

IKE WINS CALL ON FIRST BALLOT

North Korean Capital Hit By U. N. Planes

SEOUL, Korea (AP)—At least 650 warplanes from five Allied nations rumbled the North Korean capital and smashed two other North Korean industrial centers today in one of the most devastating raids of the Korean War.

The U. S. Air Force said in mid-afternoon the continuing raid "was well on the way in being the biggest air strike of the war."

United Nations pilots reported they destroyed or damaged the Communists' army communications headquarters, three munitions factories and numerous other

How All States Voted On Their First Ballots

CONVENTION HALL, Chicago, July 11 (AP)—Here is the state-by-state vote on the first ballot for the Republican Presidential nomination:

- Alabama 14 votes: Eisenhower 5, Taft 9.
Arizona 14 votes: Eisenhower 4, Taft 10.
Arkansas 11 votes: Eisenhower 4, MacArthur 1, Taft 6.
California 70 votes: Warren 70.
Colorado 18 votes: Eisenhower 15, Stassen 1, Taft 2.
Connecticut 22 votes: Eisenhower 21, Taft 1.
Delaware 12 votes: Eisenhower 7, Taft 5.
Florida 18 votes: Eisenhower 6, Taft 12.
Georgia 17 votes: Eisenhower 14, Taft 2, Warren 1.
Idaho 14 votes: Taft 14.
Illinois 60 votes: Eisenhower 1, Taft 59.
Indiana 32 votes: Eisenhower 2, Taft 30.
Iowa 26 votes: Eisenhower 16, Taft 10.
Kansas 22 votes: Eisenhower 20, Taft 2.
Kentucky 20 votes: Eisenhower 1, Taft 19.
Louisiana 15 votes: Eisenhower 13, Taft 2.
Maine 16 votes: Eisenhower 11, Taft 5.
Maryland 24 votes: Eisenhower 14, Taft 8.
Massachusetts 36 votes: Eisenhower 34, Taft 4.
Michigan 46 votes: Eisenhower 35, Taft 11.
Minnesota 26 votes: Eisenhower 9, Stassen 19.
Mississippi 5 votes: Taft 5.
Missouri 26 votes: Eisenhower 21, Taft 5.
Montana 8 votes: Eisenhower 1, Taft 7.
Nebraska 18 votes: Eisenhower 4, Taft 15, Warren 1.
Nevada 12 votes: Eisenhower 5, Taft 7.
New Hampshire 14 votes: Eisenhower 14.
New Jersey 26 votes: Eisenhower 23, Taft 3.
New Mexico 14 votes: Eisenhower 7, Taft 7.
New York 96 votes: Eisenhower 92, Taft 4.
North Carolina 26 votes: Eisenhower 12, Taft 14.
North Dakota 14 votes: Eisenhower 4, MacArthur 1, Taft 9, Warren 1.
Ohio 88 votes: Taft 56, Eisenhower 16, votes: Eisenhower 4, MacArthur 5, Taft 7.
Oregon 18 votes: Eisenhower 18.
Pennsylvania 70 votes: Eisenhower 53, MacArthur 2, Taft 15.
Rhode Island 8 votes: Eisenhower 6, Taft 1, Warren 1.
South Carolina 6 votes: Eisenhower 2, Taft 4.
South Dakota 14 votes: Taft 14.
Tennessee 20 votes: Taft 20.
Texas 38 votes: Eisenhower 23, Taft 15.
Utah 8 votes: Taft 14.
Vermont 12 votes: Eisenhower 12.
Virginia 23 votes: Eisenhower 9, Taft 14.
Washington 24 votes: Eisenhower 20, Taft 4.
West Virginia 16 votes: Eisenhower 1, MacArthur 1, Taft 14.
Wisconsin 30 votes: Taft 24, Warren 6.
Wyoming 12 votes: Eisenhower 6, Taft 6.
Alaska 3 votes: Eisenhower 1, Taft 2.
District of Columbia 6 votes: Taft 6.
Hawaii 8 votes: Eisenhower 3, Taft 4, Warren 1.
Puerto Rico 3 votes: Taft 3.
Virgin Islands 1 vote: Eisenhower 1.

Minnesota's Switch Puts General Over

By JACK BELL and WILLIAM T. PEACOCK
CONVENTION HALL, Chicago, July 11 (AP)— Gen. Dwight D. Eisenhower today won the Republican presidential nomination.

In a dramatic climax, to a dingdong fight with Sen. Robert A. Taft of Ohio, Eisenhower crashed through the GOP accolade on the first ballot.

On the rollcall, Eisenhower first received 595 votes to 502 for Taft. But before the vote could be announced, Minnesota threw to the general 19 votes it had first given to Harold E. Stassen.

That put Ike across with 614 votes. It took 604 to nominate.

Texas and other states which had split their votes then began jumping. It was a landslide in the end.

And this feuding, wrangling 25th Republican National Convention pulled itself together into a vociferous show of unity behind the five-star general with a roaring demonstration around and around this big hall hard by the stockyards.

Rep. B. Carroll Reece, southern campaign manager for Taft, said:

"Of course I'm going to support the nominee but I feel Eisenhower's managers should apologize to Senator Taft for their conspiracy to stigmatize him."

The convention floor was in an uproar at that point as state after state rushed to toss its votes on the Eisenhower bandwagon.

Eisenhower himself was not in the hall. As custom dictates, he had waited at his hotel while the convention's rank and file decided who should lead their effort this year to break 20 years of Democratic national rule.

With him waiting for the returns were Mrs. Eisenhower—Mamie to the general—and three grandchildren, David 4, Barbara Ann 3, and Susan, six months. They are children of his son, Maj. John Eisenhower.

The balloting capped a week of maneuver in which Eisenhower's strategists won the opening skirmishes and exploited them to take the grand prize.

The turning point had its beginnings in the pre-convention preliminaries of last week.

The long, ugly arguments over delegate contests—in which the words "steal," "thief," and even stronger were commonplace—had their effect on many delegates, if not on the GOP National Committee.

This was evidenced at the opening day of the convention—last Monday.

Taft came to Chicago confident and riding high. Through months of long, hard campaigning—mile after mile up and down and across the country—he was far out in front of Eisenhower in pledged delegates.

But on the opening day, the Eisenhower forces—with support from backers of Candidates Earl Warren and Harold Stassen—whipped the Taft men 638 to 548 in a test vote on a rule regarding voting by contested Taft delegates from the South.

It was a licking from which Taft never recovered.

Out of that breach in his strategic lines trickled not only delegates from Louisiana, Texas and Georgia but many votes among uncommitted delegates who concluded from this initial muscle flexing that Ike would come home the winner.

For Eisenhower, the GOP's top to his leadership is another big moment of a packed decade in the life of the Texas-born general.

As the march of World War-II was sweeping toward the United States, "Ike" was an Army lieutenant-colonel, unknown nationally.

The swift years since have seen him direct the Allied drive that defeated Germany and Italy, head Columbia University, and finally command the armies being built in partnership with European Allies to defend against the threat of Communist aggression.

He gave up that command and returned home only last June for a fast-moving campaign that finally overtook Taft.

For Taft, the defeat is a bitter and to his third real try for the nomination.

Now 62, he has said he would not try again—and so with this decision here his dream of following his father, President William Howard Taft, to the White House is destroyed.

"Bob" Taft was already a power in the Senate when Eisenhower was just one of many younger officers in the Army.

Taft's name went as a favorite son before the 1936 GOP convention.

He sought the nomination in 1940, and was licked to the roaring calls of "We Want Willie."

In 1944, he stepped aside so another Chicagoan, John W. Bricker, could have his chance. Bricker was beaten by Gov. Thomas E. Dewey.

GOP NOMINEE—DWIGHT D. EISENHOWER

Hope Program Will Unseat Democrats

By EDWIN B. HAAKINSON
CHICAGO (AP)—A week of name-calling and intra-party feuds, Republicans today had a four-year program with which they hope to drive the Democrats from office.

The official 1952 platform was a roaring shout of approval late yesterday at the Republican convention. But its plank on civil rights came with a splinter of causing an angry floor fight.

Democrats were quick to chop away at the platform. Early comment from the rival camp included denunciation by two men out to win the Democratic nomination and election as president—Averell Harriman and Estes Kefauver.

The racial questions posed by the civil rights issue had not been settled yesterday even while the 6,000-word platform was up for vigorous action.

Even as deep-voiced Sen. Eugene Millikin of Colorado, chairman of the Resolutions Committee which drafted the statement of principles, was proudly reading the document, the threat of a civil rights battle hung over the hall.

That it never materialized was a tribute to Millikin, who had worked day and night to produce a plank acceptable to both Northern and Southern Republicans.

A few hours earlier, Harold C. Burton of New York called a strategy huddle of other Negro delegates and alternates to back a stronger civil rights plank. Assured of recognition by the convention chairman, they had a substitute plank ready.

But they were advised a floor fight probably would be futile. Sen. Irving Ives of New York and Gov. Alfred Driscoll of New Jersey, both known to favor strong civil rights legislation, promised to back such a fight if made but said they did not expect to win.

Then the entire document came up for a vote. It carried by acclamation. Something like a sigh went up throughout the convention hall.

Such accord was a relief to many party leaders who had feared a platform battle would hinder party wounds already opened by the bitterly partisan campaign for presidential nomination.

The civil rights plank promises "federal legislation to further just and equitable treatment in the area of discriminatory employment practices." But it adds: "Federal action should not duplicate state efforts to end such practices."

The platform as a whole bristled with denunciation of President Truman's administration. It plotted a course for a "march into a new day." It promised to end what it called a corrupt-socialistic government unable to cope with communism and replace it with an efficient positive administration that

General Visits With Taft Shortly After His Victory

CHICAGO, July 11 (AP)—Gen. Dwight D. Eisenhower called on Sen. Robert A. Taft today shortly after his triumph over the senator for the Republican presidential nomination.

He arrived, for what was an apparent effort to smooth over the bitterness of the convention contest, under police guard and the two went into private conference.

The general came across the street from his Blackstone Hotel quarters to Taft's suite in the Conrad Hilton Hotel.

The place was jammed. General Eisenhower wore a light grey suit and white shirt. He was bare headed.

Eisenhower and Taft came out of their conference at 12:15 p. m. (CST).

Taft appeared first with General Eisenhower behind him. They walked side by side as they walked into the lobby of the ninth floor. A party of about 40 or 50 persons stopped for a minute behind the two men.

Eisenhower and the senator chatted amiably, both smiling broadly.

General Eisenhower and the senator chatted amiably, both smiling broadly.

Strike Negotiations Continue In Secret

PITTSBURGH (AP)—Top level secret negotiations in the 46-day old steel strike are under way today in this steel capital.

After their first meeting yesterday, spokesmen for both industry and the CIO steelworkers were tightlipped.

A union source said a second meeting would be held at an unspecified time and place today.

There is every indication that most of the issues of the long strike were discussed at least generally at the first session.

Obviously the meeting was called to talk over the industry's request to get iron ore production moving again. But a union spokesman, when asked if other issues were taken up, smiled, and said "You may assume that."

Philip Murray, president of the CIO and the steelworkers, and general counsel Arthur Goldberg, head the union team. Among industry leaders present were Vice President John A. Stephens of U. S. Steel; Vice President Joseph Lar-

of Bethlehem Steel Corp.; and Ben F. Morell, chairman of the board Jones and Laughlin Steel Corp.

Meanwhile, in Washington, Price Administrator Ellis Arnall indicated the government will answer in several days the latest demand for higher prices from the steel industry.

The Weirton Steel Company at Weirton, W. Va., filed notice July 7 for a \$5.50 per ton ceiling hike on its product and unless the Office of Price Stabilization objects the boost will go into effect July 21.

Weirton has not been shut down by the strike and is operating under a voluntary "hold the line" price agreement with the government. The pact stipulates the company is to give 30 days notice of intention to raise prices.

Arnall said it would be several days but not later than next week before an answer is ready. Sources close to Arnall believe he will object to the price raise.

Industry sources are worried over possible shutdowns next winter because of a shortage of iron ore. About 23,000 iron ore miners quit in sympathy when the steelworkers struck June 2.

Iron ore shipments stopped soon afterwards on the Great Lakes. The lakes are open only seven months in the spring and summer and vast stocks of iron ore are moved to stock-steel mills for the winter months.

In addition to the 600,000 idle steelworkers nearly 600,000 other workers have been laid off in allied industries.

Automotive News, a trade journal in Detroit, says auto manufacturing this week will be the lowest in 2 1/2 years because of the steel shortage.

While unable to reach a settlement with the big steel producers the union has negotiated more than 30 contracts covering 50,000 employees by smaller companies. The latest contract, signed yesterday, with the H. H. Robertson Company at Ambridge, Pa., covers 800 workers.

The new contract allows a 2 1/2 cent hourly pay raise. Steelworkers averaged about \$1.95 an hour. The pact is subject to change when the union and basic steel industry reach an agreement. The company previously had a union shop.

The union has insisted on a union shop, which forces all employees to join the union. However, in some contracts signed in the last few weeks a modified union shop has been incorporated. This compels new workers to join the union but permits them to withdraw between the 20th and 30th day of employment.

Ike Will Help Texas Party, Porter Says

By DAVE CHEAVENS
CHICAGO, July 11 (AP)—Nomination of General Dwight D. Eisenhower by the Republican National Convention was a long step toward building "a real Republican party in the south," Jack Porter of Texas said today.

Porter, leader of the militant Eisenhower delegation that won the convention's nod over a rival Taft slate, led the Texans in a howling jubilee when Minnesota's dramatic switch to Eisenhower made his victory apparent.

Texas' first vote was 33 for Eisenhower and 5 for Taft. Then Porter grabbed the microphone and announced that Texas had changed to 57 for Eisenhower and 1 for MacArthur.

Porter announced that H. L. Hunt, Dallas oilman, was the delegate who changed from Taft to MacArthur.

Alvin Lane of Dallas, co-chairman of the Texas Eisenhower Club, said the general's nomination meant rejuvenation for the Republican Party.

"The door is open wide to all corners. We will win in November," Lane predicted.

Nixon Mentioned As Veep Hopeful

CONVENTION HALL, Chicago, July 11 (AP)—Rep. Hugh Scott of Pennsylvania told reporters today he regards Sen. Richard Nixon of California as the "top prospect" for the GOP vice-presidential nomination.

Scott has been a leading figure in the handling of strategy for Gen. Dwight D. Eisenhower.

Nurse Finds Body Of Her Husband

LINCOLN, Calif. (AP)—A nurse opened an ambulance door last night to find the body of her husband, fatally shot by a 4-year-old boy with a rusty .22 rifle found in a garage.

Lincoln Police Chief Robert Jimenez said Louis Prociak, 40, was shot by Walker Hagan Jr. while Prociak and two fellow workers were riding home on bicycles.

Prociak died en route to the Lincoln Clinic, where his wife, Josephine, was on duty as a receiving nurse.

Proposal For Big Four Meet Made To Russia

By EDWARD E. BOMAR
WASHINGTON, July 11 (AP)—The Western powers have submitted to Russia a Big Four meeting proposal which American officials believe will test the sincerity of Moscow's demands for a unified Germany.

The proposal, delivered yesterday, calls for a meeting limited to the specific purpose of creating an impartial commission to determine whether free elections can be held throughout divided Germany.

This was the one new feature in identical notes from the United States, Britain and France which represented the sixth round in a wordy diplomatic exchange going on since last March.

Moscow called then for an urgent meeting of the occupation

powers to take up again the broad question of making peace with a unified Germany, a move Western diplomats at the time interpreted as mere propaganda.

In the new proposals the West laid down once more the condition Russia must agree in advance that any general peace settlement be based first upon genuinely free elections in the Soviet zone, and then to the creation of a free-all-German government which would have a voice in framing the peace treaty.

Moscow thus far has sidestepped any such agreement and many diplomatic authorities doubt the Kremlin will accept the latest terms.

But the Western proposal left the

way open for counterproposals, and American officials believe that in any event Soviet reaction will be useful in guiding public opinion in this country and in Western Europe.

The proposal, made after consultation with West German Chancellor Konrad Adenauer, will not delay ratification of the separate contractual relations agreement and the six-nation European Defense Community Treaty. Whatever Moscow may do these pacts are aimed at bringing the Bonn regime into the Western defense lineup. Officials expect them to be ratified by the end of the year.

Stanton Planning To Purchase Wells

STANTON, (SC)—As a guarantee against a possible water shortage, Mayor Woodford Sale says the city is now negotiating for the purchase of two wells and equipment formerly used by the T&P Railway here. The equipment includes a 50,000-gallon tank which is now owned by a salvage company.

Sale says that in event the city is unable to purchase these wells and equipment new wells will be drilled. At present the city's two wells are being pumped at near full capacity but the water consumption has taken a drop since the recent rains.

See PROGRAM, Page 2, Col. 1

City Construction Makes Another Half-Million Gain

The city's 1952 construction total mounted another half million dollars and construction of 127 additional defense rental units was authorized Friday with issuance of 127 building permits to Henry A. Young Construction Company.

Construction totalling \$542,500 is authorized by the permits. The 127 units will bring to \$831,500 the investment in the rental housing project in Monticello Addition. Builder was granted 68 permits for \$288,000 in construction late in June.

Permits granted Friday include 85 for houses to cost \$4,500 each; 41 for \$4,100 structures, and 13 for units costing \$5,200 each. Still to be secured are 195 permits to complete the 300-unit development.

Young is builder for Mutual Construction Company which is devel-

oping the rental project in Monticello Addition east of Birdwell Lane and north of Eleventh Place. Others associated in the Mutual organization are Otis Grafe, Big Spring; Warren Pickens, Austin; and Larry Blackmon, Mineral Wells.

Mitchell Pioneer Claimed By Death

COLORADO CITY—J. N. Callaway, 80, a resident of Mitchell County for forty years, died in Root Hospital today after a brief illness.

Funeral services, under the direction of Kiker and Son Funeral Home, are pending.

He is survived by Mrs. Callaway; two sons, C. B. Callaway, Corpus Christi, and W. D. Callaway, Kermit; seven daughters, Mrs. Earline Sheffield, Mrs. Bill Nix, and Mrs. John E. Beasley of Colorado City; Mrs. Jim Stalgers and Mrs. Lucille Brown, Kermit; Mrs. E. O. Scarborough, Andrews; and Mrs. Clyde Eldson, South Carolina; 23 grandchildren, and nine great grandchildren.

CONSERVE WATER

Withdrawals during 24-hour period ending at 5 a. m. Friday: 3,023,000 gallons.

Maximum safe sustained withdrawal rate under existing conditions: 3,000,000 gallons per day.

THE WEATHER

BIG SPRING AND VICINITY: Partly cloudy with scattered showers, tonight and Saturday, widely scattered showers Sunday.

High today 86, low tonight 72, high tomorrow 78.

Highest temperature this date 107 in 1907; lowest this date 46 in 1901; maximum rainfall this date 2.35 in 1901.

AREA OIL

Wildcat Near Stanton Shows Signs Of Making Small Well

Plymouth No. 1 Morris, deep Spraberry exploration, swabbed 46 barrels of fluid, most new oil Friday. This venture, bidding as a small producer, is a mile and a half northeast of Stanton.

Borden

Ada Oil No. 1 Clayton & Johnson, C SE SE 39-32-4n, T&P, three miles east of the Good pool and five north of the Vealmoor pool, drilled to 2,710 in lime.

Dawson

Sinclair No. 1 Scott, C SE SE 16-1M, EL&RR, 10 miles west of Lamesa, was at 10,593 in Pennsylvania lime, taking a drillstem test. This is three miles east of the Greenbrier No. 1 Lindsay, a Pennsylvania discovery, and five and a half south of the Mungerville-Pennsylvania field.

Lynn

Deep Rock No. 1 Rackler, 18 miles northeast of Tahoks, was 2,825 in lime. Shall No. 1 Southland Royalty drilled to 10,277 in lime and chert.

Martin

DeKah No. 1 Knox, C NW NE 253 Ward CSL, was at 11,500 in lime and shale. Phillips No. 1 C Schar, section 324 LaSalle CSL, was preparing to hydraulize through perforations 5,530-6,000 above the plugged back depth of 8,617. It had swabbed naturally to make eight barrels of oil and water in 12 hours.

Glasscock

American Republics No. 1 Buckner Orphans Home, C SW SW 17-25-5a, T&P, balled out to bottom and then swabbed through perforations opposite the Dean Sand. It recovered two to three gallons of new oil per hour, naturally, with no water. Operator is preparing to run tubing and swab.

Midland

Phillips Petroleum No. 4 TXL-QQ, 684 from north and 1,975 from east lines of section 47-37-3a, T&P. Tex Harvey pool, flowed 24 hours through half-inch choke after 4,500 gallons fracture. It made no water and 349 barrels of 28.3 oil. Gas-oil ratio was 771-1, elevation 2,670 DF, top pay 7,050, total depth 7,089; 5 1/2-in. liner, perforated 7,100-30, and 7,208-50.

Howard

Stanolind No. 1 Simpson, C SW NW 21-33-3n, T&P, progressed to 7,140 in lime and shale, then lost circulation. Stanolind No. 1 A Snyder, C NW NW 20-30-1a, T&P, drilled to 8,637 in lime and chert.

Stanton

Hunt Oil No. 1 Hodnett, C SE NE 80-97, H&TC, cored from 7,486-7,505, recovering 15 feet of shale. It is now reaming. Hunt No. 1 Hodnett, C SE NE 80-97, H&TC, drilled past 7,490 in shale and lime.

Sterling

Tex Harvey Employees, Inc. No. 1 Jesse Ellwood Chappell, et al, C SE SE 43-18, SPRR, 18 miles northeast of Sterling City, was setting pipe after having shows in the Canyon, Mississippi and the Ellenburger top.

First Federal

Substantial growth within the past six months is reflected in the mid-year report of the First Federal Savings & Loan Association. As of June 30, first mortgage loans had reached \$1,618,233, approximately \$300,000 more than at the end of 1951. Cash on hand was listed as \$183,887, which was \$98,000 more than on Dec. 31, 1951.

Cap Rock

For the second consecutive month, the Cap Rock Electric Cooperative put more than a million kilowatt hours through its lines in June. The amount of current purchased for the month was 1,065,200, which was slightly under the 1,112,300 for May, the all-time peak for Cap Rock.

Dr. Smith

STANTON, (SC)—Dr. Robert W. Smith, former Winona physician and surgeon, and graduate of the School of Medicine, University of Texas, has located here and opened an office in the Martin County Memorial Hospital.

Temporary Units

WASHINGTON, July 11 (AP)—More than 1,000 temporary units have been ordered into eight critical defense areas today for military personnel and civilian defense workers.

More Applications

WASHINGTON, July 11 (AP)—The Communications Commission today announced receipt of these additional television station applications: Taylor Radio and TV Corp., Westaco, Tex., VHF Channel 5.

Local Studies

ABILENE—Three students from Big Spring obtained superior ratings on the psychological and English entrance tests for freshmen at Hardin-Simmons University, Dr. Hoyt Ford, administrator of testing, has announced.

Gen. Collins

TOKYO (AP)—The Army said today Chief of Staff Gen. J. Lawton Collins would arrive by air tomorrow to inspect U. S. Far East military facilities.

west from Lees, drilled to 70 feet. Sinclair No. 1 G. T. Hall, C SW NW 6-34-2a, T&P, was at 6,733, circulating for samples.

Seaboard and T&P Coal and Oil No. 1 S. J. Bishop, C NE NE 31-32-5a, T&P, connecting flow lines to tank battery before test to complete as a Wichita-Albany discovery 14 miles southeast of Garden City.

Sinclair Oil & Gas No. 1 Clark, 600 from south and 1,900 from east lines section 41-35-4a, T&P, filed amended application to deepen to 8,300.

Tide Water Associated Oil No. 2 J. A. Bigby will be a Drifter location 1,900 from the north and east lines of section 11-36-5a, T&P, rotary to 7,700.

American Republics No. 2 M. L. Covey, et al, 600 from the south and east lines section 25-36-4a, T&P, Drifter Spraberry pool, flowed 24 hours through 20-64 choke after 15,000 gallons fracture. It made four-tenths of a per cent water and 147.09 barrels of 40 gravity oil. Gas-oil ratio was 547-1, tubing pressure 100, elevation 2,685 GL; top pay 6,514, total depth 6,920; the 7-in. at 4,920, perforations 6,520-60, from 6,694-6,705 and 6,825-70.

Howard Stanolind No. 1 Simpson, C SW NW 21-33-3n, T&P, progressed to 7,140 in lime and shale, then lost circulation. Stanolind No. 1 A Snyder, C NW NW 20-30-1a, T&P, drilled to 8,637 in lime and chert.

Lynn Deep Rock No. 1 Rackler, 18 miles northeast of Tahoks, was 2,825 in lime. Shall No. 1 Southland Royalty drilled to 10,277 in lime and chert.

Temporary Units Go To Kingsville. WASHINGTON, July 11 (AP)—More than 1,000 temporary units have been ordered into eight critical defense areas today for military personnel and civilian defense workers.

More Applications For TV Stations. WASHINGTON, July 11 (AP)—The Communications Commission today announced receipt of these additional television station applications: Taylor Radio and TV Corp., Westaco, Tex., VHF Channel 5.

Local Studies Get Superior Ratings. ABILENE—Three students from Big Spring obtained superior ratings on the psychological and English entrance tests for freshmen at Hardin-Simmons University, Dr. Hoyt Ford, administrator of testing, has announced.

Gen. Collins Due. TOKYO (AP)—The Army said today Chief of Staff Gen. J. Lawton Collins would arrive by air tomorrow to inspect U. S. Far East military facilities.

Payments Are Authorized By Polio Group

Payment of \$755.62 for treatment of Howard County polio victims was authorized Thursday afternoon by the local chapter of the National Foundation for Infantile Paralysis.

Chapter officials and representatives of several local organizations attended the meeting. Discussed briefly, but with no action taken, was the possibility of securing water therapy facilities for Big Spring.

It was agreed that considerable study would be required for any definite plan for establishment of such facilities, but no further discussions were stated.

Present for the Thursday meeting were Bernice Freeman, chairman; Edith Gay, secretary; Frankie Jenkins, B&PW representative; J. H. Greene, Chamber of Commerce; Tolly Baker, YMCA; Jerome Sawtelle, Red Cross; and Jewel Barton, public health nurse for the Big Spring-Howard County Health Unit.

CRMWD Meet Set In Odessa Tonight

Several Big Springers were due to be in Odessa this evening for a dinner formally recognizing receipt of water from the Colorado River Municipal Water District.

Gov. Allan Shivers is to be principal speaker for the affair at the Lincoln Hotel. Other guests include John Ben Sheppard, former Texas secretary of state; J. B. Thomas, Fort Worth, president of Texas Electric Service and whose exploratory work planned the seed for the CRMWD project; Frank Kelly, Colorado City, president of West Texas Chamber of Commerce.

The CRMWD board is to meet this afternoon in Odessa. R. T. Piner, president, George Mims, George White, R. L. Cook, board members, E. V. Spence, general manager, and Joe Pickle, board secretary, are due to attend.

Nominees Get High Praise By Speakers

CHICAGO (AP)—Here are the GOP nominees and what the nominating speakers said about them: Sen. Robert A. Taft: "Mr. Integrity, Mr. Republican, Mr. American. . . Defender of the Republican faith, greatest assurance against earmarking (youth) for permanent war. . . a leader seasoned and ripe. . . man of courage. . . modern Joshua. . . saw the autocracy of labor leadership. . . a fighter. . . great American (presidential - nominating speech by Sen. Everett M. Dirksen of Illinois).

Gov. Earl Warren of California: "A man whose qualifications as an executive are of such magnitude as to warrant this convention selecting him for the highest office in the land. With him our party could unite. . . to give our country an administration of honor and purpose in both domestic and foreign affairs" (By Sen. William Knowland of California).

Gen. Dwight D. Eisenhower: "The Hercules to sweep the stench and stigma from. . . the Washington administration. . . Genius for victory. . . can break the Solid South. . . man to unite our party. . . unwavering integrity. . . a religious man who will lead this great nation to a moral reawakening. . . rooted in the soil" (by Gov. Theodore McKeldin of Maryland).

Harold Stassen, former governor of Minnesota: "Has given the people of the state a progressive, humanitarian program. . . based on a concern for them and their well being. . . We believe that we are especially well qualified to judge what kind of a candidate is most electable on the national level" (by Mrs. C. Edward Howard of Minnesota).

Gen. Douglas MacArthur: "One of nature's masterpieces. . . will not die and will not fade away. . . renowned in Occident and Orient. . . courage, loyalty and devotion to his country. . . invaded a conquered nation. . . (and) replaced an absolute autocracy with a government of the people. . . words cannot add lustre to that record." (Fred L. Coogan of Oklahoma).

(CARD OF THANKS) We wish to express our thanks and appreciation for the acts of kindness and sympathy extended us by our friends, neighbors, and the Dr. and nurses who were so patient during the illness and death of our beloved little daughter. The L. E. Smith family Mr. and Mrs. Guy Pollock Mr. and Mrs. Bill Smith

Divorce Granted. John Lou Knappe was granted a divorce decree from Carl Knappe in a 118th District Court case heard by Judge Charlie Sullivan Wednesday. The plaintiff also won the right to use her maiden name, Callison.

Condition 'Improved'. Mrs. H. C. Stipp, 819 W. 15th, was said to be in an improved condition in a Lubbock hospital Friday. Mrs. Stipp underwent major surgery Wednesday.

PROGRAM

(Continued From Page 1)

would "wage peace and win it." Harriman, Mutual Security administrator and a candidate for the Democratic nomination, told a news conference at Detroit the platform is "one of the most unconvincing documents of all time."

Kefauver, Tennessee senator who also seeks the Democratic nomination, issued a statement in Washington saying the platform makes the American worker "the forgotten man." He said labor proposals got "the wastebasket treatment."

A United Textile Workers (AFL) statement decried the platform as "viciously reactionary" and "plainly anti-labor."

Americans for Democratic Action (ADA), pledged to the principles of the late President Franklin D. Roosevelt, said: "The platform. . . is a blanket repudiation of the social and economic progress made by the American people over the past two years. The platform as a whole follows the practice of substituting platitudes where planks are called for."

Milklin's voice rang out as he read the platform to the convention. He hit the Democratic administration for "corruption in high places" and "examples of dishonesty and dishonor."

"We charge that they have plunged us into war in Korea without the consent of our citizens through their authorized representatives in the Congress and have carried on that war without will to victory."

After castigating the foreign policies of the Democratic administrations, the platform pledged a buildup of air power and military might to match Russia.

For business it promised to "remove tax abuses and injurious price and wage controls." "Our goal is a balanced budget, a reduced national debt, an economical administration and a cut in taxes," it said.

Farmers were promised that Republicans would remove "barriers political dictation" from farm programs. They were pledged "full parity prices for all farm products in the market place."

MARKETS

COTTON NEW YORK, July 11 (AP)—Seed cotton prices were unchanged to 20 cents higher than the previous close. July 42.34, October 39.81 and December 38.85.

Rules Change Will Give Men Edge Over Women

By WILLIAM F. ARBOGAST
CHICAGO (U) — The Republican convention names a new and enlarged National Committee tomorrow, marking the end of equal representation of men and women on the party's governing body.

Election of the new group is one of the last jobs to be done by the GOP National Convention, which yesterday wrote a new set of rules for the committee.

Opposed by some women delegates as discriminatory against their sex, the new rules were approved by a vote of 683 to 513.

Changes from the old regulations were designed to reward states that stay in the Republican ranks and to penalize those that don't get out a sizeable GOP vote.

They make the party's state chairman a full member of the National Committee if his state has a Republican governor, or if it goes Republican in a presidential year. The chairman would lose National Committee membership if his state went Democrat in a statewide election.

One immediate effect of this change is to give an extra committee member to 25 states that now have Republican governors, and to Alaska and Hawaii, which have Republican delegates in Congress.

And, since the state chairman

in all 25 states is a man, the women complained that they would lose their equality on the committee, now composed of one man and one woman from each state and territory.

Another change may cut into the size of future delegations from Southern states to the party's National Convention.

It boosts from 1,000 to 2,000 the number of Republican votes that must be cast in a congressional district before the district is allotted a delegate to the convention.

Since Southern states normally don't turn out a heavy GOP vote

and none has a Republican governor, the two rules combined will lessen the South's influence in party councils and may reduce Southern delegate strength at the 1956 convention unless the Southern GOP becomes a lot more active.

In an effort to head off in the future bitter fights such as developed this year over seating contested delegations, the convention set up a new Contests Committee. The new group will handle future delegate contests well in advance of conventions and try to settle them before the convention meets.

Dysentery Cure May Be Available

DALLAS, July 11 (U) — A cure for amoebic dysentery may be available to the public within six months, an expert on tropical diseases said.

Dr. Eugene H. Payne has just returned from Peru where the drug was administered to 1,000 natives. "Practically every one was cured," he said yesterday.

Dr. Payne would not disclose the name of the drug. The disease is prevalent along the Gulf Coast, he said, and epidemics were reported recently in Michigan and upstate New York.

Cutback Due For Cleaning Service

WASHINGTON (U) — Government buildings from now on face the possibility of having their windows washed and floors waxed only once a year instead of three times annually as in the past.

The General Services Administration, the government's housekeeping agency, has sent out word a sharp cutback in cleaning services is necessary because of the congressional reduction in its 1953 funds.

The GSA said it also tentatively plans to reduce the three-times-a-week cleaning of offices to one. Trash, however, will still be removed daily.

How Convention Got Big Laugh

Men deliberated seriously (top) on the rostrum of the GOP national convention in Chicago as they tried to decide, during the polling of delegations, how to pronounce the name of Mrs. Providencia Ramos De Villamil in the Puerto Rican delegation. The name was then mispronounced. Whereupon the remarks from Marcelino Romani (lower left) of the Puerto Rican delegation brought down the house with laughter. And for the first time in the long Wednesday night session, a hearty laugh broke over the face of temporary chairman Walter Hallahan (lower right). (AP Wirephoto).

Cool Front Gets Its Last Lick At Texas

By The Associated Press
A dissipating cool front got in one final act on the weather scene Friday by dumping rain showers on East Texas and coastal points.

The front shrouded some places in fog. The rain-called a worn-out thunder shower by the U. S. Weather Bureau—totaled 1.49 inches at Palacios. Observers called it "heavy."

At midmorning it was raining at Galveston and Beaumont. Water-laden cumulus clouds towered around Houston.

Other parts of the state had isolated thunder showers. Rainfall totals for 24 hours ending at 6:30 a. m. gave El Paso .43 of an inch, Beaumont .04 and Salt Flat 16.

Lufkin, Galveston and College Station had light to moderate ground fog soon after daybreak. Rain anywhere in the state was welcome, but the U. S. Weather Bureau held out little prospects for precipitation in any large quantities.

The State Board of Water Engineers reported Thursday that rainfall over the state in June was less than an inch, compared to normal June rainfall of about three inches. The Trinity, Upper Brazos and Guadalupe Rivers experienced the greatest deficiencies in stream flow, which was less than half the June average except in isolated areas.

Officials Are Pleased Over Agreements

By ROWLAND EVANS JR.
WASHINGTON (U) — Defense officials breathed easier today following agreement between the North American Aviation Company and CIO auto workers on a plan to end a wage dispute which threatened to halt production of all F-86 Sabre jets—nemesis of the Russian MIG-15.

Top Air Force officials said even a one-day shutdown of the company's 17 aircraft plants in California and Columbus, Ohio, would be catastrophic. They had made several pleas to the union and the company to compromise differences.

The two sides, following a week of negotiation guided by the Federal Mediation Service, agreed late yesterday to submit their dispute to an impartial, three-man fact-finding board whose recommendation will be binding.

President Truman was elected by both sides to name the three-man board. He was expected to do so at an early date.

The agreement to send the wage issue to binding arbitration includes these other commitments:

1. The company said it would add 12 cents an hour, now being paid as a cost-of-living bonus, to the basic wage. This means that the 12 cents, accumulated over the past two years under a cost-of-living escalation clause, remains a part of basic wage rates even if living costs go down.
2. Retroactivity to last April 28 of whatever wage increase the arbitration panel recommends.

The union represents 28,000 employees at the 17 plants. It originally asked for a wage boost of more than 25 cents an hour. The company has never publicly offered more than a five-cent hike—in addition to incorporating the 12 cents into basic wage rates.

The union was understood to have lowered its demand to around 20 cents an hour during negotiations.

Barber Under Heavy Sentence

DALLAS, July 11 (U) — Robert Hugh Barber Jr., 27, was under a combined 125-year prison sentence today for murder and armed robbery.

The former Fort Worth printer was sentenced to 75 years yesterday after pleading guilty to the armed robbery of a Dallas cafe, from which \$14,000 to \$15,000 was taken.

Barber was already under a 50-year sentence in Tarrant County for murdering Fort Worth Detective H. E. Cleveland. The sentences were set to run concurrently.

In addition to pleading guilty to the armed robbery charge, Barber agreed to drop his appeal from the murder conviction. He took both actions contingent on all of his pending Dallas and Tarrant County cases being disposed of without stacking the time he will have to serve.

State prosecutors agreed to the moves after spending the fourth day of Barber's trial in a futile attempt to select a 10th juror.

Still pending against Barber are a 3-year-old tourist court robbery case in Dallas County a Tarrant County robbery by assault case; two armed robbery cases arising out of his escape from a Fort Worth hospital after the Cleveland shooting; and two charges of assault with intent to murder, in the wounding of two detectives when Cleveland was killed.

Deborah, a Woman of Courage

SHE WAS A JUDGE, A PROPHETESS, AND A MOTHER IN ISRAEL.

Scripture—Judges 4-5.

By NEWMAN CAMPBELL

DEBORAH, a judge, prophetess and a "mother in Israel," is the heroine of today's lesson. She is the only woman judge in all the four centuries the Israelites were ruled by judges. She was indeed a leader, a wise woman, full of courage and also a home woman.

The people of Israel were in trouble again. They had reverted to their evil ways and Jehovah was angry with them so He "took them into the hand of Jabin, king of Canaan."

He "mightily oppressed" the children of Israel and, as usual, they called on God to help them. This king had a captain who had not only a powerful army, but this army had 900 chariots of iron to bring against the Israelites.

Nevertheless, Deborah was not dismayed. It is told of her that "she dwelt under the palm-tree of Deborah between Ramah and Bethel in the hill country of Ephraim; and the children of Israel came up to her for judgment." This place was pointed out to travelers for centuries. It was an oak tree, under whose shadow she would sit and rest when her day's work was done, we are told.

Deborah sent for Barak of whom we know little, but Deborah must have known him. She knew that he could command 10,000 men for battle. She told him to go to Mount Tabor, situated in the middle of the Plain of Esdraelon, about 12 miles north of Mount Gilboa, "And I will draw unto thee, to the river Kishon, Sisera, the captain of Jabin's army, with his chariots and his multitude."

Barak said he would go as she said if she would go too. She said she would go, but warned him that the honor of the victory would not be his, but would belong to another woman.

Barak, with Deborah and his army, went as Deborah said, and faced the chariots and the great army of Sisera. Deborah said to Barak: "Up for this is the day in which Jehovah hath delivered Sisera into thy hand; is not Jehovah gone out before thee?" Inspiring words indeed from a brave woman!

That day Sisera and his hosts, chariots and all, were utterly destroyed by Jehovah's people. Only Sisera himself escaped, and leaping from his chariot, he fled on foot.

Based on copyrighted outlines produced by the Division of Christian Education, National Council of the Churches of Christ in the U. S. A., and used by permission. Distributed by King Features Syndicate.

Now we read of the other woman in the story—Jael, the wife of Heber, a Kenite, a descendant of Hobab, brother-in-law of Moses, who seems to have been living separate from his countrymen, and who had been at peace with King Jabin. She was standing at the door of her tent when Sisera came, fleeing for his life.

Jael said, "Turn in, my lord, turn in to me; fear not." And when he had gone into the tent, she covered him with a mantle.

Sisera asked Jael for a drink of water, for he was very weary and thirsty. Instead she gave him some milk and covered him. Then he asked her to stand at the door of her tent, and if anyone asked her if there was a man therein, she was to say no.

When she saw that Sisera was sound asleep, Jael took a tent-pin and a hammer, and drove the pin through the man's forehead and into the ground, and killed him.

It was a horrible thing for anyone, especially a woman, to do. He was her guest; he felt safe in her home; but she did it for her people. Shortly after this Barak came to look for Sisera. Jael met him and told him what she had done, and he knew then that Deborah's prophecy had come true. The glory of the total victory had gone to a woman, instead of to Barak.

The last part of our lesson is given to Deborah's song of praise. It is universally agreed that this song of joy and thanksgiving is unsurpassed by any poem in Hebrew literature and holds a high place in the literature of the world.

"Then sang Deborah and Barak the son of Abimnon on that day, saying: 'For that the leaders took the lead in Israel, 'For that the people offered themselves willingly, Bless ye Jehovah. Hear, O ye kings; give ear, O ye princes; I, even I, will sing unto Jehovah; I will sing praise to Jehovah, the God of Israel.'

"Jehovah, when Thou wentest forth out of Seir, When Thou marched out of the field of Edom, The earth trembled, the heavens also dropped, Yea, the clouds dropped water." The chapter ends with, "And the land had rest forty years."

Revival Services To Highlight Program For Local Congregations

Revival services will highlight activities at several local churches this week, while in others, the regular pastors will continue to speak.

BAPTIST

At the Baptist Temple Church, now meeting in the high school auditorium, the pastor, the Rev. James Parks, will discuss "Ye Have Sold Yourselves for Naught," from Isaiah 52:3, Sunday morning. That evening he will tell of "Falling Foundations" based on Psalm 11:3.

Dr. P. D. O'Brien, pastor of the First Baptist Church, will speak Sunday morning on "The Importance of Hearing Aright," from Hebrews 2:1. Based on the text, Mark 11:27, the evening topic will be "Christ Meets All Needs of All Men."

A Youth Revival will get underway Sunday morning at the West Side Baptist Church, according to the pastor, the Rev. Cecil Rhodes. An evangelistic team from Harding-Simmons University will be in charge of the services. The team includes Charles Taylor, preacher; Bill O'Brien, singer; Mary Nell Bowen, pianist. The group will have charge of both worship services and the meetings will be held through July 20 each evening at 8 p.m.

CATHOLIC

Masses will be conducted by the Rev. William J. Moore, OMI, at 7 and 9:30 a.m. at St. Thomas Catholic Church; Rosary will be recited at 5 p.m.

The Rev. Paul Hally, OMI, will say masses at 8 and 9:30 a.m. at the Sacred Heart (Latin-American) Catholic Church.

FIRST CHRISTIAN

"Adding Life to Years" will be the morning sermon topic of Lloyd Thompson, minister of the First Christian Church. That evening, the church will hear a guest speaker, as Thompson will be in Eastland conducting revival services.

CHRISTIAN SCIENCE

The sincere desire to do God's will, and acting according to that desire, demonstrates our gratitude for the Father's love, says the Lesson-Sermon titled "Sacrament" to be read in the Christian Science Church Sunday. Selections from Psalms in the Bible and from the writings of Mary Baker Eddy will also be read.

At 8:15 p.m. service, he will preach on "The New Birth." Monday's topic will be "Christ Sent Me Not to Baptize but to Preach the Gospel." Tuesday, he will tell of "What Church to Join."

Other topics for the week include "Are There Christians in All Churches?" Wednesday; "Christian Unity," Thursday; "The Thing Paul Feared," Friday; "What Do I Order?" Saturday; "The Love Story of Mary and John," Sunday.

In case of bad weather the services will be held at the church.

CHURCH OF JESUS CHRIST OF LATTER DAY SAINTS

Sunday School for members of the Church of Jesus Christ of Latter Day Saints will be held at the Girl Scout Little House at 10 a.m. Sunday.

CHURCH OF GOD

The Rev. John E. Kolar, pastor of the Main St. Church of God, will tell the morning congregation Sunday of "Sanctification, A Second Work of Grace." At the evening evangelistic service, the pastor will speak on "Weightier Matters." Directly after the service there will be a baptismal service and all candidates are being asked

Woolseys' Reunion Is Held

Members of the Woolsey family met in the home of Mr. and Mrs. C. A. Woolsey in Lamesa recently for a family reunion.

Mr. and Mrs. Lee Woolsey furnished the music for the group. It was the first time in 30 years that the men had played together.

Among those attending were Mr. and Mrs. Houston Woolsey of Elm, Colo., Mamie Rector of Phoenix, Ariz., Rosa Mathis of Deming, Wash., Muriel Richards and Melba Chandler of Albuquerque, N. M., Mrs. Ora Howard, Curtis Howard, Sharon Rodrick, Mr. and Mrs. E. A. Wigginton and Ginger, Mr. and Mrs. James Chaney and son, Mr. and Mrs. T. S. Woolsey, W. L. Mathis, M. H. Woolsey, Lee Woolsey, Jim Woolsey, Mr. and Mrs. Willard Woolsey and children, Nancy Lee Woodard, Mr. and Mrs. Elvis Mathis and children, Mr. and Mrs. C. L. Woolsey and Laverne, Mr. and Mrs. Clinton Woolsey and children, Jack Mathis, Mr. and Mrs. R. L. Woolsey and children, Mr. and Mrs. Othell Dilly and children, Tall Woolsey, Mr. and Mrs. B. F. Henderson and son, Mr. and Mrs. Terrell Paul, Mr. and Mrs. E. B. Blair, Mr. and Mrs. Monroe Patterson, Mr. and Mrs. James Woolsey and son, Jimmie White and Mrs. S. C. Brouton and daughter.

Officers Named By Indoor Sports Thursday Evening

Amy O'Dell was elected new president of Indoor Sports at a business meeting Thursday evening in the Girl Scout Little House.

Others elected to '52-'53 terms were Dolly Ward, vice president; James Horton, secretary-treasurer; and Claudia Arrick, reporter.

Retiring officers are W. R. Rayburn, president; Amy O'Dell, vice president; Horton, serving an appointive term as secretary; and Miss Arrick, reporter.

SS Class Social

The Mary Martha Class of the Wesley Memorial Methodist Church is having its monthly social meeting at 8 p.m. today in the home of Mrs. C. F. Whiting, 1022 Stadium.

Home From Houston

Mrs. E. H. Sanders and son, Mike, have returned from Houston where they visited Mrs. Sanders' parents, Mr. and Mrs. R. R. went down to bring them home and Ledbetter. Another son, Jerry, to join them for an outing at Galveston.

Welcomes To

FIRST ASSEMBLY OF GOD

W. 4th and Lancaster S. S. 9:45; Worship 11:00 a. m. and 7:30 p. m.

S. E. ELDRIDGE, Pastor

United Pentecostal Church

113 So. Wright St. Airport Addn. Ph. 2197

Everyone Welcome

to be prepared for it Sunday evening, July 17-18 the State of Texas Camp Meeting will be held in Eastland. Most of the membership will attend and consequently, there will not be an evening service July 20th. However, a morning service will be held.

ST. MARY'S EPISCOPAL

Services in St. Mary's Episcopal Church will be the church school at 9:45 a.m. and the morning worship and sermon at 11 a.m.

METHODIST

The Rev. E. C. Armstrong, pastor of the Park Methodist Church, has announced that a summer revival is now in progress at the church. The Rev. A. B. Armstrong, pastor of the Dunn Methodist Church, is preaching twice daily, at 10 a.m. and 8 p.m. The services will close July 20.

"Give God A Chance" will be his evening topic. The evening services at Wesley are held at 7:30 p.m. the year-round. Adult fellowship is held at 8:45 p.m.

FIRST PRESBYTERIAN

The Rev. Harvey Lazenby, associate pastor of the First Presbyterian Church, will speak at the morning worship hour on "Wanted, A Prophet," based on I Samuel 3:1-21. The choir will sing as the anthem, "Praise and Rejoice."

The evening topic, "The Essentials of a Happy Life," will be from the text, Proverbs 16:1-20. The choir's anthem will be "O Word of God Incarnate."

BUILDER'S BIBLE CLASS

Members of the non-denominational Builders Bible Class will meet in Carpenter's Hall at 8:30 a.m. Sunday. Coffee and doughnuts will be served prior to the lesson.

Charlotte Sullivan Speaks To Sorority In Johnson Home

Charlotte Sullivan, instructor at Howard County Junior College, spoke to members of the Alpha Chi Chapter of Epilston Sigma Alpha meeting Thursday evening in the home of Minnie Earl Johnson, 510 Bell.

Miss Sullivan told the group of the facilities and courses available to prospective students of the college.

A short business session was held. Refreshments were served to 15 members.

The next meeting will be July 24 in the home of Juanita Conway, 620 State.

Spider Web Mat

Crocheted in pure white—or in ecru, if you prefer—the big place mat measures 15 1/2 by 11 inches and is one of those handsome, modern-looking table accessories which takes kindly to a good, stiff starching. Then you really have a table mat which will give service for years and years! Make a set of four or six as a wedding gift; a set of three can be used on a buffet; one on a coffee or a lamp table.

Send 25 cents for complete crocheting instructions for the Spider Web Mat (Pattern No. 315) actual size detail, YOUR NAME, ADDRESS, PATTERN NUMBER to CAROL CURTIS

Big Spring Herald Box 229, Madison Square Station New York 10, N. Y.

Patterns ready to fill orders immediately. For special handling of order via first class mail include an extra 5 cents per pattern.

County-Wide Club Cake Sale Planned

A county-wide home demonstration club cake sale to be held July 19 was announced Wednesday afternoon at a meeting of the Elbow Home Demonstration Club in the home of Mrs. Bob Ashbury.

Proceeds from the sale will go to the Gonzales Warm Springs Foundation for Crippled Children, Inc.

Mrs. Ross Hill was co-hostess for the meeting. Mrs. Edward Low was in charge and Mrs. B. J. Petty gave the council report. Mrs. T. M. Dunagan was selected as a nominee to council, where a delegate will be chosen to attend the state Texas Home Demonstration Association meeting at Kingsville in August.

Mrs. Eugenia B. Toland, home demonstration agent, gave a demonstration on furniture arrangement.

Attending were 11 members and a visitor, Mrs. J. P. Cagle. The next meeting will be July 23 in the home of Mrs. B. J. Petty, with Mrs. Jack McKinnon as co-hostess.

Air Base Personnel Entertained At Party

Personnel of Webb Air Force Base were entertained Thursday evening at a bingo party at the YMCA by the entertainment committee of the USO.

Mrs. L. D. Jenkins, entertainment chairman, had charge of the games. She was assisted by Mrs. R. F. Werkmeister.

Members of the St. Thomas Catholic Altar Society prepared boxes of home-made candy for bingo gifts.

Wome of the 1948 Hyperion and Junior and Modern Women's Forums including Mrs. J. G. Tucker, Mrs. J. Fred Whitaker, Mrs. G. G. Sawette, Mrs. Willard Hendrick, Mrs. W. F. Taylor, representative of the City Federation on the USO committee; Mrs. Otis Grafa and Mrs. J. P. Dodge, served home-made ice cream and cake as refreshments.

Girls' Service Organization sponsors were Mrs. Ann Houser, Mrs. R. P. Kountz, Mrs. Roy Worley and Mrs. Tom Harris.

Junior hostesses included Jenny Miller, Doris Brown, Diana Farquhar, Marilyn Miller, Ann Crocker, Narrell Dene Choate, Frances

McClain, Norma Jones, Earlyn Wright, Nancy Lovelace, Sus Nall, Mary Frances Norman, Pat Dillon, Margaret Boren, Joy Barnaby and Jo Reilhan.

Bingo gift winners were Robert F. Hessel of Worcester, Mass., Donald Martin of Florence, Ky., Stan McKenzie of Richland, Iowa, Robert Sledge of Merkel, Paul Sumner of Habine, Ga., Paul R. Spohn of Reading, Penn., Francis Karraker of Madison, Wis., Bob Jacob of Louisville, Ky., Bob Sands of Honolulu, Hawaii, Jim Freeman of Delaware, Ohio, Jim Davis of Oakland, Calif. and Larry Parker of Erick, Okla.

Arthur Long of Albuquerque, N. M., won the grand prize in the games.

The Record Shop furnished the records for dancing and Hugh Mathis took pictures of the group.

Others assisting were Elton Gilliland, chairman of the USO committee, Capt. Robert A. Kessner of special services and Tolly Baker, program secretary of the YMCA.

Altrusa Installs New Officers At Dinner

Mrs. Grace Wallace of Midland, international vice president of Altrusa, conducted installation here last night for new officers of the club.

A special guest, Mrs. Wallace is vice district governor of District 7 and a candidate for governor of the district.

The affair was an informal candlelight dinner at the Settles Hotel.

Installed were Mrs. Marguerette Wooten, president; Mrs. Katherine Thornton, vice president; Mrs. Doris Carr, corresponding secretary; Mrs. Myra Broadwell re-

cording secretary; Mrs. Olive Ruth Cowden, treasurer; Mrs. Myrtle Lee, Mrs. Willard Sullivan, Oma Buchanan and Mrs. Faye Kuykendall, directors.

Mrs. David Barlow of New York City sang, accompanied by her mother, Mrs. Neil Frzier.

A blue and white color scheme was carried out and those participating in the ceremony wore corsages of blue and white agapanthus.

The gift of the outgoing president, Mrs. Kuykendall, was a brandy snifter in which was inserted a white candle surrounded by white flowers floating in blue water. Tied around the handle was a blue bow.

Mrs. Kuykendall was presented a sterling compote engraved with "Altrusa President, June 1951-1951.

In addition to approximately 25 members the following guests attended: Mrs. Louise Horton, Mary Cantrell, Mrs. Auda Stanford, Mrs. Jimmie Freeman, Mrs. Barlow and Mrs. Frazier.

Moving To Houston

Mrs. J. D. Mitchell and sons, Gary, 6, and Terry, 2, are having soon for Houston to make their home. Mr. Mitchell, district representative for Phillips Petroleum has been transferred to that point. The family has lived here about 2 1/2 years.

Reply To Price Boost Demand Being Delayed

WASHINGTON (AP)—The government today put off until next week its reply to the latest price boost demands of the steel industry. Price Administrator Ellis Arnall said it would be several days—but no later than next week—before he could answer a July 1 request by the Weirton Steel Company for a \$5.50 per ton ceiling hike.

Margaret Runs The United States

Margaret Truman's delight is expressed with a tight-lipped smile as she takes the wheel of the liner United States. Commodore Manning, commander of the new speed queen of the Atlantic, holds Miss Truman's binoculars. The President's daughter was among the 1,660 passengers aboard the superliner on her record-breaking maiden voyage across the Atlantic. (AP Wirephoto).

Mac Is Considerably Stronger Than He Was Four Years Ago

By ED CREAUGH
CONVENTION HALL, Chicago (AP)—Gen. Douglas MacArthur may or may not turn out to be a serious contender for the Republican presidential nomination. But in one respect, at least, he's vastly stronger than he was four years ago. In 1948, when the GOP's were meeting in Philadelphia, the general's name got just two minutes of applause when it was placed in nomination.

Early today it got a rip-roaring 35-minute demonstration, which put him right up in the big three. Undoubtedly MacArthur would have had a longer, louder reception both times if he'd been placed in nomination earlier. In '48 the general's name didn't go before the convention until almost 4 a. m. The spectators had gone home by then and the delegates still on the floor were so groggy they wouldn't have cheered a \$1,000 bonus for themselves.

MacArthur got in nomination today at 2 a. m. (EST) and the ovation—complete with big pictures of MacArthur and Abraham Lincoln—was full-scale. With 20 years of grievances to air, the Republicans made a long and often wordy document out of their 1952 platform. But they summed up their views on one subject in a single sentence, the shortest plank of all: "Delivery of mail: We pledge a more efficient and frequent mail delivery service."

There comes a time in every convention when the delegates are so weary of oratory that they wouldn't pay attention to the most accomplished speaker alive. That point had been reached when Rep. Walter Judd of Minnesota, one of the party's better spellbinders, rose to deliver a few thousand carefully chosen words. Most delegates started chatting and drifting through the aisles. Reproachfully, Chairman Joe Martin rapped for order. Looking down at the congestion and confusion on the floor, Judd told Martin, a representative from Massachusetts: "Oh, let 'em alone, Joe. It makes me feel at home—just like the House of Representatives."

Then there were the two little boys whose eyes were bigger than their campaign buttons. Each had Taft and Eisenhower buttons pinned on them. Said one to the other, as they entered Eisenhower headquarters: "Cover up your Taft button and you'll get a free coke."

Two Demos Starting Attack On Platform

By The Associated Press
Two Democratic aspirants to the presidency have begun their attacks on the 1952 Republican platform. Averell Harriman, the Mutual Security administrator, called it "one of the most unconvincing documents of all time."

Sen. Estes Kefauver of Tennessee said it gave "wastebasket treatment" to labor's proposals and made the American worker "the forgotten man."

Flood Sends Auto Tires Down River

WASHINGTON (AP)—Need a new tire? Take your fishing pole down to the Potomac and catch one. A flash flood undermined a service station storage shed and carried 400 brand new automobile tires valued at \$6,000 into the muddy river. So far only 25 have been reported recovered.

PROSECUTE HOT CHECKING

GUILFORD (GIL) JONES
What can the District Attorney do to prevent hot check fraud? I believe he can do a lot about it. As everybody knows, each year thousands of dollars are lost by the people of this district because of hot checks. A check over \$50.00 is a felony offense under the jurisdiction of the District Attorney. The District Attorney, together with the County Attorney and Sheriff must make this kind of fraud so dangerous as to discourage the would-be criminal. I pledge my greatest effort toward this purpose, and I will not pick and choose, but will enforce the law for every hot check in every legitimate business.

New List Identified

WASHINGTON (AP)—The Defense Department today identified 100 additional battle casualties in Korea. A new list reported 17 killed, 78 wounded, 10 missing and four injured.

Riding THE GRUB LINE

With Franklin Reynolds

A group of Howard County farmers and ranchers who have expressed disappointment with the way the campaign to raise funds for cloud seeding has been managed, are setting up another organization to make additional efforts to raise the needed funds to meet the county's quota.

A county-wide meeting has been scheduled for the Court House at 8 p. m. Monday, July 21 and the public is invited to attend and participate either for or against the program.

The Grub Line Rider has recently talked with a number of people from Martin, Midland, Dawson and elsewhere over the area where rains have fallen, and they believe in the project. A great many of them have learned that the seed-rain can easily be distinguished by the very small slow-falling drops that result in good penetration and less runoff.

Farmers and ranchers who want to enroll their land in the program without waiting for the new campaign for funds to get under way, may do so by mailing their checks to the Big Spring Chamber of Commerce. All checks should be made payable to the West Texas Weather Improvement District (or the capital initials WTWID may be used). The assessment is one cent an acre for grass or three cents an acre for crop land. All remittances should be accompanied by a note stating the acreage and the full name and mailing address of land owner or other contributor. All persons investing in the program will regularly receive the Dr. Krick weather forecasts.

Residents of Big Spring also have a vital interest in this project. Everybody needs water. Contributions from business firms and city dwellers will also be welcomed.

An agricultural improvement field day has been scheduled for 2 p. m. Thursday, July 31, at the Brownfield Experiment Station and all West Texas farmers and ranchers are invited.

Among the subjects to be discussed will be insects and insecticides, fertilizers, cotton defoliation, and the projects being carried on at the Brownfield Experiment Station.

The sponsors include among others the Chambers of Commerce at Tahoka and Lamesa and the Agriculture and Livestock Division of the West Texas Chamber of Commerce. The Lamesa Chamber of Commerce is sponsoring a Mexican Labor Conference to be held in the Green Hut Cafe there at 1:30 p. m. Wednesday, August 6, and all farmers and ranchers from this area are urged to attend. The purpose of this conference is to bring to West Texas ranchers and farmers the all-important subject of Mexican labor, because there have been many changes in the contract with the Mexican government, and it is necessary that the employers of Brazos reliably acquaint themselves with these changes and how they affect the labor situation in this section.

The Lamesa Chamber of Commerce has obtained the best men available to bring this information to the farmers and ranchers. Among the subjects to be discussed will be the new agreement and the pertinent changes that have been made in it; the responsibility of employers; how the Big employer looks at the new agreement; processing techniques; and then there will be periods of questions and answers—the more questions asked the more successful the meeting will be.

Rate Hike Refused By District Court

DALHART, July 11 (AP)—A request for an immediate phone rate increase here was refused in District Court yesterday.

The Southwestern Associated Telephone Co. asked a temporary injunction permitting the boost, pending the outcome of a main suit which seeks to establish the higher rate.

Judge Harry Schultz denied the application on a legal point, holding that a temporary injunction cannot be issued except to maintain the status quo.

There is a creative quality in faith. We can actually work together with God. If our faith is worthy it presents a mighty claim on the infinite. "Now faith is the substance of things hoped for, the evidence of things not seen." — Heb. 11:1.

GOP Ranks Awaken To Task Of Naming Balancing Veep Candidate

A platform is something political parties adopt in the proceedings of their national conventions, and then everybody promptly forgets—except the small pressure groups with special axes to grind which never fall to bring up the subject to the administration's face if it shows no signs of delivering.

On it, some wanted a middle course, and some were as opposed to it as Southern Democrats. The action of two New York Negro delegates offered a slant on the intense feelings involved over FEPC. They came to the convention strong for Eisenhower, switched over to Taft for awhile, and then back to Eisenhower.

Platform Building Is Task For Minorities With An Ax To Grind

In the heat of the great battle between Eisenhower and Taft for the nomination, the GOP now awakens to the task of selecting a vice presidential candidate. Opinion now seems to be crystallizing on the top spot—and securing a balancing running mate suddenly becomes more pressing.

Because of a constitutional inhibition, the running mates must be from different states. On three occasions, the Republicans have chosen a vice president for a repeat performance, but in each case the ticket was beaten. Four Republican vice presidents inherited the presidency when their principal died in office—Johnson, Arthur, Theodore Roosevelt and Coolidge. Johnson, Lincoln's second, wasn't even a Republican, but an anti-secession Democrat who was chosen on the GOP ticket to attract Northern Democrats.

Merry-Go-Round—Draw Pearson

Good Managers, Plus Appeal Of A 'Cause' Has Given Ike Strength

CHICAGO.—For a man who knew almost nothing about politics, the Eisenhower has done pretty well in Chicago. Looming in a dark red bathrobe and a pair of slippers, Eisenhower sat in his suite at the Hotel Blackstone getting reports from division commanders in battle. There was not the same tension, of course, and it's also doubtful that Eisenhower understood all the political jockeying of his campaign commanders as he would the feints of his division commanders.

So, when General Motors notified Summerfield in no uncertain terms that he had better be for Eisenhower, it gave him cause for thought. Simultaneously one of Henry Ford's executives sent word to Summerfield that if he wanted any money for the GOP in Michigan he had better get off the Taft bandwagon. So, at Chicago, swing-man Summerfield helped swing Michigan delegates to Ike.

But, in politics as in war, victory usually goes to the man with the best organization—plus a cause. And though Senator Taft has had 12 years of careful party organization behind him, together with some of the most devoted leaders in the GOP, here are the factors which Eisenhower has had backing him:

These were some of the moves by which Ike Eisenhower, the naive and none-too-happy politician, learned that when it comes to politics there's more than one way to skin a candidate.

1. A skilled Chief of Staff—What Gen. Omar Bradley was for the Normandy landing, Gov. Tom Dewey of New York has been for Ike's political battle. Though unpopular with many leaders, Dewey knows the political moves, has built up a smooth machine, and it really functioned at Chicago.

More has leaked out on the New York caucus at which Tom Dewey really cracked the whip. To keep his delegates in line on the question of changing the old 1824 rules of seating contested delegates, Dewey urged: "It's all right to have a difference of opinion, but I'm a regular Republican and a great believer in party regularity. You can still be a Republican and disagree with me in this fight, but not a New York Republican." State Chairman Bill Pfeiffer echoed Dewey: "I also have a long memory and I won't forget those who desert us on this issue." New York's Sen. Irving Ives was milder. He said: "If we are going to fight corruption in the Democratic administration we have got to keep our own house clean." They won the day. With the exception of one delegate, New York stuck with Dewey on the contested delegates issue.

2. A cause—It wasn't until Taft handed Eisenhower the "vote steal" slogan in Texas and Louisiana that Ike really began to gather steam. This gave him a chance to argue that the Republicans do not go in for the corruption that they'd planned on the Democrats. The argument carried weight.

More has leaked out on the New York caucus at which Tom Dewey really cracked the whip. To keep his delegates in line on the question of changing the old 1824 rules of seating contested delegates, Dewey urged: "It's all right to have a difference of opinion, but I'm a regular Republican and a great believer in party regularity. You can still be a Republican and disagree with me in this fight, but not a New York Republican." State Chairman Bill Pfeiffer echoed Dewey: "I also have a long memory and I won't forget those who desert us on this issue." New York's Sen. Irving Ives was milder. He said: "If we are going to fight corruption in the Democratic administration we have got to keep our own house clean." They won the day. With the exception of one delegate, New York stuck with Dewey on the contested delegates issue.

3. A high-powered publicity campaign—No convention since that which nominated Wendell Willkie in 1940 has seen anything to equal Ike's ballyhoo. It was done by some experts from General Mills in Minneapolis and from Young and Rubicam in New York. There's been a lot of merely spontaneous Ike sentiment, too. Pretty girls boosting Ike have been everywhere, passing out buttons by the handful. Taft buttons were passed out parsimoniously, only one at a time.

4. Money—Though Taft seemed to have most of the cash at first, and the Eisenhower forces were slow in paying their hotel deposit, someone has really taken the rubber band off the Eisenhower bankroll recently. Taft claims that Wall Street opened up for Ike are probably correct. Winthrop Aldrich, head of the Chase Bank and a member of the Rockefeller family, is an old and faithful Dewey supporter.

5. Economic pressures—In every convention, where the Republican or Democratic, it's the death and the last-minute pressures that swing the big blocs of delegates. FED got the nomination in 1932 by promising two cabinet posts to William Gibbs McAdoo for his friends and the vice presidency to John Nance Garner.

At Chicago, the Michigan delegation was swung into line chiefly by General Motors and Ford. Four years ago, the head of the Michigan delegation, Arthur Summerfield, was strong for Taft. Even when Michigan Republicans held their convention this year, Summerfield still held out for Taft. But Summerfield is a General Motors dealer. In fact, it is reputed to be the biggest Chevrolet dealer in the world.

Donkey Can Relax Acting Like Jackass, But It Makes An Elephant Very Nervous

(Editor's note: Wilbur Peeble, America's most average citizen, goes to the heart of the G.O.P. problem in the following letter to his wife, Trellis Mae, from the Republican National Convention.)

among themselves like Democrats. A donkey can relax acting like a jackass, but it makes a dignified elephant nervous.

By HAL BOYLE

CHICAGO, July 11 (AP)—Well, honey, it looks like five stars over the White House—according to a waitress who sold me a hot dog at convention hall.

It may be a bit early for the Ike fans to count Senator Taft out. Personally, I know of only one man who has turned in his Taft button and he explained it only because he was having his suit pressed—and wanted it back right away if Taft is nominated.

This Day In Texas

A Texas newspaper on this day in 1826 gave credit to one Alexander Follett for constructing the first steamboat ever built in Texas, on the Brazos River in the early 1820's.

USDA Forecasting Large Production

WASHINGTON, July 11 (AP)—The Agriculture Department forecasts farm production second only to banner 1948 this year. Estimates for Texas follow: Potatoes: 17,000 acres for harvest, 110 bushels per acre and production 1,870,000 bushels. Sorghums (increase for harvest only): 6,076,000 acres. Winter wheat: 3,353,000 acres for harvest, 12 bushels per acre and production 40,350,000 bushels. Corn: 2,301,000 acres for harvest, 17 bushels per acre and production 39,117,000 bushels. Oats: 696,000 acres for harvest, 24.5 bushels per acre and production 21,952,000 bushels.

Generous Comedian Left Many Debts

NEW YORK (AP)—Comedian Willie Howard left debts of more than \$78,000 and assets of \$7,118 when he died Jan. 12, 1949, at the age of 62. Howard, who had a reputation for generosity, owed federal and New York State income taxes, it was disclosed yesterday when the U. S. government filed objections to an accounting in the estate. The largest claim against the estate was a U. S. income tax bill for \$45,395 for 1944-45. The state claimed \$9,233 income taxes plus interest for 1948-49.

MANY EXHAUSTED Lung Power Derby Sweeps Convention

By RELMAN MORIN
CONVENTION HALL, Chicago (AP)—The great lung-power derby, a strange tribute to Americans, howled itself into exhaustion in the wee hours this morning, having named five men as choices for the highest office in the land. For nearly eight hours, last night and today, five bands of Republicans made as much noise as they possibly could. They used most of the known instruments for disturbing the peace—cowbells, whistles, sirens, a pipe organ, tin and wooden rattles, brass bands, and not least of all, the human voice.

History will never be able to record which group racked up the highest score in sore throats. Nor could you say which of the five put on the best mob-scene in the aisles, waving a forest of placards, flipping flying saucers and colored streamers into the air, releasing balloons, capering, cavorting and having, generally, a good time. There were governors, senators, congressmen and worthy citizens, men of standing, in each of the demonstrations. They wore strange head dresses, Hawaiian leis, and straw hats with slogans plastered across the top. The hoisted pretty, shrieking girls on their shoulders, and banged each other in the eye with placards.

Of the five spectacles—they are carefully arranged by vice presidents in charge of spontaneous demonstrations—there was something to be said for each. Those who launched Sen. Robert A. Taft and Gen. Dwight Eisenhower lasted longest and made the most noise. No doubt about that. But the blue-and-gold riot on behalf of Gov. Earl Warren of California was somehow warmer and sweeter.

Moreover, when electricians threw a blazing, powder-blue spotlight on Mrs. Warren and the Warrens' three blonde, photogenic daughters—Virginia, Nina and Dorothy—everybody joined in the acclamation. All three, in evening gowns, were neatly curled and coiffed, smiling with white teeth flashing, and very proud of papa. Oddly enough, there was no demonstration at all when ex-Gov. Harold Stassen was named, although a pretty woman in a glowing yellow dress made the speech. She was Mrs. C. E. Howard—Marge to her friends.

Gen. Douglas MacArthur's partisans, fewer in number but second to none in energy, were fifth and last on the scene. They paraded carrying giant photographs of MacArthur, and sang "Old Soldiers Never Die," and "Oklahoma," out of deference to Fred L. Coogan, the Oklahoma man who made the nominal speech. It was the usual organized nonsense, a series of outpourings of healthy animal spirits, giant spasms of energy. But there were sharp-edged over-

tones too. A seconding speech for Taft, delivered by Richard Neville of New York, almost duplicated the previous night's flare of ill-feeling, stirred by Sen. Everett M. D. Neville called for the party to repudiate "the leadership that has led us to defeat twice before."

That meant Gov. Thomas E. Dewey of New York, an Eisenhower supporter. The Dewey means a defeat theme is the counter to the Taft-can't-win-line that Eisenhower's campaigners have been using. And more than one speaker was boed, despite Chairman Joseph Martin's plea that the GOP convention was no place for Republicans to be booing other Republicans.

Appropriation Bill Signed By Truman

WASHINGTON (AP)—President Truman yesterday signed the \$1,015,981,710 appropriations bill that pays for operations of the State, Commerce and Justice Departments, and the judiciary during fiscal 1953. About 228 million dollars less than budget requests, the total is broken down to give the State Department \$217,701,000, Justice \$194,203,000, Commerce \$596,588,000 and the courts \$27,306,000.

Drouth Causes Forecast Of Short Texas Citrus Crop

WASHINGTON, July 11 (AP)—A short citrus crop in Texas in 1952-53 was forecast by the Federal Crop Reporting Board because of a severe drouth earlier this year which caused heavy shedding of blooms. Marked improvement was shown in Texas, however, because most of the citrus belt received rain each week in June, the board said yesterday.

The board estimated the 1951-52 orange yield increased one per cent above that of the preceding year while the grapefruit harvest dropped 13 per cent. The orange crop, estimated at 118,300,000 boxes, was reported about finished. While only slightly larger than the 1950-51 crop, the yield was 19 per cent above average. About 18 million boxes remained for harvest on July 1 this year—17 million California valencias and about one million Florida valencias.

The total grapefruit crop is estimated at 400,400,000 boxes—not only 13 per cent less than last season but 21 per cent less than average. Most of the California summer crop of 1,500,000 boxes is yet to be marketed.

Abandonment of Florida grapefruit this season is expected to reach three million boxes primarily because of low prices. California lemons were estimated by the board to total 12,800,000 boxes in the 1951-52 years, five per cent less than the previous year and slightly below average.

Reuther Criticizes Health Legislation

WASHINGTON (AP)—Walter Reuther, president of the CIO United Auto Workers, criticizes Federal health and safety legislation as being designed to "give you protection if it means increased efficiency but never because of the human element."

"Protecting the individual is more important than advancing efficiency," he added at a meeting yesterday of President Truman's commission on the health needs of the nation, of which he is a member.

Reuther said every time people get together to plan ways of improving health and living conditions, "the tag of socialism is put on it, by the reactionaries who want to go on exploiting the nation's natural resources."

TONIGHT AT 7:30

toning drama based on official F.B.I. cases

THIS IS YOUR F.B.I.

Presented by Equitable Life Assurance Society of U.S.

KBST 1490

on your old ABC Radio

Stay tuned for THE ADVENTURE OF OZZIE AND HARRIET 8:00 a.m.

Opens Formally Saturday

The public will be introduced formally Saturday to the city's newest service station. It is Cosden (No. 7) at Fourth and Gregg. Visitors calling at the modern and spacious facility during the day will be presented with favors; receive double green stamps on purchases; and be asked to register for a special gift. Howard Shaffer and Jack Y. Smith are lessees.

Big Celebration Is Planned For Opening Of New Cosden Station

There will be big doings at the corner of Fourth & Gregg all day Saturday as people in this area become acquainted with Cosden Station No. 7 and its 24-hour service. Anticipating a large volume of traffic through the station all day, Manager Howard Shaffer will be backed not only by his regular force but also by five members out of the Cosden headquarters sales staff. Throughout the day there will be favors for those who attend, and a special registration for gifts to be given away at 9 p.m. in the evening. There will be candy for the youngsters, and double the quota on green stamps on all purchases. The station, modern in every respect, was designed for its particu-

lar purposes. There are no awnings, and the drives are wide with easy access to the streets. The smallest car or largest truck can be served—and served quickly. Latest type of hydraulic grease equipment is to be used so that service will be faster as well as better. Shaffer pointed out that 1,100 gallon storage of water (independent of city supply) is maintained so that car washing is possible. Washing is done with pressure for maximum results, and engines can be brightened with cleaners' naptha and hosed down. All interiors are vacuumed. Tile restrooms, kept sparkling clean and with ample light, are features of the station, too. Besides the famous Cosden high-octane gasolines and motor oils,

the station will carry a line of accessories along with Mansfield tires (truck as well as passenger) and X-5el batteries, battery cables, filters, lights, etc. Motor boat oils also will be stocked. Associated in the enterprise with Shaffer is Jack Y. Smith, an old-timer in the Cosden organization here. Shaffer has been in Big Spring since 1933 with some time out for the Armed Forces. More recently he has been engaged in operation of the Cosden Station at State and Eleventh Place. Getting in on the act Saturday will be C. W. Smith, sales manager for Cosden; Angie Glenn; Hugh K. Harris, tire-battery-assessor department manager; and others from the sales department. In addition to round-the-clock operation, the station also will feature pick-up and delivery service. Its six fast action pumps are ample to handle a large volume of trade expeditiously so that no one will have to wait.

Scouts Ranks Grow Despite Vacation Time

Boy Scout enrollment in the Big Spring district is still on the increase despite the vacation period. Jimmie Hale, scout field executive, reported.

In the monthly report for the four-county Lone Star District, Hale stated the total enrollment—Cub, Boy Scouts and Explorers—is 11 above the June 1 report.

Enrollment June 1 was 688 and the July 1 report was 699. January 1, the enrollment was 625.

Two hundred twenty-one of the number are Cub; 227 are Boy Scouts and 141 are Explorer Scouts. The increase came in the Cub and Explorer groups. The Cub organization gained nine members and the Explorers two.

The July 1 total is the highest total ever recorded in the Lone Star District, Hale noted.

On July 1, 1951 the enrollment was 465, including 142 Cubs, 227 Scouts and 96 Explorers. Thus, in the past year, the Cub organization gained 79 members; the Scout enrollment jumped 100 and the Explorer's increase was 45.

During the first six months of 1951, the District opened three new units (Cub packs, Scout troops and Explorer posts). During the same period this year, seven new units have been opened.

Hale stated he did not know how the district stack up in proportion with the other districts in the Buffalo Trail Council but he commented he felt the district had a bigger enrollment in respect to population than the Lone Star District.

Argument On Trees Concludes In Death

BOWIE, July 11 (AP)—An argument between two old men over damage to apple trees separating their property ended with the death of one of them of shotgun wounds yesterday.

C. E. McKinney, 74, pioneer resident of this area, died in a hospital. J. K. (Bob) Sutherland, 54, was charged with assault with intent to murder and released on \$3,000 bond after the shooting Wednesday.

Boyd Barjenbruch, Montague County attorney, said he would ask a special grand jury to indict Sutherland for murder.

McKinney was cut down by a blast on a downtown street. City Marshal Tandy Welch said the two had argued when McKinney claimed a fire in Sutherland's yard damaged the apple trees.

Tot Hit By Truck

GALVESTON, July 11 (AP)—Dale M. Little, 2, was run over by a truck and killed yesterday. The son of Mr. and Mrs. Chester A. Little Jr. of Beaumont was brought to the home of his grandmother here for medical treatment. Officers said the truck driver was Sam Joseph Frazer, 38, of Galveston.

Polio Attacks Set New Record Over Country

There is more polio in the United States this year than ever before, the National Foundation for Infantile Paralysis says, and nearly one case in every three is in Texas. There were 3,683 cases reported in the U. S. for the first half of 1952 as against 3,183 cases in 1951, worst epidemic year for polio in history. And the attacks continued to hit heavily in Texas.

The record number of polio patients were swamping hospitals and extending the nurse and doctor supply. But everybody seemed willing to help.

The Air Force came flying to the rescue in Houston with Randolph Air Force Base sending three radio command cards to help coordinate distribution of a new blood serum being used in a try to prevent polio.

Swarms of parents were flocking to polio prevention study clinics to have their children inoculated before the project ended Friday afternoon.

More than 25,000 children have been inoculated in Houston. A new convalescent center was set up in Tyler Thursday to relieve the hospital load at Dallas, Fort Worth, Wichita Falls, and Texarkana.

San Antonio reported three new cases Thursday, bringing the total there to 73.

Fort Worth had two new cases for a 103 total.

Dallas County had four new cases and total of 132 for the year.

And Houston had three new cases with a total of 198 city cases and six deaths, 145 county cases and six deaths.

Henderson Case Going To Jury

AMARILLO, July 11 (AP)—The Federal Court trial of C. M. Henderson, charged with converting Commodity Credit Corporation grain to his own use, neared a jury today.

The defense rested yesterday after the 61-year-old former mayor of Farwell, Tex., testified that some government-owned grain bargains were included in sales he made to meet a \$30,000 bank note.

Henderson told the jury he had no intention of appropriating CCC grain for his own use.

Several character witnesses also were heard.

Cavitt Binlon, U. S. assistant district attorney, said the case should reach the jury today.

The gray-haired defendant said that a member of the CCC office, who he identified as Clark Miller, once instructed him to discontinue shipping CCC wheat because of the poor grade of grain in storage at Henderson's Farwell firm.

Henderson said he thought this action meant that the grade of wheat on hand no longer was acceptable to the CCC.

Henderson was indicted on 56 counts but five of these were dismissed at the opening of the trial on motion of the government.

Reds Issue Warning Against Farm Theft

MOSCOW (AP)—The Communist party and the Soviet government have issued a stern warning against persons who steal collective farm property.

"The party and the government," said the magazine *Boishevik*, "demand that the severest, most merciless measures be employed against people pilfering public property and against their accomplices in order to shield the commonly owned sector of the collective farms from all swindlers and rogues who make use of the collective farm for personal, selfish purposes."

The magazine brought out that some collective farm workers still are possessed with the old private ownership psychology. It added: "Individual collective farm workers strive to snatch a little more for themselves to the detriment of the collective farm and at the same time evade active work in public production. . . . They concern themselves only with their own personal economy."

The magazine said it is in precisely such collective farms that the tempo of the development of the commonly owned sector is weakened.

Just after the war it was brought out that a number of serious abuses had taken place.

"Despite the strict injunctions of the party and the government to shield the collective farms from encroachments on their property," instances of pilfering and squander-

Admiral Lashes National Policy

SAN ANTONIO, July 11 (AP)—Rear Admiral T. G. W. Settle, commandant of the 8th Naval District, says the United States would have won the Korean War "if it had not been for national policy."

Settle, whose headquarters is in New Orleans, spoke last night at the national convention of the Reserve Officers Association.

"If it hadn't been for the reserves," said Settle, "we would not have been able to fight the Korean War, and we would have won the war if it had not been for national policy."

Today's convention session was to be highlighted by a talk by Rep. Paul Kilday of San Antonio, a member of the House Armed Services Committee.

The convention is scheduled to end after Saturday's election of officers.

Cool In Mexico

MEXICO CITY, July 11 (AP)—Skies were partly cloudy yesterday and the temperature ranged from 48 to 75.

SERVICE STATION NO. 7

On Formal Opening

SATURDAY, JULY 12

We are proud to have been the contractor on this new Cosden Service Station.

Pat H. Stanford, Inc.

GENERAL CONTRACTOR

2511 W. S. Front St. Midland, Texas

THIS REFINERY OPERATED BY

LOCAL NO. 826

Labor and Management In Harmony—The IUOE Local 826 "Label" on Tank of the Cosden Petroleum Corporation

Welcome . . .

To COSDEN SERVICE STATION NO. 7

The International Union of Operating Engineers, Local 826, is proud to welcome another outlet for their Union-made products.

The gasoline and oils sold at the new Cosden Service Station No. 7, at 4th and Gregg, were processed from the crude oil to finished products by members of Local 826 who are citizens of this community.

We are proud of the fact that through nine years of excellent labor and management relations, there has never been a slowdown or a work stoppage at Cosden Petroleum Corporation.

We are pleased to announce to the public that we will have representatives from our Local to assist in the formal opening, on Saturday, of the new Cosden Station.

MEMBERS OF LOCAL 826
D. J. Greenwood, Business Manager

Jilted A F Officer Kills Nurse, Hospital Guards

HOUSTON, July 11 (AP)—A jilted Air Force officer killed his sweetheart, two hospital guards and himself at a nurses home here last night as screaming nurses watched. The orgy of blood and gunfire occurred on the second floor of Memorial Hospital's nursing home—where men are not allowed. The officer—Capt. Renard Haywood of Ellington Air Force Base near here—had forced his way at pistol point into the nurses' sanctuary. Besides the 34-year-old Haywood, the dead are: Miss Carroll Cooper, 24, pretty junior nursing student from Columbia, Ala.; Robert Peterson, 64, guard, Houston. J. C. Fair, 69, guard, Houston. A nurse eyewitness, Miss Sue Grantham, 19, said Peterson was killed instantly and that Fair lived only a few minutes after Haywood shot them down as they ran to the aid of Miss Cooper. After shooting the two guards, Haywood barricaded himself and Miss Cooper in her room, waving a German luger 9 mm. pistol in the air. As hastily summoned police entered the room, the nurses said, two more shots were fired. Haywood shot the girl in the head and then turned the powerful pistol to his own temple. The half-dozen student nurses who saw the shootings told newspaper reporters that Miss Cooper refused several months ago to see Captain Haywood any more. Last Friday, the students said, he telephoned for Miss Cooper, but told another girl to deliver to her this message: "This is going to be your last day. Last night, the captain appeared at the nurses home just before 10 o'clock and forced Mrs. Etta Judah, the hostess, to take him to Miss Cooper's room on the second floor. In the room with Miss Cooper was Miss Patricia Barnett, 19, another student nurse. Miss Cooper and the captain

argued as five other junior nurses returned to the second floor from a nearby drug store. Two ran for help, and Miss Martha Westbrook. Two suspects held for questioning. SAN ANTONIO, July 11 (AP)—A gun and a tavern brawl put two men under questioning here today, in the fake traffic death of an Alice Border Patrol inspector. The men were arrested after the fight. Police said one of two guns they left in the bar is of the same caliber as that used to kill Ed H. Wheeler, 43, chief of the Alice Border Patrol station. Wheeler's body was pulled from behind the wheel of his car after a head-on traffic collision near Mathis this Sunday night. It was presumed Wheeler died in the accident, but 12 hours after the accident the undertaker noticed a bullet hole behind Wheeler's right ear. Police said the slayer shot Wheeler, put his body into the car and sent the automobile speeding down the highway before jumping out. Japan Is Lashed By Big Rainstorm. TOKYO (AP)—The fiercest rainstorms in 40 years lashed South-Central Japan last night and today, taking a heavy toll in life and property. Kyodo News Agency reported 28 killed in storms in the Osaka-Kobe area of Honshu, Japan's main island. More than 100 landlides were reported. Kyodo said 108 houses were destroyed and 72,600 houses and more than 22,000 acres of farmland flooded.

of Pasadena, Tex., searched for a telephone that was not in use. The house phone was unattended because the hostess operates the switchboard. Finally, Miss Jeanine Callahan, 20, Boling, Tex., called the hospital proper from a pay telephone booth. "Please send some guards," she pleaded. "Haywood is on the floor," Miss Westbrook said, "he's not Carroll." Miss Callahan said she heard Haywood, waving his pistol, say: "I've been trying to call you. I've tried to talk to you. You wouldn't answer the phone." Miss Callahan said she ran to her own room, peeked out and saw screaming girls running down the hall. Haywood walked to a lounge, she said, and the two guards ran toward him. Miss Grantham said the two men never drew their guns, but fell when Haywood fired a volley of five shots. Haywood then forced the Cooper girl to return to her room, where Mrs. Judah, thoroughly frightened, had remained. As Haywood closed the door to the room, Miss Grantham ran to the fallen guards. "Mr. Peterson didn't have any pulse," she said, "but Mr. Fair did." "When the police came," Miss Grantham said, "Carroll and Haywood were still in her room. x x x I told the police where to find Carroll and Haywood. While the police were there (speaking to Miss Grantham) we heard two shots in Carroll's room." Captain Haywood, the police said, had shot the girl and himself. Both had head wounds. Lt. H. J. Clark of the Houston homicide squad said the Air Force officer had been arrested three or four months ago for creating a disturbance at the nurses home. The hospital and home are in the downtown area near the city hall and public library.

Objectors Now Being Processed

WASHINGTON (AP)—Conscientious objectors eligible for the draft now are being processed for 24-month stints in civilian work as a substitute for military duty. Maj. Gen. Lewis B. Hershey, Selective Service director, said yesterday the Army had issued specific instructions to its examining stations regarding conscientious objectors to stations for examination. Hershey said, with volunteers going first and then non-volunteers in the order they are subject to draft. Under a law passed by Congress in 1951, the 1-0 registrants who pass the tests will be assigned for 24 months to work at standard wages for federal, state or local agencies and with specified non-profit organizations. On June 1 of this year, 7,658 men were listed as conscientious objectors. Of these 775 had been examined and found acceptable for work. Mitchell Donors Go Over Their Quota. COLORADO CITY, July 11—Mitchell County blood donors turned out to give 163 pints to the Red Cross Bloodmobile Thursday. The Bloodmobile visit was sponsored by the VFW in Mitchell County, and was held at the Legion Hall. P. C. Smith, VFW official who directed operations, said, "The response was amazingly good," and expressed his appreciation of the clubs and volunteer workers who had assisted with the project. The quota for Mitchell County was 150.

Farmers Make Protest On Land Damage

LAMPASAS, (SC)—Lampasas County farmers who saw their pastures chewed up by heavy tanks and trucks a few months ago during Operation Longhorn certainly don't want to see the Army to come back again next year. Nearly 100 farmers and ranchers from all sections of the county gathered in the district courtroom here Thursday to tell the commanding general of Fort Hood why they don't want their land used again for large scale Army maneuvers. And, they had plenty to say, too, about the manner in which the Army has been processing their claims for damages to their fences and grasslands. Many reported that from 10 to 20 men had visited them seeking information but that they have not yet received any settlement. Maj. Gen. Bruce Clark, who commands Fort Hood and the 2nd Armored Division, listened to their complaints and agreed there was much justice on their side. He promised them he would undertake to simplify the method of filing claims since multiple confusing copies are now required. The meeting was called by the Lampasas County Farm Bureau which had invited the general to answer questions of farmers who are alarmed at the suggestion that a similar maneuver will be held again next year. One beaver skin could be traded for a brass kettle during the heyday of American fur trapping.

Texas Native Named Father-Of-The-Year

VERGENNES, Vt., July 11 (AP)—Joseph Griffis, 103-year-old native of Texas, is expected to be told sometime today that he was recently voted "father of the year" by his son's Marine outfit in Korea and his daughter, Carol, 26, Vergennes school teacher, says he'll "probably get a big kick out of it." Griffis, who lives at the state hospital in nearby Waterbury, was chosen by comrades of Lt. Joseph K. Griffis, 24, of a Marine ground central interceptor squadron in Korea. Dr. Rupert Chittick, superintendent of the hospital, said Griffis, part-Indian, is very active for his age and often talks about the old days—and he sure has plenty talk about. Born Feb. 28, 1850, in Palo Pinto, Texas, Griffis was kidnapped by Kiowa Indians when he was two. They brought him up and named him "Tahan," which means fighting man. He lived with his adopted people for more than 20 years and participated in raids against white settlements, acts for which he was later pardoned by President Grover Cleveland. He later told of his Indian days in an autobiography, "Tahan, or Up From Savagery." He served as an Army scout at Fort Gibson, Texas, and, after learning to speak English, he became a minister. He was credited with building one of the first churches in the Oklahoma territory. In an interview some years ago, Griffis recalled an early marriage to an Indian woman and the birth of a son, who would now be 82 years old. He said he lost track of him because the boy did not like living with white people. In 1924, when he was 74, Griffis married Mildred Taber, assistant postmistress of Vergennes. They had three children, Diana, Joseph and Carol. His wife and daughters still live in Vergennes.

Loser's Force Planning Meet

MEXICO CITY, July 11 (AP)—Supporters of an unsuccessful presidential candidate went ahead today with plans for week-end mass meetings in the face of police warnings they would maintain order "in any way necessary." The protest meetings were called by backers of Gen. Miguel Henriquez Guzman, who is trailing far behind government candidate Adolfo Ruiz Cortines in preliminary unofficial returns from Sunday's presidential balloting. The Henriquez forces claim their opponent was elected legally and his opponent's apparent huge majority was secured by fraud. Henriquez supporters touched off widespread rioting in the Mexican capital Monday when they defied a government ban on post-election political meetings. Four persons were killed and some 300 injured. Authorities yesterday released 516 persons arrested after the riots but filed formal charges against 43 others.

Arencibia Records 10th Mound Victory

Cayuses Gain A Full Game

Glit-edged pitching by Aramis Arcencibia, who was in the process of chalking up his tenth victory of the season, helped to supply the Big Spring Broncs with an 8-1 victory over the Vernon Dusters here Thursday night.

The triumph moved the Steeds to within three games of Odessa in the battle for first place in the Longhorn League, the Oilers having dropped a decision to Sweetwater. It also gave the locals a one-game edge in the series with the beleaguered Dusters.

Arencibia surrendered five hits to the Dusters and was in command all the way. By the time the Dusters got around to scoring in the eighth inning, the locals had the game safely lead away.

The Broncs touched Leroy (Lefty) Finkler and his successor, John Fox, for 13 hits, including Wil Quintana's 12th hit-master of the season. Quintana hit for the circuit as the leadoff man in the sixth.

The locals shelled Finkler to cover with a five-run seventh inning, during which Al Valdes, Buddy Grimes, Arcencibia, Rick Gonzales, Oskie Alvarez and Quintana kicked in with consecutive base hits.

Gonzales had a big night, with three hits in five trips while Arcencibia chipped in with two blows. The Broncs picked up their first two runs in the fourth on hits by Alvarez, Quintana and Juan Visteur, along with an infield out by Al Costa.

FOUL TIPS—The Broncs pulled off their fifth double play of the series in the sixth. Al Costa started the twin killing on a ground ball hit by Ed Bucynski. George Hayes was the only Duster to get more than one hit. He came through with two singles in three tries for his fifth blow in nine trips in the set. The game was ripped off in an hour and 45 minutes, the second game in three nights played in that time. A change in umpires brought in Bill Helkie and Umpire-in-Chief Steve Sadowski.

12 Big Spring (Texas) Herald, Fri., July 11, 1952

LOOKING 'EM OVER

With Tommy Hart

Bud Worsham, who writes for the Sweetwater paper, chronicled recently he believed the fellows who picked the East team for the Longhorn League All-Star game July 25 would go along with an all-Sweetwater outfield.

Worsham reasons it will be a Charley Tuttle-Rocky Carlini-Charley Buck ticket, with very little argument.

Bud has a talking point but his is apt to be a monologue. Pat Stasey, who roams the pastures for Big Spring, has been in every all-star game and is not apt to miss this one.

For one thing, Pat is the best known ball player in the league. For another, he's a better clutch hitter—and recognized as such—than any of the Sweetwater trio. For another, his defensive play and his throwing arm are as good as the best.

Tuttle jumped the Sweetwater club recently, which won't help his chances. Even had he been in there every day, though, his chances of luring more votes than Stasey were very slim.

Carlini and Buck rate fine chances to play but Jake McClain, Juan Visteur and others will get their share of backing.

THREE BIG SPRING HURLERS RATE SUPPORT
It will be hard to overlook three Big Spring hurlers in naming the East team, by the way.

Gil Guerra, Aramis Arcencibia and Bert Baez have all been pitching great ball. Sweetwater will offer Dean Higgins but the young right-hander hasn't been with the team very long. Lou Lozano will be San Angelo's best bet. Vernon hasn't an outstanding mound candidate.

The baseball pollsters must know how Dr. Gallup feels now. The forecassers saw the Cleveland Indians winning by ten games in the American League and Detroit finishing high in the running. The Yankees were to have been lucky if they finished as high as fifth. That was back in April. Right now, the Yanks are up there.

WORK AGREES WITH TACKLE CANDIDATE
Dean Porter, who will be a leading candidate for a tackle berth on the Big Spring High School football team in the fall, doesn't believe that old claim about hard work taking weight off you.

Young Porter has been doing the hardest sort of manual labor, carrying lumber on his shoulder, and has gained five pounds since starting it. He's up to 185 pounds now and is still growing.

What sort of a league is that Class B Gulf Coast circuit, anyway? Armando Flores couldn't hit the size of his hat-band when he was with San Angelo earlier in the year but he clouted two grand-slam homers in one game shortly after joining Laredo.

Kenny Jones, last year's regular catcher at Midland (and a hard working one), is hitting .370 for Temple in the Big State League. Has around 45 RBIs, too.

Red Denham, who used to pitch in this sector occasionally, has hurled no less than three doubleheaders this season and won them all. He's with a Brownfield softball team.

Arlington Futurity Is Set For Windy City Saturday

CHICAGO—One of turfdom's richest and most important tests for 2-year-old thoroughbreds, tomorrow's \$100,000 Arlington Futurity, is expected to lure as large a field as 17.

The six-furlong dash at Arlington Park may pay as much as \$80,000 to the winning juvenile.

Early favorite is Happy Carrier, owned by William V. Veeneman of Louisville, winner of the Arlington Primer Stakes and one division of the LaFayette Stakes at Keeneland.

Two imports, however, loom a threat to Happy Carrier. The Cal Hoy stable Sunday shipped in Count Cain from New York, especially for the futurity. Also on hand will be Doc Walker, brought in by J. C. Brady after two straight wins at Monmouth park.

Calumet Farm, whose Hill Gail won last year's futurity, has two eligibles here, Bob Away and Meditate. Calumet's canny trainer, Ben Jones, won't say if either or both will start, but it's suspected Meditate will get the call.

Publinks Tourney Into Semi-Finals
MIAMI, Fla., July 11 (AP)—Four guys from Illinois, California, Florida and Washington teed off today in the semifinals of the unpredictable National Public Links Tournament.

Scheduled to go off first in the

Gold Sox Lose 15-12 Verdict To Oiler Nine

The Oilers came from behind in the bottom of the sixth inning with seven runs to drop the Gold Sox 15-12 in a Little League tussle Thursday night.

The winners gained the runs on three hits and six Gold Sox errors. They sent 11 men to the plate in the half inning.

Ratliff Draws Bronc Release

Charlie Ratliff, lone lefthander of the Bronco pitching staff, has been released outright, Pat Stacey has announced.

Chickasha Chiefs Advance On First

The Chickasha Chiefs moved into first place in the Sooner State League standings Thursday night—thanks to an assist from Pauls Valley.

LEFTY SHELTON ... Faces Locals

HERE AT 8:15

Forsan Oilers' Play Giants

Two of the best amateur baseball teams in this area clash at 8:15 o'clock this evening in Steer Park. It'll be Harry Dooley's Big Spring Giants, crack colored nine, against the Forsan Oilers.

Americans May Be In Tiptop Shape Soon

By WILL GRIMSLEY HELSINKI (U.P.)—The aches and pains which have been plaguing American track forces began disappearing today and indications were that Uncle Sam's runners, jumpers and throwers will be at full strength for the opening of the Olympic Games next week.

AT HOLLYWOOD PARK Gold Cup Handicap Slated Saturday

INGLEWOOD, Calif. (U.P.)—The \$100,000 Gold Cup Handicap, an event that highlights the racing calendar in the West each summer, comes off tomorrow at Hollywood Park with about a dozen horses shooting at the rich target.

There won't be a Citation in the race, becoming the sport's first millionaire, as occurred last year. There won't be a great come-from-behind Noor, as in 1950, or to go back over the years, a Seabiscuit or a Challeon to grace the winner's circle.

Dukes Win Two From Lubbock

Albuquerque doubled up its action in the West Texas-New Mexico League Thursday night as the only means to take up slack on the pace-setting Clovis Pioneers.

It was the eighth win in nine games for Albuquerque, but Clovis has a streak to top that. The Pioneers won their 11th in the last 12 starts over Lamesa 11-2.

Sudan, ran a creditable fourth in his first stakes start July 4 here, behind Admiral Drake, Sturdy One and Intent. His chances were enhanced when fever knocked Intent out of the Gold Cup, and Admiral Drake's owner, Abe Hirschberg, failed to nominate him for the race.

Besselink, Ransom Ahead In St. Paul Links Play

ST. PAUL, Minn. (U.P.)—A goiter could tee off in the second 18-hole round in the St. Paul Open Golf Tournament today with a neat par 72 under his belt and find himself at least 38 places back in the field.

The pace-setters were cuffed, 5-3, seemingly after walking into a trap. It was an easy win and Dallas' lead was shortened.

Swimming Meet Is Slated To Begin

COLLEGE STATION, July 11 (U.P.)—The fourth annual College Station Swimming Meet opened today on the Texas A&M campus.

Coahoma Loses 5-4 Decision To Loraine

COLORADO CITY — Loraine scored three runs in the seventh inning to defeat Coahoma, 5-4, in a starting upset in Colorado City Jaycee Softball League play here Thursday night.

Heading the pack with near-record 64s were Al Besselink, Escondido, Calif., pro in his third season, and Henry Ransom, St. Andrews, Ill., who has been in the business 21 years.

Tied for second are Cary Middlecott, Memphis, Tenn., and Ted Kroll, New Hartford, N. Y., each with 65s.

Fastball Tourney Is Called Off

Because of a lack of entries, the State Fastball Tournament in San Angelo has been called off.

Cook Appliance Company and Webb Air Base, Big Spring teams, were two of the three clubs which had expressed interest in the meet. The other was Nathan's Jewelers of San Angelo. The meet was to have gotten underway on Monday.

League Issues Call For New Radio Hams

To meet a possible national emergency, the National Radio Relay League has made a call for more radio hams—amateur radio operators with the ability to send and receive Morse code messages. The League has issued a plea for 200,000 new members. The number of members in the United States now is approximately 90,000, which means the organization is seeking to enlarge its size over two times.

The NRRL sponsors an annual field day, a day of constant contact with surrounding hams in simulated emergency conditions. And to completely blanket the nation with hams, the league is calling for the large number of hams.

To learn the code and become a member of the organization a person must have a strong desire to learn. Tiny Walton, member of the local Radio Club, reports. He stated he has taught three classes in the code within the last two years and only a few from each class proceeded to get a license.

All is not fun about it, he added. The person must not only want to learn but must do something about it.

Walton estimates it will take a person approximately six weeks to learn the code. This includes an hour per day of practice in addition to three lessons weekly.

First license available to beginning hams is the Novice class license.

To get the license a person must be able to send and receive five words per minute by Morse code and take an examination of 20 questions concerning radio and the Federal Communications Commission, the governing organization behind all radio operations.

The license is valid one year but Walton commented that 75 per cent of the hams in the local club who have taken the novice license got their General license within six months.

The General class license requires the ham to send and receive at least 13 words per minute and pass a test of 50 questions dealing with more advanced radio procedure.

Above the General class license are the Advanced and Amateur Extra classes. The Amateur Extra calls for two years experience, ability to send and receive 20 words per minute and pass an exam over radar, commercial radio and radio telephone operation.

At present the local Radio Club has 10 active members with General licenses or higher and eight members with Novice licenses.

Should anyone wish to learn the code or become a member of the NRRL, Walton said they should contact either Dr. Mark Gibbs, Andy Jones or Walton.

Tex 'N' Jeans

for Girls

Here's a pair of top-quality jeans made especially for girls... attractive 8 ounce Sanforized blue denim combined with genuine western styling to give real comfort and snug fit... has the six features that make Tex 'N' Jeans favorites everywhere, plus a ton zipper on neat side opening.

Daniel Says He Is Optimistic Over Campaign

By CLAYTON HICKERSON Associated Press Staff

An optimistic Price Daniel—putting the finishing touches on a West Texas campaign drive—breakfasted Friday with Abilene supporters and resumed the pace he says will put him in the U. S. Senate.

Meanwhile, Daniel's two opponents stayed busy in their vote quest, the governor's race stayed hot, and Texas Republicans resumed their feuding in Chicago's GOP national convention.

The confident Daniel predicted an overwhelming majority for himself in the South Plains and Panhandle country and said: "The crowds are wonderful."

He told Abilene newspapermen he thought the people were pleased to see him restore the "old-fashioned way of getting votes."

"No music, no hullabaloo, just simply carrying the issues to the people, learning how they feel and think about the issues, answering their questions and listening carefully to their suggestions and ideas," is the way Daniel explained his race.

E. W. Napier, Wichita Falls attorney, took his Senate race to San Benito, Harlingen, Mercedes, Weslaco, Donna, Alamo, San Juan, Pharr, McAllen, Mission, Edinburg and Alice Friday, Saturday, he planned to visit George West, Beeville, Beeville, Kenedy, Floresville, Kennedy, Floresville and San Antonio.

Lindley Beckworth, congressman from Gladewater, set appearances Friday at Shiner, Yoakum, Cuero, Westhoff, Nixon, Stockdale, LaVerna, Sayers, San Antonio, Boerne, Comfort, Kerrville, Bandera, and Hondo. He scheduled appearances in 19 South Texas cities and towns Saturday.

Daniel, soon after arriving in Abilene Thursday night, told the Associated Press: "People tell me they want somebody to go up there to Washington who is not afraid to speak out against dishonesty and who will fight for the rights of Texans."

NLRB Says Union Rights Violated

WASHINGTON, July 11 (AP)—The National Labor Relations Board today ruled that the Stewart Oil Company of Longview, Tex., had violated rights of its employees to join a union.

Ruling in favor of the Oil Workers International Union (CIO), the NLRB ordered the East Texas firm to "cease and desist from discouraging membership" in the union and offer reinstatement and back pay to employees "discriminately" discharged.

In another Texas case, the board:

Ordered an election within 30 days among certain employees of the Texas Electric Bus Lines to determine whether they want to join the Brotherhood of Railroad Trainmen. The firm operates a motor bus line between Waco and Dallas.

Money Circulation In Sharp Decline

WASHINGTON (AP)—If you were short of cash this week, you weren't alone. The government says money in circulation declined 32 million dollars during the seven-day period ending July 9.

The Federal Reserve Board reported yesterday the drop was due to cash flowing back into banks after the July 4 week end. Still in circulation: \$20,148,000,000.

SOME SIGNS OF UNITY

Texas GOP Heading Into New Battle For Control Of Party

By DAVE CHEAVENS CHICAGO, July 11 (AP)—Texas Republicans are headed into a new battle for party control, but they are showing some signs of unity toward getting out the vote in the November election.

Henry Zweifel of Fort Worth, leader of the Taft faction that was refused seats at the Republican convention, announced the state (executive committee would meet at Dallas, July 19, to plan the campaign for party nominees.

Zweifel said leaders of the rival Jack Porter faction likely will be invited. Between now and that date, Porter is slated to succeed Zweifel as national committeeman from Texas.

The Zweifel faction caucused after the stinging rebuff handed it in the convention's vote to seat the rival Eisenhower, or Porter, group. The caucus nominated Carlos Watson of Brownsville for chairman of the state executive committee to succeed Orville Bullington of Wichita Falls.

The caucus also produced a new statement from Zweifel asserting that his group is the Republican Party in Texas and has proved it

by a long record of service to the party.

Porter promised a fight against some members of the state executive committee now strongly under the influence of Zweifel and others of the Republican Old Guard.

The Eisenhower faction leader said that the young Republicans who were "kicked around" at the May convention in Mineral Wells may be expected to demand some new faces on the state executive committee.

The committee refused to seat so many county delegations favoring Eisenhower that they held a separate session, named their own delegates to the national convention, and were upheld here after a sharp fight.

The Texas battle must begin from scratch again with precinct and county conventions later this month. They will name delegates to August nominating convention.

That's the session where a new state chairman and committee will be picked, and both the Zweifel and Porter groups will slug it out again to get hold of the reins.

Just how much unity can be achieved for support of a pres-

dential candidate against this background of strife was a wide open question.

The victorious Texans for Eisenhower subsided into a routine role at convention sessions yesterday. They joined the demonstration when Eisenhower was nominated. The Texas standard was topped with a huge picture of the favored nominee and an "I Like Ike" sign.

The Texans also joined in the voice vote on the platform, including the civil rights plank. Members of the delegation said they thought it should be acceptable. It generally says the states should be responsible for civil rights, supplemented by such federal action that may be within its constitutional jurisdiction in opposing racial discrimination.

Texas also voted with other Southern states against a rules change that might cut their national convention delegate strength in the future. The new rule provides that congressional districts be given one delegate for every 2,000 general election votes. They now get one for each 1,000 votes.
