

Hull Pointedly Asks Japan And China To Stop Fighting

REFRAIN FROM WAR, OFFICIAL TELLS NATIONS

WASHINGTON, Aug. 24 (AP)—A pointed, public statement from Secretary Hull emphasized to Japan and China today the United States' view that world opinion demanded a peaceful settlement of their dispute.

Telling the two nations that a threat of serious hostilities concerned all others, Hull said "we urge that they settle their differences in accordance with principles which in the opinion not alone of our people but of most peoples of the world should govern in international relationships."

"Without attempting to pass judgment regarding the merits of the controversy," he said, "we appeal to the parties to refrain from resort to war."

His words prompted new speculation over possible further action by the United States. There was considered little likelihood, however, the government would invoke the three-month-old neutrality act unless China and Japan severed diplomatic relations.

(President Roosevelt must invoke the act when he finds that a state of war exists between two countries. It automatically embargoes shipments of arms, munitions and implements of war, as well as loans, to those nations.)

Hull's statement came at almost the same time Admiral Harry E. Yarnell, commander of the United States Asiatic fleet, reported to the navy department he had warned both sides "to exercise more care" in directing their fire.

Yarnell said a special board of investigation had not been able to decide whether it was a Japanese or Chinese shell which killed one sailor and injured 18 on his flagship, the Augusta, last week.

PRODUCTION OF OIL REACHES NEW PEAK

TULSA, Okla., Aug. 24 (AP)—Another new peak in the nation's production of crude oil—3,726,262 barrels daily for the week ending Aug. 21—was reported today by the Oil and Gas Journal.

The increase was at the rate of 15,771 barrels daily and virtually every major producing state shared in it.

Oklahoma production was up 4,725 barrels daily to a daily average of 653,600. East Texas had a rise of 1,999 to 477,396 and the total state of Texas was up 11,066 barrels daily for a total of 1,545,245.

Louisiana increased 1,815 to 263,100 barrels daily. California was up 1,950 to 674,250 barrels daily. Kansas decreased 12,000 barrels daily to 194,050.

Eastern states produced 171,879 barrels daily, a gain of 4,567. The Rocky Mountain section increased production 1,180 barrels daily to an average of 76,700.

WAR ON DEGENERATES IN CHICAGO STARTED

CHICAGO, Aug. 24 (AP)—Aroused by a series of attacks on women, including the rape-slaying of a young student nurse, city and county law enforcement officials united today in a concerted drive against degenerates.

Mayor Edward L. Kelly authorized a standing \$1,000 reward for information leading to the arrest and conviction of any person committing a serious sex crime.

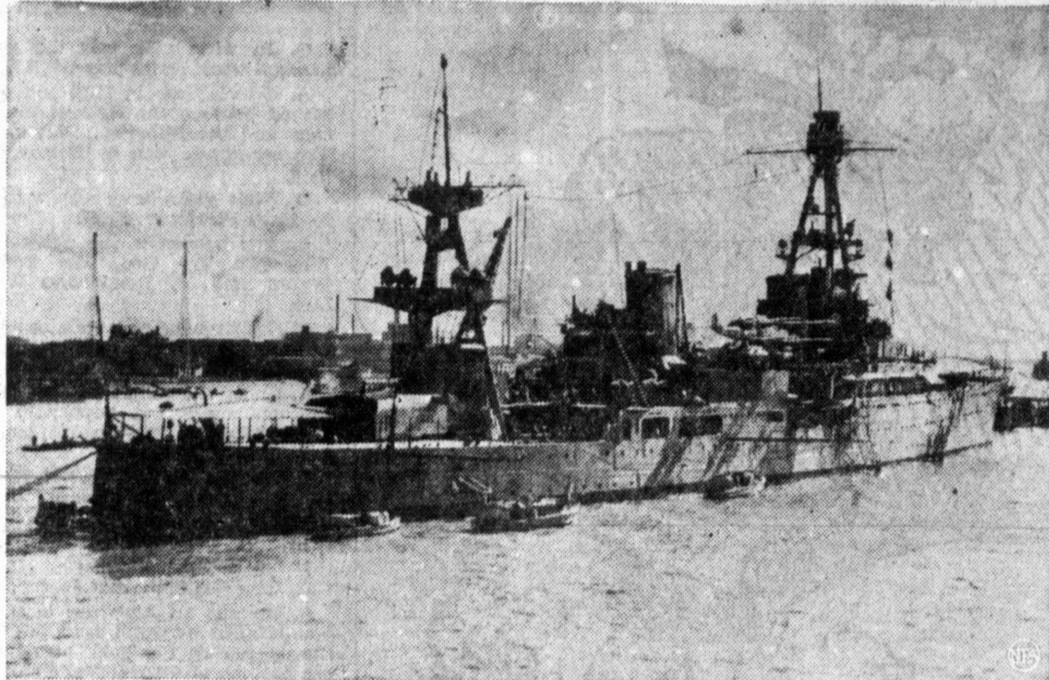

The mayor also announced he would press for enactment of an ordinance to require all fire escapes to be equipped with electric alarms.

The man who ravished and slew Anna Kuchta, 19-year-old nurse, was believed to have entered her room at Chicago hospital by means of a fire escape. Assaults of several other women in hotels likewise climbed into rooms from fire escapes.

Where Death Shell Struck U. S. Flagship

While at anchor in almost the same spot on the Wangpoo River off Shanghai's battle torn Bund as in which she is pictured above, the U. S. Cruiser Augusta, flagship of the Asiatic fleet, was struck by an anti-aircraft shell that killed one sailor and wounded eighteen others. The shell fell on the after well deck and was of unidentified origin.

LEASED DESTROYERS COUNTER GERMAN BID IN SOUTH AMERICA

By RODNEY DUTCHER Pampa Daily News Washington Correspondent

WASHINGTON, Aug. 23 — Members of Congress will have to be taken quietly aside and have everything explained to them before they approve the State Department's proposal to lease six U. S. naval destroyers to Brazil.

A British armament firm has been building six destroyers for the Argentine. Brazil, which traditionally has had much more friendly relations with this country than Argentina, asking this government how about renting her half a dozen destroyers until she could get some of her own built.

The question was put up to Roosevelt. The idea of naval cooperation with Latin American nations carried a strong appeal to the President as a great pro-navy man, and he acquiesced at once. Argentina complained bitterly. But now this government and Brazil have joined in a statement that they will stand pat on the leasing agreement.

Behind the whole business is the fact that Germany and Italy have been increasing their propaganda penetration of Brazil at a rapid rate. Fascism has been preached through subsidized or actually purchased newspapers, short wave radio experts of Nazi professors and other means. German broadcasts in Portuguese (language of Brazil) are sent to Brazil by directional radio beam, and elsewhere in Spanish.

There's concern here over spread of Fascism in Latin America and also over the objective which our diplomats believe Germany and Italy have in mind.

Those two nations, it is believed, are trying to sidestiff such a favorable attitude toward themselves in South American countries that England would be obstructed in any future war from obtaining raw materials and foodstuffs on which she depends. Secret American foreign policy calls for friendship toward England and other democratic nations in future wars. That's secondary to a policy of keeping out of war, but the intention of maintaining friendship with Latin America is one of the most important policy items—and figures most in the incident of the destroyers.

Army Abdication Factor This may come a bit late, but it is new here where the guessing still continues.

A prominent Briton, who knows a great deal, whispered to friends here recently that the deciding factor in the abdication of King Edward VIII, now Duke of Windsor, was his discovery that the British Army had turned against him.

DEMOS OPPOSE SPECIAL TERM OF CONGRESS

WASHINGTON, Aug. 24 (AP)—A group of influential House Democrats expressed strong opposition today to a special congressional session in the fall on the grounds it might increase party dissension.

One leader who preferred not to be mentioned by name said "no practical good and maybe some harm" would come from the special session on farm and wage-hour legislation. He said he and others of the same view would advise President Roosevelt before leaving the capital.

He argued time was needed to allow heated tempers to cool and that it would be poor policy for the President to run the risk of reopening party strife in October or November.

Many members, he said, might feel none too kindly toward the administration and its legislative program if they were summoned back to Washington while in the midst of building political fences for next year's election.

To the contention that action on a farm bill and a wage-hour measure in the fall would permit shortening the regular January session, this party chieftain retorted that a special session would not mean "taking 15 minutes off the regular session."

Some House members nevertheless said they would prefer to have the farm and labor standards issues disposed of in a special session, and talk persisted that the President would call one.

Rep. Miller (D., Ark.) said he thought a special session might be desirable. Miller talked to the President yesterday and predicted afterwards that Mr. Roosevelt would announce in a few days whether he will call one.

Secretary Wallace left the White House yesterday asserting he favored a special meeting and several legislators who have seen Mr. Roosevelt in the past few days indicated the chief executive was considering the possibility strongly.

DRUG ON MARKET

HELENA, Mont. (AP)—"What will the license cost?" a woman with her prospective husband asked the marriage license clerk. She was told the fee was \$2. The clerk then said the minister's fee customarily was \$5.

"Say, I wouldn't pay \$5 to marry any man on earth."

The couple left, sans license.

Shooting skyward through his twirling lariat and down to a landing on the back of his horse, Leonard Stroud, famed rodeo performer, practices one of the tricks he will do in the Will Rogers Rodeo at Colorado Springs, Colo. The rodeo will be held in conjunction with the dedication of the Cheyenne Mountain memorial tower, shown behind Stroud, which is to be a lasting memorial to the late cowboy-humorist.

Blast of Lightning Causes Forest Fire

CODY, Wyo., Aug. 24 (AP)—Supervisor John Selker, of the Snake national forest, said today that lightning, ripping into remote pine-filled canon, "unmistakably" caused the savage forest blaze that took the lives of 14 firefighters.

Selker reported 500 weary and smoke-choked men on the fire line now had the blaze under control. He estimated the flames that roared out of the isolated "box" canon had swept over 2,000 acres of heavily wooded slopes in the Absaroka mountains.

Ten of the men who died of burns suffered when they were trapped high on a mountain slope

by fire hurled upon them by violent timberline cross winds were members of this camp.

Three of their bodies were shipped to their Texas homes last night. CCC officers said bodies of the remaining Texas victims and the one Oklahoma victim would be shipped today.

In three small hospitals at Cody, 35 miles southeast of the fire, 23 men seriously burned in the fire were given good chances for recovery if unforeseen infections and complications did not develop from their painful burns.

What some of America's aquatic stars say about Camels

SPRINGBOARD ACE. Lovely Jane Fauntz Manske, of Chicago, says: "It's Camels for me! Good digestion is of prime importance to me. Tense competition and all the changes of diet when traveling are liable to upset digestion. But I smoke Camels at mealtimes and after and my digestion runs smoothly."

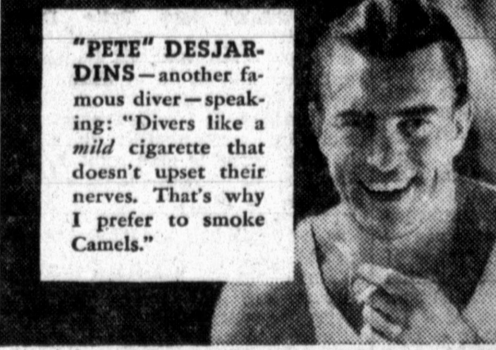

The best of meals tastes better and digests easier when you have an abundant flow of digestive fluids—alkaline digestive fluids. Smoking Camels encourages this flow—helps you enjoy a sense of well-being. Steady smokers say: "Camels set me right!"

HAROLD ("DUTCH") SMITH, Olympic diving champion, would "walk a mile for a Camel!" "I find a great deal of pleasure in Camels," says "Dutch." "I long ago discovered that smoking a Camel restores my flow of energy after a strenuous meet—gives an invigorating 'lift.'"

THREE-TIME OLYMPIC WINNER in the high-diving event. Dorothy Poynton Hill, of Los Angeles—a steady Camel smoker—says: "I prefer Camels because they don't get on my nerves. And they have such a rich, delicate flavor and never tire my taste."

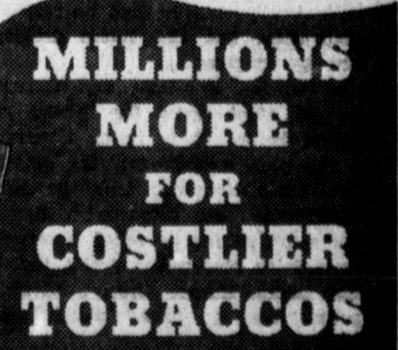

"PETE" DESJARDINS—another famous diver—speaking: "Divers like a mild cigarette that doesn't upset their nerves. That's why I prefer to smoke Camels."

HARVESTER FOOTBALL CANDIDATES OFF TO COLORADO TRAINING CAMP

COACHES LEAVE ON 10-DAY STAY WITH GRIDDERS

Thirty-three prospective Harvester football players left this morning at 7 o'clock with their coaches for Monument Lake, Colo., where they will train in a ten-day camp. They were accompanied by Coach Odus Mitchell, J. C. Prejan, Bob Curry, and Tom Hrod.

The youths met yesterday morning with the coaches and brought necessary equipment and bedding, which was sent ahead at noon Monday. Most of the squad looked in good condition after a summer's work, but few had actually trained for football yet.

The candidates will be back on Friday, September 3, in time to enroll for school on September 7.

Other Panhandle teams are also in training for the coming season. Complete schedule for the Harvesters is as follows:

Plainview Team Trains at Camp

PLAINVIEW, Aug. 24.—Bright and early this morning Coach Vernon Hilliard assembled his Plainview high school football candidates at training camp in Ceta Canyon near Canyon.

Others There. Hilliard inspected the facilities at Ceta Canyon and was enthusiastic about the place.

When the Bulldogs return to Plainview, they will have less than two weeks to round-out their attack for the opening game of the season against Quanah, Sept. 17.

The following candidates were selected to make the trip to Ceta Canyon:

Ends—Travis Whitfield, J. O. Grisham, Arthur Wiley, Lawson Kemp and Joe Harlan; tackles—Haskell Brown, Dane Woodall, Tim Jim Wheeler, Winfred Leary, Glendon Johnson and E. B. Mitchell; guards—Lyod Lovern, William Munger, Raymond Hale and Wayne McClinton; centers—Wayne Clark and Stanley Sigmon; backs—Miller Needham, Lloyd James, Andrew Crossland, Pete Vaughn, E. Schreier, Billy Deering, E. Smith, C. Stovall, A. Q. Johnson, Winston Barry, Troy Sitton, Richard Shirley, Levon Fox, and W. Mickey.

CHILDRESS FOOTBALL CANDIDATES TRAINING

CHILDRESS, Aug. 24.—Training equipment was issued to 23 Bobcat football candidates last week, according to Coach Joe Gibson, who will open fall workouts Monday morning.

The appearance of an additional half dozen prospects is expected to boost the total number of players to almost 49 before the first week of training is concluded.

Gibson will be assisted in the two-a-day sessions by Assistant Mentor Steve Matthews.

Issued equipment last week were W. A. Alexander, Clyde Andrews, Clarence Booth, Harold Brown, Victor Bates, Arvene Bellah, Buddy Cordell, J. W. Echols, James Farmer, Homer Greer, J. B. Goodson, Morgan Goodson, Fred Givens, Pete Hamilton, Jim Howard and Frankie Jackson.

Giants, Cubs Will Open Two-Game Series Today

By BILL BONI, Associated Press Sports Writer.

The Giants may have their backs to the wall, but at least it's their own wall.

New York's National league candidates for a five-cent world series aren't the iron-clad invincibles in the Polo Grounds that the sure-fire Yankees are in their ball yard just across the Harlem river.

The short there is better than on the record. The short targets in right and left field, familiar to Mel Ott and Co., may stand the Terrymen in good stead as they start today an eleven-game stand against the west that opens with a brief but potentially decisive two-game set with the Cubs.

Charley Grimm's Bruins go into the opening game against meek ticket Carl Hubbell is holding the four-game lead with which they left Chicago a week ago.

Besides the Giants and Phils, the Dodgers and Bees were rained out yesterday.

Chicago at New York. St. Louis at Brooklyn. Pittsburgh at Boston. Cincinnati at Philadelphia.

Philadelphia at Detroit. Detroit at St. Louis.

LAST SPARRING OF FARR AND JOE LOUIS ON PROGRAM TODAY

(By The Associated Press) The noisy but so far ineffective beating of the ballyhoo drums, brown-skinned Joe Louis and rugged Tommy Farr today get in their final training acts for Joe's first defense of the world heavyweight championship.

Oklahoma City's Red Skins rode high on top of the Texas league heap, maintaining a baker's dozen lead in the standings by victory yesterday, 3-2, in the third and last game of a series with the San Antonio Missions.

The Fort Worth Cats on the other hand, were tumbled from the first division by Galveston, on a winning spree of seven in a row. The score was 6 to 1.

YORK SMACKS 23 HOME RUNS IN 67 GAMES

DETROIT, Aug. 24 (AP)—Rudolph Preston York, the big Detroit Tiger rookie who plays five or six positions and is now catching, is hitting home runs at the fastest rate in major league baseball.

York has hit 23 circuit drives in 67 games while Joe Dimaggio, the Yankee star who leads both big leagues, has clouted 36 in 106 games.

York had been on the bench while the Tigers were being drubbed by the Yankees and Red Sox on that trip.

In Boston Cochrane considered using York as a pitcher but didn't act on the idea.

"I expect York to lead the major leagues in home run hitting within a year," Cochrane said.

York, 24 years old and part Indian, was voted the most valuable player in the American Association last year.

Now Greenberg says of York, "that fellow is beginning to make me look like a bunter."

2 BREAK PAR IN NATIONAL GOLF TOURNEY

PORTLAND, Ore., Aug. 24 (AP)—Any competitor who aspired to win medal qualifying honors in the National Amateur Golf tournament, as the reduced field of 150 sharpshooters made a last stand for the 64 match-play places today, faced the almost necessary task of breaking par over the rain-soaked course of the Alderwood Country club.

Arthur L. Doering Jr. of Chicago, the No. 1 man of the Stanford golf team, and Frank Strafac of Brooklyn, former national Public Links titleholder, were the only contestants of the starting field of 171 able to turn the trick in yesterday's downpour.

They set wicked pace with 71s, one under par, and they based off with the pressure tougher than ever against them, but with a one-stroke lead over the mob, nevertheless.

First away, however, were eight competitors who were caught by darkness at 7:20 o'clock last night, were forced to finish the last two and three holes of the opening 18 this morning.

Mat Palaco Jr. of San Rafael, Calif., had an excellent chance to join the leaders as he needed only two pars for a 73.

Doering set up the pacing score of 71 with cards of 38-33 over par 37-35 course. Strafac counted 37-34.

Right on their heels with perfect cards of 72 were Eddie Hogan of Portland, Ore.; Ray Billows of Poughkeepsie, N. Y.; Harry Given of Seattle, recent repeater in Pacific Northwest Amateur and Walker cup member last year; Robert Babbish of Rochester, Mich., and Roger Kelly of Los Angeles.

Johnny Fischer of Cincinnati, the defending champion, picked on too many trees and traps to give the gallery much of a thrill, and wound up in a tie with 16 others at 76. He had a pair of 38s. Joining Fischer were such well known performers as Eddie Held of Denver, former Public Links and Trans-Mississippi winner; Freddie Haas Jr. of New Orleans and Don Schumacher of Dallas.

Blackfaces-Oilers Game Gets Third Postponement

For the third successive time, the fourth game in the series between Huber Blackfaces and Pampa Oilers has been postponed. This time it is not rain, but lack of advertising, notice, or something of the sort.

The series has had a hard time during the last few days, with three postponements of the fourth game of the series. The Huber manager failed to receive notice that the game would be played at Berger because of the interrupted schedule caused by rains, and had not sufficiently publicized the event.

Pampa now leads the proposed nine-game series by a two-to-one score. Huber won the last one that was played on their field, and is hoped to show good tomorrow night.

LIPSCOMB AND NEMANIC STAR AT MAT SHOW

In a clean, scientific match, Gust Johnson, Pampa favorite, defeated Leo Donahue of Detroit, Michigan, in the first two falls of last night's main event of the wrestling matches.

The Swedish gift to the mat then turned the tables and put the arm-locks on the big Michigan wrestler. Throughout the first round, which lasted for 25 minutes, the boys were evenly matched and the going was pretty much give and take.

Johnson finally pinned his opponent with the dead half-crab, and won the first round.

The second continued much as the first, with clean grappling, and ended in the remarkable time of 6 minutes. Johnson again the victor.

1500 MARCH IN PARADE AT LEGION MEET

SAN ANGELO, Aug. 24 (AP)—The problems of selecting a commander and next year's convention city were before the state American Legion convention today.

Three men, all outstanding in Legion affairs, were boomed for the first post, and Austin and Texas against the rank and file.

Other speakers were Attorney General William McCraw, and Railroad Commissioners Ernest O. Thompson and C. V. Terrell.

Travis post No. 76, of Austin, won first place money of \$175 and all an expense trip to the national convention in New York in the drum corps contest last night.

Winners of the children's contest included: bicycle race, Denny Mack, David; bicycle race for boys 7 to 11, Chester Barnes; bicycle race, ages 12 to 15, Ernest Barkley; ages 9 to 11, Ernest Barkley; ages 12 to 15, Clarence Lewis; ages 16 and up, Verlin Smith; 100-yard dash for weights 225 pounds and over, Ira Slack; baseball throw, ages 12 to 16, Harry Davis; race for ages 8 and under, Jim Dunlavy; ages 9 to 12, George Parridge.

Clovis, N. M., won a hard fought polo game from the Perryton horse and mallet men by the score of 9 to 3.

Miss Mary Ella Close of Shattuck, Okla., took top honors in the bathing beauty revue to be followed by Miss Vancil Vail of Guymon, Okla., second, and Miss Doris Tucker of Perryton, third.
