

Everyone who has not been vaccinated for smallpox recently is urged to go to a physician at once. There are fifteen or more cases of smallpox here now, and while they are mild, it is pointed out that the virulence of the disease grows stronger as an epidemic spreads. Persons who have not been vaccinated for several years should be vaccinated again, the officer asserts, to be sure of immunity.

It is also of the opinion that smallpox should be modified under the danger of a smallpox epidemic is passed. In other words, postponement of minor assemblies and club meetings is advisable from the standpoint of public health.

Several cases of scarlet fever have been reported, and this disease adds to the danger. Several persons have been unaware of their impending illness, and have exposed many by their unintentional disease carrying.

The school board will meet tonight to consider steps to combat the threatened epidemic, and will have before it the recommendation to require all pupils not vaccinated to take vaccine during the Thanksgiving holidays, which will be Thursday and Friday.

Speaking of the dairy conditions, Mr. Hargis said that while most of the dairies here are in fair condition, some of them will have to take steps to more nearly meet the requirements of the sanitary laws.

Beginning next month, milk grade readings will be published for the dairies, as required by law.

Examination of Aviation Students to Be Tonight

A telegram received this morning from Ray Shifflett, aviation instructor, stated that he would land at the local field about 5 o'clock this afternoon from Mangum, Okla. He will be accompanied by a department of commerce medical examiner, who will examine all students taking a course in aviation here.

The examination will begin at 6:30 o'clock tonight at the Schneider hotel. All those taking the course or who plan to take a course in aviation are asked to be at the hotel to meet with Mr. Shifflett and the examiner.

Up to this time 15 local men have signed to take a course and many others plan to join the training school. Mr. Shifflett or one of his instructors will be here three or four days a week. American Eagle biplanes are being used.

Creating Beauty

All things in the oil fields are not greasy, disorderly, and devoid of beauty—far from it. Newly producing or drilling wells are messy, in their way, but as the oil field develops it achieves the orderly appearance made possible by a well-organized industry.

Take a look at the Empire booster station, or the Pampa refinery, or the gasoline plants. You will find neatness, developing lawns, well constructed fences, absence of trash.

Civic beauty is civic health. Unrighteousness is a civic disease. Young towns suffer most with it.

The Santa Fe adds to the beauty of some towns—why not, Mr. John Santa Fe, start this work in Pampa on a more definite plan?

Of city parks much could be said. First, however, we need the basis of beauty around the homes of Pampa—a requisite that in the Panhandle is an abundance of cheap water.

Albert square is a problem. As it exists now, it is not an asset, being neither pretty nor of any practical use.

As Pampa's territory develops agriculturally, the importance of the square in furnishing a resting place for women and children, and men as well, in the evenings will be realized.

Indications are that the city finances will be in ideal condition to allow for a city-hall auditorium bond election and construction to follow.

TWINKLES

Some great tackles have been made this season, but the one Santa Clause is about to make will be the greatest of the year.

Lindbergh probably considers it nobody's business where and when he absents himself, but as long as the world is highly interested in his welfare, he ought to give it some consideration.

There we were, all ready to put the paper "to bed", when Brownville got frustrated and a searching expedition was being assembled.

Nice words these, from the Lubbock Avalanche: "We think the Methodist people will enjoy their conference next year at Pampa."

Comforting words: There are five Saturday pay days in December.

King George and several Pampa men are considerably ill.

Our idea of football is that it ought to go into the hands of the receivers.

WASHINGTON LETTER

WASHINGTON—The United States has four main fields of foreign policy: Europe, the Far East, the Panama Canal and its approaches and Latin America.

The Far Eastern policy has been the same for many years and is concerned with China and Japan. We want China to be strong, independent and friendly to us.

We don't want China divided into spheres of influence by European nations. We want to nourish every opportunity for American trade expansion in Asia.

Similarly our policy has been one of friendliness toward Japan. The theory is that we have most to gain by that and much to lose in any strong alliance between Japan and Britain.

The Panama Canal policy is primarily one of national defense. That was the driving motive in the canal's construction and that is our main concern in the Caribbean today.

Today, however, a shift in our European policy and an intensification of our Latin American policy are occupying the attention of the world's diplomats.

Far and away the most important angle of our European policy is as to Great Britain. France enters into the picture only by virtue of her indebtedness to us and her recent alliance with England.

The history of our relations with her has been a series of great or minor clashes, always followed by periods of better feeling and understanding.

A few years ago it appeared that Britain and the United States were going to be united indefinitely in a silent bond of brotherhood: statesmen on both sides thought that was the best way out.

BARBS

Mexico is a country where the favorite pastime seems to be to aim at the presidency.

Prime Minister Stanley Baldwin the other day told unwilling holders of British titles they must continue to hold them. No chance for promotion, it seems.

THE TREMENDOUS SUCCESS of the campaign to date, and the enthusiastic and widespread interest it has created in Pampa and the surrounding towns and communities has prompted the Campaign Manager to provide still additional reward for the willing workers who are daily nearing the end of their vote battle for the big automobiles. ONE HUNDRED DOLLARS IN CASH has been added to the already stupendous \$5,000 list of awards, and will be given in two prizes of \$50 each to the contestants in each district who turn in the largest amount of subscription money for this week alone. These cash prizes are of course EXTRA, and in no way conflict with the winning of an automobile or other prizes in the end. You can win a cash prize and an automobile too. And all the time you are turning in money to win the extra \$50, you are also getting 80,000 EXTRA VOTES for every \$20. Contestants in Pampa and the outside towns do not work against each other for these cash prizes, an equal amount having been set aside for each district.

Everyone Starts Equal on This Offer

NEW CONTESTANTS CAN JUMP in tomorrow morning, and make \$50 for their spare time this week only. If you want to make \$50 extra this week, and at the same time get 80,000 extra votes for every \$20 you turn in towards the automobiles, rush your entry TODAY to the Contest Manager, Pampa Daily News. Even if you are NOT in the list, you have just as good a chance as anybody else at either of these \$50 prizes.

This is the Crucial Week of the Campaign

Effort this week will no doubt have much to do with deciding the ultimate winners of the automobiles when the Official Judges meet to make the final count just TWO WEEKS FROM NEXT SATURDAY NIGHT. See to it that you accomplish everything possible, this week. Win the regular votes, win the extra votes, win the extra cash and win an automobile—ALL WITH THE SAME SUBSCRIPTIONS!

GEORGE CLOSE LEADS HIS SHAMROCK TEAM TO VICTORY

Locals Lose Here, 30 to 0, in First Gridiron Attempt

Condition told when the Shamrock All-Star football eleven defeated a team of local All-Stars here yesterday afternoon 30 to 0. The local boys held the fast Irish crew scoreless for the first half, but witted toward the end of the game. It was a case of too much Close.

George Close, eldest of the well known Close football family received passes like a high school kid and ran for touchdowns through the whole Pampa team. He is only a midget but is a dynamo on two feet. He scored two of the visitors' touchdowns and was instrumental in scoring two others.

Erhardt and Robinson were the main stays of the Pampa backfield. Big and fast, Robinson "got his man" every time he went after him. He had some difficulty carrying the ball because of being so long away from the game. Erhardt was snaring passes out of the air and during the second quarter was the only man the Irishmen couldn't stop.

In the locals' line, Red McCoy was an outstanding figure. To add to his day's work he intercepted a forward pass and rook 38 yards before being downed on the Irishmen's 2-yard line. That was the closest the locals came to scoring. Slim Norman and Chief Herndon also played exceptionally fine games in the line, while Captain Hank Zollers was the big noise on either team. A center with Michigan, Zollers, performed as though he were still in the big game. He made probably half the tackles made by the local eleven.

Rip Blake, diminutive boxer, was the biggest man in the Shamrock team. He hit the boys like a ton of brick and few plays got through his side of the line. "Bronco" Setzer, well known here in baseball circles, backed the Shamrock line and was mighty useful. He also made some long gains. Cadenhead, a midget like Close, tore off long gains around end as did the other member of the Blake family.

The locals had plenty of substitutes while Shamrock lost two cars on the way and as a result had to play the entire game without subs. With another week's practice the local boys should put up a better battle.

After holding the visitors scoreless the first half, even outplaying them, the local boys witted in the last half when Shamrock took to the air. They scored two touchdowns in a row by way of the air and then followed with line backs for another. The last two were scored on end runs after the locals had used the last of their substitutes in an effort to quell the offensive.

The only casualty of the day, besides soreness, happened on the first play when Bill Harrod stopped Setzer, who was away for a touchdown. Harrod sustained an injured jaw when he tackled the big fullback. He continued to play until substituted.

The line-up:
Pampa Position Shamrock
Blake le Beck
Herndon lt Hart
Friedman lg Watson
Sollers, Captain c Watson
Thompson re Steadman
Norman rt Blake
Harrod re Brenner
Walker rh Blake
Payne lb Cadenhead
Robinson qb Setzer

South Claiming Grid Honors As Teams Unbeaten

By ALAN J. GOULD, Associated Press Sports Editor
NEW YORK, Nov. 26. (AP)—The thrust-cutting tactics popularized this season in the eastern and western spheres of football skirmishing leave the South today in position to claim more honors than any other sector of the fast-closing gridiron battle.

The spotless records of the Southern conference "Big Three"—Tennessee, Florida and Georgia Tech—stand out as a result of the sensations Saturday that either spotted the perfect records or smashed the championship hopes of such teams as Carnegie, Wisconsin, Nebraska, Princeton, California and Ohio Wesleyan.

The "Big Three" of Dixie do not stand alone. Detroit and Boston college, each with clean slates, have some reputal in any argument putting the southern trio at the top but outside of these five, there isn't another major outfit without a tie or defeat.

Florida and Tennessee meet in their final conference game on December 3. Detroit and Boston college each have won eight in a row. Tulsa is the only school that has scored on Detroit, while Boston college must overcome its old rival, Holy Cross. Neither assignment looks easy.

Even fine records to date of the unbeaten teams cannot quite obscure performances of other arrays that happened to have one off or disastrous day. Army had its Notre Dame and New York university had its Georgetown, but if there were any stronger teams anywhere than the Cadets and Violets Saturday, or any greater individual performers than their respective ones, Red Cagle and Ken Strong, they weren't visible to the naked eye.

New York university and the Army still have strong far western foes to play before they start in the final debate. The Violets play the Oregon Aggies here Thanksgiving day, while the Cadets meet Stanford Saturday.

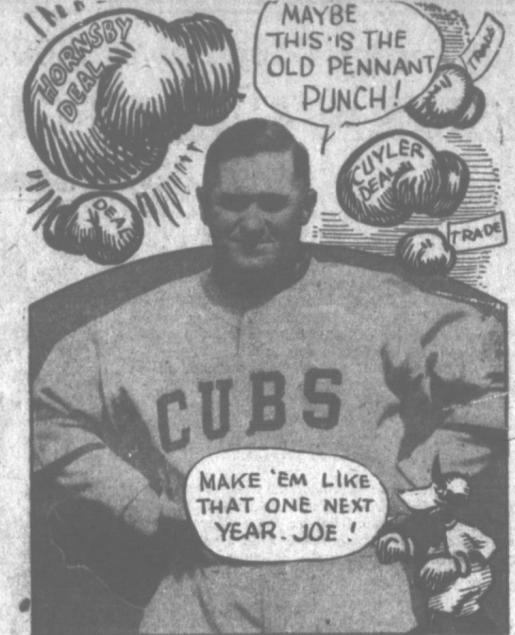

Thanksgiving day also figures to furnish decisive tests in the Southern, Southwest, Rocky Mountain and Big Six conferences, as well as in the east where traditional rivals such as Cornell-Pennsylvania, Penn State-Pittsburgh, Brown-Colgate and West Virginia-W. & J. hold forth.

Georgia Tech meets Auburn and Florida encounters Washington & Lee in two southern games that should see the two leaders continue along unbeaten. Texas, still setting the Southwestern race, runs into the Texas Aggies. Utah, on the Rocky mountain peak, must dispose of the Utah Aggies to keep ahead of the University of Colorado. Nebraska is favored to beat Kansas Aggies and clinch the Big Six conference title.

\$40 FOR BERT
CHICAGO, France. (AP)—Bert Castero, the flier, has \$40 waiting for him here. A misunderstanding resulting when he landed at an airfield without a permit last summer caused him to deposit 1,000 francs as a good faith guarantee. Since then the courts have settled the matter, leaving the flier \$40 credit.

MCCARTHY GETS NEW PUNCH; TRIES FOR K. O. WITH RAJAH

Opening of the next baseball season in five months away but Joe McCarthy, manager of the Chicago Cubs, already has his new pennant bunch in line. The new wallop will center around the big bat of Hornsby.

CHICAGO (AP)—The trade of Rogers Hornsby has added to Joe McCarthy's reputation as the National League's "David Harum".

Nine important transactions have been engineered by McCarthy, the manager of the Chicago Cubs, since he came from Louisville three years ago. Each deal has strengthened his club. The addition of Hornsby who seldom has hit less than 375 for a season, is expected to give the Cubs the long sought pennant punch. When McCarthy arrived from the American Association where he had

Pete Scott, an outfielder. Freddie Maguire was brought from Toledo to fill Adams' shoes at second. Now the Celtic "David Harum" has swapped Maguire, Pitcher Percy Jones, three rookies and cash for Hornsby.

Some money and a couple of players went to Philadelphia for Hal Carlson, the Phillies pitcher, and Art Nehf, whom everybody turned loose, was signed to do a bit of hurling. McCarthy bought Pat Malone, speed ball hurler of the American Association. Nehf and Malone came through in fine fashion and Carlson is counted as a potential star.

McCarthy wanted Hornsby. William Wrigley, Jr., the Cub owner, took the rubber band off his big wallet, and Joe, like the Northwest Mounted, "got his man."

Granite to Get Another Try at Rival, Lou Avery

Another fight that local boxing fans have been awaiting to see has been set for Thursday night at the Pla-Mor auditorium. Kid Granite, sensational Pampa lightweight, has been matched with Lou Avery, the Russian Lion. These two boys met here last year, with Avery getting the decision. Since that time Granite has boxed the best in the Southwest, his most sensational victory coming last Wednesday night in Wichita, where he knocked out Wildcat Monte in the seventh round of a scheduled 10-round bout. Avery has also been going good the last few weeks.

As a semi-final Speedy Snow has been matched to meet Kid Stewart of Akron, Ohio, again. Snow took the count in the third round last week but claimed he hit an iron rail around the arena when he was knocked down. Other good bouts will be arranged for the holiday crowd, the Pla-Mor management announces.

"Official" Odds on Texas Next Thursday Are 7 to 5, but Points Are Not Given and Aggies May Win

DALLAS, Nov. 25. (AP)—The greatest crowd ever to witness a football game in Texas is expected to assemble in the Memorial stadium at Austin Thursday for the annual difficulty between Texas university and the Texas Aggies.

Sizing up the advance sale and officials are predicting that 35,000 paid admissions will witness the spectacle, incidentally dropping \$80,000 into the coffers of the two schools.

This year there is more to the contest than color. Fans will see the Southwest conference championship decided. Texas can win and gain an undisputed hold on the title. A tie game would throw the Longhorns into a deadlock with Arkansas university. An Aggie victory would send the Tars to Arkansas.

Two other conference conflicts scheduled turkey day can have no bearing on the title. Ownby stadium at Dallas will be thronged for the annual meeting of the Southern Methodist university Mustangs and Texas Christian university Horned Frogs, a rivalry which has grown almost as intense as that between Texas and the Aggies. There also will be a mob at Houston for the melee between Baylor university and Rice Institute.

Arkansas will close against Southwestern university at Memphis. The Razorbacks huskies have been pouring it on their smaller rivals in recent games and will be favored to trim Southwestern.

There is a growing feeling that the Cadets will slip up on the Longhorns. On the face of their respective season's records, the Longhorns could be figured to win by two or three touchdowns. Then, on the other hand, the

Aggies held Southern Methodist to a 19-19 tie a week after the Longhorns had been beaten, 6 to 2, by those same Methodists. The "official" odds, they say, are 7 to 5 on Texas, with no points being given. Both teams will be able to put their full strength on the field.

Illini, Favored by "Breaks" Clinched Big Ten Title

CHICAGO, Nov. 26. (AP)—The Big Ten football championship hunting was again nailed securely to the same old Illinois masthead today.

Strewn amongst the "also rans" were three other last-minute contenders, Wisconsin, Iowa and Ohio State. Of the three, Wisconsin came the closest, finishing second, with a defeat and a tie to mar its record. Minnesota, which blasted Wisconsin's hopes with a 6-0 victory Saturday, was third. It was a pair of upsets that gave Illinois the opportunity to win. Before final games, Wisconsin had a lead as it was undefeated. Only a tie with Purdue blemished its record. Illinois had lost to Michigan, Iowa had defeated Ohio State and Wisconsin had defeated Iowa. Thus "a victory for Minnesota over Wisconsin, one for Michigan over Iowa, and a triumph by Illinois over Ohio State was Illinois' only chance.

But that was exactly what happened.

A Torrent of Soapy Water Kept Hot by

The Cast-Aluminum Tub

THE Maytag was the original gyrofoam washer, which makes water do the washing. But the Maytag does more than that—it keeps the water hot to expand the meshes of the clothes, loosen the dirt and aid the cleaning action of the soap and it keeps the soap thoroughly mixed with the water where it will do the most good.

These are some of the reasons why the Maytag washes faster—an entire washing in an hour or so; washes cleaner—collars, cuffs and grimy overalls without hand-rubbing; washes delicate garments hand carefully.

Wringing the clothes is easy with the marvelous New Maytag Soft-Roller Water Remover—another exclusive Maytag advantage. It is practically automatic in every operation.

For homes without electricity the Maytag is available with built-in gasoline motor.

Nash Produces 100,000th Car of the "400" Series

KENOSHA, Wis., Nov. 26.—At 9:30 Friday the accomplishment of wildly blown whistles and ringing cheers, the 100,000th Nash "400" rolled off the production line at the Kenosha, Wisconsin, plant of the company, although the "400" series was only announced June 21st.

The hundred thousandth "400" is an advanced Six Ambassador model, and after being shown in Kenosha it will be shipped to the Warren Nash Corporation, New York Nash distributors, where a reception and parade down Fifth Avenue had been arranged in its honor.

C. W. Nash and other factory officials were present to extend an enthusiastic welcome to this history making car.

In expressing his great gratification over this accomplishment, Mr. Nash said: "Our men are certainly to be congratulated on this engineering, production and sales record. It eclipses by thousands and thousands of cars all our previous accomplishments.

"The '400' is a record-breaking motor car. It has won the hearts of motorists all over the world in a most convincing manner. Our only problem has been to produce the cars to meet the demand. We could have sold thousands more if we had had them to sell during the peak buying season.

"But we have not allowed '400' popularity to tempt us to relax the care which we have always exercised to see that every car we build is right.

"We have built into the new '400' new features of desirability which are not found in other cars—the new Twin Ignition motor, Salon bodies, and the like. The public has found in it the kind of a car they always have wanted to own, one that duplicates at moderate prices the quality and attractiveness of the most expensive motor cars built today."

KILLER ELECTROCUTED

Highway Officers and Representatives Coming Tomorrow

Members of the executive committee and the legislative committee of the Panhandle Highway association will meet in the Chamber of Commerce rooms tomorrow at 1:30 o'clock, with President A. A. Callaghan of Panhandle, presiding. Plans will be prepared to present to a meeting of the association sometime in December. The date and place of the meeting will be set by the executive committee tomorrow.

"It is probable that the meeting place will be some city in the south portion of the Panhandle," Secretary George Briggs says. "The organization is composed of representatives of all counties in the Panhandle working together for the good of the Panhandle." The association was organized a meeting here two months ago.

Well Known Oil Man Dies—Burial in West Virginia

A well known figure in oil circles of this county died at his home in LeFors late Saturday night following an attack of pneumonia.

Fred Knotts, 35 years old, had been drilling wells in Gray county for more than two years and had become well known. He was taken seriously ill two weeks ago while at work on the White Eagle Oil company's test in the LeFors area.

His father, R. T. Knotts, and a sister from Grafton, W. Va., arrived five hours after his death. The body was prepared for burial at the Malone Funeral home and was sent to West Virginia on the eastbound passenger Sunday morning.

House Investigating Committee In Hidalgo County to Probe Election

M'ALLEN, Nov. 26.—(AP)—The campaign expenditures investigating committee of the house of representatives arrived here today to investigate alleged irregularities in the November 6 election. It came here after more than 1,000 telegrams protesting against "Hidalgo county conditions" had been sent to President Coolidge.

Members of the committee went into conference with Representative John Garrity of Texas soon after their arrival. Plans called for beginning the investigation this afternoon.

About 150 witnesses have been summoned, and investigators indicated they intended to subpoena a few more as the inquiry progressed. Two deputy United States marshals from Houston were brought along to serve the papers.

Congressman Harry Wurzbach of San Antonio, defeated for re-election by Judge Augustus McCloskey, democrat, was expected here today. Wurzbach is the only republican congressman from Texas, and has said he would seek an investigation into the election in his district.

A committee was met at the railroad station by several hundred persons. A number of them carried banners, one reading "we represent 90 per cent of the white persons in Hidalgo county." Another read "old valley is the best except in government."

Members of the committee are: Congressman Fred Lehbach, New Jersey, chairman; John E. Nelson, Maine, and Carl R. Chindblom, Illinois, republicans, and Loring M. Black, New York, and Heartill D. Dragon, Arkansas, democrats.

Hoover Nears First of Latin-American Ports of Call

U. S. S. MARYLAND, Approaching Annapolis, Nov. 26.—(AP)—President-elect Hoover came today to the shores of Latin-America for the first time to make two of a dozen good-will calls he will make in central and South America for the next six weeks.

Save for a storm Saturday in the Gulf of Tehuantepec, the Maryland's seven-day run from San Pedro was uneventful. Although Mr. Hoover did not stand the storm so well, he was not seasick.

Mrs. W. B. Buchanan left Saturday to enter Draughon's Business college in Wichita Falls.

Thanksgiving Week Opens With Snow and Cold Wave

ATLANTA, Nov. 26.—(AP)—Winter's second assault on the south within two weeks was in full swing today.

The cold snap brought with it traces of snow to northern Kentucky, Virginia and North Carolina. Elsewhere in the south, except along the extreme edges and in Florida, freezing and near-freezing temperatures obtained throughout the night, icing over still water and small streams.

ASHEVILLE, N. C., Bristol, Va., Tenn., and Louisville ran neck and neck for the doubtful honor of "coldest city" in the south, each hanging up 25 degrees.

SAN ANGELO, Nov. 26.—(AP)—A cold drizzle prevailed over much of west Texas today, Norton, in Rungels county, reporting a light snow. At some places a light sleet preceded the rain. The heaviest precipitations early in the day were a quarter inch at Christoval, Eden and Rowena.

BRECKENRIDGE, Nov. 26.—(AP)—Sleet, which changed to rain with rising temperatures, opened the week here today.

DAR-ES-SALAAM, Tanganyika Territory, Africa, Nov. 26.—(AP)—The Prince of Wales has bagged five lions at Sabati the largest which measured eight feet eight inches from tip to tail. His tour from Arusha to Dodoma has been most successful and he has thoroughly enjoyed it. He is in excellent health. The prince held a successful Baraza, or native court, at Dodoma which was attended by chiefs from all over the territory.

"AND HOW"

Georgette Beauty Shoppe

We invite you to the opening of our new Shoppe, first door south of Woolworth's.

OPENING TUESDAY

You will find here an up-to-date shop with all the modern conveniences that make beauty culture and treatment a pleasure to all. We have plenty of room, individual booths, experienced operators and all modern equipment.

The following are some of the inducements we are offering beginning TUESDAY and ending SATURDAY EVENING.

The first three ladies registering for a Eugene Wave will receive a liberal discount.

Free Shampoo with each Marcel.

Shampoo and Finger Wave, \$1.00.

Belcano Facial, including a Mask, \$1.00. (Try one and be convinced).

A special will be given the first three ladies signing for a course of Reducing Treatments.

If you want your hair soft and silky try our Arno! Steamer HAIR-A-GAIN for Dandruff and falling hair. Two complete lines of Belcano and Adele Millar Cosmetics sold this week at amazing prices.

We have among our operators Mrs. Acklam of Kansas City and Mrs. Church, three and one-half years with Ruth's Beauty Parlor in Amarillo.

Mrs. Dr. Nicholas, Prop.
