Senator Black Nominated To Supreme Court

STIR CREATED IN SENATE BY FDR'S CHOICE

WASHINGTON, Aug. 12 (AP)—President Roosevelt named Senator Hugo Black, of Alabama, to the Supreme Court today, but his immediate confirmation was blocked by Senators Burke (D-Neb) and Johnson (F-Calif.).

The wily Alabamian was named by Mr. Roosevelt to succeed Willis Van Devanter, retired, in unusual secrecy. It was listed among other routine nominations but was not made public at the White House as is the custom.

Creates Stir in Senate The nomination immediately created a tremendous stir in the Senate. Chairman Ashurst (D-Ariz) of the judiciary committee demanded immediate approval of it, without reference to committee, the usual procedure for nominations.

Senator Burke, one of the leaders in the recent fight against the Supreme Court enlargement bill which Black supported quickly objected. He was joined a moment later by Johnson, who said he would object to immediate action.

Their objections forced the nomination to go over for action until at least tomorrow. Ashurst told the Senate it was a "memorial custom" that whenever any member of the chamber was nominated to the Supreme Court it should be given consideration without reference to committee.

Committee Appointed After action the nomination was delayed. Ashurst at once appointed a subcommittee of six members headed by Senator Neely (D-W. Va.) to consider it.

Other members of the committee are: Logan (D-NY), Dieterich (D-Ill), McGill (D-Kan), Borah (R-Ide), and Austin R-Neu.

Of the four Borah previously had told reporters he would not object to immediate confirmation of the nomination, thereby indicating his support.

Only a few minutes before the nomination went to the capitol, a White House aid told reporters in effect that the President had considered no other man for the post but See NO. 1, Page 6

'Stepping Stone' Swings Into Filmland Romance

There must be rhythm in romance from the way Paula Stone, film actress, and George Walker Mason, Hollywood night club operator, are swinging along here in step with announcement of their plans to marry. Red-haired, green-eyed Paula, also noted as a dancer, thus provides another surprise not only for the film colony but also for her father, Fred Stone, movie comedian. She handed Hollywood its first "eye-opener" when she shunned screen tests "because they are such horrible things," and then jumped right into feature roles.

MARINES GUARD SHANGHAI

JITTERY CITY SEETHES WITH WAR ACTIVITY

NANKING, China, Aug. 12 (AP)—Reliable reports late tonight said American, British, French and German ambassadors had dispatched a joint communication to both the Chinese and Japanese governments, expressing hope that foreign lives and property in Shanghai would be kept from danger.

SHANGHAI, Aug. 12 (AP)—United States marines, 1,050 strong, were mobilized tonight upon the failure of a Chinese-Japanese conference to ease a grave military crisis in troop-crowded, frightened Shanghai.

The garrison took up patrol duty along the northern border of the international settlement, facing an incoming tide of central Chinese soldiers.

British forces totaling 950 men cooperated in patrolling the refuge borders.

French troops and French-Indo-Chinese forces totaling 600 were mobilized to patrol the French concession.

Chinese Man Soldiers. The Chinese central army massed thousands of soldiers here. Japanese bluejackets reinforced by the arrival of 2,000 from the Yangtze river area and advance units of the Japanese first fleet, unloaded tons of munitions from Japanese warships lining the wharves.

American marines had the task of protecting the 3,000 Americans in Shanghai, most of which were inside the international settlement. Hundreds, however, were reported cut off by the Chinese advance.

At the "peace" conferences Chinese refused to withdraw the troops pouring into the city. Japanese replied: "There is nothing left, then, but to take up defensive positions." The atmosphere of this jittery city of more than 3,000,000 was the same as that which preceded the Chinese-Japanese hostilities here in See NO. 2, Page 6

Texas Medical Men Keep Close Check On Infantile Paralysis

DALLAS, Aug. 12 (AP)—Wary medical men of Texas spoke softly of infantile paralysis today but kept their scientific powder dry. From many points in the state came reassuring statements that sporadic outbreaks of the disease were declining but there was evidence the doctors were overlooking no nets to prevent anything resembling an epidemic.

In Dallas, city and county health authorities decided to discuss today what should be done about the baffling malady. They were moved to action because five youngsters of the city-county boys' industrial home were believed stricken and because the 18 Dallas county cases this year were more than the county ordinarily has.

ONLY THREE INFANTILE PARALYSIS CASES IN COUNTY. A survey here today revealed that there are only two infantile paralysis cases in Pampa and one other in Gray county. City Physician Dr. K. L. Buckner stated today there are two cases under strict quarantine in the city. Dr. R. A. Webb, county physician, said there is only one case in Gray county, other than the two in Pampa, that one being on the edge of the city limits and also under quarantine.

There is no danger of an epidemic here, both physicians stated. There have been no infantile paralysis deaths for several months, and the cases on hand now are under control.

Statewide awareness of the paralysis threat was further pointed up when Texas A. & M. college called off its annual summer short course, to which about 1,300 rural boys and girls come each year to learn about farming.

"I cannot but advise that crowding some 1,300 boys and girls together would be attended with some hazard," Dr. George W. Cox, state health officer, advised the college authorities.

Elsewhere in Texas large gatherings of children were being discouraged or stopped.

221 Cases in 60 Counties. Since Jan. 1, state health department men said, 221 cases have been reported from about 60 counties, 27 of which reported only one case each.

Harris county (Houston) reported 19 cases since June 22. Three victims died. Only five of the cases are current. In Fort Worth environs there were four cases under quarantine. In nearby Groves authorities asked public cooperation in preventing spread of the disease. Dr. P. J. Beyt, city health officer, warned he would "enforce quarantine."

Hardest hit was Navarro county, where 19 cases were reported since May 25—but Dr. William T. Shell, Jr., Corsicana health officer, and Dr. S. H. Burnett, county officer, said there was no trace of the disease now. Three patients died in Corsicana. Among 11 cases outside the city none perished. Sunday school classes and two swimming pools there were closed voluntarily for a while but were resumed.

Johnson Says Cotton Farmers Need Loans WASHINGTON, Aug. 12 (AP)—Rep. Luther A. Johnson of Corsicana, Texas, said today Congress should pass mandatory legislation requiring the Commodity Credit Corporation to make loans to cotton farmers.

He declared unless something is done immediately to stabilize the price of cotton, farmers in the south are threatened with bankruptcy and labor, industry and business of every character in that section will suffer great and irreparable loss.

BLONDE STOWAWAY IN JAIL PLEADS FOR AID

GALVESTON, Aug. 12 (AP)—A plump and blonde young matron from London, England, who came to America as a stowaway in quest of her husband, languished in the county jail here today awaiting deportation and renewing her plea to the newspaper of this country to aid her search.

Mrs. Esther Worman, who lived in the superheated hold of the American cargo ship Hybert for 18 days without clothes and was finally driven out by fire with another stowaway, Abraham Kiper, of Poland, today said that her husband, Gus Worman, receives his mail at the address of his brother, Harry Worman, a fruit dealer, living at 2699 East 19th street, Brooklyn.

She said she had last heard from her husband about three months ago.

CONGRESS PLEDGES BILL AT NEXT SESSION

WASHINGTON, Aug. 12 (AP)—The Senate agriculture committee approved today a concurrent resolution pledging Congress to take up general farm legislation in the first week of the next session.

There was a belief among some committee members that if Congress adopted such a resolution President Roosevelt would agree to make crop loans this year. The President, however, has indicated several times he possibly would not make loans until after enactment of farm legislation.

No action was taken on any of the measures before the committee providing for crop payments to farmers. Chairman Smith (D-SC) said the committee would meet again tonight "to report out one of the bills."

MISS BLONDENIA BLACK AND PAUL SIMPSON MARRY SATURDAY

NUPTIAL VOWS ARE SPOKEN IN KANSAS CHURCH

In an impressive ceremony at the First Methodist Episcopal church of Liberal, Kas., Miss Blondenia Black and Paul Simpson were united in marriage at high noon last Saturday. The Rev. Ernest A. Hull, pastor of the church, read the service in the presence of about 50 friends.

Mrs. Simpson wore a floor-length gown of eggshell satin. The yoke of the dress was cream silk colonial lace and her fingertip veil was light pink with a shirred cap caught with a halo of feverfew. Her bouquet was of pink roses and lilies of the valley. She was attended by her sister, Mrs. Marvin Gardiner of Garden City, Kas., who wore a gown of blue organza and carried a bouquet of pink roses. The bride's mother wore a gown of blue net. Miss Frances Stark, who lighted the candles, wore a dress of white organza with a short train.

William T. Fraser was best man. The ushers were Messrs. Wendell Grove and Glenn Hull of Liberal.

Baskets of pink and white gladioli, pink and white larkspur, and candleabra with white tapers flanked the greener. As Miss Stark lighted the candles, Mr. Ralph Harrel, of Pratt, played "Ave Marie," Schubert, on the organ. He also played "Ah, Sweet Mystery of Life," Herbert, "Sweetheart," Romberg, and "Indian Love Call," Fritz. Russell Strobel sang "I Love You Truly," Jacobs-Bond, and "Because, Hamlet. Miss Georgia Stalcup played "To a Wild Rose," MacDowell, on her violin.

The couple entered to the wedding march from "Lohengrin," Wagner. The bride was given in marriage by J. Russell Strobel.

A reception was given for the couple at the home of Mr. and Mrs. Strobel. The three-tiered cake was topped with a tiny bride and groom standing under an arch of orange blossoms.

Mrs. Simpson is the daughter of Mrs. Viola Black of Liberal. She was graduated from the Liberal high school and attended St. Mary's Academy at Dodge City. Later she entered Northwest Texas hospital in Amarillo for a course in nurse's training where she graduated in 1935. Since her graduation she has been nursing in Pampa and Amarillo.

Mr. Simpson, son of Mr. and Mrs. E. L. Simpson of Bartlesville, Okla., graduated from the Bartlesville high school. Since that time he has worked with various oil companies. At the present time he is field man with the Dyke Oil company here.

Guests from Pampa who attended the wedding were Mr. and Mrs. W. T. Fraser, Misses Frances Stark, Eva Blakemore, Mmes. Hazel Raines, Mary K. Hartell and daughter, Clara Marie.

Mrs. J. B. Vannoy Entertains Club

"Boiling is possibly the most common method of preparing vegetables," said the county demonstrator, Mrs. Julia E. Kelley, when she spoke to the McLean demonstration club Friday afternoon in the home of Mrs. John V. Vannoy.

"The boiling method is good, and the juices may be used for hot drinks or soups when seasoned," Mrs. Kelley said, "but boiling is not the only method to be used as baking of potatoes, corn, carrots, cabbage, beets, squash, eggplant and cucumbers is excellent. Butter for seasoning is more easily digested than other fats."

The 4-H girls achievement was held in connection with the women's meeting when Patsy Cobb and Bennie Mae Woods gave the stories of their work and displayed their clothes and some canned vegetables.

The Petty twins, who gave their stories at the LeFors picnic were away with their mother.

Mrs. C. O. Goodman, vice-president, presided during a short business session.

Mrs. Kelley prepared onions with white sauce, glazed carrots, baked potatoes and a leafy vegetable which were served with limeade, furnished by Mrs. Vannoy to five members, two club girls, and Mrs. Kelley.

Glorifying Yourself

By ALICIA HART,

True glamor—the enviable variety which lasts through the years, like real beauty, goes deeper than a surface of expertly applied cosmetics. Lovely hair, even good posture. Much more important than exquisitely simple, flattering clothes, correct make-up and a chic coiffure are a personality, great tolerance and the ability to be interested as well as interesting.

One who has decided to be a glamor girl ought to attempt to improve herself (her inner self) place ahead of everything else. To be a thoroughly charming person, as well as a neat, well groomed, physically attractive one is an admirable aim and sure to pay huge dividends.

Try eliminating the personal pronoun from your conversation as much as possible. Get into the habit of listening (really listening) while others speak. And don't argue for hours or be too dogmatic in your opinions. You don't have to be a nobby-pamby yes woman, but neither should you be just plan prejudiced or stubborn.

You read the daily newspapers, don't you? And current magazines as well as historical novels, biographies and other good books which make you think and enrich your store of knowledge. Little use in looking glamorous if your mind is stagnant and you have nothing interesting to talk about.

If you want men to like you (and what girl doesn't?), better give up malicious gossiping, being catty about other women and discussing diets and clothes for hours on end. Say what you will, men like a little sweetness in a woman. And no matter how glamorously lonely you look, they will be disappointed if and when they discover that you are totally lacking in warmth and friendliness.

In Beauty Race

Why bother to make the trip, girls? Here's Charlotte Valez, local belle of Atlantic City, who won't have to pay a cent of transportation to compete next month for the beauty prize of the Showmen's Variety Jubilee at the famous resort. As for "Miss Atlantic City's" chances—you can judge for yourself!

New officers for the ensuing year were elected at the regular meeting Monday of the Women's Auxiliary of the Chas. DeShazo post. Mrs. Matt Clay was elected president; Mrs. E. H. H. D. Club Meets With Mrs. Cude
Ways of preparing vegetables to save vitamins and food value were shown to the Kingsmill home demonstration club by Mrs. Julia E. Kelley, county home demonstration agent, in the home of Mrs. N. B. Cude last Tuesday.

Vegetables with skins and in as small amount of liquid as possible save the mineral, flavor, and nourishment of the vegetable," pointed out by Mrs. Kelley. "The vegetables next to the skin contain more food value than the other part."

"When boiling vegetables save the broth to make soups, sauce, and gravies used with them. Butter should be used in frying or seasoning whenever possible. Use vegetable oils or pork fat when baking potatoes," she added. "Avoid pork fat as much as possible because it is so hard to digest."

Vegetables correctly prepared by Mrs. Kelley were baked potatoes in the skin with cheese, onions with cream sauce, baked carrots with brown sugar sauce, and cabbage with white gravy. These were served buffet style with iced tea to Mrs. Kelley, 11 members and two visitors, Mmes. Jess Beard and A. M. Walker.

HOT FOOT.
NEW LEXINGTON, Ohio, Aug. 12 (AP)—Lightning struck a pool of water at Edward Snider's feet and ripped off his shoes. Snider, otherwise unharmed, is in bed suffering from sore feet.

"WERE WE SMART... SWITCHING TO DODGE! WE ARE GETTING 22 MILES TO THE GALLON!"
"And we're saving in a lot of other ways," add Mr. and Mrs. Kent. "As a matter of fact, we're paying for our golf this year with what Dodge is saving us on gasoline. And beside being amazingly economical, Dodge is unsurpassed in beauty, safety, luxury and brilliant performance!"

"We're Paying for Our Golf WITH WHAT Dodge Saves us on Gasoline!"
...AND BESIDES BEING AMAZINGLY ECONOMICAL, DODGE IS UNSURPASSED IN BEAUTY, SAFETY AND BRILLIANT PERFORMANCE!" Say Mr. and Mrs. Norman Kent, Chicago

FROM all over America comes the news that Dodge owners are experiencing economies so sensational that with the money they save on gasoline alone they are able to buy other things! One woman reports she is buying an electric refrigerator. Another family states they are sending their son to summer camp. And Mr. and Mrs. Kent, pictured above, are paying for their golf on what Dodge saves them on gasoline!

BLONDE HELD IN DEATH QUIZ

CINCINNATI, Aug. 12 (AP)—Held on fugitive warrants charging murder and grand larceny, a comely 31-year old blonde was held today as police, investigating the deaths of four elderly men, said she admitted benefitting from the estate of one and had sought to collect money from two of the others.

Four mysterious illnesses—of two men and two women—also were under scrutiny as city county and federal authorities delved into the history of the woman, Mrs. Anna Filser Hahn.

Colorado Springs, Colo., police have been investigating the death there, Aug. 1, of George Obendorfer 67, moderately wealthy Cincinnati cobbler, who, police say, was accompanied by the woman after she first had gone to the bank with him when he withdrew money for the trip.

Detective Walter Hart who filed the murder and larceny warrants against Mrs. Hahn said he was "not at liberty to divulge the basis for the action."

Mrs. Hahn, widow of a Viennese physician, denied knowledge of the case and contended, Lieut. George W. Schattie said, that she met Obendorfer "by chance" en route west.

The three other deaths under inquiry were those of Jacob Wagner, 78, Albert Palmer, 72 and Ernest Kohler, an elderly teamster who died several years ago. Wagner's body was disinterred a week ago and portions of the viscera are being subjected to tests for poison, Schattie reported.

TYLER COUNCIL WANTS PUPILS FINGERPRINTED

TYLER, Aug. 12 (AP)—If parents approve, Tyler's 7,000 school children will be fingerprinted when they start to school this fall.

The city safety council proposed and the school board approved such a plan to thwart any possible recurrence of the confusion arising from the New London school explosion this spring. In that tragedy many identifications were difficult to establish.

Superintendent of Schools John Hodges said the plan would go into effect if parents agreed and that he expected little opposition inasmuch as the idea was to protect the children.

The council said the prints would be sent to Washington for permanent filing. The plan contemplates eventual fingerprinting of every person in the city.

Anti-Nazi Flareup in Wisconsin

With "Hitler Shall Not Pass" as their marching cry, anti-Nazi pickets are shown above as they jeered members of the German-American Volksbund meeting in their clubrooms at Kenosha, Wis. Volksbund members, barred by the town council from holding their annual picnic in a park, held possession of the sidewalk, pickets heckling them from the street. Sam Brown belts, military caps, puttees, dark trousers and white shirts mark the Volksbund members who responded to the call expressed on the sign in German above the hall. Its literal translation is "German groups in America, awake. It is in recognition of your German heritage that you must take part in the gatherings in this hall."

ATTORNEYS GATHERING GREEN CASE EVIDENCE

DALLAS, Aug. 12 (AP)—Assistant Attorneys General Llewellyn P. Duke and Madden Hill set up headquarters to begin gathering evidence today for the state's case in the Col. Edward H. R. Green estate litigation.

Another of the many hearings which have marked the fight over the great fortune left by the late railroad magnate will be held here Oct. 11. Duke and Hill are preparing for that. Texas, New York, Massachusetts, and Florida are fighting for a share of tax money, in addition to the battle for the estate between the colonel's widow and sister.

HEMPHILL COUNTY TO SEEK CCC ENCAMPMENT

HIGGINS, Aug. 12—A CCC encampment project in Hemphill county has recently been applied for. Petitions, including names of approximately 150 Canadian citizens, ranchers, and farmers have been obtained by the sponsors and sent in to the regional director of the program, H. H. Pinnell, Amarillo.

More than 303,000 acres of pasture land and nearly 24,500 acres of farming land in the county are included in the petition. Judge E. C. Fisher of Canadian is leading the movement.

PLAY PROGRAM GROUP REPORTS AT MEETING

The summer recreation program committee met this afternoon in the city hall with Mrs. Raymond Harrah, chairman, in charge.

A review of the summer's activities was given and discussed, and the play program directors reported on the success of the work, now in its last week of existence this summer.

Various monthly bills were approved and paid.

BUSINESS CONTINUES TO BE GOOD FOR JUSTICE

Justice of the Peace E. P. Young continued to be the busiest man in the courthouse this morning as he listened to six pleas of guilty on intoxication charges. Yesterday morning the judge assessed 11 fines.

The six men were picked up by officers of the sheriff's department yesterday afternoon on downtown Pampa streets.

"It is unusual to find so many intoxicated persons in a full day, alone within a few hours," Sheriff Earl Talley remarked. "It must be the heat. The boys probably hadn't absorbed any more than usual but when they went out in the heat, the result was different."

PULLMAN CARS DERAILED.
DALLAS, Aug. 12 (AP)—Four Pullman cars of the Missouri-Kansas-Texas "Bluebonnet" derailed here today as the train approached the Dallas yards. Two cars leaped sharply; the others remained upright. None was injured. Cause of the accident had not been determined.

LEFORS SCOUT TROOP TO ENJOY CAMP TRIP

Boy Scout troop 19 of LeFors will leave August 26 on its annual trip but instead of covering several states as in previous years, the boys will go to the Carson National forest north of Taos, N. M., where they will headquarter until Sept. 1. A side trip will be made to the Red River canyon, Scoutmaster R. H. Duncan said yesterday while on a visit here.

About 25 Boy Scouts, accompanied by Scoutmaster Duncan, Assistant Scoutmaster Allen, Cumberledge and E. L. McCluskey, a cook and bus driver, will make the trip. The troop camp site has already been selected by a forest ranger who will camp with the boys and accompany them on side trips.

TEXANS STILL CONFIDENT OF WATER TREATY

WASHINGTON, Aug. 12 (AP)—Texas members of Congress expressed confidence today a water treaty with Mexico could be negotiated despite opposition by Senator Ashurst (D., Ariz.) to any proposal allotting Colorado river waters to Mexico.

Ashurst protested on the Senate floor after Secretary Hull announced designation of Undersecretary Sumner Welles as supervisor over controversies between the two countries involving water rights in the Colorado and Rio Grande.

Citrus fruit growers in the Rio Grande valley asked the state department to seek assurance from Mexico that sufficient water for irrigation purposes would be available in Texas. Senator Tom Connally of Texas and Representative Milton West of Brownsville, Texas, said they believed such an arrangement would be effected.

Connally took issue with Ashurst's statement that the United States "is under no obligation by treaty or international law or otherwise to recognize" Mexican claims to Colorado river waters.

"Mexico is entitled to a portion of

the water of the Colorado," said Connally. "Texas is entitled to a share of the water on the Rio Grande. The problem is a common one and the government will eventually settle the controversy as to both streams."

West said Ashurst "was not consistent" in his opposition to negotiating a treaty on the Colorado river. "Ashurst points out that the water originates in this country, that it is ours and that we are in no way bound to promise Mexico a certain amount," said West.

"He points out that 65 per cent of the water originates in Colorado, yet ignores the fact that Arizona and other western states claim and get far more than the remaining 35 per cent. If Colorado decided to build all kinds of dams and cut off a great deal of their supply they justly would raise loud and immediate protest."

LEFORS PLAY PROGRAM NEARING END OF TERM

Between 45 and 100 children daily attend the LeFors Summer Play-ground program now nearing its end under personal direction of R. H. Duncan and a few volunteers.

Included in the activities are all kinds of outdoor play including tennis, softball, croquet, swings, etc. Two swim periods and a free picture show every Thursday night are also highlights.

M'CRAW CALLS SCHOOL CASE 'LEGAL IDIOCY'

SAN ANTONIO, Aug. 12 (AP)—Attorney General William McCraw termed the San Antonio school board's case against the state board of education a "legal idiosyncrasy" after hearings had been opened before Judge W. W. McCrory in criminal district court here today. The local school district is seeking to prevent lowering of the tentative \$22 per capita scholastic apportionment. McCraw and his aides are attempting to have a temporary re-

straining order against lowering the rate quashed. The \$22 per capita rate was set on July 6. Shortly thereafter the state automatic tax board reduced the state ad valorem tax rate from 26 to 7 cents. The state board of education then planned to meet again, ostensibly for cutting the apportionment from \$22 to between \$15 and \$20. The San Antonio school district filed a suit before Judge McCrory and a hearing was set for Thursday to declare jurisdiction. The action sought is to enjoin and restrain the state board from reducing the apportionment.

ITALIAN HOSPITAL SHIP DESTROYED BY FLAMES

NAPLES, Aug. 12 (AP)—A spectacular fire which threatened all the shipping in Naples harbor destroyed Italy's prize hospital ship, the He-

lous, early today while tens of thousands of persons, including hundreds of Americans, watched. One fireman was hospitalized in the desperate and successful battle to save the waterfront. The wrecked ship was towed in flames into deep water and sunk. The fire began at 4 a. m. while Naples slept, but before the blaze was ended practically every resident of the city was out-of-doors.

ROTARIANS GO BEHIND SCENES IN RADIO SKIT

How a radio program is enacted was shown to Pampa Rotarians and visitors at the regular meeting of the Pampa Rotary club at noon Wednesday at the First Methodist church. Sid Patterson, manager of KPDN, directed the program, which was an actual demonstration of a 15-minute radio program as it appears at a

studio. A public address system was installed for the program. In a skit entitled "Half-a-Grand Hotel," Bob Castle, featured on the local station's "Round the Cracker Barrel" program, which is broadcast

at 6:45 p. m. daily from KPDN, took the part of seven characters. Castle was assisted in the skit by Monte Rosenwald. Music was by Frank Kadlec, RKO vaudeville star.

Kadlec played several accordion numbers. Visitors present were Carl Benefiel, of Edin, Okla.; former manager of the La Nora theater here, Lester L. Wiles and H. S. Benjamin of Borger.

Albert Bruce and W. D. Riddle of Amarillo. A victory abroad against Rome's enemies entitled the winning general to enter Rome in triumph.

Love Gets a Lift

Chapter I
Kathleen O'Shan, head tossed back to face a sudden summer breeze, ran up the flight of rough stone steps to her studio, and butted smack into the janitor who was sweeping.

"Oh, Pat, I'm sorry!" she exclaimed. "Did I hurt you?"

"Ye didn't damage a thing, Miss Kathy, but me smoke." A smile wreathed the little man's ruddy, dried-apple face. He retrieved his stubby pipe from the grass beside the walk. "A washin' won't be hurtin' it now, I'm thinkin'. Got a lot o' rhymes to write today? Ye seem to be in a great hurry." His shrewd squinting eyes noted her strained frown.

"Yes, I've got to write a lot whether I have them or not. That rent's almost due again you know, but it's awfully hard to think about love this kind of weather." She pulled off her beret and let the wind whip her black curls as though it might bring an idea.

Her blue eyes with their long curling black lashes gave her face an appealing look which made the old Irishman say reassuringly:

"Sure now, Miss Kathy, it's the good saints themselves will be havin' ye under their care. Don't ye be worryin' yer pretty head none." He grasped the broom and attacked the steps as though he were disposing of all earthly cares.

But after the door closed behind the girl, he stood in deep thought for a moment, his thick finger tamping down the tobacco in his pipe. Then he shook his head worriedly and glanced at Kathleen's window where he could see her already bending over her desk.

"It's too young she is to be fightin' against the world all alone. Them little rhymes she writes don't pay any more than enough to keep body and soul together. I wish—"

His thoughts were interrupted by a high-pitched voice above his head as a young woman, with an amazing shock of platinum blond hair, leaned from a window.

"Patrick, I want you to come up and move my couch. I just can't abide it where it is? My nerves are all a-jangle looking at that north wall. Hurry!"

"Sure, and I'll be tearin' me shirt now, Miss, to get there," answered the janitor soberly. Then as the window banged shut, he shrugged and leisurely went back to his sweeping, muttering, "She said the same thing last wake when I moved that couch, and she'll be sayin' it agin next wake when I move it. If the girl would try combin' her hair now, it might help her nerves. Them artists she runs with callin' her the Duchess, has got her to thinkin' she really is one to be orderin' folks about like she had a right to."

When the upstairs window was jerked open again, Pat finally dropped his broom and stumped up the steps. He knocked on the door of the studio directly above Kathleen's.

"You certainly took your time, Pat-

rick," the Duchess addressed him in a scathing tone as she let him in. She pointed a long amber cigarette holder at him accusingly. She was dressed in black satin pajamas topped by a gold embroidered Mandarin coat. This made her unnaturally light hair and hard young face look especially artificial.

Pat gave her a quizzical grin. "Sure, Miss, it's meself now who's seen the time when I'd bounce right

up if the girls called, but I ain't as spry as I used ter be. Where ye think ye'd be wantin' that couch?" he looked disdainfully about the huge cluttered room. It had been the ballroom of the old mansion, that was now the studio-apartment house. Except for one small studio, it extended across the entire top floor.

The Duchess went in for surrealist painting on an extensive scale. Fantastic canvases lined the walls and leaned at all angles against odd pieces of furniture. Weird, shrieking colors ran rampant in vivid daubs of paint, the draperies and the rugs, giving the place a feverish, maniacal aspect.

"It's a big pain in me neck," is the way Pat had described the studio to Kathleen once. "And the same goes for that girl and her runny friends. Watch yer step now, Miss Kathy, around her. She ain't for the likes o' ye."

"Oh I'm much too busy during the day to have time to get very well acquainted with the people who have studios in the house, Pat," Kathleen told him. "Besides, they all go home at night, so I never have a chance to be very friendly with them. Sometimes I think it would be nice to have someone to talk to. It wouldn't be so lonesome and, well—it's kind of scary staying alone in the building. It's so old it creaks. Often I imagine I can hear footsteps upstairs, when I know it's empty."

"Likely as not it's them pictures of the Duchess doin' a jig or something," Pat replied with a shrug. "They look like bad dreams all right, all right."

But after that conversation, Pat had moved a cot into the basement storage room for himself, instead of staying at his brother's rooming house, where all his old cronies were wont to gather.

"The owner thinks 'tain't safe to be leavin' the place so unoccupied at night," he explained to Kathleen. "So if ye hear any trompin' around from now on, it's me." He did not add that he had never spoken to the owner of the building in all the time he had worked there, but dealt entirely with his agent, who rarely bothered his head about anything.

If Pat was not so comfortable in body because of this self-imposed arrangement, at least his mind was set at rest about the little girl in studio number one. He wasn't going to have her getting all upset by any creaks if he could help it, any more than he was going to let her get too friendly with the Duchess and her friends. If he could only find some nice young fellow for her to date, he would have felt better satisfied yet, but so far,

none of the tenants of the building had come up to his standard.

Kathleen, herself, was entirely unconscious of the anxiety she was causing her Irish friend. He was very careful to be always quite casual and unconcerned when he was talking with her. She would have been surprised to know why he was so anxiously scrutinizing every new tenant who moved in.

Then the very small studio across from the Duchess' big one was taken. Kathleen realized this first when she saw a black and white terrier go pelting past her up the stairs, and heard him scratch at the door which was promptly opened for him. Soon a typewriter, a steel filing cabinet and a big table were carried in. These seemed to belong to a tall young man, with fair hair and nice upturned smile, who addressed the dog as Schmatz.

Kathleen became quite absorbed watching the moving from her window wondering who he could be and what kind of work he did. "I'll ask Pat the first time I see him," she promised herself and turned back to her desk.

Pat himself lost no time looking over the tenant. "About that dog now," he began. "I don't know what the agent will say. He—"

"Why bother to tell him? What he doesn't know won't worry him," the young man answered with a grin. "I'll promise good behavior—no barks on the part of Schmatz. The little rascal's lots of company for me. I don't know anybody here. I've just come to the city you know. You wouldn't make me get rid of him would you?"

Pat decided he liked his friendly manner. "Well, we'll be tryin' the pup out," he promised, leaning over to rub the dog's ears. "What'd ye say yer name was now, Mr.—Mr—"

"McTavish. Bob McTavish. I write detective yarns for a living."

"Oh ye do." Pat carefully filled his pipe while he reflected how well the stranger's fair hair would go with Kathleen's black curls. What a fine lookin' couple they'd be makin' now. He lighted the pipe and remarked, "I suppose ye wouldn't be mindin' meetin' some other writers thin?"

"Well I don't know." Bob told him doubtfully. "Why?"

"Just wonderin'." One of Pat's eyes closed to shut out the cloud of smoke that wreathed upward from his pipe.

FIRECHIEFS MEET RIG SERVICE AND KING BATTLES CANADIAN TONIGHT

KING OIL AND DANCIGER WIN TOURNEY PLAY

Four teams will be left in the Panhandle District Softball tournament at the close of play tonight at Recreational park when one team will go home. Opening game, at 8:15 o'clock, will send the crack Texaco Firechiefs of Amarillo against the surprising Rig Service Station of Borger youngsters. King Oil of Pampa and Canadian will tangle in the nightcap.

King Oil came out of last night's affray with a 7 to 3 victory over Gulf of Borger which caused the Borgans to leave the tournament. In a second game Danciger, the dark horse of the tournament, swamped Taylor Grocery of Amarillo, 18 to 4, and sent the youngsters home.

Until last night the Amarilloans had been the giant killers of the tournament, topping off Cities Service and Siskily in mighty victory. Gulf had also been a strong contender.

Firechiefs On Hand
Firechiefs are hoped to send their ace lefthander, Berry, against Rig Service tonight and save Norton for the final game. After a rest from a break in the schedule, Hamm should be able to come back for Rig.

No less attractive will be the dish presented by King Oil and Canadian. It will see Chubby Wilson, little lefthander, and Danny Atkinson, midjet righthander, meeting in a battle of speedball artists. Both teams pack power and bat and tight defense.

Two home runs by "Boogie" Nash, the first in the second inning with two mates on board and the second in the fourth with one on base, put the King Oil into a lead which they held. Poe went the route for the winners and allowed only one run, a homer by Denev in the second, until the seventh when two hits and an error accounted for two more runs.

Poe On Mound
Poe allowed the big Gulf batters only six hits. Rogers limited the oilmen to seven singles, but made the mistake of pitching home run balls to Nash. Sharp bagged a double and triple and Sullins hit a home run but failed to touch second base and was called out and limited to a single.

Taylor Grocery "blew up" in every department. They made 12 errors with the first baseman, Bonnet, leading the way with five. Shock started on the mound but left in favor of Rousch, who was also treated to base blows.

Patrick pitched six-hit ball for Danciger. Keyser helped the Danciger cause along with a home run in the fifth with two mates on base.

Big Crowd Expected
Tonight's games should draw a crowd equal to the one which saw Texaco Firechiefs nose out King Oil on Tuesday night. Only the two games will be played and both at Recreational park.

Many Pampa fans have remarked that the Firechief first baseman looked familiar. Probably the last time he was seen here was in 1923 when he wore an Amarillo football uniform and passed, punted and carried the ball to a lopsided victory over the Harvesters after two tie games had been played. Yes, he is the famous "Moose" Hudson, who, according to oldtimers, was imported for the big football game.

The two Amarillo pitchers come from Colorado where they were on the state championship team last year. They are among the best in the country.

Rig Service boasts a team of hustling youngsters who can steal bases like a kid taking watermelons. They can hit the ball and field and may upset the dope bucket.

King Oil and Canadian need no introduction to fans of this section.

McNabb, Prather Awarded Honors In Denver Games
Dutch Prather, Pampa Oiler outfielder and first baseman, was the leading hitter in the Denver Post baseball tournament with an average of .524. For his prowess in the plate, Prather will receive a Bulova wrist watch, engraved. The slugging Oiler will also receive a Packard Electric razor for hitting the most home runs in the tournament, three in number.

The most sensational play in the Little World Series, or in any previous series, went to Hershel McNabb of the Oilers and for that he will receive \$10 in cash. McNabb stole home to give the Oilers a win over the Halliburton Cementers of Duncan, Okla.

Five of the Oilers hit the ball above the coveted 300 mark with Prather leading the pack and Baugh in third position with an average of .467. McNabb, Hale and Scalling were the other Oilers to hit high in the tournament.

Sox Just Another Team To Larruping Yankees

By SID FEDER, Associated Press Sports Writer.
The Society for the Perpetuation of the Yankees as American league champions ("Jake" Ruppert, Pres.) is on the way toward proving again the sky is the limit so far as its long-range firing is concerned.

With charter members Lou Gehrig and Joe DiMaggio as chief "disheerers" of the daily dose of pitchers' poison, the swat squad has just about demolished what little race there was for this year's pennant, and is sharpening up its sights for another operation on baseball's record books.

They handed knockout drops to their latest challenge from second place by tramping the Boston Red Sox, 8-5 and 10-4, in both ends of a double bill yesterday, with a crowd of 36,127 witnessing the execution, and thereby waltzed away to an 11 1/2 game lead over the pack—a lead that put them as good as "in" unless there was a wholesale epidemic of broken bones or an earthquake or two.

With that done, they looked over the field today and found that their 1936 record of 182 homers for a season, which was supposed to be pretty close to a limit a year ago, would be somewhat of a cinch to wipe out, and that they have a fair chance to preserve for Yankee posterity new marks for won-lost standings and for the margin by which they can nail the pennant to the mast.

The 1936 edition of Gehrig & Co. was supposed to be the tops or thereabouts, but they were pikers compared to this collection, despite a pitching staff that appears to be just about hanging on. So far, they have a lead of about five games better than they had at the same time last year, and are some five full games in front of where they were then in games won and lost.

Dynamiter DiMaggio drove his thirty-third round-tripper into the stands in yesterday's 14-inning opener, and Gehrig greeted Buck Newsom with his twenty-eighth in the seven-inning nightcap. This pair of payoff wallops boosted the Yankee season total to 130 in the 98 official games to date. With 56 games still ahead and 53 homers needed for a record, there seems little chance that the old mark will be on hand when they finish their bombing this season.

The National league lead, currently in possession of the Chicago Cubs, also underwent a "stretching" yesterday. The Cubs took advantage of the idleness of the second-place Giants to pound the Pirates, 5-1, behind Clay Bryant's five-hit flinging and boost their pace-making margin to 6 1/2 games.

The Cleveland Indians, with Bob Feller pitching a seven-hitter and fanning six in the opener, whipped the St. Louis Browns, 5-2 and 7-2, in a twin bill. The Senators just lasted to take a 5-4 decision from the Athletics. St. Johnson twirled the Cardinals to a 3-2 win over the Reds.

The White Sox and Tigers in the American league, and the Giants, Bees, Dodgers and Phillies in the National were rained out.

FORMER PIGSKIN STAR WINS WRESTLING BOUT

LOS ANGELES, Aug. 12 (AP)—Flying tackles and body slams, reminiscent of his football days, gave Bronko Nagurski a straight-fall victory over Vincent Lopez last night in a match billed for the heavy-weight wrestling championship of the world.

The former Minnesota gridster took 30 minutes to subdue his scowling foe. Nagurski weighed 235, Lopez 228.

MARION MILEY STILL LEADER IN GOLF PLAY

CHICAGO, Aug. 12 (AP)—One more sample of the kind of golf she has been shooting for the past three days was all Marion Miley of Cincinnati needed today to win her third consecutive women's western 72-hole medal play derby in record fashion.

She went into the final round today with a five-stroke margin over red-haired Patty Berg of Minneapolis. From the manner in which she compiled her 54-hole total of 232 strokes, eight under par for that distance over the Onwentsia club course, only an almost total collapse of her game could keep her from retaining the title she won in 1935 and 1936.

Miss Miley, who started Monday with a 76 and added a 78 Tuesday, came up with another par yesterday. Miss Berg, author of a course record 74 Tuesday after taking an 83 the first day, scored even par 80 yesterday for a total of 237.

Betty Jameson of Austin, Texas, made a belated rally yesterday, matching Miss Miley's 78, to move from a tie for sixth, to third place at 240. The 1937 Trans-Mississippi champion had little chance of catching the leader, but was still in the running for the runner-up spot.

A stroke farther back was Beatrice Barret of Minneapolis, who shot a par 80 for a 241 total, one stroke better than Mrs. Dan Chandler of Dallas, Texas, and 16-year-old Fifth Estabrooks of Dubuque, Ia., former Western Women's Junior titleholder, who carded 83 and 82, respectively.

TERRY DENIES SIGNING NEW SALARY CONTRACT

NEW YORK, Aug. 12 (AP)—Bill Terry, manager of the New York Giants, denied today there was any basis for a published story (in New York Journal-American) saying he had signed a new contract at annual salary of \$37,500.

Terry's present five-year contract, which has one more year to run, calls for \$57,500 per season.

There have been recurrent rumors this year that Terry would be elevated to the job of general manager of the Giants, in charge of all business affairs, including the club's "farm" system. These reports likewise have been unsubstantiated.

Grover Austin Cards 63 For New Course Record

An epidemic of low scores began at the Pampa Country club on Sunday when Mack Graham carded a 71 and Gene Green shot a 73 for his low of the year. Grover Austin Jr., former city champion, getting the fever Tuesday, went out and lowered the course by one stroke when he shot a 63 in a tournament match with Warren Cretney. Other players were his brother, John Austin, and Jess Patton.

The new record was made with a tricky wind out of the south. Grover registered seven birdies and an eagle to score a 31 on the front, or long nine, and a 32 on the back nine. His eagle came on the 555-yard No. 4 hole, a five par hole on the card. He was on the green in two and sunk his ball in the cup on a pretty play from far out.

Grover held the course record with a 65 until Brother John came along last year and hung up a 64. It stood all attacks until Tuesday.

On this week-end, John Austin, Jim Richsen and Hamp Brown will go to Clarendon for the Clarendon Invitation meet.

Several local golfers also plan to compete in the Shamrock Invitation tournament to be played Aug. 26, 27, 28, and 29.

HENROTIN AND MARBLE PLAY SEMI-FINALS

RYE, N. Y., Aug. 12 (AP)—Alice Marble, the United States' No. 1 woman singles player, will meet Mme. Sylvia Henrotin, of France, in the first of the semi-final matches of the Eastern Grass Courts Tennis championships this afternoon.

Miss Marble breezed through a 6-1, 6-1 victory over Jane Stanton, Los Angeles, yesterday, while Mme. Henrotin was beating Barbara Winslow, Hollywood, Calif., 6-3, 6-4.

Jadwiga Jedzejowska and Gracy Wheeler, Los Angeles, the other semi-finalists, had somewhat tougher going. Miss Wheeler dominated Dorothy Bundy, 6-4, 7-9, 8-6, and the Polish champion defeated Mrs. Marjorie Van Ryn, Austin, Tex., 7-5, 6-3.

Miss Wheeler and Miss Jedzejowska will play Friday.

Three men's third round singles matches also are set for today. Bryan M. (Bity) Grant, Atlanta, the Davis Cup team member, plays Gerin Cameron, Tulsa, Okla., Frank Shields, fourth seeded, meets Lewis Wetherell, Santa Anna, Calif., and Arthur Hendrix, Lakeland, Fla., seeded No. 7, encounters the Japanese Davis Cup player, Fumiteru Nakano.

HOME RUN CZAR CONSIDERED FOR BALL CLUB MANAGERSHIP

HOLLYWOOD, Aug. 12 (AP)—A baseball job loomed today for the Bambino of home runs, George Herman Ruth.

The mighty Babe, Actor George Raft disclosed, is considered the ideal prospect for manager of a Hollywood baseball team in the Pacific Coast league.

With a group of screen associates, sports-minded Raft wants to transfer the Oakland or San Francisco Missions franchise to the movie capital next year.

"Ruth is still the biggest figure in baseball," Raft said, "and with him as manager I believe a club would do a swell business in Hollywood, which deserves a Coast league club."

Raft said that if negotiations proceeded as he expected, he would leave by plane next week for the east to lay his offer before the one-time Sultan of Swat.

GABLEMAN LEADING IN UNION PRINTERS MEET

BALTIMORE, Aug. 12 (AP)—Ed Gableman, bespectacled Cincinnati newspaper compositor, led the field into the final round of the Union Printers' international golf tournament today, with the Walter Hagen trophy as his goal.

Gableman, twice winner of the trophy, carded a 76 in yesterday's third round play and ran his 54-hole total to 239. His score was one stroke above the 238 carded by Joe Balestri, Washington, a book-binding ineligible for the grand prize.

Gunpowder was introduced into Europe by the Saracen invaders.

HUBER BLACKFACES, PAMPA OILERS TO CLASH ON SUNDAY

The Pampa Oilers and Huber Blackfaces of Borger will resume their "Denver series" in Amarillo Sunday afternoon when they clash on Jaycee diamond at 3 o'clock. The two teams came out of the Denver Post tournament with three wins and two losses.

However, one of the Blackface victories was over the Oilers which put the Pampanos another one down to the Borgans in the season series which now stands 7 to 4 in favor of Borger. Plans are in the making for a "Little World Series" playoff between the two clubs.

With the exception of Baugh, and of course Al Summers, the Oilers will be at full strength for the game with Borger Sunday afternoon in Amarillo. Addition of Dutch Prather, leading hitter and home run hitter in the Denver Post tournament, will give the team much added power.

With Baugh gone, Beason will go to short. McLarry will likely have to hold down second with Scalling on third unless Sam Hale can be secured, which is possible. That will

JUST ONE MORE MILE

NEW YORK (AP)—S. Walter, an automobile dealer in Flushing, L. I., sold a car to a man. Suddenly the customer refused to sign the bill of sale. When asked what was wrong he told Walter the mileage gauge showed 13 miles. If he wanted to sell the car, Walter would have to drive the machine around the block until another mile was registered. Walter did as instructed and the customer, perfectly contented, signed up.

Coors Keeps You Cool

It is universally admitted that a cool, brisk glass of Coors Export Lager after a hot, tired day is the most refreshing and satisfying drink that ever slaked a thirst. You see, Coors is so completely and thoroughly fermented... so well matured... so clean... so sparkling with Pure Rocky Mountain Spring Water... that every drop of it is teeming with the kind of energy which restores tired tissues and soothes tingling nerves. To taste it is to love it. Say "Coors, of Course" next time you're dry.

FAVORITES IN SECOND ROUND AMATEUR GOLF

DENVER, Aug. 12 (AP)—As second round play opened today, the Rocky Mountain Amateur Invitation Golf tournament still had its medalist and three former champions left.

Jack Malloy, Oklahoma and Broadmoor Invitation champion, who won the medal with a two-under-par 69, faced J. A. Holzwarth of Denver at 9:20 a. m.

W. C. Nevin, head of a Denver candy company, conquered 17-year-old Alvin Moncrief of Fort Worth, Texas, in 26 holes, the longest early-round battle in tournament history.

King, who won the crown in 1935, defeated Robert Dergance, 5 and 3, yesterday, and drew Frank J. English, head of an aluminum company, in today's final.

Other out-of-town players still left included J. L. Taylor, Houston, Texas.

YESTERDAY'S STARS

(By The Associated Press) Clay Bryant, Cubs: Allowed five hits and fanned seven in whipping Pirates 5-1.

Johnny Murphy and Lou Gehrig, Yankees: Former stopped Red Sox with five hits and one run in six-inning relief trick to take double-header opener 8-5.

Joe Kuhel, Senators: His homer with two aboard beat Athletics 5-4. St. Louis Cardinals, who have the most elaborate farm system in baseball, buy uniforms in lots of 500.

Lou Gehrig probably gets more fan mail than any man in baseball.

Every kid in the country writes in wanting to know how he gets the pine to that ball.

TEXAS LEADS STATES IN RAIL MILEAGE

WASHINGTON (AP)—More railroad mileage is operated in Texas than in any other state, the Association of American Railroads reports.

The association computes that railroads paid \$873,641 daily in 1936 to meet their taxes from federal, state and local governments.

Sports Roundup

NEW YORK, Aug. 12 (AP)—Has Joe Louis got a bum left hand? Press agents in his camp scream "no," but here's what a responsible New Jersey newspaperman writes: "Saw Joe Louis the other night... his left hand is swollen... Trainer Jack Blackburn says it is sore from too much tape... But it looks bruised and a little cut to me. It looks like your own ticket... The current series between the Yanks and the pepped-up Boston Red Sox is considered so important that President Will Harridge rushed four umpires to Beantown.

The Capital Jigsaw By HOWARD C. MARSHALL

AUSTIN, Aug. 12 (AP)—Lieut. Gov. Walter P. Woodul, after a false start or two, disclosed the "real" reason why he wanted to visit the Pleasant Valley school near Ralston, Okla., recently.

Soon after he began subbing Gov. James V. Alfred, who had gone to Mexico City for a vacation, he announced he would go to Pleasant Valley and see how boys and girls he once taught there had "come out."

He also said he wanted to give Senator Claude Isbell of Rockwall, President Pro Tempore of the Senate, opportunity to act as governor.

"But I guess the real reason," he remarked later, "is I want to show everybody I can go back."

Woodul received several newspaper reports from Mexico in which Gov. Alfred's picture was prominently displayed beneath and above headlines, indicating a subject of importance was being treated. The papers, however, were in Spanish.

"I can't read what they said about the Governor," Woodul observed. "But I gather it was all favorable."

The Blanton disappearance case, in Woodul's opinion, is most baffling, but unlike some other public officials, he does not think a solution is out of the question.

He said recently he thought all officials of the Public Safety department, Wilacy county and the Attorney General's department, should work on the mystery until the whole story is known.

"It has been my experience," he said, "that if you keep poking around long enough you will finally dig up something."

Luther and John Blanton, farmers near San Perita, disappeared last November after leaving home to hunt.

Attorney General William McCraw was somewhat skeptical the Blanton case would be solved, although he promptly assigned an assistant, George Kirkpatrick, to assist in an investigation upon request of Governor Alfred and County Judge W. E. McCharm of Wilacy county.

McCraw suggested that the "longer you chase a skunk the worse he smells." He did not elaborate upon the allusion.

"I don't think Ed is figuring on running for anything," Woodul said. "But if he does I think he would fill the job excellently, no matter what it is."

"How about the Attorney General's ship?" someone asked. Woodul himself is a candidate for that office.

"He would even a good attorney general," Woodul said, laughing.

JAPAN BUILDING BIGGEST WHALER OSAKA, Japan (AP)—Determined to snatch away a part of the whaling business now almost monopolized by Britons and Norwegians, Japan is building another 32,000-ton whaling tender, the largest of its kind. She is called the Deian, Tonan Maru, a sister ship to the super-whaler, Daini Tonan Maru.

The cost of this latest giant and her eight "catcher-boats" will exceed \$4,000,000. She will be equipped with 40,500-ton whale oil tanks which will enable the ship, in event of war, to be converted into a petroleum tanker.

The vessel is 544 feet long, 74 feet wide, and has a draught of 57 feet. In her construction, 9,800 tons of steel, or about the same quantity of steel frames used in Japan's new National Parliament, are being used.

WOLFF AND EL PULPO TO MEET IN MAIN EVENT MONDAY NIGHT

Shhhh—Don't tell anyone but there is going to be one of the biggest battles in history out at the Pampa Athletic arena on Monday night when Frank Wolff of Columbus, Ohio, meets Pancho El Pulpo of Mexico City, D. F., in the main event of Cliff Chambers' weekly wrestling show.

Chambers is now in Houston lining up a supporting card, scouting for a competent referee and getting some boys on the dotted line for future appearances, especially when the weather gets cool.

The fiery little promoter will return to Pampa tomorrow and will reveal the rest of his card. At least one new grappler will appear on the card.

Plans are in the making to call out the national guard for Monday night when Wolff and El Pulpo crawl on the mat together. They have appeared here before but never in the ring at the same time. Both are roughsters and they don't mind admitting it.

It may be necessary to add extra seats to the arena but Promoter Chambers said before leaving for Houston that he would accommodate the crowd expected.

TROTTER RACES MAY BE POSTPONED AGAIN

GOSHEN, N. Y., Aug. 12 (AP)—After yielding to the weatherman yesterday, a dozen evenly matched three-year-old trotters were ready again today to settle their argument over speed and stamina in the 12th Hambletonian at Good Time park.

Whether they would take the track in the battle for the major share of \$37,912.58 was doubtful, however. Rain which washed out trotting's richest stake yesterday after more than 30,000 persons had crowded their way into the track continued well into the night. Several inches of water covered the inside of the course.

The weather conditions had no effect on the betting. Before the race was postponed, Desota, owned by Paul Bowser, the Boston wrestling impresario, was installed the firm choice to take the winner's share of the purse, amounting to \$19,916.92. He remained so today.

If any horse beat Desota, it figured to be either Schnapps from William N. Reynolds' Winston-Salem, N. C., stable or Bill Strang's New York-owned Twilight Song.

BURGLARS STEAL VARNISHED COOKIES GRAND RAPIDS, Mich. (AP)—Burglars who broke into the plant of a Grand Rapids Cookie Machine company got only a tummy ache for their efforts.

Detectives discovered the burglars had stolen a quantity of cookies which recently had been treated with varnish to make them suitable for display purposes.

GREYHOUND'S NEW SUPER-COACHES Provide The Finest of all Highway Travel

You can secure this service by calling Telephone 871. Pampa Bus Terminal and asking for Caprock Bus schedules making connections at Shamrock.

Greyhound's new super-coaches are so utterly different from any previous type bus used in the industry that they involve radical departures in almost every detail.

The most important single change has been the placing of the motor in the rear of the bus. This arrangement means quieter operation, less vibration and complete absence of exhaust fumes. It also gives more space for passengers and adds to the riding comfort. By riding the Cap Rock Bus Line to Shamrock, you can secure this service to any part of the U. S.

Another noticeable feature is the new high, comfort level for passengers. It is above the vibration line and permits passengers to look over the tops of passing private cars.

Special consideration has been given to the baggage space. Two large compartments, water tight and dust proof, have been built under the floor of the coach for suitcases, trunks and large parcels. The baggage rack on the roof has been eliminated.

Deeply-cushioned, individually adjustable chairs have been entirely redesigned for use in the new super-coach. They can be made to recline in four optional positions for sight-seeing, reading, relaxation or sleep. Ride the Cap Rock to Shamrock, there making connections with Greyhound's new Super-coaches which are modern and different, but in every respect adhere strictly to the high traditions of safety and reliability which Greyhound has established in its nation-wide system.

The Caprock is trying to give you this service. Call 871 and the agent will be glad to give you the Caprock schedules.

Here's What Pampa People Say About the NEW GOODYEAR

'R-1'

Gunn-Hinerman Tire Co.,
Dear Sirs

I am a believer in the new GOODYEAR R-1 tire that has recently come on the market. To my mind it combines the safety and dependability that is so necessary to fast speeds. Another attraction to the tire is the fact that it isn't so high but what the family budget isn't mortgaged for several months when we buy a set for the car. I'm one of the boosters for this GOODYEAR R-1 and am recommending it to my friends.

RALPH WISLEY

Gunn-Hinerman Tire Co.,
Dear Sirs

Oilfield driving requires the tops in stamina, when it comes to tires. Regardless of the price I have paid I've always found that you got just what you paid for in tires. When confronted with the new GOODYEAR "R-1" and the price I was doubtful, but no more, for I got more than I paid for. I believe in it because of the action it has given with the surprising service, not taking into consideration the very reasonable price. GOODYEAR scored a bull's-eye when they perfected and produced the new "R-1."

I. P. JOHNSON

Gunn-Hinerman Tire Co.,
Dear Sirs

Yes Sir, I am glad to recommend the GOODYEAR "R-1" for I'm a "hard-to-be-sold" customer and believe me, the new product of Goodyear's, the "R-1" is a natural, so to speak. I am not only recommending it publicly but put in a good word for the R-1 every opportunity I have.

A. H. JONES

Gunn-Hinerman Tire Co.,
Dear Sirs

I have been convinced in Goodyear Tires for years and thought that the Goodyear AllWeather was just about the best . . . but when the GOODYEAR "R-1" was introduced, I was further convinced, not only in Goodyear as a rubber manufacturer but in the individual tire. With my new Goodyear "R-1's" I'm worry-free, while driving, and the cost was a shock, the Goodyear company really put a record price on this new tire, I'm more than satisfied.

JAMES REEVES

Gunn-Hinerman Tire Co.,
Dear Sirs

Well, my opinion maybe doesn't justify rightly the real quality and value of the GOODYEAR "R-1" I think that for the price the "R-1" is a tire sensation. I've never before found a more practical, more durable and sturdy a tire, backed by as famous a name as Goodyear, for the money you have to pay. The GOODYEAR "R-1" is really, price and quality, plus.
