PAMPA, GRAY COUNTY, TEXAS, SUNDAY MORNING, OCTOBER 7, 1928

PRICE FIVE CENTS

MAGAZINE IS EXPLODED BY UNKNOWN PLAN

Thief May Have Used Method to Cover Up Work

NOISE IS HEARD EVEN IN PAMPA

Excitement sends Thousand Cars to Scene of Explosion

BORGER, Oct. 6.—(Special)—A nitro-glycerin blast which could be heard and felt as far away as Pampa rocked Borger and vicinity about 11 o'clock Friday night. The only serious damage resulting, however, was the breaking of 37 plate glass windows.

Through some unexplained manner, the nitro magazine of the Atlas Glycerin company was detonated about two miles southeast of this city. B. F. Delong, manager here, said about 600 quarts were in storage there when he visited the magazine Friday afternoon. Several other magazines in the vicinity were not exploded by the vibration.

Two large holes were torn in the ground, one where the magazine was and one a short distance away. First beliefs were that a thief was loading the nitro and accidentally exploded some of it near his truck. Examination of surrounding country failed to show evidence to support this theory. The latest conjecture is that a thief had stolen some of the explosives and had set a time blast to cover up his work.

Borger people rushed from their businesses and homes when they heard the roar and felt their houses rock. Within a short time a thousand cars were moving toward where the noise was heard. Ambulances rushed to the scene but had nothing to do. The tense excitement which emptied theaters and other buildings soon subsided.

Paving Work Is Finished Saturday

The Stuckey Construction company completed the second paving program in the city last night at 7 o'clock. Making record time, the remaining block on North Somerville street was completed despite a slight rain storm. More than 26 blocks were paved in the second program. They included South Cuyler street, Frost street, Somerville avenue, a portion of Francis avenue, and Ballard street. Five and six-inch vibratory concrete was used. With the exception of Frost street and two blocks on North Somerville street the entire stretch of paving is open to traffic. Frost street will be open this week. Engineer A. H. Doucette announced yesterday.

Surveyors are at work running lines for a third program which is to cover 27 additional blocks in various sections of the city. During the break between the completion of the second program and the third, the Stuckey Construction company will overhaul all machinery and equipment so that everything will be in readiness to commence paving as soon as the necessary legal papers have been drawn and signed.

Shooting Staples Will Result in Arrest of Boys

Arrest and prosecution await the Pampa boys who continue to shoot staples and damage property. Aside from damage to windows, signs, and other property the practice endangers individuals, who may be struck in the eyes. Officers who have been investigating repeated complaints believe they have the boys spotted, and are ready to make arrests for the next offense.

CRASH KILLS NEGROES

DENTON, Oct. 6.—(P)—Elexia Davis, negro, who was killed and two of her sons and two grandchildren were injured seriously when their automobile returned near here late today. Two other children in the machine were slightly hurt.

Honor Guests of American Legion

Field Marshal Viscount Allenby, hero of the Holy Land during the World War, here is pictured with Lady Allenby as they were welcomed in New York City en route to Houston, Texas. There Lord Allenby will be guest of honor of the American Legion at its annual convention.

RATE FIGHT IS GIVEN IMPETUS

Differential Is Attacked in W. T. C. C. Meeting at Sweetwater

SWEETWATER, Oct. 6.—(P)—The West Texas Chamber of Commerce through its traffic committee, and shippers representing a wide territory, took definite action today for a co-ordinated attack against the differential freight rate system in Texas.

Decision was made to join with the Texas industrial traffic league in presenting pleas for adjusted rates before the Interstate Commerce Commission.

J. S. Pawkett, traffic manager of the W. T. C. C., declared that not only were shippers over the entire state vitally interested in abolition of the differential system, but that the South Texas and Rio Grande Chambers of Commerce had pledged their aid, and that the East Texas Chamber of Commerce already was in the fight with the offer of aid and legal counsel.

Opinion was expressed at the meeting that if the development of Texas is not to be retarded as a result of now freight schedules which went into effect when the common point system was abolished, the differential rating must be eliminated.

"In other words," Pawkett said, "differential is nothing more than an extra charge of 15 or 20 percent tacked on to all other freight charges, just because we are out here in West Texas where the system was established years ago when traffic was light and little revenue could be obtained by railroads."

Mr. and Mrs. C. P. Buckler and their daughter, Miss Margaret, will leave this afternoon for Wellesley, Mass. Mrs. Buckler will enter the Dana Hall Graduate school of that place. After spending a few days in Wellesley Mr. and Mrs. Buckler will go to Canada for a short visit.

LEASED WIRE TO BRING GAME TO NEWS

A special leased wire from St. Louis will be set up for the Pampa Daily News today to snap the play-by-play account of the Cardinal-Yankees game here for megaphoning from the balcony in front of the office.

This wire will open promptly at 1 o'clock, and descriptive accounts of the game will be megaphoned to give an exact picture of the setting of today's classic.

Local fans who wish to be sure of getting the game move by move should be at The News office at 1 o'clock or soon thereafter.

Smith Club to Meet Weekly to Talk Over Issues

Organization of the Smith-Robinson Democratic club was perfected at a meeting in the Pla-Mor auditorium Thursday evening. In the election of permanent officers, Judge C. S. Wortman was named president; P. B. Mooney, vice-president; C. E. Haley, treasurer; and Miss Mabel Davis, secretary. C. E. Haley, J. R. Henry, and Tom Buster are on the executive committee.

L. C. McMurtry and J. N. Duncan compose a committee which will prepare speakers for the weekly meetings of the club. The membership and finance committee is composed of A. Gordon, P. B. Mooney, and Siler Faulkner.

At the close of the business session, local speakers answered the charges made against Gov. Smith by the Rev. John Roach Straton when he spoke here a week ago. Others praised the presidential nominee's record as the chief executive of New York. Mr. Turpin of Kansas City made a warmly partisan address in which he called Smith the greatest Democrat since William Jennings Bryan and the truest friend of agricultural interests. J. N. Duncan gave one of the interesting talks of the evening.

The club will meet at the Pla-Mor each Monday evening. The meetings are open to the public, and membership in the club is open to "all loyal democrats and all other voters who intend to vote for Governor Smith and Senator Robinson, November 6, 1928, as the club resolutions states it.

Airport Plans to Be Discussed at Meeting Tuesday

Local citizens interested in the installation of an airport and the purchase of a plane for training the passenger service here will have a chance to discuss the question Tuesday night at a meeting in the club room at the Schneider Hotel.

It is the plan of those interested to incorporate, purchase a ship, and have a licensed instructor to teach students. Mr. Reid wishes all who are interested to get in touch with him before Tuesday night so that he can arrange for their attendance at the meeting. He stated that at least 25 local men have signified their intention of taking a course in aviation.

Through the courtesy of the White Deer Land company the city has a lease on a suitable location and is willing in every way to assist in the organization of an airport for Pampa.

Mr. and Mrs. M. A. Finney returned Saturday night from Oklahoma City, where they accompanied Mrs. Finney's parents, Mr. and Mrs. A. A. McDonald of Fort Smith, Ark.

ONLY ONE IN CAPSIZING OF BOAT ESCAPES

Mrs. G. H. Shepherd of Tulsa and Four Daughters Die

WERE ON VERY SMALL LAKE

Only Survivor Unable to Give Details of Tragedy

CLAREMORE, Okla., Oct. 6.—(P)—Six members of a fishing party were drowned today in a small lake near ten miles northeast of here, when their boat capsized. The victims were Mrs. G. H. Shepherd, of Tulsa, four of her small daughters, and C. E. Saunders, a brother-in-law.

A fifth daughter of Mrs. Shepherd succeeded in reaching the bank of the lake. Ambulances with palmotors were called from Claremore and Chelsea, but efforts to resuscitate any of the victims were unsuccessful.

The bodies were taken to a Tulsa undertaking parlor. The party had gone from Tulsa to fish in Spring Lake, a small body of water little more than 100 feet long and 25 feet wide. A coherent story of the disaster could not be obtained from the surviving girl.

Hoover-Curtis Club Roll Now Over 150-Mark

Hoover-Curtis club members met in the Chamber of Commerce rooms Friday evening to receive reports from committees and plan future activities. The membership committee, the most active committee appointed, announced the signing of 114 more members to bring the total membership to more than 150.

Plans for bringing prominent Hoover-Curtis speakers here was discussed and approved. In the near future, some of the most prominent speakers of the Southwest will be heard here according to the committee in charge.

Short addresses were made by T. D. Hobart, the Rev. Tom W. Brabham and Judge Ben S. Baldwin, chairman of the club. Each spoke on the work before the club in its effort to carry Gray county for Hoover and Curtis.

A resolution was passed thanking the Daily News for the impartial manner in which the address of the Rev. J. Roach Straton was written.

Gray County Production Rises to 24,700 Barrels, Not Including 2 Big Gushers Just Drilled in

Gray county continued to show the way for the largest daily increase in the Panhandle in some time during the last week ending Thursday night. This week's daily production increased 1,630 barrels to bring the total to 24,700 barrels, or the second largest daily production in the county. Next week gives promise of giving Gray county the greatest gain in her history.

The Texas company and Ray and Massie brought in large producers since the last report was compiled. The Texas well is making more than 4,000 barrels daily and the Ray and Massie 1,800 barrels.

Hutchinson county was the only Panhandle county to slump in daily production. That county showed a

Borger to Have Next Meeting on Oilfield Highway

Delegates from as far east as Elmer, Okla. and as far north as Dalhart attended a meeting of highway enthusiasts at the Chamber of Commerce last Friday, for the purpose of completing the organization of the Oil Field highway No. 11. This highway will run from Oklahoma City through Borger, Sayre, Okla., to Wheeler, Pampa, Borger, Dumas and Dalhart.

The object of the association is to shorten the route from Oklahoma to Colorado. This new route will make a difference of twenty-three miles from Oklahoma City to Sayre, and a total of 50 miles will be saved from Oklahoma City to Dalhart, over any other road.

The route through Oklahoma is already designated as a state highway with the exception of a short distance between Sayre and the Texas-Oklahoma line. The Oklahoma members of the association state that this can be designated as soon as the Oklahoma Commissioners know that Texas will designate the short strip from Wheeler to the Oklahoma line.

It is hoped and expected that the whole route will be designated as a state highway within a reasonable time.

A uniform marker has been designated with an oil derrick in the center, and plans are being made to have this manufactured and placed along the entire length of the highway. A strip map will also be published, with a brief description of the route, and showing its advantages.

The delegates were entertained at Hotel Schneider for luncheon. At the close of the meeting the Pampa Chamber of Commerce and the Schneider hotel were given a vote of thanks for the courtesies extended to the delegates. The next meeting will be held in Borger, at the call of President P. P. Reid of Pampa, and Secretary Eldredge of Sayre, Okla.

INITIAL FLOW OF 175 BARRELS HOURLY GAGED

Texas' Mel Davis Oil Sensation Fills All Storage

PAY IS MUCH ABOVE AVERAGE

Ray and Massie Still Good for Big Production

With an initial flow of 175 barrels an hour, the Texas company's No. 2 M. B. Davis 230 feet north and east of the southwest corner of the northeast quarter of section 8, block 1, A. C. H. and B. survey, is the feature well of the Panhandle this week. Pay is coming from 2,775 feet. The well had been swabbing for the last week; and blew in Friday night.

During the week the well swabbed about 500 barrels, but after coming in Friday night filled three 500-barrel tanks in less than 9 hours and kept increasing. That pipeline connections can be made, the oil is flowing into the slush pit. Pay is coming from granite wash. There is enough gas to flow the well.

The first show of oil in this well was picked up from 2,545 to 2,555 feet. It made one barrel-full an hour from that depth after the big gas had been cast off.

The Texas company's gusher is situated nearly three miles southeast of the LeFors township and in proven territory, several small wells being in the same section. This well is the third largest in Gray county. The Texas company has large holdings in that territory and will probably drill several more wells.

In the same territory the Gulf Production company shot its No. 1 Thru 250 feet north and east of the most northerly southwest corner of a 160-acre tract, A. Zweig survey, Friday afternoon. A 350-quart shot was used. It was placed from 2,737 to 2,817 feet with the result that the flow increased to 150 barrels daily. The well has been flowing 75 barrels a day natural. The hole is bottomed in granite wash at 2,847 feet.

Ray and Massie's No. 3 Chapman in section 51, block 25, is still swabbing 75 barrels an hour. The hole is bottomed in granite wash at 2,854 feet. The big pay was picked up late Thursday evening while drilling ahead. The company is swabbing the well, expecting it to bring itself in at natural flow as there is enough gas to flow the well.

This location is about six miles southeast of LeFors in the small production territory, where the Texas company and the Shamrock company have several wells.

A shot of 400 quarts was used in the Edwards et al's No. 2 Case in section 182, block B-2, yesterday afternoon. Following the shot the well was left to stand 24 hours before cleaning out. The result of the shot has not been determined.

The same well was shot with 100 quarts last Saturday and 50 feet of oil rose in the hole. The shot was placed from 3,228 to 3,250 feet.

Mrs. Frank McAfee spent last week with friends in Perryton.

BUILDING IN CITY IS NOW BRISK

Although building permits issued during the last month showed a considerable decrease, being little more than \$30,000, building activities in the city are brisk. Several large business houses are nearing completion as also are two church buildings, two ward schools and a gymnasium auditorium.

On Cuyler street half of the Clem building is occupied by the F. W. Woolworth store. The other half will be finished within the next two weeks and will be the home of M. System No. 2. Adjoining the Clem building on the south the Wynn-Merten building, composed of two stores and several suites of offices, is nearing completion.

In the newly opened business part of North Cuyler street across from the

Panhandle Lumber company, the McCullough-Murfee building to be occupied by the G. C. Malone Furniture company is fast being completed. Adjoining that building on the north is the C. W. Bradford's two-story building with three store sections and a full size second story.

At the corner of Foster avenue and Cuyler street, the A. A. Gordon building is being erected. This building will be a one-story brick with a full size basement. The first floor will be composed of three store locations.

On East Kingsmill avenue, the Christian church educational building in two stories high, on West Francis avenue, the new \$100,000 Baptist church building is nearing the completion of the

brick work. Brick work has been completed on the east ward school on East Browning avenue and the roof is being laid. Sidewalk has been laid around three sides of the building. The west ward school is also far toward completion. These buildings will be eight rooms each.

On the high school campus, steel work is being erected for the new gymnasium-auditorium which will have a basketball floor 45 by 90 feet with seats around the entire space. A stage will be erected at one end of the structure.

Numerous residences are going up throughout the city, many in the Cook Adams addition.

Deport Pastor Is Here to Preach to Presbyterians

The Rev. A. A. Hyde of Deport, Texas, is here to preach at the First Presbyterian church this morning and tonight.

Rev. Hyde formerly was a banker but became interested in the ministry through active leadership in Christian Endeavor work.

All local people are invited to hear him. The local Presbyterian church has been without a pastor since the resignation of the Rev. W. L. Evans.

Unkept Treaties

The history of Indian administration in this country is not inspiring. Ruthless steps to corral the Red Men in pioneer days were necessary yet logical only if we consider that people as barbarians.

Treaties made with the Indians have been broken quite as often by the government as by the tribes. The inexorable march of progress has made it easy to disregard earlier understandings.

It is interesting to read of a declaration of "non-cooperation against politicians" by representatives of many Western Indians. The purpose of the outcry, it is stated, is to protest against "97 years of ruthless exploitation by bureau agents."

The further claim that the government has failed to keep treaties made years ago is not indicative of especial wrong, except in that subsequent agreements have not been made to the Indians' satisfaction.

Alibis Vs. Work

Every agency in the city and many without have been trying to learn why action seemingly cannot be had on the LeFors road.

First, it is lack of machinery, but enough time passes to buy a factory and make it. Then there is a shortage of engineering claimed, and the county engineer comes back with the statement that field notes are now ready, the stakes are set for widening the road, but that no immediate good will come out of the widening plan for the reason that a jury of view must be appointed and a given time must elapse before the contract for grading may be let.

It appears to The News that it is illogical to delay work on the LeFors road until the grad-

ing contract may be let. Why has not a maintenance crew been working that road? If ordinary steps do not suffice, there are extraordinary ones to be taken by those who are big enough and energetic enough to take them.

It is too late to cry over lost opportunities. The work could have been done. It is false economy to withhold maintenance until widening contracts can be let.

Unless work is started on the LeFors road within the next week—work which will make travel reasonably fast, the citizens affected should meet in solemn assembly and assert their desires in a manner which will get results.

TWINKLES

Never before have we received so much impersonal "personal" mail as during this campaign season.

Lawn mowers have beaten us out of a lot of sleep in the past, but we are for more and better laws for Pampa.

When John Coolidge hit that car he probably thought a photographer was driving it.

Sometimes we get so surfeited of political humbug that we wish both groups were really as bad off as they claim for each other—maybe the rest of the country would vote themselves into the saddle for a while.

Mr. Tunney craves obscurity and doesn't get it—but time will remedy that, Mr. Tunney, all too soon and too well.

"Northcott Fears Insanity Grasp"—headline. Fears it won't be strong enough to convince the jury, probably.

Maybe Emerson was right about compensation. If the feminine styles keep on demanding fewer and fewer clothes, pretty soon a lady won't have a place to hide an automatic.

"YOU HAVE A PROBLEM—!"

To solve it judgment must be used—your own, or your own in combination with that of others.

Judgment is the highest qualification of the business man. It places him in a position of leadership. It makes one bank better than another, one store more attractive than another for, where judgment is best, there are the best services and the best goods.

But the judgment of many is better than the judgment of one. This is what gives value to organization. In this business we have an organization. Every move is the studied result of a combination of judgments. Sometimes it gives us an advantage in competition; it always keeps us on even terms.

The judgment of this organization is at your service.

Pampa Epworth League Represented at District Institute

Six representatives of the Pampa Epworth League are attending the Clarendon District League Institute at McLean. They are: W. C. Williams, president; J. K. Macey, secretary; Miss Cleo Olive, Miss Nellie Hardin, Don Zimmerman, and the Rev. Joe Strother.

Rev. Strother, educational director of the local church, will deliver a sermon at the McLean church at 1 o'clock. His subject is "The Place of the Youth in the Church Today."

The institute was opened last evening when Miss Dorothy Cousins extended a welcome on the part of the McLean. Rev. Strother made the response. The last program of the institute will close at 3:30 o'clock this afternoon. Mrs. W. B. Greene of Heald district secretary of the League will preside at all meetings.

The program for today is as follows:

Sunday—6:30-7 a. m., morning watch—Miss Leah Smith, Wellington.

10-11—Sunday school. An "All League Class" taught by Prof. F. P. Wilson, Oregon.

11-12—Morning worship—sermon by Rev. Joe Strother, Pampa.

12-1:30—Lunch hour.

1:30-1:40—Song service.

1:40-1:55—"Value of Efficiency in Life"—Prof. Cecil Moore, McLean.

1:55-2:15—"The Standard of Efficiency"—Miss Lillian Park, McLean.

2:15-2:30—Special, Alanreed.

2:30-2:55—Junior Epworth High Work by Miss Billy Ruth Thompson, Memphis.

2:55-3—Goals for the District—Mrs. Nida Green, Heald.

3-3:10—Special, Clarendon.

3:10-3:30—Consecration service led by B. W. Wilkins, pastor McLean.

3:30—League benediction.

Central Ward P. T. A. Reorganizes and Plans Membership Campaign

The Central Ward Parent-Teachers association was reorganized Friday afternoon at a meeting at the Lamar school. The association will immediately open a membership campaign, in which officers hope to enroll all parents of children in the Central ward. Mrs. C. E. Hutchins is chairman of the membership committee and will name her assistants within the next few days.

The membership voted to hold a rummage sale in November to raise funds to carry on P. T. A. work this year. Mrs. Clyde Atterberry, president, asked members to begin gathering household articles and clothing at once, relating the remarkable success other associations have had with the sales.

Plans for a reception for the teachers were made and the date was set as October 12.

Party Honors Eighth Birthday of William Mahan, Leona Hurst

Mrs. S. A. Hurst and Mrs. Arthur Mahan entertained Friday at the Hurst home, with surprise party honoring the eighth birthday of Leona Hurst and William Mahan. Out of door games were greatly enjoyed until late afternoon, when the children gathered around the beautifully decorated dining table for refreshments. After the ceremony of lighting and blowing the candles on two cakes, ice cream and cake were served.

Both Leona and William received many attractive gifts from their little friends. Favors for the guests were surprise packages containing crepe paper hats.

Following is the list of guests at the party: Charlotte Rae and Harold Malone, Betty Jo and Mary Belle Crawford, Billie and Marcus Bratton, Eleanor and Virginia Guber, Ralph and Norma McKinney, Flora Marie Denebstein, Idelle Brice, T. K. Underwood, Jr., Janice Purviance, Janet Cole, Jeanne Murfee, Thomas Brabham, Jr., Charles Shelton, Chester Hunkapillar, Jack Horner, Clarence and Charles Cunningham, Eugene Cambren, Ralph Quest, Mary Lee Morris, Byron Dodson, Leona and Zella Mae Hurst, William and Wayne Mahan. The hostesses were assisted in entertaining the children by Mrs. Hurst's sister, Mrs. T. A. Perkins.

Mrs. Daniels and Mrs. Lester Entertain Teachers at Picnic

A pleasing school event of the last week was a watermelon feast held at LeFors Wednesday evening when Mrs. Annie Daniels and Mrs. J. L. Lester invited their teachers and a few friends to accompany them.

The trip was made in two school buses. Games were played around cheerful fires, stories were told, and songs were sung. About 10 o'clock the luscious watermelons were served to the merry group.

Those present were Mr. and Mrs. Roland McKimming, Miss Barnhart, Miss Beady, Miss Singleton, Miss Wafford, Miss Thomas, Miss Tynes, Miss Chapman, Miss Spodgrass, Mrs. Bradley, Mrs. Morris, Mrs. Daniels, Mrs. Lester, and the invited guests: Miss Wilma Behrends, Miss Esta Goerner, J. L. Lester, Don Zimmerman, Ivy Gough, and Harold Holmes.

Mrs. J. M. Griffin and Mrs. A. B. Crump of Wheeler visited friends and shopped in Pampa Friday afternoon.

SOCIAL CALENDAR

Tuesday
El Progresso club will meet at the home of Mrs. J. M. McDonald at 2:30 o'clock.

The Twentieth Century club will meet at 2:45 o'clock at the home of Mrs. Tom E. Rose.

Mrs. Lloyd Bennett will be hostess to the Royalty bridge club and has announced the game will start at 2:30 o'clock.

Friday
Reception for the teachers at 8 o'clock p. m. in the auditorium of the Methodist church.

Unique Party Honors Mr. and Mrs. Holloway

As a farewell courtesy to Mr. and Mrs. G. A. Holloway, who leave this week to make their home in Wichita, Kansas, Mrs. J. T. Clark and Mrs. W. A. Duerr entertained with five tables of bridge last evening. Their guests were: Mr. and Mrs. Holloway, Mr. and Mrs. J. W. Cram, Mr. and Mrs. L. N. McCullough, Mr. and Mrs. Clyde Fatheree, Dr. and Mrs. Pollard, Miss Ruth Pollock of Nashville, Miss Dorothy Pollard, Mr. and Mrs. C. T. Hunkapillar, Dr. and Mrs. H. H. Hicks.

The Duerr home, where the party was given, was arranged to represent a restaurant. The tables were covered with cloths and were appropriately decorated with tooth-pick holders and salt and pepper shakers. Tallies were kept on the backs of menus, and score favors were a carton of cigarettes for men and a basket of groceries for women. Restaurant signs were lavishly used as decoration for the living room and sun parlor. Mr. and Mrs. Holloway were presented a beautiful mirror.

Mrs. L. M. Williams Entertains Just We Club Friday Afternoon

Mrs. L. M. Williams entertained Just We bridge club at her home on Friday afternoon. Club members and others who were guests at the very enjoyable party included: Mrs. B. L. McCandless of Redonda Beach, Calif., sister of the hostess; Mrs. H. E. Heinen, Mrs. S. L. Maynard, Mrs. Carl Taylor, Mrs. W. J. Lang, Mrs. Henry Lemons, Mrs. Don Wakeman, Mrs. I. B. Hughey, Mrs. E. C. McHenry, and Mrs. J. H. Lutz.

Mrs. Heinen and Mrs. Maynard received high score and low score favors, respectively, for club members. Mrs. Hughey and Mrs. Taylor won the corresponding favors for special guests. At 5:30 o'clock a delicious luncheon was served.

Club Mayfair Pays Compliment to Two Members at Party

Decorations in Halloween motif, featuring a gay yellow and black color theme, helped to make the party with which Mrs. J. P. York entertained members of Club Mayfair and other friends one of the most delightful events of the week. It was given on Friday afternoon, with four tables arranged for bridge.

Special guests at the club meeting were: Mrs. C. T. Hunkapillar, Mrs. G. C. Malone, Mrs. R. A. Mitchell, Mrs. J. M. Dodson, Mrs. George Gill, Mrs. Raymond Harrah, Mrs. Marion Howard, and Mrs. Roger McConnel. The following members were present: Mrs. Clyde Fatheree, Mrs. G. A. Holloway, Mrs. W. A. Duerr, Mrs. J. T. Clark, Mrs. H. G. Twiford, Mrs. Mack Graham, Mrs. J. W. Cram, and Miss Mabel Davis.

Mrs. Harrah and Mrs. Cram made high scores in the game, and Mrs. Clark scored low. Each received a pretty favor. Afterward a delicious salad course was served.

Other members of the club took this occasion to present gifts to Mrs. York and Mrs. Holloway, who will soon move away from Pampa. Each was given a beautiful Italian cutwork luncheon set. Mrs. York will make her home in Amarillo, leaving here in about two weeks. Mrs. Holloway left this morning for Wichita, Kansas.

Teachers to be Given Reception Friday Evening

The teachers of the public schools of the city will be given a reception Friday evening in the auditorium of the Methodist church. The Parent-Teachers Associations are hostesses for the occasion, and through their presidents, Mrs. W. A. Gray and Mrs. Clyde Atterberry, have issued an invitation to all parents of school children and patrons of the school.

An excellent program will be given. Mrs. W. A. Bratton, fourth vice-president and chairman of the social committee of the Central Ward association, is in charge of the arrangements. She has announced the following incomplete program: Welcome address, Mrs. Atterberry; violin solo, Miss L.

Mrs. Joe M. Smith Entertains Sunday School Class Friday

Mrs. Joe M. Smith entertained the members of the Junior class of the Presbyterian Sunday school, of which she is teacher, and a number of their friends with a delightful party at her home Friday evening. Various games were enjoyed in the house and on the lawn, after which refreshments were served.

The following members of the class were present: Jessing Camp, Evelyn Bicknell, Billie Dell Scott, Phyllis Smith, Warren Finley, Roy Webb Smith, Tom Sweetman, Edward Johns, Junior Perkins, and Paul Schneider. Special guests of the occasion were: Christine Manning, Pauline Noel, Bernice Farrington, and Margaret Van Hatten.

Miss Beady and Miss Barnhart Honor Guests With Bridge Party

Miss Ruth Sharpe and Miss Willie Mae Abbott of Amarillo, who are spending the week-end here as guests of Miss Kathleen Beady and Miss Julia Mae Barnhart, were honorees of a bridge party given by Miss Beady and Miss Barnhart at the I. B. Hughey home last evening.

Other names included in the guest list for the evening were: Mrs. Elbert Thomas, Mrs. Marvin Lewis, Mrs. C. T. Hunkapillar, Miss Jane Singleton, Miss Wilma Behrends, Miss Longha Baker, Miss Louise Durrenberger, Miss Velore Reid, Miss Mary Nall, Miss Josephine Caridge, Miss Roy Riley, Miss Ruth Abramson, Miss Kimble, Miss Anna Estel Goerner, and Miss Wilma Chapman.

A refreshment course was served at the close of the playing.

Mrs. L. C. Parker of Clarendon was a business visitor in Pampa yesterday.

Mr. and Mrs. R. I. Davis are building a new modern home.

S. M. U. AERIAL ATTACK ALMOST DEFEATS ARMY, 13-14

Texans Lauded for Passing Attack of Greatest Skill

BY EDWARD J. NEIL
(Associated Press Sports Writer)

WEST POINT, N. Y., Oct. 6.—A football hurricane swept up from the plains of Southwestern Texas today, whirled and whipped about Army's vaunted gridiron warriors until the hair stood up straight on the heads of 1,200 frantic Cadets, and then burst and frittered away on the plains of West Point.

It was Southern Methodist university's introduction to eastern football—an introduction that will live long in the memory of every loyal Army man. It was a dramatic, breath-taking introduction. Dangerous, awesome to the final foot of the referee's whistle, and it was denied victory by the barest of football margins, one point.

Army rolled out the victory 14 to 13, thanks to the raging, fleetfooted Red Cagle, who tossed and slewed and slithered through the Mustang defense like a red-headed, one-man typhoon. Cagle it was who flipped a pass good for 42 yards to Carlmark, his end, in the first period, and then broke 28 yards through the Mustang center for a touchdown.

Sprague is Great
Dick Hutchinson, subbing for the flaming carrot-top in the second period, smashed 20 yards through tackle for the second Army score and Bud Sprague, the giant who made that hole, kicked both the points that made the victory possible. But it was Cagle who ripped and tore all afternoon long at a Methodist line that held surprisingly well, picking up the yards when needed the most, and beating down passes that came from all directions.

The drama in the battle, however, was not furnished by Cagle and Captain Sprague, or the burly Army heroes of a dozen tight battles. Bill Hall, Lay Hammack and George Perry, Messinger, Urrell, or Nave. The thrill was in the scarlet and Navy blue clad warriors from the South fighting their fight in enemy territory, badly outnumbered, and cheered on only by the thin ranks of a band which made up in lung power what it lacked in instruments.

Passes such as eastern football field:

never saw before flew from the hands of Redman Hume, the Texas version of what "Red" Grange should have been, and the lithe captain, Sammy Reed. There were lateral passes, both single, double and triple, trick formations, and end sweeps that began anywhere and ended in the same place.

Although they scored only two touchdowns and failed to tie the score when Sprague blocked a drop kick try for the point, the Methodist threatened in every period and strongest of all when but seconds remained of the contest. Desperate for more points, the Mustangs swooped down on the Army goal in a final assault that carried the Cadet 16-yard line and failed only when Reed, brilliant all afternoon slip ped as he caught the last pass and fell flat on his face with a clear field ahead to the goal.

Varner-Willis Match Postponed Until Thursday

The Walter Varner-Ray Willis battle, scheduled for tomorrow night at the Pla-Mor auditorium, has been postponed until Thursday night so that the fighters may have a needed rest. The two boxers met in Plainview Friday night in one of the greatest ring battles in the history of Plainview.

After ten more rounds the fight was declared a draw. The deciding battle will be staged here Thursday night. Willis, former middleweight champion of Oklahoma, will enter the ring.

CALL the CHAMBER of COMMERCE for Information PAMPA FALL FESTIVAL

The second main event of the evening will see Rusty Cahill, 140 pounds, and Sammy Walker of Plainview, 140 pounds, in action. This bout is scheduled for eight rounds. Walker is a fast hard hitting boy and should give the pride of Pampa a hard tussle.

A match that has been pending since last season has been arranged. O. D. the newboy will finally meet Neal Grubb the 165-pound Berger flash. These two boys have been hurling challenges at each other for many months but have yet to meet. Although they are only youngsters they put up some real battles.

An added attraction will be a battle royal between five of the toughest boys in the city.

New Telephone Rates for Pampa

... effective October 6, 1928

THE rapid growth of Pampa made it necessary to largely increase the telephone facilities.

Pampa now has a modern telephone system. The old magneto switchboard has been replaced by a common battery service of the latest type. The new switchboard has been installed in a new building and additional cable facilities have been placed in nearly all parts of the city.

In order to earn a fair return on the enlarged telephone property at Pampa, it will be necessary to charge the following rates, effective October 6, 1928:

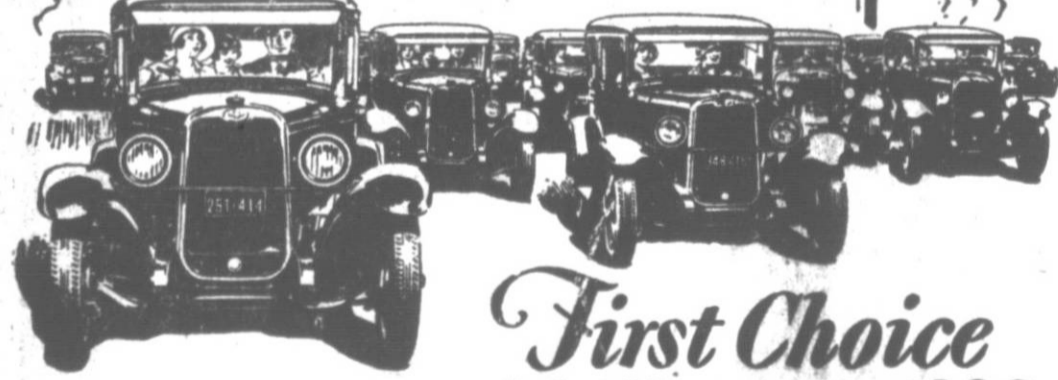

Individual Line—Business	\$5.00
Extension—Business	1.00
Individual Line—Residence	2.50
Two Party Line—Residence	2.00
Extension—Residence	.75
Service Station—Business	1.50
Service Station—Residence	.75

AN OBLIGATION of MANAGEMENT
There is imposed on the management an unusual obligation to the public to see that the service shall at all times be adequate, dependable and satisfactory to the users. . . . Earnings must be sufficient to assure the best possible telephone service at all times, and to assure the continued financial integrity of the business.

HARVESTERS SLUMP AT ELECTRA TO LOSE TILT 32 TO 0

Poor Judgment and Team Play Ruin Chances

BY HARRY E. HOARE

The Pampa Harvesters lost one of the weirdest football games in their history Friday afternoon at Electra. Although the local boys had the Electra Tigers outclassed in every department, boneheads, plays, fumbled balls, and lack of cooperation lost the game, 32 to 0.

Apparently the Harvesters are a home team; they have won only two games in the last two years on foreign fields, those being against Miami and Texoma. Whether it was stage fright or an off day that settled over the team Friday cannot be determined, but team play was lacking all through the battle.

Early Robbie Hurts.
The game was psychologically lost on the kick-off when Walstad dropped the ball, then kicked it ten yards. He had recovered and gone to his own 10-yard line only to drop the ball when tackled and Electra recovered on Pampa's 8-yard line. The Pampa line held for three downs but on the fourth Electra went over, to lose the ball behind the line but to recover for a touchdown.

Although Lard was in the game at safety, he was used only once in the first half and gained 3 yards that time. He was given the ball only six times during the game. Roberts was the whole Pampa backfield. He was hitting the line for long gains every time he carried the ball, but at the critical moment when a yard was needed he was not given the opportunity to cross the line and as a result the Harvesters failed to score.

Lost Opportunity

After an exchange of punts early in the first quarter, Roberts in four li a bucks carried the ball 28 yards to the Electra 1-yard line. With one yard to go on the last down, instead of sending Roberts through the line, Walstad attempted to carry the ball around left end, only to lose two yards and the ball on Electra's 3-yard line. In the second quarter, Pampa had the ball on Electra's 1-foot line after Walstad had carried the ball 32 yards on receiving a punt. Jones provided the interference for the run, saving Walstad from three tacklers in a row. Offsides put the ball on Electra's 1-foot line, then the Pampa team kicked its signals and the whistle blew for half time.

Big Holes Opened
In the line, Captain Bob Kahl, Troy Stalls, and Bob Mullen were towers of strength. Mullen and Stalls were opening holes in the Electra line big enough to drive a wagon through, but the quarter let the opportunities of driving Roberts and Chastain slip through at the critical moments. Bob Mullen played the hardest game of the season, and when taken from the game with three minutes to go, almost collapsed.

Ayres and Kahl provided the sensational plays of the game when they took forward passes out of the air for 24 yards each. Chastain threw the pass to Ayres and Jones to Kahl. The Pampa captain missed another excellent opportunity to spear a pass when he tipped the ball.

Electra Backs Star
White, right half, and Culpepper, left half, were the stars on the Electra eleven. Culpepper went across for five of Electra's touchdowns and kicked the only field goals the team has made this season. He tore off many yards around the Pampa ends. In the line Whiteside was the best man. The line as a whole was weak. Mullen and Stalls

breaking through at will.

Roberts was the only man on the Harvesters team who could regularly gain ground. He made 60 yards through the Electra line in the first half. Chastain looked good while in the game. Lard played a nice game defensively, but was given no opportunity to carry the ball.

Following the first touchdown, it was a case of who could make the most fumbles with Electra gaining the breaks. Both teams had passes smothered and recovered with Pampa outplaying the Tigers. In the first half Pampa made eight first downs to four by Electra. The Harvesters gained more than 100 yards through the line in the half while Electra was making 45 yards.

Near the end of the second quarter Electra made the second touchdown of the game when four first downs in a row carried the ball to the Pampa 1-yard line. Culpepper going over for the down and kicking the goal.

New Team Weaker
Electra ran in eight new men near the close of the quarter and Pampa made three first downs when Chastain and Lard carried the ball. The ball was on the Electra 1 1/2-foot line when the whistle blew. The Pampa team was slow in getting the ball off at a critical moment and lost the chance to score.

At the opening of the second half Electra ripped the Pampa line for long gains to score another touchdown when Culpepper went around right end for six yards. Stalls blocked the place kick.

Each team intercepted forward passes, lost the ball, or failed to get the ball away and the officials became mixed up twice, giving the ball to Electra on three downs. Stalls grabbed a loose ball and ran 40 yards for a touchdown, but the play was called back. Johnson carried the ball over at the

Baylor Bears Show Old Form in Trinity Tilt

WACO, Oct. 6.—(AP)—The Golden Baylor bears clawed Trinity University badly here today, the Bruins winning 33 to 0.

Under leadership of the veteran quarterback, Weir Washam, Bruins scored 19 points in the fourth quarter, after being held to seven points each in the first and second periods and scoreless in the third. Noble's accurate passing and Kalkhart's receiving with Washam's cell-like dashes premises of an offense that Baylor has not enjoyed since the balmy days of 1924.

Kiersky and Wilson, who both were used at quarter before Washam, and to whom he has been playing second fiddle so far this year, did not look so good.

The last touchdown came in the last minute of play when Prince intercepted a forward pass and ran 33 yards for a touchdown. Jones made a hard run and pretty tackle, but Prince dragged him across the line. On the last kick-off, Lard made the prettiest run of the day when he carried the ball through the Electra team without interference for 30 yards.

LACHMAN CARSON SHOWS PAMPA FALL FESTIVAL Coming Oct. 15th. The biggest and best

BEAUTIFUL STYLE SHOW PAMPA FALL FESTIVAL FRIDAY NIGHT, October 19th

The new Buick is the new Style

Nowhere such beauty and luxury ---- nowhere such pleasing lines and contours ---- nowhere Bodies that equal these new Masterpiece Bodies by Fisher--The entire country is saying, "That's the Style"

Setting an entirely new, a revolutionary, style --introducing what will unquestionably be the trend of smart body-design during the next several years--the new Bodies of the Silver Anniversary Buick are enjoying universal acclaim as the most original and distinctive, as well as the most beautiful bodies ever designed by the world-famous Fisher organization!
Starting the motorists of America by their newness--winning ever-increasing preference in the most fashionable motoring circles --then sweeping the nation to unexampled heights of enthusiasm--these magnificent new creations have attained the dignity and prominence of a country-wide vogue!
It is a vogue of symmetry, born of gently rounded contours instead of plain straight lines--a vogue of distinction, derived from sparkling colors, brilliant chrome-plating and arresting new roof, radiator and fender design--a vogue of tasteful luxury, composed of finest mohair velvet upholstery, artistic hardware and fittings and new appointments of comfort and convenience not to be found in any other automobile--
--and the vogue is proving so popular--the motoring public welcoming it so enthusiastically--that this beautiful new Buick continues to outsell all other cars above the very lowest price field by an overwhelming margin!
The entire country is hailing the Silver Anniversary Buick. The entire country is saying, "That's the style!"

MUSICAL COMEDY and VAUDEVILLE
PAMPA FALL FESTIVAL
 Friday, Oct. 19th

Pampa Branch of A. A. U. W. and College Club Hears Address by Dr. Nan Gilkerson of Amarillo at Monthly Luncheon Saturday

Dr. Nan L. Gilkerson, prominent ear, eye, nose and throat specialist of Amarillo, whose chief side interest is child psychology, yesterday addressed the Pampa branch of A. A. U. W. and College club on Personality Patterns Formed in Early Life. She stressed the importance of the pre-school period in personality development, urging parents and teachers to consider the small acts, the little habits, and the apparently slight impressions of these early years as the direct fore-runners of the characteristics of maturity. "The infant who learns to get his way by crying for it grows into the child who whines to have his way, then into the youth who storms or schemes to get it, and ultimately becomes the bullying husband or the nagging wife," she said. Other interesting statements of the speaker were: "Training in poise begins at the age of six months"; and, "The precocious child requires diversification rather than intensification in his activities, and said to say, he almost invariably has the latter; that is why he presents an educational problem."

Dr. Gilkerson is a young woman of unusual charm. She is a good speaker and tells a story well. Her address at the luncheon was greatly enjoyed by the large group of members in attendance.

Before beginning her talk on her male topic, Dr. Gilkerson extended the greetings of the Amarillo branch of A. A. U. W. and told the Pampa women that their sister chapter was depending upon them to help them carry the state convention of A. A. U. W. which will be held in Amarillo, Oct. 2 and 27, to success. She urged that every Pampa member attend all meetings.

The Pampa branch and College club will give a tea at the state convention on the afternoon of the 26th and announcements relating to the affair were made at the luncheon.

In addition to the address by Dr. Gilkerson, the luncheon program included three musical numbers: Singing of the club song by the entire group, a violin solo by Miss Lola Harrell, and a piano solo by Miss Madeline Tarpley. In a brief business session at the close of the program the club elected Miss Wilma Chapman secretary, to take the place of Mrs. G. A. Holloway, resigned.

Mr. and Mrs. Jess Ritter have just completed their new home, and will move into it in a few days.

The State National bank of Groom sent out a supply of book satchels to this school recently.

MOVIES

CRESCENT
 Today-Tomorrow
 William Boyd and Alan Hale, playing in "Power," kept their balance on the world's highest dam, but when a beautiful dame appeared he wily fell. It's a picture with comedy, thrills and laughs.

Wednesday
 Maria Alba in "Roadhouse" is the spider of temptation in the web of desire—father plays the tune and she plays the fiddler.

Thursday
 Virginia Valli in "Street of Illusion" is a dramatic thunderbolt. It's a great picture.

Friday
 Buzz Barton in "Young Whirlwind."

Saturday
 Tom Mix.

REX
 Sunday-Monday
 Everything must have been OK with Colea Moore when she made the picture "Oh Kay" for she appears at the head of the list of critics as "the success of the day."

Tuesday
 "Hot Heels" is specially recommended for everyone with cold feet. Glen Tyrone gives an exhibition in this picture that would make a "good tramp of the steel rails" walk on forever.

Wednesday-Thursday
 Jack Holt easily fit himself into an important role in the picture taken from Zane Grey's story, "Vanishing Power." Every bit of sparkle, romance and adventure written into the book by Grey are revealed in the picture by Jack.

Friday-Saturday
 The first fall vaudeville program will open on Friday. The company comes to the Rex direct from Joplin, Mo., where they are scheduled for a performance. Fred Thompson in "Kit Carson" will be featured on the screen.

DON'T WORRY
 If your new car gets bent or scratched. We can straighten and refinish it as good as new.

CHURCHES

FIRST BAPTIST CHURCH

To the members:
 We will have a short business meeting Sunday morning at 11 o'clock, and we urge all members to be present, inasmuch as there have been and now are so many reports out about our new church building we will take the time to give a full detail report of all transactions from the very beginning to the present date. Our new building is coming along nicely, and the contractor said it would be ready for the roof within 10 days.

Our attendance in Sunday school last Sunday was very good 380 present, and we are to have promotion today.

The training services at 6:30. Come Sermon, 7:30.
 Subject: Revelation 17-18 A fulfillment of prophecy, the Temporal Power of the Papacy. Come let us reason together.

D. H. TRUHITE, Pastor.

THE METHODIST CHURCH

We have planned for a great day Sunday October 6th and invite you to enjoy the day with us.

Sunday school starts promptly, in all departments 9:45 o'clock. Each department will have its own opening and closing exercises. Our goal is five hundred; help make this number possible.

The pastor, Rev. Tom W. Brabham will speak at both hours Sunday Morning There: "Our Responsibility to a Lost World."

Evening theme: "America's Need in the Hour of Crisis."

These themes will deal directly with the present day problems. Church people are urged to be present and visitors in our city will always find a hearty welcome.

Great music, spiritual singing and gospel preaching at all our services. The Church With a Hearty Welcome.

TOM W. BRABHAM, Pastor.
 Joe Strother, Educational director.

NOTICE

The Commissioners Court of Gray County, Texas, will offer for sale approximately \$250,000.00 of warrants for the purpose of building and equipping a court house and jail in Pampa, Texas. These warrants will bear either 5 1-2 or 6 per cent interest and bids will be received on both the 5 1-2 per cent warrants and the 6 per cent warrants. A cashier's check for \$7,500.00 on the Gray County State Bank of Pampa must be accompanied by each bid or a like amount of cash deposited in said bank as evidence of good faith. Bids will be received at two o'clock p. m., on October 20, 1928, at the court house in Pampa, Texas. The Commissioners Court reserves the right to reject any or all bids.

CHARLIE THUT, County Clerk, Gray County, Texas.

John and Lee Thompson visited relatives in Amarillo during the fair.

NOTICE TO PAVING CONTRACTORS CIT YOP PAMPA, TEXAS

Sealed proposals will be received by the city commission of the City of Pampa, Texas, until 10:00 a. m. October 12th, 1928, for the construction of certain alley paving in the said city. Some approximate quantities are as follows: Paving, 666 Sq. Yds. Excavation 220 Cu. Yds.

Proposals must be addressed to the

City Manager of the City of Pampa, Texas, and must contain a certified check or its equivalent, made to said manager for \$500.00. Plans may be seen and specifications and blank forms of proposal procured in the office of A. H. Doucette, City Engineer, Pampa, Texas.

The right is reserved to reject any and all bids.
 D. W. OSBORNE, Mayor.
 P. M. GWIN, City Manager.

Higher Telephone Rates in Effect As of Oct. 6

In order to assure improved telephone service, it is necessary for the Southwestern Bell Telephone company to make a slight readjustment of local telephone rates effective October 6, 1928, according to J. B. Patterson, district manager.

In commenting upon the new rate schedule, Mr. Patterson said: "We have an obligation to the public to see that our service shall be adequate, dependable and satisfactory to the users. It is our duty to give the very best telephone service possible. In order to do this at Pampa we have had to rebuild the entire plant, but at the same time it is necessary to make sufficient earnings to assure the financial integrity of the business."

"During the last year, Pampa has been equipped with the most modern type of common battery service. The new switchboard, together with the new building in which it is housed, and new outside equipment have been installed in Pampa at a cost to the company of over \$100,000."

Mr. Patterson also stressed the fact that the lowest possible rate was fixed on residence telephones.

"This rate," he continued, "is lower by 35 cents than that approved by a city council resolution when the exchange was proposed more than a year ago. And the other rates are in line with those in other cities having adequate common battery service."

Following is the new rate schedule effective October 6:

Individual line, business.....	\$3.00
Extension, business.....	1.00
Individual line, residence.....	2.50
Two-party line, residence.....	2.00
Extension, residence.....	.75
Service state, business.....	1.50
Service station, residence.....	.75

Among those who have gone to San Antonio for the national convention of the American Legion, or who will go today and tomorrow, are: Mrs. I. B. Hughey, Mrs. Edgar Stenson, Mr. and Mrs. Grover Morris, Mr. and Mrs. Clyde Stuckey, Mr. and Mrs. T. F. Culbertson, W. E. de Cordova, Dr. R. A. Webb, W. J. Lang, and Otto Studer.

Yanks Slip Quietly Into St. Louis And Go to Hotel to Rest for Game Today—Zachary Slated to Pitch

ST. LOUIS, Oct. 6.—(AP)—The New York Yankees slipped quietly into St. Louis late today while the echoes of the celebration over the return home of the Cardinals still were resounding in the city's streets.

With two victories in the world series safely tucked away in their bat bags, the American league champions were quite content to come to town unheralded and unsung. It was the Cardinals' celebration and the Yanks said they did not want to edge into the picture.

The Yankees special buzzed along through Indiana and Illinois today and drew as much attention as a train bearing a presidential candidate.

The Yankees went at once to their hotel to get a good night's rest for tomorrow's game on the enemy field. Miller Huggins, midget manager of the Yanks, made no definite announcement of his pitching choice for Sunday's game but the general belief was that Tom Zachary, the old Washington left-hander, who set the New York Giants down twice in the world's series of 1924, would be nominated.

It is doubtful if Huggins would take a chance on further weakening Combs' arm by putting him in the game, even if Combs felt he could play. Neuritis still has Fenwick, Yanks' star Southpaw, down for an indefinite count and he probably won't be seen in the box until next spring.

ABILENE, Oct. 6.—(AP)—McMurry college opened its conference schedule here today by defeating West Texas State Teachers College, 16 to 0. Ohio university 14; West Liberty 6.

GRANDVIEW ITEMS

Willard McCormick, who has been attending high school in Fort Worth, is visiting in the home of his parents, Mr. and Mrs. D. D. McCormick.

Supt. John B. Hesse spent the forenoon of last Monday with the Grandview school. The school was glad to see him again, and to have him talk to the pupils.

The school here has received four playground balls and bats, one volley ball and net, and two basket balls. We have a new Giant 20-foot slide ordered for early delivery.

Most of the farmers are busy sowing wheat. Rain is badly needed before sowing, but not many farmers are delaying their planting.

The Sunday school has just closed

a contest, and the losers entertained the winners Saturday night at the school house.

Several persons from this community, including some of the school children, attended the show in Pampa Monday.

Grandview has open dates to play basketball with schools in surrounding territory.

The attendance at school here for the first month for all pupils was 97 per cent, and for those of compulsory age 98 per cent. There is a likelihood that even these records shall

be surpassed this month. The enrollment is 67.

Mr. McCluskey has offered three prizes costing \$10, \$10, and \$5 for the

three pupils making the highest grade in the entire school, counting attendance one-half the grade. And the trustees have offered another reward of \$10 for the pupil making the best

Baptismal services have been conducted at Broumont by "Baby Carmel" Barnwell, 15-year-old child evangelist, who has conducted a series of revival meetings in surrounding towns.

9TH RECORD BREAKING RECORD MONTH! GREATEST SEPTEMBER IN WILLYS-OVERLAND HISTORY.

141% AHEAD OF LAST YEAR

MONTH after month, Willys-Overland's sales records have been smashed throughout the year. And the big parade goes on—last month being the greatest of all Septembers in the Company's 20-year history, and 141% ahead of last year.

This towering structure of success has its foundations deep down in the sound elements of dollar-for-dollar value—proved operating economy and dependable performance of the Whippet Four, Whippet Six and Willys-Knight Six.

The Whippet Four offers to light car buyers many engineering advantages formerly found only in costly cars. The Whippet Six is the world's lowest-priced Six, with 7-bearing crankshaft and other important superiorities. The Willys-Knight Six—at the lowest price in history—is bringing the marked advantages of the patented double sleeve-valve engine to thousands of new owners.

WILLYS-KNIGHT DOUBLE SLEEVE VALVE SIX \$995 COACH
Standard Six Coach \$1045; Sedan \$1095; Touring \$995; Roadster \$995; Special Six \$1295 to \$1495. Great Six \$1800 to \$2095.

WILLYS-OVERLAND, INC. TOLEDO, OHIO

WHIPPET FOUR \$610 SEDAN
Touring \$655; Roadster (2-pass.) \$685; Roadster (with rumble seat) \$525; Coupe \$535; Cabriolet Coupe (with collapsible top) \$595; Coach \$585.

WHIPPET SIX WORLD'S LOWEST PRICED SIX SEDAN \$770
Touring \$815; Roadster \$855; Coach \$695; Coupe \$695. All Willys-Overland prices f. o. b. Toledo, Ohio, and specifications subject to change without notice.

United States Turns Back Polo Invaders Nicely

WESTBURY, N. Y., Oct. 6—(AP)—Argentina's bid for world polo supremacy failed here today when a swift, accurate-shooting United States four won 13 to 7, taking two of the three games.

BURIAL OF ACCIDENT VICTIM IN OKLAHOMA The body of Sam Dillard, 34 years old, who was instantly killed near here Friday morning when a mixed Santa Fe train crashed into the truck he was driving, will be sent to Tonkawa, Okla., this morning for burial. Mrs. Dillard will accompany the body of her husband.

Chicago Cubs Are Champs of City

CHICAGO, Oct. 6—(AP)—Sheriff Blake allowed but eight widely scattered hits and the Chicago Cubs defeated the White Sox 3 to 2 to take a lead of 3 games to one in the series for the city baseball title today. The Cubs got to the veteran spitballer, Red Faber, for ten safeties but none figures in the scoring. All three of the National leaguers runs were made in the second inning when Faber momentarily lost his control and the Sox defense crumbled.

HARVARD STARTS WELL

CAMBRIDGE, Mass., Oct. 6—(AP)—Harvard opened its football season here today with a 20 to 0 victory over the Springfield college. An attack that met resistance only in the first period netted the crimson four touchdowns and a field goal.

Tech Defensive Holds Texas U. to Two Touchdowns

AUSTIN, Oct. 6—(AP)—A powerful defensive by the Texas Technological Matadors from Lubbock held Texas university scoreless for more than two periods today, but finally broke under onslaughts of the Longhorn first string squad, which extended itself to win, 12 to 0, after the second team starters had made the game look dubious.

Semi-tropical heat and the impacts of heavy lines kept up a continual recurrence of time out while player after player was draped flat on the green.

Summary: Texas scoring: Touchdowns, King, Baldwin; First downs, Texas 13; Tech 4. Passes completed: Texas 4, for 146 yards. Punts: Texas 9 for average of 37 yards; Tech 13, for average of 31 yards.

NEW VALUE Brings New Heights of Public Favor

As a result of the new value offered by today's Pontiac—a consequence of its greater power, higher speed and smarter style—this low-priced six is winning new heights of public favor.

Pontiac Six now provides new motoring luxury. Staunch, beautiful bodies by Fisher—smaller, sturdier wheels with larger tires—an engine of 185 cubic inches displacement—the cross-flow radiator—the G-M-R cylinder head... all these and many other advancements are emphasized by the performance supremacy resulting from new carburetion and manifold.

That's why today's Pontiac Six is attracting thousands of new buyers. That's why it is winning leadership in the low-priced six-cylinder field.
